Preface

This volume contains the general laws of a permanent nature enacted by the General Assembly through the 2003 Regular Session that are within Chapters 87 through 96, and brings to date the annotations included therein.

A majority of the Session Laws are made effective upon becoming law, but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after 60 days after the adjournment of the session" in which passed.

A ready reference index is included at the back of this volume. This index is intended to give the user a quick reference to larger bodies of statutes within this volume only. For detailed research on any subject, both within this volume and the General Statutes as a whole, see the General Index to the General Statutes.

Beginning with formal opinions issued by the North Carolina Attorney General on July 1, 1969, selected opinions which construe a specific statute are cited in the annotations to that statute. For a copy of an opinion or of its headnotes, write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

This recompiled volume has been prepared and published under the supervision of the Department of Justice of the State of North Carolina. The members of the North Carolina Bar are requested to communicate any suggestions they may have for improving the General Statutes to the Department, or to LexisNexis, Charlottesville, Virginia.

ARTICLE 1.

*General Contractors.***§ 87-1. “General contractor” defined; exceptions.**

For the purpose of this Article any person or firm or corporation who for a fixed price, commission, fee, or wage, undertakes to bid upon or to construct or who undertakes to superintend or manage, on his own behalf or for any person, firm, or corporation that is not licensed as a general contractor pursuant to this Article, the construction of any building, highway, public utilities, grading or any improvement or structure where the cost of the undertaking is thirty thousand dollars (\$30,000) or more, or undertakes to erect a North Carolina labeled manufactured modular building meeting the North Carolina State Building Code, shall be deemed to be a “general contractor” engaged in the business of general contracting in the State of North Carolina.

This section shall not apply to persons or firms or corporations furnishing or erecting industrial equipment, power plant equipment, radial brick chimneys, and monuments.

This section shall not apply to any person or firm or corporation who constructs or alters a building on land owned by that person, firm or corporation provided such building is intended solely for occupancy by that person and his family, firm, or corporation after completion; and provided further that, if such building is not occupied solely by such person and his family, firm, or corporation for at least 12 months following completion, it shall be presumed that the person, firm, or corporation did not intend such building solely for occupancy by that person and his family, firm, or corporation.

This section shall not apply to any person engaged in the business of farming who constructs or alters a building on land owned by that person and used in the business of farming, when such building is intended for use by that person after completion. I. GENERAL CONSIDERATION.

Editor’s Note. — *The cases below include those decided prior to the 1989 amendments to this section.*

The purpose of this Article is to protect

the public from incompetent builders. *Bryan Bldrs. Supply v. Midyette*, 274 N.C. 264, 162 S.E.2d 507 (1968); *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969); *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d

273 (1970); *Holland v. Walden*, 11 N.C. App. 281, 181 S.E.2d 197, cert. denied, 279 N.C. 349, 182 S.E.2d 581 (1971); *Revis Sand & Stone, Inc. v. King*, 49 N.C. App. 168, 270 S.E.2d 580 (1980); *Barrett, Robert & Woods, Inc. v. Armi*, 59 N.C. App. 134, 296 S.E.2d 10, cert. denied, 307 N.C. 269, 299 S.E.2d 214 (1982).

The express language of the licensing statute indicates that it is designed to insure competence within the construction industry. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

The purpose of this Article is to deter unlicensed persons from engaging in the construction business. *Spears v. Walker*, 75 N.C. App. 169, 330 S.E.2d 38 (1985).

Legislative Intent. — In enacting this Chapter, the legislature did not intend to authorize the recovery of amounts paid unlicensed contractors after the buildings in question had already been built, even though the contract would be unenforceable and illegal. *Hawkins v. Holland*, 97 N.C. App. 291, 388 S.E.2d 221 (1990).

Construction with G.S. 143-139.1. — G.S. 143-139.1 and 87-1, when read together, evidence an intent to exempt a general contractor who erects modular buildings from having a license if the surety bond requirement is met. *Petty v. Owen*, 140 N.C. App. 494, 537 S.E.2d 216, 2000 N.C. App. LEXIS 1202 (2000).

The importance of deterring unlicensed persons from engaging in the construction business outweighs any harshness between the parties and precludes consideration for unjust enrichment. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

For interpretation of this section, see *Duke Univ. v. American Arbitration Ass'n*, 64 N.C. App. 75, 306 S.E.2d 584, cert. denied, 309 N.C. 819, 310 S.E.2d 349 (1983).

Applicability of this Article is determined by the cost of the undertaking and not by the amount of any separate progress payment required by the contract. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

A contractor is a general contractor if the cost of the undertaking exceeds the statutory limit. The cost of the undertaking is determinative. *Fulton v. Rice*, 12 N.C. App. 669, 184 S.E.2d 421 (1971); *Phillips v. Parton*, 59 N.C. App. 179, 296 S.E.2d 317 (1982), *aff'd*, 307 N.C. 694, 300 S.E.2d 387 (1983).

The cost of a building, which is usually the contract price, as opposed to the total completed cost, determines whether the \$30,000 limit of this section has been violated and thus whether the contractor must be licensed. *Revis Sand & Stone, Inc. v. King*, 49 N.C. App. 168, 270 S.E.2d 580 (1980).

A person is a general contractor if the cost of the undertaking exceeds the statutory limit.

Spears v. Walker, 75 N.C. App. 169, 330 S.E.2d 38 (1985).

A contractor engages in construction when he undertakes to build an entire building or improve an already existing building. *Reliable Properties, Inc. v. McAllister*, 77 N.C. App. 783, 336 S.E.2d 108 (1985), cert. denied, 316 N.C. 379, 342 S.E.2d 897 (1986).

Cost of Undertaking Is Contract Price. — In determining whether a contractor who undertakes to build a house is a "general contractor" the term "cost of undertaking" is construed as the contractor's contract price, not the total cost of the building. *Fulton v. Rice*, 12 N.C. App. 669, 184 S.E.2d 421 (1971); *Revis Sand & Stone, Inc. v. King*, 49 N.C. App. 168, 270 S.E.2d 580 (1980).

It is the cost of the undertaking by the purported contractor that controls. The contract price, or cost of the contractor's undertaking is not always the same as the total cost of the building. The owner's total cost of the building is not determinative of the contractor's status. *Hickory Furn. Mart, Inc. v. Burns*, 31 N.C. App. 626, 230 S.E.2d 609 (1976).

Cost of Undertaking Where Contractor Controls Purchases. — Builder, although not licensed as a general contractor, met the threshold criteria of this section, in that he exercised a substantial degree of control by his supervision of construction, his purchase of material, and his selection of material suppliers. And where his purchase of materials alone totalled over \$29,000.00, and the fee for his services and supervision was \$16,785.57, the threshold amount of \$30,000 was well exceeded. *Spears v. Walker*, 75 N.C. App. 169, 330 S.E.2d 38 (1985), upholding summary judgment in defendants' favor on grounds that plaintiff was barred from recovery as a matter of law.

Common-law definition of a general contractor is irrelevant in deciding the question of whether a license is required. *Florence Concrete Prods., Inc. v. North Carolina Licensing Bd.*, 113 N.C. App. 270, 437 S.E.2d 877 (1994), *rev'd* on other grounds, 341 N.C. 134, 459 S.E.2d 201 (1995).

Control Is Principal Distinguishing Characteristic Between Contractor and Subcontractor. — The principal characteristic distinguishing a general contractor from subcontractor or other party contracting with the owner with respect to a portion of the project, or a mere employee, is the degree of control to be exercised by the contractor over the construction of the entire project. *Mill-Power Supply Co. v. CVM Assocs.*, 85 N.C. App. 455, 355 S.E.2d 245 (1987).

Principal characteristic of a general contractor, as opposed to a subcontractor or mere employee, is the degree of control to be exer-

cised by the contractor over the construction of the entire project. *Roberts v. Heffner*, 51 N.C. App. 646, 277 S.E.2d 446 (1981).

The general contractor may be distinguished from a subcontractor or employee by the degree of control that he or she exercises over the entire project. *Phillips v. Parton*, 59 N.C. App. 179, 296 S.E.2d 317 (1982), *aff'd*, 307 N.C. 694, 300 S.E.2d 387 (1983).

Where one contracts with a landowner to undertake the construction of a house for the landowner at an agreed price of \$30,000 or more, he is a "general contractor" and subject to the provisions of the licensing statute. *Hickory Furn. Mart, Inc. v. Burns*, 31 N.C. App. 626, 230 S.E.2d 609 (1976).

Genuine Issue of Material Fact as to Degree of Control. — Although plaintiff constructed an improvement under this section, a genuine issue of material fact existed as to whether, following the "control test," plaintiff exercised such a degree of control over the entire renovation project as to make plaintiff a general contractor under this section, requiring plaintiff to be licensed in order to bring an action for breach of contract. *Mill-Power Supply Co. v. CVM Assocs.*, 85 N.C. App. 455, 355 S.E.2d 245 (1987).

Contractor Must Be Licensed at Time of Contracting and During Construction. — This Article clearly contemplates that a contractor should be licensed at the time of contracting and during the construction period. *Barrett, Robert & Woods, Inc. v. Armi*, 59 N.C. App. 134, 296 S.E.2d 10, *cert. denied*, 307 N.C. 269, 299 S.E.2d 214 (1982).

License May Be Used to Reveal Who Is Liable for Negligence. — Substantial evidence supported the allegation, in plaintiffs' negligence suit, that the defendant was the general contractor for the construction of their house where both the company owner and the company manager testified that defendant's general contractor's license was used to build the house although other evidence showed that he was never present but that they did all the work. *Allen v. Roberts Constr. Co.*, 138 N.C. App. 557, 532 S.E.2d 534, 2000 N.C. App. LEXIS 783 (2000).

Building for Another on Builder's Land. — In an action seeking specific performance or money damages under a building contract, the trial court's conclusions that the defendants were unlicensed general contractors who had contracted to construct a dwelling for plaintiffs for a price in excess of \$30,000 supported its judgment that defendants were barred from affirmatively asserting their claims under the contract, and there was no merit to defendants' contention that they should not be so barred because they contracted to build the dwelling on their own property, since a builder, who is

unable or unwilling to obtain a general contractor's license from the State of North Carolina, should not be allowed to thwart the plain intent of this section by the artifice of contracting to build a residence for another on the builder's land. *Roberts v. Heffner*, 51 N.C. App. 646, 277 S.E.2d 446 (1981).

Grading. — Construed in the context of the language of this section and G.S. 87-10, the word "grading" connotes an activity which is a part of, or preparatory for, work properly termed "building and construction." *C.C. Walker Grading & Hauling, Inc. v. S.R.F. Mgt. Corp.*, 311 N.C. 170, 316 S.E.2d 298 (1984).

"Improvement". — The term "improvement," as used in this section, connotes the performance of construction work and presupposes the prior existence of some structure to be improved. *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970); *C.C. Walker Grading & Hauling, Inc. v. S.R.F. Mgt. Corp.*, 311 N.C. 170, 316 S.E.2d 298 (1984); *Daye v. Roberts*, 89 N.C. App. 344, 365 S.E.2d 660 (1988).

As used with reference to land, the word "improvement" in this section presupposes the prior existence of the land itself. *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

Adding Roof Constitutes "Improvement". — Plaintiff undertook to construct an "improvement" under this section by adding a roof over an existing structure. *Mill-Power Supply Co. v. CVM Assocs.*, 85 N.C. App. 455, 355 S.E.2d 245 (1987).

Plaintiff's work on defendants' home, which had been damaged by fire, constituted an "improvement" under this section. Thus, plaintiff was a "general contractor," as defined by this section, and was required to be licensed by the North Carolina Licensing Board for General Contractors. *Daye v. Roberts*, 89 N.C. App. 344, 365 S.E.2d 660 (1988).

"Building" and "Structure". — The words "building" and "structure" in this section are synonymous. They agree in meaning but differ slightly in application. "Structure" retains more frequently than the other the sense of something constructed, often in a particular way. *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

The words "building" and "structure" are strictly construed in context with the remainder of this section, and they do not embrace parts or segments of a building or structure. They exclude any meaning the legislature could have conveyed simply by adding the words "or any part thereof" following the word "structure." *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

A building is defined as "an edifice . . . a structure"; and a structure is defined as "that which is built or constructed; an edifice or

building of any kind." *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

Customer May Not Waive Requirements of Statute. — The general contractors licensing statute does not authorize a person with whom an unlicensed contractor deals to waive the requirements of the statute, nor does it grant the unlicensed contractor immunity merely because he advises the customer that he is acting in violation of the statute. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

The licensing statutes should not be used as a shield to avoid a just obligation owed to an innocent party. The courts will not impose penalties for the failure to comply with licensing requirements in addition to those specifically set out in the statute. *Zickgraf Enters., Inc. v. Yonce*, 63 N.C. App. 166, 303 S.E.2d 852 (1983).

Unregulated Parties to Illegal Contract May Enforce It. — Others not regulated by the licensing statutes passed for their protection do not act illegally in becoming parties to a contract illegally entered into by an unlicensed contractor. The policy underlying the licensing statutes would not be served by preventing enforcement by those for whose protection the statutes were passed. These parties may enforce the contract against the unlicensed contractor. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Applied in *R.B. Brunemann & Sons v. Duke Univ.*, 533 F. Supp. 365 (M.D.N.C. 1982); *Key v. Floyd*, 55 N.C. App. 467, 285 S.E.2d 864 (1982); *Coats v. Jones*, 309 N.C. 815, 309 S.E.2d 253 (1983); *Harrell v. Clarke*, 72 N.C. App. 516, 325 S.E.2d 33 (1985).

Cited in *Hudspeth v. Bunzey*, 35 N.C. App. 231, 241 S.E.2d 119 (1978); *Turner v. Nicholson Properties, Inc.*, 80 N.C. App. 208, 341 S.E.2d 42 (1986); *Dellinger v. Michal*, 92 N.C. App. 744, 375 S.E.2d 698 (1989).

II. UNLICENSED CONTRACTORS.

Licensure Is Prerequisite to Recovery from Owner. — In North Carolina, a person who contracts to construct a building or structure costing \$30,000.00 or more, pursuant to this Chapter, must be licensed to recover from the owner for breach of contract or on the theory of quantum meruit. *Mill-Power Supply Co. v. CVM Assocs.*, 85 N.C. App. 455, 355 S.E.2d 245 (1987).

Plaintiffs' claim for tortious interference with contract could not be maintained where, while there was no question that a contract for the construction of a hotel was signed by the plaintiff and defendant, at the time of the signing of the contract plaintiff was not a contractor licensed by the State of North Carolina,

as required by this section, and the contract was, therefore, not valid. *RCDI Constr. v. Spaceplan/Architecture, Planning & Interiors, P.A.*, 148 F. Supp. 2d 607, 2001 U.S. Dist. LEXIS 5517 (W.D.N.C. 2001).

Denial of Recovery Effectuates Statutory Purpose. — Public policy considerations militate against permitting unlicensed general construction contractors to enforce their contracts. Denying the contractor the right to enforce his contract effectuates the statutory purpose and legislative intent of providing the public with optimum protection. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Unlicensed Person May Not Recover for Owner's Breach of Contract. — When, in disregard of this Article, an unlicensed person contracts with an owner to erect a building costing more than the minimum sum specified in this section, he may not recover for the owner's breach of that contract. *Bryan Bldrs. Supply v. Midyette*, 274 N.C. 264, 162 S.E.2d 507 (1968); *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

The general rule is that when an unlicensed person contracts with an owner to construct a building costing more than the minimum sum specified in the statute, he may not recover for the owner's breach of that contract. *Coats v. Jones*, 63 N.C. App. 151, 303 S.E.2d 655, *aff'd*, 309 N.C. 815, 309 S.E.2d 253 (1983).

When, in disregard of this protective statute, an unlicensed person contracts with an owner to erect a building costing more than the minimum sum specified in the statute, he may not recover for the owner's breach of that contract. This is true even though the statute does not expressly forbid such suits. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969); *Revis Sand & Stone, Inc. v. King*, 49 N.C. App. 168, 270 S.E.2d 580 (1980).

The same rule which prevents an unlicensed person from recovering damages for the breach of a construction contract has generally been held also to deny recovery where the cause of action is based on quantum meruit or unjust enrichment. To deny an unlicensed person the right to recover damages for breach of the contract, which it was unlawful for him to make, but to allow him to recover the value of work and services furnished under that contract would defeat the legislative purpose of protecting the public from incompetent contractors. The importance of deterring unlicensed persons from engaging in the construction business outweighs any harshness between the parties and precludes consideration for unjust enrichment. *Revis Sand & Stone, Inc. v. King*, 49 N.C. App. 168, 270 S.E.2d 580 (1980).

An unlicensed person who, in disregard of this section, contracts with another to construct a building for the cost of \$30,000 or more, may

not affirmatively enforce the contract or recover for his services and materials supplied under the theory of quantum meruit or unjust enrichment. *Roberts v. Heffner*, 51 N.C. App. 646, 277 S.E.2d 446 (1981).

When an unlicensed person contracts with an owner to erect a building costing more than the minimum sum specified in this section, he may not recover for the owner's breach of the contract, nor may he recover the value of the work and services furnished under the contract on the theory of quantum meruit or unjust enrichment. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

To deny any unlicensed person the right to recover damages for breach of the contract, which it was unlawful for him to make, but to allow him to recover the value of work and services furnished under that contract would defeat the legislative purpose of protecting the public from incompetent contractors. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

One who violates the licensing requirements for general contractors may not recover on the contract nor may he recover under theories of quantum meruit or unjust enrichment. This policy, although a stringent one, has been considered imperative in light of the statutory purpose of this section to protect the public by deterring unlicensed persons from engaging in the construction business. *Brady v. Fulghum*, 62 N.C. App. 99, 302 S.E.2d 4, modified and aff'd, 309 N.C. 580, 308 S.E.2d 327 (1983).

Although the statute does not expressly preclude an unlicensed contractor's suit against an owner for breach of contract, the contractor may not recover on the contract or in quantum meruit when he has ignored the protective statute. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

There can be no substantial compliance with the licensing statutes, where an unlicensed contractor has illegally entered into a contract. Neither may the contractor recover for extras, additions or changes made during construction commenced pursuant to the contract. Such a contract is not, however, void. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Unlicensed contractor may not maintain a counterclaim arising out of a construction contract in the owner's action against the contractor and his wife to recover the balance due on a promissory note which does not relate to the construction contract between the owners and the contractor. To allow an unlicensed contractor to maintain such a counterclaim would violate the public policy manifest in this section. *Brock v. Day*, 60 N.C. App. 266, 298 S.E.2d 745, cert. denied, 308 N.C. 190, 302 S.E.2d 242 (1983).

Doctrine of Substantial Compliance Is

Rejected. — In recognition of the essential illegality of an unlicensed contractor's entering into a construction contract for which a license is required and in order to give full effect to the legislative intent to furnish protection to the public by strict licensing requirements, the Supreme Court of North Carolina rejects the doctrine of substantial compliance, cognizant that harsh consequences may sometimes fall on those who do contracting work without a license. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Advising Customer of Violation Does Not Immunize Contractor. — The general contractors licensing statute does not grant the unlicensed contractor immunity merely because he advises the customer that he is acting in violation of the statute. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

Expiration of License During Construction. — If a licensed contractor's license expires, for whatever reason, during construction, he may recover for only the work performed while he was duly licensed. If, in that situation, the contractor renews his license during construction, he may recover for work performed before expiration and after renewal. If, by virtue of these rules, harsh results fall upon unlicensed contractors who violate the statutes, the contractors themselves bear both the responsibility and the blame. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Subsequent Procurement of License Does Not Validate Contract. — The existence of a license at the time the contract is signed is determinative and great weight is attached to the significant moment of the entrance of the parties into the relationship. Accordingly, a contract illegally entered into by an unlicensed general construction contractor is unenforceable by the contractor. It cannot be validated by the contractor's subsequent procurement of a license. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Supervision of unlicensed contractor by licensed contractor does not constitute compliance with licensing requirements of this section. *Sager v. W.M.C., Inc.*, 64 N.C. App. 546, 307 S.E.2d 585 (1983).

Recovery on Quantum Meruit Precluded. — The same rule which prevented an unlicensed contractor from recovering for breach of a construction contract also denied its recovery on the theory of quantum meruit. *Joe Newton, Inc. v. Tull*, 75 N.C. App. 325, 330 S.E.2d 664 (1985).

Where plaintiff engaged in renovation including the installation of new roofing, correction of dry rot, installation of new storm doors and windows, and the complete renovation of all apartment interiors, the renovation improved already existing buildings and consti-

tuted construction within the meaning of this section. And as plaintiff undertook to "superintend or manage" this construction without complying with the licensing requirements of G.S. 87-10, plaintiff was not entitled to recover from defendant on the contract or in quantum meruit. *Reliable Properties, Inc. v. McAllister*, 77 N.C. App. 783, 336 S.E.2d 108 (1985), cert. denied, 316 N.C. 379, 342 S.E.2d 897 (1986).

An unlicensed general contractor may not recover on a contract or in quantum meruit in this State. *Daye v. Roberts*, 89 N.C. App. 344, 365 S.E.2d 660 (1988).

Supervision of Construction by Licensed Employee When General Contractor Is Unlicensed. — Where record showed that plaintiff, although he was not licensed, acted as a general contractor in contracting to build defendants' house, at a cost exceeding \$30,000, the order refusing to enforce plaintiff's contract and dismissing its claim against defendants was properly entered, even though the construction contracted for was supervised by its employee, a licensed general contractor. *Hanover Realty, Inc. v. Flickinger*, 87 N.C. App. 674, 362 S.E.2d 173 (1987).

Persons found to be subcontractors are not required to be licensed, and may sue the general contractor for breach of contract. *Mill-Power Supply Co. v. CVM Assocs.*, 85 N.C. App. 455, 355 S.E.2d 245 (1987).

Corporation could not enforce its contract on the basis of the individual license of its president and sole shareholder. *Joe Newton, Inc. v. Tull*, 75 N.C. App. 325, 330 S.E.2d 664 (1985).

Plaintiff's lack of a general contractor's license was not a basis for denying its claim against defendants for breach of contract for construction of golf course, and the trial court was correct in denying defendants' motion for a directed verdict on this ground. *Spivey & Self, Inc. v. Highview Farms, Inc.*, 110 N.C. App. 719, 431 S.E.2d 535, cert. denied, 334 N.C. 623, 435 S.E.2d 342 (1993).

"Owner's Exemption" for Joint Venturer. — Where plaintiff was acting as a joint venturer, it fit under the "owner's exemption" and was not acting as a general contractor under this section, and therefore is not subject to licensing under the statute. *Paving Equip., Inc. v. Lake Providence Properties, Inc.*, 168 Bankr. 864 (Bankr. W.D.N.C. 1993), aff'd, 168 Bankr. 876 (W.D.N.C. 1994), aff'd, 51 F.3d 267 (4th Cir. 1995).

Failure to comply with the licensing statute does not destroy a partner's equity interest in a joint venture in which his capital contribution takes the form of construction and other services. *Paving Equip., Inc. v. Lake Providence Properties, Inc.*, 168 Bankr. 876 (W.D.N.C.

1994), aff'd, 51 F.3d 267 (4th Cir. 1995).

Licensing Requirement Waived for Modular Builder with Surety Bond. — A person or entity who undertakes to erect a modular home need not be licensed if he meets the surety bond requirements. *Petty v. Owen*, 140 N.C. App. 494, 537 S.E.2d 216, 2000 N.C. App. LEXIS 1202 (2000).

III. SUBCONTRACTORS.

Subcontractors Not Required to Be Licensed. — The legislature, by the use of the words "building," "improvement," and "structure," in this section, did not intend to require subcontractors who undertake to furnish labor and materials in excess of \$20,000 (now \$45,000) to construct integral parts of a large building complex to be licensed as general contractors. *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

It would serve no public policy intended by this Chapter to hold a subcontractor to be a general contractor within the purview of this section. If the legislature had intended to include subcontractors in the class required to be licensed, it would have specifically so provided. *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

Where the public is protected by a State agency which has been delegated the authority to supervise the construction and maintenance of highways and highway bridges, the protection of the public does not require licensure of a subcontractor who contracts to perform a small portion of replacement bridge construction and whose work is closely supervised by the State agency. *Florence Concrete Prods., Inc. v. North Carolina Licensing Bd.*, 341 N.C. 134, 459 S.E.2d 201 (1995).

Licensing statutes have no application to rights and liabilities of contractors and subcontractors inter se where the public interest is not involved. *Vogel v. Reed Supply Co.*, 277 N.C. 119, 177 S.E.2d 273 (1970).

Subcontractor's Lien. — There is no injury to the public, as contemplated by the licensing statutes, which will arise from the enforcement of a lien by a subcontractor where the lien arises out of a valid contract between an unlicensed general contractor and a property owner. *Zickgraf Enters., Inc. v. Yonce*, 63 N.C. App. 166, 303 S.E.2d 852 (1983).

Subrogation of Subcontractor. — The inability of a general contractor, because of non-compliance with a licensing requirement, to recover on a contract with a property owner will not prevent a subcontractor as subrogee from recovery on the rights created by that same contract. *Zickgraf Enters., Inc. v. Yonce*, 63 N.C. App. 166, 303 S.E.2d 852 (1983).

OPINIONS OF ATTORNEY GENERAL

General Contractor's License Required to Install Roofing in Certain Circumstances. — See opinion of Attorney General to Mr. James M. Wells, Jr., State Licensing Board for Contractors, 41 N.C.A.G. 414 (1971).

Builder's Construction of Rental Units on Own Property and Leasing to General Public. — The exemption contained in this

section allows an unlicensed builder to construct rental units on his own property and lease them to the general public without being licensed as a general contractor under this section. See opinion of Attorney General to Mr. Charles L. Moore, Gaston County Attorney, 55 N.C.A.G. 7 (1985).

§ 87-1.1. Exception for licensees under Article 2 or 4.

G.S. 87-1 shall not apply to a licensee under Article 2 or 4 of this Chapter of the General Statutes when the licensee is bidding and contracting directly with the owner of a public building project if: (i) a licensed general contractor performs all work that falls within the classifications in G.S. 87-10(b) and the State Licensing Board of General Contractor's rules; and (ii) the total amount of the work classified does not exceed a percentage of the total bid price pursuant to rules established by the Board. (2003-231, s. 1.)

Editor's Note. — Session Laws 2003-231, s. 2, made this section effective June 19, 2003.

§ 87-2. Licensing Board; organization.

There is created the State Licensing Board for General Contractors consisting of nine members appointed by the Governor for staggered five-year terms. Five of the members shall be general contractors, one member shall be a registered engineer who practices structural engineering, and three shall be public members. Of the general contractor members, one shall have as the larger part of his business the construction of highways; one shall have as the larger part of his business the construction of public utilities; one shall have as the larger part of his business the construction of buildings; and two shall have as a larger part of their businesses the construction of residences, one of whom shall be the holder of an unlimited general contractor's license. The public members shall have no ties with the construction industry and shall represent the interests of the public at large. Members shall serve until the expiration of their respective terms and until their successors are appointed and qualified. Vacancies occurring during a term shall be filled by appointment of the Governor for the remainder of the unexpired term. The Governor may remove any member of the Board for misconduct, incompetency, or neglect of duty. No Board member shall serve more than two complete consecutive terms. (1925, c. 318, s. 2; 1979, c. 713, s. 1; 1991, c. 124, s. 1.)

na's Contractor Licensing Statute to Parallel Prime Contractors," see 20 Wake Forest L. Rev. 717 (1984).

§ 87-3. Members of Board to take oath.

Each member of the Board shall, before entering upon the discharge of the duties of his office, take and file with the Secretary of State an oath in writing to properly perform the duties of his office as a member of said Board and to uphold the Constitution of North Carolina and the Constitution of the United States. (1925, c. 318, s. 3.)

§ 87-4. First meeting of Board; officers; secretary-treasurer and assistants.

The said Board shall, within 30 days after its appointment by the Governor, meet in the City of Raleigh, at a time and place to be designated by the Governor, and organize by electing a chairman, a vice-chairman, and a secretary-treasurer, each to serve for one year. Said Board shall have power to make such bylaws, rules and regulations as it shall deem best, provided the same are not in conflict with the laws of North Carolina. The secretary-treasurer shall give bond in such sum as the Board shall determine, with such security as shall be approved by the Board, said bond to be conditioned for the faithful performance of the duties of his office and for the faithful accounting of all moneys and other property as shall come into his hands. The secretary-treasurer need not be a member of the Board, and the Board is hereby authorized to employ a full-time secretary-treasurer, and such other assistants and make such other expenditures as may be necessary to the proper carrying out of the provisions of this Article. Payment of compensation and reimbursement of expenses of board members shall be governed by G.S. 93B-5. (1925, c. 318, s. 4; 1941, c. 257, s. 4; 1947, c. 611; 1951, c. 453; 1979, c. 713, s. 6.)

§ 87-5. Seal of Board.

The Board shall adopt a seal for its own use. The seal shall have the words "North Carolina Licensing Board for General Contractors" and the secretary shall have charge, care and custody thereof. (1925, c. 318, s. 5; 1979, c. 713, s. 7.)

§ 87-6. Meetings; notice; quorum.

The Board shall meet twice each year, once in April and once in October, for the purpose of transacting such business as may properly come before it. At the April meeting in each year the Board shall elect officers. Special meetings may be held at such times as the Board may provide in the bylaws it shall adopt. Due notice of each meeting and the time and place thereof shall be given to each member in such manner as the bylaws may provide. Five members of the Board shall constitute a quorum. (1925, c. 318, s. 6; 1979, c. 713, s. 8.)

§ 87-7. Records of Board; disposition of funds.

The secretary-treasurer shall keep a record of the proceedings of the said Board and shall receive and account for all moneys derived from the operation of this Article. Any funds remaining in the hands of the secretary-treasurer to the credit of the Board after the expenses of the Board for the current year have been paid shall be paid over to the Greater University of North Carolina for the use of the School of Engineering through the North Carolina Engineering Foundation. The Board has the right, however, to retain at least ten percent (10%) of the total expense it incurs for a year's operation to meet any emergency that may arise. As an expense of the Board, said Board is authorized to expend such funds as it deems necessary to provide retirement and disability compensation for its employees. (1925, c. 318, s. 7; 1953, c. 805, s. 1; 1959, c. 1184.)

§ 87-8. Records; roster of licensed contractors; report to Governor.

The secretary-treasurer shall keep a record of the proceedings of the Board and a register of all applicants for license showing for each the date of application, name, qualifications, place of business, place of residence, and whether license was granted or refused. The books and register of this Board shall be *prima facie* evidence of all matters recorded therein. A roster showing the names and places of business and of residence of all licensed general contractors shall be prepared by the secretary of the board during the month of March of each year; the roster shall be printed by the Board out of funds of the Board as provided in G.S. 87-7, with copies being made available to contractors and members of the public, at cost, upon request, or furnished without cost, as directed by the Board. On or before the last day of March of each year the Board shall submit to the Governor a report of its transactions for the preceding year, and shall file with the Secretary of State a copy of the report, together with a complete statement of the receipts and expenditures of the Board, attested by the affidavits of the chairman and the secretary, and a copy of the roster of licensed general contractors. (1925, c. 318, s. 8; 1937, c. 429, s. 2; 1985, c. 630, s. 1; 1993, c. 148, s. 1.)

Statute to Parallel Prime Contractors," see 20 Wake Forest L. Rev. 717 (1984).

CASE NOTES

One of the obvious purposes of requiring annual renewal of licenses is to enable the Licensing Board to maintain and publish

the roster of currently licensed contractors as required by this section. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

§ 87-9. Compliance with Federal Highway Act, etc.; contracts financed by federal road funds; contracts concerning water or waste water systems.

Nothing in this Article shall operate to prevent the Department of Transportation from complying with any act of Congress and any rules and regulations promulgated pursuant thereto for carrying out the provisions of the Federal Highway Act, or shall apply to any person, firm or corporation proposing to submit a bid or enter into contract for any work to be financed in whole or in part with federal aid road funds in such manner as will conflict with any act of Congress or any such rules and regulations promulgated pursuant thereto.

Neither shall anything in this Article prevent the State of North Carolina or any of its political subdivisions or their contractors from complying with any act of Congress and any rules and regulations promulgated pursuant thereto for carrying out the provisions of any federal program to assist in the planning, financing, or construction of drinking water or waste water processing, collection, and disposal systems and facilities. (1939, c. 230; 1971, c. 246, s. 2; 1973, c. 507, s. 5; 1977, c. 464, s. 34; 1989, c. 159.)

§ 87-9.1. Ownership of real property; equipment; liability insurance.

(a) The Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as a

private person or corporation, subject only to approval of the Governor and the Council of State as to the acquisition, rental, encumbering, leasing, and sale of real property. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board.

(b) The Board may purchase or rent equipment and supplies and purchase liability insurance or other insurance to cover the activities of the Board, its operations, or its employees. (1999-349, s. 1.)

§ 87-10. Application for license; examination; certificate; renewal.

(a) Anyone seeking to be licensed as a general contractor in this State shall file an application for an examination on a form provided by the Board, at least 30 days before any regular or special meeting of the Board accompanied by an examination fee of fifty dollars (\$50.00) and by the sum of one hundred dollars (\$100.00) if the application is for an unlimited license, the sum of seventy-five dollars (\$75.00) if the application is for an intermediate license or the sum of fifty dollars (\$50.00) if the application is for a limited license; the fees and sum accompanying any application shall be nonrefundable. The holder of an unlimited license shall be entitled to act as general contractor without restriction as to value of any single project; the holder of an intermediate license shall be entitled to act as general contractor for any single project with a value of up to seven hundred thousand dollars (\$700,000); the holder of a limited license shall be entitled to act as general contractor for any single project with a value of up to three hundred fifty thousand dollars (\$350,000); and the license certificate shall be classified in accordance with this section. Before being entitled to an examination an applicant must show to the satisfaction of the Board from the application and proofs furnished that the applicant is possessed of a good character and is otherwise qualified as to competency, ability, integrity, and financial responsibility, and that the applicant has not committed or done any act, which, if committed or done by any licensed contractor would be grounds under the provisions hereinafter set forth for the suspension or revocation of contractor's license, or that the applicant has not committed or done any act involving dishonesty, fraud, or deceit, or that the applicant has never been refused a license as a general contractor nor had such license revoked, either in this State or in another state, for reasons that should preclude the granting of the license applied for, and that the applicant has never been convicted of a felony involving moral turpitude, relating to building or contracting, or involving embezzlement or misappropriation of funds or property entrusted to the applicant: Provided, no applicant shall be refused the right to an examination, except in accordance with the provisions of Chapter 150B of the General Statutes.

(b) The Board shall conduct an examination, either oral or written, of all applicants for license to ascertain, for the classification of license for which the applicant has applied: (i) the ability of the applicant to make a practical application of the applicant's knowledge of the profession of contracting; (ii) the qualifications of the applicant in reading plans and specifications, knowledge of relevant matters contained in the North Carolina State Building Code, knowledge of estimating costs, construction, ethics, and other similar matters pertaining to the contracting business; (iii) the knowledge of the applicant as to the responsibilities of a contractor to the public and of the requirements of the laws of the State of North Carolina relating to contractors, construction, and liens; and (iv) the applicant's knowledge of requirements of the Sedimentation Pollution Control Act of 1973, Article 4 of Chapter 113A of the General Statutes, and the rules adopted pursuant to that Article. If the results of the examination of the applicant shall be satisfactory to the Board, then the Board

shall issue to the applicant a certificate to engage as a general contractor in the State of North Carolina, as provided in said certificate, which may be limited into five classifications as follows:

- (1) Building contractor, which shall include private, public, commercial, industrial and residential buildings of all types.
- (1a) Residential contractor, which shall include any general contractor constructing only residences which are required to conform to the residential building code adopted by the Building Code Council pursuant to G.S. 143-138.
- (2) Highway contractor.
- (3) Public utilities contractors, which shall include those whose operations are the performance of construction work on the following subclassifications of facilities:
 - a. Water and sewer mains, water service lines, and house and building sewer lines as defined in the North Carolina State Building Code, and water storage tanks, lift stations, pumping stations, and appurtenances to water storage tanks, lift stations, and pumping stations.
 - b. Water and wastewater treatment facilities and appurtenances thereto.
 - c. Electrical power transmission facilities, and primary and secondary distribution facilities ahead of the point of delivery of electric service to the customer.
 - d. Public communication distribution facilities.
 - e. Natural gas and other petroleum products distribution facilities; provided the General Contractors Licensing Board may issue license to a public utilities contractor limited to any of the above subclassifications for which the general contractor qualifies.
- (4) Specialty contractor, which shall include those whose operations as such are the performance of construction work requiring special skill and involving the use of specialized building trades or crafts, but which shall not include any operations now or hereafter under the jurisdiction, for the issuance of license, by any board or commission pursuant to the laws of the State of North Carolina.

(b1) Public utilities contractors constructing house and building sewer lines as provided in sub-subdivision a. of subdivision (3) of subsection (b) of this section shall, at the junction of the public sewer line and the house or building sewer line, install as an extension of the public sewer line a cleanout at or near the property line that terminates at or above the finished grade. Public utilities contractors constructing water service lines as provided in sub-subdivision a. of subdivision (3) of subsection (b) of this section shall terminate the water service lines at a valve, box, or meter at which the facilities from the building may be connected. Public utilities contractors constructing fire service mains for connection to fire sprinkler systems shall terminate those lines at a flange, cap, plug, or valve inside the building one foot above the finished floor. All fire service mains shall comply with the NFPA standards for fire service mains as incorporated into and made applicable by Volume V of the North Carolina Building Code.

(c) If an applicant is an individual, examination may be taken by his personal appearance for examination, or by the appearance for examination of one or more of his responsible managing employees, and if a copartnership or corporation, or any other combination or organization, by the examination of one or more of the responsible managing officers or members of the personnel of the applicant, and if the person so examined shall cease to be connected with the applicant, then in such event the license shall remain in full force and effect for a period of 30 days thereafter, and then be canceled, but the applicant

shall then be entitled to a reexamination, all pursuant to the rules to be promulgated by the Board: Provided, that the holder of such license shall not bid on or undertake any additional contracts from the time such examined employee shall cease to be connected with the applicant until said applicant's license is reinstated as provided in this Article.

(d) Anyone failing to pass this examination may be reexamined at any regular meeting of the Board upon payment of an examination fee of fifty dollars (\$50.00). Anyone requesting to take the examination a third or subsequent time shall submit a new application with the appropriate examination and license fees.

(e) A certificate of license shall expire on the thirty-first day of December following its issuance or renewal and shall become invalid 60 days from that date unless renewed, subject to the approval of the Board. Renewals may be effected any time during the month of January without reexamination, by the payment of a fee to the secretary of the Board. The fee shall not exceed one hundred dollars (\$100.00) for an unlimited license, seventy-five dollars (\$75.00) for an intermediate license and fifty dollars (\$50.00) for a limited license. No later than November 30 of each year, the Board shall mail written notice of the amount of the renewal fees for the upcoming year to the last address of record for each general contractor licensed pursuant to this Article. Renewal applications shall be accompanied by evidence of continued financial responsibility satisfactory to the Board. Renewal applications received by the Board after January shall be accompanied by a late payment of ten dollars (\$10.00) for each month or part after January. After a lapse of two years no renewal shall be effected and the applicant shall fulfill all requirements of a new applicant as set forth in this section. CASE NOTES

Editor's Note. — *Many of the cases below were decided prior to the 1989 amendment to this section.*

Legislative Intent As to Validity of License. — It is apparent that the legislature wished to allow a window of time beyond the expiration date of 31 December in which a contractor in the midst of construction could hold, renew, and retain a legally efficacious license with no legally recognizable hiatus in his status as "licensed contractor." *Hall v. Simmons*, 329 N.C. 779, 407 S.E.2d 816 (1991).

Distinction Between Expiration and Invalidity of License. — This section makes a purposeful distinction between a contractor whose license has expired and one whose license is invalid. The former is a statutory consequence: all contractors' licenses expire on 31 December of each year. The latter is a

consequence of contractor inaction: if no attempt to renew is made within 60 days of expiration, the license is invalid, without legal effect. *Hall v. Simmons*, 329 N.C. 779, 407 S.E.2d 816 (1991).

Purpose. — One of the obvious purposes of requiring annual renewal of licenses is to enable the Licensing Board to maintain and publish the roster of currently licensed contractors as required by G.S. 87-8. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

The purpose of this section is to protect the public from incompetent builders by forbidding them to maintain an action on their contracts, thereby discouraging them from undertaking projects beyond their capabilities. *Hickory Furn. Mart, Inc. v. Burns*, 31 N.C. App. 626, 230 S.E.2d 609 (1976).

By requiring this examination, the legisla-

ture seeks to guarantee skill, training and ability to accomplish such construction in a safe and workmanlike fashion. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

The purpose of this section, the North Carolina licensing statute, is to guarantee skill, training and ability to accomplish construction in a safe and workmanlike fashion. *Reliable Properties, Inc. v. McAllister*, 77 N.C. App. 783, 336 S.E.2d 108 (1985), cert. denied, 316 N.C. 379, 342 S.E.2d 897 (1986).

Allowing a contractor to offset any sums owed to a person by the amount equal to those services performed as an unlicensed contractor would run afoul of the clear statutory purpose to penalize contractors that fail to comply with the applicable licensing procedures. *301 E. Seventh St. Ltd. Partnership v. Gellman Corp.*, 124 Bankr. 687 (W.D.N.C. 1991).

Annual license renewal should be considered an important, and not merely a perfunctory, requirement in order to accomplish the protective public purpose of the statute. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

Nature and Purpose of Annual Renewal Fees. — The annual renewal fees required by this section are in no way related to the license taxes required to be paid by contractors by the North Carolina Revenue Act. The renewal fees required by this section are not part of the State's revenues, but provide the funds by which the North Carolina State Licensing Board for Contractors is enabled to carry out the public purposes for which it was created. Therefore the payment of these fees bears a direct and substantial relationship to the accomplishment of the public purposes of G.S. 87-1 et seq. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

License Valid Through 60-Day Period for Purposes of Recovery Expenditures. — A contractor whose license expires during construction is "duly licensed" for purposes of recovering for materials purchased and work performed so long as his license is "valid." The period of validity extends from initial licensing or renewal through the 60-day period following 31 December. A contractor may recover for expenditures for labor and materials made within that period of validity. *Hall v. Simmons*, 329 N.C. 779, 407 S.E.2d 816 (1991). But see 301 E. Seventh St. Ltd. Partnership v. Gellman Corp., 124 Bankr. 687 (W.D.N.C. 1991).

No Recovery for Services Performed After License Expired. — A license expires on the thirty-first day of December and a contractor is not entitled to any recovery for services performed following the expiration of the license. *301 E. Seventh St. Ltd. Partnership v. Gellman Corp.*, 124 Bankr. 687 (W.D.N.C. 1991).

No Recovery for Expenditures Made

During License's Invalidity. — When a contractor fails to renew his license within the 60-day period, his license is thenceforth invalid, and he may not recover for any expenditures made during its invalidity. *Hall v. Simmons*, 329 N.C. 779, 407 S.E.2d 816 (1991).

Unlicensed Party May Not Maintain Action. — Where the party who acted as a general contractor was unlicensed not only at the time the contract was entered into but at all times thereafter while undertaking to perform under it, the unlicensed contractor could not maintain his actions against the defendant. *Holland v. Walden*, 11 N.C. App. 281, 181 S.E.2d 197, cert. denied, 279 N.C. 349, 182 S.E.2d 581 (1971).

An unlicensed contractor cannot affirmatively enforce his contract; neither can he recover in quantum meruit, because this would achieve the result forbidden at law. *Hickory Furn. Mart, Inc. v. Burns*, 31 N.C. App. 626, 230 S.E.2d 609 (1976).

An unlicensed general contractor may neither affirmatively enforce his contract nor recover in quantum meruit. *Phillips v. Parton*, 59 N.C. App. 179, 296 S.E.2d 317 (1982), aff'd, 307 N.C. 694, 300 S.E.2d 387 (1983).

One who violates the licensing requirements for general contractors may not recover on the contract nor may he recover under theories of quantum meruit or unjust enrichment. This policy, although a stringent one, has been considered imperative in light of the statutory purpose of G.S. 87-1 to protect the public by deterring unlicensed persons from engaging in the construction business. *Brady v. Fulghum*, 62 N.C. App. 99, 302 S.E.2d 4, modified and aff'd, 309 N.C. 580, 308 S.E.2d 327 (1983).

Where plaintiff engaged in renovation including the installation of new roofing, correction of dry rot, installation of new storm doors and windows, and the complete renovation of all apartment interiors, the renovation improved already existing buildings and constituted construction within the meaning of G.S. 87-1. And as plaintiff undertook to "superintend or manage" this construction without complying with the licensing requirements of this section, plaintiff was not entitled to recover from defendant on the contract or in quantum meruit. *Reliable Properties, Inc. v. McAllister*, 77 N.C. App. 783, 336 S.E.2d 108 (1985), cert. denied, 316 N.C. 379, 342 S.E.2d 897 (1986).

Supervision by Licensed Employee When Person Acting as General Contractor Is Unlicensed. — Where record showed that plaintiff, although he was not licensed, acted as a general contractor in contracting to build defendants' house at a cost exceeding \$30,000, the order refusing to enforce plaintiff's contract and dismissing its claim against defendants was properly entered, even though the construction contracted for was supervised by

its employee, a licensed general contractor. *Hanover Realty, Inc. v. Flickinger*, 87 N.C. App. 674, 362 S.E.2d 173 (1987).

Denial of Recovery Effectuates Statutory Purpose. — Public policy considerations militate against permitting unlicensed general construction contractors to enforce their contracts. Denying the contractor the right to enforce his contract effectuates the statutory purpose and legislative intent of providing the public with optimum protection. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Doctrine of Substantial Compliance Rejected. — In recognition of the essential illegality of an unlicensed contractor's entering into a construction contract for which a license is required and in order to give full effect to the legislative intent to furnish protection to the public by strict licensing requirements, the Supreme Court of North Carolina rejects the doctrine of substantial compliance, cognizant that harsh consequences may sometimes fall on those who do contracting work without a license. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

There can be no substantial compliance with the licensing statutes, where an unlicensed contractor has illegally entered into a contract. Neither may the contractor recover for extras, additions or changes made during construction commenced pursuant to the contract. Such a contract is not, however, void. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Expiration of License During Construction. — If a licensed contractor's license expires, for whatever reason, during construction, he may recover for only the work performed while he was duly licensed. If, in that situation, the contractor renews his license during construction, he may recover for work performed before expiration and after renewal. If, by virtue of these rules, harsh results fall upon unlicensed contractors who violate the statutes, the contractors themselves bear both the responsibility and the blame. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Where the contractor was licensed at the significant moment of contracting; the contractor's license lapsed through inadvertence, not as a result of incompetence or disciplinary action by the licensing board; the contractor's license was renewed immediately upon its filing of a renewal application and fees; and the contractor's financial condition and composition remained unchanged during the period the contractor was not licensed, although the contractor was not licensed for 90 percent of the construction period, the factors listed above, particularly the reason for the license lapse and the automatic renewal thereof, confirming the contractor's continued competence and responsibility, indicate that the protective purpose of the licensing statute has been satisfied such

that the contractor should not be barred from recovering under its contract with owner. *Barrett, Robert & Woods, Inc. v. Armi*, 59 N.C. App. 134, 296 S.E.2d 10, cert. denied, 307 N.C. 269, 299 S.E.2d 214 (1982).

Subsequent Procurement of License Does Not Validate Contract. — The existence of a license at the time the contract is signed is determinative and great weight is attached to the significant moment of the entrance of the parties into the relationship. Accordingly, a contract illegally entered into by an unlicensed general construction contractor is unenforceable by the contractor. It cannot be validated by the contractor's subsequent procurement of a license. *Brady v. Fulghum*, 309 N.C. 580, 308 S.E.2d 327 (1983).

Contract May Be Enforced Defensively. — Although an unlicensed contractor cannot affirmatively enforce his contract, a general contractor can enforce his contract defensively, as a set-off to the claims asserted against him, though the set-off cannot exceed his adversary's claims. This exception limits the penalty paid by the unlicensed builder to the amount he actually expended on the contract and no more. *Hickory Furn. Mart, Inc. v. Burns*, 31 N.C. App. 626, 230 S.E.2d 609 (1976).

This section contemplates a differing level of expertise for those applying for and receiving licenses in the enumerated categories. *Sample v. Morgan*, 311 N.C. 717, 319 S.E.2d 607 (1984).

A general contractor is entitled to recover only up to that amount authorized by his license. *Sample v. Morgan*, 311 N.C. 717, 319 S.E.2d 607 (1984).

In enacting this section, the Legislature reasonably determined that as the cost of a structure increased, there would be additional demands of expertise and responsibilities from the contractor. To permit a general contractor to recover amounts in excess of the allowable limit of his license would vitiate the intended purpose of this statute: to protect the public from incompetent builders. *Sample v. Morgan*, 311 N.C. 717, 319 S.E.2d 607 (1984).

A contractor who constructs a project, the value of which exceeds the amount of his license, may recover up to the amount authorized by his license for the owner's breach of contract, or for the value of the work and services furnished or materials supplied under the contract on a theory of unjust enrichment. *Sample v. Morgan*, 311 N.C. 717, 319 S.E.2d 607 (1984), overruling *Helms v. Dawkins*, 32 N.C. App. 453, 232 S.E.2d 710 (1977), to the extent that it held that a contractor who constructed a project, the value of which exceeded the amount of his license, could not recover any amount for the owner's breach of contract or for the value of the work and services or materials supplied.

Contractor Should Have Been Allowed to Prove Case. — On appeal from summary judgment, where plaintiff contractor was licensed up to \$175,000 (now \$350,000) when the contract was executed, where, when two months later plaintiff secured an unlimited license, plaintiff began construction during the two-month period, and where he presented his affidavit that he had passed the unlimited general contractor examination when the contract with defendants was executed and that he had done approximately \$2,800.00 worth of work before he was issued his unlimited license, the value of the work done by plaintiff was never in excess of his license limit, and plaintiff was not, as evidenced by his license, incompetent to perform the work; thus, plaintiff should have been allowed to prove his case if he could and was entitled if successful to

recover to the extent of his unlimited license and defend the counterclaim. *Dellinger v. Michal*, 92 N.C. App. 744, 375 S.E.2d 698 (1989).

Applied in *Revis Sand & Stone, Inc. v. King*, 49 N.C. App. 168, 270 S.E.2d 580 (1980); *C.C. Walker Grading & Hauling, Inc. v. S.R.F. Mgt. Corp.*, 311 N.C. 170, 316 S.E.2d 298 (1984); *Sartin v. Carter*, 76 N.C. App. 278, 332 S.E.2d 521 (1985).

LEXIS 5517 (W.D.N.C. 2001).

OPINIONS OF ATTORNEY GENERAL

The term "value" as used in this section should be limited to the cost of the home or other building and should not include the cost of the land. See opinion of Attorney Gen-

eral to The Honorable Daniel F. McComas, N.C. House of Representatives, 1997 N.C.A.G. 56 (9/8/97).

§ 87-10.1. Licensing of nonresidents.

(a) Definitions. — The following definitions apply in this section:

- (1) Delinquent income tax debt. — The amount of income tax due as stated in a final notice of assessment issued to a taxpayer by the Secretary of Revenue when the taxpayer no longer has the right to contest the amount.
- (2) Foreign corporation. — Defined in G.S. 55-1-40.
- (3) Foreign entity. — A foreign corporation, a foreign limited liability company, or a foreign partnership.
- (4) Foreign limited liability company. — Defined in G.S. 57C-1-03.
- (5) Foreign partnership. — Either of the following that does not have a permanent place of business in this State:
 - a. A foreign limited partnership as defined in G.S. 59-102.
 - b. A general partnership formed under the laws of a jurisdiction other than this State.

(b) Licensing. — The Board shall not issue a certificate of license for a foreign corporation unless the corporation has obtained a certificate of authority from the Secretary of State pursuant to Article 15 of Chapter 55 of the General Statutes. The Board shall not issue a certificate of license for a foreign limited liability company unless the company has obtained a certificate of authority from the Secretary of State pursuant to Article 7 of Chapter 57C of the General Statutes.

(c) Information. — Upon request, the Board shall provide the Secretary of Revenue on an annual basis the name, address, and tax identification number of every nonresident individual and foreign entity licensed by the Board. The information shall be provided in the format required by the Secretary of Revenue.

(d) Delinquents. — If the Secretary of Revenue determines that any nonresident individual or foreign corporation licensed by the board, a member of any foreign limited liability company licensed by the Board, or a partner in

any foreign partnership licensed by the Board, owes a delinquent income tax debt, the Secretary of Revenue may notify the Board of these nonresident individuals and foreign entities and instruct the Board not to renew their certificates of license. The Board shall not renew the certificate of license of such a nonresident individual or foreign entity identified by the Secretary of Revenue unless the Board receives a written statement from the Secretary that the debt either has been paid or is being paid pursuant to an installment agreement. (1998-162, ss. 4, 10.)

§ 87-11. Revocation of license; charges of fraud, negligence, incompetency, etc.; hearing thereon; reissuance of certificate.

(a) The Board shall have the power to refuse to issue or renew or revoke, suspend, or restrict a certificate of license or to issue a reprimand or take other disciplinary action if a general contractor licensed under this Article is found guilty of any fraud or deceit in obtaining a license, or gross negligence, incompetency, or misconduct in the practice of his or her profession, or willful violation of any provision of this Article. The Board shall also have the power to revoke, suspend, or otherwise restrict the ability of any person to act as a qualifying party for a license to practice general contracting, as provided in G.S. 87-10(c), for any copartnership, corporation or any other organization or combination, if that person committed any act in violation of the provisions of this section and the Board may take disciplinary action against the individual license held by that person.

(a1) Any person may prefer charges of fraud, deceit, negligence, or misconduct against any general contractor licensed under this Article. The charges shall be in writing and sworn to by the complainant and submitted to the Board. The charges, unless dismissed without hearing by the Board as unfounded or trivial, shall be heard and determined by the Board in accordance with the provisions of Chapter 150B of the General Statutes.

(b) The Board shall adopt and publish guidelines, consistent with the provisions of this Article, governing the suspension and revocation of licenses.

(c) The Board shall establish and maintain a system whereby detailed records are kept regarding complaints against each licensee. This record shall include, for each licensee, the date and nature of each complaint, investigatory action taken by the Board, any findings by the Board, and the disposition of the matter.

(d) The Board may reissue a license to any person, firm or corporation whose license has been revoked: Provided, five or more members of the Board vote in favor of such reissuance for reasons the Board may deem sufficient.

The Board shall immediately notify the Secretary of State of its findings in the case of the revocation of a license or of the reissuance of a revoked license.

A certificate of license to replace any certificate lost, destroyed or mutilated may be issued subject to the rules and regulations of the Board. (1925, c. 318, s. 10; 1937, c. 429, s. 4; 1953, c. 1041, s. 4; 1973, c. 1331, s. 3; 1979, c. 713, s. 3; 1987, c. 827, s. 1; 1991, c. 124, s. 2; 1999-427, s. 2.)

CASE NOTES

Gross Negligence. — Though violations of the building code have been held to constitute “negligence per se,” case law does not address the circumstances necessary to elevate mere negligence, within the administrative decision-

making process, to that of gross negligence. *Bashford v. North Carolina Licensing Bd.*, 107 N.C. App. 462, 420 S.E.2d 466 (1992).

• More than a violation of the building code is required to reach the somewhat elevated level

of gross negligence. *Bashford v. North Carolina Licensing Bd.*, 107 N.C. App. 462, 420 S.E.2d 466 (1992).

§ 87-12. Certificate evidence of license.

The issuance of a certificate of license or limited license by this Board shall be evidence that the person, firm, or corporation named therein is entitled to all the rights and privileges of a licensed or limited licensed general contractor while said license remains unrevoked or unexpired. A licensed general contractor holding a license which qualifies him for work as described in G.S. 87-10 shall be authorized to perform the said work without any additional occupational license, notwithstanding the provisions of any other occupational licensing statute. A license issued by any other occupational licensing board having jurisdiction over any work described in G.S. 87-10 shall qualify such licensee to perform the work for which the license qualifies him without obtaining the license from the General Contractors Licensing Board. Nothing contained herein shall operate to relieve any general contractor from the necessity of compliance with other provisions of the law requiring building permits and construction in accordance with appropriate provisions of the North Carolina State Building Code. (1925, c. 318, s. 11; 1937, c. 429, s. 5; 1975, c. 279, s. 4.)

§ 87-13. Unauthorized practice of contracting; impersonating contractor; false certificate; giving false evidence to Board; penalties.

Any person, firm, or corporation not being duly authorized who shall contract for or bid upon the construction of any of the projects or works enumerated in G.S. 87-1, without having first complied with the provisions hereof, or who shall attempt to practice general contracting in the State, except as provided for in this Article, and any person, firm, or corporation presenting or attempting to file as his own the licensed certificate of another or who shall give false or forged evidence of any kind to the Board or to any member thereof in maintaining a certificate of license or who falsely shall impersonate another or who shall use an expired or revoked certificate of license, and any architect or engineer who recommends to any project owner the award of a contract to anyone not properly licensed under this Article, shall be deemed guilty of a Class 2 misdemeanor. And the Board may, in its discretion, use its funds to defray the expense, legal or otherwise, in the prosecution of any violations of this Article. No architect or engineer shall be guilty of a violation of this section if his recommendation to award a contract is made in reliance upon current written information received by him from the appropriate Contractor Licensing Board of this State which information erroneously indicates that the contractor being recommended for contract award is properly licensed. (1925, c. 318, s. 12; 1931, c. 62, s. 3; 1937, c. 429, s. 6; 1983 (Reg. Sess., 1984), c. 970, s. 2; 1993, c. 539, s. 602; 1994, Ex. Sess., c. 24, s. 14(c).)

na's Contractor Licensing Statute to Parallel Prime Contractors," see 20 Wake Forest L. Rev. 717 (1984).

CASE NOTES

Section Strictly Construed. — Since this section imposes criminal penalties for its violation, it must be strictly construed and its scope may not be extended by implication beyond the meaning of its language so as to include offenses not clearly described. *Fulton v. Rice*, 12 N.C. App. 669, 184 S.E.2d 421 (1971); *C.C. Walker Grading & Hauling, Inc. v. S.R.F. Mgt. Corp.*, 311 N.C. 170, 316 S.E.2d 298 (1984).

Since this section restricts the practice of an otherwise lawful occupation to a special class of persons, it must be construed so as not to extend it to activities and transactions not intended by the legislature to be included. *Fulton v. Rice*, 12 N.C. App. 669, 184 S.E.2d 421 (1971).

This section makes it a misdemeanor to use an expired license. *Ar-Con Constr. Co. v. Anderson*, 5 N.C. App. 12, 168 S.E.2d 18 (1969).

Supervision by Licensed Employee When Person Acting as General Contractor Is Unlicensed. — Where record showed that plaintiff, although he was not licensed, acted as a general contractor in contracting to build defendants' house at a cost exceeding \$30,000.00, the order refusing to enforce plaintiff's contract and dismissing its claim against defendants was properly entered, even though the construction contracted for was supervised by its employee, a licensed general contractor.

Hanover Realty, Inc. v. Flickinger, 87 N.C. App. 674, 362 S.E.2d 173 (1987).

Recovery Barred. — Actions of plaintiff, who was not licensed and who performed general contracting, were illegal, and accordingly the defense of illegality barred plaintiff's recovery on note given by defendants covering work to be done to restore their home. *Daye v. Roberts*, 89 N.C. App. 344, 365 S.E.2d 660 (1988).

Plaintiffs' claim for tortious interference with contract could not be maintained where, while there was no question that a contract for the construction of a hotel was signed by the plaintiff and defendant, plaintiff was not a contractor licensed by the State of North Carolina at the time of the signing of the contract and the contract was, therefore, not valid. *RCDI Constr. v. Spaceplan/Architecture, Planning & Interiors, P.A.*, 148 F. Supp. 2d 607, 2001 U.S. Dist. LEXIS 5517 (W.D.N.C. 2001).

§ 87-13.1. Board may seek injunctive relief.

Whenever the Board determines that any person, firm or corporation has violated or is violating any of the provisions of this Article or rules and regulations of the Board promulgated under this Article, the Board may apply to the superior court for a restraining order and injunction to restrain the violation; and the superior courts have jurisdiction to grant the requested relief, irrespective of whether or not criminal prosecution has been instituted or administrative sanctions imposed by reason of the violation. (1979, c. 713, s. 4; 2003-97, s. 2.)

Effect of Amendments. — Session Laws 2003-97, s. 2, effective May 30, 2003, substituted "Whenever the Board determines" for

"Whenever it appears to the Board"; inserted "has violated or"; and deleted "of the" preceding "rules and regulations."

§ 87-14. Regulations as to issue of building permits.

Any person, firm or corporation, upon making application to the building inspector or such other authority of any incorporated city, town or county in North Carolina charged with the duty of issuing building or other permits for the construction of any building, highway, sewer, grading or any improvement or structure where the cost thereof is to be thirty thousand dollars (\$30,000) or

more, shall, before he be entitled to the issuance of such permit, furnish satisfactory proof to such inspector or authority that he or another person contracting to superintend or manage the construction is duly licensed under the terms of this Article to carry out or superintend the same, and that he has paid the license tax required by the Revenue Act of the State of North Carolina then in force so as to be qualified to bid upon or contract for the work for which the permit has been applied, and that he has in effect Workers' Compensation insurance as required by Chapter 97 of the General Statutes; and it shall be unlawful for such building inspector or other authority to issue or allow the issuance of such building permit unless and until the applicant has furnished evidence that he is either exempt from the provisions of this Article or is duly licensed under this Article to carry out or superintend the work for which permit has been applied; and further, that the applicant has paid the license tax required by the State Revenue Act then in force so as to be qualified to bid upon or contract for the work covered by the permit; and further, that the applicant has in effect Workers' Compensation insurance as required by Chapter 97 of the General Statutes. Any building inspector or other such authority who is subject to and violates the terms of this section shall be guilty of a Class 3 misdemeanor and subject only to a fine of not more than fifty dollars (\$50.00). (1925, c. 318, s. 13; 1931, c. 62, s. 4; 1937, c. 429, s. 7; 1949, c. 934; 1953, c. 809; 1969, c. 1063, s. 6; 1971, c. 246, s. 4; 1981, c. 783, s. 2; 1989, c. 109, s. 2; 1991 (Reg. Sess., 1992), c. 840, s. 2; 1993, c. 539, s. 603; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 87-15. Copy of Article included in specifications; bid not considered unless contractor licensed.

All architects and engineers preparing plans and specifications for work to be contracted in the State of North Carolina shall include in their invitations to bidders and in their specifications a copy of this Article or such portions thereof as are deemed necessary to convey to the invited bidder, whether he be a resident or nonresident of this State and whether a license has been issued to him or not, the information that it will be necessary for him to show evidence of a license before his bid is considered. § 87-15.1. Reciprocity of licensing.

To the extent that other states which provide for the licensing of general contractors provide for similar action, the Board in its discretion may grant licenses of the same or equivalent classification to general contractors licensed by other states, without written examination upon satisfactory proof furnished to the Board that the qualifications of such applicants are equal to the qualifications of holders of similar licenses in North Carolina and upon payment of the required fee. (1971, c. 246, s. 5.)

OPINIONS OF ATTORNEY GENERAL

Payment from General Contractor Precludes Reimbursement from Fund. — A homeowner who has suffered a monetary loss and who has filed an application for reimburse-

ment from the Homeowners Recovery Fund established pursuant to this Chapter is not entitled to any recovery from the Fund if he has received any monetary payment, regardless of amount, from the general contractor responsi-

ble for the loss. See opinion of Attorney General to Mark D. Selph, Secretary-Treasurer N.C. Licensing Board for General Contractors, 1998 N.C.A.G. 3 (1/16/98).

§ 87-15.6. Homeowners Recovery Fund.

(a) The Homeowners Recovery Fund is established as a special account of the Board. The Board shall administer the Fund. The purpose of the Fund is to reimburse homeowners who have suffered a reimbursable loss in constructing or altering a single-family residential dwelling unit.

(b) Whenever a general contractor applies for the issuance of a permit for the construction of any single-family residential dwelling unit or for the alteration of an existing single-family residential dwelling unit, a city or county building inspector shall collect from the general contractor a fee in the amount of ten dollars (\$10.00) for each dwelling unit to be constructed or altered under the permit. The city or county inspector shall forward nine dollars (\$9.00) of each fee collected to the Board on a quarterly basis and the city or county may retain one dollar (\$1.00) of each fee collected. The Board shall deposit the fees received into the Fund. The Board may accept donations and appropriations to the Fund. G.S. 87-7 shall not apply to the Fund.

The Board may suspend collection of this fee for any year upon a determination that the amount in the Fund is sufficient to meet likely disbursements from the Fund for that year. The Board shall notify city and county building inspectors when it suspends collection of the fee.

(c) The Board may adopt rules to implement this Article. (1991, c. 547, s. 1; 2003-372, s. 1.)

Effect of Amendments. — Session Laws 2003-372, s. 1, effective August 1, 2003 and applicable to fees due for applications submitted on or after that date, in subsection (b),

substituted “ten dollars (\$10.00)” for “five dollars (\$5.00)” in the first sentence, and substituted “nine dollars (\$9.00)” for “four dollars (\$4.00)” in the second sentence.

§ 87-15.7. Fund administration.

(a) The Board shall determine the procedure for applying to the Board for reimbursement from the Fund, for processing applications, for granting requests for reimbursement, and for the subrogation or assignment of the rights of any reimbursed applicant. The Board shall submit annually a report to the State Treasurer accounting for all monies credited to and expended from the Fund.

(b) The Board may use monies in the Fund only for the following purposes:

- (1) To reimburse an applicant's reimbursable loss after approval by the Board.
- (2) To purchase insurance to cover reimbursable losses when the Board finds it appropriate to do so.
- (3) To invest amounts in the Fund that are not currently needed to reimburse losses and maintain adequate reserves in the manner in which State law allows fiduciaries to invest funds.
- (4) To pay the expenses of the Board to administer the Fund, including employment of counsel to prosecute subrogation claims. (1991, c. 547, s. 1.)

§ 87-15.8. Application for reimbursement.

(a) The Board shall prepare a form to be used to apply for reimbursement

from the Fund. Only a person whom the Board determines to meet all of the following requirements may be reimbursed from the Fund:

- (1) Has suffered a reimbursable loss in the construction or alteration of a single-family residential dwelling unit owned or previously owned by that person.
- (2) Did not, directly or indirectly, obtain the building permit in the person's own name or did use a general contractor.
- (3) Has exhausted all civil remedies against the general contractor whose conduct caused the loss and, if applicable, the general contractor's estate, and has obtained a judgment against the general contractor that remains unsatisfied. This requirement is waived if the person is prevented from filing suit or obtaining a judgment against the contractor due to the automatic stay provision of section 362 of the U.S. Bankruptcy Code.
- (4) Has complied with the applicable rules of the Board.

(b) The Board shall investigate all applications for reimbursement and may reject or allow part or all of a claim based on the amount of money in the Fund. The Board shall have complete discretion to determine the order, amount, and manner of payment of approved applications. All payments are a matter of privilege and not of right and no person has a right to reimbursement from the Fund as a third party beneficiary or otherwise. No attorney shall be compensated by the Board for prosecuting an application before it. (1991, c. 547, s. 1.)

§ 87-15.9. Subrogation for reimbursement made.

The Board is subrogated to an applicant who is reimbursed from the Fund in the amount reimbursed and may bring an action against the general contractor whose conduct caused the reimbursable loss, the general contractor's assets, or the general contractor's estate. The Board may enforce any claims it may have for restitution or otherwise, and may employ and compensate consultants, agents, legal counsel, and others it finds necessary and appropriate to carry out its authority under this section. (1991, c. 547, s. 1.)

§ 87-17. Removal, qualifications and compensation of members; allowance for expenses.

The Governor may remove any member of the Board for misconduct, incompetency or neglect of duty. Each member of the Board shall be a resident of this State at the time of his appointment. Each member of the Board shall receive for attending sessions of the Board or of its committees the amount of per diem, and for the time spent in necessary traveling in carrying out the provisions of this Article, and in addition to the per diem compensation, each member shall be reimbursed by the Board from funds in its hands for necessary traveling expenses and for such expenses incurred in carrying out the provisions hereof as shall be approved by a majority of the members of the Board. Payment of compensation and reimbursement of expenses of Board members shall be governed by G.S. 93B-5. (1931, c. 52, s. 2; 1969, c. 445, s. 8; 1979, c. 834, ss. 2, 3.)

§ 87-18. Organization meeting; officers; seal; rules; employment of personnel; acquire property.

The Board shall, within 30 days after its appointment, meet in the City of Raleigh and organize, and elect a chairman, secretary, and treasurer, each to serve for one year. Thereafter the officers shall be elected annually. The secretary and treasurer shall give bond approved by the Board for the faithful performance of their duties in the sum as the Board may, from time to time, determine. The Board shall have a common seal, shall formulate rules to govern its actions, and is hereby authorized to employ personnel as it may deem necessary to carry out the provisions of this Article. The Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as a private person or corporation, subject only to the approval of the Governor and the Council of State. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board. (1931, c. 52, s. 3; 1939, c. 224, s. 2; 1953, c. 254, s. 1; 2001-270, s. 1.)

§ 87-19. Regular and special meetings; quorum.

The Board after holding its first meeting as hereinbefore provided, shall thereafter hold at least two regular meetings each year. Special meetings may be held at such times and places as the bylaws and/or rules of the Board provide; or as may be required in carrying out the provisions hereof. A quorum of the Board shall consist of not less than four members. (1931, c. 52, s. 4; 1989 (Reg. Sess., 1990), c. 842, s. 2.)

§ 87-20. Record of proceedings and register of applicants; reports.

The Board shall keep a record of its proceedings and a register of all applicants for examination, showing the date of each application, the name, age and other qualifications, place of business and residence of each applicant. The books and records of the Board shall be prima facie evidence of the correctness of the contents thereof. On or before the first day of March of each year the Board shall submit to the Governor a report of its activities for the preceding year, and file with the Secretary of State a copy of such report, together with a statement of receipts and expenditures of the Board attested by the chairman and secretary. (1931, c. 52, s. 5.)

§ 87-21. Definitions; contractors licensed by Board; examination; posting license, etc.

(a) Definitions. — For the purpose of this Article:

- (1) The word “plumbing” is hereby defined to be the system of pipes, fixtures, apparatus and appurtenances, installed upon the premises, or in a building, to supply water thereto and to convey sewage or other waste therefrom.
- (2) The phrase “heating, group number one” shall be deemed and held to be the heating system of a building, which requires the use of high or low pressure steam, vapor or hot water, including all piping, ducts, and mechanical equipment appurtenant thereto, within, adjacent to or connected with a building, for comfort heating.
- (3) The phrase “heating, group number two” means an integral system for heating or cooling a building consisting of an assemblage of interacting components producing conditioned air to raise or lower the temperature, and having a mechanical refrigeration capacity in excess of fifteen tons, and which circulates air. Systems installed in single-family residences are included under heating group number three, regardless of size. Holders of a heating group number three license who have heretofore installed systems classified as heating group number two systems may nevertheless service, replace, or make alterations to those installed systems until June 30, 2004.
- (4) The phrase “heating, group number three” shall be deemed and held to be a direct heating or cooling system of a building that raises or lowers the temperature of the space within the building for the purpose of comfort in which electric heating elements or products of combustion exchange heat either directly with the building supply air or indirectly through a heat exchanger using an air distribution system of ducts and having a mechanical refrigeration capacity of 15 tons or less. A heating system requiring air distribution ducts and supplied by ground water or utilizing a coil supplied by water from a domestic hot water heater not exceeding 150 degrees Fahrenheit requires either plumbing or heating group number one license to extend piping from valved connections in the domestic hot water system to the heating coil and requires either heating group number one or heating group number three license for installation of coil, duct work, controls, drains and related appurtenances.
- (5) Any person, firm or corporation, who for a valuable consideration, (i) installs, alters or restores, or offers to install, alter or restore, either plumbing, heating group number one, or heating group number two, or heating group number three, or (ii) lays out, fabricates, installs, alters or restores, or offers to lay out, fabricate, install, alter or restore

fire sprinklers, or any combination thereof, as defined in this Article, shall be deemed and held to be engaged in the business of plumbing, heating, or fire sprinkler contracting; provided, however, that nothing herein shall be deemed to restrict the practice of qualified registered professional engineers. Any person who installs a plumbing, heating, or fire sprinkler system on property which at the time of installation was intended for sale or to be used primarily for rental is deemed to be engaged in the business of plumbing, heating, or fire sprinkler contracting without regard to receipt of consideration, unless exempted elsewhere in this Article.

- (6) The word "contractor" is hereby defined to be a person, firm or corporation engaged in the business of plumbing, heating, or fire sprinkler contracting.
- (7) The word "heating" shall be deemed and held to mean heating group number one, heating group number two, heating group number three, or any combination thereof.
- (8) Repealed by Session Laws 1997-298, s. 1.
- (9) The word "Board" means the State Board of Examiners of Plumbing, Heating, and Fire Sprinkler Contractors.
- (10) The word "experience" means actual and practical work directly related to the category of plumbing, heating group number one, heating group number two, heating group number three, or fire sprinkler contracting, and includes related work for which a license is not required.
- (11) The phrase "fire sprinkler" means an automatic or manual sprinkler system designed to protect the interior or exterior of a building or structure from fire, and where the primary extinguishing agent is water. These systems include wet pipe and dry pipe systems, preaction systems, water spray systems, foam water sprinkler systems, foam water spray systems, nonfreeze systems, and circulating closed-loop systems. These systems also include the overhead piping, combination standpipes, inside hose connections, thermal systems used in connection with the sprinklers, tanks, and pumps connected to the sprinklers, and controlling valves and devices for actuating an alarm when the system is in operation. This subsection shall not apply to owners of property who are building or improving farm outbuildings. This subsection shall not include water and standpipe systems having no connection with a fire sprinkler system. Nothing herein shall prevent licensed plumbing contractors, utility contractors, or fire sprinkler contractors from installing underground water supplies for fire sprinkler systems.

(b) Classes of Licenses; Eligibility and Examination of Applicant; Necessity for License. —

- (1) In order to protect the public health, comfort and safety, the Board shall establish two classes of licenses: Class I covering all plumbing, heating, and fire sprinkler systems for all structures, and Class II covering plumbing and heating systems in single-family detached residential dwellings.
- (2) The Board shall establish and issue a fuel piping license for use by persons who do not possess the required Class I or Class II plumbing or heating license, but desire to engage in the contracting or installing of fuel piping extending from an approved fuel source at or near the premises, which piping is used or may be used to supply fuel to any systems, equipment, or appliances located inside the premises.

The Board may also establish additional restricted classifications to provide for: (i) the licensing of any person, partnership, firm, or

corporation desiring to engage in a specific phase of heating, plumbing, or fire sprinkling contracting; (ii) the licensing of any person, partnership, firm, or corporation desiring to engage in a specific phase of heating, plumbing, or fire sprinkling contracting that is an incidental part of their primary business, which is a lawful business other than heating, plumbing, or fire sprinkling contracting; or (iii) the licensing of persons desiring to engage in contracting and installing fuel piping from an approved fuel source on the premises to a point inside the residence.

- (3) The Board shall prescribe the standard of competence, experience and efficiency to be required of an applicant for license of each class, and shall give an examination designed to ascertain the technical and practical knowledge of the applicant concerning the analysis of plans and specifications, estimating costs, fundamentals of installation and design, codes, fire hazards, and related subjects as these subjects pertain to plumbing, heating, or fire sprinkler systems. The examination for a fire sprinkler contractor's license shall include such materials as would test the competency of the applicant and which may include the minimum requirements of certification for Level III, subfield of Automatic Sprinkler System Layout, National Institute for Certification of Engineering Technologies (NICET). As a result of the examination, the Board shall issue a certificate of license of the appropriate class in plumbing, heating, or fire sprinkler contracting, and a license shall be obtained, in accordance with the provisions of this Article, before any person, firm or corporation shall engage in, or offer to engage in, the business of plumbing, heating, or fire sprinkler contracting, or any combination thereof. The obtaining of a license, as required by this Article, shall not of itself authorize the practice of another profession or trade for which a State qualification license is required. Prior to taking the examination, the applicant may be required by the Board to establish that the applicant is at least 18 years of age and is of good moral character. The Board may require experience as a condition of examination, provided that (i) the experience required may not exceed two years, (ii) that up to one-half the experience may be in the form of academic or technical courses of study, and (iii) that registration is not required at the commencement of the period of experience.
- (4) Conditions of examination set by the Board shall be uniformly applied to each applicant within each license classification. It is the purpose and intent of this section that the Board shall provide an examination for plumbing, heating group number one, or heating group number two, or heating group number three, or each restricted classification, and may provide an examination for fire sprinkler contracting or may accept a current certification of the National Institute for Certification in Engineering Technologies for Fire Protection Engineering Technician, Level III, subfield of Automatic Sprinkler System Layout.
- (5) The Board is authorized to issue a certificate of license limited to either plumbing or heating group number one, or heating group number two, or heating group number three, or fire sprinkler contracting, or any combination thereof. The Board is also authorized to issue a certificate of license limited to one or more restricted classifications that are established pursuant to this section.
- (6) Examinations shall be given at least twice each year, and additional examinations may be given as the Board deems wise and necessary. The Board may offer written examinations or administer examinations by computer within 30 days after approving an application.

Upon passing the examination and paying the annual license fee, the applicant shall be issued a license. A person who fails to pass any examination shall not be reexamined until after 90 days from the date the person was last examined. The Board may require applicants who fail the examination three times to receive additional education before the applicant is allowed to retake the examination.

(c) To Whom Article Applies. — The provisions of this Article shall apply to all persons, firms, or corporations who engage in, or attempt to engage in, the business of plumbing, heating, or fire sprinkler contracting, or any combination thereof as defined in this Article. The provisions of this Article shall not apply to those who make minor repairs or minor replacements to an already installed system of plumbing, heating or air conditioning, but shall apply to those who make repairs, replacements, or modifications to an already installed fire sprinkler system. Minor repairs or minor replacements within the meaning of this subsection shall include the replacement of parts in an installed system which do not require any change in energy source, fuel type, or routing or sizing of venting or piping. Parts shall include a compressor, coil, contactor, motor, or capacitor.

(c1) Exemption. — The provisions of this Article shall not apply to a person who performs the on-site assembly of a factory designed drain line system for a manufactured home, as defined in G.S. 143-143.9(6), if the person (i) is a licensed manufactured home retailer, a licensed manufactured home set-up contractor, or a full-time employee of either, (ii) obtains an inspection by the local inspections department and (iii) performs the assembly according to the State Plumbing Code.

(d) Repealed by Session Laws 1979, c. 834, s. 7.

(d1) Expired December 31, 1991.

(e) Posting License; License Number on Contracts, etc. — The current license issued in accordance with the provisions of this Article shall be posted in the business location of the licensee, and its number shall appear on all proposals or contracts and requests for permits issued by municipalities. The initial qualified licensee on a license is the permanent possessor of the license number under which that license is issued, except that a licensee, or the licensee's legal agent, personal representative, heirs or assigns, may designate in writing to the Board a qualified licensee to whom the Board shall assign the license number upon the payment of a ten dollar (\$10.00) assignment fee. Upon such assignment, the qualified licensee becomes the permanent possessor of the assigned license number. Notwithstanding the foregoing, the license number may be assigned only to a qualified licensee who has been employed by the initial licensee's plumbing and heating company for at least 10 years or is a lineal relative, sibling, first cousin, nephew, niece, daughter-in-law, son-in-law, brother-in-law, or sister-in-law of the initial licensee. Each successive licensee to whom a license number is assigned under this subsection may assign the license number in the same manner as provided in this subsection.

(f) Repealed by Session Laws 1971, c. 768, s. 4.

(g) The Board may, in its discretion, grant to plumbing, heating, or fire sprinkler contractors licensed by other states license of the same or equivalent classification without written examination upon receipt of satisfactory proof that the qualifications of such applicants are substantially equivalent to the qualifications of holders of similar licenses in North Carolina and upon payment of the usual license fee.

(h) Expired December 31, 1993.

(i) The provisions of this Article shall not apply to a retailer, as defined in G.S. 105-164.3(35), who, in the ordinary course of business, enters into a transaction with a buyer in which the retailer of a water heater sold for

installation in a one- or two-family residential dwelling contracts with a licensee under this Article to provide the installation services for the water heater if the retail sales and installation contract with the buyer is signed by the buyer, the retailer, and the licensee and bears the licensee's license number and telephone number. All installation services rendered by the licensee in connection with any such contract must be performed in compliance with all building code, permit, and inspection requirements.

(j) The provisions of this Article shall not apply to a person primarily engaged in the retail sale of goods and services who contracts for or arranges financing for the sale and installation of a single-family residential heating or cooling system for which a license to install such system is required under this Article, provided all of the following requirements are met:

- (1) No contract or proposal for sale or installation may be presented to or signed by the buyer unless either (i) the specifications for and design of the system have been first reviewed and approved by an employee of the retail seller who is licensed under this Article or (ii) the specifications for and design of the system have been first reviewed and approved by the person licensed under this Article who will install the system, if the installer is not an employee of the retail seller. This subdivision does not prohibit the retailer from providing a written estimate to a potential buyer so long as no contract or proposal for contract is presented or signed prior to the review and approval required by this subsection.
- (2) The person installing the system is licensed under this Article.
- (3) The contract for sale and for installation is signed by the buyer, by an authorized representative of the retail seller, and by the licensed contractor and contains the contractor's name, license number, and telephone number and the license number of the person approving the system design specifications.
- (4) Installation services are performed in compliance with all applicable building codes, manufacturer's installation instructions, and permit and inspection requirements.
- (5) The retailer provides, in addition to any other warranties it may offer with respect to the system itself, a warranty for a period of at least one year for any defects in installation.

(k) The provisions of subsections (i) and (j) of this section shall not apply to a system meeting the definition of subdivision (a)(11) of this section. (1931, c. 52, s. 6; 1939, c. 224, s. 3; 1951, c. 953, ss. 1, 2; 1953, c. 254, s. 2; 1967, c. 770, ss. 1-6; 1971, c. 768, ss. 2-4; 1973, c. 1204; 1979, c. 834, ss. 4-7; 1981, c. 332, s. 1; 1983, c. 569, ss. 1, 2; 1989, c. 623, s. 1; 1989 (Reg. Sess., 1990), c. 842, s. 3; c. 978, s. 2; 1991, c. 355, s. 1; c. 507, s. 1; c. 761, s. 13; 1993, c. 78, s. 1; 1997-298, s. 1; 1997-382, ss. 1, 4; 2001-270, s. 2; 2002-159, s. 36(a); 2003-2, s. 1; 2003-31, ss. 1-3 [4].)

Editor's Note. — Session Laws 2003-31, which amended this section, contained two sections denominated as "(3)." The second occurrence probably should be section "(4)," and the section denominated in the act as section "(4)" probably should be section "(5)."

Effect of Amendments. — Session Laws 2002-159, s. 36(a), as amended by Session Laws

2003-2, s. 1, and Session Laws 2003-31, s. 3, effective July 1, 2003, added subsection (i).

Session Laws 2003-31, ss. 1-3, effective July 1, 2003, in subsection (c), substituted "plumbing, heating or air conditioning" for "plumbing or heating" in the second sentence, and added the last sentence; rewrote subsection (i); and added subsections (j) and (k).

of taxation, provided for in this section, is not arbitrary and unjust it cannot be regarded in

law as a breach of the rule of uniformity. Classification by population is not in itself arbitrary, unreasonable, or unjust. *Roach v. City of Durham*, 204 N.C. 587, 169 S.E. 149 (1933).

A journeyman plumber, duly licensed under the ordinances of a municipality, who furnishes no materials, supplies or fixtures, but merely attaches or replaces fixtures, and does not install plumbing systems or make substantial alterations thereof, is not engaged in carrying on the business of plumbing and heating contracting within this section, since plumbing

is defined in the act in terms of the "plumbing system" and the act refers to plumbing and heating "contractors," and even granting that the definition in the act is ambiguous and is susceptible to a construction which would include journeyman plumbers, the court could not adopt such construction, since the statute must be given that construction which is favorable to defendant and tends least to interfere with personal liberty. *State v. Mitchell*, 217 N.C. 244, 7 S.E.2d 567 (1940).

OPINIONS OF ATTORNEY GENERAL

Applicability of Licensing Requirements to Property Owners. — The licensing requirements of Article 2, Chapter 87 for plumbing contractors are not applicable to a property owner who installs pipe from an exist-

ing well to a mobile home connection point and sewage lines from a mobile home connection point to an existing septic tank facility. See opinion of Attorney General to Honorable W.G. Smith, 45 N.C.A.G. 176 (1975).

§ 87-22. License fee; expiration and renewal; reinstatement.

All persons, firms, or corporations engaged in the business of either plumbing or heating contracting, or both, shall pay an annual license fee not to exceed one hundred fifty dollars (\$150.00). The annual fee for a piping or restricted classification license shall not exceed that for a plumbing or heating license. All persons, firms, or corporations engaged in the business of fire sprinkler contracting shall pay an initial application fee not to exceed seventy-five dollars (\$75.00) and an annual license fee not to exceed three hundred dollars (\$300.00). In the event the Board refuses to license an applicant, the license fee deposited shall be returned by the Board to the applicant. All licenses shall expire on the last day of December in each year following their issuance or renewal. It shall be the duty of the secretary and treasurer to send by United States mail or e-mail to every licensee registered with the Board, notice to the licensee's last known address reflected on the records of the Board of the amount of fee required for renewal of license, the notice to be mailed at least one month in advance of the expiration of the license. The Board may require payment of all unpaid annual fees before reissuing a license. In the event of failure on the part of any person, firm or corporation to renew the license certificate annually and pay the required fee during the month of January in each year, the Board shall increase the license fee by twenty-five dollars (\$25.00) to cover any additional expense associated with late renewal. The Board shall require reexamination upon failure of a licensee to renew license within three years after expiration. The Board may adopt regulations requiring attendance at programs of continuing education as a condition of license renewal. A licensee employed full time as a local government plumbing, heating, or mechanical inspector and holding qualifications from the Code Officials Qualifications Board may renew the license at a fee not to exceed twenty-five dollars (\$25.00). (1931, c. 52, s. 7; 1939, c. 224, s. 4; 1971, c. 768, s. 5; 1979, c. 834, s. 8; 1981, c. 332, s. 2; 1989, c. 623, s. 2; 1989 (Reg. Sess., 1990), c. 842, s. 4; 1997-382, s. 2; 2001-270, s. 3.)

Editor's Note. — Session Laws 2001-270, s. 5, provides: "Notwithstanding G.S. 87-22 and G.S. 87-22.1, as enacted [amended] in Sections

3 and 4 of this act, after this act becomes effective and until changed by permanent rule of the Board, the annual license fee shall be one

hundred dollars (\$100.00) and the application and examination fee shall be eighty dollars (\$80.00)."

§ 87-22.1. Examination fees; funds disbursed upon warrant of chairman and secretary-treasurer.

The Board shall charge a nonrefundable application and examination fee not to exceed one hundred fifty dollars (\$150.00) for each examination, and the funds collected shall be disbursed upon warrant of the chairman and secretary-treasurer, to partially defray general expenses of the Board. The application and examination fee shall be retained by the Board whether or not the applicant is granted a license. (1959, c. 865, s. 2; 1989, c. 623, s. 3; 2001-270, s. 4.)

Editor's Note. — Session Laws 2001-270, s. 5, provides: "Notwithstanding G.S. 87-22 and G.S. 87-22.1, as enacted [amended] in Sections 3 and 4 of this act, after this act becomes effective and until changed by permanent rule

of the Board, the annual license fee shall be one hundred dollars (\$100.00) and the application and examination fee shall be eighty dollars (\$80.00)."

- (2) Foreign corporation. — Defined in G.S. 55-1-40.
- (3) Foreign entity. — A foreign corporation, a foreign limited liability company, or a foreign partnership.

 - a. A foreign limited partnership as defined in G.S. 59-102.
 - b. A general partnership formed under the laws of a jurisdiction other than this State.

(b) Licensing. — The Board shall not issue a license for a foreign corporation unless the corporation has obtained a certificate of authority from the Secretary of State pursuant to Article 15 of Chapter 55 of the General Statutes. The Board shall not renew the license of such a nonresident individual or foreign entity identified by the Secretary of Revenue unless the Board receives a written statement from the Secretary that the debt either has

been paid or is being paid pursuant to an installment agreement. (1998-162, ss. 5, 11.)

§ 87-23. Revocation or suspension of license for cause.

(a) The Board shall have power to revoke or suspend the license of or order the reprimand or probation of any plumbing, heating, or fire sprinkler contractor, or any combination thereof, who is guilty of any fraud or deceit in obtaining or renewing a license, or who fails to comply with any provision or requirement of this Article, or the rules adopted by the Board, or for gross negligence, incompetency, or misconduct, in the practice of or in carrying on the business of a plumbing, heating, or fire sprinkler contractor, or any combination thereof, as defined in this Article. Any person may prefer charges of such fraud, deceit, gross negligence, incompetency, misconduct, or failure to comply with any provision or requirement of this Article, or the rules of the Board, against any plumbing, heating, or fire sprinkler contractor, or any combination thereof, who is licensed under the provisions of this Article. All of the charges shall be in writing and investigated by the Board. CASE NOTES

Purpose of Law. — The manifest purpose of the law is to promote the health, comfort, and safety of the people by regulating plumbing and heating in public and private buildings. Roach

v. City of Durham, 204 N.C. 587, 169 S.E. 149 (1933).

Cited in Pippen v. Scales, 822 F. Supp. 305 (M.D.N.C. 1993).

§ 87-24. Reissuance of revoked licenses; replacing lost or destroyed license.

The Board may in its discretion reissue license to any person, firm or corporation whose license may have been revoked: Provided, four or more members of the Board vote in favor of such reissuance for reasons deemed sufficient by the Board. A new certificate of registration to replace any license which may be lost or destroyed may be issued subject to the rules and regulations of the Board. (1931, c. 52, s. 9; 1989 (Reg. Sess., 1990), c. 842, s. 6.)

§ 87-25. Violations made misdemeanor; employees of licensees excepted.

Any person, firm or corporation who shall engage in or offer to engage in, or carry on the business of plumbing, heating, or fire sprinkler contracting, or any combination thereof, as defined in G.S. 87-21, without first having been licensed to engage in such business, or businesses, as required by the provisions of this Article; or any person, firm or corporation holding a limited plumbing or heating license under the provisions of this Article who shall practice or offer to practice or carry on any type of plumbing or heating contracting not authorized by said limited license; or any person, firm or corporation who shall give false or forged evidence of any kind to the Board, or

any member thereof, in obtaining a license, or who shall falsely impersonate any other practitioner of like or different name, or who shall use an expired or revoked license, or who shall violate any of the provisions of this Article, shall be guilty of a Class 2 misdemeanor. An employee in the course of his work as a bona fide employee of a licensee of the Board shall not be construed to have engaged in the business of plumbing, heating, or fire sprinkler contracting, as the case may be. (1931, c. 52, s. 10; 1939, c. 224, s. 6; 1989, c. 623, s. 4; 1989 (Reg. Sess., 1990), c. 842, s. 7; 1993, c. 539, s. 604; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

Acts Not Constituting Contracting. — A journeyman plumber, contracting and agreeing with various persons to perform labor required to install certain plumbing at a stipulated lump sum price, and who does not maintain a fixed place of business or sell or contract to furnish materials, supplies or fixtures of any kind, and who fails to obtain a license from the State

Board of Examiners of Plumbing and Heating Contractors, is not guilty of a misdemeanor under the provisions of this section, since his occupation does not constitute carrying on the "business of plumbing and heating contracting" within the meaning of the penal provisions of the statute. *State v. Ingle*, 214 N.C. 276, 199 S.E. 10 (1938).

§ 87-25.1. Board may seek injunctive relief.

Whenever it appears to the Board that any person, firm or corporation is violating any of the provisions of this Article or of the rules and regulations of the Board promulgated under this Article, the Board may apply to the superior court for a restraining order and injunction to restrain the violation; and the superior courts have jurisdiction to grant the requested relief, irrespective of whether or not criminal prosecution has been instituted or administrative sanctions imposed by reason of the violation. The venue for actions brought under this subsection shall be the superior court of any county in which such acts are alleged to have been committed or in the county where the defendants in such action reside. (1979, c. 834, s. 11.)

§ 87-26. Corporations; partnerships; persons doing business under trade name.

(a) A license may be issued in the name of a corporation, provided, one or more officers, or full time employee or employees, or both, empowered to act for the corporation, are licensed in accordance with the provisions of this Article; and provided such officers or employee or employees shall execute contracts to the extent of their license qualifications in the name of the said corporation and exercise general supervision over the work done thereunder.

(b) A license may be issued in the name of a partnership provided one or more general partners, or full time employee or employees empowered to act for the partnership, are licensed in accordance with the provisions of this Article, and provided such general partners or employee or employees shall execute contracts to the extent of their license qualifications in the name of the said partnership, and exercise general supervision over the work done thereunder.

(c) A license may be issued in an assumed or designated trade name, provided the owner of the business conducted thereunder, or full time employee or employees empowered to act for the owner, are licensed in accordance with the provisions of this Article; and such owner or employee or employees shall execute contracts to the extent of their license qualifications, in the said trade name, and exercise general supervision over the work done thereunder.

(d) A certificate of license may be issued in accordance with the provisions of this Article upon payment of the annual license fee by such corporation, partnership, or owner of the business conducted under an assumed or designated trade name, as the case may be, and the names and qualifications of individual licensee or licensees connected therewith shall be indicated on the aforesaid license.

(e) It shall be necessary that persons licensed in accordance with the provisions of this section shall exercise general supervision over contracts to completion. (1931, c. 52, s. 12; 1939, c. 224, s. 8; 1957, c. 815; 1967, c. 770, s. 7.)

§ 87-27. License fees payable in advance; application of.

All license fees shall be paid in advance to the secretary and treasurer of the Board and by him held as a fund for the use of the Board. The compensation and expenses of the members of the Board as herein provided, the salaries of its employees, the costs of continuing educational programs for licensees and applicants, and all expenses incurred in the discharge of its duties under this Article shall be paid out of such fund, upon the warrant of the chairman and secretary and treasurer. (1931, c. 52, s. 13; 1933, c. 57; 1939, c. 224, s. 9; 1953, c. 254, s. 3; 1959, c. 865, s. 1; 1979, c. 834, s. 10.)

CASE NOTES

It is obvious that the pervading intent of this section is to provide for the maintenance of the Board and not to impose a tax as a part of the general revenue of the State and thereby exclude the operation of the police power. It is true that the act does not in express words authorize the exercise of this power, but

in our opinion it appears by implication that the exercise of such power was intended. *Roach v. City of Durham*, 204 N.C. 587, 169 S.E. 149 (1933).

Tile Contractors.

§§ 87-28 through 87-38: Repealed by Session Laws 1977, c. 143.

ARTICLE 4.

Electrical Contractors.

§ 87-39. Board of Examiners; appointment; terms; chair-

man; meetings; quorum; principal office; compensation; oath.

(a) The State Board of Examiners of Electrical Contractors shall continue as the State agency responsible for the licensing of persons engaging in electrical contracting within this State, and shall consist of one member from the North Carolina Department of Insurance to be designated by the Commissioner of Insurance; one member who has satisfied the requirements for an unlimited license as defined in G.S. 87-43.3 and who is a representative of the North Carolina Association of Electrical Contractors to be designated by the governing body of that organization; and five members to be appointed by the Governor: one from the faculty of The Greater University of North Carolina who teaches or does research in the field of electrical engineering, one who is serving as a chief electrical inspector of a municipality or county in North Carolina, one who has satisfied the requirements for an unlimited license as defined in G.S. 87-43.3 and who is a representative of the Carolinas Electrical Contractors Association operating a sole proprietorship, partnership or corporation located in North Carolina which is actively engaged in the business of electrical contracting, and two who have no ties with the construction industry and who represent the interest of the public at large.

(b) Members of the Board shall serve staggered seven-year terms. Each member shall serve until his or her successor is designated or appointed, and is duly qualified. Vacancies occurring during a term shall be filled for the remainder of that term by the authority that designated or appointed the departing member.

(c) Members of the Board shall not serve consecutive, complete terms. For purposes of this subsection, only a term of less than seven years that results from the filling of a vacancy is an incomplete term; a term of less than seven years that results from the successor's late designation or appointment is not an incomplete term.

(d) All members shall be residents of North Carolina during their tenure on the Board. Any member of the Board may be removed by the authority that designated or appointed that member for misconduct, incompetency, or neglect of duty.

(e) The Board shall hold regular meetings quarterly and may hold meetings on call of the chair. The chair shall be required to call a special meeting upon written request by two members of the Board. At its regular first quarter meeting, the Board shall elect from its membership a chair and a vice-chair, each to serve for one year. Four members of the Board shall constitute a quorum. The principal office of the Board shall be at such place as shall be designated by a majority of the members thereof. Payment of compensation and reimbursement of expenses of Board members shall be governed by G.S. 93B-5.

(f) Before entering upon the performance of his or her duties hereunder, each member of the Board shall take and file with the Secretary of State an oath in writing to properly perform the duties of his or her office as a member of the Board, and to uphold the Constitution of North Carolina and the Constitution of the United States. (1937, c. 87, s. 1; 1969, c. 669, s. 1; 1979, c. 904, ss. 1-3; 1989, c. 709, s. 1; 1995, c. 114, s. 1.)

Editor's Note. — Session Laws 1995, c. 114, s. 5, effective January 1, 1997, provides that, notwithstanding the provisions of G.S. 87-39 to the contrary, the terms of members serving on

the Board on January 1, 1997 shall expire upon completion of those terms. The following expiration of terms shall apply: the term of one member who represents the interest of the public at large on June 30, 2004; the representative of the Association of Electrical Contractors on June 30, 2005; the chief electrical in-

spector of a municipality or county on June 30, 2006; and the remaining appointments seven years after their successors' terms expire. Thereafter all terms shall be seven years. Mem-

bers serving terms less than seven years are not serving complete terms and are eligible for redesignation or appointment to the Board.

§ 87-40. Secretary-treasurer.

At its regular first quarter meeting, the Board shall appoint a secretary-treasurer to serve for one year. The secretary-treasurer need not be a member of the Board, and the Board is authorized to employ a full-time secretary-treasurer and such other assistants and to make such other expenditures as may be necessary to the proper performance of the duties of the Board under this Article. The compensation and the duties of the secretary-treasurer shall be fixed by the Board, and the secretary-treasurer shall give bond in such sum and form as the Board shall require for the faithful performance of duty. The secretary-treasurer shall keep a record of the proceedings of said Board and shall receive and account for all moneys derived from the operations of the Board under this Article. (1937, c. 87, ss. 2, 3; 1969, c. 669, s. 1; 1995, c. 114, s. 2.)

§ 87-41. Seal of Board.

The Board shall adopt a seal for its own use, and the secretary-treasurer shall have charge and custody thereof. The seal shall have inscribed thereon the words "Board of Examiners of Electrical Contractors, State of North Carolina." (1937, c. 87, s. 3; 1969, c. 669, s. 1.)

§ 87-41.1. Definitions.

As used in this Article, unless the context requires otherwise:

- (1) A "qualified individual" is an individual who is qualified in a specific license classification as a result of having taken and passed the qualifying examination required by this Article for such a classification and who has been certified as such by the Board pursuant to G.S. 87-42.
- (2) A "listed qualified individual" is a qualified individual whose name is listed on a license issued by the Board. A listed qualified individual has the specific duty and authority to supervise and direct electrical contracting done by or in the name of a licensee of the Board on whose license the qualified individual is so listed.
- (3) A licensee of the Board is a person listed pursuant to subsection (2), or a partnership, firm or corporation that regularly employs at least one listed qualified individual and which has been issued a license by the Board. (1989, c. 709, s. 2.)

§ 87-42. Duties and powers of Board.

In order to protect the life, health and property of the public, the State Board of Examiners of Electrical Contractors shall provide for the written examination of all applicants for certification as a qualified individual, as defined in G.S. 87-41.1. The Board shall receive all applications for certification as a qualified individual and all applications for licenses to be issued under this Article, shall examine all applicants to determine that each has met the requirements for certification and shall discharge all duties enumerated in this Article. Applicants for certification as a qualified individual must be at least 18 years of age and shall be required to demonstrate to the satisfaction of the Board their good character and adequate technical and practical knowledge

concerning the safe and proper installation of electrical work and equipment. The examination to be given for this purpose shall include, but not be limited to, the appropriate provisions of the National Electrical Code as incorporated in the North Carolina State Building Code, the analysis of electrical plans and specifications, estimating of electrical installations, and the fundamentals of the installation of electrical work and equipment. Certification of qualified individuals shall be issued in the same classifications as provided in this Article for license classifications. The Board shall prescribe the standards of knowledge, experience and proficiency to be required of qualified individuals, which may vary for the various license classifications. The Board shall issue certifications and licenses to all applicants meeting the requirements of this Article and of the Board upon the receipt of the fees prescribed by G.S. 87-44. The Board shall have power to make rules and regulations necessary to the performance of its duties and for the effective implementation of the provisions of this Article. The Board shall have the power to administer oaths and issue subpoenas requiring the attendance of persons and the production of papers and records before the Board in any hearing, investigation, or proceeding conducted by it. Members of the Board's staff or the sheriff or other appropriate official of any county of this State shall serve all notices, subpoenas, and other papers given to them by the Chairman for service in the same manner as process issued by any court of record. Any person who neglects or refuses to obey a subpoena issued by the Board shall be guilty of a Class 1 misdemeanor. The Board shall have the power to acquire, rent, encumber, alienate, and otherwise deal with real property in the same manner as a private person or corporation, subject only to approval of the Governor and the Council of State. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board. The Board shall keep minutes of all its proceedings and shall keep an accurate record of receipts and disbursements which shall be audited at the close of each fiscal year by a certified public accountant, and the audit report shall be filed with the State of North Carolina in accordance with Chapter 93B of the General Statutes. (1937, c. 87, s. 4; 1969, c. 669, s. 1; 1989, c. 709, s. 3; 1993, c. 539, s. 605; 1994, Ex. Sess., c. 24, s. 14(c); 2001-159, s. 1.)

§ 87-43. Electrical contracting defined; licenses.

Electrical contracting shall be defined as engaging or offering to engage in the business of installing, maintaining, altering or repairing any electric work, wiring, devices, appliances or equipment. No person, partnership, firm or corporation shall engage, or offer to engage, in the business of electrical contracting within the State of North Carolina without having received a license in the applicable classification described in G.S. 87-43.3 from the State Board of Examiners of Electrical Contractors in compliance with the provisions of this Article, regardless of whether the offer was made or the work was performed by a qualified individual as defined in G.S.87-41.1. In each separate place of business operated by an electrical contractor at least one listed qualified individual shall be regularly on active duty and shall have the specific duty and authority to supervise and direct all electrical wiring or electrical installation work done or made by such separate place of business. Every person, partnership, firm or corporation engaging in the business of electrical contracting shall display a current certificate of license in his principal place of business and in each branch place of business which he operates. Licenses issued hereunder shall be signed by the chairman and the secretary-treasurer of the Board, under the seal of the Board. A registry of all licenses issued to electrical contractors shall be kept by the secretary-treasurer of the Board, and said registry shall be open for public inspection during ordinary business

hours. (1937, c. 87, s. 5; 1951, c. 650, ss. 1-21/2; 1953, c. 595; 1961, c. 1165; 1969, c. 669, s. 1; 1989, c. 709, s. 4.)

§ 87-43.1. Exceptions.

The provisions of this Article shall not apply:

- (1) To the installation, construction or maintenance of facilities for providing electric service to the public ahead of the point of delivery of electric service to the customer;

(1937, c. 87, s. 5; 1951, c. 650, ss. 1-21/2; 1953, c. 595; 1961, c. 1165; 1969, c. 669, s. 1; 1979, c. 904, ss. 4-7.)

§ 87-43.2. Issuance of license.

(a) A person, partnership, firm, or corporation shall be eligible to be licensed as an electrical contractor and to have such license renewed, subject to the provisions of this Article, provided:

In lieu of furnishing the bonding ability statement, the applicant may submit for evaluation and specific approval of the Board other information certifying the adequacy of the applicant's financial ability to engage in projects of the license classification applied for. The bonding ability statement or other financial information must be submitted in the same name as the license to be issued. If the firm for which a license application is filed is owned by a sole proprietor, the bonding ability statement or other financial information may be furnished in either the firm name or the name of the proprietor. However, if the application is submitted in the name of a sole proprietor, the applicant shall submit information verifying that the person in whose name the application is made is in fact the sole proprietor of the firm.
- (5) Repealed by Session Laws 1989, c. 709, s. 5.

(b) A license shall indicate the names and classifications of all listed qualified individuals employed by the applicant. A license shall be cancelled if at any time no listed qualified individual is regularly employed by the applicant; provided, that work begun prior to such cancellation may be completed under such conditions as the Board shall direct; and provided further that no work for which a license is required under this Article may be bid for, contracted for or initiated subsequent to such cancellation until said license is reinstated by the Board. (1937, c. 87, s. 5; 1951, c. 650, ss. 1-2½; 1953, c. 595; 1961, c. 1165; 1969, c. 669, s. 1; 1989, c. 709, s. 5; 1995, c. 509, s. 135.2(e).)

§ 87-43.3. Classification of licenses.

An electrical contracting license shall be issued in one of the following classifications: Limited, under which a licensee shall be permitted to engage in a single electrical contracting project of a value not in excess of twenty-five thousand dollars (\$25,000) and on which the equipment or installation in the contract is rated at not more than 600 volts; Intermediate, under which a licensee shall be permitted to engage in a single electrical contracting project of a value not in excess of seventy-five thousand dollars (\$75,000); Unlimited, under which a licensee shall be permitted to engage in any electrical contracting project regardless of value; and such other special Restricted classifications as the Board may establish from time to time to provide, (i) for the licensing of persons, partnerships, firms or corporations wishing to engage in special restricted electrical contracting, under which license a licensee shall be permitted to engage only in a specific phase of electrical contracting of a special, limited nature, and (ii) for the licensing of persons, partnerships, firms or corporations wishing to engage in electrical contracting work as an incidental part of their primary business, which is a lawful business other than electrical contracting, under which license a licensee shall be permitted to engage only in a specific phase of electrical contracting of a special, limited nature directly in connection with said primary business. The Board may establish appropriate standards for each classification, such standards not to

be inconsistent with the provisions of G.S. 87-42. (1969, c. 669, s. 1; 1973, c. 1228, s. 1; 1975, c. 29; 1989, c. 709, s. 6; 1995, c. 114, s. 6.)

§ 87-43.4. Residential dwelling license.

There is hereby created a separate license for electrical contractors which shall permit an electrical contractor to engage in electrical contracting projects pertaining to single-family detached residential dwellings. The value of a single project pertaining to a single-family detached residential dwelling shall not be in excess of the maximum value, established in G.S. 87-43.3, of a single project engaged in by a licensee with a license classified as limited. The Board shall establish appropriate standards for this new license. The standards of knowledge, experience and proficiency shall be those appropriate for that license. (1973, c. 1343; 1995, c. 114, s. 3.)

§ 87-44. Fees; license term.

The Board shall collect a fee from each applicant before granting or renewing a license under the provisions of this Article; the annual license fee for the limited classification shall not exceed one hundred dollars (\$100.00) for each principal and each branch place of business; the annual license fee for the intermediate classification shall not exceed one hundred fifty dollars (\$150.00) for each principal and each branch place of business; the annual license fee for the unlimited classification shall not exceed two hundred dollars (\$200.00) for each principal and each branch place of business; and the annual license fee for the special restricted classifications and for the single-family detached residential dwelling license shall not exceed one hundred dollars (\$100.00) for each principal and each branch place of business.

The Board shall establish a system for the renewal of licenses with varying expiration dates. However, all licenses issued by the Board shall expire one year after the date of issuance. Licenses shall be renewed by the Board, subject to G.S. 87-44.1 and G.S. 87-47, after receipt and evaluation of a renewal application from a licensee and the payment of the required fee. The application shall be upon a form provided by the Board and shall require such information as the Board may prescribe. Renewal applications and fees shall be due 30 days prior to the license expiration date.

Upon failure to renew by the expiration date established by the Board, the license shall be automatically revoked. This license may be reinstated by the Board, subject to G.S. 87-44.1 and G.S. 87-47, upon payment of the license fee, an administrative fee of twenty-five dollars (\$25.00), and all fees for the lapsed period during which the person, partnership, firm or corporation engaged in electrical contracting, and, further, upon the satisfaction of such experience requirements during the lapse as the Board may prescribe by rule.

The Board may collect fees from applicants for examinations in an amount not to exceed one hundred twenty-five dollars (\$125.00), except the fee for a specially arranged examination shall not exceed two hundred dollars (\$200.00). In addition, the Board may collect an examination review fee, not to exceed twenty-five dollars (\$25.00), from failed examinees who apply for a supervised review of their failed examinations. (1937, c. 87, ss. 6, 7, 10; 1953, c. 1041, s. 7; 1969, c. 669, s. 1; 1973, c. 1228, s. 2; 1979, c. 904, ss. 8-10; 1985, c. 317; 1989, c. 709, s. 7; 2001-159, s. 2.)

Editor's Note. — Session Laws 2001-159, s. 3, provides: "Notwithstanding G.S. 87-44, as enacted [amended] in Section 2 of this act, all licenses issued by the Board prior to the effective date of this act shall expire on June 30,

2001. The Board may renew some or all of the expired licenses for a period of more than one year to establish the system of staggered license renewal authorized in G.S. 87-44, as enacted [amended] in Section 2 of this act.

Licenses whose licenses were renewed for more than one year shall pay the annual fee, as authorized in this section, and a prorated annual fee for any additional period of time beyond 12 months. When the Board has fully implemented the system for staggered license renewals, the licensees shall pay only the annual fee.

"Notwithstanding G.S. 87-44, as enacted [amended] in Section 2 of this act, the following fee amounts shall become effective July 1, 2001, and shall remain in effect until changed by permanent rule of the Board:

"(1) The annual license fee for the limited classification shall be sixty dollars (\$60.00).

"(2) The annual license fee for the intermediate classification shall be one hundred dollars (\$100.00).

"(3) The annual license fee for the unlimited classification shall be one hundred fifty dollars (\$150.00).

"(4) The annual license fees for the special restricted classification and for the single-family detached residential dwelling license shall be sixty dollars (\$60.00).

"(5) The examination fees for all examinations administered by the Board, whether written or by computer, shall be seventy-five dollars (\$75.00)."

§ 87-44.1. Continuing education courses required.

Beginning July 1, 1991, the Board may require as prerequisite to the annual renewal of a license that every listed qualified individual complete continuing education courses in subjects relating to electrical contracting to assure the safe and proper installation of electrical work and equipment in order to protect the life, health, and property of the public. The listed qualified individual shall complete, during the 12 months immediately preceding license renewal, a specific number of hours of continuing education courses approved by the Board prior to enrollment. The Board shall not require more than 10 hours of continuing education courses per 12 months and such continuing education courses shall include those taught at a community college as approved by the Board. The listed qualified individual may accumulate and carry forward not more than two additional years of the annual continuing education requirement. Attendance at any course or courses of continuing education shall be certified to the Board on a form provided by the Board and shall be submitted at the time the licensee makes application to the Board for its license renewal and payment of its license renewal fee. This continuing education requirement may be waived by the Board in cases of certified illness or undue hardship as provided for in the Rules of the Board. (1989, c. 709, s. 8.)

The Board shall not renew the license of such a nonresident individual or foreign entity identified by the Secretary of Revenue unless the Board receives a written statement from the Secretary that the debt either has been paid or is being paid pursuant to an installment agreement. (1998-162, ss. 6, 12.)

§ 87-45. Funds.

The fees collected for examinations and licenses under this Article shall be used for the expenses of the State Board of Examiners of Electrical Contractors in carrying out the provisions of this Article. No expenses of the Board or compensation of any member or employee of the Board shall be payable out of the treasury of the State of North Carolina; and neither the Board nor any member or employee thereof shall have any power or authority to make or incur any expense, debt or other financial obligation binding upon the State of North Carolina. Any funds remaining in the hands of the secretary-treasurer to the credit of the Board after all expenses of the Board for the current fiscal year have been fully provided for shall be paid over to the North Carolina Engineering Foundation, Inc., for the benefit of the electrical engineering department of the Greater University of North Carolina. Provided, however, the Board shall have the right to maintain an amount, the cumulative total of which shall not exceed twenty percent (20%) of gross receipts for the previous fiscal year of its operation as a maximum contingency or emergency fund. (1937, c. 87, ss. 3, 7; 1969, c. 669, s. 1.)

§ 87-46. Responsibility of licensee; nonliability of Board.

Nothing in this Article shall relieve the holder or holders of licenses issued under the provisions hereof from complying with the building or electrical codes or statutes or ordinances of the State of North Carolina, or of any county or municipality thereof now in force or hereafter enacted. Nothing in this Article shall be construed as relieving the holder of any license issued hereunder from responsibility or liability for negligent acts on the part of such holder in connection with electrical contracting work; nor shall the State Board of Examiners of Electrical Contractors be accountable in damages, or otherwise for the negligent act or acts of any holder of such license. (1937, c. 87, s. 12; 1969, c. 669, s. 1.)

§ 87-47. Penalties imposed by Board; enforcement procedures.

(a) Repealed by Session Laws 1989, c. 709, s. 9.

(a1) The following activities are prohibited:

- (1) Offering to engage or engaging in electrical contracting without being licensed.

- (1) Reprimand.
- (2) Suspension from practice for a period not to exceed 12 months.
- (3) Revocation of the right to serve as a listed qualified individual on any license issued by the Board.
- (4) Revocation of license.

- (6) Revocation of certification.
- (7) Refusal to certify an applicant or a qualified individual.
- (8) Refusal to issue a license to an applicant.
- (9) Refusal to renew a license.

The clear proceeds of civil penalties collected under this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

In determining the amount of a civil penalty, the Board shall consider:

The Board may, without a hearing, dismiss charges as unfounded or trivial. The Board may issue a notice of violation based on the charges, to be served by a member of the Board's staff or in accordance with Rule 4 of the Rules of Civil Procedure, against any person, partnership, firm, or corporation for engaging in an activity prohibited under subsection (a1) of this section or for a violation of the provisions of this Article or any rule adopted by the Board. The person or other entity to whom the notice of violation is issued may request a hearing by notifying the Board in

writing within 20 days after being served with the notice of violation. Hearings shall be conducted by the Board or an administrative law judge pursuant to Article 3A of Chapter 150B of the General Statutes. In conducting hearings, the Board may remove the hearings to any county in which the offense, or any part thereof, was committed if in the opinion of the Board the ends of justice or the convenience of witnesses require such removal.

(a5) If the person or other entity does not request a hearing under subsection (a4) of this section, the Board shall enter a final decision and may impose penalties against the person or other entity. If the person or other entity is not a licensee or a qualified individual, the Board may impose penalties under subsection (a2) of this section. If the person or other entity is a licensee or a qualified individual, the Board may impose penalties under subsection (a2) of this section, subsection (a3) of this section, or both.

(b) The Board shall adopt and publish rules, in accordance with Chapter 150B of the General Statutes and consistent with the provisions of this Article, governing the matters contained in this section.

(c) The Board shall establish and maintain a system whereby detailed records are kept regarding charges and notices of violation pursuant to this section. This record shall include, for each person, partnership, firm, and corporation charged or notified of a violation, the date and nature of each charge or notice of violation, investigatory action taken by the Board, any findings by the Board, and the disposition of the matter.

(d) The Board may reinstate a qualified individual's certification and may reinstate a license after having revoked it, provided that one year has elapsed from revocation until reinstatement and that the vote of the Board for reinstatement is by a majority of its members.

The Board shall immediately notify the Secretary of State and the electrical inspectors within the licensee's county of residence upon the revocation of a license or the reissuance of a license which had been revoked.

(e) In any case in which the Board is entitled to convene a hearing to consider imposing any penalty provided for in subsection (a2) or (a3) of this section, the Board may accept an offer in compromise of the charge, whereby the accused shall pay to the Board a penalty of not more than one thousand dollars (\$1,000). The clear proceeds of penalties collected by the Board under this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1969, c. 669, s. 1; 1973, c. 1331, s. 3; 1979, c. 904, s. 11; 1989, c. 709, s. 9; 1995, c. 114, s. 4; 1998-215, s. 132.)

CASE NOTES

Standing. — Plaintiff electrical contractor who filed complaint with the North Carolina State Board of Examiners of Electrical Contractors (the Board) alleging that a licensee engaged in conduct proscribed by Chapter 87, and whose first cause of action in the superior court was a request for an order to compel the Board to apply for an administrative law judge to hold a hearing on the original complaint, lacked standing to bring the action. *Bryant v. North Carolina State Bd. of Exmrs. of Elec. Contractors*, 111 N.C. App. 875, 433 S.E.2d 814 (1993), cert. granted, 335 N.C. 552, 441 S.E.2d 111 (1994).

Hearings on Charges Required. — Though the language is not explicit in requiring

that the Board of Examiners of Electrical Contractors hold a hearing on charges, such a requirement is implicit both in the language referring to "hearings of charges" and in the stated purpose of the statute governing the jurisdiction of the Board to hear such charges. *Bryant v. North Carolina State Bd. of Exmrs. of Elec. Contractors*, 338 N.C. 288, 449 S.E.2d 188 (1994).

It would be contrary to the intent expressed in subsection (a1), that of protecting the public, to determine that plaintiff was not entitled to a hearing and decision on charges brought to effectuate that very purpose. *Bryant v. North Carolina State Bd. of Exmrs. of Elec. Contractors*, 338 N.C. 288, 449 S.E.2d 188 (1994).

§ 87-48. Penalty for violation of Article; powers of Board to enjoin violation.

(a) Any person, partnership, firm or corporation who shall violate any of the provisions of this Article or any rule of the Board adopted pursuant to this Article or who shall engage or offer to engage in the business of installing, maintaining, altering or repairing within the State of North Carolina any electric wiring, devices, appliances or equipment without first having obtained a license under the provisions of this Article shall be guilty of a Class 2 misdemeanor.

(b) Whenever it shall appear to the State Board of Examiners of Electrical Contractors that any person, partnership, firm or corporation has violated, is violating, or threatens to violate any provisions of this Article, the Board may apply to the courts of the State for a restraining order and injunction to restrain such practices. If upon such application the court finds that any provision of this Article is being violated, or a violation thereof is threatened, the court shall issue an order restraining and enjoining such violations, and such relief may be granted regardless of whether criminal prosecution is instituted under the provisions of this Article. The venue for actions brought under this subsection shall be the superior court of any county in which such acts are alleged to have been committed or in the county where the defendants in such action reside. (1937, c. 87, s. 13; 1969, c. 669, s. 1; 1979, c. 904, s. 14; 1989, c. 709, s. 10; 1993, c. 539, s. 606; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 87-49. No examination required of licensed contractors.

Any person, firm or corporation licensed in this State as a Class II electrical contractor on the effective date of this Article shall be entitled to be licensed, without examination, in the limited classification upon payment of the required fee and may be licensed in the intermediate or in the unlimited classification without written examination upon satisfactory proof to the Board that such applicant is in fact qualified for such classification. Any person, firm or corporation licensed in this State as a Class I electrical contractor on the effective date of this Article shall be entitled to be licensed without examination in the limited, intermediate or unlimited classification upon payment of the required fee. Provided, that any person who has been once duly licensed by the Board, whose license has expired solely because of failure to apply for renewal, may apply and have a license issued under the provisions of this section if within a period of 12 months preceding such issuance the applicant shall have been primarily actively engaged as an electrical contractor or in an occupation which in the judgment of the Board is similar or equivalent to that of an electrical contractor. (1969, c. 669, s. 1.)

§ 87-50. Reciprocity.

To the extent that other states which provide for the licensing of electrical contractors provide for similar action, the Board may grant licenses of the same or equivalent classification to electrical contractors licensed by other states without written examination upon satisfactory proof furnished to the Board that the qualifications of such applicants are equal to the qualifications of holders of similar licenses in North Carolina and upon payment of the required fee. (1969, c. 669, s. 1.)

§ 87-50.1. Public awareness program.

The Board shall establish and implement a public awareness program to inform the general public of the purpose and function of the Board. (1979, c. 904, s. 13.)

§ 87-51. Severability of provisions.

If any provision of this Article or the application thereof to any person or circumstances is for any reason held invalid, such invalidity shall not affect other provisions or applications of the Article which can be given effect without the invalid provision or application, and to this end the provisions of this Article are declared to be severable. (1969, c. 669, s. 1.)

Special meetings may be held at such times and places as the bylaws and/or rules of the Board provide; or as may be required in carrying out the provisions hereof. A quorum of the Board shall consist of four members. (1955, c. 912, s. 4.)

§ 87-56. Record of proceedings and register of applicants; reports.

(1955, c. 912, s. 5.)

§ 87-57. License required of persons, firms or corporations engaged in the refrigeration trade.

In order to protect the public health, safety, morals, order and general welfare of the people of this State, all persons, firms or corporations, whether resident or nonresident of the State of North Carolina, before engaging in refrigeration business or contracting, as defined in this Article, shall first apply to the Board and shall procure a license. (1955, c. 912, s. 6.)

§ 87-58. Definitions; contractors licensed by Board; examinations.

This Article shall not apply to the replacement of lamps and fuses and to the installation and servicing of domestic household refrigerators and freezers or domestic ice-making appliances connected by means of attachment plug-in devices to suitable receptacles which have been permanently installed. The provisions of this Article shall not repeal any wording, phrase, or paragraph as set forth in Article 2 of Chapter 87 of the General Statutes. This Article shall not apply to employees of persons, firms, or corporations or persons, firms or corporations, not engaged in refrigeration contracting as herein defined, that install, maintain and service their own refrigerating machinery, equipment and devices. The provisions of this Article shall not apply to any person, firm or corporation engaged in the business of selling, repairing and installing any comfort cooling devices or systems.

The Board shall prescribe standards for and issue licenses for refrigeration contracting and for transport refrigeration contracting. A transport refrigeration contractor license is a specialty license that authorizes the licensee to engage only in transport refrigeration contracting. A refrigeration contractor licensee is authorized to engage in transport refrigeration and all other aspects of refrigeration contracting.

Each application for examination shall be accompanied by a check, post-office money order or cash in the amount of the annual license fee required by this Article. Regular examinations shall be given in the months of April and October of each year and additional examinations may be given at times the Board deems wise and necessary. Any person may demand in writing a special examination and upon payment by the applicant of the cost of holding the examination and the deposit of the amount of the annual license fee, the Board in its discretion will fix a time and place for the examination.

§ 87-88. General standards and requirements.

(a) **Prior Permission.** — Prior permission shall be obtained from the Environmental Management Commission for the construction of (i) any water well or of well systems with a designed capacity of 100,000 gallons per day or greater; and (ii) of any well in a geographical area where the Environmental Management Commission finds, after public hearings, such permission to be reasonably necessary to protect the groundwater resources and the public welfare, safety and health, taking into consideration other applicable State laws; provided, however, that the Environmental Management Commission shall not reject any application under this subsection for permission to construct a well except upon the ground that the well would not be in compliance with a provision of this Article or with a rule or regulation of the Environmental Management Commission adopted pursuant to the provisions of G.S. 87-87 of this Article. Notification of approval or rejection of an application for permission to construct a well shall be given the applicant within a period of 15 days after receipt of such application.

(b) **Reports.** — Any person completing or abandoning any well shall furnish the Environmental Management Commission a certified record of the construction or abandonment of such well within a period of 30 days after completion of construction or abandonment.

(c) **Prevention of Contamination.** — Every well shall be constructed and maintained in a condition whereby it is not a source or channel of contamination of the groundwater supply or any aquifer. Wells subject to the provisions of subdivision (a)(i) of this section shall be operated in such a way that they shall not cause the violation of applicable groundwater quality standards. Contamination as used herein shall mean the act of introducing into water foreign materials of such a nature, quality, and quantity as to cause degradation of the quality of the water.

(d) **Valves and Casing on Flowing Artesian Wells.** — Valves and casing on all flowing artesian wells shall be maintained in a condition so that the flow of

water can be completely stopped when the well is not being put to a beneficial use. Valves shall be closed when a beneficial use is not being made.

(e) Access Port. — Every water-supply well and such other wells, as may be specified by the Environmental Management Commission, shall be equipped with a usable access port or air line and to be a minimum of 0.5 inch inside diameter opening so that the position of the water level can be determined at any time. Such port shall be installed and maintained in such manner as to prevent entrance of water or foreign material.

(f) Mineralized Water. — Whenever a water-bearing stratum or aquifer that contains nonpotable mineralized water is encountered in well construction, the stratum shall be adequately cased or cemented off as conditions may require so that contamination of the overlying or underlying groundwater zones will not occur.

(g) Polluted Water. — In constructing any well, all water-bearing zones that are known to contain polluted water shall be adequately cased or cemented off so that pollution of the overlying and underlying groundwater zones will not occur.

(h) Well Test. — Every water-supply well shall be tested for capacity by a method and for a period of time acceptable to the Department and depending on the intended use of the well.

(i) Chlorination of the Well. — Upon completion of the well construction and pump installation, all water-supply wells installed for the purpose of obtaining groundwater for domestic consumption shall be sterilized in accordance with standards for sterilization of drinking water wells established by the U.S. Public Health Service.

(j) Use of Well for Recharge or Disposal. — No well shall be used for recharge, injection or disposal purposes without prior permission from the Environmental Management Commission.

(k) Abandonment of Wells. —

- (1) Temporary Abandonment: When any well is temporarily removed from service, the top of the well shall be sealed with a water-tight cap or seal.
- (2) Permanent Abandonment: Any well that is to be permanently abandoned shall be filled, plugged, or sealed in such a manner as to prevent the well from being a channel allowing the vertical movement of water and a source of contamination of the groundwater supply.
- (3) Abandonment of Water Supply Wells for Other Use: Any water supply well that is removed from service as a potable water supply source may be used for other purposes, including, but not limited to, irrigation, commercial use, or industrial use, and such well is not subject to either subdivision (1) or (2) of this subsection during its use for other purposes. (1967, c. 1157, s. 6; 1973, c. 476, s. 128; c. 1262, s. 23; 1987, c. 496, s. 4; 1989, c. 727, s. 14; 1998-212, s. 14.9B(a).)

§ 87-89. Existing installations.

No well or pump installation in existence and in use on July 6, 1967, shall be required to conform to provisions of subsection (a) of G.S. 87-88, or any rules or regulations adopted pursuant thereto not inconsistent with the provisions of this Article; provided, however, that any well now or hereafter abandoned, including any well deemed to have been abandoned, as defined in the Article, shall, within such time as may be specified by the Environmental Management Commission, be brought into compliance with the requirements of this Article and any applicable rules or regulations with respect to abandonment of wells. It is the intention of the General Assembly that if the provisions of this section are held invalid as a grant of an exclusive or separate emolument or privilege,

within the meaning of Article I, Sec. 7 of the North Carolina Constitution, the remainder of this Article shall be given effect without the invalid provision or provisions. (1967, c. 1157, s. 7; 1973, c. 1262, s. 23.)

No person shall refuse entry or access to any authorized representative of the Environmental Management Commission who requests entry for purposes of inspection, and who presents appropriate credentials, nor shall any person obstruct, hamper or interfere with any such representative while in the process of carrying out his official duties, consistent with the provisions of this Article. (1967, c. 1157, s. 8; 1973, c. 1262, s. 23.)

The notice shall identify the provision of this Article or rule adopted pursuant to this Article alleged to be violated and the facts alleged to constitute the violation. The Environmental Management Commission may also issue an order requiring specific remedial action. An order requiring remedial action shall specify the action to be taken, the date by which the action must be completed, the possible consequences of failing to comply with the order, and the procedure by which the alleged violator may seek review of the order.

(b) The notice may be served by any means authorized under G.S. 1A-1, Rule 4. (1967, c. 1157, s. 9; 1973, c. 1262, s. 23; 1977, c. 771, s. 4; 1989, c. 727, s. 15; 1997-358, s. 7; 1997-443, s. 11A.119(a).)

§ 87-110. Recording requirements for utility owners.

(a) Each utility owner having underground utilities in North Carolina shall record a notarized document containing the name of the utility owner and the title, address, and telephone number of its representatives designated to receive the written or oral notice of intent to excavate, with the Register of Deeds of each county in which the utility owner owns or operates underground facilities. This document shall be executed by an officer of the utility owner or in the case of a governmental entity, the authorized official.

(b) Any change or modification of the information recorded by a utility owner, pursuant to subsection (a) of this section, shall be made by recording the corrected information with the Register of Deeds of each county to which the change or modification applies, in the manner required by subsection (a) of this section within five days of the change made to the utilities.

(c) For purposes of the recordings required by subsections (a) and (b) of this section, recordings by an association pursuant to G.S. 87-109 shall satisfy the recording requirements for each utility owner who is a member of the association while that utility owner remains a member of the association.

(d) Upon receipt of the documents recorded pursuant to subsections (a), (b), or (c) of this section, the Register of Deeds shall place the documents in the Grantor's Index under the heading "Underground Utilities". The registration

fee imposed by Chapter 161 of the General Statutes shall apply to these documents. (1985, c. 785, s. 1.)

§ 87-111. Recorded information filed with inspection departments.

A copy of any document or modification or change in the information in that document recorded pursuant to G.S. 87-109 or G.S. 87-110 shall be filed with any county or municipal inspection department having jurisdiction over any area where the underground utilities are located. Such inspection departments shall maintain these filings in alphabetical order in an accessible form. (1985, c. 785, s. 1.)

§ 87-112. Color-coding.

When the location of an underground utility is marked with stakes or by other physical means, pursuant to this Article, the utility owner shall use colored markers following the American Public Works Association Uniform Color Code for Utilities. (1985, c. 785, s. 1.)

§ 87-113. Notification required when damage done.

(a) The person doing an excavation that results in any known damage to an underground utility shall, immediately after the discovery of the damage, notify the utility owner of the location and nature of the damage and shall allow the utility owner reasonable time to repair the damage before completing the excavation in the immediate area of the damaged underground utility.

(b) The person responsible for conducting any excavation that results in damage to an underground utility where the damage may endanger life, health, or property shall, immediately after the discovery of the damage, take action to protect the public and property, notify the utility owner, notify the police or fire departments, and take any other actions to minimize the hazards until the arrival of the utility owner's personnel, the police, or the fire department. The excavator shall delay any backfilling in the immediate area of the damaged underground utility until authorized by the utility owner unless it is necessary to prevent injury or property damage to others. Repair of any damage shall be performed by the utility owner or by qualified personnel authorized by the utility owner. (1985, c. 785, s. 1.)

§ 87-114. Homeowners.

This Article does not require utility notification before a property owner digs in any area on his own property with nonmechanized equipment nor prior to tilling the soil for agricultural, gardening or landscaping purposes. Mechanized equipment may be used, without utility notification, in any area on the owner's property with the exception of recorded underground utility easements which describes the location of the easement with specificity. Legal Periodicals. — For article, “The Learned Profession Exemption of the North Carolina Deceptive Trade Practices Act: The Wrong Bright Line?,” see 15 Campbell L. Rev. 223 (1993).

§ 88A-2. Purpose.

The purpose of this Chapter is to ensure minimum standards of competency, to protect the public from misrepresentation of status by persons who hold themselves out to be “certified electrologists”, and to provide the public with safe care by the mandatory licensing of electrologists. (1989 (Reg. Sess., 1990), c. 1033, s. 1.)

§ 88A-3. Definitions.

As used in this Chapter, unless the context requires otherwise:

- (1) “Board” means the North Carolina Board of Electrolysis Examiners.
- (2) “Electrolysis” means the permanent removal of hair by the application of an electrical current to the dermal papilla by a filament to cause decomposition, coagulation, or dehydration within the hair follicle as approved by the Food and Drug Administration of the United States Government.
- (3) “Electrologist” or “electrolocist” means a person who engages in the practice of electrolysis for permanent hair removal.
- (4) “Electrology” means the art and practice relating to the removal of hair from the normal skin of the human body by application of an electric current to the hair papilla by means of a needle or needles so as to cause growth inactivity of the hair papilla and thus permanently remove the hair. (1989 (Reg. Sess., 1990), c. 1033, s. 1.)

§ 88A-4. Unlawful practice.

- (a) Effective January 31, 1994, it shall be unlawful to engage in the practice

of electrolysis in this State without a license.

An instructor's certificate shall be renewed annually. On or before the date the current certificate expires, the applicant must submit an application for renewal of certification on a form approved by the Board, meet criteria for renewal established by the Board, and pay the required fee. Any person whose instructor's certificate has expired for a period of five years or more shall be required to take and pass the instructor's examination before the certificate can be renewed. - (8) Assisting, aiding, abetting, or procuring the practice of a person who is not licensed under this Chapter; and,
- (9) Violation of any provision of this Chapter, or any rule or regulation of the Board.

(b) In accordance with Chapter 150B of the General Statutes, the Board may require remedial education, issue a letter of reprimand, restrict, revoke, or suspend any license or certification issued pursuant to this Chapter or deny any application for licensure or certification if the Board determines that the applicant or licensee has committed any of the acts listed in subsection (a).

(c) The Board may reinstate a revoked license or remove licensure restrictions when it finds that the reasons for revocation or restriction no longer exist and that the person can reasonably be expected to practice electrology safely and properly. (1989 (Reg. Sess., 1990), c. 1033, s. 1.)

The bond shall be conditioned to provide indemnification to any student or the student's parent or guardian who has suffered loss of tuition or any fees by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services as related to course enrollment for any reason, including suspension, revocation, or nonrenewal of a school's approval, bankruptcy, foreclosure, or the school's ceasing to operate.

(2) The bond amount shall be at least equal to the maximum amount of prepaid tuition held at any time by the school during the last fiscal year, but in no case shall be less than ten thousand dollars (\$10,000). Each application for license or license renewal shall include a letter signed by an authorized representative of the school showing the calculations made and the method of computing the amount of the bond in accordance with rules prescribed by the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.

(3) The bond shall remain in force and effect until canceled by the guarantor. The guarantor may cancel the bond upon 30 days' notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

(c) An applicant who is unable to secure a bond may seek from the Board a waiver of the guaranty bond requirement and approval of one of the guaranty bond alternatives set forth in this subsection. With the approval of the Board, an applicant may file one of the following instead of a bond with the clerk of court in the county in which the school is located:

- (1) An assignment of a savings account in an amount equal to the bond required that is in a form acceptable to the Board, and is executed by the applicant and a state or federal savings and loan association, state bank, or national bank that is doing business in this State and whose accounts are insured by a federal depositor's corporation, and access to the account is subject to the same conditions as those for a bond in subsection (b) of this section.
- (2) A certificate of deposit that is executed by a state or federal savings and loan association, state bank, or national bank that is doing business in this State and whose accounts are insured by a federal depositor's corporation and access to the certificate of deposit is subject to the same conditions as those for a bond in subsection (b) of this section. (1989 (Reg. Sess., 1990), c. 824, s. 4; 1991, c. 636, s. 5; 1998-230, s. 2.)

§ 88B-18. Examinations.

(a) Each applicant for any examination shall file an application with the Board, on a form approved by the Board, which shall be verified by the applicant under oath, and the applicant shall pay the required examination fee. Applications shall be filed at least 30 days before the requested examination date.

(b) Each examination shall have both a practical and a written portion.

(c) Examinations for applicants for apprentice, cosmetologist, teacher, esthetician, and manicurist licenses shall be given in at least three locations in the State that are geographically scattered. The examinations shall be administered in the Board's office or in a publicly supported two-year postsecondary educational institution with appropriate facilities. The Board shall reimburse an institution, if requested, for the use of its facilities in administering examinations.

(d) An applicant for a cosmetologist license who fails to pass the examination three times may not reapply to take the examination again until after the applicant has successfully completed any additional requirements prescribed by the Board. (1933, c. 179, ss. 16, 17; 1935, c. 54, s. 4; 1973, c. 1360, ss. 3, 4; 1975, c. 857, s. 5; 1985, c. 559, s. 1; 1989, c. 650, s. 3; 1995, c. 541, s. 2; 1998-230, s. 2.)

§ 88B-19. Expired school credits.

No credit shall be approved by the Board if five years or more have elapsed from the date a person enrolled in a cosmetic art school unless the person completed the required number of hours and filed an application to take an examination administered by the Board. (1933, c. 179, s. 12; 1953, c. 1304, s. 3; 1973, c. 450, s. 2; 1977, c. 899, s. 1; 1981, c. 615, s. 9; 1985, c. 559, s. 5; 1998-230, s. 2.)

§ 88B-20. Fees required.

(a) The Board may charge the applicant the actual cost of preparation, administration, and grading of examinations for cosmetologists, apprentices, manicurists, estheticians, or teachers, in addition to its other fees.

- (b) The Board may charge application fees as follows:
- (1) Inspection of a newly established cosmetic art shop \$ 25.00
 - (2) Reciprocity applicant under G.S. 88B-13 \$ 15.00.
- (c) The Board may charge license fees as follows:

 - (2) Cosmetic art schools and shops late renewal \$ 10.00
 - (3) Reinstatement — cosmetic art schools and shops \$ 25.00.
- (e) The Board may prorate fees as appropriate. (1933, c. 179, ss. 1, 21; 1955, c. 1265; 1973, c. 256, s. 2; c. 1481, ss. 1, 2; 1975, c. 7; c. 857, ss. 1, 6; 1977, cc. 155, 472; 1981, c. 615, ss. 1, 2, 13; 1983, c. 523; (Reg. Sess., 1984), c. 990; 1985, c. 125; 1985, c. 559, s. 2; (Reg. Sess., 1986), c. 833; 1987 (Reg. Sess., 1988), c. 965; 1993, c. 22, s. 2; c. 54, s. 1; 1995, c. 541, s. 1; (Reg. Sess., 1996), c. 605, s. 15; 1998-230, s. 2; 1999-348, s. 2.)

Editor's Note. — Session Law 1998-230, s. 5, effective November 1, 1998, and applicable to applications made and acts occurring on or after that date, provides that until the Board adopts a staggered license renewal plan under G.S. 88B-21(b), any cosmetologist who applies for licensure in a year other than the year all

other cosmetologist licenses are due for renewal shall pay the annual fee provided in G.S. 88B-20, on or before October 1 of each year until the year all other cosmetologist licenses are again due for renewal. Any license not renewed shall expire on October 1 of that year.

§ 88B-21. Renewals; expired licenses.

(a) Each license to operate a cosmetic art shop shall be renewed on or before the first day of February of each year. As provided in G.S. 88B-20, a late fee shall be charged for licenses renewed after February 1. Any license not renewed by March 1 of each year shall expire. A cosmetic art shop whose license has been expired for one year or less shall have the license reinstated immediately upon payment of the reinstatement fee, the late fee, and all unpaid license fees. The licensee shall submit to the Board, as a part of the renewal process, a list of all licensed cosmetologists who practice cosmetic art in the shop and shall identify each as an employee or a booth renter.

(b) Cosmetologist licenses shall be renewed on or before October 1 every three years beginning October 1, 1998. A late fee shall be charged for renewals after that date. Any license not renewed shall expire on October 1 of the year that renewal is required. The Board may develop and implement a plan for staggered license renewal and may prorate license fees to implement such a plan.

(c) Apprentice, esthetician, and manicurist licenses shall be renewed annually on or before October 1 of each year. A late fee shall be charged for the renewal of licenses after that date. Any license not renewed shall expire on October 1 of that year.

(e) Prior to renewal of a teacher's license, the teacher shall annually complete a minimum of eight hours of continuing education which shall be approved by the Board. Teachers shall submit written documentation to the Board showing that they have satisfied the requirements of this subsection.

(f) If an apprentice, cosmetologist, esthetician, manicurist, or teacher fails to renew his or her license within five years following the expiration date, the licensee shall be required to pay the license fee for each year that the fees are delinquent and to pass an examination as prescribed by the Board before the license will be reinstated.

(g) Cosmetic art school licenses shall be renewed on or before October 1 of each year. A late fee shall be charged for licenses renewed after that date. Any license not renewed by November 1 of that year shall expire. A cosmetic art school whose license has been expired for one year or less shall have its license reinstated upon payment of the reinstatement fee, the late fee, and all unpaid license fees. (1933, c. 179, ss. 1, 25; 1957, c. 1184, s. 4; 1973, c. 256, s. 3; c. 450, s. 3; c. 1481, ss. 1, 2; 1975, c. 7; c. 857, ss. 1, 7; 1977, cc. 155, 472; 1981, c. 615, ss. 1, 2; 1983 (Reg. Sess., 1984), c. 990; 1985, c. 125; 1985, c. 559, s. 3; (Reg. Sess., 1986), c. 833; 1987 (Reg. Sess., 1988), c. 965; 1993, c. 22, s. 2; c. 54, s. 1; 1995 (Reg. Sess., 1996), c. 605, s. 15; 1998-230, s. 2.)

Editor's Note. — Session Laws 1998-230, s. 3, effective November 1, 1998, and applicable to applications made and acts occurring on or after that date, provides that until the Board adopts a staggered license renewal plan under G.S. 88B-21(b), any cosmetologist who applies for licensure in a year other than the year all other cosmetologist licenses are due for renewal shall pay the annual fee provided in G.S. 88B-20, on or before October 1 of each year until the

year all other cosmetologist licenses are again due for renewal. Any license not renewed shall expire on October 1 of that year.

Session Laws 1998-230, s. 6, effective November 1, 1998, and applicable to applications made and acts occurring on or after that date, provides that any license currently issued by the State Board of Cosmetic Art Examiners shall remain valid until its expiration.

CASE NOTES

Subdivision (1) of prior mandatory duty, and the Board of Cosmetic Art Examiners had no discretionary power to refuse to issue a similar provision prescribed certificate in such instance; therefore a complaint in suit for mandamus alleging full compliance with the provi-

sions of the statute and the refusal of the Board to issue the certificate to plaintiff, was not demurrable. *Poole v. State Bd. of Cosmetic Art Exmrs.*, 221 N.C. 199, 19 S.E.2d 635 (1942), decided under former statutory provisions.

§ 88B-22. Licenses required; criminal penalty.

(a) Except as provided in this Chapter, no person may practice or attempt to practice cosmetic art for pay or reward in any form, either directly or indirectly, without being licensed as an apprentice, cosmetologist, esthetician, or manicurist by the Board.

(b) Except as provided in this Chapter, no person may practice cosmetic art or any part of cosmetic art, for pay or reward in any form, either directly or indirectly, outside of a licensed cosmetic art shop.

(c) No person may open or operate a cosmetic art shop in this State unless a license has been issued by the Board for that shop.

(d) An individual licensed as an esthetician or manicurist may practice only that part of cosmetic art for which the individual is licensed.

(e) An apprentice licensed under the provisions of this Chapter shall apprentice under the direct supervision of a cosmetologist. An apprentice shall not operate a cosmetic art shop.

(f) A violation of this Chapter is a Class 3 misdemeanor. (1933, c. 179, ss. 1, 11, 28; 1949, c. 505, s. 2; 1973, c. 476, s. 128; c. 1481, ss. 1, 2; 1975, c. 7; c. 857,

ss. 1, 8; 1977, cc. 155, 472; 1981, c. 614, s. 2; c. 615, ss. 1, 2, 17; 1983 (Reg. Sess., 1984), c. 990; 1985, c. 125; 1985 (Reg. Sess., 1986), c. 833; 1987 (Reg. Sess., 1988), c. 965; 1989 (Reg. Sess., 1990), c. 1013, s. 3; 1993, c. 22, s. 2; c. 54, s. 1; c. 539, s. 608; 1994, Ex. Sess., c. 24, s. 14(c); 1995 (Reg. Sess., 1996), c. 605, s. 15; 1998-230, s. 2.)

CASE NOTES

Editor's Note. — *The cases below were decided under former statutory provisions.*

Former Chapter 88 did not alter common-law rules governing liability of employer of an apprentice cosmetologist for the consequences of the employee's acts in the course of her employment. *Johnson v. Lamb*, 273 N.C. 701, 161 S.E.2d 131 (1968).

Liability of Cosmetologist. — Like the physician, or other person undertaking to perform professional services, the cosmetologist is not an insurer against injury from the treatment she undertakes to render, nor is she liable for the consequences of every error of judgment. *Johnson v. Lamb*, 273 N.C. 701, 161 S.E.2d 131 (1968).

Employer Need Not Personally Direct Each Act of Apprentice. — It was not the intent of prior similar provision to impose upon the employer of an apprentice cosmetologist a duty, owed to customers of the establishment, to stand at the side of the apprentice and

personally direct each act performed in the rendering of each service to each customer. *Johnson v. Lamb*, 273 N.C. 701, 161 S.E.2d 131 (1968).

Assignment of Customer to Inexperienced Apprentice. — The proprietor of a beauty salon may not, by the assignment of a customer to an inexperienced apprentice, nothing else appearing, reduce the undertaking of the proprietor to bring to the performance of the service the degree of professional skill and ability ordinarily possessed by those engaged in the trade in the particular locality or area. If, however, the apprentice performing the service possesses such skill, exercises reasonable care in the application of it to the customer's case, and uses her best judgment in the performance of the service, there can be no liability for injury upon either the apprentice or the proprietor of a salon on the basis of negligence in the performance of the service. *Johnson v. Lamb*, 273 N.C. 701, 161 S.E.2d 131 (1968).

§ 88B-23. Licenses to be posted.

(a) Every apprentice, cosmetologist, esthetician, manicurist, and teacher licensed under this Chapter shall display the certificate of license issued by the Board within the shop in which the person works.

(b) Every certificate of license to operate a cosmetic art shop or school shall be conspicuously posted in the shop or school for which it is issued. (1933, c. 179, s. 24; 1998-230, s. 2.)

§ 88B-24. Revocation of licenses and other disciplinary measures.

The Board may restrict, suspend, revoke, or refuse to issue, renew, or reinstate any license for any of the following:

- (1) Conviction of a felony shown by certified copy of the record of the court of conviction.
- (2) Gross malpractice or gross incompetency as determined by the Board.
- (3) Advertising by means of knowingly false or deceptive statements.
- (4) Permitting any individual to practice cosmetic art without a license or temporary employment permit, with an expired license or temporary employment permit, or with an invalid license or temporary employment permit.
- (5) Obtaining or attempting to obtain a license for money or other thing of value other than the required fee or by fraudulent misrepresentation.
- (6) Practicing or attempting to practice by fraudulent misrepresentation.
- (7) Willful failure to display a certificate of license as required by G.S. 88B-23.

- (8) Willful violation of the rules adopted by the Board.
- (9) Violation of G.S. 86A-15 by a cosmetologist, esthetician, or manicurist licensed by the Board and practicing cosmetic art in a barber shop. (1933, c. 179, ss. 23, 26, 28; 1935, c. 54, s. 5; 1941, c. 234, s. 4; 1949, c. 505, s. 2; 1973, c. 476, s. 128; 1975, c. 857, ss. 8, 9; 1981, c. 614, ss. 1, 2; c. 615, ss. 14, 15, 17; 1989 (Reg. Sess., 1990), c. 1013, ss. 2, 3; 1993, c. 539, 608; 1994, Ex. Sess., c. 24, s. 14(c); 1995 (Reg. Sess., 1996), c. 605, s. 16.; 1998-230, s. 2.)

CASE NOTES

Variance. — Where defendant was tried upon a warrant charging that she permitted persons in her employ to practice as apprentices without certificate of registration as registered apprentices or registered cosmetologists, and the jury returned a special verdict to the effect that defendant permitted unlicensed

students to work in her school, there was a fatal variance between the warrant and the special verdict and a failure of proof, and the adjudication that the defendant was not guilty was affirmed. *State v. McIver*, 216 N.C. 734, 6 S.E.2d 493 (1940), decided under former statutory provisions.

§ 88B-25. Exemptions.

The following persons are exempt from the provisions of this Chapter while engaged in the proper discharge of their professional duties:

- (1) Undertakers and funeral establishments licensed under G.S. 90-210.25.
- (2) Persons authorized to practice medicine or surgery under Chapter 90 of the General Statutes.
- (3) Nurses licensed under Chapter 90 of the General Statutes.
- (4) Commissioned medical or surgical officers of the United States Army, Air Force, Navy, Marine, or Coast Guard.
- (5) A person employed in a cosmetic art shop to shampoo hair. (1933, c. 179, ss. 1, 22; 1973, c. 1481, ss. 1, 2; 1975, c. 7; c. 857, s. 1; 1977, cc. 155, 472; 1981, c. 615, ss. 1, 2; 1983 (Reg. Sess., 1984), c. 990; 1985, c. 125; 1985 (Reg. Sess., 1986), c. 833; 1987 (Reg. Sess., 1988), c. 965; 1993, c. 22, s. 2; c. 54, s. 1; 1995 (Reg. Sess., 1996), c. 605, s. 15; 1998-230, s. 2.)

§ 88B-26. Rules to be posted.

(a) The Board shall furnish a copy of its rules relating to sanitary management of cosmetic art shops and cosmetic art schools to each shop and school licensed by the Board. Each shop and school shall post the rules in a conspicuous place.

(b) The Board shall furnish a copy of its rules relating to curriculum and schools to each licensed cosmetic art school. Each cosmetic art school shall make these rules available to all teachers and students. (1933, c. 179, s. 23; 1935, c. 54, s. 5; 1973, c. 476, s. 128; 1975, c. 857, s. 9; 1981, c. 614, s. 1; c. 615, s. 14; 1995 (Reg. Sess., 1996), c. 605, s. 16; 1998-230, s. 2.)

§ 88B-27. Inspections.

Any inspector or other authorized representative of the Board may enter any cosmetic art shop or school to inspect it for compliance with this Chapter and the Board's rules. All persons practicing cosmetic art in a shop or school shall, upon request, present satisfactory proof of identification. Satisfactory proof shall be in the form of a photographic driver's license or photographic identification card issued by any state, federal, or other government entity. The

Board may require a cosmetic art shop or school to be inspected as a condition for license renewal. (1933, c. 179, ss. 15, 23; 1935, c. 54, ss. 3, 5; 1941, c. 234, s. 2; 1943, c. 354, s. 2; 1957, c. 1184, s. 2; 1971, c. 355, ss. 2, 3; c. 616, ss. 1, 3; 1973, c. 476, s. 128; c. 1360, s. 2; 1975, c. 857, ss. 4, 9; 1981, c. 614, s. 1; c. 615, ss. 11, 14; 1983, c. 913, s. 9; 1989, c. 650, s. 2; 1995 (reg. Sess., 1996), c. 605, s. 16; 1998-230, s. 2.)

§ 88B-28. Restraining orders.

The Board, the Department of Health and Human Services, or any county or district health director may apply to the superior court for an injunction to restrain any person from violating the provisions of this Chapter or the Board's rules. Actions under this section shall be brought in the county where the defendant resides or maintains his or her principal place of business or where the alleged acts occurred. (1949, c. 505, s. 1; 1973, c. 476, s. 128; 1975, c. 857, s. 10; 1981, c. 614, s. 3; c. 615, s. 18; 1997-443, s. 11A.118(a); 1997-502, s. 8; 1998-230, s. 2.)

§ 88B-29. Civil penalties.

(a) Authority to Assess Civil Penalties. — In addition to taking any of the actions permitted under G.S. 88B-24, the Board may assess a civil penalty not in excess of one thousand dollars (\$1,000) for the violation of any section of this Chapter or the violation of any rules adopted by the Board. All civil penalties collected by the Board shall be remitted to the school fund of the county in which the violation occurred.

(b) Consideration Factors. — Before imposing and assessing a civil penalty and fixing the amount thereof, the Board shall, as a part of its deliberations, take into consideration the following factors:

- (1) The nature, gravity, and persistence of the particular violation.
- (2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.
- (3) Whether the violation was willful and malicious.
- (4) Any other factors that would tend to mitigate or aggravate the violations found to exist.

(c) Schedule of Civil Penalties. — The Board shall establish a schedule of civil penalties for violations of this Chapter. The schedule shall indicate for each type of violation whether the violation can be corrected. Penalties shall be assessed for the first, second, and third violations of specified sections of this Chapter and for specified rules.

(d) Costs. — The Board may in a disciplinary proceeding charge costs, including reasonable attorneys' fees, to the licensee against whom the proceedings were brought. (1998-230, s. 2.)

CASE NOTES

Variance. — Where defendant was tried upon a warrant charging that she permitted persons in her employ to practice as apprentices without certificate of registration as registered apprentices or registered cosmetologists, and the jury returned a special verdict to the effect that defendant permitted unlicensed

students to work in her school, there was a fatal variance between the warrant and the special verdict and a failure of proof, and the adjudication that the defendant was not guilty was affirmed. *State v. McIver*, 216 N.C. 734, 6 S.E.2d 493 (1940), decided under former statutory provisions.

OPINIONS OF ATTORNEY GENERAL

Preparation of Construction Drawings.

— A town may not, under its land use ordinance, require that all construction drawings submitted for approval be prepared and sealed by a licensed professional engineer, to the exclusion of licensed professional architects. Such a restriction would be in excess of the powers granted the town. See opinion of Attorney General to Mr. Michael B. Brough, Carrboro Town Attorney, 59 N.C.A.G. 58 (1989).

Street Design and Storm Drainage Sys-

tems. — The detailed drawings and accompanying calculations of street design and storm drainage systems, including subsurface systems and component structures, fall within the definition of the practice of engineering and not within the definition of landscape architecture. See opinion of Attorney General to Jerry T. Carter, Executive Director, N.C. Board of Examiners for Engineers and Surveyors, 2001 N.C. AG LEXIS 8 (3/22/2001).

§ 89A-2. Practice of landscape architecture or use of title "landscape architect" without registration prohibited; use of seal.

(a) No person shall use the designation "landscape architect," "landscape architecture," or "landscape architectural," or advertise any title or description tending to convey the impression that he or she is a landscape architect or shall engage in the practice of landscape architecture unless the person is registered as a landscape architect in the manner hereinafter provided and thereafter

complies with the provisions of this Chapter. Every holder of a certificate shall display it in a conspicuous place in his or her principal office, place of business or employment.

(a1) No firm, partnership, or corporation shall engage in the practice of landscape architecture unless the firm, partnership, or corporation registered with the Board and has paid the fee required by G.S. 89A-6. All landscape architecture performed by a firm, partnership, or corporation shall be under the direct supervision of an individual who is registered under this Chapter.

(b) Nothing in this Chapter shall be construed (i) to authorize a landscape architect to engage in the practice of architecture, engineering, or land surveying, (ii) to restrict from the practice of landscape architecture or otherwise affect the rights of any person licensed to practice architecture under Chapter 83A, or engineering or land surveying under Chapter 89C of the General Statutes if the person does not use the title landscape architect, landscape architecture, or landscape architectural, (iii) to restrict any person from engaging in the occupation of grading lands whether by hand tools or machinery, (iv) to restrict the planting, maintaining, or marketing of plants or plant materials or the drafting of plans or specifications related to the location of plants on a site, (v) to require a certificate for the preparation, sale, or furnishing of plans, specifications and related data, or for the supervision of construction pursuant thereto, where the project involved is a single family residential site, or a residential, institutional, or commercial site of one acre or less, or the project involved is a site of more than one acre where only planting and mulching is required, or (vi) to prevent any individual from making plans or data for their own building site or for the supervision of construction pursuant thereto.

(c) Each landscape architect shall, upon registration, obtain a seal of the design authorized by the Board, bearing the name of the registrant, number of certificate and the legend "N.C. Registered Landscape Architect". Such seal may be used only while the registrant's certificate is in full force and effect.

Nothing in this Chapter shall be construed as authorizing the use or acceptance of the seal of a landscape architect instead of or as a substitute for the seal of an architect, engineer, or land surveyor. (1969, c. 672, s. 2; 1989, c. 673, s. 3; 1997-406, s. 2.)

§ 89A-3. North Carolina Board of Landscape Architects; appointments.

(a) There is created the North Carolina Board of Landscape Architects, consisting of seven members appointed by the Governor for four-year staggered terms. Five members of the Board shall have been engaged in the practice of landscape architecture in North Carolina at least five years at the time of their respective appointments. Two members of the Board shall not be landscape architects and shall represent the interest of the public at large. Each member shall hold office until the appointment and qualification of his or her successor. Vacancies occurring prior to the expiration of the term shall be filled by appointment for the unexpired term. No member shall serve more than two complete consecutive terms.

The Board shall be subject to the provisions of Chapter 93B of the General Statutes.

(b) The Board shall elect annually from its members a chair and a vice-chair and shall hold such meetings during the year as it may determine to be necessary, one of which shall consist of the annual meeting. A quorum of the Board shall consist of not less than three members.

(b1) The members of the Board shall not be compensated. However, members shall be entitled to be reimbursed from Board funds for all proper

traveling and incidental expenses incurred in carrying out the provisions of this Chapter.

(c), (d) Repealed by Session Laws 1997-406, s. 3. (1969, c. 672, s. 3; 1979, c. 872, s. 1; 1997-406, s. 3.)

The Board shall have the following powers and duties:

- (1) Administer and enforce the provisions of this Chapter.
- (2) Adopt rules to administer and enforce the provisions of this Chapter.
- (3) Examine and determine the qualifications and fitness of applicants for registration and renewal of registration.
- (4) Determine the qualifications of firms, partnerships, or corporations applying for a certificate of registration.

- (6) Establish and approve continuing education requirements for persons registered under this Chapter.
- (7) Receive and investigate complaints from members of the public.
- (8) Conduct investigations for the purpose of determining whether violations of this Chapter or grounds for disciplining registrants exist.

- (10) Maintain a record of all proceedings conducted by the Board and make available to registrants and other concerned parties an annual report of all Board action.

- (12) Adopt and publish a code of professional conduct for all registrants.
- (13) Adopt a seal containing the name of the Board for use on all certificates of registration and official reports issued by the Board.
- (14) Retain private counsel subject to G.S. 114-2.3. (1997-406, s. 4; 1997-456, s. 27; 2002-168, s. 7.)

Effect of Amendments. — Session Laws 2002-168, s. 7, effective October 1, 2002, added subdivision (14).

§ 89A-4. Application, examination, certificate.

(a) Any person hereafter desiring to be registered and licensed to use the title "landscape architect" and to practice landscape architecture in the State, shall make a written application for examination to the Board, on a form prescribed by the Board, together with such evidence of his or her qualifications as may be prescribed by rules of the Board. Minimum qualifications under such rules shall require that the applicant:

- (1) Shall be at least 18 years of age.
- (2) Shall be of good moral character.
- (3) Shall be a graduate of a Landscape Architect's Accreditation Board (LAAB) accredited collegiate curriculum in landscape architecture as approved by the Board.

(4) Shall have at least four years' experience in landscape architecture.

(a1) Notwithstanding the requirements of subdivisions (a)(3) and (4) of this section, any person who has had a minimum of 10 years of education and experience in landscape architecture, in any combination deemed suitable by the Board, may make application to the Board for examination.

(b) If the application is satisfactory to the Board, and is accompanied by the fees required by this Chapter, then the applicant shall be entitled to an examination to determine his or her qualifications. If the result of the examination of any applicant shall be satisfactory to the Board, then the Board shall issue to the applicant a certificate to use the title "landscape architect" and to practice landscape architecture in North Carolina. Examinations shall be held at least once a year at a time and place to be fixed by the Board which shall determine the subjects and scope of the examination. The Board may adopt rules for administering the examination in one or more parts at the same time or at different times.

(c) The Board, within its discretion, may issue licenses without examination and licenses by reciprocity or comity to persons holding a license or certificate in landscape architecture from any legally constituted board of examiners in another state or country whose registration requirements are deemed to be equal or equivalent to those of this State.

(d) Repealed by Session Laws 1997-406, s. 5.

(e) The Board, within its discretion, may grant an honorific title license to persons who have held for a minimum of 20 years a license or certificate in landscape architecture issued by the Board or a legally constituted board of examiners in another state or country whose registration requirements are equal or equivalent to those of this State. The honorific title license shall allow the person to use the title "landscape architect emeritus", but the person shall not practice landscape architecture or provide expert testimony as a landscape architect in this State unless the person complies with the provisions of this Chapter. There shall be no fee charged for an honorific title license. (1969, c. 672, s. 4; 1971, c. 162; 1979, c. 872, ss. 2, 3; 1997-406, s. 5.)

§ 89A-5. Annual renewal of certificate.

Every registrant under this Chapter shall, on or before the first day of July in each year, obtain a renewal of a certificate for the ensuing year, by application, accompanied by the required fee. Upon failure to renew, the certificate shall be automatically revoked. The certificate may be renewed at any time within one year after its expiration if the applicant pays the required renewal fee and late renewal penalty, and the Board finds that the applicant has not used his or her certificate or title or engaged in the practice of landscape architecture after notice of revocation and is otherwise eligible for registration under the provisions of this Chapter. When necessary to protect the public health, safety, or welfare, the Board shall require such evidence as it deems necessary to establish the continuing competency of licensees as a condition of license renewal. (1969, c. 672, s. 5; 1979, c. 872, s. 4; 1997-406, s. 6.)

§ 89A-6. Fees.

In all instances where the Board uses the services of a testing service for preparation, administration, or grading of examinations, the Board may charge the applicant the actual cost of the examination services, in addition to its other fees. Fees shall be paid to the Board at the times specified by the Board. (1969, c. 672, s. 6; 1979, c. 872, s. 5; 1989, c. 673, s. 4; 1997-406, s. 7; 1999-315, s. 1.)

(b) The Board may require a registrant to take a written or oral examination if the Board finds evidence that the person is not competent to practice landscape architecture as defined in this Chapter.

(c) The Board may take any of the actions authorized in subsection (a) of this section against any firm, partnership, or corporation registered with the Board.

(d) In addition to taking any of the actions authorized in subsection (a) of this section, the Board may assess a civil penalty not in excess of two thousand dollars (\$2,000) for the violation of any section of this Chapter or the violation of any rules adopted by the Board. All civil penalties collected by the Board shall be remitted to the school fund of the county in which the violation occurred. Before imposing and assessing a civil penalty and fixing the amount thereof, the Board shall, as a part of its deliberations, take into consideration the following factors:

- (1) The nature, gravity, and persistence of the particular violation.
- (2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.
- (3) Whether the violation was willful.
- (4) Any other factors that would tend to mitigate or aggravate the violations found to exist. (1969, c. 672, s. 7; 1973, c. 1331, s. 3; 1987, c. 827, ss. 1, 71; 1997-406, s. 8.)

The work must be of a character acceptable to the Board. Graduation with an Associate Applied Science degree in a forestry curriculum in a school or college approved by the Board is the equivalent of one year of experience. (b1) The Board may issue a forester-in-training certificate to an applicant who has completed the educational requirements under subdivision (a)(1) of this section.

(c) A nonresident of North Carolina may become a registered forester under this Chapter by complying with its terms, and by filing a consent as to service of process and pleadings upon the Board secretary. In connection with the practice of forestry by such nonresident in North Carolina, the consent as to service of process and pleadings shall be held binding and valid in all courts, as if due service had been made personally upon said nonresident by the Board, when such process has been served upon the Board secretary.

(d) A nonresident or person who has moved to North Carolina recently and who is registered as a registered forester in another jurisdiction may be registered under this Chapter, by written application to the Board, if that jurisdiction provides for the same or substantially the same registration for North Carolina foresters who are registered under this Chapter.

(a) Applications for registration shall be made on forms prescribed and furnished by the Board. The application fee for a certificate of registration as a registered forester shall be in an amount determined by the Board, not to exceed fifty dollars (\$50.00), which shall accompany the application. An additional fee, not to exceed forty dollars (\$40.00), shall be paid upon issuance of the certificate of registration. An applicant that does not remit the certificate fee within 30 days after being notified of qualification forfeits the right to have the certificate issued, and the applicant may be required again to submit an original application fee. If the Board denies a certificate of registration to any applicant, the initial application fee deposited by the applicant shall be retained by the Board.

(b) It is unlawful for any person to provide false or forged information to the Board or a member of the Board in obtaining a certificate of registration. (1975, c. 531, s. 10; 1989, c. 245, s. 1; 1998-157, s. 1.)

§ 89B-11. Expiration and renewals; continuing education.

(a) Registrations shall expire on the last day of June following issuance or renewal and shall become invalid after that date unless renewed. The secretary of the Board shall notify every person registered under this Chapter, at the person's last registered address, of the date of the expiration of registration and the amount of fee required for its renewal for one year. The notices shall be mailed at least 30 days prior to the expiration date of the registrations. The annual renewal fee for certificates shall be in an amount established by the Board, not to exceed fifty dollars (\$50.00). The fee for issuance of replacement certificates of registration shall be five dollars (\$5.00).

Any registration which has expired may be renewed by paying the registration fee plus one-twelfth of the annual renewal fee per calendar month from

the date of expiration. Charges above the renewal fee shall not exceed an amount equal to the renewal fee.

(b) The Board shall require registered foresters to attend continuing education courses approved by the Board, not to exceed 12 hours per year, as a condition of renewal. (1975, c. 531, s. 11; 1989, c. 245, s. 2; 1998-157, s. 1.)

§ 89B-12. Examinations.

When written examinations are required, they shall be held at the time and places in the State of North Carolina as the Board shall determine. The methods of procedure will be described by the Board. A candidate failing an examination may apply for reexamination after six months and will be reexamined with payment of an additional fee established by the Board, not to exceed fifty dollars (\$50.00). Subsequent examinations will be granted upon payment of this fee for each examination. The Board may limit an applicant to three examinations. (1975, c. 531, s. 12; 1998-157, s. 1.)

§ 89B-13. Revocations and reissuance of registration.

The Board may revoke or suspend the certificate of registration of any registrant who it finds has committed gross negligence, fraud, deceit or flagrant misconduct in the practice of forestry or has demonstrated incompetence as a practicing forester. The Board may designate a person or persons to investigate and report to it upon any charges of fraud, deceit, gross negligence, incompetency or other misconduct by a registrant in the practice of forestry.

Any person may prefer charges against a registrant. The charges shall be in writing, sworn to by the person making them, and filed with the secretary of the Board. The time and place for a hearing before the Board shall be fixed by the Board. At any hearing the accused may appear in person or by counsel. The Board may reissue a certificate of registration to any person whose certificate of registration has been revoked or suspended. (1975, c. 531, s. 13; 1998-157, s. 1.)

§ 89B-14. Roster of registered foresters; consulting forester affidavit.

(a) A roster showing the names, registration numbers, and places of business residence of all registrants under this Chapter shall be prepared annually by the secretary of the Board. Copies of this roster shall be placed on file with the Secretary of State of North Carolina and each clerk of superior court in North Carolina. A copy shall be sent to each registrant, and copies may be furnished to the public upon request and upon payment of a fee set by the Board.

(b) Each consulting forester shall annually file with the Board an affidavit of its compliance with this Chapter. (1975, c. 531, s. 14; 1998-157, s. 1.)

§ 89B-15. Violation.

A violation of this Chapter is a Class 3 misdemeanor. (1975, c. 531, s. 15; 1993, c. 539, s. 611; 1994, Ex. Sess., c. 24, s. 14(c); 1998-157, s. 1.)

Chapter Not Admission That Former Guidelines Inadequate. — This Chapter,

which redefines “the practice of engineering,” cannot be considered an admission by the legislature that the former statute set forth inadequate guidelines. *State v. Covington*, 34 N.C. App. 457, 238 S.E.2d 794 (1977), cert. denied, 294 N.C. 184, 241 S.E.2d 519 (1978).

OPINIONS OF ATTORNEY GENERAL

Preparation of Construction Drawings.

— A town may not, under its land use ordinance, require that all construction drawings submitted for approval be prepared and sealed by a licensed professional engineer, to the ex-

clusion of licensed professional architects. Such a restriction would be in excess of the powers granted the town. See opinion of Attorney General to Mr. Michael G. Brough, Carrboro Town Attorney, 59 N.C.A.G. 58 (1989).

§ 89C-2. Declarations; prohibitions.

In order to safeguard life, health, and property, and to promote the public welfare, the practice of engineering and the practice of land surveying in this State are hereby declared to be subject to regulation in the public interest. It shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, as defined in the provisions of this Chapter, or to use in connection with the person's name or otherwise assume or advertise any title or description tending to convey the impression that the person is either a professional engineer or a professional land surveyor, unless the person has been duly licensed. The right to engage in the practice of engineering or land surveying is a personal right, based on the qualifications of the person as evidenced by the person's certificate of licensure, which shall not be transferable. (1921, c. 1, s. 1; C.S., s. 6055(b); 1951, c. 1084, s. 1; 1975, c. 681, s. 1; 1998-118, s. 1.)

CASE NOTES

Legislative Intent. — The Chapter, when read as a whole, makes it clear that the legislature's intent in the "representation," "conveying" and "holding out" provisions of the Chapter was to protect the public from misrepresentations of professional status or expertise. *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

This Section and G.S. 89C-23 Must Be Read Together. — G.S. 89C-23, the part of the Chapter prescribing penalties, must be read subject to the basic prohibitory section of the Chapter, this section, which makes it unlawful "to use in connection with his name or otherwise or advertise any title or description tending to convey the impression that he is . . . a professional engineer . . . unless such person

has been duly registered as such." *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

This section and G.S. 89C-23 authorize the Board to prohibit only those uses of the title engineer which imply or represent professional engineering status or expertise. *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

The mere use of the term "Customer Engineer" on business cards and in a newspaper article does not constitute the offering to practice engineering or the representation of professional engineering status or expertise in violation of this section. *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

§ 89C-3. Definitions.

The following definitions apply in this Chapter:

- (1) Board. — The North Carolina State Board of Examiners for Engineers and Surveyors provided for by this Chapter.
- (1a) Business firm. — A partnership, firm, association, or another organization or group that is not a corporation and is acting as a unit.
- (2) Engineer. — A person who, by reason of special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience, is qualified to practice engineering.
- (3) Engineering intern. — A person who complies with the requirements for education, experience and character, and has passed an examina-

tion in the fundamental engineering subjects, as provided in this Chapter.

- (3a) Inactive licensee. — Licensees who are not engaged in the practice of engineering or land surveying in this State.
- (4) Land surveyor intern. — A person who has qualified for, taken, and passed an examination on the basic disciplines of land surveying as provided in this Chapter.
- (5) Person. — Any natural person, firm, partnership, corporation or other legal entity.
- (6) Practice of engineering. —

- a. Any service or creative work, the adequate performance of which requires engineering education, training, and experience, in the application of special knowledge of the mathematical, physical, and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning, and design of engineering works and systems, planning the use of land and water, engineering surveys, and the observation of construction for the purposes of assuring compliance with drawings and specifications, including the consultation, investigation, evaluation, planning, and design for either private or public use, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects, and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this Chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents the person to be a professional engineer, or through the use of some other title implies that the person is a professional engineer or that the person is licensed under this Chapter; or who holds the person out as able to perform, or who does perform any engineering service or work not exempted by this Chapter, or any other service designated by the practitioner which is recognized as engineering.

- b. The term “practice of engineering” shall not be construed to permit the location, description, establishment or reestablishment of property lines or descriptions of land boundaries for conveyance. The term does not include the assessment of an underground storage tank required by applicable rules at closure or change in service unless there has been a discharge or release of the product from the tank.

- (7) Practice of land surveying. —

- a. Providing professional services such as consultation, investigation, testimony, evaluation, planning, mapping, assembling, and interpreting reliable scientific measurements and information relative to the location, size, shape, or physical features of the earth, improvements on the earth, the space above the earth, or any part of the earth, whether the gathering of information for the providing of these services is accomplished by conventional ground measurements, by aerial photography, by global positioning via satellites, or by a combination of any of these methods, and the utilization and development of these facts and interpre-

tations into an orderly survey map, plan, report, description, or project. The practice of land surveying includes the following:

1. Locating, relocating, establishing, laying out, or retracing any property line, easement, or boundary of any tract of land;
 2. Locating, relocating, establishing, or laying out the alignment or elevation of any of the fixed works embraced within the practice of professional engineering;
 3. Making any survey for the subdivision of any tract of land, including the topography, alignment and grades of streets and incidental drainage within the subdivision, and the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys;
 4. Determining, by the use of the principles of land surveying, the position for any survey monument or reference point, or setting, resetting, or replacing any survey monument or reference point;
 5. Determining the configuration or contour of the earth's surface or the position of fixed objects on the earth's surface by measuring lines and angles and applying the principles of mathematics or photogrammetry;
 6. Providing geodetic surveying which includes surveying for determination of the size and shape of the earth both horizontally and vertically and the precise positioning of points on the earth utilizing angular and linear measurements through spatially oriented spherical geometry; and
 7. Creating, preparing, or modifying electronic or computerized data, including land information systems and geographic information systems relative to the performance of the practice of land surveying.
- b. The term "practice of land surveying" shall not be construed to permit the design or preparation of specifications for (i) major highways; (ii) wastewater systems; (iii) wastewater or industrial waste treatment works; (iv) pumping or lift stations; (v) water supply, treatment, or distribution systems; (vi) streets or storm sewer systems except as incidental to a subdivision.
- (8) Professional engineer. — A person who has been duly licensed as a professional engineer by the Board established by this Chapter.
- (8a) Professional engineer, retired. — A person who has been duly licensed as a professional engineer by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title "Professional Engineer, Retired".
- (9) Professional land surveyor. — A person who, by reason of special knowledge of mathematics, surveying principles and methods, and legal requirements which are acquired by education and/or practical experience, is qualified to engage in the practice of land surveying, as attested by the person's licensure as a professional land surveyor by the Board.
- (9a) Professional land surveyor, retired. — A person who has been duly licensed as a professional land surveyor by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title "Professional Land Surveyor, Retired".
- (10) Responsible charge. — Direct control and personal supervision, either of engineering work or of land surveying, as the case may be.

(1951, c. 1084, s. 1; 1953, c. 999, s. 1; 1973, c. 449; 1975, c. 681, s. 1; 1993 (Reg. Sess., 1994), c. 671, s. 1; 1996, 2nd Ex. Sess., c. 18, s. 7.10(i); 1998-118, s. 2.)

CASE NOTES

Use of Word “Engineer” Does Not Represent Professional Engineering Status. — It is clear from the definition in subdivision (8) that the use of the word “engineer” without being modified by “professional,” “registered” or “licensed,” or some word of like import does not represent that one is “duly registered and licensed by the Board” and therefore cannot represent that one is a professional engineer as that term is defined in subdivision (8). Since such usage does not represent professional engineering status, it cannot constitute the practice of engineering as that term is defined in

paragraph (6)a. North Carolina State Bd. of Registration v. IBM Corp., 31 N.C. App. 599, 230 S.E.2d 552 (1976).

Therefore, such usage is not a violation of those provisions of this section and G.S. 89C-23 which prohibit the practice or offer to practice engineering without proper registration. North Carolina State Bd. of Registration v. IBM Corp., 31 N.C. App. 599, 230 S.E.2d 552 (1976).

OPINIONS OF ATTORNEY GENERAL

The specific provisions of subdivision (6) of this section should prevail over the more general provisions of G.S. 74C-3(a)(8); to interpret Chapter 74C as requiring licensed professional engineers to obtain a private investigator’s license would defeat the intent of subdivision (6), which allows licensed professional engineers to conduct investigations. See opinion of Attorney General to Mr. Montgomery T. Speir, Executive Secretary, State Board of Registration for Professional Engineers and Land Surveyors, 57 N.C.A.G. 47 (Oct. 6, 1987).

The legislature has made it clear that licensed professional engineers need not be licensed as private investigators in order to engage in “investigation and consultation” that is included within the definition of the “practice of

engineering” as defined by subdivision (6) of this section. See opinion of Attorney General to Mr. Montgomery T. Speir, Executive Secretary, State Board of Registration for Professional Engineers and Land Surveyors, 57 N.C.A.G. 47 (Oct. 6, 1987).

Street Design and Storm Drainage Systems. — The detailed drawings and accompanying calculations of street design and storm drainage systems, including subsurface systems and component structures, fall within the definition of the practice of engineering and not within the definition of landscape architecture. See opinion of Attorney General to Jerry T. Carter, Executive Director, N.C. Board of Examiners for Engineers and Surveyors, 2001 N.C. AG LEXIS 8 (3/22/2001).

§ 89C-4. State Board of Examiners for Engineers and Surveyors; appointment; terms.

A State Board of Examiners for Engineers and Surveyors, whose duty it is to administer the provisions of this Chapter, is created. The Board shall consist of four licensed professional engineers, three licensed professional land surveyors and two public members, who are neither professional engineers nor professional land surveyors. Of the land surveyor members, one and only one may hold dual licenses as a professional land surveyor and professional engineer. All of the members shall be appointed by the Governor. Appointments of the engineer and land surveyor members shall preferably, but not necessarily, be made from a list of nominees submitted by the professional societies for engineers and land surveyors in this State. Each member of the Board shall receive a certificate of appointment from the Governor and shall file with the Secretary of State a written oath or affirmation for the faithful discharge of the duties.

Members of the Board serve for staggered five-year terms, and no member may be appointed for more than two full terms. Members serve until the

expiration of their respective terms and until their respective successors are appointed. If a vacancy occurs during a term, the Governor shall appoint a successor from the same classification as the person causing the vacancy to serve for the remainder of the unexpired term. If the vacancy is not filled within 90 days after it occurs, the Board may appoint a provisional member to serve until the appointment by the Governor becomes effective. The provisional member during his tenure has all the powers and duties of a regular member. (1921, c. 1, ss. 3-6; C.S., ss. 6055(d)-6055(g); 1951, c. 1084, s. 1; 1957, c. 1060, s. 1; 1963, c. 843; 1965, c. 940; 1975, c. 681, s. 1; 1979, c. 819, s. 1; 1998-118, s. 3.)

In addition to per diem allowances, travel and incidentals, the secretary of the Board may, with the approval of the Board, receive such reasonable additional compensation as is compatible with the actual hours of work required by the duties of the office. (1921, c. 1, ss. 3-6; C.S., ss. 6055(d)-6055(g); 1951, c. 1084, s. 1; 1957, c. 1060, s. 1; 1963, c. 843; 1965, c. 940; 1975, c. 681, s. 1; 1998-118, s. 5.)

§ 89C-7. Vacancies; removal of member.

The Governor may remove any member of the Board for misconduct, incompetency, neglect of duty, or any sufficient cause, in the manner prescribed by law for removal of State officials. Vacancies in the membership of the Board shall be filled for the unexpired term by appointment by the Governor as provided in G.S. 89C-4. (1921, c. 1, ss. 3-6; C.S., ss. 6055(d)-6055(g); 1951, c. 1084, s. 1; 1957, c. 1060, s. 1; 1963, c. 843; 1965, c. 940; 1975, c. 681, s. 1.)

The Board shall elect annually from its members a chair, a vice-chair, and a secretary. A quorum of the Board shall consist of not less than five members. The Board shall operate under its rules and regulations supplemented by Robert's Rules of Order. (1921, c. 1, ss. 3-6; C.S., ss. 6055(d)-6055(g); 1951, c. 1084, s. 1; 1957, c. 1060, s. 1; 1963, c. 843; 1965, c. 940; 1975, c. 681, s. 1; 1998-118, s. 6.)

The executive director shall be a full-time employee of the Board and perform the duties assigned to the director by the secretary subject to the approval of the Board. The executive director shall receive a salary and compensation fixed by the Board. The executive director shall give a surety bond satisfactory to the Board conditioned upon the faithful performance of the director's duties assigned. The premium on the bond shall be a necessary and proper expense of the Board. (1921, c. 1, ss. 3-6; C.S., ss. 6055(d)-6055(g); 1951, c. 1084, s. 1; 1957, c. 1060, s. 1; 1963, c. 843; 1965, c. 940; 1975, c. 681, s. 1; 1998-118, s. 7.)

§ 89C-10. Board powers.

(a) The Board may adopt and amend all rules and rules of procedure as may be reasonably necessary for the proper performance of its duties, the regulation of its procedures, meetings, records, the administration of examinations, and the authority to enforce the rules of professional conduct as may be adopted by the Board pursuant to G.S. 89C-20.

The action by the Board in carrying out any of the powers specified in this section shall be binding upon all persons licensed under this Chapter, including corporations and business firms holding certificates of authorization.

(b) The Board shall adopt and have an official seal, which shall be affixed to each certificate issued.

(c) The Board may in the name of the State apply for relief, by injunction, in the established manner provided in cases of civil procedure, without bond, to enforce the provisions of this Chapter, or to restrain any violation of the provisions of this Chapter. In proceedings for injunctive relief, it shall not be necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from the continued violation of the provisions of this Chapter. The members of the Board shall not be personally liable under this proceeding.

(d) The Board may subject an applicant for licensure to any examination necessary to determine the applicant's qualifications.

(e) The Board may issue an appropriate certificate of licensure to any applicant who, in the opinion of the Board, has met the requirements of this Chapter.

(f) It shall be the responsibility and duty of the Board to conduct a regular program of investigation concerning all matters within its jurisdiction under the provisions of this Chapter. The investigation of a licensee is confidential until the Board issues a citation to the licensee. The Board may expend its funds for salaries, fees, and per diem expenses, in connection with its investigations, provided that no funds other than per diem expenses shall be

paid to any member of the Board in connection with its investigations, nor may any member of the Board give testimony and later sit in deciding on any matter which may directly involve punitive action for the testimony.

(g) The Board may use its funds to establish and conduct instructional programs for persons who are currently licensed to practice engineering or land surveying, as well as refresher courses for persons interested in obtaining adequate instruction or programs of study to qualify them for licensure to practice engineering or land surveying. The Board may expend its funds for these purposes and may not only conduct, sponsor, and arrange for instructional programs, but also may carry out instructional programs through extension courses or other media. The Board may enter into plans or agreements with community colleges, public or private institutions of higher learning, State and county boards of education, or with the governing authority of any industrial education center for the purpose of planning, scheduling or arranging courses, instruction, extension courses, or in assisting in obtaining courses of study or programs in the field of engineering and land surveying. The Board shall encourage the educational institutions in this State to offer courses necessary to complete the educational requirements of this Chapter. For the purpose of carrying out these objectives, the Board may adopt rules as may be necessary for the educational programs, instruction, extension services, or for entering into plans or contracts with persons or educational and industrial institutions.

(h) The Board may license sponsors of continuing professional competency activities who agree to conduct programs in accordance with standards adopted by the Board. Sponsors shall pay a license fee established by the Board, not to exceed two hundred fifty dollars (\$250.00) for licensure under this subsection. The license fee shall accompany the application. Sponsors shall renew their licenses annually on a form provided by the Board.

(i) The Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as a private person or corporation, subject only to approval of the Governor and the Council of State. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board. (1921, c. 1, ss. 3-6; C.S., ss. 6055(d)-6055(g); 1951, c. 1084, s. 1; 1957, c. 1060, s. 1; 1963, c. 843; 1965, c. 940; 1975, c. 681, s. 1; 1985 (Reg. Sess., 1986), c. 977, s. 16; 1993 (Reg. Sess., 1994), c. 671, s. 8; 1998-118, s. 8; 2003-347, s. 1.)

Effect of Amendments. — Session Laws 2003-347, s. 1, effective July 27, 2003, added subsection (i).

OPINIONS OF ATTORNEY GENERAL

The Board is vested with jurisdiction over State officials and employees who are registered professional engineers in the performance of their assigned duties, to the extent that those duties fall within the practice

of engineering. See opinion of Attorney General to Mr. Jerry T. Carter, Executive Secretary, North Carolina State Board of Registration for Professional Engineers and Land Surveyors, 1998 N.C.A.G. 8 (2/11/98).

§ 89C-11. Secretary; duties and liabilities; expenditures.

The secretary of the Board shall receive and account for all moneys derived from the operation of the Board as provided in this Chapter, and shall deposit them in one or more special funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. Upon passing the examination, the applicant shall be granted a certificate of licensure to practice professional engineering in this State, provided the applicant is otherwise qualified.

At its discretion the Board may require an applicant to submit exhibits, drawings, designs, or other tangible evidence of engineering work which the applicant personally accomplished or supervised.

The following shall be considered as minimum evidence that the applicant is qualified for certification:

(2) As an engineering intern (shall meet one):

- a. Graduation and Examination. — A graduate of an engineering curriculum or related science curriculum of four years or more, approved by the Board as being of satisfactory standing, or a student who has attained senior status in an accredited engineering program, shall be admitted to the fundamentals of engineering examination. A final map for one of the five projects shall also be submitted;
 3. Five references to the applicant's character and quality of work, three of which shall be from professional land surveyors, are submitted to the Board; and

The Board shall require an applicant to submit exhibits, drawings, plats or other tangible evidence of land surveying work executed by the applicant under proper supervision and which the applicant has personally accomplished or supervised.

Land surveying encompasses a number of disciplines including geodetic surveying, hydrographic surveying, cadastral surveying, engineering surveying, route surveying, photogrammetric (aerial) surveying, and topographic surveying. CASE NOTES

Requirement for Obtaining of License as Land Surveyor by Professional Engineer. — Subsection (b)(1)h., as enacted in 1975, does not require that a person theretofore licensed as a professional engineer show that he had actually engaged in the practice of, or that

he had experience in, land surveying as a condition to obtaining a license as a registered land surveyor. *Loughlin v. North Carolina State Bd. of Registration*, 32 N.C. App. 351, 232 S.E.2d 219, cert. denied, 292 N.C. 467, 233 S.E.2d 922 (1977).

§ 89C-14. Application for licensure; license fees.

(a) Application for licensure as a professional engineer or professional land surveyor shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.

(b) An applicant for licensure who is required to take the written examination shall pay to the Board an application fee not to exceed one hundred dollars (\$100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.

(c) The certification fee for a corporation is the amount set by the Board but shall not exceed one hundred dollars (\$100.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of licensure of a corporation is the amount set by the Board but shall not exceed seventy-five dollars (\$75.00). The fee for renewal of a certificate of licensure for a business firm is the same as the renewal fee for a corporation.

(d) Should the Board deny the issuance of a certificate of licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

(e) A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee and documented evidence of actions taken by the candidate to enhance the candidate's prospects for passing the exam. A candidate with a combination of three failures or unexcused absences may only be considered by the Board for reexamination at the end of 12 months following the third failure or unexcused absence. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year. (1921, c. 1, s. 9; C.S., s. 6055(j); 1951, c. 1084, s. 1; 1953, c. 999, s. 2; 1957,

c. 1060, ss. 2, 3; 1975, c. 681, s. 1; 1981, c. 230; 1983, c. 183, ss. 1, 2; 1993 (Reg. Sess., 1994), c. 671, s. 5; 1996, 2nd Ex. Sess., c. 18, s. 7.10(k); 1998-118, s. 12; 2000-115, s. 1.)

§ 89C-15. Examinations.

(a) The examinations will be held at the times and places as the Board directs. The Board shall determine the passing grade on examinations. All examinations shall be approved by the entire Board.

(b) Written examinations will be given in sections and may be taken only after the applicant has met the other minimum requirements as given in G.S. 89C-13 and has been approved by the Board for admission to the examination as follows:

- (1) Engineering Fundamentals. — Consists of an eight-hour examination on the fundamentals of engineering. Passing this examination qualifies the applicant for an engineering intern certificate, provided the applicant has met all other requirements for licensure required by this Chapter.
- (2) Principles and Practice of Engineering. — Consists of an eight-hour examination on applied engineering. Passing this examination qualifies the applicant for licensure as a professional engineer, provided the applicant has met the other requirements for registration required by this Chapter.
- (3) Surveying Fundamentals. — Consists of an eight-hour examination on the elementary disciplines of land surveying. Passing this examination qualifies the applicant for a land surveyor intern certificate provided the applicant has met all other requirements for certification required by this Chapter.
- (4) Principles and Practices of Land Surveying. — Consists of a six-hour examination on the basic and applied disciplines of land surveying and a two-hour examination on requirements specific to the practice of land surveying in North Carolina. Passing each of these examinations qualifies the applicant for a professional land surveyor certificate provided the applicant has met all other requirements for certification required by this Chapter. (1975, c. 681, s. 1; 1998-118, s. 13.)

§ 89C-16. Certificates of licensure; effect; seals.

(a) The Board shall issue to any applicant, who, in the opinion of the Board, has met the requirements of this Chapter, a certificate of licensure giving the licensee proper authority to practice the profession in this State. The certificate of licensure for a professional engineer shall carry the designation "professional engineer," and for a land surveyor, "professional land surveyor," shall give the full name of the licensee with the Board designated licensure number and shall be signed by the chair and the secretary under the seal of the Board.

(b) This certificate shall be prima facie evidence that the person named on the certificate is entitled to all rights, privileges and responsibilities of a professional engineer or a professional land surveyor, while the certificate of licensure remains unrevoked or unexpired.

(c) Each licensee shall upon licensure obtain a seal of a design authorized by the Board bearing the licensee's name, license number, and the legend, "professional engineer," or "professional land surveyor." Final drawings, specifications, plans and reports prepared by a licensee shall, when issued, be certified and stamped with the seal or facsimile of the seal unless the licensee

is exempt under the provisions of G.S. 89C-25(7). It shall be unlawful for a licensee to affix, or permit the licensee's seal and signature or facsimile of the seal and signature to be affixed to any drawings, specifications, plans or reports after the expiration of a certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provision of this Chapter. A professional engineer practicing land surveying shall use the licensee's land surveyor seal. (1921, c. 1, s. 11; C.S., s. 6055(m); 1951, c. 1084, s. 1; 1957, c. 1060, s. 6; 1975, c. 681, s. 1; 1998-118, s. 14.)

OPINIONS OF ATTORNEY GENERAL

Direct Control by Registrant Required.
— For a registrant to be able to legally seal and sign plans prepared by others, it is necessary that the documents be prepared under his

direct supervision, meaning a person employed by and under control of the registrant. See opinion of Attorney General to Mr. B.A. Saholsky, 41 N.C.A.G. 423 (1971).

§ 89C-17. Expirations and renewals of certificates.

Certificates for licensure of corporations and business firms that engage in the practice of engineering or land surveying shall expire on the last day of the month of June following their issuance or renewal and shall become invalid on that date unless renewed. All other certificates for licensure shall expire on the last day of the month of December next following their issuance or renewal, and shall become invalid on that date unless renewed. When necessary to protect the public health, safety, or welfare, the Board shall require any evidence necessary to establish the continuing competency of engineers and land surveyors as a condition of renewal of licenses. When the Board is satisfied as to the continuing competency of an applicant, it shall issue a renewal of the certificate upon payment by the applicant of a fee fixed by the Board but not to exceed seventy-five dollars (\$75.00). The secretary of the Board shall notify by mail every person licensed under this Chapter of the date of expiration of the certificate, the amount of the fee required for its renewal for one year, and any requirement as to evidence of continued competency. The notice shall be mailed at least one month in advance of the expiration date of the certificate. Renewal shall be effected at any time during the month immediately following the month of expiration, by payment to the secretary of the Board of a renewal fee, as determined by the Board, which shall not exceed seventy-five dollars (\$75.00). Failure on the part of any licensee to renew the certificate annually in the month immediately following the month of expiration, as required above, shall deprive the licensee of the right to practice until reinstatement of the license. The license may be reinstated at anytime during the first 12 months immediately following the date the license became invalid by payment of a reinstatement fee of one hundred dollars (\$100.00) in addition to the established renewal fee. Failure of a licensee to reinstate the license during the first 12 months immediately following the date the license became invalid shall require the individual, prior to resuming practice in North Carolina, to submit an application on the prescribed form, and to meet all other requirements for licensure as set forth in Chapter 89C. The secretary of the Board is instructed to remove from the official roster of engineers and land surveyors the names of all licensees who have not effected their renewal by the first day of the month immediately following the renewal period. The Board

may adopt rules to provide for renewals in distress or hardship cases due to military service, prolonged illness, or prolonged absence from the State, where the applicant for renewal demonstrates to the Board that the applicant has maintained active knowledge and professional status as an engineer or land surveyor, as the case may be. It shall be the responsibility of each licensee to inform the Board promptly concerning change in address. A licensee may request and be granted inactive status. No inactive licensee may practice in this State unless otherwise exempted in this Chapter. A licensee granted inactive status shall pay annual renewal fees but shall not be subject to annual continuing professional competency requirements. A licensee granted inactive status may return to active status by meeting all requirements of the Board, including demonstration of continuing professional competency as a condition of reinstatement. (1921, c. 1, s. 9; C.S., s. 6055(k); 1951, c. 1084, s. 1; 1953, c. 1041, s. 9; 1957, c. 1060, s. 4; 1973, c. 1321; c. 1331, s. 3; 1975, c. 681, s. 1; 1979, c. 819, ss. 3, 4; 1985, c. 373; 1998-118, s. 15; 2000-115, s. 2; 2003-347, s. 3.)

Effect of Amendments. — Session Laws 2003-347, s. 3, effective July 27, 2003, in the eighth sentence, substituted “licensee” for “registrant” in two places and substituted “reinstatement of the license” for “renewal has been effected,” deleted the former ninth sentence

regarding renewal, inserted the present ninth sentence, in the tenth sentence, substituted “reinstate” for “renew” and substituted “during the first 12 months immediately following the date the license became invalid” for “for a period of 12 months.”

§ 89C-18. Duplicate certificates.

The Board may issue a duplicate certificate of licensure or certificate of authorization to replace any certificate that has been lost, destroyed, or mutilated and may charge a fee of up to twenty-five dollars (\$25.00) for issuing the certificate. (1921, c. 1, s. 10; C.S., s. 6055(l); 1939, c. 218, s. 2; 1951, c. 1084, s. 1; 1953, c. 1041, s. 10; 1957, c. 1060, s. 5; 1973, c. 1331, s. 3; 1975, c. 681, s. 1; 1993 (Reg. Sess., 1994), c. 671, s. 3; 1998-118, s. 16.)

(a) Definitions. — The following definitions apply in this section:

- (1) Delinquent income tax debt. — The amount of income tax due as stated in a final notice of assessment issued to a taxpayer by the Secretary of Revenue when the taxpayer no longer has the right to contest the amount.
- (2) Foreign corporation. — Defined in G.S. 55-1-40.

The Board shall not renew a certificate of licensure for a foreign limited liability company unless the company has obtained a certificate of authority from the Secretary of State pursuant to Article 7 of Chapter 57C of the General Statutes.

(c) Information. — Upon request, the Board shall provide the Secretary of Revenue on an annual basis the name, address, and tax identification number

of every nonresident individual and foreign entity licensed by the Board. The information shall be provided in the format required by the Secretary of Revenue.

(d) **Delinquents.** — If the Secretary of Revenue determines that any nonresident individual or foreign corporation licensed by the Board, a member of any foreign limited liability company licensed by the Board, or a partner in any foreign partnership licensed by the Board, owes a delinquent income tax debt, the Secretary of Revenue may notify the Board of these nonresident individuals and foreign entities and instruct the Board not to renew their certificates of licensure. The Board shall not renew the certificate of licensure of such a nonresident individual or foreign entity identified by the Secretary of Revenue unless the Board receives a written statement from the Secretary that the debt either has been paid or is being paid pursuant to an installment agreement. (1998-162, ss. 7, 13.)

§ 89C-19. Public works; requirements where public safety involved.

This State and its political subdivisions such as counties, cities, towns, or other political entities or legally constituted boards, commissions, public utility companies, or authorities, or officials, or employees of these entities shall not engage in the practice of engineering or land surveying involving either public or private property where the safety of the public is directly involved without the project being under the supervision of a professional engineer for the preparations of plans and specifications for engineering projects, or a professional land surveyor for land surveying projects, as provided for the practice of the respective professions by this Chapter.

An official or employee of the State or any political subdivision specified in this section, holding the positions set out in this section as of June 19, 1975, shall be exempt from the provisions of this section so long as such official or employee is engaged in substantially the same type of work as is involved in the present position.

The provisions in this section shall not be construed to alter or modify the requirements of Article 1 of Chapter 133 of the General Statutes. (1975, c. 681, s. 1; 1998-118, s. 17.)

§ 89C-19.1. Engineer who volunteers during an emergency or disaster; qualified immunity.

(a) A professional engineer who voluntarily, without compensation, provides structural, electrical, mechanical, or other engineering services at the scene of a declared disaster or emergency, declared under federal law or in accordance with the provisions of Article 1 of Chapter 166A of the General Statutes or Article 36A of Chapter 14 of the General Statutes, at the request of a public

official, law enforcement official, public safety official, or building inspection official, acting in an official capacity, shall not be liable for any personal injury, wrongful death, property damage, or other loss caused by the professional engineer's acts or omissions in the performance of the engineering services.

(b) The immunity provided in subsection (a) of this section applies only to an engineering service:

- (1) For any structure, building, piping, or other engineered system, either publicly or privately owned.
- (2) That occurs within 45 days after the declaration of the emergency or disaster, unless the 45-day immunity period is extended by an executive order issued by the Governor under the Governor's emergency executive powers.

(c) The immunity provided in subsection (a) of this section does not apply if it is determined that the personal injury, wrongful death, property damage, or other loss was caused by the gross negligence, wanton conduct, or intentional wrongdoing of the professional engineer, or arose out of the operation of a motor vehicle.

(d) As used in this section:

- (1) "Building inspection official" means any appointed or elected federal, State, or local official with overall executive responsibility to coordinate building inspection in the jurisdiction in which the emergency or disaster is declared.
- (2) "Law enforcement official" means any appointed or elected federal, State, or local official with overall executive responsibility to coordinate law enforcement in the jurisdiction in which the emergency or disaster is declared.
- (3) "Public official" means any federal, State, or locally elected official with overall executive responsibility in the jurisdiction in which the emergency or disaster is declared.
- (4) "Public safety official" means any appointed or elected federal, State, or local official with overall executive responsibility to coordinate public safety in the jurisdiction in which the emergency or disaster is declared. (1995, c. 416, s. 1.)

§ 89C-20. Rules of professional conduct.

In the interest of protecting the safety, health, and welfare of the public, the Board shall adopt rules of professional conduct applicable to the practice of engineering and land surveying. These rules, when adopted, shall be construed to be a reasonable exercise of the police power vested in the Board of Examiners for Engineers and Land Surveyors. Every person licensed by the Board shall subscribe to and observe the adopted rules as the standard of professional conduct for the practice of engineering and land surveying and shall cooperate fully with the Board in the course of any investigation. In the case of violation of the rules of professional conduct, the Board shall proceed in accordance with G.S. 89C-22. (1975, c. 681, s. 1; 1987, c. 827, s. 73; 1998-118, s. 18.)

§ 89C-21. Disciplinary action — Reexamination, revocation, suspension, reprimand, or civil penalty.

(a) The Board may reprimand the licensee, suspend, refuse to renew, or revoke the certificate of licensure, or, as appropriate, require reexamination, for any engineer or land surveyor, who is found:

- (1) Guilty of the practice of any fraud or deceit in obtaining a certificate of licensure or certificate of authorization.
- (2) Guilty of any gross negligence or misconduct in the practice of the profession.
- (3) Guilty of any felony or any crime involving moral turpitude.
- (4) Guilty of violation of the Rules of Professional Conduct, as adopted by the Board.
- (5) To have been declared insane or incompetent by a court of competent jurisdiction and has not later been lawfully declared sane or competent.
- (6) Guilty of professional incompetence. In the event the Board finds that a certificate holder is incompetent the Board may, in its discretion, require oral or written examinations, or other indication of the certificate holder's fitness to practice engineering or land surveying and suspend the license during any such period.

(b) The Board may (i) revoke a certificate of authorization, or (ii) to suspend a certificate of authorization for a period of time not exceeding two years, of any corporation or business firm where one or more of its officers or directors have committed any act or have been guilty of any conduct which would authorize a revocation or suspension of their certificates of licensure under the provision of this section.

(c) The Board may levy a civil penalty not in excess of five thousand dollars (\$5,000) for any engineer or not in excess of two thousand dollars (\$2,000) for any land surveyor who violates any of the provisions of subdivisions (1) through (4) of subsection (a) of this section. The clear proceeds of all civil penalties collected by the Board, including civil penalties collected pursuant to G.S. 89C-22(c), shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(d) Before imposing and assessing a civil penalty and fixing the amount, the Board shall, as a part of its deliberation, take into consideration the following factors:

- (1) The nature, gravity, and persistence of the particular violations;
- (2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment;
- (3) Whether the violation(s) were done willfully and maliciously; and
- (4) Any other factors which would tend to either mitigate or aggravate the violation(s) found to exist. (1921, c. 1, s. 10; C.S., s. 6055(1); 1939, c. 218, s. 2; 1951, c. 1084, s. 1; 1953, c. 1041, s. 10; 1957, c. 1060, s. 5; 1973, c. 1331, s. 3; 1975, c. 681, s. 1; 1989, c. 669, s. 1; 1993 (Reg. Sess., 1994), c. 671, s. 6; 1998-118, s. 19; 1998-215, s. 134; 2003-347, s. 2.)

Effect of Amendments. — Session Laws 2003-347, s. 2, effective July 27, 2003, in the first sentence of subsection (c), substituted “five

thousand dollars (\$5,000)” for “two thousand dollars (\$2,000)” and inserted “not in excess of two thousand dollars (\$2,000) for any.”

CASE NOTES

Multiple Sanctions. — Under former version of this section, providing that the Board “may suspend, refuse to renew, or revoke the

certificate of registration, require reexamination, or levy a fine not in excess of five hundred dollars,” the Board was authorized to suspend,

etc., an engineer's certificate of registration, or to fine him up to \$500, but was not authorized to do both. *In re Bruce*, 97 N.C. App. 138, 387 S.E.2d 82 (1990).

Lack of Notice and Opportunity for Hearing as to Suspension of License. — Where although petitioner was given notice of alleged facts supporting reprimand and fine, he had no notice that the same facts would warrant suspension of his license, and where additionally, petitioner did not have an opportunity at hearing to show compliance with the requirements for retaining his license since he was unaware that the proceeding could result in the suspension, the Board's suspension of petitioner's license did not comply with the procedures mandated in G.S. 150B-3(b). *Miller v. North Carolina State Bd. of Registration*, 86 N.C. App. 91, 356 S.E.2d 793 (1987), *aff'd*, 322 N.C. 465, 368 S.E.2d 605 (1988).

Board Precluded from Suspending License. — The Notice of Action Without Hearing sent to petitioner by the board informing petitioner that the board's intended action was a reprimand and fine was misleading, lulling him into believing that his conduct would, at most, result in a reprimand or fine — not suspension of his license — and the board was precluded from imposing the greater sanction of license suspension. *Miller v. North Carolina State Bd. of Registration for Professional Eng'rs & Land Surveyors*, 322 N.C. 465, 368 S.E.2d 605 (1988).

§ 89C-22. Disciplinary action — Charges; procedure.

(a) Any person may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct, or violation of the rules of professional conduct, against any Board registrant. The charges shall be in writing and shall be sworn to by the person or persons making them and shall be filed with the Board.

(b) All charges, unless dismissed by the Board as unfounded or trivial, shall be heard by the Board as provided under the requirements of Chapter 150B of the General Statutes.

(c) If, after a hearing, a majority of the Board votes in favor of sustaining the charges, the Board shall reprimand, levy a civil penalty, suspend, refuse to renew, or revoke the licensee's certificate.

(d) A licensee who is aggrieved by a final decision of the Board may appeal for judicial review as provided by Article 4 of Chapter 150B.

(e) The Board may, upon petition of an individual or an entity whose certificate has been revoked, for sufficient reasons as it may determine, reissue a certificate of licensure or authorization, provided that a majority of the members of the Board vote in favor of such issuance. (1921, c. 1, s. 10; C.S., s. 6055(1); 1939, c. 218, s. 2; 1951, c. 1084, s. 1; 1953, c. 1041, s. 10; 1957, c. 1060, s. 5; 1973, c. 1331, s. 3; 1975, c. 681, s. 1; 1981, c. 789; 1989, c. 669, s. 2; 1993 (Reg. Sess., 1994), c. 671, s. 7; 1998-118, s. 20.)

CASE NOTES

"Person Aggrieved" Defined. — "Person aggrieved" means one who is adversely affected in respect of legal rights, or is suffering from an infringement or denial of legal rights. *Carter v. North Carolina State Bd. of Registration*, 86 N.C. App. 308, 357 S.E.2d 705 (1987), decided under § 150B-43.

Discretion of Board as to Need for Disciplinary Hearing. — The determination of whether charges are "unfounded or trivial" or are of sufficient substance to merit a disciplinary hearing is a decision necessarily committed to the sound discretion of the Board. *Carter v. North Carolina State Bd. of Registration*, 86

N.C. App. 308, 357 S.E.2d 705 (1987).

Lack of Notice and Opportunity for Hearing as to Suspension of License. — Where although petitioner was given notice of alleged facts supporting reprimand and fine, he had no notice that the same facts would warrant suspension of his license, and where additionally, petitioner did not have an opportunity at hearing to show compliance with the requirements for retaining his license since he was unaware that the proceeding could result in the suspension, the Board's suspension of petitioner's license did not comply with the procedures mandated in G.S. 150B-3(b). *Miller v. § 89C-23. Unlawful to practice engineering or land surveying without licensure; unlawful use of title or terms; penalties; Attorney General to be legal adviser.

Any person who shall practice, or offer to practice, engineering or land surveying in this State without first being licensed in accordance with the provisions of this Chapter, or any person, firm, partnership, organization, association, corporation, or other entity using or employing the words "engineer" or "engineering" or "professional engineer" or "professional engineering" or "land surveyor" or "land surveying," or any modification or derivative of those words in its name or form of business or activity except as licensed under this Chapter or in pursuit of activities exempted by this Chapter, or any person presenting or attempting to use the certificate of licensure or the seal of another, or any person who shall give any false or forged evidence of any kind to the Board or to any member of the Board in obtaining or attempting to obtain a certificate of licensure, or any person who shall falsely impersonate any other licensee of like or different name, or any person who shall attempt to use an expired or revoked or nonexistent certificate of licensure, or who shall practice or offer to practice when not qualified, or any person who falsely claims that the person is registered under this Chapter, or any person who shall violate any of the provisions of this Chapter, in addition to injunctive procedures set out hereinbefore, shall be guilty of a Class 2 misdemeanor. In no event shall there be representation of or holding out to the public of any engineering expertise by unlicensed persons. It shall be the duty of all duly constituted officers of the State and all political subdivisions of the State to enforce the provisions of this Chapter and to prosecute any persons violating them.

The Attorney General of the State or an assistant shall act as legal adviser to the Board and render any legal assistance necessary to carry out the provisions of this Chapter. The Board may employ counsel and necessary assistance to aid in the enforcement of this Chapter, and the compensation and expenses for the assistance shall be paid from funds of the Board. (1921, c. 1, s. 12; C.S., s. 6055(n); 1951, c. 1084, s. 1; 1975, c. 681, s. 1; 1993, c. 539, s. 612; 1994, Ex. Sess., c. 24, s. 14(c); 1998-118, s. 21.)

CASE NOTES

This Section and G.S. 89C-2 Must Be Read Together. — This section, the part of the Chapter prescribing penalties, must be read subject to the basic prohibitory section of this Chapter, G.S. 89C-2, which makes it unlawful "to use in connection with his name or otherwise or advertise any title or description tending to convey the impression that he is . . . a professional engineer . . . unless such person has been duly registered as such." *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

G.S. 89C-2 and this section authorize the Board to prohibit only those uses of the

title engineer which imply or represent professional engineering status or expertise. *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

Use of Word "Engineer" Does Not Represent Professional Engineering Status. — It is clear from the definition in G.S. 89C-3(8) that the use of the word "engineer" without being modified by "professional," "registered" or "licensed," or some word of like import does not represent that one is "duly registered and licensed by the Board" and therefore cannot represent that one is a professional engineer as that term is defined in G.S. 89C-3(8). Since

such usage does not represent professional engineering status, it cannot constitute the practice of engineering as that term is defined in G.S. 89C-3(6)a. *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

Therefore, such usage is not a violation of those provisions of G.S. 89C-2 and this

section which prohibit the practice or offer to practice engineering without proper registration. *North Carolina State Bd. of Registration v. IBM Corp.*, 31 N.C. App. 599, 230 S.E.2d 552 (1976).

§ 89C-24. Licensure of corporations and business firms that engage in the practice of engineering or land surveying.

A corporation or business firm may not engage in the practice of engineering or land surveying in this State unless it is licensed by the Board and has paid an application fee established by the Board in an amount not to exceed one hundred dollars (\$100.00). A corporation or business firm is subject to the same duties and responsibilities as an individual licensee. Licensure of a corporation or business firm does not affect the requirement that all engineering or land surveying work done by the corporation or business firm be performed by or under the responsible charge of individual registrants, nor does it relieve the individual registrants within a corporation or business firm of their design and supervision responsibilities. The Board may adopt rules regulating the operation of offices and places of business of corporations and business firms licensed under this section to ensure that professional engineering and land surveying services are performed under the supervision of licensed professional engineers and land surveyors.

This section applies to every corporation that is engaged in the practice of engineering or land surveying, regardless of when it was incorporated. A corporation that is not exempt from Chapter 55B of the General Statutes by application of G.S. 55B-15 must be incorporated under that Chapter. (1921, c. 1, s. 14; C.S., s. 6055(p); 1951, c. 1084, s. 1; 1969, c. 718, s. 18; 1975, c. 681, s. 1; 1993 (Reg. Sess., 1994), c. 671, s. 4; 1998-118, s. 22; 2000-115, s. 3.)

OPINIONS OF ATTORNEY GENERAL

Registration Requirement Applies to Non-Profit Corporations. — The registration requirement contained in this section applies to any corporation, including a non-profit corporation, if the corporation is engaged in the

practice of engineering as defined by the statute. See opinion of Attorney General to Mr. Jerry T. Carter, Executive Director, North Carolina Board of Examiners for Engineers and Surveyors, 1999 N.C. AG LEXIS 25 (11/16/99).

§ 89C-25. Limitations on application of Chapter.

This Chapter shall not be construed to prevent or affect:

- (1) The practice of architecture, landscape architecture, or contracting or any other legally recognized profession or trade.
- (2) The practice of professional engineering or land surveying in this State or by any person not a resident of this State and having no established place of business in this State when this practice does not aggregate more than 90 days in any calendar year, whether performed in this State or elsewhere, or involve more than one specific project; provided, however, that the person is licensed to practice the profession in the person's own state or country, in which the requirements and qualifications for obtaining a certificate of licensure are satisfactory to the Board; in which case the person shall apply for and the Board will issue a temporary permit.

- (3) The practice of professional engineering or land surveying in this State not to aggregate more than 90 days by any person residing in this State, but whose residence has not been of sufficient duration for the Board to grant or deny licensure; provided, however, the person shall have filed an application for licensure as a professional engineer or professional land surveyor and shall have paid the fee provided for in G.S. 89C-14, and provided that the person is licensed to practice professional engineering or professional land surveying in the person's own state or country in which the requirements and qualifications for obtaining a certificate of licensure are satisfactory to the Board, in which case the person shall apply for and the Board will issue a temporary permit.
- (4) Engaging in engineering or land surveying as an employee or assistant under the responsible charge of a professional engineer or professional land surveyor or as an employee or assistant of a nonresident professional engineer or a nonresident professional land surveyor provided for in subdivisions (2) and (3) of this section, provided that the work as an employee may not include responsible charge of design or supervision.
- (5) The practice of professional engineering or land surveying by any person not a resident of, and having no established place of business in this State, as a consulting associate of a professional engineer or professional land surveyor licensed under the provisions of this Chapter; provided, the nonresident is qualified for performing the professional service in the person's own state or country.
- (6) Practice by members of the armed forces or employees of the government of the United States while engaged in the practice of engineering or land surveying solely for the government on government-owned works and projects; or practice by those employees of the Natural Resources Conservation Service having federal engineering job approval authority that involves the planning, designing, or implementation of best management practices on agricultural lands.
- (7) The internal engineering or surveying activities of a person, firm or corporation engaged in manufacturing, processing, or producing a product, including the activities of public service corporations, public utility companies, authorities, State agencies, railroads, or membership cooperatives, or the installation and servicing of their product in the field; or research and development in connection with the manufacture of that product or their service; or of their research affiliates; or their employees in the course of their employment in connection with the manufacture, installation, or servicing of their product or service in the field, or on-the-premises maintenance of machinery, equipment, or apparatus incidental to the manufacture or installation of the product or service of a firm by the employees of the firm upon property owned, leased or used by the firm; inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision of the State, or any municipality including construction, installation, servicing, maintenance by regular full-time employees of streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants; the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision of the State or a municipal corporation; provided, however, that the internal engineering or surveying activity is not a holding out to or an offer to the public of engineering or any service thereof as prohibited by this Chapter. Engineering work, not related

to the foregoing exemptions, where the safety of the public is directly involved shall be under the responsible charge of a licensed professional engineer, or in accordance with standards prepared or approved by a licensed professional engineer.

- (8) The (i) preparation of fire sprinkler planning and design drawings by a fire sprinkler contractor licensed under Article 2 of Chapter 87 of the General Statutes, or (ii) the performance of internal engineering or survey work by a manufacturing or communications common carrier company, or by a research and development company, or by employees of those corporations provided that the work is in connection with, or incidental to products of, or nonengineering services rendered by those corporations or their affiliates.
- (9) The routine maintenance or servicing of machinery, equipment, facilities or structures, the work of mechanics in the performance of their established functions, or the inspection or supervision of construction by a foreman, superintendent, or agent of the architect or professional engineer, or services of an operational nature performed by an employee of a laboratory, a manufacturing plant, a public service corporation, or governmental operation.
- (10) The design of land application irrigation systems for an animal waste management plan, required by G.S. 143-215.10C, by a designer who exhibits, by at least three years of relevant experience, proficiency in soil science and basic hydraulics, and who is thereby listed as an Irrigation Design Technical Specialist by the North Carolina Soil and Water Conservation Commission. (1921, c. 1, s. 13; C.S., s. 6055(o); 1951, c. 1084, s. 1; 1975, c. 681, s. 1; 1995, c. 146, s. 1; 1995 (Reg. Sess., 1996), c. 742, s. 35; 1997-454, s. 1; 1998-118, s. 23.)

OPINIONS OF ATTORNEY GENERAL

Preparation of Construction Drawings.
— A town may not, under its land use ordinance, require that all construction drawings submitted for approval be prepared and sealed by a licensed professional engineer, to the ex-

clusion of licensed professional architects. Such a restriction would be in excess of the powers granted the town. See opinion of Attorney General to Mr. Michael B. Brough, Carrboro Town Attorney, 59 N.C.A.G. 58 (1989).

§ 89C-25.1. Supervision of unlicensed individuals by licensed person.

In all circumstances in which unlicensed individuals are permitted under this Chapter to perform engineering or land surveying work, or both, under the supervision of a licensed engineer, land surveyor, or both, the Board may by regulation establish a reasonable limit on the number of unlicensed individuals which a licensee of the Board may directly or personally supervise at one time. (1979, c. 819, s. 5; 1998-118, s. 24.)

§ 89C-25.2. Program of licensure by discipline.

The Board shall submit to the legislative committees of reference by July 1, 1981, a program of licensure by discipline and an analysis of the costs and merits thereof in order to permit the General Assembly to make a decision on

the establishment of such a program. The “committees of reference” shall be the Senate and House Committees on State Government respectively or such other committees as the respective presiding officers may determine. (1979, c. 819, s. 5.)

§ **89C-26:** Repealed by Session Laws 1997-309, s. 10.

§ **89C-27. Invalid sections; severability.**

If any of the provisions of this Chapter, or if any rule, regulation or order thereunder, or if the application of such provision to any person or circumstance shall be held invalid, the remainder of this Chapter and the application of such provision of this Chapter or rule, regulation or order to persons or circumstances, other than those as to which it is held valid, shall not be affected thereby. (1975, c. 681, s. 1.)

§ **89C-28. Existing licensure not affected.**

Nothing in this Chapter shall be construed as affecting the status of licensure of any professional engineer or land surveyor who is rightfully in possession of a certificate of licensure duly issued by the Board and valid as of July 1, 1975. (1951, c. 1084, s. 1; 1959, c. 1236, s. 2; 1975, c. 681, s. 1; 1998-118, s. 25.)

Chapter 89D.

Landscape Contractors.

Sec.	Sec.
89D-1. Certificate required.	89D-6. Registers of applicants and certificate holders.
89D-2. Definition.	89D-7. Denial, revocation or suspension of certificate.
89D-3. Application of Chapter.	89D-8. Out-of-state applicants.
89D-4. Landscape Contractors' Registration Board created; membership; compensation; power, etc.	89D-9. Persons in practice prior to July 1, 1976.
89D-5. Application for certificate; examination; renewal.	89D-10. Injunctions for violation of Chapter.

§ 89D-1. Certificate required.

On and after December 1, 1975, it shall be unlawful for any person, partnership, association or corporation in this State to use the title "landscape contractor," or to advertise as such without first obtaining a certificate issued by the North Carolina Landscape contractors' Registration Board under provisions of this Chapter. (1975, c. 741, s. 1.)

§ 89D-2. Definition.

A "landscape contractor" within the meaning of this Chapter is any person, partnership, association or corporation who for compensation or valuable consideration or promise thereof engages in the business requiring the art, experience, ability, knowledge, science and skill to install, plant, repair and maintain gardens, lawns, shrubs, vines, bushes, trees and other decorative vegetation including the grading and preparation of plots and areas of land for decorative treatment and arrangement; who constructs or installs garden pools, fountains, pavilions, conservatories, hothouses and greenhouses, incidental retaining walls, fences, walks, drainage and sprinkler systems; or who engages in incidental construction in connection therewith, or does any part thereof in such a manner that, under an agreed specification, an acceptable landscaping project can be executed. (1975, c. 741, s. 2.)

§ 89D-3. Application of Chapter.

The provisions of this Chapter shall not apply to and shall not include any person, partnership, association or corporation who shall perform any of the acts aforesaid in G.S. 89D-2 with reference to any property, so long as that person, partnership, association or corporation shall not use the title "landscape contractor." (1975, c. 741, s. 3.)

§ 89D-4. Landscape Contractors' Registration Board created; membership; compensation; power, etc.

(a) There is created the North Carolina Landscape Contractors' Registration Board (hereinafter called the Board) which shall issue registration certificates of title to landscape contractors. The Board shall be composed of nine members appointed as follows: Two by the Governor to represent the public at large; two by the Commissioner of Agriculture; two practicing nurserymen operating a nursery certified by the North Carolina Department of Agriculture and Consumer Services Plant Pest Inspection Program appointed by the Board of Directors of the North Carolina Association of

Nurserymen, Inc.; two registered landscape contractors in the business of landscape contracting appointed by the Board of Directors of the North Carolina Landscape Contractors' Association, Inc.; and one registered landscape architect appointed by the Board of Directors of the North Carolina Chapter of the American Society of Landscape Architects. All appointments shall be for three-year terms and no member shall serve more than two complete consecutive terms.

Any vacancy on the Board created by death, resignation or otherwise shall be filled for the unexpired term by the initial appointing authority and all members shall serve until their successors are appointed and qualify.

(b) From its funds, the Board shall pay its members at the rate set out in G.S. 93B-5: Provided, that at no time shall the expense exceed the cash balance on hand.

(c) The Board shall have power to make such rules and regulations as are not inconsistent with the provisions of this Chapter and the laws of North Carolina. The Board shall not make rules or regulations regulating commissions, salaries, or fees to be charged by registrants under this Chapter. The Board shall adopt a seal for its use, which shall bear thereon the words "North Carolina Landscape Contractors' Registration Board."

(d) The Board may employ a secretary-treasurer and such clerical assistance as may be necessary to carry out the provisions of this Chapter and to put into effect such rules and regulations as the Board may promulgate. The Board shall fix salaries for employees and shall require employees to make good and sufficient surety bond for the faithful performance of their duties.

(e) The Board shall be entitled to the services of the Attorney General of North Carolina in connection with the affairs of the Board or may, on approval of the Attorney General, employ an attorney to assist or represent it in the enforcement of this Chapter, but the fee paid for such service shall be approved by the Attorney General. (1975, c. 741, s. 4; 1983, c. 108, s. 1; 1997-261, s. 109.)

§ 89D-5. Application for certificate; examination; renewal.

(a) Any person, partnership, association or corporation hereinafter desiring to register and be titled as a landscape contractor shall make written application for a certificate of title to the Board on such forms as are prescribed by the Board. Each applicant for a certificate of title as a landscape contractor shall be at least 18 years of age. Prior to July 1, 1976, each applicant for a certificate shall have been actively engaged as an untitled landscape contractor for at least one year prior to date of application. After July 1, 1976, an applicant shall furnish evidence satisfactory to the Board of three years' experience in landscape contracting or the completion of a study or combination of study and experience in landscape contracting equivalent to three years' experience under a landscape contractor.

(b) Any person who applies to the Board to be registered and titled as a landscape contractor shall be required to take an oral or written examination to determine his qualifications. Each application for registration by examination shall be accompanied by an application fee of fifty dollars (\$50.00).

The Board shall compile a manual from which the examination will be prepared. The examination fee shall not exceed seventy-five dollars (\$75.00). Any one failing to pass an examination may be reexamined upon payment of the same fee as that charged to persons taking the examination for the first time, in accordance with such rules as the Board may adopt pertaining to examinations and reexaminations.

If the results of the examination are satisfactory, the Board shall issue the applicant a certificate authorizing him to be titled as a landscape contractor in the State of North Carolina upon payment of the initial certification fee as outlined in subsection (c).

(c) All certificates granted and issued by the Board under the provisions of this Chapter shall expire annually on December 31. Renewal of such certificates may be effected at any time during the month preceding the expiration date of such certificates upon proper application to the Board accompanied by the payment to the secretary-treasurer of the Board of a renewal fee, as set by the Board, of not more than fifty dollars (\$50.00). The fee for an initial certificate shall be the same as for a renewal certificate and is in addition to the application fee. All certificates reinstated after expiration date thereof shall be subject to a late filing fee of ten dollars (\$10.00). In the event a registrant fails to obtain a reinstatement of such certificate within 12 months from the date of expiration thereof, the Board may, in its discretion, consider such registrant subject to the provisions of this Chapter relating to the issuance of an original certificate. Duplicate certificates may be issued by the Board upon payment of a fee of one dollar (\$1.00) by the registrant. (1975, c. 741, s. 5; 1983, c. 108, ss. 2, 3; 1991, c. 180, s. 1.)

§ 89D-6. Registers of applicants and certificate holders.

(a) The secretary-treasurer of the Board shall keep a register of all applicants for certificates of title. The register shall include the date of application, name, place of business, place of residence, and indicate whether the certificate of title was granted or refused.

(b) The secretary-treasurer of the Board shall also keep a current roster showing the names and places of business of all registered titled landscape contractors. The roster shall be kept on file in the office of the Board and be open to public inspection.

(c) On or before the first day of September of each year, the Board shall file with the Secretary of State a copy of the roster of landscape contractors holding certificates of title. At the same time the Board shall file with the Secretary of State a report containing a complete statement of receipts and disbursements of the Board for the preceding fiscal year ending June 30. Such statement shall be attested by the secretary-treasurer of the Board. (1975, c. 741, s. 6.)

§ 89D-7. Denial, revocation or suspension of certificate.

(a) The Board shall have power to revoke or suspend certificates of title herein provided. The Board may upon its own motion or upon a verified complaint in writing hold a hearing as hereinafter provided to investigate the actions of any titled landscape contractor. The Board shall have the power to suspend or revoke any certificate of title issued under the provisions of this Chapter if the registrant has by false or fraudulent representations obtained a certificate; if the registrant has been convicted or has entered a plea of nolo contendere to any crime involving moral turpitude in any court, State or federal; if the registrant is found to have committed any act which constitutes improper, fraudulent or dishonest dealing; or if the registrant violates any rule or regulation duly promulgated by the Board.

(b) Chapter 150B of the General Statutes applies to proceedings under this section to deny, revoke, or suspend a certificate. (1975, c. 741, s. 7; 1987, c. 827, s. 74.)

§ 89D-8. Out-of-state applicants.

An applicant from another state which offers registration privileges to

residents of North Carolina may be registered by conforming to all the provisions of this Chapter and, in the discretion of the Board, such other terms and conditions as are required of North Carolina residents applying for a certificate in such other state. The Board may exempt from the examination prescribed in this Chapter a landscape contractor duly registered in another state if a similar exemption is extended to registered landscape contractors from North Carolina. (1975, c. 741, s. 8.)

§ 89D-9. Persons in practice prior to July 1, 1976.

Before July 1, 1976, any person, partnership, corporation or other legal entity submitting an application, application fee and evidence satisfactory to the Board that he has actively engaged in the practice of landscape contracting for one year prior to July 1, 1976, shall be issued a certificate of title without the requirement of examination. (1975, c. 741, s. 10.)

(c) Each member of the Board shall be a citizen of the United States and shall have been a resident of this State for at least six months immediately preceding his or her appointment.

(d) All members of the initial Board shall be appointed by the Governor and shall at the time of their appointment qualify for licensing under this Chapter except for the lay member appointee. At all times at least one member of the Board shall be an academic geologist; one member shall be a salaried company geologist; one member shall be an independent or consultant geologist; one member shall be a representative from the mining industry; one member shall be a consumer or lay member who is not a geologist; and in addition, the State geologist shall serve as a permanent ex officio member.

No member shall serve more than two consecutive three-year terms without an interruption in service of at least one year.

(f) Each term of service on the Board shall expire on the 30th day of June of the year in which the term expires. As the term of a member expires, the Governor shall make the appointment for a full term, or, if a vacancy occurs for any other reason, for the remainder of the unexpired term.

§ 89E-5. Functions and duties of the Licensing Board.

(a) The Board shall administer and enforce the provisions of this Chapter.

(c) The Board shall examine and pass on the qualifications of all applicants for licensing under this Chapter, and shall issue a license to each successful applicant therefor.

(d) The Board may adopt a seal which may be affixed to all licenses issued by the Board.

(e) The Board may authorize expenditures deemed necessary to carry out the provisions of this Chapter and all expenses shall be paid upon the warrant of the Board treasurer. The Board treasurer shall deposit funds received by the Board in one or more funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. Interest earned on such funds may remain in the funds account and may be expended as authorized by the Board to carry out the provisions of this Chapter. § 89E-6. Exemptions.

Any person except as specifically exempted below who shall publicly practice or offer to publicly practice geology in this State is subject to the provisions of this Chapter. The following persons are exempt:

- (1) Persons engaged solely in teaching the science of geology or engaged solely in geologic research in this State may pursue their teaching and/or research without licensing. A teacher or researcher must, however, be a licensed geologist if he or she performs geologic work and services for which a licensed geologist is required by this Chapter.
- (2) Officers and employees of the United States of America and the State of North Carolina practicing solely as such officers or employees.
- (3) Officers and employees of petroleum companies practicing solely as such officers and employees and not offering their professional services to the public for hire.
- (4) A subordinate to a geologist or a geologist-in-training licensed under this Chapter insofar as he or she acts solely in such capacity. This exemption does not permit any such subordinate to practice geology for others in his own right or use the term "licensed geologist". (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Violations of Code of Professional Conduct. — The North Carolina Board for Licensing of Geologists has the authority to investigate written charges that a geologist, licensed in North Carolina, has violated the Code of Professional Conduct; after such investigation, the Board may refuse to grant or renew, or may suspend or may revoke the license of any geologist licensed under the Act who has violated the Code, including a State official or employee

performing his or her assigned duties. However, a State official or employee who loses his license for violations of the Code is still exempt from the provisions of the Act, and thus would not be prevented from practicing geology for the State without a license should the agency decide to retain him. See opinion of Attorney General to Mr. Robert Upton, Board Administrator, North Carolina Board for Licensing of Geologists, 1998 N.C.A.G. 17 (3/19/98).

§ 89E-7. Limitations.

(a) This Chapter does not prohibit one or more geologists from practicing through the business organization of a sole proprietorship; partnership; corporation or professional association. In a partnership, the primary activity of which consists of geological services, at least one partner shall be a licensed geologist as defined in this Chapter. A corporation or professional association providing geological services shall comply with the provisions of Chapter 55B of the General Statutes.

(b) This Chapter shall not be construed to prevent or to affect:

- (1) The practice of any profession or trade for which a license is required under any other law of this State, or the practice of registered professional engineers from lawfully practicing soils mechanics, foundation engineering and other professional engineering as provided in the North Carolina General Statutes, or licensed architects or landscape architects from lawfully practicing architecture or landscape

architecture, or the practice of soil science by professionals certified by the Soil Science Society of North Carolina, respectively as provided in the General Statutes;

- (2) The public practice of geology by a person not a resident of and having no established place of business in this State, when such practice does not exceed in the aggregate more than 90 days in any calendar year, and provided such person is duly licensed to practice such profession in another state where the requirements for a license are not lower than those specified in this Chapter for obtaining the license required for such work; and provided further that such nonresident shall file with the Board within 10 days of entering this State for commencing of such work, a statement giving his name, residence, the number of his license, and by what authority issued, and upon the completion of the work, a statement of the time engaged in such work within the State; or
- (3) The practice of a person not a resident and having no established place of business in this State, or who has recently become a resident hereof, practicing or offering to practice herein for more than 90 days in any calendar year the profession of geology, if he is licensed in another state or qualified as defined herein, if he shall have filed with the Board an application for a license and shall have paid the fee required by this Chapter. Such practice shall be deemed a provisional practice and shall continue only for such time as the Board requires reasonably for the consideration of the applicant for licensing under this Chapter as a geologist. (1983 (Reg. Sess., 1984), c. 1074, s. 1; 1991, c. 205, s. 5.)

§ 89E-8. Applications.

An application for licensing as a geologist shall be made under oath, shall show the applicant's education and a summary of his geological work, plus other relevant criteria to be determined by the Board. The Board shall have the power to determine a reasonable application fee which shall accompany each application. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-9. Minimum qualifications.

An applicant shall be eligible for a license as a geologist in North Carolina provided that each applicant meets the following minimum qualifications:

- (1) Be of good moral and ethical character.
- (2) Have graduated from an accredited college or university, and have a degree with a major in geology, engineering geology or geological engineering or related geologic science; or have completed 30 semester hours or the equivalent in geological science courses leading to a major in geology, of which at least 24 hours of the equivalent were upper level undergraduate courses or graduate courses. The Board shall waive the academic requirements for a person already practicing geology at the time this Chapter is enacted, provided application for license is made not later than one year after appointment of the initial Board and provided further that the applicant can provide evidence to satisfy the Board that he or she is competent to engage in the public practice of geology.
- (3) Successfully pass such examination established by the Board which shall be designed to demonstrate that the applicant has the necessary knowledge and requisite skill to exercise the responsibilities of the public practice of geology. The Board shall waive the examination for

licensing as a geologist of an applicant who makes written application to the Board not later than one year after appointment of the initial Board, and who otherwise meets the qualification of this Chapter.

- (4) Have at least five years of professional geological work which shall include a minimum of three years of professional geological work under the supervision of a licensed geologist; or a minimum of three cumulative years work in responsible charge of geological work satisfactory to the Board. The following criteria of education and experience qualify as specified toward accumulation of the required five years of professional geological work:
 - a. Each full year of undergraduate study in the geological sciences shall count as one-half year of training up to a maximum of two years, and each year of graduate study shall count as one year of work.
 - b. Credit for undergraduate study, graduate study, graduate courses, individually or in any combination thereof, shall in no case exceed a total of four years toward meeting the requirements for at least five years of professional geological work as set forth above.
 - c. The Board may consider in lieu of the above professional geological work the cumulative total of professional geological work or geological research of persons teaching upper level geology courses at the college or university level, provided such work or research can be demonstrated to be of a sufficiently responsible nature to be equivalent to the professional requirements set forth in this section.
 - d. The ability of the applicant shall have been demonstrated by his having performed the work in a responsible position as determined by the Board. The adequacy of the required supervision and the experience shall be determined by the Board in accordance with the standards set forth in regulations adopted by it. (1983 (Reg. Sess., 1984), c. 1074, s. 1; 1989, c. 579, s. 3.)

Editor's Note. — The enactment of this Chapter, as referred to in subdivision (2) above, was effectuated by Session Laws 1983 (Reg.

Sess., 1984), c. 1074, which was ratified July 3, 1984.

§ 89E-10. Examinations.

(a) Examinations shall be formulated and conducted by the Board at such time and place as the Board shall determine, but shall be held at least annually.

(b) The Board shall determine the fee required for examination. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-11. Comity.

A person holding a license to engage in the practice of geology, on the basis of comparable licensing requirements issued to him by a proper authority by the State, territory, or possession of the United States or the District of Columbia, and who, in the opinion of the Board otherwise meets the requirements of this Chapter based upon verified evidence may, upon application, be licensed without further examination. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-12. Issuance, renewal and replacement of licenses.

(a) The Board shall issue a license upon payment of the license fee as fixed by the Board to any applicant who has satisfactorily met all the requirements

of the Chapter as administered by the Board. Licenses shall show the full name of the registrant, shall give a serial number, and shall be signed by the chairman and secretary of the Board under the seal of the Board. The issuance of a license by the Board shall be prima facie evidence that the person named therein is entitled to all the rights and privileges of a licensed geologist while the license remains in full force and effect.

(b) All licenses shall expire at such interval as may be determined by the Board, unless licenses are renewed. All applications for renewal shall be filed with the Board under rules and regulations it shall adopt and which renewal shall be accompanied by the renewal fee prescribed by the Board. A license which has expired for failure to renew may only be restored after application and payment of the prescribed restoration fee, provided the renewal applicant meets all other provisions of this Chapter.

(c) A new license to replace any license lost, destroyed or mutilated may be issued, subject to the rules of the Board and payment of a fee set by the Board. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-13. Seals; requirements.

Each geologist licensed hereunder, upon the issuance of a license, shall obtain from the secretary at a cost prescribed by the Board, a seal of the design authorized by the Board bearing the licensee's name and the legend "Licensed Geologist — State of North Carolina". All drawings, reports or other geologic papers or documents involving geologic work as defined in this Chapter which shall have been prepared or approved by a licensed geologist or a subordinate employee under his direction for the use of or for delivery to any person or for public record within this State shall be signed by him or her and impressed with the said seal or the seal of a nonresident practicing under the provisions of this Chapter, either of which shall indicate his or her responsibility therefor. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-14. Records.

(a) The Board shall keep a public record of its proceedings and a register of all applications for licensing.

(b) The register shall show:

- (1) The name, the age and the residency of each applicant;
- (2) The date of application;
- (3) The place of business of such applicant;
- (4) His or her education and other qualifications;
- (5) Whether or not an examination was required;
- (6) Whether the applicant was licensed;
- (7) Whether a license was granted;
- (8) The dates of the action by the Board; and
- (9) Such other information as may be deemed necessary by the Board. All official records of the Board or affidavits by the secretary as to the content of such records shall be prima facie evidence of all matters required to be kept therein.

(c) The Board shall treat as confidential and not subject to disclosure except to the extent required by law or by rule or regulation of the Board individual test scores and applications and material relating thereto, including letters of reference relating to an application. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-15. Roster of licensed geologists.

The secretary shall keep a record and shall publish annually a roster showing the names and places of business and residence addresses of all

licensed geologists. Copies of this roster shall be made available to the public upon request and payment of reasonable fee for copying established by the Board. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-16. Code of professional conduct.

This Board shall cause to have prepared and shall adopt a code of professional conduct which shall be made known in writing to every licensee and applicant for licensing under this Chapter and which shall be published by the Board. Such publication shall constitute due notice to all licensees. The Board may revise and amend this code of ethics from time to time after due notice and opportunity for hearing to all licensed members and the public for comment before adoption of the revision or amendments. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-17. Complaints and investigations.

(a) Any person may file written charges with the Board against any licensee pursuant to rules and regulations adopted by the Board; provided however, such charges or allegations shall be in writing and shall be sworn to by the person or persons making them and shall be filed with the secretary. The Board shall have the authority and shall be under a duty to investigate reasonably all valid complaints.

(b) The Board may appoint, employ, or retain investigators for the purpose of examining or inquiring into any acts committed in this State that may violate the provisions of this Chapter, the Board's code of professional conduct, or the Board's rules. The Board may expend funds for salaries and fees in connection with an investigation conducted pursuant to this Chapter.

(c) Investigations by the Board shall be confidential until the Board takes disciplinary action against a licensee or corporate registrant. Records, papers, and other documents containing information collected or compiled by the Board, its members, or employees as a result of an investigation, inquiry, or interview conducted pursuant to this Chapter shall not be a public record within the meaning of Chapter 132 of the General Statutes, except any notice or statement of charges or notice of hearing in any proceeding conducted by the Board and any records, papers, or other documents containing information collected and compiled by the Board and admitted into evidence in a hearing before the Board shall be a public record. (1983 (Reg. Sess., 1984), c. 1074, s. 1; 1999-355, s. 1.)

§ 89E-18. Prohibitions; unlawful acts.

After the effective date of this Chapter:

- (1) It shall be unlawful for any person other than a licensed geologist or a subordinate under his direction to prepare any geologic plans, reports or documents in which the performance is related to the public welfare or safeguarding of life, health, property or the environment.
- (2) It shall be unlawful for any person to publicly practice, or offer to publicly practice, geology in this State as defined in the provisions of this Chapter, or to use in connection with his or her name or otherwise assume, or advertise any title or description tending to convey the impression that he or she is a licensed geologist, unless such person has been duly licensed or exempted under the provisions of this Chapter.
- (3) After one year following the effective date of this act, it shall be unlawful for anyone other than a geologist licensed under this

Chapter to stamp or seal any plans, plats, reports or other documents with the seal or stamp of a licensed geologist, or to use in any manner the title "Licensed Geologist" unless that person is licensed hereunder.

- (4) It shall be unlawful for any person to affix his or her signature to or to stamp or seal any plans, plats, reports, or other documents after the licensing of the person named thereon has expired or has been suspended or revoked unless the license has been renewed or reissued. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Violations of Code of Professional Conduct. — The North Carolina Board for Licensing of Geologists has the authority to investigate written charges that a geologist, licensed in North Carolina, has violated the Code of Professional Conduct; after such investigation, the Board may refuse to grant or renew, or may suspend or may revoke the license of any geologist licensed under the Act who has violated the Code, including a State official or employee

performing his or her assigned duties. However, a State official or employee who loses his license for violations of the Code is still exempt from the provisions of the Act, and thus would not be prevented from practicing geology for the State without a license should the agency decide to retain him. See opinion of Attorney General to Mr. Robert Upton, Board Administrator, North Carolina Board for Licensing of Geologists, 1998 N.C.A.G. 17 (3/19/98).

§ 89E-20. Hearing procedures.

(a) The Board shall develop procedures for investigation, prehearing and hearing of disciplinary actions; such disciplinary actions shall be conducted pursuant to the provisions of Chapter 150B of the General Statutes.

(b) Any person aggrieved by a decision of the Board other than a decision in a disciplinary action may petition the Board for a hearing pursuant to the provisions of Chapter 150B of the General Statutes.

(c) Judicial review of a final agency decision is available in the manner prescribed by Article 4, Chapter 150B of the General Statutes. (1983 (Reg. Sess., 1984), c. 1074, s. 1; 1987, c. 827, ss. 1, 76.)

§ 89E-21. Reissuance of license.

The Board, by a majority vote of the quorum, may reissue a license to any person whose license has been revoked when the Board finds upon written application by the applicant that there is good cause to justify such reissuance. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

§ 89E-22. Misdemeanor.

Any person who shall willfully practice publicly, or offer to practice publicly, geology for other natural or corporate persons in this State without being licensed in accordance with the provisions of this Chapter, or any person presenting or attempting to use as his own the license or the seal of another, or any person who shall give any false or forged evidence of any kind in obtaining a license, or any person who shall falsely impersonate any other licensee of like or different name, or any person who shall attempt to use an expired or revoked license or practice at any time during a period the Board has suspended or revoked the license, or any person who shall violate the provisions of this Chapter shall be guilty of a Class 2 misdemeanor. (1983 (Reg. Sess., 1984), c. 1074, s. 1; 1993, c. 539, s. 613; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 89E-23. Injunction.

As an additional remedy, the Board shall have the authority to proceed in a superior court appropriate jurisdiction to enjoin and restrain any natural or corporate person from violating the prohibitions of this Chapter. The Board shall not be required to post bond in connection with obtaining either

provisional, preliminary or permanent injunctive relief pursuant to the North Carolina Rules of Civil Procedure or G.S. 1-485 et seq. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

Editor's Note. — The Rules of Civil Procedure, referred to in this section, are codified at G.S. 1A-1.

§ 89E-24. Attorney General as legal advisor.

The Attorney General or any assistant or associate in the Department of Justice selected by him shall act as legal advisor to the Board. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)

This Chapter may be cited as the North Carolina Soil Scientist Licensing Act. (1995, c. 414, s. 1.)

§ 89F-2. Purposes.

The purposes of this Chapter are to protect life, property, health, and public welfare through regulation of the practice of soil science in the State; to define the practice of soil science as a profession by establishing minimum standards of ethical conduct and professional responsibility and by establishing professional education and experience requirements; and to prevent abuses in the practice of soil science by untrained or unprincipled individuals. (1995, c. 414, s. 1.)

§ 89F-3. Definitions.

As used in this Chapter, unless the context otherwise requires:

- (1) "Board" means the North Carolina Board for Licensing of Soil Scientists.
- (2) "License" means a certificate issued by the Board to an individual who meets the requirements established for a licensed soil scientist by this Chapter and rules adopted pursuant to this Chapter.
- (3) "Licensed soil scientist" means a person who is licensed as a soil scientist under this Chapter.
- (4) "Practice of soil science" means any service or work, the adequate performance of which requires education in the physical, chemical, and biological sciences, as well as soil science; training and experience in the application of special knowledge of these sciences to the use and management of soils by accepted principles and methods; and investigation, evaluation, and consultation; and in which the performance is related to the public welfare by safeguarding life, health, property, and the environment. "Practice of soil science" includes, but is not limited to, investigating and evaluating the interaction between water, soil, nutrients, plants, and other living organisms that are used to prepare soil scientists' reports for: subsurface ground absorption

systems, including infiltration galleries; land application of residuals such as sludge, septage, and other wastes; spray irrigation of wastewater; soil remediation at conventional rates; land application of agricultural products; processing residues, bioremediation, and volatilization; soil erodibility and sedimentation; and identification of hydric soil and redoximorphic features.

"Soil science" includes the following tasks: soil characterization, classification, and mapping, and the physical, chemical, hydrologic, mineralogical, biological, and microbiological analysis of soil per se, and to its assessment, analysis, modeling, testing, evaluation, and use for the benefit of mankind when specifically required to complete the investigation and evaluation of interactions between water, soil, nutrients, plants, and other living organisms described in subdivision (5) of this section. "Soil science" does not include design or creative works, the adequate performance of which requires extensive geological, engineering, or land surveying education, training, and experience or requires licensing as a geologist under Chapter 89E of the General Statutes or as a professional engineer or land surveyor under Chapter 89C of the General Statutes.
- (8) "Soil scientist" means a person who practices soil science.

§ 90-2. Medical Board.

(a) There is established the North Carolina Medical Board to regulate the practice of medicine and surgery for the benefit and protection of the people of North Carolina. The Board shall consist of 12 members.

(1) Seven of the members shall be duly licensed physicians elected and nominated to the Governor by the North Carolina Medical Society.

(2) Of the remaining five members, all to be appointed by the Governor, one shall be a duly licensed physician who is a doctor of osteopathy or a full-time faculty member of one of the medical schools in North Carolina who utilizes integrative medicine in that person's clinical practice or a member of The Old North State Medical Society, three shall be public members and one shall be a physician assistant as defined in G.S. 90-18.1 or a nurse practitioner as defined in G.S. 90-18.2. A public member shall not be a health care provider nor the spouse of a health care provider. For purposes of board membership, "health care provider" means any licensed health care professional and any agent or employee of any health care institution, health care insurer, health care professional school, or a member of any allied health profession. For purposes of this section, a person enrolled in a program to prepare him to be a licensed health care professional or an allied health professional shall be deemed a health care provider. For purposes of this section, any person with significant financial interest in a health service or profession is not a public member.

(a1) Each appointing and nominating authority shall endeavor to see, insofar as possible, that its appointees and nominees to the Board reflect the composition of the State with regard to gender, ethnic, racial, and age composition.

(b) No member shall serve more than two complete consecutive three-year terms, except that each member shall serve until a successor is chosen and qualifies.

(c) Repealed by Session Laws 2003-366, s. 1, effective October 1, 2003.

(d) Any member of the Board may be removed from office by the Governor for good cause shown. Any vacancy in the physician membership of the Board shall be filled for the period of the unexpired term by the Governor from a list of physicians submitted by the North Carolina Medical Society Executive Council. Any vacancy in the public, physician assistant, or nurse practitioner membership of the Board shall be filled by the Governor for the unexpired term.

(e) The North Carolina Medical Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as any private person or corporation, subject only to approval of the Governor and the Council of State as to the acquisition, rental, encumbering, leasing, and sale of real property. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board. (1858-9, c. 258, ss. 3, 4; Code, s. 3123; Rev., s. 4492; C.S., s. 6606; Ex. Editor's Note. — Session Laws 2003-366, s. 6, made this section applicable to positions on the Board only upon their expiration. Current members of the Board eligible to be reappointed to the Board may be reappointed, notwithstanding this section.

Effect of Amendments. — Session Laws 2003-366, s. 1, effective October 1, 2003, in

subsection (a), rewrote the first sentence in the introductory paragraph, and rewrote the first sentence of subdivision (2); inserted subsection (a1); in subsection (b), deleted "appointed to the Board on or after November 1, 1981" following "No member"; deleted subsection (c), which provided for the expiration dates of the terms of office; and made minor stylistic and punctua-

An applicant shall have graduated from a medical college approved by the Liaison Commission on Medical Education or osteopathic college that has been approved by the American Osteopathic Association; or, if graduated from any other medical or osteopathic college, the applicant shall be enrolled in a graduate medical education and training program in North Carolina that has been approved by the Board. No applicant from a medical or osteopathic college that has been disapproved by the Board is eligible to take the examination.

The examination shall cover the branches of medical science and subjects which the Board considers necessary to determine competence to practice medicine. The Board may divide the examination into parts or components.

The Board shall grant the applicant a license authorizing the applicant to practice medicine in any of its branches if the Board determines that the applicant has successfully passed the examination, is of good moral character, and is:

- (1) a graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association and has successfully completed one year of training in a medical education program approved by the Board after graduation from medical school;

(b) The Department of Justice may provide a criminal record check to the Board for a person who has applied for a license through the Board. The Board shall provide to the Department of Justice, along with the request, the fingerprints of the applicant, any additional information required by the Department of Justice, and a form signed by the applicant consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subsection privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subsection. (C.S., s. 6615; 1921, c. 47, s. 3; Ex. Sess. 1921, c. 44, s. 5; 1971, c. 1150, s. 3; 1981, c. 573, s. 7; 1995, c. 94, s. 12; 1997-511, s. 2; 2002-147, s. 6.)

Editor's Note. — Session Laws 2002-147, s. 15, provides: "If the Private Security Officer Employment Standards Act of 2002 [S. 2238, 107th Cong. (2002)] is enacted by the United States Congress, the State of North Carolina declines to participate in the background check

system authorized by that act as a result of the enactment of this act."

Effect of Amendments. — Session Laws 2002-147, s. 6, effective October 9, 2002, designated the formerly undesignated provisions as subsection (a); and added subsection (b).

§ 90-12. Limited license; limited volunteer license.

(a) The Board may, whenever in its opinion the conditions of the locality where the applicant resides are such as to render it advisable, make any modifications of the requirements of G.S. 90-9, 90-10, and 90-11 as in its judgment the interests of the people living in that locality may demand, and may issue to the applicant a special license, to be entitled a "Limited License," authorizing the holder of the limited license to practice medicine and surgery within the limits only of the districts specifically described therein. A resident's training license shall expire at the time its holder ceases to be a resident in the training program or obtains any other license to practice medicine issued by the Board. The holder of the limited license practicing medicine or surgery beyond the boundaries of the districts as laid down in said license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be fined not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(b) As used in subsection (a) of this section:

- (1) "Limited license" includes a resident's training license.
- (2) "Resident training license" means a license to practice in a medical

education and training program, approved by the Board, for the purpose of education or training.

(c) The Board shall issue to an applicant a special license to be entitled a "Limited Volunteer License," authorizing the holder of the limited license to practice medicine and surgery only at clinics which specialize in the treatment of indigent patients. The holder of a limited license issued pursuant to this subsection may not receive compensation for services rendered at clinics specializing in the care of indigent patients. The Board shall issue a limited license under this subsection to an applicant who:

- (1) Has a license to practice medicine and surgery in another state;
- (2) Produces a letter from the state of licensure indicating the applicant is in good standing; and
- (3) Is authorized to treat personnel enlisted in the United States armed services or veterans.

The Board shall issue a limited license under this subsection within 30 days after an applicant provides the Board with information satisfying the requirements of this subsection.

The holder of a limited license issued pursuant to this subsection who practices medicine or surgery at places other than clinics which specialize in the treatment of indigent patients shall be guilty of a Class 3 misdemeanor and, upon conviction, shall only be fined not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(d) The Board may issue a "Limited Volunteer License" as authorized in subsection (c) of this section to an applicant who is a retired physician and has allowed his or her license to practice medicine and surgery in this State or another state to become inactive. Physicians holding a "Limited Volunteer License" under this subsection shall comply with the continuing medical education requirements adopted by the Board. Sess., 1996), c. 634, s. 2; 2000-5, s. 1.)

§ 90-12.1. Physician assistant limited volunteer license.

The Board shall issue a limited volunteer license which shall authorize a physician assistant to perform medical acts, tasks, and functions without payment or other compensation if the physician assistant meets one of the following:

- (1) Holds a current license or registration in another state and submits proof of this status to the Board.
- (2) Holds a current license in this State and is not currently employed as a physician assistant.
- (3) Is a member of the United States armed services or is employed by the Veterans' Administration or another federal agency. (1997-511, s. 3.)

§ 90-12.2. Disasters and emergencies.

In the event of an occurrence which the Governor of the State of North

Carolina has declared a disaster or when the Governor has declared a state of emergency, or in the event of an occurrence for which a county or municipality has enacted an ordinance to deal with states of emergency under G.S. 14-288.12, 14-288.13, or 14-288.14, or to protect the public health, safety, or welfare of its citizens under Article 22 of Chapter 130A of the General Statutes, G.S. 160A-174(a) or G.S. 153A-121(a), as applicable, the Board may waive the requirements of this Article in order to permit the provision of emergency health services to the public. (2002-179, s. 20(a).)

Editor's Note. — Session Laws 2002-179, s. 22, makes this section effective October 1, 2002.

§ 90-13. When license without examination allowed.

The North Carolina Medical Board shall in their discretion issue a license to any applicant to practice medicine and surgery in this State without examination if said applicant exhibits a diploma or satisfactory proof of graduation from a medical or osteopathic college, approved as provided in G.S. 90-9 and requiring an attendance of not less than four years or for such lesser period of time approved by the Board, and a license issued to him to practice medicine and surgery by the Board of Medical Examiners of another state, and has successfully completed one year of training after his graduation from medical college in a medical education and training program approved by the Board, in which program the Board may permit him to practice medicine. An applicant for licensing under this section who was graduated from a medical college not approved by the Liaison Commission on Medical Education or osteopathic college that has not been approved by the American Osteopathic Association shall have successfully completed three years of training in a medical education and training program approved by the Board after graduation. The Board may grant a license under this section for any period of time and with any conditions it deems appropriate. No license may be granted to any applicant who was graduated from a medical or osteopathic college which has been disapproved by the Board. (1907, c. 890; 1913, c. 20, s. 3; C.S., s. 6617; 1969, c. 612, s. 3; 1971, c. 1150, s. 4; 1975, c. 690, s. 3; 1977, c. 838, s. 2; 1985, c. 739, s. 4; 1995, c. 94, s. 13.)

CASE NOTES

Authority to Issue Conditional Temporary License. — Although this section does not specifically refer to the issuance of temporary licenses, its language is broad enough to grant authority to the Board to issue temporary licenses with limited duration upon such conditions as it deems advisable. *Mebane v. Board of Medical Exmrs.*, 55 N.C. App. 455, 286 S.E.2d 112, cert. denied and appeal dismissed, 305 N.C. 586, 292 S.E.2d 6 (1982).

Refusal to Issue Permanent License After Failure to Meet Condition. — A physi-

cian who was issued a temporary license to practice in this State, her further practice being conditioned on passing the Federal Licensing Examination, was not entitled to a hearing on the refusal of the Board to issue her a permanent license to practice medicine for failure to pass such examination on the expiration of her temporary license. *Mebane v. Board of Medical Exmrs.*, 55 N.C. App. 455, 286 S.E.2d 112, cert. denied and appeal dismissed, 305 N.C. 586, 292 S.E.2d 6 (1982).

§ 90-14. Revocation, suspension, annulment or denial of license.

(a) The Board shall have the power to deny, annul, suspend, or revoke a license, or other authority to practice medicine in this State, issued by the

Board to any person who has been found by the Board to have committed any of the following acts or conduct, or for any of the following reasons:

- (1) Immoral or dishonorable conduct.
- (2) Producing or attempting to produce an abortion contrary to law.
- (3) Made false statements or representations to the Board, or who has willfully concealed from the Board material information in connection with an application for a license.
- (4) Repealed by Session Laws 1977, c. 838, s. 3.
- (5) Being unable to practice medicine with reasonable skill and safety to patients by reason of illness, drunkenness, excessive use of alcohol, drugs, chemicals, or any other type of material or by reason of any physical or mental abnormality. The Board is empowered and authorized to require a physician licensed by it to submit to a mental or physical examination by physicians designated by the Board before or after charges may be presented against the physician, and the results of the examination shall be admissible in evidence in a hearing before the Board.
- (6) Unprofessional conduct, including, but not limited to, departure from, or the failure to conform to, the standards of acceptable and prevailing medical practice, or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby, or the committing of any act contrary to honesty, justice, or good morals, whether the same is committed in the course of the physician's practice or otherwise, and whether committed within or without North Carolina. The Board shall not revoke the license of or deny a license to a person solely because of that person's practice of a therapy that is experimental, nontraditional, or that departs from acceptable and prevailing medical practices unless, by competent evidence, the Board can establish that the treatment has a safety risk greater than the prevailing treatment or that the treatment is generally not effective.
- (7) Conviction in any court of a crime involving moral turpitude, or the violation of a law involving the practice of medicine, or a conviction of a felony; provided that a felony conviction shall be treated as provided in subsection (c) of this section.
- (8) By false representations has obtained or attempted to obtain practice, money or anything of value.
- (9) Has advertised or publicly professed to treat human ailments under a system or school of treatment or practice other than that for which the physician has been educated.
- (10) Adjudication of mental incompetency, which shall automatically suspend a license unless the Board orders otherwise.
- (11) Lack of professional competence to practice medicine with a reasonable degree of skill and safety for patients. In this connection the Board may consider repeated acts of a physician indicating the physician's failure to properly treat a patient. The Board may, upon reasonable grounds, require a physician to submit to inquiries or examinations, written or oral, by members of the Board or by other physicians licensed to practice medicine in this State, as the Board deems necessary to determine the professional qualifications of such licensee. In order to annul, suspend, deny, or revoke a license of an accused person, the Board shall find by the greater weight of the evidence that the care provided was not in accordance with the standards of practice for the procedures or treatments administered.
- (12) Promotion of the sale of drugs, devices, appliances or goods for a patient, or providing services to a patient, in such a manner as to exploit the patient, and upon a finding of the exploitation, the Board

may order restitution be made to the payer of the bill, whether the patient or the insurer, by the physician; provided that a determination of the amount of restitution shall be based on credible testimony in the record.

- (13) Having a license to practice medicine or the authority to practice medicine revoked, suspended, restricted, or acted against or having a license to practice medicine denied by the licensing authority of any jurisdiction. For purposes of this subdivision, the licensing authority's acceptance of a license to practice medicine voluntarily relinquished by a physician or relinquished by stipulation, consent order, or other settlement in response to or in anticipation of the filing of administrative charges against the physician's license, is an action against a license to practice medicine.
- (14) The failure to respond, within a reasonable period of time and in a reasonable manner as determined by the Board, to inquiries from the Board concerning any matter affecting the license to practice medicine.
- (15) The failure to complete an amount not to exceed 150 hours of continuing medical education during any three consecutive calendar years pursuant to rules adopted by the Board.

For any of the foregoing reasons, the Board may deny the issuance of a license to an applicant or revoke a license issued to a physician, may suspend such a license for a period of time, and may impose conditions upon the continued practice after such period of suspension as the Board may deem advisable, may limit the accused physician's practice of medicine with respect to the extent, nature or location of the physician's practice as the Board deems advisable. The Board may, in its discretion and upon such terms and conditions and for such period of time as it may prescribe, restore a license so revoked or rescinded, except that no license that has been revoked shall be restored for a period of two years following the date of revocation.

(b) The Board shall refer to the State Medical Society Physician Health and Effectiveness Committee all physicians whose health and effectiveness have been significantly impaired by alcohol, drug addiction or mental illness.

(c) A felony conviction shall result in the automatic revocation of a license issued by the Board, unless the Board orders otherwise or receives a request for a hearing from the person within 60 days of receiving notice from the Board, after the conviction, of the provisions of this subsection. If the Board receives a timely request for a hearing in such a case, the provisions of G.S. 90-14.2 shall be followed.

(d) The Board and its members and staff may release confidential or nonpublic information to any health care licensure board in this State or another state about the issuance, denial, annulment, suspension, or revocation of a license, or the voluntary surrender of a license by a Board-licensed physician, including the reasons for the action, or an investigative report made by the Board. The Board shall notify the physician within 60 days after the information is transmitted. A summary of the information that is being transmitted shall be furnished to the physician. If the physician requests, in writing, within 30 days after being notified that such information has been transmitted, he shall be furnished a copy of all information so transmitted. The notice or copies of the information shall not be provided if the information relates to an ongoing criminal investigation by any law-enforcement agency, or authorized Department of Health and Human Services personnel with enforcement or investigative responsibilities.

(e) The Board and its members and staff shall not be held liable in any civil or criminal proceeding for exercising, in good faith, the powers and duties authorized by law.

(f) A person, partnership, firm, corporation, association, authority, or other entity acting in good faith without fraud or malice shall be immune from civil liability for (i) reporting or investigating the acts or omissions of a licensee or applicant that violate the provisions of subsection (a) of this section or any other provision of law relating to the fitness of a licensee or applicant to practice medicine and (ii) initiating or conducting proceedings against a licensee or applicant if a complaint is made or action is taken in good faith without fraud or malice. A person shall not be held liable in any civil proceeding for testifying before the Board in good faith and without fraud or malice in any proceeding involving a violation of subsection (a) of this section or any other law relating to the fitness of an applicant or licensee to practice medicine, or for making a recommendation to the Board in the nature of peer review, in good faith and without fraud and malice.

(g) Prior to taking action against any licensee who practices integrative medicine for providing care not in accordance with the standards of practice for the procedures or treatments administered, the Board shall consult with a licensee who practices integrative medicine. (C.S., s. 6618; 1921, c. 47, s. 4; Ex. Sess. 1921, c. 44, s. 6; 1933, c. 32; 1953, c. 1248, s. 2; 1969, c. 612, s. 4; c. 929, s. 6; 1975, c. 690, s. 4; 1977, c. 838, s. 3; 1981, c. 573, ss. 9, 10; 1987, c. 859, ss. 6-10; 1993, c. 241, s. 1; 1995, c. 405, s. 4; 1997-443, s. 11A.118(a); 1997-481, s. 1; 2000-184, s. 5; 2003-366, ss. 3, 4.)

and added subsection (g).

CASE NOTES

Constitutionality. — The test of whether this section is vague or overbroad is whether a reasonably intelligent member of the profession would understand that the conduct in question is forbidden. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

This section does not deny due process. Hoke v. Board of Medical Exmrs., 395 F. Supp. 357 (W.D.N.C. 1975).

The combination in an agency of investigative and adjudicatory functions does not itself violate due process. Hoke v. Board of Medical Exmrs., 395 F. Supp. 357 (W.D.N.C. 1975).

This section's language itself and in conjunction with established medical ethics sufficiently informs physicians of the standards by which they are to conduct themselves and their practice. Hoke v. Board of Medical Exmrs., 395 F. Supp. 357 (W.D.N.C. 1975).

Section Is Valid Exercise of Police Power and Properly Delegates Authority.

— This section is a valid exercise of the police power and properly delegates authority to the Board of Medical Examiners. The legislature may delegate certain authority, such as adjudicative and rule-making functions, to administrative bodies. In re Guess, 327 N.C. 46, 393 S.E.2d 833 (1990), cert. denied, 498 U.S. 1047, 111 S. Ct. 754, 112 L. Ed. 2d 774 (1991).

Issue of Constitutionality Barred in Federal Court by Res Judicata. — Physi-

cian's effort to have the federal court relitigate claims challenging the statute's constitutionality already made to the state court was impermissible under principles of res judicata. Guess v. Board of Medical Exmrs., 967 F.2d 998 (4th Cir. 1992).

Legislative Intent of Subdivision (a)(6).

— The legislature, in enacting subdivision (a)(6) of this section, reasonably believed that a general risk of endangering the public is inherent in any practices which fail to conform to the standards of "acceptable and prevailing" medical practice in North Carolina; furthermore, the legislative intent was to prohibit any practice departing from acceptable and prevailing medical standards without regard to whether the particular practice itself could be shown to endanger the public. In re Guess, 327 N.C. 46, 393 S.E.2d 833 (1990), cert. denied, 498 U.S. 1047, 111 S. Ct. 754, 112 L. Ed. 2d 774 (1991).

Unprofessional Conduct. — While the Board does not have the power to revoke a license on the sole ground that the holder thereof has been convicted of the violation of a criminal statute in force in the State or in the United States, the Board has the power to revoke a license upon a finding that the holder thereof was guilty of unprofessional conduct in that he had violated the provisions of the statute. State ex rel. Board of Medical Exmrs. v. Gardner, 201 N.C. 123, 159 S.E. 8 (1931).

Conviction of Crime. — This section does not authorize the revocation of a license of a physician on the ground that he has violated a law of this State or a federal law unless and until he has been convicted thereof. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

No Particular Threat of Harm Needed Before Action Taken Against Physician. — Subdivision (a)(6) does not require that an unacceptable practice by a physician pose a particular threat of public harm before the board may take action against that physician. In re Guess, 327 N.C. 46, 393 S.E.2d 833 (1990), cert. denied, 498 U.S. 1047, 111 S. Ct. 754, 112 L. Ed. 2d 774 (1991).

Writing Unwarranted Prescriptions. — Findings of the Board that physician wrote prescriptions for controlled substances without determining whether or not the drugs were necessary for the treatment of any ailment or disease and not for any legitimate medical purpose and not in the course of the legitimate practice of medicine, supported by the record, authorized the revocation of the physician's license. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

Any reasonably intelligent physician would know that to prescribe a highly dangerous drug for a complete stranger, without making any examination of the patient or any inquiry as to his medical history or current symptoms and complaints, would be included within the phrase "unprofessional or dishonorable conduct unworthy of, and affecting, the practice of his profession," the terminology of former version of G.S. 90-14. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

Findings that physician issued prescription for no legitimate medical purpose and not in the course of the legitimate practice of medicine, being supported by competent evidence in the record, are conclusive on judicial review of the order of the Board. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

Adjudication of Mental Incompetency — Exception to Notice and Hearing Requirements. — G.S. 90-14.1 and 90-14.2 reflect a clear legislative intent that no applicant or licensee be denied the right to practice medicine for any reason without notice of the grounds and an opportunity to be heard by the board. The sole exception is an automatic suspension based on an adjudication of mental incompetency pursuant to subdivision (a)(10) of this section. In re Magee, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

Same — Continued Suspension on Dif-

ferent Grounds. — The Board of Medical Examiners may not continue to either permanently or indefinitely deprive a person of a medical license suspended for mental incompetency, upon totally different grounds, without notice of those grounds or an opportunity to be heard. In re Magee, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

Same — Procedures for Reinstatement. — The Board of Medical Examiners is required by the Administrative Procedure Act, G.S. 150B-1 et seq., to establish regulations and procedures related to reinstatement of licenses automatically suspended under subdivision (a)(10) of this section to afford procedural protection to suspended licensees. In re Magee, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

Conditional Suspension of Revocation. — While this section does not authorize the revocation of a license of a physician on the ground that he has violated a law of this State or a federal law unless and until he has been convicted thereof, nothing in this section precludes the Board from suspending its order of revocation, based on such a conviction, upon the condition that the physician not violate a State or federal law. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

A proceeding before the Board for the revocation of a physician's license on the ground that he has violated a condition of a prior, suspended order of revocation is a civil proceeding. Consequently, such violation of the condition of suspension of the prior order does not have to be shown beyond a reasonable doubt, but only by a preponderance of the evidence. In re Wilkins, 294 N.C. 528, 242 S.E.2d 829 (1978).

Appeal from State Board of Medical Examiners allowed to a physician whose license has been revoked for immoral conduct in the practice of his profession follows the procedure allowed in analogous cases, and the intent of the legislature is interpreted to give a trial de novo in the superior court wherein the jury are to decide upon the evidence adduced before them the facts involved in the issue. State ex rel. Board of Medical Exmrs. v. Carroll, 194 N.C. 37, 138 S.E. 339 (1927).

§ 90-14.1. Judicial review of Board's decision denying issuance of a license.

Whenever the North Carolina Medical Board has determined that a person

who has duly made application to take an examination to be given by the Board showing his education, training and other qualifications required by said Board, or that a person who has taken and passed an examination given by the Board, has failed to satisfy the Board of his qualifications to be examined or to be issued a license, for any cause other than failure to pass an examination, the Board shall immediately notify such person of its decision, and indicate in what respect the applicant has so failed to satisfy the Board. Such applicant shall be given a formal hearing before the Board upon request of such applicant filed with or mailed by registered mail to the secretary of the Board at Raleigh, North Carolina, within 10 days after receipt of the Board's decision, stating the reasons for such request. The Board shall within 20 days of receipt of such request notify such applicant of the time and place of a public hearing, which shall be held within a reasonable time. The burden of satisfying the Board of his qualifications for licensure shall be upon the applicant. Following such hearing, the Board shall determine whether the applicant is qualified to be examined or is entitled to be licensed as the case may be. Any such decision of the Board shall be subject to judicial review upon appeal to the Superior Court of Wake County upon the filing with the Board of a written notice of appeal with exceptions taken to the decision of the Board within 20 days after service of notice of the Board's final decision. Within 30 days after receipt of notice of appeal, the secretary of the Board shall certify to the clerk of the Superior Court of Wake County the record of the case which shall include a copy of the notice of hearing, a transcript of the testimony and evidence received at the hearing, a copy of the decision of the Board, and a copy of the notice of appeal and exceptions. Upon appeal the case shall be heard by the judge without a jury, upon the record, except that in cases of alleged omissions or errors in the record, testimony may be taken by the court. The decision of the Board shall be upheld unless the substantial rights of the applicant have been prejudiced because the decision of the Board is in violation of law or is not supported by any evidence admissible under this Article, or is arbitrary or capricious. Each party to the review proceeding may appeal to the Supreme Court as hereinafter provided in G.S. 90-14.11. (1953, c. 1248, s. 3; 1995, c. 94, s. 14.)

CASE NOTES

Adjudication of Mental Incompetency — Exception to Notice and Hearing Requirements. — This section and G.S. 90-14.2 reflect a clear legislative intent that no applicant or licensee be denied the right to practice medicine for any reason without notice of the grounds and an opportunity to be heard by the board. The sole exception is an automatic suspension based on an adjudication of mental incompetency pursuant to G.S. 90-14(a)(10). In *re Magee*, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

tency, upon totally different grounds, without notice of those grounds or an opportunity to be heard. In *re Magee*, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

§ 90-14.2. Hearing before revocation or suspension of a license.

Before the Board shall revoke, restrict or suspend any license granted by it, the licensee shall be given a written notice indicating the general nature of the charges, accusation, or complaint made against him, which notice may be prepared by a committee or one or more members of the Board designated by the Board, and stating that such licensee will be given an opportunity to be heard concerning such charges or complaint at a time and place stated in such notice, or at a time and place to be thereafter designated by the Board, and the Board shall hold a public hearing not less than 30 days from the date of the service of such notice upon such licensee, at which such licensee may appear personally and through counsel, may cross examine witnesses and present evidence in his own behalf. A physician who is mentally incompetent shall be represented at such hearing and shall be served with notice as herein provided by and through a guardian ad litem appointed by the clerk of the court of the county in which the physician has his residence. Such licensee or physician may, if he desires, file written answers to the charges or complaints preferred against him within 30 days after the service of such notice, which answer shall become a part of the record but shall not constitute evidence in the case. (1953, c. 1248, s. 3; 1975, c. 690, s. 5.)

CASE NOTES

The function of the Board under this section is certainly quasi-judicial.

Mazzucco v. North Carolina Bd. of Medical Exmrs., 31 N.C. App. 47, 228 S.E.2d 529, appeal dismissed, 291 N.C. 323, 230 S.E.2d 676 (1976).

Absolute Privilege of Board. — The public policy which supports the doctrine of absolute privilege in defamation actions fully supports the application of the doctrine to the Board of Medical Examiners and the individual members in the performance of their quasi-judicial statutory duties. *Mazzucco v. North Carolina Bd. of Medical Exmrs.*, 31 N.C. App. 47, 228 S.E.2d 529, appeal dismissed, 291 N.C. 323, 230 S.E.2d 676 (1976).

Satisfaction of Due Process Requirements. — Where physician was notified in writing of the charges against him, was given ample time in which to prepare his defense, was present in person and was represented by able counsel of his choice at the hearing, was confronted by his accusers, was given ample opportunity to cross-examine them and testified in his own behalf, procedurally the hearing was conducted in accordance with the statute and fulfilled the requirements of the federal due process clause and the law of the land clause of the State Constitution. *In re Wilkins*, 294 N.C. 528, 242 S.E.2d 829 (1978).

Refusal to Issue Permanent License After Failure to Meet Condition of Temporary License. — Physician who was issued a temporary license to practice in this State, her further practice being conditioned on passing the Federal Licensing Examination, was not

entitled to a hearing on the refusal of the Board to issue her a permanent license to practice medicine for failure to pass such examination on expiration of her temporary license. *Mebane v. Board of Medical Exmrs.*, 55 N.C. App. 455, 286 S.E.2d 112, cert. denied and appeal dismissed, 305 N.C. 586, 292 S.E.2d 6 (1982).

Adjudication of Mental Incompetency — Exception to Notice and Hearing Requirements. — This section and G.S. 90-14.1 reflect a clear legislative intent that no applicant or licensee be denied the right to practice medicine for any reason without notice of the grounds and an opportunity to be heard by the board. The sole exception is an automatic suspension based on an adjudication of mental incompetency pursuant to G.S. 90-14(a)(10). *In re Magee*, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

Same — Continued Suspension on Different Grounds. — The Board of Medical Examiners may not continue to either permanently or indefinitely deprive a person of a medical license suspended for mental incompetency, upon totally different grounds, without notice of those grounds or an opportunity to be heard. *In re Magee*, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

Same — Procedures for Reinstatement. — The Board of Medical Examiners is required by the Administrative Procedure Act, G.S. 150B-1 et seq., to establish regulations and procedures related to reinstatement of licenses automatically suspended under G.S. 90-14(a)(10) to afford procedural protection to suspended licensees. *In re Magee*, 87 N.C. App. 650, 362 S.E.2d 564 (1987).

§ 90-14.3. Service of notices.

Any notice required by this Chapter may be served either personally or by an officer authorized by law to serve process, or by registered or certified mail, return receipt requested, directed to the licensee or applicant at his last known address as shown by the records of the Board. If notice is served personally, it shall be deemed to have been served at the time when the officer delivers the notice to the person addressed. Where notice is served by registered or certified mail, it shall be deemed to have been served on the date borne by the return receipt showing delivery of the notice to the addressee, showing refusal of the addressee to accept the notice, or showing failure to locate the addressee at the last known address as shown by the records of the Board. (1953, c. 1248, s. 3; 1995, c. 405, s. 5.)

§ 90-14.4. Place of hearings for revocation or suspension of license.

Upon written request of the accused physician to the secretary of the Board within 20 days after service of the charges or complaints against him, a hearing for the purpose of determining revocation or suspension of his license shall be conducted in the county in which such physician maintains his residence, or at the election of the Board, in any county in which the act or acts complained of occurred. In the absence of such request, the hearing shall be held at a place designated by the Board, or as agreed upon by the physician and the Board. (1953, c. 1248, s. 3; 1981, c. 573, s. 11.)

§ 90-14.5. Use of trial examiner or depositions.

Where the licensee requests that the hearing herein provided for be held by the Board in a county other than the county designated for the holding of the meeting of the Board at which the matter is to be heard, the Board may designate in writing one or more of its members to conduct the hearing as a trial examiner or trial committee, to take evidence and report a written transcript thereof to the Board at a meeting where a majority of the members are present and participating in the decision. Evidence and testimony may also be presented at such hearings and to the Board in the form of depositions taken before any person designated in writing by the Board for such purpose or before any person authorized to administer oaths, in accordance with the procedure for the taking of depositions in civil actions in the superior court. (1953, c. 1248, s. 3.)

§ 90-14.6. Evidence admissible.

(a) In proceedings held pursuant to this Article the Board shall admit and hear evidence in the same manner and form as prescribed by law for civil actions. A complete record of such evidence shall be made, together with the other proceedings incident to such hearing.

(b) Subject to the North Carolina Rules of Civil Procedure and Rules of Evidence, in proceedings held pursuant to this Article, the licensee under investigation may call witnesses, including medical practitioners licensed in the United States, with expertise in the same field of practice as the licensee under investigation, and the Board shall consider this testimony. Witnesses shall not be restricted to experts certified by the American Board of Medical Specialties.

(c) Subject to the North Carolina Rules of Civil Procedure and Rules of Evidence, statements contained in medical or scientific literature shall be competent evidence in proceedings held pursuant to this Article. (1953, c. 1248, s. 3; 2003-366, s. 5.)

Effect of Amendments. — Session Laws 2003-366, s. 5, effective August 1, 2003, rewrote the section.

§ 90-14.7. Procedure where person fails to request or appear for hearing.

If a person who has requested a hearing does not appear, and no continuance has been granted, the Board or its trial examiner or committee may hear the evidence of such witnesses as may have appeared, and the Board may proceed to consider the matter and dispose of it on the basis of the evidence before it. For good cause, the Board may reopen any case for further hearing. (1953, c. 1248, s. 3.)

§ 90-14.8. Appeal from Board's decision revoking or suspending a license.

A physician whose license is revoked or suspended by the Board may obtain a review of the decision of the Board in the Superior Court of Wake County or in the superior court in the county in which the hearing was held or upon agreement of the parties to the appeal in any other superior court of the State, upon filing with the secretary of the Board a written notice of appeal within 20 days after the date of the service of the decision of the Board, stating all exceptions taken to the decision of the Board and indicating the court in which the appeal is to be heard.

Within 30 days after the receipt of a notice of appeal as herein provided, the Board shall prepare, certify and file with the clerk of the superior court in the county to which the appeal is directed the record of the case comprising a copy of the charges, notice of hearing, transcript of testimony, and copies of documents or other written evidence produced at the hearing, decision of the Board, and notice of appeal containing exceptions to the decision of the Board. § 90-14.9. Appeal bond; stay of Board order.

(a) The person seeking the review shall file with the clerk of the reviewing court a copy of the notice of appeal and an appeal bond of two hundred dollars (\$200.00) at the same time the notice of appeal is filed with the Board. Subject to subsection (b) of this section, at any time before or during the review proceeding the aggrieved person may apply to the reviewing court for an order

staying the operation of the Board decision pending the outcome of the review, which the court may grant or deny in its discretion.

(b) No stay shall be granted under this section unless the Board is given prior notice and an opportunity to be heard in response to the application for an order staying the operation of the Board decision. (1953, c. 1248, s. 3; 1995, c. 405, s. 6.)

§ 90-14.10. Scope of review.

Upon the review of the Board's decision revoking or suspending a license, the case shall be heard by the judge without a jury, upon the record, except that in cases of alleged omissions or errors in the record, testimony thereon may be taken by the court. The court may affirm the decision of the Board or remand the case for further proceedings; or it may reverse or modify the decision if the substantial rights of the accused physician have been prejudiced because the findings or decisions of the Board are in violation of substantive or procedural law, or are not supported by competent, material, and substantial evidence admissible under this Article, or are arbitrary or capricious. At any time after the notice of appeal has been filed, the court may remand the case to the Board for the hearing of any additional evidence which is material and is not cumulative and which could not reasonably have been presented at the hearing before the Board. (1953, c. 1248, s. 3.)

CASE NOTES

Findings of Board Supported by Evidence Are Conclusive. — The findings of the Board, supported by evidence in the record, although contradicted by the testimony of the respondent himself, are conclusive upon judicial review of the Board's order. *In re Wilkins*, 294 N.C. 528, 242 S.E.2d 829 (1978).

Findings that physician issued prescription for no legitimate medical purpose and not in the course of the legitimate practice of medicine, being supported by competent evidence in the record, are conclusive on judicial review of the order of the Board. *In re Wilkins*, 294 N.C. 528, 242 S.E.2d 829 (1978).

The credibility of the witnesses and the resolution of conflicts in their testimony is for the Board, not a reviewing court, and the findings of the Board, supported by competent

evidence, are conclusive upon judicial review of the Board's order. *In re Wilkins*, 294 N.C. 528, 242 S.E.2d 829 (1978).

Reviewing court may not substitute its discretion for Board's. *In re Wilkins*, 294 N.C. 528, 242 S.E.2d 829 (1978).

Grounds for Remand. — The superior court was not required to remand the matter of the revocation of a physician's license to the Board for further proceedings in the absence of some preliminary showing by the physician of the basis for his accusation of racial discrimination and prejudice against him. *In re Wilkins*, 294 N.C. 528, 242 S.E.2d 829 (1978).

§ 90-14.11. Appeal; appeal bond.

(a) Any party to the review proceeding, including the Board, may appeal from the decision of the superior court under rules of procedure applicable in other civil cases. No appeal bond shall be required of the Board. Subject to subsection (b) of this section, the appealing party may apply to the superior court for a stay of that court's decision or a stay of the Board's decision, whichever shall be appropriate, pending the outcome of the appeal.

(b) No stay shall be granted unless all parties are given prior notice and an opportunity to be heard in response to the application for an order staying the

operation of the Board decision. (1953, c. 1248, s. 3; 1989, c. 770, s. 75.1; 1995, c. 405, s. 7.)

CASE NOTES

Review of Decisions of Board of Medical Examiners by Court of Appeals. — Court of Appeals is the proper court to determine appeals taken from decisions of the superior court in proceedings for judicial review of decisions of the Board of Medical Examiners under G.S. 7A-27(b); the Court of Appeals erred in dismissing an appeal under this section since the generally accepted rule is that where there is an irreconcilable conflict between two statutes, the later statute controls as last expression of

legislative intent, and therefore, the later enacted statute, G.S. 7A-27(b), controlled in the case. *In re Guess*, 324 N.C. 105, 376 S.E.2d 8 (1989), cert. denied, 498 U.S. 1047, 111 S. Ct. 754, 112 L. Ed. 2d 774 (1991), decided prior to the 1989 amendment of this section, which deleted references to the Supreme Court.

§ 90-14.12. Injunctions.

The Board may appear in its own name in the superior courts in an action for injunctive relief to prevent violation of this Article and the superior courts shall have power to grant such injunctions regardless of whether criminal prosecution has been or may be instituted as a result of such violations. Actions under this section shall be commenced in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the respondent resides or has his principal place of business or in which the alleged acts occurred, or in the case of an action against a nonresident, in the district where the Board resides. (1953, c. 1248, s. 3; 1981, c. 573, s. 13; 1987 (Reg. Sess., 1988), c. 1037, s. 100; 2001-27, s. 1.)

§ 90-14.13. Reports of disciplinary action by health care institutions; immunity from liability.

The chief administrative officer of every licensed hospital or other health care institution, including Health Maintenance Organizations, as defined in G.S. 58-67-5, preferred providers, as defined in G.S. 58-50-56, and all other provider organizations that issue credentials to physicians who practice medicine in the State, shall, after consultation with the chief of staff of that institution, report to the Board any revocation, suspension, or limitation of a physician's privileges to practice in that institution. A hospital is not required to report the suspension of a physician's privileges for failure to timely complete medical records unless the suspension is the third within the calendar year for failure to timely complete medical records. Upon reporting the third suspension, the hospital shall also report the previous two suspensions. The institution shall also report to the Board resignations from practice in that institution by persons licensed under this Article. The Board shall report all violations of this subsection known to it to the licensing agency for the institution involved.

Any licensed physician who does not possess professional liability insurance shall report to the Board any award of damages or any settlement of any malpractice complaint affecting his or her practice within 30 days of the award or settlement.

The chief administrative officer of each insurance company providing professional liability insurance for physicians who practice medicine in North Carolina, the administrative officer of the Liability Insurance Trust Fund Council created by G.S. 116-220, and the administrative officer of any trust

fund operated by a hospital authority, group, or provider shall report to the Board within 30 days:

- (1) Any award of damages or settlement affecting or involving a physician it insures, or
- (2) Any cancellation or nonrenewal of its professional liability coverage of a physician, if the cancellation or nonrenewal was for cause.

The Board may request details about any action and the officers shall promptly furnish the requested information. The reports required by this section are privileged and shall not be open to the public. The Board shall report all violations of this paragraph to the Commissioner of Insurance.

Any person making a report required by this section shall be immune from any criminal prosecution or civil liability resulting therefrom unless such person knew the report was false or acted in reckless disregard of whether the report was false. (1981, c. 573, s. 14; 1987, c. 859, s. 11; 1995, c. 405, s. 8; 1997-481, s. 2; 1997-519, s. 3.14.)

§ 90-15. License fee; salaries, fees, and expenses of Board.

Each applicant for a license by examination shall pay to the North Carolina Medical Board a fee which shall be prescribed by the Board in an amount not exceeding the sum of four hundred dollars (\$400.00) plus the cost of test materials before being admitted to the examination. Whenever a license is granted without examination, as authorized in G.S. 90-13, the applicant shall pay to the Board a fee in an amount to be prescribed by the Board not in excess of two hundred fifty dollars (\$250.00). Whenever a limited license is granted as provided in G.S. 90-12, the applicant shall pay to the Board a fee not to exceed one hundred fifty dollars (\$150.00), except where a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training is granted, the applicant shall pay a fee of twenty-five dollars (\$25.00), and where a limited license to practice medicine and surgery only at clinics that specialize in the treatment of indigent patients is granted, the applicant shall not pay a fee. A fee of twenty-five dollars (\$25.00) shall be paid for the issuance of a duplicate license. All fees shall be paid in advance to the North Carolina Medical Board, to be held in a fund for the use of the Board. The compensation and expenses of the members and officers of the Board and all expenses proper and necessary in the opinion of the Board to the discharge of its duties under and to enforce the laws regulating the practice of medicine or surgery shall be paid out of the fund, upon the warrant of the Board. The per diem compensation of Board members shall not exceed two hundred dollars (\$200.00) per day per member for time spent in the performance and discharge of duties as a member. Any unexpended sum or sums of money remaining in the treasury of the Board at the expiration of the terms of office of the members of the Board shall be paid over to their successors in office.

For the initial and annual registration of an assistant to a physician, the Board may require the payment of a fee not to exceed a reasonable amount. (1858-9, c. 258, s. 13; Code, s. 3130; Rev., s. 4501; 1913, c. 20, ss. 4, 5; C.S., s. 6619; 1921, c. 47, s. 5; Ex. Sess. 1921, c. 44, s. 7; 1953, c. 187; 1969, c. 929, s. 4; 1971, c. 817, s. 2; c. 1150, s. 5; 1977, c. 838, s. 4; 1979, c. 196, s. 1; 1981, c. 573, s. 15; 1983 (Reg. Sess., 1984), c. 1063, s. 1; 1985, c. 362, ss. 1-3; 1987, c. 859, ss. 13, 14; 1993 (Reg. Sess., 1994), c. 566, s. 2; 1995, c. 94, s. 15; c. 509, s. 37; 2000-5, s. 2.)

§ 90-15.1. Registration every year with Board.

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee of one hundred twenty-five dollars (\$125.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of twenty dollars (\$20.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. Except as provided in G.S. 90-12(d), a person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13. (1957, c. 597; 1969, c. 929, s. 5; 1979, c. 196, s. 2; 1983 (Reg. Sess., 1984), c. 1063, s. 2; 1987, c. 859, s. 12; 1993 (Reg. Sess., 1994), c. 566, s. 1; 1995, c. 94, s. 16; 1995 (Reg. Sess., 1996), c. 634, s. 1(a); 1997-481, s. 3; 2000-5, s. 3; 2001-493, s. 3.)

Effect of Amendments. — Session Laws 2001-493, s. 3, effective January 1, 2002, in the second sentence, substituted “fee of one hundred twenty-five dollars (\$125.00)” for “fee fixed

by the Board not in excess of one hundred dollars (\$100.00).”

§ 90-16. Board to keep record; publication of names of licentiates; transcript as evidence; receipt of evidence concerning treatment of patient who has not consented to public disclosure.

The North Carolina Medical Board shall keep a regular record of its proceedings in a book kept for that purpose, together with the names of the members of the Board present, the names of the applicants for license, and other information as to its actions. The North Carolina Medical Board shall cause to be entered in a separate book the name of each applicant to whom a license is issued to practice medicine or surgery, along with any information pertinent to such issuance. The North Carolina Medical Board shall publish the names of those licensed in three daily newspapers published in the State of North Carolina, within 30 days after granting the same. A transcript of any such entry in the record books, or certificate that there is not entered therein the name and proficiency or date of granting such license of a person charged with the violation of the provisions of this Article, certified under the hand of the secretary and the seals of the North Carolina Medical Board, shall be admitted as evidence in any court of this State when it is otherwise competent.

The Board may in a closed session receive evidence involving or concerning the treatment of a patient who has not expressly or impliedly consented to the public disclosure of such treatment as may be necessary for the protection of the rights of such patient or of the accused physician and the full presentation of relevant evidence. All records, papers and other documents containing

information collected and compiled by the Board, or its members or employees as a result of investigations, inquiries or interviews conducted in connection with a licensing or disciplinary matter shall not be considered public records within the meaning of Chapter 132 of the General Statutes; provided, however, that any notice or statement of charges against any licensee, or any notice to any licensee of a hearing in any proceeding shall be a public record within the meaning of Chapter 132 of the General Statutes, notwithstanding that it may contain information collected and compiled as a result of any such investigation, inquiry or interview; and provided, further, that if any such record, paper or other document containing information theretofore collected and compiled by the Board, as hereinbefore provided, is received and admitted in evidence in any hearing before the Board, it shall thereupon be a public record within the meaning of Chapter 132 of the General Statutes.

In any proceeding before the Board, in any record of any hearing before the Board, and in the notice of the charges against any licensee (notwithstanding any provision herein to the contrary) the Board may withhold from public disclosure the identity of a patient who has not expressly or impliedly consented to the public disclosure of treatment by the accused physician. (1858-9, c. 258, s. 12; Code, s. 3129; Rev., s. 4500; C.S., s. 6620; 1921, c. 47, s. 6; 1977, c. 838, s. 5; 1993 (Reg. Sess., 1994), c. 570, s. 6; 1995, c. 94, s. 17; 1997-481, s. 4.)

 - d. The physician provides those services within this State for no more than 30 days per calendar year.

CASE NOTES

- I. General Consideration.
- II. Osteopaths.
- III. Drugs.
- IV. Naturopaths.

I. GENERAL CONSIDERATION.

Constitutionality. — This section is not unconstitutional. *State v. Nelson*, 69 N.C. App. 638, 317 S.E.2d 711 (1984).

This statute is not invalid, as it is the exercise of police power to protect the public, and is not the creation of a monopoly. *State v. Call*, 121 N.C. 643, 28 S.E. 517 (1897).

This section does not attempt to regulate constitutionally protected activities. The State is certainly empowered to protect its citizens from those who would attempt to practice medicine without having been duly licensed. *State v. Nelson*, 69 N.C. App. 638, 317 S.E.2d 711 (1984).

The intent of this section is to protect the public against those who would hold themselves out as medical doctors and who would expect compensation in return for those services. *State v. Nelson*, 69 N.C. App. 638, 317 S.E.2d 711 (1984).

The language of this section is sufficiently specific to inform a person of ordinary intelligence as to what conduct is prohibited by the statute. *State v. Nelson*, 69 N.C. App. 638, 317 S.E.2d 711 (1984).

North Carolina courts have not interpreted this section to prohibit the rendering of aid to one's family and friends. *State v. Nelson*, 69 N.C. App. 638, 317 S.E.2d 711 (1984).

The gratuitous rendering of aid is not barred by this section. *State v. Nelson*, 69 N.C. App. 638, 317 S.E.2d 711 (1984).

Nonmedical Physicians. — The statute is applicable only to one holding himself out as a medical physician. If one cures by other means he is not subject to this statute. *State v. Biggs*, 133 N.C. 729, 46 S.E. 401 (1903).

Psychologist. — While not specifically exempted by this section, a psychologist who limits himself to the practice of psychology and the rendering of professional psychological services as defined in G.S. 90-270.2 is exempt from this section to that extent. *Wesley v. Greyhound Lines*, 47 N.C. App. 680, 268 S.E.2d 855, cert. denied, 301 N.C. 239, 283 S.E.2d 136 (1980).

Nurse. — In case where nurse sufficiently

alleged that she was discharged for complying with minimum requirements of the practice of nursing, court disagreed with defendant's argument that her complaint established, as a matter of law, the unauthorized practice of medicine by plaintiff under this section. *Deerman v. Beverly Cal. Corp.*, 135 N.C. App. 1, 518 S.E.2d 804 (1999).

A patent medicine vendor cannot hold himself out as a physician, and then avoid the statute by prescribing only his own products. *State v. Van Doran*, 109 N.C. 864, 14 S.E. 32 (1891).

Lack of Criminal Intent Not a Defense. — The burden rested upon defendants to know whether their conduct was prohibited by this section, and because a lack of criminal intent does not constitute a valid defense, the court was under no duty to instruct the jury on the defendants' intent. *State v. Howard*, 78 N.C. App. 262, 337 S.E.2d 598 (1985), appeal dismissed, 316 N.C. 198, 341 S.E.2d 581 (1986).

Unorthodox Treatment of Terminally Ill. — This section is not unconstitutional on the grounds that the terminally ill have a fundamental right to choose unorthodox medical treatment and that this section unconstitutionally infringes upon this fundamental right. *State v. Howard*, 78 N.C. App. 262, 337 S.E.2d 598 (1985), appeal dismissed, 316 N.C. 198, 341 S.E.2d 581 (1986).

Burden of Proving Exception. — Once the State produces evidence of one committing acts that satisfy the definition of "practicing medicine or surgery" within the meaning of this section, it is incumbent upon defendant to introduce evidence that his actions fell within one of the exceptions thereto. *State v. Howard*, 78 N.C. App. 262, 337 S.E.2d 598 (1985), appeal dismissed, 316 N.C. 198, 341 S.E.2d 581 (1986).

Instruction That Defendant Did Not Fall Within Exception. — If the defendant fails to produce evidence that his actions fell within one of the exceptions, the jury need not consider the exceptions to the statute and a jury instruction to that effect is a correct statement of the law. *State v. Howard*, 78 N.C. App. 262, 337 S.E.2d 598 (1985), appeal dismissed, 316 N.C. 198, 341 S.E.2d 581 (1986).

Investigation by Board Not Prerequisite to Prosecution. — G.S. 90-21 merely establishes a method whereby the Board of Medical Examiners may procure an investigation by the Attorney General with respect to alleged violations of this section and former G.S. 90-19 and 90-20. There is nothing in this Chapter which requires the Board of Medical Examiners or the Attorney General to take any action before a criminal prosecution may be instituted for such violations. *State v. Loesch*, 237 N.C. 611, 75 S.E.2d 654 (1953).

Indictment Need Not Show Compliance with G.S. 90-21. — The contention that a strict compliance with the procedure outlined in G.S. 90-21 is a prerequisite to any prosecution for the violation of this section and former G.S. 90-19 and 90-20, and that a bill of indictment charging a violation of any such sections must show upon its face that there has been a compliance with the provisions of G.S. 90-21, is without merit. It would be unnecessary to include these averments as prerequisite to the validity of a bill of indictment charging a violation of this section, even though the prosecution was instituted pursuant to a complaint filed by the Board of Medical Examiners with the Attorney General. *State v. Loesch*, 237 N.C. 611, 75 S.E.2d 654 (1953).

Referral of Alleged Violations to District Attorney. — There is nothing in the language of G.S. 90-21 which requires the Board of Medical Examiners to refer alleged violations of this section to the district attorney instead of to the Attorney General. *Majebe v. North Carolina Bd. of Medical Exmrs.*, 106 N.C. App. 253, 416 S.E.2d 404 (1992).

District Attorney Not Deprived of Authority and Duty to Prosecute. — There is nothing in this Chapter which would or could deprive the solicitor (now district attorney) of a district of his constitutional authority and sworn duty to prosecute violations of the criminal laws of the State. *State v. Loesch*, 237 N.C. 611, 75 S.E.2d 654 (1953).

Applied in *State v. Phillip*, 261 N.C. 263, 134 S.E.2d 386 (1964); *Allen v. Hinson*, 12 N.C. App. 515, 183 S.E.2d 852 (1971); *Formyduval v. Bunn*, 138 N.C. App. 381, 530 S.E.2d 96, 2000 N.C. App. LEXIS 622 (2000).

Cited in *Crawford v. Crowell-Collier Publishing Co.*, 87 F. Supp. 509 (W.D.N.C. 1949); *State v. Shaw*, 305 N.C. 327, 289 S.E.2d 325 (1982); *Lenzer v. Flaherty*, 106 N.C. App. 496, 418 S.E.2d 276 (1992).

II. OSTEOPATHS.

Editor's Note. — *As to osteopathy, see also G.S. 90-129 et seq. and case notes thereunder.*

The distinction between the practice of osteopathy and the practice of medicine and surgery is recognized by Articles 1 and

7 of this Chapter. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

The legislature has denied to a licensed osteopath the privilege of using drugs in his practice. It necessarily follows that he exceeds the limits of his certificate and is guilty of practicing medicine without being licensed so to do within the purview of this section if he administers or prescribes drugs in treating the ailments of his patients. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

But he is not guilty of practicing medicine without a license in administering violet ray treatments to his patients suffering with skin diseases. Subdivision (12) specifically confers upon him the privilege of practicing radiology. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

A person administers drugs when he gives or applies drugs to a patient. Thus, the giving of a hypodermic injection of a drug is administering a drug. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

Or Gives Oral Directions for Their Use or Application. — The giving of oral directions by an osteopath to his patient directly, or indirectly by telephone directions to the druggist, for the use or application by the patient of recommended remedies, is prescribing drugs. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

III. DRUGS.

"Drugs" Defined. — The same substance may be a drug under one set of circumstances, and not a drug under another. The test is whether it is administered or employed as a medicine. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

Insofar as the practice of osteopathy is concerned, a "drug" is any substance used as a medicine or in the composition of medicines for internal or external use, and a "medicine" is any substance or preparation used in treating disease. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

Laxatives and tonics are "drugs" insofar as the practice of osteopathy is concerned. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

Also Patent or Proprietary Remedies. — A person who holds himself out as an expert in medical affairs and prescribes drugs for his patients and charges fees for so doing practices medicine, notwithstanding the drugs are patent or proprietary remedies purchasable without a prescription, and notwithstanding the fact that the recommendation of such remedies to acquaintances without the charge of a fee would not be unlawful. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

Canned Milk Is Not a Drug. — An osteopath does not practice medicine in advising a client to feed her baby a designated brand of

canned milk, since milk is a food and not a drug. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

Whether a vitamin preparation is a drug or a food is ordinarily a question of fact. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948), wherein for the purpose of the particular case it was assumed that vitamin preparations were used solely for nourishment, and that the defendant did not transgress the scope of his osteopathic certificate in urging their use by his patients.

IV. NATUROPATHS.

Prosecution Not Unconstitutionally Selective. — State's prosecution against defendants, who held themselves out as naturopathic practitioners and treated cancers, did not constitute selective prosecution in violation of their rights to equal protection under U.S. Const., Amend. XIV. *State v. Howard*, 78 N.C. App. 262, 337 S.E.2d 598 (1985), appeal dismissed, 316 N.C. 198, 341 S.E.2d 581 (1986).

OPINIONS OF ATTORNEY GENERAL

The determination of death is regarded as "practicing medicine or surgery" as defined in this section. See opinion of Attorney General to Page Hudson, M.D., Chief Medical Examiner, Medical Examiner Section, Division of Health Services, 49 N.C.A.G. 206 (1980).

Post-operative care of cataract surgery patients falls within the definition of optometry when performed by a licensed optometrist, and does not constitute the unauthorized practice of medicine where there are no complications as a result of the surgery. See opinion of Attorney General to Mr. Bryant D. Paris, Jr., Executive Director, Board of Medical Examin-

ers, 56 N.C.A.G. 5 (1986).

Medical pre-certification and utilization review activities, which are reviews of the need for either the initiation of medical treatment for a patient or for the continuation of such treatment which are conducted by insurance companies, medical assistance programs or other third-party payors after an initial determination has been made that treatment should be initiated, do not constitute the practice of medicine under this section. See opinion of Attorney General to Bryant D. Paris, Jr., Executive Secretary, Board of Medical Examiners, 60 N.C.A.G. 100 (1992).

- (4) The hospital or other health facility has adopted a written policy, approved by the medical staff after consultation with the nursing administration, about ordering medications, tests, and treatments, including procedures for verification of the physician assistants' orders by nurses and other facility employees and such other procedures as are in the interest of patient health and safety.

(e) Any prescription written by a physician assistant or order given by a physician assistant for medications, tests, or treatments shall be deemed to have been authorized by the physician approved by the Board as the supervisor of the physician assistant and the supervising physician shall be responsible for authorizing the prescription or order.

(f) Any registered nurse or licensed practical nurse who receives an order from a physician assistant for medications, tests, or treatments is authorized to perform that order in the same manner as if it were received from a licensed physician. (1975, c. 627; 1977, c. 904, s. 1; 1977, 2nd Sess., c. 1194, s. 1; 1995, c. 94, s. 20; 1997-511, s. 5.)

Applied in *Whitaker v. Akers*, 137 N.C.App. 274, 527 S.E.2d 721, 2000 N.C. App. LEXIS 315 (2000).

§ 90-18.2. Limitations on nurse practitioners.

(a) Any nurse approved under the provisions of G.S. 90-18(14) to perform medical acts, tasks or functions may use the title "nurse practitioner."  - (3) The supervising physician has provided to the nurse practitioner written instructions about ordering medications, tests and treatments, and when appropriate, specific oral or written instructions for an individual patient, with provision for review by the physician of the order within a reasonable time, as determined by the Board, after the medication, test or treatment is ordered; and

OPINIONS OF ATTORNEY GENERAL

It is unlawful for certified registered nurse anesthetists (CRNAs) to provide anesthesia care without physician supervision. See opinion of Attorney General to The

Honorable James S. Forrester, M.D. North Carolina General Assembly, 1998 N.C.A.G. 58 (12/31/98).

§ 90-18.3. Physical examination by nurse practitioners and physician assistants.

(a) Whenever a statute or State agency rule requires that a physical examination shall be conducted by a physician, the examination may be conducted and the form signed by a nurse practitioner or a physician's assistant, and a physician need not be present. Nothing in this section shall otherwise change the scope of practice of a nurse practitioner or a physician's assistant, as defined by G.S. 90-18.1 and G.S. 90-18.2, respectively.

(b) This section shall not apply to physical examinations conducted pursuant to G.S. 1A-1, Rule 35; G.S. 15B-12; G.S. 90-14; or any rules adopted by the North Carolina Boxing Commission requiring physical examinations unless those statutes or rules are amended to make the provisions of this section applicable. (1999-226, s. 1.)

§ 90-18.4. Limitations on clinical pharmacist practitioners.

(a) Any pharmacist who is approved under the provisions of G.S. 90-18(c)(3a) to perform medical acts, tasks, and functions may use the title "clinical pharmacist practitioner". Any other person who uses the title in any form or holds himself or herself out to be a clinical pharmacist practitioner or to be so licensed shall be deemed to be in violation of this Article.

(b) Clinical pharmacist practitioners are authorized to implement predetermined drug therapy, which includes diagnosis and product selection by the patient's physician, modify prescribed drug dosages, dosage forms, and dosage schedules, and to order laboratory tests pursuant to a drug therapy management agreement that is physician, pharmacist, patient, and disease specific under the following conditions:

- (1) The North Carolina Medical Board and the North Carolina Board of Pharmacy have adopted rules developed by a joint subcommittee governing the approval of individual clinical pharmacist practitioners to practice drug therapy management with such limitations that the Boards determine to be in the best interest of patient health and safety.
- (2) The clinical pharmacist practitioner has current approval from both Boards.
- (3) The North Carolina Medical Board has assigned an identification number to the clinical pharmacist practitioner which is shown on written prescriptions written by the clinical pharmacist practitioner.
- (4) The drug therapy management agreement prohibits the substitution of a chemically dissimilar drug product by the pharmacist for the product prescribed by the physician without the explicit consent of the physician and includes a policy for periodic review by the physician of the drugs modified pursuant to the agreement or changed with the consent of the physician.

(c) Clinical pharmacist practitioners in hospitals and other health facilities that have an established pharmacy and therapeutics committee or similar group that determines the prescription drug formulary or other list of drugs to be utilized in the facility and determines procedures to be followed when considering a drug for inclusion on the formulary and procedures to acquire a nonformulary drug for a patient may order medications and tests under the following conditions:

- (1) The North Carolina Medical Board and the North Carolina Board of Pharmacy have adopted rules governing the approval of individual clinical pharmacist practitioners to order medications and tests with

such limitations as the Boards determine to be in the best interest of patient health and safety.

- (2) The clinical pharmacist practitioner has current approval from both Boards.
 - (3) The supervising physician has provided to the clinical pharmacist practitioner written instructions for ordering, changing, or substituting drugs, or ordering tests with provision for review of the order by the physician within a reasonable time, as determined by the Boards, after the medication or tests are ordered.
 - (4) The hospital or health facility has adopted a written policy, approved by the medical staff after consultation with nursing administrators, concerning the ordering of medications and tests, including procedures for verification of the clinical pharmacist practitioner's orders by nurses and other facility employees and such other procedures that are in the best interest of patient health and safety.
 - (5) Any drug therapy order written by a clinical pharmacist practitioner or order for medications or tests shall be deemed to have been authorized by the physician approved by the Boards as the supervisor of the clinical pharmacist practitioner and the supervising physician shall be responsible for authorizing the prescription order.
- (d) Any registered nurse or licensed practical nurse who receives a drug therapy order from a clinical pharmacist practitioner for medications or tests is authorized to perform that order in the same manner as if the order was received from a licensed physician. (1999-290, s. 3.)

§§ 90-19, 90-20: Repealed by Session Laws 1967, c. 691, s. 59.

§ 90-21. Certain offenses prosecuted in superior court; duties of Attorney General.

In case of the violation of the criminal provisions of G.S. 90-18, the Attorney General of the State of North Carolina, upon complaint of the North Carolina Medical Board, shall investigate the charges preferred, and if in his judgment the law has been violated, he shall direct the district attorney of the district in which the offense was committed to institute a criminal action against the offending persons. A district attorney's fee of five dollars (\$5.00) shall be allowed and collected in accordance with the provisions of G.S. 6-12. The North Carolina Medical Board may also employ, at their own expense, special counsel to assist the Attorney General or the district attorney.

Exclusive original jurisdiction of all criminal actions instituted for the violations of G.S. 90-18 shall be in the superior court, the provisions of any special or local act to the contrary notwithstanding. (1915, c. 220, s. 2; C.S., s. 6625; 1973, c. 47, s. 2; 1981, c. 573, s. 16; 1995, c. 94, s. 22.)

Editor's Note. — Section 6-12, referred to in the first paragraph, was repealed by Session Laws 1971, c. 269, s. 15.

CASE NOTES

This section merely establishes a method whereby the Board of Medical Examiners may procure an investigation by the Attorney General with respect to alleged violations of G.S. 90-18 and former G.S. 90-19 and 90-20. There is nothing in this Chapter

which requires the Board of Medical Examiners or the Attorney General to take any action before a criminal prosecution may be instituted for such violations. *State v. Loesch*, 237 N.C. 611, 75 S.E.2d 654 (1953).

Indictment Need Not Show Compliance

with Section. — The contention that a strict compliance with the procedure outlined in this section is a prerequisite to any prosecution for the violation of G.S. 90-18 and former G.S. 90-19 and 90-20, and that a bill of indictment charging a violation of any such sections must show upon its face that there has been a compliance with the provisions of this section, is without merit. It would be unnecessary to include these averments as a prerequisite to the validity of a bill of indictment charging a violation of G.S. 90-18 even though the prosecution was instituted pursuant to a complaint filed by the Board of Medical Examiners with the Attorney General. *State v. Loesch*, 237 N.C. 611, 75 S.E.2d 654 (1953).

Referral of Alleged Violations. — There is

nothing in the language of this section which requires the Board of Medical Examiners to refer alleged violations of G.S. 90-18 to the district attorney instead of to the Attorney General. *Majebe v. North Carolina Bd. of Medical Exmrs.*, 106 N.C. App. 253, 416 S.E.2d 404 (1992).

District Attorney Not Deprived of Authority and Duty to Prosecute. — There is nothing in this Chapter which would or could deprive the solicitor (now district attorney) of a district of his constitutional authority and sworn duty to prosecute violations of the criminal laws of the State. *State v. Loesch*, 237 N.C. 611, 75 S.E.2d 654 (1953).

Applied in *York v. Northern Hosp. Dist.*, 88 N.C. App. 183, 362 S.E.2d 859 (1987).

ARTICLE 1A.

Treatment of Minors.

Part 1. General Provisions.

Editor's Note. — G.S. 90-21.1 to 90-21.5 were designated as Part 1 of Article 1A by Session Laws 1995, c. 462, s. 1.

§ 90-21.1. When physician may treat minor without consent of parent, guardian or person in loco parentis.

It shall be lawful for any physician licensed to practice medicine in North Carolina to render treatment to any minor without first obtaining the consent and approval of either the father or mother of said child, or any person acting as guardian, or any person standing in loco parentis to said child where:

- (1) The parent or parents, the guardian, or a person standing in loco parentis to said child cannot be located or contacted with reasonable diligence during the time within which said minor needs to receive the treatment herein authorized, or
- (2) Where the identity of the child is unknown, or where the necessity for immediate treatment is so apparent that any effort to secure approval would delay the treatment so long as to endanger the life of said minor, or
- (3) Where an effort to contact a parent, guardian, or person standing in loco parentis would result in a delay that would seriously worsen the physical condition of said minor, or
- (4) Where the parents refuse to consent to a procedure, and the necessity for immediate treatment is so apparent that the delay required to obtain a court order would endanger the life or seriously worsen the physical condition of the child. No treatment shall be administered to a child over the parent's objection as herein authorized unless the physician shall first obtain the opinion of another physician licensed to practice medicine in the State of North Carolina that such procedure is necessary to prevent immediate harm to the child.

Provided, however, that the refusal of a physician to use, perform or render treatment to a minor without the consent of the minor's parent, guardian, or

person standing in the position of loco parentis, in accordance with this Article, shall not constitute grounds for a civil action or criminal proceedings against such physician. (1965, c. 810, s. 1; 1977, c. 625, s. 1.)

OPINIONS OF ATTORNEY GENERAL

“Minor” Is Person Under 18. — See opinion of Attorney General to Lena S. Davis, 41 N.C.A.G. 489 (1971).

Protection Extends to Social Workers and Psychologists Working Under Physicians. — See opinion of Attorney General to Mr. Ed McCleary, Staff Attorney, Mental Health Study Commission, 47 N.C.A.G. 83 (1977).

Delegation of Responsibility to Nurse Practitioner or Physician’s Assistant. — A physician associated with a publicly supported family planning clinic can delegate responsibility for medically related contraceptive services to a nurse practitioner or physician’s assistant whom he supervises and who functions under his standing orders, if these functions are specifically approved for the individual nurse practitioner or physician’s assistant by the Board of Medical Examiners. Opinion of Attorney General to Margie Rose, M.P.H. Branch Head, Family Planning Branch, Division of Health Services, 47 N.C.A.G. 80 (1977).

Counseling Not “Treatment”. — Counsel-

ing minors for sickle cell disease and related genetic disorders does not constitute “treatment” as defined under G.S. 90-21.2. See opinion of Attorney General to Sarah T. Morrow, M.D., M.P.H., Secretary, Dep’t of Human Resources, 49 N.C.A.G. 181 (1980).

Parental consent is required for counseling minors for sickle cell disease and related genetic disorders and such consent remains valid for later counseling if obtained at the time of testing. See opinion of Attorney General of Sarah T. Morrow, M.D., M.P.H., Secretary, Dep’t of Human Resources, 49 N.C.A.G. 181 (1980).

To provide genetic counseling to minors without consent would appear to be a violation of the common-law principles governing the parent-child relationship and thus would leave the individual providing these services potentially vulnerable to litigation. See opinion of Attorney General to Sarah T. Morrow, M.D., M.P.H., Secretary, Dep’t of Human Resources, 49 N.C.A.G. 181 (1980).

§ 90-21.2. “Treatment” defined.

The word “treatment” as used in G.S. 90-21.1 is hereby defined to mean any medical procedure or treatment, including X rays, the administration of drugs, blood transfusions, use of anesthetics, and laboratory or other diagnostic procedures employed by or ordered by a physician licensed to practice medicine in the State of North Carolina that is used, employed, or ordered to be used or employed commensurate with the exercise of reasonable care and equal to the standards of medical practice normally employed in the community where said physician administers treatment to said minor. § 90-21.3. Performance of surgery on minor; obtaining second opinion as to necessity.

The word "treatment" as defined in G.S. 90-21.2 shall also include any surgical procedure which in the opinion of the attending physician is necessary under the terms and conditions set out in G.S. 90-21.1; provided, however, no surgery shall be conducted upon a minor as herein authorized unless the surgeon shall first obtain the opinion of another physician licensed to practice medicine in the State of North Carolina that said surgery is necessary under the conditions set forth in G.S. 90-21.1; provided further, that in any emergency situation that shall arise in a rural community, or in a community where it is impossible for the surgeon to contact any other physician for the purpose of obtaining his opinion as to the necessity for immediate surgery, it shall not be necessary for the surgeon to obtain approval from another physician before performing such surgery as is necessary under the terms and conditions set forth in G.S. 90-21.1. (1965, c. 810, s. 3.)

§ 90-21.4. Responsibility, liability and immunity of physicians.

(a) Any physician licensed to practice medicine in North Carolina providing health services to a minor under the terms, conditions and circumstances of this Article shall not be held liable in any civil or criminal action for providing such services without having obtained permission from the minor's parent, legal guardian, person standing in loco parentis, or a legal custodian other than a parent when granted specific authority in a custody order to consent to medical or psychiatric treatment. The physician shall not be relieved on the basis of this Article from liability for negligence in the diagnosis and treatment of a minor.

(b) The physician shall not notify a parent, legal guardian, person standing in loco parentis, or a legal custodian other than a parent when granted specific authority in a custody order to consent to medical or psychiatric treatment, without the permission of the minor, concerning the medical health services set out in G.S. 90-21.5(a), unless the situation in the opinion of the attending physician indicates that notification is essential to the life or health of the minor. If a parent, legal guardian[,] person standing in loco parentis, or a legal custodian other than a parent when granted specific authority in a custody order to consent to medical or psychiatric treatment contacts the physician concerning the treatment or medical services being provided to the minor, the physician may give information. (1965, c. 810, s. 4; 1977, c. 582, s. 1; 1985, c. 589, s. 30.)

OPINIONS OF ATTORNEY GENERAL

This section provides immunity from civil or criminal liability to a nurse practitioner or physician's assistant for non-negligent acts performed under the physician's supervision and while functioning under the

physician's standing orders if the delegation of responsibility is proper. Opinion of Attorney General to Margie Rose, M.P.H. Branch Head, Family Planning Branch, Division of Health Services, 47 N.C.A.G. 80 (1977).

§ 90-21.5. Minor's consent sufficient for certain medical health services.

(a) Any minor may give effective consent to a physician licensed to practice medicine in North Carolina for medical health services for the prevention, diagnosis and treatment of (i) venereal disease and other diseases reportable under G.S. 130A-135, (ii) pregnancy, (iii) abuse of controlled substances or alcohol, and (iv) emotional disturbance. This section does not authorize the inducing of an abortion, performance of a sterilization operation, or admission to a 24-hour facility licensed under Article 2 of Chapter 122C of the General Statutes except as provided in G.S. 122C-222. This section does not prohibit the admission of a minor to a treatment facility upon his own written application in an emergency situation as authorized by G.S. 122C-222.

(b) Any minor who is emancipated may consent to any medical treatment, dental and health services for himself or for his child. (1971, c. 35; 1977, c. 582, s. 2; 1983, c. 302, s. 2; 1985, c. 589, s. 31; 1985 (Reg. Sess., 1986), c. 863, s. 4.)

CASE NOTES

A state cannot require a minor to obtain parental consent for an abortion unless it provides an alternative procedure whereby authorization can be obtained for the abortion. North Carolina has no such alternative procedure. *Wilkie v. Hoke*, 609 F. Supp. 241 (W.D.N.C. 1985).

Minor plaintiff's common-law ability to void agreement to arbitrate, one of the provisions of an informed consent form which she signed in consenting to an abortion, was not changed by statute and did not deprive her of her constitutional right to an abortion. *Wilkie v. Hoke*, 609 F. Supp. 241 (W.D.N.C. 1985).

OPINIONS OF ATTORNEY GENERAL

This Section Does Not Conflict with G.S. 7B-3400. — G.S. 7B-3400, which provides that minors are subject to the supervision and control of their parents "notwithstanding any other provision of law," does not abrogate G.S. 90-21.5, which specifies the circumstances un-

der which minors can consent to health services as the statutes address different issues and do not conflict with one another. See opinion of Attorney General to Dr. David King, Chairman, Rowan Board of Health, 1999 N.C. AG LEXIS 27 (8/25/99).

Part 2. Parental or Judicial Consent for Abortion.

§ 90-21.6. Definitions.

For the purposes of Part 2 only of this Article, unless the context clearly requires otherwise:

- (1) "Unemancipated minor" or "minor" means any person under the age of 18 who has not been married or has not been emancipated pursuant to Article 35 of Chapter 7B of the General Statutes.
- (2) "Abortion" means the use or prescription of any instrument, medicine, drug, or any other substance or device with intent to terminate the pregnancy of a woman known to be pregnant, for reasons other than to save the life or preserve the health of an unborn child, to remove a

dead unborn child, or to deliver an unborn child prematurely, by accepted medical procedures in order to preserve the health of both the mother and the unborn child. (1995, c. 462, s. 1; 1998-202, s. 13(t).)

CASE NOTES

Health Care Providers Not Granted Preliminary Injunction. — Because the district court found that health care providers had not demonstrated the likelihood of irreparable injury to them or that the balance of hardships was obviously in their favor, the court did not err in holding that the health care providers should not be granted a preliminary injunction against enforcement of statutes requiring parental or judicial consent for an unemancipated minor's abortion. *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

Because North Carolina's Act to Require Pa-

rental or Judicial Consent for an Unemancipated Minor's Abortion helps preserve the traditional line of responsibility between parent and child and helps protect the family unit as a viable and time-honored means of raising children while at the same time takes into account exceptional cases in a confidential and expeditious manner, the district court properly determined that a preliminary injunction against enforcement of the Act would not be in the public's best interest. *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

§ 90-21.7. Parental consent required.

(a) No physician licensed to practice medicine in North Carolina shall perform an abortion upon an unemancipated minor unless the physician or agent thereof or another physician or agent thereof first obtains the written consent of the minor and of:

- (1) A parent with custody of the minor; or
- (2) The legal guardian or legal custodian of the minor; or
- (3) A parent with whom the minor is living; or
- (4) A grandparent with whom the minor has been living for at least six months immediately preceding the date of the minor's written consent.

(b) The pregnant minor may petition, on her own behalf or by guardian ad litem, the district court judge assigned to the juvenile proceedings in the district court where the minor resides or where she is physically present for a waiver of the parental consent requirement if:

- (1) None of the persons from whom consent must be obtained pursuant to this section is available to the physician performing the abortion or the physician's agent or the referring physician or the agent thereof within a reasonable time or manner; or
- (2) All of the persons from whom consent must be obtained pursuant to this section refuse to consent to the performance of an abortion; or
- (3) The minor elects not to seek consent of the person from whom consent is required. (1995, c. 462, s. 1.)

CASE NOTES

Health Care Provider's Duty to Verify Consent. — Where a health care provider is presented with an apparently valid written parental consent and is thereby deceived into performing an abortion procedure upon a mi-

nor, the unknowing and unintentional failure to obtain actual parental consent is not a violation of the statute. *Jackson ex rel. Robinson v. A Woman's Choice, Inc.*, 130 N.C. App. 590, 503 S.E.2d 422 (1998).

Cited in *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

§ 90-21.8. Procedure for waiver of parental consent.

(a) The requirements and procedures under Part 2 of this Article are available and apply to unemancipated minors seeking treatment in this State.

(b) The court shall ensure that the minor or her guardian ad litem is given assistance in preparing and filing the petition and shall ensure that the minor's identity is kept confidential.

(c) The minor may participate in proceedings in the court on her own behalf or through a guardian ad litem. The court shall advise her that she has a right to appointed counsel, and counsel shall be provided upon her request in accordance with rules adopted by the Office of Indigent Defense Services.

(d) Court proceedings under this section shall be confidential and shall be given precedence over other pending matters necessary to ensure that the court may reach a decision promptly. In no case shall the court fail to rule within seven days of the time of filing the application. This time limitation may be extended at the request of the minor. At the hearing, the court shall hear evidence relating to the emotional development, maturity, intellect, and understanding of the minor; the nature, possible consequences, and alternatives to the abortion; and any other evidence that the court may find useful in determining whether the parental consent requirement shall be waived.

(e) The parental consent requirement shall be waived if the court finds:

- (1) That the minor is mature and well-informed enough to make the abortion decision on her own; or
- (2) That it would be in the minor's best interests that parental consent not be required; or
- (3) That the minor is a victim of rape or of felonious incest under G.S. 14-178.

(f) The court shall make written findings of fact and conclusions of law supporting its decision and shall order that a confidential record of the evidence be maintained. If the court finds that the minor has been a victim of incest, whether felonious or misdemeanor, it shall advise the Director of the Department of Social Services of its findings for further action pursuant to Article 3 of Chapter 7B of the General Statutes.

(g) If the female petitioner so requests in her petition, no summons or other notice may be served upon the parents, guardian, or custodian of the minor female.

(h) The minor may appeal an order issued in accordance with this section. The appeal shall be a de novo hearing in superior court. The notice of appeal shall be filed within 24 hours from the date of issuance of the district court order. The de novo hearing may be held out of district and out of session and shall be held as soon as possible within seven days of the filing of the notice of appeal. The record of the de novo hearing is a confidential record and shall not be open for general public inspection. The Chief Justice of the North Carolina Supreme Court shall adopt rules necessary to implement this subsection.

(i) No court costs shall be required of any minor who avails herself of the procedures provided by this section. (1995, c. 462, s. 1; 1998-202, s. 13(u); 2000-144, s. 35.)

Cross References. — For the Indigent Defense Services Act, see Chapter 7A, Subchapter IX, Article 39B.

CASE NOTES

Court Improperly Failed to Grant Waiver. — Court's findings that minor was not "well-informed enough" to obtain parental waiver was not supported by the evidence or the findings of fact. The trial court substituted its decision for that of the minor, which is not allowed by the statute or by case law; therefore, waiver of the parental consent requirement was granted. *In re Doe*, 126 N.C. App. 401, 485 S.E.2d 354 (1997).

Appeal. — No appeal of right lies to the Court of Appeals from an order of the superior court entered pursuant to subsection (h). The exclusive appeal remedy is the appeal from the district court to the superior court. *In re Doe*, 126 N.C. App. 401, 485 S.E.2d 354 (1997).

North Carolina's Act to Require Parental or Judicial Consent for an Unemancipated Minor's Abortion does not impose an undue burden on the right of a pregnant unemancipated minor by requiring that a pregnant minor file her appeal for denial of a petition by the state district court to the superior court within 24 hours of the district court's decision. *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

Bypass Provisions Constitutional. — Because there is nothing on the face of North

Carolina's Act to Require Parental or Judicial Consent for an Unemancipated Minor's Abortion to indicate that it does not comply with requirements that the judicial bypass procedures maintain the confidentiality of a minor and because the North Carolina Court of Appeals has demonstrated that it is well aware of the need for expedition and confidentiality at all levels of the bypass, the bypass provisions of the Act are constitutional. *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

Reporting Requirements Do Not Violate Confidentiality. — Because the reporting requirement of North Carolina's Act to Require Parental or Judicial Consent for an Unemancipated Minor's Abortion was designed to protect the minor and the minor could obtain certification for the abortion without disclosing a rape or incest by proving that she is mature or that the abortion is in her best interest, the district court did not err in holding that the reporting requirements do not violate the confidentiality prong of Bellotti. *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

Cited in *Jackson ex rel. Robinson v. A Woman's Choice, Inc.*, 130 N.C. App. 590, 503 S.E.2d 422 (1998).

§ 90-21.9. Medical emergency exception.

The requirements of parental consent prescribed by G.S. 90-21.7(a) shall not apply when, in the best medical judgment of the physician based on the facts of the case before the physician, a medical emergency exists that so complicates the pregnancy as to require an immediate abortion, or when the conditions prescribed by G.S. 90-21.1(4) are met. (1995, c. 462, s. 1.)

CASE NOTES

Judicial Consent Not Required for Medical Emergency. — District court's statement "If there is an emergency need for the abortion, and the attending physician so determines, immediate access to judicial authorization is provided" was not meant to be an interpreta-

tion of this section; to the extent such statement might have been an interpretation, any interpretation of the Act to require judicial authorization before an abortion obtained for a medical emergency would be in error. *Manning v. Hunt*, 119 F.3d 254 (4th Cir. 1997).

§ 90-21.10. Penalty.

Any person who intentionally performs an abortion with knowledge that, or with reckless disregard as to whether, the person upon whom the abortion is to be performed is an unemancipated minor, and who intentionally or knowingly fails to conform to any requirement of Part 2 of this Article shall be guilty of a Class 1 misdemeanor. (1995, c. 462, s. 1.)

ARTICLE 1B.

Medical Malpractice Actions.

§ 90-21.11. Definitions.

As used in this Article, the term "health care provider" means without limitation any person who pursuant to the provisions of Chapter 90 of the General Statutes is licensed, or is otherwise registered or certified to engage in the practice of or otherwise performs duties associated with any of the following: medicine, surgery, dentistry, pharmacy, optometry, midwifery, osteopathy, podiatry, chiropractic, radiology, nursing, physiotherapy, pathology, anesthesiology, anesthesia, laboratory analysis, rendering assistance to a physician, dental hygiene, psychiatry, psychology; or a hospital or a nursing home; or any other person who is legally responsible for the negligence of such person, hospital or nursing home; or any other person acting at the direction or under the supervision of any of the foregoing persons, hospital, or nursing home.

As used in this Article, the term "medical malpractice action" means a civil action for damages for personal injury or death arising out of the furnishing or failure to furnish professional services in the performance of medical, dental, or other health care by a health care provider. (1975, 2nd Sess., c. 977, s. 4; 1987, c. 859, s. 1; 1995, c. 509, s. 135.2(o).)

CASE NOTES

Purpose and spirit of the medical malpractice act is to decrease the number and severity of medical malpractice claims in an effort to decrease the cost of medical malpractice insurance. *Black v. Littlejohn*, 312 N.C. 626, 325 S.E.2d 469 (1985); *Mozingo ex rel. Thomas v. Pitt County Mem. Hosp.*, 101 N.C. App. 578, 400 S.E.2d 747 (1991), aff'd, 331 N.C. 182, 415 S.E.2d 341 (1992).

Physician-Patient Relationship Required. — In order to state a claim for medical malpractice under North Carolina law, there must first exist a physician-patient relationship. *Doe v. American Nat'l Red Cross*, 798 F. Supp. 301 (E.D.N.C. 1992).

Establishment of Physician-Patient Relationship. — Whether a physician-patient

relationship is established depends upon whether the defendant actually accepted plaintiffs as patients and undertook to treat them. *Doe v. American Nat'l Red Cross*, 798 F. Supp. 301 (E.D.N.C. 1992).

No Professional Relationship. — A patient could not bring a medical malpractice action against a licensed physician's assistant, where the assistant allegedly committed unlawful sexual acts on the patient, but the patient presented no evidence that the assistant, who was not directed to provide health care to the patient, furnished professional services to the patient to establish the necessary professional relationship. *Massengill v. Duke Univ. Medical Ctr.*, 133 N.C. App. 336, 515 S.E.2d 70 (1999).

Because the observance and supervision of the plaintiff when she smoked in the designated smoking area did not constitute an occupation involving specialized knowledge or skill, and preventing the patient from dropping a match or a lighted cigarette upon herself while in a designated smoking room did not involve matters of medical science, such behaviors are properly applied to the standards of ordinary negligence, and the requirements of Civil Procedure Rule 9(j), concerning a claim for medical malpractice, did not apply. *Taylor v. Vencor, Inc.*, 136 N.C. App. 528, 525 S.E.2d 201, 2000 N.C. App. LEXIS 62 (2000).

No Liability to Third Parties. — Psychologists are liable in medical malpractice only to their patients, not to third parties even if the treatment has resulted in adverse consequences on the patients relationship with them. *Russell v. Adams*, 125 N.C. App. 637, 482 S.E.2d 30 (1997).

The collection, distribution, and sale of blood, like the manufacture and sale of pharmaceuticals, is not the practice of medicine. *Doe v. American Nat'l Red Cross*, 798 F. Supp. 301 (E.D.N.C. 1992).

Health Clinic as Health Care Provider. — Where action arose from alleged malpractice of doctor who practiced in a small, rural health clinic, if health clinic were ultimately determined to be responsible for any negligence by doctor, health clinic would be a "health care provider" under the statutory definition. *Shumaker v. United States*, 714 F. Supp. 154 (M.D.N.C. 1988).

Medical Malpractice Does Not Fall Within Professional Services Exclusion. — Negligence actions against health care providers may be based upon breaches of the ordinary duty of reasonable care where the alleged breach does not involve rendering or failing to render professional services requiring special skills. Therefore, a claim for medical malpractice as defined by statute does not as a matter of law fall within a professional services exclusion in an insurance policy which is strictly construed in favor of coverage. *Duke Univ. v. St. Paul Fire & Marine Ins. Co.*, 96 N.C. App. 635,

386 S.E.2d 762, cert. denied, 326 N.C. 595, 393 S.E.2d 876 (1990).

Victim Could Not Bring Claim Against Red Cross. — No physician-patient relationship existed between Acquired Immune Deficiency Syndrome (AIDS) victim (the blood recipient) and the Red Cross. Therefore, he could not bring a malpractice claim against the Red Cross. *Doe v. American Nat'l Red Cross*, 798 F. Supp. 301 (E.D.N.C. 1992).

§ 90-21.12. Standard of health care.

In any action for damages for personal injury or death arising out of the furnishing or the failure to furnish professional services in the performance of medical, dental, or other health care, the defendant shall not be liable for the payment of damages unless the trier of the facts is satisfied by the greater weight of the evidence that the care of such health care provider was not in accordance with the standards of practice among members of the same health care profession with similar training and experience situated in the same or similar communities at the time of the alleged act giving rise to the cause of action. (1975, 2nd Sess., c. 977, s. 4.)

CASE NOTES

Legislative Intent. — The North Carolina legislature: 1) specifically dealt with blood banks with the enactment of G.S. 90-220.13; 2) expressly intended that blood banks be held subject to an ordinary standard of care; and 3) intentionally omitted blood banks from inclusion in this section because it acted with knowledge of G.S. 90-220.13 when it enacted this section in 1975. *Doe v. American Nat'l Red Cross*, 798 F. Supp. 301 (E.D.N.C. 1992).

Intended purpose of this section was merely to conform the statute more closely to the existing case law applying a "same or similar community" standard of care. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

This section does not abrogate the common-law standards of care required of a physician. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

The General Assembly did intend to eliminate the previously existing common-law obligations of a physician to his patient. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

This section does not abrogate the duty of medical professionals to exercise their best judgment and reasonable care and diligence in the treatment and care of patients. *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

The standard of care adopted in this section reflects the decisional law of the courts. *Tice v. Hall*, 63 N.C. App. 27, 303 S.E.2d 832 (1983), *aff'd*, 310 N.C. 589, 313 S.E.2d 565 (1984).

This section does not alter the standard of care developed in case law. *Makas v. Hillhaven,*

Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

This Article controls the standard of care for health care providers, including the practice of nursing. *Page v. Wilson Mem. Hosp.*, 49 N.C. App. 533, 272 S.E.2d 8 (1980).

This section codified the standard of health care necessary for the trier of the facts to establish a defendant's liability. *Simons v. Georgiade*, 55 N.C. App. 483, 286 S.E.2d 596, cert. denied, 305 N.C. 587, 292 S.E.2d 571 (1982).

In negligence actions against health care providers, this section sets the applicable standard of care. Thus, there is no reason to resort to the negligence per se presumption. To do so would be in conscious disregard of this section. *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

Nursing Home Patients' Bill of Rights Not Substitute for Standard of Care. — The Nursing Home Patients' Bill of Rights, § 131E-115 et seq., is not a substitute, through the doctrine of negligence per se, for the well-established standard of care to be applied in negligence actions for damages against health care providers. *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

Testimony as to National Standard. — Expert witness's testimony that, in his opinion, defendant doctor met the highest standard of care found anywhere in the United States met the requirements of this section, although he did not testify that he was familiar with the local standard. *Marley v. Graper*, 135 N.C. App. 423, 521 S.E.2d 129, 1999 N.C. App. LEXIS 1151 (1999).

The court rejected the defendant pharmacy's argument that this section does not encompass a nationwide standard of care for pharmacists and that the plaintiff's witness's testimony concerning the standard of care applicable to the defendant pharmacist was erroneously based upon a nationwide standard as not properly before it, where the defendant failed to move to strike the standard of care testimony by the witness which it challenged on appeal, while presenting on cross-examination essentially the same testimony to which it had objected, and where it failed to object to the tender of the witness as an expert in pharmacy or to request a voir dire hearing pursuant to G.S. 8C-1, Rule 705 to explore the bases for his opinion. *Brooks v. Wal-Mart Stores, Inc.*, 139 N.C. App. 637, 535 S.E.2d 55, 2000 N.C. App. LEXIS 1038 (2000).

Expert testimony as to a national standard of care held inadmissible where defendants' conduct concerned complicated medical procedures, i.e. the prenatal care of a patient with gestational diabetes and the delivery of an infant suffering from shoulder dystocia. *Henry v. Southeastern OB-GYN Assocs., P.A.*, 142 N.C. App. 561, 543 S.E.2d 911, 2001 N.C. App. LEXIS 179 (2001).

By adopting the similar community rule in this section, it was the intent of the General Assembly to avoid the adoption of a national or regional standard of care for health care providers and not to exclude testimony where it was shown that the witness was familiar with the standards of hospitals in adjoining and nearby communities. *Page v. Wilson Mem. Hosp.*, 49 N.C. App. 533, 272 S.E.2d 8 (1980).

It is clear from the wording of this statute that the test is not that of a statewide standard of health care, but rather a standard of practice among members of the same health care profession situated in the same or similar communities. *Dailey v. North Carolina State Bd. of Dental Exmrs.*, 60 N.C. App. 441, 299 S.E.2d 473, rev'd on other grounds, 309 N.C. 710, 309 S.E.2d 219 (1983).

Because this section was designed to overcome the strict "locality" rule that had previously existed in North Carolina, the "similar community" requirement in this section is not confined to North Carolina but would apply to communities within or without the State. *Baynor v. Cook*, 125 N.C. App. 274, 480 S.E.2d 419 (1997), cert. denied, 346 N.C. 275, 487 S.E.2d 537 (1997).

In enacting this section the legislature did not depart from established principles of malpractice law or create a new standard of care by which a defendant's actions are judged. *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

The statute refines the definition of same or similar communities and specifically identifies health care providers whose

conduct is to be judged by the applicable standard of care. That standard requires health care providers who render services to patients to exercise their best judgment and reasonable care and diligence, and to comply with the standards of practice among members of the same health care profession with similar training and experience situated in the same or similar communities. *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

Duty to Meet Statutory Standard of Care Applies to Consensual Physician-Patient Relationship. — When a physician and a patient enter into a consensual physician-patient relationship for the provision of medical services, a duty arises requiring the physician to conform to the statutory standard of care. *Mozingo ex rel. Thomas v. Pitt County Mem. Hosp.*, 101 N.C. App. 578, 400 S.E.2d 747 (1991), aff'd, 331 N.C. 182, 415 S.E.2d 341 (1992).

A duty to meet the statutory standard of care may arise absent a consensual physician-patient relationship. *Mozingo ex rel. Thomas v. Pitt County Mem. Hosp.*, 101 N.C. App. 578, 400 S.E.2d 747 (1991), aff'd, 331 N.C. 182, 415 S.E.2d 341 (1992).

Where defendant physician was responsible for supervision of residents at the hospital pursuant to contract between physicians' association and hospital, physician owed statutory duty of care to obstetrics patient even though he did not have direct consensual physician-patient relationship with patient. *Mozingo ex rel. Thomas v. Pitt County Mem. Hosp.*, 101 N.C. App. 578, 400 S.E.2d 747 (1991), aff'd, 331 N.C. 182, 415 S.E.2d 341 (1992).

This section does not displace res ipsa loquitur in medical malpractice cases. *Res ipsa loquitur* allows an issue of whether a particular health care provider complied with the statutory standard under certain circumstances, usually when foreign bodies such as sponges, instruments, etc., are left in a patient's body during surgery, to be submitted to the jury, even in the absence of direct proof of negligence. *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

As to application of res ipsa loquitur in medical malpractice actions, see *Schaffner v. Cumberland County Hosp. Sys.*, 77 N.C. App. 689, 336 S.E.2d 116 (1985), cert. denied, 316 N.C. 195, 341 S.E.2d 578, 341 S.E.2d 579 (1986).

Medical Malpractice Not Within Professional Services Exclusion in Insurance Policy. — Negligence actions against health care providers may be based upon breaches of the ordinary duty of reasonable care where the alleged breach does not involve rendering or failing to render professional services requiring special skills. Therefore, a claim for medical malpractice as defined by statute does not as a

matter of law fall within a professional services exclusion in an insurance policy which is strictly construed in favor of coverage. *Duke Univ. v. St. Paul Fire & Marine Ins. Co.*, 96 N.C. App. 635, 386 S.E.2d 762, cert. denied, 326 N.C. 595, 393 S.E.2d 876 (1990).

Health Clinic as Health Care Provider.

— Where action arose from alleged malpractice of doctor who practiced in a small, rural health clinic, if health clinic were ultimately determined to be responsible for any negligence by doctor, health clinic would be a "health care provider" under the statutory definition. *Shumaker v. United States*, 714 F. Supp. 154 (M.D.N.C. 1988).

Violation of Health Care Regulation. —

Although this section codifies the common-law obligation of the health care provider to the patient and establishes the standard of care, violation of a health care regulation may be proof of a negligent deviation from that standard of care. *Griggs v. Morehead Mem. Hosp.*, 82 N.C. App. 131, 345 S.E.2d 430 (1986).

A hospital has a duty to exercise ordinary care to keep its premises in a reasonably safe condition so as not to expose the patient unnecessarily to danger. *Burns v. Forsyth County Hosp. Auth.*, 81 N.C. App. 556, 344 S.E.2d 839 (1986).

The duty a hospital owes its patients is to exercise reasonable or ordinary care to maintain in a reasonably safe condition that part of the hospital designed for the patients' use. This duty imparts the additional duties owed to an invitee, that is, the duty to warn the patient of hidden unsafe conditions and the duty to discover hidden unsafe conditions by reasonable inspection and supervision. However, these duties are limited to unsafe conditions of which the hospital has notice. *Burns v. Forsyth County Hosp. Auth.*, 81 N.C. App. 556, 344 S.E.2d 839 (1986).

Showing Required in Malpractice Cases. —

In malpractice cases, plaintiff must demonstrate by the testimony of a qualified expert that the treatment administered by defendant was in negligent violation of the accepted standard of medical care in the same or similar communities and that defendant's treatment proximately caused plaintiff's injury. *Tripp v. Pate*, 49 N.C. App. 329, 271 S.E.2d 407 (1980); *Moore v. Reynolds*, 63 N.C. App. 160, 303 S.E.2d 839 (1983).

In actions for damages for personal injury arising out of the furnishing or failure to furnish professional services in the performance of medical, dental, or other health care, the health care provider's liability is conditioned on proof by the plaintiff that the care of such health care provider was not in accordance with the standards of practice among members of the same health care profession with similar training and experience situated in the same or similar

communities at the time of the alleged act giving rise to the cause of action. A showing that the health care provider violated such standards of practice satisfies a plaintiff's burden of proof as to professional malpractice. *Mazza v. Huffaker*, 61 N.C. App. 170, 300 S.E.2d 833, cert. denied, 309 N.C. 132, 305 S.E.2d 734 (1983).

In medical malpractice cases, this section requires that, in order to be entitled to recover, the plaintiff must show that the defendant physician provided the plaintiff with a level of care not in accordance with the standards of practice among members of the same health care profession with similar training and experience situated in the same or similar communities at the time of the alleged act giving rise to the cause of action. Generally, expert testimony is necessary to establish this standard of care. *Warren v. Canal Indus., Inc.*, 61 N.C. App. 211, 300 S.E.2d 557 (1983).

The defendant physician's negligence must be established by showing the standard of care owed to plaintiff and that defendant violated that standard of care. *Beaver v. Hancock*, 72 N.C. App. 306, 324 S.E.2d 294 (1985).

In a medical malpractice case, the plaintiff must prove that defendant was negligent in his care of plaintiff and that such negligence was the proximate cause of plaintiff's injuries and damage. The defendant physician's negligence must be established by showing the standard of care owed to plaintiff and that defendant violated that standard of care. *Mozingo ex rel. Thomas v. Pitt County Mem. Hosp.*, 101 N.C. App. 578, 400 S.E.2d 747 (1991), *aff'd*, 331 N.C. 182, 415 S.E.2d 341 (1992).

The court did not err in excluding plaintiff's medical testimony regarding the standard of care applicable to the defendant physician, where the form of the plaintiff's question to the expert was directed at the expert's familiarity with the standard of care applicable to him, not to the defendant physician. *Heatherly v. Industrial Health Council*, 130 N.C. App. 616, 504 S.E.2d 102 (1998).

Parents of baby who suffered an injury during delivery established the applicable standard of care through the expert testimony of an obstetrician gynecologist with a subspecialty in perinatology who was licensed to practice in South Carolina and Alabama; the expert testified as to the proper procedures the doctor should have utilized in delivering the baby, the proper local standard of care, and the failure of the doctor to correctly perform the procedures. *Leatherwood v. Ehlinger*, 151 N.C. App. 15, 564 S.E.2d 883, 2002 N.C. App. LEXIS 678 (2002).

Showing When Breach Does Not Involve Special Skills. — When the alleged breach does not involve the rendering of or failure to render professional nursing or medical services requiring special skills, it is not necessary to

establish the standard of due care prevailing among hospitals in like situations in order to develop a case of negligence. In such cases *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984) is not appropriate. *Burns v. Forsyth County Hosp. Auth.*, 81 N.C. App. 556, 344 S.E.2d 839 (1986).

When a physician holds himself out as a specialist, he is required to bring to the care of his patients more than the average degree of skill possessed by general practitioners. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

An instruction using the term "honest error" could easily be interpreted by the jury to mean that a physician could not be liable for negligence unless he was somehow dishonest, particularly when the term is not defined with reference to the physician's other obligations to the patient. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

Because of the potentially misleading and exculpatory import of the term, the phrase "honest error" is inappropriate in an instruction on the liability of a doctor for medical malpractice and should not hereafter be given. Language in prior cases which may have sanctioned the use of this term in defining a physician's liability for medical negligence is expressly disapproved. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

Instruction fully explaining doctor's duty to his patient must combine elements of both this section and phraseology from earlier cases. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

An instruction stating that a physician is not an insurer of results should not be given when no issue concerning a guarantee has been raised. *Wall v. Stout*, 310 N.C. 184, 311 S.E.2d 571 (1984).

Trial Court Erred When Reciting Section Verbatim to Jury. — In a malpractice action, the trial court committed reversible error in reciting this section verbatim when instructing the jury on the health care provider's duties of care, as the jury was thereby in effect told that defendants could be liable only for a breach of the duty to provide care in accordance with the standard of health care required by law. *Donaldson v. Charlotte Mem. Hosp. & Medical Center*, 96 N.C. App. 663, 387 S.E.2d 60, cert. denied, 327 N.C. 137, 394 S.E.2d 171 (1990).

Instruction Held Proper. — Portion of jury instruction in medical malpractice case charging jury that "if you are unable to determine where the truth lies" they should render a verdict in favor of defendant did not contain the potential defects which the conference of judges sought to cure by revising North Carolina Pattern Jury Instructions Civil 809.00, 809.03 (1987); therefore, it was properly given. *Clark v. Dickstein*, 92 N.C. App. 207, 374 S.E.2d 142

(1988), cert. denied, 324 N.C. 246, 377 S.E.2d 753 (1989).

Inapplicable to Dental Licensing Board Disciplinary Hearing. — While this section establishes a standard of care below which a health care provider may be held civilly liable in damages, G.S. 90-41 and this section serve different purposes. Admittedly the violations for which a dentist may be subject to discipline include acts of "malpractice," pursuant to G.S. 90-41(a)(19). However, this language was not intended to incorporate a standard applicable in actions for damages "for personal injury or death arising out of the furnishing or the failure to furnish professional services in the performance of . . . dental . . . care." In fact, G.S. 90-41 was first enacted in 1935, long before the 1975 enactment of this section. Therefore, the standard of health care enunciated under this section is inapplicable to a professional licensing board disciplinary hearing. *Dailey v. North Carolina State Bd. of Dental Exmrs.*, 309 N.C. 710, 309 S.E.2d 219 (1983).

In order to withstand a motion for a directed verdict under this section, plaintiff must offer evidence which establishes the following elements: (1) the standard of care; (2) breach of the standard of care; (3) proximate causation; and (4) damages. Failure to establish sufficient evidence on any one element entitles the defendant to a directed verdict. *Lowery v. Newton*, 52 N.C. App. 234, 278 S.E.2d 566.

When a defendant moves for a directed verdict in a medical malpractice case, the question raised is whether plaintiff has offered evidence of each of the following elements of his claim for relief: (1) the standard of care; (2) breach of the standard of care; (3) proximate causation; and (4) damages. *Mitchell v. Parker*, 68 N.C. App. 458, 315 S.E.2d 76, cert. denied, 311 N.C. 760, 321 S.E.2d 140, 321 S.E.2d 141 (1984); *Makas v. Hillhaven, Inc.*, 589 F. Supp. 736 (M.D.N.C. 1984).

Standard of Care Must Be Established by Other Practitioners or Experts. — In malpractice cases the applicable standard of care must be established by other practitioners in the particular field of practice or by other expert witnesses equally familiar and competent to testify to that limited field of practice. *Lowery v. Newton*, 52 N.C. App. 234, 278 S.E.2d 566; *White v. Hunsinger*, 88 N.C. App. 382, 363 S.E.2d 203 (1988).

Usually the question of what is the standard of care required of a physician or surgeon is one concerning highly specialized knowledge with respect to which a layman can have no reliable information. As to this, both the court and jury must be dependent on expert testimony. Ordinarily there can be no other guide. *Mazza v. Huffaker*, 61 N.C. App. 170, 300 S.E.2d 833,

cert. denied, 309 N.C. 132, 305 S.E.2d 734 (1983).

Usually, expert testimony is required to establish the standard, to show its negligent violation, and to show that such negligent violation was the proximate cause of the injury complained of. *Tice v. Hall*, 63 N.C. App. 27, 303 S.E.2d 832 (1983), *aff'd*, 310 N.C. 589, 313 S.E.2d 565 (1984).

Usually, but not in all cases, the accepted standard of care and its violation must be established by expert testimony. *Beaver v. Hancock*, 72 N.C. App. 306, 324 S.E.2d 294 (1985).

Trial court's grant of a directed verdict in favor of the medical care providers and against the family was proper as their medical malpractice action was inadequately supported by expert testimony, since the family medical expert was only familiar with the national standard of care and N.C. Gen. Stat. G.S. 90-21.12 specifically required that a medical expert had to be familiar with the medical care provided in the same or similar community in which the malpractice allegedly occurred in order for the expert's testimony to be relevant. *Henry v. Southeastern OB-GYN Assocs., P.A.*, 145 N.C. App. 208, 550 S.E.2d 245, 2001 N.C. App. LEXIS 661 (2001), *aff'd*, 354 N.C. 570, 557 S.E.2d 530 (2001).

Standard Must Be Established by Other Practitioners or Experts. — In a medical malpractice case, generally there must be expert testimony that tends to show a deviation from the normal standard of care. *Assaad v. Thomas*, 87 N.C. App. 276, 360 S.E.2d 503 (1987), appeal dismissed and cert. denied, 321 N.C. 471, 364 S.E.2d 917 (1988).

Where neither the defendant nor the doctors averred that they were familiar with the standards of practice among members of the same health care profession with similar training and experience to that of the defendant situated in that particular county or a similar community at the time of the alleged negligence giving rise to the suit, defendant failed to meet his burden with regard to his motion for summary judgment and genuine issues of material fact exist as to the appropriate standard of care and as to whether defendant acted in accordance with that standard. *Mozingo ex rel. Thomas v. Pitt County Mem. Hosp.*, 101 N.C. App. 578, 400 S.E.2d 747 (1991), *aff'd*, 331 N.C. 182, 415 S.E.2d 341 (1992).

Specialists May Be Disqualified from Testifying Against General Practitioner by G.S. 8C-1, Rule 702. — All three of the plaintiff's witnesses were disqualified from testifying against the defendant, a general practitioner, regardless of whether they were more highly qualified, because they were specialists as that term is used in the statute. One was board certified in oncology; another, in emer-

gency medicine and family practice; and the third held himself out as a specialist in emergency medicine. Consequently, the defendant's motion for a directed verdict was properly granted. *Formyduval v. Bunn*, 138 N.C. App. 381, 530 S.E.2d 96, 2000 N.C. App. LEXIS 622 (2000).

Testimony as to Standard in Similar Communities. — An expert witness, otherwise qualified, may state his opinion as to whether the treatment and care given by the defendant to the particular patient came up to the standard prevailing in similar communities, with which the witness is familiar, even though the witness is not actually acquainted with actual medical practices in the particular community in which the service was rendered at the time it was performed. *Howard v. Piver*, 53 N.C. App. 46, 279 S.E.2d 876 (1981).

It is not necessary for the witness testifying as to the standard of care to have actually practiced in the same community as the defendant as long as the witness is familiar with the standard. Moreover, as long as the witness is shown to be familiar with the applicable standard of care, the fact that the question asked of the witness does not track the language of this section does not necessarily render the answer inadmissible. *Warren v. Canal Indus., Inc.*, 61 N.C. App. 211, 300 S.E.2d 557 (1983).

Trial court properly admitted the expert testimony of two doctors pursuant to G.S. 90-21.12, because the doctors testified to familiarity with the standard of care in communities similar to the community in question. *Coffman v. Roberson*, 153 N.C. App. 618, 571 S.E.2d 255, 2002 N.C. App. LEXIS 1255 (2002), cert. denied, 356 N.C. 668, 577 S.E.2d 111 (2003).

Expert Need Not Be Familiar with Local Standard Where Same Across Country. — Where the standard of care is the same across the country, an expert witness familiar with that standard may testify despite his lack of familiarity with the defendant's community. *Haney v. Alexander*, 71 N.C. App. 731, 323 S.E.2d 430 (1984), cert. denied, 313 N.C. 329, 327 S.E.2d 889 (1985).

This section does not require expert witnesses to have actually practiced in a similar community at the exact time of the alleged act. *White v. Hunsinger*, 88 N.C. App. 382, 363 S.E.2d 203 (1988).

Expert Must Be Familiar with Standard of Care in Community. — Trial court did not err in medical malpractice case by excluding the testimony of plaintiff's medical expert as to the standard of care where the expert failed to testify that he was familiar with the standard of care in the community in which the alleged malpractice took place, or to a similarly situated community. *Tucker v. Meis*, 127 N.C. App. 197, 487 S.E.2d 827 (1997).

Expert Need Not Have Practiced at Time

of Alleged Act. — It would be unduly restrictive under this section to require an expert to have knowledge of the standard of care in a similar community at the time of the alleged act only by having practiced in the particular field at that time. *Simons v. Georgiade*, 55 N.C. App. 483, 286 S.E.2d 596, cert. denied, 305 N.C. 587, 292 S.E.2d 571 (1982).

Expert Testimony Not Always Required.

— It has never been the rule in this State that expert testimony is needed in all medical malpractice cases to establish either the standard of care or proximate cause. Indeed, when the jury, based on its common knowledge and experience, is able to understand and judge the action of a physician or surgeon, expert testimony is not needed. *Powell v. Shull*, 58 N.C. App. 68, 293 S.E.2d 259, cert. denied, 306 N.C. 743, 295 S.E.2d 479 (1982).

Expert Testimony Not Required to Show Contributory Negligence.

— In a medical malpractice case, medical expert testimony, although useful, is not required to show the causal connection between plaintiff's alleged contributory negligence and his injuries. *McGill v. French*, 333 N.C. 209, 424 S.E.2d 108 (1993).

Use of Nonexpert Testimony to Show Departure from Standard of Care.

— Once the standard of care is established, whether by expert or nonexpert testimony, a doctor's departure from that standard of care may be shown by nonexpert witnesses. *Powell v. Shull*, 58 N.C. App. 68, 293 S.E.2d 259, cert. denied, 306 N.C. 743, 295 S.E.2d 479 (1982).

Sexual Assault. — When a plaintiff alleges to have been sexually assaulted by a health care professional, a cause of action may arise from the failure of a health care provider to meet the relevant standard of care. *Johnson v. Amethyst Corp.*, 120 N.C. App. 529, 463 S.E.2d 397, 1995 N.C. App. LEXIS 919 (1995), cert. granted, 467 S.E.2d 713 (1996).

Therapist's Sexual Involvement with Patient.

— Evidence showing that defendant therapist engaged in a sexual relationship with plaintiff client constituted evidence of professional malpractice sufficient to withstand defendant's motion for a directed verdict. *MacClements v. LaFone*, 104 N.C. App. 179, 408 S.E.2d 878 (1991), cert. denied, 330 N.C. 613, 412 S.E.2d 87 (1992).

Duty of Physician in Rendering Family Planning Services.

— Whatever a woman's reason for desiring to avoid pregnancy, when a physician undertakes to provide medical care or advice to her for that purpose, he must provide professional services in that case, just as in the rendering of professional services in any instance, according to the established professional standards. *Jackson v. Bumgardner*, 318 N.C. 172, 347 S.E.2d 743 (1986).

A claim for "wrongful conception" or

"wrongful pregnancy" is recognizable in this State. *Jackson v. Bumgardner*, 318 N.C. 172, 347 S.E.2d 743 (1986).

A cause of action exists in North Carolina when a health care provider negligently provides counseling and information which induces a couple to conceive a defective child. *Gallagher v. Duke Univ.*, 638 F. Supp. 979 (M.D.N.C. 1986), aff'd in part and vacated in part on other grounds, 852 F.2d 773 (4th Cir. 1988).

Negligence for Failing to Report Test Results Resulting in Ill Child.

— Plaintiffs stated a claim for medical malpractice where their complaint alleged that defendant was negligent in his failure to report results of blood tests he performed, so that plaintiffs were unable to make an informed choice and that plaintiff/wife became pregnant with a child with sickle cell anemia. *McAllister v. Ha*, 347 N.C. 638, 496 S.E.2d 577 (1998).

Damages for "Wrongful Conception".

— In an action for "wrongful conception," plaintiff wife may recover damages for the expenses associated with her pregnancy, but plaintiffs may not recover for the costs of rearing their child. *Jackson v. Bumgardner*, 318 N.C. 172, 347 S.E.2d 743 (1986).

For case involving the birth of an unplanned child due to physician's negligent failure to maintain in place or reinsert an intrauterine device, see *Jackson v. Bumgardner*, 71 N.C. App. 107, 321 S.E.2d 541 (1984), aff'd in part and rev'd in part, 318 N.C. 172, 347 S.E.2d 743 (1986).

For case involving the birth of a child with Down's Syndrome

due to physician's alleged failure to inform parents of the risks of genetic defects, see *Azzolino v. Dingfelder*, 71 N.C. App. 289, 322 S.E.2d 567 (1984), aff'd in part and rev'd in part, 315 N.C. 103, 337 S.E.2d 528 (1985), cert. denied, 479 U.S. 835, 107 S. Ct. 131, 93 L. Ed. 2d 75 (1986).

A physician's assistant is not subject to the same standard of practice as a medical doctor.

Paris v. Kreitz, 75 N.C. App. 265, 331 S.E.2d 234, cert. denied, 315 N.C. 185, 337 S.E.2d 858 (1985).

Action Against Pharmacist for Wrongful Death.

— While a pharmacist has no duty to advise absent knowledge of the circumstances, once a pharmacist is alerted to specific facts and he or she undertakes to advise a customer, the pharmacist then has a duty to advise correctly; therefore, where plaintiff alleged, among other things, that her decedent "sought out and was relying upon the skill, judgment and expertise of defendant with respect to the safety of taking the drug Indocin given the fact that plaintiff's intestate suffered the aforementioned medical condition," she stated a claim upon which relief could be granted. *Ferguson v.*

Williams, 92 N.C. App. 336, 374 S.E.2d 438 (1988).

Absent evidence in the record as to what defendant did or failed to do in performance of duties to plaintiff, the court was obligated to direct a verdict for defendant. *Assaad v. Thomas*, 87 N.C. App. 276, 360 S.E.2d 503 (1987).

Testimony of Obstetrician as to Actions of Pediatrician. — Physician specializing in obstetrics and gynecology was not rendered incompetent as a matter of law to testify as to when defendant pediatrician should have referred patient to a neurosurgeon solely because he was not a pediatrician. *White v. Hunsinger*, 88 N.C. App. 382, 363 S.E.2d 203 (1988).

OPINIONS OF ATTORNEY GENERAL

It is not unlawful for a physician to deviate from the procedures set out in the Right to Natural Death Act, but the physician who does so will lose the benefit of the absolute defense provided in the Act. As a result, the standard of care by which the phy-

sician's acts or omissions will be judged will be the general standard of care for physicians which is set out in statutory and common law. See Opinion of Attorney General to C. Robin Britt, Sr., Secretary, Department, of Human Resources, — N.C.A.G. — (January 5, 1995).

§ 90-21.12A. Nonresident physicians.

A patient may bring a medical malpractice claim in the courts of this State against a nonresident physician who practices medicine or surgery by use of any electronic or other media in this State. (1997-514, s. 2.)

Legal Periodicals. — For 1997 legislative survey, see 20 Campbell L. Rev. 469.

§ 90-21.13. Informed consent to health care treatment or procedure.

(a) No recovery shall be allowed against any health care provider upon the grounds that the health care treatment was rendered without the informed consent of the patient or the patient's spouse, parent, guardian, nearest relative or other person authorized to give consent for the patient where:

- (1) The action of the health care provider in obtaining the consent of the patient or other person authorized to give consent for the patient was in accordance with the standards of practice among members of the same health care profession with similar training and experience situated in the same or similar communities; and

- (2) A reasonable person, from the information provided by the health care provider under the circumstances, would have a general understanding of the procedures or treatments and of the usual and most frequent risks and hazards inherent in the proposed procedures or treatments which are recognized and followed by other health care providers engaged in the same field of practice in the same or similar communities; or
- (3) A reasonable person, under all the surrounding circumstances, would have undergone such treatment or procedure had he been advised by the health care provider in accordance with the provisions of subdivisions (1) and (2) of this subsection.
- (b) A consent which is evidenced in writing and which meets the foregoing standards, and which is signed by the patient or other authorized person, shall be presumed to be a valid consent. This presumption, however, may be subject to rebuttal only upon proof that such consent was obtained by fraud, deception or misrepresentation of a material fact.
- (c) A valid consent is one which is given by a person who under all the surrounding circumstances is mentally and physically competent to give consent.
- (d) No action may be maintained against any health care provider upon any guarantee, warranty or assurance as to the result of any medical, surgical or diagnostic procedure or treatment unless the guarantee, warranty or assurance, or some note or memorandum thereof, shall be in writing and signed by the provider or by some other person authorized to act for or on behalf of such provider.
- (e) In the event of any conflict between the provisions of this section and those of G.S. 35A-1245 and Articles 1A and 19 of Chapter 90, the provisions of those Articles shall control and continue in full force and effect. (1975, 2nd Sess., c. 977, s. 4; 2003-13, s. 5.)

Effect of Amendments. — Session Laws 2003-13, s. 5, effective April 17, 2003, and applies to all petitions for sterilization pending and orders authorizing sterilization that have not been executed as of April 17, 2003, substituted "G.S. 35A-1245" for "Article 7 of Chapter 35" in subsection (e).

CASE NOTES

Constitutionality. — See *Dixon v. Peters*, 63 N.C. App. 592, 306 S.E.2d 477 (1983).

Applicability to Cases Pending on Effective Date. — This section became effective on July 1, 1976, and expressly did not apply to cases pending on that date. *Simons v. Georgiade*, 55 N.C. App. 483, 286 S.E.2d 596, cert. denied, 305 N.C. 587, 292 S.E.2d 571 (1982).

Causes Arising But Not Pending Before Effective Date. — There is no provision in this

section regarding applicability to causes of action which arose before the effective date but in which no litigation was pending on the effective date, and this section therefore must apply to litigation which commenced after the effective date of July 1, 1976. *Simons v. Georgiade*, 55 N.C. App. 483, 286 S.E.2d 596, cert. denied, 305 N.C. 587, 292 S.E.2d 571 (1982).

Section Codifies Standard of Health Care. — Subdivision (a)(1) of this section establishes the standard required of health care

providers in obtaining the consent of the patient to be "in accordance with the standards of practice among members of the same health care profession with similar training and experience situated in the same or similar communities," which was also the standard in this State prior to the statute. *Nelson v. Patrick*, 58 N.C. App. 546, 293 S.E.2d 829 (1982).

No Requirement That All Three Subdivisions Be Complied with. — Neither the plain language of subsection (a) of this section nor the legislative purpose in enacting it requires that compliance with all three subdivisions of subsection (a) be shown in every case. *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

Subsection (a) is in the disjunctive and does not require the health care provider to establish compliance with all three subdivisions; it is sufficient if the provider can demonstrate that no genuine issue of fact exists under subdivisions (a)(1) and (a)(2). *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

Subdivision (a)(2) establishes an objective standard, etc. to determine whether the patient would have obtained a general understanding of the procedures or treatments contemplated and of the usual and most frequent risks and hazards inherent in them. *Nelson v. Patrick*, 58 N.C. App. 546, 293 S.E.2d 829 (1982).

Under subdivision (a)(2), physicians must indicate the status and risk of a procedure but need not inform patients in every instance that a procedure is experimental in nature. *Osburn v. Danek Medical, Inc.*, 135 N.C. App. 234, 520 S.E.2d 88, 1999 N.C. LEXIS 1045 (1999), cert. denied, 351 N.C. 359, 530 S.E.2d 54 (2000).

Subdivision (a)(3) establishes an objective standard to determine whether the patient would have undergone the proposed treatment or procedure had he been advised by the health care provider in accordance with the statute. *Nelson v. Patrick*, 58 N.C. App. 546, 293 S.E.2d 829 (1982).

Subsection (b) Does Not Encompass Innocent or Negligent Misrepresentation. — The General Assembly, in enacting G.S. 90-21.13(b), intended the word "misrepresentation" to refer only to intentional misrepresentation, and not to encompass innocent or negligent misrepresentation. *Liborio v. King*, 150 N.C. App. 531, 564 S.E.2d 272, 2002 N.C. App. LEXIS 573 (2002), cert. denied, 356 N.C. 304, 570 S.E.2d 726 (2002).

Expert Testimony Required to Establish the Standard of Care. — The standard of care required of a health care provider in a particular case generally concerns specialized knowledge and is thus unfamiliar to most laypersons. Consequently, our courts have consistently held that in the usual medical malpractice or medical negligence case, testimony of a qualified expert is required to establish the

standard of care. *Clark v. Perry*, 114 N.C. App. 297, 442 S.E.2d 57 (1994).

No Affirmative Duty for Health Care Provider to Discuss Experience. — Subsection (a) of this section imposes no affirmative duty on the health care provider to discuss his or her experience, and the court will not impose such a duty in a case where plaintiff's allegations are founded on her speculative and erroneous assumptions about the location of defendant's surgical experience. *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

No Duty to Discuss Qualifications of Assistants. — There is no statutory or common law duty for an attending surgeon to inform a patient of the particular qualifications of individuals who will be assisting in an operation. *Bowlin v. Duke Univ.*, 108 N.C. App. 145, 423 S.E.2d 320 (1992), cert. denied, 333 N.C. 461, 427 S.E.2d 618 (1993).

In cases of purely elective surgery, including cosmetic or weight reduction surgery, it would be most difficult for a provider to prove that a reasonable person "would have undergone such treatment" upon receipt of proper advice, pursuant to subdivision (a)(3) of this section. The most that can be shown in such cases is that some reasonable persons choose to undergo elective surgical procedures when advised in accordance with the statute. *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

"Reasonable Person" Test. — This section, governing informed consent to health care treatment or procedure, utilizes a "reasonable person" test to show a valid consent. *Simons v. Georgiade*, 55 N.C. App. 483, 286 S.E.2d 596, cert. denied, 305 N.C. 587, 292 S.E.2d 571 (1982).

The provider may not be held liable in an informed consent cause if a reasonable person, under the surrounding circumstances, would have undergone the treatment or procedure had he or she been advised in accordance with subdivisions (a)(1) and (a)(2). *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

Subsection (d) Applicable in Contract Actions. — Subsection (d) clearly and unequivocally relates to an agreement, a contract, between the health care provider and the patient to achieve a definite result, and thus is applicable to actions brought on a theory of contract as well as actions brought on malpractice theories. *Preston v. Thompson*, 53 N.C. App. 290, 280 S.E.2d 780, appeal dismissed and cert. denied, 304 N.C. 392, 285 S.E.2d 833 (1981).

Subsection (d) held inapplicable to an action for medical malpractice and wrongful pregnancy arising from physician's alleged negligent failure to maintain in place or reinsert an intrauterine device. This was not a suit upon a guaranteed result, since plaintiffs did not allege that defendant physician guaranteed his performance to yield a specific re-

sult, but rather, alleged that he totally failed to perform as he had promised. *Jackson v. Bumgardner*, 71 N.C. App. 107, 321 S.E.2d 541 (1984), *aff'd* in part and *rev'd* in part, 318 N.C. 172, 347 S.E.2d 743 (1986).

To meet the statutory standard for informed consent causes, the health care provider must provide the patient with sufficient information about the proposed treatment and its attendant risks to conform to the customary practice of members of the same profession with similar training and experience situated in the same or similar communities. In addition, the health care provider must impart enough information to permit a reasonable person to gain a "general understanding" of both the treatment or procedure and the "usual and most frequent risks and hazards" associated with the treatment. *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

Informed Consent and Expert Testimony. — Regarding actions based upon a health care provider's failure to obtain informed consent, subsection (a)(1) requires the use of expert medical testimony by the party seeking to establish the standard of care. *Clark v. Perry*, 114 N.C. App. 297, 442 S.E.2d 57 (1994).

Signed Consent Form Is Not Conclusive. — The General Assembly chose not to give the signed consent form conclusive weight. The form thus constitutes only some evidence of valid consent, and summary judgment may not be granted solely thereon when the adequacy of the underlying representations is disputed. *Estrada v. Jaques*, 70 N.C. App. 627, 321 S.E.2d 240 (1984).

Consent As to Experimental Devices. — Contrary to appellant's assertions, the trial court's instructions satisfied the requirements of this section and alerted the jury that evidence of the investigational or experimental status of the devices inserted in his back was properly considered in its resolution of the issue of the defendant's negligence. *Osburn v. Danek Medical, Inc.*, 135 N.C. App. 234, 520 S.E.2d 88, 1999 N.C. LEXIS 1045 (1999), cert. denied, 351 N.C. 359, 530 S.E.2d 54 (2000).

Informed consent by an experimental subject is required in the nontherapeutic context where the researcher does not have as an objective to benefit the subject. *Whitlock v. Duke Univ.*, 637 F. Supp. 1463 (M.D.N.C. 1986), *aff'd*, 829 F.2d 1340 (4th Cir. 1987).

Disclosure of Risks in Nontherapeutic Context. — While informed consent in the nontherapeutic context would have similarities with informed consent in the nonexperimental therapeutic context controlled by this section, the degree of required disclosure of risks is higher in the nontherapeutic context than is required under this section. *Whitlock v. Duke Univ.*, 637 F. Supp. 1463 (M.D.N.C. 1986), *aff'd*,

829 F.2d 1340 (4th Cir. 1987).

This section would not be applied per se in the nontherapeutic context to determine the standards for informed consent. *Whitlock v. Duke Univ.*, 637 F. Supp. 1463 (M.D.N.C. 1986), *aff'd*, 829 F.2d 1340 (4th Cir. 1987).

For discussion of reasonable standards of informed consent to an experimental procedure, see *Estrada v. Jaques*, 70 N.C. App. 627, 321 S.E.2d 240 (1984).

Hospital's Standard of Care Required. — Plaintiff's failure to present *prima facie* evidence of the standard of care applicable to hospital in obtaining plaintiff's informed consent to undergo a blood transfusion was fatal to claim against defendant hospital. *Clark v. Perry*, 114 N.C. App. 297, 442 S.E.2d 57 (1994).

Consent to Radiation Therapy. — In order to receive the benefits of subdivision (a)(1) of this section, defendant radiologists had a positive duty to obtain the informed consent of plaintiff to the radiation therapy in accordance with the subdivision; they could not shift their duty to the referring physician. *Nelson v. Patrick*, 58 N.C. App. 546, 293 S.E.2d 829 (1982).

For case comparing standards of care under this section and under the Nuremberg Code and 45 C.F.R. § 46.116(a)(2), see *Whitlock v. Duke Univ.*, 637 F. Supp. 1463 (M.D.N.C. 1986), *aff'd*, 829 F.2d 1340 (4th Cir. 1987).

Duty of Physician in Rendering Family Planning Services. — Whatever a woman's reason for desiring to avoid pregnancy, when a physician undertakes to provide medical care or advice to her for that purpose, he or she must provide the professional services in that case, just as in the rendering of professional services in any instance, according to the established professional standards. *Jackson v. Bumgardner*, 318 N.C. 172, 347 S.E.2d 743 (1986).

A claim for "wrongful conception" or "wrongful pregnancy" is recognizable in this State. *Jackson v. Bumgardner*, 318 N.C. 172, 347 S.E.2d 743 (1986); *Gallagher v. Duke Univ.*, 852 F.2d 773 (4th Cir. 1988).

Damages for "Wrongful Conception." — In an action for "wrongful conception," plaintiff wife may recover damages for the expenses associated with her pregnancy, but plaintiffs may not recover for the costs of rearing their child. *Jackson v. Bumgardner*, 318 N.C. 172, 347 S.E.2d 743 (1986).

Lack of Informed Consent Not Supported by Evidence. — Where patient had a stomach stapling operation to help him lose weight, patient failed to present any evidence to make a case for lack of informed consent; the record established that a reasonable person would have consented to the procedure where the record showed that patient was morbidly obese, that patient had a history of physical

maladies arising from his overweight condition, and that patient's life expectancy without the gastric stapling procedure would have been five to six years. *Snipes v. United States*, 711 F. Supp. 827 (W.D.N.C. 1989).

Trial Court Properly Entered Summary Judgment. — Where the record established without question or contradiction that defendant physician discussed gastroplasty procedure generally with plaintiff patient and provided her with detailed written information on the surgery and its risks, that plaintiff did in fact read the information provided and ac-

cepted the risks described therein, and that defendant's treatment of plaintiff accorded with the standard of care "in every respect," the trial court properly entered summary judgment for defendant on informed consent claim. *Foard v. Jarman*, 326 N.C. 24, 387 S.E.2d 162 (1990).

Applied in *Nelson v. Patrick*, 73 N.C. App. 1, 326 S.E.2d 45 (1985); *Ipock v. Gilmore*, 73 N.C. App. 182, 326 S.E.2d 271 (1985).

§ 90-21.14. First aid or emergency treatment; liability limitation.

(a) Any person, including a volunteer medical or health care provider at a facility of a local health department as defined in G.S. 130A-2 or at a nonprofit community health center or a volunteer member of a rescue squad, who receives no compensation for his services as an emergency medical care provider, who renders first aid or emergency health care treatment to a person who is unconscious, ill or injured,

- (1) When the reasonably apparent circumstances require prompt decisions and actions in medical or other health care, and
- (2) When the necessity of immediate health care treatment is so reasonably apparent that any delay in the rendering of the treatment would seriously worsen the physical condition or endanger the life of the person,

shall not be liable for damages for injuries alleged to have been sustained by the person or for damages for the death of the person alleged to have occurred by reason of an act or omission in the rendering of the treatment unless it is established that the injuries were or the death was caused by gross negligence, wanton conduct or intentional wrongdoing on the part of the person rendering the treatment.

(a1) Recodified as § 90-21.16 by Session Laws 2001-230, s. 1(a), effective October 1, 2001.

(b) Nothing in this section shall be deemed or construed to relieve any person from liability for damages for injury or death caused by an act or omission on the part of such person while rendering health care services in the normal and ordinary course of his business or profession. Services provided by a volunteer health care provider who receives no compensation for his services and who renders first aid or emergency treatment to members of athletic teams are deemed not to be in the normal and ordinary course of the volunteer health care provider's business or profession.

(c) In the event of any conflict between the provisions of this section and those of G.S. 20-166(d), the provisions of G.S. 20-166(d) shall control and continue in full force and effect. OPINIONS OF ATTORNEY GENERAL

Applicability of Subsection (a) to Emergency Medical Care Personnel. — Subsection (a) is inapplicable to emergency medical care personnel who are called to the scene of a

medical emergency. Opinion of Attorney General to Mr. I.O. Wilkerson, Director, Division of Facility Services, Department of Human Resources, 46 N.C.A.G. 42 (1976).

§ 90-21.15. Emergency treatment using automated external defibrillator; immunity.

(a) It is the intent of the General Assembly that, when used in accordance with this section, an automated external defibrillator may be used during an emergency for the purpose of attempting to save the life of another person who is in or who appears to be in cardiac arrest.

(b) For purposes of this section:

- (1) "Automated external defibrillator" means a device, heart monitor, and defibrillator that meets all of the following requirements:
 - a. The device has received approval from the United States Food and Drug Administration of its premarket notification filed pursuant to 21 U.S.C. § 360(k), as amended.
 - b. The device is capable of recognizing the presence or absence of ventricular fibrillation or rapid ventricular tachycardia and is capable of determining, without intervention by an operator, whether defibrillation should be performed.
 - c. Upon determining that defibrillation should be performed, the device automatically charges and requests delivery of, or delivers, an electrical impulse to an individual's heart.
- (2) "Person" means an individual, corporation, limited liability company, partnership, association, unit of government, or other legal entity.
- (3) "Training" means a nationally recognized course or training program in cardiopulmonary resuscitation (CPR) and automated external defibrillator use including the programs approved and provided by the:
 - a. American Heart Association.
 - b. American Red Cross.

(c) The use of an automated external defibrillator when used to attempt to save or to save a life shall constitute "first-aid or emergency health care treatment" under G.S. 90-21.14(a).

(d) The person who provides the cardiopulmonary resuscitation and automated external defibrillator training to a person using an automated external defibrillator, the person responsible for the site where the automated external defibrillator is located when the person has provided for a program of training, and a North Carolina licensed physician writing a prescription without compensation for an automated external defibrillator whether or not required by any federal or state law, shall be immune from civil liability arising from the use of an automated external defibrillator used in accordance with subsection (c) of this section.

(e) The immunity from civil liability otherwise existing under law shall not be diminished by the provisions of this section.

(f) Nothing in this section requires the purchase, placement, or use of automated external defibrillators by any person, entity, or agency of State, county, or local government. Nothing in this section applies to a product's liability claim against a manufacturer or seller as defined in G.S. 99B-1.

(g) In order to enhance public health and safety, a seller of an automated external defibrillator shall notify the North Carolina Department of Health and Human Services, Division of Facilities Services, Office of Emergency Medical Services of the existence, location, and type of automated external defibrillator. (2000-113, s. 1.)

§ 90-21.16. Volunteer health care professionals; liability limitation.

(a) This section applies as follows:

- (1) Any volunteer medical or health care provider at a facility of a local health department or at a nonprofit community health center,
- (2) Any volunteer medical or health care provider rendering services to a patient referred by a local health department as defined in G.S. 130A-2(5) or nonprofit community health center at the provider's place of employment,
- (3) Any volunteer medical or health care provider serving as medical director of an emergency medical services (EMS) agency,
- (4) Any retired physician holding a "Limited Volunteer License" under G.S. 90-12(d), or
- (5) Any volunteer medical or health care provider licensed or certified in this State who provides services within the scope of the provider's license or certification at a free clinic facility,

who receives no compensation for medical services or other related services rendered at the facility, center, agency, or clinic, or who neither charges nor receives a fee for medical services rendered to the patient referred by a local health department or nonprofit community health center at the provider's place of employment shall not be liable for damages for injuries or death alleged to have occurred by reason of an act or omission in the rendering of the services unless it is established that the injuries or death were caused by gross negligence, wanton conduct, or intentional wrongdoing on the part of the person rendering the services. The free clinic, local health department facility, nonprofit community health center, or agency shall use due care in the selection of volunteer medical or health care providers, and this subsection shall not excuse the free clinic, health department facility, community health center, or agency for the failure of the volunteer medical or health care provider to use ordinary care in the provision of medical services to its patients.

(b) Nothing in this section shall be deemed or construed to relieve any person from liability for damages for injury or death caused by an act or omission on the part of such person while rendering health care services in the normal and ordinary course of his or her business or profession. Services provided by a medical or health care provider who receives no compensation for his or her services and who voluntarily renders such services at facilities of free clinics, local health departments as defined in G.S. 130A-2, nonprofit community health centers, or as a volunteer medical director of an emergency medical services (EMS) agency, are deemed not to be in the normal and ordinary course of the volunteer medical or health care provider's business or profession.

(c) As used in this section, a "free clinic" is a nonprofit, 501(c)(3) tax-exempt organization organized for the purpose of providing health care services

without charge or for a minimum fee to cover administrative costs and that maintains liability insurance covering the acts and omissions of the free clinic and any liability pursuant to subsection (a) of this section. (1991, c. 655, s. 1.; 1993, c. 439, s. 1; 1995, c. 85, s. 1; 2000-5, s. 4; 2001-230, ss. 1(a), 1(b).)

Editor's Note. — This section was formerly codified as G.S. 90-21.14(a1). It was recodified as G.S. 90-21.16 by Session Laws 2001-230, s.

1(a), which was effective October 1, 2001, and applicable to acts or omissions occurring on or after that date.

§ 90-21.17. Portable do not resuscitate order.

(a) It is the intent of this section to recognize a patient's desire and right to withhold cardiopulmonary resuscitation to avoid loss of dignity and unnecessary pain and suffering through the use of a portable do not resuscitate ("DNR") order. This section establishes an optional and nonexclusive procedure by which a patient or the patient's representative may exercise this right.

(b) A physician may issue a portable DNR order for a patient:

- (1) With the consent of the patient;
- (2) If the patient is a minor, with the consent of the patient's parent or guardian; or
- (3) If the patient is not a minor but is incapable of making an informed decision regarding consent for the order, with the consent of the patient's representative.

The physician shall document the basis for the order in the patient's medical record.

(c) The Department of Health and Human Services shall develop a portable DNR order form. The official form shall include fields for the name of the patient; the name, address, and telephone number of the physician; the signature of the physician; and other relevant information. The form may be approved by reference to a standard form that meets the requirements of this subsection. For purposes of this section, the "patient's representative" means an individual from the list of persons authorized to consent to the withholding of extraordinary care pursuant to G.S. 90-322 or an individual who has an established relationship with the patient, who is acting in good faith on behalf of the patient, and who can reliably convey the patient's wishes.

(d) No physician, emergency medical professional, hospice provider, or other health care provider shall be subject to criminal prosecution, civil liability, or disciplinary action by any professional licensing or certification agency for withholding cardiopulmonary resuscitation from a patient in good faith reliance on an original DNR form adopted pursuant to subsection (c) of this section, provided that (i) there are no reasonable grounds for doubting the validity of the order or the identity of the patient, and (ii) the provider does not have actual knowledge of the revocation of the portable DNR order. No physician, emergency medical professional, hospice provider, or other health care provider shall be subject to criminal prosecution, civil liability, or disciplinary action by any professional licensing or certification agency for failure to follow a DNR form adopted pursuant to subsection (c) of this section if the provider had no actual knowledge of the existence of the DNR order.

(e) A health care facility may develop policies and procedures that authorize the facility's provider to accept a portable DNR order as if it were an order of the medical staff of that facility. This section does not prohibit a physician in a health care facility from issuing a written order, other than a portable DNR order, not to resuscitate a patient in the event of cardiac or respiratory arrest, in accordance with acceptable medical practice and the facility's policies.

(f) Nothing in this section shall affect the validity of portable DNR forms in existence prior to the effective date of this section. (2001-445, s. 1.)

Editor's Note. — Session Laws 2001-445, s. 2 makes this section effective December 1, 2001.

The number of this section was assigned by the Revision of Statutes, the number in Session Laws 2001-445, s. 1, having been 90-21.16.

§§ 90-21.18, 90-21.19: Reserved for future codification purposes.

ARTICLE 1C.

Physicians and Hospital Reports.

§ 90-21.20. Reporting by physicians and hospitals of wounds, injuries and illnesses.

(a) Such cases of wounds, injuries or illnesses as are enumerated in subsection (b) shall be reported as soon as it becomes practicable before, during or after completion of treatment of a person suffering such wounds, injuries, or illnesses. If such case is treated in a hospital, sanitarium or other medical institution or facility, such report shall be made by the Director, Administrator, or other person designated by the Director or Administrator, or if such case is treated elsewhere, such report shall be made by the physician or surgeon treating the case, to the chief of police or the police authorities of the city or town of this State in which the hospital or other institution, or place of treatment is located. If such hospital or other institution or place of treatment is located outside the corporate limits of a city or town, then the report shall be made by the proper person in the manner set forth above to the sheriff of the respective county or to one of his deputies.

(b) Cases of wounds, injuries or illnesses which shall be reported by physicians, and hospitals include every case of a bullet wound, gunshot wound, powder burn or any other injury arising from or caused by, or appearing to arise from or be caused by, the discharge of a gun or firearm, every case of illness apparently caused by poisoning, every case of a wound or injury caused, or apparently caused, by a knife or sharp or pointed instrument if it appears to the physician or surgeon treating the case that a criminal act was involved, and every case of a wound, injury or illness in which there is grave bodily harm or grave illness if it appears to the physician or surgeon treating the case that the wound, injury or illness resulted from a criminal act of violence.

(c) Each report made pursuant to subsections (a) and (b) above shall state the name of the wounded, ill or injured person, if known, and the age, sex, race, residence or present location, if known, and the character and extent of his injuries.

(d) Any hospital, sanitarium, or other like institution or Director, Administrator, or other designated person, or physician or surgeon participating in good faith in the making of a report pursuant to this section shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed as the result of the making of such report. (1971, c. 4; 1977, c. 31; c. 843, s. 2.)

Editor's Note. — This Article, as enacted by Session Laws 1971, c. 4, and amended by Session Laws 1971, c. 594, was originally applicable to New Hanover and Alamance Counties only, and was therefore not codified. The 1971 act was amended by Session Laws 1977, c. 31, and by Session Laws 1977, c. 843, s. 1, effective July 1, 1977, so as to make it applicable to

thirty counties. The 1977 acts having rendered the 1971 act general within the definition adopted for the General Statutes, the Article was codified.

Thus, as originally enacted, this section only applied to certain counties, which were set out in G.S. 90-21.21. However, Session Laws 1979, c. 529 repealed G.S. 90-21.21.

§ 90-21.20A. Reporting by physicians of pilots' mental or physical disabilities or infirmities.

(a) A physician who reports to a government agency responsible for pilots' licenses or certificates or a government agency responsible for air safety that a pilot or an applicant for a pilot's license or certificate suffers from or probably suffers from a physical disability or infirmity that the physician believes will or reasonably could affect the person's ability to safely operate an aircraft shall have immunity, civil or criminal, that might otherwise be incurred or imposed as the result of making such a report.

(b) A physician who gives testimony about a pilot's or an applicant's mental or physical disability or infirmity in any administrative hearing or other proceeding held to consider the issuance, renewal, revocation, or suspension of a pilot's license or certificate shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed as the result of such testimony. (1997-464, s. 2.)

§ 90-21.21: Repealed by Session Laws 1979, c. 529, s. 1.

ARTICLE 1D.

Peer Review.

§ 90-21.22. Peer review agreements.

(a) The North Carolina Medical Board may, under rules adopted by the Board in compliance with Chapter 150B of the General Statutes, enter into agreements with the North Carolina Medical Society and its local medical society components, and with the North Carolina Academy of Physician Assistants for the purpose of conducting peer review activities. Peer review activities to be covered by such agreements shall include investigation, review, and evaluation of records, reports, complaints, litigation and other information about the practices and practice patterns of physicians licensed by the Board, and of physician assistants approved by the Board, and shall include programs for impaired physicians and impaired physician assistants. Agreements between the Academy and the Board shall be limited to programs for impaired physicians and physician assistants and shall not include any other peer review activities.

(b) Peer review agreements shall include provisions for the society and for the Academy to receive relevant information from the Board and other sources, conduct the investigation and review in an expeditious manner, provide assurance of confidentiality of nonpublic information and of the review process, make reports of investigations and evaluations to the Board, and to do other related activities for promoting a coordinated and effective peer review process. Peer review agreements shall include provisions assuring due process.

(c) Each society which enters a peer review agreement with the Board shall establish and maintain a program for impaired physicians licensed by the Board. The Academy, after entering a peer review agreement with the Board, shall either enter an agreement with the North Carolina Medical Society for the inclusion of physician assistants in the Society's program for impaired physicians, or shall establish and maintain the Academy's own program for impaired physician assistants. The purpose of the programs shall be to identify, review, and evaluate the ability of those physicians and physician

assistants to function in their professional capacity and to provide programs for treatment and rehabilitation. The Board may provide funds for the administration of impaired physician and impaired physician assistant programs and shall adopt rules with provisions for definitions of impairment; guidelines for program elements; procedures for receipt and use of information of suspected impairment; procedures for intervention and referral; monitoring treatment, rehabilitation, post-treatment support and performance; reports of individual cases to the Board; periodic reporting of statistical information; assurance of confidentiality of nonpublic information and of the review process.

(d) Upon investigation and review of a physician licensed by the Board, or a physician assistant approved by the Board, or upon receipt of a complaint or other information, a society which enters a peer review agreement with the Board, or the Academy if it has a peer review agreement with the Board, as appropriate, shall report immediately to the Board detailed information about any physician or physician assistant licensed or approved by the Board if:

- (1) The physician or physician assistant constitutes an imminent danger to the public or to himself;
- (2) The physician or physician assistant refuses to cooperate with the program, refuses to submit to treatment, or is still impaired after treatment and exhibits professional incompetence; or
- (3) It reasonably appears that there are other grounds for disciplinary action.

(e) Any confidential patient information and other nonpublic information acquired, created, or used in good faith by the Academy or a society pursuant to this section shall remain confidential and shall not be subject to discovery or subpoena in a civil case. No person participating in good faith in the peer review or impaired physician or impaired physician assistant programs of this section shall be required in a civil case to disclose any information acquired or opinions, recommendations, or evaluations acquired or developed solely in the course of participating in any agreements pursuant to this section.

(f) Peer review activities conducted in good faith pursuant to any agreement under this section shall not be grounds for civil action under the laws of this State and are deemed to be State directed and sanctioned and shall constitute State action for the purposes of application of antitrust laws. (1987, c. 859, s. 15; 1993, c. 176, s. 1; 1995, c. 94, s. 23.)

CASE NOTES

Legislature Intended a Broad Privilege.

— Nonpublic documents in the possession of defendant/hospital, pertaining to defendant/doctor's participation in a physician's impairment treatment program, were privileged; the Legislature intended to create a broader privilege to information in this section than in peer review statutes such as G.S. 131E-95. *Sharpe v. Worland*, 137 N.C. App. 82, 527 S.E.2d 75, 2000 N.C. App. LEXIS 269 (2000).

Order Affecting Substantial Rights Is Immediately Reviewable. — When a party asserts a statutory privilege, such as that set out by subsection (e) of this section, which

directly relates to a matter to be disclosed under an interlocutory discovery order, and where the assertion is not otherwise frivolous or insubstantial, the challenged order affects a substantial right under G.S. 1-277(a) and 7A-27(d)(1) and is immediately reviewable; to the extent that cases like *Kaplan v. Prolife Action League of Greensboro*, 123 N.C.App. 677, 474 S.E.2d 408 (1996) differ, they are overruled. *Sharpe v. Worland*, 351 N.C. 159, 522 S.E.2d 577 (1999).

§ 90-21.22A. Medical review committees.

(a) As used in this section, "medical review committee" means a committee composed of health care providers licensed under this Chapter that is formed

for the purpose of evaluating the quality of, cost of, or necessity for health care services, including provider credentialing. "Medical review committee" does not mean a medical review committee established under G.S. 131E-95.

(b) A member of a duly appointed medical review committee who acts without malice or fraud shall not be subject to liability for damages in any civil action on account of any act, statement, or proceeding undertaken, made, or performed within the scope of the functions of the committee.

(c) The proceedings of a medical review committee, the records and materials it produces, and the materials it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, 131E-309, or 58-2-100; and shall not be subject to discovery or introduction into evidence in any civil action against a provider of health care services who directly provides services and is licensed under this Chapter, a PSO licensed under Article 17 of Chapter 131E of the General Statutes, an ambulatory surgical facility licensed under Chapter 131E of the General Statutes, or a hospital licensed under Chapter 122C or Chapter 131E of the General Statutes or that is owned or operated by the State, which civil action results from matters that are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents, or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee. A member of the committee may testify in a civil action but cannot be asked about his or her testimony before the committee or any opinions formed as a result of the committee hearings.

(d) This section applies to a medical review committee, including a medical review committee appointed by one of the entities licensed under Articles 1 through 67 of Chapter 58 of the General Statutes.

(e) Subsection (c) of this section does not apply to proceedings initiated under G.S. 58-50-61 or G.S. 58-50-62. (1997-519, s. 4.3; 1998-227, s. 3; 2002-179, s. 18.)

Effect of Amendments. — Session Laws 2002-179, s. 18, effective October 1, 2002, inserted "an ambulatory surgical facility licensed under Chapter 131E of the General Statutes" in

§ 90-21.23. Election by State.

For the purpose of making applicable in the State the early opt-in provisions of Title 4 of the "Health Care Quality Improvement Act of 1986," P.L. 99-660, the State elects to exercise on October 1, 1987, the provisions of Title 4, Section 411(c)(2)(A) of that act to promote good faith professional review activities. (1987, c. 859, s. 19.)

ARTICLE 1E.

*Certificate of Public Advantage.***§ 90-21.24. Findings.**

The General Assembly of North Carolina makes the following findings:

- (1) That technological and scientific developments in health care have enhanced the prospects for further improvement in the quality of care provided to North Carolina citizens.
- (2) That the cost of improved technology and improved scientific methods for the provision of health care contributes substantially to the increasing cost of health care. Cost increases make it increasingly difficult for physicians in rural areas of North Carolina to offer care.
- (3) That cooperative agreements among physicians, hospitals, and others for the provision of health care services may foster improvements in the quality of health care for North Carolina citizens, moderate increases in cost, and improve access to needed services in rural areas of North Carolina.
- (4) That physicians are often in the best position to identify and structure cooperative arrangements that enhance quality of care, improve access, and achieve cost-efficiency in the provision of care.
- (5) That federal and State antitrust laws may prohibit or discourage cooperative arrangements that are beneficial to North Carolina citizens, despite their potential for or actual reduction in competition, and that such agreements should be permitted and encouraged.
- (6) That competition as currently mandated by federal and State antitrust laws should be supplanted by a regulatory program to permit and encourage cooperative agreements between physicians or between physicians, hospitals, and others, that are beneficial to North Carolina citizens when the benefits of cooperative agreements outweigh their disadvantages caused by their potential or actual adverse effects on competition.
- (7) That regulatory as well as judicial oversight of cooperative agreements should be provided to ensure that the benefits of cooperative agreements permitted and encouraged in North Carolina outweigh any disadvantages attributable to any reduction in competition likely to result from the agreements. (1995, c. 395, s. 2.)

§ 90-21.25. Definitions.

As used in this Article, the following terms have the meanings specified:

- (1) "Attorney General" means the Attorney General of the State of North Carolina, or any attorney to whom the Attorney General delegates authority and responsibility to act pursuant to this Article.
- (2) "Cooperative agreement" means an agreement among two or more physicians, or between a physician, hospital, or any other person or persons, for the sharing, allocation, or referral of patients, personnel, instructional programs, support services and facilities, or medical, diagnostic, or laboratory facilities or equipment, or procedures or other services traditionally offered by physicians. Cooperative agreement shall not include any agreement that would permit self-referrals of patients by a health care provider that is otherwise prohibited by law.
- (3) "Department" means the North Carolina Department of Health and Human Services.

- (4) "Federal or State antitrust laws" means any and all federal or State laws prohibiting monopolies or agreements in restraint of trade, including, but not limited to, the federal Sherman Act, Clayton Act, and Federal Trade Commission Act, and the North Carolina laws codified in Chapter 75 of the General Statutes.
- (5) "Hospital" means any hospital required to be licensed under Chapter 131E or 122C of the General Statutes.
- (6) "Person" means any individual, firm, partnership, corporation, association, public or private institution, political subdivision, or government agency.
- (7) "Physician" means an individual licensed to practice medicine pursuant to Article 1 of this Chapter. (1995, c. 395, s. 2; 1997-443, s. 11A.118(a).)

Editor's Note. — The periods at the end of the subdivisions in this section were added at the direction of the Revisor of Statutes.

§ 90-21.26. Certificate of public advantage; application.

(a) A physician and any person who is a party to a cooperative agreement with a physician may negotiate, enter into, and conduct business pursuant to a cooperative agreement without being subject to damages, liability, or scrutiny under any State antitrust law if a certificate of public advantage is issued for the cooperative agreement, or in the case of activities to negotiate or enter into a cooperative agreement, if an application for a certificate of public advantage is filed in good faith. It is the intention of the General Assembly that immunity from federal antitrust laws shall also be conferred by this statute and the State regulatory program that it establishes.

(b) Parties to a cooperative agreement may apply to the Department for a certificate of public advantage governing that cooperative agreement. The application must include an executed written copy of the cooperative agreement or letter of intent with respect to the agreement, a description of the nature and scope of the activities and cooperation in the agreement, any consideration passing to any party under the agreement, and any additional materials necessary to fully explain the agreement and its likely effects. A copy of the application and all additional related materials shall be submitted to the Attorney General at the same time the application is made to the Department. (1995, c. 395, s. 2.)

§ 90-21.27. Procedure for review; standards for review.

(a) The Department shall review the application in accordance with the standards set forth in subsection (b) of this section and shall hold a public hearing with the opportunity for the submission of oral and written public comments in accordance with rules adopted by the Department. The Department shall determine whether the application should be granted or denied within 90 days of the date of filing of an application. Provided, however, that the Department may extend the review period for a specified period of time upon notice to the parties.

(b) The Department shall determine that a certificate of public advantage should be issued for a cooperative agreement, if it determines that the applicant has demonstrated by clear and convincing evidence that the benefits likely to result from the agreement outweigh the disadvantages likely to result from a reduction in competition from the agreement.

- (1) In evaluating the potential benefits of a cooperative agreement, the Department shall consider whether one or more of the following benefits may result from the cooperative agreement:
 - a. Enhancement of the quality of health care provided to North Carolina citizens;
 - b. Preservation of other health care facilities in geographical proximity to the communities traditionally served by those facilities;
 - c. Lower costs of, or gains in the efficiency of delivering, health care services;
 - d. Improvements in the utilization of health care resources and equipment;
 - e. Avoidance of duplication of health care resources; and
 - f. The extent to which medically underserved populations are expected to utilize the proposed services.
- (2) In evaluating the potential disadvantages of a cooperative agreement, the Department shall consider whether one or more of the following disadvantages may result from the cooperative agreement:
 - a. The extent to which the agreement may increase the costs or prices of health care at the locations of parties to the cooperative agreement;
 - b. The extent to which the agreement may have an adverse impact on patients in the quality, availability, and price of health care services;
 - c. The extent to which the agreement may reduce competition among the parties to the agreement and the likely effects thereof;
 - d. The extent to which the agreement may have an adverse impact on the ability of health maintenance organizations, preferred provider organizations, managed health care service agents, or other health care payors to negotiate optimal payment and service arrangements with hospitals, physicians, allied health care professionals, or other health care providers;
 - e. The extent to which the agreement may result in a reduction in competition among physicians, allied health professionals, other health care providers, or other persons furnishing health care services; and
 - f. The availability of arrangements that are less restrictive to competition and achieve the same benefits or a more favorable balance of benefits over disadvantages attributable to any reduction in competition.
- (3) In making its determination, the Department may consider other benefits or disadvantages that may be identified. (1995, c. 395, s. 2; 1997-456, s. 27.)

§ 90-21.28. Issuance of a certificate.

If the Department determines that the likely benefits of a cooperative agreement outweigh the likely disadvantages attributable to reduction of competition as a result of the agreement by clear and convincing evidence, and the Attorney General has not stated any objection to issuance of a certificate during the review period, the Department shall issue a certificate of public advantage for the cooperative agreement at the conclusion of the review period. Such certificate shall include any conditions of operation under the agreement that the Department, in consultation with the Attorney General, determines to be appropriate in order to ensure that the cooperative agreement and activities engaged in pursuant thereto are consistent with this Article and its purpose to limit health care costs. The Department shall include

conditions to control prices of health care services provided under the cooperative agreement. Consideration shall be given to assure that access to health care is provided to all areas of the State. The Department shall publish its decisions on applications for certificates of public advantage in the North Carolina Register. (1995, c. 395, s. 2.)

§ 90-21.29. Objection by Attorney General.

If the Attorney General is not persuaded that the applicant has demonstrated by clear and convincing evidence that the benefits likely to result from the agreement outweigh the likely disadvantages of any reduction of competition to result from the agreement as set forth in G.S. 90-21.27, the Attorney General may, within the review period, state an objection to the issuance of a certificate of public advantage and may extend the review period for a specified period of time. Notice of the objection and any extension of the review period shall be provided in writing to the applicant, together with a general explanation of the concerns of the Attorney General. The parties may attempt to reach agreement with the Attorney General on modifications to the agreement or to conditions in the certificate so that the Attorney General no longer objects to issuance of a certificate. If the Attorney General withdraws the objection and the Department maintains its determination that a certificate should be issued, the Department shall issue a certificate of public advantage with any appropriate conditions as soon as practicable following withdrawal of the objection. If the Attorney General does not withdraw the objection, a certificate shall not be issued. (1995, c. 395, s. 2.)

§ 90-21.30. Record keeping.

The Department shall maintain on file all cooperative agreements for which certificates of public advantage are in effect and a copy of the certificate, including any conditions imposed. Any party to a cooperative agreement who terminates an agreement shall file a notice of termination with the Department within 30 days after termination. These files shall be public records as set forth in Chapter 132 of the General Statutes. (1995, c. 395, s. 2.)

§ 90-21.31. Review after issuance of certificate.

If at any time following the issuance of a certificate of public advantage, the Department or the Attorney General has questions concerning whether the parties to the cooperative agreement have complied with any condition of the certificate or whether the benefits or likely benefits resulting from a cooperative agreement may no longer outweigh the disadvantages or likely disadvantages attributable to a reduction in competition resulting from the agreement, the Department or the Attorney General shall advise the parties to the agreement and either the Department or the Attorney General shall request any information necessary to complete a review of the matter. (1995, c. 395, s. 2.)

§ 90-21.32. Periodic reports.

(a) During the time that a certificate is in effect, a report of activities pursuant to the cooperative agreement must be filed every two years with the Department on or by the anniversary day on which the certificate was issued. A copy of the periodic report shall be submitted to the Attorney General at the same time it is filed with the Department. A report shall include all of the following:

- (1) A description of the activities conducted pursuant to the agreement.
- (2) Price and cost information.
- (3) The nature and scope of the activities pursuant to the agreement anticipated for the next two years and the likely effect of those activities.
- (4) A signed certificate by each party to the agreement that the benefits or likely benefits of the cooperative agreement as conditioned continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement as conditioned.
- (5) Any additional information requested by the Department or the Attorney General.

The Department shall give public notice in the North Carolina Register that a report has been received. After notice is given, the public shall have 30 days to file written comments on the report and on the benefits and disadvantages of continuing the certificate of public advantage. Periodic reports, public comments, and information submitted in response to a request shall be public records as set forth in Chapter 132 of the General Statutes.

(b) Failure to file a periodic report required by this section after notice of default, or failure to provide information requested pursuant to a review under G.S. 90-21.31 are grounds for revocation of the certificate by the Attorney General or the Department.

(c) The Department shall review each periodic report, public comments, and information submitted in response to a request under G.S. 90-21.31 to determine whether the advantages or likely advantages of the cooperative agreement continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement, and to determine what, if any, changes in the conditions of the certificate should be made. In the review the Department shall consider the benefits and disadvantages set forth in G.S. 90-21.27. Within 60 days of the filing of a periodic report, the Department shall determine whether the certificate should remain in effect and whether any changes to the conditions in the certificate should be made. Provided, however, that the Department may extend the review period an additional 30 days. If the Department or Attorney General determines that the parties to the cooperative agreement have not complied with any condition of the certificate, the Department or the Attorney General shall revoke the certificate and the parties shall be notified. If the certificate is revoked, the parties shall be entitled to no benefits under this Article, beginning on the date of revocation. If the Department determines that the certificate should remain in effect and the Attorney General has not stated any objection to the certificate remaining in effect during the review period, the certificate shall remain in effect subject to any changes in the conditions of the certificate imposed by the Department. The parties shall be notified in writing of the Department's decision and of any changes in the conditions of the certificate. The Department shall publish its decision and any changes in the conditions in the North Carolina Register.

If the Department determines that the benefits or likely benefits of the agreement and the unavoidable costs of terminating the agreement do not continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement, or if the Attorney General objects to the certificate remaining in effect based upon a review of the benefits and disadvantages set forth in G.S. 90-21.27, the Department shall notify the parties to the agreement in writing of its determination or the objections of the Attorney General and shall provide a summary of any concerns of the Department or Attorney General to the parties. (1995, c. 395, s. 2.)

§ 90-21.33. Right to judicial action.

(a) Any applicant or other person aggrieved by a decision to issue or not issue a certificate of public advantage is entitled to judicial review of the action

or inaction in superior court. Suit for judicial review under this subsection shall be filed within 30 days of public notice of the decision to issue or deny issuance of the certificate. To prevail in any action for judicial review brought under this subsection, the plaintiff or petitioner must establish that the determination by the Department or the Attorney General was arbitrary or capricious.

(b) Any party or other person aggrieved by a decision to allow the certificate to remain in effect or to make changes in the conditions of the certificate is entitled to judicial review of the decision in superior court. Suit for judicial review under this subsection shall be filed within 30 days of public notice of the decision to allow the certificate to remain in effect or to make changes in the conditions of the certificate. To prevail in any action for judicial review brought under this subsection, the plaintiff or petitioner must establish that the determination by the Department or the Attorney General was arbitrary or capricious.

(c) If the Department or the Attorney General determines the certificate should not remain in effect, the Attorney General may bring suit in the Superior Court of Wake County on behalf of the Department or on its own behalf to seek an order to authorize the cancellation of the certificate. To prevail in the action, the Attorney General must establish that the benefits resulting from the agreement are outweighed by the disadvantages attributable to reduction in competition resulting from the agreement.

(d) In any action instituted under this section, the work product of the Department or the Attorney General or his staff is not a public record under Chapter 132 of the General Statutes and shall not be discoverable or admissible, nor shall the Attorney General or any member of the Attorney General's staff be compelled to be a witness, whether in discovery or at any hearing or trial. (1995, c. 395, s. 2.)

§ 90-21.34. Fees for applications and periodic reports.

(a) The Department and the Attorney General shall establish and collect administrative fees for filing of an application for a certificate of public advantage based on the total cost of the project for which the application is made, in an amount not to exceed fifteen thousand dollars (\$15,000), and an administrative fee for filing each periodic report required to be filed in an amount not to exceed two thousand five hundred dollars (\$2,500). The fee schedule established should generate sufficient revenue to offset the costs of the program. An application filing fee must be paid to the Department at the time an application for a certificate of public advantage is submitted pursuant to G.S. 90-21.26. A periodic report filing fee must be paid to the Department at the time a periodic report is submitted to it pursuant to G.S. 90-21.32.

(b) If the Department or the Attorney General determines that consultants are needed to complete a review of an application, an additional application fee may be established by prior agreement with the applicants before the application is considered. The amount of the additional fee may not exceed the costs of contracting with the necessary consultants. The additional fee shall not be considered in determining whether an application fee exceeds the maximum application fee amount set in subsection (a) of this section. (1995, c. 395, s. 2.)

§ 90-21.35. Department and Attorney General authority.

The Department and Attorney General shall adopt rules to conduct review of applications for certificates of public advantage and of periodic reports filed in

connection therewith and to bring actions in the Superior Court of Wake County as required under G.S. 90-21.33. This Article shall not limit the authority of the Attorney General under federal or State antitrust laws. (1995, c. 395, s. 2.)

§ 90-21.36. Effects of certificate of public advantage; other laws.

(a) Activities conducted pursuant to a cooperative agreement for which a certificate of public advantage has been issued are immunized from challenge or scrutiny under State antitrust laws. In addition, conduct in negotiating and entering into a cooperative agreement for which an application for a certificate of public advantage is filed in good faith shall be immune from challenge or scrutiny under State antitrust laws, regardless of whether a certificate is issued. It is the intention of the General Assembly that this Article shall also immunize covered activities from challenge or scrutiny under any noncompetition provisions of the federal antitrust law.

(b) Nothing in this Article shall exempt physicians or others from compliance with State or federal laws governing certificate of need, licensure, or other regulatory requirements.

(c) Any dispute among the parties to cooperative agreement concerning its meaning or terms is governed by normal principles of contract law. (1995, c. 395, s. 2.)

Some of the definitions in this section have been renumbered in alphabetical order at the direction of the Revisor of Statutes.

§ 90-21.51. Duty to exercise ordinary care; liability for damages for harm.

(a) Each managed care entity for a health benefit plan has the duty to exercise ordinary care when making health care decisions and is liable for damages for harm to an insured or enrollee proximately caused by its failure to exercise ordinary care.

(b) In addition to the duty imposed under subsection (a) of this section, each managed care entity for a health benefit plan is liable for damages for harm to an insured or enrollee proximately caused by decisions regarding whether or when the insured or enrollee would receive a health care service made by:

- (1) Its agents or employees; or
- (2) Representatives that are acting on its behalf and over whom it has exercised sufficient influence or control to reasonably affect the actual care and treatment of the insured or enrollee which results in the failure to exercise ordinary care.

(c) It shall be a defense to any action brought under this section against a managed care entity for a health benefit plan that:

- (1) The managed care entity and its agents or employees, or representatives for whom the managed care entity is liable under subsection (b) of this section, did not control or influence or advocate for the decision regarding whether or when the insured or enrollee would receive a health care service; or
- (2) The managed care entity did not deny or delay payment for any health care service or treatment prescribed or recommended by a physician or health care provider to the insured or enrollee.

(d) In an action brought under this Article against a managed care entity, a finding that a physician or health care provider is an agent or employee of the managed care entity may not be based solely on proof that the physician or health care provider appears in a listing of approved physicians or health care providers made available to insureds or enrollees under the managed care entity's health benefit plan.

(e) An action brought under this Article is not a medical malpractice action as defined in Article 1B of this Chapter. A managed care entity may not use as a defense in an action brought under this Article any law that prohibits the corporate practice of medicine.

(f) A managed care entity shall not be liable for the independent actions of a health care provider, who is not an agent or employee of the managed care entity, when that health care provider fails to exercise the standard of care required by G.S. 90-21.12. A health care provider shall not be liable for the independent actions of a managed care entity when the managed care entity fails to exercise the standard of care required by this Article.

(g) Nothing in this Article shall be construed to create an obligation on the part of a managed care entity to provide to an insured or enrollee a health care service or treatment that is not covered under its health benefit plan.

(h) A managed care entity shall not enter into a contract with a health care provider, or with an employer or employer group organization, that includes an indemnification or hold harmless clause for the acts or conduct of the managed care entity. Any such indemnification or hold harmless clause is void and unenforceable to the extent of the restriction. (2001-446, s. 4.7.)

(a) Except as otherwise provided in subsection (b) of this section, this Article does not create any liability on the part of an employer or employer group purchasing organization that purchases health care coverage or assumes risk on behalf of its employees.

(b) Liability in tort of the Teachers' and State Employees' Comprehensive Major Medical Plan for its health care decisions shall be under Article 31 of Chapter 143 of the General Statutes.

(c) This Article does not create any liability on the part of a physician or health care provider in addition to that otherwise imposed under existing law. No managed care entity held liable under this Article shall be entitled to contribution under Chapter 1B of the General Statutes. No managed care entity held liable under this Article shall have a right to indemnity against physicians, health care providers, or entities wholly owned by physicians or health care providers or any combination thereof, except when:

- (1) The liability of the managed care entity is based on an administrative decision to approve or disapprove payment or reimbursement for, or denial, reduction, or termination of coverage, for a health care service and the physician organizations, health care providers, or entities wholly owned by physicians or health care providers or any combination thereof, which have made the decision at issue, have agreed explicitly, in a written addendum or agreement separate from the managed care organization's standard professional service agreement, to assume responsibility for making noncertification decisions under G.S. 58-50-61(13) with respect to certain insureds or enrollees; and
- (2) The managed care entity has not controlled or influenced or advocated for the decision regarding whether or when payment or reimbursement should be made or whether or when the insured or enrollee should receive a health care service.

The right to indemnity set forth herein shall not apply to professional medical or health care services provided by a physician or health care provider,

and shall only apply where the agreement to assume responsibility for making noncertification decisions for the managed care entity is shown to have been undertaken voluntarily and the managed care organization has not adversely affected the terms and conditions of the relationship with the health care provider based upon the willingness to execute or refusal to execute an agreement under G.S. 58-50-61(13). § 90-21.53. Separate trial required.

Upon motion of any party in an action that includes a claim brought pursuant to this Article involving a managed care entity, the court shall order separate discovery and a separate trial of any claim, cross-claim, counterclaim, or third-party claim against any physician or other health care provider. No action may be commenced under this Article until the plaintiff has exhausted all administrative remedies and appeals, including those internal remedies and appeals established under G.S. 58-50-61 through G.S. 58-50-62, and G.S. 58-50-75 through G.S. 58-50-95, and including those established under any successor external review process. (2001-446, s. 4.7.)

(a) Either the insured or enrollee or the personal representative of the insured or enrollee or the managed care entity may use an external review decision made in accordance with G.S. 58-50-75 through G.S. 58-50-95, or made in accordance with any successor external review process, as evidence in any cause of action which includes an action brought under this Part, provided that an adequate foundation is laid for the introduction of the external review decision into evidence and the testimony is subject to cross-examination.

(b) Any information, documents, or other records or materials considered by the Independent Review Organization licensed under Part 4 of Article 50 of Chapter 58 of the General Statutes, or the successor review process, in conducting its review shall be admissible in any action commenced under this Article in accordance with Chapter 8 of the General Statutes and the North Carolina Rules of Evidence. (2001-446, s. 4.7.)

Legal Periodicals. — For comment, “Patients’ Bill of Rights; Legislative Cure-All or Prescription for Disaster?,” see 81 N.C.L. Rev. 653 (2003).

(a) Except as provided in G.S. 90-21.52(b), an insured or enrollee who has been found to have been harmed by the managed care entity pursuant to an action brought under this Article may recover actual or nominal damages and,

subject to the provisions and limitations of Chapter 1D of the General Statutes, punitive damages.

(b) This Article does not limit a plaintiff from pursuing any other remedy existing under the law or seeking any other relief that may be available outside of the cause of action and relief provided under this Article.

(c) The rights conferred under this Article as well as any rights conferred by the Constitution of North Carolina or the Constitution of the United States may not be waived, deferred, or lost pursuant to any contract between the insured or enrollee and the managed care entity that relates to a dispute involving a health care decision. Arbitration or mediation may be used to settle the controversy if, after the controversy arises, the insured or enrollee, or the estate of the insured or enrollee, voluntarily and knowingly consents in writing to use arbitration or mediation to settle the controversy. (2001-446, s. 4.7.)

Every dental hygienist with a current North Carolina license residing or practicing in North Carolina shall be eligible to vote in elections of dental hygienists to the Board. The holding of such a license to practice dentistry or dental hygiene in North Carolina shall constitute registration to vote in such elections. The list of licensed dentists and dental hygienists shall constitute the registration list for elections to the appropriate seats on the Board.
- (3) All elections shall be conducted by the Board of Dental Examiners which is hereby constituted a Board of Dental Elections. If a member of the Board of Dental Examiners whose position is to be filled at any election is nominated to succeed himself, and does not withdraw his name, he shall be disqualified to serve as a member of the Board of Dental Elections for that election and the remaining members of the Board of Dental Elections shall proceed and function without his participation.

(Note: The enclosed ballot is not valid unless the signature of the voter is on this envelope)."

The Board of Dental Elections may cause to be printed or stamped or written on said envelope such additional notice as it may see fit to give. After the envelopes have been so exhibited, those not challenged shall be opened and the ballots extracted therefrom, insofar as practicable without showing the marking on the ballots, and there shall be a final and complete separation of each envelope and its enclosed ballot. Thereafter each ballot shall be presented for counting, shall be displayed and, if not challenged, shall be counted. No ballot shall be valid if it is marked for more nominees than there are positions to be filled in that election: provided, that no ballot shall be rejected for any technical error unless it is impossible to determine the voter's choices or choice from the ballot. The counting of the ballots shall be continued until completed. During the counting, challenge may be made to any ballot on the grounds only of defects appearing on the face of the ballot. The said Board may decide the challenge immediately when it is made or it may put aside the ballot and determine the challenge upon the conclusion of the counting of the ballots.

 - c. In any election, if there is a tie between candidates, the tie shall be resolved by the vote of the Board of Dental Examiners, provided that if a member of that Board is one of the candidates in the tie, he may not participate in such vote.
- (10) In the event there shall be required a second election, there shall be followed the same procedure as outlined in the paragraphs above subject to the same limitations and requirements: provided, that if the second election is between four candidates, then the two receiving the highest number of votes shall be declared elected.

- (11) In the case of the death or withdrawal of a candidate prior to the closing of the polls in any election, he shall be eliminated from the contest and any votes cast for him shall be disregarded. - (14) From any decision of the Board of Dental Elections relative to the conduct of such elections, appeal may be taken to the courts in the manner otherwise provided by Chapter 150B of the General Statutes of North Carolina.
- (15) The Board of Dental Elections is authorized to make rules and regulations relative to the conduct of these elections, provided same are not in conflict with the provisions of this section and provided that notice shall be given to all licensed dentists residing in North Carolina.

CASE NOTES

Legislature May Regulate Practice. — The legislature has constitutional authority to regulate the practice of dentistry. *State v. Hicks*, 143 N.C. 689, 57 S.E. 441 (1907).

Dental Board to Determine Nurse Qualifications. — The Dental Board was the correct agency to determine what kind of nurse qualified as a "lawfully qualified nurse" pursuant to subdivision (b)(6) of this section. *Best v. Dentists Held Not Employees of Federal Agency Within Meaning of Subdivision (c)(2). — Dentists in general practice who performed dental services under a federally financed program of the local school board that furnished dental treatment to medically indigent school children were not employees of a federal agency "in the discharge of their official duties" within the meaning of subdivision (c)(2) exempting such employees from statutory provisions regulating the practice of dentistry. *In re Hawkins*, 17 N.C. App. 378, 194 S.E.2d 540, cert. denied and appeal dismissed, 283 N.C.

The mere want of a license does not raise any inference of negligence. If an unlicensed dentist exercises the requisite skill and care in administering treatment to a patient, he is not liable in damages for injury to the patient, merely because of his want of a license to practice dentistry. The failure to possess such license is immaterial on the question of due care. *Grier v. Phillips*, 230 N.C. 672, 55 S.E.2d 485 (1949).

OPINIONS OF ATTORNEY GENERAL

Regulation by Board of Dental Laboratory Engaged in Acts Described in Subsection (b). — The Board of Dental Examiners may not regulate a dental laboratory engaging in the acts described in subsection (b) so long as the laboratory is following the advertising and work order procedures established in §§ 90-29.1 and 90-29.2. See opinion of Attorney General to Stanley L. Fleming, D.D.S., President, Delma H. Kinlaw, D.D.S., Secretary/Treasurer, and Christine Lockwood, Executive Director, N.C. The applicant shall be of good moral character, at least 18 years of age at the time the application for examination is filed. The application shall be made to

the said Board in writing and shall be accompanied by evidence satisfactory to said Board that the applicant is a person of good moral character, has an academic education, the standard of which shall be determined by the said Board; that he is a graduate of and has a diploma from a reputable dental college or the dental department of a reputable university or college recognized, accredited and approved as such by the said Board.

The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subsection privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subsection. (1935, c. 66, s. 7; 1971, c. 755, s. 4; 1981, c. 751, s. 5; 2002-147, s. 7.)

Editor's Note. — Session Laws 2002-147, s. 15, provides: "If the Private Security Officer Employment Standards Act of 2002 [S. 2238, 107th Cong. (2002)] is enacted by the United States Congress, the State of North Carolina declines to participate in the background check

system authorized by that act as a result of the enactment of this act."

Effect of Amendments. — Session Laws 2002-147, s. 7, effective October 9, 2002, designated the formerly undesignated provisions as subsection (a); and added subsection (b).

CASE NOTES

Mandamus to Procure License. — Under former G.S. 6631 of the Consolidated Statutes it was held that the courts could not by a mandamus compel the Board of Dental Examiners to certify contrary to what they had declared to be true. If the Board refused to examine an applicant, upon his compliance

with the regulations, the court could by mandamus compel them to examine him, but not to issue him a certificate, when the preliminary qualification required by law, that the applicant should be found proficient and competent by the Examining Board, was lacking. *Burton v. Furman*, 115 N.C. 166, 20 S.E. 443 (1894);

Loughran v. City of Hickory, 129 N.C. 281, 40 S.E. 46 (1901); Ewbank v. Turner, 134 N.C. 77, 46 S.E. 508 (1903).

§ 90-30.1. Standards for general anesthesia and enteral and parenteral sedation; fees authorized.

The North Carolina Board of Dental Examiners may establish by regulation reasonable education, training, and equipment standards for safe administration and monitoring of general anesthesia and enteral and parenteral sedation for outpatients in the dental setting. Regulatory standards may include a permit process for general anesthesia and enteral and parenteral sedation by dentists. The requirements of any permit process adopted under the authority of this section shall include provisions that will allow a dentist to qualify for continued use of enteral sedation, if he or she is licensed to practice dentistry in North Carolina and shows the Board that he or she has been utilizing enteral sedation in a competent manner for the five years preceding January 1, 2002, and his or her office facilities pass an on-site examination and inspection by qualified representatives of the Board. For purposes of this section, oral premedication administered for minimal sedation (anxiolysis) shall not be included in the definition of enteral sedation. In order to provide the means of regulating general anesthesia and enteral and parenteral sedation, including examination and inspection of dental offices involved, the Board may charge and collect fees established by its rules for each permit application, each annual permit renewal, and each office inspection in an amount not to exceed the maximum fee amounts set forth in G.S. 90-39. (1987 (Reg. Sess., 1988), c. 1073; 1989, c. 648; 1989 (Reg. Sess., 1990), c. 1066, s. 12(a); 1995 (Reg. Sess., 1996), c. 584, s. 2; 2001-511, s. 1.)

Effect of Amendments. — Session Laws 2001-511, s. 1, effective January 1, 2002, inserted “enteral and” in the section catchline and in the first, second and fifth sentences; in the third sentence, substituted “shall” for

“must,” substituted “enteral sedation” for “general anesthesia” in two places, and substituted “January 1, 2002” for “July 1, 1988”; and added the fourth sentence.

§ 90-31. Annual renewal of licenses.

The laws of North Carolina now in force, having provided for the annual renewal of any license issued by the North Carolina State Board of Dental Examiners, it is hereby declared to be the policy of this State, that all licenses heretofore issued by the North Carolina State Board of Dental Examiners or hereafter issued by said Board are subject to annual renewal and the exercise of any privilege granted by any license heretofore issued or hereafter issued by the North Carolina State Board of Dental Examiners is subject to the issuance on or before the first day of January of each year of a certificate of renewal of license.

On or before the first day of January of each year, each dentist engaged in the practice of dentistry in North Carolina shall make application to the North Carolina State Board of Dental Examiners and receive from said Board, subject to the further provisions of this section and of this Article, a certificate of renewal of said license.

The application shall show the serial number of the applicant's license, his full name, address and the county in which he has practiced during the preceding year, the date of the original issuance of license to said applicant and such other information as the said Board from time to time may prescribe, at least six months prior to January 1 of any year.

If the application for such renewal certificate, accompanied by the fee required by this Article, is not received by the Board before January 31 of each year, an additional fee shall be charged for renewal certificate. The maximum penalty fee for late renewal is set forth in G.S. 90-39. If such application, accompanied by the renewal fee, plus the additional fee, is not received by the Board before March 31 of each year, every person thereafter continuing to practice dentistry without having applied for a certificate of renewal shall be guilty of the unauthorized practice of dentistry and shall be subject to the penalties prescribed by G.S. 90-40. (1935, c. 66, s. 8; 1953, c. 564, s. 5; 1961, c. 446, s. 6; 1971, c. 755, s. 5; 1995 (Reg. Sess., 1996), c. 584, s. 3.)

§ 90-31.1. Continuing education courses required.

All dentists licensed under G.S. 90-30 shall be required to attend Board-approved courses of study in subjects relating to dentistry. The Board shall have authority to consider and approve courses, or providers of courses, to the end that those attending will gain (i) information on existing and new methods and procedures used by dentists, (ii) information leading to increased safety and competence in their dealings with patients and staff, and (iii) information on other matters, as they develop, that are of continuing importance to the practice of dentistry. The Board shall determine the number of hours of study within a particular period and the nature of course work required. The Board may provide exemptions or waivers from continuing education requirements where dentists are receiving alternate learning experiences or where they have limited practices. The Board shall by regulation define circumstances for exemptions or waivers for dentists who are involved in dental education or training pursuits where they gain experiences equivalent to formal continuing education courses, for those who have reached an advanced age and are semiretired or have otherwise voluntarily restricted their practices in volume and scope, and for such other situations as the Board in its discretion may determine meet the purposes of this section. (1993, c. 307, s. 1.)

§ 90-32. Contents of original license.

The original license granted by the North Carolina State Board of Dental Examiners shall bear a serial number, the full name of the applicant, the date of issuance and shall be signed by the president and the majority of the members of the said Board and attested by the seal of said Board and the secretary thereof. The certificate of renewal of license shall bear a serial number which need not be the serial number of the original license issued, the full name of the applicant and the date of issuance. (1935, c. 66, s. 8.)

§ 90-33. Displaying license and current certificate of renewal.

The license and the current certificate of renewal of license to practice dentistry issued, as herein provided, shall at all times be displayed in a conspicuous place in the office of the holder thereof and whenever requested the license and the current certificate of renewal shall be exhibited to or produced before the North Carolina State Board of Dental Examiners or to its authorized agents. (1935, c. 66, s. 8.)

§ 90-34. Refusal to grant renewal of license.

For nonpayment of fee or fees required by this Article, for failure to comply with continuing education requirements adopted by the Board under the

authority of G.S. 90-31.1, or for violation of any of the terms or provisions of G.S. 90-41 concerning disciplinary actions, the North Carolina State Board of Dental Examiners may refuse to issue a certificate for renewal of license. As used in this section, the term "license" includes license, provisional license or intern permit. (1935, c. 66, s. 8; 1971, c. 755, s. 6; 1993, c. 307, s. 2.)

§ 90-35. Duplicate licenses.

When a person is a holder of a license to practice dentistry in North Carolina or the holder of a certificate of renewal of license, he may make application to the North Carolina State Board of Dental Examiners for the issuance of a copy or a duplicate thereof accompanied by a fee that shall not exceed the maximum fee for a duplicate license or certificate set forth in G.S. 90-39. Upon the filing of the application and the payment of the fee, the said Board shall issue a copy or duplicate. (1935, c. 66, s. 8; 1961, c. 446, s. 7; 1995 (Reg. Sess., 1996), c. 584, s. 4.)

§ 90-36. Licensing practitioners of other states.

(a) The North Carolina State Board of Dental Examiners may issue a license by credentials to an applicant who has been licensed to practice dentistry in any state or territory of the United States if the applicant produces satisfactory evidence to the Board that the applicant has the required education, training, and qualifications, is in good standing with the licensing jurisdiction, has passed satisfactory examinations of proficiency in the knowledge and practice of dentistry as determined by the Board, and meets all other requirements of this section and rules adopted by the Board. The Board may conduct examinations and interviews to test the qualifications of the applicant and may require additional information that would affect the applicant's ability to render competent dental care. The Board may, in its discretion, refuse to issue a license by credentials to an applicant who the Board determines is unfit to practice dentistry.

(b) The applicant for licensure by credentials shall be of good moral character and shall have graduated from and have a DDS or DMD degree from a program of dentistry in a school or college accredited by the Commission on Dental Accreditation of the American Dental Association and approved by the Board.

(c) The applicant must meet all of the following conditions:

- (2) Has not been the subject of final or pending disciplinary action in the military, in any state or territory in which the applicant is or has ever been licensed to practice dentistry, or in any state or territory in which the applicant has held any other professional license.
- (3) Presents evidence that the applicant has no felony convictions and that the applicant has no other criminal convictions that would affect the applicant's ability to render competent dental care.
- (4) Has not failed an examination conducted by the North Carolina State Board of Dental Examiners.

(d) The applicant for licensure by credentials shall submit an application to the North Carolina State Board of Dental Examiners, the form of which shall be determined by the Board, pay the fee required by G.S. 90-39, successfully complete examinations in Jurisprudence and Sterilization and Infection Control, and meet the criteria or requirements established by the Board.

(e) The holder of a license issued under this section shall establish a practice location and actively practice dentistry, as defined in G.S. 90-29(b) (1) through

(b) (9) , in North Carolina within one year from the date the license is issued. The license issued under this section shall be void upon a finding by the Board that the licensee fails to limit the licensee's practice to North Carolina or that the licensee no longer actively practices dentistry in North Carolina. (1935, c. 66, s. 9; 1971, c. 755, s. 7; 1981, c. 751, s. 6; 2002-37, s. 2.)

(a) The North Carolina State Board of Dental Examiners may issue to an applicant a "Limited Volunteer Dental License" to practice dentistry only in nonprofit health care facilities serving low-income populations in the State. Holders of a limited volunteer dental license may volunteer their professional services, without compensation, only for the purpose of helping to meet the dental health needs of these persons served by these facilities. The Board may conduct examinations and interviews to test the qualifications of the applicant and may require additional information that would affect the applicant's ability to render competent dental care. The Board may, in its discretion, refuse to issue a "limited volunteer dental license" to an applicant who the Board determines is unfit to practice dentistry.

(c) The applicant shall be of good moral character and shall have graduated from and have a DDS or DMD degree from a program of dentistry in a school or college accredited by the Commission on Dental Accreditation of the American Dental Association and approved by the Board.

For violations of the dental practice act or rules adopted under the act that are applicable to a limited license practice, the Board has the same authority to investigate and impose sanctions on limited license holders as it has for those holding an unlimited license.
- (h) The Board shall maintain a nonexclusive list of nonprofit health care facilities serving the dental health needs of low-income populations in the State. Upon request, the Board shall consider adding other facilities to the list.

CASE NOTES

This section is constitutional and valid as an exercise of the police power of the State for the good and welfare of the people. *Allen v. Carr*, 210 N.C. 513, 187 S.E. 809 (1936).

And its provisions bear alike upon all classes of persons referred to. Hence the requirement made by the Board that the plaintiff make to it a satisfactory showing of his proficiency in the profession of dentistry is no discrimination against the plaintiff. *Allen v. Carr*, 210 N.C. 513, 187 S.E. 809 (1936).

Mandamus will not lie to control the decision of the Board in the exercise of its discretionary power under this section, the extent of mandamus in such cases being limited to compelling the exercise of the discretionary power, but not controlling the decision reached

in its exercise. *Allen v. Carr*, 210 N.C. 513, 187 S.E. 809 (1936).

Licensed Dentist Removing from State Must Take Second Examination upon Return. — A dentist licensed by the State Board of Dental Examiners, who thereafter moves from this State and practices his profession successively in other states, upon examination and license by them, and then returns to this State, must obtain a license to resume practice here by passing a second examination by the State Board of Dental Examiners, although such dentist has continuously practiced dentistry since he was first licensed by the State Board. *Allen v. Carr*, 210 N.C. 513, 187 S.E. 809 (1936).

§ 90-40.1. Enjoining unlawful acts.

(a) The practice of dentistry by any person who has not been duly licensed so as to practice or whose license has been suspended or revoked, or the doing, committing or continuing of any of the acts prohibited by this Article by any person or persons, whether licensed dentists or not, is hereby declared to be inimical to public health and welfare and to constitute a public nuisance. The Attorney General for the State of North Carolina, the district attorney of any of the superior courts, the North Carolina State Board of Dental Examiners in its own name, or any resident citizen may maintain an action in the name of the State of North Carolina to perpetually enjoin any person from so unlawfully practicing dentistry and from the doing, committing or continuing of such unlawful act. A temporary injunction to restrain the commission or continuance thereof may be granted upon proof or by affidavit that the defendant or defendants have violated any

- (7) Is mentally, emotionally, or physically unfit to practice dentistry or is afflicted with such a physical or mental disability as to be deemed dangerous to the health and welfare of his patients. An adjudication of mental incompetency in a court of competent jurisdiction or a determination thereof by other lawful means shall be conclusive proof of unfitness to practice dentistry unless or until such person shall have been subsequently lawfully declared to be mentally competent;
- (8) Has conducted in-person solicitation of professional patronage or has employed or procured any person to conduct such solicitation by personal contact with potential patients, except to the extent that informal advice may be permitted by regulations issued by the Board of Dental Examiners;

CASE NOTES

Former Statute Constitutional. — See *In re Hawkins*, 17 N.C. App. 378, 194 S.E.2d 540, cert. denied and appeal dismissed, 283 N.C. 393, 196 S.E.2d 275, cert. denied, 414 U.S. 1001, 94 S. Ct. 355, 38 L. Ed. 2d 237 (1973), decided under this section as it existed prior to 1971 amendment.

Imposition of Sanctions Not Unconstitutional. — The imposition of sanctions against a dentist for violating the provision of subdivision (a)(13) against hiring dentists unlicensed in North Carolina did not violate N.C. Const., Art. 1, § 19 or federal due process. *Armstrong v. North Carolina State Bd. of Dental Exmrs.*, 129 N.C. App. 153, 499 S.E.2d 462 (1998), cert. denied, 525 U.S. 1103, 119 S. Ct. 869, 142 L. Ed. 2d 770 (1999).

Standard of Practice. — The Dental Practice Act is silent as to the standard of practice by which a dentist's negligence or incompetence is to be measured. In considering the regulatory, licensing and disciplinary functions of the Board, a statewide standard must be applied. That is, prior to invoking disciplinary measures as authorized under subsection (a) of this section, the Board must first be satisfied that the care provided by the licensee was not in accordance with the standards of practice among members of the dentistry profession situated throughout this State at the time of the alleged violation. *Dailey v. North Carolina State Bd. of Dental Exmrs.*, 309 N.C. 710, 309 S.E.2d 219 (1983).

The decision of whether an applicant or licensee has violated any of the factors enumerated in this section authorizing disciplinary action must be viewed in the context of a uniform statewide standard. *Dailey v. North Carolina State Bd. of Dental Exmrs.*, 309 N.C. 710, 309 S.E.2d 219 (1983).

Standard of Care Under G.S. 90-21.12 Is Inapplicable. — While G.S. 90-21.12 establishes a standard of care below which a health care provider may be held civilly liable in damages, this section and G.S. 90-21.12 serve different purposes. Admittedly the violations for which a dentist may be subject to discipline include acts of "malpractice." However, this language was not intended to incorporate a standard applicable in actions for damages "for personal injury or death arising out of the furnishing or the failure to furnish professional services in the performance of . . . dental . . . care." In fact, this section was first enacted in 1935, long before the 1975 enactment of G.S. 90-21.12. Therefore, the standard of health care enunciated under G.S. 90-21.12 is inapplicable to a professional licensing board disciplinary hearing. *Dailey v. North Carolina State Bd. of Dental Exmrs.*, 309 N.C. 710, 309 S.E.2d 219 (1983).

Rescheduling Patients Not Negligent Practice. — Orthodontist's decision to reschedule a patient because the patient had not paid what was owed on the patient's account did not involve the practice of dentistry, and the

North Carolina State Board of Dental Examiners erred by finding that the orthodontist was negligent in the practice of dentistry, in violation of G.S. 90-41(a)(12), and suspending the orthodontist's dental license on that basis. *Watkins v. N.C. State Bd. of Dental Exam'rs*, — N.C. App. —, 579 S.E.2d 510, 2003 N.C. App. LEXIS 746 (2003).

Failure to Discover Oral Cancer. — Where expert opinion indicated that dentist should have observed oral cancer in patient and that dentist should have referred the patient for further diagnosis and treatment, substantial evidence supported the State Board of Dental Examiner's findings that the dentist was negligent and was liable for malpractice under subdivisions (a)(12) and (a)(19), respectively. *Uicker v. North Carolina State Bd. of Dental Exmrs.*, 93 N.C. 295, 378 S.E.2d 45 (1989).

Dentist's administering of nitrous oxide sedation to a female patient while no one else was present in the office constituted negligence in the practice of dentistry. *McCullough v. North Carolina State Bd. of Dental Exmrs.*, 111 N.C. App. 186, 431 S.E.2d 816, cert. denied, 335 N.C. 174, 436 S.E.2d 381 (1993).

Employment of Unlicensed Personnel. — Findings and conclusions concerning doctor's use and employment of unlicensed personnel to practice dentistry were supported by substantial evidence; each of the assistants involved took dental x-rays and placed and adjusted dentures in the patient's mouth, and since these activities are deemed to be the practice of dentistry, and each practiced dentistry without a license while under doctor's supervision, such practice was a violation of subdivisions (a)(6), (a)(13) and (a)(21). *Uicker v. North Carolina State Bd. of Dental Exmrs.*, 93 N.C. 295, 378 S.E.2d 45 (1989).

Dentist Employed at State Mental Hospital. — As a licensed dentist employed at a state mental hospital, petitioner was bound to follow both the rules and regulations of the Department of Human Resources, which regulate employees at those institutions, and the rules and regulations of the Board of Dental Examiners, which regulates the practice of all dentists practicing in North Carolina. *Woodlief v. North Carolina State Bd. of Dental Exmrs.*, 104 N.C. App. 52, 407 S.E.2d 596 (1991).

The Board is not a court and is not expected to know and observe the technicalities that trained attorneys and judges would demonstrate. *North Carolina State Bd. of Dental Exmrs. v. Grady*, 268 N.C. 541, 151 S.E.2d 25 (1966).

And Specific Findings of Fact Are Not Required. — Specific findings of fact, with minute details as to particulars, time and place entered in written form, are not required by this section. *North Carolina State Bd. of Dental Exmrs. v. Grady*, 268 N.C. 541, 151 S.E.2d 25 (1966).

Finding of Mens Rea Not Required. — This section did not require a finding as to a dentist's culpable mental state to sanction him for hiring a dentist unlicensed in North Carolina to practice in his office. *Armstrong v. North Carolina State Bd. of Dental Exmrs.*, 129 N.C. App. 153, 499 S.E.2d 462 (1998), cert. denied, 525 U.S. 1103, 119 S. Ct. 869, 142 L. Ed. 2d 770 (1999).

On appeal to the superior court from order of the Board of Dental Examiners suspending the license of a dentist, the superior court should hear the accused in like manner as a consent reference, and the court should weigh the evidence and make its own independent determinations of the matters in dispute. *North Carolina State Bd. of Dental Exmrs. v. Grady*, 268 N.C. 541, 151 S.E.2d 25 (1966).

Board is not authorized to enter its final agency decision upon remand without the benefit of additional expert testimony that the care provided by the respondent was not in accordance with the standards of practice among members of the dentistry profession situated throughout the State at the time of the alleged violations. *Dailey v. North Carolina State Bd. of Dental Exmrs.*, 309 N.C. 710, 309 S.E.2d 219 (1983).

§ 90-41.1. Hearings.

(a) With the exception of applicants for license by comity and applicants for reinstatement after revocation, every licensee, provisional licensee, intern, or applicant for license, shall be afforded notice and opportunity to be heard before the North Carolina State Board of Dental Examiners shall take any action, the effect of which would be:

- (1) To deny permission to take an examination for licensing for which application has been duly made; or

- (2) To deny a license after examination for any cause other than failure to pass an examination; or
- (3) To withhold the renewal of a license for any cause other than failure to pay a statutory renewal fee; or
- (4) To suspend a license; or
- (5) To revoke a license; or
- (6) To revoke or suspend a provisional license or an intern permit; or
- (7) To invoke any other disciplinary measures, censure, or probative terms against a licensee, a provisional licensee, or an intern,

such proceedings to be conducted in accordance with the provisions of Chapter 150B of the General Statutes of North Carolina.

(b) In lieu of or as a part of such hearing and subsequent proceedings, the Board is authorized and empowered to enter any consent order relative to the discipline, censure, or probation of a licensee, provisional licensee, an intern, or an applicant for a license, or relative to the revocation or suspension of a license, provisional license, or intern permit.

(c) Following the service of the notice of hearing as required by Chapter 150B of the General Statutes, the Board and the person upon whom such notice is served shall have the right to conduct adverse examinations, take depositions, and engage in such further discovery proceedings as are permitted by the laws of this State in civil matters. The Board is hereby authorized and empowered to issue such orders, commissions, notices, subpoenas, or other process as might be necessary or proper to effect the purposes of this subsection; provided, however, that no member of the Board shall be subject to examination hereunder. (1967, c. 451, s. 2; 1969, c. 804, s. 3; 1971, c. 755, s. 10; 1973, c. 1331, s. 3; 1987, c. 827, s. 1.)

§ 90-42. Restoration of revoked license.

Whenever any dentist has been deprived of his license, the North Carolina State Board of Dental Examiners, in its discretion, may restore said license upon due notice being given and hearing had, and satisfactory evidence produced of proper reformation of the licentiate, before restoration. (1935, c. 66, s. 14.)

§ 90-43. Compensation and expenses of Board.

Notwithstanding G.S. 93B-5(a), each member of the North Carolina State Board of Dental Examiners shall receive as compensation for his services in the performance of his duties under this Article a sum not exceeding one hundred dollars (\$100.00) for each day actually engaged in the performance of the duties of his office, said per diem to be fixed by said Board, and all legitimate and necessary expenses incurred in attending meetings of the said Board.

The Board is authorized and empowered to expend from funds collected hereunder such additional sum or sums as it may determine necessary in the administration and enforcement of this Article, and employ such personnel as it may deem requisite to assist in carrying out the administrative functions required by this Article and by the Board. (1935, c. 66, s. 15; 1965, c. 163, s. 5; 1971, c. 755, s. 11; 1979, 2nd Sess., c. 1195, s. 9; 1989 (Reg. Sess., 1990), c. 892.)

§ 90-44. Annual report of Board.

Said Board shall, on or before the fifteenth day of February in each year, make an annual report as of the thirty-first day of December of the year

preceding, of its proceedings, showing therein the examinations given, the fees received, the expenses incurred, the hearings conducted and the result thereof, which said report shall be filed with the Governor of the State of North Carolina. (1935, c. 66, s. 15.)

§ **90-45:** Repealed by Session Laws 1967, c. 218, s. 4.

§ **90-46. Filling prescriptions.**

Legally licensed druggists of this State may fill prescriptions of dentists duly licensed by the North Carolina State Board of Dental Examiners. (1935, c. 66, s. 17.)

§ **90-47:** Repealed by Session Laws 1979, 2nd Sess., c. 1195, s. 13.

§ **90-48. Rules and regulations of Board; violation a misdemeanor.**

The North Carolina State Board of Dental Examiners shall be and is hereby vested, as an agency of the State, with full power and authority to enact rules and regulations governing the practice of dentistry within the State, provided such rules and regulations are not inconsistent with the provisions of this Article. Such rules and regulations shall become effective 30 days after passage, and the same may be proven, as evidence, by the president and/or the secretary-treasurer of the Board, and/or by certified copy under the hand and official seal of the secretary-treasurer. A certified copy of any rule or regulation shall be receivable in all courts as prima facie evidence thereof if otherwise competent, and any person, firm, or corporation violating any such rule, regulation, or bylaw shall be guilty of a Class 2 misdemeanor, and each day that this section is violated shall be considered a separate offense.

The Board shall issue every two years to each licensed dentist a compilation or supplement of the Dental Practice Act and the Board rules and regulations, and upon written request therefor by such licensed dentist, a directory of dentists. (1935, c. 66, s. 19; 1957, c. 592, s. 6; 1971, c. 755, s. 12; 1993, c. 539, s. 620; 1994, Ex. Sess., c. 24, s. 14(c).)

§ **90-48.1. Free choice by patient guaranteed.**

No agency of the State, county or municipality, nor any commission or clinic, nor any board administering relief, social security, health insurance or health service under the laws of the State of North Carolina shall deny to the recipients or beneficiaries of their aid or services the freedom to choose a duly licensed dentist as the provider of care or services which are within the scope of practice of the profession of dentistry as defined in this Chapter. (1965, c. 1169, s. 3.)

§ 90-48.2. Board agreements with special peer review organizations for impaired dentists.

(a) The State Board of Dental Examiners may, under rules adopted by the Board in compliance with Chapter 150B of the General Statutes, enter into agreements with special impaired dentist peer review organizations formed by the North Carolina Dental Society. The organizations shall be made up of Dental Society members designated by the Society, the Board, and the Dental School of the University of North Carolina. Peer review activities to be covered by such agreements shall include investigation, review and evaluation of records, reports, complaints, litigation, and other information about the practices and practice patterns of dentists licensed by the Board, as such matters may relate to impaired dentists. Special impaired dentist peer review organizations may include a statewide supervisory committee and various regional and local components or subgroups. The statewide supervisory committee shall consist of representatives from the North Carolina Dental Society, the UNC School of Dentistry, and the Board. When the statewide supervisory committee considers activities and programs that relate to impaired dental hygienists pursuant to G.S. 90-48.3, its membership shall be expanded to include two dental hygienists appointed upon the recommendation of the dental hygienist member of the Board.

(b) Agreements authorized under this section shall include provisions for the impaired dentist peer review organizations to receive relevant information from the Board and other sources, conduct any investigation, review, and evaluation in an expeditious manner, provide assurance of confidentiality of nonpublic information and of the peer review process, make reports of investigations and evaluations to the Board, and to do other related activities for operating and promoting a coordinated and effective peer review process. The agreements shall include provisions assuring basic due process for dentists that become involved.

(c) The impaired dentist peer review organizations that enter into agreements with the Board shall establish and maintain a program for impaired dentists licensed by the Board for the purpose of identifying, reviewing and evaluating the ability of those dentists to function as dentists, and to provide programs for treatment and rehabilitation. The Board may provide funds for the administration of these impaired dentist peer review programs. The Board shall adopt rules to apply to the operation of impaired dentist peer review programs, with provisions for: definitions of impairment; guidelines for program elements; procedures for receipt and use of information of suspected impairment; procedures for intervention and referral; arrangements for monitoring treatment, rehabilitation, posttreatment support and performance; reports of individual cases to the Board; periodic reporting of statistical information; and assurance of confidentiality of nonpublic information and of the peer review process.

(d) Upon investigation and review of a dentist licensed by the Board, or upon receipt of a complaint or other information, an impaired dentist peer review organization that enters into a peer review agreement with the Board shall report immediately to the Board detailed information about any dentist licensed by the Board, if:

- (1) The dentist constitutes an imminent danger to the public or himself;
- (2) The dentist refuses to cooperate with the program, refuses to submit to treatment, or is still impaired after treatment and exhibits professional incompetence; or
- (3) It reasonably appears that there are other grounds for disciplinary action.

(e) Impaired dentist peer review organizations operating pursuant to this section shall have the same protections and responsibilities as traditional

State and local dental society peer review committees under Article 2A of this Chapter. In addition, any confidential patient information and other nonpublic information acquired, created, or used in good faith by an impaired dentist peer review organization pursuant to this section shall remain confidential and shall not be subject to discovery or subpoena in a civil case. No person participating in good faith in an impaired dentist peer review program developed under this section shall be required in a civil case to disclose any information (including opinions, recommendations, or evaluations) acquired or developed solely in the course of participating in the program.

(f) Impaired dentist peer review activities conducted in good faith pursuant to any program developed under this section shall not be grounds for civil action under the laws of this State, and the activities are deemed to be State directed and sanctioned and shall constitute "State action" for the purposes of application of antitrust laws. (1993, c. 420, s. 2; 1999-382, s. 4.)

§ 90-48.3. Board authority to include impaired dental hygienists in programs developed for impaired dentists.

The Board may enter into agreements with special impaired dentist peer review organizations to include programs for impaired dental hygienists, and the provisions of G.S. 90-48.2 shall apply to any such agreements and programs. Special impaired dentist peer review organizations shall have the authority to appoint to the organizations, upon the recommendation of the dental hygienist member of the Board, one additional member who is a licensed dental hygienist and the member shall participate in activities and programs as they relate to impaired dental hygienists. Peer liaisons and volunteers participating in programs for impaired dental hygienists shall be dental hygienists. Dental hygienists who work with special impaired dentist peer review organizations in conducting programs for impaired dental hygienists shall have the same protections and responsibilities as members of traditional State and local dental society peer review committees under Article 2A of this Chapter and as provided in G.S. 90-48.2. The provisions of G.S. 90-48.2 regarding confidentiality shall also be applicable to all dental hygienist activities authorized under this section. (1999-382, s. 1.)

No member of a dental peer review committee of a State or local dental society shall be held liable in damages to any person for any action taken or

- (1) The information is unrelated to the performance of the duty or function of the peer review committee or organization, or
- (2) The information is false, and the person providing the information knew, or had good reason to believe that the information was false. (1979, 2nd Sess., c. 1192, s. 1.)

§ 90-48.10. Confidentiality of review organization's proceedings and records.

The proceedings and records of a dental review committee except those concerning the investigation and consideration of Medicare and Medicaid charges or payments, shall be held in confidence and shall not be subject to discovery or introduction into evidence in any civil action arising out of the matters which are the subject of evaluation and review by the committee; and no person who was in attendance at a meeting of the committee shall be permitted or required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or any members thereof, except with regard to Medicare and Medicaid charges or payments: Provided, however, that information, documents or records otherwise available from original sources are not to be construed as immune from discovery or use in any civil action merely because they were presented during proceedings of a committee, nor should any person who testifies before a committee or who is a member of a committee be prevented from testifying as to matters within his knowledge, but the witness shall not be asked about his testimony before a committee or opinions formed by him as a result of the committee hearings, except with regard to Medicare and Medicaid charges or payments. CASE NOTES

its licensed pharmacists. *Sunscript Pharm. Corp. v. N.C. Bd. of Pharm.*, 147 N.C. App. 446, 555 S.E.2d 629, 2001 N.C. App. LEXIS 1172 (2001), cert. denied, 355 N.C. 292, 561 S.E.2d 506 (2002).

(5) Willfully violated any provision of this Article or rules adopted by the Board governing pharmacy technicians.

(e) Exemption. — This section does not apply to pharmacy students who are enrolled in a school of pharmacy approved by the Board under G.S. 90-85.13.

(1981 (Reg. Sess., 1982), c. 1188, s. 1.)

§ 90-85.19. Reinstatement.

Notwithstanding G.S. 90-85.6, the Board shall not adopt rules pertaining to the shipment, mailing, or other manner of delivery of dispensed legend drugs by pharmacies required to register under this section that are more restrictive than federal statutes or regulations governing the delivery of prescription medications by mail or common carrier. Drugs identified as having narrow therapeutic indices shall be designated by the North Carolina Secretary of Health and Human Services upon the advice of the State Health Director, North Carolina Board of Pharmacy, and North Carolina Medical Board, as narrow therapeutic index drugs and shall be subject to the provisions of G.S. 90-85.28(b1). As used in this subsection, 'brand name' means the proprietary name the manufacturer places upon a drug product or on its container, label, or wrapping at the time of packaging; and 'established name' has the same meaning as in section 502(e)(3) of the Federal Food, Drug, and Cosmetic Act as amended, 21 U.S.C. § 352(e)(3)."

“Notwithstanding subdivision (1) of this subsection, an initial prescription order for an atypical antipsychotic drug or a drug listed in the narrow therapeutic drug index that does not contain the phrase ‘medically necessary’ shall be considered an order for the drug by its established or generic name, except that the pharmacy shall not substitute a generic or established name prescription drug for subsequent brand or trade name prescription orders of the same prescription drug without explicit oral or written approval of the prescriber given at the time the order is filled.

CASE NOTES

Controlled Substances Act did not repeal prior law controlling narcotic drugs. *State v. Overton*, 60 N.C. App. 1, 298 S.E.2d 695 (1982), cert. denied and appeal dismissed, 307 N.C. 580, 299 S.E.2d 652 (1983).

Reference to Act in Indictment Prior to Effective Date. — The conspiracy to possess, sell, deliver, and manufacture heroin was equally a crime under the Controlled Substances Act and its predecessor, the Uniform Narcotic Drug Act, which remained in full force and effect as to offenses committed prior to January 1, 1972. Reference in indictments to the Controlled Substances Act did not invalidate the indictments, as reference in the indictment to the specific statute allegedly violated is immaterial. *State v. Overton*, 60 N.C. App. 1, 298 S.E.2d 695 (1982), cert. denied and appeal dismissed, 307 N.C. 580, 299 S.E.2d 652 (1983).

- (23) "Prescription" means:
- a. A written order or other order which is promptly reduced to writing for a controlled substance as defined in this Article, or for a preparation, combination, or mixture thereof, issued by a practitioner who is licensed in this State to administer or prescribe drugs in the course of his professional practice; or issued by a practitioner serving on active duty with the armed forces of the United States or the United States Veterans Administration who is licensed in this or another state or Puerto Rico, provided the order is written for the benefit of eligible beneficiaries of armed services medical care; a prescription does not include an order entered in a chart or other medical record of a patient by a practitioner for the administration of a drug; or
 - b. A drug or preparation, or combination, or mixture thereof furnished pursuant to a prescription order.
- (24) "Production" includes the manufacture, planting, cultivation, growing, or harvesting of a controlled substance.
- (25) "Registrant" means a person registered by the Commission to manufacture, distribute, or dispense any controlled substance as required by this Article.
- (26) "State" means the State of North Carolina.
- (27) "Ultimate user" means a person who lawfully possesses a controlled substance for his own use, or for the use of a member of his household, or for administration to an animal owned by him or by a member of his household. I. GENERAL CONSIDERATION.

Expert Witness. — Acceptance of an expert witness in the field of marijuana identification and admission of her opinion as to the nature of the material seized was not improper where the witness was a chemist with the State Bureau of Investigation, whose duties consisted of analysis of substances for the presence of controlled substances, including marijuana, where she had been so employed for almost two years, and had had special training in the analysis of controlled substances. *State v. Jenkins*, 74 N.C. App. 295, 328 S.E.2d 460 (1985).

Applied in *State v. Piland*, 58 N.C. App. 95, 293 S.E.2d 278 (1982); *State v. Peoples*, 65 N.C. App. 168, 308 S.E.2d 500 (1983); *State v. Brown*, 310 N.C. 563, 313 S.E.2d 585 (1984); *State v. Perry*, 69 N.C. App. 477, 317 S.E.2d 428 (1984); *State v. Johnson*, 78 N.C. App. 68, 337 S.E.2d 81 (1985).

Roseboro*, 55 N.C. App. 205, 284 S.E.2d 725 (1981); *State v. Ellers*, 56 N.C. App. 683, 289 S.E.2d 924 (1982); *State v. Simmons*, 66 N.C. App. 402, 311 S.E.2d 357 (1984); *State v. Moore*, 95 N.C. App. 615, 428 S.E.2d 277 (1993); *State v. Oakes*, 113 N.C. App. 332, 438 S.E.2d 477 (1994).

II. "DELIVER" OR "DELIVERY."

"Delivery" Means "Transfer". — In a prosecution for felonious sale and delivery of marijuana and felonious possession of marijuana with intent to sell, trial judge's charge to the jury placing the burden on the State to prove that defendant "transferred" the marijuana was not prejudicial error, since "delivery" means "transfer" under this section. *State v. Dietz*, 289 N.C. 488, 223 S.E.2d 357 (1976).

In the context of controlled substance statutes, "deliver" means the actual, constructive, or attempted transfer from one person to another of a controlled substance. It is the intent of the defendant that is the gravamen of the offense. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

"Deliver" means actual, constructive, or attempted transfer from one person to another of a controlled substance. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), cert. denied and appeal dismissed, 316 N.C. 557, 344 S.E.2d 15 (1986).

Evidence of Constructive Delivery Held Sufficient. — Evidence that defendant allowed agent to pick up a bag of cocaine from scales and place it under bed "for security purposes," from where the agent later retrieved it, was sufficient evidence of constructive delivery to go to the jury for its evaluation and determination as to whether defendant knowingly delivered 400 grams or more of a mixture containing cocaine. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), cert. denied and appeal dismissed, 316 N.C. 557, 344 S.E.2d 15 (1986).

Evidence that defendant agreed to sell marijuana to an informant, drove around the agreed scene of the marijuana's delivery to inspect the scene, and left the delivery scene before a person working for him arrived to deliver the marijuana was sufficient to show constructive delivery of the marijuana. *State v. Lorenzo*, 147 N.C. App. 728, 556 S.E.2d 625, 2001 N.C. App. LEXIS 1251 (2001).

Remuneration Need Not Be Shown. — To prove delivery, the State is not required to prove that defendant received remuneration for the transfer. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), cert. denied and appeal dismissed, 316 N.C. 557, 344 S.E.2d 15 (1986).

III. "MANUFACTURE."

"Processing" is to subject the controlled substance to a particular method, system, technique of preparation or treatment to bring about a desired result. *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

When Intent to Distribute Is Necessary Element. — Intent to distribute is not a necessary element of the offense of manufacturing a controlled substance unless the manufacturing activity is preparation or compounding. *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

In those cases where production, propagation, conversion or processing of a controlled substance is involved, the intent of the defendant, either to distribute or consume personally, will be irrelevant and does not form an element of the offense. *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

The intent to distribute was not necessary for a violation of subdivision (15) of this section, where defendant was indicted for the cutting of cocaine (dilution of a controlled substance). *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

The plain meaning of the exception in subdivision (15) which excepts "preparation or compounding of a controlled substance by an individual for his own use" is to avoid making

an individual liable for the felony of manufacturing controlled substance in the situation where, being already in possession of a controlled substance, he makes it ready for use (i.e., rolling marijuana into cigarettes for smoking) or combines it with other ingredients for use (i.e., making the so-called "Alice B. Toklas" brownies containing marijuana). *State v. Childers*, 41 N.C. App. 729, 255 S.E.2d 654, cert. denied, 298 N.C. 302, 259 S.E.2d 916 (1979).

Evidence Sufficient to Show Manufacture of Marijuana. — Evidence was sufficient to withstand a motion for judgment as of nonsuit on a charge of manufacture of marijuana where stripped stalks of marijuana were found growing behind a television antenna connected to the defendant's residence and marijuana plants were found growing in flower pots on a table in the defendant's yard 32 feet from his residence. *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977).

Evidence held to place defendant in such "close juxtaposition" to six patches of marijuana growing in the environs of his mobile home as to justify a jury finding that defendant was engaged in its manufacture. *State v. Jenkins*, 74 N.C. App. 295, 328 S.E.2d 460 (1985).

Evidence Sufficient to Show Manufacture of Heroin. — Evidence held ample to give rise to a reasonable inference that defendant manufactured heroin by packing controlled substance. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

Evidence showing the presence of a bag containing 17 grams of diluted cocaine, a smaller bag containing over three grams of cocaine of a greater purity, tools of a type which the State's evidence showed were commonly used in repackaging and selling cocaine, a bag of inositol, and over a hundred small plastic bags was sufficient to sustain defendant's conviction for manufacturing cocaine. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Where an array of items all used as means to package and distribute cocaine were found on a table, from the plastic baggies to the tinfoil, from the cellophane tape to the wire ties, a rational trier of fact had sufficient evidence to convict one of manufacturing cocaine. *State v. Brown*, 64 N.C. App. 637, 308 S.E.2d 346 (1983), aff'd, 310 N.C. 563, 313 S.E.2d 585 (1984).

IV. "MARIJUANA."

The exception in subdivision (16) relating to sterilized seeds implies an affirmative act by which presumptively vital seeds are rendered sterile, rather than the naturally occurring sterile seeds resulting from a lack of fertilization by pollination. *State v. Childers*, 41

N.C. App. 729, 255 S.E.2d 654, cert. denied, 298 N.C. 302, 259 S.E.2d 916 (1979).

State Entitled to Assume Marijuana Seeds Are Vital. — Where the defendant does not make any showing as to the fertility of marijuana seeds, and offers no proof that they were in any different state from that in which they naturally occurred, the State is entitled to assume that the seeds are vital and to proceed upon that assumption until the contrary is shown by defendant's evidence. *State v. Childers*, 41 N.C. App. 729, 255 S.E.2d 654, cert. denied, 298 N.C. 302, 259 S.E.2d 916 (1979).

Burden of Showing Matter Seized Not Within Definition. — The burden would be upon the defendants to show that stalks were mature or that any other part of the matter or material seized did not qualify as "marijuana" as defined by subdivision (16) of this section. *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Failure of Defendant to Show Material Was Not "Marijuana." — Trial court did not err in permitting case in which 12,410 pounds of marijuana plants, including stalks, and plastic pipes, was seized, where defendant failed to show that enough of the material seized did not qualify as marijuana. *State v. Grainger*, 78 N.C. App. 123, 337 S.E.2d 77 (1985), cert. denied, 316 N.C. 198, 341 S.E.2d 572 (1986).

V. "PRACTITIONER."

The term "within the normal course of professional practice" in subdivision (22)a is not vague. It gives every practitioner fair notice of the standard he must follow if his conduct is to come within the exception of the statute. That is all the Constitution requires. *State v. Best*, 31 N.C. App. 250, 229 S.E.2d 581 (1976), rev'd on other grounds, 292 N.C. 294, 233 S.E.2d 544 (1977).

VI. "PRESCRIPTION."

The clause "who is licensed ... to ... prescribe drugs in the course of his professional practice" in subdivision (23)a is an adjective clause modifying the preceding noun "practitioner." It describes the one issuing the prescription. It does not change the definition of practitioner as given in subdivision (22)a. *State v. Best*, 31 N.C. App. 250, 229 S.E.2d 581 (1976), rev'd on other grounds, 292 N.C. 294, 233 S.E.2d 544 (1977).

Thus a practitioner who is licensed to issue a prescription in the course of "his" professional practice may not do so unless that "activity is within the normal course of professional practice." *State v. Best*, 31 N.C. App. 250, 229 S.E.2d 581 (1976), rev'd on other grounds, 292 N.C. 294, 233 S.E.2d 544 (1977).

§ 90-88. Authority to control.

(a) The Commission may add, delete, or reschedule substances within Schedules I through VI of this Article on the petition of any interested party, or its own motion. In every case the Commission shall give notice of and hold a public hearing pursuant to Chapter 150B of the General Statutes prior to adding, deleting or rescheduling a controlled substance within Schedules I through VI of this Article, except as provided in subsection (d) of this section. A petition by the Commission, the North Carolina Department of Justice, or the North Carolina Board of Pharmacy to add, delete, or reschedule a controlled substance within Schedules I through VI of this Article shall be placed on the agenda, for consideration, at the next regularly scheduled meeting of the Commission, as a matter of right.

(a1) In making a determination regarding a substance, the Commission shall consider the following:

- (1) The actual or relative potential for abuse;
- (2) The scientific evidence of its pharmacological effect, if known;
- (3) The state of current scientific knowledge regarding the substance;
- (4) The history and current pattern of abuse;
- (5) The scope, duration, and significance of abuse;
- (6) The risk to the public health;
- (7) The potential of the substance to produce psychic or physiological dependence liability; and
- (8) Whether the substance is an immediate precursor of a substance already controlled under this Article.

(b) After considering the required factors, the Commission shall make findings with respect thereto and shall issue an order adding, deleting or rescheduling the substance within Schedules I through VI of this Article.

(c) If the Commission designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor.

(d) If any substance is designated, rescheduled or deleted as a controlled substance under federal law, the Commission shall similarly control or cease control of, the substance under this Article unless the Commission objects to such inclusion. The Commission, at its next regularly scheduled meeting that takes place 30 days after publication in the Federal Register of a final order scheduling a substance, shall determine either to adopt a rule to similarly control the substance under this Article or to object to such action. No rule-making notice or hearing as specified by Chapter 150B of the General Statutes is required if the Commission makes a decision to similarly control a substance. However, if the Commission makes a decision to object to adoption of the federal action, it shall initiate rule-making procedures pursuant to Chapter 150B of the General Statutes within 180 days of its decision to object.

(e) The Commission shall exclude any nonnarcotic substance from the provisions of this Article if such substance may, under the federal Food, Drug and Cosmetic Act, lawfully be sold over-the-counter without prescription.

(f) Authority to control under this Article does not include distilled spirits, wine, malt beverages, or tobacco.

(g) The Commission shall similarly exempt from the provisions of this Article any chemical agents and diagnostic reagents not intended for administration to humans or other animals, containing controlled substances which either (i) contain additional adulterant or denaturing agents so that the resulting mixture has no significant abuse potential, or (ii) are packaged in such a form or concentration that the particular form as packaged has no significant abuse potential, where such substance was exempted by the Federal Bureau of Narcotics and Dangerous Drugs.

(h) Repealed by Session Laws 1987, c. 413, s. 4.

(i) The North Carolina Department of Health and Human Services shall maintain a list of all preparations, compounds, or mixtures which are excluded, exempted and excepted from control under any schedule of this Article by the United States Drug Enforcement Administration and/or the Commission. This list and any changes to this list shall be mailed to the North Carolina Board of Pharmacy, the State Bureau of Investigation and each district attorney of this State. The Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services may study controlled substance analogues used as 'date rape drugs'. The Commission shall determine whether those substances should be added to the schedules for controlled substances as provided under G.S. 90-88, except that G.S. 90-88(e) shall not apply to this study or be a factor in the

Commission's determination.

"For purposes of this section [s. 19.1 of Session Laws 2001-491], the term 'analogue' means a substance other than a controlled substance that is intended for human consumption and that either has a chemical structure substantially similar to a controlled substance in Schedules I, II, or III of Chapter 90 of the General Statutes or that produces an effect substantially similar to that of a controlled substance in Schedules I, II, or III as set out in Chapter 90 of the General Statutes.

§ 90-89. Schedule I controlled substances.

This schedule includes the controlled substances listed or to be listed by whatever official name, common or usual name, chemical name, or trade name designated. § 90-93. Schedule V controlled substances.

(a) This schedule includes the controlled substances listed or to be listed by whatever official name, common or usual name, chemical name, or trade name designated. In determining that a substance comes within this schedule, the Commission shall find: a low potential for abuse relative to the substances listed in Schedule IV of this Article; currently accepted medical use in the United States; and limited physical or psychological dependence relative to the substances listed in Schedule IV of this Article. The following controlled substances are included in this schedule:

- (1) Any compound, mixture or preparation containing any of the following limited quantities of narcotic drugs or salts thereof, which shall include one or more nonnarcotic active medicinal ingredients in sufficient proportion to confer upon the compound, mixture, or preparation valuable medicinal qualities other than those possessed by the narcotic alone:
 - a. Not more than 200 milligrams of codeine or any of its salts per 100 milliliters or per 100 grams.
 - b. Not more than 100 milligrams of dihydrocodeine or any of its salts per 100 milliliters or per 100 grams.
 - c. Not more than 100 milligrams of ethylmorphine or any of its salts per 100 milliliters or per 100 grams.
 - d. Not more than 2.5 milligrams of diphenoxylate and not less than 25 micrograms of atropine sulfate per dosage unit.
 - e. Not more than 100 milligrams of opium per 100 milliliters or per 100 grams.
 - f. Not more than 0.5 milligram of difenoxin and not less than 25 micrograms of atropine sulfate per dosage unit.
- (2) Repealed by Session Laws 1985, c. 172, s. 9.
- (3) Stimulants. — Unless specifically exempted or excluded or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances having a stimulant effect on the central nervous system, including its salts, isomers and salts of isomers:
 - a. Repealed by Session Laws 1993, c. 319, s. 7.
 - b. Pyrovalerone.

(b) A Schedule V substance may be sold at retail without a prescription only by a registered pharmacist and no other person, agent or employee may sell a Schedule V substance even if under the direct supervision of a pharmacist.

(c) Notwithstanding the provisions of G.S. 90-93(b), after the pharmacist has fulfilled the responsibilities required of him in this Article, the actual cash transaction, credit transaction, or delivery of a Schedule V substance, may be completed by a nonpharmacist. A pharmacist may refuse to sell a Schedule V substance until he is satisfied that the product is being obtained for medicinal purposes only.

(d) A Schedule V substance may be sold at retail without a prescription only to a person at least 18 years of age. The pharmacist must require every retail purchaser of a Schedule V substance to furnish suitable identification, including proof of age when appropriate, in order to purchase a Schedule V substance. The name and address obtained from such identification shall be entered in the record of disposition to consumers. (1971, c. 919, s. 1; 1973, c. 476, s. 128; c. 1358, ss. 9, 15; 1977, c. 667, s. 3; 1979, c. 434, ss. 7, 8; 1981, c. 51, s. 9; 1985, c. 172, s. 9; 1989 (Reg. Sess., 1990), c. 1040, s. 3; 1993, c. 319, s. 7; 1997-456, s. 27.)

Cross References. — As to disclosure of the records required to be kept under subsection (d) of this section, see G.S. 90-85.36.

§ 90-94. Schedule VI controlled substances.

This schedule includes the controlled substances listed or to be listed by whatever official name, common or usual name, chemical name, or trade name designated. In determining that such substance comes within this schedule, the Commission shall find: no currently accepted medical use in the United States, or a relatively low potential for abuse in terms of risk to public health and potential to produce psychic or physiological dependence liability based upon present medical knowledge, or a need for further and continuing study to develop scientific evidence of its pharmacological effects.

The following controlled substances are included in this schedule:

- (1) Marijuana.
- (2) Tetrahydrocannabinols. (1971, c. 919, s. 1; 1973, c. 476, s. 128; c. 1358, s. 15; 1977, c. 667, s. 3; 1981, c. 51, s. 9; 1997-456, s. 27.)

CASE NOTES

Neither Possession Nor Possession with Intent to Sell Included in the Other. — To prove the offense of possession of over one ounce of marijuana, the State must show possession and that the amount possessed was greater than one ounce. To prove the offense of possession with intent to sell or deliver marijuana, the State must show possession of any amount of marijuana and that the person possessing the substance intended to sell or deliver it. Thus, the two crimes each contain one element that is not necessary for proof of the other crime. One is not a lesser included offense of the other. *State v. Gooch*, 58 N.C. App. 582, 294 S.E.2d 13, rev'd on other grounds, 307 N.C. 253, 297 S.E.2d 599 (1982).

Findings Not Required as to Marijuana. — The requirement that the Drug Authority (now Drug Commission) make findings as to whether a substance comes within this section applies only to drugs the Authority (now Commission) may wish to add, delete or reschedule, and not to substances, such as marijuana, which have already been included by the Gen-

eral Assembly. *State v. Dietz*, 289 N.C. 488, 223 S.E.2d 357 (1976).

In a prosecution for felonious sale and delivery of marijuana and felonious possession of marijuana with intent to sell, it is not necessary for the State to show that the Drug Authority (now Drug Commission) has made a finding that marijuana is a controlled substance, since it has been listed as such under this section. *State v. Dietz*, 289 N.C. 488, 223 S.E.2d 357 (1976).

§ 90-95. Violations; penalties.

- (a) Except as authorized by this Article, it is unlawful for any person:
 - (1) To manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a controlled substance;
 - (2) To create, sell or deliver, or possess with intent to sell or deliver, a counterfeit controlled substance;
 - (3) To possess a controlled substance.
- (b) Except as provided in subsections (h) and (i) of this section, any person who violates G.S. 90-95(a)(1) with respect to:
 - (1) A controlled substance classified in Schedule I or II shall be punished as a Class H felon, except that the sale of a controlled substance classified in Schedule I or II shall be punished as a Class G felon;
 - (2) A controlled substance classified in Schedule III, IV, V, or VI shall be punished as a Class I felon, except that the sale of a controlled substance classified in Schedule III, IV, V, or VI shall be punished as a Class H felon. The transfer of less than 5 grams of marijuana for no remuneration shall not constitute a delivery in violation of G.S. 90-95(a)(1).
- (c) Any person who violates G.S. 90-95(a)(2) shall be punished as a Class I felon.
- (d) Except as provided in subsections (h) and (i) of this section, any person who violates G.S. 90-95(a)(3) with respect to:
 - (1) A controlled substance classified in Schedule I shall be punished as a Class I felon;
 - (2) A controlled substance classified in Schedule II, III, or IV shall be guilty of a Class 1 misdemeanor. If the controlled substance exceeds four tablets, capsules, or other dosage units or equivalent quantity of hydromorphone or if the quantity of the controlled substance, or combination of the controlled substances, exceeds one hundred tablets, capsules or other dosage units, or equivalent quantity, the violation shall be punishable as a Class I felony. If the controlled substance is methamphetamine, amphetamine, phencyclidine, or cocaine and any salt, isomer, salts of isomers, compound, derivative, or preparation thereof, or coca leaves and any salt, isomer, salts of isomers, compound, derivative, or preparation of coca leaves, or any salt, isomer, salts of isomers, compound, derivative or preparation thereof which is chemically equivalent or identical with any of these substances (except decocanized coca leaves or any extraction of coca leaves which does not contain cocaine or ecgonine), the violation shall be punishable as a Class I felony.
 - (3) A controlled substance classified in Schedule V shall be guilty of a Class 2 misdemeanor;
 - (4) A controlled substance classified in Schedule VI shall be guilty of a Class 3 misdemeanor, but any sentence of imprisonment imposed must be suspended and the judge may not require at the time of sentencing that the defendant serve a period of imprisonment as a special condition of probation. If the quantity of the controlled substance exceeds one-half of an ounce (avoirdupois) of marijuana or one-twentieth of an ounce (avoirdupois) of the extracted resin of marijuana, commonly known as hashish, the violation shall be punishable as a Class 1 misdemeanor. If the quantity of the controlled

substance exceeds one and one-half ounces (avoirdupois) of marijuana or three-twentieths of an ounce (avoirdupois) of the extracted resin of marijuana, commonly known as hashish, or if the controlled substance consists of any quantity of synthetic tetrahydrocannabinols or tetrahydrocannabinols isolated from the resin of marijuana, the violation shall be punishable as a Class I felony.

(d1) Except as authorized by this Article, it is unlawful for any person to:

- (1) Possess an immediate precursor chemical with intent to manufacture a controlled substance; or
- (2) Possess or distribute an immediate precursor chemical knowing, or having reasonable cause to believe, that the immediate precursor chemical will be used to manufacture a controlled substance.

Any person who violates this subsection shall be punished as a Class H felon.

(d2) The immediate precursor chemicals to which subsection (d1) of this section applies are those immediate precursor chemicals designated by the Commission pursuant to its authority under G.S. 90-88, and the following (until otherwise specified by the Commission):

- (1) Anhydrous ammonia.
- (1a) Anthranilic acid.

(e) The prescribed punishment and degree of any offense under this Article shall be subject to the following conditions, but the punishment for an offense may be increased only by the maximum authorized under any one of the applicable conditions:

- (1), (2) Repealed by Session Laws 1979, c. 760, s. 5.
- (3) If any person commits a Class 1 misdemeanor under this Article and if he has previously been convicted for one or more offenses under any law of North Carolina or any law of the United States or any other state, which offenses are punishable under any provision of this Article, he shall be punished as a Class I felon. The prior conviction used to raise the current offense to a Class I felony shall not be used to calculate the prior record level.
- (4) If any person commits a Class 2 misdemeanor, and if he has previously been convicted for one or more offenses under any law of North Carolina or any law of the United States or any other state, which offenses are punishable under any provision of this Article, he shall be guilty of a Class 1 misdemeanor. The prior conviction used to raise the current offense to a Class 1 misdemeanor shall not be used to calculate the prior conviction level.
- (5) Any person 18 years of age or over who violates G.S. 90-95(a)(1) by selling or delivering a controlled substance to a person under 16 years of age but more than 13 years of age or a pregnant female shall be punished as a Class D felon. Any person 18 years of age or over who violates G.S. 90-95(a)(1) by selling or delivering a controlled substance to a person who is 13 years of age or younger shall be punished as a Class C felon. Mistake of age is not a defense to a prosecution under this section. It shall not be a defense that the defendant did not know that the recipient was pregnant.
- (6) For the purpose of increasing punishment under G.S. 90-95(e)(3) and (e)(4), previous convictions for offenses shall be counted by the number of separate trials at which final convictions were obtained and not by the number of charges at a single trial.
- (7) If any person commits an offense under this Article for which the prescribed punishment requires that any sentence of imprisonment be suspended, and if he has previously been convicted for one or more offenses under any law of North Carolina or any law of the United States or any other state, which offenses are punishable under any provision of this Article, he shall be guilty of a Class 2 misdemeanor.
- (8) Any person 21 years of age or older who commits an offense under G.S. 90-95(a)(1) on property used for a child care center, or for an elementary or secondary school or within 300 feet of the boundary of real property used for a child care center, or for an elementary or secondary school shall be punished as a Class E felon. For purposes of this subdivision, the transfer of less than five grams of marijuana for no remuneration shall not constitute a delivery in violation of G.S. 90-95(a)(1). For purposes of this subdivision, a child care center is as defined in G.S. 110-86(3)a., and that is licensed by the Secretary of the Department of Health and Human Services.
- (9) Any person who violates G.S. 90-95(a)(3) on the premises of a penal institution or local confinement facility shall be guilty of a Class H felony.
- (10) Any person 21 years of age or older who commits an offense under G.S. 90-95(a)(1) on property that is a playground in a public park or within 300 feet of the boundary of real property that is a playground in a public park shall be punished as a Class E felon. For purposes of this subdivision, the transfer of less than five grams of marijuana for no remuneration shall not constitute a delivery in violation of G.S. 90-95(a)(1). For purposes of this subdivision the term "playground" means any outdoor facility (including any parking lot appurtenant thereto) intended for recreation open to the public, and with any

portion thereof containing three or more separate apparatuses intended for the recreation of children including, but not limited to, sliding boards, swingsets, and teeterboards.

(f) Any person convicted of an offense or offenses under this Article who is sentenced to an active term of imprisonment that is less than the maximum active term that could have been imposed may, in addition, be sentenced to a term of special probation. Except as indicated in this subsection, the administration of special probation shall be the same as probation. The conditions of special probation shall be fixed in the same manner as probation, and the conditions may include requirements for rehabilitation treatment. Special probation shall follow the active sentence. No term of special probation shall exceed five years. Special probation may be revoked in the same manner as probation; upon revocation, the original term of imprisonment may be increased by no more than the difference between the active term of imprisonment actually served and the maximum active term that could have been imposed at trial for the offense or offenses for which the person was convicted, and the resulting term of imprisonment need not be diminished by the time spent on special probation.

(g) Whenever matter is submitted to the North Carolina State Bureau of Investigation Laboratory, the Charlotte, North Carolina, Police Department Laboratory or to the Toxicology Laboratory, Reynolds Health Center, Winston-Salem for chemical analysis to determine if the matter is or contains a controlled substance, the report of that analysis certified to upon a form approved by the Attorney General by the person performing the analysis shall be admissible without further authentication in all proceedings in the district court and superior court divisions of the General Court of Justice as evidence of the identity, nature, and quantity of the matter analyzed. Provided, however, that a report is admissible in a criminal proceeding in the superior court division or in an adjudicatory hearing in juvenile court in the district court division only if:

- (1) The State notifies the defendant at least 15 days before trial of its intention to introduce the report into evidence under this subsection and provides a copy of the report to the defendant, and
- (2) The defendant fails to notify the State at least five days before trial that the defendant objects to the introduction of the report into evidence.

Nothing in this subsection precludes the right of any party to call any witness or to introduce any evidence supporting or contradicting the evidence contained in the report.

(g1) Procedure for establishing chain of custody without calling unnecessary witnesses. —

- (1) For the purpose of establishing the chain of physical custody or control of evidence consisting of or containing a substance tested or analyzed to determine whether it is a controlled substance, a statement signed by each successive person in the chain of custody that the person delivered it to the other person indicated on or about the date stated is prima facie evidence that the person had custody and made the delivery as stated, without the necessity of a personal appearance in court by the person signing the statement.
- (2) The statement shall contain a sufficient description of the material or its container so as to distinguish it as the particular item in question and shall state that the material was delivered in essentially the same condition as received. The statement may be placed on the same document as the report provided for in subsection (g) of this section.
- (3) The provisions of this subsection may be utilized by the State only if:
 - a. The State notifies the defendant at least 15 days before trial of its intention to introduce the statement into evidence under this

- subsection and provides the defendant with a copy of the statement, and
- b. The defendant fails to notify the State at least five days before trial that the defendant objects to the introduction of the statement into evidence.
- (4) Nothing in this subsection precludes the right of any party to call any witness or to introduce any evidence supporting or contradicting the evidence contained in the statement.
- (h) Notwithstanding any other provision of law, the following provisions apply except as otherwise provided in this Article.
 - (1) Any person who sells, manufactures, delivers, transports, or possesses in excess of 10 pounds (avoirdupois) of marijuana shall be guilty of a felony which felony shall be known as "trafficking in marijuana" and if the quantity of such substance involved:
 - a. Is in excess of 10 pounds, but less than 50 pounds, such person shall be punished as a Class H felon and shall be sentenced to a minimum term of 25 months and a maximum term of 30 months in the State's prison and shall be fined not less than five thousand dollars (\$5,000);

 - (2) Any person who sells, manufactures, delivers, transports, or possesses 1,000 tablets, capsules or other dosage units, or the equivalent quantity, or more of methaqualone, or any mixture containing such substance, shall be guilty of a felony which felony shall be known as "trafficking in methaqualone" and if the quantity of such substance or mixture involved:
 - a. Is 1,000 or more dosage units, or equivalent quantity, but less than 5,000 dosage units, or equivalent quantity, such person shall be punished as a Class G felon and shall be sentenced to a minimum term of 35 months and a maximum term of 42 months in the State's prison and shall be fined not less than twenty-five thousand dollars (\$25,000);
 - b. Is 5,000 or more dosage units, or equivalent quantity, but less than 10,000 dosage units, or equivalent quantity, such person shall be punished as a Class F felon and shall be sentenced to a minimum term of 70 months and a maximum term of 84 months in the State's prison and shall be fined not less than fifty thousand dollars (\$50,000);

- (4b) Any person who sells, manufactures, delivers, transports, or possesses 100 or more tablets, capsules, or other dosage units, or 28 grams or more of 3,4-methylenedioxyamphetamine (MDA), including its salts, isomers, and salts of isomers, or 3,4-methylenedioxy-methamphetamine (MDMA), including its salts, isomers, and salts of isomers, or any mixture containing such substances, shall be guilty of a felony, which felony shall be known as "trafficking in MDA/MDMA." If the quantity of the substance or mixture involved:

- (5) Except as provided in this subdivision, a person being sentenced under this subsection may not receive a suspended sentence or be placed on probation. The sentencing judge may reduce the fine, or impose a prison term less than the applicable minimum prison term provided by this subsection, or suspend the prison term imposed and place a person on probation when such person has, to the best of his knowledge, provided substantial assistance in the identification, arrest, or conviction of any accomplices, accessories, co-conspirators, or principals if the sentencing judge enters in the record a finding that the person to be sentenced has rendered such substantial assistance.

- (6) Sentences imposed pursuant to this subsection shall run consecutively with and shall commence at the expiration of any sentence being served by the person sentenced hereunder.

(i) The penalties provided in subsection (h) of this section shall also apply to any person who is convicted of conspiracy to commit any of the offenses described in subsection (h) of this section. I. GENERAL CONSIDERATION.

Section Is Constitutional. — This section, relating to the possession and distribution of controlled substances, is constitutional. *State v. McDougald*, 18 N.C. App. 407, 197 S.E.2d 11, cert. denied, 283 N.C. 756, 198 S.E.2d 726 (1973), decided under this section as it stood before the 1973 revision.

The mandatory minimum sentence and fine provision of subdivision (h)(4) of this section does not violate equal protection rights and the separation of powers clause of the North Carolina Constitution in that it places impermissible legislative restraints on the judiciary and, in effect, also places sentencing powers in the hands of the prosecutor, who is a member of the executive branch. It is well-established that the legislature has exclusive power to prescribe the punishment for crimes. The function of the court in the punishment of crimes is to determine whether an accused is guilty or innocent and, if guilty, to pronounce the penalty prescribed by the legislature. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983).

Subdivisions (h)(4), (h)(5) and (h)(6) of this section are not violative of the United States or North Carolina Constitutions. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983); *State v. Porter*, 65 N.C. App. 13, 308 S.E.2d 767 (1983), cert. denied and appeal dismissed, 310 N.C. 155, 311 S.E.2d 295, cert. denied, 466 U.S. 973, 104 S. Ct. 2348, 80 L. Ed. 2d 821 (1984).

Subdivision (h)(4) of this section is not unconstitutional under N.C. Const., Art. I, § 6, the separation of power clauses, or under N.C. Const., Art. I, § 19, the law of the land provision. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

The imposition of harsher penalties for the possession of a mixture of controlled substances with a larger mixture of lawful materials has a rational relation to a valid State objective, that is, the deterrence of large scale distribution of drugs. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

The language of subdivision (a)(1) creates three offenses: (1) manufacture of a controlled substance, (2) transfer of a controlled substance by sale or delivery, and (3) possession with intent to manufacture, sell or deliver a controlled substance. The Supreme Court of North Carolina disapproved the contrary language in *State v. Clark*, 71 N.C. App. 55, 322 S.E.2d 176 (1984), which interpreted the statutes as creating six separate offenses. *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

Arresting for Possession of Marijuana But Not Alcoholic Beverages Is Constitutional. — The practice of arresting persons present at an arena who have marijuana in

their possession and not arresting persons found at the arena who have alcoholic beverages in their possession is not unconstitutional and does not violate either the due process or equal protection clauses of U.S. Const., Amend. XIV. *Wheaton v. Hagan*, 435 F. Supp. 1134 (M.D.N.C. 1977).

Construction with Federal Law. — The defendant's conviction of possessing between twenty-eight and two hundred grams of cocaine in violation of subsection (h)(3) was not a "serious drug offense" as defined in 18 U.S.C.S. § 924(e)(2)(A)(ii) and, therefore, could not be used to subject him to the mandatory fifteen year minimum sentence outlined by that section. *United States v. Brandon*, 247 F.3d 186, 2001 U.S. App. LEXIS 6618 (4th Cir. 2001).

Double Jeopardy. — Defendant was not subjected to double jeopardy when he was convicted and separately sentenced to both felonious possession and felonious transportation of the same package of heroin, since felonious transportation involves acts not necessarily a part of, nor a requisite to, felonious possession. *State v. Harrington*, 283 N.C. 527, 196 S.E.2d 742, cert. denied, 414 U.S. 1011, 94 S. Ct. 375, 38 L. Ed. 2d 249 (1973), decided prior to the 1973 revision of this section.

Manufacturing or possession under subsection (a) of this section does not require proof of any additional facts beyond those required under subdivision (h)(1) of this section; therefore, convictions under both statutes violate protection against double jeopardy. *State v. Sanderson*, 60 N.C. App. 604, 300 S.E.2d 9, cert. denied, 308 N.C. 679, 304 S.E.2d 759 (1983).

The principles of double jeopardy bar defendant's conviction and punishment for possession of more than one gram of cocaine and possession of cocaine with intent to sell or deliver. The appropriate procedure was to instruct the jury to first consider the offense of possession with intent to sell and deliver, and then, if and only if they found defendant not guilty of that offense, to consider the possession charge. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Convictions for the separate offenses of transporting and possessing a controlled substance are consistent with the intent of the legislature and do not violate the constitutional prohibition against double jeopardy. *State v. Bogle*, 90 N.C. App. 277, 368 S.E.2d 424, rev'd on other grounds, 324 N.C. 190, 376 S.E.2d 745 (1988); *State v. Jones*, 96 N.C. App. 389, 386 S.E.2d 217 (1989), appeal dismissed and cert. denied, 326 N.C. 366, 389 S.E.2d 809 (1990).

Defendant's consecutive sentences for trafficking by sale and trafficking by delivery do not violate double jeopardy as they are separate offenses. *State v. Holmes*, 120 N.C. App. 54, 460 S.E.2d 915 (1995).

Double Jeopardy Violated Where Four Conspiracies Were Actually Single Conspiracy. —

Where defendant was convicted of conspiracy to possess cocaine, conspiracy to deliver cocaine, conspiracy to sell cocaine and conspiracy to transport cocaine, since the four separate conspiracies for which defendant was charged were, in fact, only a single conspiracy, his conviction for more than that single conspiracy violated his right to be free from double jeopardy. *State v. Kamtsiklis*, 94 N.C. App. 250, 380 S.E.2d 400, appeal dismissed and cert. denied, 325 N.C. 711, 388 S.E.2d 466 (1989).

Double Jeopardy Not Violated for Conviction for Failure to Pay Excise Tax. —

Convictions for trafficking in cocaine by possession and for failure to pay excise tax on the controlled substance did not constitute double jeopardy, nor did the punishments imposed upon those convictions violate the prohibition against multiple punishments for the same offense, where the state sought to collect the drug excise tax from defendant in the same prosecution, and where neither of the crimes in question was a lesser included offense of the other. *State v. Morgan*, 118 N.C. App. 461, 455 S.E.2d 490 (1995).

Quantity Not Element of Subdivision

(a)(1). — While the quantity of drugs seized is evidence of the intent to sell, it is not an element of subdivision (a)(1) of this section. *State v. Hyatt*, 98 N.C. App. 214, 390 S.E.2d 355 (1990).

Nowhere in subdivision (a)(1) is an element specifying the amount of the controlled substance for which a defendant may be charged and convicted. *State v. Hyatt*, 98 N.C. App. 214, 390 S.E.2d 355 (1990).

The premise upon which the North Carolina Controlled Substances Act rests is that the substances so controlled are detrimental to the public; with that in mind the legislature established presumptive sentences for the different crimes involving marijuana. *State v. Coffey*, 65 N.C. App. 751, 310 S.E.2d 123 (1984).

Purpose. — One of the purposes of the Controlled Substances Act is to deter dealers in illicit drugs. *State v. Horton*, 75 N.C. App. 632, 331 S.E.2d 215, cert. denied, 314 N.C. 672, 335 S.E.2d 497 (1985).

Intent of the legislature in adopting subdivision (a)(1) was two-fold: (1) to prevent the manufacture of controlled substances, and (2) to prevent the transfer of controlled substances from one person to another. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

The evil sought to be prevented by the legislature under subdivision (a)(1) is the possession of drugs with the intent to place them into commerce by transferring them from one to another by either the sale or delivery of the

drug. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

Possession of Drug Paraphernalia Does Not Trigger Felony Enhancement. — Felonious possession of drug charge should have been dismissed where G.S. 90-95(e)(3) was the basis for the State's enhancement of the offense to a felony because the offense prior to enhancement, possession of drug paraphernalia is a misdemeanor punishable under G.S. 90-113.22, and did not fall within G.S. 90-95(e)(3). *State v. Stevens*, 151 N.C. App. 561, 566 S.E.2d 149, 2002 N.C. App. LEXIS 771 (2002).

The enumerated acts which constitute trafficking pursuant to subdivision (h)(3) are separate crimes. *State v. Baize*, 71 N.C. App. 521, 323 S.E.2d 36 (1984), cert. denied, 313 N.C. 174, 326 S.E.2d 33, 326 S.E.2d 34 (1985).

Possession with intent to sell and sale are distinct offenses, and the former is not a lesser included offense of the latter. *State v. Saunders*, 35 N.C. App. 359, 241 S.E.2d 351 (1978).

Neither the offense of unauthorized possession nor the offense of unauthorized sale of a controlled substance is included within the other offense, and one placed in jeopardy as to the one offense is not thereby placed in jeopardy as to the other. Thus, one charged with both offenses may be convicted of both and sentenced to imprisonment for each. *State v. Aiken*, 286 N.C. 202, 209 S.E.2d 763 (1974); *State v. Fletcher*, 92 N.C. App. 50, 373 S.E.2d 681 (1988).

Possession and sale are separate and distinct offenses. *State v. Joynor*, 37 N.C. App. 216, 245 S.E.2d 592 (1978).

Possession of methamphetamine and sale of methamphetamine are two separate and distinct offenses, and a defendant can be convicted of both crimes and not have his constitutional rights violated. *State v. Salem*, 50 N.C. App. 419, 274 S.E.2d 501, cert. denied, 302 N.C. 401, 279 S.E.2d 355 (1981).

Manufacturing marijuana and possession of marijuana are separate and distinct statutory offenses, neither of which is a lesser included offense of the other. *State v. Jenkins*, 74 N.C. App. 295, 328 S.E.2d 460 (1985).

Possession, manufacturing, and transporting heroin are separate and distinct offenses. Further, when a person commits any one of these offenses which involves four grams or more of heroin, he is guilty of trafficking. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

Possession of heroin and distribution of heroin are separate and distinct crimes, and each may be punished as provided by law. *State v. Thornton*, 283 N.C. 513, 196 S.E.2d 701 (1973), decided under this section as it stood

prior to the 1973 revision.

Defendant was not subjected to double jeopardy when he was placed on trial for the two offenses of possession of heroin and distribution of heroin and consecutive sentences were imposed for two convictions. *State v. Thornton*, 283 N.C. 513, 196 S.E.2d 701 (1973), decided prior to the 1973 revision of this section.

Possession of a controlled substance and distribution of the same controlled substance are separate and distinct crimes, and each may be punished as provided by law, even where the possession and distribution in point of time were the same. Unlawful possession cannot be considered a lesser included offense of the crime of unlawful distribution. *State v. Brown*, 20 N.C. App. 71, 200 S.E.2d 666 (1973), cert. denied, 284 N.C. 617, 202 S.E.2d 274 (1974), decided under this section as it stood before the 1973 revision.

Possession and distribution of heroin are separate and distinct offenses, and a defendant may be prosecuted for both without violating the constitutional prohibition against double jeopardy. *State v. Patterson*, 21 N.C. App. 443, 204 S.E.2d 709 (1974), decided under this section as it stood before the 1973 revision.

Where each act is the product of but one agreement, only one conspiracy may be charged. *State v. Agudelo*, 89 N.C. App. 640, 366 S.E.2d 921, appeal dismissed and cert. denied, 323 N.C. 176, 373 S.E.2d 115 (1988), overruled on other grounds, *State v. Barnes*, 324 N.C. 539, 380 S.E.2d 118 (1989).

Where there existed only one plot or plan, scheme or conspiracy, covering both possessing marijuana and manufacturing marijuana, the defendant could only be sentenced for one count of conspiracy. *Sanderson v. Rice*, 777 F.2d 902 (4th Cir. 1985), cert. denied, 475 U.S. 1027, 106 S. Ct. 1226, 89 L. Ed. 2d 336 (1986).

Possession of Cocaine Held Encompassed by Conspiracy to Sell and Deliver Same. — Each defendant could be convicted of only one conspiracy where conspiracy to sell and deliver cocaine necessarily encompassed possession of the substance, and thus judgments as to defendants' convictions of conspiracy to possess would be arrested. *State v. Worthington*, 319 N.C. App. 677, 352 S.E.2d 695, cert. denied, 319 N.C. 677, 356 S.E.2d 785 (1987).

Possession and Sale of Heroin and Cocaine. — Although defendant possessed both heroin and cocaine at the same time and place, and sold both substances in the same transaction, he could be lawfully convicted of two possessing offenses and two selling offenses. *State v. Horton*, 75 N.C. App. 632, 331 S.E.2d 215, cert. denied, 314 N.C. 672, 335 S.E.2d 497 (1985).

Where a licensed physician merely

writes a prescription for a controlled substance listed in Schedules II, III, IV or V, and nothing more, such act is not a violation of subdivision (a)(1). *State v. Best*, 292 N.C. 294, 233 S.E.2d 544 (1977).

However, if that prescription is written outside the normal course of professional practice in North Carolina and not for a legitimate medical purpose, the physician violates G.S. 90-108. *McCall v. McCall*, 138 N.C. App. 706, 531 S.E.2d 894, 2000 N.C. App. LEXIS 795 (2000).

Drug Referred to in Indictment by Trade Name. — Desoxyn is a trade name for methamphetamine hydrochloride. Thus there was no variance between the charge in the bill of indictment that defendant possessed Desoxyn and the evidence which tended to prove that defendant possessed methamphetamine. *State v. Newton*, 21 N.C. App. 384, 204 S.E.2d 724 (1974), decided under this section as it stood before the 1973 revision.

It was proper for the trial judge to take judicial notice and to instruct the jury that Desoxyn and methamphetamine are the same thing. *State v. Newton*, 21 N.C. App. 384, 204 S.E.2d 724 (1974), decided under this section as it stood before the 1973 revision.

Constitutional Rights Not Violated Where Samples, etc., of Destroyed Evidence Exist. — In prosecution under this section, destruction of marijuana by State for lack of storage facilities, where State made random samples, photographs and a copy of the laboratory report available to defendants, did not violate defendants' rights of confrontation under N.C. Const., Art. I, § 23, nor infringe defendants' due process rights under the federal and State Constitutions. *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Nor Are Discovery Rights Violated. — In prosecution under this section, destruction of marijuana by State for lack of storage facilities did not violate defendant's discovery rights under G.S. 15A-903(e) where the State made random samples, photographs and a copy of the laboratory report of the State Bureau of Investigation available to defendants. *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Establishing Identity of Substance. — Testimony by a special agent that, "Two of the three substances that I purchased were MDA" did not constitute substantial evidence that the drug possessed and sold by defendant was in fact 3, 4-methylenedioxymphetamine as charged in bills of indictment. *State v. Board*, 296 N.C. 652, 252 S.E.2d 803 (1979).

Qualified chemist's identification of green vegetable material as marijuana constituted sufficient showing by the State that it was *Cannabis sativa* L., a controlled

substance under this section. *State v. Bell*, 24 N.C. App. 430, 210 S.E.2d 905 (1975).

Acceptance of an expert witness in the field of marijuana identification and admission of her opinion as to the nature of the material seized was not improper where the witness was a chemist with the State Bureau of Investigation, whose duties consisted of the analysis of substances for the presence of controlled substances, including marijuana, where she had been so employed for almost two years, and where she had had special training in the analysis of controlled substances. *State v. Jenkins*, 74 N.C. App. 295, 328 S.E.2d 460 (1985).

Rejection of Expert Witness Testimony as to Proper Narcotics Practices and Procedures. — The court rightfully refused the testimony of defendant's expert, a private detective and retired police officer of 30 years, where the jury was perfectly capable of judging the improper methods and procedures used by the undercover narcotics officer without the assistance of the expert; the testimony was irrelevant, had insufficient probative value on the facts to be proved, and violated the rule prohibiting expert testimony as to witness credibility, G.S. 8C-1, Rules 405(a) and 608, as read together. *State v. Mackey*, 352 N.C. 650, 535 S.E.2d 555, 2000 N.C. LEXIS 751 (2000).

Weight of Marijuana. — The state, in order to prove the element of weight of the marijuana in question, must either offer evidence of its actual, measured weight or demonstrate that the quantity of marijuana itself is so large as to permit a reasonable inference that its weight satisfied this element. *State v. Mitchell*, 336 N.C. 22, 442 S.E.2d 24 (1994).

Unlike age, the weight of a given quantity of marijuana is not a matter of general knowledge and experience. This is a matter familiar only to those who regularly use or deal in the substance, who are engaged in enforcing the laws against it, or who have developed an acute ability to assess the weight of objects down to the ounce and the average juror does not fall into any of these categories. *State v. Mitchell*, 336 N.C. 22, 442 S.E.2d 24 (1994).

Indictment Defective for Failure to Specify Weight Possessed. — Appeals court vacated defendant's conviction of possession of more than 42 grams of marijuana under G.S. 90-95(a)(3) and (d)(4) since the trial court lacked jurisdiction to try him for that charge as the indictment did not charge an essential element of that crime (the weight of marijuana he possessed), and remanded the case to the trial court to impose a judgment of conviction and sentence of the lesser-included offense of Class 3 possession of marijuana since the essential elements of that crime, other than weight, were the same as the G.S. 90-95(a)(3), (d)(4) offense for which he was indicted and

convicted. *State v. Partridge*, — N.C. App. —, 579 S.E.2d 398, 2003 N.C. App. LEXIS 735 (2003).

Subsection (g) was not intended to apply to proceedings which result in adjudications of delinquency in the district court. In re Arthur, 291 N.C. 640, 231 S.E.2d 614 (1977).

Application of Interested Witness Rule. — The trial court did not err in a prosecution for possession with intent to sell and deliver, and delivery, of marijuana in failing to find that undercover officer was an interested witness per se, and the jury was properly instructed that the interested witness rule would apply if the jury determined that he was an interested witness. *State v. Richardson*, 36 N.C. App. 373, 243 S.E.2d 918 (1978).

Comment on Refusal to Render Assistance Under Subdivision (h)(5). — Defendant's constitutional right to be free from compelled self-incrimination includes the right to choose, without the risk of being penalized before a jury, between the exercise of that right and the potential benefits which may later inure through a waiver thereof and the rendition of assistance as provided in subdivision (h)(5) of this section. *State v. Worthington*, 84 N.C. App. 150, 352 S.E.2d 695, cert. denied, 319 N.C. 677, 356 S.E.2d 785 (1987).

District attorney's argument that defendants had the information necessary to avail themselves of the provisions of subdivision (h)(5) of this section and had an opportunity to render assistance but had declined to do so amounted to an impermissible comment upon defendants' exercise of their constitutional right to remain silent. However, the trial court's error in overruling defendants' objection to the improper remark of the district attorney was harmless beyond a reasonable doubt, due to the overwhelming evidence of defendants' guilt of the offenses for which they were convicted. *State v. Worthington*, 84 N.C. App. 150, 352 S.E.2d 695, cert. denied, 319 N.C. 677, 356 S.E.2d 785 (1987).

Plea Agreement Regarding Rendering of Assistance. — If alleged plea agreement, to the effect that if defendant testified against his supplier his sentence would run concurrently with his previous sentence, existed and was proper, the actual assistance rendered by the defendant would have to be measured by the terms of the agreement and not by the "substantial assistance" standard of this section. *State v. Mercer*, 84 N.C. App. 623, 353 S.E.2d 682 (1987).

For case in which disclosure of the identity of State's confidential informant was held essential to a fair determination of defendant's case, see *State v. Johnson*, 81 N.C. App. 454, 344 S.E.2d 318, cert. denied, 317 N.C. 339, 346 S.E.2d 151 (1986).

Evidence of Other Drug Violations. — In

drug cases, evidence of other drug violations is relevant and admissible if it tends to show plan or scheme, disposition to deal in illicit drugs, knowledge of the presence and character of the drug, or presence at and possession of the premises where the drugs are found. *State v. Richardson*, 36 N.C. App. 373, 243 S.E.2d 918 (1978); *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and affirmed, 309 N.C. 451, 306 S.E.2d 779 (1983); *State v. Sanderson*, 62 N.C. App. 520, 302 S.E.2d 899 (1983); *State v. Weldon*, 65 N.C. App. 376, 309 S.E.2d 263 (1983), *aff'd*, 314 N.C. 401, 333 S.E.2d 701 (1985).

Where evidence of defendant's bad character related in part to his activities in the illegal drug trade, it bore a reasonable relationship to the purposes of sentencing for offenses under this section by demonstrating his increased culpability and was a proper aggravating factor. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

Evidence of other discoveries tended to show defendant's guilty knowledge, where defendant leased and lived in the house where heroin was found and was physically present on the occasion of each search; where during the first search, which occurred two months prior to the offense charged, heroin, a needle and syringe, and \$648 were found on a table directly in front of defendant; and where during the last search, which took place three months after the offense, heroin was found at an easily accessible location about five feet from defendant's back door, and \$201 was found on her person. *State v. Weldon*, 65 N.C. App. 376, 309 S.E.2d 263 (1983), *aff'd*, 314 N.C. 401, 333 S.E.2d 701 (1985).

Testimony that defendant's house had the reputation of being a site of illegal drug sale and use, although ordinarily considered hearsay, concerning the reputation of a place, was admissible where it tended to show the intent of the person charged. *State v. Weldon*, 65 N.C. App. 376, 309 S.E.2d 263 (1983), *aff'd*, 314 N.C. 401, 333 S.E.2d 701 (1985).

Sufficiency of Evidence to Withstand Motion for Nonsuit. — Evidence that (1) officers heard running through the house immediately after announcing the presence of the police and requesting entry; (2) defendants were found in the downstairs bedroom with packaged marijuana next to kitchen where manufacturing paraphernalia was assembled; and (3) two blenders were in operation and manufacturing appeared to be in progress, was sufficient to withstand a motion for nonsuit on charges of manufacture and possession of marijuana. *State v. Shufford*, 34 N.C. App. 115, 237 S.E.2d 481, cert. denied, 293 N.C. 592, 239 S.E.2d 265 (1977).

As to "close juxtaposition" of defendants to

marijuana as sufficient to withstand nonsuit on charges of manufacture and possession, see *State v. Shufford*, 34 N.C. App. 115, 237 S.E.2d 481, cert. denied, 293 N.C. 592, 239 S.E.2d 265 (1977).

Burden of Showing Matter Seized Is Not Marijuana. — The burden would be upon the defendants to show that stalks were mature or that any other part of the matter or material seized did not qualify as "marijuana," as defined by G.S. 90-87(16). *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Failure of Defendant to Show Material Was Not "Marijuana". — Trial court did not err in permitting continuation of case in which 12,410 pounds of marijuana plants, including stalks, and plastic pipes, was seized, where defendant failed to show that enough of the material seized did not qualify as marijuana. *State v. Grainger*, 78 N.C. App. 123, 337 S.E.2d 77 (1985).

Failure to Make Written Findings Held Not Prejudicial. — The trial court's mere clerical error in entering a judgment which stated that the court made no written findings of fact did not prejudice defendant, because written findings were unnecessary since defendant received the minimum sentence possible under subdivision (h)(1)a of this section, which overrides the presumptive term established for a Class H felony by G.S. 15A-1340.4(f)(6). *State v. Leonard*, 87 N.C. App. 448, 361 S.E.2d 397 (1987), appeal dismissed, 321 N.C. 746, 366 S.E.2d 867 (1988).

Aggravating Factors Under Subdivision (a)(1). — While G.S. 15A-1340.4-(a)(1) prohibits using evidence necessary to prove an element of the offense to prove a factor in aggravation, use of evidence that the offense was committed for hire or pecuniary gain and that the offense involved an attempted or actual taking of property of great monetary value or damage causing great monetary loss or that the offense involved an unusually large quantity of contraband is permissible, since these two aggravating factors are not elements of subdivision (a)(1) of this section. *State v. Thobourne*, 59 N.C. App. 584, 297 S.E.2d 774 (1982).

Drug Purchases Within 300 Feet of School. — Testimony of school superintendent and principal that a measurement was made from the boundary of school to the site of the offense was sufficient to show that drug purchases were made within 300 feet of the boundary of real property used for a school. *State v. Ussery*, 106 N.C. App. 371, 416 S.E.2d 610 (1992).

There was plenary evidence that the drug sale, for which defendant was charged, took place within 300 feet of a school boundary in violation of subdivision (e)(8). *State v. Alston*, 111 N.C. App. 416, 432 S.E.2d 385 (1993).

Verdict and Judgment. — Where there was nothing in the record to indicate that the defendants had been convicted previously of a violation of subsection (d), the recital in the judgments that the defendants were found guilty of a felony as a result of possession of phencyclidine hydrochloride was erroneous, and the judgments were modified by striking the word “felony” as it related to the conviction of the defendants for simple possession of phencyclidine hydrochloride. *State v. Gagne*, 22 N.C. App. 615, 207 S.E.2d 384, cert. denied, 285 N.C. 761, 209 S.E.2d 285 (1974).

Punishment. — The trial court erred in sentencing defendant to imprisonment for 10 years for felonious possession of heroin where the indictment did not charge defendant with a prior conviction of that offense and the State did not prove a prior conviction, a sentence of five years being the maximum that could be imposed in such case. *State v. Moore*, 27 N.C. App. 245, 218 S.E.2d 496 (1975), decided under this section as it stood before the 1979 amendment.

Intent to Sell as Aggravating Factor. — Intent to sell is not an element of manufacturing, transporting, or possessing 28 grams or more of heroin, the reason a person possesses, manufactures, or transports the heroin being irrelevant; therefore, the trial judge properly found as an aggravating factor that defendant had the specific intent to sell the heroin that he possessed. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

The “any mixture” language in subdivision (h)(4) allows for conviction based on the total weight of heroin mixed with another substance; additionally, whether the “mixture” contains a controlled substance and neutral “cutting agents” or is made wholly of controlled substances is of no legal significance under the statute. *State v. Agubata*, 92 N.C. App. 651, 375 S.E.2d 702 (1989).

When a mixture contains only controlled substances, the State is not limited to charging the defendant with an offense based on the substance which makes up the majority of the mixture. *State v. Agubata*, 92 N.C. App. 651, 375 S.E.2d 702 (1989).

Sufficiency of Circumstantial Evidence. — Considered as a whole, circumstantial evidence of defendant’s power and intent to control the sale of dilaudid on both dates listed in indictments was sufficient to support an inference of both his possession with an intent to sell or deliver the controlled substance and his participation in the transfer transactions themselves. *State v. Thorpe*, 326 N.C. 451, 390 S.E.2d 311 (1990).

Facts were sufficient under “totality of the circumstances” test to support a finding of probable cause when officers received information from an informant who admitted

past use of cocaine and who had previously given information that led to the arrest of at least six people, since the information provided a substantial basis for the probability that cocaine was present in the described residence and had been sold there within the preceding 48 hours. *State v. Graham*, 90 N.C. App. 564, 369 S.E.2d 615 (1988).

Substantial Assistance to Include Testimony Against Co-Conspirator at Trial. — The statute’s clear language includes assistance leading to the conviction of any co-conspirators; therefore, it is not unforeseeable that substantial assistance could include testimony rendered against a co-conspirator at trial. *State v. Hamad*, 92 N.C. App. 282, 374 S.E.2d 410 (1988), aff’d, 325 N.C. 544, 385 S.E.2d 144 (1989).

Standard of Review for a Court’s Ruling on Substantial Assistance. — In order to overturn a sentencing decision involving a court’s ruling on substantial assistance, the reviewing court must find an abuse of discretion, procedural conduct prejudicial to defendant, circumstances which manifest inherent unfairness and injustice, or conduct which offends the public sense of fair play. *State v. Willis*, 92 N.C. App. 494, 374 S.E.2d 613 (1988), cert. denied, 324 N.C. 341, 378 S.E.2d 808 (1989).

Substantial Assistance. — The trial court was within its discretionary authority to impose the mandatory minimum sentence where the court’s conclusion was based upon the State’s representation that defendant had not provided substantial assistance. *State v. Willis*, 92 N.C. App. 494, 374 S.E.2d 613 (1988), cert. denied, 324 N.C. 341, 378 S.E.2d 808 (1989).

The trial court’s discretion in departing from minimum sentencing upon a finding that the defendant has rendered substantial assistance is not limited by the structured sentencing minimum of G.S. 15A-1340.17. *State v. Saunders*, 131 N.C. App. 551, 507 S.E.2d 911 (1998).

Court Did Not Need to Allow Time for “Substantial Assistance.” — Trial court did not err in refusing to continue hearing in order to allow defendant time to provide State with “substantial assistance”; trial court is not required to continue a sentencing hearing so that the defendant may be afforded an opportunity to provide the State with substantial assistance. *State v. Kamtsiklis*, 94 N.C. App. 250, 380 S.E.2d 400, appeal dismissed and cert. denied, 325 N.C. 711, 388 S.E.2d 466 (1989).

Defendant Did Not Give Substantial Assistance. — Defendant’s assistance did not constitute “substantial assistance” as contemplated by subdivision (h)(5) of this section. Since some of the statements given by defendant were false, doubts could have been raised as to defendant’s credibility in subsequent pro-

ceedings. Moreover, the "substantial assistance" statute is permissive, not mandatory. *State v. Kamtsiklis*, 94 N.C. App. 250, 380 S.E.2d 400, appeal dismissed and cert. denied, 325 N.C. 711, 388 S.E.2d 466 (1989).

Trooper Had Defendant's Consent. — Where defendant gave trooper permission to search the entire contents of defendant's suitcase, and did not retract or limit the consent, the trooper had defendant's consent to open package of cocaine contained therein, and the trial court did not err in allowing the contents of the package into evidence at trial. *State v. Jones*, 96 N.C. App. 389, 386 S.E.2d 217 (1989), appeal dismissed and cert. denied, 326 N.C. 366, 389 S.E.2d 809 (1990).

Trooper Did Not Exceed Scope of Investigation. — On appeal from conviction for trafficking based upon drugs found in defendant's car after trooper had stopped car on suspicion that the driver was impaired, fact that trooper's conversation with defendant about driver's identity resulted in defendant giving his voluntary consent to search of the car did not support defendant's arguments that trooper exceeded the permissible scope of his investigation. *State v. Jones*, 96 N.C. App. 389, 386 S.E.2d 217 (1989), appeal dismissed and cert. denied, 326 N.C. 366, 389 S.E.2d 809 (1990).

Motion to Quash Indictment Denied. — Where, among other things, the two counts in defendant's indictment, when read together, apprised defendant that he was being charged with trafficking in cocaine by the sale of 35.1 grams of that substance, there was no possibility that defendant was confused about the offense charged, nor did defendant claim any problem with his trial preparation, and two counts in the indictment were based upon a single drug transaction between defendant and an undercover police officer, court did not err in denying defendant's motion to quash the indictment. *State v. Epps*, 95 N.C. App. 173, 381 S.E.2d 879 (1989).

Indictment Held Inadequate. — Court erred in denying defendant's motion to quash the indictment for conspiracy to traffic in cocaine where the indictment contained no reference to any particular statute and failed to refer to any weight or volume of cocaine involved. *State v. Epps*, 95 N.C. App. 173, 381 S.E.2d 879 (1989).

Indictment Must Allege Name of Purchaser. — The law is settled that an indictment for the sale and/or delivery of a controlled substance must accurately name the person to whom the defendant allegedly sold or delivered, if that person is known. *State v. Wall*, 96 N.C. App. 45, 384 S.E.2d 581 (1989).

The Fair Sentencing Act's presumptive sentences, set out in G.S. 15A-1340.4(f), do not apply if a separate statute provides its

own presumptive sentence as this section does. *State v. Willis*, 92 N.C. App. 494, 374 S.E.2d 613 (1988), cert. denied, 324 N.C. 341, 378 S.E.2d 808 (1989).

Fair Sentencing Act's Presumptive Term for Class I Felony. — The offenses of sale and delivery of marijuana and possession with intent to sell and deliver marijuana are Class I felonies. The presumptive term for a Class I felony is two years, pursuant to G.S. 15A-1340.4(f)(7). *State v. Pavone*, 104 N.C. App. 442, 410 S.E.2d 1 (1991).

The Rules of Evidence, G.S. 8C-1, do not apply to a sentencing hearing where the judge must determine whether or not defendant provided substantial assistance pursuant to subdivision (h)(5). *State v. Willis*, 92 N.C. App. 494, 374 S.E.2d 613 (1988), cert. denied, 324 N.C. 341, 378 S.E.2d 808 (1989).

Necessity of Proving Prior Conviction. — Where indictment did not charge defendant with a conviction for a prior offense and the State did not prove a prior conviction, case would be remanded for a new sentence hearing, since both are required before the higher penalty can be imposed. *State v. Williams*, 93 N.C. App. 510, 378 S.E.2d 216 (1989).

Findings of Factors in Aggravation and Mitigation Required. — Where conviction for the sale of cocaine, a Class H felony, had a presumptive term of three years and the trial court imposed a 10-year sentence, findings of factors in aggravation and mitigation were required. *State v. Artis*, 91 N.C. App. 604, 372 S.E.2d 905 (1988).

No Reversible Error Where Minimum Sentence Imposed. — Although defendants contended that trial court committed reversible error in imposing judgments upon defendants for multiple conspiracies where there was arguably only one conspiracy, the distribution of cocaine, vacation of the other consolidated conspiracy convictions was unnecessary due to the mandatory minimum sentence required by this section and imposed by the trial court. *State v. Kite*, 93 N.C. App. 561, 378 S.E.2d 588, appeal dismissed, 324 N.C. 579, 381 S.E.2d 778 (1989).

Joint Trial Held Proper. — Where defendants were charged with identical crimes emanating from the same instance of wrongdoing, and the offenses charged were so connected in time and place that the evidence presented at trial was competent and admissible as to both defendants, and the trial court instructed the jury that each defendant's case should be considered separate and apart from the other defendant's case, and defendants had shown absolutely no prejudice resulting from the court's failure to sever their trials, there was no abuse of discretion by the trial court in refusing to separate the trial of defendants for possession with intent to sell more than 28 grams of cocaine. *State v. Kite*, 93 N.C. App. 561, 378

S.E.2d 588, appeal dismissed and cert. denied, 324 N.C. 579, 381 S.E.2d 778 (1989).

Sentence Greater Than Presumptive

Term. — In cases in which a statute mandates that an offender be punished as a felon of one of the classifications of G.S. 15A-1340.4(f), but sets a minimum sentence greater than the presumptive sentence established for the appropriate class of felony therein, the minimum sentence set out in the criminal statute becomes the presumptive sentence for purposes of sentencing under the Fair Sentencing Act. Therefore, in order to impose a sentence in excess of the minimum prescribed by subdivision (h)(4)c of this section (45 years and \$500,000), it is necessary that the trial judge make proper findings of factors in aggravation and mitigation and find that the aggravating factors outweigh any mitigating factors. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

II. MANUFACTURE.

The manufacturing of marijuana is a felony, regardless of the quantity manufactured or the intent of the offender. This differs from the offense of possession of marijuana in that in specified cases simple possession constitutes a misdemeanor while possession for purpose of distribution is made a felony. *State v. Elam*, 19 N.C. App. 451, 199 S.E.2d 45, *cert. denied*, 284 N.C. 256, 200 S.E.2d 656 (1973), decided under this section as it stood before the 1973 revision.

Indictment for Manufacture Need Not Allege Intent to Distribute. — The averment in the indictment "with intent to distribute" is not necessary in charging the felony of manufacturing marijuana and is treated as surplusage. *State v. May*, 20 N.C. App. 179, 201 S.E.2d 95 (1973), decided under this section as it stood before the 1973 revision.

When Intent to Distribute Must Be Proved. — The burden is on the State to prove

from the evidence beyond a reasonable doubt that, in cases where the defendant is charged with manufacture of a controlled substance and the activity constituting manufacture is preparation or compounding, that the defendant intended to distribute the controlled substance. In proving such intent, the State would be able to rely upon ordinary circumstantial evidence (e.g., the amount of the controlled substance possessed, the nature of its packaging, labeling and storage, if any, the activities of the defendant with reference to the controlled substance) as evidence pertinent to intent. *State v. Childers*, 41 N.C. App. 729, 255 S.E.2d 654, cert. denied, 298 N.C. 302, 259 S.E.2d 916 (1979).

In those cases where production, propagation, conversion or processing of a controlled substance are involved, the intent of the defendant, either to distribute or consume personally, will be irrelevant and does not form an element of the offense. *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

Intent to distribute is not a necessary element of the offense of manufacturing a controlled substance unless the manufacturing activity is preparation or compounding. *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

Possession of controlled substance with intent to manufacture is separate and distinct offense from possession of such substance with the intent to transfer it. *State v. Johnson*, 78 N.C. App. 68, 337 S.E.2d 81 (1985).

Evidence Insufficient to Establish Manufacture. — Where the only evidence of manufacturing was the fact that the marijuana was “packaged,” and there was no showing when the marijuana was packaged, by whom, or for what purpose, and the marijuana and other items found were not established to have been defendant’s, other than on the theory of constructive possession, the State failed to prove a sufficient nexus between the defendant, the marijuana, and other items to establish that (1) marijuana was being manufactured and (2) that it was being done by the defendant. *State v. Baxter*, 21 N.C. App. 81, 203 S.E.2d 93, rev’d on other grounds, 285 N.C. 735, 208 S.E.2d 696 (1974), overruled on other grounds, *State v. Childers*, 41 N.C. App. 729, 255 S.E.2d 654 (1979), decided under this section as it stood before the 1973 revision.

Evidence Sufficient to Establish Manufacture. — Evidence was sufficient to withstand a motion for judgment as of nonsuit on a charge of manufacture of marijuana where stripped stalks of marijuana were found growing behind a television antenna connected to the defendant’s residence and marijuana plants were found growing in flower pots on a table in the defendant’s front yard 32 feet from his

residence. *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977).

Evidence held to place defendant in such “close juxtaposition” to six patches of marijuana growing in the environs of his mobile home as to justify a jury finding that defendant was engaged in its manufacture. *State v. Jenkins*, 74 N.C. App. 295, 328 S.E.2d 460 (1985).

Evidence held ample to give rise to a reasonable inference that defendant manufactured heroin by packing controlled substance. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

Evidence was sufficient to support the charge of manufacturing cocaine under subdivision (a)(1) of this section, where in addition to cocaine and packaging materials, the police also discovered a small set of scales, measuring spoons, and sifters on the premises, as this evidence permitted the jury to infer that defendant packaged or repackaged the cocaine. *State v. Jones*, 97 N.C. App. 189, 388 S.E.2d 213 (1990).

III. SALE OR DELIVERY.

Legislature Intended to Prevent Placement of Drugs into Commerce. — By criminalizing the sale or delivery of a controlled substance, the legislature sought to prevent all attempts to place drugs into commerce by any act of transfer, and to expedite this purpose the more inclusive word “delivery” was used in the statute. The only difference in the terms “sell” and “delivery” is that money changes hands in a sale; otherwise, the terms in this context are the same. *State v. Moore*, 95 N.C. App. 718, 384 S.E.2d 67 (1989).

Sale Includes Exchange of Goods Without Exchange of Money. — Since the term “sale” within the context of the North Carolina Controlled Substances Act, N.C. Gen. Stat. G.S. 90-86, et seq., encompassed any transfer or attempted transfer of a controlled substance for consideration, it included the exchange of cocaine for sweatshirts and a video game. *State v. Carr*, 145 N.C. App. 335, 549 S.E.2d 897, 2001 N.C. App. LEXIS 649 (2001).

“Delivery” Means “Transfer”. — In a prosecution for felonious sale and delivery of marijuana, and felonious possession of marijuana with intent to sell, trial judge’s charge to the jury placing the burden on the State to prove that defendant “transferred” the marijuana was not prejudicial error, since “delivery” means “transfer” under G.S. 90-87. *State v. Dietz*, 289 N.C. 488, 223 S.E.2d 357 (1976).

A sale is a transfer of property for a specified price payable in money. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

Intent of Defendant Is Gravamen of Offense. — In the context of controlled substance statutes, “deliver” means the actual, construc-

tive, or attempted transfer from one person to another of a controlled substance. It is the intent of the defendant that is the gravamen of the offense. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

There is no separate statutory offense entitled delivery of marijuana. Subdivision (b)(2) of this section, however, describes a situation limited in its applicability to the delivery of marijuana. If defendant transfers less than five grams of marijuana and receives no remuneration, he is not guilty of a delivery in violation of subdivision (a)(1) of this section. *State v. Pevia*, 56 N.C. App. 384, 289 S.E.2d 135, cert. denied, 306 N.C. 391, 294 S.E.2d 218 (1982).

When Offense of Delivery Complete. — The offense of delivery under this section is complete when there has been a transfer of a controlled substance. *State v. Pevia*, 56 N.C. App. 384, 289 S.E.2d 135, cert. denied, 306 N.C. 391, 294 S.E.2d 218 (1982).

One may unlawfully sell a controlled substance which he lawfully possesses. *State v. Aiken*, 286 N.C. 202, 209 S.E.2d 763 (1974).

The sale of a controlled substance is a specific act and occurs only at one specific time. *State v. Lankford*, 31 N.C. App. 13, 228 S.E.2d 641 (1976).

The delivery of a controlled substance is a specific act and occurs only at one specific time. *State v. Lewis*, 32 N.C. App. 298, 231 S.E.2d 693 (1977).

Sale and delivery of narcotics are separate offenses. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), cert. denied, 316 N.C. 557, 344 S.E.2d 15 (1986). But see, *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

Sale and Delivery Charged as Single Offense. — In a prosecution for felonious sale and delivery of marijuana and felonious possession of marijuana with intent to sell, the fact that the State included in the same count as a single offense both sale and delivery, even though the two acts could have been charged as separate offenses, was not prejudicial to the defendant. *State v. Dietz*, 289 N.C. 488, 223 S.E.2d 357 (1976). But see, *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

Each Transaction Is One Offense Committed by Either or Both Acts. — By phrasing subdivision (a)(1) to make it unlawful to "manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a controlled substance," the legislature, solely for the purpose of this statutory subdivision, has made each single transaction involving transfer of a controlled substance one criminal offense, which is committed by either or both of two acts — sale or delivery. *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

Indictment for sale and/or delivery of a controlled substance must name the person to

whom the defendant allegedly sold or delivered. *State v. Pulliam*, 78 N.C. App. 129, 336 S.E.2d 649 (1985).

Intent to Sell "or" Deliver Is Sufficient Even Where Intent to Sell "and" Deliver Is Alleged. — Where an indictment alleged that defendant unlawfully, willfully and feloniously did possess with intent to sell and deliver cocaine, and the trial court instructed the jury on the possible verdict of guilty of possession of cocaine with intent to sell or deliver, the difference between the indictment and the court's instruction did not impermissibly lower the State's burden of proof. *State v. Wall*, 96 N.C. App. 45, 384 S.E.2d 581 (1989).

Indictment Must Allege Name of Purchaser. — An indictment charging the unlawful sale of marijuana must allege the name of the purchaser or that his name is unknown. *State v. Long*, 14 N.C. App. 508, 188 S.E.2d 690 (1972), decided prior to the 1971 revision of this Article.

This section contains no modification of the common-law requirement that the name of the person to whom the accused allegedly sold narcotics unlawfully, be stated in the indictment when it is known. *State v. Bennett*, 280 N.C. 167, 185 S.E.2d 147 (1971), decided prior to the 1971 revision of this Article.

An indictment which does not include the narcotics purchaser's name, if known, fails to state sufficient facts to sustain a conviction. The Controlled Substances Act does not expressly eliminate the requirement that the name of a known purchaser be alleged in the indictment. *State v. Ingram*, 20 N.C. App. 464, 201 S.E.2d 532 (1974), decided under this section as it stood before the 1973 revision.

Where the bill of indictment alleges a sale of narcotics to one person and the proof tends to show only a sale to a different person, the variance is fatal. *State v. Ingram*, 20 N.C. App. 464, 201 S.E.2d 532 (1974), decided under this section as it stood before the 1973 revision.

Finding of Marijuana to Be a Controlled Substance Not Required. — In a prosecution for felonious sale and delivery of marijuana and felonious possession of marijuana with intent to sell, it is not necessary for the State to show that the Drug Authority (now Commission) has made a finding that marijuana is a controlled substance, since it has been listed as such under G.S. 90-94. *State v. Dietz*, 289 N.C. 488, 223 S.E.2d 357 (1976).

Proof of Remuneration Not Required. — It is not necessary for the State to prove that defendant received remuneration for the transfer. *State v. Pevia*, 56 N.C. App. 384, 289 S.E.2d 135, cert. denied, 306 N.C. 391, 294 S.E.2d 218 (1982).

Nor Quantity Transferred. — The State is not required initially to prove the quantity transferred. *State v. Pevia*, 56 N.C. App. 384,

289 S.E.2d 135, cert. denied, 306 N.C. 391, 294 S.E.2d 218 (1982).

Conspiracy to Sell and Deliver Not Found. — Since where one of two persons who allegedly conspired to do an illegal act is an officer of the law acting in discharge of his duties and intends to frustrate the conspiracy, the other person cannot be convicted of conspiracy. Thus, it was error for the trial court to instruct the jury that defendant could be convicted of conspiracy to sell and deliver over 50 pounds of marijuana if he conspired only with undercover agent to sell and deliver the marijuana. *State v. Hammette*, 58 N.C. App. 587, 293 S.E.2d 824 (1982).

Conspiracy to Deliver Found. — Where defendant was convicted of conspiracy to traffic in cocaine by delivery, and where defendant contended that the evidence was insufficient because (1) the alleged conspiracy involved the original package, which the State did not prove to contain cocaine and (2) the conspiracy could not be based on the participation of the courier, who feigned his acquiescence to assist the police, defendant's contentions were meritless; because the agreement itself constituted the crime, what the package contained was not relevant to the offense, and the agreement was reached before the courier was apprehended, so his acquiescence was not feigned at that time. *State v. Rosario*, 93 N.C. App. 627, 379 S.E.2d 434, cert. denied, 325 N.C. 275, 384 S.E.2d 527 (1989).

No Conviction for Sale and Delivery of Controlled Substance from One Transaction. — A defendant may not be convicted under subdivision (a)(1) of this section of both the sale and the delivery of a controlled substance arising from one transaction. *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

A defendant may not be convicted under subdivision (a)(1) of this section of both the sale and delivery of a controlled substance arising from a single transfer. Whether the defendant is tried for transfer by sale, by delivery, or by both, the jury in such cases should determine whether the defendant is guilty or not guilty of transferring a controlled substance to another person. *State v. Wooten*, 104 N.C. App. 125, 408 S.E.2d 202 (1991).

Verdicts of Guilty of Sale But Not Guilty of Possession. — A court does not err in not setting aside a guilty verdict on the sale of marijuana when the verdict for possession with intent to sell was not guilty. The courts have treated sale and possession with intent to sell a controlled substance as two separate offenses. Possession is not an element of sale and sale is not an element of possession. *State v. Paul*, 58 N.C. App. 723, 294 S.E.2d 762, cert. denied, 307 N.C. 128, 297 S.E.2d 402 (1982).

Where the State does not "conclusively" prove that defendant made sale without possession,

but merely fails to prove possession, verdicts of guilty of sale of marijuana but not guilty of possession of marijuana with intent to sell are not inconsistent. *State v. Paul*, 58 N.C. App. 723, 294 S.E.2d 762, cert. denied, 307 N.C. 128, 297 S.E.2d 402 (1982).

Verdict finding that defendant "feloniously did sell or deliver" cocaine was fatally defective and ambiguous. *State v. McLamb*, 313 N.C. 572, 330 S.E.2d 476 (1985).

Verdict in disjunctive for "sale or delivery" of LSD was ambiguous and fatally defective, and would require a new trial. *State v. Pulliam*, 78 N.C. App. 129, 336 S.E.2d 649 (1985).

Improper to Issue Separate Sentences for Sale and Delivery of Same Controlled Substance. — The legislature did not intend to impose consecutive sentences for both the offense of sale of a controlled substance and delivery of the same contraband when one individual has made the transfer, and it was improper for a trial court to issue separate sentences for both the sale of a controlled substance and the delivery of the same controlled substance. *State v. Moore*, 95 N.C. App. 718, 384 S.E.2d 67 (1989).

A completed sale or delivery of controlled substances need not be shown in order to convict defendant of possession with intent to sell or deliver. *State v. Wall*, 96 N.C. App. 45, 384 S.E.2d 581 (1989).

Third-Party Purchase by Undercover Officer. — In order to survive defendant's motion to dismiss charges of selling and delivering cocaine to an undercover officer where the officer actually purchased the cocaine from a third party, at a minimum, the evidence would have to show two things: (1) that defendant had knowledge that the third party was buying or taking delivery of the cocaine for another person; and (2) that the person named in the indictment was that other person. *State v. Wall*, 96 N.C. App. 415, 384 S.E.2d 581 (1989).

Evidence of Marijuana Use in Prosecution for Sale of LSD and Cocaine. — In a prosecution for sale of LSD and cocaine under this section, the State's introduction of evidence of defendant's use and possession of marijuana was properly introduced in an attempt to show that defendant had a predisposition to commit the crimes at issue and was therefore not entrapped. *State v. Goldman*, 97 N.C. App. 589, 389 S.E.2d 281 (1990), cert. denied, 327 N.C. 434, 395 S.E.2d 691 (1990).

Evidence Admissible. — Admission of testimony revealing that police informant became informant as a result of being arrested for buying cocaine from defendant and promising to help catch the seller, i.e. the defendant, was proper to prove intent, a common plan or scheme, and to identify defendant. *State v.*

Montford, 137 N.C. App. 495, 529 S.E.2d 247, 2000 N.C. App. LEXIS 431 (2000).

IV. POSSESSION.

A. In General.

Types of Possession. — An accused's possession of narcotics may be actual or constructive. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972). See also *State v. Bagnard*, 24 N.C. App. 54, 210 S.E.2d 93 (1974), cert. denied, 286 N.C. 416, 211 S.E.2d 796 (1975); *State v. Finney*, 290 N.C. 755, 228 S.E.2d 433 (1976); *State v. Weems*, 31 N.C. App. 569, 230 S.E.2d 193 (1976); *State v. Reddick*, 55 N.C. App. 646, 286 S.E.2d 654, cert. denied, 305 N.C. 398, 290 S.E.2d 368 (1982); *State v. Weldon*, 314 N.C. 401, 333 S.E.2d 701 (1985); *State v. Anderson*, 76 N.C. App. 434, 333 S.E.2d 762 (1985).

Possession Includes Mixtures. — The offense of trafficking in heroin or any of the other substances referred to in this section does not consist of just possessing the stated amount of the listed drugs; it also consists of possessing "any mixture containing such substance." Where the evidence indicated that defendant had in her possession several heroin containing mixtures that weighed more than 22 grams altogether, there was no issue as to the lesser included offense of felonious possession and the court did not have to charge on it. *State v. Agubata*, 94 N.C. App. 710, 381 S.E.2d 191 (1989).

Possession of a 273-gram mixture containing only 27 grams of pure cocaine is legally sufficient to support a conviction for trafficking in 200-400 grams of cocaine; the relevant question is the weight of the total substances seized, regardless of the substances' purity. *State v. Broome*, 136 N.C. App. 82, 523 S.E.2d 448, 1999 N.C. App. LEXIS 1305 (1999), cert. denied, 351 N.C. 362, 543 S.E.2d 136 (2000).

Possession of more than one gram of cocaine is not a lesser included offense under subdivision (a)(1). It is an offense by itself under subsection (d) and is punishable as a Class 1 felony under subdivision (d)(2). *State v. Hyatt*, 98 N.C. App. 214, 390 S.E.2d 355 (1990).

Possession may be in a single individual or in combination with another. *State v. Anderson*, 76 N.C. App. 434, 333 S.E.2d 762 (1985).

Elements of Felonious Possession. — Felonious possession of a controlled substance has two essential elements. The substance must be possessed, and the substance must be knowingly possessed. *State v. Weldon*, 314 N.C. 401, 333 S.E.2d 701 (1985).

Handling for Inspection Purposes Did Not Constitute Possession. — The record failed to contain substantial evidence that the defendant possessed cocaine within the mean-

ing of the statute where the the officer sat down next to the defendant in the back seat of the informant's vehicle and handed the defendant a package containing cocaine which he passed on to another person, who was sitting in the front seat, who tested the cocaine by tasting it, handed it back to the officer and stated that he did not want to purchase the cocaine because the quality was not good. Defendant's handling of the cocaine for inspection purposes did not constitute possession within the meaning of this section, as he did not have the power and intent to control its disposition or use. *State v. Wheeler*, 138 N.C. App. 163, 530 S.E.2d 311, 2000 N.C. App. LEXIS 546 (2000).

Constructive Possession Defined. — Constructive possession is that which exists without actual personal dominion over a chattel, but with an intent and capability to maintain control and dominion. *State v. Allen*, 279 N.C. 406, 183 S.E.2d 680 (1971); *State v. Spencer*, 281 N.C. 121, 187 S.E.2d 779 (1972); *State v. Davis*, 25 N.C. App. 181, 212 S.E.2d 516 (1975); *State v. Wells*, 27 N.C. App. 144, 218 S.E.2d 225 (1975); *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977).

Where a defendant has both the power and intent while acting in combination with others to control the disposition and use of heroin, he has it in his constructive possession. *State v. Allen*, 279 N.C. 406, 183 S.E.2d 680 (1971), decided prior to the 1971 revision of this Article.

The doctrine of constructive possession applies when a person lacking actual physical possession nevertheless has the intent and capability to maintain control and dominion over a controlled substance. *State v. Baize*, 71 N.C. App. 521, 323 S.E.2d 36 (1984), cert. denied, 313 N.C. 174, 326 S.E.2d 33, 326 S.E.2d 34 (1985).

A person is in "possession" of a controlled substance within the meaning of this section if he has the power and intent to control it; possession need not be actual. The State is not required to prove that the defendant owned the controlled substance, or that defendant was the only person with access to it. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Evidence Insufficient to Establish Constructive Possession. — See *State v. Forbes*, 104 N.C. App. 507, 410 S.E.2d 83 (1991).

The defense of impossibility properly applied to bar a conviction under this section, and constructive possession was inapplicable because there was no evidence as to the actual source of the drugs and, although the defendant may well have had the requisite intent, there was no evidence he ever had the capability to exercise dominion and control over the original shipment of drugs; instead, an appropriate charge would have been an attempt,

pursuant to G.S. 90-98. *State v. Clark*, 137 N.C. App. 90, 527 S.E.2d 319, 2000 N.C. App. LEXIS 267 (2000).

Constructive possession has been found when the narcotics were (1) on property in which the defendant had some exclusive possessory interest and there was evidence of his or her presence on the property; (2) on property of which defendant, although not an owner, had sole or joint physical custody; or (3) in an area which the defendant frequented, usually near his or her property. *State v. Baize*, 71 N.C. App. 521, 323 S.E.2d 36 (1984), cert. denied, 313 N.C. 174, 326 S.E.2d 33, 326 S.E.2d 34 (1985).

Where police officers found over 28 grams of cocaine and a letter addressed to defendant in a bedroom in the house, and defendant's mother and father testified that defendant kept his clothes in the bedroom and used the room when he occasionally stayed there, and defendant admitted that he had moved the bags of cocaine from a closet to the box under the dresser, the evidence clearly raised an inference of constructive possession sufficient to be submitted to the jury. *State v. Graham*, 90 N.C. App. 564, 369 S.E.2d 615 (1988).

When Constructive Possession May Be Found. — Where controlled substances are found on the premises under defendant's exclusive control, this fact alone may be sufficient to give rise to an inference of constructive possession and take the case to the jury; however, where possession of the premises by defendant is nonexclusive, constructive possession of the contraband materials may not be inferred without other incriminating circumstances. *State v. Givens*, 95 N.C. App. 72, 381 S.E.2d 869 (1989).

Where evidence presented by the State showed that officers who searched mobile home found a bill of sale to a mobile home which matched the description of the mobile home being searched, and the name on the bill of sale was that of defendant, and a bottle of prescription drugs with the name of defendant was found on a coffee table beside the chair defendant was sitting in when the officers arrived, and that when the officers searched defendant, they found white tablets in the pockets of his pants and on the chair where he had been sitting, there was sufficient evidence to go to the jury under an instruction on constructive possession. *State v. Davis*, 325 N.C. 693, 386 S.E.2d 187 (1989).

Constructive Possession in Vehicle. — If a defendant possesses a controlled substance while in a vehicle, he is guilty at least of possession of a controlled substance. If a vehicle contains a controlled substance but the defendant is not in the vehicle, he may be guilty of possession of a controlled substance by operation of the doctrine of constructive possession. *State v. Mitchell*, 336 N.C. 22, 442 S.E.2d 24 (1994).

An acting in concert theory is not generally applied to possession offenses, as it tends to confuse the issues. However, where the State not only produced evidence that both defendant and partner were present at the scene of the possession crime, but also produced evidence leading to a reasonable inference that defendant possessed cocaine and that defendant and partner acted together pursuant to a common plan to sell the cocaine, the trial court did not err in instructing on acting in concert for the possession offense. *State v. Cotton*, 102 N.C. App. 93, 401 S.E.2d 376, cert. denied, 329 N.C. 501, 407 S.E.2d 543 (1991).

Cocaine Can Be Considered One Possession Although in Different Parts of Room.

— If separate packages of illicit drugs located within a few feet of each other in the same room must be considered separate possessions, drug dealers could simply divide cocaine into packages containing less than one gram each to avoid being prosecuted for a felony; therefore, the cocaine can be considered one possession even though in different parts of the room. *State v. Smith*, 99 N.C. App. 67, 392 S.E.2d 642 (1990), cert. denied, 328 N.C. 96, 402 S.E.2d 824 (1991).

Knowledge may be implied when there is no direct evidence that a defendant actually had knowledge of a certain fact but the circumstances are such as would lead the defendant to believe that the fact existed. *State v. Bogle*, 90 N.C. App. 277, 368 S.E.2d 424, rev'd on other grounds, 324 N.C. 190, 376 S.E.2d 745 (1988).

When one occupies a house, either alone or together with others as a tenant and as such has control over the premises, this fact in and of itself gives rise to the inference of both knowledge and control. *State v. Walsh*, 19 N.C. App. 420, 199 S.E.2d 38, cert. denied, 284 N.C. 258, 200 S.E.2d 658 (1973), decided under this section as it stood before the 1973 revision.

Possession Is a Continuing Offense. — The possession of a controlled substance with the intent to sell it is a continuing offense from the time it was unlawfully obtained until the time the possessor divests himself of the possession. *State v. Lankford*, 31 N.C. App. 13, 228 S.E.2d 641 (1976); *State v. Lewis*, 32 N.C. App. 298, 231 S.E.2d 693 (1977).

Purpose of Different Treatment of Offenses Involving Marijuana and Hashish.

— In the Controlled Substances Act marijuana and hashish are treated differently only in this section, which sets the penalty for felony possession. Simple possession of each is a misdemeanor; possession of more than an ounce of marijuana is a felony; possession of more than one-tenth of an ounce of hashish is a felony. This distinction was apparently made by the legislature because the active ingredient in marijuana is contained in the plant's resin, which is more concentrated in the extracted

hashish than in the dried leaves of the plant itself. *State v. Peoples*, 65 N.C. App. 168, 308 S.E.2d 500 (1983).

Indictment. — Where an indictment did not use the word “feloniously” or state the statute showing a charge was felony, it was fatally defective and the charge was vacated. *State v. Blakney*, 156 N.C. App. 671, 577 S.E.2d 387, 2003 N.C. App. LEXIS 237 (2003), cert. denied, 357 N.C. 252, 582 S.E.2d 611 (2003).

Included Offenses. — To prove the offense of possession of over one ounce of marijuana, the State must show possession and that the amount possessed was greater than one ounce. To prove the offense of possession with intent to sell or deliver marijuana, the State must show possession of any amount of marijuana and that the person possessing the substance intended to sell or deliver it. Thus, the two crimes each contain one element that is not necessary for proof of the other crime. One is not a lesser included offense of the other. *State v. McGill*, 296 N.C. 564, 251 S.E.2d 616 (1979).

Although possession of a controlled substance is a lesser included offense of delivery, the crime of possession is not a lesser included offense of selling a controlled substance. *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

Within the context of this section, possession of a controlled substance is a lesser included offense when a defendant is charged with an offense involving delivery. *State v. Clark*, 71 N.C. App. 55, 322 S.E.2d 176 (1984), overruled on other grounds, *State v. Moore*, 327 N.C. 378, 395 S.E.2d 124 (1990).

Attempt to traffic in marijuana by possession is a lesser-included offense of trafficking in marijuana by possession, although the penalty for conviction of an attempted controlled substance offense is the same as the penalty for a conviction of the underlying crime. *State v. Clark*, 137 N.C. App. 90, 527 S.E.2d 319, 2000 N.C. App. LEXIS 267 (2000).

State Need Not Elect Between Charges of Transporting and Possessing Marijuana. — Defendant's assignment of error had no merit to the court's denial of her motion to compel the State to elect between the charges of transporting and possessing marijuana. It is well-settled that each may be punished as a separate and distinct offense, without violating any constitutional protections. *State v. Cash*, 89 N.C. App. 563, 366 S.E.2d 584 (1988).

To aid or abet one in the crime of possession the act or encouragement must be done knowingly with the intent to aid the possessor to obtain or retain possession. *State v. Keeter*, 42 N.C. App. 642, 257 S.E.2d 480 (1979).

Establishing Possession. — An accused has possession of narcotics within the meaning of the law when he has both the power and intent to control their disposition or use. *State*

v. Harvey, 281 N.C. 1, 187 S.E.2d 706 (1972); *State v. Davis*, 20 N.C. App. 191, 201 S.E.2d 61 (1973), cert. denied, 284 N.C. 618, 202 S.E.2d 274 (1974); *State v. Bagnard*, 24 N.C. App. 54, 210 S.E.2d 93 (1974), cert. denied, 286 N.C. 416, 211 S.E.2d 796 (1975); *State v. Finney*, 290 N.C. 755, 228 S.E.2d 433 (1976); *State v. Weems*, 31 N.C. App. 569, 230 S.E.2d 193 (1976); *State v. Casey*, 59 N.C. App. 99, 296 S.E.2d 473 (1982); *State v. Weldon*, 314 N.C. 401, 333 S.E.2d 701 (1985); *State v. Anderson*, 76 N.C. App. 434, 333 S.E.2d 762 (1985); *State v. Fletcher*, 92 N.C. App. 50, 373 S.E.2d 681 (1988).

The requirements of power and intent necessarily imply that a defendant must be aware of the presence of an illegal drug if he is to be convicted of possessing it. *State v. Davis*, 20 N.C. App. 191, 201 S.E.2d 61 (1973), cert. denied, 284 N.C. 618, 202 S.E.2d 274 (1974), decided under this section as it stood before the 1973 revision; *State v. Casey*, 59 N.C. App. 99, 296 S.E.2d 473 (1982); *State v. Casey*, 59 N.C. App. 99, 296 S.E.2d 473 (1982).

Where narcotics are found on premises under the control of an accused, this fact, in and of itself, gives rise to an inference of knowledge and possession which may be sufficient to carry the case to the jury on a charge of unlawful possession. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972); *State v. Balsom*, 17 N.C. App. 655, 195 S.E.2d 125 (1973); *State v. Finney*, 290 N.C. 755, 228 S.E.2d 433 (1976); *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977); *State v. Blackburn*, 34 N.C. App. 683, 239 S.E.2d 626, cert. denied, 294 N.C. 442, 241 S.E.2d 522 (1977); *State v. Reddick*, 55 N.C. App. 646, 286 S.E.2d 654, cert. denied, 305 N.C. 398, 290 S.E.2d 368 (1982); *State v. Casey*, 59 N.C. App. 99, 296 S.E.2d 473 (1982); *State v. Weldon*, 314 N.C. 401, 333 S.E.2d 701 (1985).

Where narcotics are found on premises under the control of defendant, this fact, in and of itself, gives rise to an inference of knowledge and possession by him which may be sufficient to sustain a conviction for unlawful possession of narcotics, absent other facts which might leave in the minds of the jury a reasonable doubt as to his guilt. *State v. Allen*, 279 N.C. 406, 183 S.E.2d 680 (1971); *State v. Wells*, 27 N.C. App. 144, 218 S.E.2d 225 (1975).

The rule establishing “possession” by power and intent to control use and disposition does not compel submission of the case to the jury in every instance in which controlled substances are found on the premises of an accused. *State v. Davis*, 20 N.C. App. 191, 201 S.E.2d 61 (1973), cert. denied, 284 N.C. 618, 202 S.E.2d 274 (1974), decided under this section as it stood before the 1973 revision.

An accused has possession of contraband material within the meaning of the law when

he has both the power and the intent to control its disposition or use. *State v. Davis*, 25 N.C. App. 181, 212 S.E.2d 516 (1975).

The crime of possession requires that the contraband be in the custody and control of the defendant and subject to his disposition. *State v. Keeter*, 42 N.C. App. 642, 257 S.E.2d 480 (1979).

An accused has possession of a controlled substance within the meaning of this section when he has both the power and the intent to control its disposition or use. Possession does not require ownership of the controlled substance. *State v. Pevia*, 56 N.C. App. 384, 289 S.E.2d 135, cert. denied, 306 N.C. 391, 294 S.E.2d 218 (1982).

In a prosecution for possession of contraband materials, the prosecution is not required to prove actual physical possession of the materials. Proof of constructive possession is sufficient, and that possession need not always be exclusive. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986); *State v. Leonard*, 87 N.C. App. 448, 361 S.E.2d 397 (1987).

Direct evidence of a defendant's possession of heroin is not required; it is sufficient if defendant's possession can reasonably be inferred from the evidence. *State v. Welch*, 89 N.C. App. 135, 365 S.E.2d 190, appeal dismissed, 322 N.C. 485, 370 S.E.2d 235 (1988).

Defendant's presence on the premises, possession of a large amount of cash, and close proximity to a controlled substance were circumstances which could support an inference of constructive possession, despite the fact that others were present in the room where the drugs were found. *State v. Alston*, 91 N.C. App. 707, 373 S.E.2d 306 (1988).

Elements of Possession of More Than One Ounce. — To prove the offense of possession of over one ounce of marijuana under subdivision (d)(4) of this section, the State must prove two elements: (1) possession by defendant, and (2) that the amount possessed was greater than one ounce. The trial court must give proper instructions with respect to each of these elements. *State v. Gooch*, 307 N.C. 253, 297 S.E.2d 599 (1982).

Simple Possession and Possession of over One Ounce Compared. — The sole distinction between the offenses of possession of more than one ounce of marijuana under subdivision (d)(4) of this section and simple possession of marijuana under subdivision (a)(3) of this section is the element of amount. In the former, the jury must find that defendant possessed more than one ounce; in the latter, possession of any amount is sufficient for conviction. Otherwise, the elements of the two offenses are the same. *State v. Gooch*, 307 N.C. 253, 297 S.E.2d 599 (1982).

The State is not required to prove exclusive possession or control of a controlled

substance. *State v. Barnes*, 18 N.C. App. 263, 196 S.E.2d 576 (1973), decided prior to the 1973 revision of this section.

An accused has possession of marijuana within the meaning of this Article when he has both the power and the intent to control its disposition or use, which power may be in him alone or in combination with another. Constructive possession is sufficient. *State v. Baxter*, 285 N.C. 735, 208 S.E.2d 696 (1974).

Where control of the premises is nonexclusive, constructive possession may not be inferred without other incriminating circumstances. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Mere proximity to persons or locations with drugs about them is usually insufficient, in the absence of other incriminating circumstances, to convict for possession. *State v. Balsom*, 17 N.C. App. 655, 195 S.E.2d 125 (1973); *State v. Weems*, 31 N.C. App. 569, 230 S.E.2d 193 (1976).

Mere presence in a room where drugs are located does not itself support an inference of constructive possession. *State v. James*, 81 N.C. App. 91, 344 S.E.2d 77 (1986).

Amount of Substance Irrelevant. — Evidence that defendant possessed at most only a tiny amount of the substance heroin is sufficient for conviction. *State v. Thomas*, 20 N.C. App. 255, 201 S.E.2d 201 (1973), cert. denied, 284 N.C. 622, 202 S.E.2d 277 (1974), decided under this section as it stood before the 1973 revision.

For purposes of this section, no limitation is set of the amount of the controlled substance which must be possessed in order to come within its prohibition. *State v. Young*, 20 N.C. App. 316, 201 S.E.2d 370 (1973), decided under this section as it stood before the 1973 revision.

This section makes it unlawful to possess any amount of heroin regardless of value. *State v. Bell*, 33 N.C. App. 607, 235 S.E.2d 886, appeal dismissed, 293 N.C. 254, 237 S.E.2d 536 (1977).

Statute makes it unlawful for any person to possess a controlled substance without regard to the amount involved. *State v. Williams*, 149 N.C. App. 795, 561 S.E.2d 925, 2002 N.C. App. LEXIS 300 (2002), cert. denied, 355 N.C. 757, 566 S.E.2d 481 (2002).

A defendant could not be convicted if he was ignorant of the presence of marijuana in his car, even though he may have had "reason to know" of its existence. *State v. Bogle*, 90 N.C. App. 277, 368 S.E.2d 424, rev'd on other grounds, 324 N.C. 190, 376 S.E.2d 745 (1988).

Substance Supplied by Law Officers. — Defendant was convicted for possession of a controlled substance even though the substance was supplied by law officers; unlike stolen property, controlled substances do not lose their status as controlled substances merely because they are lawfully possessed.

State v. Rosario, 93 N.C. App. 627, 379 S.E.2d 434, cert. denied, 325 N.C. 275, 384 S.E.2d 527 (1989).

Possession of Premises of a Penal Institution. — Where an indictment, couched in the language of G.S. 90-95(e)(9) alleged that defendant “unlawfully, willfully, and feloniously” possessed marijuana on the premises of a penal institution in violation of G.S. 90-95(a)(3), the indictment was sufficient to charge the crime. State v. Chesson, — N.C. App. —, — S.E.2d —, 2002 N.C. App. LEXIS 2094 (May 21, 2002).

Constructive Possession Not Shown. — Although there was evidence that defendant knew that there was cocaine in building, that he was “waiting for his” and “he come [sic] to receive some drugs,” this was not substantial evidence that defendant had the capability to maintain control and dominion over one gram or more of cocaine; therefore, the State did not show constructive possession and the trial court erred in denying defendant’s motion to dismiss. State v. Givens, 95 N.C. App. 72, 381 S.E.2d 869 (1989).

Possessor’s Knowledge of Nature of Substance. — Possession of a bottle cap containing a residue of heroin by a person unfamiliar with the uses of heroin might well be consistent with innocent possession because of lack of knowledge by the possessor of the contraband nature of the article possessed. Possession of such an article by one sophisticated in the use of drugs is quite another matter. Evidence of the marks on defendant’s arms was admissible as being relevant to show his prior knowledge. State v. Thomas, 20 N.C. App. 255, 201 S.E.2d 201 (1973), cert. denied, 284 N.C. 622, 202 S.E.2d 277 (1974), decided under this section as it stood before the 1973 revision.

Establishing Time and Place of Unlawful Possession Not Essential. — For a charge of unlawful possession of narcotics, time and place are not essential elements of the offense. State v. Bennett, 280 N.C. 167, 185 S.E.2d 147 (1971), decided prior to the 1971 revision of this Article.

Evidence of Prior Drug-Related Activity. — Testimony of a defendant’s alleged prior drug sale in order to show motive and intent to possess cocaine was inadmissible and admission of testimony was prejudicial error requiring that defendant be granted a new trial. State v. Williams, 156 N.C. App. 661, 577 S.E.2d 143, 2003 N.C. App. LEXIS 181 (2003).

Evidence of Prior Convictions. — In defendant’s trial on a charge of felony possession of cocaine, the trial court erred by allowing a deputy clerk to testify regarding defendant’s prior convictions for possession with intent to sell and deliver cocaine and sale of cocaine for substantive purposes under G.S. 8C-1, N.C. R. Evid. 404(b), without requiring evidence of the underlying facts of the prior convictions to show

similarities between the prior convictions and the offense charged; given the conflicting evidence in defendant’s case, the error was prejudicial. State v. Hairston, 156 N.C. App. 202, 576 S.E.2d 121, 2003 N.C. App. LEXIS 74 (2003).

Evidence Insufficient. — Where there was no evidence concerning whether flower bed and cornfield in which marijuana was located were on defendant’s property or otherwise under his control, nor any evidence linking defendant to the marijuana other than the fact that it was growing near his trailer, admission of the marijuana into evidence was error in a prosecution for manufacture and possession of marijuana with intent to sell and deliver. State v. Wiggins, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977).

Where the only incriminating circumstance going beyond defendant’s presence in room where cocaine was found was the fact that he had a gun in his hand and was “sneaking around” when police raided the house, this single circumstance was insufficient to establish constructive possession of the cocaine. Likewise, the evidence was insufficient for the charge to be considered by the jury on an acting in concert theory. State v. James, 81 N.C. App. 91, 344 S.E.2d 77 (1986).

Where defendant’s testimony was that he knew nothing of any of the controlled substances found in the house, there was no basis on which a jury could find that a lesser offense was committed. At trial the defendant denied knowledge of all of the controlled substances, not just those not in “plain view.” Therefore, the trial court did not err in refusing to instruct the jury on a lesser included offense of felonious possession of heroin. State v. Agubata, 92 N.C. App. 651, 375 S.E.2d 702 (1989).

State failed to present substantial evidence that the defendant possessed diazepam unlawfully. State v. Tuggle, 109 N.C. App. 235, 426 S.E.2d 724, appeal dismissed, 333 N.C. 794, 431 S.E.2d 29 (1993).

Reversible Error to Give Willful Blindness Instruction. — All substantive and material features of the crime with which defendant is charged must be addressed in the trial courts’ instructions to the jury, and where a “willful blindness” jury instruction failed to adequately address the material element of knowledge, such instruction was inconsistent with North Carolina law and constituted reversible error. State v. Bogle, 324 N.C. 190, 376 S.E.2d 745 (1989).

Evidence Sufficient. — Where the state’s evidence tended to show that defendant specifically stated to police officers that he had known marijuana plants were growing behind his residence, where defendant, when first seen by the officers, was coming around the house from the general direction of the barn and marijuana field, and where defendant was

wearing coveralls and sweating heavily, from this the jury reasonably could have inferred that he had just come from working in the marijuana patches and the barn used for curing marijuana. *State v. Beaver*, 317 N.C. 643, 346 S.E.2d 476 (1986).

Although the evidence did not support a finding that defendant was in exclusive possession of a mobile home in which controlled substances were found, the evidence was sufficient to provide the other incriminating circumstances necessary for constructive possession when the possession is nonexclusive; namely, that defendant's name was on a bill of sale for a mobile home which matched the description of the home being searched, that a bottle of prescription drugs with defendant's name was found beside defendant, and that when police officers searching the house searched defendant they found white tablets in the pockets of his pants and on the chair where he had been sitting. *State v. Davis*, 325 N.C. 693, 386 S.E.2d 187 (1989).

The State's evidence was sufficient to support a reasonable inference that marijuana was in defendant's possession where it placed defendant within three or four feet of marijuana in defendant's home, and no one else was in the room where the marijuana was found. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972), decided prior to the 1973 revision of this section.

The State's evidence was sufficient to support a reasonable inference that defendant exercised custody, control, and dominion over marijuana found in a pig shed located approximately 20 yards directly behind defendant's residence, where it tended to show that defendant had been seen on numerous occasions in and around the outbuildings directly behind his house, and that marijuana seeds were found in defendant's bedroom. *State v. Spencer*, 281 N.C. 121, 187 S.E.2d 779 (1972), decided prior to the 1973 revision of this section.

The State's evidence was sufficient to be submitted to the jury on the issue of defendant's guilt of feloniously growing marijuana where it tended to show that (1) marijuana seeds were found in defendant's bedroom, (2) marijuana was found in a pipen located 20 yards directly behind defendant's residence, (3) an unintersected path began at the edge of the pipen and extended some distance to a cornfield where marijuana was found growing, and (4) the wire fencing at the beginning of the path was lower than the remainder of the path. *State v. Spencer*, 281 N.C. 121, 187 S.E.2d 779 (1972), decided prior to the 1973 revision of this section.

Where marijuana was found in a bedroom of defendant's home, and correspondence addressed to defendant was in the room, it is clear that the defendant was in possession of this

marijuana. It was in his custody and control and subject to his disposition. *State v. McDougald*, 18 N.C. App. 407, 197 S.E.2d 11, cert. denied, 283 N.C. 756, 198 S.E.2d 726 (1973), decided under this section as it stood before the 1973 revision.

Evidence of constructive possession of marijuana was sufficient to show both the power and intent to control disposition or use of an apartment where: the apartment was rented to defendants; there was absolutely no evidence that they had sublet to anyone; the current telephone bill showed telephone calls to the homes of defendants; one defendant's I.D. card was found in a bedroom; and the rental record showed the rent to have been paid by the defendants. *State v. Cockman*, 20 N.C. App. 409, 201 S.E.2d 740, cert. denied, 285 N.C. 87, 203 S.E.2d 61 (1974), decided under this section as it stood before the 1973 revision.

Where police found 3,214 hits of blotter acid (L.S.D. in dots on pieces of paper) in the refrigerator, and there was evidence that the defendant was the lessee of the trailer in question and had been living there for six months or more, the State's evidence of possession was ample. *State v. Juan*, 20 N.C. App. 208, 200 S.E.2d 824 (1973), cert. denied, 284 N.C. 620, 202 S.E.2d 276 (1974), decided under this section as it stood before the 1973 revision.

Nothing else appearing, a man residing with his wife in an apartment, no one else residing or being present therein, may be deemed in constructive possession of marijuana located therein, notwithstanding the fact that he is temporarily absent from the apartment and his wife is present therein. *State v. Baxter*, 285 N.C. 735, 208 S.E.2d 696 (1974).

Where defendant had been given the keys and the custody of a vehicle by its owner, and there were 443.1 grams of marijuana found in the car while defendant was the driver and one of the two bags of marijuana was located just inside the car's door on the driver's side, unobstructed by the seat, the jury, viewing the evidence in a light most favorable to the State, could find that defendant had both the power and the intent to control its disposition or use so as to have it in his constructive possession. *State v. Bagnard*, 24 N.C. App. 54, 210 S.E.2d 93 (1974), cert. denied, 286 N.C. 416, 211 S.E.2d 796 (1975).

Evidence tending to show that defendant had possession and control of and claimed ownership to automobile in which drugs were located was sufficient to show that defendant had constructive possession of the drugs in question. *State v. Leonard*, 34 N.C. App. 131, 237 S.E.2d 347 (1977).

Marijuana located in flower pots 32 feet in front of defendant's trailer and beside defendant's television antenna was within such close proximity to defendant's residence as to raise

the inference that defendant had at least constructive possession of it. *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977).

Where the evidence tended to show that 10 glassine bags were wrapped together when removed from defendant, that a chemical analysis was made on only one of the bags and that bag was found to contain heroin, and that a visual examination only was made of the contents of the other bags, all the bags were competent to show what the search of defendant's premises produced and the evidence of the contents of the one tested glassine bag was sufficient for a conviction of possession of a quantity of narcotic drugs. *State v. Steele*, 18 N.C. App. 126, 196 S.E.2d 379 (1973), decided prior to the 1973 revision of this section.

Where there was ample evidence that each defendant had actual possession of LSD at the time they brought bottles to a prosecution witness and delivered them to him for safekeeping, it was not necessary that the State show that defendants had possession, either actual or constructive, when they were subsequently arrested. *State v. Hultman*, 20 N.C. App. 201, 200 S.E.2d 841 (1973), cert. denied, 284 N.C. 619, 202 S.E.2d 275 (1974), decided under this section as it stood before the 1973 revision.

Where the State relied upon several factors to show that the defendant was in constructive possession of heroin, it was not necessary for the State to prove each separate fact beyond a reasonable doubt. It is enough, if upon the whole evidence, the jury is satisfied beyond a reasonable doubt of the defendant's guilt. *State v. Davis*, 25 N.C. App. 181, 212 S.E.2d 516 (1975).

Where expert witness testified that he had examined and identified marijuana in numerous prior cases and trials, that he examined the contents of all the envelopes taken from defendant and that the contents of each appeared to be the same and that he selected five envelopes at random, all of which, after analysis of the contents, were found to contain marijuana, this evidence was sufficient to submit to the jury on the issue of whether the contents of all the envelopes were marijuana. *State v. Hayes*, 291 N.C. 293, 230 S.E.2d 146 (1976).

The evidence was more than sufficient to raise an inference that defendant had both the intent and the capability to exercise control over marijuana plants growing 282 feet from defendant's residence and being irrigated by pipe connected to water supply in defendant's house. *State v. Roten*, 71 N.C. App. 203, 321 S.E.2d 557 (1984).

Evidence that defendants were found at house in which marijuana was found, that their fingerprints were found on items within the house, that one defendant had in his possession a key that fit the gate and the door to the house

and that his truck, which was present on the premises, contained twine identical to the twine used to tie marijuana plants to stakes and to twine found within the house, and that the other defendant admitted that he looked after the place was sufficient to permit the jury to find that each of the defendants had constructive possession of the marijuana. *State v. Moore*, 79 N.C. App. 666, 340 S.E.2d 771 (1986), cert. improvidently granted, 319 N.C. 393, 354 S.E.2d 228 (1987).

When the State offered evidence that there was a large quantity of marijuana in house, over which defendants had constructive possession, and there was a field of marijuana 1,400 feet down a path from the house, the jury could conclude that the defendants controlled the field and were bringing marijuana from the field to the house. *State v. Moore*, 79 N.C. App. 666, 340 S.E.2d 771 (1986), cert. improvidently granted, 319 N.C. 393, 354 S.E.2d 228 (1987).

Evidence of defendant's control of apartment where heroin and implements of manufacturing of heroin were found, when considered with evidence of transportation of 82.9 grams of heroin mixture, was ample evidence of such actual and constructive possession as to support a reasonable inference that defendant had the power and intent to control the disposition and use of the contraband and that he possessed and transported heroin in violation of subsection (h)(4)(c) of this section. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

Evidence held sufficient to show that defendant was constructively in possession of marijuana being grown and dried in barn on property near his residence, so as to support his conviction for manufacturing same. *State v. Beaver*, 317 N.C. 643, 346 S.E.2d 476 (1986).

Evidence held sufficient to show joint custody and access to the premises and other incriminating circumstances so as to allow the jury to consider defendant's constructive possession of heroin found in his sister's house, where defendant admitted to police officers that his clothes were on a mattress in one room of the house, where the officers also found a pay stub bearing his name, where he admitted staying over at the house occasionally to baby-sit for his sister's child, and where he had been seen there the day before and was standing on the porch nearest the heroin when police arrived. *State v. James*, 81 N.C. App. 91, 344 S.E.2d 77 (1986).

Testimony of chemist held sufficient to permit the jury to decide whether defendant possessed a mixture of cocaine weighing 28 grams or more. *State v. Worthington*, 84 N.C. App. 150, 352 S.E.2d 695, cert. denied, 319 N.C. 677, 356 S.E.2d 785 (1987).

Evidence which, viewed in the light most favorable to the State, was sufficient to establish that marijuana was found in the bedroom of a house belonging to defendants; that only

the defendants and two small children were present in the house; and that the marijuana found there weighed 193 grams, or slightly under seven ounces, was sufficient to establish each of the elements of felonious possession of marijuana, that is: (i) knowing (ii) possession (iii) of over one and one-half ounces (iv) of marijuana. *State v. Edwards*, 85 N.C. App. 145, 354 S.E.2d 344, cert. denied, 320 N.C. 172, 358 S.E.2d 58 (1987).

Evidence held sufficient to establish that defendant had nonexclusive control over premises and was in constructive possession of cocaine. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

From evidence indicating that defendant had an object the size of a cigarette pack in a paper sack when he got off plane, that the sack was empty when he was searched, that between the two times he had no opportunity to get rid of the object except while in two adjacent phone booths, that the drugs were in the first phone booth within a minute after defendant was in it, and that no one else was seen around the phone booths, it could be reasonably inferred that defendant had the drug-filled cigarette package in the sack when he got off the plane and that he put it in the phone booth. *State v. Welch*, 89 N.C. App. 135, 365 S.E.2d 190, appeal dismissed, 322 N.C. 485, 370 S.E.2d 235 (1988).

Evidence held sufficient to show that defendant had the intent and power to control contraband. *State v. Peek*, 89 N.C. App. 123, 365 S.E.2d 320 (1988).

Evidence was sufficient to show that defendant had possession of a controlled substance where he knew an undercover-agent was interested in buying marijuana, led the agent to his house after indicating to her he had "stuff" to smoke and sell, and obtained the marijuana from his house and brought it to the agent after she requested an ounce. *State v. Fletcher*, 92 N.C. App. 50, 373 S.E.2d 681 (1988).

Evidence was sufficient to show defendant's actual or constructive possession of both delivered package of cocaine and smaller bags of cocaine upon which lesser trafficking charge was based, where it showed that defendant took the delivered package from the courier and placed it in his freezer, and that he removed it from the freezer and put it in a garbage can outside the house when he learned that police were in the area, and where, in addition, a witness testified that she had witnessed defendant sell cocaine in the house on numerous occasions, that she often found cocaine in the house and that she had seen defendant use cocaine grinder and scales. *State v. Rosario*, 93 N.C. App. 627, 379 S.E.2d 434, cert. denied, 325 N.C. 275, 384 S.E.2d 527 (1989).

Evidence that a powdery substance (later proven to be cocaine) was found in the car

which defendant was driving and that, when shown the substance, defendant stated it was not his and it was only baking soda which he and a friend had bagged up to look like cocaine so they could sell it, was sufficient to support a conviction under this section. *State v. Washington*, 102 N.C. App. 535, 402 S.E.2d 851 (1991).

Evidence was sufficient to link defendant to the items found although defendant had nonexclusive control over his residence where: defendant owned the house that was searched and occupied this residence with his wife and daughter; marijuana cigarettes and rolling papers were found under what appeared to be men's clothing in a dresser drawer in the master bedroom; he owned the plastic bags, which were of a type used for selling and delivering narcotics and which were found in a kitchen cabinet with scales covered with cocaine residue. His admitted ownership of the bags suggested some relationship between the bags and the scales. *State v. Mitchell*, 104 N.C. App. 514, 410 S.E.2d 211 (1991), cert. granted, 331 N.C. 120, 414 S.E.2d 764 (1992), discretionary review improvidently granted, 336 N.C. 22, 442 S.E.2d 24 (1994).

Where the State's evidence tended to show that defendant rented two motel rooms, was the sole occupant of the rooms, that defendant retained keys to both rooms, and only his belongings were seized from the rooms, there was sufficient evidence of defendant's exclusive control and constructive possession of the controlled substance. *State v. Williams*, 136 N.C. App. 218, 523 S.E.2d 428, 1999 N.C. App. LEXIS 1304 (1999).

Evidence was sufficient to find that defendant took possession of drugs in exchange for money in spite of defendant's claim that substance never left police's possession where officer placed them on defendant's back seat, where the parking lot was surrounded by police, and where the defendant was unable to leave the lot and never touched the drugs. *State v. Broome*, 136 N.C. App. 82, 523 S.E.2d 448, 1999 N.C. App. LEXIS 1305 (1999), cert. denied, 351 N.C. 362, 543 S.E.2d 136 (2000).

Evidence Sufficient to Establish Possession for the Purpose of This Section. — The evidence was sufficient to support a conclusion that the defendant had actual possession of some of the drugs and constructive possession of others where the defendant was found in the dwelling with the drugs, he was seen there on several other occasions, he attempted to flee from the officers, 7.5 grams of marijuana were found on his person, and approximately 72.7 grams of marijuana were found in and about the house. *State v. Bowens*, 140 N.C. App. 217, 535 S.E.2d 870, 2000 N.C. App. LEXIS 1102 (2000).

Commingleing of Substances. — Where an officer conducting an investigation at the crime

scene combined a large quantity of white powder found in a sealed plastic bag in a soldering iron box in a stereo shelf located approximately a foot and a half from a glass table with a smaller portion of white powder lying on that table, it was for the jury to decide whether defendant possessed a mixture of cocaine weighing more than 200 but less than 400 grams. *State v. Teasley*, 82 N.C. App. 150, 346 S.E.2d 227 (1986), cert. denied and appeal dismissed, 318 N.C. 701, 351 S.E.2d 759 (1987).

Circumstantial Evidence. — The State may overcome a motion to dismiss or motion for judgment as of nonsuit by presenting evidence which places the accused within such close juxtaposition to the narcotic drugs as to justify the jury in concluding that the same was in his possession. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972); *State v. Bagnard*, 24 N.C. App. 54, 210 S.E.2d 93 (1974), cert. denied, 286 N.C. 416, 211 S.E.2d 796 (1975); *State v. Finney*, 290 N.C. 755, 228 S.E.2d 433 (1976); *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977); *State v. Reddick*, 55 N.C. App. 646, 286 S.E.2d 654, cert. denied, 305 N.C. 398, 290 S.E.2d 368 (1982).

Finding of Not Guilty of Possession But Guilty of Manufacture. — Failure of the jury to find defendants guilty of the possession of marijuana does not preclude it from finding defendants guilty of manufacturing the illicit drug, as a jury is not required to be consistent, and mere inconsistency will not invalidate a verdict. *State v. Rosser*, 54 N.C. App. 660, 284 S.E.2d 130 (1981).

Proof of Conspiracy to Possess. — Although it is not necessary for the State to prove that defendant personally possessed marijuana in order to convict him of conspiracy to possess marijuana, it is necessary to offer evidence from which the jury could reasonably infer that he agreed with someone else to possess it. *State v. LeDuc*, 306 N.C. 62, 291 S.E.2d 607 (1982).

Mere Presence Instruction. — The court did not err in refusing defendant's request for a specific mere presence instruction where it provided defendant's requested instruction in substance. *State v. Williams*, 136 N.C. App. 218, 523 S.E.2d 428, 1999 N.C. App. LEXIS 1304 (1999).

Instruction on Constructive Possession. — The trial court may properly instruct the jury that it may infer a defendant's constructive possession of contraband from his control of the premises if the instruction clearly leaves it to the jury to decide whether to make the inference. *State v. Peek*, 89 N.C. App. 123, 365 S.E.2d 320 (1988).

The court's refusal to label the distinction between actual and constructive possession was not error where it had provided defendant's request in substance. *State v. Williams*, 136

N.C. App. 218, 523 S.E.2d 428, 1999 N.C. App. LEXIS 1304 (1999).

Failure to Instruct as to Quantity Under Subdivision (d)(4). — Possession of more than one ounce of marijuana is an essential element of the offense under subdivision (d)(4) of this section and the trial judge's failure to so charge is error. *State v. Gooch*, 307 N.C. 253, 297 S.E.2d 599 (1982).

Repetition of Instruction Not Prejudicial. — Trial judge neither prejudiced the defendant nor unduly emphasized its instruction on possession by clarifying the instruction to the jury three times. *State v. Williams*, 136 N.C. App. 218, 523 S.E.2d 428, 1999 N.C. App. LEXIS 1304 (1999).

Verdict and Judgment. — Where the judgment and commitment indicate that defendant was found guilty of possession of heroin with intent to distribute, but that he pleaded not guilty to the charge of possession and the verdict was guilty of a charge of possession only, the record should be conformed to correct the judgment to show that defendant pleaded not guilty to possession of heroin and that he was found guilty of possession of heroin. *State v. Byrum*, 20 N.C. App. 265, 201 S.E.2d 193 (1973), decided under this section as it stood before the 1973 revision.

Chain of Custody. — Mere weakness in the chain of custody speaks only to the weight of the evidence, not its admissibility. *State v. Carr*, 122 N.C. App. 369, 470 S.E.2d 70 (1996).

B. Possession with Intent to Sell or Deliver.

Elements of Offense. — The offense of possession with intent to sell or deliver has three elements. One, there must be possession of a substance. Two, the substance must be a controlled substance. Three, there must be intent to distribute or sell the controlled substance. *State v. Casey*, 59 N.C. App. 99, 296 S.E.2d 473 (1982); *State v. Fletcher*, 92 N.C. App. 50, 373 S.E.2d 681 (1988).

Intent Is Gravamen of Offense. — It is the intent of the defendant that is the gravamen of the offense of possession with the intent to sell or deliver. Therefore, the defendant need not complete the sale to be found guilty of possession with the intent to sell or deliver. *State v. Bunch*, 104 N.C. App. 106, 408 S.E.2d 191 (1991).

Quantity of Drugs Seized Not An Element. — Although the quantity of drugs seized is evidence of the intent to sell, it is not an element of subdivision (a)(1) of this section. *State v. Thobourne*, 59 N.C. App. 584, 297 S.E.2d 774 (1982).

Interaction with Another Is Not Element of Offense. — Subdivision (h)(4)a of this section has two elements: (1) knowing possession

(either actual or constructive) of (2) a specified amount of heroin. The defendant need not interact in any way with another individual to facilitate the commission of this crime. *State v. Keys*, 87 N.C. App. 349, 361 S.E.2d 286 (1987).

Possession is an element of possession with intent to deliver and the unauthorized possession is, of necessity, an offense included within the charge that the defendant did unlawfully possess with intent to deliver. *State v. Aiken*, 286 N.C. 202, 209 S.E.2d 763 (1974); *State v. Stanley*, 24 N.C. App. 323, 210 S.E.2d 496 (1974), rev'd on other grounds, 288 N.C. 19, 215 S.E.2d 589 (1975); *State v. Cloninger*, 37 N.C. App. 22, 245 S.E.2d 192 (1978).

It is impossible to possess a controlled substance with intent to distribute without having first possessed it, either actually upon the person or constructively, with the possible exception of a conspiracy or aiding and abetting. *State v. Aikens*, 22 N.C. App. 310, 206 S.E.2d 348, aff'd, 286 N.C. 202, 209 S.E.2d 763 (1974); *State v. Stanley*, 24 N.C. App. 323, 210 S.E.2d 496 (1974), rev'd on other grounds, 288 N.C. 19, 215 S.E.2d 589 (1975).

Elements of possession of LSD with intent to sell or deliver are (i) the unlawful (ii) possession (iii) of a controlled substance (iv) with the intent to sell or deliver it. *State v. Pulliam*, 78 N.C. App. 129, 336 S.E.2d 649 (1985).

Element of Possession with Intent Is Same Regardless of Substance Involved. — Although hashish, cocaine and marijuana are different controlled substances, the element of possession with intent to sell and deliver under subdivision (a)(1) is the same. *State v. Hyatt*, 98 N.C. App. 214, 390 S.E.2d 355 (1990).

Possession and Distribution Are Separate Offenses. — The two offenses, (1) the distribution, and (2) the possession with intent to distribute, are separate offenses. *State v. Rush*, 19 N.C. App. 109, 197 S.E.2d 891 (1973), decided under this section as it stood before the 1973 revision.

The possession and distribution of a single quantity of marijuana taking place on one occasion constitute two crimes, for each of which defendant may be convicted and punished. *State v. Yelverton*, 18 N.C. App. 337, 196 S.E.2d 551, cert. denied, 283 N.C. 670, 197 S.E.2d 880 (1973), decided prior to the 1973 revision of this section.

Possession with intent to sell and sale are not alternative offenses, but separate offenses. *State v. Stoner*, 59 N.C. App. 656, 298 S.E.2d 66 (1982).

Simple Possession Is Lesser Included Offense. — Simple possession of marijuana under subdivision (a)(3) of this section, unlike possession of more than one ounce of marijuana under subdivision (d)(4) of this section, is a lesser included offense of possession of mari-

juana with intent to manufacture, sell or deliver under subdivision (a)(1) of this section. *State v. Gooch*, 307 N.C. 253, 297 S.E.2d 599 (1982).

Felony possession of hashish is not a lesser included offense of possession with intent to sell and deliver hashish. The crime of felony possession of hashish contains an element that possession with the intent to sell and deliver hashish does not. The amount of hashish possessed is not an element of the crime of possessing with the intent to sell and deliver hashish, as established by subdivision (a)(1), whereas, under subdivision (d)(4), the crime of felony possession of hashish consists of possessing more than one-tenth of an ounce of hashish. *State v. Peoples*, 65 N.C. App. 168, 308 S.E.2d 500 (1983).

Misdemeanor Possession of Hashish as Included Offense. — Misdemeanor possession of hashish, the unauthorized possession of any quantity of the substance at all, is a lesser included offense of possession with intent to sell and deliver hashish. *State v. Peoples*, 65 N.C. App. 168, 308 S.E.2d 500 (1983).

Possession with Intent to Sell or Deliver Is One Offense. — While the sale of narcotics and the delivery of narcotics are separate offenses, the possession of narcotics with the intent to sell or deliver is one offense. On this charge the state is required to prove two elements: (1) defendant's possession of the drug, and (2) defendant's intention to sell or deliver the drug. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

Possession with Intent to Transfer, Whether by Sale or Delivery, Constitutes Crime. — It is to be noted that the words "sell" and "deliver" are not separated by a comma but are coupled together by the conjunction "or." By omitting the comma, the legislature manifested its intent that "sell or deliver" is a phrase modifying the required intent. It is thus apparent that the legislature intended the crime to be complete if one possesses the narcotic with intent to transfer it, whether by sale or delivery. *State v. Creason*, 313 N.C. 122, 326 S.E.2d 24 (1985).

Establishing Intent to Distribute. — The jury can reasonably infer an intent to distribute from the amount of the substance found, the manner in which it was packaged, and the presence of other packaging materials. *State v. Baxter*, 285 N.C. 735, 208 S.E.2d 696 (1974).

The quantity of narcotics found in defendant's possession, its packaging, its location and the paraphernalia for measuring and weighing are all circumstances from which it could properly be inferred that it was possessed for sale rather than for personal use. *State v. Mitchell*, 27 N.C. App. 313, 219 S.E.2d 295 (1975), cert. denied, 289 N.C. 301, 222 S.E.2d 701 (1976).

The method of packaging a controlled substance, as well as the amount of the substance, may constitute evidence from which a jury can infer an intent to distribute. *State v. Williams*, 71 N.C. App. 136, 321 S.E.2d 561 (1984); *State v. Alston*, 91 N.C. App. 707, 373 S.E.2d 306 (1988).

The quantity of the drug seized is a relevant factor in determining whether there was an intent to sell, and where the quantity seized is extremely small, the court should not instruct the jury on the intent to sell portion of the charge. *State v. Francum*, 39 N.C. App. 429, 250 S.E.2d 705 (1979).

This section clearly permits North Carolina courts and juries to examine and utilize the quantities of drugs seized as one possible indicator of intent to distribute. *State v. Mitchell*, 27 N.C. App. 313, 219 S.E.2d 295 (1975), cert. denied, 289 N.C. 301, 222 S.E.2d 701 (1976).

The quantity of the drug seized is an indicator of intent to sell. *State v. Cloninger*, 37 N.C. App. 22, 245 S.E.2d 192 (1978).

In proving intent to distribute, the State may rely upon ordinary circumstantial evidence, such as the amount of controlled substance possessed, the nature of its packaging, labeling, and storage, and the activities of defendant with reference to the controlled substance. *State v. Childers*, 41 N.C. App. 729, 255 S.E.2d 654, cert. denied, 298 N.C. 302, 259 S.E.2d 916 (1979).

Although the State has the burden of proving that the defendant intended to sell or deliver the controlled substance, it may rely upon ordinary circumstantial evidence, such as the amount of the controlled substance possessed and the nature of its packaging and labeling, to carry the burden. *State v. Casey*, 59 N.C. App. 99, 296 S.E.2d 473 (1982).

Evidence Sufficient to Establish Intent.

— Evidence of possession of 276 grams of marijuana, reinforced by other evidence showing concealment and that the marijuana was separated into smaller containers, indicating that it was being broken up for more ready distribution, would support a jury finding that the defendant actually had the intent to distribute. *State v. McDougald*, 18 N.C. App. 407, 197 S.E.2d 11, cert. denied, 283 N.C. 756, 198 S.E.2d 726 (1973), decided under this section as it stood before the 1973 revision.

Although defendant possessed less than one ounce of marijuana, where it was packaged in 17 separate, small brown envelopes known in street terminology as "nickle or dime bags," the circumstances of the packaging could be considered by the jury in finding defendant guilty of the felony offense of possession for sale and delivery. *State v. Williams*, 71 N.C. App. 136, 321 S.E.2d 561 (1984).

Evidence that cocaine which was found, although of small quantity, was packaged in

multiple envelopes of a type commonly used in the sale of drugs, that there were a large number of syringes in the house, as well as a large number of bags of heroin under the porch, and that defendant had brought the cocaine with him to the house, taken it away, and returned with it several hours later, despite the small amount and his admission that he used cocaine, along with evidence admitted without objection that the area where the house was located was frequented by drug dealers, sufficiently raised a jury question as to defendant's intent to distribute the cocaine as part of drug-related activities at the house. *State v. James*, 81 N.C. App. 91, 344 S.E.2d 77 (1986).

Evidence showing the amount of cocaine and the presence of packaging materials and a chemical commonly used to dilute cocaine was sufficient to show defendant's intent to sell and deliver. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Where shortly after an informant purchased cocaine, law enforcement officials entered mobile home, and pursuant to a search warrant, found the \$2,100 which informant had used to purchase the cocaine, along with 21.46 grams of cocaine hidden in a heating unit, which was in the same general area as that where the drug transaction had taken place, a jury could reasonably infer that defendant had the intent and capability to maintain control and dominion over the cocaine sold to the informant and the cocaine seized from the table and heating unit, and that defendant had the intent to sell the controlled substance. *State v. Narcisse*, 90 N.C. App. 414, 368 S.E.2d 654, cert. denied, 323 N.C. 368, 373 S.E.2d 553 (1988).

Evidence was sufficient to submit case of sale of a controlled substance to the jury where defendant brought marijuana from his house to a place where an undercover police officer was waiting, knew the police officer wanted to buy the marijuana, received \$50.00 in cash proceeds for the marijuana, and at no time made any verbal or physical efforts to return or reject the money. *State v. Fletcher*, 92 N.C. App. 50, 373 S.E.2d 681 (1988).

Evidence was sufficient to establish constructive possession and intent to sell. *State v. Carr*, 122 N.C. App. 369, 470 S.E.2d 70 (1996).

Defendant's motion to dismiss the charge of possession with intent to sell or deliver cocaine was properly denied where he, along with co-defendant, shared possession of the room where the drugs were located and where other incriminating evidence existed, connecting him with the drugs, including his "lunge" into the bathroom and the placing of his hands into the bathroom ceiling, where the drugs were later found. *State v. Frazier*, 142 N.C. App. 361, 542 S.E.2d 682, 2001 N.C. App. LEXIS 96 (2001).

Evidence Insufficient to Establish In-

tent. — Possession of 215.5 grams of marijuana, without some additional evidence, is not sufficient to raise an inference that the marijuana was for the purpose of distribution, and therefore is not sufficient to withstand a motion for judgment as of nonsuit on a charge of possession with intent to sell and distribute. *State v. Wiggins*, 33 N.C. App. 291, 235 S.E.2d 265, cert. denied, 293 N.C. 592, 241 S.E.2d 513 (1977).

Exemption Through Authorization. — One may be exempt from State prosecution for the possession or the sale or delivery of controlled substances if that person is authorized by the North Carolina Controlled Substances Act to so possess or sell or deliver such substances, but proof of such exemption through authorization must be provided by the defendant. *State v. McNeil*, 47 N.C. App. 30, 266 S.E.2d 824, cert. denied and appeal dismissed, 301 N.C. 102, 273 S.E.2d 306 (1980), cert. denied, 450 U.S. 915, 101 S. Ct. 1356, 67 L. Ed. 2d 339 (1981).

The failure to admit testimony challenging the undercover procedures used by an undercover agent in obtaining drugs from the defendant did not constitute an abuse of discretion, under G.S. 8C-1-702, where the evidence was already sufficient to prove the drug charges, under this section, and where the record already contained evidence that the agent used the drugs from the buys and the jury, therefore, had the ability, on its own, to assess the agent's credibility. *State v. Mackey*, 137 N.C. App. 734, 530 S.E.2d 306, 2000 N.C. App. LEXIS 533 (2000), aff'd, 352 N.C. 650, 535 S.E.2d 555 (2000).

Entrapment No Defense Where Essential Elements of the Offense Denied. — Where a defendant was prosecuted for possession with intent to sell and sale and delivery of LSD, the question of entrapment did not arise from defendant's evidence, since entrapment is not available as a defense when the accused denies the essential elements of the offense. *State v. Neville*, 49 N.C. App. 684, 272 S.E.2d 164 (1980), aff'd, 302 N.C. 623, 276 S.E.2d 373 (1981).

Defendants may be convicted of substantive offense of trafficking in cocaine if they were accessories before the fact. *State v. Agudelo*, 89 N.C. App. 640, 366 S.E.2d 921, appeal dismissed and cert. denied, 323 N.C. 176, 373 S.E.2d 115 (1988), overruled on other grounds, *State v. Barnes*, 324 N.C. 539, 380 S.E.2d 118 (1989).

Verdict Form Upheld. — Verdict form finding defendant guilty of possession with intent to sell or deliver cocaine was not fatally ambiguous. *State v. McLamb*, 313 N.C. 572, 330 S.E.2d 476 (1985).

It was proper for jury to return verdict

of possession with intent to sell or deliver under subdivision (a)(1). Such a verdict is no less proper when the indictment charges possession with intent to sell and deliver since conjunctive "and" is acceptable to specify the exact bases for the charge. *State v. Mercer*, 89 N.C. App. 714, 367 S.E.2d 9 (1988).

Conviction Under Subdivision (a)(1) Was "Misconduct" Under G.S. 96-14. — Petitioner's conviction for possession of cocaine with intent to sell or deliver, in violation of subdivision (a)(1) of this section was misconduct within the meaning of G.S. 96-14(2), disqualifying him from drawing unemployment benefits. *Lynch v. PPG Indus.*, 105 N.C. App. 223, 412 S.E.2d 163 (1992).

V. TRAFFICKING.

Legislative Intent. — In creating the offense of trafficking under subsection (h) of this section, the legislature has determined that certain amounts of controlled substances indicate an intent to distribute on a large scale. *State v. McCoy*, 105 N.C. App. 686, 414 S.E.2d 392 (1992).

Statute Aimed at Large Scale Drug Activity. — The trafficking in drugs statute is aimed at an offender who is facilitating a large scale flow of drugs, and the General Assembly aimed to deal with such an offender. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983).

The harsh penalties prescribed in the North Carolina Controlled Substances Act represent an attempt by the legislature to deter large scale distribution of drugs and thereby to decrease the number of people potentially harmed by drug use. Therefore, subdivision (h)(4) of this section is not a violation of equal protection rights because it penalizes possession of a particular amount of any mixture containing heroin without regard to the percentage of heroin in the mixture. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983).

Subsection (h) of this section was added in response to a growing concern regarding the gravity of illegal drug activity in this State and the need for effective laws to deter the corrupting influence of drug dealers and traffickers. The purpose behind subsection (h) of this section is to deter trafficking in large amounts of certain controlled substances. *State v. Proctor*, 58 N.C. App. 631, 294 S.E.2d 240, cert. denied, 306 N.C. 749, 295 S.E.2d 484 (1982); 459 U.S. 1172, 103 S. Ct. 818, 74 L. Ed. 2d 1016 (1983).

The 1979 amendments to this section, by the addition of subsections (h) and (i), are responsive to a growing concern regarding the gravity of illegal drug activity in this State and the need for effective laws to deter the corrupting influence of drug dealers and traffickers. *State*

v. Anderson, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

The legislature intended the trafficking statute to prevent large scale distribution of controlled substances. *State v. Mebane*, 101 N.C. App. 119, 398 S.E.2d 672 (1990), overruled on other grounds, *State v. Pipkins*, 337 N.C. 431, 446 S.E.2d 360 (1994).

"Transportation" is any real carrying about or movement from one place to another; therefore, where defendant admitted to having cocaine in his truck as he backed out of his driveway, and stated that he would have continued out of his driveway but for the arrival of an SBI agent, this was an admission of transportation of controlled substances and was sufficient to sustain a charge of felonious transportation of cocaine. *State v. Outlaw*, 96 N.C. App. 192, 385 S.E.2d 165 (1989), cert. denied, 326 N.C. 266, 389 S.E.2d 118 (1990).

Tossing Drugs from Dwelling Is "Transportation". — Where a person moves drugs from a dwelling to a point beyond its curtilage, such movement is sufficient to constitute real and substantial movement. Thus, the mere act of tossing the drugs from a dwelling and to a point outside its curtilage amounts to transportation. *State v. Greenidge*, 102 N.C. App. 447, 402 S.E.2d 639 (1991).

Evidence that defendant tossed a bag of cocaine from his back porch into the yard next door was sufficient to sustain the charge of trafficking in cocaine by transportation in violation of subdivision (h)(3) of this section. *State v. Greenidge*, 102 N.C. App. 447, 402 S.E.2d 639 (1991).

When Constructive Possession Need Not Be Shown. — When the State has established that a defendant was present while a trafficking offense occurred, and that he acted in concert with others to commit the offense pursuant to a common plan or purpose, it is not necessary to invoke the doctrine of constructive possession. *State v. Diaz*, 317 N.C. 545, 346 S.E.2d 488 (1986).

Trafficking by possession and trafficking by manufacture are separate offenses. under subsection (h) of this section; thus, convictions for both offenses do not violate the double jeopardy clause of the U.S. Constitution. *Sanderson v. Rice*, 777 F.2d 902 (4th Cir. 1985), cert. denied, 475 U.S. 1027, 106 S. Ct. 1226, 89 L. Ed. 2d 336 (1986).

Sale, manufacture, delivery, transportation, and possession of 28 grams or more of cocaine as defined under subdivision (h)(3) are separate trafficking offenses for which a defendant may be separately convicted and punished. *State v. Garcia*, 111 N.C. App. 636, 433 S.E.2d 187 (1993).

The trial court properly held that the sale of cocaine and fleeing with the remainder consti-

tuted two separate offenses, where the defendant's fleeing the area, after the police officers identified themselves, for some distance, with 109 grams of cocaine, constituted substantial movement of the cocaine and warranted a separate charge. *State v. Manning*, 139 N.C. App. 454, 534 S.E.2d 219, 2000 N.C. App. LEXIS 983 (2000), cert. denied and appeal dismissed, 353 N.C. 273, 546 S.E.2d 385 (2000), aff'd, 353 N.C. 449, 545 S.E.2d 211 (2001).

The court did not err in entering judgment and sentencing defendant for both trafficking by possession and trafficking by delivery based on the same transaction. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), appeal dismissed and cert. denied, 316 N.C. 557, 344 S.E.2d 15 (1986).

Sale, manufacture, delivery, transportation and possession of 50 pounds or more of marijuana are separate trafficking offenses for which a defendant may be separately convicted and punished. *State v. Diaz*, 317 N.C. 545, 346 S.E.2d 488 (1986).

Defendant could properly be convicted and punished separately for trafficking in heroin by possessing 28 grams or more of heroin, trafficking in heroin by manufacturing 28 grams or more of heroin, and trafficking in heroin by transporting 28 grams or more of heroin, even when the contraband material in each separate offense was the same heroin. Thus the trial judge did not err in denying defendant's motion that he direct the State to elect between prosecuting defendant for trafficking in heroin and the offenses of possession, manufacturing and transporting heroin. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

Amendment by Session Laws 1983, c. 294, s. 6, inserting "cocoa" into subdivision (h)(3) rather than "coca," appeared to be a typographical error. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), appeal dismissed and cert. denied, 316 N.C. 557, 344 S.E.2d 15 (1986).

Indictment Referring to "Cocoa" Rather Than "Coca" Not Defective. — Indictment which alleged trafficking in "a compound obtained from cocoa leaves," which is not a controlled substance, was not so defective as to deprive the trial court of subject matter jurisdiction, where the trial evidence showed over 637 grams of a 35% cocaine mixture, as at no time could defendant realistically have thought that he was charged with trafficking in chocolate. *State v. Thrift*, 78 N.C. App. 199, 336 S.E.2d 861 (1985), appeal dismissed and cert. denied, 316 N.C. 557, 344 S.E.2d 15 (1986).

The purpose behind subdivision (h)(3)a is to deter "trafficking" in controlled substances. *State v. Tyndall*, 55 N.C. App. 57, 284 S.E.2d 575 (1981).

Amount of Cocaine Determines Level of Offense. — The only difference between the

greater and lesser levels of the offense of trafficking in cocaine, relate to the amount of cocaine found. *State v. Wilson*, 155 N.C. App. 89, 574 S.E.2d 93, 2002 N.C. App. LEXIS 1585 (2002), cert. denied, 356 N.C. 693, 579 S.E.2d 98 (2003), appeal dismissed, cert. denied, 356 N.C. 693, 579 S.E.2d 98 (2003).

Quantity of Mixture Under Subdivision (h)(3)a Sufficient. — The quantity of the mixture containing cocaine may be sufficient in itself to constitute a violation of subdivision (h)(3)a. *State v. Tyndall*, 55 N.C. App. 57, 284 S.E.2d 575 (1981).

Nothing in Statute Requires 28 Grams to Be in One Container. — Under subdivision (h)(3) of this section, trafficking in cocaine requires proof of possession of cocaine in the amount of 28 grams or more; nothing in the statute requires the 28 grams to be in one container. *State v. King*, 99 N.C. App. 283, 393 S.E.2d 152 (1990).

Legislature's use of the word "mixture" in subdivision (h)(4) establishes that the total weight of dosage units of Dilaudid may be a sufficient basis to charge a suspect with trafficking. *State v. Jones*, 85 N.C. App. 56, 354 S.E.2d 251, cert. denied, 320 N.C. 173, 358 S.E.2d 61, cert. denied, 484 U.S. 969, 108 S. Ct. 465, 98 L. Ed. 2d 404 (1987).

Trial court properly included the weight of filler substances that were mixed with a controlled substance when it determined whether defendant had sold more than four grams of the controlled substance and could be charged with trafficking. *State v. McCracken*, — N.C. App. —, 579 S.E.2d 492, 2003 N.C. App. LEXIS 732 (2003).

Quantity of Mixture Under Subdivision (h)(4)a. — The evidence presented, namely, that defendant possessed and sold six tinfoil packets to an undercover agent, which, when all their contents were dumped together, weighed 6.65 grams, with one measure of heroin to about 20 measures of sugar, was sufficient to support a conviction under subdivision (h)(4)a of this section, despite defendant's contention that all of the heroin could have been in just one packet, the contents of which weighed no more than one gram and a fraction. *State v. Horton*, 75 N.C. App. 632, 331 S.E.2d 215, cert. denied, 314 N.C. 672, 335 S.E.2d 497 (1985).

Possession of Certain Amounts Indicates Intent to Distribute on Large Scale. — The legislature has determined that certain amounts of controlled substances and certain amounts of mixtures containing controlled substances indicate an intent to distribute on a large scale. Large scale distribution increases the number of people potentially harmed by use of drugs. The penalties for sales of such amounts, therefore, are harsher than those under subdivision (a)(1) of this section. *State v. Proctor*, 58 N.C. App. 631, 294 S.E.2d 240, cert.

denied, 306 N.C. 749, 295 S.E.2d 484 (1982); 459 U.S. 1172, 103 S. Ct. 818, 74 L. Ed. 2d 1016 (1983).

Subdivision (h)(5) is permissive, not mandatory, and defendant has no right to a lesser sentence even if he does provide what he believes to be substantial assistance. *State v. Perkerol*, 77 N.C. App. 292, 335 S.E.2d 60 (1985), cert. denied, 315 N.C. 595, 341 S.E.2d 36 (1986).

The phrase "substantial assistance," in subdivision (h)(5), is not unconstitutionally vague in defining a convicted defendant who is eligible for leniency in sentencing. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983).

Language "has rendered such substantial assistance" in subdivision (h)(5) of this section commonsensically sets no time limit on when such assistance must be rendered. *State v. Perkerol*, 77 N.C. App. 292, 335 S.E.2d 60 (1985), cert. denied, 315 N.C. 595, 341 S.E.2d 36 (1986).

Construction of Phrase "Substantial Assistance." — Being a description of a post-conviction form of plea bargaining rather than a definition of the crime itself, the phrase "substantial assistance" can tolerate subjectivity to an extent which normally would be impermissible for penal statutes. The phrase, in any event, is susceptible of common understanding in the context of the whole statute. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983).

"Substantial" Movement Shown. — Where defendant removed drugs from a dwelling house and carried them to a car which he used to leave the premises, such movement was "substantial" and sufficient to sustain the charge of trafficking by transporting in violation of subdivision (h)(3) of this section. *Durham Herald Co. v. North Carolina Low-Level Radioactive Waste Mgt. Auth.*, 110 N.C. App. 607, 430 S.E.2d 441, cert. denied, 334 N.C. 625, 435 S.E.2d 347 (1993).

There was a "substantial movement" for a conviction for trafficking of cocaine when the defendant threw cocaine into the bushes, thus avoiding being caught with the cocaine and making it possible to later retrieve it for his subsequent use and benefit. *State v. Wilder*, 124 N.C. App. 136, 476 S.E.2d 394 (1996).

Constitutional Rights Not Lost in Order to Gain Benefits from Assisting Prosecution. — Nothing in this section suggests that substantial assistance must incriminate the defendant of crimes other than those for which he has already been convicted (and for which no privilege under is obviously necessary). The risk of prosecution in other jurisdictions is acknowledged. Nonetheless, a defendant need

not invoke subdivision (h)(5) of this section, U.S. Const., Amend. V as nothing in the statute is compulsive. Putting a defendant to a difficult choice is not necessarily forbidden by U.S. Const., Amend. V, and no constitutional deprivation results if a defendant elects to reap the benefits of subdivision (h)(5) of this section. *State v. Willis*, 61 N.C. App. 23, 300 S.E.2d 420, modified and aff'd, 309 N.C. 451, 306 S.E.2d 779 (1983).

State's Acceptance of Defendant's Offer Not Prerequisite. — Subdivision (h)(5) of this section does not make the State's acceptance of a defendant's offer a prerequisite to finding substantial assistance. *State v. Perkerol*, 77 N.C. App. 292, 335 S.E.2d 60 (1985), cert. denied, 315 N.C. 595, 341 S.E.2d 36 (1986).

Words "guilty of a felony . . . known as 'trafficking in marijuana'" in subsection (h) of this section relate primarily to the preceding words "50 pounds (avoirdupois) of marijuana." *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Use of the word "felony" in singular form refers to the singular crime known as "trafficking in marijuana," a crime consisting of any one or more of the denounced acts, any one of which is a separate crime. *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Visual Inspection with Chemical Testing of Random Sample. — The evidence was sufficient to convict defendant of trafficking by either possession or sale although only three of the 14 packets of powder involved were chemically analyzed, where the total weight of all 14 packets was in excess of six grams and a State Bureau of Investigation forensic chemist with over 14 years experience visually analyzed all packets in question, chemically tested a random sample, and testified that in his opinion the plastic packet "all contain[ed] similar material which would contain heroin." *State v. Anderson*, 76 N.C. App. 434, 333 S.E.2d 762 (1985).

Weight of the marijuana is an essential element of trafficking in marijuana under subsection (h) of this section. *State v. Goforth*, 65 N.C. App. 302, 309 S.E.2d 488 (1983).

Weight is one of the essential elements of a crime charged under subdivision (h)(1)d of this section; thus, the State bears the burden of proving beyond a reasonable doubt that the weight of the marijuana was 10,000 pounds or more. *State v. Diaz*, 88 N.C. App. 699, 365 S.E.2d 7, cert. denied, 322 N.C. 327, 368 S.E.2d 870 (1988).

When Weight Element Critical in Trafficking Charge. — The weight element upon a charge of trafficking in marijuana becomes more critical if the State's evidence of the weight approaches the minimum weight

charged. *State v. Anderson*, 57 N.C. App. 602, 292 S.E.2d 163, cert. denied, 306 N.C. 559, 294 S.E.2d 372 (1982).

Procedure for Weighing Contraband. — The criminal statutes do not provide specific procedures for obtaining weights of contraband. Thus ordinary scales, common procedures, and reasonable steps to ensure accuracy must suffice. *State v. Diaz*, 88 N.C. App. 699, 365 S.E.2d 7, cert. denied, 322 N.C. 327, 368 S.E.2d 870 (1988).

Weight of Heroin Sufficiently Established. — The State presented sufficient evidence to support a conviction under this section and the finding that 28 or more grams of heroin were seized from the defendant although the bags of heroin seized from him were not weighed together; the State's expert testified that he randomly weighed 50 of 671 bags at an average of 0462 grams per bag, after establishing that each of the 671 bags contained an off-white or tan substance. *State v. Holmes*, 142 N.C. App. 614, 544 S.E.2d 18, 2001 N.C. App. LEXIS 184 (2001).

Inference of Contents from Testing of Part. — Trial court did not err by permitting offenses of trafficking in heroin to be submitted to the jury, on grounds that there was no evidence that there was heroin mixture in each of 390 separate glassine packets contained in foil-wrapped package so as to raise a reasonable inference that defendant was guilty of trafficking, as an expert chemist may give his opinion as to the whole when only a part of the whole has been tested, and testimony of expert witness, when considered in conjunction with the State's evidence as to possession, manufacturing and transporting, was more than ample to support a reasonable inference of trafficking and that defendant engaged in trafficking more than 28 grams of heroin. *State v. Perry*, 316 N.C. 87, 340 S.E.2d 450 (1986).

The quantity of the entire mixture containing cocaine may be sufficient to constitute a violation of subdivision (h)(3) of this section. *State v. Muncy*, 79 N.C. App. 356, 339 S.E.2d 466, cert. denied, 316 N.C. 736, 345 S.E.2d 396 (1986).

Indictment Stating "in at Least 50 Pounds" Does Not Properly Charge Conspiracy to Traffic. — Conspiracy to traffic in marijuana was not alleged by an indictment containing the phrase "in at least 50 pounds," because "in at least 50 pounds" is not "in excess of 50 pounds." Because of the fatal error in failing to allege all the necessary elements of the offense, the indictment was invalid. *State v. Goforth*, 65 N.C. App. 302, 309 S.E.2d 488 (1983).

Variance which stated that defendant sold 28 grams of cocaine, rather than 28 grams of a mixture containing cocaine, as described in subdivision (h)(3)a, was not fatal.

State v. Tyndall, 55 N.C. App. 57, 284 S.E.2d 575 (1981).

Evidence of Weight Sufficient. — A state agent's testimony that he opened a plastic bag that contained nine smaller plastic bags of heroin and removed the powder from each of the bags to measure the combined total weight of the heroin at once in one weighing tray and that the total weight of the heroin was 4.4 ounces was sufficient to show that defendant was trafficking more than 4 ounces of heroin. State v. Jones, 146 N.C. App. 394, 553 S.E.2d 79, 2001 N.C. App. LEXIS 946 (2001), cert. denied, 355 N.C. 754, 566 S.E.2d 83 (2002).

Evidence Relative to Other Occasions. — In a prosecution for trafficking in heroin, evidence of the discovery of other controlled substances on other occasions on defendant's premises was admissible to show her guilty knowledge. State v. Weldon, 314 N.C. 401, 333 S.E.2d 701 (1985).

Reputation of Defendant's House. — The trial court erred in admitting, at defendant's trial for trafficking in heroin, evidence that defendant's house had a reputation as a place where illegal drugs could be bought and sold. However, the error was not such as to warrant a new trial. State v. Weldon, 314 N.C. 401, 333 S.E.2d 701 (1985).

An indictment stated the essential elements of trafficking in heroin where it charged defendant with possessing more than four but less than 14 grams of heroin, even though the indictment excluded from criminal prosecution the possession of exactly four grams, whereas the statute includes the possession of exactly four grams. The indictment, while limiting the scope of defendant's liability, was clearly within the confines of the statute. State v. Keys, 87 N.C. App. 349, 361 S.E.2d 286 (1987).

Expert's Opinion Based upon Preliminary Color Test. — Though not a positive opinion that substance in cellophane package contained cocaine, analyst's opinion that the substance "could" contain cocaine was properly admissible in trial for trafficking, where the opinion was based upon a preliminary color test with a positive result. State v. White, 104 N.C. App. 165, 408 S.E.2d 871 (1991).

Evidence Showed Only One On-Going Conspiracy Instead of Two Conspiracies. — Where the conspiracies charged occurred within hours of each other, one on the evening of February 19, and the other on the morning of February 20, 1987, where the alleged participants in the first conspiracy were defendant, his brothers, and a middleman for the police and the participants in the second were defendant and his brothers, where although the amount of cocaine varied in the first and second alleged conspiracies, the objective was the same, i.e., to traffic in cocaine, and where the

State argued throughout the trial that there was a "continuing conspiracy" among the defendants, there was evidence of only one on-going conspiracy and both of defendant's conspiracy convictions could not stand. State v. Fink, 92 N.C. App. 523, 375 S.E.2d 303 (1989).

Trial court properly instructed the jury on the theory of acting in concert with respect to cocaine trafficking charges against defendants; even though neither defendant was present when two other persons were seen leaving cocaine on a roadside embankment, there was evidence that defendants were involved in transporting the drugs. State v. Diaz, 155 N.C. App. 307, 575 S.E.2d 523, 2002 N.C. App. LEXIS 1595 (2002).

Evidence held sufficient to give rise to a reasonable inference that defendant and her co-defendants agreed between themselves to commit the unlawful act of trafficking in cocaine, even though defendant absconded with the money involved in the transaction and the crime of trafficking was never completed. State v. Lipford, 81 N.C. App. 464, 344 S.E.2d 307 (1986).

Evidence was sufficient to submit to the jury the issue of defendants' guilt of conspiracy to traffic in more than 200 grams of cocaine. State v. Worthington, 84 N.C. App. 150, 352 S.E.2d 695, cert. denied, 319 N.C. 677, 356 S.E.2d 785 (1987).

Proximity of pocketbook in which heroin was found to defendant's person and presence of defendant's identification within the pocketbook were sufficient to give rise to an inference of defendant's possession of the heroin. State v. Keys, 87 N.C. App. 349, 361 S.E.2d 286 (1987).

Evidence was sufficient, independent of out-of-court statements made by co-conspirators, to establish a prima facie case of conspiracy; therefore, the out-of-court statements were properly admitted in evidence. State v. Fink, 92 N.C. App. 523, 375 S.E.2d 303 (1989).

In trial for charges of trafficking in cocaine where the state offered uncontroverted evidence that a plastic bag containing 44.2 grams of powder of which approximately thirty percent was cocaine hydrochloride was found underneath the seat of the truck defendant was driving. The trial court properly denied defendant's motion to dismiss at the end of all the evidence. State v. Chandler, 100 N.C. App. 706, 398 S.E.2d 337 (1990).

While there was no direct evidence that defendant expressly agreed to commit the crime of trafficking cocaine, there was sufficient circumstantial evidence in the form of a pin register showing telephone calls to defendant by coconspirator while he was in this State; testimony by coconspirator to create a reasonable inference that defendant knew of his desire to obtain cocaine; and testimony that there was an implied understanding that if coconspirator

drove to Maryland, defendant would procure the cocaine for resale in this State, so as to establish that a conspiracy existed and supported jurisdiction over defendant. *State v. Drakeford*, 104 N.C. App. 298, 409 S.E.2d 319 (1991).

Evidence was sufficient as to the amount and identity of the controlled substance even though the only evidence of the weights and nature of the substance was the uncorroborated testimony of persons involved in the conspiracy, who were testifying under agreement with the State and would receive a lesser sentence in exchange for their testimony, and even though there was no stipulation and no physical evidence and defendants were unable to examine and confront the substance. *State v. Crummy*, 107 N.C. App. 305, 420 S.E.2d 448, cert. denied, 332 N.C. 669, 424 S.E.2d 411 (1992).

Evidence was sufficient to support finding as an aggravating factor that defendant induced others to participate in the trafficking of cocaine. *State v. Smallwood*, 112 N.C. App. 76, 434 S.E.2d 615 (1993).

The evidence was sufficient under this section where the defendant had nonexclusive possession of a motel room but law enforcement officers found \$ 800.00 cash and 2.22 grams of cocaine in the pocket of defendant's pants, enough to allow a reasonable person to infer that defendant had the power and intent to control the cocaine found in the bathroom, and, therefore, constructively possessed the cocaine. *State v. Jackson*, 137 N.C. App. 570, 529 S.E.2d 253, 2000 N.C. App. LEXIS 424 (N.C. Ct. App. 2000).

Reasonable jury in considering the evidence could have found that defendant possessed and transported 28 grams or more of cocaine and therefore was guilty of one count of trafficking in cocaine by possession and one count of trafficking in cocaine by transportation. *State v. Shook*, 155 N.C. App. 183, 573 S.E.2d 249, 2002 N.C. App. LEXIS 1623 (2002).

State presented substantial evidence of each element of the crime of trafficking to preclude a motion to dismiss where an agent testified that cocaine seized from defendant weighed 55.4 grams. *State v. Carmon*, 156 N.C. App. 235, 576 S.E.2d 730, 2003 N.C. App. LEXIS 109 (2003).

Evidence Not Probative of Trafficking. — Where defendant was charged with trafficking in cocaine, the mere ownership of a passport showing travel to Colombia was not probative of a fact at issue in the case. *State v. Cuevas*, 121 N.C. App. 553, 468 S.E.2d 425 (1996).

The fact that an informant put a finger into cocaine did not establish that the informant had power and intent to control its disposition or use, so as to make him a participant in the offense of trafficking in cocaine. *State v. Moose*, 101 N.C. App. 59, 398 S.E.2d 898 (1990),

cert. denied, 328 N.C. 575, 403 S.E.2d 519 (1991).

Verdict in Disjunctive Held Ambiguous. — Conviction on the charge of "trafficking in heroin by selling and delivering," where the verdict form read "Guilty of trafficking . . . by selling or delivering in excess of four grams of a mixture containing heroin," could not stand, because use of the disjunctive "or" in the verdict form rendered the verdict inherently ambiguous and deprived defendant of the right to a unanimous verdict. *State v. Anderson*, 76 N.C. App. 434, 333 S.E.2d 762 (1985).

By instructing the jury that it could find defendant guilty of trafficking in marijuana if it found that defendant knowingly possessed or knowingly transported 10,000 pounds or more of marijuana, the trial judge submitted two possible crimes to the jury, as the jury could find defendant guilty if it found that he committed either or both of the crimes submitted to it. Thus, the jury's verdict of guilty was fatally defective because it was ambiguous, depriving defendant of his constitutional right to be convicted by a unanimous jury. *State v. Diaz*, 317 N.C. 545, 346 S.E.2d 488 (1986).

No Error in Court's Denial of Lesser Included Offense. — In trial for trafficking in cocaine, there was no error in court's denial of defendant's request to instruct on lesser included offense of simple possession on the basis that defendant maintained throughout the trial that none of the cocaine was hers. *State v. King*, 99 N.C. App. 283, 393 S.E.2d 152 (1990).

The mere denial of charges of trafficking in cocaine by possession and trafficking in cocaine by transportation by the defendant, where there was positive evidence on each element of the crime charged and where there was no conflicting evidence relating to any element, did not require submission of lesser included offense of felonious possession to the jury. *State v. White*, 104 N.C. App. 165, 408 S.E.2d 871 (1991).

The defendant's sentence was not disproportionate to her crimes although her more culpable co-conspirators received lesser or equivalent sentences after plea arrangements where the sentences imposed upon defendant, albeit consecutive, were within the presumptive statutory range authorized for her drug trafficking offenses under the Structured Sentencing Act. *State v. Parker*, 137 N.C. App. 590, 530 S.E.2d 297, 2000 N.C. App. LEXIS 506 (2000).

Single Sentence for Multiple Courts. — Although defendant was charged with three counts of trafficking in cocaine, only a single minimum sentence of seven years was mandated by the language of subdivision (h)(6). *State v. Bozeman*, 115 N.C. App. 658, 446 S.E.2d 140 (1994).

VI. EVIDENTIARY CHAIN OF CUSTODY.

Testimony of Individuals. — A statement pursuant to G.S. 90-95(g1) is not the exclusive method for authenticating a laboratory report.

The chain of custody may also be established by the testimony of the individuals in the chain of custody. *State v. Lorenzo*, 147 N.C. App. 728, 556 S.E.2d 625, 2001 N.C. App. LEXIS 1251 (2001).

§ 90-95.1. Continuing criminal enterprise.

(a) Any person who engages in a continuing criminal enterprise shall be punished as a Class C felon and in addition shall be subject to the forfeiture prescribed in subsection (b) of this section.

(b) Any person who is convicted under subsection (a) of engaging in a continuing criminal enterprise shall forfeit to the State of North Carolina:

(1) The profits obtained by him in such enterprise, and

(2) Any of his interest in, claim against, or property or contractual rights of any kind affording a source of influence over, such enterprise.

(c) For purposes of this section, a person is engaged in a continuing criminal enterprise if:

(1) He violates any provision of this Article, the punishment of which is a felony; and

(2) Such violation is a part of a continuing series of violations of this Article;

a. Which are undertaken by such person in concert with five or more other persons with respect to whom such person occupies a position of organizer, a supervisory position, or any other position of management; and

b. From which such person obtains substantial income or resources.

(d) Repealed by Session Laws 1979, c. 760, s. 5. (1971, s. 919, s. 1; 1979, c. 760, s. 5.)

§ 90-95.2. Cooperation between law-enforcement agencies.

(a) The head of any law-enforcement agency may temporarily provide assistance to another agency in enforcing the provisions of this Article if so requested in writing by the head of the other agency. The assistance may comprise allowing officers of the agency to work temporarily with officers of the other agency (including in an undercover capacity) and lending equipment and supplies. While working with another agency under the authority of this section, an officer shall have the same jurisdiction, powers, rights, privileges, and immunities (including those relating to the defense of civil actions and payment of judgments) as the officers of the requesting agency in addition to those he normally possesses. While on duty with the other agency, he shall be subject to the lawful operational commands of his superior officers in the other agency, but he shall for personnel and administrative purposes remain under the control of his own agency, including for purposes of pay. He shall furthermore be entitled to workers' compensation when acting pursuant to this section to the same extent as though he were functioning within the normal scope of his duties.

(b) As used in this section:

(1) "Head" means any director or chief officer of a law-enforcement agency, including the chief of police of a local police department and the sheriff of a county, or an officer of the agency to whom the head of the agency has delegated authority to make or grant requests under this section, but only one officer in the agency shall have this delegated authority at any time.

- (2) "Law-enforcement agency" means any State or local agency, force, department, or unit responsible for enforcing criminal laws in this State, including any local police department or sheriff's department.
- (c) This section in no way reduces the jurisdiction or authority of State law-enforcement officers. (1975, c. 782, s. 1; 1981, c. 93, s. 1; 1991, c. 636, s. 3.)

§ 90-95.3. Restitution to law-enforcement agencies for undercover purchases; restitution for drug analyses; restitution for seizure and cleanup of clandestine laboratories.

(a) When any person is convicted of an offense under this Article, the court may order him to make restitution to any law-enforcement agency for reasonable expenditures made in purchasing controlled substances from him or his agent as part of an investigation leading to his conviction.

(b) Repealed by Session Laws 2002-126, s. 29A.8(b), effective October 1, 2002. See Editor's Note.

(c) When any person is convicted of an offense under this Article involving the manufacture of controlled substances, the court must order the person to make restitution for the actual cost of cleanup to the law enforcement agency that cleaned up any clandestine laboratory used to manufacture the controlled substances, including personnel overtime, equipment, and supplies. (1975, c. 782, s. 2; 1989 (Reg. Sess., 1990), c. 1039, s. 3; 1999-370, s. 2; 2002-126, s. 29A.8(b).)

Local Modification. — Wake County: 1997-450, s. 5.

Editor's Note. — Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capitol Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 29A.8(c), provides in part: "Subsection (b) of this section becomes effective October 1, 2002, but the provisions of G.S. 90-95.3(b) continue to apply to any defendant who was ordered to make restitution under the provisions of that subsection prior to October 1, 2002."

Session Laws 2002-126, s. 31.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2002-2003 fiscal year, the textual provisions of this act apply only to

funds appropriated for, and activities occurring during, the 2002-2003 fiscal year. For example, uncoded provisions of this act relating to the Medicaid program apply only to the 2002-2003 fiscal year."

Effect of Amendments. — Session Laws 2002-126, s. 29A.8(b), repealed subsection (b) pertaining to restitution costs for controlled substances analysis. See Editor's Note for effective date and applicability. For present similar provisions to those repealed, see G.S. 7A-304(a)(7).

CASE NOTES

Restitution of Amount Paid by State Agent for Drug Purchase. — Where defendant was convicted of possession and delivery of cocaine, and the trial court offered him the option of serving a three-year active sentence or serving six months and paying \$600.00 restitution, and where the amount ordered was pa-

tently relevant to the pecuniary injury inflicted upon the State by defendant's criminal activities, in that \$600.00 was paid by an agent of the State for the purchase of cocaine, the restitution ordered was reasonably related to the rehabilitative objectives of probation, and the condition was reasonable and just under the

circumstances of the case. *State v. Stallings*, 316 N.C. 535, 342 S.E.2d 519 (1986).

Constitutionality of Former Subsection (b). — Former subsection (b) of this section, authorizing the court to order the payment of \$100 restitution by a defendant for the expenses of analyzing any controlled substance possessed by him or his agent as part of an investigation leading to his conviction, did not contravene the constitutional provision for the separation of powers, and the legislative branch did not improperly control the actions of the judiciary through the enactment of subsection (b). *State v. Johnson*, 124 N.C. App. 462, 478 S.E.2d 16 (1996).

Construction of Former Subsection (b) with Other Laws. — When the phrase “normal operating cost” in G.S. 15A-1343(d) is interpreted to refer to overhead costs, and not to

those incurred in connection with a specific prosecution, former subsection (b) of this section, authorizing the court to order the payment of \$100 restitution by a defendant for the expense of analyzing any controlled substance possessed by him or his agent as part of an investigation leading to his conviction, would not conflict with G.S. 15A-1343(d), as the cost of analyzing drugs is incurred by the prosecution only in connection with particular cases. *State v. Johnson*, 124 N.C. App. 462, 478 S.E.2d 16 (1996).

Costs Generally. — At common law, costs in criminal cases were unknown; therefore, liability for costs in criminal cases is dictated purely by statute. *State v. Johnson*, 124 N.C. App. 462, 478 S.E.2d 16 (1996).

§ 90-95.4. Employing or intentionally using minor to commit a drug law violation.

(a) A person who is at least 18 years old but less than 21 years old who hires or intentionally uses a minor to violate G.S. 90-95(a)(1) shall be guilty of a felony. An offense under this subsection shall be punishable as follows:

- (1) If the minor was more than 13 years of age, then as a felony that is one class more severe than the violation of G.S. 90-95(a)(1) for which the minor was hired or intentionally used.
- (2) If the minor was 13 years of age or younger, then as a felony that is two classes more severe than the violation of G.S. 90-95(a)(1) for which the minor was hired or intentionally used.

(b) A person 21 years of age or older who hires or intentionally uses a minor to violate G.S. 90-95(a)(1) shall be guilty of a felony. An offense under this subsection shall be punishable as follows:

- (1) If the minor was more than 13 years of age, then as a felony that is three classes more severe than the violation of G.S. 90-95(a)(1) for which the minor was hired or intentionally used.
- (2) If the minor was 13 years of age or younger, then as a felony that is four classes more severe than the violation of G.S. 90-95(a)(1) for which the minor was hired or intentionally used.

(c) **Mistake of Age.** — Mistake of age is not a defense to a prosecution under this section.

(d) The term “minor” as used in this section is defined as an individual who is less than 18 years of age. (1989 (Reg. Sess., 1990), c. 1081, s. 1; 1998-212, s. 17.16(f).)

§ 90-95.5. Civil liability — employing a minor to commit a drug offense.

A person 21 years of age or older, who hires, employs, or intentionally uses a person under 18 years of age to commit a violation of G.S. 90-95 is liable in a civil action for damages for drug addiction proximately caused by the violation. The doctrines of contributory negligence and assumption of risk are no defense to liability under this section. (1989 (Reg. Sess., 1990), c. 1081, s. 3; 1998-212, s. 17.16(g).)

§ 90-95.6. Promoting drug sales by a minor.

(a) A person who is 21 years of age or older is guilty of promoting drug sales by a minor if the person knowingly:

- (1) Entices, forces, encourages, or otherwise facilitates a minor in violating G.S. 90-95(a)(1).
- (2) Supervises, supports, advises, or protects the minor in violating G.S. 90-95(a)(1).

(b) Mistake of age is not a defense to a prosecution under this section.

(c) A violation of this section is a Class D felony. (1998-212, s. 17.16(h).)

§ 90-95.7. Participating in a drug violation by a minor.

(a) A person 21 years of age or older who purchases or receives a controlled substance from a minor 13 years of age or younger who possesses, sells, or delivers the controlled substance in violation of G.S. 90-95(a)(1) is guilty of participating in a drug violation of a minor.

(b) Mistake of age is not a defense to a prosecution under this section.

(c) A violation of this section is a Class G felony. (1998-212, s. 17.16(h).)

§ 90-96. Conditional discharge and expunction of records for first offense.

(a) Whenever any person who has not previously been convicted of any offense under this Article or under any statute of the United States or any state relating to those substances included in Article 5 or 5A of Chapter 90 or to that paraphernalia included in Article 5B of Chapter 90 pleads guilty to or is found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article or by possessing drug paraphernalia as prohibited by G.S. 90-113.21, or (ii) a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, the court may, without entering a judgment of guilt and with the consent of such person, defer further proceedings and place him on probation upon such reasonable terms and conditions as it may require. Notwithstanding the provisions of G.S. 15A-1342(c) or any other statute or law, probation may be imposed under this section for an offense under this Article for which the prescribed punishment includes only a fine. To fulfill the terms and conditions of probation the court may allow the defendant to participate in a drug education program approved for this purpose by the Department of Health and Human Services. Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of this section or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions under this Article. Discharge and dismissal under this section or G.S. 90-113.14 may occur only once with respect to any person. Disposition of a case to determine discharge and dismissal under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal. Prior to taking any action to discharge and dismiss under this section the court shall make a finding that the defendant has no record of previous convictions under the "North Carolina Controlled Substances Act", Article 5, Chapter 90, the "North Carolina Toxic Vapors Act", Article 5A, Chapter 90, or the "Drug Paraphernalia Act", Article 5B, Chapter 90.

(a1) Upon the first conviction only of any offense included in G.S. 90-95(a)(3) or G.S. 90-113.21 and subject to the provisions of this subsection (a1), the court may place defendant on probation under this section for an offense under this Article including an offense for which the prescribed punishment includes only a fine. The probation, if imposed, shall be for not less than one year and shall contain a minimum condition that the defendant who was found guilty or pleads guilty enroll in and successfully complete, within 150 days of the date of the imposition of said probation, the program of instruction at the drug education school approved by the Department of Health and Human Services pursuant to G.S. 90-96.01. The court may impose probation that does not contain a condition that defendant successfully complete the program of instruction at a drug education school if:

- (1) There is no drug education school within a reasonable distance of the defendant's residence; or
- (2) There are specific, extenuating circumstances which make it likely that defendant will not benefit from the program of instruction.

The court shall enter such specific findings in the record; provided that in the case of subdivision (2) above, such findings shall include the specific, extenuating circumstances which make it likely that the defendant will not benefit from the program of instruction.

For the purposes of determining whether the conviction is a first conviction or whether a person has already had discharge and dismissal, no prior offense occurring more than seven years before the date of the current offense shall be considered. In addition, convictions for violations of a provision of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), or 90-113.10, or 90-113.11, or 90-113.12, or 90-113.21 shall be considered previous convictions.

Failure to complete successfully an approved program of instruction at a drug education school shall constitute grounds to revoke probation and deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. For purposes of this subsection, the phrase "failure to complete successfully the prescribed program of instruction at a drug education school" includes failure to attend scheduled classes without a valid excuse, failure to complete the course within 150 days of imposition of probation, willful failure to pay the required fee for the course, or any other manner in which the person fails to complete the course successfully. The instructor of the course to which a person is assigned shall report any failure of a person to complete successfully the program of instruction to the court which imposed probation. Upon receipt of the instructor's report that the person failed to complete the program successfully, the court shall revoke probation and/or deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. A person may obtain a hearing before the court of original jurisdiction prior to revocation of probation or denial of application for expunction.

This subsection is supplemental and in addition to existing law and shall not be construed so as to repeal any existing provision contained in the General Statutes of North Carolina.

(b) Upon the dismissal of such person, and discharge of the proceedings against him under subsection (a) of this section, such person, if he were not over 21 years of age at the time of the offense, may apply to the court for an order to expunge from all official records (other than the confidential file to be retained by the Administrative Office of the Courts under subsection (c)) all recordation relating to his arrest, indictment or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. The applicant shall attach to the application the following:

- (1) An affidavit by the applicant that he has been of good behavior during the period of probation since the decision to defer further proceedings

- on the offense in question and has not been convicted of any felony, or misdemeanor, other than a traffic violation, under the laws of the United States or the laws of this State or any other state;
- (2) Verified affidavits by two persons who are not related to the applicant or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in which he lives, and that his character and reputation are good;
 - (3) Affidavits of the clerk of superior court, chief of police, where appropriate, and sheriff of the county in which the petitioner was convicted, and, if different, the county of which the petitioner is a resident, showing that the applicant has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to the conviction for the offense in question or during the period of probation following the decision to defer further proceedings on the offense in question.

The judge to whom the petition is presented is authorized to call upon a probation officer for any additional investigation or verification of the petitioner's conduct during the probationary period deemed desirable.

If the court determines, after hearing, that such person was dismissed and the proceedings against him discharged and that he was not over 21 years of age at the time of the offense, it shall enter such order. The effect of such order shall be to restore such person in the contemplation of the law to the status he occupied before such arrest or indictment or information. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

The court shall also order that said conviction and the records relating thereto be expunged from the records of the court, and direct all law-enforcement agencies bearing records of the same to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police or other arresting agency, as appropriate, and the sheriff, chief of police or other arresting agency, as appropriate, shall forward such order to the State Bureau of Investigation with a form supplied by the State Bureau of Investigation. The State Bureau of Investigation shall forward the court order in like manner to the Federal Bureau of Investigation.

(c) The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Administrative Office of the Courts the names of those persons granted a conditional discharge under the provisions of this Article, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons granted conditional discharges. The information contained in the file shall be disclosed only to Judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense under this Article has been previously granted a conditional discharge.

(d) Whenever any person is charged with a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article or a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, upon dismissal by the State of the charges against him, upon entry of a nolle prosequi, or upon a finding of not guilty or other adjudication of innocence, such person may apply to the court for an order to expunge from all official records all recordation relating to his arrest, indictment or information, or trial. If the court determines, after hearing that such person was not over 21 years of age at the time any of the proceedings against him occurred, it shall enter such order. No person as to whom such order has been entered

shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

(e) Whenever any person who has not previously been convicted of an offense under this Article or under any statute of the United States or any state relating to controlled substances included in any schedule of this Article or to that paraphernalia included in Article 5B of Chapter 90 pleads guilty to or has been found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article, or by possessing drug paraphernalia as prohibited by G.S. 90-113.21, or (ii) a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, the court may, upon application of the person not sooner than 12 months after conviction, order cancellation of the judgment of conviction and expunction of the records of his arrest, indictment, or information, trial and conviction. A conviction in which the judgment of conviction has been canceled and the records expunged pursuant to this section shall not be thereafter deemed a conviction for purposes of this section or for purposes of disqualifications or liabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions of this Article. Cancellation and expunction under this section may occur only once with respect to any person. Disposition of a case under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal.

The granting of an application filed under this section shall cause the issue of an order to expunge from all official records (other than the confidential file to be retained by the Administrative Office of the Courts under subsection (c)) all recordation relating to the petitioner's arrest, indictment, or information, trial, finding of guilty, judgment of conviction, cancellation of the judgment, and expunction of records pursuant to this section.

The judge to whom the petition is presented is authorized to call upon a probation officer for additional investigation or verification of the petitioner's conduct since conviction. If the court determines that the petitioner was convicted of (i) a misdemeanor under this Article for possessing a controlled substance included within Schedules II through VI of this Article, or for possessing drug paraphernalia as prohibited in G.S. 90-113.21, or (ii) a felony under G.S. 90-95(a)(3) for possession of less than one gram of cocaine, that he was not over 21 years of age at the time of the offense, that he has been of good behavior since his conviction, that he has successfully completed a drug education program approved for this purpose by the Department of Health and Human Services, and that he has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to or since the conviction for the offense in question, it shall enter an order of expunction of the petitioner's court record. The effect of such order shall be to restore the petitioner in the contemplation of the law to the status he occupied before arrest or indictment or information or conviction. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or conviction, or trial in response to any inquiry made of him for any purpose. The judge may waive the condition that the petitioner attend the drug education school if the judge makes a specific finding that there was no drug education school within a reasonable distance of the defendant's residence or that there were specific extenuating circumstances which made it likely that the petitioner would not benefit from the program of instruction.

The court shall also order that all law-enforcement agencies bearing records of the conviction and records relating thereto to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency, as appropriate, and the arresting agency shall forward the order to the State Bureau of Investigation with a form supplied by the State Bureau of Investigation. The State Bureau of Investigation shall forward the court order in like manner to the Federal Bureau of Investigation.

The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Administrative Office of the Courts the names of those persons whose judgments of convictions have been canceled and expunged under the provisions of this Article, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons whose judgments of convictions have been canceled and expunged. The information contained in the file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense under this Article has been previously granted cancellation and expunction of a judgment of conviction pursuant to the terms of this Article.

(f) A person who files a petition for expunction of a criminal record under this section must pay the clerk of superior court a fee of sixty-five dollars (\$65.00) at the time the petition is filed. Fees collected under this subsection shall be deposited in the General Fund. This subsection does not apply to petitions filed by an indigent. CASE NOTES

Application and Purpose of Section. — This section is applicable only to first offenders and is clearly for the purpose of permitting the trial court to grant probation under conditions favorable to defendant. *State v. Cordon*, 21 N.C. App. 394, 204 S.E.2d 715, cert. denied, 285 N.C. 592, 206 S.E.2d 864 (1974).

Conviction for Purposes of Structured Sentencing Act. — The defendant's guilty plea followed by probation under the provisions of this section was a "conviction" for the purposes of the Structured Sentencing Act, G.S. 15A-1340.10 et seq., and thus furnished a legitimate basis for the trial court's determination of defendant's sentence. *State v. Hasty*, 133 N.C. App. 563, 516 S.E.2d 428 (1999).

When defendant consents to the terms of the probation, he abandons his right to appeal on the issue of guilt or innocence and

commits himself to abide by the stipulated conditions. *State v. Cordon*, 21 N.C. App. 394, 204 S.E.2d 715, cert. denied, 285 N.C. 592, 206 S.E.2d 864 (1974).

The benefit of this provision is limited to those persons who are not over 21 years of age at the time the offense was committed. In *re Spencer*, 140 N.C. App. 776, 538 S.E.2d 236, 2000 N.C. App. LEXIS 1268 (2000).

OPINIONS OF ATTORNEY GENERAL

“Not Over 21 Years” Means “Until Twenty-Second Birthday”. — See opinion of Attorney General to Mr. Harvey D. Johnson, 42 N.C.A.G. 319 (1973).

§ 90-96.01. Drug education schools; responsibilities of the Department of Health and Human Services; fees.

(a) The Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services shall establish standards and guidelines for the curriculum and operation of local drug education programs. The Department of Health and Human Services shall oversee the development of a statewide system of schools and shall insure that schools are available in all localities of the State as soon as is practicable.

- (1) A fee of one hundred fifty dollars (\$150.00) shall be paid by all persons enrolling in an accredited drug education school established pursuant to this section. That fee must be paid to an official designated for that purpose and at a time and place specified by the area mental health, developmental disabilities, and substance abuse authority providing the course of instruction in which the person is enrolled. If the clerk of court in the county in which the person is convicted agrees to collect the fees, the clerk shall collect all fees for persons convicted in that county. The clerk shall pay the fees collected to the area mental health, developmental disabilities, and substance abuse authority for the catchment area where the clerk is located regardless of the location where the defendant attends the drug education school and that authority shall distribute the funds in accordance with the rules and regulations of the Department. The fee must be paid in full within two weeks of the date the person is convicted and before he attends any classes, unless the court, upon a showing of reasonable hardship, allows the person additional time to pay the fee or allows him to begin the course of instruction without paying the fee. If the person enrolling in the school demonstrates to the satisfaction of the court that ordered him to enroll in the school that he is unable to pay and his inability to pay is not willful, the court may excuse him from paying the fee. Parents or guardians of persons attending drug education school shall be allowed to audit the drug education school along with their children or wards at no extra expense.
- (2) The Department of Health and Human Services shall have the authority to approve programs to be implemented by area mental health, developmental disabilities, and substance abuse authorities. Area mental health, developmental disabilities, and substance abuse authorities may subcontract for the delivery of drug education program services. The Department shall have the authority to approve budgets and contracts with public and private governmental and nongovernmental bodies for the operation of such schools.
- (3) Fees collected under this section and retained by the area mental health, developmental disabilities, and substance abuse authority shall be placed in a nonreverting fund. That fund must be used, as necessary, for the operation, evaluation and administration of the drug educational schools; excess funds may only be used to fund other drug or alcohol programs. The area mental health, developmental disabilities, and substance abuse authority shall remit five percent (5%) of each fee collected to the Department of Health and Human Services on a monthly basis. Fees received by the Department as

required by this section may only be used in supporting, evaluating, and administering drug education schools, and any excess funds will revert to the General Fund.

- (4) All fees collected by any area mental health, developmental disabilities, and substance abuse authority under the authority of this section may not be used in any manner to match other State funds or be included in any computation for State formula-funded allocations.

(b) Willful failure to pay the fee is one ground for a finding that a person placed on probation or who may make application for expunction of all recordation of his arrest or conviction has not successfully completed the course. If the court determines the person is unable to pay, he shall not be deemed guilty of a willful failure to pay the fee. (1981, c. 922, s. 8; 1991, c. 636, s. 19(b), (c); 1993, c. 395, s. 1; 1997-443, s. 11A.118(a).)

CASE NOTES

Double Jeopardy Violated Where Four Conspiracies Were Actually Single Conspiracy. — Where defendant was convicted of conspiracy to possess cocaine, conspiracy to deliver cocaine, conspiracy to sell cocaine and conspiracy to transport cocaine, since the four separate conspiracies for which defendant was charged were, in fact, only a single conspiracy, his conviction for more than that single conspiracy violated his right to be free from double jeopardy. *State v. Kamtsiklis*, 94 N.C. App. 250, 380 S.E.2d 400, appeal dismissed and cert. denied, 325 N.C. 711, 388 S.E.2d 466 (1989).

Number of Agreements Dictates Number of Conspiracies. — The number of agreements, not the number of substantive crimes nor the number of overt acts, dictates the number of conspiracies. *Sanderson v. Rice*, 777 F.2d 902 (4th Cir. 1985), cert. denied, 475 U.S. 1027, 106 S. Ct. 1226, 89 L. Ed. 2d 336 (1986).

Where there existed only one plot or plan, scheme or conspiracy, covering both possessing marijuana and manufacturing marijuana, the defendant could only be sentenced for one count of conspiracy. *Sanderson v. Rice*, 777 F.2d 902 (4th Cir. 1985), cert. denied, 475 U.S. 1027, 106 S. Ct. 1226, 89 L. Ed. 2d 336 (1986).

Conspiracy to Sell or Deliver. — Where indictment charged defendant with only one offense, namely, conspiracy to sell or deliver, i.e., transfer, cocaine, and it was clear by its verdict that the jury found the defendant guilty of this single offense, the verdict was sufficient to support the judgment. *State v. McLamb*, 313 N.C. 572, 330 S.E.2d 476 (1985).

Evidence Held to Support Conviction of Attempt. — Evidence that defendant was given a valid medical prescription entitling her to 10 Percocet tablets, a controlled substance under State law, and that she presented an altered prescription for 40 tablets, but that she obtained only one Percocet tablet while possessing the altered prescription, would not support a conviction under G.S. 90-108(a)(10), but would only support a conviction for the attempt to obtain a controlled substance by fraud under this section. *State v. McHenry*, 83 N.C. App. 58, 348 S.E.2d 825 (1986).

Where the defense of impossibility properly applied to bar a conviction under G.S. 90-95, and constructive possession was inapplicable because there was no evidence as to the actual source of the drugs and, although the defendant had the requisite intent, there was no evidence he ever had the capability to exercise dominion and control over the original shipment of drugs, which contained twelve and one-half pounds of marijuana hidden inside a television set, the court held that an appropriate alternative charge would have been an attempt, pursuant to this section. *State v. Clark*, 137 N.C. App. 90, 527 S.E.2d 319, 2000 N.C. App. LEXIS 267 (2000).

Evidence Supported Conviction for Conspiracy to Possess with Intent to Sell or Deliver. — Evidence tending to show that defendant had requested acquaintance to provide him with one ounce of cocaine, or 28.3 grams, was sufficient to support the inference that defendant intended to deliver or sell the cocaine to be obtained for him, so as to support a conviction for conspiracy to possess cocaine with intent to sell or deliver. *State v. Morgan*, 329 N.C. 654, 406 S.E.2d 833 (1991).

Attempted trafficking was the appropriate charge for defendant, who did not have possession of the requisite amount, but clearly intended and attempted to traffic cocaine. *State v. Shook*, 155 N.C. App. 183, 573 S.E.2d 249, 2002 N.C. App. LEXIS 1623 (2002).

Attempt to traffic in marijuana by possession is a lesser-included offense of trafficking in marijuana by possession although the penalty for conviction of an attempted controlled substance offense is the same as the penalty for a conviction of the underlying crime. *State v. Clark*, 137 N.C. App. 90, 527 S.E.2d 319, 2000 N.C. App. LEXIS 267 (2000).

Applied in *State v. Fleming*, 52 N.C. App. 563, 279 S.E.2d 29 (1981); *State v. Jamerson*, 64 N.C. App. 301, 307 S.E.2d 436 (1983); *State v. Drakeford*, 104 N.C. App. 298, 409 S.E.2d 319 (1991).

§ 90-100. Rules.

The Commission may adopt rules relating to the registration and control of the manufacture, distribution, security, and dispensing of controlled substances within this State. (1971, c. 919, s. 1; 1977, c. 667, s. 3; 1981, c. 51, s. 9; 1991, c. 309, s. 2; 1993, c. 384, s. 1.)

Editor's Note. — Session Laws 2003-398, s. 3, provides: "Pursuant to G.S. 90-100, the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services may adopt temporary and permanent rules relating to the acquisition, possession, and security of controlled substances by persons registered under the provisions of G.S. 90-102.1, as enacted

- (2) Compliance with applicable federal, State and local law;

The Department of Health and

Human Services may adopt temporary and permanent rules relating to the training and qualifications for dog handlers and the certification of drug detection dogs subject to the provisions of G.S. 90-102.1, as enacted by this act."

Session Laws 2003-398, s. 4, made this section effective August 7, 2003.

§ 90-103. Revocation or suspension of registration.

(a) A registration under G.S. 90-102 to manufacture, distribute, or dispense a controlled substance, may be suspended or revoked by the Commission upon a finding that the registrant:

- (1) Has furnished false or fraudulent material information in any application filed under this Article;
- (2) Has been convicted of a felony under any State or federal law relating to any controlled substance; or
- (3) Has had his federal registration suspended or revoked to manufacture, distribute, or dispense controlled substances.

(b) The Commission may limit revocation or suspension of a registration to the particular controlled substance with respect to which grounds for revocation or suspension exist.

(c) Before denying, suspending, or revoking a registration or refusing a renewal of registration, the Commission shall serve upon the applicant or registrant an order to show cause why registration should not be denied, revoked, or suspended, or why the renewal should not be refused. The order to show cause shall contain a statement of the basis therefor and shall call upon the applicant or registrant to appear before the Commission at a time and place not less than 30 days after the date of service of the order, but in the case of a denial or renewal of registration, the show cause order shall be served not later than 30 days before the expiration of the registration. These proceedings shall be conducted in accordance with rules and regulations of the Commission required by Chapter 150B of the General Statutes, and subject to judicial review as provided in Chapter 150B of the General Statutes. Such proceedings shall be independent of, and not in lieu of, criminal prosecutions or other proceedings under this Article or any law of the State.

(d) The Commission may suspend, without an order to show cause, any registration simultaneously with the institutions of proceedings under this section, or where renewal of registration is refused if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the Commission or dissolved by a court of competent jurisdiction.

(e) In the event the Commission suspends or revokes a registration granted under G.S. 90-102, all controlled substances owned or possessed by the registrant pursuant to such registration at the time of suspension or the effective date of the revocation order, as the case may be, may in the discretion of the Commission be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all such controlled substances may be ordered forfeited to the State.

(f) The Bureau shall promptly be notified of all orders suspending or revoking registration. (1971, c. 919, s. 1; 1973, c. 1331, s. 3; 1977, c. 667, s. 3; 1981, c. 51, s. 9; 1987, c. 827, s. 1.)

promptly to writing and filed by the dispensing agent. Prescriptions shall be retained in conformity with the requirements of G.S. 90-104. No prescription for a Schedule II substance may be refilled.

(c) Except when dispensed directly by a practitioner, other than a pharmacist, to an ultimate user, no controlled substance included in Schedules III or IV, except paregoric, U.S.P., as provided in G.S. 90-91(e)1, may be dispensed without a prescription, and oral prescriptions shall be promptly reduced to writing and filed with the dispensing agent. Such prescription may not be filled or refilled more than six months after the date thereof or be refilled more than five times after the date of the prescription.

(d) No controlled substance included in Schedule V of this Article or paregoric, U.S.P., may be distributed or dispensed other than for a medical purpose.

(e) No controlled substance included in Schedule VI of this Article may be distributed or dispensed other than for scientific or research purposes by persons registered under, or permitted by, this Article to engage in scientific or research projects.

(f) No controlled substance shall be dispensed or distributed in this State unless such substance shall be in a container clearly labeled in accord with regulations lawfully adopted and published by the federal government or the Commission.

(g) When a copy of a prescription for a controlled substance under this Article is given as required by G.S. 90-70, such copy shall be plainly marked: "Copy — for information only." Copies of prescriptions for controlled substances shall not be filled or refilled.

(h) A pharmacist dispensing a controlled substance under this Article shall enter the date of dispensing and shall write his own signature on the face of the prescription pursuant to which such controlled substance was dispensed.

(i) A manufacturer's sales representative may distribute a controlled substance as a complimentary sample only upon the written request of a practitioner. Such request must be made on each distribution and must contain the names and addresses of the supplier and the requester and the name and quantity of the specific controlled substance requested. The manufacturer shall maintain a record of each such request for a period of two years. CASE NOTES

Under subsection (a) a physician may lawfully prescribe drugs only through a written prescription. *State v. Best*, 292 N.C. 294, 233 S.E.2d 544 (1977).

Where a physician prescribes Schedule II controlled drugs, not in the normal course of professional practice in this State, he is acting unlawfully and in violation of subsection (a). *State v. Best*, 292 N.C. 294, 233 S.E.2d 544 (1977).

Legitimate Medical Purpose Standard Incorporated into Prescription Requirements of Subsections (a) and (c). — It is

inconceivable that the legislature would have imposed tighter strictures on the dispensing of the less dangerous Schedule V drugs than it imposed on the dispensing of the drugs listed in Schedules II, III and IV. It is reasonable to assume that the legislature intended all controlled substances to be dispensed only for legitimate medical purposes and it felt no need specifically to enunciate such a standard for Schedules II, III and IV drugs as it had already incorporated the legitimate medical purpose standard into the prescription requirement of subsections (a) and (c). *State v. Best*, 292 N.C.

294, 233 S.E.2d 544 (1977).

§ 90-107. Prescriptions, stocks, etc., open to inspection by officials.

Prescriptions, order forms and records, required by this Article, and stocks of controlled substances included in Schedules I through VI of this Article shall be open for inspection only to federal and State officers, whose duty it is to enforce the laws of this State or of the United States relating to controlled substances included in Schedules I through VI of this Article, and to authorized employees of the North Carolina Department of Health and Human Services. No officer having knowledge by virtue of his office of any such prescription, order, or record shall divulge such knowledge other than to other law-enforcement officials or agencies, except in connection with a prosecution or proceeding in court or before a licensing board or officer to which prosecution or proceeding the person to whom such prescriptions, orders, or records relate is a party. (1971, c. 919, s. 1; 1973, c. 1358, s. 13; 1977, c. 667, s. 3; 1997-443, s. 11A.118(a).)

§ 90-108. Prohibited acts; penalties.

(a) It shall be unlawful for any person:

- (1) Other than practitioners licensed under Articles 1, 2, 4, 6, 11, 12A of this Chapter to represent to any registrant or practitioner who manufactures, distributes, or dispenses a controlled substance under the provision of this Article that he is a licensed practitioner in order to secure or attempt to secure any controlled substance as defined in this Article or to in any way impersonate a practitioner for the purpose of securing or attempting to secure any drug requiring a prescription from a practitioner as listed above and who is licensed by this State;
- (2) Who is subject to the requirements of G.S. 90-101 or a practitioner to distribute or dispense a controlled substance in violation of G.S. 90-105 or 90-106;
- (3) Who is a registrant to manufacture, distribute, or dispense a controlled substance not authorized by his registration to another registrant or other authorized person;
- (4) To omit, remove, alter, or obliterate a symbol required by the Federal Controlled Substances Act or its successor;
- (5) To refuse or fail to make, keep, or furnish any record, notification, order form, statement, invoice or information required under this Article;
- (6) To refuse any entry into any premises or inspection authorized by this Article;
- (7) To knowingly keep or maintain any store, shop, warehouse, dwelling house, building, vehicle, boat, aircraft, or any place whatever, which is resorted to by persons using controlled substances in violation of this Article for the purpose of using such substances, or which is used for the keeping or selling of the same in violation of this Article;
- (8) Who is a registrant or a practitioner to distribute a controlled substance included in Schedule I or II of this Article in the course of his legitimate business, except pursuant to an order form as required by G.S. 90-105;
- (9) To use in the course of the manufacture or distribution of a controlled substance a registration number which is fictitious, revoked, suspended, or issued to another person;

- (10) To acquire or obtain possession of a controlled substance by misrepresentation, fraud, forgery, deception, or subterfuge;
- (11) To furnish false or fraudulent material information in, or omit any material information from, any application, report, or other document required to be kept or filed under this Article, or any record required to be kept by this Article;
- (12) To make, distribute, or possess any punch, die, plate, stone, or other thing designed to print, imprint, or reproduce the trademark, trade name, or other identifying mark, imprint, or device of another or any likeness of any of the foregoing upon any drug or container or labeling thereof so as to render such drug a counterfeit controlled substance;
- (13) To obtain controlled substances through the use of legal prescriptions which have been obtained by the knowing and willful misrepresentation to or by the intentional withholding of information from one or more practitioners;
- (14) Who is an employee of a registrant or practitioner and who is authorized to possess controlled substances or has access to controlled substances by virtue of his employment, to embezzle or fraudulently or knowingly and willfully misapply or divert to his own use or other unauthorized or illegal use or to take, make away with or secrete, with intent to embezzle or fraudulently or knowingly and willfully misapply or divert to his own use or other unauthorized or illegal use any controlled substance which shall have come into his possession or under his care.

(b) Any person who violates this section shall be guilty of a Class 1 misdemeanor. Provided, that if the criminal pleading alleges that the violation was committed intentionally, and upon trial it is specifically found that the violation was committed intentionally, such violations shall be a Class I felony. A person who violates subdivision (7) of subsection (a) of this section and also fortifies the structure, with the intent to impede law enforcement entry, (by barricading windows and doors) shall be punished as a Class I felon. (1971, c. 919, s. 1; 1973, c. 1358, s. 11; 1979, c. 760, ss. 5, 6; 1979, 2nd Sess., c. 1316, s. 47; 1981, c. 63, s. 1; c. 179, s. 14; 1983, c. 294, s. 7; c. 773; 1991 (Reg. Sess., 1992), c. 1041, s. 1; 1993, c. 539, s. 622; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

Constitutionality. — The distinction between "knowing" and "intentional" in this section is not unconstitutionally vague, because this section not only provides adequate warnings as to the conduct it prohibits, but it also gives sufficiently clear guidelines and definitions for judges and juries to interpret and administer it uniformly. State v. Locklear, 84 N.C. App. 637, 353 S.E.2d 666 (1987).

When Writing of Prescription by Physician Violates Section. — Where a licensed physician writes a prescription for a controlled substance listed in Schedules II, III, IV or V, and that prescription is written outside of the normal course of professional practice in North

Carolina and not for a legitimate medical purpose, the physician violates this section. State v. Best, 292 N.C. 294, 233 S.E.2d 544 (1977).

G.S. 14-120 is distinguishable from subdivision (a)(10) of this section, as G.S. 14-120 specifically states that the person violates the statute if he publishes or utters a forged instrument "knowing the same to be falsely forged or counterfeited," and no such language appears in subdivision (a)(10). State v. Baynard, 79 N.C. 559, 339 S.E.2d 810 (1986).

Misdemeanor Offense Under Subdivision (a)(10) Does Not Exist. — Because any commission of the offense set out in subdivision (a)(10) of this section is by definition inten-

tional, and because subsection (b) of this section provides that intentional violations are felonies, a misdemeanor offense under subdivision (a)(10) of this section does not exist. *State v. Church*, 73 N.C. App. 645, 327 S.E.2d 33 (1985).

Intentional Act. — A person acts intentionally if he desires to cause the consequences of his act or believes that the consequences are substantially certain to result. *State v. Bright*, 78 N.C. App. 239, 337 S.E.2d 87 (1985), cert. denied, 315 N.C. 591, 341 S.E.2d 31 (1986).

Knowledge of Activity. — A person knows of an activity if he is aware of a high probability of its existence. *State v. Bright*, 78 N.C. App. 239, 337 S.E.2d 87 (1985), cert. denied, 315 N.C. 591, 341 S.E.2d 31 (1986).

Knowledge that a prescription is false or forged is an essential element of the offense under subdivision (a)(10) of this section. *State v. Baynard*, 79 N.C. App. 559, 339 S.E.2d 810 (1986).

“Resorted to”. — The General Assembly did not intend the words “resorted to,” as used in subdivision (a)(7) of this section, to include persons who live in the dwelling. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Maintain means to “bear the expense of” carry on ... hold or keep in an existing state or condition.” As this court noted in *State v. Alston*, subdivision (a)(7) of this section “does not require residence, but permits conviction if a defendant merely keeps or maintains a building for the purpose of keeping or selling controlled substances.” *State v. Allen*, 102 N.C. App. 598, 403 S.E.2d 907 (1991), rev’d on other grounds, 332 N.C. 123, 418 S.E.2d 225 (1992).

Maintaining Dwelling Used for Controlled Substances. — Evidence showing that defendant resided in house in which cocaine was found, that she was cooking dinner there, and that she possessed cocaine and materials related to the use and sale of cocaine was sufficient to allow conviction under subdivision (a)(7) of this section for maintaining a dwelling used for the keeping or selling of controlled substances. *State v. Rich*, 87 N.C. App. 380, 361 S.E.2d 321 (1987).

Evidence of drug activity at a building during the time defendant was paying rent for the structure was relevant to the charge of maintaining a building for the purpose of keeping or selling a controlled substance. *State v. Alston*, 91 N.C. App. 707, 373 S.E.2d 306 (1988).

Defendant’s payment of rent for the building in which drugs were found, possession of the key to a padlock for the front door of the building, and evidence that defendant did not actually reside at the premises, together with the circumstances supporting defendant’s conviction for possession of cocaine, were facts sufficient to sustain a conviction under subsec-

tion (a)(7). *State v. Alston*, 91 N.C. App. 707, 373 S.E.2d 306 (1988).

Evidence was sufficient to support the charge of intentionally maintaining a dwelling for the purpose of keeping and selling a controlled substance where it showed delivery of package of cocaine, discovery of other cocaine, cocaine grinder, and scales, along with witness’ testimony concerning defendant’s prior drug dealing, and the evidence was clearly sufficient to support a conviction. *State v. Rosario*, 93 N.C. App. 627, 379 S.E.2d 434, cert. denied, 325 N.C. 275, 384 S.E.2d 527 (1989).

Where evidence showed that defendant provided financing for the business, a game room, operated on the premises in question, an inference could be made that the business was in another person’s name only because defendant was ineligible to receive a liquor license, and where clearance had been obtained for defendant to work in the game room, evidence was sufficient to take the issue of whether defendant kept or maintained the establishment in violation of subdivision (a)(7). *State v. Thorpe*, 94 N.C. App. 270, 380 S.E.2d 777, cert. denied, 325 N.C. 276, 384 S.E.2d 528 (1989).

Where defendant and her husband held title to property on which barn was situated, defendant obtained building permit for the barn, electric power to barn was metered separately and defendant paid electric utility bills on barn during said time period, question for jury was presented as to whether defendant had knowingly “maintained” barn used by her husband in marijuana growing operation. *State v. Allen*, 102 N.C. App. 598, 403 S.E.2d 907 (1991), rev’d on other grounds, 332 N.C. 123, 418 S.E.2d 225 (1992).

Evidence was sufficient to support charge where defendant possessed a key to a house and used it to go in and out of the house, inside the master bedroom a letter was found addressed to defendant at that address, scales and baking soda were located in the kitchen of the house, a package of cocaine was addressed to defendant and defendant also listed the house address as his address after he was arrested. *State v. Kelly*, 120 N.C. App. 821, 463 S.E.2d 812 (1995).

Without sufficient evidence that defendant was responsible for the premises, the charge of knowingly maintaining a place to keep a controlled substance in violation of G.S. 90-108(a)(7) should have been dismissed. *State v. Harris*, — N.C. App. —, 580 S.E.2d 63, 2003 N.C. App. LEXIS 931 (2003).

Maintaining Dwelling — Evidence Held Sufficient. — See *State v. Mitchell*, 104 N.C. App. 514, 410 S.E.2d 211 (1991), cert. granted, 331 N.C. 120, 414 S.E.2d 764 (1992), discretionary review improvidently granted, 336 N.C. 22, 442 S.E.2d 24 (1994).

Sufficient evidence existed to support defen-

dant's conviction pursuant to this section. *State v. Frazier*, 142 N.C. App. 361, 542 S.E.2d 682, 2001 N.C. App. LEXIS 96 (2001).

Maintaining Dwelling — Evidence Held Insufficient. — The evidence was insufficient to support a conviction under this section, where defendant was seen in and out of the dwelling eight to ten times over the course of two to three days; nobody else was seen entering the premises during this two to three day period of time; men's clothing was found in one closet in the dwelling; a police officer testified that he believed the defendant lived there, although he offered no basis for that opinion and had not checked to see who the dwelling was rented to or who paid the utilities and telephone bills; but the mother of defendant's three children testified that she rented the apartment, that the lease and utilities were in her name, that she paid for both rent and utilities, and that all the items in the dwelling belonged to her. *State v. Bowens*, 140 N.C. App. 217, 535 S.E.2d 870, 2000 N.C. App. LEXIS 1102 (2000).

Continuing Offense Precludes Several Violations. — Defendant's conviction of two counts of keeping and maintaining a dwelling for the use of a controlled substance in violation of this section, where no evidence indicated a termination and subsequent resumption of drug trafficking, was erroneous and constituted double jeopardy. *State v. Grady*, 136 N.C. App. 394, 524 S.E.2d 75, 2000 N.C. App. LEXIS 12 (2000).

Maintaining Vehicle — Evidence Held Insufficient. — Where the evidence indicated that defendant possessed marijuana while in his car, and that on the following day drug paraphernalia were found at defendant's home, and authorities found one marijuana cigarette in defendant's car and two marijuana cigarettes at defendant's home, the evidence was insufficient to establish that defendant's vehicle was "used for the keeping or selling of" a controlled substance. *State v. Mitchell*, 336 N.C. 22, 442 S.E.2d 24 (1994).

Constructive Possession in Vehicle. — If a defendant possesses a controlled substance while in a vehicle, he is guilty at least of possession of a controlled substance. If a vehicle contains a controlled substance but the defendant is not in the vehicle, he may be guilty of possession of a controlled substance by operation of the doctrine of constructive possession. *State v. Mitchell*, 336 N.C. 22, 442 S.E.2d 24 (1994).

Maintaining Vehicle Known to Be Used in Drug Offenses. — Under this section, maintaining a vehicle with knowledge that it is resorted to by persons for the use, keeping or selling of controlled substances is a misdemeanor, and maintaining a vehicle with the intent that it be so used is a Class I felony. *State*

v. Bright, 78 N.C. App. 239, 337 S.E.2d 87 (1985), cert. denied, 315 N.C. 591, 341 S.E.2d 31 (1986).

Entrapment. — For discussion of entrapment as defense to charges brought under this section, see *State v. Sanders*, 95 N.C. App. 56, 381 S.E.2d 827 (1989).

Presumption of Forgery. — When a defendant in possession of a forged prescription for narcotics endeavors to obtain narcotics with it in violation of this section, a presumption arises that he either forged the prescription or had knowledge that it was a forgery. *State v. Fleming*, 52 N.C. App. 563, 279 S.E.2d 29 (1981).

Pharmacist's Knowledge of Invalidity of Forged Prescription. — In a prosecution of defendant for feloniously and intentionally acquiring possession of a controlled substance in violation of subdivision (a)(10) of this section, there was no merit to defendant's contention that since pharmacist knew the prescription presented by defendant was invalid before filling it, defendant did not violate the section, since the section prohibits the possession of a controlled substance by "misrepresentation, fraud, forgery, deception or subterfuge"; and, according to the evidence, defendant obtained possession of the controlled substance through the use of a forged prescription. *State v. Lee*, 51 N.C. App. 344, 276 S.E.2d 501 (1981).

Indictment Held Sufficient. — Where indictment charging an offense under subdivision (a)(10) of this section alleged that the offense was done "intentionally" and used terms implying a specific intent to deceive, it did not need to specifically allege that the defendant presented the false prescription knowing it was false. *State v. Baynard*, 79 N.C. App. 559, 339 S.E.2d 810 (1986).

Change of Address Allowed on Indictment. — The trial court correctly allowed State's amendment to an indictment for keeping and maintaining a dwelling for the use of a controlled substance to correct the address from "919 Dollard Town Road" to "929 Dollard Town Road." *State v. Grady*, 136 N.C. App. 394, 524 S.E.2d 75, 2000 N.C. App. LEXIS 12 (2000).

Evidence Held to Support Conviction for Attempt. — Evidence that defendant was given a valid medical prescription entitling her to 10 Percocet tablets, a controlled substance under State law, and that she presented an altered prescription for 40 tablets, but that she obtained only one Percocet tablet while possessing the altered prescription, would not support a conviction under subdivision (a)(10) of this section, but would only support a conviction for the attempt to obtain a controlled substance by fraud under G.S. 90-98. *State v. McHenry*, 83 N.C. App. 58, 348 S.E.2d 825 (1986).

Evidence Held Insufficient. — Where a

motel room was rented by a person other than defendant, who apparently attended a party in the motel room and stayed in the room after the party had ended, the evidence was insufficient to show defendant maintained the room to keep controlled substances that were found in the room. *State v. Kraus*, 147 N.C. App. 766, 557 S.E.2d 144, 2001 N.C. App. LEXIS 1247 (2001).

Where Judgment Is Inconsistent with Verdict. — Where a verdict is returned convicting a defendant of a misdemeanor, but the judgment incorrectly reflects a conviction for a felony, the case must be remanded to correct the judgment and make it consistent with the verdict. *State v. Townsend*, 99 N.C. App. 534, 393 S.E.2d 551 (1990).

Applied in *State v. Booze*, 29 N.C. App. 397, 224 S.E.2d 298 (1976); *State v. Austin*, 31 N.C. App. 20, 228 S.E.2d 507 (1976); *State v. Brady*, 147 N.C. App. 755, 557 S.E.2d 148, 2001 N.C. App. LEXIS 1245 (2001).

§ 90-109. Licensing required.

A facility for drug treatment as defined in G.S. 122C-3(14)b. shall obtain the license required by Article 2 of Chapter 122C of the General Statutes permitting operation. Subject to rules governing the operation and licensing of these facilities set by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services, the Department of Health and Human Services shall be responsible for issuing licenses. These licensing rules shall be consistent with the licensing rules adopted under Article 2 of Chapter 122C of the General Statutes. (1971, c. 919, s. 1; 1973, c. 1361; 1977, c. 667, s. 3; 1981, c. 51, s. 9; 1983, c. 718, s. 2; 1985, c. 589, s. 32; 1995, c. 509, s. 39; 1997-443, s. 11A.118(a).)

§ 90-109.1. Treatment.

(a) A person may request treatment and rehabilitation for drug dependence from a practitioner, and such practitioner or employees thereof shall not disclose the name of such person to any law-enforcement officer or agency; nor shall such information be admissible as evidence in any court, grand jury, or administrative proceeding unless authorized by the person seeking treatment. A practitioner may undertake the treatment and rehabilitation of such person or refer such person to another practitioner for such purpose and under the same requirement of confidentiality.

(b) An individual who requests treatment or rehabilitation for drug dependence in a program where medical services are to be an integral component of his treatment shall be examined and evaluated by a practitioner before receiving treatment and rehabilitation services. If a practitioner performs an initial examination and evaluation, the practitioner shall prescribe a proper course of treatment and medication, if needed. That practitioner may authorize another practitioner to provide the prescribed treatment and rehabilitation services.

(c) Every practitioner that provides treatment or rehabilitation services to a person dependent upon drugs shall periodically as required by the Secretary of the North Carolina Department of Health and Human Services commencing January 1, 1972, make a statistical report to the Secretary of the North

Carolina Department of Health and Human Services in such form and manner as the Secretary shall prescribe for each such person treated or to whom rehabilitation services were provided. The form of the report prescribed shall be furnished by the Secretary of the North Carolina Department of Health and Human Services. Such report shall include the number of persons treated or to whom rehabilitation services were provided; the county of such person's legal residence; the age of such person; the number of such persons treated as inpatients and the number treated as outpatients; the number treated who had received previous treatment or rehabilitation services; and any other data required by the Secretary. If treatment or rehabilitation services are provided to a person by a hospital, public agency, or drug treatment facility, such hospital, public agency, or drug treatment facility shall coordinate with the treating medical practitioner so that statistical reports required in this section shall not duplicate one another. The Secretary shall cause all such reports to be compiled into periodical reports which shall be a public record. (1971, c. 919, s. 1; 1977, c. 667, s. 3; 1985, c. 439, s. 5; 1997-443, s. 11A.118(a).)

§ 90-110. Injunctions.

(a) The superior court of North Carolina shall have jurisdiction in proceedings in accordance with the rules of those courts to enjoin violations of this Article.

(b) In case of an alleged violation of an injunction or restraining order issued under this section, trial shall, upon demand of the accused, be by a jury in accordance with the rules of the superior courts of North Carolina. (1971, c. 919, s. 1.)

§ 90-111. Cooperative arrangements.

The North Carolina Department of Health and Human Services and the Attorney General of North Carolina shall cooperate with federal and other State agencies in discharging their responsibilities concerning traffic in controlled substances and in suppressing the abuse of controlled substances. To this end, they are authorized to:

- (1) Arrange for the exchange of information between governmental officials concerning the use and abuse of controlled substances;
- (2) Coordinate and cooperate in training programs on controlled substances for law enforcement at the local and State levels;
- (3) Cooperate with the Bureau by establishing a centralized unit which will accept, catalogue, file, and collect statistics, including records of drug-dependent persons and other controlled substance law offenders within the State, and make such information available for federal, State, and local law-enforcement purposes. Provided that neither the Attorney General of North Carolina, the North Carolina Department of Health and Human Services nor any other State officer or agency shall be authorized to accept or file, or give out the names or other form of personal identification of drug-dependent persons who voluntarily seek treatment or assistance related to their drug dependency. (1971, c. 919, s. 1; 1977, c. 667, s. 3; 1997-443, s. 11A.118(a).)

§ 90-112. Forfeitures.

(a) The following shall be subject to forfeiture:

- (1) All controlled substances which have been manufactured, distributed, dispensed, or acquired in violation of the provisions of this Article;
- (2) All money, raw material, products, and equipment of any kind which are acquired, used, or intended for use, in selling, purchasing,

manufacturing, compounding, processing, delivering, importing, or exporting a controlled substance in violation of the provisions of this Article;

- (3) All property which is used, or intended for use, as a container for property described in subdivisions (1) and (2);
- (4) All conveyances, including vehicles, vessels, or aircraft, which are used or intended for use to unlawfully conceal, convey, or transport, or in any manner to facilitate the unlawful concealment, conveyance, or transportation of property described in (1) or (2), except that
 - a. No conveyance used by any person as a common carrier in the transaction of business as a common carrier shall be forfeited under the provisions of this Article unless it shall appear that the owner or other person in charge of such conveyance was a consenting party or privy to a violation of this Article;
 - b. No conveyance shall be forfeited under the provisions of this section by reason of any act or omission, committed or omitted while such conveyance was unlawfully in the possession of a person other than the owner in violation of the criminal laws of the United States, or of any state;
 - c. No conveyance shall be forfeited unless the violation involved is a felony under this Article;
 - d. A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party who had no knowledge of or consented to the act or omission.
- (5) All books, records, and research, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this Article.

(b) Any property subject to forfeiture under this Article may be seized by any law-enforcement officer upon process issued by any district or superior court having jurisdiction over the property except that seizure without such process may be made when:

- (1) The seizure is incident to an arrest or a search under a search warrant;
- (2) The property subject to seizure has been the subject of a prior judgment in favor of the State in a criminal injunction or forfeiture proceeding under this Article.

(c) Property taken or detained under this section shall not be repleviable, but shall be deemed to be in custody of the law-enforcement agency seizing it, which may:

- (1) Place the property under seal; or,
- (2) Remove the property to a place designated by it; or,
- (3) Request that the North Carolina Department of Justice take custody of the property and remove it to an appropriate location for disposition in accordance with law.

Any property seized by a State, local, or county law enforcement officer shall be held in safekeeping as provided in this subsection until an order of disposition is properly entered by the judge.

(d) Whenever property is forfeited under this Article, the law-enforcement agency having custody of it may:

- (1) Retain the property for official use; or
- (2) Sell any forfeited property which is not required to be destroyed by law and which is not harmful to the public, provided that the proceeds be disposed of for payment of all proper expenses of the proceedings for forfeiture and sale including expense of seizure, maintenance of custody, advertising, and court costs; or
- (3) Transfer any conveyance including vehicles, vessels, or aircraft which are forfeited under the provisions of this Article to the North Carolina

Department of Justice when, in the discretion of the presiding judge and upon application of the North Carolina Department of Justice, said conveyance may be of official use to the North Carolina Department of Justice;

- (4) Upon determination by the director of any law-enforcement agency that a vehicle, vessel or aircraft transferred pursuant to the provisions of this Article is of no further use to said agency for use in official investigations, such vehicle, vessel or aircraft may be sold as surplus property in the same manner as other vehicles owned by the law-enforcement agency and the proceeds from such sale after deducting the cost of sale shall be paid to the treasurer or proper officer authorized to receive fines and forfeitures to be used for the school fund of the county in the county in which said vehicle, vessel or aircraft was seized; provided, that any vehicle transferred to any law-enforcement agency under the provisions of this Article which has been modified to increase speed shall be used in the performance of official duties only and not for resale, transfer or disposition other than as junk.

(d1) Notwithstanding the provisions of subsection (d), the law-enforcement agency having custody of money that is forfeited pursuant to this section shall pay it to the treasurer or proper officer authorized to receive fines and forfeitures to be used for the school fund of the county in which the money was seized.

(e) All substances included in Schedules I through VI that are possessed, transferred, sold, or offered for sale in violation of the provisions of this Article shall be deemed contraband and seized and summarily forfeited to the State. All substances included in Schedules I through VI of this Article which are seized or come into the possession of the State, the owners of which are unknown, shall be deemed contraband and summarily forfeited to the State according to rules and regulations of the North Carolina Department of Justice.

All species of plants from which controlled substances included in Schedules I, II and VI of this Article may be derived, which have been planted or cultivated in violation of this Article, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the State.

The failure, upon demand by the Attorney General of North Carolina, or his duly authorized agent, of the person in occupancy or in control of land or premises upon which such species of plants are growing or being stored, to produce an appropriate registration, or proof that he is the holder thereof, shall constitute authority for the seizure and forfeiture.

(f) All other property subject to forfeiture under the provisions of this Article shall be forfeited as in the case of conveyances used to conceal, convey, or transport intoxicating beverages. (1971, c. 919, s. 1; 1973, cc. 447, 542; c. 1446, s. 6; 1983, c. 528; ss. 1-3; 1989, c. 772, s. 4.)

CASE NOTES

Intent of 1973 Amendment. — The legislature intended to expand this section to cover all felonies under this Article in which a vehicle was used. *State v. Mebane*, 101 N.C. App. 119, 398 S.E.2d 672 (1990), overruled on other

grounds, *State v. Pipkins*, 337 N.C. 431, 446 S.E.2d 360 (1994).

Precedence over RICO. — The criminal forfeiture provisions of the Controlled Substances Act take precedence over the civil for-

feiture provisions of the Racketeer Influenced and Corrupt Organizations Act (RICO) where the possessor of the items seized and subject to forfeiture has been validly indicted and awaits criminal trial under the Controlled Substances Act. *State ex rel. Thornburg v. Currency in Amount of \$52,029.00*, 324 N.C. 276, 378 S.E.2d 1 (1989).

State Forfeiture Proceeding Is Criminal And in Personam Proceeding. — A state forfeiture proceeding under G.S. 90-112 is criminal in nature and is an in personam proceeding. This is consistent with the traditional rules that unless otherwise provided, criminal forfeitures are in personam, not in rem, proceedings. Federal forfeitures under § 881 are civil in nature and are in rem proceedings. *United States v. Winston-Salem/Forsyth County Bd. of Educ.*, 902 F.2d 267 (4th Cir. 1990).

State Court Did Not Have Jurisdiction to Exclusion of Federal Court. — State court seizing property under this section did not have jurisdiction to the exclusion of the federal district court proceeding under 21 U.S.C. § 881, because state and federal proceedings were not competing in rem proceedings. *United States v. Winston-Salem/Forsyth County Bd. of Educ.*, 902 F.2d 267 (4th Cir. 1990).

Subsection (d1) Refers Only to Forfeitures Pursuant to This Section. — The plain language of N.C. Const., Art. IX, § 7, limits its application to forfeitures resulting from a "breach of the penal laws of the State" and subsection (d1) of the North Carolina Act refers only to forfeitures "pursuant to this section." *United States v. Winston-Salem/Forsyth County Bd. of Educ.*, 902 F.2d 267 (4th Cir. 1990).

Section Does Not Create Right to Jury Trial. — Neither this section nor G.S. 90-112.1 creates a right to trial by jury. *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

When Order of Seizure Must Be Applied for. — The plain effect of subsection (b) of this section is to circumscribe the authority of law-enforcement officers to seize vehicles unless they first obtain "process" from a neutral judicial officer. There is, however, no requirement in this section that the officers must apply for an order of seizure immediately after they have observed the prescribed criminal activity. *State v. Hall*, 52 N.C. App. 492, 279 S.E.2d 111, appeal dismissed and cert. denied, 304 N.C. 198, 285 S.E.2d 104 (1981).

Time Within Which Vehicle May Be Seized. — This section does not restrict the time within which a vehicle may be seized after a violation of the controlled substances law has been observed. *State v. Hall*, 52 N.C. App. 492, 279 S.E.2d 111, appeal dismissed and cert.

denied, 304 N.C. 198, 285 S.E.2d 104 (1981).

To fix a definite time within which officers must act to seize a vehicle after they have seen an illegal drug transaction might hinder seriously the effectiveness of large-scale undercover drug investigations in which the officers are trying to find the big drug dealers through various smaller operators. If a vehicle [] must be seized immediately, or very soon after the commission of a crime, it is likely that the detective's cover would be destroyed, resulting in increased danger to that officer if he continues to work in the investigation or, if he must then drop out of the operation, the waste of his special efforts, requiring much training and planning, whereby he was enabled to make effective contact with those involved in illegal drug trafficking. Thus, though a situation may arise where the length of time elapsing between the commission of a crime and the later issuance of an order of seizure is too unreasonable to be sustained, where process was served within a month after the officer saw a violation occur, the length of time was not unreasonable. *State v. Hall*, 52 N.C. App. 492, 279 S.E.2d 111, appeal dismissed and cert. denied, 304 N.C. 198, 285 S.E.2d 104 (1981).

United States May Adopt Seizure Although Person Who Seized Property Had No Authority. — Assuming, without deciding, police department violated G.S. 15-11.1(a) by transferring cash seized under this section to the federal DEA rather than to North Carolina Board of Education, the United States may adopt a seizure even when the person who seized the property had no authority to do so. *United States v. Winston-Salem/Forsyth County Bd. of Educ.*, 902 F.2d 267 (4th Cir. 1990).

Scope of Search of Impounded Vehicle. — A search by police officers of a closed medicine bottle found in defendant's car exceeded the permissible scope of a valid inventory search of a lawfully impounded vehicle. *State v. Hall*, 52 N.C. App. 492, 279 S.E.2d 111, appeal dismissed and cert. denied, 304 N.C. 198, 285 S.E.2d 104 (1981).

Currency was not subject to forfeiture under this section solely by virtue of being found in "close proximity" to the controlled substance which the defendant was convicted of possessing. *State v. McKinney*, 36 N.C. App. 614, 244 S.E.2d 455 (1978).

Where there was no evidence showing that \$5,900.00 in currency was acquired, used or intended for use in violation of subsection (a) of this section, except for the fact that defendant possessed a large quantity of cash at the time that he possessed a large quantity of narcotics, the court erred in ordering the forfeiture of such money under this section. *State v. Teasley*,

82 N.C. App. 150, 346 S.E.2d 227 (1986), cert. denied and appeal dismissed, 318 N.C. 701, 351 S.E.2d 759 (1987).

Where no evidence was presented at trial to indicate that \$1,485 in unmarked money was linked to a drug transaction rather than to defendant's occasional employment as a welder, the portion of an order forfeiting the \$1,485 was vacated. *State v. Fink*, 92 N.C. App. 523, 375 S.E.2d 303 (1989).

Trial court erred in ordering the forfeiture of currency seized as illicit drug money where defendant was not convicted of any crime related to the North Carolina Controlled Substances Act, G.S. 90-86 et seq., and specifically, none of the acts described in G.S. 90-112(a)(2). *State v. Jones*, — N.C. App. —, 581 S.E.2d 107, 2003 N.C. App. LEXIS 1176 (2003).

Where defendant was not found guilty of possessing cocaine with the intent to sell or deliver, the trial court was precluded from declaring that money recovered from defendant's person was subject to criminal forfeiture under subdivision (a)(2) of this section. *State v. Johnson*, 124 N.C. App. 462, 478 S.E.2d 16 (1996).

Defendant's vehicle was subject to forfeiture, where he was found guilty of felonies in which the vehicle was used, although he was only found guilty of a misdemeanor involving violation of using the vehicle. *State v. Mebane*, 101 N.C. App. 119, 398 S.E.2d 672 (1990), overruled on other grounds, *State v. Pipkins*, 337 N.C. 431, 446 S.E.2d 360 (1994).

Husband's testimony concerning his guilty pleas and his use of the defendant's vehicle while carrying a backpack containing proceeds from drug transactions were adequate to support a finding that the vehicle was used in the commission of a felony and that it was subject to forfeiture. *State v. Honaker*, 111 N.C. App. 216, 431 S.E.2d 869 (1993).

There is no requirement in G.S. 90-112, regarding the forfeiture of property incident to its connection to a controlled substance offense, for a state conviction. *State v. Woods*, 146 N.C. App. 686, 554 S.E.2d 383, 2001 N.C. App. LEXIS 1046 (2001), aff'd, 356 N.C. 121, 564 S.E.2d 881 (2002).

North Carolina's forfeiture statute, G.S. 90-112, merely requires that the forfeiting party be convicted of a crime that is a felony under N.C. Gen. Stat. art. 5, ch. 90. *State v. Woods*, 146 N.C. App. 686, 554 S.E.2d 383, 2001 N.C. App. LEXIS 1046 (2001), aff'd, 356 N.C. 121, 564 S.E.2d 881 (2002).

Violation of North Carolina Controlled Substances Act Required. — G.S. 90-112(a)(2) requires that the conviction of the property's owner be related to one of the acts described therein, i.e., selling, purchasing, manufacturing, compounding, processing, de-

livering, importing, or exporting a controlled substance in violation of the provisions of the North Carolina Controlled Substances Act, G.S. 90-86 et seq., before property is forfeited. *State v. Jones*, — N.C. App. —, 581 S.E.2d 107, 2003 N.C. App. LEXIS 1176 (2003).

Probable Cause to Believe Vehicle Was a Conveyance Under Subsection (a)(4) Made Seizure Lawful. — Because the officer had probable cause to believe that the car was forfeitable under G.S. 90-112(a)(4), the officer did not violate plaintiff owner's rights when the vehicle was seized; probable cause for the driver's arrest was not the issue, rather the fact that the car's driver knew that he was being pursued when he threw a package containing a green leafy substance out the window provided probable cause to believe that the car was being used to transport or convey drugs under the forfeiture statute. *Seaborn v. Thompson*, — F. Supp. 2d —, 2002 U.S. Dist. LEXIS 19528 (M.D.N.C. Jan. 17, 2002).

Attorney General Did Not Abuse Discretion. — Assuming cash of drug dealer was subject to forfeiture, Attorney General did not abuse his discretion in using the equitable sharing provisions of 19 U.S.C. § 1616(a), since the police department was not required to request the North Carolina Department of Justice to take custody of it for disposition under State law and since at no time did the State seek forfeiture of the cash. *United States v. Alston*, 717 F. Supp. 378 (M.D.N.C. 1989), aff'd, 902 F.2d 267 (4th Cir. 1990), aff'd sub nom. *United States v. Winston-Salem/Forsyth County Bd. of Educ.*, 902 F.2d 267 (4th Cir. 1990).

Where state did not seek forfeiture under G.S. 90-112, the U.S. Attorney General did not abuse his discretion by continuing the federal forfeiture proceeding and by following the equitable sharing provisions of 21 U.S.C.S. § 881(e)(1)(A) and 19 U.S.C.S. § 1616a(c)(1)(B)(ii). *United States v. Winston-Salem/Forsyth County Bd. of Educ.*, 902 F.2d 267 (4th Cir. 1990).

Applied in *State v. Hill*, 153 N.C. App. 716, 570 S.E.2d 768, 2002 N.C. App. LEXIS 1265 (2002).

Cited in *State v. Rogers*, 28 N.C. App. 110, 220 S.E.2d 398 (1975); *State v. Meyers*, 45 N.C. App. 672, 263 S.E.2d 835 (1980); *State v. Triplett*, 70 N.C. App. 341, 318 S.E.2d 913 (1984); *State v. Reid*, 76 N.C. App. 668, 334 S.E.2d 235 (1985); *State v. Bonds*, 120 N.C. App. 546, 463 S.E.2d 298 (1995); *State v. Bishop*, 343 N.C. 518, 472 S.E.2d 842 (1996), cert. denied, 519 U.S. 1097, 117 S. Ct. 779, 136 L. Ed. 2d 723 (1997); *Seaborn v. Thompson*, — F. Supp. 2d —, 2001 U.S. Dist. LEXIS 24907 (M.D.N.C. Dec. 6, 2001).

OPINIONS OF ATTORNEY GENERAL

Standing of Property Owner to Contest Seizure. — Owner of a motor vehicle seized under the provisions of this section from a legal possessor of such motor vehicle did not have standing to intervene and petition for return of his vehicle as he did under the provisions of former G.S. 18A-21. Opinion of Attorney General to Honorable Robert Rouse, 44 N.C.A.G. 262 (1975).

Release to Department of Revenue for Satisfaction of Excise Taxes. — Money or personal property seized on the grounds it is subject to forfeiture may not be released without a court order to the Department of Revenue for satisfaction of controlled substance excise taxes owed by the property's owner. See opinion of Attorney General to Secretary Janice H. Faulkner, — N.C.A.G. — (July 19, 1994).

When a state or local law enforcement agency seizes money or personal property as evidence of a state controlled substances law violation or on the grounds the property is subject to forfeiture, and subsequently releases it without a

court order to the Department of Revenue for satisfaction of controlled substance excise taxes owed by the property's owner, the court may not order the law enforcement agency which releases the property to pay into the court substitute funds of equal value. See opinion of Attorney General to Secretary Janice H. Faulkner, — N.C.A.G. — (July 19, 1994).

If a state or local law enforcement agency deposits funds with the court in substitution for money or personal property seized by the agency as evidence of a state controlled substances law violation or on the grounds it is subject to forfeiture, but subsequently releases it without a court order to the Department of Revenue for satisfaction of controlled substance excise taxes owed by the property's owner, the court may not order the substitute funds turned over to the owner of the original property or forfeit the substitute funds. See opinion of Attorney General to Secretary Janice H. Faulkner, — N.C.A.G. — (July 19, 1994).

§ 90-112.1. Remission or mitigation of forfeitures; possession pending trial.

(a) Whenever, in any proceeding in court for a forfeiture, under G.S. 90-112 of any conveyance seized for a violation of this Article the court shall have exclusive jurisdiction to continue, remit or mitigate the forfeiture.

(b) In any such proceeding the court shall not allow the claim of any claimant for remission or mitigation unless and until he proves (i) that he has an interest in such conveyance, as owner or otherwise, which he acquired in good faith; (ii) that he had no knowledge, or reason to believe, that it was being or would be used in the violation of laws of this State relating to controlled substances; (iii) that his interest is in an amount in excess or equal to the fair market value of such conveyance.

(c) If the court, in its discretion, allows the remission or mitigation the conveyance shall be returned to the claimant; and should there be joint request of any two or more claimants, whose claims are allowed, the court shall order the return of the conveyance to such of the joint requesting claimants as have the prior claim on lien. Such return shall be made only upon payment of all expenses incident to the seizure and forfeiture incurred by the State. In all other cases the court shall order disposition of such conveyance as provided in G.S. 90-112, and after satisfaction of the expenses of the sale, and such claims as may be approved by the court, the funds shall be paid to the treasurer or proper officer authorized to receive fines and forfeitures to be used for the school fund of the county in which said vehicle was seized.

(d) If the court should determine that the conveyance should be held for purposes of evidence, then it may order the vehicle to be held until the case is heard. (1975, c. 601.)

CASE NOTES

No Right to Jury Trial. — Neither G.S. 90-112 nor this section creates a right to trial by jury. *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

Because the statutory right to trial by jury in alcohol-related forfeiture cases has been repealed, there is no right to trial by jury in a proceeding for remission of forfeiture under this section. *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

An action under this section is in the nature of an action for replevin and is in essence a civil action; as such, the right to a jury trial, if any, is governed by N.C. Const., Art. I, § 25, and thus, defendant was not entitled to a trial by jury for her remission action. *State v. Honaker*, 111 N.C. App. 216, 431 S.E.2d 869 (1993).

This Section Compared with G.S. 18B-504. — A comparison of this section, enacted in 1975, and G.S. 18B-504 discloses that application of the provisions of G.S. 18B-504 to drug-related forfeitures is limited in scope, inasmuch as certain provisions in the two statutes cover the same substantive question. *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

While reference to G.S. 18B-504, pursuant to G.S. 90-112(f), is still necessary in drug-related forfeiture proceedings to determine (i) when forfeiture occurs as to certain drug-related property subject to forfeiture and (ii) when an innocent person must apply for remission of forfeiture, the elements of proof under subsection (b) of this section are different from those specified in G.S. 18B-504(h) for alcohol-related forfeiture. *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

Forfeiture may be defeated if claimant can show the illegal use occurred without his knowledge or consent. *State v. Meyers*, 45 N.C. App. 672, 263 S.E.2d 835 (1980).

Burden is on the claimant to prove to the

fact-finder “that he had no knowledge, or reason to believe, that [the vehicle] was being or would be used in the violation of laws of this State relating to controlled substances.” *State v. Meyers*, 45 N.C. App. 672, 263 S.E.2d 835 (1980).

Claimant is entitled to have fact-finder, whether court or jury, determine the essential issue in a forfeiture proceeding, namely, was his vehicle being used illegally to transport controlled substances without his knowledge or consent? *State v. Meyers*, 45 N.C. App. 672, 263 S.E.2d 835 (1980). Decided under prior law.

Good Faith Interest. — Where a claimant's evidence showed he paid for a vehicle, which was subsequently seized under drug forfeiture provisions, and transferred title to defendant only upon condition that defendant reimburse him for part of the purchase price and that defendant's failure to make any payments to claimant was the sole reason claimant again took possession of title, the evidence did not support the court's conclusion that at the time of seizure claimant did not have an interest in the conveyance acquired in good faith. *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

History of Forfeiture Laws — Alcohol Control. — For a case discussing the history of legislation providing for forfeiture of conveyances used to violate alcohol control laws and the relation of such laws to drug forfeiture statutes, see *State v. Morris*, 103 N.C. App. 246, 405 S.E.2d 351 (1991).

Applied in *State v. Bass*, 65 N.C. App. 801, 310 S.E.2d 150 (1984).

§ 90-113: Repealed by Session Laws 1973, c. 540, s. 7.

§ 90-113.1. Burden of proof; liabilities.

(a) It shall not be necessary for the State to negate any exemption or exception set forth in this Article in any complaint, information, indictment, or other pleading or in any trial, hearing, or other proceeding under this Article, and the burden of proof of any such exemption or exception shall be upon the person claiming its benefit.

(b) In the absence of proof that a person is the duly authorized holder of an appropriate registration or order form issued under this Article, he shall be presumed not to be the holder of such registration or form, and the burden of proof shall be upon him to rebut such presumption.

(c) No liability shall be imposed by virtue of this Article upon any duly authorized officer, engaged in the lawful enforcement of this Article. (1971, c. 919, s. 1.)

CASE NOTES

Placing the burden of proving an exemption or exception on person claiming

its benefit does not run afoul of constitutional standards, and the burden of proving

that defendant possessed or sold and delivered a controlled substance is not shifted away from the State. *State v. McNeil*, 47 N.C. App. 30, 266 S.E.2d 824, cert. denied and appeal dismissed, 301 N.C. 102, 273 S.E.2d 306 (1980), cert. denied, 450 U.S. 915, 101 S. Ct. 1356, 67 L. Ed. 2d 339 (1981).

Exemption Through Authorization. — One may be exempt from State prosecution for the possession or the sale or delivery of controlled substances if that person is authorized by the North Carolina Controlled Substances Act to so possess or sell or deliver such substances, but proof of such exemption through

authorization must be provided by the defendant. *State v. McNeil*, 47 N.C. App. 30, 266 S.E.2d 824, cert. denied and appeal dismissed, 301 N.C. 102, 273 S.E.2d 306 (1980), cert. denied, 450 U.S. 915, 101 S. Ct. 1356, 67 L. Ed. 2d 339 (1981).

Prosecution of Officer's Agent. — It would violate every precept of fair play and fundamental justice to allow a law-enforcement officer to benefit from this section's protection and at the same time, prosecute his youthful agent, who at his insistence violated the provisions of the act. *State v. Stanley*, 288 N.C. 19, 215 S.E.2d 589 (1975).

§ 90-113.2. Judicial review.

(f) The North Carolina Department of Health and Human Services may authorize persons engaged in research to possess and distribute controlled substances in accordance with such restrictions as the authorization may impose. CASE NOTES

Legislative Intent for Prospective Application of Act. — The expressed intent of the General Assembly that the provisions of the Controlled Substances Act be prospective relates to the entire act. *State v. Kelly*, 281 N.C. 618, 189 S.E.2d 163 (1972).

The General Assembly intended that the provisions of the Controlled Substances Act be prospective and effective as of Jan. 1, 1972. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972).

Effect of the Savings Clause. — The savings provision of this section leaves the Narcotic Drug Act, former G.S. 90-86 to 90-113 of this Chapter, continued in full force and effect for any offense committed prior to Jan. 1, 1972.

State v. McIntyre, 281 N.C. 304, 188 S.E.2d 304 (1972).

Where the repealing statute contains a savings clause as to crimes committed prior to the repeal, or as to pending prosecutions, the offender may be tried and punished under the old law. In such case, the crime is punishable under the old statute although no prosecution is pending at the time the new statute goes into effect. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972).

Prior Law Controls as to Prosecution and Punishment for Offenses Committed Prior to Jan. 1, 1972. — The law as to prosecution and punishment as set forth in former Articles 5 and 5A of this Chapter as written prior to Jan. 1, 1972, remains in full

force and effect as to offenses committed prior to Jan. 1, 1972. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972); *State v. Godwin*, 13 N.C. App. 700, 187 S.E.2d 400, cert. denied, 281 N.C. 155, 188 S.E.2d 366 (1972); *State v. Williams*, 14 N.C. App. 431, 188 S.E.2d 717, cert. denied, 281 N.C. 627, 190 S.E.2d 473 (1972); *State v. Lindquist*, 14 N.C. App. 361, 188 S.E.2d 686 (1972).

For earlier cases indicating that reduction in grade of offenses committed prior to Jan. 1, 1972, inures to the benefit of the defendant, see *State v. Smith*, 13 N.C. App. 583, 186 S.E.2d 600, cert. denied, 281 N.C. 157, 187 S.E.2d 586 (1972); *State v. Guy*, 13 N.C. App. 637, 186 S.E.2d 663 (1972).

"Prosecution" Defined. — A prosecution consists of the series of proceedings had in the

bringing of an accused person to justice, from the time when the formal accusation is made, by the filing of an affidavit or a bill of indictment or information in the criminal court, until the proceedings are terminated. This is a correct definition of the word "prosecution" and is consistent with the legislative intent expressed in this section. *State v. Harvey*, 281 N.C. 1, 187 S.E.2d 706 (1972).

"Prosecution" as the word is used in this section includes every step in a criminal action, from its commencement to its final determination by appellate review or until defendant begins to serve his sentence without pursuing an appeal or until the action is dismissed. *State v. Godwin*, 13 N.C. App. 700, 187 S.E.2d 400, cert. denied, 281 N.C. 155, 188 S.E.2d 366 (1972).

§ 90-113.8. Continuation of regulations.

Any orders, rules, and regulations which have been promulgated under any law affected by this act [c. 919 of the 1971 Session Laws] and which are in effect on the day preceding January 1, 1972, shall continue in effect until modified, superseded, or repealed by proper authority. (1971, c. 919, s. 2.)

ARTICLE 5A.

§ 90-113.8A. Title.

This Article shall be known and may be cited as the "North Carolina Toxic Vapors Act." (1971, c. 1208, s. 1.)

CASE NOTES

Constitutionality. — It is clear to persons of ordinary intelligence that they are forbidden from smelling, with the intention of getting drunk or high, any vapors with the quality of causing the proscribed conditions. This is all the definition necessary to comply with the Constitution. *State v. Futrell*, 39 N.C. App. 674, 251 S.E.2d 715 (1979), decided prior to 1979

amendments to Article.

This Article does not create a class so broad that the inhaling of steam in sufficient quantity, the smoking of tobacco, or the smelling of perfume could be covered by the statute. *State v. Futrell*, 39 N.C. App. 674, 251 S.E.2d 715 (1979), decided prior to 1979 amendments to Article.

§ 90-113.9. Definitions.

- (2) "Commission" means the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services, established under Part 4 of Article 3 of Chapter 143B of the General Statutes. (1971, c. 1208, s. 1; 1979, c. 671, s. 1; 1981, c. 51, s. 10; 1995, c. 509, s. 40.)

§ 90-113.10. Inhaling fumes for purpose of causing intoxication.

It is unlawful for any person to knowingly breathe or inhale any compound, liquid, or chemical containing toluol, hexane, trichloroethane, isopropanol, methyl isobutyl ketone, methyl cellosolve acetate, cyclohexanone, or any other substance for the purpose of inducing a condition of intoxication. This section does not apply to any person using as an inhalant any chemical substance pursuant to the direction of a physician or dentist. (1971, c. 1208, s. 1; 1979, c. 671, s. 2.)

§ 90-113.11. Possession of substances.

It is unlawful for any person to possess any compound, liquid, or chemical containing toluol, hexane, trichloroethane, isopropanol, methyl isobutyl ketone, methyl cellosolve acetate, cyclohexanone, or any other substance which will induce a condition of intoxication through inhalation for the purpose of violating G.S. 90-113.10. (1971, c. 1208, s. 1; 1979, c. 671, s. 3.)

§ 90-113.12. Sale of substance.

It is unlawful for any person to sell, offer to sell, deliver, give, or possess with the intent to sell, deliver, or give any other person any compound, liquid, or chemical containing toluol, hexane, trichloroethane, isopropanol, methyl isobutyl ketone, methyl cellosolve acetate, cyclohexanone, or any other substance which will induce a condition of intoxication through inhalation if he has reasonable cause to suspect that the product sold, offered for sale, given, delivered, or possessed with the intent to sell, give, or deliver, will be used for the purpose of violating G.S. 90-113.10. (1971, c. 1208, s. 1; 1979, c. 671, s. 4.)

§ 90-113.13. Violation a misdemeanor.

Violation of this Article is a Class 1 misdemeanor. (1979, c. 671, s. 5; 1993, c. 539, s. 623; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 90-113.14. Conditional discharge and expunction of records for first offenses.

(a) Whenever any person who has not previously been convicted of any offense under this Article or under any statute of the United States or any state relating to those substances included in Article 5 or 5A or 5B of Chapter 90 pleads guilty to or is found guilty of inhaling or possessing any substance having the property of releasing toxic vapors or fumes in violation of Article 5A of Chapter 90, the court may, without entering a judgment of guilt and with the consent of such person, defer further proceedings and place him on probation upon such reasonable terms and conditions as it may require. Notwithstanding the provisions of G.S. 15A-1342(c) or any other statute or law, probation may be imposed under this section for an offense under this Article for which the prescribed punishment includes only a fine. To fulfill the terms and conditions of probation the court may allow the defendant to participate in a drug education program approved for this purpose by the Department of Health and Human Services. Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for

purposes of this section or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions. Discharge and dismissal under this section or G.S. 90-96 may occur only once with respect to any person. Disposition of a case to determine discharge and dismissal under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal. Prior to taking any action to discharge or dismiss under this section the court shall make a finding that the defendant has no record of previous convictions under the "North Carolina Toxic Vapors Act", Article 5A, Chapter 90, the "North Carolina Controlled Substances Act", Article 5, Chapter 90, or the "Drug Paraphernalia Act", Article 5B, Chapter 90.

(a1) Upon the first conviction only of any offense included in G.S. 90-113.10 or 90-113.11 and subject to the provisions of this subsection (a1), the court may place defendant on probation under this section for an offense under this Article including an offense for which the prescribed punishment includes only a fine. The probation, if imposed, shall be for not less than one year and shall contain a minimum condition that the defendant who was found guilty or pleads guilty enroll in and successfully complete, within 150 days of the date of the imposition of said probation, the program of instruction at the drug education school approved by the Department of Health and Human Services pursuant to G.S. 90-96.01. The court may impose probation that does not contain a condition that defendant successfully complete the program of instruction at a drug education school if:

- (1) There is no drug education school within a reasonable distance of the defendant's residence; or
- (2) There are specific, extenuating circumstances which make it likely that defendant will not benefit from the program of instruction.

The court shall enter such specific findings in the record; provided that in the case of subsection (2) above, such findings shall include the specific, extenuating circumstances which make it likely that the defendant will not benefit from the program of instruction.

For the purpose of determining whether the conviction is a first conviction or whether a person has already had discharge and dismissal, no prior offense occurring more than seven years before the date of the current offense shall be considered. In addition, convictions for violations of a provision of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), or 90-113.10, or 90-113.11, or 90-113.12, or 90-113.21 shall be considered previous convictions.

Failure to complete successfully an approved program of instruction at a drug education school shall constitute grounds to revoke probation and deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. For purposes of this subsection, the phrase "failure to complete successfully the prescribed program of instruction at a drug education school" includes failure to attend scheduled classes without a valid excuse, failure to complete the course within 150 days of imposition of probation, willful failure to pay the required fee for the course, or any other manner in which the person fails to complete the course successfully. The instructor of the course to which a person is assigned shall report any failure of a person to complete successfully the program of instruction to the court which imposed probation. Upon receipt of the instructor's report that the person failed to complete the program successfully, the court shall revoke probation and/or deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. A person may obtain a hearing before the court of original jurisdiction prior to revocation of probation or denial of application for expunction.

This subsection is supplemental and in addition to existing law and shall not be construed so as to repeal any existing provision contained in the General Statutes of North Carolina.

(b) Upon the dismissal of such person, and discharge of the proceedings against him under subsection (a) of this section, such person, if he were not over 21 years of age at the time of the offense, may apply to the court for an order to expunge from all official records (other than the confidential file to be retained by the Administrative Office of the Courts under subsection (c)) all recordation relating to his arrest, indictment or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. The applicant shall attach to the application the following:

- (1) An affidavit by the applicant that he has been of good behavior during the period of probation since the decision to defer further proceedings on the misdemeanor in question and has not been convicted of any felony, or misdemeanor, other than a traffic violation, under the laws of the United States or the laws of this State or any other state;
- (2) Verified affidavits by two persons who are not related to the applicant or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in which he lives, and that his character and reputation are good;
- (3) Affidavits of the clerk of superior court, chief of police, where appropriate, and sheriff of the county in which the petitioner was convicted, and, if different, the county of which the petitioner is a resident, showing that the applicant has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to the conviction for the misdemeanor in question or during the period of probation following the decision to defer further proceedings on the misdemeanor in question.

The judge to whom the petition is presented is authorized to call upon a probation officer for any additional investigation or verification of the petitioner's conduct during the probationary period deemed desirable.

If the court determines, after hearing, that such person was dismissed and the proceedings against him discharged and that he was not over 21 years of age at the time of the offense, it shall enter such order. The effect of such order shall be to restore such person in the contemplation of the law to the status he occupied before such arrest or indictment or information. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

The court shall also order that said conviction and the records relating thereto be expunged from the records of the court, and direct all law-enforcement agencies bearing records of the same to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police or other arresting agency, as appropriate, and the sheriff, chief of police or other arresting agency, as appropriate, shall forward such order to the State Bureau of Investigation with a form supplied by the State Bureau of Investigation. The State Bureau of Investigation shall forward the court order in like manner to the Federal Bureau of Investigation.

(c) The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Commission, the names of all persons convicted under such Articles, together with the offense or offenses of which such persons were convicted. The clerk shall also file with the Administrative Office of the Courts the names of those persons granted a conditional discharge under the provisions of this Article, and the Administrative Office of the Court shall maintain a confidential file containing the names of persons granted conditional discharges. The information contained in such file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person

charged with an offense under Article 5 or 5A has been previously granted a conditional discharge.

(d) Whenever any person is charged with a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article, or by possessing drug paraphernalia as prohibited by G.S. 90-113.21 upon dismissal by the State of the charges against him or upon entry of a nolle prosequi or upon a finding of not guilty or other adjudication of innocence, such person may apply to the court for an order to expunge from all official records all recordation relating to his arrest, indictment, or information, and trial. If the court determines, after hearing that such person was not over 21 years of age at the time any of the proceedings against him occurred, it shall enter such order. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment, or information, or trial in response to any inquiry made of him for any purpose.

(e) Whenever any person who has not previously been convicted of an offense under this Article or under any statute of the United States or any state relating to controlled substances included in any schedule of this Article or to that paraphernalia included in Article 5B of Chapter 90 pleads guilty to or has been found guilty of a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article, the court may, upon application of the person not sooner than 12 months after conviction, order cancellation of the judgment of conviction and expunction of the records of his arrest, indictment, or information, trial and conviction. A conviction in which the judgment of conviction has been cancelled and the records expunged pursuant to this section shall not be thereafter deemed a conviction for purposes of this section or for purposes of disqualifications or liabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions of this Article. Cancellation and expunction under this section may occur only once with respect to any person. Disposition of a case under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal.

The granting of an application filed under this section shall cause the issue of an order to expunge from all official records (other than the confidential file to be retained by the Administrative Office of the Courts under subsection (c)) all recordation relating to his arrest, indictment, or information, trial, finding of guilty, judgment of conviction, cancellation of the judgment, and expunction of records pursuant to this section.

The judge to whom the petition is presented is authorized to call upon a probation officer for additional investigation or verification of the petitioner's conduct since conviction. If the court determines that the petitioner was convicted of a misdemeanor under this Article for possessing a controlled substance included within Schedules II through VI of this Article, or for possessing drug paraphernalia as prohibited by G.S. 90-113.21, that he was not over 21 years of age at the time of the offense, that he has been of good behavior since his conviction, that he has successfully completed a drug education program approved for this purpose by the Department of Health and Human Services, and that he has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to or since the conviction for the misdemeanor in question, it shall enter an order of expunction of the petitioner's court record. The effect of such order shall be to restore the petitioner in the contemplation of the law to the status he occupied before such arrest or indictment or information or conviction. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false

statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or conviction, or trial in response to any inquiry made of him for any purpose. The judge may waive the condition that the petitioner attend the drug education school if the judge makes a specific finding that there was no drug education school within a reasonable distance of the defendant's residence or that there were specific extenuating circumstances which made it likely that the petitioner would not benefit from the program of instruction.

The court shall also order that all law-enforcement agencies bearing records of the conviction and records relating thereto to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency, as appropriate, and the arresting agency shall forward the order to the State Bureau of Investigation with a form supplied by the State Bureau of Investigation. The State Bureau of Investigation shall forward the court order in like manner to the Federal Bureau of Investigation.

The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Administrative Office of the Courts the names of those persons whose judgments of convictions have been cancelled and expunged under the provisions of this Article, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons whose judgments of convictions have been cancelled and expunged. The information contained in the file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense under this Article has been previously granted cancellation and expunction of a judgment of conviction pursuant to the terms of this Article. Destruction of Police Investigative Files. — Except for the possible application of this section, there is no statutory authority in North Carolina for the destruction of police investigative files containing fingerprints and photographs of an accused. *State v. CASE NOTES

Proof Through Direct and Circumstantial Evidence. — This section provides for proof of “drug paraphernalia” through both types of evidence, direct and circumstantial, in subsections (a) and (b), respectively. *State v. Jones*, 96 N.C. App. 389, 386 S.E.2d 217 (1989), appeal dismissed and cert. denied, 326 N.C. 366, 389 S.E.2d 809 (1990).

Scales. — Where trooper found scales in defendant's truck beside his suitcase, and the State also qualified a police officer as an expert on drug investigations and introduced his testimony to show expert testimony concerning the scales' use as a common weighing instrument for controlled substances, and offered other relevant evidence, this circumstantial evidence was substantial and supported an inference that the scales were “drug paraphernalia” sufficient for the trial court to submit the issue

to the jury. *State v. Jones*, 96 N.C. App. 389, 386 S.E.2d 217 (1989), appeal dismissed and cert. denied, 326 N.C. 366, 389 S.E.2d 809 (1990).

Police officers had probable cause to arrest defendant based on their plain view observation of cotton balls and glass tubes located in the back seat of her truck, as although legitimate uses exist for cotton balls and glass vials, the experiences of the officers and the proximity of the objects to cocaine demonstrated that the items were being used as drug paraphernalia. *United States v. Dixon*, 729 F. Supp. 1113 (W.D.N.C. 1990).

§ 90-113.22. Possession of drug paraphernalia.

(a) It is unlawful for any person to knowingly use, or to possess with intent to use, drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, package, repack, store, contain, or conceal a controlled substance which it

would be unlawful to possess, or to inject, ingest, inhale, or otherwise introduce into the body a controlled substance which it would be unlawful to possess.

(b) Violation of this section is a Class 1 misdemeanor. (1981, c. 500, s. 1; 1993, c. 539, s. 624; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

Actual Possession. — A person has actual possession when he or she has both the power and the intent to control disposition or use. *State v. McLaurin*, 320 N.C. 143, 357 S.E.2d 636 (1987).

Constructive possession is sufficient for purposes of this section; however, while it is not necessary to show that an accused has exclusive control of the premises where paraphernalia are found, where possession is nonexclusive, constructive possession may not be inferred without other incriminating circumstances. *State v. McLaurin*, 320 N.C. 143, 357 S.E.2d 636 (1987).

Defendant's Control Was Insufficiently Substantiated. — Where the defendant's control over premises in which paraphernalia were found was nonexclusive, and where there was no evidence of other incriminating circumstances linking her to those items, the defendant's control was insufficiently substantial to support a conclusion of her possession of the seized paraphernalia. *State v. McLaurin*, 320 N.C. 143, 357 S.E.2d 636 (1987).

Mere possession of a needle and syringe failed to establish the crucial element of possession of drug paraphernalia with the accompanying intent necessary to establish a violation

of this section. *State v. Hedgecoe*, 106 N.C. App. 157, 415 S.E.2d 777 (1992).

Police officers had probable cause to arrest defendant based on their plain view observation of cotton balls and glass tubes located in the back seat of her truck, as although legitimate uses exist for cotton balls and glass vials, the experiences of the officers and the proximity of the objects to cocaine demonstrated that the items were being used as drug paraphernalia. *United States v. Dixon*, 729 F. Supp. 1113 (W.D.N.C. 1990).

§ 90-113.23. Manufacture or delivery of drug paraphernalia.

(a) It is unlawful for any person to deliver, possess with intent to deliver, or manufacture with intent to deliver, drug paraphernalia knowing that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, package, repack, store, contain, or conceal a controlled substance which it would be unlawful to possess, or that it will be used to inject, ingest, inhale, or otherwise introduce into the body a controlled substance which it would be unlawful to possess.

(b) Delivery, possession with intent to deliver, or manufacture with intent to deliver, of each separate and distinct item of drug paraphernalia is a separate offense.

(c) Violation of this section is a Class 1 misdemeanor. However, delivery of drug paraphernalia by a person over 18 years of age to someone under 18 years of age who is at least three years younger than the defendant shall be punishable as a Class I felony. (1981, c. 500, s. 1; c. 903, s. 1; 1993, c. 539, s. 625; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 90-113.24. Advertisement of drug paraphernalia.

(a) It is unlawful for any person to purchase or otherwise procure an advertisement in any newspaper, magazine, handbill, or other publication, or purchase or otherwise procure an advertisement on a billboard, sign, or other outdoor display, when he knows that the purpose of the advertisement, in whole or in part, is to promote the sale of objects designed or intended for use as drug paraphernalia described in this Article.

(b) Violation of this section is a Class 2 misdemeanor. (1981, c. 500, s. 1; c. 903, s. 1; 1993, c. 539, s. 626; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 90-113.32. Board; composition; voting.

(a) The Board is created as the certifying authority for substance abuse counselors, substance abuse prevention consultants, clinical supervisors, clinical addictions specialists, and residential facility directors in North Carolina.

(b) Until the full Board is elected or appointed pursuant to subsection (c) of this section, the Board shall consist of 16 members with one member appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121, and one member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121. The remaining 14 shall be those members of the current North Carolina Substance Abuse Professional Certification Board, Inc., who have terms that are unexpired as of the effective date of this Article. The initial Board shall appoint an initial Nominating and Elections Committee to fill immediate vacancies on the Board, using the process established in subsection (d) of this section. The election and appointment process of the initial Board shall result in a Board of 19 members by April 1, 1995. As these initial members' terms expire, their successors shall be appointed as described in subsection (c) of this section, until the permanent Board is established, as described in subsection (c) of this section. Time spent as an initial member counts in determining the limitation on consecutive terms prescribed in subsection (e) of this section.

(c) After the initial Board members' terms expire, the Board shall consist of the following members, all of whom shall reside in North Carolina, appointed or elected as follows:

- (1) Eleven professionals certified pursuant to this Article and elected by the certified professionals, at least two of whom shall serve each of the four Division of Mental Health, Developmental Disabilities, and Substance Abuse Services regions of the State. Three members shall serve as members at large.
- (2) Three members at large chosen from laypersons or other professional disciplines who have shown a special interest in the field of substance abuse, nominated by the Nominating and Elections Committee established by subsection (d) of this section and elected by the Board.
- (3) Two members from the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, Department of Health and Human Services, appointed by the Chief of Substance Abuse Services Section, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, Department of Health and Human Services, at least one of whom is from the Substance Abuse Services Section.
- (4) One member of the public at large appointed by the Governor.
- (5) One member of the public at large appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121 and one member of the public at large appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121.
- (6) One member shall represent each of the professional disciplines granted deemed status under G.S. 90-113.41A. The member may be appointed by the professional discipline on or before a date set by the Board. If the professional discipline has at least one association in the State, the member shall be chosen from a list of nominees submitted to the association. The members appointed or elected under this subdivision shall be certified as substance abuse specialists by the professional discipline that the members represent.

No member of the General Assembly shall serve on the Board.

(c1) Every member of the Board shall have the right to vote on all matters before the Board, except for the President who shall vote only in case of a tie or when another member of the Board abstains on the question of whether the professional discipline the member represents shall retain its deemed status.

(d) The Board shall appoint five professionals from the field of substance abuse counseling and substance abuse prevention consulting to serve on the Nominating and Elections Committee. Of these five, at least three shall not be members of the Board. The Board shall appoint a member of the Nominating and Elections Committee to serve as chair. The Committee's purpose is to accept nominations from professionals certified by the Board to fill vacancies on the Board in membership categories prescribed by subdivisions (1) and (2) of subsection (c) of this section and to conduct the election of Board members. The Committee shall solicit nominations from all professionals it has certified under this Article when elected members' terms are due to expire. The certified professionals shall submit to the Committee all nominations beginning 90 days and ending 14 days before the election of new Board members. The Committee shall furnish all certified professionals with a ballot containing all the nominees for each elected Board member vacancy. In soliciting and making nominations for this process, the Committee shall give consideration to factors that promote representation on the Board by professionals certified by the Board. The Committee shall serve for a two-year term, its successors to be appointed for the same term by the Board.

(e) Members of the Board shall serve for three-year terms. No Board member shall serve for more than two consecutive terms, but a person who has been a member for two consecutive terms may be reappointed after being off the Board for a period of at least one year. When a vacancy occurs in an unexpired term, the Board shall, as soon as practicable, appoint temporary members to serve until the end of the unexpired terms. Time spent as a temporary member does not count in determining the limitation on consecutive terms.

(f) If a member becomes ineligible to serve on the Board for any reason, except when the member has committed an ethical violation that results in the suspension or revocation of the member's professional credentials, the member may fulfill the remainder of the member's term on the Board. (1993 (Reg. Sess., 1994), c. 685, s. 1; c. 773, s. 15.2(a), (b); 1997-443, s. 11A.118(a); 1997-492, s. 3; 1999-164, ss. 2-4.)

§ 90-113.33. Board; powers and duties.

The Board shall:

- (1) Examine and determine the qualifications and fitness of applicants for certification to practice in this State.
- (1a) Determine the qualifications and fitness of organizations applying for deemed status.
- (2) Issue, renew, deny, suspend, or revoke certification or registration to practice in this State or reprimand or otherwise discipline certificate or registration holders in this State. Denial of an applicant's certification or registration or the granting of certification or registration on a probationary or other conditional status shall be subject to substantially the same rules and procedures prescribed by the Board for review and disciplinary actions against those persons holding certificates or registrations. Disciplinary actions involving a clinical addictions specialist whose certification is achieved through deemed status shall be initially heard by the specialist's credentialing body. The specialist may appeal the body's decision to the Board. The Board

shall, however, have the authority to hear the initial disciplinary action involving a clinical addictions specialist.

- (3) Deal with issues concerning reciprocity.
- (4) Conduct investigations for the purpose of determining whether violations of this Article or grounds for disciplining exists.
- (5) Employ the professional and clerical personnel necessary to carry out the provisions of this Article. The Board may purchase or rent necessary office space, equipment, and supplies.
- (6) Conduct administrative hearings in accordance with Chapter 150B of the General Statutes when a "contested case", as defined in Chapter 150B, arises.
- (7) Appoint from its own membership one or more members to act as representatives of the Board at any meeting in which it considers this representation is desirable.
- (8) Establish fees for applications for examination, registration, certificates of certification and renewal, and other services provided by the Board.
- (9) Adopt any rules necessary to carry out the purpose of this Article and its duties and responsibilities pursuant to this Article.

The powers and duties enumerated in this section are granted for the purposes of enabling the Board to safeguard the public health, safety, and welfare against unqualified or incompetent practitioners and are to be liberally construed to accomplish this objective. When the Board exercises its authority under this Article to discipline a person, it may, as part of the decision imposing the discipline, charge the costs of investigations and the hearing to the person disciplined. (1993 (Reg. Sess., 1994), c. 685, s. 1; 1997-492, s. 4; 1999-164, s. 5; 2001-370, ss. 2, 3.)

Effect of Amendments. — Session Laws 2001-370, ss. 2 and 3, effective April 1, 2002, in subdivision (2), added "or registration" twice in the first sentence and twice in the second

sentence, and added "or registrations" at the end of the second sentence; and inserted "registration" following "examination" in subdivision (8).

§ 90-113.33A. Officers may administer oaths, and subpoena witnesses, records, and other materials.

The President or other presiding officer of the Board may administer oaths to all persons appearing before it as the Board may deem necessary to perform its duties, and may summon and issue subpoenas for the appearance of any witnesses deemed necessary to testify concerning any matter to be heard before or inquired into by the Board. The Board may order that any client records, documents, or other materials concerning any matter to be heard before or inquired into by the Board shall be produced before the Board or made available for inspection, notwithstanding any other provisions of law providing for the application of any counselor-client or physician-patient privilege with respect to such records, documents, or other materials. All records, documents, or other materials compiled by the Board are subject to the provisions of G.S. 90-113.34, except that in any proceeding before the Board, record of any hearing before the Board, and notice of charges against any person certified by the Board, the Board shall withhold from public disclosure the identity of a client, including information relating to dates and places of treatment, or any other information that tends to identify the client unless the client or the client's representative has expressly consented to the disclosure. Upon written request, the Board shall revoke a subpoena if, upon a hearing, it finds that the evidence sought does not relate to a matter in issue, the subpoena does not describe the evidence with sufficient particularity, or the subpoena is invalid. (1999-164, s. 6.)

§ 90-113.34. Records to be kept; copies of records.

(a) The Board shall keep a regular record of its proceedings, together with the names of the members of the Board present, the names of the applicants for certification, and other information relevant to its actions. The Board shall cause a record to be kept that shall show the name, last known place of business, last known place of residence, and date and number of the certificate of certification as a certified substance abuse counselor, certified substance abuse prevention consultant, certified clinical supervisor, certified clinical addictions specialist, or certified residential facility director for every living certified person. Any interested person in the State is entitled to obtain a copy of that record on application to the Board and upon payment of a reasonable charge that is based on the costs involved in providing the copy.

(b) The Board may in a closed session receive evidence regarding the provision of substance abuse counseling or other treatment and services provided to a client who has not expressly or through implication consented to the public disclosure of such treatment as may be necessary for the protection of the rights of the client or of the accused substance abuse professional and the full presentation of relevant evidence. All records, papers, and other documents containing information collected and compiled by the Board, its members, or employees as a result of investigations, inquiries, or interviews conducted in connection with a certification or disciplinary matter shall not be considered public records within the meaning of Chapter 132 of the General Statutes, except any notice or statement of charges, or notice of hearing shall be a public record notwithstanding that it may contain information collected and compiled as a result of an investigation, inquiry, or interview. If any record, paper, or other document containing information collected and compiled by the Board as provided in this subsection is received and admitted in evidence in any hearing before the Board, it shall thereupon be a public record.

(c) Notwithstanding any provision to the contrary, the Board may, in any proceeding, record of any hearing, and notice of charges, withhold from public disclosure the identity of a client who has not expressly or through implication consented to such disclosure of treatment by the accused substance abuse professional. (1993 (Reg. Sess., 1994), c. 685, s. 1; 1997-492, s. 5; 1999-164, s. 7.)

§ 90-113.35. Disposition of funds.

All fees and other moneys collected and received by the Board shall be used to implement this Article. The financial records of the Board shall be subjected to an annual audit and paid for out of the funds of the Board. (1993 (Reg. Sess., 1994), c. 685, s. 1.)

§ 90-113.36. Certificates of certification.

(a) The Board shall furnish a certificate of certification to each applicant successfully completing the requirements for certification.

(b) The Board may furnish a certificate of certification to any person in another state or territory if the individual's qualifications were, at the date of registration or certification, substantially equal to the requirements under this Article. However, an out-of-state applicant shall first file application and pay any required fees. (1993 (Reg. Sess., 1994), c. 685, s. 1.)

§ 90-113.37. Renewal of certification; lapse; revival.

(a) Every person certified pursuant to this Article who desires to maintain certification status shall apply to the Board for a renewal of certification every

other year and pay to the secretary-treasurer the prescribed fee. Renewal of certification is subject to completion of no more than 60 hours of those continuing education requirements established by the Board. A clinical supervisor shall complete 15 hours of substance abuse clinical supervision training prior to the certificate being renewed. Certification that is not renewed automatically lapses, unless the Board provides for the late renewal of certification upon the payment of a late fee. No late renewal shall be granted more than five years after a certification expires. A suspended certification is subject to this section's renewal requirements and may be renewed as provided in this section. This renewal does not entitle the certified person to engage in the certified activity or in any other conduct or activity in violation of the order or judgment by which the certification was suspended, until the certification is reinstated. If a certification revoked on disciplinary grounds is reinstated and requires renewal, the certified person shall pay the renewal fee and any applicable late fee.

(b) The Board shall establish the manner in which lapsed certification may be revived or extended. (1993 (Reg. Sess., 1994), c. 685, s. 1; 1997-492, s. 6; 1999-164, s. 8.)

§ 90-113.38. Maximums for certain fees.

(a) The fee to obtain a certificate of certification as a substance abuse counselor, substance abuse prevention consultant, clinical supervisor, or residential facility director may not exceed four hundred seventy-five dollars (\$475.00). The fee to renew a certificate may not exceed one hundred fifty dollars (\$150.00).

In the court's consideration of the issue of whether to grant or continue an injunction sought by the Board, a showing of conduct in violation of the terms of this Article shall be sufficient to meet any requirement of general North Carolina injunction law for irreparable damage.

ARTICLE 6.

Optometry.

§ 90-114. Optometry defined.

Any one or any combination of the following practices shall constitute the practice of optometry:

- (1) The examination of the human eye by any method, other than surgery, to diagnose, to treat, or to refer for consultation or treatment any abnormal condition of the human eye and its adnexa; or
- (2) The employment of instruments, devices, pharmaceutical agents and procedures, other than surgery, intended for the purposes of investigating, examining, treating, diagnosing or correcting visual defects or abnormal conditions of the human eye or its adnexa; or
- (3) The prescribing and application of lenses, devices containing lenses, prisms, contact lenses, orthoptics, vision training, pharmaceutical agents, and prosthetic devices to correct, relieve, or treat defects or abnormal conditions of the human eye or its adnexa. (1909, c. 444, s. 1; C.S., s. 6687; 1923, c. 42, s. 1; 1977, c. 482, s. 1; 1997-75, s. 1.)

CASE NOTES

Editor's Note. — *Some of the following cases were decided under this section as it stood prior to the 1977 amendment.*

This Article was intended to regulate the practice of optometry, and not the optical trade. *Palmer v. Smith*, 229 N.C. 612, 51 S.E.2d 8 (1948).

This section is in substantial accord with the definitions given in other jurisdictions. *Palmer v. Smith*, 229 N.C. 612, 51 S.E.2d 8 (1948).

The duplication of an ophthalmic lens, or the duplication or replacement of a frame or mounting for such lenses, does not constitute the practice of optometry as defined

in this section. *Palmer v. Smith*, 229 N.C. 612, 51 S.E.2d 8 (1948). See note to § 90-115.

Neither an optician nor an optometrist is permitted to use any medicine to treat the eye in order to relieve irritation or for any other trouble which requires the use of drugs. *High v. Ridgeway's Opticians*, 258 N.C. 626, 129 S.E.2d 301 (1963).

The physician-patient privilege against disclosure of confidential communications and information does not extend to optometrists. (But see now G.S. 8-53.9, enacted in 1997) *State v. Shaw*, 305 N.C. 327, 289 S.E.2d 325 (1982).

OPINIONS OF ATTORNEY GENERAL

Post-operative care of cataract surgery patients falls within the definition of optometry when performed by a licensed optometrist, and does not constitute the unauthorized practice of medicine where there are no compli-

cations as a result of the surgery. See opinion of Attorney General to Mr. Bryant D. Paris, Jr., Executive Director, Board of Medical Examiners, 56 N.C.A.G. 5 (1986).

§ 90-115. Practice without registration unlawful.

After the passage of this Article it shall be unlawful for any person to practice optometry in the State unless he has first obtained a certificate of registration as hereinafter provided. Within the meaning of this Article, a person shall be deemed as practicing optometry who does, or attempts to, sell, furnish, replace, or duplicate, a lens, frame, or mounting, or furnishes any kind of material or apparatus for ophthalmic use, without a written prescription from a person authorized under the laws of the State of North Carolina to practice optometry, or from a person authorized under the laws of North Carolina to practice medicine: Provided, however, that the provisions of this section shall not prohibit persons or corporations from selling completely assembled spectacles, without advice or aid as to the selection thereof, as merchandise from permanently located or established places of business, nor shall it prohibit persons or corporations from making mechanical repairs to frames for spectacles; nor shall it prohibit any person, firm, or corporation engaged in grinding lenses and filling prescriptions from replacing or duplicating lenses on original prescriptions issued by a duly licensed optometrist, and oculist. (1909, c. 444, s. 2; C.S., s. 6688; 1935, c. 63; 1967, c. 691, s. 43.)

CASE NOTES

Section Is Invalid in Part. — This section is invalid insofar as it declares that a person is practicing optometry when he replaces or duplicates an ophthalmic lens, or replaces or duplicates the frame or mounting for such lens, for these acts do not constitute the practice of optometry as defined by G.S. 90-114, and the proscription has no reasonable relation to the public health, safety or welfare. *Palmer v. Smith*, 229 N.C. 612, 51 S.E.2d 8 (1948). See N.C. Const., Art. I, §§ 1, 19, and 34.

Effect of Definition in G.S. 90-114. — The mere fact that this section provides that a person shall be deemed to be practicing optometry if he duplicates a lens or replaces or duplicates a frame or mounting, without a prescription, does not make it so, unless such duplication or replacement constitutes the practice of optometry within the definition

thereof in G.S. 90-114. *Palmer v. Smith*, 229 N.C. 612, 51 S.E.2d 8 (1948), decided prior to 1977 amendment of G.S. 90-114.

What Optician May Do. — So long as an optician confines his work to the mere mechanical process of duplicating lenses, replacing or duplicating frames and mountings, "making mechanical repairs to frames for spectacles," and filling prescriptions issued by a duly licensed optometrist or oculist, and does not in any manner undertake "the measurement of the powers of vision and the adaptation of lenses for the aid thereof," he is not practicing optometry. *Palmer v. Smith*, 229 N.C. 612, 51 S.E.2d 8 (1948), decided prior to 1977 amendment of § 90-114.

Cited in *High v. Ridgeway's Opticians*, 258 N.C. 626, 129 S.E.2d 301 (1963).

§ 90-115.1. Acts not constituting the unlawful practice of optometry.

In addition to the exemptions from this Article otherwise existing the following acts or practices shall not constitute the unlawful practice of optometry:

- (1) The practice of optometry, in the discharge of their official duties, by optometrists in any branch of the military service of the United States or in the full employ of any agency of the United States.
- (2) The teaching of optometry, in optometry schools or colleges operated and conducted in this State and approved by the North Carolina State Board of Examiners in Optometry, by any person or persons licensed to practice optometry anywhere in the United States or in any country, territory or other recognized jurisdiction; provided, however, that such teaching of optometry by any person or persons licensed in any jurisdiction other than a place in the United States must first be approved by the North Carolina State Board of Examiners in Optometry.
- (3) The practice of optometry by students enrolled in optometry schools or colleges approved by the North Carolina State Board of Examiners in Optometry when such practice is performed as a part of the student's course of instruction, is under the direct supervision of an optometrist who is either duly licensed in North Carolina or qualified under subdivision (2) above as a teacher, and is conducted in accordance with such rules as may be established for such practice by the North Carolina State Board of Examiners in Optometry. Additionally, the practice of optometry by such students at any location upon patients or inmates of institutions wholly owned or operated by the State of North Carolina or any political subdivision or subdivisions thereof when, in the opinion of the dean of such optometry school or college or his designee, the student's optometric education and experience is adequate therefor, subject to review and approval by the said Board of Examiners in Optometry, and such practice is a part of the course of instruction of such students, is performed under the supervision of a duly licensed optometrist acting as a teacher or instructor and is without remuneration except for expenses and subsistence as defined and permitted by the rules and regulations of said Board of Examiners in Optometry.

§ 90-116. Board of Examiners in Optometry.

In order to properly regulate the practice of optometry, there is established a North Carolina State Board of Examiners in Optometry, which shall consist of five regularly graduated optometrists who have been engaged in the practice of optometry in this State for at least five years and two members to represent the public at large.

No public member shall at any time be a health care provider, be related to or be the spouse of a health care provider, or have any pecuniary interest in the profitability of a health care provider. For purposes of this section, the term "health care provider" shall have the same meaning as provided in G.S. 58-47-5(4). The Governor shall appoint the two public members not later than July 1, 1981.

The optometric members of the Board shall be appointed by the Governor from a list provided by the North Carolina State Optometric Society. For each vacancy, the society must submit at least three names to the Governor. The society shall establish procedures for the nomination and election of optometrist members of the Board. These procedures shall be adopted under the rule-making procedures described in Article 2A, Chapter 150B of the General Statutes, and notice of the proposed procedures shall be given to all licensed optometrists residing in North Carolina. Such procedures shall not conflict with the provisions of this section. Every optometrist with a current North Carolina license residing in the State shall be eligible to vote in all such elections, and the list of licensed optometrists shall constitute the registration list for elections. Any decision of the society relative to the conduct of such elections may be challenged by civil action in the Wake County Superior Court. A challenge must be filed not later than 30 days after the society has rendered the decision in controversy, and all such cases shall be heard de novo.

All Board members serving on June 30, 1981, shall be eligible to complete their respective terms. No member appointed to a term on or after July 1, 1981, shall serve more than two complete consecutive five-year terms, except that each member shall serve until his successor is chosen and qualifies.

The Governor may remove any member for good cause shown. Any vacancy in the optometrist membership of the Board shall be filled for the period of the unexpired term by the Governor from a list of at least three names submitted by the North Carolina State Optometric Society Executive Council. Any vacancy in the public membership of the Board shall be filled by the Governor for the unexpired term. § 90-117. Officers; common seal.

The North Carolina State Board of Examiners in Optometry shall, at each annual meeting thereof, elect one of its members president and one secretary-treasurer. The common seal which has already been adopted by said Board,

pursuant to law, shall be continued as the seal of said Board. (1909, c. 444, s. 4; C.S., s. 6690; 1935, c. 63; 1953, c. 1041, s. 11; 1973, c. 800, s. 1.)

§ 90-117.1. Quorum; adjourned meetings.

A majority of the members of said Board shall constitute a quorum for the transaction of business. If a majority of members are not present at the time and the place appointed for a Board meeting, those members of the Board in attendance may adjourn from day to day until a quorum is present, and the action of the Board taken at any adjourned meeting thus had shall have the same force and effect as if had upon the day and at the hour of the meeting called and adjourned from day to day. (1973, c. 800, s. 2; 1981, c. 496, s. 2.)

§ 90-117.2. Records and transcripts.

The said Board shall keep a record of its transactions at all annual or special meetings and shall provide a record book in which shall be entered the names and proficiency of all persons to whom licenses may be granted under the provisions of law. The said book shall show, also, the license number and the date upon which such license was issued and shall show such other matters as in the opinion of the Board may be necessary or proper. Said book shall be deemed a book of record of said Board and a transcript of any entry therein or a certification that there is not entered therein the name, proficiency and license number or date of granting such license, certified under the hand of the secretary-treasurer, attested by the seal of the North Carolina State Board of Examiners in Optometry, shall be admitted as evidence in any court of this State when the same shall otherwise be competent. (1973, c. 800, s. 3.)

§ 90-117.3. Annual and special meetings.

The North Carolina State Board of Examiners in Optometry shall meet annually in June of each year at such place as may be determined by the Board, and at such other times and places as may be determined by action of the Board or by a majority of the members thereof. Notice of the place of the annual meeting and of the time and place of any special or called meeting shall be given in writing, by registered or certified mail or personally, to each member of the Board at least 10 days prior to said meeting; provided the requirements of notice may be waived by any member of the Board. At the annual meeting or at any special or called meeting, the said Board shall have the power to conduct examination of applicants and to transact such other business as may come before it, provided that in case of a special meeting, the purpose for which said meeting is called shall be stated in the notice. (1973, c. 800, s. 4; 1981, c. 496, s. 3.)

§ 90-117.4. Judicial powers; additional data for records.

The president of the North Carolina State Board of Examiners in Optometry, and/or the secretary-treasurer of said Board, shall have the power to administer oaths, issue subpoenas requiring the attendance of persons and the production of papers and records before said Board in any hearing, investigation or proceeding conducted by it. The sheriff or other proper official of any county of the State shall serve the process issued by said president or secretary-treasurer of said Board pursuant to its requirements and in the same manner as process issued by any court of record. The said Board shall pay for the service of all process, such fees as are provided by law for the service of like process in other cases.

Any person who shall neglect or refuse to obey any subpoena requiring him to attend and testify before said Board or to produce books, records or documents shall be guilty of a Class 1 misdemeanor.

The Board shall have the power, upon the production of any papers, records or data, to authorize certified copies thereof to be substituted in the permanent record of the matter in which such books, records or data shall have been introduced in evidence. (1973, c. 800, s. 5; 1993, c. 539, s. 627; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

Subpoena Power of Board. — This section clearly gives the Board the power, in a proper case, to issue subpoenas requiring the attendance of persons and the production of papers and records. The subpoena authority of the Board is limited to any hearing, investigation or proceeding conducted by it. *Bullington v.*

North Carolina State Bd. of Exmrs., 79 N.C. App. 750, 340 S.E.2d 770 (1986).

The authority of the Board to enforce its subpoena power necessarily must be decided on a case-by-case basis. *Bullington v. North Carolina State Bd. of Exmrs.*, 79 N.C. App. 750, 340 S.E.2d 770 (1986).

§ 90-117.5. Bylaws and regulations.

The North Carolina State Board of Examiners in Optometry shall have the power to make necessary bylaws and regulations, not inconsistent with the provisions of this Article, regarding any matter referred to in this Article and for the purpose of facilitating the transaction of business by the said Board. (1973, c. 800, s. 6.)

§ 90-118. Examination and licensing of applicants; qualifications; causes for refusal to grant license; void licenses; educational requirements for prescription and use of pharmaceutical agents.

(a) The North Carolina State Board of Examiners in Optometry shall grant licenses to practice optometry to such applicants who are graduates of an accredited optometric institution, who, in the opinion of a majority of the Board, shall undergo a satisfactory examination of proficiency in the knowledge and practice of optometry, subject, however, to the further provisions of this section and to the provisions of this Article.

(b) The applicant shall be of good moral character and at least 18 years of age at the time the application for examination is filed. The application shall be made to the said Board in writing and shall be accompanied by evidence satisfactory to said Board that the applicant is a person of good moral character; has an academic education, the standard of which shall be determined by the said Board; and that he is a graduate of and has a diploma from an accredited optometric college or the optometric department of an accredited university or college recognized and approved as such by the said Board.

(c) The North Carolina State Board of Examiners in Optometry is authorized to conduct both written or oral and clinical examinations of such character as to thoroughly test the qualifications of the applicant, and may refuse to grant a license to any person who, in its discretion, is found deficient in said examination, or to any person guilty of cheating, deception, or fraud during such examination, or whose examination discloses, to the satisfaction of the Board, a deficiency in academic education. The Board may employ such optometrists found qualified therefor by the Board in examining applicants for licenses as it deems appropriate.

(d) Any license obtained through fraud or by any false representation shall be void ab initio and of no effect.

(e) The Board shall not license any person to practice optometry in the State of North Carolina beyond the scope of the person's educational training as determined by the Board. No optometrist presently licensed in this State shall prescribe and use pharmaceutical agents in the practice of optometry unless and until he (i) has submitted to the Board evidence of satisfactory completion of all educational requirements established by the Board to prescribe and use pharmaceutical agents in the practice of optometry and (ii) has been certified by the Board as educationally qualified to prescribe and use pharmaceutical agents.

Provided, however, that no course or courses in pharmacology shall be approved by the Board unless (i) taught by an institution having facilities for both the didactic and clinical instruction in pharmacology and which is accredited by a regional or professional accrediting organization that is recognized and approved by the Council on Postsecondary Accreditation or the United States Office of Education and (ii) transcript credit for the course or courses is certified to the Board by the institution as being equivalent in both hours and content to those courses in pharmacology required by the other licensing boards in this Chapter whose licensees or registrants are permitted the use of pharmaceutical agents in the course of their professional practice. (d) Any license issued upon the application of any optometrist from any other state or territory shall be subject to all of the provisions of this Article

with reference to the license issued by the North Carolina State Board of Examiners in Optometry upon examination of applicants and the rights and privileges to practice the profession of optometry under any license so issued shall be subject to the same duties, obligations, restrictions and the conditions as imposed by this Article on optometrists originally examined by the North Carolina State Board of Examiners in Optometry. (1973, c. 800, s. 12; 1981, c. 496, ss. 6, 7.)

§ 90-118.6. Certificate issued to optometrist moving out of State.

Any optometrist duly licensed by the North Carolina State Board of Examiners in Optometry, desiring to move from North Carolina to another state, territory or foreign country, if a holder of a certificate of renewal of license from said Board, upon application to said Board and the payment to it of the fee in this Article provided, shall be issued a certificate showing his full name and address, the date of license originally issued to him, the date and number of his renewal of license, and whether any charges have been filed with the Board against him. The license to resume practice, after issuance thereof, shall be subject to all the provisions of this Article. (1973, c. 800, s. 14.)

§§ 90-118.8, 90-118.9: Repealed by Session Laws 1981, c. 811, ss. 4, 5.

§ 90-118.10. Annual renewal of licenses.

Since the laws of North Carolina now in force provided for the annual renewal of any license issued by the North Carolina State Board of Examiners in Optometry, it is hereby declared to be the policy of this State that all licenses heretofore issued by the North Carolina State Board of Examiners in Optometry, or hereafter issued by said Board are subject to annual renewal and the exercise of any privilege granted by any license heretofore issued or hereafter issued by the North Carolina State Board of Examiners in Optometry is subject to the issuance on or before the first day of January of each year of a certificate of renewal of license.

On or before the first day of January of each year, each optometrist engaged in the practice of optometry in North Carolina shall make application to the North Carolina State Board of Examiners in Optometry and receive from said Board, subject to the further provisions of this section and of this Article, a certificate of renewal of said license.

The application shall show the serial number of the applicant's license, his full name, address and the county in which he has practiced during the

preceding year, the date of the original issuance of license to said applicant and such other information as the said Board from time to time may prescribe by regulation.

If the application for such renewal certificate, accompanied by the fee required by this Article, is not received by the Board before January 31 of each year, an additional fee of fifty dollars (\$50.00) shall be charged for renewal certificate. If such application accompanied by the renewal fee is not received by the Board before March 31 of each year, every person thereafter continuing to practice optometry without having applied for a certificate of renewal shall be guilty of the unauthorized practice of optometry and shall be subject to the penalties prescribed by G.S. 90-118.11.

In issuing a certificate of renewal, the Board shall expressly state whether such person, otherwise licensed in the practice of optometry, has been certified to prescribe and use pharmaceutical agents. (1973, c. 800, s. 17; c. 1092, s. 1; 1977, c. 482, s. 3; 1987, c. 645, s. 3.)

§ 90-118.11. Unauthorized practice; penalty for violation of Article.

If any person shall practice or attempt to practice optometry in this State without first having passed the examination and obtained a license from the North Carolina State Board of Examiners in Optometry; or without having obtained a provisional license from said Board; or if he shall practice optometry after March 31 of each year without applying for a certificate of renewal of license, as provided in G.S. 90-118.10; or shall practice or attempt to practice optometry while his license is revoked, or suspended, or when a certificate of renewal of license has been refused; or shall practice or attempt to practice optometry by means or methods that the Board has determined is beyond the scope of the person's educational training; or shall violate any of the provisions of this Article for which no specific penalty has been provided; or shall practice, or attempt to practice, optometry in violation of the provisions of this Article; or shall practice optometry under any name other than his own name, said person shall be guilty of a Class 1 misdemeanor. Each day's violation of this Article shall constitute a separate offense. (1973, c. 800, s. 18; 1977, c. 482, s. 4; 1981, c. 496, s. 10; 1993, c. 539, s. 628; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 90-119. Persons in practice before passage of statute.

Every person who had been engaged in the practice of optometry in the State for two years prior to the date of the passage of this Article shall hereafter file an affidavit as proof thereof with the Board. The secretary shall keep a record of such persons who shall be exempt from the provisions of the preceding section [G.S. 90-118]. Upon payment of three dollars (\$3.00) he shall issue to each of them certificates of registration without the necessity of an examination. Failure on the part of a person so entitled within six months of the enactment of this Article to make written application to the Board for the certificate of registration accompanied by a written statement, signed by him and duly verified before an officer authorized to administer oaths within this State, fully setting forth the grounds upon which he claims such certificate, shall be deemed a waiver of his right to a certificate under the provisions of this section. A person who has thus waived his right may obtain a certificate thereafter by successfully passing examination and paying a fee as provided herein. (1909, c. 444, ss. 6, 7, 9; C.S., s. 6692.)

§§ 90-120, 90-121: Repealed by Session Laws 1973, c. 800, ss. 19, 20.

§ 90-121.1. Board may enjoin illegal practices.

In view of the fact that the illegal practice of optometry imminently endangers the public health and welfare, and is a public nuisance, the North Carolina State Board of Examiners in Optometry may, if it shall find that any person is violating any of the provisions of this Article, apply to the superior court for a temporary or permanent restraining order or injunction to restrain such person from continuing such illegal practices. If upon such application, it shall appear to the court that such person has violated, or is violating, the provisions of this Article, the court shall issue an order restraining any further violating thereof. All such actions by the Board for injunctive relief shall be governed by the provisions of Article 37 of Chapter 1 of the General Statutes: provided, such injunctive relief may be granted regardless of whether criminal prosecution has been or may be instituted under the provisions of G.S. 90-124. Actions under this section shall be commenced in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the respondent resides or has his principal place of business. (1973, c. 800, s. 19; 1981, c. 496, s. 11; 1987 (Reg. Sess., 1988), c. 1037, s. 101.)

§ 90-121.2. Rules and regulations; discipline, suspension, revocation and regrant of certificate.

(a) The Board shall have the power to make, adopt, and promulgate such rules and regulations, including rules of ethics, as may be necessary and proper for the regulation of the practice of the profession of optometry and for the performance of its duties. The Board shall have jurisdiction and power to hear and determine all complaints, allegations, charges of malpractice, corrupt or unprofessional conduct, and of the violation of the rules and regulations, including rules of ethics, made against any optometrist licensed to practice in North Carolina. - (4) Has been convicted of or entered a plea of guilty or nolo contendere to any felony charge or to any misdemeanor charge involving moral turpitude;

- (7) Is mentally, emotionally, or physically unfit to practice optometry or is afflicted with such a physical or mental disability as to be deemed dangerous to the health and welfare of his patients. An adjudication of

mental incompetency in a court of competent jurisdiction or a determination thereof by other lawful means shall be conclusive proof of unfitness to practice optometry unless or until such person shall have been subsequently lawfully declared to be mentally competent;

- (8) Repealed by Session Laws 1981, c. 496, s. 12.
- (9) Has permitted the use of his name, diploma or license by another person either in the illegal practice of optometry or in attempting to fraudulently obtain a license to practice optometry;

- (12) Has been negligent in the practice of optometry;
- (13) Has employed a person not licensed in this State to do or perform any act of service, or has aided, abetted or assisted any such unlicensed person to do or perform any act or service which under this Article can lawfully be done or performed only by an optometrist licensed in this State;

(f) As used in this section the term "licensee" includes licensees, provisional licensees and holders of intern permits, and the term "license" includes license, provisional license and intern permit.

A person shall not be held liable in any civil proceeding for testifying before the Board in good faith and without fraud or malice in any proceeding involving a violation of subsection (a) of this section or any other law relating to the fitness of an applicant or licensee to practice optometry, or for making a recommendation to the Board in the nature of peer review, in good faith and without fraud and malice. (a) The North Carolina State Board of Examiners in Optometry may, under rules adopted by the Board in compliance with Chapter 150B of the General Statutes, enter into agreements with the North Carolina State Optometric Society (Society), for the purpose of conducting peer review activities. (b) Peer review agreements shall include provisions for the Society to receive relevant information from the Board and other sources, provide assurance of confidentiality of nonpublic information and of the review process,

and make reports to the Board. Peer review agreements shall include provisions assuring due process.

(c) Any confidential patient information and other nonpublic information acquired, created, or used in good faith by the Society pursuant to this section shall remain confidential and shall not be subject to discovery or subpoena in a civil case.

Editor's Note. — Session Laws 1997-75, s. 3 enacted this section as G.S. 90-127.4. The sec-

tion has been recodified as G.S. 90-128.1 at the direction of the Revisor of Statutes.

ARTICLE 7.

Osteopathy.

§ 90-129. Osteopathy defined.

For the purpose of this Article osteopathy is defined to be the science of healing without the use of drugs, as taught by the various colleges of osteopathy recognized by the North Carolina Osteopathic Society, Incorporated. (1907, c. 764, s. 8; 1913, c. 92, s. 3; C.S., s. 6700.)

Cross References. — As to limited liability companies and their powers, see G.S. 57C-2-01 et seq. As to what constitutes illegal practice of

medicine by licensed osteopath, see G.S. 90-18 and note thereto.

CASE NOTES

Purpose of Article. — In all probability, the General Assembly enacted the statutes relating to the practice of osteopathy now embodied in this Article because of the decision in *State v. McKnight*, 131 N.C. 717 42 S.E. 580, 59 L.R.A. 187 (1902), which recognized that osteopathy is a "mode of treatment which absolutely excludes medicines and surgery from its pathology" and held that for this reason the statutes requiring examination and license "before beginning the practice of medicine or surgery" did not apply to osteopaths. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

The distinction between the practice of osteopathy and the practice of medicine and surgery is recognized by Articles 1 and 7 of this Chapter. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

"Osteopathy" Does Not Involve Use of Drugs. — "Osteopathy" is the very antithesis of any science of medicine involving the use of drugs. It is a system of treating diseases of the

human body without drugs or surgery. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

The words "as taught by the various colleges of osteopathy" do not set at large the signification of "osteopathy," permitting the colleges to give it any meaning they choose. The legislature merely authorizes the colleges to determine, select, and teach the most desirable methods of doing what is comprehended within the term "osteopathy." The colleges cannot widen the scope of the osteopath's certificate so as to permit him to practice other systems of healing by the simple expedient of varying their curricula. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

In a prosecution of an osteopath for practicing medicine without a license, the State does not have the burden of showing that the administration or prescription of medicines with which defendant is charged was not taught in the recognized colleges of osteopathy. *State v. Baker*, 229 N.C. 73, 48 S.E.2d 61 (1948).

§ 90-130. Board of Examiners; membership; officers; meeting.

There shall be a State Board of Osteopathic Examination and Registration consisting of three members appointed by the Governor, whose duty it shall be to administer the provisions of this Article. The members of the Board shall be reputable practitioners of osteopathy and appointed by the Governor from a list provided by the North Carolina Osteopathic Society. For each vacancy, the Society must submit at least three names to the Governor, the recommendation of the president and secretary being sufficient proof of the appointees' standing in the profession. Their term of office shall be for three years and so designated by the Governor that the term of one member shall expire each year. Thereafter annually the Governor shall in like manner appoint one person to fill the vacancy in the Board thus created.

All Board members serving on June 30, 1983, shall be eligible to complete their respective terms. In order to reduce the membership of the Board from five to three, the Governor shall make no appointments to fill the first two vacancies occurring on the Board after June 30, 1983. A vacancy occurring from any other cause shall be filled by the Governor for the unexpired term in the same manner as stated above.

The Board shall meet annually and elect a president, secretary, and treasurer, each to serve one year. The Board shall have a common seal, and shall adopt rules to govern its actions; and the president and secretary shall be empowered to administer oaths. The Board shall meet annually upon the call of the president. Two members of the Board shall constitute a quorum, and no certificate to practice osteopathy shall be granted on an affirmative vote of less than two. The Board shall keep a record of its proceedings and a register of all applicants for certificates giving the name and location of the institution granting the applicant the degree of doctor of or diploma in osteopathy, the date of his or her diploma, and whether the applicant was rejected or a certificate granted. The record and registers shall be prima facie evidence of all matters recorded therein. (1907, c. 764, s. 1; 1913, c. 92, s. 1; C.S., s. 6701; 1937, c. 301, s. 1; 1981, c. 884, s. 8; 1983, c. 107, s. 1.)

§ 90-131. Educational requirements, examination and certification of applicants.

Any person, before engaging in the practice of osteopathy in this State, after June 3, 1959, shall, upon the payment of a fee of twenty-five dollars (\$25.00), make application for a certificate to practice osteopathy to the Board of Osteopathic Examination and Registration on a form prescribed by the Board, giving, first, his name, age (which shall not be less than 21 years), and residence; second, evidence that such applicant is of good character and shall have, previous to the beginning of his course in osteopathy, obtained a diploma from a high school, or academy, or its equivalent, and evidence of having completed not less than two years if he matriculated in an osteopathic college before October 1, 1952, and if thereafter three years preosteopathic education in an accredited college or university approved by the Board; third, the date of his diploma, and evidence that such diploma was granted on personal attendance and completion of a course of not less than four academic years conforming to the minimum standards for osteopathic colleges established by the American Osteopathic Association. The Board may require the applicant to file an affidavit as to any facts pertaining to his application for a license to practice osteopathy and shall, except as otherwise provided, give to applicants a written examination in the subjects of anatomy, physiology, biochemistry, toxicology, chemistry, osteopathic pathology, bacteriology, histology, diagnosis,

hygiene, osteopathic obstetrics and gynecology, minor surgery, principles and practice of osteopathy, and such other like subjects as the Board may require. An applicant passing said examination with a minimum grade in each subject of seventy percent (70%) and a minimum general average of seventy-five percent (75%) in all subjects and who otherwise meets the requirements of this Article shall be licensed to practice osteopathy as defined in G.S. 90-129. The Board is authorized to promulgate rules and regulations to carry out the provisions of this Article; and to employ qualified personnel including persons or organizations specially qualified in preparing, giving and grading examinations to assist or advise the Board. The Board may refuse to grant a certificate to any person convicted of a felony, or a crime involving moral turpitude or who engages in gross unprofessional or immoral conduct, or who is addicted to any vice to such a degree as to render him unfit to practice osteopathy, and may, after due notice and hearing, revoke such certificate for like cause. (1907, c. 764, s. 2; 1913, c. 92, s. 1; C.S., s. 6702; 1959, c. 705, s. 1.)

CASE NOTES

Necessity for Examination. — Those who practice and receive pay for the treatment of human diseases without the use of drugs, and who are not licensed osteopaths, are required to

take the examination and receive the license provided for by statute. *State v. Siler*, 169 N.C. 314, 84 S.E. 1015 (1915).

§ 90-132. When examination dispensed with; temporary permit; annual registration.

The Board may, in its discretion, dispense with an examination in the case of an osteopathic physician duly authorized to practice osteopathy in any other state or territory, or the District of Columbia, who presents a certificate of license issued after an examination by the legally constituted board of such state, territory, or District of Columbia, accorded only to applicants of equal grade with those required in this State or who presents a certificate issued by the National Board of Examiners for Osteopathic Physicians and Surgeons, and who makes application on a form to be prescribed by the Board, accompanied by a fee of seventy-five dollars (\$75.00).

The secretary of the Board may grant a temporary permit until a regular meeting of the Board, or to such time as the Board can conveniently meet, to one whom he considers eligible to practice in the State, and who may desire to commence the practice immediately. Such permit shall only be valid until legal action of the Board can be taken. In all the above cases the fee shall be the same as charged to applicants for examination.

Every person licensed to practice osteopathy by the Board of Osteopathic Examination and Registration shall, during January of each year, register his name, office and residence addresses, and such other information as the Board may deem necessary with the Board secretary and shall pay a registration fee fixed by the Board not exceeding fifty dollars (\$50.00). An annual registration receipt shall be issued and mailed to each license holder, upon payment of the registration fee, which shall be placed in a conspicuous position in the licensee's office, if he practices in this State. In the event an osteopath fails to register as herein provided he shall pay an additional amount of ten dollars (\$10.00) to the Board. Should an osteopath fail to register and pay the fees imposed, and should such failure continue for a period of 30 days, the license of such osteopath may be suspended by the Board, after notice and hearing at the next regular meeting of the Board. Upon payment of all fees and penalties which may be due, the license of such osteopath shall be reinstated. (1907, c. 764, s. 2; C.S., s. 6703; 1959, c. 705, s. 2; 1983, c. 107, s. 2.)

§ 90-133. Fees held by Board; salaries; payment of expenses.

All fees shall be paid in advance to the treasurer of the Board, to be by him held as a fund for the use of the State Board of Osteopathic Examination and Registration. The compensation and expenses of the members and officers of said Board, and all expenses proper and necessary, in the opinion of said Board, to discharge its duties under and to enforce the law, shall be in accordance with G.S. 93B-5, shall be paid out of such fund, upon the warrant of the president and secretary of said Board, and no expense shall be created to exceed the income of fees or fines as herein provided. (1907, c. 764, s. 3; C.S., s. 6705; 1991 (Reg. Sess., 1992), c. 1011, s. 2.)

§ 90-134. Subject to State and municipal regulations.

Osteopathic physicians shall observe and be subject to all State and municipal regulations relating to the control of contagious diseases, the reporting and certifying of births and deaths, and all matters pertaining to public health, the same as physicians of other schools of medicine, and such reports shall be accepted by the officers or department to whom the same are made. (1907, c. 764, s. 4; C.S., s. 6706.)

§ 90-135: Repealed by Session Laws 1967, c. 691, s. 59.

§ 90-136. Refusal, revocation or suspension of license; misdemeanors.

(a) The North Carolina State Board of Osteopathic Examination and Registration may refuse to issue a license to anyone otherwise qualified, and may suspend or revoke any license issued by it to any osteopathic physician, who is not of good moral character, and/or for any one or any combination of the following causes:

- (1) Conviction of a felony, as shown by a certified copy of the record of the court of conviction;
 - (2) The obtaining of or an attempt to obtain a license, or practice in the profession, or money, or any other thing of value, by fraudulent misrepresentations;
 - (3) Gross malpractice;
 - (4) Advertising by means of knowingly false or deceptive statements;
 - (5) Advertising, practicing, or attempting to practice under a name other than one's own;
 - (6) Habitual drunkenness or habitual addiction to the use of morphine, cocaine, or other habit-forming drugs.
- (b) Each of the following acts constitutes a Class 1 misdemeanor:
- (1) The practice of osteopathy or an attempt to practice osteopathy, or professing to do so without a license;
 - (2) The obtaining of or an attempt to obtain a license, or practice in the profession, or money, or any other thing of value by fraudulent misrepresentation;
 - (3) The making of any willfully false oath or affirmation whenever an oath or affirmation is required by this Article;
 - (4) Advertising, practicing or attempting to practice osteopathy under a name other than one's own.

(c) The Board may neither suspend nor revoke any license, however, for any of the causes hereinabove set forth except in accordance with the provisions of Chapter 150B of the General Statutes. (1937, c. 301, s. 3; 1953, c. 1041, s. 13;

1973, c. 1331, s. 3; 1987, c. 827, s. 1; 1993, c. 539, s. 630; 1994, Ex. Sess., c. 24, s. 14(c); 1997-456, s. 27.)

§ 90-139. Creation and membership of Board of Examiners.

(a) The State Board of Chiropractic Examiners is created to consist of eight members appointed by the Governor and General Assembly. Six of the members shall be practicing doctors of chiropractic, who are residents of this State and who have actively practiced chiropractic in the State for at least eight consecutive years immediately preceding their appointments; four of these six members shall be appointed by the Governor, and two by the General Assembly in accordance with G.S. 120-121, one each upon the recommendation of the President Pro Tempore of the Senate and the Speaker of the House of Representatives. No more than three members of the Board may be graduates of the same college or school of chiropractic. The other two members shall be persons chosen by the Governor to represent the public at large. The public members shall not be health care providers nor the spouses of health care providers. For purposes of Board membership, "health care provider" means any licensed health care professional and any agent or employee of any health care institution, health care insurer, health care professional school, or a member of any allied health profession. For purposes of this section, a person enrolled in a program to prepare him to be a licensed health care professional or an allied health professional shall be deemed a health care provider. For purposes of this section, any person with significant financial interest in a health service or profession is not a public member.

(b) All Board members serving on June 30, 1981, shall be eligible to complete their respective terms. No member appointed to the Board on or after

July 1, 1981, shall serve more than two complete consecutive terms, except that each member shall serve until his successor is chosen and qualifies. The initial appointment of the General Assembly upon the recommendation of the President of the Senate shall be for a term to expire June 30, 1986, and the initial appointment of the General Assembly upon the recommendation of the Speaker of the House of Representatives shall be for a term to expire June 30, 1985, subsequent appointments upon the recommendation of the President of the Senate shall be for terms of three years, subsequent appointments upon the recommendation of the Speaker of the House of Representatives shall be for terms of two years.

(c) The Governor and General Assembly, respectively, may remove any member appointed by them for good cause shown. In addition, upon the request of the Speaker of the House of Representatives or the President Pro Tempore of the Senate concerning a person appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives or the President Pro Tempore of the Senate, respectively, the Governor may remove such appointee for good cause shown, if the request is made and removal occurs either (i) when the General Assembly has adjourned to a date certain, which date is more than 10 days after the date of adjournment, or (ii) after sine die adjournment of the regular session. The Governor may appoint persons to fill vacancies of persons appointed by him to fill unexpired terms. Vacancies in appointments made by the General Assembly shall be in accordance with G.S. 120-122. (1917, c. 73, s. 1; C.S., s. 6710; 1979, c. 108, s. 1; 1981, c. 766, s. 1; 1983, c. 717, ss. 100-104; 1995, c. 490, s. 11; 1999-405, s. 3; 1999-431, s. 3.9; 2000-181, s. 2.7(a).)

§ 90-140. Selection of chiropractic members of Board.

The Governor and the General Assembly upon the recommendation of the President Pro Tempore of the Senate shall appoint chiropractic members of the Board for terms of three years from a list provided by the Board, and the General Assembly upon the recommendation of the Speaker of the House of Representatives shall appoint a chiropractic member of the Board for a term of two years from a list provided by the Board. For each vacancy, the Board must submit at least three names to the Governor, President Pro Tempore of the Senate and Speaker of the House.

The Board shall establish procedures for the nomination and election of chiropractic members. These procedures shall be adopted under Article 2A of Chapter 150B of the General Statutes, and notice of the proposed procedures shall be given to all licensed chiropractors residing in North Carolina. These procedures shall not conflict with the provisions of this section. Every chiropractor with a current North Carolina license residing in this State shall be eligible to vote in all such elections, and the list of licensed chiropractors shall constitute the registration list for elections. Any decision of the Board relative to the conduct of such elections may be challenged by civil action in the Wake County Superior Court. A challenge must be filed not later than 30 days after the Board has rendered the decision in controversy, and all such cases shall be heard de novo. (1917, c. 73, s. 2; C.S., s. 6711; 1933, c. 442, s. 1; 1963, c. 646, s. 1; 1979, c. 108, s. 2; 1981, c. 766, s. 2; 1983, c. 717, s. 106; 1987, c. 827, s. 1; 1995, c. 490, s. 11.1; 2000-189, s. 6.)

§ 90-141. Organization; quorum.

The Board of Chiropractic Examiners shall elect such officers as they may deem necessary. Four members of the Board shall constitute a quorum for the transaction of business. (1917, c. 73, s. 4; C.S., s. 6713; 1933, c. 442, s. 1; 1981, c. 766, s. 3.)

§ 90-142. Rules and regulations.

The State Board of Chiropractic Examiners may adopt suitable rules and regulations for the performance of their duties and the enforcement of the provisions of this Article. (1919, c. 148, s. 4; C.S., s. 6714; 1967, c. 263, s. 2.)

§ 90-143. Definitions of chiropractic; examinations; educational requirements.

(a) "Chiropractic" is herein defined to be the science of adjusting the cause of disease by realigning the spine, releasing pressure on nerves radiating from the spine to all parts of the body, and allowing the nerves to carry their full quota of health current (nerve energy) from the brain to all parts of the body.

(b) It shall be the duty of the North Carolina State Board of Chiropractic Examiners (hereinafter referred to as "Board") to examine for licensure to practice chiropractic in this State any applicant who is or will become, within 60 days of examination, a graduate of a four-year chiropractic college that is either accredited by the Council on Chiropractic Education or deemed by the Board to be the equivalent of such a college and who furnishes to the Board, in the manner prescribed by the Board, all of the following:

- (1) Satisfactory evidence of good moral character.
- (2) Proof that the applicant has received a baccalaureate degree from a college or university accredited by a regional accreditation body recognized by the United States Department of Education.
- (3) A transcript confirming that the applicant has received at least 4,200 hours of accredited chiropractic education. The Board shall not count any hours earned at an institution that was not accredited by the Council on Chiropractic Education or was not, as determined by the Board, the equivalent of such an institution at the time the hours were earned.

The examination shall include the following studies: neurology, chemistry, pathology, anatomy, histology, physiology, embryology, dermatology, diagnosis, microscopy, gynecology, hygiene, eye, ear, nose and throat, orthopody, diagnostic radiology, North Carolina jurisprudence, palpation, nerve tracing, chiropractic philosophy, theory, teaching and practice of chiropractic, and any other related studies as the Board may consider necessary to determine an applicant's fitness to practice. The Board may include as part of the examination any examination developed and administered by the National Board of Chiropractic Examiners or its successor organization that the Board considers appropriate, and the examination may be administered by a national testing service. The Board shall set the passing scores for all parts of the examination.

(c) The Board shall not issue a license to any applicant until the applicant exhibits a diploma or other proof that the Doctor of Chiropractic degree has been conferred.

(d) The Board may grant a license to an applicant if the applicant's scores on all parts of the examination required by the Board equal or exceed passing scores set by the Board and the applicant satisfies all other requirements for licensure as provided in this Article. (1917, c. 73, s. 5; 1919, c. 148, ss. 1, 2, 5; C.S., s. 6715; 1933, c. 442, s. 1; 1937, c. 293, s. 1; 1963, c. 646, s. 2; 1967, c. 263,

s. 3; 1977, c. 1109, s. 1; 1981, c. 766, s. 4; 1987, c. 304; 1989, c. 555, ss. 2, 3, 4; 1997-230, s. 1; 2003-155, s. 1.)

Effect of Amendments. — Session Laws 2003-155, s. 1, effective June 4, 2003, in the concluding paragraph of subsection (b), substituted “shall include” for “shall include, but not be limited to,” inserted “North Carolina” preceding “jurisprudence,” and added “chiropractic, and any other related studies as the Board may consider necessary to determine

an applicant’s fitness to practice” in the first sentence, and added the second and third sentences; and in subsection (d), substituted “required by the Board” for “given by the National Board of Chiropractic Examiners,” substituted “set by the Board” for “on the Board’s examination,” and made a minor punctuation change.

CASE NOTES

Scope of Practice. — By enacting Session Laws 1987, Chapter 555, which amended this section, the General Assembly did not intend to expand the scope of chiropractic practice, but intended merely to clarify the law. *Thomas v. Barnhill*, 102 N.C. App. 551, 403 S.E.2d 102 (1991).

The testimony of a chiropractor to the strain or sprain of a muscle is not beyond the field of chiropractic practice as defined by this section. *Thomas v. Barnhill*, 102 N.C. App. 551, 403 S.E.2d 102 (1991).

Discretionary Power of Board. — This section did not dispense with the discretionary power of the Board to pass upon the requisites of good character, or the fact as to whether the applicants thereunder had been bona fide practitioners for the requisite time. It was held that the courts would not inquire into such matters and that a mandamus would not lie to compel the Board to issue a license under this section. *Hamlin v. Carlson*, 178 N.C. 431, 101 S.E. 22 (1919).

Competency to Give Expert Testimony. — Doctors with unlimited licenses are competent to give expert testimony in the entire medical field. Chiropractors, on the other hand, are limited in their testimony to their special field as defined and limited by this section.

Allen v. Hinson, 12 N.C. App. 515, 183 S.E.2d 852, cert. denied, 279 N.C. 726, 184 S.E.2d 883 (1971), decided prior to enactment of § 90-157.2.

Chiropractor Not Qualified to Testify as to Muscle Injury. — In a personal injury action arising from an automobile accident, the chiropractor’s testimony as to the plaintiff’s strain or sprain of a muscle was properly excluded, because such injury and treatment is beyond the field of chiropractic medicine as defined by this section; on the other hand, the trial court erred in excluding the chiropractor’s testimony concerning the plaintiff’s nerve strain or sprain, because such injury and treatment is within the field of chiropractic medicine. *Ellis v. Rouse*, 86 N.C. App. 367, 357 S.E.2d 699 (1987).

Testimony regarding ligaments of the spine is within the scope of chiropractic as defined in this section. *Smith v. Buckhram*, 91 N.C. App. 355, 372 S.E.2d 90 (1988), cert. denied, 324 N.C. 113, 377 S.E.2d 236 (1989).

§ 90-143.1. Applicants licensed in other states.

If an applicant for licensure is already licensed in another state to practice chiropractic, the Board shall issue a license to practice chiropractic to the applicant upon evidence that:

- (1) The applicant is currently an active, competent practitioner and is in good standing; and
- (2) The applicant has practiced at least one year out of the three years immediately preceding his or her application; and
- (3) The applicant currently holds a valid license in another state; and
- (4) No disciplinary proceeding or unresolved complaint is pending anywhere at the time a license is to be issued by this State; and
- (5) The licensure requirements in the other state are equivalent to or higher than those required by this State.

Any license issued upon the application of any chiropractor from any other state shall be subject to all of the provisions of this Article with reference to the

license issued by the State Board of Chiropractic Examiners upon examination, and the rights and privileges to practice the profession of chiropractic under any license so issued shall be subject to the same duties, obligations, restrictions, and conditions as imposed by this Article on chiropractors originally examined by the State Board of Chiropractic Examiners. (1981, c. 766, s. 5.)

§ 90-143.2. Certification of diagnostic imaging technicians.

(a) The State Board of Chiropractic Examiners shall certify the competence of any person employed by a licensed chiropractor practicing in the State if the employee's duties include the production of diagnostic images, whether by X ray or other imaging technology. Applicants for certification must demonstrate proficiency in the following subjects:

- (1) Physics and equipment of radiographic imaging;
- (2) Principles of radiographic exposure;
- (3) Radiographic protection;
- (4) Anatomy and physiology;
- (5) Radiographic positioning and procedure.

The State Board of Chiropractic Examiners may adopt rules pertaining to initial educational requirements, examination of applicants, and continuing education requirements as are reasonably required to enforce this provision.

(b) Any person seeking to renew a certification of competence previously issued by the Board shall pay to the secretary of the Board a fee as prescribed and set by the Board which fee shall not be more than fifty dollars (\$50.00). (1991, c. 633, s. 1; 2002-59, s. 1.)

Effect of Amendments. — Session Laws 2002-59, s. 1, effective August 1, 2002, designated the existing provisions as subsection (a), and added subsection (b).

§ 90-144. Meetings of Board of Examiners.

The North Carolina Board of Chiropractic Examiners shall meet at least once a year at such time and place as said Board shall determine at which meetings applicants for license shall be examined. (1917, c. 73, s. 6; C.S., s. 6716; 1933, c. 442, s. 1; 1949, c. 785, s. 1; 1985, c. 760, s. 1.)

§ 90-145. Grant of license.

The Board of Chiropractic Examiners shall grant to each applicant who is found to be competent, upon examination, a license authorizing him or her to practice chiropractic in North Carolina. (1917, c. 73, s. 7; C.S., s. 6717; 1949, c. 785, s. 2; 1981, c. 766, s. 6.)

§ 90-146. Graduates from other states.

A graduate of a regular chiropractic school who comes into this State from another state may be granted a license by the Board of Examiners as required in this Article. (1917, c. 73, s. 8; C.S., s. 6718.)

§ 90-147. Practice without license a misdemeanor; injunctions.

Any person practicing chiropractic in this State without possessing a license as provided in this Article shall be guilty of a Class 1 misdemeanor.

The Board of Chiropractic Examiners may appear in its own name in the superior court in an action for injunctive relief to prevent violation of this section, and the superior court shall have the power to grant such injunction regardless of whether criminal prosecution has been or may be instituted. An action under this section shall be commenced in the superior court district in which the respondent resides or has his principal place of business or in which the alleged violation occurred. (1917, c. 73, s. 9; C.S., s. 6719; 1993, c. 539, s. 631; 1994, Ex. Sess., c. 24, s. 14(c); 2001-281, s. 4.)

§ 90-148. Records of Board.

The secretary of the Board of Chiropractic Examiners shall keep a record of the proceedings of the Board, giving the name of each applicant for license, and the name of each applicant licensed and the date of such license. (1917, c. 73, s. 10; C.S., s. 6720.)

§ 90-149. Application fee.

Each applicant shall pay the secretary of the Board a fee as prescribed and set by the Board which fee shall not be more than three hundred dollars (\$300.00). (1917, c. 73, s. 11; C.S., s. 6721; 1977, c. 922, s. 1; 2001-493, s. 6.)

Effect of Amendments. — Session Laws 2001-493, s. 6, effective January 1, 2002, substituted “the” for “said” preceding “Board” and substituted “three hundred dollars (\$300.00) for “one hundred dollars (\$100.00).”

§ 90-150: Repealed by Session Laws 1967, c. 218, s. 4.

§ 90-151. Extent and limitation of license.

Any person obtaining a license from the Board of Chiropractic Examiners shall have the right to practice the science known as chiropractic, in accordance with the method, thought, and practice of chiropractors, as taught in recognized chiropractic schools and colleges, but shall not prescribe for or administer to any person any medicine or drugs, nor practice osteopathy or surgery. (1917, c. 73, s. 12; C.S., s. 6722; 1933, c. 442, s. 3.)

§ 90-151.1. Selling nutritional supplements to patients.

A chiropractic physician may sell nutritional supplements at a chiropractic office to a patient as part of the patient's plan of treatment but may not otherwise sell nutritional supplements at a chiropractic office. A chiropractic physician who sells nutritional supplements to a patient must keep a record of the sale that complies with G.S. 105-164.24, except that the record may not disclose the name of the patient. (1997-369, s. 1.)

§ 90-152: Repealed by Session Laws 1967, c. 691, s. 59.

(1919, c. 148, s. 3; C.S., s. 6724; 1977, c. 1109, s. 2.)

CASE NOTES

Hospital Not Required to Give Access. — Legislature's use of the word "may" indicates it is not a requirement that a licensed chiropractor have access to and practice chiropractic in

any hospital. *Cohn v. Wilkes Regional Medical Ctr.*, 113 N.C. App. 275, 437 S.E.2d 889, cert. denied, 336 N.C. 603, 447 S.E.2d 387 (1994).

CASE NOTES

The phrase "unethical conduct" in this section constitutes a sufficiently definite standard so that the Board of Chiropractic Examiners may set policies within it without exercising a legislative function. *Farlow v. North Carolina State Bd. of Chiropractic Exmrs.*, 76 N.C. App. 202, 332 S.E.2d 696, cert. denied and appeal dismissed, 314 N.C. 664, 336 S.E.2d 621 (1985).

Prescription of Unnecessary Course of Conduct. — "Unethical conduct," which this section authorizes the Board of Chiropractic Examiners to penalize, includes "dishonorable conduct" in prescribing a course of treatment for patients which is not justified by the injuries they have received but is done to inflate

insurance claims. *Farlow v. North Carolina State Bd. of Chiropractic Exmrs.*, 76 N.C. App. 202, 332 S.E.2d 696, cert. denied and appeal dismissed, 314 N.C. 664, 336 S.E.2d 621 (1985).

Criminal Conviction and Disciplinary Sanctions Not Double Jeopardy. — A conviction under a federal statute followed by disciplinary sanctions pursuant to a state statute for the same conduct does not violate the double jeopardy clause. *In re Cobb*, 102 N.C. App. 466, 402 S.E.2d 475, cert. denied, appeal dismissed, 329 N.C. 269, 407 S.E.2d 832 (1991).

§ 90-154.1. Collection of certain fees prohibited.

(a) Any patient or any other person responsible for payment has the right to refuse to pay, cancel payment, or be reimbursed for payment for any service, examination, or treatment other than the advertised reduced rate service, examination or treatment which is performed as a result of and within 72 hours of responding to any advertisement for a free or reduced rate service, free or reduced rate examination, or free or reduced rate treatment. Any further treatment shall be agreed upon in writing and signed by both parties.

(b) Any chiropractic advertisement that offers a free or reduced rate service, examination or treatment shall contain the following notice to prospective patients: "If you decide to purchase additional treatment, you have the legal right to change your mind within three days and receive a refund." If the advertisement is published in print, the foregoing notice shall appear in capital letters clearly distinguishable from the rest of the text. If the advertisement is broadcast on radio or television, the foregoing notice shall be recited at the end of the advertisement.

(c) Repealed by Session Laws 1995, c. 188, s. 2, effective October 1, 1995.

(d) Any bill sent to a patient or any other person responsible for payment as a result of the patient responding to a chiropractic advertisement shall clearly contain the language of the first sentence of subsection (a) and have distinguished on its face the charge for the reduced rate services, including an

itemization of free services, and the separate charge for any services, examinations or treatments other than the advertised free or reduced rate services, examinations, or treatments. The reduced rate charges shall be labeled "Free or Reduced Rate Charges" and any other charges shall be labeled "Non-advertised Services, Examinations, or Treatments". (1985, c. 367, s. 3; 1987, c. 733; 1995, c. 188, s. 2.)

§ 90-154.2. Unethical conduct.

Unethical conduct is defined as:

- (1) The over-utilization or improper use, in the providing of treatment, physiological therapeutics, radiographics, or any other service not commensurate with the stated diagnosis and clinical findings. This determination shall be based upon the collective findings and experience of the Board utilizing the best available, relative information and advice. There must be a rationale for the services provided the patient.
- (2) The billing or otherwise charging of a fee to a third party payor for a service offered by the doctor as a free service, which service is accepted as a free service by any patient when, in fact, the doctor of chiropractic is transmitting any charge to a third-party payor for payment.
- (3) The over-utilization of ionizing radiation in the re-X-ray of a patient. The acceptable guidelines for re-X-ray are:
 - a. When fractures are evident;
 - b. When bone pathologies are under evaluation;
 - c. When soft tissue pathologies are under evaluation;
 - d. When there is reinjury;
 - e. When the original X-ray findings have revealed limitations of ranges and motion, re-X-ray may be done after clinical progress has revealed objective improvement, but not within 12 days and only limited views would be indicated.
- (4) Any licensee's failure to use the words Chiropractic Physician, Chiropractor or the initials D.C. in conjunction with the use of his name in his capacity as a Chiropractor on all reports, statements of claim for services rendered and on all signs, letterheads, business cards, advertising, and any other items of identification.
- (5) Violation of the Rules of Ethics of Advertising and Publicity.
- (6) The allowance of any unlicensed person to practice chiropractic in the office of a licensed chiropractic. (1985, c. 760, s. 4.)

§ 90-154.3. Acceptable care in the practice of chiropractic.

(a) It shall be unlawful for a doctor of chiropractic to examine, treat, or render any professional service to a patient that does not conform to the standards of acceptable care.

(b) For purposes of disciplinary action, the Board of Chiropractic Examiners may adopt rules that establish and define standards of acceptable care with respect to:

- (1) Examination and diagnosis;
- (2) The use of chiropractic adjustive procedures;
- (3) Physiological therapeutic agents;
- (4) Diagnostic radiology;
- (5) The maintenance of patient records; and
- (6) Sanitation, safety, and the adequacy of clinical equipment.

(c) If the Board has not defined a standard of acceptable care by rule, then the standard of acceptable care shall be the usual and customary method as taught in the majority of recognized chiropractic colleges.

(d) Nothing in this section shall alter the lawful scope of practice of chiropractic as defined in G.S. 90-143 or the limitation of license as defined in G.S. 90-151. (1985, c. 760, s. 5; 1995, c. 188, s. 3.)

§ 90-155. Annual fee for renewal of license.

Any person practicing chiropractic in this State, in order to renew his license, shall, on or before the first Tuesday after the first Monday in January in each year after a license is issued to him as herein provided, pay to the secretary of the Board of Chiropractic Examiners a renewal license fee as prescribed and set by the said Board which fee shall not be more than one hundred fifty dollars (\$150.00), and shall furnish the Board evidence that he has attended two days of educational sessions or programs approved by the Board during the preceding 12 months, provided the Board may waive this educational requirement due to sickness or other hardship of applicant.

Any license or certificate granted by the Board under this Article shall automatically be canceled if the holder thereof fails to secure a renewal within 30 days from the time herein provided; but any license thus canceled may, upon evidence of good moral character and proper proficiency, be restored upon the payment of the renewal fee and an additional twenty-five dollars (\$25.00) reinstatement fee.

If any licensee of the Board retires from active practice, the licensee may renew his license annually by paying the license fee and shall not be required to furnish the Board proof of continuing education; however, if at a later time the licensee desires to resume active practice, the licensee shall first appear before the Board and the Board shall determine his competency to practice. (1917, c. 73, s. 15; C.S., s. 6726; 1933, c. 442, s. 4; 1937, c. 293, s. 2; 1963, c. 646, s. 4; 1971, c. 715; 1977, c. 922, ss. 2, 3; 1985, c. 760, s. 6; 2001-493, s. 4.)

Effect of Amendments. — Session Laws 2001-493, s. 4, effective January 1, 2002, in the first paragraph, substituted “one hundred fifty dollars (\$150.00)” for “one hundred dollars (\$100.00).”

§ 90-156. Pay of Board and authorized expenditures.

Notwithstanding G.S. 93B-5(a), the members of the Board of Chiropractic Examiners shall receive as compensation for their services a sum not to exceed two hundred dollars (\$200.00) for each day during which they are engaged in the official business of the Board and their actual expenses, including transportation and lodging, when meeting for the purpose of holding examinations, and performing any other duties placed upon them by this Article, to be paid by the treasurer of the Board out of the moneys received by him as license fees, or from renewal fees. The Board shall also expend out of such fund so much as may be necessary for preparing licenses, securing seal, providing for programs for licensed doctors of chiropractic in North Carolina, and all other necessary expenses in connection with the duties of the Board. (1917, c. 73, s. 16; C.S., s. 6727; 1949, c. 785, s. 4; 1981, c. 766, s. 8; 2001-493, s. 5.)

Effect of Amendments. — Session Laws 2001-493, s. 5, effective January 1, 2002, re-wrote the first sentence, which formerly read: “The members of the Board of Chiropractic Examiners shall receive their actual expenses, including transportation and lodging, when meeting for the purpose of holding examinations, and performing any other duties placed upon them by this Article, such expenses to be paid by the treasurer of the Board out of the moneys received by him as license fees, or from renewal fees.”

§ 90-157. Chiropractors subject to State and municipal regulations.

Chiropractors shall observe and be subject to all State and municipal regulations relating to the control of contagious and infectious diseases. (1917, c. 73, s. 17; C.S., s. 6728.)

§ 90-157.1. Free choice by patient guaranteed.

No agency of the State, county or municipality, nor any commission or clinic, nor any board administering relief, social security, health insurance or health service under the laws of the State of North Carolina shall deny to the recipients or beneficiaries of their aid or services the freedom to choose a duly licensed chiropractor as the provider of care or services which are within the scope of practice of the profession of chiropractic as defined in this Chapter. (1977, c. 1109, s. 3.)

OPINIONS OF ATTORNEY GENERAL

This section is applicable to a self-insured employee health insurance plan operated by a county hospital. See opinion of

Attorney General to Mr. J. Hoyte Stultz, Jr., Attorney for N.C. State Board of Chiropractic Examiners, 52 N.C.A.G. 80 (1983).

§ 90-157.2. Chiropractor as expert witness.

A Doctor of Chiropractic, for all legal purposes, shall be considered an expert in his field and, when properly qualified, may testify in a court of law as to:

- (1) The etiology, diagnosis, prognosis, and disability, including anatomical, neurological, physiological, and pathological considerations within the scope of chiropractic, as defined in G.S. 90-151; and
- (2) The physiological dynamics of contiguous spinal structures which can cause neurological disturbances, the chiropractic procedure preparatory to, and complementary to the correction thereof, by an adjustment of the articulations of the vertebral column and other articulations. (1977, c. 1109, s. 3; 1989, c. 555, s. 1.)

Legal Periodicals. — For note discussing the ambit of this section in allowing chiroprac-

tors to testify as experts, see 9 N.C. Cent. L.J. 103 (1977).

CASE NOTES

Legislative Intent. — In 1989, the General Assembly added language to this section providing that a chiropractor may testify about the "physiological dynamics of contiguous spinal structures which can cause neurological disturbances." Thomas v. Barnhill, 102 N.C. App. 551, 403 S.E.2d 102 (1991).

The purpose of subsection (2) was "to cure the

confusion in the case law created by inconsistent court decisions." Thomas v. Barnhill, 102 N.C. App. 551, 403 S.E.2d 102 (1991).

Chiropractor Not Qualified to Testify as to Muscle Injury. — In a personal injury action arising from an automobile accident, the chiropractor's testimony as to the plaintiff's strain or sprain of a muscle was properly ex-

cluded, because such injury and treatment is beyond the field of chiropractic medicine as defined in G.S. 90-143; on the other hand, the trial court erred in excluding the chiropractor's testimony concerning the plaintiff's nerve strain or sprain, because such injury and treatment is within the field of chiropractic medicine. *Ellis v. Rouse*, 86 N.C. App. 367, 357 S.E.2d 699 (1987).

Testimony regarding ligaments of the spine is within the scope of chiropractic as defined in G.S. 90-143. *Smith v. Buckhram*, 91 N.C. App. 355, 372 S.E.2d 90 (1988), cert. denied, 324 N.C. 113, 377 S.E.2d 236 (1989).

Testimony Regarding Extremities. — Trial court correctly allowed chiropractor's testimony concerning injuries to victim's bodily extremities, as these constitute parts of the body to which nerves radiate from the spine and come within the scope chiropractic expertise. *Winston v. Brodie*, 134 N.C. App. 260, 517 S.E.2d 203 (1999).

Testimony Regarding Permanency And Cause of Injuries. — Trial court correctly

allowed chiropractor's testimony concerning the permanency and cause of victim's injuries. *Winston v. Brodie*, 134 N.C. App. 260, 517 S.E.2d 203 (1999).

Expert's testimony was within the expertise of a chiropractor as authorized by this section. *Wooten v. Warren ex rel. Gilmer*, 117 N.C. App. 350, 451 S.E.2d 342 (1994).

Jury Instructions Held Sufficient. — Where doctor of chiropractic was qualified and tendered as an expert witness and the jury was instructed that he was "accepted by the Court as an expert in the field of chiropractic," the trial court did not err in failing to instruct the jury later that a chiropractor is an expert witness in accordance with this provision. *Blackmon v. Bumgardner*, 135 N.C. App. 125, 519 S.E.2d 335 (1999).

§ 90-157.3. Ownership of chiropractic practices limited.

(a) Each partner in a partnership that is engaged in the practice of chiropractic shall be licensed under this Article.

(b) Each general partner in a limited partnership that is engaged in the practice of chiropractic and each limited partner who takes part in the control of the practice shall be licensed under this Article.

(c) The provisions of Chapter 55B of the General Statutes shall apply to all business corporations organized under Chapter 55 of the General Statutes and engaged in the practice of chiropractic. (1999-430, s. 2.)

Effect of Amendments. — Session Laws 2003-29, s. 2, effective April 30, 2003, added the last two rates to subsection (b).

§ 90-171.28. Nurses registered under previous law.

On June 30, 1981, any nurse who holds a license to practice nursing as a registered nurse or licensed practical nurse, issued by a competent authority pursuant to laws providing for the licensure of nurses in North Carolina, shall be deemed to be licensed under the provisions of this Article, but such person shall otherwise comply with the provisions of this Article including those provisions governing licensure renewal. (1953, c. 1199, s. 1; 1965, c. 578, s. 1; 1981, c. 360, s. 1.)

§ 90-171.29. Qualifications of applicants for examination.

In order to be eligible for licensure by examination, the applicant shall make a written application to the Board on forms furnished by the Board and shall submit to the Board an application fee and written evidence, verified by oath, sufficient to satisfy the Board that the applicant has graduated from a course of study approved by the Board and is mentally and physically competent to practice nursing. (1947, c. 1091, s. 1; 1953, c. 750; c. 1199, ss. 1, 4; 1955, c. 1266, s. 2; 1961, c. 431, s. 2; 1965, c. 578, s. 1; 1973, c. 93, s. 4; 1981, c. 360, s. 1.)

§ 90-171.30. Licensure by examination.

At least twice each year the Board shall give an examination, at the time and place it determines, to applicants for licensure to practice as a registered nurse or licensed practical nurse. The Board shall adopt rules, not inconsistent with this Article, governing qualifications of applicants, the conduct of applicants during the examination, and the conduct of the examination. The applicants shall be required to pass the examination required by the Board. The Board

shall adopt rules which identify the criteria which must be met by an applicant in order to be issued a license. When the Board determines that an applicant has met those criteria, passed the required examination, submitted the required fee, and has demonstrated to the Board's satisfaction that he or she is mentally and physically competent to practice nursing, the Board shall issue a license to the applicant. (1947, c. 1091, s. 1; 1953, c. 1199, s. 1; 1965, c. 578, s. 1; 1981, c. 360, s. 1; 1991, c. 643, s. 2; 1993, c. 198, s. 3.)

§ 90-171.31. Reexamination.

Any applicant who fails to pass the first licensure examination may take subsequent examinations in accordance with the rules of the Board. (1981, c. 360, s. 1; 1993, c. 198, s. 4.)

§ 90-171.32. Qualifications for license as a registered nurse or a licensed practical nurse without examination.

The Board may, without examination, issue a license to an applicant who is duly licensed as a registered nurse or licensed practical nurse under the laws of another state, territory of the United States, the District of Columbia, or foreign country when that jurisdiction's requirements for licensure as a registered nurse or a licensed practical nurse, as the case may be, are substantially equivalent to or exceed those of the State of North Carolina at the time the applicant was initially licensed, and when, in the Board's opinion, the applicant is competent to practice nursing in this State. The Board may require such applicant to prove competence and qualifications to practice as a registered nurse or licensed practical nurse in North Carolina. (1947, c. 1091, s. 1; 1953, c. 1199, s. 1; 1961, c. 431, s. 2; 1965, c. 578, s. 1; 1981, c. 360, s. 1.)

§ 90-171.33. Temporary license.

(a) Until the implementation of the computer-adaptive licensure examination, the Board may issue a nonrenewable temporary license to persons who are applying for licensure under G.S. 90-171.30, and who are scheduled for the licensure examination at the first opportunity after graduation, for a period not to exceed the lesser of nine months or the date of applicant's notification of the results of the licensure examination. The Board shall revoke the temporary license of any person who does not take the examination as scheduled, or who has failed the examination for licensure as provided by this act.

(b) Upon implementation of the computer-adaptive licensure examination, no temporary licenses will be issued to persons who are applying for licensure under G.S. 90-171.30.

(c) The Board may issue a nonrenewable temporary license to persons applying for licensure under G.S. 90-171.32 for a period not to exceed the lesser of six months or until the Board determines whether the applicant is qualified to practice nursing in North Carolina. Temporary licensees may perform patient-care services within limits defined by the Board. In defining these limits, the Board shall consider the ability of the temporary licensee to safely and properly carry out patient-care services. Temporary licensees shall be held

to the standard of care of a fully licensed nurse. (1981, c. 360, s. 1; 1991, c. 643, s. 3; 1993, c. 198, s. 5.)

§ 90-171.34. Licensure renewal.

Every unencumbered license, except temporary license, issued under this Article shall be renewed for two years. On or before the date the current license expires, every person who desires to continue to practice nursing shall apply for licensure renewal to the Board on forms furnished by the Board and shall also file the required fee. The Board shall provide space on the renewal form for the licensee to specify the amount of continuing education received during the renewal period. Failure to renew the license before the expiration date shall result in automatic forfeiture of the right to practice nursing in North Carolina until such time that the license has been reinstated. (1981, c. 360, s. 1; 1993, c. 198, s. 6.)

§ 90-171.35. Reinstatement.

A licensee who has allowed license to lapse by failure to renew as herein provided may apply for reinstatement on a form provided by the Board. The Board shall require the applicant to return the completed application with the required fee and to furnish a statement of the reason for failure to apply for renewal prior to the deadline. If the license has lapsed for at least five years, the Board shall require the applicant to complete satisfactorily a refresher course approved by the Board, or provide proof of active licensure within the past five years in another jurisdiction. The Board may require any applicant for reinstatement to satisfy the Board that the license should be reinstated. If, in the opinion of the Board, the applicant has so satisfied the Board, it shall issue a renewal of license to practice nursing, or it shall issue a license to practice nursing for a limited time. (1981, c. 360, s. 1; 1993, c. 198, s. 7.)

§ 90-171.36. Inactive list.

(a) When a licensee submits a request for inactive status, the Board shall issue to the licensee a statement of inactive status and shall place the licensee's name on the inactive list. While on the inactive list, the person shall not be subjected to renewal requirements and shall not practice nursing in North Carolina.

(b) When such person desires to be removed from the inactive list and returned to the active list within five years of being placed on inactive status, an application shall be submitted to the Board on a form furnished by the Board and the fee shall be paid for license renewal. The Board shall require evidence of competency to resume the practice of nursing before returning the applicant to active status. If the person has been on the inactive list for more than five years, the applicant must satisfactorily complete a refresher course approved by the Board or provide proof of active licensure within the past five years in another jurisdiction. (1981, c. 360, s. 1; 1993, c. 198, s. 8.)

§ 90-171.36A. Retired nurse status; reinstatement.

(a) After a registered nurse or a licensed practical nurse has retired, upon payment of the one-time fee required by G.S. 90-171.27(b), the Board may issue a special license to a registered nurse or licensed practical nurse in recognition of the nurse's retired status.

(b) If a retired registered nurse or licensed practical nurse wishes to return to the practice of nursing, the retired nurse shall apply for reinstatement on a

form provided by the Board and satisfy any requirements the Board deems necessary to reinstate the license. (2003-29, s. 1.)

Editor's Note. — Session Laws 2003-29, s. 1, made this section effective April 30, 2003.

Session Laws 2003-29, s. 3, provides: "The Board shall initially charge a twenty-five dollar (\$25.00) application fee for retired registered

nurse status or retired licensed practical nurse status. Nothing in this section shall prohibit the Board from amending the fee pursuant to Chapter 150B of the General Statutes."

§ 90-171.37. Revocation, discipline, suspension, probation, or denial of licensure.

The Board shall initiate an investigation upon receipt of information about any practice that might violate any provision of this Article or any rule or regulation promulgated by the Board. In accordance with the provisions of Chapter 150B of the General Statutes, the Board shall have the power and authority to: (i) refuse to issue a license to practice nursing; (ii) refuse to issue a certificate of renewal of a license to practice nursing; (iii) revoke or suspend a license to practice nursing; and (iv) invoke other such disciplinary measures, censure, or probative terms against a licensee as it deems fit and proper; in any instance or instances in which the Board is satisfied that the applicant or licensee:

- (1) Has given false information or has withheld material information from the Board in procuring or attempting to procure a license to practice nursing.
- (2) Has been convicted of or pleaded guilty or nolo contendere to any crime which indicates that the nurse is unfit or incompetent to practice nursing or that the nurse has deceived or defrauded the public.
- (3) Has a mental or physical disability or uses any drug to a degree that interferes with his or her fitness to practice nursing.
- (4) Engages in conduct that endangers the public health.
- (5) Is unfit or incompetent to practice nursing by reason of deliberate or negligent acts or omissions regardless of whether actual injury to the patient is established.
- (6) Engages in conduct that deceives, defrauds, or harms the public in the course of professional activities or services.
- (7) Has violated any provision of this Article.
- (8) Has willfully violated any rules enacted by the Board.

The Board may take any of the actions specified above in this section when a registered nurse approved to perform medical acts has violated rules governing the performance of medical acts by a registered nurse; provided this shall not interfere with the authority of the North Carolina Medical Board to enforce rules and regulations governing the performance of medical acts by a registered nurse.

The Board may reinstate a revoked license, revoke censure or probative terms, or remove other licensure restrictions when it finds that the reasons for revocation, censure or probative terms, or other licensure restrictions no longer exist and that the nurse or applicant can reasonably be expected to safely and properly practice nursing. (1981, c. 360, s. 1; c. 852, s. 3; 1987, c. 827, s. 1; 1991, c. 643, s. 4; 1991 (Reg. Sess., 1992), c. 1030, s. 22; 1995, c. 94, s. 29; 2001-98, s. 4.)

CASE NOTES

One isolated act can meet the definition of "conduct" as used in subdivision (4) of this section. *Cafiero v. North Carolina Bd. of Nursing*, 102 N.C. App. 610, 403 S.E.2d 582 (1991).

Application to Single Act. — Petitioner's argument that subdivision (4) of this section was not intended to apply to a single act of negligence overlooks the fact that a single act may have very serious consequences. A single act may endanger health or even life. Petitioner's inference from the use of the present tense in subdivision (4) of this section that a sanction

is permissible only if the violation is continuing at the time of the hearing would lead to absurd results, and the language of a statute will be interpreted so as to avoid an absurd consequence. *Cafiero v. North Carolina Bd. of Nursing*, 102 N.C. App. 610, 403 S.E.2d 582 (1991).

§ 90-171.38. Standards for nursing programs.

(a) A nursing program may be operated under the authority of a general hospital, or an approved post-secondary educational institution. The Board shall establish, revise, or repeal standards for nursing programs. These standards shall specify program requirements, curricula, faculty, students, facilities, resources, administration, and describe the approval process. Any institution desiring to establish a nursing program shall apply to the Board and submit satisfactory evidence that it will meet the standards established by the Board. Those standards shall be designed to ensure that graduates of those programs have the education necessary to safely and competently practice nursing.

(b) Any individual, organization, association, corporation, or institution may establish a program for the purpose of training or educating any registered nurse licensed under G.S. 90-171.30, 90-171.32, or 90-171.33 in the skills, procedures, and techniques necessary to conduct medical examinations for the purpose of collecting evidence from the victims of first-degree rape as defined in G.S. 14-27.2, second-degree rape as defined in G.S. 14-27.3, statutory rape as defined in G.S. 14-27.7A, first-degree sexual offense as defined in G.S. 14-27.4, second-degree sexual offense as defined in G.S. 14-27.5 or attempted first-degree or second-degree rape or attempted first-degree or second-degree sexual offense as defined in G.S. 14-27.6. The Board, pursuant to G.S. 90-171.23(b)(14) and, in cooperation with the North Carolina Medical Board as described in G.S. 90-6, shall establish, revise, or repeal standards for any such program. Any individual, organization, association, corporation, or institution which desires to establish a program under this subsection shall apply to the Board and submit satisfactory evidence that it will meet the standards prescribed by the Board. (1981, c. 360, s. 1; 1987, c. 827, s. 1; 1991, c. 643, s. 5; 1997-375, s. 1; 2003-146, s. 4.)

Effect of Amendments. — Session Laws 2003-146, s. 4, effective June 2, 2003, in subsection (a), substituted "established" for "prescribed" in the fourth sentence, and deleted the

last sentence, which read: "The Board shall encourage the continued operation of all present programs that meet the standards approved by the Board."

§ 90-171.39. Approval.

The Board shall designate persons to survey proposed nursing programs, including the clinical facilities. The persons designated by the Board shall submit a written report of the survey to the Board. If in the opinion of the Board the standards for approved nursing education are met, the program shall be given approval. (1981, c. 360, s. 1.)

§ 90-171.40. Ongoing approval.

The Board shall review all nursing programs in the State at least every eight years or more often as considered necessary. If the Board determines that any approved nursing program does not meet or maintain the standards required by the Board, the Board shall give written notice specifying the deficiencies to the institution responsible for the program. The Board shall withdraw approval from a program that fails to correct deficiencies within a reasonable time. The Board shall publish annually a list of nursing programs in this State showing their approval status. (1981, c. 360, s. 1; 2003-146, s. 5.)

Effect of Amendments. — Session Laws 2003-146, s. 5, effective June 4, 2003, rewrote the section heading; in the first sentence, substituted “review” for “designate persons to survey,” “eight years” for “five years,” and “considered necessary” for “deemed necessary”; deleted the former second sentence, which read: “Writ-

ten reports of such surveys shall be submitted to the Board”; in the present second sentence, substituted “the Board shall give written notice specifying the deficiencies” for “notice thereof in writing specifying the deficiencies shall be given immediately”; and substituted “that fails” for “which fails” in the present third sentence.

§ 90-171.41. Baccalaureate in nursing candidate credits.

Every graduate of a diploma or associate degree school of nursing in this State who has passed the registered nurse examination shall, upon admission to any State-supported institution of higher learning offering baccalaureate education in nursing, be granted credit for previous experience in the diploma or associate degree school of nursing on an individual basis by the utilization of the most effective method of evaluation to the end that the applicant shall receive optimum credit and that upon graduation the applicant will have earned the baccalaureate degree in nursing. (1969, c. 547, s. 1; 1981, c. 360, s. 1.)

§ 90-171.42. Continuing education programs.

(a) Upon request, the Board shall grant approval to continuing education programs upon a finding that the program offers an educational experience designed to enhance the practice of nursing.

(b) If the program offers to teach nurses to perform advance skills, the Board may grant approval for the program and the performance of the advanced skills by those successfully completing the program when it finds that the nature of the procedures taught in the program and the program facilities and faculty are such that a nurse successfully completing the program can reasonably be expected to carry out those procedures safely and competently. (1981, c. 360, s. 1; 1991, c. 643, s. 6.)

§ 90-171.43. License required.

No person shall practice or offer to practice as a registered nurse or licensed practical nurse, or use the word “nurse” as a title for herself or himself, or use an abbreviation to indicate that the person is a registered nurse or licensed practical nurse, unless the person is currently licensed as a registered nurse or licensed practical nurse as provided by this Article. If the word “nurse” is part of a longer title, such as “nurse’s aide”, a person who is entitled to use that title shall use the entire title and may not abbreviate the title to “nurse”. This Article shall not, however, be construed to prohibit or limit the following:

- (1) The performance by any person of any act for which that person holds a license issued pursuant to North Carolina law;

- (2) The clinical practice by students enrolled in approved nursing programs, continuing education programs, or refresher courses under the supervision of qualified faculty;
- (3) The performance of nursing performed by persons who hold a temporary license issued pursuant to G.S. 90-171.33;
- (4) The delegation to any person, including a member of the patient's family, by a physician licensed to practice medicine in North Carolina, a licensed dentist or registered nurse of those patient-care services which are routine, repetitive, limited in scope that do not require the professional judgment of a registered nurse or licensed practical nurse;
- (5) Assistance by any person in the case of emergency.

Any person permitted to practice nursing without a license as provided in subdivision (2) or (3) of this section shall be held to the same standard of care as any licensed nurse. (1981, c. 360, s. 1; 1993, c. 198, s. 9; 1999-320, s. 2.)

(a) Before hiring a registered nurse or a licensed practical nurse in North Carolina, a health care facility shall verify that the applicant has a current, valid license to practice nursing pursuant to G.S. 90-171.43.

(b) For purposes of this section, "health care facility" means:

§ 90-171.44. Prohibited acts.

It shall be a violation of this Article, and subject to action under G.S. 90-171.37, for any person to:

- (1) Sell, fraudulently obtain, or fraudulently furnish any nursing diploma or aid or abet therein.
- (2) Practice nursing under cover of any fraudulently obtained license.

- (4) Conduct a nursing program or a refresher course for activation of a license, that is not approved by the Board.
- (5) Employ unlicensed persons to practice nursing. (1981, c. 360, s. 1; 1991, c. 643, s. 7; 1993, c. 198, s. 10; 1997-375, s. 2.)

§ 90-171.45. Violation of Article.

§ 90-171.46. Injunctive authority.

§ 90-171.47. Reports: immunity from suit.

Any person who has reasonable cause to suspect misconduct or incapacity of a licensee or who has reasonable cause to suspect that any person is in violation of this Article, including those actions specified in G.S. 90-171.37(1) through (8), G.S. 90-171.43, and G.S. 90-171.44, shall report the relevant facts to the Board. Upon receipt of such charge or upon its own initiative, the Board may give notice of an administrative hearing or may, after diligent investigation, dismiss unfounded charges. Any person making a report pursuant to this section shall be immune from any criminal prosecution or civil liability resulting therefrom unless such person knew the report was false or acted in reckless disregard of whether the report was false. (1981, c. 360, s. 1; 1991, c. 643, s. 8; 1993, c. 198, s. 11.)

- (1) Applicant.— A person applying for licensure as a registered nurse or licensed practical nurse either by examination pursuant to G.S. 90-171.29 and G.S. 90-171.30 or without examination pursuant to G.S. 90-171.32.
- (2) Criminal history.— A history of conviction of a State crime, whether a misdemeanor or felony, that bears on an applicant's fitness for licensure to practice nursing. The crimes include the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35,

Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. The crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act in Article 5 of Chapter 90 of the General Statutes and alcohol-related offenses including sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(b) All applicants for licensure shall consent to a criminal history record check. Refusal to consent to a criminal history record check may constitute grounds for the Board to deny licensure to an applicant. The Board shall ensure that the State and national criminal history of an applicant is checked. The Board shall be responsible for providing to the North Carolina Department of Justice the fingerprints of the applicant to be checked, a form signed by the applicant consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential.

(c) If an applicant's criminal history record check reveals one or more convictions listed under subsection (a) (2) of this section, the conviction shall not automatically bar licensure. The Board shall consider all of the following factors regarding the conviction:

- (1) The level of seriousness of the crime.
- (2) The date of the crime.
- (3) The age of the person at the time of the conviction.
- (4) The circumstances surrounding the commission of the crime, if known.
- (5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
- (6) The person's prison, jail, probation, parole, rehabilitation, and employment records since the date the crime was committed.
- (7) The subsequent commission by the person of a crime listed in subsection (a) of this section.

If, after reviewing the factors, the Board determines that the grounds set forth in subsections (1), (2), (3), (4), (5), or (6) of G.S. 90-171.37 exist, the Board may deny licensure of the applicant. The Board may disclose to the applicant information contained in the criminal history record check that is relevant to the denial. The Board shall not provide a copy of the criminal history record check to the applicant. The applicant shall have the right to appear before the Board to appeal the Board's decision. However, an appearance before the full Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

(d) Limited immunity.— The Board, its officers and employees, acting in good faith and in compliance with this section, shall be immune from civil liability for denying licensure to an applicant based on information provided in the applicant's criminal history record check. (2001-371, s. 2.)

Allowable expenses, for emergency assistance, shall include funds for child care, transportation, housing, and medical care; and shall not be considered as an ongoing source of income for those expenses. Emergency assistance shall be limited to four hundred dollars (\$400.00) per academic year for any individual. The local Board of Trustees at each campus shall review quarterly the expenditures under this Fund, and the Department of Community Colleges and the Board of Governors of The University of North Carolina shall assess the Fund's impact on completion rates in these programs, and report their assessment to the General Assembly. (1987 (Reg. Sess., 1988), c. 1049, s. 2(a).)

§ 90-171.52. Nursing licensing exam follow-up assistance.

Nurses Aides Registry Act.

§ 90-171.55. Nurses Aides Registry.

(a) The Board of Nursing, established pursuant to G.S. 90-171.21, shall establish a Nurses Aides Registry for persons functioning as nurses aides regardless of title. The Board shall consider those Level I nurses aides employed in State licensed or Medicare/Medicaid certified nursing facilities who meet applicable State and federal registry requirements as adopted by the North Carolina Medical Care Commission as having fulfilled the training and registry requirements of the Board. The Board may not charge an annual fee to a nurse aide I registry applicant. The Board may charge an annual fee of twelve dollars (\$12.00) for each nurse aide II registry applicant. The Board shall adopt rules to ensure that whenever possible, the fee is collected through the employer or prospective employer of the registry applicant. Fees collected may be used by the Board in administering the registry. The Board's authority granted by this Article shall not conflict with the authority of the Medical Care Commission.

(b)(1) Each nurses aide training program, except for those operated by (i) institutions under the Board of Governors of The University of North Carolina, (ii) institutions of the North Carolina Community College System, (iii) public high schools, and (iv) hospital authorities acting pursuant to G.S. 131E-23(31), shall provide a guaranty bond unless the program has already provided a bond or an alternative to a bond under G.S. 115D-95. The Board of Nursing may revoke the approval of a program that fails to maintain a bond or an alternative to a bond pursuant to this subsection or G.S. 115D-95.

(2) When application is made for approval or renewal of approval, the applicant shall file a guaranty bond with the clerk of the superior court of the county in which the program will be located. The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student, or his parent or guardian, who has suffered a loss of tuition or any fees by reason of the failure of the program to offer or complete student instruction, academic services, or other goods and services related to course enrollment for any reason, including the suspension, revocation, or nonrenewal of a program's approval, bankruptcy, foreclosure, or the program ceasing to operate.

The bond shall be in an amount determined by the Board to be adequate to provide indemnification to any student, or his parent or guardian, under the terms of the bond. The bond amount for a program shall be at least equal to the maximum amount of prepaid tuition held at any time during the last fiscal year by the program. The bond amount shall also be at least ten thousand dollars (\$10,000).

Each application for a license shall include a letter signed by an authorized representative of the program showing in detail the

calculations made and the method of computing the amount of the bond pursuant to this subdivision and the rules of the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.

The bond shall remain in force and effect until cancelled by the guarantor. The guarantor may cancel the bond upon 30 days notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

- (3) An applicant that is unable to secure a bond may seek a waiver of the guaranty bond from the Board and approval of one of the guaranty bond alternatives set forth in this subdivision. With the approval of the Board, an applicant may file with the clerk of the superior court of the county in which the program will be located, in lieu of a bond:
- a. An assignment of a savings account in an amount equal to the bond required (i) which is in a form acceptable to the Board; (ii) which is executed by the applicant; and (iii) which is executed by a state or federal savings and loan association, state bank, or national bank, that is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (iv) for which access to the account in favor of the State of North Carolina is subject to the same conditions as for a bond in subdivision (2) of this subsection.
 - b. A certificate of deposit (i) which is executed by a state or federal savings and loan association, state bank, or national bank, which is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (ii) which is either payable to the State of North Carolina, unrestrictively endorsed to the Board; in the case of a negotiable certificate of deposit, is unrestrictively endorsed to the Board; or in the case of a nonnegotiable certificate of deposit, is assigned to the Board in a form satisfactory to the Board; and (iii) for which access to the certificate of deposit in favor of the State of North Carolina is subject to the same conditions as for a bond in subdivision (2) of this subsection. are not effective until the necessary funds are appropriated." Such an appropriation was made in 1989. See Session Laws 1989, c. 794, s. 5(b) and (c).

§ 90-171.61. Nursing Scholars Program established; administration.

(a) There is established the Nursing Scholars Program. The North Carolina Nursing Scholars Commission shall determine selection criteria, methods of selection, and shall select recipients of scholarship loans made under the Nursing Scholars Program.

(b) The Nursing Scholars Program shall be used to provide the following:

- (1) A four-year scholarship loan in the amount of five thousand dollars (\$5,000) per year, per recipient, to North Carolina high school seniors or other persons interested in preparing to become a registered nurse through a baccalaureate degree program.

- (2) A two-year scholarship loan in the amount of three thousand dollars (\$3,000) per year, per recipient, to persons interested in preparing to be a registered nurse through an associate degree nursing program or a diploma nursing program.
- (3) A two-year scholarship loan in the amount of three thousand dollars (\$3,000) per year, per recipient, for two years of baccalaureate nursing study for college juniors or community college graduates interested in preparing to be a registered nurse.
- (4) A two-year scholarship loan of three thousand dollars (\$3,000) per year, per recipient, for two years of baccalaureate study in nursing for registered nurses who do not hold a baccalaureate degree in nursing.
- (5) A two-year scholarship loan of six thousand dollars (\$6,000) per year, per recipient, for two years of study leading to a master of science in nursing degree for people already holding a baccalaureate degree in nursing.

In addition to the scholarship loans awarded pursuant to subdivisions (1) through (5) of this subsection, the Commission may award pro rata scholarship loans to recipients enrolled at least half-time in study leading to a master of science in nursing degree who already hold a baccalaureate degree in nursing and to recipients enrolled at least half-time in study leading to a baccalaureate degree in nursing who already are licensed as registered nurses. In awarding all scholarship loans, the Commission shall give priority to full-time students over part-time students. The State Education Assistance Authority shall adopt specific rules to regulate scholarship loans to part-time master of science in nursing students and part-time baccalaureate degree students.

Within current funds available or with any additional funds provided by the General Assembly for this purpose, the Commission may set aside slots for scholarship loans prescribed by subdivisions (1) and (2) of this subsection to enable licensed practical nurses to become registered nurses. The State Education Assistance Authority shall adopt specific rules to regulate these scholarship loans.

(c) The Commission shall adopt stringent standards, which may include minimum grade point average, scholastic aptitude test scores, and other standards deemed appropriate by the Commission, to ensure that only the best potential students receive loans under the Nursing Scholars Program. Standards adopted by the Commission shall include provisions for ensuring that the qualifications of applicants who are or would be nontraditional students are considered fairly in providing them with opportunities to compete for the loans. Loans under the Nursing Scholars Program shall be awarded only to applicants who meet the standards set by the Commission and who agree to practice nursing in North Carolina upon completion of the nursing education program supported by the loan.

(d) The Commission shall develop and administer the Nursing Scholars Program in cooperation with nursing schools at institutions approved by the Commission and the North Carolina Board of Nursing. The Nursing Scholars Program shall provide for participants to be exposed to a range of extracurricular activities while in school, which activities shall be aimed at instilling in students a strong motivation to remain in the practice of nursing and to provide leadership for the nursing profession.

(e) The Commission may form regional review committees to assist it in identifying the best high school seniors and other applicants for the program. The Commission and the review committees shall make an effort to identify and encourage minority students and students who may not otherwise consider a career in nursing to apply for the Nursing Scholars Program.

(f) Upon the naming of recipients of loans from the Nursing Scholars Program, the Commission shall inform the State Education Assistance Author-

ity (SEAA) of its decisions. The SEAA shall perform all of the administrative functions necessary to implement this Article, which functions shall include: rule-making, dissemination of information to the public, distribution and receipt of applications for scholarship loans, and the functions necessary for the execution, payment, and enforcement of promissory notes required under this Article. (1989, c. 594, s. 1; 1991, c. 550, s. 1; 1993 (Reg. Sess., 1994), c. 769, s. 17.11(a); 1997-214, s. 1.)

§ 90-171.62. Terms of loans; receipt and disbursement of funds.

(a) All scholarship loans shall be evidenced by notes made payable to the State Education Assistance Authority that bear interest at the rate of ten percent (10%) per year beginning 90 days after completion of the nursing education program, or 90 days after termination of the scholarship loan, whichever is earlier. The scholarship loan may be terminated upon the recipient's withdrawal from school or by the recipient's failure to meet the standards set by the Commission.

(b) The State Education Assistance Authority shall forgive the loan if, within seven years after graduation from a nursing education program, the recipient practices nursing in North Carolina for one year for every year a scholarship loan was provided. If the recipient repays the scholarship loan by cash payments, all indebtedness shall be repaid within ten years. The Authority may provide for accelerated repayment and for less than full-time employment options to encourage the practice of nursing in either geographic or nursing specialty shortage areas. The Authority shall adopt specific rules to designate these geographic areas and these nursing specialty shortage areas, upon recommendations of the North Carolina Center for Nursing. The North Carolina Center for Nursing shall base its recommendations on objective information provided by interested groups or agencies and upon objective information collected by the Center. The Authority may forgive the scholarship loan if it determines that it is impossible for the recipient to practice nursing in North Carolina for a sufficient time to repay the loan because of the death or permanent disability of the recipient within ten years following graduation or termination of enrollment in a nursing education program.

(c) All funds appropriated to or otherwise received by the Nursing Scholars Program for scholarships, all funds received as repayment of scholarship loans, and all interest earned on these funds, shall be placed in a revolving fund. This revolving fund may be used only for scholarship loans granted under the Nursing Scholars Program. (1989, c. 594, s. 1; 1991, c. 550, s. 1.1; 1993 (Reg. Sess., 1994), c. 769, s. 17.11(b).)

- (1) Promulgate the rules and regulations necessary to implement the scholarship program;
- (2) Disburse, collect, and monitor scholarship loan funds;
- (3) Establish the terms and conditions of promissory notes executed by loan recipients;
- (4) Approve service repayment agreements;
- (5) Collect cash repayments required when service repayment is not completed; and
- (6) Adopt rules to allow for the forgiveness of scholarship loans if it determines that it is impossible for the recipient to practice nursing in North Carolina for a sufficient time to repay the loan because of the death or permanent disability of the recipient within ten years following graduation or termination of enrollment in a nursing education program.

(d) Each institution to which scholarship loan funds are allocated shall publicize the availability of, shall disseminate, receive and review applications for, and shall select the recipients of scholarship loans. Scholarship loans shall be made only to prospective and enrolled nursing students under the terms and conditions established for the need-based nursing scholarship loan program by the State Education Assistance Authority. Nurse Licensure Compact.

§ 90-171.80. Entering into Compact.

The Nurse Licensure Compact is hereby enacted into law and entered into by this State with all other states legally joining therein, in the form substantially as set forth in this Article. (1999-245, s. 1.)

Editor's Note. — Session Laws 1999-245, s. 4, made this Article effective July 1, 2000.

Session Laws 1999-245, s. 2 provides: "Any nurse whose license has been restricted by the North Carolina Board of Nursing on the date this act becomes effective shall not practice in

any other party state as defined in G.S. 90-171.82(12), as enacted in Section 1 of this act, during the time in which the license is restricted unless the nurse receives prior authorization from such other party state."

§ 90-171.81. Findings and declaration of purpose.

- (a) The General Assembly of North Carolina makes the following findings:
 - (1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to states' nurse licensure laws.
 - (2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public.
 - (3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation.
 - (4) New practice modalities and technology make compliance with individual states' nurse licensure laws difficult and complex.
 - (5) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.
- (b) The purposes of this Compact are to:
 - (1) Facilitate the states' responsibility to protect the public's health and safety.
 - (2) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation.
 - (3) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation, and adverse actions.
 - (4) Promote compliance with the laws governing the practice of nursing in each jurisdiction.
 - (5) Through the mutual recognition of party state licenses, grant all party states the authority to hold nurses accountable for meeting all state practice laws in the states in which their patients are located at the time care is rendered. (1999-245, s. 1.)

§ 90-171.82. Definitions.

The following definitions apply in this Article:

The term does not include the initial qualifications for licensure or the requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state. (1999-245, s. 1.)

§ 90-171.83. General provisions and jurisdiction.

(a) A license to practice registered nursing that is issued by a home state to a resident in that state shall be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in each party state. A license to practice practical or vocational nursing that is issued by a home state to a resident in that state shall be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical or vocational nurse in each party state. In order to obtain or retain a license, an applicant must meet the home state's qualifications for licensure and license renewal as well as all other applicable state laws.

(b) Party states may, in accordance with each state's due process laws, revoke, suspend, or limit the multistate licensure privilege of any licensee to practice in their state and may take any other actions under their applicable state laws that are necessary to protect the health and safety of their citizens. If a party state takes an action authorized in this subsection, it shall promptly notify the administrator of the coordinated licensure information system. The administrator shall promptly notify the home state of any actions taken by remote states.

(c) Every licensee practicing in a party state shall comply with the state practice laws of the state in which the patient is located at the time care is

rendered. The practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of a party state. The practice of nursing in a party state shall subject a nurse to the jurisdiction of the nurse licensing board and the laws and the courts in that party state.

(d) The Compact does not affect additional requirements imposed by states for advanced-practice registered nursing. A multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if a license to practice registered nursing is required by state law as a precondition for qualifying for advanced-practice registered nurse authorization.

(e) Persons not residing in a party state may continue to apply for nurse licensure in party states as provided for under the laws of each party state. The license granted to such persons shall not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state. (1999-245, s. 1.)

§ 90-171.84. Application for licensure in a party state.

(a) Upon receiving an application for a license, the licensing board in a party state shall ascertain through the coordinated licensure information system whether the applicant holds or has ever held a license issued by any other state, whether there are any restrictions on the applicant's multistate licensure privilege, and whether any other adverse action by any state has been taken against the applicant's license.

(b) A licensee in a party state shall hold licensure in only one party state at a time. The license shall be issued by the home state.

(c) A licensee who intends to change his or her primary state of residence may apply for licensure in the new home state in advance of the change. However, a new license shall not be issued by a party state until after the licensee provides evidence of a change in his or her primary state of residence that is satisfactory to the new home state's licensing board.

(d) When a licensee changes his or her primary state of residence by moving between two party states and obtaining a license from the new home state, the license from the former home state is no longer valid.

(e) When a licensee changes his or her primary state of residence by moving from a nonparty state to a party state and obtaining a license from the new home state, the license issued by the nonparty state shall not be affected and shall remain in full force if the laws of the nonparty state so provide.

(f) When a licensee changes his or her primary state of residence by moving from a party state to a nonparty state, the license issued by the former home state converts to an individual state license that is valid only in the former home state. The license does not grant the multistate licensure privilege to practice in other party states. (1999-245, s. 1.)

§ 90-171.85. Adverse actions.

(a) The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions, including the factual and legal basis for the actions, if known. The licensing board of a remote state shall also promptly report any current significant investigative information yet to result in a remote state action. The administrator of the coordinated licensure information system shall promptly notify the home state of any such reports.

(b) The licensing board of a party state may complete any pending investigation of a licensee who changes his or her primary state of residence during

the course of the investigation. It may also take appropriate action against a licensee and shall promptly report the conclusion of the investigation to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any action taken against a licensee.

(c) A remote state may take adverse action that affects the multistate licensure privilege to practice within that party state. However, only the home state may take adverse action that affects a license that was issued by the home state.

(d) For purposes of taking adverse action, the licensing board of the home state shall give to conduct reported by a remote state the same priority and effect that it would if the conduct had occurred within the home state. The board shall apply its own state laws to determine the appropriate action that should be taken against the licensee.

(e) The home state may take adverse action based upon the factual findings of the remote state if each state follows its own procedures for imposing the adverse action.

(f) This Compact does not prohibit a party state from allowing a licensee to participate in an alternative program instead of taking adverse action against the licensee. If required by the party state's laws, the licensee's participation in an alternative program shall be confidential information. Party states shall require licensees who enter alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from the other party state. (1999-245, s. 1.)

§ 90-171.86. Current significant investigative information.

(a) If a licensing board finds current significant investigative information as defined in G.S. 90-171.82(5)a., the licensing board shall, after giving the licensee notice and an opportunity to respond if required by state law, conduct a hearing and decide what adverse action, if any, should be taken against the licensee.

(b) If a licensing board finds current significant investigative information as defined in G.S. 90-171.82(5)b., the licensing board may take adverse action against the licensee without first providing the licensee notice or an opportunity to respond to the information. A hearing shall be promptly commenced and determined. (1999-245, s. 1.)

§ 90-171.87. Additional authority of party state nursing licensing boards.

Notwithstanding any other powers, party state nurse licensing boards may do any of the following:

- (1) If otherwise permitted by state law, recover from licensees the costs of investigating and disposing of cases that result in adverse action.
- (2) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a nurse licensing board in a party state for the attendance and testimony of witnesses or the production of evidence from another party state shall be enforced in the other party state by any court of competent jurisdiction according to the practice and procedure of that court. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the laws of the party state where the witnesses or evidence are located.

- (3) Issue cease and desist orders to limit or revoke a licensee's authority to practice in the board's state.
- (4) Adopt uniform rules and regulations that are developed by the Compact administrators as provided in G.S. 90-171.89(c). (1999-245, s. 1.)

§ 90-171.88. Coordinated licensure information system.

(a) All party states shall participate in a cooperative effort to create a coordinated data base of all licensed registered nurses and licensed practical or vocational nurses. This system shall include information on the licensure and disciplinary history of each licensee, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.

(b) Notwithstanding any other provision of law, all party states' licensing boards shall promptly report to the coordinated licensure information system any adverse action taken against licensees, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, and any denials of applications for licensure and the reasons for the denials.

(c) Current significant investigative information shall be transmitted through the coordinated licensure information system only to party state licensing boards.

(d) Notwithstanding any other provision of law, all party states' licensing boards contributing information to the coordinated licensure information system may designate information that shall not be shared with nonparty states or disclosed to other entities or individuals without the express permission of the contributing party state.

(e) Any personally identifiable information obtained by a party state licensing board from the coordinated licensure information system shall not be shared with nonparty states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.

(f) Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing the information shall be expunged from the coordinated licensure information system.

(g) The Compact administrators, acting jointly and in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection, and exchange of information under this Compact. (1999-245, s. 1.)

§ 90-171.89. Compact administration and interchange of information.

(a) The executive director of the nurse licensing board of each party state or the executive director's designee shall be the administrator of this Compact for that state.

(b) To facilitate the administration of this Compact, the Compact administrator of each party state shall furnish to the Compact administrators of all other party states information and documents concerning each licensee, including a uniform data set of investigations, identifying information, licensure data, and disclosable alternative program participation.

(c) Compact administrators shall develop uniform rules and regulations to facilitate and coordinate implementation of this Compact. These uniform rules shall be adopted by party states as authorized in G.S. 90-171.87(4). (1999-245, s. 1.)

§ 90-171.90. Immunity.

A party state or the officers, employees, or agents of a party state's nurse licensing board who act in accordance with this Compact shall not be liable for any good faith act or omission committed while they were engaged in the performance of their duties under this Compact. (1999-245, s. 1.)

§ 90-171.91. Effective date, withdrawal, and amendment.

(a) This Compact shall become effective as to any state when it has been enacted into the laws of that state. Any party state may withdraw from this Compact by enacting a statute repealing the Compact, but the withdrawal shall not take effect until six months after the withdrawing state has given notice of the withdrawal to the Compact administrators of all other party states.

(b) No withdrawal shall affect the validity or applicability of any report of adverse action taken by the licensing board of a state that remains a party to the Compact if the adverse action occurred prior to the withdrawal.

(c) This Compact does not invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with this Compact.

(d) This Compact may be amended by the party states. No amendment to this Compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states. (1999-245, s. 1.)

§ 90-171.92. Dispute resolution.

If there is a dispute that cannot be resolved by the party states involved, the following procedure shall be used:

- (1) The party states shall submit the issues in dispute to an arbitration panel that shall consist of an individual appointed by the Compact administrator in the home state, an individual appointed by the Compact administrator in the remote states involved, and an individual appointed by the Compact administrators of all the party states involved in the dispute.
- (2) The decision of a majority of the arbitrators shall be final and binding. (1999-245, s. 1.)

§ 90-171.93. Construction and severability.

This Compact shall be liberally construed so as to effectuate the purposes as stated in G.S. 90-171.81(b). The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States, or if the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected. If this Compact shall be held contrary to the constitution of any party state, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters. (1999-245, s. 1.)

§ 90-171.94. Applicability of compact.

This Article is applicable only to nurses whose home states are determined by the North Carolina Board of Nursing to have licensure requirements that

are substantially equivalent or more stringent than those of North Carolina. (1999-456, s. 25.)

(b) The services of a technician, intern, preceptee, or other veterinary employee shall be limited to services under the direction and supervision of a veterinarian. In addition, a veterinary technician may assist veterinarians in diagnosis, laboratory analysis, anesthesia, and surgical procedures. Neither the employee nor the veterinary technician may perform any act producing an irreversible change in the animal. An employee, other than a veterinary technician, intern, or preceptee, may, under the direct supervision of a veterinarian, perform duties including collection of specimen; testing for intestinal parasites; collecting blood; testing for heartworms and conducting other laboratory tests; taking radiographs; and cleaning and polishing teeth, provided that the employee has had sufficient on-the-job training by a veterinarian to perform these specified duties in a competent manner. (1973, c. 1106, s. 1; 1981, c. 767, ss. 8-11; 1993, c. 500, s. 14; c. 539, ss. 634, 635; 1995, c. 509, s. 42.)

(b) The giving of notice to the owner, or the agent of the owner, of such animal by the licensed veterinarian, as provided in subsection (a) of this section, shall relieve the licensed veterinarian and any custodian to whom such animal may be given of any further liability for disposal.

(c) For the purpose of this Article the term “abandoned” shall mean to forsake entirely, or to neglect or refuse to provide or perform the legal obligations for care and support of an animal by its owner, or his agent. Such abandonment shall constitute the relinquishment of all rights and claims by the owner to such animal. (1973, c. 1106, s. 1.)

§ 90-187.8. Discipline of licensees.

(a) Upon complaint or information, and within the Board’s discretion, the Board may revoke or suspend a license issued under this Article, may otherwise discipline a person licensed under this Article, or may deny a license required by this Article in accordance with the provisions of this Article, Board rules, and Chapter 150B of the General Statutes. As used in this section, the word “license” includes a license, a limited license, a veterinary faculty certificate, a zoo veterinary certificate, and a registration of a veterinary technician, a veterinary student intern, and a veterinary student preceptee.

(b) The Board may impose and collect from a licensee a civil monetary penalty of up to five thousand dollars (\$5,000) for each violation of this Article or a rule adopted under this Article. The clear proceeds of these civil penalties shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

The amount of the civil penalty, up to the maximum, shall be determined upon a finding of one or more of the following factors:

- (2) An adjudication of insanity or incompetency.
- (3) The impairment of a person holding a license issued by the Board, when the impairment is caused by that person's use of alcohol, drugs, or controlled substances, and the impairment interferes with that person's ability to practice within the scope of the license with reasonable skill and safety and in a manner not harmful to the public or to animals under the person's care.
- (4) The use of advertising or solicitation which is false, misleading, or deceptive.
- (5) Conviction of a felony or other public offense involving moral turpitude.

- (10) Failure to report, as required by the laws and regulations of the State, or making false report of, any contagious or infectious disease.
- (11) Dishonesty or gross negligence in the inspection of foodstuffs or the issuance of health or inspection certificates.
- (12) Conviction of a criminal offense involving cruelty to animals or the act of cruelty to animals.
- (13) Revocation of a license to practice veterinary medicine by another state, territory or district of the United States only if the grounds for revocation in the other jurisdiction would also result in revocation of the practitioner's license in this State.
- (14) Unprofessional conduct as defined in regulations adopted by the Board.
- (15) Conviction of a federal or state criminal offense involving the illegal use, prescription, sale, or handling of controlled substances, other drugs, or medicines.
- (16) The illegal use, dispensing, prescription, sale, or handling of controlled substances or other drugs and medicines.
- (17) Failure to comply with regulations of the United States Food and Drug Administration regarding biologics, controlled substances, drugs, or medicines.

§ 90-202.4. Board of Podiatry Examiners; terms of office; powers; duties.

(a) There shall be established a Board of Podiatry Examiners for the State of North Carolina. This Board shall consist of four members appointed by the Governor. Three of the members shall be licensed podiatrists who have practiced podiatry in North Carolina for not less than seven years immediately preceding their election and who are elected and nominated to the Governor as hereinafter provided. The other member shall be a person chosen by the Governor to represent the public at large. The public member shall not be a health care provider nor may he or she be the spouse of a health care provider. For purposes of Board membership, "health care provider" means any licensed health care professional and any agent or employee of any health care institution, health care insurer, health care professional school, or a member of any allied health profession. For purposes of this section, a person enrolled in a program to prepare him to be a licensed health care professional or an allied health professional shall be deemed a health care provider. For purposes of this section, any person with significant financial interest in a health service or profession is not a public member.

(b) All Board members serving on June 30, 1981, shall be eligible to complete their respective terms. No member appointed to the Board on or after July 1, 1981, shall serve more than two complete consecutive three-year terms, except that each member shall serve until his successor is chosen and qualified.

(c) Podiatrist members chosen as provided for in subsection (d) shall be selected upon the expiration of the respective terms of the members of the

present Board of Podiatry Examiners. Membership on the Board resulting from appointment before July 1, 1981, shall not be considered in determining the permissible length of service under subsection (b). The Governor shall appoint the public member not later than July 1, 1981.

(d) The Governor shall appoint podiatrist members of the Board from a list provided by the Board of Podiatry Examiners. For each vacancy, the Board shall submit at least two names to the Governor. All nominations of podiatrist members of the Board shall be conducted by the Board of Podiatry Examiners, which is hereby constituted a Board of Podiatry Elections. Every podiatrist with a current North Carolina license residing in this State shall be eligible to vote in all elections. The list of licensed podiatrists shall constitute the registration list for elections. The Board of Podiatry Elections is authorized to make rules relative to the conduct of these elections, provided such rules are not in conflict with the provisions of this section and provided that notice shall be given to all licensed podiatrists residing in North Carolina. All such rules shall be adopted subject to the procedures of Chapter 150B of the General Statutes of North Carolina. From any decision of the Board of Podiatry Elections relative to the conduct of such elections, appeal may be taken to the courts in the manner provided by Chapter 150B of the General Statutes.

(e) Any initial or regular member of the Board may be removed from office by the Governor for good cause shown. Any vacancy in the initial or regular podiatrist membership of the Board shall be filled for the period of the unexpired term by the Governor from a list of at least two names submitted by the podiatrist members of the Board. Any vacancy in the public membership of the Board shall be filled by the Governor for the unexpired term.

(f) The Board is authorized to elect its own presiding and other officers.

(g) The Board, in carrying out its responsibilities, shall have authority to employ personnel, full-time or part-time, as shall be determined to be necessary in the work of the Board. The Board shall have authority to pay compensation to the member of the Board holding the position of secretary-treasurer on a basis to be determined by the Board; Provided that in the event the positions of secretary and treasurer are not combined but are held by different members of the Board, the Board shall have authority to pay compensation to the member holding the position of secretary and to the member holding the position of treasurer, if the Board so chooses, on a basis to be determined by the Board. The Board is required to keep proper and complete records with respect to all of its activities, financial and otherwise, and shall on or before January 30 of each year submit a written report to the Governor and to such other officials and/or agencies as other sections of the General Statutes may require, said report covering the activities of the Board during the previous calendar year, which report shall include a verified financial statement. The Board is authorized to adopt rules and regulations governing its proceedings and the practice of podiatry in this State, not inconsistent with the provisions of this Article. The Board shall maintain at all times an up-to-date list of the names and addresses of each licensed podiatrist in North Carolina, which list shall be available for inspection and which shall be included in the annual report referred to above. (1919, c. 78, s. 3; C.S., s. 6765; 1963, c. 1195, s. 2; 1967, c. 1217, s. 3; 1975, c. 672, s. 1; 1981, c. 659, s. 1; 1983, c. 217, ss. 1-4; 1987, c. 827, s. 1.)

§ 90-202.5. Applicants to be examined; examination fee; requirements; temporary licenses.

(a) Any person not heretofore authorized to practice podiatry in this State shall file with the Board of Podiatry Examiners an application for examination accompanied by a fee not to exceed three hundred fifty dollars (\$350.00),

together with proof that the applicant is of good moral character, and has obtained a preliminary education equivalent to four years of instruction in a high school and three years of instruction in a college or university approved by the American Association of Colleges and Universities. Before taking the examination, the applicant must be a graduate of a college of podiatric medicine accredited by the National Council on Education of the American Podiatry Association.

Effective January 1, 1992, every applicant, as a prerequisite for licensure under this Article, shall complete one year of clinical residency or other equivalent postgraduate clinical program approved by the North Carolina Board of Podiatry Examiners and, before taking the North Carolina podiatry licensure examination, shall present evidence to the Board that he has passed the National Board Examination.

Any person licensed to practice podiatry on or before January 1, 1992, who is actively involved in a postgraduate clinical program approved by the Board shall be permitted to practice podiatry in the approved program pending its completion.

(b) Effective January 1, 1992, the Board may issue a temporary license to practice podiatry to any applicant for licensure, for a period and under conditions established by the Board, while the person resides in North Carolina and is participating in a clinical residency or other equivalent postgraduate clinical program approved by the Board. A temporary license is valid only while the licensee is actively participating in the program and may not be extended beyond the determined length of training set by the Board. CASE NOTES

Educational Requirements Not Comparable with Those of Medicine. — The practice of podiatry is a narrowly restricted one. This allied health profession is not at all comparable with the practice of medicine and sur-

gery. The educational requirements for a podiatrist are less demanding than those for physicians and surgeons. *Whitehurst v. Boehm*, 41 N.C. App. 670, 255 S.E.2d 761 (1979).

§ 90-202.6. Examinations; subjects; certificates.

(a) The Board of Podiatry Examiners shall hold at least one examination annually for the purpose of examining applicants under this Article. The examination shall be at such time and place as the Board may see fit. The Board may make such rules and regulations as it may deem necessary to conduct its examinations and meetings. It shall provide, preserve and keep a complete record of all its transactions. Examinations for registration under this Article shall be in the English language and shall be written, oral, or clinical, or a combination of written, oral or clinical, as the Board may determine, and may include the following subjects: anatomy, physiology, bacteriology, chemistry, dermatology, podiatry, surgery, materia medica, pharmacology and pathology. No applicant shall be granted a license certificate by the Board unless he obtains a general average of 75 or over, and not less than fifty percent (50%) in any one subject. After such examination the Board shall without unnecessary delay, act on same and issue license certificates to the successful candidates signed by each member of the Board; and the Board of Podiatry Examiners shall report annually to each licensed podiatrist in the State of North Carolina.

(b) The Board may waive the administration of a written examination prepared by it for all initial applicants who have successfully completed the National Board of Podiatry Examination. The Board may administer to such

applicants and require them to complete successfully an examination to test clinical competency in the practice of podiatry.

(c) Any applicant who fails to pass his examination shall within one year be entitled to reexamination upon the payment of an amount not to exceed three hundred fifty dollars (\$350.00), but not more than two reexaminations shall be allowed any one applicant prior to filing a new application. Should he fail to pass his third examination, he shall file a new application before he can again be examined. (1919, c. 78, s. 4; C.S., s. 6767; 1963, c. 1195, s. 2; 1967, c. 1217, s. 5; 1975, c. 672, s. 1; 1981, c. 659, ss. 3, 4; 1983, c. 217, s. 6; 1991, c. 457, s. 2.)

§ 90-202.7. Applicants licensed in other states.

If an applicant for licensure is already licensed in another state to practice podiatry, the Board shall issue a license to practice podiatry to the applicant upon evidence that:

- (1) The applicant is currently an active, competent practitioner in good standing; and
- (2) The applicant has practiced at least five years immediately preceding his or her application with at least three of those five years being in a state that grants similar reciprocity to North Carolina podiatrists; and
- (3) The applicant currently holds a valid license in another state; and
- (4) No disciplinary proceeding or unresolved complaint is pending anywhere at the time a license is to be issued by this State; and
- (5) The licensure requirements in the other state are equivalent to or higher than those required by this State, and the licensure requirements of that other state grant similar reciprocity to podiatrists licensed in North Carolina.

Any license issued upon the application of any podiatrist from any other state shall be subject to all of the provisions of this Article with reference to the license issued by the North Carolina State Board of Podiatry Examiners upon examination of applicants, and the rights and privileges to practice the profession of podiatry under any license so issued shall be subject to the same duties, obligations, restrictions and conditions as imposed by this Article on podiatrists originally examined by the North Carolina State Board of Podiatry Examiners. (1919, c. 78, s. 6; C.S., s. 6768; 1967, c. 1217, s. 6; 1975, c. 672, s. 1; 1981, c. 659, s. 5; 1983, c. 217, s. 7; 1991, c. 457, s. 3.)

- (1) Has engaged in any act or acts of fraud, deceit or misrepresentation in obtaining or attempting to obtain a license or the renewal thereof;
- (2) Is a chronic or persistent user of alcohol intoxicants or habit-forming drugs or narcotics to the extent that the same impairs his ability to practice podiatry;

- (4) Has been convicted of or entered a plea of guilty or nolo contendere to any felony charge or to any misdemeanor charge involving moral turpitude;
- (5) Has been convicted of or entered a plea of guilty or nolo contendere to any charge of violation of any state or federal narcotic or barbiturate law;
- (6) Has engaged in any act or practice violative of any of the provisions of this Article or violative of any of the rules and regulations promulgated and adopted by the Board, or has aided, abetted or assisted any other person or entity in the violation of the same;
- (7) Is mentally, emotionally, or physically unfit to practice podiatry or is afflicted with such a physical or mental disability as to be deemed dangerous to the health and welfare of his patients. An adjudication of mental incompetency in a court of competent jurisdiction or a determination thereof by other lawful means shall be conclusive proof of unfitness to practice podiatry unless or until such person shall have been subsequently lawfully declared to be mentally competent;
- (8) Has advertised services in a false, deceptive, or misleading manner;
- (9) Has permitted the use of his name, diploma or license by another person either in the illegal practice of podiatry or in attempting to fraudulently obtain a license to practice podiatry;
- (10) Has engaged in such immoral conduct as to discredit the podiatry profession;
- (11) Has obtained or collected or attempted to obtain or collect any fee through fraud, misrepresentation, or deceit;

- (13) Is not professionally competent in the practice of podiatry;
- (14) Has practiced any fraud, deceit or misrepresentation upon the public or upon any individual in an effort to acquire or retain any patient or patients;
- (15) Has made fraudulent or misleading statements pertaining to his skill, knowledge, or method of treatment or practice;

- (21) Is a menace to the public health by reason of having a serious communicable disease;
- (22) Has distributed or caused to be distributed any intoxicant, drug, or narcotic for any other than a lawful purpose; or
- (23) Has engaged in any unprofessional conduct as the same may be, from time to time, defined by the rules and regulations of the Board.

(a1) The Board shall establish a grievance committee to receive complaints concerning a practitioner's business or professional practices. The committee shall consider all complaints and determine whether there is probable cause. After its review, the committee may dismiss any complaint when it appears that probable cause of a violation cannot be established. Complaints which are not dismissed shall be referred to the Board.

(b) If any person engages in or attempts to engage in the practice of podiatry while his license is suspended, his license to practice podiatry in the State of North Carolina may be permanently revoked.

(c) Action of the Board shall be subject to judicial review as provided by Chapter 150B (Administrative Procedure Act). (1919, c. 78, ss. 12, 13; C.S., s.

§§ 90-203 through 90-210.17: Recodified as §§ 90-210.18 through 90-210.25.

Editor's Note. — This Article was rewritten 1975, and has been recodified as Article 13A, by Session Laws 1975, c. 571, effective Oct. 1, G.S. 90-210.18 et seq.

ARTICLE 13A.

*Practice of Funeral Service.***§ 90-210.18. Construction of Article; State Board; members; election; qualifications; term; vacancies.**

(a) The General Assembly declares that the practice of funeral service affects the public health, safety and welfare, and is subject to regulation and control in the public interest. The public interest requires that only qualified persons be permitted to practice funeral service in North Carolina, and that the profession merit the confidence of the public. This Article shall be liberally construed to accomplish these ends.

(b) The North Carolina Board of Funeral Service is created and shall regulate the practice of funeral service in this State. The Board shall have nine members as follows:

- (1) Four funeral service licensees or persons holding both funeral director's license and an embalmer's license,
- (2) Two persons holding a funeral director's license or a funeral service license, and
- (3) Three public members.

(b1) A member's term shall be three years and shall expire on December 31 or when his or her successor has been duly elected or appointed. No member may serve more than two complete consecutive terms. All members of the Board shall have full voting authority.

(b2) The six seats on the Board for licensees shall be filled in an election in which every person licensed to practice embalming, funeral directing, or funeral service in this State may vote. No licensee may be nominated, elected, or serve unless he holds a North Carolina license in the class designated for the seat and unless the licensee is engaged in full-time employment in this State in a practice authorized by the licensee's license. Any vacancy occurring in an elective seat on the Board shall be filled for the unexpired term by majority vote of the remaining Board members.

(b3) The Governor, the General Assembly upon the recommendation of the President Pro Tempore of the Senate, and the General Assembly upon the recommendation of the Speaker of the House of Representatives shall each appoint one public member to the Board. The public members of the Board may neither be licensed under this Article nor employed by a person who is. A vacancy occurring in a public member's seat shall be filled for the unexpired term by the appointing official.

(c) Nominations and elections of members of the North Carolina State Board of Funeral Service shall be as follows:

- (1) An election shall be held each year to elect two persons for membership on the Board of Funeral Service, each to take office on the first day of January following the election. If in any year the election of a member of the Board is not completed by January 1, the member elected that year shall take office immediately after completion of the election.
- (2) Every embalmer, funeral director and funeral service licensee with a current North Carolina license shall be eligible to vote in all elections. The holding of such a license to practice in North Carolina shall constitute registration to vote in such elections. The list of licensed embalmers, funeral directors and funeral service licensees shall constitute the registration list for elections.
- (3) All elections shall be conducted by the State Board of Funeral Service which is hereby constituted a Board of Funeral Service Elections. If a

member of the State Board of Funeral Service whose position is to be filled at any election is nominated to succeed himself and does not withdraw his name, he shall be disqualified to serve as a member of the Board of Funeral Service Elections for that election and the remaining members of the Board of Funeral Service Elections shall proceed and function without his participation.

- (4) Nomination of candidates for election shall be made to the Board of Funeral Service Elections by a written petition signed by not less than 20 embalmers, funeral directors or funeral service licensees licensed to practice in North Carolina, and filed with said Board of Funeral Service Elections subsequent to the first day of May of the year in which the election is to be held and not later than midnight of the first day of August of such year, or not later than such earlier date (not before July 1) as may be set by the Board of Funeral Service Elections: Provided, that not less than 10 days' notice of such earlier date shall be given to all embalmers, funeral directors and funeral service licensees qualified to sign a petition of nomination.
- (5) Any person who is nominated as provided in subdivision (4) above may withdraw his name by written notice delivered to the Board of Funeral Service Elections or its designated secretary at any time prior to the closing of the polls in any election.
- (5a) Repealed by Session Laws 1983, c. 69, s. 3.
- (6) Following the close of nominations, there shall be prepared, under and in accordance with such rules and regulations as the Board of Funeral Service Elections shall prescribe, ballots containing identification of the seats for election and, in alphabetical order, the names of all nominees for each seat. Each ballot shall have such method of identification, and such instructions and requirements printed thereon, as shall be prescribed by the Board of Funeral Service Elections at such time as may be fixed by the Board of Funeral Service Elections a ballot and a return official envelope addressed to said Board shall be mailed to each embalmer, funeral director and funeral service licensee licensed to practice in North Carolina, together with a notice by said Board designating the latest day and hour for return mailing and containing such other items as such Board may see fit to include. The said envelope shall bear a serial number and shall have printed on the left portion of its face the following:

"Serial No. of Envelope _____
 Signature of Voter _____
 Address of Voter _____

(Note: The enclosed ballot is not valid unless the signature of the voter is on this envelope)." The Board of Funeral Service Elections may cause to be printed or stamped or written on said envelope such additional notice as it may see fit to give. No ballot shall be valid or shall be counted in an election unless within the time hereinafter provided it has been delivered to said Board by hand or by mail and shall be sealed. The said Board by rule may make provision for replacement of lost or destroyed envelopes or ballots upon making proper provisions to safeguard against abuse.

- (7) The date and hour fixed by the Board of Funeral Service Elections as the latest time for delivery by hand or mailing of said return ballots shall be not earlier than the tenth day following the mailing of the envelopes and ballots to the voters.
- (8) The said ballots shall be canvassed by the Board of Funeral Service Elections beginning at 1:00 p.m. on a day and at a place set by said

Board and announced by it in the notice accompanying the sending out of the ballots and envelopes, said date to be not later than four days after the date fixed by the Board for the closing of the balloting. The canvassing shall be made publicly and any licensed embalmer, funeral director or funeral service licensee may be present. The counting of ballots shall be conducted as follows: The envelopes shall be displayed to the persons present and an opportunity shall be given to any person present to challenge the qualification of the voter whose signature appears on the envelope or to challenge the validity of the envelope. Any envelope (with enclosed ballot) challenged shall be set aside, and the challenge shall be heard later or at that time by said Board. After the envelopes have been so exhibited, those not challenged shall be opened and the ballots extracted therefrom, insofar as practicable without showing the marking on the ballots, and there shall be a final and complete separation of each envelope and its enclosed ballot. Thereafter each ballot shall be presented for counting, shall be displayed and, if not challenged, shall be counted. No ballot shall be valid if it is marked for more nominees than there are positions to be filled in that election: Provided, that no ballot shall be rejected for any technical error unless it is impossible to determine the voter's choices or choice from the ballot. The counting of ballots shall be continued until completed. During the counting, challenge may be made to any ballot on the grounds only of defects appearing on the face of the ballot. The said Board may decide the challenge immediately when it is made or it may put aside the ballot and determine the challenge upon the conclusion of the counting of the ballots.

- (9)a. Election shall be determined by a majority of the votes cast. As used in this subdivision "category I" refers to the seat held by a funeral service licensee or a person holding both a funeral director's license and an embalmer's license, and "category II" refers to the seat held by a funeral director or a funeral service licensee. A majority shall be determined:
1. In an election to fill one seat in category I and one seat in category II, and if there are two or more candidates for a category, the majority shall be determined by dividing the total vote cast for all candidates in the category by two. An excess of the sum so ascertained shall be a majority.
 2. In an election to fill two seats in the same category, and if there are more than two candidates, the majority shall be determined by dividing the total vote cast for all candidates by two and by dividing the result by two. Any excess of the sum so ascertained shall be a majority. If more than two candidates obtain a majority the two having the highest vote shall be declared elected.
- b. If there is a failure to obtain a majority of the votes cast for any seat the following procedures shall apply:
1. In an election to fill one seat in category I and one seat in category II, and if no candidate receives a majority in a category, the candidate receiving the highest number of votes in that category shall be declared elected unless the candidate receiving the second highest number of votes, within 10 days of having been notified by the Board of the vote total, shall request a second election. In the second election, the names of the candidates who received the highest and the next highest number of votes shall appear on the ballot.
 2. In an election to fill two seats in the same category, and if no candidate receives a majority, the two candidates receiving

the highest number of votes shall be declared elected unless the candidate receiving the next highest number of votes, within 10 days of having been notified by the Board of the vote total, shall request a second election. In the second election the names of the two candidates who received the highest number of votes in the first election and the name of the candidate who received the next highest number of votes shall appear on the ballot, and the two candidates who receive the highest number of votes in the second election shall be declared elected. If in the first election only one candidate fails to receive a majority, the candidate receiving the highest number of votes, but not a majority, shall be declared elected unless the candidate receiving the next highest number of votes, within 10 days of having been notified by the Board of the vote total, shall request a second election. In the second election the name of the candidate who received the highest number of votes, but not a majority, in the first election and the name of the candidate who received the next highest number of votes shall appear on the ballot, and the candidate who receives the higher number of votes in the second election shall be declared elected.

- c. In any election if there is a tie between candidates the tie shall be resolved by a vote of the Board, provided that if a member of the Board is one of the candidates in the tie he may not participate in such vote.
- (10) In the event there shall be required a second election, there shall be followed the same procedure as outlined in the paragraphs above subject to the same limitations and requirements.
- (11) In the case of the death or withdrawal of a candidate prior to the closing of the polls in any election, he shall be eliminated from the contest and any votes cast for him shall be disregarded. If, at any time after the closing of the period for nominations, because of lack of plural or proper nominations, or death, or withdrawal, or disqualification or any other reason, there shall be (i) only one candidate for a position, he shall be declared elected by the Board of Funeral Service Elections, or (ii) no candidate for a position, the position shall be filled by the State Board of Funeral Service. In the event of the death or withdrawal of a candidate after election but before taking office, the position to which he was elected shall be filled by the State Board of Funeral Service. In the event of the death or resignation of a member of the State Board of Funeral Service, after taking office, his position shall be filled for the unexpired term by the State Board of Funeral Service.
- (12) An official list of all licensed embalmers, funeral directors and funeral service licensees shall be kept at an office of the Board of Funeral Service Elections and shall be open to the inspection of any person at all times. Copies may be made by any licensed embalmer, funeral director or funeral service licensee. As soon as the voting in any election begins, a list of the licensed embalmers, funeral directors, and funeral service licensees shall be posted in such office of said Board and indication by mark or otherwise shall be made on that list to show whether a ballot-enclosing envelope has been returned.
- (13) All envelopes enclosing ballots and all ballots shall be preserved and held separately by the Board of Funeral Service Elections for a period of six months following the close of an election.
- (14) From any decision of the Board of Funeral Service Elections relative to the conduct of such elections, appeal may be taken to the courts in

the manner otherwise provided by Chapter 150B of the General Statutes of North Carolina.

- (15) The Board of Funeral Service Elections is authorized to make rules and regulations relative to the conduct of these elections, provided same are not in conflict with the provisions of this section and provided that notice shall be given to all licensed embalmers, funeral directors, and funeral service licensees.

(d) The Board of Funeral Service Elections is authorized to appoint such secretary or secretaries and/or assistant secretary or assistant secretaries to perform such functions in connection with such nominations and elections as said Board shall determine, provided that any protestant or contestant shall have the right to a hearing by said Board in connection with any challenge of a voter, or an envelope, or a ballot or the counting of an election. Said Board is authorized to designate an office or offices for the keeping of lists of registered embalmers, funeral directors and funeral service licensees, for the issuance and receipt of envelopes and ballots. The Board is also empowered to enforce compliance with the standards set forth in Funeral Industry Practices, 16 C.F.R. 453 (1984), as amended from time to time.

(f) The Board may establish, supervise, regulate and control programs for the resident trainee. It may approve schools of mortuary science or funeral service, graduation from which is required by this Article as a qualification for the granting of any license, and may establish essential requirements and standards for such approval of mortuary science or funeral service schools.

(g) Schools for teaching mortuary science which are approved by the Board shall have extended to them the same privileges as to the use of bodies for dissecting while teaching as those granted in this State to medical colleges, but such bodies shall be obtained through the same agencies which provide bodies for medical colleges.

(h) The Board shall adopt a common seal.

(h1) The Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as a private person or corporation, subject only to approval of the Governor and the Council of State. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board.

(h2) The Board may employ legal counsel and clerical and technical assistance, and fix the compensation therefor, and incur such other expenses as may be deemed necessary in the performance of its duties and the enforcement of

the provisions of this Article or as otherwise required by law and as may be necessary to carry out the powers herein conferred.

(i) The Board may perform such other acts and exercise such other powers and duties as may be provided elsewhere in this Article or otherwise by law and as may be necessary to carry out the powers herein conferred. The Board shall mail to each registered trainee at his last known address a notice that the renewal fee is due and that, if not paid within 30 days of the notice, the certificate will be canceled. A late fee, in addition to the renewal fee, shall be charged for a late renewal, but the renewal of the registration of any resident trainee who is engaged in the active military service of the United States at the time renewal is due may, at the discretion of the Board, be held in abeyance for the duration of that service without penalties. No credit shall be allowed for the 12-month period of resident traineeship that shall have been completed more than five years preceding the examination for a license.
 - e. All registered resident trainees shall report to the Board at least once every month during traineeship upon forms provided by the

Board listing the work which has been completed during the preceding month of resident traineeship. The data contained in the reports shall be certified as correct by the licensee under whom the trainee has served during the period and by the licensed person who is managing the funeral service establishment. Each report shall list the following:

- l. The Board shall register no more than one resident trainee at a funeral establishment that served 100 or fewer families during the 12 months immediately preceding the date of the application, and shall register no more than one resident trainee for each additional 100 families served at the funeral establishment during the 12 months immediately preceding the date of the application.
- (5) The Board by regulation may recognize other examinations that the Board deems equivalent to its own.
- a. All licenses shall be signed by the president and secretary of the Board and the seal of the Board affixed thereto. All licenses shall be issued, renewed or duplicated for a period not exceeding one year upon payment of the renewal fee, and all licenses, renewals or duplicates thereof shall expire and terminate the thirty-first day of December following the date of their issue unless sooner revoked and canceled; provided, that the date of expiration may be changed by unanimous consent of the Board and upon 90 days' written notice of such change to all persons licensed for the practice of funeral directing, embalming and funeral service in this State.

- b. The holder of any license issued by the Board who shall fail to renew the same on or before February 1 of the calendar year for which the license is to be renewed shall have forfeited and surrendered the license as of that date. No license forfeited or surrendered pursuant to the preceding sentence shall be reinstated by the Board unless it is shown to the Board that the applicant has, throughout the period of forfeiture, engaged full time in another state of the United States or the District of Columbia in the practice to which his North Carolina license applies and has completed for each such year continuing education substantially equivalent in the opinion of the Board to that required of North Carolina licensees; or has completed in North Carolina a total number of hours of accredited continuing education computed by multiplying five times the number of years of forfeiture; or has passed the North Carolina examination for the forfeited license. No additional resident traineeship shall be required. The applicant shall be required to pay all delinquent annual renewal fees and a reinstatement fee. The Board may waive the provisions of this section for an applicant for a forfeiture which occurred during his service in the armed forces of the United States provided he applies within six months following severance therefrom.
- c. All licensees now or hereafter licensed in North Carolina shall take continuing education courses in subjects relating to the practice of the profession for which they are licensed, to the end that the benefits of learning and reviewing skills will be utilized and applied to assure proper service to the public.
- d. As a prerequisite to the annual renewal of a license, the licensee must complete, during the year immediately preceding renewal, at least five hours of continuing education courses, of which the Board may require licensees to take up to two hours specified by the Board. All continuing education courses must be approved by the Board prior to enrollment. A licensee who completes more than five hours in a year may carry over a maximum of five hours as a credit to the following year's requirement. A licensee who is issued an initial license on or after July 1 does not have to satisfy the continuing education requirement for that year.
- e. The Board shall not renew a license unless fulfillment of the continuing education requirement has been certified to it on a form provided by the Board, but the Board may waive this requirement for renewal in cases of certified illness or undue hardship or where the licensee lives outside of North Carolina and does not practice in North Carolina, and the Board shall waive the requirement for all licensees who were licensed on or before December 31, 2003, and have been licensed in North Carolina for a continuous period of 25 years or more, for all licensees who are licensed on or after January 1, 2004, who have been licensed for a continuous period of 25 years or more and have attained the age of 60 years, and for all licensees who are, at the time of renewal, members of the General Assembly.
- f. The Board shall cause to be established and offered to the licensees, each calendar year, at least eight hours of continuing education courses. The Board may charge licensees attending these courses a reasonable registration fee in order to meet the expenses thereof and may also meet those expenses from other funds received under the provisions of this Article.

- g. Any person who having been previously licensed by the Board as a funeral director or embalmer prior to July 1, 1975, shall not be required to satisfy the requirements herein for licensure as a funeral service licensee, but shall be entitled to have such license renewed upon making proper application therefor and upon payment of the renewal fee provided by the provisions of this Article. Persons previously licensed by the Board as a funeral director may engage in funeral directing, and persons previously licensed by the Board as an embalmer may engage in embalming. Any person having been previously licensed by the Board as both a funeral director and an embalmer may upon application therefor receive a license as a funeral service licensee.
- h. The Department of Justice may provide a criminal record check to the Board for a person who has applied for a new or renewal license, or certification through the Board. The Board shall provide to the Department of Justice, along with the request, the fingerprints of the applicant, any additional information required by the Department of Justice, and a form signed by the applicant consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subdivision privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subdivision.

(a1) Inactive Licenses. — Any person holding a license issued by the Board for funeral directing, for embalming, or for the practice of funeral service may apply for an inactive license in the same category as the active license held. The inactive license is renewable annually. Continuing education is not required for the renewal of an inactive license. The only activity that a holder of an inactive license may engage in is to vote pursuant to G.S. 90-210.18(c)(2). The holder of an inactive license may apply for an active license in the same category, and the Board shall issue an active license if the applicant has completed in North Carolina a total number of hours of accredited continuing education equal to five times the number of years the applicant held the inactive license. No application fee is required for the reinstatement of an active license pursuant to this subsection. The holder of an inactive license who returns to active status shall surrender the inactive license to the Board.

(a2) In order to engage in the practice of funeral directing or funeral service, such a licensee must own, be employed by, or otherwise be an agent of a licensed funeral establishment; except that such a licensee may practice funeral directing or funeral service if:

- (1) Employed by a college of mortuary science; or
- (2) The licensee:

- a. Maintains all of his or her business records at a location made known to the Board and available for inspection by the Board under the same terms and conditions as the business records of a licensed funeral establishment;
- b. Complies with rules and regulations imposed on funeral establishments and the funeral profession that are designed to protect

consumers, to include, but not be limited to, the Federal Trade Commission's laws and rules requiring General Price Lists and Statements of Goods and Services; and

Nothing in this subdivision shall preclude a licensee from arranging cremations and cremating human remains while employed by a crematory.

(b) Persons Licensed under the Laws of Other Jurisdictions. —

- (1) The Board shall grant licenses to funeral directors, embalmers and funeral service licensees, licensed in other states, territories, the District of Columbia, and foreign countries, when it is shown that the applicant holds a valid license as a funeral director, embalmer or funeral service licensee issued by the other jurisdiction, has demonstrated knowledge of the laws and rules governing the profession in North Carolina and has submitted proof of his good moral character; and either that the applicant has continuously practiced the profession in the other jurisdiction for at least three years immediately preceding his application, or the Board has determined that the licensing requirements for the other jurisdiction are substantially similar to those of North Carolina.
- (2) The Board shall periodically review the mortuary science licensing requirements of other jurisdictions and shall determine which licensing requirements are substantially similar to the requirements of North Carolina.
- (3) The Board may issue special permits, to be known as courtesy cards, permitting nonresident funeral directors, embalmers and funeral service licensees to remove bodies from and to arrange and direct funerals and embalm bodies in this State, but these privileges shall not include the right to establish a place of business in or engage generally in the business of funeral directing and embalming in this State. Except for special permits issued by the Board for teaching continuing education programs and for work in connection with disasters, no special permits may be issued to nonresident funeral directors, embalmers, and funeral service licensees from states that do not issue similar courtesy cards to persons licensed in North Carolina pursuant to this Article.

(c) Registration, Filing and Transportation. —

- (1) The holder of any license granted by this State for those within the funeral service profession or renewal thereof provided for in this Article shall cause registration to be filed in the office of the board of health of the county or city in which he practices his profession, or if there be no board of health in such county or city, at the office of the clerk of the superior court of such county. - (3) The "transportation or removal of a dead human body" shall mean the removal of a dead human body for a fee from the location of the place of death or discovery of death or the transportation of the body to or from a medical facility, funeral establishment or facility, crematory or

related holding facility, place of final disposition, or place designated by the Medical Examiner for examination or autopsy of the dead human body.

- (4) Any individual, not otherwise exempt from this subsection, shall apply for and receive a permit from the Board before engaging in the transportation or removal of a dead human body in this State. Unless otherwise exempt from this subsection, no corporation or other business entity shall engage in the transportation or removal of a dead human body unless it has in its employ at least one individual who holds a permit issued under this section. No individual permit holder shall engage in the transportation or removal of a dead human body for more than one person, firm, or corporation without first providing the Board with written notification of the name and physical address of each such employer.

Nothing in this section prohibits the Office of the Chief Medical Examiner from adopting policies and procedures regarding the removal, transportation, or handling of a dead human body under the jurisdiction of that office that are more stringent than the laws in this section or any rules adopted under this section. Any violation of this section or rules adopted under this section may be punished by the Board by a suspension or revocation of the permit to transport or remove dead human bodies or by a term of probation. The Board may, in lieu of any disciplinary measure, accept a penalty not to exceed five thousand dollars (\$5,000) per violation.
 - (11) Each applicant for a permit shall provide the Board with the applicant's home address, name and address of any corporation or business entity employing such individual for the removal or transportation of dead human bodies, and the make, year, model, and license plate number of any vehicle in which a dead human body is transported. A permittee shall provide written notification to the Board of any change in the information required to be provided to the Board by this section or by the application for a permit within 30 days after such change takes place.

All permits shall expire on December 31 of each year. If the renewal application and renewal fee are not received in the Board's office on or before February 1, a late renewal fee, in addition to the regular renewal fee, shall be charged.

 - m. Knowingly making any false statement on a certificate of death.
 - n. Indecent exposure or exhibition of a dead human body while in the custody or control of a licensee.

In any case in which the Board is entitled to suspend, revoke or refuse to renew a license, the Board may accept from the licensee an offer to pay a penalty of not more than five thousand dollars (\$5,000). The Board may either accept a penalty or revoke or refuse to renew a license, but not both.

- (2) Where the Board finds that a licensee is guilty of one or more of the acts or omissions listed in subdivision (e)(1) of this section but it is determined by the Board that the licensee has not thereby become unfit to practice, the Board may place the licensee on a term of probation in accordance with the procedures set out in Chapter 150B of the General Statutes. In any case in which the Board is entitled to place a licensee on a term of probation, the Board may also impose a penalty of not more than five thousand dollars (\$5,000) in conjunction with the probation.

No person licensed under this Article shall remove or cause to be embalmed a dead human body when he or she has information indicating crime or violence of any sort in connection with the cause of death, nor shall a dead human body be cremated, until permission of the State or county medical examiner has first been obtained. However, nothing in this Article shall be construed to alter the duties and authority now vested in the office of the coroner.

No funeral service establishment shall accept a dead human body from any public officer (excluding the State or county medical examiner or his agent), or employee or from the official of any institution, hospital or nursing home, or from a physician or any person having a professional relationship with a decedent, without having first made due inquiry as to the desires of the persons who have the legal authority to direct the disposition of the decedent's body. If any persons are found, their authority and directions shall govern the disposal of the remains of the decedent. Any funeral service establishment receiving the remains in violation of this subsection shall make no charge for any service in connection with the remains prior to delivery of the remains as stipulated by the persons having legal authority to direct the disposition of the body. This section shall not prevent any funeral service establishment from charging and being reimbursed for services rendered in connection with the removal of the remains of any deceased person in case of accidental or violent death, and rendering necessary professional services required until the persons having legal authority to direct the disposition of the body have been notified.

When and where a licensee presents a selection of funeral merchandise to the public to be used in connection with the service to be provided by the

licensee or an establishment as licensed under this Article, a card or brochure shall be directly associated with each item of merchandise setting forth the price of the service using said merchandise and listing the services and other merchandise included in the price, if any. When there are separate prices for the merchandise and services, such cards or brochures shall indicate the price of the merchandise and of the items separately priced.

At the time funeral arrangements are made and prior to the time of rendering the service and providing the merchandise, a funeral director or funeral service licensee shall give or cause to be given to the person or persons making such arrangements a written statement duly signed by a licensee of said funeral establishment showing the price of the service as selected and what services are included therein, the price of each of the supplemental items of services or merchandise requested, and the amounts involved for each of the items for which the funeral establishment will advance moneys as an accommodation to the person making arrangements, insofar as any of the above items can be specified at that time. The statement shall have printed, typed or stamped on the face thereof: "This statement of disclosure is provided under the requirements of North Carolina G.S. 90-210.25(e)."

(f) **Unlawful Practices.** — If any person shall practice or hold himself out as practicing the profession or art of embalming, funeral directing or practice of funeral service without having complied with the licensing provisions of this Article, he shall be guilty of a Class 2 misdemeanor.

(g) Whenever it shall appear to the Board that any person, firm or corporation has violated, threatens to violate or is violating any provisions of this Article, the Board may apply to the courts of the State for a restraining order and injunction to restrain these practices. If upon application the court finds that any provision of this Article is being violated, or a violation is threatened, the court shall issue an order restraining and enjoining the violations, and this relief may be granted regardless of whether criminal prosecution is instituted under the provisions of this subsection. The venue for actions brought under this subsection shall be the superior court of any county in which the acts are alleged to have been committed or in the county where the defendant in the action resides. - (8) Have a proper ventilation or purification system to maintain a nonhazardous level of airborne contamination.

(b) No one is allowed in the preparation room while a dead human body is being prepared except licensees, resident trainees, public officials in the discharge of their duties, members of the medical profession, officials of the funeral home, next of kin, or other legally authorized persons.

(c) Every funeral establishment shall contain a reposing room for dead human bodies, of suitable size to accommodate a casket and visitors.

(d) Repealed by Session Laws 1997-399, s. 14.

A duly licensed person may use a funeral chapel for making arrangements for funeral service, selling funeral supplies to the public, or making financial arrangements for the rendering of such service or sale of supplies, provided that such uses are secondary and incidental to and do not interfere with the reposing of dead human bodies, visitation, or funeral ceremony.

(i) No funeral establishment shall use an unregistered or misleading name. § 90-210.61. Deposit or application of preneed funeral funds.

(a) Preneed funeral funds are subject to the provisions of this Article and shall be deposited or applied as follows:

- (1) If the preneed funeral contract purchaser chooses to fund the preneed funeral contract by a trust deposit or deposits, the preneed licensee shall deposit all funds in an insured account in a financial institution, in trust, in the preneed licensee's name as trustee within five business days. The preneed licensee, at the time of making the deposit as trustee, shall furnish to the financial institution the name of each preneed funeral contract purchaser and the amount of payment on each for which the deposit is being made. The preneed licensee may establish an individual trust fund for each preneed funeral contract or a common trust fund for all preneed funeral contracts. The trust accounts shall be carried in the name of the preneed licensee as trustee, but accounting records shall be maintained for each individual preneed funeral contract purchaser showing the amounts deposited and invested, and interest, dividends, increases, and accretions earned. Except as provided in this Article, all interest, dividends, increases, or accretions earned by the funds shall remain with the principal. The trust fund may be charged with applicable taxes and for reasonable charges paid by the trustee to itself or others for the preparation of fiduciary tax returns. Penalties charged by a financial institution for early withdrawals caused by a transfer pursuant to G.S. 90-210.63 shall be paid by the preneed licensee. Penalties charged as a result of other early withdrawals as permitted by this Article shall be paid from the trust fund, and the financial institution shall give the preneed funeral contract purchaser prompt notice of these penalties.
- (2) Notwithstanding any other provision of law, if a preneed funeral contract is funded by a trust deposit or trust deposits, a preneed licensee may retain, free of the trust, up to ten percent (10%) of any payments made on a preneed funeral contract, provided that the preneed licensee fully discloses in writing in advance to the preneed funeral contract purchaser the percentage of the payments to be retained. If there is no substitution pursuant to G.S. 90-210.63(a), the preneed licensee shall give credit for the amount retained upon the death of the preneed funeral contract beneficiary and performance of the preneed funeral contract.
- (3) If the preneed funeral contract purchaser chooses to fund the contract by a prearrangement insurance policy, the preneed licensee shall apply all funds received for this purpose to the purchase of the prearrangement insurance policy within five business days. The preneed licensee shall notify the insurance company of the name of each preneed funeral contract purchaser and the amount of each payment when the prearrangement insurance policy or policies are purchased.

(b) Except as provided by this Article or by the preneed funeral contract, all payments made by the purchaser of a preneed funeral contract or prearrangement insurance policy shall remain trust funds within a financial institution or as paid insurance premiums with an insurance company, as the case may be, until the death of the preneed funeral contract beneficiary and until full performance of the preneed funeral contract.

(c) Each preneed licensee may establish and maintain with a financial institution of its choice, a preneed funeral fund clearing account. Preneed

funeral funds received by a preneed licensee may be deposited and held in such an account until disbursed by the preneed licensee to fund a preneed funeral contract pursuant to subdivisions (a)(1) or (a)(3) of this section. This account shall be used solely for the receipt and disbursement of preneed funeral funds.

(d) Funds deposited in trust under a revocable standard preneed funeral contract may, with the written permission of the preneed funeral contract purchaser, be withdrawn by the trustee and used to purchase a prearrangement insurance policy. Except as provided in this subsection, no funds deposited in trust in a financial institution pursuant to this Article shall be withdrawn by the trustee to purchase a prearrangement insurance policy.

(e) Except as provided by G.S. 90-210.61(c), at no time before making a deposit or purchasing a prearrangement insurance policy may a preneed licensee, or its agents or employees, deposit in its own account or the account of any other person any monies coming into its hands for the purpose of purchasing services, merchandise, or prearrangement insurance policies under the provisions of this Article. (1969, c. 187, ss. 2, 4; 1981 (Reg. Sess., 1982), c. 1336, s. 1; 1983, c. 657, ss. 2, 4; 1985, c. 12, ss. 1-3; 1987, c. 430, ss. 15, 16; c. 879, s. 6.2; 1989, c. 485, s. 16; c. 738, s. 2; 1991 (Reg. Sess., 1992), c. 901, s. 2.)

§ 90-210.62. Types of preneed funeral contracts; forms.

(a) A preneed licensee may offer standard preneed funeral contracts and inflation-proof preneed funeral contracts. A standard preneed funeral contract applies the trust funds or insurance proceeds to the purchase price of funeral services and merchandise at the time of death of the contract beneficiary without a guarantee against price increases. An inflation-proof contract establishes a fixed price for funeral services and merchandise without regard to price increases. Upon written disclosure to the purchaser of a preneed funeral contract, inflation-proof contracts may permit the preneed licensee to retain all of the preneed funeral contract trust funds on deposit, and all insurance proceeds, even those in excess of the retail cost of goods and services provided, when the preneed licensee has fully performed the preneed funeral contract. Preneed funeral contracts may be revocable or irrevocable, at the option of the preneed funeral contract purchaser.

(b) The Board shall approve all forms for preneed funeral contracts. All contracts must be in writing, and no form shall be used without prior approval of the Board. Any use or attempted use of any oral preneed funeral contract or any written contract in a form not approved by the Board shall be deemed a violation of this Article. (1991 (Reg. Sess., 1992), c. 901, s. 2.)

§ 90-210.63. Substitution of licensee.

(a) If the preneed funeral contract is irrevocable, the preneed funeral contract purchaser, or after his death the preneed funeral contract beneficiary or his legal representative, upon written notice to the financial institution or insurance company and the preneed licensee who is a party to the preneed

funeral contract, may direct the substitution of a different funeral establishment to furnish funeral services and merchandise.

- (1) If the substitution is made after the death of the preneed funeral contract beneficiary, a funeral establishment providing any funeral services or merchandise need not be a preneed licensee under this Article to receive payment for such services or merchandise. The original contracting preneed licensee shall be entitled to payment for any services or merchandise provided pursuant to G.S. 90-210.65(d). If the substitution is made before the death of the preneed funeral contract beneficiary, the substitution must be to a preneed licensee. If the preneed funeral contract is funded by a trust deposit or deposits, the financial institution shall immediately pay the funds held to the original contracting preneed licensee.
 - (2) The original contracting preneed licensee shall immediately pay all funds received to the successor funeral establishment designated. Regardless of whether the substitution is made before or after the death of the preneed funeral contract beneficiary, the original contracting preneed licensee shall not be required to give credit for the amount retained pursuant to G.S. 90-210.61(a)(2), except when there was a substitution under G.S. 90-210.68(d1) and (e). Upon making payments pursuant to this subsection, the financial institution and the original contracting preneed licensee shall be relieved from all further contractual liability thereon.
 - (3) If the preneed funeral contract is funded by a prearrangement insurance policy, the insurance company shall not pay any of the funds until the death of the preneed funeral contract beneficiary, and the insurance company shall pay the funds in accordance with the terms of the policy.
- (b) The person giving notice of the substitution of a preneed licensee and the successor preneed licensee shall enter into a new preneed funeral contract for the funds transferred, and this Article shall apply, including the duty of the successor preneed licensee to deposit all of the funds in a financial institution if the death of the preneed funeral contract beneficiary has not occurred. Nothing in this subsection shall be construed to permit the use of the transferred funds to purchase a prearrangement insurance policy, nor to permit an irrevocable preneed funeral contract to be made revocable or to result in the payment of any of the transferred funds to the preneed funeral contract purchaser or to the preneed funeral contract beneficiary or his estate, except as provided by G.S. 90-210.64(b). (1991 (Reg. Sess., 1992), c. 901, s. 2; 1993, c. 242, s. 1; 1997-399, s. 24; 2003-420, s. 11.)

Effect of Amendments. — Session Laws 2003-420, s. 11, effective October 1, 2003, deleted the former second sentence in subdivision (a)(2), which read "Except when there was a substitution under G.S. 90-210.68(d1) and (e), if the original contracting preneed licensee did

not retain any portion of payments made as is permitted by G.S. 90-210.61(a)(2) then the preneed licensee may retain up to ten percent (10%) of the funds received from the financial institution."

§ 90-210.64. Death of preneed funeral contract beneficiary; disposition of funds.

(a) After the death of a preneed funeral contract beneficiary and full performance of the preneed funeral contract by the preneed licensee, the preneed licensee shall promptly complete a certificate of performance and present it to the financial institution that holds funds in trust under G.S. 90-210.61(a)(1) or to the insurance company that issued a preneed insurance policy pursuant to G.S. 90-210.61(a)(3). Upon receipt of the certificate of

performance or similar claim form, the financial institution shall pay the trust funds to the contracting preneed licensee and the insurance company shall pay the insurance proceeds according to the terms of the policy. Within 10 days after receiving payment, the preneed licensee shall mail a copy of the certificate of performance or other claim form to the Board.

(b) Unless otherwise specified in the preneed funeral contract, the preneed licensee shall have no obligation to deliver merchandise or perform any services for which payment in full has not yet been deposited with a financial institution or that will not be provided by the proceeds of a prearrangement insurance policy. Any such amounts received which do not constitute payment in full shall be refunded to the estate of the deceased preneed funeral contract beneficiary or credited against the cost of merchandise or services contracted for by a representative of the deceased. Any balance remaining after payment for the merchandise and services as set forth in the preneed funeral contract shall be paid to the estate of the preneed funeral contract beneficiary or the prearrangement insurance policy beneficiary named to receive any such balance. Provided, however, unless the parties agree to the contrary, there shall be no refund to the estate of the preneed funeral contract beneficiary of an inflation-proof preneed funeral contract.

(c) In the event that any person other than the contracting preneed licensee performs any funeral service or provides any merchandise as a result of the death of the preneed funeral contract beneficiary, the financial institution shall pay the trust funds to the contracting preneed licensee and the insurance company shall pay the insurance proceeds according to the terms of the policy. The preneed licensee shall, subject to the provisions of G.S. 90-210.65(d), immediately pay the monies so received to the other provider.

(d) When the balance of a preneed funeral fund is one hundred dollars (\$100.00) or less and is payable to the estate of a deceased preneed funeral contract beneficiary and there has been no representative of the estate appointed, the balance due may be paid directly to a beneficiary or to the beneficiaries of the estate. If the balance of a preneed funeral fund exceeds one hundred dollars (\$100.00) or is not payable to the estate, the balance must be paid into the office of the clerk of superior court in the county where probate proceedings could be filed for the deceased preneed funeral contract beneficiary.

(e) Upon the fulfillment of a preneed contract, all of the following items shall be completed within 30 days:

- (1) The contracting preneed licensee must submit a certificate of performance or similar claim form to the financial institution holding the preneed trust funds and close the preneed account.
- (2) The proceeds of this trust account shall be distributed according to the terms of the preneed contract.
- (3) A completed copy of the certificate of performance or similar claim form evidencing the final disposition of any financial institution preneed trust account funds must be filed with the Board by the contracting licensee. (1991 (Reg. Sess., 1992), c. 901, s. 2; 1997-399, s. 25; 2001-294, s. 9; 2003-420, s. 12.)

Effect of Amendments. — Session Laws 2003-420, s. 12, effective October 1, 2003, deleted “or similar claim form” following “of performance” in the first sentence of subsection (a).

§ 90-210.65. Refund of preneed funeral funds.

(a) Within 30 days of receipt of a written request from the purchaser of a revocable preneed funeral contract who has trust funds deposited with a

financial institution pursuant to G.S. 90-210.61(a), the financial institution shall refund to the preneed funeral contract purchaser the entire amount held by the financial institution.

(b) Within 30 days of receipt of a written notice of cancellation of any prearrangement insurance policy purchased pursuant to G.S. 90-210.61(a)(3), the issuing insurance company shall pay such amounts to such person or persons as is provided under the terms of the prearrangement insurance policy.

(c) After making refund pursuant to this section and giving notice of the refund to the preneed licensee, the financial institution or insurance company shall be relieved from all further liability.

(d) Notwithstanding any other provision of this Article, if a preneed funeral contract is revoked or transferred following the death of the preneed funeral contract beneficiary, the purchaser of the preneed funeral contract may be charged according to the contracting preneed licensee's price lists for any services performed or merchandise provided prior to revocation or transfer.

(e) This section shall not apply to irrevocable preneed funeral contracts. Irrevocable preneed funeral contracts may not be revoked nor any proceeds refunded except by order of a court of competent jurisdiction. Notwithstanding the previous sentence, irrevocable preneed funeral contracts purchased pursuant to G.S. 90-210.61(a)(3) shall also be revocable when the underlying insurance policy lapses or is otherwise cancelled and the lapsed or cancelled policy no longer provides any funding for the preneed funeral contract. (1969, c. 187, s. 3; 1981 (Reg. Sess., 1982), c. 1336, s. 2; 1983, c. 657, s. 3; 1985, c. 12, ss. 1, 2; 1991 (Reg. Sess., 1992), c. 901, s. 2; 2003-420, s. 13.)

Effect of Amendments. — Session Laws 2003-420, s. 13, effective October 1, 2003, added the last sentence in subsection (e).

OPINIONS OF ATTORNEY GENERAL

Courts of Competent Jurisdiction. — All trial divisions within the General Court of Justice are courts of competent jurisdiction for the purposes of subsection (e). See opinion of Attorney General to Mr. William R. Hoke, Attorney for the North Carolina State Board of Mortuary Science, — N.C.A.G. — (November 3, 1995).

Revocation of Contract. — In order for a court to revoke an irrevocable preneed funeral contract a civil action must be initiated by the filing of a complaint with the necessary parties being the purchaser, the preneed funeral home licensee and, if other than the purchaser, the preneed funeral contract beneficiary. See opin-

ion of Attorney General to Mr. William R. Hoke, Attorney for the North Carolina State Board of Mortuary Science, — N.C.A.G. — (November 3, 1995).

Incompetent Purchaser or Beneficiary. — If a purchaser or beneficiary of a preneed funeral contract has been adjudicated incompetent, the clerk of the superior court is a "court of competent jurisdiction" and a hearing should be held in order for the clerk to make findings establishing that it is in the best interest of the ward to revoke the contract. See opinion of Attorney General to Mr. William R. Hoke, Attorney for the North Carolina State Board of Mortuary Science, — N.C.A.G. — (November 3, 1995).

§ 90-210.66. Recovery fund.

(a) There is established the Preneed Recovery Fund. The Fund shall be administered by the Board. The purpose of the Fund is to reimburse purchasers of preneed funeral contracts who have suffered financial loss as a result of the malfeasance, misfeasance, default, failure or insolvency of any licensee under this Article, and includes refunds due a preneed funeral contract beneficiary from a preneed licensee who has retained any portion of the preneed funeral contract payments pursuant to G.S. 90-210.61(a)(2).

(b) From the fee for each preneed funeral contract as required by G.S. 90-210.67(d), the Board shall deposit two dollars (\$2.00) into the Fund. The Board may suspend the deposits into the Fund at any time and for any period for which the Board determines that a sufficient amount is available to meet likely disbursements and to maintain an adequate reserve.

(c) All sums received by the Board pursuant to this section shall be held in a separate account known as the Preneed Recovery Fund. Deposits to and disbursements from the Fund account shall be subject to rules established by the Board.

(d) The Board shall adopt rules governing management of the Fund, the presentation and processing of applications for reimbursement, and subrogation or assignment of the rights of any reimbursed applicant.

(e) The Board may expend monies in the Fund for the following purposes:

- (1) To make reimbursements on approved applications;
- (2) To purchase insurance to cover losses as deemed appropriate by the Board and not inconsistent with the purposes of the Fund;
- (3) To invest such portions of the Fund as are not currently needed to reimburse losses and maintain adequate reserves, as are permitted to be made by fiduciaries under State law; and
- (4) To pay the expenses of the Board for administering the Fund, including employment of legal counsel to prosecute subrogation claims.

(f) Reimbursements from the Fund shall be made only to the extent to which such losses are not bonded or otherwise covered, protected or reimbursed and only after the applicant has complied with all applicable rules of the Board.

(g) The Board shall investigate all applications made and may reject or allow such claims in whole or in part to the extent that monies are available in the Fund. The Board shall have complete discretion to determine the order and manner of payment of approved applications. All payments shall be a matter of privilege and not of right, and no person shall have any right in the Fund as a third-party beneficiary or otherwise. No attorney may be compensated by the Board for prosecuting an application for reimbursement.

(h) In the event reimbursement is made to an applicant under this section, the Board shall be subrogated in the reimbursed amount and may bring any action it deems advisable against any person, including a preneed licensee. The Board may enforce any claims it may have for restitution or otherwise and may employ and compensate consultants, agents, legal counsel, accountants and any other persons it deems appropriate.

(i) The Fund shall apply to losses arising after July 9, 1992, regardless of the date of the underlying preneed funeral contract. (1991 (Reg. Sess., 1992), c. 901, s. 2; 1997-399, s. 26.)

§ 90-210.67. Application for license.

(a) No person may offer or sell preneed funeral contracts or offer to make or make any funded funeral prearrangements without first securing a license from the Board. Notwithstanding any other provision of law, any person who offers to sell or sells a casket, to be furnished or delivered at a time determinable by the death of the person whose body is to be disposed of in the casket, shall first comply with the provisions of this Article. There shall be two types of licenses: a preneed funeral establishment license and a preneed sales license. Only funeral establishments holding a valid establishment permit pursuant to G.S. 90-210.25(d) shall be eligible for a preneed funeral establishment license. Employees and agents of such entities, upon meeting the qualifications to engage in preneed funeral planning as established by the Board, shall be eligible for a preneed sales license. The Board shall establish

the preneed funeral planning activities that are permitted under a preneed sales license. The Board shall adopt rules establishing such qualifications and activities no later than 12 months following the ratification of this act [Session Laws 1991 (Reg. Sess., 1992), c. 901, s. 2]. Preneed sales licensees may sell preneed funeral contracts, prearrangement insurance policies, and make funded funeral prearrangements only on behalf of one preneed funeral establishment licensee; provided, however, they may sell preneed funeral contracts, prearrangement insurance policies, and make funeral prearrangements for any number of licensed preneed funeral establishments that are wholly owned by or affiliated with, through common ownership or contract, the same entity; provided further, in the event they engage in selling prearrangement insurance policies, they shall meet the licensing requirements of the Commissioner of Insurance. Every preneed funeral contract shall be signed by a person licensed as a funeral director or funeral service licensee pursuant to Article 13A of Chapter 90 of the General Statutes.

Application for a license shall be in writing, signed by the applicant and duly verified on forms furnished by the Board. Each application shall contain at least the following: the full names and addresses (both residence and place of business) of the applicant, and every partner, member, officer and director thereof if the applicant is a partnership, limited liability company, association, or corporation and any other information as the Board shall deem necessary. A preneed funeral establishment license shall be valid only at the address stated in the application or at a new address approved by the Board.

(b) An application for a preneed funeral establishment license shall be accompanied by a nonrefundable application fee of not more than one hundred fifty dollars (\$150.00). The Board shall set the amounts of the application fees and renewal fees by rule, but the fees shall not exceed one hundred fifty dollars (\$150.00). If the license is granted, the application fee shall be applied to the annual license fee for the first year or part thereof. Upon receipt of the application and payment of the application fee, the Board shall issue a renewable preneed funeral establishment license unless it determines that the applicant has violated any provision of G.S. 90-210.69(c) or has made false statements or representations in the application, or is insolvent, or has conducted or is about to conduct, its business in a fraudulent manner, or is not duly authorized to transact business in this State. The license shall expire on December 31 and each preneed funeral establishment licensee shall pay annually to the Board on or before that date a license renewal fee of not more than one hundred fifty dollars (\$150.00). On or before the first day of February immediately following expiration, a license may be renewed without paying a late fee. After that date, a license may be renewed by paying a late fee of not more than one hundred dollars (\$100.00) in addition to the annual renewal fee.

(c) An application for a preneed sales license shall be accompanied by a nonrefundable application fee of not more than fifty dollars (\$50.00). The Board shall set the amounts of the application fees and renewal fees by rule, but the fees shall not exceed fifty dollars (\$50.00). If the license is granted, the application fee shall be applied to the annual license fee for the first year or part thereof. Upon receipt of the application and payment of the application fee, the Board shall issue a renewable preneed sales license provided the applicant has met the qualifications to engage in preneed funeral planning as established by the Board unless it determines that the applicant has violated any provision of G.S. 90-210.69(c). The license shall expire on December 31 and each preneed sales licensee shall pay annually to the Board on or before that date a license renewal fee of not more than fifty dollars (\$50.00). On or before the first day of February, a license may be renewed without paying a late fee.

After that date, a license may be renewed by paying a late fee of not more than twenty-five dollars (\$25.00) in addition to the annual renewal fee.

(d) Any person selling a preneed funeral contract, whether funded by a trust deposit or a prearrangement insurance policy, shall remit to the Board, within 10 days of the sale, a fee not to exceed twenty dollars (\$20.00) for each sale and a copy of each contract. The person shall pay a late fee of not more than twenty-five dollars (\$25.00) for each late filing and payment. The fees shall not be remitted in cash.

(d1) The Board may also set and collect a fee of not more than twenty-five dollars (\$25.00) for the late filing of a certificate of performance and a fee of not more than one hundred and fifty dollars (\$150.00) for the late filing of an annual report.

(e), (f). Repealed by Session Laws 2003-420, s. 14, effective October 1, 2003. (1969, c. 187, s. 5; 1981, c. 671, ss. 16, 17; 1983, c. 657, s. 4; 1985, c. 12, ss. 1, 2; 1991 (Reg. Sess., 1992), c. 901, s. 2; 1995 (Reg. Sess., 1996), c. 665, s. 1; 1997-399, s. 27; 2001-294, s. 10; 2003-420, s. 14.)

Effect of Amendments. — Session Laws 2003-420, s. 14, effective October 1, 2003, repealed subsections (e) and (f).

§ 90-210.68. Licensee's books and records; notice of transfers, assignments and terminations.

(a) Every preneed licensee shall keep for examination by the Board accurate accounts, books, and records in this State of all preneed funeral contract and prearrangement insurance policy transactions, copies of all agreements, insurance policies, instruments of assignment, the dates and amounts of payments made and accepted thereon, the names and addresses of the contracting parties, the persons for whose benefit funds are accepted, and the names of the financial institutions holding preneed funeral trust funds and insurance companies issuing prearrangement insurance policies. The Board, its inspectors appointed pursuant to G.S. 90-210.24 and its examiners, which the Board may appoint to assist in the enforcement of this Article, may during normal hours of operation and periods shortly before or after normal hours of operation, investigate the books, records, and accounts of any licensee under this Article with respect to trust funds, preneed funeral contracts, and prearrangement insurance policies. Any preneed licensee who, upon inspection, fails to meet the requirements of this subsection or who fails to keep an appointment for an inspection shall pay a reinspection fee to the Board in an amount not to exceed one hundred dollars (\$100.00). The Board may require the attendance of and examine under oath all persons whose testimony it may require. Every preneed licensee shall submit a written report to the Board, at least annually, in a manner and with such content as established by the Board, of its preneed funeral contract sales and performance of such contracts. The Board may also require other reports.

(b) A preneed licensee may transfer preneed funds held by it as trustee from the financial institution which is a party to a preneed funeral contract to a substitute financial institution that is not a party to the contract. Within 10 days after the transfer, the preneed licensee shall notify the Board, in writing, of the name and address of the transferee financial institution. Before the transfer may be made, the transferee financial institution shall agree to make disclosures required under the preneed funeral contract to the Board or its inspectors or examiners. If the contract is revocable, the licensee shall notify the contracting party of the intended transfer.

(c) If any preneed licensee transfers or assigns its assets or stock to a successor funeral establishment or terminates its business as a funeral

establishment, the preneed licensee and assignee shall notify the Board at least 15 days prior to the effective date of the transfer, assignment or termination: provided, however, the successor funeral establishment must be a preneed licensee or shall be required to apply for and be granted such license by the Board before accepting any preneed funeral contracts, whether funded by trust deposits or preneed insurance policies. Provided further, a successor funeral establishment shall be liable to the preneed funeral contract purchasers for the amount of contract payments retained by the assigning or transferring funeral home pursuant to G.S. 90-210.61(a)(2).

(d) Financial institutions that accept preneed funeral trust funds and insurance companies that issue prearrangement insurance policies shall, upon request by the Board or its inspectors or examiners, disclose any information regarding preneed funeral trust accounts held or prearrangement insurance policies issued by it for a preneed licensee.

(d1) When a preneed funeral establishment license lapses or is terminated for any reason, the preneed licensee shall immediately divest of all the unperformed preneed funeral contracts and shall transfer them and any amounts retained under G.S. 90-210.61(a)(2) to another preneed funeral establishment licensee pursuant to the procedures of subsection (e) of this section.

(e) In the event that any preneed licensee is unable or unwilling or is for any reason relieved of its responsibility to perform as trustee or to perform any preneed funeral contract, the Board, with the written consent of the purchaser of the preneed funeral contract, or after the purchaser's death or incapacity, the preneed funeral contract beneficiary shall order the contract and any amounts retained pursuant to G.S. 90-210.61(a)(2) to be assigned to a substitute preneed licensee provided that the substitute licensee agrees to accept such assignment.

(f) The substitute preneed licensee under subsections (d1) and (e) of this section shall be liable to the preneed funeral contract purchasers for the amount of contract payments that had been retained by, and that the substitute preneed licensee has received from, the assigning preneed licensee. (1969, c. 187, s. 6; 1983, c. 657, ss. 4, 5; 1985, c. 12, s. 1; 1991 (Reg. Sess., 1992), c. 901, s. 2; 1993, c. 164, s. 3; 1997-399, s. 28.)

§ 90-210.69. Rulemaking; enforcement of Article; judicial review; determination of penalty amount.

(a) The Board is authorized to adopt rules for the carrying out and enforcement of the provisions of this Article. The Board may perform such other acts and exercise such other powers and duties as are authorized by this Article and by Article 13A of this Chapter to carry out its powers and duties.

(b) The Board may administer oaths and issue subpoenas requiring the attendance of persons and the production of papers and records in any investigation conducted by it. Members of the Board's staff or the sheriff or other appropriate official of any county of this State shall serve all notices, subpoenas and other papers given to them by the Board for service in the same manner as process issued by any court of record. Any person who does not obey a subpoena issued by the Board shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined or imprisoned in the discretion of the court.

(c) In accordance with the provisions of Chapter 150B of the General Statutes, if the Board finds that a licensee, an applicant for a license or an applicant for license renewal is guilty of one or more of the following, the Board may refuse to issue or renew a license or may suspend or revoke a license or place the holder thereof on probation upon conditions set by the Board, with revocation upon failure to comply with the conditions:

- (1) Offering to engage or engaging in activities for which a license is required under this Article but without having obtained such a license.
- (2) Aiding or abetting an unlicensed person, firm, partnership, association, corporation or other entity to offer to engage or engage in such activities.
- (3) A crime involving fraud or moral turpitude by conviction thereof.
- (4) Fraud or misrepresentation in obtaining or receiving a license or in preneed funeral planning.
- (5) False or misleading advertising.
- (6) Violating or cooperating with others to violate any provision of this Article, the rules and regulations of the Board, adopted or the standards set forth in Funeral Industry Practices, 16 C.F.R. 453 (1984), as amended from time to time.

In any case in which the Board is authorized to take any of the actions permitted under this subsection, the Board may instead accept an offer in compromise of the charges whereby the accused shall pay to the Board a penalty of not more than five thousand dollars (\$5,000). In any case in which the Board is entitled to place a licensee on a term of probation, the Board may also impose a penalty of not more than five thousand dollars (\$5,000) in conjunction with such probation.

(d) Any proceedings pertaining to or actions against a funeral establishment under this Article may be in addition to any proceedings or actions permitted by G.S. 90-210.25(d)(4). Any proceedings pertaining to or actions against a person licensed for funeral directing or funeral service may be in addition to any proceedings or actions permitted by G.S. 90-210.25 (e)(1) and (2).

(e) Judicial review shall be pursuant to Article 4 of Chapter 150B of the General Statutes.

(f) In determining the amount of any penalty imposed or assessed under Article 13 of Chapter 90 of the General Statutes, the Board shall consider:

- (1) The degree and extent of harm to the public health, safety, and welfare, or to property, or the potential for harm.
- (2) The duration and gravity of the violation.
- (3) Whether the violation was committed willfully or intentionally or reflects a continuing pattern.
- (4) Whether the violation involved elements of fraud or deception either to the public or to the Board, or both.
- (5) The violator's prior disciplinary record with the Board.
- (6) Whether and the extent to which the violator profited by the violation. (1969, c. 187, s. 7; 1983, c. 657, s. 4; 1985, c. 12, s. 1; 1991 (Reg. Sess., 1992), c. 901, s. 2; 1997-399, ss. 29, 30; 2001-294, s. 11.)

Editor's Note. — This section was amended by Session Laws 1997-399, s. 29, in the coded bill drafting format provided by G.S. 120-20.1.

Subdivision (c)(6) has been set out in the form above at the direction of the Revisor of Statutes.

§ 90-210.70. Penalties.

(a) Anyone who embezzles or who fraudulently, or knowingly and willfully misapplies, or in any manner converts preneed funeral funds to his own use, or for the use of any partnership, corporation, association, or entity for any purpose other than as authorized by this Article; or anyone who takes, makes away with or secretes, with intent to embezzle or fraudulently or knowingly and willfully misapply or in any manner convert preneed funeral funds for his own use or the use of any other person for any purpose other than as authorized by this Article shall be guilty of a felony. If the value of the preneed

funeral funds is one hundred thousand dollars (\$100,000) or more, violation of this section is a Class C felony. If the value of the preneed funeral funds is less than one hundred thousand dollars (\$100,000), violation of this section is a Class H felony. Each such embezzlement, conversion, or misapplication shall constitute a separate offense and may be prosecuted individually. Upon conviction, all licenses issued under this Article shall be revoked.

(b) Any person who willfully violates any other provision of this Article shall be guilty of a Class 1 misdemeanor. Each such violation shall constitute a separate offense and may be prosecuted individually.

(c) If a corporation or limited liability company embezzles or fraudulently or knowingly and willfully misapplies or converts preneed funeral funds as provided in subsection (a) hereof or otherwise violates any provision of this Article, the officers, directors, members, agents, or employees responsible for committing the offense shall be fined or imprisoned as herein provided.

(d) The Board shall have the power to investigate violations of this section and shall deliver all evidence of violations of subsection (a) of this section to the district attorney in the county where the offense occurred. The Board shall, with the fees collected under this Article, employ legal counsel and other staff to monitor preneed trusts, investigate complaints, audit preneed trusts, and be responsible for delivering evidences to the district attorney when there is evidence that a felony has been committed by a licensee. The record of complaints, auditing, and enforcement shall be presented in an annual report from the Board to the General Assembly.

(e) Whenever it shall appear to the Board that any person, firm, or corporation has violated, threatens to violate, or is violating any provisions of this Article, the Board may apply to the courts of the State for a restraining order and injunction to restrain these practices. If upon application the court finds that any provision of this Article is being violated, or a violation is threatened, the court shall issue an order restraining and enjoining the violations, and this relief may be granted regardless of whether criminal prosecution is instituted under the provisions of this subsection. The venue for actions brought under this subsection shall be the superior court of any county in which the acts are alleged to have been committed or in the county where the defendant in the action resides. It shall be the duty of the North Carolina Board of Funeral Service to supervise, pursuant to this Article, all burial associations authorized by this Article to operate in North Carolina, to determine that such associations are operated in conformity with this Article and the rules adopted pursuant to this Article; to prosecute violations of this Article or rules adopted pursuant thereto; and to protect the interest of members of mutual burial associations.

The North Carolina Board of Funeral Service, after a public hearing, may promulgate reasonable rules and regulations for the enforcement of this Article and in order to carry out the intent thereof. The Board is authorized and directed to adopt specific rules to provide for the orderly transfer of a member's benefits in cash or merchandise and services from the funeral director sponsoring the member's association to the funeral establishment which furnishes a funeral service, or merchandise, or both, for the burial of the member, provided that any funeral establishment to which the member's benefits are transferred in accordance with such rules shall, if located in North Carolina, be a funeral establishment registered and permitted under the provisions of G.S. 90-210.25 or shall, if located in any other state, territory or foreign country, be a funeral establishment recognized by and operating in conformity with the laws of such other state, territory or foreign country. One or more burial associations operating in North Carolina may merge into another burial association operating in North Carolina and two or more burial associations operating in North Carolina may consolidate into a new burial association provided that any such plan of merger or plan of consolidation shall be adopted and carried out in accordance with rules adopted by the Board pursuant to this Article.

All rules heretofore adopted by the North Carolina Mutual Burial Association Commission or the North Carolina Board of Funeral Service in accordance with prior law and which have not been amended, rescinded, revoked or otherwise changed, or which have not been nullified or made inoperative or unenforceable because of any statute enacted after the adoption of any such rule, shall remain in full force and effect until amended, rescinded, revoked or otherwise changed by action of the North Carolina Board of Funeral Service as set out above, or until nullified or made inoperative or unenforceable because of statutory enactment or court decision.

Members of the Board shall receive, when attending such regular or special meetings such per diem, expense allowance and travel allowance as are allowed other commissions and boards of the State. The legal adviser to the Board shall be entitled to actual expenses when attending regular or special meetings of the Board held other than in Raleigh. All expenses of the Board shall be paid from funds coming to the Board pursuant to this Article or

appropriated for this purpose. (1967, c. 1197, s. 2; 1971, c. 1151; 1973, c. 1147, s. 1; 1975, c. 837; 1987, c. 864, s. 12; 1997-313, ss. 3, 5; 1999-425, s. 1; 2003-420, ss. 1, 17(b).)

CASE NOTES

Editor's Note. — *The cases below were decided under former G.S. 143B-472.2.*

Modification Permitting Selection of Funeral Director by Decedent's Representatives. — Modification in statute and regulations which would permit the selection of a funeral director by representatives of decedent was a reasonable change and would seem to be within the general purpose for which the asso-

ciation was formed. Present-day society is so mobile that provisions which will facilitate transfer of benefits would appear to be in the public interest. *Adair v. Orrell's Mut. Burial Ass'n*, 19 N.C. App. 492, 199 S.E.2d 129 (1973), aff'd, 284 N.C. 534, 201 S.E.2d 905, appeal dismissed, 417 U.S. 927, 94 S. Ct. 2637, 41 L. Ed. 2d 231 (1974), decided under former § 58-224.2.

§ 90-210.81. Requirements as to rules and bylaws.

All burial associations now operating within the State of North Carolina shall have and maintain rules and bylaws embodying the following:

Article 1. The name of this association shall be _____, which shall indicate that said association is a mutual burial association.

Article 2. The objects and purposes for which this association is formed and the purposes for which it has been organized, and the methods and plan of operation of this association shall be to provide a plan for each member of this association for the payment of one funeral benefit for each member, which shall consist of a funeral benefit in cash or merchandise and service, with no free embalming or free ambulance service included in this benefit. No other free service or any other thing free shall be held out, promised or furnished, in any case. Such funeral benefit shall be in the amount of one hundred dollars (\$100.00) of cash or merchandise and service, without free embalming or free ambulance service, for persons of the age of 10 years and over, or in the amount of fifty dollars (\$50.00) for persons under the age of 10 years; provided, however, that any member of this association of the age of 10 years or more may purchase a double benefit (for a total benefit of two hundred dollars (\$200.00)), and provided further, however, that any member of this association under the age of 10 years may purchase a double benefit (for a total benefit of one hundred dollars (\$100.00)) or a quadruple benefit (for a total benefit of two hundred dollars (\$200.00)); however, any additional benefit (as set out herein) shall be based on the assessment rate, as provided in Article 6 of this section, at the attained age of applicant at the time the additional benefit takes effect. The purchase of an additional benefit shall not be available to any member who cannot fulfill the requirements as set forth in Article 3 of this section.

Provided, further, that mutual burial associations organized and operating pursuant to this Article may offer for sale to its members in good standing, funeral benefits payable only in cash in excess of two hundred dollars (\$200.00), but those sales shall be subject to all applicable insurance laws of this State and shall in no manner be subject to the provisions of this Article or impair whatsoever funds heretofore or hereafter collected and held by that Association pursuant to this Article. All mutual burial association policies heretofore or hereafter sold in this State in an amount of two hundred dollars (\$200.00) or less shall continue to be administered by the Board of Funeral Service and shall be subject to all provisions of this Article.

Article 3. Any person who has passed his or her first birthday, and who has not passed his or her sixty-fifth birthday, and who is in good health and not under treatment of any physician, nor confined in any institution for the treatment of mental or other disease, may become a member of this burial association by the payment by such person, or for such person, of a membership fee in accordance with the provisions of this Article and the first assessment due on the membership issued for such member in accordance with the provisions of Article 6 herein. The membership fee for any person joining prior to July 1, 1975, is twenty-five cents (25¢). The membership fee of any person joining after July 1, 1975, is twenty-five cents (25¢) for each one hundred dollars (\$100.00) of benefits provided in such membership, with a minimum membership fee of twenty-five cents (25¢). The payment of the membership fee, without the payment of the first quarterly assessment due on the membership, shall not authorize the issuance of a certificate of membership in this burial association, and a certificate of membership for such person shall not be issued until the first such assessment is paid. Any member of this association joining after July 1, 1975, and who shall thereafter purchase an increased benefit shall pay an additional membership fee in accordance with this Article so that the total membership fee paid by such person shall equal twenty-five [cents] (25¢) for each one hundred dollars (\$100.00) of benefits in such member's membership; provided, that any member with a fifty-dollar (\$50.00) benefit who increases his benefit from fifty dollars (\$50.00) to one hundred dollars (\$100.00) shall not be required to pay any additional membership fee. The payment of any additional membership fee, without the payment of the first additional assessment due for the increased benefit, shall not make such member eligible for any additional benefit, and such member shall not be eligible for any additional benefit until the first such additional assessment due for such additional benefit is paid. Notwithstanding the foregoing, the provisions of the last paragraph of Article 6, hereinafter set out, shall control the increase of benefits from fifty dollars (\$50.00) to one hundred dollars (\$100.00) for any member of this association joining under the age of 10 whose benefits in force upon such member attaining his or her tenth birthday are in the amount of fifty dollars (\$50.00).

Applicant's birthday must be written in the application and subject to verification by any record the Board of Funeral Service may deem necessary to prove or establish a true date of the birth of any applicant.

Article 4. The annual meeting of the association shall be held at _____ (here insert the place, date and hour); each member shall have one vote at said annual meeting and 15 members of the association shall constitute a quorum. There shall be elected at the annual meeting of said association a board of directors of seven members, each of whom shall serve for a period of from one to five years as the membership may determine and until his or her successor shall have been elected and qualified. Any member of the board of directors who shall fail to maintain his or her membership, as provided in the rules and bylaws of said association, shall cease to be a member of the board of directors and a director shall be appointed by the president of said association for the

unexpired term of such disqualified member. There shall be at least an annual meeting of the board of directors, and such meeting shall be held immediately following the annual meeting of the membership of the association. The directors of the association may, by a majority vote, hold other meetings of which notice shall be given to each member by mailing such notice five days before the meeting to be held. At the annual meetings of the directors of the association, the board of directors shall elect a president, a vice-president, and a secretary-treasurer. The president and vice-president shall be elected from among the directors, but the secretary-treasurer may be selected from the director membership or from the membership of the association, it being provided that it is not necessary that the secretary-treasurer shall be a member of the board of directors. Among other duties that the secretary-treasurer may perform, he shall be chargeable with keeping an accurate and faithful roll of the membership of this association at all times and he shall be chargeable with the duty of faithfully preserving and faithfully applying all moneys coming into his hands by virtue of his said office. The president, vice-president and secretary-treasurer shall constitute a board of control who shall direct the affairs of the association in accordance with these Articles and bylaws of the association, and subject to such modification as may be made or authorized by an act of the General Assembly. The secretary-treasurer shall keep a record of all assessments made, dues collected and benefits paid. The books of the association, together with all records and bank accounts shall be at all times open to the inspection of the Board of Funeral Service or its duly constituted auditors or representatives. It shall be the duty of the secretary or secretary-treasurer of each association to keep the books of the association posted up-to-date so that the financial standing of the association may be readily ascertained by the Board of Funeral Service or any auditor or representative employed by it. Upon the failure of any secretary or secretary-treasurer to comply with this provision, it shall be the duty of the Board of Funeral Service to take charge of the books of the association and do whatever work is necessary to bring the books up-to-date. The actual costs of said work may be charged the burial association and shall be paid from the thirty percent (30%) allowed by law for the operation of the burial association.

Whenever in the opinion of the Board of Funeral Service, it is necessary to audit the books of any burial association more than once in any calendar year, the Board of Funeral Service shall have authority to assess such burial association the actual cost of any audit in excess of one per calendar year, provided that no more than one audit may be deemed necessary unless a discrepancy exists at the last regular audit. Such cost shall be paid from the thirty percent (30%) allowed by law for the operation of the burial association.

Every burial association shall file with the Board of Funeral Service an annual report of its financial condition on a form furnished to it by the Board of Funeral Service. Such report shall be filed on or before February 15 of each calendar year and shall cover the complete financial condition of the burial association for the immediate preceding calendar year. The Board of Funeral Service shall levy and collect a penalty of twenty-five dollars (\$25.00) for each day after February 15 that the report called for herein is not filed. The Board may, in its discretion, grant any reasonable extension of the above filing date without the penalty provided in this section. Such penalty shall be paid from the thirty percent (30%) allowed by law for the operation of the burial association. Any secretary or secretary-treasurer who fails to file such financial report on or before February 15 of each calendar year or on or before the last day of any period of extension for the filing of such report granted by the Board to the burial association of such secretary or secretary-treasurer shall be guilty of a Class 3 misdemeanor. Each day after February 15, or the last day of any period of extension for the filing of the report granted by the Board to the burial

association of such secretary or secretary-treasurer, that said report is not filed by the secretary or secretary-treasurer of a burial association, shall constitute a separate offense.

Article 5. Upon the death of any officer, his successor shall be elected by the board of directors for the unexpired term. The president, vice-president and secretary-treasurer shall be elected for a term of from one to five years, and shall hold office until his successor is elected and qualified, subject to the power of the board of directors to remove any officer for good cause shown; provided, that any officer removed by the board of directors shall have the right of appeal to the membership of the association, such appeal to be heard at the next ensuing annual meeting of said membership.

Article 6. Each member shall be assessed according to the following schedule for the benefit indicated (or in multiples thereof for additional benefit) at the age of entry of the member.

ASSESSMENT RATE FOR AGE GROUPS:

First to tenth birthday (\$50.00) benefit	five cents (5¢)
Tenth to thirtieth birthday (\$100.00) benefit	ten cents (10¢)
Thirtieth to fiftieth birthday (\$100.00) benefit	twenty cents (20¢)
Fiftieth to sixty-fifth birthday (\$100.00) benefit	thirty cents (30¢)

(Ages shall be defined as having passed a certain birthday instead of nearest birthday.) Assessment shall always be made on the entire membership in good standing.

Any member joining under the age of 10 shall, upon attaining his or her tenth birthday, pay thereafter the assessment for a member age 10 as set out above.

Any member joining under the age of 10 whose benefits in force upon such member attaining his or her tenth birthday are in the amount of fifty dollars (\$50.00) shall, if such member is in good standing upon attaining his or her tenth birthday, thereafter have benefits in force in the amount of one hundred dollars (\$100.00) without the necessity of making application for such increased benefit. Assessments made thereafter for such member shall be the same as an assessment for a member age 10 as set out above. Such one-hundred-dollar (\$100.00) benefit shall be in full force and effect for any such member in good standing immediately upon such member attaining his or her tenth birthday even though the increased assessment provided for herein shall not yet be due and payable, it being the intent of this Article that, notwithstanding any other provisions in these Articles, any member in good standing with a fifty-dollar (\$50.00) benefit shall immediately upon attainment of his or her tenth birthday have a one-hundred-dollar (\$100.00) benefit in force whether or not the increased assessment is then due and payable by such member in accordance with the assessment period of this association.

Article 7. No benefit will be paid for natural death occurring within 30 days from the date of the certificate of membership, which certificate shall express the true date such person becomes a member of this association, and the certificate issued shall be in acknowledgment of membership in this association. Benefits will be paid for death caused by accidental means occurring any time after date of membership certificate. No benefits will be paid in case of suicidal death of any member within one year from the date of the membership certificate. No agent or other person shall have authority to issue membership certificates in the field, but such membership certificates shall be issued at the

home office of the association by duly authorized officers: the president, vice-president or secretary, and a record thereof duly made.

Article 8. Any member failing to pay any assessment within 30 days after notice shall be in bad standing, and unless and until restored, shall not be entitled to benefits. Notice shall be presumed duly given when mailed, postage paid, to the last known address of such members: Provided, moreover, that notice to the head of a family shall be construed as notice to the entire membership of such family in said association. Any member or head of a family changing his or her address shall give notice to the secretary-treasurer in writing of such change, giving the old address as well as the new, and the head of a family notifying the secretary-treasurer of change in address shall list with the secretary in such notice all the members of his or her family having membership in said association. Any member in bad standing may, within 90 days after the date of an assessment notice, be reinstated to good standing by the payment of all delinquent dues and assessments: Provided such person shall at the same time submit to the secretary-treasurer satisfactory evidence of good health, in writing, and no benefit will be paid for natural death occurring within 30 days after reinstatement. In case of death caused by accidental means, benefit will be in force immediately after reinstatement. Any person desiring to discontinue his membership for any reason shall communicate such desire to the secretary-treasurer immediately and surrender his or her certificate of membership. Any adult member who is the head of a family and who, with his family, has become in bad standing, shall furnish to the secretary-treasurer satisfactory evidence of the good health of each member desired to be reinstated in writing.

Article 9. The benefits herein provided are for the purpose of furnishing a funeral and burial benefit, in cash or merchandise and service, for a deceased member. The funeral and burial benefit, if furnished in merchandise and service, shall be in keeping with and similar to the merchandise and service sold and furnished at the same price by reputable funeral directors of this or other like communities.

Article 10. It is understood and stipulated that the benefits provided for shall be payable only to a funeral establishment which provides a funeral service for a deceased member and which, if located in North Carolina, is a funeral establishment registered under the provisions of G.S. 90-210.25 or which, if located in any other state, territory or foreign country, is a funeral establishment recognized by and operating in conformity with the laws of such other state, territory or foreign country. Upon the death of any member, it shall be the duty of the person or persons making the funeral arrangements for such deceased member to notify the secretary of the member's burial association of the death of such member. The person or persons making the funeral arrangements for such deceased member shall have 30 days from the date of the death of such member in which to make demand upon the burial association for the funeral benefits to which such member is entitled.

The benefits provided for are to be paid by the burial association to the funeral director providing such funeral and burial service either in cash or in merchandise and service as elected by the person or persons making the funeral arrangements for such deceased member. If the burial association shall fail, on demand, to provide the benefits to which the deceased member was entitled to the funeral establishment which provided the funeral service for the deceased member, then the benefits shall be paid in cash to the representative of the deceased member qualified under law to receive such benefits.

Article 11. Assessments shall be made as provided in G.S. 90-210.96. Whenever possible, assessments will be made at definitely stated intervals so as to reduce the cost of collection and to prevent lapse.

Article 12. In the event the proceeds of the annual assessments imposed on the entire membership for one year, as provided in G.S. 90-210.96, do not prove

sufficient at any time to yield the benefit provided for in these bylaws, then the secretary-treasurer shall notify the Board of Funeral Service who shall be authorized, unless the membership is increased to that point where such assessments are sufficient, to cause liquidation of said association, and may transfer all members in good standing to a like organization or association.

Article 13. (a) All legitimate operating expenses of the association shall be paid out of the assessments, but in no case shall the entire expenses exceed thirty percent (30%) of the total of the assessments collected and the investment income of the burial association in one calendar year.

(b) Each burial association shall establish and maintain a reserve account for the payment of member's benefits. On the thirty-first day of December following July 1, 1975, each burial association shall transfer to such burial association's reserve account established in accordance with this Article all funds which such burial association is maintaining on that date in an account designated by such burial association as either a surplus account or a reserve account. Thereafter, beginning on January 1, 1976, each burial association shall place in such reserve account five percent (5%) of the assessments collected from and after that date and five percent (5%) of the investment income of the association earned from and after that date. These sums shall continue to be placed in the association's reserve account until the association's reserve account shall equal twenty-one dollars (\$21.00) per member. Thereafter if the reserve account shall fall below twenty-one dollars (\$21.00) per member, such sums shall again be deposited in the account until such time as the reserve account shall again be equal to twenty-one dollars (\$21.00) per member. If the reserve account shall at any time exceed twenty-one dollars (\$21.00) per member, amounts in excess of twenty-one dollars (\$21.00) per member may be withdrawn from the reserve account.

Article 14. Special meetings of the association membership may be called by the secretary-treasurer when by him deemed necessary or advisable, and he shall call a meeting when petitioned to do so by sixty-six and two-thirds percent (66⅔%) of the members of said association who are in good standing.

Article 15. The secretary-treasurer shall, upon satisfactory evidence that membership was granted to any person not qualified at the time of entry as provided under Article 3 of these bylaws, refund any amounts paid as assessment, and shall remove the name from the membership roll.

Article 16. Any member may pay any number of assessments in advance, in which case such member will not be further assessed until a like number of assessments shall have been levied against the remaining membership.

Article 17. No person may maintain active membership in two or more separate burial associations. Any person who is found to have membership in two or more separate burial associations shall forfeit all benefits and fees paid in all associations of which he is a member except in the association which he first joined and of which he is still then a member. A person is not a member of an association for purposes of this Article if he has discontinued his membership in such association or if such association has been placed in liquidation.

Article 18. Each year, before the annual meeting of the membership of this association, the association shall cause to be published in a newspaper of general circulation in the county in which such association has its principal place of business, or shall cause to be mailed to each member in good standing a statement showing total income collected, expenses paid and burial benefits provided for by such association during the next preceding year.

Article 19. These rules and bylaws shall not be modified, canceled or abridged by any association or other authority except by act of the General Assembly of North Carolina. CASE NOTES

Editor's Note. — *The cases below were decided under former G.S. 143B-472.3.*

The General Assembly may reserve the right to amend bylaws and regulations of a mutual burial association which it created so as to bind the association and its members. *Adair v. Orrell's Mut. Burial Ass'n*, 284 N.C. 534, 201 S.E.2d 905, appeal dismissed, 417 U.S. 927, 94 S. Ct. 637, 41 L. Ed. 2d 231 (1974), decided under former § 58-226.

Members are bound by subsequent legislation making changes in the rules and bylaws of burial associations, and changes so made are not offensive to the constitutional provision against the passage of a law which impairs the obligation of a contract. *Spearman v. United Mut. Burial Ass'n*, 225 N.C. 185, 33 S.E.2d 895 (1945), decided under former § 58-226.

And Statutory Changes Subsequent to Issuance of Certificate Did Not Impair Contract. — Where the provisions of former G.S. 58-226 and the certificate issued to the member by her burial association contained an express reservation of power by the General Assembly to modify, cancel, or abridge the rules

and bylaws of the association, this was ample notice to both of the reservation of power by the General Assembly, and the statutory changes subsequent to the issuance of the certificate did not result in impairment of the contract in violation of Art. I, § 10, clause 1, of the United States Constitution. *Adair v. Orrell's Mut. Burial Ass'n*, 284 N.C. 534, 201 S.E.2d 905, appeal dismissed, 417 U.S. 927, 94 S. Ct. 637, 41 L. Ed. 2d 231 (1974), decided under former § 58-226.

Payment of Benefits to Funeral Director of Another Association Who Renders Services. — When funeral services are provided by a funeral director of any mutual burial association in good standing in North Carolina for a decedent who was a member of another such association, the benefits of the decedent are not forfeited, but are required to be paid in cash to the funeral director who actually renders the services. *Adair v. Orrell's Mut. Burial Ass'n*, 19 N.C. App. 492, 199 S.E.2d 129 (1973), aff'd, 284 N.C. 534, 201 S.E.2d 905, appeal dismissed, 417 U.S. 927, 94 S. Ct. 637, 41 L. Ed. 2d 231 (1974), decided under former § 58-226.

§ 90-210.82. Limitation of soliciting agents; licensing and qualifications; officers exempt from license; issuance of membership certificates.

Each burial association shall have for each funeral home sponsoring the said burial association not more than five agents or representatives soliciting members other than the secretary-treasurer and president, and before any agent or representative shall or may represent any burial association in North Carolina, he or she shall first apply to the Board of Funeral Service for a license, and the Board of Funeral Service shall have full power and authority to issue such license upon proof satisfactory to such Board that such person is capable of soliciting burial association memberships, is of good moral character and recommended by the association in behalf of which such membership solicitations are to be made. The Board of Funeral Service may reject the application of any person who does not meet the requirements as to capacity and moral fitness. The Board of Funeral Service may, upon proof satisfactory

to it that said licensed agent has violated any section of this law, revoke said license. Upon the issuing of a license to solicit membership in any burial association, such person shall be required to pay in cash, at the time of issuing license to such applicant, to the Board of Funeral Service, the sum of five dollars (\$5.00); moneys derived from this fee or charge, are to be and remain in the department or office of such Board of Funeral Service, for supervision of burial associations in this State, subject to withdrawal for expenses of supervision by authority of the Board of Funeral Service. It shall not be necessary that the president or secretary-treasurer of any burial association obtain a license for soliciting membership in the association of which such person is president or secretary-treasurer. Membership certificates shall not be issued by a solicitor in the field, but shall be reported to the office of the association and there issued and a record made of such issuance at the time such certificate is so issued. (1941, c. 130, s. 5; 1945, c. 125, s. 2; 1947, c. 100, s. 2; 1949, c. 201, s. 3; 1975, c. 837; 1987, c. 864, s. 12; 1997-313, ss. 5, 6, 7; 2003-420, ss. 1, 17(b).)
