Preface

This volume contains the general laws of a permanent nature enacted by the General Assembly through the 2003 Regular Session that are within Chapters 122D through 135, and brings to date the annotations included therein.

A majority of the Session Laws are made effective upon becoming law, but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after 60 days after the adjournment of the session" in which passed.

A ready reference index is included at the back of this volume. This index is intended to give the user a quick reference to larger bodies of statutes within this volume only. For detailed research on any subject, both within this volume and the General Statutes as a whole, see the General Index to the General Statutes.

Beginning with formal opinions issued by the North Carolina Attorney General on July 1, 1969, selected opinions which construe a specific statute are cited in the annotations to that statute. For a copy of an opinion or of its headnotes, write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

This recompiled volume has been prepared and published under the supervision of the Department of Justice of the State of North Carolina. The members of the North Carolina Bar are requested to communicate any suggestions they may have for improving the General Statutes to the Department, or to LexisNexis, Charlottesville, Virginia.

Chapter 122D.

North Carolina Agricultural Finance Act.

§ 122D-1. Short title.

This chapter shall be known and may be cited as the "North Carolina Agricultural Finance Act." (1983, c. 789, s. 1; 1985 (Reg. Sess., 1986), c. 1011, s. 1; 1989, c. 500, s. 109(e); 1989 (Reg. Sess., 1990), c. 1074, s. 32(b).)

Editor's Note. — Session Laws 1985 (Reg. Sess., 1986), c. 1011, repealed Chapter 122B and enacted Chapter 122D. Session Laws 1985 (Reg. Sess., 1986), c. 1011, s. 4 made this Chapter effective July 15, 1986. Where appropriate, the historical citations to sections of repealed Chapter 122B have been added to corresponding sections in Chapter 122D. These historical citations have been retained and supplemented in light of the reenactment of this chapter.

Session Laws 1989, c. 500, s. 109(e) repealed this Chapter effective July 1, 1990. However, Session Laws 1989 (Reg. Sess., 1990), c. 1074, ss. 32(a) and 32(b), effective July 1, 1990, repealed s. 109 of chapter 500, and reenacted this Chapter, with the exception of G.S. 122D-6(12), 122D-6(15), 122D-10, 122D-12, 122D-14, 122D-15, and 122D-17, which were reenacted as they existed on June 29, 1990, by Session Laws 1989 (Reg. Sess., 1990), c. 1000, s. 1, effective July 20, 1990.

§ 122D-2. Legislative findings and purposes.

(a) The General Assembly hereby finds and declares that there exists in the State of North Carolina a serious shortage of capital and credit available for investment in agriculture, for domestic and export purposes, at interest rates within the financial means of persons engaged in agricultural production and agricultural exports. This shortage of available capital and credit is severe throughout the State, has persisted for a number of years, and constitutes a grave threat to the agricultural industry and to the health, welfare, safety and prosperity of all residents of the State.

(b) The General Assembly hereby finds and declares further that private enterprise and existing federal and state governmental programs have not adequately alleviated the severe shortage of capital and credit available at affordable interest rates for investment in agriculture.

(c) The General Assembly hereby finds and declares that it is a matter of grave public necessity that the North Carolina Agricultural Finance Authority be created and empowered to alleviate the severe shortage of capital and credit available at affordable interest rates for investment in agriculture and for the export of agricultural products, commodities and services by providing such capital and credit at interest rates within the financial means of persons and businesses engaged in agriculture and agricultural exports. (1983, c. 789, s. 1;

1985 (Reg. Sess., 1986), c. 1011, s. 1; 1989, c. 500, s. 109(e); 1989 (Reg. Sess., 1990), c. 1074, s. 32(b).)

§ 122D-9. Insurance of agricultural loans.

(a) The Authority may insure and reinsure agricultural loans made by lending institutions, subject to the terms, conditions, limitations, collateral and security provisions, and reserve requirements as shall be determined by the Authority in accordance with the rules adopted by the Authority.

(b) Unless otherwise determined by the Authority, insurance of agricultural loans shall be in the amount of one hundred percent (100%) of the unpaid principal and interest on each loan.

(d) The Authority may enter into agreements with any person, lending institution or holder of an insured agricultural loan upon such terms as may be agreed upon between the Authority and such person, lending institution, or holder, to provide for the administration, applications therefor, repayment thereof, and to establish the conditions for payment of insurance by the Authority, and the servicing, suit upon, or foreclosure of insured agricultural loans.

(e) The aggregate value of all agricultural loans insured by the Authority and outstanding at any one time shall not exceed 20 times the total value of funds, investments, properties and other assets of the Authority except that this insurance may be further expanded by use of federal, state or private loan insurance, reinsurance, or guarantees of which the Authority is or shall become the beneficiary. (1985 (Reg. Sess., 1986), c. 1011, s. 1; 1989, c. 500, s. 109(e); 1989 (Reg. Sess., 1990), c. 1074, s. 32(b).)

(a) The Authority may issue from time to time bonds, notes, bond anticipation notes, renewal notes, refunding bonds, interim certificates, certificates of

indebtedness, debentures, warrants, commercial paper or other obligations or evidences of indebtedness, hereinafter collectively referred to as "bonds", to provide funds for and to fulfill and achieve its authorized public functions or corporate purposes, as set forth in this Chapter, including, but not limited to, the purchase of agricultural loans from lending institutions, the making of loans to or deposits with lending institutions, the payment of interest on bonds of the Authority, the establishment of reserves to secure such bonds, the establishment of reserves with respect to the insurance of agricultural loans, and all other purposes and expenditures of the Authority incident to and necessary or convenient to carry out its public functions or corporate purposes.

(b) Except as may otherwise be provided by the Authority, all bonds issued by the Authority shall be negotiable instruments and may be general obligations of the Authority, secured by the full faith and credit of the Authority and payable out of any money, assets or revenues of the Authority or from any other sources whatsoever that may be available to the Authority. Obligations issued under the provisions of this Chapter shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from the revenues or assets of the Authority. Each obligation issued under this Chapter shall contain on the face thereof a statement to the effect that the Authority shall not be obligated to pay the same nor the interest thereon except from the revenues or assets pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligation.

(c) Bonds shall be authorized, issued and sold by a resolution or resolutions of the Authority adopted as provided in this Chapter. Such bonds may be of such series, bear such date or dates, mature at such time or times, bear interest at such rate or rates including variable, adjustable or zero interest rates, be payable at such time or times, be in such denominations, be sold at such price or prices, at public or private negotiated sale, be in such form, carry such registration and exchangeability privileges, be payable at such place or places, be subject to such terms of redemption, and be entitled to such priorities on the income, revenue and receipts of, or available to, the Authority as may be provided by the Authority in the resolution or resolutions providing for the issuance and sale of the bonds of the Authority.

(d) The bonds of the Authority shall be signed by such members or officers of the Authority, by either manual or facsimile signatures, as shall be determined by resolution or resolutions of the Authority, and shall have impressed or imprinted thereon the seal of the Authority, or a facsimile thereof. The coupons attached to coupon bonds of the Authority shall bear the facsimile signature of such member or officer of the Authority as shall be determined by resolution or resolutions of the Authority. The Authority may also provide for the authentication of the bonds, notes or coupons by a trustee or fiscal agent.

(e) Any bonds of the Authority may be validly issued, sold and delivered, notwithstanding that one or more of the members or officers of the Authority signing such bonds, or whose facsimile signature or signatures may be on the bonds or on coupons, shall have ceased to be such member or officer of the Authority at the time such bonds shall actually have been delivered.

(f) Bonds of the Authority may be sold for such price in such manner and from time to time as may be determined by the Authority to be most beneficial, and the Authority may pay all expenses, premiums, fees or commissions which it may deem necessary or advantageous in connection with the issuance and sale thereof, subject to the provisions of this Chapter.

(g) The bonds or notes may be issued in coupon or in registered form, or both, as the Agency may determine, and provision may be made for the

registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes.

(h) Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds or notes which shall become mutilated or shall be destroyed or lost.

(i) Bonds or notes may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this Chapter and the provisions of the resolution authorizing the issuance of such bonds or notes or the trust agreement securing the same. (1983, c. 789, s. 1; 1985 (Reg. Sess., 1986), c. 1011, s. 1; 1989, c. 500, s. 109(e); 1989 (Reg. Sess., 1990), c. 1000, s. 1.)

§ 122D-11. Statutory pledge.

Any pledge made by the Authority shall be valid and binding from time to time when the pledge is made. The money, assets or revenues of the Authority so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be recorded or filed in order to establish and perfect a lien or security interest in the property so pledged by the Authority. Nothing herein shall be construed to prohibit the Authority from selling any assets subject to any such pledge except to the extent that any such sale may be restricted by the trust agreement or resolution providing for the issuance of such obligations. (1983, c. 789, s. 1; 1985 (Reg. Sess., 1986), c. 1011, s. 1; 1989, c. 500, s. 109(e); 1989 (Reg. Sess., 1990), c. 1074, s. 32(b).)

§ 122D-12. Refunding bonds.

Subject to the rights of the holders of the bonds of the Authority, the Authority may issue from time to time its bonds for the purpose of refunding any bonds of the Authority then outstanding, together with the payment of any redemption premiums thereon and interest accrued or to accrue to the date of redemption of such outstanding bonds. All such refunding bonds of the Authority shall be issued, sold or exchanged, and delivered, shall be secured, and shall be subject to the provisions of this Chapter in the same manner and to the same extent as any other bonds issued by the Authority pursuant to this Chapter, unless otherwise determined by resolution of the Authority. Refunding bonds issued by the Authority as herein provided may be sold or exchanged for outstanding bonds of the Authority and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such outstanding bonds.

Pending the application of the proceeds of any such refunding obligations, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the obligations being refunded, and,

(2) "Document" means any printed document including any report, directory, statistical compendium, bibliography, map, regulation, newsletter, pamphlet, brochure, periodical, bulletin, compilation, or register, regardless of whether the printed document is in paper, film, tape, disk, or any other format.

(3) "State agency" means every State department, institution, board, and commission.

(4) "State publication" means any document prepared by a State agency or private organization, consultant, or research firm, under contract with or under the supervision of a State agency: Provided, however, the term "State publication" does not include administrative documents used only within the issuing agency, documents produced for instructional purposes that are not intended for sale or publication, appellate division reports and advance sheets distributed by the Administrative Office of the Courts, the S.B.I. Investigative "Bulletin", documents that will be reproduced in the Senate or House of Representatives Journals, or documents that are confidential pursuant to Article 17 of Chapter 120 of the General Statutes. (1987, c. 771, s. 2.)

§ 125-11.7. State Library designated the official depository for all State publications.

The State Library shall be the official, complete, and permanent depository for all State publications, and shall receive five copies of all State publications in addition to the copies required for the depository system: Provided, however, the State Library shall receive only five copies of any State publication offered for sale by a State agency at a price at least high enough to recover production costs: Provided, further, the State Library, notwithstanding the definition of "State publication" contained in this Article, shall have authority to exclude from required deposit in the State Library any items or materials which it finds are not appropriate for deposit. (1987, c. 771, s. 2.)

§ 125-11.8. State Publications Clearinghouse created.

(a) A State Publications Clearinghouse is created within the Department of Cultural Resources, the Division of State Library.

(b) The Clearinghouse shall:

(1) Advise State agencies annually of the number of copies of State publications needed for distribution.

(2) Advise State agencies annually that they are required to submit only five copies of any State publication offered for sale at a price at least high enough to recover production costs.

(3) Receive from State agencies promptly after publication the number of copies of State publications specified, and distribute these to the depository libraries.

(4) Prepare on microfiche one or more copies of each State publication that is printed on paper for reference and interlibrary loan purposes.

(5) Publish a checklist of State publications and distribute the checklist without charge to all requesting North Carolina libraries.

(6) Forward two copies of all State publications that are printed on paper to the Library of Congress. (1987, c. 771, s. 2.)

§ 125-11.9. Powers and duties of the State Library.

The State Library:

(1) Shall carry out the provisions of this Article.

(2) Develop and maintain standards for depository libraries. The standards shall include the ability to receive, process, organize, retain, and make available State publications and the ability to provide reference assistance and interlibrary loan service for depository publications.

(3) Shall designate depository libraries, taking into account regional distribution and number of persons served, such that State publications will be conveniently accessible to residents in all areas of the State. The State Library may designate at least one library in each congressional district.

(4) May designate as selective depository libraries those institutions that wish to receive less than the full deposit. Selective depository libraries shall meet the same standards for reference and interlibrary loan service as full depository libraries.

(5) May enter into depository contracts with public libraries and community, technical, special, college and university libraries that meet the standards for depository eligibility adopted by the Clearinghouse.

(6) Shall determine how many copies of State publications each State agency must submit for the State depository system. The State Library may permit a State agency to submit fewer copies of a document if the State Library determines that fewer copies are adequate in light of the cost of the document and the projected public interest in the document.

(7) Shall adopt rules to administer the depository program. These rules may include the State Library's priorities and resulting schedules for collecting, maintaining, and making available State publications in various formats. (1987, c. 771, s. 2; 1991, c. 636, s. 14.)

§ 125-11.10. Duties of State agencies.

(a) State agencies shall send the requested number of copies of each of their publications to the Clearinghouse within 10 days of issuance.

(b) The head of each State agency shall designate a publications officer who shall be responsible for supplying the requested number of copies of each State publication of that agency to the Clearinghouse. Each agency shall notify the Clearinghouse of the identity of its publications officer before October 1, 1987, and within 30 days of any change of publications officer. The publications officer shall supply the Clearinghouse semiannually a complete list of the agency's State publications issued within the previous six months and any other information regarding the publications of the agency requested by the Clearinghouse.

(c) State agencies may request permission from the State Library to submit fewer than the requested number of copies of a document. The request shall include information on the cost of the document and the projected public interest in the document. (1987, c. 771, s. 2.)

§ 125-11.11. Advisory Committee.

The Secretary of Cultural Resources may appoint an advisory committee of State officials and depository librarians to review and advise on the operation of the depository system. (1987, c. 771, s. 2.)

§ 125-11.12: Repealed by Session Laws 1993, c. 447, s. 1.

§ 125-11.13. Alkaline paper required for government publications.

(a) State publications that are of historical or enduring value and importance to the citizens of North Carolina shall be printed on alkaline (acid-free) paper. These publications shall be designated on an annual basis by the State Librarian and the University Librarian at the University of North Carolina at Chapel Hill and shall include publications of an historical, biographical, legal, or statistical nature relating to the State of North Carolina, past, present, or future. These publications shall identify thereon, adjacent to the name of the agency responsible for publication, a statement that the publication is printed on permanent paper.

(b) By November 1 of each year, the State Librarian and the University Librarian at the University of North Carolina at Chapel Hill shall designate the titles for publication on alkaline paper and shall notify each State agency that is responsible for the publication of a designated title. An agency so notified shall begin printing the designated title on alkaline paper within one year after receipt of the notification or at the awarding of the contract for the publication, whichever event occurs first. The Coordinator of the North

Carolina State Publications Clearinghouse shall monitor compliance with this requirement and shall transmit a copy of the compliance report to the State Librarian and to the University Librarian at the University of North Carolina at Chapel Hill by October 1 of each year.

(c) The State Librarian and the University Librarian at the University of North Carolina at Chapel Hill shall report by November 1 of each year to the Joint Legislative Commission on Governmental Operations regarding the titles designated for printing on alkaline paper and shall include in the report the compliance report received from the Coordinator of the North Carolina State Publications Clearinghouse. (1991, c. 224, s. 1.)

Article 2.

Interstate Library Compact.

§ 125-12. Compact enacted into law; form.

The Interstate Library Compact is hereby enacted into law and entered into by this State with all states legally joining therein in the form substantially as follows:

INTERSTATE LIBRARY COMPACT.

Article I. Policy and Purpose.

Because the desire for the services provided by libraries transcends governmental boundaries and can most effectively be satisfied by giving such services to communities and people regardless of jurisdictional lines, it is the policy of the states party to this Compact to cooperate and share their responsibilities; to authorize cooperation and sharing with respect to those types of library facilities and services which can be more economically or efficiently developed and maintained on a cooperative basis, and to authorize cooperation and sharing among localities, states and others in providing joint or cooperative library services in areas where the distribution of population or of existing and potential library resources make the provision of library service on an interstate basis the most effective way of providing adequate and efficient service.

Article II. Definitions.

As used in this Compact: (a) "Public library agency" means any unit or agency of local or state government operating or having power to operate a library.

(b) "Private library agency" means any nongovernmental entity which operates or assumes a legal obligation to operate a library.

(c) "Library agreement" means a contract establishing an interstate library district pursuant to this Compact or providing for the joint or cooperative furnishing of library services.

Article III. Interstate Library Districts.

(a) Any one or more public library agencies in a party state in cooperation with any public library agency or agencies in one or more other party states may establish and maintain an interstate library district. Subject to the provisions of this Compact and any other laws of the party states which

pursuant hereto remain applicable, such district may establish, maintain and operate some or all of the library facilities and services for the area concerned in accordance with the terms of a library agreement therefor. Any private library agency or agencies within an interstate library district may cooperate therewith, assume duties, responsibilities and obligations thereto, and receive benefits therefrom as provided in any library agreement to which such agency or agencies become party.

(b) Within an interstate library district, and as provided by a library agreement, the performance of library functions may be undertaken on a joint or cooperative basis or may be undertaken by means of one or more arrangements between or among public or private library agencies for the extension of library privileges to the use of facilities or services operated or rendered by one or more of the individual library agencies.

(c) If a library agreement provides for joint establishment, maintenance or operation of library facilities or services by an interstate library district, such district shall have power to do any one or more of the following in accordance with such library agreement:

(1) Undertake, administer and participate in programs or arrangements for securing, lending or servicing of books and other publications, any other materials suitable to be kept or made available by libraries, library equipment or for the dissemination of information about libraries, the value and significance of particular items therein, and the use thereof.

(2) Accept for any of its purposes under this Compact any and all donations, and grants of money, equipment, supplies, materials, and services, (conditional or otherwise), from any state or the United States or any subdivision or agency thereof, or interstate agency, or from any institution, person, firm or corporation, and receive, utilize and dispose of the same.

(3) Operate mobile library units or equipment for the purpose of rendering bookmobile service within the district.

(4) Employ professional, technical, clerical and other personnel, and fix terms of employment, compensation and other appropriate benefits; and where desirable, provide for the in-service training of such personnel.

(5) Sue and be sued in any court of competent jurisdiction.

(6) Acquire, hold, and dispose of any real or personal property or any interest or interests therein as may be appropriate to the rendering of library service.

(7) Construct, maintain and operate a library, including any appropriate branches thereof.

(8) Do such other things as may be incidental to or appropriate for the carrying out of any of the foregoing powers.

Article IV. Interstate Library Districts, Governing Board.

(a) An interstate library district which establishes, maintains or operates any facilities or services in its own right shall have a governing board which shall direct the affairs of the district and act for it in all matters relating to its business. Each participating public library agency in the district shall be represented on the governing board which shall be organized and conduct its business in accordance with provision therefor in the library agreement. But in no event shall a governing board meet less often than twice a year.

(b) Any private library agency or agencies party to a library agreement establishing an interstate library district may be represented on or advise with the governing board of the district in such manner as the library agreement may provide.

Article V. State Library Agency Cooperation.

Any two or more state library agencies of two or more of the party states may undertake and conduct joint or cooperative library programs, render joint or cooperative library services, and enter into and perform arrangements for the cooperative or joint acquisition, use, housing and disposition of items or collections of materials which, by reason of expense, rarity, specialized nature, or infrequency of demand therefor would be appropriate for central collection and shared use. Any such programs, services or arrangements may include provision for the exercise on a cooperative or joint basis of any power exercisable by an interstate library district and an agreement embodying any such program, service or arrangement shall contain provisions covering the subjects detailed in Article VI of this Compact for interstate library agreements.

Article VI. Library Agreements.

(a) In order to provide for any joint or cooperative undertaking pursuant to this Compact, public and private library agencies may enter into library agreements. Any agreement executed pursuant to the provisions of this Compact shall, as among the parties to the agreement:

(1) Detail the specific nature of the services, programs, facilities, arrangements or properties to which it is applicable.

(2) Provide for the allocation of costs and other financial responsibilities.

(3) Specify the respective rights, duties, obligations and liabilities of the parties.

(4) Set forth the terms and conditions for duration, renewal, termination, abrogation, disposal of joint or common property, if any, and all other matters which may be appropriate to the proper effectuation and performance of the agreement.

(b) No public or private library agency shall undertake to exercise itself, or jointly with any other library agency, by means of a library agreement any power prohibited to such agency by the constitution or statutes of its state.

(c) No library agreement shall become effective until filed with the Compact Administrator of each state involved, and approved in accordance with Article VII of this Compact.

Article VII. Approval of Library Agreements.

(a) Every library agreement made pursuant to this Compact shall, prior to and as a condition precedent to its entry into force, be submitted to the attorney general of each state in which a public library agency party thereto is situated, who shall determine whether the agreement is in proper form and compatible with the laws of his state. The attorneys general shall approve any agreement submitted to them unless they shall find that it does not meet the conditions set forth herein and shall detail in writing addressed to the governing bodies of the public library agencies concerned the specific respects in which the proposed agreement fails to meet the requirements of law. Failure to disapprove an agreement submitted hereunder within 90 days of its submission shall constitute approval thereof.

(b) In the event that a library agreement made pursuant to this Compact shall deal in whole or in part with the provision of services or facilities with regard to which an officer or agency of the state government has constitutional or statutory powers of control, the agreement shall, as a condition precedent to its entry into force, be submitted to the state officer or agency having such power of control and shall be approved or disapproved by him or it as to all

matters within his or its jurisdiction in the same manner and subject to the same requirements governing the action of the attorneys general pursuant to subsection (a) of this Article. This requirement of submission and approval shall be in addition to and not in substitution for the requirement of submission to and approval by the attorneys general.

Article VIII. Other Laws Applicable.

Nothing in this Compact or in any library agreement shall be construed to supersede, alter or otherwise impair any obligation imposed on any library by otherwise applicable law, nor to authorize the transfer or disposition of any property held in trust by a library agency in a manner contrary to the terms of such trust.

Article IX. Appropriations and Aid.

(a) Any public library agency party to a library agreement may appropriate funds to the interstate library district established thereby in the same manner and to the same extent as to a library wholly maintained by it and, subject to the laws of the state in which such public library agency is situated, may pledge its credit in support of an interstate library district established by the agreement.

(b) Subject to the provisions of the library agreement pursuant to which it functions and the laws of the states in which such district is situated, an interstate library district may claim and receive any state and federal aid which may be available to library agencies.

Article X. Compact Administrator.

Each state shall designate a Compact Administrator with whom copies of all library agreements to which his state or any public library agency thereof is party shall be filed. The Administrator shall have such other powers as may be conferred upon him by the laws of his state and may consult and cooperate with the compact administrators of other party states and take such steps as may effectuate the purposes of this Compact. If the laws of a party state so provide, such state may designate one or more deputy Compact administrators in addition to its Compact Administrator.

Article XI. Entry into Force and Withdrawal.

(a) This Compact shall enter into force and effect immediately upon its enactment into law by any two states. Thereafter, it shall enter into force and effect as to any other state upon the enactment thereof by such state.

(b) This Compact shall continue in force with respect to a party state and remain binding upon such state until six months after such state has given notice to each other party state of the repeal thereof. Such withdrawal shall not be construed to relieve any party to a library agreement entered into pursuant to this Compact from any obligation of that agreement prior to the end of its duration as provided therein.

Article XII. Construction and Severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the

constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state party thereto, the Compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. (1967, c. 190, s. 1.)

§ 125-13. Political subdivisions to comply with laws governing capital outlay and pledging of credit.

No county, municipality, or other political subdivision of this State shall be party to a library agreement which provides for the construction or maintenance of a library pursuant to Article III, subdivision (c)(7) of the Compact, nor pledge its credit in support of such a library, or contribute to the capital financing thereof, except after compliance with any laws applicable to such counties, municipalities, or other political subdivisions relating to or governing capital outlays and the pledging of credit. (1967, c. 190, s. 2.)

§ 125-14. "State library agency" defined.

As used in the Compact, "state library agency," with reference to this State, means the Department of Cultural Resources. (1967, c. 190, s. 3; 1973, c. 476, s. 84.)

§ 125-15. State and federal aid to interstate library districts.

An interstate library district lying partly within this State may claim and be entitled to receive State aid in support of any of its functions to the same extent and in the same manner as such functions are eligible for support when carried on by entities wholly within this State. For the purposes of computing and apportioning State aid to an interstate library district, this State will consider that portion of the area which lies within this State as an independent entity for the performance of the aided function or functions and compute and apportion the aid accordingly. Subject to any applicable laws of this State, such a district also may apply for and be entitled to receive any federal aid for which it may be eligible. (1967, c. 190, s. 4.)

§ 125-16. Compact Administrator and deputies.

The State Librarian shall be the Compact Administrator pursuant to Article X of the Compact. The State Librarian may appoint one or more deputy Compact Administrators pursuant to said Article. (1967, c. 190, s. 5.)

State Government Reorganization. — The Interstate Library Compact administration was transferred to the Department of Art, Culture and History by former G.S. 143A-196, enacted by Session Laws 1971, c. 864. See now G.S. 143B-51.

§ 125-17. Withdrawal from Compact.

In the event of withdrawal from the Compact the Governor shall send and receive any notices required by Article XI(b) of the Compact. (1967, c. 190, s. 6.)

Article 3.

Library Records.

§ 125-18. Definitions.

As used in this Article, unless the context requires otherwise:

(1) "Library" means a library established by the State; a county, city, township, village, school district, or other local unit of government or authority or combination of local units of governments and authorities; community college or university; or any private library open to the public.

(2) "Library record" means a document, record, or other method of storing information retained by a library that identifies a person as having requested or obtained specific information or materials from a library. "Library record" does not include nonidentifying material that may be retained for the purpose of studying or evaluating the circulation of library materials in general. (1985, c. 486, s. 2.)

§ 125-19. Confidentiality of library user records.

(a) Disclosure. — A library shall not disclose any library record that identifies a person as having requested or obtained specific materials, information, or services, or as otherwise having used the library, except as provided for in subsection (b).

(b) Exceptions. — Library records may be disclosed in the following instances:

(1) When necessary for the reasonable operation of the library;

(2) Upon written consent of the user; or

(3) Pursuant to subpoena, court order, or where otherwise required by law. (1985, c. 486, s. 2.)

ARTICLE 1.

State Personnel System Established.

§ 126-1. Purpose of Chapter; application to local employees.

It is the intent and purpose of this Chapter to establish for the government of the State a system of personnel administration under the Governor, based on accepted principles of personnel administration and applying the best methods as evolved in government and industry. It is also the intent of this Chapter that this system of personnel administration shall apply to local employees paid entirely or in part from federal funds, except to the extent that local governing boards are authorized by this Chapter to establish local rules, local pay plans, and local personnel systems. It is also the intent of this Chapter to make provisions for a decentralized system of personnel administration, where appropriate, and without additional cost to the State, with the State Personnel Commission as the policy and rule-making body. The Office of State Personnel shall make recommendations for policies and rules to the Commission based on research and study in the field of personnel management, develop and administer statewide standards and criteria for good personnel management, provide training and technical assistance to all agencies, departments, and institutions, provide oversight, which includes conducting audits to monitor compliance with established State Personnel Commission policies and rules, administer a system for implementing necessary corrective actions when the rule, standards, or criteria are not met, and serve as the central repository for State Personnel System data. The agency, department, and institution heads shall be responsible and accountable for execution of Commission policies and rules for their employees. (1965, c. 640, s. 2; 1997-349, s. 1.)

Cross References. — As to provisions relating to establishment of policies and rules governing the study and implementation of competitive job classification and compensation plan for nurses by the Board of Directors of the University of North Carolina Hospitals at Chapel Hill, see G.S. 116-37(d).

Editor's Note. — Session Laws 2001-424, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2001'."

Session Laws 2001-424, s. 13.1, provides: "The General Assembly encourages the Department of State Treasurer to include the model of the PREPARE program in its current delivery of retirement services. The PREPARE program in the Office of State Personnel is abolished."

Session Laws 2001-424, s. 21.14(b), as amended by 2001-487, s. 110, provides: "Under the direction of the Secretary of Health and Human Services, the Director of the Office of Policy and Planning shall have the authority to direct Divisions, offices, and programs within the Department to conduct periodic reviews of policies, plans, and rules and shall advise the Secretary when it is determined to be appropriate or necessary to modify, amend, and repeal departmental policies, plans, and rules. All professional and supervisory employees in policy and management positions within the Office of Policy and Planning are exempt from Chapter 126 of the General Statutes except for Articles 6, 7, and 14 of that Chapter. Exempt positions within the Office of Policy and Planning shall not count toward the exempt position totals authorized by G.S. 126-5(d)(1)."

Session Laws 2001-424, s. 36.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2001-2003 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2001-2003 fiscal biennium."

Session Laws 2001-424, s. 36.5, is a severability clause.

State Government Reorganization. — The State personnel system was transferred to the Department of Administration by G.S. 143A-84 (now repealed), enacted by Session Laws 1971, c. 864.

CASE NOTES

Constitutional Implications. — For case discussing the propriety under U.S. Const., Amends. I and XIV, of adverse personnel actions affecting State employees in exempt positions following the change from the Hunt administration to the Martin administration, see Stott v. Martin, 725 F. Supp. 1365 (E.D.N.C. 1989), rev'd on other grounds, 916 F.2d 134 (4th Cir. 1990).

This Chapter establishes and provides for the administration of the state personnel system. Yow v. Alexander County Dep't of Social Servs., 70 N.C. App. 174, 319 S.E.2d 626, cert. denied, 312 N.C. 625, 323 S.E.2d 927 (1984).

The legislative intent to forbid all hiring except under this Chapter is clear. Bean v. Taylor, 408 F. Supp. 614 (M.D.N.C. 1976), aff'd, 534 F.2d 328 (4th Cir. 1976).

Chapter 126 clearly gives State Personnel Commission power to establish rules and policies governing personnel matters. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

There was just cause to demote the highway patrol employee as the employee drank three beers within a short period; proceeded to drive after drinking; exceeded the speed limit; and two alco-sensor tests registered 0.09 and 0.08 alcohol concentration readings. Davis v. N.C. Dep't of Crime Control & Pub. Safety, 151 N.C. App. 513, 565 S.E.2d 716, 2002 N.C. App. LEXIS 777 (2002).

The superior court properly determined that it had subject matter jurisdiction where plaintiff sought injunctive relief ordering his reinstatement to the "same or similar position," a matter on which G.S. 126-34.1 does not specifically authorize appeal; the State Personnel Act does not place jurisdiction over this matter with the State Personnel Commission. Hodge v. North Carolina DOT, 137 N.C. App. 247, 528 S.E.2d 22, 2000 N.C. App. LEXIS 334 (2000).

Enforcement of Contracts Made in Violation of Rules. — The purpose of this Chapter and thus public policy would be frustrated by enforcement of contracts made in violation of the valid rules established pursuant to G.S. 126-4(3). Bean v. Taylor, 408 F. Supp. 614 (M.D.N.C. 1976), aff'd, 534 F.2d 328 (4th Cir. 1976).

Discharge of Exempt Employees by Successor Governor. — Although the North Carolina State Personnel Act provides that no permanent employee subject thereto shall be discharged, suspended or reduced in pay or position except for just cause, the act exempts certain employees by its terms and allows the Governor to designate as exempt from the provisions of the act certain other policy-making or decision-making employees. Where plaintiffs having a position designated as policy-making or confidential by the previous Governor brought suit alleging that each was discharged from an exempt government position for the sole reason of political affiliation, there was a presumption that successor Governor's actions were proper if done for political patronage reasons that require, as a qualification for the performance of a job, a political affiliation. Stott v. Haworth, 916 F.2d 134 (4th Cir. 1990).

Propriety of Reducing Number of Exempt Positions. — An exempt position, so designated by the Governor, creates a presumption at law that discharge or demotion was proper, and this section, by its terms, authorizes the Governor to reduce the number of exempt positions in order that the structure of the State government comply with the terms of the section and that the appropriate government employees enjoy the protection of the civil service position, a position that clearly falls without the political patronage system. Stott v. Haworth, 916 F.2d 134 (4th Cir. 1990).

Property Interest in Employment. — An employee who is subject to the State Personnel Act and who holds a "trainee" appointment as defined by the North Carolina Administrative Code does not have a property interest in her continued employment which is protected by the due process clause of U.S. Const., Amend. XIV. Yow v. Alexander County Dep't of Social Servs., 70 N.C. App. 174, 319 S.E.2d 626, cert. denied, 312 N.C. 625, 323 S.E.2d 927 (1984).

App. 192, 272 S.E.2d 607 (1980); North Carolina Dep't of Cor. v. Hill, 313 N.C. 481, 329 S.E.2d 377 (1985); Smith v. Bounds, 657 F. Supp. 1327 (E.D.N.C. 1986); Gray v. Laws, 915 F. Supp. 747 (E.D.N.C. 1994); Peace v. Employment Sec. Comm'n, 349 N.C. 315, 507 S.E.2d 272 (1998); Buser v. Southern Food Serv., 73 F. Supp. 2d 556 (M.D.N.C. 1999).

OPINIONS OF ATTORNEY GENERAL

Employment and termination of local health director are subject to the provisions of this chapter, and termination or discharge of a health director must comply with all statutory provisions and regulations duly adopted by the State Personnel Commission pursuant to

this chapter. See opinion of Attorney General to Mr. Michael S. Kennedy, Esquire, Attorney for Cleveland County Board of Health, and Mr. Robert W. Yelton, Esquire, Attorney for Cleveland County, 55 N.C.A.G. 113 (1986).

Those occupational licensing boards subject to the Personnel Act, this Chapter, and the Budget Act, G.S. 143-1 et seq., are also subject to G.S. 135-1.1, just as are the occupational licensing boards not subject to the Personnel and Budget Acts. See opinion of Attorney General to Vicky Goudie, Executive Secretary, State Board of Cosmetology, 60 N.C.A.G. 54 (1990).

An occupational licensing board, even one such as the Cosmetic Arts Board and several others subject to the Personnel and Budget Acts, is not entitled to have any of its employees who were employed on or after July 1, 1983, covered by and participating in the Retirement System. See opinion of Attorney General to Vicky Goudie, Executive Secretary, State Board of Cosmetology, 60 N.C.A.G. 54 (1990).

§ 126-1.1. Career State employee defined.

For the purposes of this Chapter, unless the context clearly indicates otherwise, "career State employee" means a State employee who:

(1) Is in a permanent position appointment; and

(2) Has been continuously employed by the State of North Carolina in a position subject to the State Personnel Act for the immediate 24 preceding months. (1995, c. 141, s. 1.)

Editor's Note. — Session Laws 1999-237, s. 21.14, provides that, for the purposes of this chapter, employees in positions transferred from the Judicial Department to the Office of Juvenile Justice (now the Department of Juvenile Justice and Delinquency Prevention) during the 1998-99 fiscal year or as provided for in that act, who have been continuously employed by the State prior to the date of transfer, are to receive credit for those months of service, and that, upon 24 months of continuous employment in a permanent position with the State, an employee under this section is to become a career State employee.

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999'."

Session Laws 1999-237, s. 30.2 provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1999-2001 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1999-2001 biennium."

Session Laws 1999-237, s. 30.4, contains a severability clause.

Session Laws 2002-126, s. 28.3A, as amended by Session Laws 2002-159, s. 82, provides: "Any person who is a full-time permanent employee on September 30, 2002, of (i) a local board of education, or (ii) the State, who is eligible for annual leave shall have a one-time additional 10 days of annual leave credited on that date. Local board of education employees paid on salary schedules in Section 7.1 or 7.2 of this act are not eligible to receive this additional annual leave unless they are at the top of their respective salary schedules and do not receive a salary increment for the 2002-2003 fiscal year. Employees paid under Section 7.45 of this act shall not be eligible for this additional annual leave unless they are at the top of the irrespective salary schedules and do not receive a salary increment for the 2002-2003 fiscal year. That leave shall be accounted for separately, and shall remain available until used, notwithstanding any other limitation on the total number of days of annual leave that may be carried forward. Part-time permanent employees and 9- or 10-month employees shall receive a pro rata amount of the 10 days.

"The General Assembly encourages the State Board of Community Colleges to adopt rules authorizing the colleges to provide special annual leave bonuses, compensation bonuses, or other employee benefits to their employees. Included within this may be salary increases within available funds to employees not receiving special annual leave bonuses."

Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capitol Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 31.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2002-2003 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2002-2003 fiscal year. For example, uncodified provisions of this act relating to the Medicaid program apply only to the 2002-2003 fiscal year."

Session Laws 2002-126, s. 31.6, is a severability clause.

Session Laws 2002-159, s. 87, provides: "Any employee subject to a reduction in force action

pursuant to Executive Order Number 22 whose position was ultimately funded in S.L. 2002-126 shall maintain the employee's career State employee status as provided in G.S. 126-1.1. Employees may also purchase vacation leave up to the amount that they had accrued, not to exceed 240 hours, prior to the date of their separation. Employees who had accrued in excess of 240 hours of annual leave shall have that balance reinstated. These employees shall also receive the "Special Annual Leave Bonus" as specified in Section 28.3A of S.L. 2002-126."

CASE NOTES

State employee seeking review of her termination was not a state employee, as defined in G.S. 126-1.1, because she was not in a permanent position appointment or had not held a position subject to the State Personnel Act, G.S. 126-1 et seq., for the immediate 24 preceding months. (8) Developing criteria and standards to measure the level of compliance or noncompliance with established Commission policies, rules, procedures, criteria, and standards in agencies, departments, and institutions to which authority has been delegated for classification, salary administration and other decentralized programs, and determining through routine monitoring and periodic review process, that agencies, departments, and institutions are in compliance or noncompliance with established Commission policies, rules, procedures, criteria, and standards; and
(9) Implementing corrective actions in cases of noncompliance. (1965, c. 640, s. 2; 1975, c. 667, s. 5; 1983, c. 717, s. 40; 1983 (Reg. Sess., 1984), c. 1034, s. 164; 1997-349, s. 2.)

When New Year's Day falls on either Saturday or Sunday, the constituent institutions of The University of North Carolina that adopt alternative dates to recognize the legal public holidays set forth in subdivision (5) of this section and established by the Commission may designate, in accordance with the rules of the Commission and the requirements of this subdivision, December 31 of the previous calendar year as the New Year's holiday.

(6) The appointment, promotion, transfer, demotion and suspension of employees.

(7) Cooperation with the State Board of Education, the Department of Public Instruction, the University of North Carolina, and the Community Colleges of the State and other appropriate resources in developing programs in, including but not limited to, management and supervisory skills, performance evaluation, specialized employee skills, accident prevention, equal employment opportunity awareness, and customer service; and to maintain an accredited Certified Public Manager program.

(17) An alternative dispute resolution procedure.

(18) Delegation of authority for approval of personnel actions through decentralization agreements with the heads of State agencies, departments, and institutions.

a. Decentralization agreements with Executive Branch agencies shall require a person, designated in the agency, to be accountable to the State Personnel Director for the compliance of all personnel actions taken pursuant to the delegated authority of the agency. Such agreements shall specify the required rules and standards for agency personnel administration.

b. The State Personnel Director shall have the authority to take appropriate corrective actions including adjusting employee salaries and changing employee classifications that are not in compliance with policy or standards and to suspend decentralization agreements for agency noncompliance with the required personnel administration standards.

CASE NOTES

Powers. — The legislature has delegated, to the extent of the commission's statutory powers, its own legislative powers over the State's personnel system. Therefore, rules and policies made pursuant to the commission's statutory authority have the effect of law. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

Legislative Intent. — The particularized exclusion of certain Department of Correction employees from the provisions of this Chapter plainly indicates the General Assembly's intent that the act's provisions for appeals of employment grievances apply to those not so excluded. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

The General Assembly only intended to give the Commission the jurisdiction to resolve, through the appeal and contested case hearing process, those issues which are specifically defined as contested case issues in Chapter 126. Dunn v. North Carolina Dep't of Human Resources, 124 N.C. App. 158, 476 S.E.2d 383 (1996).

Department of Correction Employee Held Not Barred from Appeal Procedures of Chapter 150B. — A permanent employee in a non-policymaking, non-academic position in

the Department of Correction was not barred from the appeal procedures of the Administrative Procedure Act, Chapter 150B, by that Act's general exclusion of his department from its provisions. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Most Qualified Applicant. — This section did not confer petitioner with specific grounds for appeal on the issue of whether the most qualified applicant was chosen. Dunn v. North Carolina Dep't of Human Resources, 124 N.C. App. 158, 476 S.E.2d 383 (1996).

G.S. 126-37(a) allows Commission to order reinstatement of employee and direct other suitable relief, whenever it deems it necessary to correct the failure of a department or agency to follow policies or rules promulgated pursuant to G.S. 126-4. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

To serve purpose of Chapter 126, rules and policies made pursuant to this section must be enforced. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

Enforcement of Contracts Made in Violation of Valid Rules. — The purpose of this Chapter and thus public policy would be frustrated by enforcement of contracts made in violation of the valid rules established pursuant to subdivision (3). Bean v. Taylor, 408 F. Supp. 614 (M.D.N.C. 1976), aff'd, 534 F.2d 328 (4th Cir. 1976).

If the State Personnel Commission or its officers had the power to enter into an enforceable contract with one not qualified under the rules contemplated by this section, this Chapter would be meaningless. Bean v. Taylor, 408 F. Supp. 614 (M.D.N.C. 1976), aff'd, 534 F.2d 328 (4th Cir. 1976).

Alteration of Approved Policies. — Since the Governor must approve policies established by the Commission under this statute, the Commission does not have the power to alter such policies by ad hoc decision in each case; the Commission must follow the policy which has been set and as it was approved by the Governor. Reed v. Byrd, 41 N.C. App. 625, 255 S.E.2d 606 (1979).

Property Interest in Employment. — An employee who is subject to the State Personnel Act and who holds a "trainee" appointment as defined by the North Carolina Administrative Code does not have a property interest in her continued employment which is protected by the due process clause of U.S. Const., Amend. XIV. Yow v. Alexander County Dep't of Social Servs., 70 N.C. App. 174, 319 S.E.2d 626, cert. denied, 312 N.C. 625, 323 S.E.2d 927 (1984).

Discretion of Personnel Commission to Award Back Pay and Benefits. — Where a permanent State employee is dismissed for performance of duty reasons, without sufficient warnings as required by G.S. 126-35, upon reinstating the employee the decision whether or not to award back pay and benefits is within the sound discretion of the Personnel Commission. Jones v. Department of Human Resources, 300 N.C. 687, 268 S.E.2d 500 (1980).

The State Personnel Commission is granted the authority to promulgate regulations regarding the award of attorneys' fees under subdivision (11). Fearrington v. University of N.C., 126 N.C. App. 774, 487 S.E.2d 169 (1997).

Court Could Not Order Back Pay. — Where the record of petitioner's grievance proceedings did not include any back pay findings by the State Personnel Commission, given the authority of the Commission over back pay, the absence of record findings, and the superior court's lack of fact-finding authority in appeals from employee grievances, the superior court could not enter an order awarding back pay in a specific amount. Harding v. North Carolina Dep't of Cor., 334 N.C. 414, 432 S.E.2d 298 (1993), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 768 (1994).

State Personnel Commission abused its discretion and lacked careful and impartial decisionmaking when it passed over personnel office employee and filled a vacant position with an applicant who did not meet state qualifications for the position and who had filed her application and had been effectively offered the job a month before it was posted. Joyce v. Winston-Salem State Univ., 91 N.C. App. 153, 370 S.E.2d 866, cert. denied, 323 N.C. 476, 373 S.E.2d 862 (1988).

Retention of Employees in Abolished Positions. — Because retention of employees in abolished positions is clearly a personnel matter affecting the separation of employees, under subdivision (7a), the State Personnel Commission has authority to issue a policy thereon and to require the Department of Justice to follow it. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

Plaintiff whose position was abolished and employment terminated did not have to show prejudice once he carried his burden of showing that the Department of Justice failed to follow the State Personnel Commission's policies. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

Burden to Show Department or Agency Followed Personnel Commission's Proce-

dures. — Neither Chapter 126 nor the Administrative Procedure Act indicates that the burden is shifted to the department or agency to show that it followed the Personnel Commission's rules, policies, or procedures. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988).

Dismissals. — Just cause for dismissal has been divided into two basic categories—unsatisfactory job performance and personal conduct (misconduct) detrimental to State service. Amanini v. N.C. Dep't of Human Resources, 114 N.C. App. 668, 443 S.E.2d 114 (1994).

The distinction between the categories of "just cause" as set forth in the State Personnel Manual provides an applicable test for determining whether a dismissal is for a "good or adequate reason having basis in fact" under particular circumstances. Amanini v. N.C. Dep't of Human Resources, 114 N.C. App. 668, 443 S.E.2d 114 (1994).

Attorney Fees. — Upon appeal of the Commission's decision not to award attorney's fees under subsection (11) of this section, G.S. 126-41 constrains the Superior Court to reverse or modify the Commission's order only if it is deemed unreasonable or inadequate. Morgan v. North Carolina DOT, 124 N.C. App. 180, 476 S.E.2d 431 (1996).

Since the Commission had statutory authority to award attorney's fees only in cases involving discrimination, reinstatement or back pay, the Commission properly denied an award of attorney's fees to petitioners. Morgan v. North Carolina DOT, 124 N.C. App. 180, 476 S.E.2d 431 (1996).

Applied in Grissom v. North Carolina Dep't of Revenue, 28 N.C. App. 277, 220 S.E.2d 872 (1976); Dyer v. Bradshaw, 54 N.C. App. 136, 282 S.E.2d 548 (1981); Bishop v. North Carolina Dep't of Human Resources, 100 N.C. App. 175, 394 S.E.2d 702 (1990); Hodge v. North Carolina DOT, 137 N.C. App. 247, 528 S.E.2d 22, 2000 N.C. App. LEXIS 334 (2000).

OPINIONS OF ATTORNEY GENERAL

The purpose of Chapter 126 and thus public policy would be frustrated by enforcement of contracts made in violation of the valid rules established pursuant to subsection (3) of this section. This frustration of public policy would require nonenforcement of any such contract. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

Employment Offer Without Final Approval Not An Enforceable Contract. — A written or verbal offer of employment by a state agency or university, with a specific salary amount and witout the final approval of the State Personnel Director, does not create a legally enforceable contract. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

A written or verbal offer of employment by a state agency or university, with a specific salary amount which violates applicable personnel policies and administrative rules and without the final approval of the State Personnel Director, does not create a legally enforceable contract. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

The position, authority or apparent authority of the person making the offer of employment has no impact on whether the offer constitutes a legally enforceable contract. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

Employment Offer Rescinded for Being in Violation of Personnel Policies and Rules Creates No Agency Liability. — There is no liability of the agency if an offer of employment is made by a state agency or university, with a specific salary amount which violated applicable personnel policies and administrative rules, and later rescinded as being in violation of applicable personnel policies and rules. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

There is no liability of the Office of State Personnel if it refuses to process a hiring

decision which violated State Personnel Commission policy. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

The State Personnel Commission has the statutory authority, under this section and G.S. 126-82, to promulgate a rule regarding the application of a veteran's preference in the form of an additional ten points to be awarded where a numerically scored examination is used as part of the selection process. See opinion of Attorney General to Mr. Ronald Penny, State Personnel Director, Office of State Personnel, 1998 N.C.A.G. 10 (2/12/98).

Liability of Person Who Makes Employment Offer. — It is unlikely that any liability would attach to the person who made an employment offer that is in violation of applicable personnel policies and rules, but it might depend on the nature of the person's position and the circumstances surrounding the offer. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987).

In determining whether attorneys' fees are allowable in a proceeding brought by an employee, a former employee or an applicant for employment, the State Personnel Commission should apply statutory changes in circumstances in which attorneys' fees may be awarded according to the date the cause of action arose. See opinion of Attorney General to Mr. Harold H. Webb, Director, Office of State Personnel, 47 N.C.A.G. 39 (1977).

Specific Statutory Language Required to Exempt Agency. — Once an individual is entitled to priority employment rights within the State Personnel System, only specific statutory language will be sufficient to eliminate any agency from making a vacancy available to the individual. See opinion of Attorney General to Mr. Brent Lane, Executive Director, N.C. Technological Development Authority, 59 N.C.A.G. 31 (1989).

Entitlement to Reemployment. — When it has been determined either judicially or by the State Personnel Commission that a person is entitled to reemployment rights and a position becomes open within State government for which that person is qualified, the person must be offered that position. See opinion of Attorney General to Mr. Brent Lane, Executive Director, N.C. Technological Development Authority, 59 N.C.A.G. 31 (1989).

State employee subject to State Personnel Act may be denied performance pay increase solely on grounds that he is already at maximum rate of salary range for his pay grade. See opinion of Attorney General to Mr. Joseph E. Johnson, Senator, 14th Senatorial District, 60 N.C.A.G. 19 (4/24/90).

§ 126-4.1. Commission panels may recommend final agency decisions.

(a) The State Personnel Commission ("Commission") may make a final agency decision in a contested case brought under Article 3 of Chapter 150B of the General Statutes upon the recommendation of a panel of its members appointed by the Chair.

(b) For contested case purposes, the Chair of the Commission may appoint panels of four members, with three panelists constituting a quorum of the panel. The Chair shall make every effort to provide that each category of Commission membership enumerated in G.S. 126-2(b) shall be represented on the appointed panels.

(c) When a panel hears and makes a recommendation in a contested case, that recommendation shall then be referred to the full Commission. Upon referral, the full Commission may either:

(1) Accept the recommendation of the panel and incorporate the panel's recommendation as the Commission's final decision; or

(2) Reject the recommendation of the panel and make a final decision upon consideration by the full Commission. (1998-181, s. 2.)

Editor's Note. — Session Laws 1998-181, s. 8 provides that this section shall not be effective until appointments are made in accordance with G.S. 126-2(b), as amended by s. 1(a) of Session Laws 1998-181. These appointments were made.

(f) A department head is authorized to use existing budgeted positions within his department in order to carry out the provisions of subsection (e) of this section. If it is necessary to meet the requirements of subsection (e) of this section, a department head may use salary reserve funds authorized for his department.

(g) No employee shall be placed in an exempt position without 10 working days prior written notification that such position is so designated. A person applying for a position that is designated as exempt must be notified in writing at the time he makes the application that the position is designated as exempt.

(h) In case of dispute as to whether an employee is subject to the provisions of this Chapter, the dispute shall be resolved as provided in Article 3 of Chapter 150B. I and XIV, of adverse personnel actions affecting State employees in exempt positions following the change from the Hunt administration to the Martin administration, see Stott v. Martin, 725 F. Supp. 1365 (E.D.N.C. 1989), rev'd on other grounds, 916 F.2d 134 (4th Cir. 1990).

Legislative Intent. — The particularized exclusion of certain Department of Correction employees from the provisions of this chapter plainly indicates the General Assembly's intent that the Act's provisions for appeals of employment grievances apply to those not so excluded. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

The rationale for creating exempt positions, positions exempt from the protection afforded by the civil service statute, was to allow the Governor to employ top level State employees on an at-will basis, and to reposition these employees as he felt necessary in order to further the agenda of the administration. Stott v. Haworth, 916 F.2d 134 (4th Cir. 1990).

Discharge of Exempt Employees by Successor Governor. — Although the North Carolina State Personnel Act provides that no permanent employee subject thereto shall be discharged, suspended or reduced in pay or position except for just cause, the act exempts certain employees by its terms and allows the Governor to designate as exempt from the provisions of the act certain other policy-making or decision-making employees. Where plaintiffs having a position designated as policy-making or confidential by the previous Governor brought suit alleging that each was discharged from an exempt government position for the sole reason of political affiliation, there was a presumption that successor Governor's actions were proper if done for political patronage reasons that require, as a qualification for the performance of a job, a political affiliation. Stott v. Haworth, 916 F.2d 134 (4th Cir. 1990).

This section controls which employees are subject to Chapter 126. Conran v. New Bern Police Dep't, 122 N.C. App. 116, 468 S.E.2d 258 (1996).

Under G.S. 126-5(c)(1) and (c1)(8), the provisions of Chapter 126, the State Personnel Act, did not apply to state employees who were not career state employees, as defined in Chapter 126, or who were instructional and research staff, physicians, and dentists of the University of North Carolina, except for Chapter 126, Articles 6 and 7. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

G.S. 126-5 stated in particular terms which state employees were covered by Chapter 126, prohibiting employment discrimination, and G.S. 126-16 addressed the same subject matter in general terms, but G.S. 126-16 did not affirmatively grant a remedy to an employee who was not otherwise covered by Chapter 126; in short, G.S. 126-5 controlled which employees were subject to Chapter 126. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

When a state employee sought review of the termination of her employment, G.S. 126-5 foreclosed her reliance on any of the provisions of the State Personnel Act, Chapter 126, because she was exempt from the Act, was not a career state employee, and her position was classified as "instructional and research staff of the University of North Carolina." Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

Scope of Chapter 126's authority was set out in G.S. 126-5, which stated, in subdivision (a)(1), that the provisions of Chapter 126 applied to all state employees not therein exempt. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

Director of Highway Beautification Program Policymaking Exempt Position. — Evidence that the Director of the Highway Beautification Program had authority to impose the final decision as to a settled course of action to be followed within the Department of Transportation was sufficient to designate the position as policymaking exempt under this section. Powell v. North Carolina DOT, 347 N.C. 614, 499 S.E.2d 180 (1998).

Chief of Internal Audit Section of Department of Transportation Not Policymaking Exempt Position. — Even though the Chief of the Internal Audit Section of the Department of Transportation had final decision-making authority within that section, he had no authority to impose a final decision as a settled course of action within the Department or any division thereof and thus the position could not properly be designated as policymaking exempt under this section. North Carolina DOT v. Hodge, 347 N.C. 602, 499 S.E.2d 187 (1998).

Assistant Commissioner of Motor Vehicles Policymaking Exempt Position. — The decision and order of the State Personnel Commission, determining that the position of Assistant Commissioner of Motor Vehicles was "exempt policymaking," was not supported by substantial evidence in the record. Jordan v.

DOT, 140 N.C. App. 771, 538 S.E.2d 623, 2000 N.C. App. LEXIS 1272 (2000), cert denied, 353 N.C. 376, 547 S.E.2d 412 (2001).

Not All Local Government Employees Covered. — This Chapter does not establish a public policy that all local government employees have the protection of a grievance procedure. With certain exceptions, this Chapter applies to county employees only as the "boards of county commissioners may from time to time determine." Walter v. Vance County, 90 N.C. App. 636, 369 S.E.2d 631 (1988).

The legislature did not intend for local city or county employees to be included in the class of persons protected by Chapter 126. Conran v. New Bern Police Dep't, 122 N.C. App. 116, 468 S.E.2d 258 (1996).

The 1977 amendment clearly evinced an intent to change an employee's rights from mere entitlement to assistance in relocation to entitlement to an offer of a job for which he is qualified once such an opening becomes available. North Carolina Dep't of Cor. v. Hill, 313 N.C. 481, 329 S.E.2d 377 (1985).

Department of Correction Employee Held Not Barred from Appeal Procedures of Chapter 150B. — A permanent employee in a non-policymaking, non-academic position in the Department of Correction was not barred from the appeal procedures of the Administrative Procedure Act, Chapter 150B, by that Act's general exclusion of his department from its provisions. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Meaning of "Department Head," in Subsection (e). — The legislative intent, as to the meaning of the term "department head" in subsection (e), is the official who has executive and managerial authority over the department in which an exempt policymaking position is designated, including cabinet department heads, and while the term clearly refers to elected department heads, it does not refer to the Governor. Carrington v. Brown, 136 N.C. App. 554, 525 S.E.2d 230, 2000 N.C. App. LEXIS 104 (2000).

Authority As "Department Head" Under Subsection (e). — Because the chairman of the Employment Security Commission (ESC) had the authority to staff and make personnel decisions in the ESC, she had the authority as a "department head", pursuant to subsection (e) of this section, to dismiss plaintiff from his exempt policymaking position within the ESC. Carrington v. Brown, 136 N.C. App. 554, 525 S.E.2d 230, 2000 N.C. App. LEXIS 104 (2000).

The term "priority" in the language of subsection (e), providing that "such employee shall have priority to any position that becomes available for which the employee is qualified", gives an affected employee the right to an automatic offer of a position which becomes available. North Carolina Dep't of Cor. v. Hill, 313 N.C. 481, 329 S.E.2d 377 (1985).

In subsection (e), the phrase "such employee shall have priority to any position that becomes available for which the employee is qualified" means that if the employee is qualified for a job in state government which is available, he must be offered this job before it can be filled by anyone else, by promotion or otherwise. North Carolina Dep't of Cor. v. Hill, 313 N.C. 481, 329 S.E.2d 377 (1985).

Property Interest in Employment. — An employee who is subject to the State Personnel Act and who holds a "trainee" appointment as defined by the North Carolina Administrative Code does not have a property interest in her continued employment which is protected by the due process clause of the Fourteenth Amendment. Yow v. Alexander County Dep't of Social Servs., 70 N.C. App. 174, 319 S.E.2d 626, cert. denied, 312 N.C. 625, 323 S.E.2d 927 (1984).

Review of Recommended Decision. — No statutory authority exists for the State Personnel Commission to review an administrative law judge's recommended decision in a case involving an exempt employee. Johnson v. Natural Resources & Community Dev., 98 N.C. App. 334, 391 S.W.2d 48 (1990).

Application to District Attorneys. — The protections of the Whistleblower Act apply to all state employees and authorize an action by a wrongfully discharged employee against employers who are constitutional officers, including district attorneys. Caudill v. Dellinger, 129 N.C. App. 649, 501 S.E.2d 99 (1998), cert. denied, 349 N.C. 353, 517 S.E.2d 888 (1998), aff'd, 350 N.C. 89, 511 S.E.2d 304 (1999).

Application to UNC Instructional Staff. — The Agricultural Extension Agent who was discharged could not establish a property right in his job under this act because he was part of the instructional staff of the UNC system and therefore exempt from its protections. McCallum v. North Carolina Coop. Extension Serv., 142 N.C. App. 48, 542 S.E.2d 227, 2001 N.C. App. LEXIS 51 (2001), cert. denied, 353 N.C. 452, 548 S.E.2d 527 (2001).

Assistant director of the North Carolina State University's Office of Disability Services for Students could not seek review of the termination of her employment through the Office of Administrative Hearings because, under G.S. 126-5(c1)(8), instructional and research staff of the University of North Carolina were specifically exempted from all provisions of the State Personnel Act, G.S. 126-1 et seq., except Chapter 126, Articles 6 and 7. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

Application of Veterans Preference. — Pursuant to G.S. 126-83, employees of the System designated in subdivision (a)(2) of this section are expressly excluded from the Preference afforded by G.S. 126-80 but, if qualified under G.S. 128-15, are entitled to the veterans preference thereunder applicable to all employees of State departments, agencies and institutions. Wright v. Blue Ridge Area Auth., 134 N.C. App. 668, 518 S.E.2d 772, 1999 N.C. App. LEXIS 899 (1999), cert. denied, 351 N.C. 122, 541 S.E.2d 472 (1999).

OPINIONS OF ATTORNEY GENERAL

Employment and termination of local health director are subject to the provisions of Chapter 126, the State Personnel Act, and termination or discharge of a health director must comply with all statutory provisions and regulations duly adopted by the State Personnel Commission pursuant to Chapter 126. See opinion of Attorney General to Mr. Michael S. Kennedy, Esquire, Attorney for Cleveland County Board of Health, and Mr. Robert W. Yelton, Esquire, Attorney for Cleveland County, 55 N.C.A.G. 113 (1986).

The Departments of Human Resources [now Department of Health and Human Services] and Department of Correction determine initially whether a particular position is a teaching or related education position within the meaning of subsection (c3). If an employee disputes that decision, he has a right to appeal to the State Personnel Commission and to have the commission resolve the dispute. See opinion of Attorney General to Mr. Phillip J. Kirk, Jr., Secretary, Department of Human Resources, 57 N.C.A.G. 13 (1987).

Salaries of Exempt Personnel. — The Secretary of the Department of Human Resources and the Secretary of the Department of Correction have authority to set the salary schedules for persons employed by their departments in teaching and related educational positions exempt from the State Personnel Act by subsection (c3) of this section. See opinion of Attorney General to Mr. Phillip J. Kirk, Jr., Secretary, Department of Human Resources, 57 N.C.A.G. 13 (1987).

The salary schedules established by the Department of Human Resources and the Department of Correction for educational personnel exempt from the State Personnel Act must correspond to the salary schedules established by the State Board of Education for public school employees except in cases where the duties of employees do not correspond to the duties of public school employee positions. In such cases the salary schedule should conform as closely as possible to the public school salary schedules. See opinion of Attorney General to Mr. Phillip J. Kirk, Jr., Secretary, Department of Human Resources, 57 N.C.A.G. 13 (1987).

Specific Statutory Language Required to Exempt Agency. — Once an individual is entitled to priority employment rights within the State Personnel System, only specific statutory language will be sufficient to eliminate any agency from making a vacancy available to the individual. See opinion of Attorney General to Mr. Brent Lane, Executive Director, N.C. Technological Development Authority, 59 N.C.A.G. 31 (1989).

Entitlement to Reemployment. — When it has been determined either judicially or by the State Personnel Commission that a person is entitled to reemployment rights and a position becomes open within State government for which that person is qualified, the person must be offered that position. See opinion of Attorney General to Mr. Brent Lane, Executive Director, N.C. Technological Development Authority, 59 N.C.A.G. 31 (1989).

Agency Not Exempted from Accepting Individuals Entitled to Priority Reemployment. — The power of the North Carolina Technological Development Authority under G.S. 143B-471.3A(2) to "employ ... staff as it deems necessary" does not exempt the agency from having to accept state employees entitled to priority reemployment rights under the State Personnel System. See opinion of Attorney General to Mr. Brent Lane, Executive Director, N.C. Technological Development Authority, 59 N.C.A.G. 31 (1989).

Acquisition of Nonprofit Corporation by University of North Carolina Health Care System. — Employees of a nonprofit corporation would not become state employees after the acquisition of the corporation by the Uni-

versity of North Carolina Health Care System. See opinion of Attorney General to Representative Daniel T. Blue, Jr., 2000 N.C. AG LEXIS 23 (3/8/2000).

Employees of a nonprofit corporation would not become state employees after the acquisition of the corporation by the University of North Carolina Health Care System. See opinion of Attorney General to Ms. Susan H. Ehringhaus, Senior University Counsel, 2000 N.C. AG LEXIS 32 (2/17/2000).

§ 126-6: Repealed by Session Laws 1991, c. 65, s. 3.

§ 126-6.1: Repealed by Session Laws 1993, c. 397, s. 1.

§ 126-6.2. Reports.

(a) Beginning January 1, 1998, and quarterly thereafter, the head of each State agency, department, or institution employing State employees subject to the State Personnel Act shall report to the Office of State Personnel on the following:

(1) The costs associated with the defense or settlement of administrative grievances and lawsuits filed by current or former State employees and applicants for State employment, including the costs of settlements, attorneys' fees, litigation expenses, damages, or awards incurred by the respective State agencies, departments, and institutions. The report shall include an explanation of the fiscal impact of these costs upon the operations of the State agency, department, or institution.

(2) The modification of position descriptions resulting in changes in position qualifications to allow the use of educational, experience, or other equivalencies in the hiring or promotion of State employees where such equivalencies were not previously used in the position descriptions. The report shall include an explanation of the reasons for the changes in the position descriptions and the bases for the use of the equivalencies.

(b) Beginning May 1, 1998, and annually thereafter, the State Personnel Commission shall report to the Joint Legislative Commission on Governmental Operations on the costs associated with the defense or settlement of lawsuits and on the use of position qualification equivalencies, as compiled in accordance with subsection (a) of this section.

(c) Beginning May 1, 1998, and then annually thereafter, the State Personnel Commission, through the Office of State Personnel, shall report to the Joint Legislative Commission on Governmental Operations on outcomes with respect to State employee hirings, promotions, disciplinary actions, and compensation, based upon demographics. (1997-520, s. 8(a)-(c).)

Editor's Note. — Session Laws 1997-520, ss. 8(a)-(c), were codified as this section at the direction of the Revisor of Statutes.

Article 2.

Salaries, Promotions, and Leave of State Employees.

§ 126-7. Compensation of State employees.

(a) It is the policy of the State to compensate its employees at a level sufficient to encourage excellence of performance and to maintain the labor market competitiveness necessary to recruit and retain a competent work

force. To this end, salary increases to State employees shall be implemented through the Comprehensive Compensation System based upon the individual performance of each State employee. The Comprehensive Compensation System shall combine salary increases and awards into an interrelated system of compensation that furthers the recruitment, retention, career service, and outstanding performance of State employees.

(a1) Repealed by Session Laws 1993, c. 388, s. 1.

(a2) For the purpose of this section, unless the context indicates otherwise:

(1) "Career growth recognition award" means an annual salary increase awarded to a State employee whose final annual performance appraisal indicates job performance that meets or exceeds management's expectations and performance requirements;

(2) "Cost-of-living adjustment" means a general salary increase given to State employees in response to inflation and labor market factors;

(3) "Performance bonus" means a salary increase that is awarded in a lump sum to a State employee whose final annual performance appraisal indicates job performance that exceeds management's expectations and performance requirements.

(b) To guide the Governor and the General Assembly in making appropriations to fund the Comprehensive Compensation System, the State Personnel Commission shall conduct annual compensation surveys. The Commission shall present the results of the compensation survey to the Appropriations Committees of the House and Senate no later than two weeks after the convening of the legislature in odd years and May 1st of even years.

(b1) The Comprehensive Compensation System shall consist of the following components: (i) the career growth recognition award, (ii) the cost-of-living adjustment, and (iii) the performance bonus. The career growth recognition award shall be the primary method by which an employee progresses through his or her salary range and shall be awarded annually to employees who qualify for the award. An employee may receive, within a 12-month period, the career growth recognition award, the cost-of-living adjustment, and the performance bonus, if the employee's job performance equals or exceeds the level of performance set forth in subdivisions (4), (4a), and (4b) of subsection (c) of this section. No employee shall be eligible to receive during a 12-month period a performance bonus greater than the maximum amount or less than the minimum amount established by the Commission. Nothing in this section shall affect the system of longevity payments established by the Commission.

(c) Career growth recognition awards, cost-of-living adjustments, and performance bonuses shall be based on annual performance appraisals of all employees conducted by each department, agency, and institution. The State Personnel Commission, under the authority of G.S. 126-4(8), shall adopt policy and regulations for performance appraisal. The policy and regulations shall include the following:

(1) The performance appraisal system of each department, agency, or institution shall be designed and administered to ensure that career growth recognition awards, cost-of-living adjustments, and performance bonuses are distributed fairly.

(2) To be eligible to distribute career growth recognition awards, cost-of-living adjustments, and performance bonuses, a department, agency, or institution shall have an operative performance appraisal system which has been approved by the Commission. The performance appraisal system adopted shall use a rating scale of five levels, with level four or better qualifying for performance bonuses, level three or better qualifying for career growth recognition awards, and level two or better qualifying for cost-of-living adjustments. The performance appraisal system adopted shall adhere to modern personnel manage-

ment techniques and practices in common use in the public and private sectors.

(3) The State Personnel Director shall help departments, agencies, and institutions to establish and administer their performance appraisal systems and shall provide initial and ongoing training in performance appraisal and performance system administration.

(4) An employee whose performance is rated at or above level four of the rating scale shall be eligible to receive, subject to the rules and regulations of the Commission, a performance bonus unless the employee's supervisor justifies in writing to the employee the decision not to award the performance bonus. Other than the Commission, no department, agency, or institution shall set limits so as to preclude an employee whose performance exceeds management's expectations and performance requirements from consideration for a performance bonus.

(4a) An employee whose performance is rated at or above level three of the rating scale shall receive a career growth recognition award unless the employee's supervisor justifies in writing to the employee the decision not to give the career growth recognition award. The career growth recognition award shall represent a two percent (2%) increase within the employee's assigned pay grade. In no event shall any award increase an employee's compensation above the maximum of the range. Other than the Commission, no agency, department, or institution shall set limits so as to preclude an employee whose performance meets or exceeds management's expectations and performance requirements from receiving a career growth recognition award.

(4b) An employee whose performance is rated at or above level two of the rating scale and who has not received a suspension without pay or demotion that has not been resolved shall receive a cost-of-living increase. Other than the Commission, no agency, department, or institution shall set limits or initiate written disciplinary procedures for the purpose of precluding an eligible employee from receiving a cost-of-living adjustment.

(5), (5a) Repealed by Session Laws 1993, c. 388, s. 1.

(6) The State Personnel Director may rescind any career growth recognition award or performance bonus that does not appear to meet the intent of the provisions of the performance appraisal system and require the originating department, agency, or institution to reconsider or justify the increase.

(7) An employee who disputes the fairness of his or her performance appraisal or the amount of a performance bonus awarded or who believes that he or she was unfairly denied a career growth recognition award or performance bonus shall first discuss the problem with his or her supervisor. Appeals of the supervisor's decision shall be made only to the grievance committee or internal performance review board of the department, agency, or institution which shall make a recommendation to the head of the department, agency, or institution for final decision, or when consented to by both the agency and the employee, the supervisor's decision may be appealed by following the alternative dispute resolution process adopted by the State Personnel Commission. The State Personnel Director shall help a department, agency, or institution establish an internal performance review board or, if it includes employee members, to use its existing grievance committee to hear performance pay disputes. Notwithstanding G.S. 150B-2(2) and G.S. 126-22, 126-25, and 126-34, performance pay disputes, including disputes about individual performance appraisals, shall not be considered contested case issues.

(7a) Each department, agency, and institution shall establish a performance management and pay advisory committee as part of the performance appraisal system. The purpose of the committee is to ensure that salary increases and awards are made in an equitable manner. The committee shall be responsible for reviewing:

a. Agency salary increase and award policies to determine whether this section and any guidelines promulgated by the State Personnel Commission have been adhered to;

b. Agency training and education programs to determine whether all employees receive appropriate information; and

c. Performance appraisal ratings within the department, agency, or institution to determine whether an equitable distribution has been made.

The committee must have a minimum of five members. The head of each department, agency, and institution shall appoint the members of the committee with equal representation of nonsupervisory, supervisory, and management employees. The committee shall elect its own chair.

The performance management and pay advisory committee shall meet at least two times each year. The committee shall submit a written report following each meeting to the head of the department, agency, or institution. The report shall include recommendations for changes and corrections in the administration of the performance management system. The recommendations of the committee shall be advisory only. The head of the department, agency, or institution shall respond to the committee within three months. Copies of the report shall be included in the report to the Office of State Personnel that is required of that agency, department, or institution. Summaries of the report shall be included in the annual reports that are mandated by this subsection.

(8) The State Personnel Director shall monitor the performance appraisal system and the distribution of salary increases and awards within each department, agency, and institution. Each department, agency, and institution shall submit to the Director annual reports which shall include data on the demographics of performance ratings, the frequency of evaluations, the distribution of salary increases and awards, and the implementation schedule for salary increases and awards. The Director shall analyze the data to ensure that salary increases and awards are distributed fairly within each department, agency, and institution and across all departments, agencies, and institutions of State government and shall report back to each department, agency, and institution on its appraisal and distribution performance.

(9) The State Personnel Director shall report annually on the Comprehensive Compensation System to the Commission. The report shall evaluate the performance of each department, agency, and institution in the administration of its appraisal system and the distribution of salary increases and awards within each department, agency, and institution and across State government. The report shall include recommendations for improving the performance appraisal system and alleviating inequities. Copies of the report, as adopted by the State Personnel Commission, shall be sent to the Governor, Lieutenant Governor, President Pro Tempore of the Senate, Speaker of the House of Representatives, the standing personnel committees of the House of Representatives and the Senate, and the State Auditor. The State Personnel Director shall recommend to the General Assembly

for its approval sanctions to be levied against departments, agencies, and institutions that have deficient performance appraisal systems or that do not link salary increases and awards to employee job performance. These sanctions may include withholding salary increases and awards from the managers and supervisors of individual employing units of departments, agencies, and institutions in which discrepancies exist.

(10) Repealed by Session Laws 1993, c. 388, s. 1.

(d) Repealed by Session Laws 1993, c. 388, s. 1.

(e) The Governor and the General Assembly, subject to availability of funds, shall advance the State's Comprehensive Compensation System by recommending and making annual appropriations to the Comprehensive Compensation System in the following manner:

(1) The career growth recognition award component shall be funded each year at the level required for full implementation as provided by this section.

(2) To the extent that expansion funds are available, the Comprehensive Compensation System shall receive an additional appropriation to fund cost-of-living adjustments. Any remaining available funds shall next be allocated to provide for performance bonuses. The level of the performance bonus allocation shall not exceed two percent (2%) of the total employee payroll. (1965, c. 640, s. 2; 1975, c. 667, s. 2; 1977, c. 802, s. 40.5; c. 866, s. 6; 1977, 2nd Sess., c. 1213; 1989, c. 796; 1989 (Reg. OPINIONS OF ATTORNEY GENERAL

The intent behind the 1998 amendments was that affected employees would receive the 1998 COLA of 1%, based on their June 30, 1998, salary, that the COLA would become effective July 1, 1998, and that employees would receive retroactive pay to that date. See opinion of Attorney General to Mr. Ronald G. Penny State Personnel Director Office of State Personnel, 1998 N.C.A.G. 52 (12/3/98).

State employee subject to State Personnel Act may be denied performance pay increase solely on grounds that he is already at maximum rate of salary range for his pay grade. See opinion of Attorney General to Mr. Joseph E. Johnson, Senator, 14th Senatorial District, 60 N.C.A.G. 19 (1990).

§ 126-7.1. Posting requirement; State employees receive priority consideration; reduction-in-force rights; Work First hiring.

(a) All vacancies for which any State agency, department, or institution openly recruit shall be posted within at least the following:

(1) The personnel office of the agency, department, or institution having the vacancy; and

(2) The particular work unit of the agency, department, or institution having the vacancy

in a location readily accessible to employees. If the decision is made, initially or at any time while the vacancy remains open, to receive applicants from outside the recruiting agency, department, or institution, the vacancy shall be listed with the Office of State Personnel for the purpose of informing current

State employees of such vacancy. The State agency, department, or institution may not receive approval from the Office of State Personnel to fill a job vacancy if the agency, department, or institution cannot prove to the satisfaction of the Office of State Personnel that it complied with these posting requirements. The agency, department, or institution which hires any person in violation of these posting requirements shall pay such person when employment is discontinued as a result of such violation for the work performed during the period of time between his initial employment and separation.

(a1) State employees to be affected by a reduction in force shall be notified of the reduction in force as soon as practicable, and in any event, no less than 30 days prior to the effective date of the reduction in force.

(a2) The State Personnel Commission shall adopt rules to provide that priority consideration for State employees separated from State employment as the result of reductions in force is to enable a State employee's return to career service at a salary grade and salary rate equal to that held in the most recent position. The State Personnel Commission shall provide that a State employee who:

(1) Accepts a position at the same salary grade shall be paid at the same salary rate as the employee's previous position.

(2) Accepts a position at a lower salary grade than the employee's previous position shall be paid at the same rate as the previous position unless the salary rate exceeds the maximum of the new salary grade. When the salary rate exceeds the maximum of the salary grade, the employee's new salary rate shall be reduced to the maximum of the new salary grade.

(b) Subsection (a) of this section does not apply to vacancies which must be filled immediately to prevent work stoppage or the protection of the public health, safety, or security.

(c) If a State employee subject to this section:

(1) Applies for another position of State employment that would constitute a promotion and;

(2) Has substantially equal qualifications as an applicant who is not a State employee

then the State employee shall receive priority consideration over the applicant who is not a State employee. This priority consideration shall not apply when the only applicants considered for the vacancy are current State employees.

(c1) If a State employee who has been separated due to reduction in force or who has been given notice of imminent separation due to reduction in force:

(1) Applies for another position of State employment equal to or lower in salary grade than the position held by the employee at the time of notification or separation; and

(2) Is determined qualified for that position

then within all State agencies, the State employee shall receive priority consideration over all other applicants but shall receive equal consideration with other applicants who are current State employees not affected by the reduction in force. This priority shall remain in effect for a period of 12 months from the date the employee receives notification of separation by reduction in force. State employees separated due to reduction in force shall receive higher priority than other applicants with employment or reemployment priorities, except that the reemployment priority created by G.S. 126-5(e)(1) shall be considered as equal. The reduction-in-force priority created by this subsection shall be administered in accordance with rules promulgated by the State Personnel Commission.

(c2) If the applicants for reemployment for a position include current State employees, a State employee with more than 10 years of service shall receive priority consideration over a State employee having less than 10 years of

service in the same or related position classification. This reemployment priority shall be given by all State departments, agencies, and institutions with regard to positions subject to this Chapter.

(d) "Qualifications" within the meaning of subsection (c) of this section shall consist of:

(1) Training or education;

(2) Years of experience; and

(3) Other skills, knowledge, and abilities that bear a reasonable functional relationship to the abilities and skills required in the job vacancy applied for.

(e) Each State agency, department, and institution is encouraged to hire into State government employment qualified applicants who are current or former Work First Program participants. (1987, c. 689, s. 2; 1991, c. 65, s. 4; c. 474, s. 1; 1995, c. 141, s. 9; c. 507, s. 7.20(a); 1997-443, s. 12.7(d).)

CASE NOTES

Priority Consideration. — Where nurse was a state employee who applied for a supervisory nursing position of state employment, and there was substantial evidence to support the finding that petitioner's qualifications were "substantially equal" to the non-state employee applicant, the State Personnel Commission did not err in applying the state employee priority consideration provision. OPINIONS OF ATTORNEY GENERAL

State's Use of Personnel Agency to Fill Positions. — This section does not prohibit the State or one of its agencies from utilizing the services of a personnel agency or search firm to find candidates for a difficult-to-recruit position after other efforts to fill the position have failed; however, the statutorily mandated promotional priority for state employees under this section restricts and limits the ability of state agencies to act in this situation. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 58 N.C.A.G. 91 (1988).

A university may restrict the applicant pool for a vacant position to employees currently employed within the individual department in which the vacancy occurs, as long as it makes it clear that it is not receiving or considering any applications from outside the department and does not, in fact, receive or consider any outside applications. See opinion of Attorney General to Mr. Ronald Penny, State Personnel Director, Office of State Personnel, 1998 N.C.A.G. 21 (5/1/98).

§ 126-7.2. Time limit for appeals of applicants and noncareer State employees.

Any applicant or employee that has not attained career status, appealing any decision or action shall file a petition for contested case hearing with the Office of Administrative Hearings as provided in G.S. 150B-23(a) no later than 30 days after receipt of notice of the decision or action which triggers the right of appeal. (1995, c. 141, s. 10.)

§ 126-8. Minimum leave granted State employees.

The amount of vacation leave granted to each full-time State employee subject to the provisions of this Chapter shall be determined in accordance with a graduated scale established by the State Personnel Commission which shall allow the equivalent rate of not less than two weeks' vacation per calendar year, prorated monthly, cumulative to at least 30 days. On December 31 of each year, any State employee who has vacation leave in excess of the allowed accumulation shall have that leave converted to sick leave. Sick leave

allowed as needed to such State employees shall be at a rate not less than 10 days for each calendar year, cumulative from year to year. Notwithstanding any other provisions of this section, no full-time State employee subject to the provisions of Chapter 126, as the same appears in the Cumulative Supplement to Volume 3B of the General Statutes, on May 23, 1973, shall be allowed less than the equivalent of three weeks' vacation per calendar year, cumulative to at least 30 days. (1965, c. 640, s. 2; 1973, c. 697, ss. 1, 2; 1975, c. 667, s. 2; 1993, c. 321, s. 73(f); c. 561, s. 18(a).)

Editor's Note. — Session Laws 2002-126, s. 28.3B, provides: "A State employee is entitled to take up to 52 weeks of leave without pay during a five-year period in order to care for the employee's child, spouse, or parent, where that child, spouse, or parent has a serious health condition. For State employees subject to the State Personnel Act, this leave shall be administered under the Family and Medical Leave procedures of the State Personnel Commission. Benefits under this section for employees not subject to the State Personnel Act shall be administered under the Family and Medical Leave procedures applicable to those employees. Benefits under this section are supplemental to any benefit to which an employee may otherwise be entitled."

Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capital Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 31.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2002-2003 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2002-2003 fiscal year. For example, uncodified provisions of this act relating to the Medicaid program apply only to the 2002-2003 fiscal year."

Session Laws 2002-126, s. 31.6, is a severability clause.

§ 126-8.1. Paid leave for certain athletic competition.

(a) As used in this section, the term "United States team" includes any group leader, coach, official, trainer, or athlete who is a member of an official United States delegation in Pan American, Olympic or international athletic competition.

(b) Any State employee or public school employee paid by State funds who has been chosen to be a member of a United States team for Pan American, Olympic or international competition shall be granted paid leave, in addition to annual and sick leave that person is otherwise entitled to, for the sole purpose of training for and competing in that competition. The paid leave shall be for the period of the official training camp and competition or 30 days a year, whichever is less.

(c) The Department of Administration may adopt such rules and regulations as are reasonable and necessary to carry out the provisions of this section, with the approval of the Governor. Prior to taking any action under this section, the Governor may consult with the Advisory Budget Commission. (1979, c. 708; 1983, c. 717, s. 42; 1985, (Reg. Sess., 1986), c. 955, ss. 44, 45.)

§ 126-8.2. Replacement of law-enforcement officer on final sick leave.

When a sworn law-enforcement officer employed by the State is on sick leave, and the head of the department employing the officer has obtained a certification from a physician that the officer will not recover and return to duty, a replacement for the officer may be hired even though the resulting number of employees in the department exceeds the number for which an appropriation was made in the Current Operations Appropriations Act, if sufficient funds are available from appropriations to the department for salaries to pay the salary of both the new employee and the officer on sick leave

until the officer's accumulated leave is exhausted or his employment is terminated. (1983 (Reg. Sess., 1984), c. 1034, s. 105.)

§ 126-8.3. Voluntary shared leave.

The State Personnel Commission, in cooperation with the State Board of Community Colleges and the State Board of Education, shall adopt rules and policies to allow any employee at a State agency to share leave voluntarily with an immediate family member who is an employee of a State agency, community college, or public school; and with a coworker's immediate family member who is an employee of a State agency, community college, or public school. For the purposes of this section, the term "immediate family member" means a spouse, parent, child, brother, sister, grandparent, or grandchild. The term includes the step, half, and in-law relationships. The term "coworker" means that the employee donating the leave is employed by the same agency, department, institution, university, local school administrative unit, or community college as the employee whose immediate family member is receiving the leave. (1999-170, s. 1; 2003-9, s. 1; 2003-284, s. 30.14A(a).)

Editor's Note. — Session Laws 2003-9, s. 4, provides: "Prior to the adoption of any rules pursuant to this Act:

"(a) The president of any community college shall allow any employee of that community college to share leave voluntarily with an immediate family member, as defined in Section 3 of this Act, who is an employee of a community college, public school, or State agency; and

"(b) Community colleges, public schools, and State agencies shall permit eligible employees to receive leave pursuant to this Act."

Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-9, s. 1, effective April 10, 2003, inserted "State Board of Community Colleges" and "Community College" in the first sentence.

Session Laws 2003-284, s. 30.14A.(a), effective July 1, 2003, in the first sentence, inserted "and with a coworker's immediate family member who is an employee of a State agency, community college, or public school" following "community college, or public school," and added the last sentence.

§ 126-8.4. (See note on condition precedent) No sick leave taken for absences by State employees resulting from adverse reactions to vaccination.

(a) Absence from work by an employee shall not count against the employee's sick leave, and the employee's salary shall continue during the absence when the employee receives in employment vaccination against smallpox incident to the Administration of Smallpox Countermeasures by Health Professionals, section 304 of the Homeland Security Act, Pub. L. No. 107-296 (Nov. 25, 2002) (to be codified at 42 U.S.C. § 233(p)) and the absence is due to the employee having an adverse medical reaction resulting from the vaccination. The provisions of this subsection shall apply for a maximum of 480 employment hours. The employing department, agency, institution, or entity may require the employee to obtain certification from a health care provider justifying the need for leave after the first 24 hours of leave taken pursuant to this subsection.

(b) Absence from work by an employee shall not count against the employee's sick leave, and the employee's salary shall continue during the absence when the employee is permanently or temporarily living in the home of a person who receives in employment vaccination against smallpox incident to the Administration of Smallpox Countermeasures by Health Professionals,

The provisions of this subsection shall apply for a maximum of 480 employment hours. The employing department, agency, institution, or entity may require the employee to obtain certification from a health care provider justifying the need for leave after the first 24 hours of leave taken pursuant to this subsection.

(c) Notwithstanding any other provisions of this Chapter, this section applies to all State employees. (2003-169, s. 4.)

Condition Precedent to Recovery of Compensation and Benefits for Adverse Reactions to Vaccination. — Session Laws 2003-169, s. 7, provides: "In the event that federal regulatory or statutory provisions providing compensation and benefits to persons for infection with smallpox, infection with vaccinia, or any adverse medical reaction incident to the Administration of Smallpox Countermeasures by Health Professionals, section 304 of the Homeland Security Act, Pub. L. No. 107-296 (Nov. 25, 2002) (to be codified at 42 U.S.C. § 233(p)) are adopted, a condition precedent to recovery under this act shall be that the person claiming compensation and benefits under this act shall first seek compensation and benefits under the federal provisions, with those provisions constituting primary coverage and the person then being entitled to compensation and benefits under this act not exceeding a total recovery under the federal provisions and this act equal to the amount available under the applicable provisions of this act."

Editor's note. — Session Laws 2003-169, s. 9, made this section effective June 12, 2003, and applicable to claims arising from infection or adverse medical reactions related to smallpox vaccinations incident to the Administration of Smallpox Countermeasures by Health Professionals, section 304 of the Homeland Security Act, Pub. L. No. 107-296 (Nov. 25, 2002) (to be codified at 42 U.S.C. § 233(p)) whether the infection or adverse medical reactions occurred before, on, or after June 12, 2003.

Session Laws 2003-169, s. 8, is a severability clause.

Article 3.

Local Discretion as to Local Government Employees.

§ 126-9. County or municipal employees may be made subject to rules adopted by local governing body.

(a) When a board of county commissioners adopts rules and regulations governing annual leave, sick leave, hours of work, holidays, and the administration of the pay plan for county employees generally and the county rules and regulations are filed with the State Personnel Director, the county rules will supersede the rules adopted by the State Personnel Commission as to the county employees otherwise subject to the provisions of this Chapter.

(b) No county employees otherwise subject to the provisions of this Chapter may be paid a salary less than the minimum nor more than the maximum of the applicable salary range adopted in accordance with this Chapter without approval of the State Personnel Commission. (1965, c. 640, s. 2; 1975, c. 667, ss. 2, 12.)

§ 126-11. Local personnel system may be established; approval and monitoring; rules and regulations.

(a) The board of county commissioners of any county may establish and maintain a personnel system for all employees of the county subject to its jurisdiction, which system and any substantial changes to the system, shall be approved by the State Personnel Commission as substantially equivalent to the standards established under this Chapter for employees of local departments of social services, local health departments, and area mental health programs, local emergency management programs. (1965, c. 640, s. 2; 1975, c. 667, s. 2; 1983, c. 674, s. 1; 1991, c. 65, s. 5; c. 564, s. 1.)

§ 126-14.2. Political hirings limited.

(b) All State departments, agencies, and institutions shall select from the pool of the most qualified persons for State government employment without regard to political affiliation or political influence. For the purposes of this section, the "most qualified persons" shall mean each of the State employees or applicants for initial State employment who:

(1) Have timely applied for a position in State government;
(2) Have the essential qualifications for that position; and

(c) It is a violation of this section giving rise to the remedies set forth in G.S. 126-14.4 if:

(1) The complaining State employee or applicant for initial State employment timely applied for the State government position in question;
(2) The complaining State employee or applicant for initial State employment was not hired into the position;
(3) The complaining State employee or applicant for initial State employment was among the most qualified persons applying for the position as defined in this Chapter;
(4) The successful applicant for the position was not among the most qualified persons applying for the position; and

(2) Assure the proper and thorough advertisement of job openings in State government employment and lengthen, as appropriate, the period for submitting applications for State government employment.
(3) Require that a closing date shall be posted for each job opening, unless an exception for critical classifications has been approved by the State Personnel Commission.
(4) Require that timely written notice shall be provided to each unsuccessful applicant for State employment who is in the pool of the most qualified applicants for a position, as defined by G.S. 126-14.2(b).

(5) Assure that State departments, agencies, and institutions follow similar selection processes when hiring State employees in accordance with this Chapter.
(6) Assure that State supervisory and management personnel, and personnel professionals, receive adequate training and continuing education to carry out the State's policy of hiring from among the most qualified persons.
(7) Establish a monitoring system to measure the effectiveness of State agency personnel procedures to promote fairness and reduce adverse impact on all demographic groups in the State government workforce.
(8) Otherwise implement the State's policy of nonpolitical hiring practices in accordance with this Chapter. (1997-520, s. 1.)

§ 126-14.4. Remedies.

(a) A State employee or applicant for initial State employment who has reason to believe that he or she was among the pool of the most qualified persons for a position in State government employment and was denied employment or promotion in violation of G.S. 126-14.2 because of political affiliation or political influence may complain directly through the Civil Rights Division of the Office of Administrative Hearings, which shall be responsible for making an initial determination of whether there is probable cause to believe that there has been a violation of G.S. 126-14.2.

The complaining State employee or applicant shall file a complaint with the Civil Rights Division of the Office of Administrative Hearings within 30 days after the complainant receives written notice that the position in question has been filled.

The Civil Rights Division of the Office of Administrative Hearings shall promptly make appropriate formal and informal inquiries in its investigatory, fact-finding role and may consider any matter, document, or statement deemed pertinent to the initial determination, including telephone conversations, in determining if there is probable cause to believe there has been a violation of G.S. 126-14.2. The Civil Rights Division may apply to an administrative law judge in the Office of Administrative Hearings for the issuance of oaths and subpoenas under G.S. 7A-756. The investigation and fact-finding phase of the complaint shall be completed by the Civil Rights Division within 30 days.

(b) The Civil Rights Division of the Office of Administrative Hearings shall notify the person alleged to have been hired in violation of G.S. 126-14.2 of the appeal, and the person may present any information to the Civil Rights Division that is pertinent to the initial determination of probable cause. The person alleged to have been hired in violation of G.S. 126-14.2 shall be notified of the results of the initial determination and shall have a right to intervene in any administrative proceedings pursuant to G.S. 150B-23(d).

(c) Upon an initial determination that there is probable cause to believe there has been a violation of G.S. 126-14.2, the complainant may file within 15 days a petition for a contested case pursuant to G.S. 126-34.1 and Article 3 of Chapter 150B of the General Statutes.

(d) An initial determination by the Civil Rights Division that there is not probable cause to believe there has been a violation of G.S. 126-14.2 shall be conclusive of any rights under that section but shall not be admissible or binding in any separate or subsequent civil action or proceeding.

(e) Within 90 days after the filing of a contested case petition, the administrative law judge shall issue a recommended decision to the State Personnel Commission which shall include findings of fact and conclusions of law and, if the administrative law judge has found a violation of G.S. 126-14.2, an appropriate recommended remedy.

(f) Within 60 days of receipt of the official record by the Office of Administrative Hearings, the State Personnel Commission shall make a final written decision as to whether there has been a violation of G.S. 126-14.2. In any case where a violation is found, the State Personnel Commission shall take suitable action to correct the violation, which may include:

(1) Directing the State agency, department, or institution to declare the position vacant, and to hire from among the most qualified State employees or applicants for initial State employment who had applied for the position, or

(2) Requiring that the vacancy be posted pursuant to this Chapter.

(g) A career State employee with:

(1) Less than 10 years of service who was placed in an exempt managerial position, as defined by G.S. 126-5(b)(2), shall be given priority consideration for a position at the same salary grade equal to that held in the most recent position prior to the promotion if he or she has to vacate because of violation of G.S. 126-14.2.

(2) 10 or more years of service who was placed in an exempt managerial position, as defined by G.S. 126-5(b)(2), shall be placed in a comparable position at the same grade and salary equal to that held in the most recent position prior to the promotion if he or she had to vacate because of violation of G.S. 126-14.2. (1997-520, s. 2.)

§ 126-15. Disciplinary action for violation of Article.

Failure to comply with this Article is grounds for disciplinary action which, in case of deliberate or repeated violation, may include dismissal or removal from office. (1967, c. 821, s. 1.)

§ 126-15.1. Probationary State employee defined.

As used in this Article, "probationary State employee" means a State employee who is exempt from the Personnel Act only because he has not been continuously employed by the State for the period required by G.S. 126-5(c). (1985, c. 469, s. 4; 1987, c. 282, s. 19.)

Article 6.

Equal Employment and Compensation Opportunity; Assisting in Obtaining State Employment.

§ 126-16. Equal opportunity for employment and compensation by State departments and agencies and local political subdivisions.

All State departments and agencies and all local political subdivisions of North Carolina shall give equal opportunity for employment and compensation, without regard to race, religion, color, creed, national origin, sex, age, or handicapping condition as defined in G.S. 168A-3 to all persons otherwise qualified, except where specific age, sex or physical requirements constitute bona fide occupational qualifications necessary to proper and efficient administration. This section with respect to equal opportunity as to age shall be limited to individuals who are at least 40 years of age. (1971, c. 823; 1975, c. 158; 1977, c. 866, s. 7; 1979, c. 862, s. 3; 1983 (Reg. Sess., 1984), c. 1116, s. 111; 1985, c. 571, s. 2; 1991, c. 65, s. 6.)

CASE NOTES

Construction with Federal Provision. — Where a complainant steadfastly maintains that he has brought only a Title VII (of the Civil Rights Act of 1964) claim and the state referral agency unequivocally addresses only that claim, proceedings under state law have not commenced for purposes of 42 U.S.C.A. § 2000e-5(c). Davis v. North Carolina Dep't of Cors., 48 F.3d 134 (4th Cir. 1995).

Applicability. — State employee seeking review of her termination was entitled to enforce the rights implicated by G.S. 126-16, providing for equal employment opportunity, but G.S. 126-16 did not address the procedural avenues available to particular categories of state employees, did not entitle the employee to choose a review scheme from which she was otherwise excluded, and did not affirmatively grant her a remedy. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

Applied in Hubbard v. State Constr. Office, 130 N.C. App. 254, 502 S.E.2d 652, 1998 N.C. App. LEXIS 930 (1998), cert. denied, 349 N.C. 230, 515 S.E.2d 704 (1998).

§ 126-16.1. Equal employment opportunity training.

Each State agency, each State Department, and The University of North Carolina shall:

(1) Enroll each newly appointed supervisor or manager within one year of appointment in the Equal Employment Opportunity Institute operated by the Division of Equal Opportunity Services of the Office of State Personnel. Current managers and supervisors are encouraged to enroll/participate in the Institute.

(2) Be responsible for providing supplies and resource materials for managers and supervisors who are enrolled from that department, agency or university. (1991, c. 416, s. 1.)

Editor's Note. — Session Laws 1991, c. 416, which enacted this section, in ss. 2 through 4 provided:

"Sec. 2. The Office of State Personnel, through its Division of Equal Opportunity Services, shall implement the provisions of this act.

"Sec. 3. Beginning January 1, 1992, the Office of State Personnel shall report semiannually to the Joint Legislative Commission on Governmental Operations concerning the implementation of this act.

"Sec. 4. This act shall not apply to the Judicial Branch or the Legislative Branch."

§ 126-17. Retaliation by State departments and agencies and local political subdivisions.

No State department, agency, or local political subdivision of North Carolina shall retaliate against an employee for protesting alleged violations of G.S. 126-16. (1977, c. 866, s. 8.)

§ 126-18. Compensation for assisting person in obtaining State employment barred; exception.

It shall be unlawful for any person, firm or corporation to collect, accept or receive any compensation, consideration or thing of value for obtaining on behalf of any other person, or aiding or assisting any other person in obtaining employment with the State of North Carolina; provided, however, any person,

firm, or corporation that is duly licensed and supervised by the North Carolina Department of Labor as a private employment service acting in the normal course of business, may collect such regular and customary fees for services rendered pursuant to a written contract when such fees are paid by someone other than the State of North Carolina; however, any person, firm, or corporation collecting fees for this service must have been licensed by the North Carolina Department of Labor for a period of not less than one year.

Any person, firm or corporation collecting fees for this service must make a monthly report to the Department of Labor listing the name of the person, firm or corporation collecting fees and the person for whom a job was found, the nature and purpose of the job obtained, and the fee collected by the person, firm or corporation collecting the fee. Violation of this section shall constitute a Class 1 misdemeanor. (1977, c. 397, s. 1; 1993, c. 539, s. 933; 1994, Ex. Sess., c. 24, s. 14(c).)

OPINIONS OF ATTORNEY GENERAL

Referral Incentive Award Program. — A "Referral Incentive Award" program would not violate this section because it did not allow the referring state employee to receive any sort of compensation from any other source related to the referral and the program did not have any provision in it that would require or allow the state to pay any kind of fee that might be charged by a licensed referral source to the jobhunter. See opinion of Attorney General to Mr. Ronald G. Penny, State Personnel Director, 2000 N.C. AG LEXIS 10 (6/30/2000).

State's Use of Personnel Agency to Fill Positions. — This section does not prohibit the State or one of its agencies from utilizing the services of a personnel agency or search firm to find candidates for a difficult-to-recruit position after other efforts to fill the position have failed; however, the statutorily mandated promotional priority for state employees under this section restricts and limits the ability of state agencies to act in this situation. See opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 58 N.C.A.G. 91 (1988).

§ 126-19. Equal employment opportunity plans; reports; maintenance of services by State Personnel Director.

(a) Each member of the Council of State under G.S. 143A-11, each of the principal departments enumerated in G.S. 143B-6, The University of North Carolina, the judicial branch, and the legislative branch, shall develop and submit an Equal Employment Opportunity plan which shall include goals and programs that provide positive measures to assure equitable and fair representation of North Carolina's citizens. The plans developed by the judicial branch and by the Legislative Services Office on behalf of the legislative branch shall be submitted to the General Assembly on or before June 1 of each year. All other such plans shall be submitted to the State Personnel Director for review and approval on or before March 1, of each year.

(b) The State Personnel Commission shall submit a report to the General Assembly concerning the status of Equal Employment Opportunity plans and programs for all State departments, agencies, [and] universities, which are required by this Chapter to report to the State Personnel Director, on or before June 1 of each year. If any plan has been disapproved, the report shall contain reasons for disapproval. The status report submitted to the General Assembly by the State Personnel Director and the plans submitted to the General Assembly by the judicial branch and the Legislative Services Office on behalf of the legislative branch shall contain the total number of persons employed in each job category, the race, sex, salary, and other demographics relative to persons hired and promoted during the reporting period, analysis of the data, and an indication as to which goals were achieved.

(c) The State Personnel Director shall at least maintain current services of Equal Employment Opportunity technical assistance, training, oversight, monitoring, evaluation, support programs, and reporting to assure that State government's work force at all occupational levels reflect North Carolina's population. To the extent reasonably possible, these services shall be provided by qualified personnel who have continuous experience in the field of Equal Employment Opportunity and affirmative action and who are sensitive to circumstances and experiences of individuals from diverse backgrounds and cultures, and recognize that efficient and effective government requires the talents, skills, and abilities of all available human resources. (1991 (Reg. Sess., 1992) c. 919, ss. 2-4.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 919, ss. 2-4, effective October 1, 1992, have been codified as this section at the direction of the Revisor of Statutes.

Article 7.

The Privacy of State Employee Personnel Records.

§ 126-22. Personnel files not subject to inspection under § 132-6.

Personnel files of State employees, former State employees, or applicants for State employment shall not be subject to inspection and examination as authorized by G.S. 132-6. For purposes of this Article, a personnel file consists of any information gathered by the department, division, bureau, commission, council, or other agency subject to Article 7 of this Chapter which employs an individual, previously employed an individual, or considered an individual's application for employment, or by the office of State Personnel, and which information relates to the individual's application, selection or nonselection, promotions, demotions, transfers, leave, salary, suspension, performance evaluation forms, disciplinary actions, and termination of employment wherever located and in whatever form. Personnel files of former State employees who have been separated from State employment for 10 or more years may be open to inspection and examination except for papers and documents relating to demotions and to disciplinary actions resulting in the dismissal of the employee. (1975, c. 257, s. 1; 1977, c. 866, s. 9.)

CASE NOTES

In order for personnel information to be protected by this section, it must meet two requirements: (1) it must have been gathered by an individual's employer (including the Office of State Personnel) or considered in an individual's application for employment; and (2) the information must relate to at least one of the enumerated activities by the employer with respect to the individual employee or applicant for employment. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Only personnel information about those employees gathered by the employing state agency is exempt from public inspection under this section. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Employee Information Not Gathered by

Employer. — Unless information regarding state employees gathered by the State Bureau of Investigation for a Commission formed to investigate improprieties in a university athletic program was first gathered by the employing state agency or the Office of State Personnel, it would not be exempt under this section and would be subject to disclosure under the Public Records Act. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Where Commission was not the employer of any state employees questioned or mentioned in the Commission's meeting minutes, the minutes did not meet the definition of "personnel file" information set forth in this section because the information was not "gathered" by the employer state agency. Because the minutes did not fall within the statutory definition of "personnel file," they were not protected by the statute. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Breach of Confidentiality Shown. — Disclosure to the media of former state employee's social security number, medical diagnoses, family member names and addresses, and personal financial data for purposes of defending the propriety of a grievance settlement with the employee, was not excepted under G.S. 126-24 from the non-disclosure provisions of G.S. 126-22. Toomer v. Garrett, 155 N.C. App. 462, 574 S.E.2d 76, 2002 N.C. App. LEXIS 1613 (2002), cert. denied, appeal dismissed, 357 N.C. 66, 579 S.E.2d 576 (2003).

Breach of Confidentiality Not Shown. — There was insufficient evidence to show that employee "breached confidentiality" or that he "failed to provide complete responses to questions" causing the "omission of important facts" at officer's disciplinary hearing where the record showed that his comments were directed towards the handling of the pre-disciplinary conference for not being conducted behind closed doors and for being conducted rudely and loudly. These comments were not breaches of confidentiality, but rather criticisms of the manner and method of conducting pre-disciplinary hearings. North Carolina Dep't of Cors. v. Myers, 120 N.C. App. 437, 462 S.E.2d 824 (1995).

OPINIONS OF ATTORNEY GENERAL

Statewide flexible benefits plan could properly provide, through its third-party administrator, for the direct deposit of payments to spending account participants and could legally allow for the release of a participant's bank account information to the third-party administrator without violating any confidentiality or privacy laws; the third-party administrator acted as the agent of the state and of flexible benefits plan in administering the spending accounts of participants of flexible benefits plan. See opinion of Attorney General to Mr. Ronald Penny, State Personnel Director, 1999 N.C. AG LEXIS 24 (11/30/99).

§ 126-23. Certain records to be kept by State agencies open to inspection.

Each department, agency, institution, commission and bureau of the State shall maintain a record of each of its employees, showing the following information with respect to each such employee: name, age, date of original employment or appointment to the State service, current position, title, current salary, date and amount of most recent increase or decrease in salary, date of most recent promotion, demotion, transfer, suspension, separation, or other change in position classification, and the office or station to which the employee is currently assigned. Subject only to rules and regulations for the safekeeping of the records, adopted by the State Personnel Commission, every person having custody of such records shall permit them to be inspected and examined and copies thereof made by any person during regular business hours. Any person who is denied access to any such record for the purpose of inspecting, examining or copying the same shall have a right to compel compliance with the provisions of this section by application to a court of competent jurisdiction for a writ of mandamus or other appropriate relief. (1975, c. 257, s. 1; c. 667, s. 2.)

CASE NOTES

Contracts Between Universities and Coaches. — Contracts under which institutions employ coaches and contracts between the institutions and certain vendors or suppliers which involve or concern those coaches or other documents related to those contracts are public records. See opinion of Attorney General to Charles J. Waldrup, Associate Vice President for Legal Affairs, University of North Carolina, 2003 N.C.A.G. 2 (2/6/03).

§ 126-24. Confidential information in personnel files; access to such information.

All other information contained in a personnel file is confidential and shall not be open for inspection and examination except to the following persons:

(1) The employee, applicant for employment, former employee, or his properly authorized agent, who may examine his own personnel file in its entirety except for (i) letters of reference solicited prior to employment, or (ii) information concerning a medical disability, mental or physical, that a prudent physician would not divulge to a patient. An employee's medical record may be disclosed to a licensed physician designated in writing by the employee;

(2) The supervisor of the employee;

(3) Members of the General Assembly who may inspect and examine personnel records under the authority of G.S. 120-19;

(4) A party by authority of a proper court order may inspect and examine a particular confidential portion of a State employee's personnel file; and

(5) An official of an agency of the federal government, State government or any political subdivision thereof. Such an official may inspect any personnel records when such inspection is deemed by the department head of the employee whose record is to be inspected or, in the case of an applicant for employment or a former employee, by the department head of the agency in which the record is maintained as necessary and essential to the pursuance of a proper function of said agency; provided, however, that such information shall not be divulged for purposes of assisting in a criminal prosecution, nor for purposes of assisting in a tax investigation.

Notwithstanding any other provision of this Chapter, any department head may, in his discretion, inform any person or corporation of any promotion, demotion, suspension, reinstatement, transfer, separation, dismissal, employment or nonemployment of any applicant, employee or former employee employed by or assigned to his department or whose personnel file is maintained in his department and the reasons therefor and may allow the personnel file of such person or any portion thereof to be inspected and examined by any person or corporation when such department head shall determine that the release of such information or the inspection and examination of such file or portion thereof is essential to maintaining the integrity of such department or to maintaining the level or quality of services provided by such department; provided that prior to releasing such information or making such file or portion thereof available as provided herein, such department head shall prepare a memorandum setting forth the circumstances which the department head deems to require such disclosure and the information to be disclosed. The memorandum shall be retained in the files of said department head and shall be a public record. (1975, c. 257, s. 1; 1977, c. 866, s. 10; 1977, 2nd Sess., c. 1207.)

CASE NOTES

Defending the Propriety of a Grievance Settlement Not a Valid Exception. — Disclosure to the media of former state employee's social security number, medical diagnoses, family member names and addresses, and personal financial data for purposes of defending the propriety of a grievance settlement with the employee, was not excepted under G.S. 126-24 from the non-disclosure provisions of G.S. 126-22. Toomer v. Garrett, 155 N.C. App. 462, 574 S.E.2d 76, 2002 N.C. App. LEXIS 1613 (2002), cert. denied, appeal dismissed, 357 N.C. 66, 579 S.E.2d 576 (2003).

OPINIONS OF ATTORNEY GENERAL

Pursuant to G.S. 147-64.13, the provisions of G.S. 147-64.7(a)(1) supersede the provisions of this section to the extent they conflict. Specifically, the Auditor's power to examine documents in the course of an authorized audit includes the power to examine confidential employee personnel files relevant to that audit without the consent of the employee or his employer. See opinion of Attorney General to The Honorable Ralph Campbell, Jr., State Auditor, 1999 N.C.A.G. 8 (3/5/99).

For a discussion of legal impediments which prohibit employers from disclosing personal information about their employees, see opinion of Attorney General to Bryan E. Beatty, Inspector General, North Carolina Department of Justice, 1998 N.C.A.G. 49 (12/1/98).

§ 126-25. Remedies of employee objecting to material in file.

An employee, former employee or applicant for employment who objects to material in his file may place in his file a statement relating to the material he considers to be inaccurate or misleading. An employee, former employee or applicant for employment who objects to material in his file because he considers it inaccurate or misleading may seek the removal of such material from his file in accordance with the grievance procedure of that department, including appeal to the State Personnel Commission. When a department, division, bureau, commission, or other agency agrees or is ordered by the State Personnel Commission or by the General Court of Justice of this State to remove inaccurate or misleading material from an employee's file, which information was placed in the file by the supervisor or other agent of management, it shall destroy the original and all copies of the material removed and may not retain any inaccurate or misleading information derived from the material removed. (1975, c. 257, s. 1; c. 667, s. 2; 1977, c. 866, s. 11; 1985, c. 638.)

CASE NOTES

Right to Appeal. — Petitioner had the right to appeal the respondent's action of not removing all the warnings from her file and the decision that no other warning could be put in place of one that was removed. Nailing v. UNC-CH, 117 N.C. App. 318, 451 S.E.2d 351 (1994), cert. denied, 339 N.C. 614, 454 S.E.2d 255 (1995).

Applied in Area Mental Health v. Speed, 69 N.C. App. 247, 317 S.E.2d 22 (1984).

§ 126-26. Rules and regulations.

The State Personnel Commission shall prescribe such rules and regulations as it deems necessary to implement the provisions of this Article. (1975, c. 257, s. 1; c. 667, s. 2.)

§ 126-27. Penalty for permitting access to confidential file by unauthorized person.

Any public official or employee who shall knowingly and willfully permit any person to have access to or custody or possession of any portion of a personnel file designated as confidential by this Article, unless such person is one specifically authorized by G.S. 126-24 to have access thereto for inspection and examination, shall be guilty of a Class 3 misdemeanor and upon conviction shall only be fined in the discretion of the court but not in excess of five hundred dollars ($500.00). (1975, c. 257, s. 1; 1993, c. 539, s. 934; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 126-28. Penalty for examining, copying, etc., confidential file without authority.

Any person, not specifically authorized by G.S. 126-24 to have access to a personnel file designated as confidential by this Article, who shall knowingly and willfully examine in its official filing place, remove or copy any portion of a confidential personnel file shall be guilty of a Class 3 misdemeanor and upon conviction shall only be fined in the discretion of the court but not in excess of five hundred dollars ($500.00). (1975, c. 257, s. 1; 1993, c. 539, s. 935; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 126-29. Access to material in file for agency hearing.

A party to a quasi-judicial hearing of a State agency subject to Article 7 of this Chapter, or a State agency subject to Article 7 of this Chapter which is conducting a quasi-judicial hearing, may have access to relevant material in personnel files and may introduce copies of such material or information based on such material as evidence in the hearing either upon consent of the employee, former employee, or applicant for employment or upon subpoena properly issued by the agency either upon request of a party or on its own motion. Nothing in this Article shall impose liability on any agent or officer of the State for compliance with this provision, notwithstanding any other provision of this Article. (1977, c. 866, s. 12; 1987, c. 320, s. 5.)

§ 126-30. Fraudulent disclosure and willful nondisclosure on application for State employment; penalties.

(a) Any employee who knowingly and willfully discloses false or misleading information, or conceals dishonorable military service; or conceals prior employment history or other requested information, either of which are significantly related to job responsibilities on an application for State employment may be subjected to disciplinary action up to and including immediate dismissal from employment. Dismissal shall be mandatory where the applicant discloses false or misleading information in order to meet position qualifications. Application forms for State employment shall include a statement informing applicants of the consequences of such fraudulent disclosure or lack of disclosure.

(b) The employing authority within each department, university, board, or commission, shall verify the status of credentials and the accuracy of statements contained in the application of each new employee within 90 days from the date of the employees employment. Failure to verify the application shall not bar action under subsection (a) above.

(c) The State Personnel Commission shall issue rules and procedures to implement this section for all departments, agencies and institutions which are not exempted from the State Personnel Act under G.S 126-5(c1). Each agency, department and institution which is exempted under G.S. 126-5(c1) shall issue regulations to implement this section pursuant to the rulemaking procedures applicable to it. (1987, c. 666, s. 1.)

Article 8.

Employee Appeals of Grievances and Disciplinary Action.

§ 126-34. Grievance appeal for career State employees.

Unless otherwise provided in this Chapter, any career State employee having a grievance arising out of or due to the employee's employment and who does not allege unlawful harassment or discrimination because of the employee's age, sex, race, color, national origin, religion, creed, handicapping condition as defined by G.S. 168A-3, or political affiliation shall first discuss the problem or grievance with the employee's supervisor and follow the grievance procedure established by the employee's department or agency. Any State employee having a grievance arising out of or due to the employee's employment who alleges unlawful harassment because of the employee's age, sex, race, color, national origin, religion, creed, or handicapping condition as defined by G.S. 168A-3 shall submit a written complaint to the employee's department or agency. The department or agency shall have 60 days within which to take appropriate remedial action. If the employee is not satisfied with the department or agency's response to the complaint, the employee shall have the right to appeal directly to the State Personnel Commission. (1975. c. 667, s. 10; 1987, c. 320, s. 6; 1991, c. 354, s. 4; 1998-135, s. 2.)

CASE NOTES

Construction. — There was no inconsistency between G.S. 126-34 and G.S. 126-5 because the legislature, having specifically excluded various classes of state employees from all of Chapter 126, except Articles 6 and 7, in G.S. 126-5, had no need to repeat the same list of excluded employees in other parts of Chapter 126. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

Authority to Hear Action Brought by DOC Employee. — Among all the provisions of this Article, only G.S. 126-37 confers upon the State Personnel Commission or upon the Office of Administrative Hearings the jurisdiction or power to deal with an action brought by a correction employee who was reallocated pursuant to a managerial reallocation. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

To Whom Article Applicable. — A permanent state employee who alleges he has been reduced in position without just cause is entitled to the review and appeal provisions outlined in this Article, whether the motive for his demotion was illegally discriminatory or retaliatory, or apparently or actually disciplinary. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Petitioners, who alleged that they were

arbitrarily selected for a pay freeze and prevented from transferring to reclassified positions, had to follow the grievance procedure of this section, since they did not allege one of the prohibited grounds of discrimination. Poret v. State Personnel Comm'n, 74 N.C. App. 536, 328 S.E.2d 880, cert. denied, 314 N.C. 117, 332 S.E.2d 491, 332 S.E.2d 492 (1985), overruled on other grounds, Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Failure to Follow Established Grievance Procedure. — Department of Human Resource's dismissal of employee's appeal on grounds it was filed one day after the deadline was neither arbitrary or capricious where employee was informed of the time limits for perfecting appeal, offered assistance for complying with appeal procedures since legal representation was not allowed at that time of the proceeding, and employee's apparent justification for filing late was difficulty in retaining an attorney. Lewis v. North Carolina Dep't of Human Resources, 92 N.C. App. 737, 375 S.E.2d 712 (1989).

The State Personnel Act provides for administrative-type grievance procedures for violations of its provisions. The statute further provides that judicial review of unfavorable decisions may be had in superior court. Where a statute provides for an orderly procedure for an appeal to the superior court for review, this procedure is the exclusive means for obtaining judicial review, and a civil action is only proper after all administrative remedies have been exhausted. Johnson v. North Carolina DOT, 107 N.C. App. 63, 418 S.E.2d 700 (1992).

§ 126-34.1. Grounds for contested case under the State Personnel Act defined.

(a) A State employee or former State employee may file in the Office of Administrative Hearings a contested case under Article 3 of Chapter 150B of the General Statutes only as to the following personnel actions or issues:

(1) Dismissal, demotion, or suspension without pay based upon an alleged violation of G.S. 126-35, if the employee is a career State employee.

(2) An alleged unlawful State employment practice constituting discrimination, as proscribed by G.S. 126-36, including:

a. Denial of promotion, transfer, or training, on account of the employee's age, sex, race, color, national origin, religion, creed, political affiliation, or handicapping condition as defined by Chapter 168A of the General Statutes.

b. Demotion, reduction in force, or termination of an employee in retaliation for the employee's opposition to alleged discrimination on account of the employee's age, sex, race, color, national origin, religion, creed, political affiliation, or handicapping condition as defined by Chapter 168A of the General Statutes.

(3) Retaliation against an employee, as proscribed by G.S 126-17, for protesting an alleged violation of G.S. 126-16.

(4) Denial of the veteran's preference granted in accordance with Article 13 of this Chapter in initial State employment or in connection with a reduction in force, for an eligible veteran as defined by G.S. 126-81.

(5) Denial of promotion for failure to post or failure to give priority consideration for promotion or reemployment, to a career State employee as required by G.S. 126-7.1 and G.S. 126-36.2.

(6) Denial of an employee's request for removal of allegedly inaccurate or misleading information from the employee's personnel file as provided by G.S. 126-25.

(7) Any retaliatory personnel action that violates G.S. 126-85.

(8) Denial of promotion in violation of G.S. 126-14.2, where an initial determination found probable cause to believe there has been a violation of G.S. 126-14.2.

(9) Denial of employment in violation of G.S. 126-14.2, where an initial determination found probable cause to believe that there has been a violation of G.S. 126-14.2.

(10) Harassment in the workplace based upon age, sex, race, color, national origin, religion, creed, or handicapping condition, whether the harassment is based upon the creation of a hostile work environment or upon a quid pro quo.

(11) Violation of any of the following federal statutes as applied to the employee:

a. The Fair Labor Standards Act, 29 U.S.C. § 201, et seq.

b. The Age Discrimination in Employment Act, 29 U.S.C. § 621, et seq.

c. The Family Medical Leave Act, 29 U.S.C. § 2601, et seq.

d. The Americans with Disabilities Act, 42 U.S.C. § 12101, et seq.

(b) An applicant for initial State employment may file in the Office of Administrative Hearings a contested case under Article 3 of Chapter 150B of the General Statutes based upon:

(1) Alleged denial of employment in violation of G.S. 126-16.

(2) Denial of the applicant's request for removal of allegedly inaccurate or misleading information from the personnel file as provided by G.S. 126-25.

(3) Denial of equal opportunity for employment and compensation on account of the employee's age, sex, race, color, national origin, religion, creed, political affiliation, or handicapping condition as defined by Chapter 168A of the General Statutes. This subsection with respect to equal opportunity as to age shall be limited to persons who are at least 40 years of age. An applicant may not, however, file a contested case where political affiliation was the reason for the person's nonselection for (i) an exempt policymaking position as defined in G.S. 126-5(b)(3), (ii) a chief deputy or chief administrative assistant position under G.S. 126-5(c)(4), or (iii) a confidential assistant or confidential secretary position under G.S. 126-5(c)(2).

(4) Denial of the veteran's preference in initial State employment provided by Article 13 of this Chapter, for an eligible veteran as defined by G.S. 126-81.

(5) Denial of employment in violation of G.S. 126-14.2, where an initial determination found probable cause to believe that there has been a violation of G.S. 126-14.2.

(c) In the case of a dispute as to whether a State employee's position is properly exempted from the State Personnel Act under G.S. 126-5, the employee may file in the Office of Administrative Hearings a contested case under Article 3 of Chapter 150B of the General Statutes.

(d) A State employee or applicant for State employment may file in the Office of Administrative Hearings a contested case under Article 3 of Chapter 150B of the General Statutes based upon a false accusation regarding, or disciplinary action relating to, the employee's alleged violation of G.S. 126-14 or G.S. 126-14.1.

(e) Any issue for which appeal to the State Personnel Commission through the filing of a contested case under Article 3 of Chapter 150B of the General Statutes has not been specifically authorized by this section shall not be grounds for a contested case under Chapter 126. (1995, c. 141, s. 7; 1997-520, s. 4; 1998-135, s. 3; 2001-467, s. 2.)

CASE NOTES

Legislative Intent. — By enacting this section, the General Assembly has indicated its intent to create grounds for appeal to the Commission through a contested case hearing only on issues for which appeal has been specifically authorized in this section. Dunn v. North Carolina Dep't of Human Resources, 124 N.C. App. 158, 476 S.E.2d 383 (1996).

When a state employee sought review of the termination of her employment, G.S. 126-34.1(a)(2)(b) did not give her a right to a hearing before the Office of Administrative Hearings, because her job as "instructional and research staff of the University of North Carolina" was expressly exempt from the ambit of Chapter 126, the State Personnel Act, and the fact that the statute referred to state employees without adding "except those already exempted," did not require a different result. Woodburn v. N.C. State Univ., 156 N.C. App. 549, 577 S.E.2d 154, 2003 N.C. App. LEXIS 305 (2003).

The superior court properly determined that it had subject matter jurisdiction where the plaintiff sought injunctive relief ordering his reinstatement to the "same or similar position," a matter on which this section does not specifically authorize appeal; the State Personnel Act does not place jurisdiction over this matter with the State Personnel Commission. Hodge v. North Carolina DOT, 137 N.C. App. 247, 528 S.E.2d 22, 2000 N.C. App. LEXIS 334 (2000).

Superior court properly determined that it lacked subject matter jurisdiction over former state employee's disabilities discrimination claim where there was no evidence presented that the employee had been continuously employed by the State of North Carolina for the immediate 24 preceding months and thus she was not a career State employee. Campbell v. N.C. DOT-DMV, 155 N.C. App. 652, 575 S.E.2d 54, 2003 N.C. App. LEXIS 24 (2003), cert. denied, 357 N.C. 62, 579 S.E.2d 386 (2003).

Demotion and transfer were not politically-motivated in violation of this section where the evidence in the record failed to support a causal connection between his political affiliation and the employer's actions; petitioner admitted that the demotion and transfer were not the product of any disciplinary actions but was the result of the letters he wrote requesting a transfer, and that his testimony regarding people who "played politics" was nothing more than speculation. Curtis v. North Carolina DOT, 140 N.C. App. 475, 537 S.E.2d 498, 2000 N.C. App. LEXIS 1215 (2000).

Constructive Discharge. — When an employee is "deemed to have voluntarily resigned" by the State agency for being unable or unwilling to work in conditions that may constitute discrimination, such resignation can constitute a constructive discharge entitling the employee to file a contested case alleging termination pursuant to G.S. § 126-34.1(a)(2)b. Campbell v. N.C. DOT-DMV, 155 N.C. App. 652, 575 S.E.2d 54, 2003 N.C. App. LEXIS 24 (2003), cert. denied, 357 N.C. 62, 579 S.E.2d 386 (2003).

Choice of Remedies. — State employee may choose to pursue a whistleblower claim pursuant to G.S. 126-85 in either the superior court or the Office of Administrative Hearings, but not both. Swain v. Elfland, 145 N.C. App. 383, 550 S.E.2d 530, 2001 N.C. App. LEXIS 663 (2001), cert. denied, 354 N.C. 228, 554 S.E.2d 832 (2001).

Applied in Jordan v. DOT, 140 N.C. App. 771, 538 S.E.2d 623, 2000 N.C. App. LEXIS 1272 (2000), cert denied, 353 N.C. 376, 547 S.E.2d 412 (2001).

§ 126-34.2. Alternative dispute resolution.

(a) Notwithstanding the provisions of Articles 6 and 7 of this Chapter, or the other provisions of this Article, with the consent of the parties, a matter for which a State employee, a former State employee, or an applicant for State employment has filed a contested case under Article 3 of Chapter 150B of the General Statutes may be handled in accordance with alternative dispute resolution procedures adopted by the State Personnel Commission.

(b) In its discretion, the State Personnel Commission may adopt alternative dispute resolution procedures for the resolution of matters not constituting grounds for a contested case under G.S. 126-34.1.

(c) Nothing in this section shall be construed to limit the right of any person to file in the Office of Administrative Hearings a contested case under Article 3 of Chapter 150B of the General Statutes. (1995, c. 141, s. 8.)

§ 126-35. Just cause; disciplinary actions for State employees.

(a) No career State employee subject to the State Personnel Act shall be discharged, suspended, or demoted for disciplinary reasons, except for just cause. In cases of such disciplinary action, the employee shall, before the action is taken, be furnished with a statement in writing setting forth in numerical order the specific acts or omissions that are the reasons for the disciplinary action and the employee's appeal rights. The employee shall be permitted 15 days from the date the statement is delivered to appeal to the head of the department. However, an employee may be suspended without warning for causes relating to personal conduct detrimental to State service, pending the giving of written reasons, in order to avoid undue disruption of work or to protect the safety of persons or property or for other serious reasons. The employee, if he is not satisfied with the final decision of the head of the department, or if he is unable, within a reasonable period of time, to obtain a final decision by the head of the department, may appeal to the State Personnel Commission. Such appeal shall be filed not later than 30 days after receipt of notice of the department head's decision. The State Personnel Commission may adopt, subject to the approval of the Governor, rules that define just cause.

(b) Notwithstanding any other provision of this Chapter, a reduction in pay or position which is not imposed for disciplinary reasons shall not be considered a disciplinary action within the meaning of this Article. Disciplinary actions, for the purpose of this Article, are those actions taken in accordance with the disciplinary procedures adopted by the State Personnel Commission and specifically based on unsatisfactory job performance, unacceptable personal conduct or a combination of the two.

(c) For the purposes of contested case hearings under Chapter 150B, an involuntary separation (such as a separation due to a reduction in force) shall be treated in the same fashion as if it were a disciplinary action.

(d) In contested cases conducted pursuant to Chapter 150B of the General Statutes, the burden of showing that a career State employee subject to the State Personnel Act was discharged, suspended, or demoted for just cause rests with the department or agency employer. (1975, c. 667, s. 10; 1989 (Reg. Sess., 1990), c. 1025, s. 2; 1991, c. 65, s. 7; c. 354, s. 5; c. 722, s. 1; 2000-190, s. 13.)

CASE NOTES

Constitutional Implications. — For case discussing the propriety under U.S. Const., Amends. I and XIV, of adverse personnel actions affecting State employees in exempt positions following the change from the Hunt administration to the Martin administration, see Stott v. Martin, 725 F. Supp. 1365 (E.D.N.C. 1989), rev'd on other grounds, 916 F.2d 134 (4th Cir. 1990).

The purpose of this section is to provide the employee with a written statement of the reasons for his discharge so that the employee may effectively appeal his discharge. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

This section was designed to prevent the employer from summarily discharging an employee and then searching for justifiable rea-

sons for the dismissal. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

This section creates a reasonable expectation of continued employment and a property interest within the meaning of the Due Process Clause of the United States Constitution. Faulkner v. North Carolina Dep't of Cors., 428 F. Supp. 100 (W.D.N.C. 1977).

Where a State employee asserts civil rights violations under 42 U.S.C. § 1983 for his wrongful dismissal, the superior court retains its traditional power to grant preliminary injunctive relief without requiring him to exhaust the administrative remedies provided in Chapter 126 of the General Statutes. Williams v. Greene, 36 N.C. App. 80, 243 S.E.2d 156, appeal dismissed, 295 N.C. 471, 246 S.E.2d 12 (1978).

A State employee who could be discharged only for cause had a property interest of continued employment created by state law and protected by the Due Process Clause of the United States Constitution. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

To Whom Article Applicable. — A permanent state employee who alleges he has been reduced in position without just cause is entitled to the review and appeal provisions outlined in this article, whether the motive for his demotion was illegally discriminatory or retaliatory, or apparently or actually disciplinary. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

The plaintiff, a discharged Agricultural Extension Agent, could not establish a property right in his job through the State Personnel Act because he was part of the instructional staff of the UNC system and therefore exempt from this act. McCallum v. North Carolina Coop. Extension Serv., 142 N.C. App. 48, 542 S.E.2d 227, 2001 N.C. App. LEXIS 51 (2001), cert. denied, 353 N.C. 452, 548 S.E.2d 527 (2001).

Invocation of Jurisdiction. — Because this section deems such departmental or agency action "disciplinary," an allegation that an employee has been "demoted in rank without sufficient cause" invokes first the jurisdiction of the State Personnel Commission, then, on appeal, that of the Office of Administrative Hearings, even when there has been no documented misconduct by the employee. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Focus of Review. — Although referred to as "disciplinary," the focus of review under this section is justification of the adverse departmental action, without regard to whether it is taken in response to employee conduct or in response to the vicissitudes of a department's personnel needs. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Authority to Hear Action Brought by DOC Employee. — Among all the provisions of this article, only G.S. 126-37 confers upon the State Personnel Commission or upon the Office of Administrative Hearings the jurisdiction or power to deal with an action brought by a correction employee who was reallocated pursuant to a managerial reallocation. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

This section establishes a condition precedent that must be fulfilled by the employer before disciplinary actions are taken: The employer must provide the employee with a written statement enumerating specific acts or reasons for the disciplinary action and containing a statement of the employee's appeal rights. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Property Interest in Employment. — A terminated career state employee was entitled to the "just cause" protection of this section and was therefore imbued with a constitutionally protected property interest in his employment as the Equal Employment Opportunity Officer of a state agency. Peace v. Employment Sec. Comm'n, 349 N.C. 315, 507 S.E.2d 272 (1998).

"Just Cause". — This section provides that no employee may be reduced in "pay or position, except for just cause"; this section does not define "just cause," but giving the words their ordinary meaning, it would include either the undertaking of a private investigation of a superior or the refusal to answer questions in an investigation within a particular department. Reed v. Byrd, 41 N.C. App. 625, 255 S.E.2d 606 (1979).

Just cause is not defined in this section. Words of statute are to be given their ordinary meaning. Walker v. North Carolina Dep't of Human Resources, 100 N.C. App. 498, 397 S.E.2d 350 (1990), cert. denied, 328 N.C. 98, 402 S.E.2d 430 (1991).

The trial court correctly determined that the record lacked substantial evidence to support the Personnel Commission's conclusion that the Department of Correction had not met its burden of showing just cause for terminating correctional officer; said officer's behavior in leaving his post without authorization and fail-

ing to remain alert while on duty did not only constitute "unsatisfactory job performance" but fell squarely within the category of "unacceptable personal conduct" for which a DOC employee may be terminated without any prior warning. North Carolina Dep't of Cor. v. McNeely, 135 N.C. App. 587, 521 S.E.2d 730, 1999 N.C. App. LEXIS 1175 (1999).

There was just cause to demote the highway patrol employee as the employee drank three beers within a short period; proceeded to drive after drinking; exceeded the speed limit; and two alco-sensor tests registered 0.09 and 0.08 alcohol concentration readings. Davis v. N.C. Dep't of Crime Control & Pub. Safety, 151 N.C. App. 513, 565 S.E.2d 716, 2002 N.C. App. LEXIS 777 (2002).

Demotion of a state Department of Correction employee was not based on the just cause of sexual harassment, where unlawful sexual harassment was defined in the Department of Correction policy as including quid pro quo or hostile environment consequences, and the employee's sexual comments did not include quid pro quo or hostile environment consequences. Lewis v. N.C. Dep't of Corr., 153 N.C. App. 449, 570 S.E.2d 231, 2002 N.C. App. LEXIS 1168 (2002).

When an employee was demoted from his position as a prison food service supervisor, there was substantial evidence, sufficient to satisfy the requirements of G.S. 126-35(a), that he did not satisfactorily meet his job requirements, which included supervising inmate workers and ensuring that the kitchen was kept in a clean and orderly fashion, and he received two written warnings concerning his poor job performance, detailing his failure to follow proper procedure and failure to maintain sanitary conditions in the kitchen. Skinner v. N.C. Dep't of Corr., 154 N.C. App. 270, 572 S.E.2d 184, 2002 N.C. App. LEXIS 1473 (2002).

When Finding of Just Cause Is Required. — A finding of just cause is not required unless the employee is discharged, suspended, or reduced in pay or position. Gibbs v. Department of Human Resources, 77 N.C. App. 606, 335 S.E.2d 924 (1985).

Burden of Proof. — The State Personnel Commission was correct in requiring the Employment Security Commission to carry the burden of proving petitioner was terminated for just cause. Employment Sec. Comm'n v. Peace, 122 N.C. App. 313, 470 S.E.2d 63 (1996), review granted, 345 N.C. 640, 483 S.E.2d 706 (1997).

The burden of proof in "just cause" claims under this section may be allocated to an employee without violating due process. Employment Sec. Comm'n v. Peace, 128 N.C. App. 1, 493 S.E.2d 466 (1997), aff'd, 349 N.C. 315, 507 S.E.2d 272 (1998).

The government's interest in maintaining an efficient and productive government or private employee work force supports the allocation of the burden of proof on just cause to the employee. Peace v. Employment Sec. Comm'n, 349 N.C. 315, 507 S.E.2d 272 (1998).

Failure to Show Just Cause. — The State Personnel Commission did not err in its conclusion that the Employment Security Commission failed to show "just cause" for its dismissal of petitioner. Employment Sec. Comm'n v. Peace, 122 N.C. App. 313, 470 S.E.2d 63 (1996), review granted, 345 N.C. 640, 483 S.E.2d 706 (1997).

Health board's dismissal of director for the omission a preaudit certificate on contracts was an error, as the board did not establish that the omission could produce disruption of work, a threat to persons or property, or any other serious effect that required immediate action, as required by G.S. 126-35. Steeves v. Scot. County Bd. of Health, 152 N.C. App. 400, 567 S.E.2d 817, 2002 N.C. App. LEXIS 913 (2002), cert. denied, 356 N.C. 444, 573 S.E.2d 512 (2002).

Internal Grievance Procedures to Be Followed. — Petitioner could not proceed under this section for a "just cause" violation without first following respondent's internal grievance procedure. Nailing v. UNC-CH, 117 N.C. App. 318, 451 S.E.2d 351 (1994), cert. denied, 339 N.C. 614, 454 S.E.2d 255 (1995).

Where petitioner made no application for leave without pay and respondent placed him involuntarily on sick leave until his accumulated time elapsed, then required him to expend his accumulated vacation, and finally placed him on leave without pay, this was, in essence, a suspension, which could not be made without just cause. White v. North Carolina Dep't of Cor., 117 N.C. App. 521, 451 S.E.2d 876 (1995).

Failure to Perform with Reasonable Care Essential to Just Cause. — Standard of employee conduct implied in every contract of employment is one of reasonable care, diligence and attention. A State employee does not undertake any greater duty. In attempting to establish that it had just cause to terminate an employee, an agency is bound to make a showing that the employee has not performed with reasonable care, diligence and attention. Walker v. North Carolina Dep't of Human Resources, 100 N.C. App. 498, 397 S.E.2d 350 (1990), cert. denied, 328 N.C. 98, 402 S.E.2d 430 (1991).

Failure to fulfill certain quotas and complete certain tasks to the complete satisfaction of a supervisor is not enough to establish just cause. The agency must show that quotas and job requirements were reasonable, and if so, that the employee made no reasonable effort to meet them. Walker v. North Carolina Dep't of Human Resources, 100 N.C. App. 498, 397

S.E.2d 350 (1990), cert. denied, 328 N.C. 98, 402 S.E.2d 430 (1991).

Failure to Carry Out Supervisor's Directives. — Adequacy of an employee's work must be, to some extent, a subjective determination made by agency personnel. When an agency seeks to establish before the Commission that an employee was terminated for just cause, however, it cannot rest solely on the grounds that his supervisor's directives were not carried out to their fullest extent. Walker v. North Carolina Dep't of Human Resources, 100 N.C. App. 498, 397 S.E.2d 350 (1990), cert. denied, 328 N.C. 98, 402 S.E.2d 430 (1991).

Where State employees were putting in extra effort to attempt to meet supervisor's requirements, which failed to take into account many realities of school caseload, and where there was nothing in the record which would indicate that the inability of the employees to meet the supervisor's goals adversely affected the agency in any way, and where findings indicated that the employer's clients were well served by each employee, the trial court correctly concluded that the Commission's own findings did not support its conclusion that just cause was established. Walker v. North Carolina Dep't of Human Resources, 100 N.C. App. 498, 397 S.E.2d 350 (1990), cert. denied, 328 N.C. 98, 402 S.E.2d 430 (1991).

Reduced in Position. — An employee is reduced in position within the meaning of this section when he is placed in a lower paygrade. Gibbs v. Department of Human Resources, 77 N.C. App. 606, 335 S.E.2d 924 (1985).

Demotion and Transfer Were Not Done Without Just Cause. — Demotion and transfer were not done without just cause where the petitioner had specifically asked for a transfer back to the town where he had been originally working and expressed a willingness, however begrudgingly, to accept a demotion if that was required. Curtis v. North Carolina DOT, 140 N.C. App. 475, 537 S.E.2d 498, 2000 N.C. App. LEXIS 1215 (2000).

Contested Action Deemed "Disciplinary" Within Meaning of This Section. — Petitioner's allegation that he had been "demoted in rank without sufficient cause" stated grounds for his department's action to be deemed "disciplinary" within the meaning and intent of this section and for his case to be considered "contested" within the meaning and intent of G.S. 126-37(a). Because he had properly pursued all informal procedures mandated by the State Personnel Act and by the North Carolina Administrative Code for the resolution of his grievance, petitioner's appeal also fit the procedural profile of a "contested case" for purposes of its review by the Office of Administrative Hearings under Chapter 150B. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Discharge of Exempt Employees by Successor Governor. — Although the North Carolina State Personnel Act provides that no permanent employee subject thereto shall be discharged, suspended or reduced in pay or position except for just cause, the act exempts certain employees by its terms and allows the Governor to designate as exempt from the provisions of the act certain other policy-making or decision-making employees. Where plaintiffs having a position designated as policy-making or confidential by the previous Governor brought suit alleging that each was discharged from an exempt government position for the sole reason of political affiliation, there was a presumption that successor Governor's actions were proper if done for political patronage reasons that require, as a qualification for the performance of a job, a political affiliation. Stott v. Haworth, 916 F.2d 134 (4th Cir. 1990).

Grounds for Dismissal. — A permanent state employee may be dismissed for (1) inadequate performance of duties or, (2) personal conduct detrimental to state service. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Procedural Safeguards. — Procedural safeguards within subsection (a) serve as a prophylactic protection against summary dismissal based on inadequate notice. Owen v. UNC-G Physical Plant, 121 N.C. App. 682, 468 S.E.2d 813 (1996), discretionary review improvidently allowed, 344 N.C. 73, 477 S.E.2d 33 (1996).

Prior to dismissal for cause relating to performance of duties, a permanent State employee is entitled to three separate warnings that his performance is unsatisfactory, consisting of (1) an oral warning explaining how he is not meeting the job's requirements; (2) a second oral warning outlining his unsatisfactory performance, with a follow-up letter reviewing the points covered by the oral warning; (3) a final written warning setting forth in numerical order the specific acts or omissions that are the reasons for the disciplinary action and the employee's appeal rights. Jones v. Department of Human Resources, 300 N.C. 687, 268 S.E.2d 500 (1980).

The requirement of this section is that a permanent state employee is entitled to three separate warnings giving notice that his performance is unsatisfactory. Parks v. Department of Human Resources, 79 N.C. App. 125, 338 S.E.2d 826 (1986).

Written Notice at Time of Dismissal. — When an employee is being dismissed for personal misconduct, the requirement of timely written notice has been met where the written statement of the reasons for dismissal is given

to the employee simultaneously with his dismissal. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Administrator received the notification mandated by G.S. 126-35 in an administrative proceeding concerning the administrator's dismissal from employment at a State facility for the mentally retarded; as the administrator received a dismissal letter which set forth the specific acts or omissions supporting his dismissal, as well as his appeal rights, and the fact that this notice was given simultaneously with the disciplinary action in this case was not a violation of G.S. 126-35. Kea v. Dep't of Health & Human Servs., 153 N.C. App. 595, 570 S.E.2d 919, 2002 N.C. App. LEXIS 1246 (2002), appeal dismissed, 356 N.C. 673, 577 S.E.2d 120 (2003).

Failure to Follow Internal Policy. — Employee's claim that his employer did not follow its internal policy in that he was not given an action plan after he received written warnings did not entitle him to relief regarding his eventual demotion because he did not show that there was a substantial chance that if the employer had followed this policy the result of his case would have been different. Skinner v. N.C. Dep't of Corr., 154 N.C. App. 270, 572 S.E.2d 184, 2002 N.C. App. LEXIS 1473 (2002).

Contents of Notice of Dismissal. — The notice of dismissal need not explain every step in the appeal process. Rather, it must inform the employee of his right to appeal. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Duty of State Agencies to Describe "Specific Acts or Omissions" with Particularity. — This section imposes an affirmative duty on State agencies to inform discharged employees, in writing, of the "specific acts or omissions" that were the reasons for the disciplinary action; "specific acts or omissions" implies that these incidents should be described with sufficient particularity so that the discharged employee will know precisely what acts or omissions were the basis of his discharge. Employment Sec. Comm'n v. Wells, 50 N.C. App. 389, 274 S.E.2d 256 (1981).

This section requires that the acts or omissions be described with sufficient particularity so that the discharged employee will know precisely what acts or omissions were the basis of his discharge. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Failure to include the specific names of the employee's accusers in her dismissal letter prejudiced her ability to fully prepare her appeal. Owen v. UNC-G Physical Plant, 121 N.C. App. 682, 468 S.E.2d 813 (1996), discretionary review improvidently allowed, 344 N.C. 73, 477 S.E.2d 33 (1996).

Notice Held Inadequate. — The Employment Security Commission failed to give respondent proper notice of the reasons for his dismissal as an employee as required by this section where the only information given respondent concerning the reasons for his dismissal was contained in the letter of dismissal, which stated that respondent violated agency procedure in attempting to recruit migrant workers from Florida by phone and personal visit, that respondent had forced workers to work for a designated crew leader even though the workers preferred not to work in a crew, and that respondent violated agency procedure by not reporting illegal aliens, since the letter did not describe any incidents with sufficient particularity so that respondent could know precisely what acts or omissions were the basis of his discharge. Employment Sec. Comm'n v. Wells, 50 N.C. App. 389, 274 S.E.2d 256 (1981).

Although the Department of Human Resources' original notice to petitioner clearly stated the specific acts underlying its decision to take a particular disciplinary action, i.e., dismissal, the secretary's subsequent notice that her decision to demote petitioner was "based upon the information presented" was not an adequate statement of the specific acts or omissions underlying her decision to take a different disciplinary action, i.e., demotion. Meyers v. Department of Human Resources, 92 N.C. App. 193, 374 S.E.2d 280 (1988), cert. denied, 324 N.C. 247, 377 S.E.2d 754 (1989).

Warnings Required. — Where petitioner's performance of his duties as a wildlife officer were what had become accepted standards of reporting and performing his work, disciplinary action by petitioner's supervisors to halt these accepted standards would have propelled this behavior into the "unsatisfactory job performance" category rather than the "unacceptable personal conduct" category, for which certain warnings were required before petitioner's termination on the grounds of unsatisfactory job performance. Wilkie v. North Carolina Wildlife Resources Comm'n, 118 N.C. App. 475, 455 S.E.2d 871 (1995).

No Requirement for Administrative Warning Before Demotion. — There was no basis in this section or relevant regulations to conclude lawful procedure required petitioner be given any administrative warnings before his demotion. Meyers v. Department of Human Resources, 92 N.C. App. 193, 374 S.E.2d 280 (1988), cert. denied, 324 N.C. 247, 377 S.E.2d 754 (1989).

Written Statement of Appeal Rights Required. — Due process under the United States and North Carolina Constitutions requires that a permanent State employee who has been dismissed be provided with a statement in writing setting forth his rights of appeal before the 15- and 30-day time limits for notice of appeal provided in this section and G.S. 126-38 commence to run. Luck v. Employ-

ment Sec. Comm'n, 50 N.C. App. 192, 272 S.E.2d 607 (1980).

Opportunity to Respond. — A State employee who has a right to continued employment subject to dismissal for just cause is entitled to a predetermination opportunity to respond. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Impartial Decision Maker. — A public employee facing an administrative hearing is entitled to an impartial decision maker. However, to make out a due process claim based on this theory, an employee must show that the decision making board or individual possesses a disqualifying personal bias. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Dean's consultation with members of the State Personnel Commission prior to dismissing petitioner could not be said to have deprived him of an impartial hearing where petitioner failed to show any disqualifying personal bias on the part of the decision makers because of familiarity with the facts of his case. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Failure to Follow Established Grievance Procedure. — Department of Human Resource's dismissal of employee's appeal on grounds it was filed one day after the deadline was neither arbitrary or capricious where employee was informed of the time limits for perfecting appeal, offered assistance for complying with appeal procedures since legal representation was not allowed at that time of the proceeding, and employee's apparent justification for filing late was difficulty in retaining an attorney. Lewis v. North Carolina Dep't of Human Resources, 92 N.C. App. 737, 375 S.E.2d 712 (1989).

School's failure to follow its internal review process did not automatically entitle petitioner to reversal of dismissal determination. In order to claim any relief based on a violation of internal appeal procedures, petitioner would have had to show that there was a substantial chance there would have been a different result in his case if the established internal procedures had been followed. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Record supported North Carolina Department of Health and Human Services' decision to terminate a health care technician's employment after other health care technicians saw the employee discard food meant for persons who were in the employee's care at a nursing home, distribute meals improperly, and fail to bathe a resident. Pittman v. N.C. Dep't of Health & Human Servs., 155 N.C. App. 268, 573 S.E.2d 628, 2002 N.C. App. LEXIS 1579 (2002).

Dismissal Upheld. — Dismissal of petitioner from position as Director of Student Activities in the Student Services Department at the North Carolina School of the Arts for personal misconduct involving his role in assembling a meeting of other division directors to discuss complaints about their superior, the Dean of Student Services, in the absence of the Dean, would be upheld. Leiphart v. North Carolina School of Arts, 80 N.C. App. 339, 342 S.E.2d 914 (1986).

Dismissal of State Bureau of Investigation (SBI) agent for failure to comply with five day deadline for SBI agents to file reports was reasonable where the rule was promulgated for the purpose of providing timely written reports to district attorneys, to aid in prosecution, and to enhance the credibility of the testimony of SBI agents and the rule also provided that for legitimate reasons, the five day requirement could be extended. Gainey v. North Carolina Dep't of Justice, 121 N.C. App. 253, 465 S.E.2d 36 (1996).

State Personnel Commissioner did not err in affirming dismissal based on warnings that occurred two years prior to the actual dismissal, especially when the earlier violations related to the very reasons for which the employee was dismissed. Gainey v. North Carolina Dep't of Justice, 121 N.C. App. 253, 465 S.E.2d 36 (1996).

Dismissal Held Unjustified. — Dismissal of superintendent of the Department of Correction's Treatment Facility for Women (TFW) in Charlotte, a minimum custody prison or "halfway house", on grounds of insubordination held not justified under the evidence. Kandler v. Department of Cor., 80 N.C. App. 339, 342 S.E.2d 910 (1986).

Petitioner-employee was not fired for just cause where her termination was based on her refusal: (1) to provide services to a client whose dad was sexually harassing her and; (2) to attend several meetings with supervisors after her complaints about her client's sexual harassment were met with disbelief, little or no attention and investigation or ignored. Souther v. New River Area Mental Health Dev. Disabilities & Substance Abuse Program, 142 N.C. App. 1, 541 S.E.2d 750, 2001 N.C. App. LEXIS 29 (2001), aff'd, 354 N.C. 209, 552 S.E.2d 162 (2001).

§ 126-36. Appeal of unlawful State employment practice.

(a) Any State employee or former State employee who has reason to believe that employment, promotion, training, or transfer was denied the employee or that demotion, layoff, transfer, or termination of employment was forced upon the employee in retaliation for opposition to alleged discrimination or because of the employee's age, sex, race, color, national origin, religion, creed, political affiliation, or handicapping condition as defined by G.S. 168A-3 except where specific age, sex or physical requirements constitute a bona fide occupational qualification necessary to proper and efficient administration, shall have the right to appeal directly to the State Personnel Commission.

(b) Subject to the requirements of G.S. 126-34, any State employee or former State employee who has reason to believe that the employee has been subjected to any of the following shall have the right to appeal directly to the State Personnel Commission:

(1) Harassment in the workplace based upon age, sex, race, color, national origin, religion, creed, or handicapping condition, whether the harassment is based upon the creation of a hostile work environment or upon a quid pro quo.

(2) Retaliation for opposition to harassment in the workplace based upon age, sex, race, color, national origin, religion, creed, or handicapping condition, whether the harassment is based upon the creation of a hostile work environment or upon a quid pro quo. (1975, c. 667, s. 10; 1977, c. 866, ss. 13, 16; 1987, c. 320, s. 7; 1998-135, s. 4.)

Legal Periodicals. — For article discussing evidentiary standards in employment discrimination suits in light of Department of Cor. v. Gibson, 308 N.C. 131, 301 S.E.2d 78 (1983), see 6 Campbell L. Rev. 163 (1984).

CASE NOTES

The ultimate purpose of this section, G.S. 143-422.2, and Title VII (42 U.S.C. § 2000e et seq.) is the same; that is, the elimination of discriminatory practices in employment. North Carolina Dep't of Cor. v. Gibson, 308 N.C. 131, 301 S.E.2d 78 (1983).

North Carolina Supreme Court looks to federal decisions for guidance in establishing evidentiary standards and principles of law to be applied in discrimination

cases. North Carolina Dep't of Cor. v. Gibson, 308 N.C. 131, 301 S.E.2d 78 (1983).

To Whom Article Applicable. — A permanent state employee who alleges he has been reduced in position without just cause is entitled to the review and appeal provisions outlined in this article, whether the motive for his demotion was illegally discriminatory or retaliatory or apparently or actually disciplinary. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Statute merely provides a plaintiff with "the right to appeal" a wrongful retaliation claim directly to the State Personnel Commission. G.S. 126-36(b), and such "right to appeal" does not otherwise bar an action which meets the requirements of the Whistleblower Act, G.S. 126-84 et seq.; when G.S. 126-36(b) is read in para materia with the Whistleblower Act, the two statutes are not irreconcilable. Wells v. N.C. Dep't of Corr., 152 N.C. App. 307, 567 S.E.2d 803, 2002 N.C. App. LEXIS 929 (2002).

Two Tests Applicable to Employment Decisions Based on Inherently Subjective Criteria. — When reviewing hiring and promotion decisions that were based on exercise of personal judgment or application of inherently subjective criteria, court may employ either "disparate treatment" test or "disparate impact" test, or both. North Carolina Dep't of Cor. v. Hodge, 99 N.C. App. 602, 394 S.E.2d 285 (1990).

Definition of Promotion. — This section does not contain a definition of "promotion." Unless a word in a statute has acquired a technical meaning or the language of the statute indicates that a special use is intended, it must be given its "common and ordinary meaning." Edwards v. University of N.C., 107 N.C. App. 606, 421 S.E.2d 383, cert. denied, 333 N.C. 167, 424 S.E.2d 909 (1992).

The word "promotion" is not peculiar to any particular profession, but is universally used. Nothing in the text of this section indicates that the legislature sought to attach any technical meaning to its use. Edwards v. University of N.C., 107 N.C. App. 606, 421 S.E.2d 383, cert. denied, 333 N.C. 167, 424 S.E.2d 909 (1992).

The important criteria in both the dictionary and State Personnel Commission definitions of "promotion" are greater status and a higher standing in relation to others. Accordingly, to the extent any individual's relative standing among his peers was raised when the university police department reclassified ranks, that individual was promoted. Edwards v. University of N.C., 107 N.C. App. 606, 421 S.E.2d 383, cert. denied, 333 N.C. 167, 424 S.E.2d 909 (1992).

There is no mention in the definition of promotion of increased pay or change in job classification. This definition is consistent with other states' interpretations of promotion, which recognize that salary increases and changes in job classification are not the sole criteria for determining the existence of a promotion. Edwards v. University of N.C., 107 N.C. App. 606, 421 S.E.2d 383, cert. denied, 333 N.C. 167, 424 S.E.2d 909 (1992).

Reorganization Held Promotion Scheme. — Although changes in rank made pursuant to a reorganization involved no increase in salary or change in state job classification, the reorganization within the university police department was a promotion scheme and therefore within the appellate jurisdiction of State Personnel Commission. Edwards v. University of N.C., 107 N.C. App. 606, 421 S.E.2d 383, cert. denied, 333 N.C. 167, 424 S.E.2d 909 (1992).

Racial Discrimination. — The State Personnel Commission has authority to determine whether a State employee has been discharged because of racial discrimination. Abron v. North Carolina Dep't of Cor., 90 N.C. App. 229, 368 S.E.2d 203 (1988).

Employer's Legitimate Nondiscriminatory Reason. — Legitimate nondiscriminatory reason is employer's promotion of an employee better qualified than complainant. North Carolina Dep't of Cor. v. Hodge, 99 N.C. App. 602, 394 S.E.2d 285 (1990).

Burden and Order of Proof in Racial Discrimination Case. — In racial discrimination cases, the burdens and orders of presentation of proof are as follows: First, the employee carries the initial burden of establishing, by a preponderance of the evidence, a prima facie case of racial discrimination; second, if the employee makes out a prima facie case, the burden then must shift to the employer to articulate some legitimate, nondiscriminatory reason for the employee's rejection; and third, if the employer meets its burden, the employee is given the opportunity to prove that the employer's stated reasons for termination were in fact a pretext for racial discrimination. Area Mental Health v. Speed, 69 N.C. App. 247, 317 S.E.2d 22, cert. denied, 312 N.C. 81, 321 S.E.2d 893 (1984).

Once employee establishes prima facie case of racial discrimination, burden shifts to the employer to produce evidence showing legitimate, nondiscriminatory reason for its action. If the employer carries its burden to produce that evidence, the employee must then satisfy the trier of fact that the employer's stated reasons were merely a pretext for intentional discrimination. Abron v. North Carolina Dep't of Cor., 90 N.C. App. 229, 368 S.E.2d 203 (1988).

Disparate Treatment Claims. — When employee alleges that employer treated him or

her in particular less favorably than other employees, employee raises claim of "disparate treatment." North Carolina Dep't of Cor. v. Hodge, 99 N.C. App. 602, 394 S.E.2d 285 (1990).

According to "disparate treatment" analysis, employee has initial burden of proving, by preponderance of evidence, prima facie case of discrimination. [1] He applied for and was qualified for an available position, [2] that he was rejected, and that [3] after he was rejected employer filled position with white employee. Once employee establishes prima facie case, inference of discrimination arises. To rebut this inference, the employer must present evidence that employee was rejected, or other applicant was chosen, for legitimate, nondiscriminatory reason. Employee retains final burden of persuading jury of intentional discrimination. North Carolina Dep't of Cor. v. Hodge, 99 N.C. App. 602, 394 S.E.2d 285 (1990).

Pretext. — After employer rebuts employee's prima facie showing, employee has opportunity to demonstrate that employer's proffered reasons for its decision were not its true reasons. North Carolina Dep't of Cor. v. Hodge, 99 N.C. App. 602, 394 S.E.2d 285 (1990).

Employee may use various forms of evidence to demonstrate that state's proffered reason was not its true reason. An employee might seek to demonstrate that employer's claim to have promoted a better qualified applicant was pretextual by showing that he was in fact better qualified than person chosen for position. North Carolina Dep't of Cor. v. Hodge, 99 N.C. App. 602, 394 S.E.2d 285 (1990).

From whole record, substantial evidence supports commission's conclusion that employer's stated reasons were legitimate and not pretext for discrimination. Conversely, there is lacking substantial evidence that retaliation for past opposition to discrimination was "predominant reason." Gadson v. North Carolina Mem. Hosp., 99 N.C. App. 169, 392 S.E.2d 618 (1990).

Evidence of Discrimination. — In considering whether the employer's stated nondiscriminatory reasons were merely a pretext for discrimination, courts may consider the evidence the employee used to establish his prima facie case as well as: (1) Evidence that white employees involved in acts of comparable seriousness were retained; (2) evidence of the employer's treatment of the employee during his term of employment; (3) evidence of the employer's response to any legitimate civil rights activities of the employee; and (4) evidence of the employer's general policy and practice regarding minority employees. Abron v. North Carolina Dep't of Cor., 90 N.C. App. 229, 368 S.E.2d 203 (1988).

Record held to support the commission's ultimate finding of fact that petitioner assistant manager of soap plant at corrections department facility, was not a victim of racial discrimination. Abron v. North Carolina Dep't of Cor., 90 N.C. App. 229, 368 S.E.2d 203 (1988).

Since, under North Carolina law, plaintiff instructor was not required to employ the grievance procedures of a university because he alleged race discrimination, but instead, he was entitled to appeal the decision directly to the State Personnel Commission, under G.S. 126-36(a), the court declined plaintiff's request to extend the attorney-client privilege to a lay member of the faculty. Nemecek v. Bd. of Governors of the Univ. of N.C., — F. Supp. 2d —, 2000 U.S. Dist. LEXIS 22340 (E.D.N.C. Sept. 27, 2000).

Remand for New Hearing. — Where the Commission erred by placing an improper burden of proof upon defendant employer to show an absence of discrimination, by reviewing the correctness of defendant's business judgment, and by failing to resolve the ultimate question of whether plaintiff was the victim of intentional discrimination, the case would be remanded to the State Personnel Commission for a new hearing. North Carolina Dep't of Cors. v. Gibson, 308 N.C. 131, 301 S.E.2d 78 (1983).

§ 126-36.1. Appeal to Personnel Commission by applicant for employment.

Any applicant for State employment who has reason to believe that employment was denied in violation of G.S. 126-16 shall have the right to appeal directly to the State Personnel Commission. (1977, c. 866, s. 16.)

CASE NOTES

Appeal to Court Improper. — Trial court erred by not affirming the decision and order of the State Personnel Commission dismissing the petitioner's appeal for lack of jurisdiction as it was untimely filed where petitioner was an applicant for state employment who was over 40 years of age and whose grievance against the state alleged discrimination based on his age and veteran's preference; petitioner's only avenue for appeal was to the State Personnel Commission under this section. Clay v. Employment Sec. Comm'n, 111 N.C. App. 599, 432 S.E.2d 873 (1993), rev'd on other grounds, 340 N.C. 83, 455 S.E.2d 619 (1995).

Intermittent employee of Employment Security Commission (ESC) had a right to appeal ESC's allegedly discriminatory action to the personnel commission. Clay v. Employment Sec. Comm'n, 340 N.C. 83, 457 S.E.2d 725 (1995).

§ 126-36.2. Appeal to Personnel Commission by career State employee denied notice of vacancy or priority consideration.

Any career State employee who has reason to believe that he was denied promotion due to the failure of the agency, department, or institution that had a job vacancy to:

(1) Post notice of the job vacancy pursuant to G.S. 126-7.1(a) or;

(2) Give him priority consideration pursuant to G.S. 126-7.1(c)

may appeal directly to the State Personnel Commission. (1987, c. 689, s. 3; 1991, c. 354, s. 6.)

§ 126-37. Personnel Commission to review Administrative Law Judge's recommended decision and make final decision.

(a) Appeals involving a disciplinary action, alleged discrimination or harassment, and any other contested case arising under this Chapter shall be conducted in the Office of Administrative Hearings as provided in Article 3 of Chapter 150B; provided that no grievance may be appealed unless the employee has complied with G.S. 126-34. The State Personnel Commission shall make a final decision in these cases as provided in G.S. 150B-36, except as provided in subsection (b1) of this section. The State Personnel Commission is hereby authorized to reinstate any employee to the position from which the employee has been removed, to order the employment, promotion, transfer, or salary adjustment of any individual to whom it has been wrongfully denied or to direct other suitable action to correct the abuse which may include the requirement of payment for any loss of salary which has resulted from the improperly discriminatory action of the appointing authority.

(b) Repealed by 1993 (Reg. Sess., 1994), c. 572, s. 1.

(b1) In appeals involving local government employees subject to this Chapter pursuant to G.S. 126-5(a)(2), except in appeals in which discrimination prohibited by Article 6 of this Chapter is found or in any case where a binding decision is required by applicable federal standards, the decision of the State Personnel Commission shall be advisory to the local appointing authority. The State Personnel Commission shall comply with all requirements of G.S. 150B-44 in making an advisory decision. The local appointing authority shall, within 90 days of receipt of the advisory decision of the State Personnel Commission, issue a written, final decision either accepting, rejecting, or modifying the decision of the State Personnel Commission. If the local appointing authority rejects or modifies the advisory decision, the local

appointing authority must state the specific reasons why it did not adopt the advisory decision. A copy of the final decision shall be served on each party personally or by certified mail, and on each party's attorney of record.

(b2) The final decision is subject to judicial review pursuant to Article 4 of Chapter 150B of the General Statutes. Appeals in which it is found that discrimination prohibited by Article 6 of this Chapter has occurred or in any case where a binding decision is required by applicable federal standards shall be heard as all other appeals, except that the decision of the State Personnel Commission shall be final.

(c) If the local appointing authority is other than a board of county commissioners, the local appointing authority must give the county notice of the appeal taken pursuant to subsection (a) of this section. Notice must be given to the county manager or the chairman of the board of county commissioners by certified mail within 15 days of the receipt of the notice of appeal. The county may intervene in the appeal within 30 days of receipt of the notice. If the action is appealed to superior court the county may intervene in the superior court proceeding even if it has not intervened in the administrative proceeding. The decision of the superior court shall be binding on the county even if the county does not intervene. (1975, c. 667, s. 10; 1981, c. 680, s. 1; 1985, c. 746, s. 15; 1985 (Reg. Sess., 1986), c. 1022, s. 10; 1987, c. 394; 1989 (Reg. Sess., 1990), c. 1025, s. 3; 1991, c. 103, s. 1; 1993 (Reg. Sess., 1994), c. 572, s. 1; 1998-135, s. 5.)

CASE NOTES

Purpose of 1994 Amendment. — The 1994 amendment of (b1) reflected the intent of the legislature in enacting the original version of this section and was an effort by the legislature to clarify its original position. Cunningham v. Catawba County, 128 N.C. App. 70, 493 S.E.2d 82 (1997).

Statutory Interaction with G.S. 150B-43. — This section does not create a cause of action but instead refers to judicial review provided by G.S. 150B-43. Hill v. Morton, 115 N.C. App. 390, 444 S.E.2d 683, cert. granted, 337 N.C. 692, 448 S.E. 2d 523 (1994), review improvidently granted, 340 N.C. 355, 457 S.E.2d 300 (1995).

Law Judge's Ruling Subject to Review by Personnel Commission. — The administrative law judge must render a decision on the motion which is presented, but the administrative law judge's ruling is subject to review by the ultimate factfinder, the Personnel Commission. Eury v. North Carolina Emp. Sec. Comm'n, 115 N.C. App. 590, 446 S.E.2d 383, cert. denied, 338 N.C. 309, 451 S.E.2d 635 (1994).

Failure to Follow Established Grievance Procedure. — The State Personnel Act provides for administrative-type grievance procedures for violations of its provisions. The statute further provides that judicial review of unfavorable decisions may be had in superior court. Where a statute provides for an orderly procedure for an appeal to the superior court for review, this procedure is the exclusive means for obtaining judicial review, and a civil action is only proper after all administrative remedies have been exhausted. Johnson v. North Carolina DOT, 107 N.C. App. 63, 418 S.E.2d 700 (1992).

Because Chapter 126 makes compliance with the procedures of Article 3 of Chapter 150B mandatory, jurisdiction over a contested case hearing arising under Chapter 126 is not conferred upon the Office of Administrative Hearings unless petitioner follows such procedures. Nailing v. UNC-CH, 117 N.C. App. 318, 451 S.E.2d 351 (1994), cert. denied, 339 N.C. 614, 454 S.E.2d 255 (1995).

Sixty Days to File Petition. — Petitioner, an intermittent state employee who alleged discrimination on consideration of his application for state employment under G.S. 150B-23(f), had sixty days to file his petition for a contested case hearing; this period did not begin to run until petitioner received letter from agency chairman which indicated that no evidence of discrimination existed in the agency's selection. Clay v. Employment Sec. Comm'n, 340 N.C. 83, 455 S.E.2d 619 (1995).

Local Appointing Authority. — A "local appointing authority," within the meaning of

this section, is required to render its decision in accordance with G.S. 150B-36(b). Cunningham v. Catawba County, 128 N.C. App. 70, 493 S.E.2d 82 (1997).

County Board of Social Services Is Not "Local Appointing Authority." — The sole involvement of the county board of social services in personnel matters is to select the county director of social services. And the director derives his authority to appoint personnel directly from the General Assembly, not from the board. Thus the local board does not become the "local appointing authority" pursuant to this section in the absence of a permanent full-time director. In re Brunswick County, 81 N.C. App. 391, 344 S.E.2d 584 (1986).

Jurisdiction of OAH Derived from This Chapter. — The jurisdiction of the Office of Administrative Hearings over the appeals of state employee grievances derives not from Chapter 150B, but from this Chapter and is granted in subsection (a) of this section. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Invocation of Jurisdiction by Action Deemed "Disciplinary." — Because G.S. 126-35 deems such departmental or agency action "disciplinary," an allegation that an employee has been "demoted in rank without sufficient cause" invokes first the jurisdiction of the State Personnel Commission, then on appeal, that of the Office of Administrative Hearings, even when there has been no documented misconduct by the employee. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Jurisdiction to Hear Action Brought by DOC Employee. — Among all the provisions of this article, only this section confers upon the State Personnel Commission or upon the Office of Administrative Hearings the jurisdiction, or power, to deal with an action brought by a correction employee who was reallocated pursuant to a managerial reallocation. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Subject Matter Jurisdiction of Superior Court. — Where the superior court treated subsection (b) as creating a cause of action in which the court could make its own findings of fact and substitute its judgment for the State Personnel Commission's, the court exceeded its jurisdiction over state employee grievances. Hill v. Morton, 115 N.C. App. 390, 444 S.E.2d 683, cert. granted, 337 N.C. 692, 448 S.E. 2d 523 (1994), review improvidently granted, 340 N.C. 355, 457 S.E.2d 300 (1995).

The superior court was without jurisdiction to entertain a former employee's appeal of his dismissal, where the employee sought an order to affirm the recommended decision of the State Personnel Commission that he be reinstated with back pay prior to a final decision by the local appointing authority pursuant to subsection (b1). Howell v. Morton, 131 N.C. App. 626, 508 S.E.2d 804 (1998).

Jurisdiction Where Appellant Not Employed Five Continuous Years. — The State Personnel Commission had jurisdiction to hear Employment Security Commission employee's appeal from a dismissal even though she had not been employed continuously for five years. Employment Sec. Comm'n v. Lachman, 305 N.C. 492, 290 S.E.2d 616 (1982).

To Whom Article Applicable. — A permanent state employee who alleges he has been reduced in position without just cause is entitled to the review and appeal provisions outlined in this article, whether the motive for his demotion was illegally discriminatory or retaliatory, or apparently or actually disciplinary. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Meaning of "Contested Case." — Read in the context of subsection (a) of this section, which provides that appeals involving a disciplinary action, alleged discrimination, and any other contested case arising under this Chapter shall be conducted in the Office of Administrative Hearings as provided in Article 3 of Chapter 150B, "contested case" clearly derives its meaning from the latter, procedural statute. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Case Held "Contested" Within Meaning of Subsection (a). — Petitioner's allegation that he had been "demoted in rank without sufficient cause" stated grounds for his department's action to be deemed "disciplinary" within the meaning and intent of G.S. 126-35 and for his case to be considered "contested" within the meaning and intent of subsection (a) of this section. Because he had properly pursued all informal procedures mandated by the State Personnel Act and by the North Carolina Administrative Code for the resolution of his grievance, petitioner's appeal also fit the procedural profile of a "contested case" for purposes of its review by the Office of Administrative Hearings under Chapter 150B. Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d

35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

Subsection (a) allows the Commission to order reinstatement of an employee and direct other suitable relief, whenever it deems it necessary to correct the failure of a department or agency to follow policies or rules promulgated pursuant to G.S. 126-4. North Carolina Dep't of Justice v. Eaker, 90 N.C. App. 30, 367 S.E.2d 392, cert. denied, 322 N.C. 836, 371 S.E.2d 279 (1988), overruled on other grounds, Batten v. North Carolina Dep't of Cor., 326 N.C. 338, 389 S.E.2d 35 (1990), overruled on other grounds, Empire Power Co. v. North Carolina Dep't of Env't, Health & Natural Resources, 337 N.C. 569, 447 S.E.2d 168 (1994).

No Restoration Without Finding of Wrongful Treatment. — The provision of this section giving the State Personnel Commission the authority to restore a State employee to a position from which he has been demoted must be read in conjunction with G.S. 126-35, which forbids demotion without just cause, and the Commission therefore does not have the power to restore a State employee to a position from which he had been demoted without some finding that the employee had been treated wrongfully. Reed v. Byrd, 41 N.C. App. 625, 255 S.E.2d 606 (1979); Brooks v. Best, 45 N.C. App. 540, 263 S.E.2d 362 (1980).

Pursuant to this section, the State Personnel Commission may reinstate a state employee to the position from which he has been removed. The implication in this section, however, is that the Commission can only act to correct an abuse or where there is a wrongful denial. North Carolina A & T Univ. v. Kimber, 49 N.C. App. 46, 270 S.E.2d 492 (1980).

Reinstatement Proper Though Not Identical. — Where employee was returned to the same pay grade and step as before his demotion even though the job was at a different location, he was properly reinstated. North Carolina Dep't of Cors. v. Myers, 120 N.C. App. 437, 462 S.E.2d 824 (1995).

Discretion of Personnel Commission. — Where a permanent State employee is dismissed for performance of duty reasons, without sufficient warnings as required by G.S. 126-35, upon reinstating the employee the decision whether or not to award back pay and benefits is within the sound discretion of the Personnel Commission. Jones v. Department of Human Resources, 300 N.C. 687, 268 S.E.2d 500 (1980).

Although this section authorizes the State Personnel Commission to reinstate an employee to the position from which he is removed and to order the transfer of an employee to whom it has been wrongfully denied, that authority is discretionary. North Carolina Dep't of Cors. v. Myers, 120 N.C. App. 437, 462 S.E.2d 824 (1995).

Reasons Recommendation Not Adopted to Be Stated. — DSS was required, in rejecting the recommended decision of the Commission, to state the specific reasons why it did not adopt the recommended decision and serve a copy of its final decision on the petitioner; however, because the legislature did not specifically require that the "local appointing authority" comply with G.S. 150B-36(b), there was no obligation to enter findings of fact and conclusions of law, as required by G.S. 150B-36(b). Cunningham v. Catawba County, 128 N.C. App. 70, 493 S.E.2d 82 (1997).

Agency Decision Upheld Although Director Reviewed Own Employment Action. — Where substantial evidence existed to support an agency finding that petitioner voluntarily resigned and was not fired, the court upheld the decision as rendered properly pursuant to this section, and not in violation of petitioner's due process rights, even though the agency director/final decision-maker who disregarded the State Personnel Commission's recommendation that employee be reinstated was, in fact, evaluating factual issues involving his own testimony and credibility. Hearne v. Sherman, 350 N.C. 612, 516 S.E.2d 864 (1999).

§ 126-38. Time limit for appeals.

Any employee appealing any decision or action shall file a petition for a contested case with the Office of Administrative Hearings as provided in G.S. 150B-23(a) no later than 30 days after receipt of notice of the decision or action which triggers the right of appeal. (1977, c. 866, s. 14; 1989 (Reg. Sess., 1990), c. 1025, s. 4.)

CASE NOTES

Status of Employee. — An intermittent state employee is not an "employee" for purposes of Chapter 126 because Article 8 of this chapter applies only to "career state employees." Clay v. Employment Sec. Comm'n, 340 N.C. 83, 455 S.E.2d 619 (1995).

This section, which establishes the time limit for appeals applies only to employees, not to an applicant for employment, even if the applicant is an intermittent state employee. Clay v. Employment Sec. Comm'n, 340 N.C. 83, 455 S.E.2d 619 (1995).

Applicability of G.S. 150B-23(f). — The time limitation contained in G.S. 150B-23(f) applies to appeal of personnel decisions under Chapter 126 that are not covered by this section. Clay v. Employment Sec. Comm'n, 340 N.C. 83, 455 S.E.2d 619 (1995).

Adequacy of Notice. — A notice which failed to inform petitioner of her right to contest the designation of her position as "exempt policymaking," the procedure for contesting the designation, or the time limits for filing her objection to the designation did not comply with the requirements of this section so as to start the time limit for appeals running. Jordan v. DOT, 140 N.C. App. 771, 538 S.E.2d 623, 2000 N.C. App. LEXIS 1272 (2000), cert denied, 353 N.C. 376, 547 S.E.2d 412 (2001).

Written Statement of Appeal Rights Required. — Due process under the United States and North Carolina Constitutions requires that a permanent State employee who has been dismissed be provided with a statement in writing setting forth his rights of appeal before the 15- and 30-day time limits for notice of appeal provided in G.S. 126-35 and this section commence to run. Luck v. Employment Sec. Comm'n, 50 N.C. App. 192, 272 S.E.2d 607 (1980).

Letter of Grievance. — Under the Administrative Procedure Act, all that is required in a letter of grievance is that there be a plain statement of the circumstances allegedly constituting an unlawful failure to offer employment, so that respondent may be put upon its defense. North Carolina Dep't of Cor. v. Hill, 313 N.C. 481, 329 S.E.2d 377 (1985).

§ 126-39. Scope of this Article.

Except for positions subject to competitive service and except for appeals brought under G.S. 126-16, 126-25, and 126-36, this Article applies to all State employees who are career State employees at the time of the act, grievance, or employment practice complained of. (1977, c. 866, s. 15; 1985, c. 617, s. 4; 1987, c. 320, s. 8; 1991, c. 354, s. 7.)

CASE NOTES

An intermittent state employee is not an "employee" for purposes of Chapter 126 because Article 8 of this chapter applies only to "career state employees." Clay v. Employment Sec. Comm'n, 340 N.C. 83, 455 S.E.2d 619 (1995).

Petitioner, an intermittent state employee was not an "employee" for purposes of this chapter governing state personnel system which applies only to "career State employees" and which establishes the time limit for appeals, for employees and not applicants for employment like petitioner. § 126-41. Attorney and witness fees.

The decision of the Commission assessing or refusing to assess reasonable witness fees or a reasonable attorney's fee as provided in G.S. 126-4(11) is a final agency decision appealable under Article 4 of Chapter 150B of the General Statutes. The reviewing court may reverse or modify the decision of the Commission if the decision is unreasonable or the award is inadequate. The reviewing court shall award court costs and a reasonable attorney's fee for representation in connection with the appeal to an employee who obtains a reversal or modification of the Commission's decision in an appeal under this section. (1985, c. 717; 1987, c. 827, ss. 1, 56.)

CASE NOTES

Attorney Fees. — Upon appeal of the Commission's decision not to award attorney's fees under G.S. 126-4(11), this section constrains the Superior Court to reverse or modify the Commission's order only if it is deemed unreasonable or inadequate. Interchange of Governmental Employees.

§ 126-51. Short title.

This Article shall be known and may be cited as the "North Carolina Interchange of Governmental Employees Act of 1977." (1977, c. 783, s. 1.)

§ 126-52. Definitions.

For purposes of this Article:

(1) "Assigned employee" means an employee of a sending agency who is assigned or detailed to a receiving agency as part of the employee's regular duties with the sending agency.

(2) "Employee on leave" means an employee on leave of absence without pay from a sending agency who becomes an employee of a receiving agency while on leave from the sending agency.

(3) "Receiving agency" means any division, department, agency, instrumentality, authority, or political subdivision of the federal government or of a state or local government which, under this Article, receives an employee of another governmental division, department, agency, instrumentality, authority, or political subdivision of the federal government or of a state or local government.

(4) "Sending agency" means any division, department, agency, instrumentality, authority, or political subdivision of the federal government or of a state or local government which, under this Article, sends any employee thereof to another governmental division, department, agency, instrumentality, authority, or political subdivision of the federal government or of a state or local government. (1977, c. 783, s. 1.)

§ 126-53. Authority to interchange employees.

(a) Any division, department, agency, instrumentality, authority, or political subdivision of the State of North Carolina is authorized to participate in a program of interchange of employees with divisions, departments, agencies, instrumentalities, authorities, or political subdivisions of the federal government, of another state, or of this State, as a sending agency or a receiving agency.

(b) The period of individual assignment, detail, or leave of absence under an interchange program shall not exceed two years.

(c) The temporary assignment of the employee may be terminated by mutual agreement between the sending agency and the receiving agency.

(d) Elected officials may not participate in a program of interchange under this Article. (1977, c. 783, s. 1.)

§ 126-54. Status of employees of sending agency.

(a) Employees of a sending agency participating in an exchange of personnel authorized by G.S. 126-53 may be considered during such participation to be either assigned employees or employees on leave.

(b) Assigned employees shall be entitled to the same salary and employment benefits to which they would be entitled as employees of the sending agency and shall remain employees of the sending agency for all purposes unless otherwise provided in this Article or in a written agreement between the sending agency and the receiving agency.

(c) Employees on leave shall have the same rights, benefits and obligations as other State or local employees subject to this Chapter who are granted leaves of absences, unless otherwise provided in this Article, or in a written agreement between the sending agency and the receiving agency.

(d) When a division, department, agency, instrumentality, authority or political subdivision of the State of North Carolina acts as a sending agency, employees participating in an exchange of personnel authorized by G.S. 126-53, whether considered assigned employees or employees on leave, shall have the same rights, benefits and obligations to participate in and receive benefits, including death benefits, from any retirement system of which they are members as employees of the sending agency, whether they are members of the Teachers' and State Employees' Retirement System, the North Carolina Local Governmental Employees' Retirement System, the Law Enforcement Officers' Benefit and Retirement Fund, or other Retirement System which has been or may be established by the State for public employees; provided, however, that the receiving agency agrees to and makes the employer contributions and deducts from the salary of the employee the employee contribu-

tions for continued membership in such Retirement System. Provided, further, that if no contributions are paid into the appropriate Retirement System during the period that the employee participates in the exchange of personnel authorized by this Article, such employee shall remain entitled to death benefits resulting from his death during the period of the exchange. Provided, that where duplicate benefits would otherwise be payable on account of disability or death, the employee or his estate shall elect, within one year of the date of disability or death, which benefits to receive. (1977, c. 783, s. 1.)

§ 126-55. Travel expenses of employees from this State.

A sending agency in this State shall not pay the travel expenses of its assigned or on leave employees and shall not pay the travel expenses of such employees incurred in the course of performing work for the receiving agency. Such expenses shall be borne by the receiving agency. (1977, c. 783, s. 1.)

§ 126-56. Status of employees of other governments.

(a) When a division, department, agency, instrumentality, authority or political subdivision of the State of North Carolina acts as a receiving agency, assigned employees of the sending agency remain the employees of the sending agency and continue to receive the employment benefits of the sending agency unless otherwise specified in a written agreement between the sending agency and the receiving agency.

(b) When a division, department, agency, instrumentality, authority or political subdivision of this State acts as a receiving agency, employees on leave from the sending agency will receive appointments as employees with the receiving agency and will be entitled to the same employment benefits as other employees of the receiving agency unless otherwise specified in a written agreement between the sending agency and the receiving agency. Such appointments may be made without regard to any rules or regulations of the receiving agency regarding the selection of employees; but all rules of the State Personnel Act shall apply to State employees. (1977, c. 783, s. 1.)

§ 126-57. Travel expenses of employees of other governments.

A receiving agency in the State of North Carolina may, in accordance with its travel regulations and travel regulations by law, pay the travel expenses incurred in the course of an assigned employee's duties or incurred in the course of the duties of an employee on leave with the receiving agency on the same basis as the travel expenses of regular employees are paid. (1977, c. 783, s. 1.)

§ 126-58. Administration.

The State Personnel Commission and any State division, department, agency, instrumentality, authority or political subdivision participating in an interchange of employees program may promulgate rules or regulations necessary for the administration of such program, so long as such rules or regulations do not conflict with the provisions of this Article or any other provision of law. Work Options Program for State Employees.

§ 126-74. Work Options Program established.

There is established a Work Options Program for State employees in the Office of State Personnel to be administered by the State Personnel Commission. The State Personnel Director shall assign an employee within the Office of State Personnel, to be known as the State Work Options Coordinator, to direct the Work Options Program as established in this Article. (1981, c. 917, s. 1; 1991, c. 65, s. 8.)

Editor's Note. — Session Laws 1981, c. 917, s. 2 provided: "Nothing herein contained shall be construed to obligate the General Assembly to appropriate any additional funds, nor permit coverage under the Teachers' and State Employees' Retirement System and health benefits program in Articles 1 and 3 of Chapter 135 except as otherwise provided for therein."

§ 126-75. Work options for State employees.

(a) The following work options allowed State employees are to be included in the program administered under this Article:

(1) Flexible work hours as established by the State Personnel Commission;

(2) Job sharing as permitted by the State Personnel Commission;

(3) Permanent part-time positions as established under the State Personnel Act.

(b) The State Personnel Commission shall examine the present options listed in subsection (a) of this section available to State employees and other options the State Personnel Commission may make available for a comprehensive program of work options for State employees. The State Personnel Commission shall, with the concurrence of the agency, determine the need for additional permanent part-time positions within State Government and how increased use of these positions could benefit employee morale and productivity as well as increase the use of the available labor force. None of the provisions of this Article shall be administered to reduce the total number of hours per day a State office normally is open to serve the public. (1981, c. 917, s. 1.)

§ 126-76. Promoting Work Options Program.

The State Personnel Commission shall develop a program to expand the use of work options. This program shall include training sessions for agency personnel to instruct them in the use of work options available to State employees. The State Personnel Commission shall also provide technical assistance to agency personnel in developing a Work Options Program for each agency or expanding existing programs in each agency. The Work Options Coordinator shall also identify personnel positions within the State Personnel System which can effectively be structured in job sharing or permanent part-time employment positions. (1981, c. 917, s. 1.)

§ 126-77. Authority of agencies to participate.

The State Personnel Commission shall request from each agency assistance in formulating the Work Options Program. Any division, department, agency, instrumentality or authority shall participate in the program of work options as established in this Article. (1981, c. 917, s. 1.)

§ 126-78. Administration.

The State Personnel Commission and any State division, department, agency, instrumentality or authority participating in the State Work Options Program shall promulgate rules necessary for the administration of the program. (1981, c. 917, s. 1; 1987, c. 827, s. 57.)

§ 126-79. Report required.

The State Personnel Commission shall require a biennial report of each State division, department, agency, instrumentality or authority on the status of the Work Options Program. The State Personnel Commission shall in turn make a biennial report to the General Assembly on the status of the Work Options Program, including any increase in the use of job sharing, flexible work hours and any other approved work option for State employees. (1981, c. 917, s. 1.)

Article 13.

Veteran's Preference.

§ 126-80. Declaration of policy.

It shall be the policy of the State of North Carolina that, in appreciation for their service to this State and this country during a period of war, and in recognition of the time and advantage lost toward the pursuit of a civilian career, veterans shall be granted preference in employment for positions subject to the provisions of this Chapter with every State department, agency, and institution. (1987 (Reg. Sess., 1988), c. 1064, s. 1.)

CASE NOTES

Construction with Other Sections. — Pursuant to G.S. 126-83, employees of the System designated in G.S. 126-5(a)(2) are expressly excluded from the preference afforded by this section but, if qualified under G.S. 128-15, are entitled to the veterans preference thereunder applicable to all employees of State departments, agencies and institutions. Wright v. Blue Ridge Area Auth., 134 N.C. App. 668, 518 S.E.2d 772, 1999 N.C. App. LEXIS 899

§ 126-81. Definitions.

As used in this Article:

(1) "A period of war" includes World War I (April 16, 1917, through November 11, 1918), World War II (December 7, 1941, through December 31, 1946), the Korean Conflict (June 27, 1950, through January 31, 1955), the period of time between January 31, 1955, and the end of the hostilities in Vietnam (May 7, 1975), or any other campaign, expedition, or engagement for which a campaign badge or medal is authorized by the United States Department of Defense.

(2) "Veteran" means a person who served in the Armed Forces of the United States on active duty, for reasons other than training, and has been discharged under other than dishonorable conditions.

(3) "Eligible veteran" means:

a. A veteran who served during a period of war; or

b. The spouse of a disabled veteran; or

c. The surviving spouse or dependent of a veteran who dies on active duty during a period of war either directly or indirectly as a result of such service; or

d. A veteran who suffered a service-connected disability during peacetime; or

e. The spouse of a veteran described in subdivision d. of this subsection; or

f. The surviving spouse or dependent of a person who served in the Armed Forces of the United States on active duty, for reasons other than training, who died for service-related reasons during peacetime. (1987 (Reg. Sess., 1988), c. 1064, s. 1.)

§ 126-82. State Personnel Commission to provide for preference.

(a) The State Personnel Commission shall provide that in evaluating the qualifications of an eligible veteran against the minimum requirements for obtaining a position, credit shall be given for all military service training or schooling and experience that bears a reasonable and functional relationship to the knowledge, skills, and abilities required for the position.

(b) The State Personnel Commission shall provide that if an eligible veteran has met the minimum requirements for the position, after receiving experience credit under subsection (a) of this section, he shall receive experience credit as determined by the Commission for additional related and unrelated military service.

(c) The State Personnel Commission may provide that in reduction in force situations where seniority or years of service is one of the considerations for retention, an eligible veteran shall be accorded credit for military service.

(d) Any eligible veteran who has reason to believe that he or she did not receive a veteran's preference in accordance with the provisions of this Article or rules adopted under it may appeal directly to the State Personnel Commission.

(e) The willful failure of any employee subject to the provisions of Article 8 of this Chapter to comply with the provisions of this Article or rules adopted under it constitutes personal misconduct in accordance with the provisions and promulgated rules of this Chapter, including those for suspension, demotion, or dismissal. (1987 (Reg. Sess., 1988), c. 1064, s. 1.)

CASE NOTES

Veteran's Preference. — The Commission's rule that the veteran's preference applies only to "initial selection" and "reduction in force" situations was reasonable and permissible. Dunn v. North Carolina Dep't of Human Resources, 124 N.C. App. 158, 476 S.E.2d 383 (1996).

OPINIONS OF ATTORNEY GENERAL

The State Personnel Commission has the statutory authority, under this section and G.S. 126-4, to promulgate a rule regarding the application of a veteran's preference in the form of an additional ten points to be awarded where a numerically scored examination is used as part of the selection process. See opinion of Attorney General to Mr. Ronald Penny, State Personnel Director, Office of State Personnel, 1998 N.C.A.G. 10 (2/12/98).

§ 126-83. Exceptions.

Notwithstanding G.S. 126-5, and notwithstanding provisions in that section that only certain Articles of this Chapter apply to some employees, this Article applies to all persons covered by this Chapter except those exempted by G.S. 126-5(c)(2), G.S. 126-5(c)(3), G.S. 126-5(c)(4), G.S. 126-5(c1), G.S. 126-5(c2), or G.S. 126-5(c3), but this Article does not apply to those persons covered by G.S. 126-5(a)(2). G.S. 128-15 shall apply to those persons exempted from coverage of this Article, but shall not apply to any person covered by this Article. (1987 (Reg. Sess., 1988), c. 1064, s. 1; 1991, c. 65, s. 9.)

CASE NOTES

Application of Veterans Preference. — Pursuant to this section, employees of the System designated in G.S. 126-5(a)(2) are expressly excluded from the preference afforded by G.S. 126-80 but, if qualified under G.S. 128-15, are entitled to the veterans preference thereunder applicable to all employees of State departments, agencies and institutions. Wright v. Blue Ridge Area Auth., 134 N.C. App. 668, 518 S.E.2d 772, 1999 N.C. App. LEXIS 899 (1999), cert. denied, 351 N.C. 122, 541 S.E.2d 472 (1999).

Article 14.

Protection for Reporting Improper Government Activities.

§ 126-84. Statement of policy.

(a) It is the policy of this State that State employees shall be encouraged to report verbally or in writing to their supervisor, department head, or other appropriate authority, evidence of activity by a State agency or State employee constituting:

(1) A violation of State or federal law, rule or regulation;
(2) Fraud;
(3) Misappropriation of State resources;
(4) Substantial and specific danger to the public health and safety; or
(5) Gross mismanagement, a gross waste of monies, or gross abuse of authority.

(b) Further, it is the policy of this State that State employees be free of intimidation or harassment when reporting to public bodies about matters of public concern, including offering testimony to or testifying before appropriate legislative panels. (1989, c. 236, s. 1; 1997-520, s. 5.)

CASE NOTES

Construction with Other Statutes. — G.S. 126-36(b) merely provides a plaintiff with "the right to appeal" a wrongful retaliation claim directly to the State Personnel Commission. and such "right to appeal" does not otherwise bar an action which meets the requirements of the Whistleblower Act, G.S. 126-84 et seq.; when G.S. 126-36(b) is read in para materia with the Whistleblower Act, the two statutes are not irreconcilable. Wells v. N.C. Dep't of Corr., 152 N.C. App. 307, 567 S.E.2d 803, 2002 N.C. App. LEXIS 929 (2002).

§ 126-85. Protection from retaliation.

(a) No head of any State department, agency or institution or other State employee exercising supervisory authority shall discharge, threaten or otherwise discriminate against a State employee regarding the State employee's compensation, terms, conditions, location, or privileges of employment because the State employee, or a person acting on behalf of the employee, reports or is about to report, verbally or in writing, any activity described in G.S. 126-84, unless the State employee knows or has reason to believe that the report is inaccurate.

(a1) No State employee shall retaliate against another State employee because the employee, or a person acting on behalf of the employee, reports or is about to report, verbally or in writing, any activity described in G.S. 126-84.

(b) No head of any State department, agency or institution or other State employee exercising supervisory authority shall discharge, threaten or otherwise discriminate against a State employee regarding the employee's compensation, terms, conditions, location or privileges of employment because the State employee has refused to carry out a directive which in fact constitutes a violation of State or federal law, rule or regulation or poses a substantial and specific danger to the public health and safety.

(b1) No State employee shall retaliate against another State employee because the employee has refused to carry out a directive which may constitute a violation of State or federal law, rule or regulation, or poses a substantial and specific danger to the public health and safety.

(c) The protections of this Article shall include State employees who report any activity described in G.S. 126-84 to the State Auditor as authorized by G.S. 147-64.6(c)(16). (1989, c. 236, s. 1; 1997-520, s. 6.)

CASE NOTES

Summary Judgment Appropriate. — Where although plaintiff's complaint contained allegations of Whistleblower violations, plaintiff's concessions made it clear that certain defendants committed no violations of the Whistleblower Act, the trial court should have granted summary judgment on these claims. Minneman v. Martin, 114 N.C. App. 616, 442 S.E.2d 564 (1994).

Where defendant's motion for summary judgment was amply supported by evidence establishing a legitimate reason for plaintiff's transfer to a substantially similar job, and plaintiff failed to meet her burden of coming forward with a showing that defendant's stated reasons were not simply a pretext for discrimination, the trial court properly granted summary judgment in favor of defendant. Kennedy v. Guilford Technical Community College, 115 N.C. App. 581, 448 S.E.2d 280 (1994).

Trial court properly granted summary judgment for the university and university officials on a campus police officer's claim that the officer was disciplined in retaliation for refusing to withdraw a citation issued to a university trustee's child; the officer failed to appeal an administrative order that upheld the disciplinary action, and therefore failed to exhaust administrative remedies. Swain v. Elfland, 145 N.C. App. 383, 550 S.E.2d 530, 2001 N.C. App.

LEXIS 663 (2001), cert. denied, 354 N.C. 228, 554 S.E.2d 832 (2001).

A prima facie claim under this statute consists of the following elements: (1) plaintiff engaged in protected activity, (2) followed by an adverse employment action, and (3) that the protected conduct was a substantial or motivating factor in the adverse action. Hanton v. Gilbert, 126 N.C. App. 561, 486 S.E.2d 432 (1997).

Retaliatory Discharge Motivated by Complaints of Racial Discrimination. — Leave to amend to add a claim under the North Carolina Whistleblower Act was granted because the provisions of that Act referring to retaliation for reporting a violation of state or federal statutes applied to claims for retaliatory discharge motivated by the employee's complaint of racial discrimination. Jenkins v. Trs. of Sandhills Cmty. Coll., — F. Supp. 2d —, 2002 U.S. Dist. LEXIS 25252 (M.D.N.C. Dec. 3, 2002).

Retaliatory Firing Not Shown. — Where the evidence was that there were questions regarding the adequacy of plaintiff's performance, of which plaintiff had knowledge, even before his reports and the nonappointment was based on the plaintiff's inability to collaborate with others the evidence was simply too speculative to support a finding that the plaintiff's nonrenewal was in any way related to the report. Aune v. University of N.C., 120 N.C. App. 430, 462 S.E.2d 678 (1995).

Where defendants motion for summary judgment was supported with evidence that teacher's termination was based on insubordination and the teacher failed to meet her burden of coming forward with evidence which showed that whistleblowing activity was a substantial causative factor for her dismissal, summary judgment for defendants was appropriate. Hanton v. Gilbert, 126 N.C. App. 561, 486 S.E.2d 432 (1997).

CASE NOTES

Application to District Attorneys. — The former administrative assistant to a district attorney made a prima facie claim of retaliatory discharge under this section, where her evidence tended to show that she had received satisfactory performance evaluations before she spoke to state investigators concerning their investigation of the district attorney but was discharged almost immediately thereafter. Caudill v. Dellinger, 129 N.C. App. 649, 501 S.E.2d 99 (1998), cert. denied, 349 N.C. 353, 517 S.E.2d 888 (1998), aff'd, 350 N.C. 89, 511 S.E.2d 304 (1999).

Claims for Retaliatory Discharge Motivated by Complaints of Racial Discrimination. — Leave to amend to add a claim under the North Carolina Whistleblower Act was granted because the provisions of that Act referring to retaliation for reporting a violation of state or federal statutes applied to claims for retaliatory discharge motivated by the employee's complaint of racial discrimination. Jenkins v. Trs. of Sandhills Cmty. Coll., — F. Supp. 2d —, 2002 U.S. Dist. LEXIS 25252 (M.D.N.C. Dec. 3, 2002).

Choice of Remedies. — State employee may choose to pursue a whistleblower claim pursuant to G.S. 126-85 in either the superior court or the Office of Administrative Hearings, but not both. Swain v. Elfland, 145 N.C. App. 383, 550 S.E.2d 530, 2001 N.C. App. LEXIS 663 (2001), cert. denied, 354 N.C. 228, 554 S.E.2d 832 (2001).

§ 126-87. Remedies.

A court, in rendering a judgment in an action brought pursuant to this Article, may order an injunction, damages, reinstatement of the employee, the payment of back wages, full reinstatement of fringe benefits and seniority rights, costs, reasonable attorney's fees or any combination of these. If an application for a permanent injunction is granted, the employee shall be awarded costs and reasonable attorney's fees. If in an action for damages the court finds that the employee was injured by a willful violation of G.S. 126-85, the court shall award as damages three times the amount of actual damages plus costs and reasonable attorney's fees against the individual or individuals found to be in violation of G.S. 126-84. (1989, c. 236, s. 1.)

§ 126-88. Notice of employee protections and obligations.

It shall be the duty of an employer of a State employee to post notice in accordance with G.S. 95-9 or use other appropriate means to keep his employees informed of their protections and obligations under this Article. (1989, c. 236. s. 1.)

Article 15.

Communications With Members of the General Assembly.

§ 126-90. Communications with members of the General Assembly.

A State employee's right to speak to a member of the General Assembly at the member's request shall not be directly or indirectly limited by the employee's supervisor or by any policy of the department, agency, or institution that employs that State employee. (1997-443, s. 22.2(a).)

Session Laws 1977, c. 70, s. 2, provided that whenever the words "Department of Military and Veterans Affairs" were used in G.S. 127A-1 through G.S. 127A-195, the same would be deleted and the words "Department of Crime Control and Public Safety" would be inserted in lieu thereof. The act made no mention of the Secretary of Military and Veterans Affairs; however, in order to give effect to its obvious intent, the editors have substituted "Secretary of Crime Control and Public Safety" for "Secretary of Military and Veterans Affairs" throughout this Chapter.

(a) The Governor is authorized to organize such part of the unorganized militia as a State force for discipline and training, into companies, battalions, regiments, brigades or similar organizations, as may be deemed necessary for the defense of the State; to maintain, uniform and equip such military force within the appropriations available; to exercise discipline in the same manner as is now or may hereafter be provided by the laws of the State for the national guard. Such military force shall be subject to the call or the order of the Governor to execute the law and secure the safety of persons and property, suppress riots or insurrections, repel invasions or provide disaster relief, as may now or hereafter be provided by law for the national guard or for the State militia.

(b) Such military force shall be designated as the "North Carolina State Defense Militia" and shall be composed of personnel of the unorganized militia as may volunteer for service therein or be drafted as provided by law. To be eligible for service in an enlisted status, a person must be at least 17 years of age. To be eligible for service as an officer, a person must be at least 18 years of age. The force and its personnel shall be additional to and distinct from the national guard organized under existing law. A person may not become a member of the defense militia established under this section, if a member of a reserve component of the armed forces.

(c) The Governor is hereby authorized: to prescribe rules and regulations governing the appointment of officers, the enlistment of other personnel, the organization, administration, equipment, discipline and discharge of the personnel of such military force; to requisition from the Secretary of Defense such arms and equipment as may be in possession of and can be spared by the Department of Defense; and to furnish the facilities of available armories, equipment, State premises and property, for the purpose of drill and instruction.

(d) Such force shall not be called, ordered, or in any manner drafted, as such, into the military service of the United States, but no person shall by reason of membership therein, be exempt from military service under any federal law.

(e) The Governor is hereby authorized to transfer to the benefit of the State defense militia any available and unexpended funds which he shall find necessary for its use from any appropriations to the national guard by the General Assembly, and for the same purpose to allot moneys from the Contingency and Emergency Fund with the concurrence of the Council of State. Upon disbandment of the State defense militia any moneys or balance to

the credit of any unit of this organization shall be paid into the State treasury for the benefit of the national guard, and all property, clothing, and equipment belonging to the State shall be transferred to the account of the national guard for disposition in accordance with the best interests of the State and as deemed advisable by the Governor. Upon disbandment of any unit of the State defense militia prior to the disbandment of the entire organization, the Governor is authorized to direct the transfer of any State property or balance of funds of the disbanded unit to any other unit, including any new unit or units organized to fill vacancies, or otherwise, as the Governor may direct.

(f) The North Carolina State defense militia shall be subject to the military laws of the State not inconsistent with or contrary to the provisions contained in this Article with the following exceptions:

(h) All payments are to be made by the Secretary of the Department of Crime Control and Public Safety in accordance with State laws in semiannual installments on the first day of July and the first day of January of each year, but no payment shall be made unless all assemblies and duties required by law are duly performed by all organizations named.

(i) The commander of each organization participating in the appropriation herein named shall render an itemized statement of all funds received from any source whatsoever for the support of the organization in such manner and on such forms as may be prescribed by the Secretary of the Department of Crime Control and Public Safety. Failure on the part of any commander to submit promptly when due the financial statement of the organization will be sufficient cause to withhold all appropriations for the organization. Age and membership requirements for the State defense militia generally, as set forth in G.S. 127A-80 shall apply. The training of the cadre need not be in accordance with training regulations issued by the Department of Defense. The provisions of G.S. 127A-80 (c), (d), (g), (h) and (i) shall also apply to cadres.

(d) The total authorized strength of the cadre, its authorized officer and enlisted strength, the composition of each of its units or commands, and the allocation of cadre units or commands among the counties, cities, and towns of the State, shall be as prescribed by the Governor in suitable regulations enforced through the Adjutant General, or as otherwise provided by law.

§ 127A-110. Proceedings against third party injuring or killing guard personnel.

(a) The right to compensation and other benefits under G.S. 127A-108 shall not be affected by the fact that the injury or death was caused under circumstances creating a liability in some person other than the State to pay damages therefor, such person hereinafter being referred to as the "third party." The respective rights and interests of the guard member under this Article, and the State, if any, in respect of the common-law cause of action against such third party and the damages recovered shall be as set forth in this section.

(b) The guard member or personal representative if guard member be dead, shall have the exclusive right to proceed to enforce the liability of the third party by appropriate proceedings if such proceedings are instituted not later

than 12 months after the date of injury or death, whichever is later. During said 12-month period, and at any time thereafter if summons is issued against the third party during said 12-month period, the guard member or personal representative shall have the right to settle with the third party and to give a valid and complete release of all claims to the third party by reason of such injury or death, subject to the provisions of (h) below.

(c) If settlement is not made and summons is not issued within said 12-month period, then all rights of the guard member, or personal representative if guard member be dead, against the third party shall pass by operation of the period fixed by the statute of limitations applicable to such rights and if the State shall not have settled with or instituted proceedings against the third party within such time, then all such rights shall revert to the guard member or personal representative 60 days before the expiration of the applicable statute of limitations.

(d) The person in whom the right to bring such proceeding or make settlement is vested shall, during the continuation thereof, also have the exclusive right to make settlement with the third party and the release of the person having the right shall fully acquit and discharge the third party except as provided by (h) below. A proceeding so instituted by the person having the right shall be brought in the name of the guard member or personal representative and the State shall not be a necessary or proper party thereto. If the guard member or personal representative should refuse to cooperate with the State by being the party plaintiff, then the action shall be brought in the name of the State and the guard member or personal representative shall be made a party plaintiff or party defendant by order of court.

(e) The amount of compensation and other benefits paid or payable on account of such injury or death shall not be admissible in evidence in any proceeding against the third party. If the third party defending such proceeding, by answer duly served on the State, sufficiently alleges that actionable negligence of the State joined and concurred with the negligence of the third party in producing the injury or death, then an issue shall be submitted to the jury in such case as to whether actionable negligence of the State joined and concurred with the negligence of the third party in producing the injury or death. The State shall have the right to appear, to be represented, to introduce evidence, to cross-examine adverse witnesses, and to argue to the jury as to this issue as fully as though it were a party although not named or joined as a party to the proceeding. Such issue shall be the last of the issues submitted to the jury. If the verdict shall be that actionable negligence of the State did join and concur with that of the third party in producing the injury or death, then the court shall reduce the damages awarded by the jury against the third party by the amount which the State would otherwise be entitled to receive therefrom by way of subrogation hereunder and the entire amount recovered, after such reduction, shall belong to the guard member or personal representative free of any claim by the State and the third party shall have no further right by way of contribution or otherwise against the State, except any right which may exist by reason of an express contract of indemnity between the State and the third party, which was entered into prior to the injury to the guard member.

(f)(1) Any amount obtained by any person by settlement with, judgment against, or otherwise from the third party by reason of such injury or death shall be disbursed by order of the court for the following purposes and in the following order of priority:

a. First to the payment of actual court costs taxed by judgment.

b. Second to the payment of the fee of the attorney representing the person making settlement or obtaining judgment, and such fee shall not exceed one third of the amount obtained or recovered of the third party.

c. Third to the reimbursement of the State for all benefits by way of compensation or medical treatment expense paid or to be paid by the State pursuant to G.S. 127A-108.

d. Fourth to the payment of any amount remaining to the guard member or personal representative.

(2) The attorney fee paid under (f)(1) shall be paid by the guard member and the State in direct proportion to the amount each shall receive under (f)(1)c and (f)(1)d hereof and shall be deducted from such payments when distribution is made.

(g) In any proceeding against or settlement with the third party, every party to the claim for compensation shall have a lien to the extent of the party's interest under (f) hereof upon any payment made by the third party by reason of such injury or death, whether paid in settlement, in satisfaction of judgment, as consideration for covenant not to sue, or otherwise and such lien may be enforced against any person receiving such funds. Neither the guard member or personal representative nor the State shall make any settlement with or accept any payment from the third party without the written consent of the other and no release to or agreement with the third party shall be valid or enforceable for any purpose unless both State and guard member or personal representative join therein; provided, that this sentence shall not apply if the State is made whole for all benefits paid or to be paid by him under this Chapter less attorney's fees as provided by (f)(1) and (2) hereof and the release to or agreement with the third party is executed by the guard member. The Attorney General shall have the right on behalf of the State to reduce by compromise its claim.

(h) Institution of proceedings against or settlement with the third party, or acceptance of benefits under this Chapter, shall not in any way or manner affect any other remedy which any party to the claim for compensation may have except as otherwise specifically provided in this Chapter, and the exercise of one remedy shall not in any way or manner be held to constitute an election of remedies so as to bar the other. (1967, c. 1081, s. 1; 1975, c. 604, s. 2.)

§ 127A-111. Civilian leave option.

(a) A member of the North Carolina National Guard called into service of the State by the Governor shall have the right to take leave without pay from his or her civilian employment. No member of the North Carolina National Guard shall be forced to use or exhaust his or her vacation or other accrued leaves from his or her civilian employment for a period of active service. The choice of leave shall be solely within the discretion of the member.

(b) The Commissioner of Labor shall enforce the provisions of this section pursuant to Chapter 95 of the General Statutes. (1997-153, s. 4.)

National Guard Mutual Assistance Compact.

§ 127A-175. Purposes.

(a) Provide for mutual aid among the party states in the utilization of the national guard to cope with emergencies.

(b) Permit and encourage a high degree of flexibility in the deployment of national guard forces in the interest of efficiency.

(c) Maximize the effectiveness of the national guard in those situations which call for its utilization under this Compact.

(d) Provide protection for the rights of national guard personnel when serving in other states on emergency duty. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-176. Entry into force and withdrawal.

(a) This Compact shall enter into force when enacted into law by any two states. Thereafter, this Compact shall become effective as to any other state upon its enactment thereof.

(b) Any party state may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year

after the governor of the withdrawing state has given notice in writing of such withdrawal to the governors of all other party states. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-177. Definitions; mutual aid.

(a) As used in this Article:

(1) "Emergency" means an occurrence or condition, temporary in nature, in which police and other public safety officials and locally available national guard forces are, or may reasonably be expected to be, unable to cope with substantial and imminent danger to the public safety.

(2) "Requesting state" means the state whose governor requests assistance in coping with an emergency.

(3) "Responding state" means the state furnishing aid, or requested to furnish aid.

(b) Upon request of the governor of a party state for assistance in an emergency, the governor of a responding state shall have authority under this Compact to send without the borders of his state and place under the temporary command of the appropriate national guard or other military authorities of the requesting state all or any part of the national guard forces of his state as he may deem necessary, and the exercise of his discretion in this regard shall be conclusive.

(c) The governor of a party state may withhold the national guard forces of his state from such use and recall any forces or part or member thereof previously deployed in a requesting state.

(d) Whenever national guard forces of any party state are engaged in another state in carrying out the purposes of this Compact, the members thereof so engaged shall have the same powers, duties, rights, privileges and immunities as members of national guard forces in such other state. The requesting state shall save members of the national guard forces of responding states harmless from civil liability for acts or omissions in good faith which occur in the performance of their duty while engaged in carrying out the purposes of this Compact, whether the responding forces are serving the requesting state within its borders or are in transit to or from such service.

(e) Subject to the provisions of subsections (f), (g) and (h) of this section, all liability that may arise under the laws of the requesting state, the responding state, or a third state on account of or in connection with a request for aid, shall be assumed and borne by the requesting state.

(f) Any responding state rendering aid pursuant to this Compact shall be reimbursed by the requesting state for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost of the materials, transportation and maintenance of national guard personnel and equipment incurred in connection with such request: Provided, that nothing herein contained shall prevent any responding state from assuming such loss, damage, expense or other cost.

(g) Each party state shall provide, in the same amounts and manner as if they were on duty within their state, for the pay and allowances of the personnel of its national guard units while engaged without the state pursuant to this Compact and while going to and returning from such duty pursuant to this Compact. Such pay and allowances shall be deemed items of expense reimbursable under subsection (f) by the requesting state.

(h) Each party state providing for the payment of compensation and death benefits to injured members and the representatives of deceased members of its national guard forces in case such members sustain injuries or are killed within their own state, shall provide for the payment of compensation and death benefits in the same manner and on the same terms in case such

members sustain injury or are killed while rendering aid pursuant to this Compact. Such compensation and death benefits shall be deemed items of expense reimbursable pursuant to subsection (f) of this section. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-178. Delegation.

Nothing in this Compact shall be construed to prevent the governor of a party state from delegating any of his responsibilities or authority respecting the national guard, provided that such delegation is otherwise in accordance with law. For purposes of this Compact, however, the governor shall not delegate the power to request assistance from another state. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-179. Limitations.

Nothing in this Compact shall:

(1) Expand or add to the functions of the national guard, except with respect to the jurisdictions within [which] such functions may be performed;

(2) Authorize or permit national guard units to be placed under the field command of any person not having the military or national guard rank or status required by law for the field command position in question. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-180. Construction and severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state participating herein, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-181. Payment of liability to responding state.

Upon presentation of a claim therefor by an appropriate authority of a state whose national guard forces have aided this State pursuant to the Compact, any liability of this State pursuant to G.S. 127A-177(f) of this Compact shall be paid out of the general fund. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-182. Status, rights and benefits of forces engaged pursuant to Compact.

In accordance with G.S. 127A-177(h) of this Compact, members of the national guard forces of this State shall be deemed to be in State service at all times when engaged pursuant to this Compact, and shall be entitled to all rights and benefits provided pursuant to the laws of this State. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-183. Injury or death while going to or returning from duty.

All benefits to be paid under G.S. 127A-177(h) of the foregoing Compact shall include any injury or death sustained while going to or returning from such duty. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§ 127A-184. Authority of responding state required to relieve from assignment or reassign officers.

Nothing in the foregoing Compact shall authorize or permit state officials or military officers of the requesting state to relieve from assignment or reassign officers or noncommissioned officers of national guard units of the responding state without authorization by the appropriate authorities of the responding state. (1969, c. 674, s. 1; 1975, c. 604, s. 2.)

§§ 127A-185 through 127A-189: Reserved for future codification purposes.

§ 127A-191. Purpose.

The General Assembly of North Carolina, recognizing that the North Carolina national guard is the only organized, trained and equipped military force subject to the control of the State, hereby establishes a program of tuition assistance for qualifying guard members for the purpose of encouraging voluntary membership in the guard, improving the educational level of its members, and thereby benefiting the State as a whole. (1975, c. 917, s. 3.)

§ 127A-192. Definitions.

(b) "Private Educational Institutions". — Any junior college, senior college or university which is operated and governed by private interests not under the control of the federal, State or any local government, which is located within and licensed by the State of North Carolina, which does not operate for profit, whose curriculum is primarily directed toward the awarding of associate, baccalaureate or graduate degrees, which agrees to the applicable administration and funding provisions of this Article.

(c) "Secretary". — The Secretary of Crime Control and Public Safety or his designee.

(d) "State Educational Institutions". — Any of the constituent institutions of the University of North Carolina, or any community college operated under the provisions of Chapter 115D of the General Statutes of North Carolina.

§ 127A-193. Benefit.

The benefit provided under this Article shall consist of a monetary educational assistance grant not to exceed two thousand dollars ($2,000) per academic year to qualifying members of the North Carolina national guard. Benefits shall be payable for a period of one academic year at a time, renewable at the option of the Secretary for a maximum of eight thousand dollars ($8,000). (1975, c. 917, s. 5; 1977, c. 228, s. 2; 1983 (Reg. Sess., 1984), c. 1034, ss. 99, 100; 1993 (Reg. Sess., 1994), c. 769, s. 22.3; 2000-67, s. 18.)

§ 127A-194. Eligibility.

(a) Active members of the North Carolina national guard who are enrolled or who shall enroll in any business or trade school, private educational institution or State educational institution shall be eligible to apply for this tuition assistance benefit: Provided, that the applicant has a minimum obligation of two years remaining as a member of the national guard from the end of the academic period for which tuition assistance is provided or that the applicant commit himself or herself to extended membership for at least two additional years from the end of said academic period.

(b) This tuition assistance benefit shall be applicable to students in the following categories:

Editor's Note. — Session Laws 1987, c. 564, s. 12, effective July 6, 1987, directed that "community college" be substituted for "community college or technical institute" in subdivision (b)(1) of G.S. 127-194. At the direction of the Revisor of Statutes, the phrase "or technical institute" has been placed in brackets at the end of subdivision (b)(1) of this section, which was apparently the section intended to be amended by the 1987 act.

§ 127A-195. Administration and funding.

(a) The Secretary of Crime Control and Public Safety is charged with the administration of the tuition assistance program under this Article. He may delegate administrative tasks to other persons within the Department of Crime Control and Public Safety as he deems best for the orderly administration of this program.

(b) The Secretary shall determine the eligibility of applicants, select the benefit recipients, establish the effective date of the benefit, and may suspend or revoke the benefit if he finds that the recipient does not maintain an adequate academic status, or if the recipient engages in riots, unlawful demonstrations, the seizure of educational buildings, or otherwise engages in disorderly conduct, breaches of the peace, or unlawful assemblies. The Secretary shall maintain such records and shall promulgate such rules and regulations as he deems necessary for the orderly administration of this program. The Secretary may require of business or trade schools or State or private educational institutions such reports and other information as he may

need to carry out the provisions of this Article and he shall disburse benefit payments for recipients upon certification of enrollment by the enrolling institutions.

(c) All benefit disbursements shall be made to the business or trade school or State or private educational institution concerned, for credit to the tuition account of each recipient.

(d) The participation by any business or trade school or private educational institution in this program shall be subject to the applicable provisions of this Article and to examination by the State Auditor of the accounts of the benefit recipients attending or having attended such private schools or institutions. The Secretary may defer making an award or may suspend an award in any business or trade school or private educational institution which does not comply with the provisions of this Article relating to said institutions. The manner of payment to any business or trade school or private educational institution shall be as prescribed by the Secretary.

(e) Irrespective of other provisions of this Article, the Secretary may prescribe special procedures for adjusting the accounts of benefit recipients who, for reasons of illness, physical inability to attend classes or for other valid reason satisfactory to the Secretary, may withdraw from any business or trade school or State or private educational institution prior to the completion of the term, semester, quarter or other academic period being attended at the time of withdrawal. (1975, c. 917, s. 7; 1977, c. 70, s. 2.)

§§ 127A-196 through 127A-200: Reserved for future codification purposes.

Article 16.

National Guard Reemployment Rights.

§ 127A-201. Entitlement.

If the employee is no longer qualified for his previous employment, he shall be placed in another position, for which he is qualified, and which will give him appropriate seniority, status and salary, unless the employer's circumstances now make the placement unreasonable. (1979, c. 155, s. 1.)

CASE NOTES

Effect of Statute on Wrongful Termination Claim. — Cause of action asserted by a North Carolina National Guard Service-member for common law wrongful termination was precluded by the statutory scheme set forth in G.S. 127A-202, 127A-202.1, 127A-203, which

provided the procedure for recovery and remedies available to a servicemember terminated because of National Guard status, and the employer's motion to dismiss the wrongful termination cause of action was granted. Lederer v. Hargraves Tech. Corp., 256 F. Supp. 2d 467, 2003 U.S. Dist. LEXIS 5895 (W.D.N.C. 2003).

§ 127A-202.1. Discrimination against persons who serve in the North Carolina National Guard and acts of reprisal prohibited.

(a) It is the policy of this State that all individuals shall be afforded the right to perform, apply to perform, or have an obligation to perform service in the North Carolina National Guard without fear of discrimination or retaliatory action from their employer or prospective employer on the basis of that membership, application for membership, performance of service, application for service, or obligation.

(b) An individual who is a member of the North Carolina National Guard who performs, has performed, applies to perform, or has an obligation to perform service in the North Carolina National Guard shall not be denied initial employment, reemployment, retention in employment, promotion, or any benefit of employment by an employer on the basis of that membership, application for membership, performance of service, application for service, or obligation.

(c) A person shall be considered to have denied a member of the North Carolina National Guard initial employment, reemployment, retention in employment, promotion, or a benefit of employment in violation of this section if the member's membership, application for membership, performance of service, application for service, or obligation for service in the North Carolina National Guard is a motivating factor in that person's action, unless the person can prove by the greater weight of the evidence that the same unfavorable action would have taken place in the absence of the member's membership, application for membership, performance of service, application for service, or obligation.

(d) Nothing in this section shall be construed to require a person to pay salary or wages to a member of the North Carolina National Guard during the member's period of active service.

(e) The Commissioner of Labor shall enforce the provisions of this section according to Article 21 of Chapter 95 of the General Statutes, including the rules and regulations issued pursuant to that Article. (1997-153, s. 1.)

§ 127A-203. Penalties for denial.

If any employer, public or private, fails or refuses to comply with G.S. 127A-202, the superior court for the district of the employer's place of business may, upon the filing of a motion, petition, or other appropriate pleading by the employee, require the employer to comply with G.S. 127A-202 and to compensate the employee for any loss of wages or benefits suffered by reason of the employer's unlawful failure or refusal. Chapter 127B.

Military Affairs.

Article 1.

Military Property Sales Facilities.

Article 2.

Discrimination Against Military Personnel.

Article 1.

Military Property Sales Facilities.

§ 127B-1. Military property sales facility defined.

Any person, partnership, association or corporation who engages in the business of selling, consigning, purchasing, transferring or in any way acquiring military property for resale, is a "military property sales facility". Specifically excluded are facilities operated by the United States Government, the State of North Carolina or any of its agencies and persons, partnerships, associations or corporations selling or purchasing military property pursuant to a contract with the United States Government, the State of North Carolina or any of its agencies. (1985, c. 522, s. 1.)

Editor's Note. — Section 2 of Session Laws 1985, c. 522 provided that all local laws governing military property businesses in counties or towns which were inconsistent with the act were repealed.

CASE NOTES

Constitutionality. — This Article, regulating businesses dealing in military goods, is constitutional under the due process and equal protection provisions of the State and federal Constitutions. Poor Richard's, Inc. v. Stone, 321 N.C. 61, 366 S.E.2d 697 (1988).

This article does not violate N.C. Const., Art. I, §§ 1 and 19. Poor Richard's, Inc. v. Stone, 321 N.C. 61, 366 S.E.2d 697 (1988).

The classification created by this Article is not so arbitrary or unreasonable as to be violative of the equal protection requirement. Poor Richard's, Inc. v. Stone, 321 N.C. 61, 366 S.E.2d 697 (1988).

Businesses involved in buying and selling military property have features which distinguish them from other types of retail sales in a way which justifies their regulation. Poor Richard's, Inc. v. Stone, 321 N.C. 61, 366 S.E.2d 697 (1988).

OPINIONS OF ATTORNEY GENERAL

Purpose of this Article appears to be to discourage theft of property from the State and federal armed forces by the establishment of a record both of all military property sold and of the identity of the persons selling it by means of licensure of military property sales facilities. See opinion of Attorney General to the Honorable William N. Martin, 55 N.C.A.G. 31 (1985).

Direct Purchase from Government Requires No License. — If a person, firm or corporation deals only in military property purchased directly from the United States government or this State pursuant to written contract, then that person, firm or corporation is not required to be licensed by this Article. However, the items purchased, if they are indeed "military property" within the meaning of G.S. 127B-2, would nevertheless be subject to recording and reporting requirements by military property sales facilities which might later purchase them. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

§ 127B-2. Military property defined.

"Military property" means property originally manufactured for the United States or State of North Carolina which is a type and kind issued for use in, or furnished and intended for, the military service of the United States or the militia of the State of North Carolina. (1985, c. 522, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Item manufactured for commercial sale, such as camouflage clothing, is not "military property" within the meaning of this section. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

Property such as a desk, which is of a type and kind issued for use in or furnished and intended for the military service of the United States or the militia of this State, is nonetheless not "military property" within the meaning of this Article if it was not originally manufactured for the United States or this State. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

Article is not intended to cover sales and purchases of obsolete military property. See opinion of Attorney General to the Honorable William N. Martin, 55 N.C.A.G. 31 (1985).

The term "military property," as defined in this Article, does not include property originally manufactured for use by the United States military or the North Carolina militia, but which is of a type and kind no longer issued for use in or furnished to the personnel of such military services. See opinion of Attorney General to the Honorable William N. Martin, 55 N.C.A.G. 31 (1985).

Recording and Reporting Requirements. — If a person, firm or corporation deals only in military property purchased directly from the United States government or this State pursuant to written contract, then that person, firm or corporation is not required to be licensed by this Article. However, the items purchased, if they are indeed "military property" within the meaning of this section, would nevertheless be subject to recording and reporting requirements by military property sales facilities which might later purchase them. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

§ 127B-3. License.

No person, partnership, association or corporation shall engage in the business of selling military property or purchasing military property for resale without first having obtained a license to do so from the local governing body of the city, town, or county in which it is located and by paying the county, State, and municipal tax required by law, and otherwise complying with the requirements made in this and succeeding sections. The license shall be posted in a prominent place, easily visible to the public, on the designated premises. (1985, c. 522, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Sales facility need not get separate license from both county and city. If the facility is in a city or town, it can obtain the license from the city or town government. If it is not in a city or town, then it must obtain the license from the county. See opinion of Attorney

General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G 42 (1985).

County may charge fee for issuing licenses. See opinion of Attorney General to Mr. Garris N. Yarborough, Cumberland County Attorney, 55 N.C.A.G. 41 (1985).

§ 127B-4. Local governing authorities to grant and control license; bond.

(a) The governing body of any city, town, or county in this State may grant to such person, partnership, association or corporation as who shall produce satisfactory evidence of good character, a license authorizing such person, partnership, association or corporation to carry on the business of a military property sales facility. The license shall designate the building in which the person, partnership, association or corporation shall carry on the business, and no person, partnership, association or corporation shall carry on the business of a military property sales facility without being duly licensed, nor in any other building than the one designated in the license.

(b) Any person or the principal officers of any association or corporation or all the partners of any partnership applying for a license shall furnish the governing body the following information:

(1) Full name, and any other names used by the applicant during the preceding five years, or in the case of a partnership, association or corporation, the applicant shall list any partnership, association, or corporate names used during the preceding five years;
(2) Current address, and all addresses used by the applicant during the preceding five years;
(3) Physical description;
(4) Age;
(5) Driver's license number, if any, and state of issuance;
(6) Recent color photograph;
(7) Record of felony convictions; and
(8) Record of other convictions during the preceding five years.

(c) Every person, partnership, association or corporation so licensed to carry on the business of a military property sales facility shall, at the time of receiving a license, file with the governing body of the city, town, or county granting the license, a bond payable to the city, town, or county in the sum of one thousand dollars ($1,000), to be executed by the person licensed and by two responsible sureties, or a surety company licensed to do business in the State of North Carolina, to be approved of by the governing body. The bond shall be for the faithful performance of the requirements and obligations pertaining to the business licensed. The governing body, may revoke the license and sue for forfeiture of the bond upon a breach of the licensee's duties under the bond. Any person who may obtain a judgment against a military property sales facility and upon which judgment execution is returned unsatisfied may maintain an action in his own name upon the bond of the military property sales facility, in any court having jurisdiction of the amount demanded to satisfy the judgment. (1985, c. 522, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Facility May Purchase Property at Another Facility. — Subsection (a) does not prohibit a military property sales facility from purchasing military property at the place of business of another military property sales facility. However, the purchasing facility would have to make a record of the transaction in compliance with G.S. 127B-6(a). See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

§ 127B-5. Perjury; punishment.

Any person who shall willfully commit perjury in any application for a permit pursuant to this Article shall be guilty of a Class 1 misdemeanor. (1985, c. 522, s. 1; 1993, c. 539, s. 939; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 127B-6. Records to be kept.

(a) Every military property sales facility owner shall keep a book in which shall be legibly written, at the time of each transaction involving the acquisition by any means of used or new military property by the military property sales facility owner, his employee or agent, from any person, partnership, association or corporation, the following information:

(1) An account and description of the used or new military property including if applicable, the manufacturer's name, the model, the model number, the serial number of the property, and any engraved numbers or initials found on the property. Property lacking any identifying mark or characteristic shall be marked by the military property sales facility owner in such a way as to allow clear identification of the property.
(2) The amount of money paid;
(3) The date of the transaction; and
(4) The name and residence of the person selling, consigning or transferring the used or new military property.

(b) The military property sales facility owner, or his employee or agent shall require that the person selling the new or used military property, to present two forms of positive identification to him before the military property sales facility personnel may complete any transaction regarding the buying, consigning or acquiring of new or used military property. The presentation of any one state or federal government issued identification containing a photographic representation imprinted on it shall constitute compliance with the identification requirements of this paragraph. The military property sales facility owner or his employee or agent shall legibly record this identification information next to the person's name and residence in the book required to be kept. Both the military property sales facility owner, his employee or agent and the seller, consignor or transferor of the military property shall sign the record entry.

(c) The book shall be a permanent record to be kept at all times on the premises of the place of business of the military property sales facility and shall be made available, during regular business hours, to any law enforcement officer who requests to inspect the book. A copy of the records required to be kept by this section shall be filed within 48 hours of the transaction in the office of the local law enforcement agency serving the city, town, or county which issued the license to the military. Mailing the required copy to the local law enforcement agency within 48 hours shall constitute compliance with this section. (1985, c. 522, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Orders shipped to facility from out of state must be recorded and reported in compliance with paragraphs (a) and (c), just as other transactions by mail must be. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

Purchase at Another Facility Recorded. — G.S. 127B-4(a) does not prohibit a military property sales facility from purchasing military property at the place of business of another military property sales facility. However, the purchasing facility would have to make a record of the transaction in compliance with paragraph (a). See opinion of Attorney General to Mr. Paul M. Starzynski, Member,

Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

If military property sales facility purchases items by lot, for example 100 pounds of wool scrap, each scrap need not be listed separately. However, each of the items of scrap should be tagged so that their origin in that lot is discernable. Moreover, where the property has a model number, serial number and/or manufacturer's name, that information must be recorded. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

Record-keeping book called for by paragraph (a) may be loose-leaf. See opinion of Attorney General to Mr. Paul M. Starzynski, Member, Onslow County Board of Commissioners, 55 N.C.A.G. 42 (1985).

Each violation shall constitute a separate and distinct offense. (1985, c. 522, s. 1; 1993, c. 539, s. 940; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

I. General Consideration.
II. Distinguishing Characteristics.
III. Illustrative Cases.

I. GENERAL CONSIDERATION.

At common law there was no limit on the right of a citizen to hold several offices, except the incompatibility of the duties of the several officers. State ex rel. Barnhill v. Thompson, 122 N.C. 493, 29 S.E. 720 (1898).

Necessity of Taking Oath. — The taking of an oath of office is not an indispensable criterion, for the office may exist without it. State ex rel. Clark v. Stanley, 66 N.C. 59 (1872); State ex rel. Bryan v. Patrick, 124 N.C. 651, 33 S.E. 151 (1899).

An officer appointed for a definite time to a legislative office has no vested property therein or contract right thereto of which the legislature cannot deprive him. Mial v. Ellington, 134 N.C. 131, 46 S.E. 961 (1903).

And Legislature May Change Duties and Emoluments. — Although an office is a constitutional one, the legislature may, within reasonable limits, change the statutory duties and diminish the emoluments of such office, if the public welfare requires it. Fortune v. Buncombe County Comm'rs, 140 N.C. 322, 52 S.E. 950 (1905); Commissioners v. Stedman, 141 N.C. 448, 54 S.E. 269 (1906).

The legislature may attach additional duties to an existing office, and it may afterwards lop off those duties and assign them to a new office, leaving the original office as it was before the additional duties were attached to it. State ex rel. Dowtin v. Beardsley, 126 N.C. 119, 35 S.E. 241 (1900).

In respect to offices created and provided for by the Constitution, the people in convention assembled alone can alter, change their tenure, duties or emoluments, or abolish them; while in respect to legislative offices, it is entirely within the power of the legislature to deal with them as public policy may suggest and public interest may demand. Mial v. Ellington, 134 N.C. 131, 46 S.E. 961 (1903).

Unless the Constitution otherwise expressly provides, the legislature has power to increase or vary the duties, or diminish the salary or other compensation appurtenant to the office, or abolish any of its rights or privileges before the end of the term, or to alter or abridge the term, or to abolish the office itself. State ex rel. Caldwell v. Wilson, 121 N.C. 425, 28 S.E. 554 (1897), appeal dismissed, 169 U.S. 586, 18 S. Ct. 435, 42 L. Ed. 865 (1898); Mial v. Ellington, 134 N.C. 131, 46 S.E. 961 (1903).

The legislature may reduce or increase the salaries of such officers as are not protected by the Constitution during their term of office, but cannot deprive them of the whole. Cotten v. Ellis, 52 N.C. 545 (1860).

Manner of Appointment. — Where officers have to be appointed to fill a regular term, the Governor nominates to the Senate, unless it be an officer who is elected by the people, and then he fills the vacancy or term until the people can elect his successor. People ex rel. Battle v. McIver, 68 N.C. 467 (1873). See also, People ex rel. Nichols v. McKee, 68 N.C. 429 (1873); People ex rel. Welker v. Bledsoe, 68 N.C. 457 (1873).

The power to create vacancies in a public office, the incumbents of which are charged with continuing duties and responsibilities, rests, in the absence of provisions to the contrary, in the body possessing the original power of appointment. State ex rel. Greene v. Owen, 125 N.C. 212, 34 S.E. 424 (1899).

Offices whose duties are congruous may be consolidated; but it is just, in cases of consolidation of offices, to postpone the operation of the law until a vacancy appears in the office whose duties are to be transferred. Troy v. Wooten, 32 N.C. 377 (1849).

II. DISTINGUISHING CHARACTERISTICS.

In General. — Public office is tenure by virtue of an appointment, conferred by public authority. Willis v. Melvin, 53 N.C. 62 (1860).

The term embraces the ideas of tenure, duration, emolument and duties. State ex rel. Bryan v. Patrick, 124 N.C. 651, 33 S.E. 151 (1899).

A public office is an agency for the State, and the person whose duty it is to perform this agency is a public officer. State ex rel. Clark v. Stanley, 66 N.C. 59, 8 Am. R. 488 (1872); State ex rel. Barnhill v. Thompson, 122 N.C. 493, 29 S.E. 720 (1898); State Prison v. Day, 124 N.C. 362, 32 S.E. 748 (1899).

This is considered to be the true definition of a public officer in its original, broad sense. The essence of it is the duty of performing an agency, that is, of doing some act or acts or series of acts for the State. State ex rel. Clark v. Stanley, 66 N.C. 59 (1872).

And a Parcel of the Administration of Government. — The true test of a public office is that it is a parcel of the administration of government, or is itself directly created by the lawmaking power. Eliason v. Coleman, 86 N.C. 235 (1882).

Portion of Sovereignty Attaches. — An office or place of trust requiring a proceeding by quo warranto for the removal of the incumbent is defined as a public position to which a portion of the sovereignty of the country, either legislative, executive or judicial, attaches for the time being, and which is exercised for the benefit of the public. State ex rel. Wooten v. Smith, 145 N.C. 476, 59 S.E. 649 (1907).

Combination of Duty and Agency. — The word "office" in its primary signification implies a duty or duties — the agency from the State to perform the duties. The duties of the office are of first consequence, and the agency from the State to perform those duties is the next step in the creation of an office. It is the union of the two factors, duty and agency, which makes the office. State Prison v. Day, 124 N.C. 362, 32 S.E. 748, 46 L.R.A. 295 (1899).

Public Office Distinguished from Public Agency. — The most important characteristic which distinguishes an office from a public agency is that the conferring of the office carries with it a delegation to the individual of some of the sovereign functions of the government. In this respect the terms "office" and "place of trust" as used in our Constitution are synonymous. Doyle v. Aldermen of Raleigh, 89 N.C. 133, 45 Am. R. 677 (1883); State ex rel. Barnhill v. Thompson, 122 N.C. 493, 29 S.E. 720 (1898); State ex rel. Wooten v. Smith, 145 N.C. 476, 59 S.E. 649 (1907).

Addition of Duties to Existing Office. — An act which merely attaches new duties to existing offices does not create a new office. McCullers v. Board of Comm'rs, 158 N.C. 75, 73 S.E. 816 (1911).

Authority to Appoint to Office. — If a person is authorized to appoint to an office, this duty of itself constitutes him a public officer. State ex rel. Clark v. Stanley, 66 N.C. 59, 8 Am. R. 488 (1872); State ex rel. Howerton v. Tate, 68 N.C. 546 (1873).

Office Distinguished from Employment and Contract. — An "office" is defined by good authority as involving a delegation to the individual of some of the sovereign functions of government, to be exercised by him for the benefit of the public, by which it is distinguished from "employment" or "contract." Eliason v. Coleman, 86 N.C. 235 (1882); State ex rel. Barnhill v. Thompson, 122 N.C. 493, 29 S.E. 720 (1898).

A public office is an administrative agency or public employment, and although an office is an employment, it does not follow that every employment is an office. State ex rel. Wooten v. Smith, 145 N.C. 476, 59 S.E. 649 (1907).

Officers Distinguished from Placemen. — The distinction between officers and placemen is that the former are required to take an oath to support the Constitutions of the State and of the United States, while the latter are not. Worthy v. Barrett, 63 N.C. 199 (1869), appeal dismissed, 76 U.S. 611, 19 L. Ed. 565 (1870).

III. ILLUSTRATIVE CASES.

Governor and Others in Executive Department. — The executive department is an agency for the State, and the Governor and others, whose duty it is to discharge this agency, are public officers. State ex rel. Clark v. Stanley, 66 N.C. 59 (1872).

Judges. — The judicial department is an agency for the State, and the judges are public officers. State ex rel. Clark v. Stanley, 66 N.C. 59, 8 Am. R. 488 (1872).

A clerk of the court is a public officer. Wilson v. Jordan, 124 N.C. 683, 33 S.E. 139 (1899).

A recorder is a public officer. Rhodes v.

Love, 153 N.C. 468, 69 S.E. 436 (1910). See State v. Lord, 145 N.C. 479, 59 S.E. 656 (1907).

Members of Legislature. — The legislative department is an agency for the State, and the members of the Senate and of the House of Representatives are public officers in the broad sense in which the term is used in the Constitution of this State. State ex rel. Clark v. Stanley, 66 N.C. 59 (1872).

In Worthy v. Barrett, 63 N.C. 199 (1869), appeal dismissed, 76 U.S. 611, 19 L. Ed. 565 (1870), it is said that "members of the legislature are not officers. Theirs are places of trust and profit, but not offices of trust and profit." Doyle v. Aldermen of Raleigh, 89 N.C. 133 (1883). In this instance the court was using the terms in the restricted sense in which they are used in U.S. Const., Amend. XIV. Lewis v. White, 287 N.C. 625, 216 S.E.2d 134 (1975).

The members of the county board of education are public officers. State ex rel. Barnhill v. Thompson, 122 N.C. 493, 29 S.E. 720 (1898); State ex rel. Greene v. Owen, 125 N.C. 212, 34 S.E. 424 (1899).

State Printer. — Under the acts abolishing the office of State printer and providing for letting of State printing by contract, the position of State printer was not a public office. Brown v. Turner, 70 N.C. 93 (1874).

University Trustees and Directors of State Institutions. — The trustees of The University of North Carolina and the directors of the penitentiary, of the lunatic asylum and of the institution for the deaf, dumb and blind were public officers. People ex rel. Nichols v. McKee, 68 N.C. 429 (1873); People ex rel. Welker v. Bledsoe, 68 N.C. 457 (1873); People ex rel. Badger v. Johnson, 68 N.C. 471 (1873); People ex rel. Rogers v. McGowan, 68 N.C. 520 (1873).

The office of the superintendent of the State Prison, with its attendant duties, is a public office. State Prison v. Day, 124 N.C. 362, 32 S.E. 748 (1899).

A constable is a public officer. Rhodes v. Love, 153 N.C. 468, 69 S.E. 436 (1910).

Chief Inspector of Shellfish Commission. — The office of chief inspector of the Shellfish Commission is a public office. White v. Hill, 125 N.C. 194, 34 S.E. 432 (1899).

A town clerk is a public officer. Rhodes v. Love, 153 N.C. 468, 69 S.E. 436 (1910).

Clerk of the Peace. — See Rhodes v. Love, 153 N.C. 468, 69 S.E. 436 (1910).

Parish Clerk. — See Rhodes v. Love, 153 N.C. 468, 69 S.E. 436 (1910).

Clerk of City Works. — It has even been held that a clerk of the city works is a public officer. Rhodes v. Love, 153 N.C. 468, 69 S.E. 436 (1910).

The position of public administrator is a mere administrative agency, and not an office or place of trust, within former N.C. Const., Art. XIV, § 7 (now N.C. Const., Art. VI, § 9). State ex rel. Wooten v. Smith, 145 N.C. 476, 59 S.E. 649 (1907).

Sexton. — It has been held that a sexton is a public officer. Rhodes v. Love, 153 N.C. 468, 69 S.E. 436 (1910).

The chief engineer of the Western North Carolina Railroad is not a public officer. Eliason v. Coleman, 86 N.C. 235 (1882).

OPINIONS OF ATTORNEY GENERAL

Serving as President of the board of directors of a telephone membership corporation and on the Board of the Rural Electrification Authority is not prohibited dual-office holding. See opinion of Attorney General to Mr. Aaron A. Hathcock, Administrator, Rural Electrification Authority, 52 N.C.A.G. 107 (1983).

Person holding appointive office as police officer can hold position as elected officer in either State or local government, including as a school board member. See opinion of Attorney General to Captain Bobby Kilgore, Monroe Public Safety Department, 55 N.C.A.G. 34 (1985).

Tribal Chairman. — The position of Tribal Chairman is neither an elective nor an appointive office subject to the dual office holding prohibitions of the North Carolina Constitution and related statutes. See opinion of Attorney General to The Honorable Ronnie Sutton, N.C. House of Representatives, 2000 N.C. AG LEXIS 6 (11/17/2000).

§ 128-1.2. Ex officio service by county and city representatives and officials.

Except when the resolution of appointment provides otherwise, whenever the governing body of a county or city appoints one of its own members or officials to another board or commission, the individual so appointed is considered to be serving on the other board or commission as a part of the individual's duties of office and shall not be considered to be serving in a separate office.

As used in this section, the term "official" means (i) in the case of a county, the county manager, acting county manager, interim county manager, county attorney, finance officer, or clerk to the board and (ii) in the case of a city, the city manager, acting city manager, interim city manager, city attorney, finance officer, city clerk, or deputy clerk. As used in this section, the term "city" has the meaning provided in G.S. 160A-1. (1983, c. 651, s. 1; 1991, c. 508, s. 5.)

OPINIONS OF ATTORNEY GENERAL

Tribal Chairman. — The position of Tribal Chairman is neither an elective nor an appointive office subject to the dual office holding prohibitions of the North Carolina Constitution and related statutes. See opinion of Attorney General to The Honorable Ronnie Sutton, N.C. House of Representatives, 2000 N.C. AG LEXIS 6 (11/17/2000).

§ 128-2. Holding office contrary to the Constitution; penalty.

If any person presumes to hold any office, or place of trust or profit, or is elected to a seat in either house of the General Assembly, contrary to Article VI, Sec. 9 of the North Carolina Constitution, he shall forfeit all rights and emoluments incident thereto. (1790, c. 319, P.R.; 1792, c. 366, P.R.; 1793, c. 393, P.R.; 1796, c. 450, P.R.; 1811, c. 811, P.R.; R.C., c. 77, s. 1; Code, s. 1870; Rev., s. 2365; C.S., s. 3201; Ex. Sess., 1924, c. 110; 1971, c. 697, s. 3.)

Cross References. — As to parties to suits for penalties, see G.S. 1-58.

§ 128-3. Bargains for office void.

All bargains, bonds and assurances made or given for the purchase or sale of any office whatsoever, the sale of which is contrary to law, shall be void. (5 and 6 Edw. VI, c. 16, s. 3; R.C., c. 77, s. 2; Code, s. 1871; Rev., s. 2366; C.S., s. 3202.)

CASE NOTES

Theory of Appointments. — By the theory of our government, appointments to office are presumed to be made solely upon the principle detur digniori, and any practice whereby the bare consideration of money is brought to bear in any form upon such appointments to or resignation of office conflicts with and degrades this great principle. The services performed under such appointments are paid for by salary or fees, presumed to be adjusted at the point of adequate remuneration only. Any premium paid to obtain office interferes with this adjustment and tempts to speculation, overcharges and frauds in the effort to restore the balance thus disturbed. Basket v. Moss, 115 N.C. 448, 20 S.E. 733 (1894).

The public has a right to some better test of the capacity of their servants than the fact that they possess the means of purchasing their offices. Basket v. Moss, 115 N.C. 448, 20 S.E. 733 (1894).

Agreements Void. — Public offices are public trusts, and should be conferred solely upon considerations of ability, integrity, fidelity and fitness for the position. Agreements for compensation to procure these tend directly and necessarily to lower the character of the appointments, to the great detriment of the public. Hence, such agreements, of whatever nature, have always been held void as being against public policy. Basket v. Moss, 115 N.C. 448, 20 S.E. 733 (1894).

Contracts to procure appointments to an office or to resign an office in another's favor are void at common law, as well as by statute. Basket v. Moss, 115 N.C. 448, 20 S.E. 733 (1894).

Same—Federal Offices. — Notwithstanding that the office is under the United States government, if an action were brought in our courts to recover upon a bond or mortgage given for such consideration, our courts would hold it void. Basket v. Moss, 115 N.C. 448, 20 S.E. 733 (1894).

§ 128-4. Receiving compensation of subordinates for appointment or retention; removal.

Any official or employee of this State or any political subdivision thereof, in whose office or under whose supervision are employed one or more subordinate officials or employees who shall, directly or indirectly, receive or demand, for himself or another, any part of the compensation of any such subordinate, as the price of appointment or retention of such subordinate, shall be guilty of a Class 1 misdemeanor: Provided, that this section shall not apply in cases in which an official or employee is given an allowance for the conduct of his office from which he is to compensate himself and his subordinates in such manner as he sees fit. Any person convicted of violating this section, in addition to the criminal penalties, shall be subject to removal from office. The procedure for removal shall be the same as that provided for removal of certain local officials

from office by G.S. 128-16 to 128-20, inclusive. (1937, c. 32, ss. 1, 2; 1993, c. 539, s. 942; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 128-5. Oath required before acting; penalty.

Every officer and other person required to take an oath of office, or an oath for the faithful discharge of any duty imposed on him, and also the oath appointed for such as hold any office of trust or profit in the State, shall take all said oaths before entering on the duties of the office, or the duties imposed on such person, on pain of forfeiting five hundred dollars ($500.00) to the use of the poor of the county in or for which the office is to be used, and of being ejected from his office or place by proper proceedings for that purpose. (R.C., c. 77, s. 4; Code, s. 1873; Rev., s. 2367; C.S., s. 3203.)

CASE NOTES

The taking of the oath of office is not an indispensable criterion, for the office may exist without it. It is a mere incident, and constitutes no part of the office. State ex rel. Clark v. Stanley, 66 N.C. 59 (1872); State ex rel. Bryan v. Patrick, 124 N.C. 651, 33 S.E. 151 (1899).

And Acts of Officer May Be Valid Though Oath Not Taken. — Failure to take an oath of office, while it might subject one exercising the duties of the office to a penalty under this section, would not deprive his acts of the validity given those of de facto officers performing the duties of a de jure office. Vance S. Harrington & Co. v. Renner, 236 N.C. 321, 72 S.E.2d 838 (1952).

§ 128-6. Persons admitted to office deemed to hold lawfully.

Any person who shall, by the proper authority, be admitted and sworn into any office, shall be held, deemed, and taken, by force of such admission, to be rightfully in such office until, by judicial sentence, upon a proper proceeding, he shall be ousted therefrom, or his admission thereto be, in due course of law, declared void. (Const., art. 4, s. 25; 1844, c. 38, s. 2; 1848, c. 64, s. 1; R.C., c. 77, s. 3; Code, s. 1872; Rev., s. 2368; C.S., s. 3204.)

CASE NOTES

I. General Consideration.
II. Proceedings to Try Title to Office.

I. GENERAL CONSIDERATION.

The General Assembly has conferred express approval on the judicial doctrine of de facto office by enacting this section. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

The acts of a de facto officer are valid as to the public and third persons. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

Acts of de facto officers, who exercise their office for a considerable length of time, are as effectual when they concern the rights of third persons or the public as if they were officers de jure. Hughes v. Long, 119 N.C. 52, 25 S.E. 743 (1896).

The acts of one purporting to be an officer are evidence of his authority; and such acts, as to third persons, are to be taken as valid while the incumbent is thus acting. Swindell v. Warden, 52 N.C. 575 (1860).

The official acts of persons entering into office under color of an irregular election are of full force until such officers are removed by a proper proceeding. Commissioners of Trenton v. McDaniel, 52 N.C. 107 (1859).

Usurping, De Facto and De Jure Officers Distinguished. — A usurper is one who takes possession without any authority. His acts are utterly void, unless he continues to act for so long a time or under such circumstances as to afford a presumption of his right to act. And then his acts are valid as to the public and third persons. But he has no defense in a direct proceeding against himself. A de facto officer is one who goes in under color of authority or who exercises the duties of the office so long or

under such circumstances as to raise a presumption of his right, in which cases his necessary official acts are valid as to the public and third persons; but he may be ousted by a direct proceeding. A de jure officer is one who is regularly and lawfully elected or appointed and inducted into office and exercises the duties as his right. All his necessary official acts are valid, and he cannot be ousted. The only difference between an officer de facto and an officer de jure is that the former may be ousted in a direct proceeding against him, while the latter cannot be. So far as the public and third persons are concerned, there is no difference whatever. The acts of one have precisely the same force and effect as the acts of the other. People ex rel. Norfleet v. Staton, 73 N.C. 546 (1875).

A mere intruder or usurper is not ordinarily, but may become, an officer de facto in some cases. This can happen only by the continued exercise of the office by him and the acquiescence therein by the public authorities and the public for such length of time as to afford to citizens generally a strong presumption that he had been duly appointed. But when without color of authority he simply assumes to act, to exercise authority as an officer, and the public knows the fact, or reasonably ought to know that he is a usurper, his acts are absolutely void for all purposes. The mere fact that, apart from his usurpation, his supposed official acts were fair and honest could not impart to them validity and efficiency. Burke v. Elliott, 26 N.C. 355 (1844); People ex rel. Norfleet v. Staton, 73 N.C. 546 (1875); State ex rel. Van Amringe v. Taylor, 108 N.C. 196, 12 S.E. 1005, 23 Am. St. R. 51, 12 L.R.A. 202 (1891); Whitehead v. Pittman, 165 N.C. 89, 80 S.E. 976 (1914).

A usurper in office is distinguished from a de facto officer in that a usurper takes possession of office and undertakes to act officially without any authority, either actual or apparent. Since he is not an officer at all or for any purpose, his acts are absolutely void, and they can be impeached at any time in any proceeding. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

This section applies to a person who, having duly qualified, is performing the duties of the office under color of right, and not to a case where the appointee of the Governor, requiring the concurrence of the Senate in order to hold his office for the full unexpired term of his predecessor, is holding over after the Senate has met and concurred in the appointment of another. State ex rel. Salisbury v. Croom, 167 N.C. 223, 83 S.E. 354 (1914).

Who Is Officer De Facto. — An officer de facto is one whose acts, though not those of a lawful officer, the law, upon principles of policy and justice, will hold valid, so far as they involve the interests of the public and third persons, where the duties of the office were exercised (1) without a known appointment or election, but under such circumstances of reputation or acquiescence as were calculated to induce people, without inquiry, to submit to or revoke his action, supposing him to be the officer he assumed to be; (2) under color of a known and valid appointment or election, but where the officer failed to conform to some precedent requirement or condition, such as taking an oath, giving a bond, or the like; (3) under color of a known election or appointment, void because there was a want of power in the electing or appointing body, or by reason of some defect or irregularity in its exercise, such ineligibility, want of power or defect being unknown to the public; (4) under color of an election or appointment, by or pursuant to a public unconstitutional law, before the same is adjudged to be such. State v. Lewis, 107 N.C. 967, 12 S.E. 457, 13 S.E. 247 (1890); State ex rel. Van Amringe v. Taylor, 108 N.C. 196, 12 S.E. 1005 (1891). See State v. Speaks, 95 N.C. 689 (1886); Whitehead v. Pittman, 165 N.C. 89, 80 S.E. 976 (1914).

To constitute an officer de facto it is requisite that there be some colorable election or appointment to and induction into the office. Van Amringe v. Taylor, 108 N.C. 196, 12 S.E. 1005, 23 Am. St. R. 51, 12 L.R.A. 202 (1891).

To constitute one an officer de facto there must be an actual exercise of the office and acquiescence of the public authorities long enough to cause, in the mind of the citizen, a strong presumption that the officer was duly appointed. Hughes v. Long, 119 N.C. 52, 25 S.E. 743 (1896).

The indispensable basis of being a de facto officer is that there is such an office. State v. Shuford, 128 N.C. 588, 38 S.E. 808 (1901).

Persons who have been regarded as public officers for the greater part of the time during which the office existed, and whose acts are recognized by other public functionaries, must be taken to be officers de facto. Burton ex rel. Reeves v. Patton, 47 N.C. 124, 62 Am. Dec. 194 (1854).

A judge de facto is defined as one who occupies a judicial office under some color of right, and for the time being performs its duties with public acquiescence, though having no right in fact. In order for one to be deemed a judge de facto, he must have satisfied the following four conditions: (1) He assumes to be the judge of a court which is established by law; (2) he is in possession of the judicial office in question, and is discharging its duties; (3) his incumbency of the judicial office is illegal in some respects; and (4) he has at least a fair color of right or title to the judicial office, or has acted as its occupant for so long a time and under such circumstances of reputation or acquiescence by the public generally as are calcu-

lated to afford a presumption of his right to act and to induce people, without inquiry, to submit to or invoke official action on his part on the supposition that he is the judge he assumes to be. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

So far as the public and third persons are concerned, a judge de facto is competent to do whatever may be done by a judge de jure. In consequence, acts done by a judge de facto in the discharge of the duties of his judicial office are as effectual so far as the rights of third persons or the public are concerned as if he were a judge de jure. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

A Judge De Jure. — A judge de jure exercises the office of judge as a matter of right. In order to become a judge de jure one must satisfy three requirements: (1) He must possess the legal qualifications for the judicial office in question; (2) he must be lawfully chosen to such office; and (3) he must have qualified himself to perform the duties of such office according to the mode prescribed by law. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

Elected and Qualifying City Councilman Is De Facto Officer Until Removed. — Upon his election, and after having been sworn in as a member of a city council, a person is a de facto councilman until he is removed from such office in a quo warranto proceeding or otherwise removed therefrom as provided by law. Armstrong v. McInnis, 264 N.C. 616, 142 S.E.2d 670 (1965).

Tabulation of Election Result by Clerk Is Prima Facie Correct. — A tabulation of the result of an election by the clerk, in the manner required by law, is prima facie correct, and can only be questioned in a quo warranto proceeding. Cozart v. Fleming, 123 N.C. 547, 31 S.E. 822 (1898).

Cited in In re Wingler, 231 N.C. 560, 58 S.E.2d 372 (1950).

II. PROCEEDINGS TO TRY TITLE TO OFFICE.

Injunction is not the proper method of trying title to an office, and it will not lie at the suit of the incumbent of a public office to restrain a claimant of the office from claiming and exercising its powers and duties. Patterson v. Hubbs, 65 N.C. 119 (1871); Jones v. Commissioners of Granville, 77 N.C. 280 (1877).

The erroneous action of the county commissioners in declaring an office vacant because of an apparent tie vote, and ordering a new election, does not warrant the granting of an injunction to one of the candidates, since the title to the office can be inquired into by quo warranto even after such a new election. Cozart v. Fleming, 123 N.C. 547, 31 S.E. 822 (1898).

Injunction does not lie to restrain county commissioners from declaring a public office vacant because of an apparent tie vote where it is an attempt, in effect, to try the title to the office by injunction, which is not permissible. Cozart v. Fleming, 123 N.C. 547, 31 S.E. 822 (1898).

Proceeding Is in Nature of Quo Warranto. — Title to a public office cannot be tried by motion, but must be determined by a proceeding in the nature of quo warranto. Sneed v. Bullock, 77 N.C. 282 (1877).

Who May Bring Action. — An action to try the right of an incumbent to any public office may be brought by the Attorney General upon his own information, or upon the complaint of any private party. People ex rel. Cloud v. Wilson, 72 N.C. 155 (1875); People ex rel. Hargrove v. Hilliard, 72 N.C. 169 (1875).

Any person having a right to an office can, in his own name, bring an action for the purpose of testing his right as against one claiming adversely. Brown v. Turner, 70 N.C. 93 (1874).

Maxim "De Minimis" Not Applicable. — Notwithstanding the maxim "De minimis non curat lex," a suit will be entertained to determine rights to an office paying only eight dollars a month in addition to board. State ex rel. Greene v. Owen, 125 N.C. 212, 34 S.E. 424 (1899).

No demand is necessary before suing to try the right to an office. State ex rel. Shennonhouse v. Withers, 121 N.C. 376, 28 S.E. 522 (1897).

Allegation of Citizenship in Complaint. — Where persons who have been elected and qualified as county commissioners bring an action against persons appointed by the judge of the district, under the provisions of Chapter 135, Laws 1895, to try the defendants' title to office, the complaint must allege that the plaintiffs are citizens and taxpayers of the county. State ex rel. Houghtalling v. Taylor, 122 N.C. 141, 122 N.C. 171, 29 S.E. 101, 29 S.E. 101 (1898).

A relator in quo warranto proceedings to try title to office accepts the position that he has been displaced in the office, by the form of action in which he seeks to assert his rights, and may not therein avail himself of the position that under this section he should have been ousted therefrom by a judicial sentence, under a proper proceeding, etc. State ex rel. Salisbury v. Croom, 167 N.C. 223, 83 S.E. 354 (1914).

Estoppel to Deny Acceptance of Office and Vacating of Prior Office. — A person who held himself out and who acted as an officer and who signed his name as such, and who in writing resigned the office, is estopped from denying that he accepted the office, and thus vacated a prior office filled by him. State

ex rel. Midgett v. Gray, 159 N.C. 443, 74 S.E. 1050 (1912).

A person who held himself out and who acted as an officer was estopped to deny his qualification when the acceptance of such office was relied on to vacate a prior office filled by him, despite the fact that he was not sworn on the Bible when he qualified for the second office. State ex rel. Midgett v. Gray, 159 N.C. 443, 74 S.E. 1050 (1912). See State v. Cansler, 75 N.C. 442 (1876); State v. Long, 76 N.C. 254 (1877).

Conduct Amounting to Surrender of Office. — Where a person had been elected clerk of the superior court, and at the proper time had tendered his bonds, which had been accepted by the court, and he was inducted into office, while the former clerk was present in court, cognizant of what was going on, and did not object thereto, but surrendered up the office and records to the new clerk and retired from the performance of the duties of the office for 12 months thereafter, it was held, in an action in the nature of quo warranto, that such conduct in the old clerk amounted to a surrender of his office to the court, and justified the reception and induction into office of the newly elected clerk. Williams v. Sommers, 18 N.C. 61 (1834).

§ 128-7. Officer to hold until successor qualified.

All officers shall continue in their respective offices until their successors are elected or appointed, and duly qualified. (1848, c. 64, s. 2; R.C., c. 77, s. 3; Code, s. 1872; Rev., s. 2368; C.S., s. 3205.)

CASE NOTES

Holding Over After Expiration of Term. — An officer elected by the people, holding over after his regular term on failure of his successor to qualify, holds over until the place is filled at the next general election, under former N.C. Const., Art. 3, §§ 1 and 13 (now N.C. Const., Art. III, § 7 and Art. VI, § 10). People ex rel. Battle v. McIver, 68 N.C. 467 (1873).

Where an officer has been inducted into his office before the beginning of the term for which he was reelected, one who is appointed to fill the vacancy caused by his death before that term begins, holds only until the expiration of the first term. People ex rel. Worley v. Smith, 81 N.C. 304 (1879).

Term of Appointee of Judge. — In case of a vacancy in the office of the clerk of the superior court, the appointee of the judge holds only until the next election at which members of the General Assembly are chosen. Rodwell v. Rowland, 137 N.C. 617, 50 S.E. 319 (1905).

Status of Officer Holding Over — De Jure. — Whether regarded as a part of an original term or a new and conditional one by virtue of the statute, the holders are regarded as officers de jure until their successors have been lawfully elected or appointed and have properly qualified. State ex rel. Markham v. Simpson, 175 N.C. 135, 95 S.E. 106 (1918).

Same — De Facto. — Where a clerk of the superior court held over in office until his successor qualified, he was at least clerk de facto; his acts cannot be collaterally impeached, and are valid as to third parties. Threadgill v. Carolina Cent. Ry., 73 N.C. 178 (1875).

The mayor of a municipality was constituted a special court for the municipality by valid act (Chapter 144, Private Laws of 1913). A duly elected and qualified mayor assumed the duties as judge of the special court under claim of authority. By Chapter 1142, Session Laws of 1949, it was provided that said judge should be appointed by the commissioners of the town, and that he should hold no other office. The town commissioners failed to appoint a judge under the provisions of this act. It was held that a sentence imposed by the mayor acting as judge of the special court cannot be collaterally attacked in habeas corpus since he was at least a judge de facto if not de jure. In re Wingler, 231 N.C. 560, 58 S.E.2d 372 (1950).

When Legislature Presumed to Acquiesce in Continuation in Office. — The General Assembly having failed to appoint or provide for the election of successors to the highway and sinking fund commissioners of Madison County, who were appointed for a four- or six-year term by Chapter 341, Public-Local Laws of 1931, the General Assembly having power to terminate their continuance in office, and the General Assembly having power to terminate, change or continue the appointments, it will not be held that it intended to create perpetuities or exclusive emoluments in violation of any of the provisions of former N.C. Const., Art. I (now N.C. Const., Art. VI), and said commissioners continue to hold office with power to discharge the duties thereof. Freeman v. Board of County Comm'rs, 217 N.C. 209, 7 S.E.2d 354 (1940).

Vacancy Created by Resignation. — Where a district court judge resigned upon the discovery of his legal infirmity under G.S. 7A-4.20, his resignation from office created an actual vacancy in that position. Hence, upon the resignation, there was no one legally enti-

tled to hold office by virtue of an election, nor under this section was there an incumbent with the legal right to continue in office until a successor was elected or appointed. The judge, therefore, created a legal as well as an actual vacancy in office under N.C. Const., Art. IV, § 19. People ex rel. Duncan v. Beach, 294 N.C. 713, 242 S.E.2d 796 (1978).

Cited in State ex rel. Hedgpeth v. Allen, 220 N.C. 528, 17 S.E.2d 781 (1941); State ex rel. Hill v. Ponder, 221 N.C. 58, 19 S.E.2d 5 (1942).

OPINIONS OF ATTORNEY GENERAL

Members of the Environmental Management Commission continue to hold their positions until other appointments are made. See opinion of Attorney General to Mr. William Holman, Secretary, North Carolina Department of Environment and Natural Resources, 2000 N.C. AG LEXIS 5 (5/9/2000).

§ 128-7.1. Failure to qualify creates vacancy.

If any person who has been elected to public office (i) dies or becomes disqualified for the office before qualifying for the office, or (ii) for any reason refuses to qualify for the office, the office shall be declared vacant. Unless otherwise provided by law, such vacancy shall be filled by appointment by the authority having the power to fill vacancies as prescribed by law. (1971, c. 183.)

§ 128-8: Repealed by Session Laws 1981, c. 884, s. 13.

§ 128-9: Repealed by Session Laws 1979, c. 650.

§ 128-10. Citizen to recover funds of county or town retained by delinquent official.

When an official of a county, city or town is liable upon his bond for unlawfully and wrongfully retaining by virtue of his office a fund, or a part thereof, to which the county, city or town is entitled, any citizen and taxpayer may, in his own name for the benefit of the county, city or town, institute suit and recover from the delinquent official the fund so retained. Any county commissioners, aldermen, councilmen or governing board who fraudulently, wrongfully and unlawfully permit an official so to retain funds shall be personally liable therefor; any citizen and taxpayer may, in his own name for the benefit of the county, city or town, institute suit and recover from such county commissioners, aldermen, councilmen, or governing board, the fund so retained. Before instituting suit under this section, the citizen and taxpayer shall file a statement before the county commissioners, treasurer, or other officers authorized by law to institute the suit, setting forth the fund alleged to be retained or permitted to be retained, and demanding that suit be instituted by the authorities authorized to sue within 60 days. The citizen and taxpayer so suing shall receive one-third part, up to the sum of five hundred dollars ($500.00), of the amount recovered, to indemnify him for his services, but the amount received by the taxpayer and citizen as indemnity shall in no case exceed five hundred dollars ($500.00). (1913, c. 80; C.S., s. 3206.)

CASE NOTES

Citizens and taxpayers of a county may maintain an action against the commissioners of the county and its defaulting sheriff to enforce collection of the amount of the default upon allegations that the county commissioners have corruptly refused to perform their duties in this respect. Weaver v. Hampton, 201 N.C. 798, 161 S.E. 480 (1931).

This section applies to money collected before its passage, and a citizen and taxpayer, on sufficient and proper averment of default on the part of the county officials, has a right to maintain an action of this character without resort to the provisions of the statute. Waddill v. Masten, 172 N.C. 582, 90 S.E. 694 (1916).

An action by citizens and taxpayers to recover monetary damages from a State officer for misuse of State property while in office is not recognized and may not be maintained. Flaherty v. Hunt, 82 N.C. App. 112, 345 S.E.2d 426, cert. denied, 318 N.C. 505, 349 S.E.2d 859 (1986).

Judge Held Without Authority to Indemnify Plaintiffs. — In an action by taxpayers under this section to recover of county commissioners on account of public funds unlawfully expended, etc., plaintiffs disclaiming any right personally to participate in the recovery, it was held that after a recovery by plaintiffs and the entry of a consent judgment dismissing the appeals, wherein no mention was made of indemnifying plaintiffs for their services, the resident judge was without authority to entertain a petition of one of the original taxpayer plaintiffs for such reimbursement. Hill v. Stansbury, 224 N.C. 356, 30 S.E.2d 150 (1944).

Authority of Commissioners to Allow County Treasurer Additional Salary. — In a civil action by taxpayers against county commissioners and against the treasurer of the county to recover moneys paid to such treasurer in excess of his annual salary as fixed by law, where the evidence tended to show that the county treasurer's salary was fixed at $1,800 a year in 1927, and that in 1931, agreeable to the Machinery Act of that year, the commissioners designated the county treasurer to receive tax prepayments and for this extra service allowed him $1,200 per year additional, and again in 1939 allowed him $240 more per year, both without legislative authority, judgment of nonsuit as to the commissioners was properly allowed under the express provisions of this section, there being no evidence of bad faith, etc., while such judgment as to the county treasurer was reversed. Hill v. Stansbury, 223 N.C. 193, 25 S.E.2d 604 (1943).

Statutory Factors Not Present. — This section does not create an initial cause of action against commissioners, but rather establishes a derivative remedy, requiring both retained funds by a bonded officer and refusal to act by commissioners. The allegations and the pleadings indicate that neither of these factors were present in action wherein county commissioners expended county funds to produce and distribute information concerning referenda regarding redistricting and merger or nonmerger of county public schools. Bardolph v. Arnold, 112 N.C. App. 190, 435 S.E.2d 109 (1993), cert. denied, 335 N.C. 552, 439 S.E.2d 141 (1993).

§ 128-11. Trust funds to be kept separate.

Any sheriff, treasurer or other officer of any county, city, town or other political subdivision of the State, receiving, by virtue of his office, public money or money to be held by him in trust shall keep or deposit such money or the credits or other evidence thereof separate and apart from his own funds and shall not, at any time, apply such money to his own use or benefit or intermingle the same in any manner with credits or funds of his own. (1931, c. 77, s. 1.)

§ 128-12. Violations to be reported; misdemeanors.

It shall be the duty of the director of the Local Government Commission to report to the district attorney of the district any violation of G.S. 128-11 of which he may have knowledge, and any violation of such section shall be

unlawful and shall constitute a Class 1 misdemeanor. (1931, c. 60, s. 3; 1931, c. 77, s. 2; 1973, c. 47, s. 2; 1993, c. 539, s. 943; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 128-13. Officers compensated from fees in certain counties to render statement; penalty; proceeds to school fund.

Every clerk of the superior court, register of deeds, sheriff, coroner, surveyor, or other county officer, whose compensation or services performed shall be derived from fees, shall render to the board of county commissioners of their respective counties, on the first Monday in December of each year, a statement, verified under oath, showing: first, the total gross amount of all fees collected during the preceding fiscal year; second, the total amount paid out during the preceding fiscal year for clerical or office assistance. Any county officer, subject to this section, who refuses or fails to file such report as above provided, on or before the first Monday in December, shall be subject to a fine of twenty-five dollars ($25.00) and ten dollars ($10.00) additional for each day or fraction of a day such failure shall continue. The board of county commissioners shall assess and collect the penalty above provided for, and supply same to the general school fund of the county. The first report under this section shall be for the fiscal year beginning December 12, 1913.

This section applies only to the Counties of Anson, Bertie, Bladen, Cabarrus, Carteret, Chowan, Currituck, Duplin, Halifax, Harnett, Haywood, Hertford, Johnston, Jones, Moore, Pender, Perquimans, Pitt, Randolph, Richmond, Rowan, Scotland, Union, Vance, Warren, Washington, Wayne, Wilson. CASE NOTES

Power of Legislature to Regulate Pay. — One who accepts a public office does so, with well defined exceptions as to certain constitutional officers, under the authority of the legislature to change the emoluments he is to receive for the performance of his duties, at any time, and while the office of sheriff is a constitutional one, the regulation of his fees is within the control of the legislature, and the same may be reduced during the term of the incumbent or he may therein be compensated by a salary instead of on a fee basis. Mills v. Deaton, 170 N.C. 386, 87 S.E. 123 (1915).

Construction of Act Changing Pay from Salary to Fee Basis. — An act changing the pay of county officials from a salary to a fee basis, taking prospective effect from the expiration of the terms of the present incumbents, will be presumed to have a sensible and just intent, with knowledge of existing conditions and will not be construed as to apply to deprive the incumbent sheriff of the emoluments of his term by requiring that he deliver the tax lists to his successor. Commissioners of Orange County v. Bain, 173 N.C. 377, 92 S.E. 176 (1917).

§ 128-14. Identification cards for field agents or deputies of State departments.

Every field agent or deputy of the various State departments who is authorized to collect money, audit books, inspect premises of individual or business firms and/or any other field work pertaining to the department which he represents, shall be furnished with an identification card signed by the head of the department represented by him, certifying that the said field agent or

deputy has authority to represent the department, and such identification card shall carry a photographic likeness of said representative. (1937, c. 236.)

§ 128-15. Employment preference for veterans and their spouses or surviving spouses.

(a) It shall be the policy of the State of North Carolina that, in appreciation for their service to this State and this country during a period of war, and in recognition of the time and advantage lost toward the pursuit of a civilian career, veterans shall be granted preference in employment with every State department, agency, and institution.

(b) As used in this section:

(1) "A period of war" includes World War I (April 16, 1917, through November 11, 1918), World War II (December 7, 1941, through December 31, 1946), the Korean Conflict (June 27, 1950, through January 31, 1955), the period of time between January 31, 1955, and the end of the hostilities in Vietnam (May 7, 1975), or any other campaign, expedition, or engagement for which a campaign badge or medal is authorized by the United States Department of Defense.

(2) "Veteran" means a person who served in the Armed Forces of the United States on active duty, for reasons other than training, and has been discharged under other than dishonorable conditions.

(3) "Eligible veteran" means:

a. A veteran who served during a period of war; or

b. The spouse of a disabled veteran; or

c. The surviving spouse or dependent of a veteran who dies on active duty during a period of war either directly or indirectly as the result of such service; or

d. A veteran who suffered a disabling injury for service-related reasons during peacetime; or

e. The spouse of a veteran described in subdivision d. of this subsection; or

f. The surviving spouse or dependent of a person who served in the Armed Forces of the United States on active duty, for reasons other than training, who dies for service-related reasons during peacetime.

(c) Hereafter, in all evaluations of applicants for positions with this State or any of its departments, institutions or agencies, a preference shall be awarded to all eligible veterans who are citizens of the State and who served the State or the United States honorably in either the army, navy, marine corps, nurses' corps, air corps, air force, coast guard, or any of the armed services during a period of war.

(d) The provisions of this section shall be subject to the provisions of Article 1 of Chapter 165 of the General Statutes, and Parts 13 and 19 of Article 9 of Chapter 143B of the General Statutes. (1939, c. 8; 1953, c. 1332; 1967, c. 536; 1987 (Reg. Sess., 1988), c. 1064, s. 2.)

CASE NOTES

Construction with Other Sections. — Pursuant to G.S. 126-83, employees of the System designated in G.S. 126-5(a)(2) are expressly excluded from the preference afforded by G.S. 126-80 but, if qualified under this section, are entitled to the veterans preference thereunder applicable to all employees of State departments, agencies and institutions. Wright v. Blue Ridge Area Auth., 134 N.C. App. 668, 518 S.E.2d 772, 1999 N.C. App. LEXIS 899 (1999), cert. denied, 351 N.C. 122, 541 S.E.2d 472 (1999).

Minimum Requirements for Position Must Be Met. — Although this section awards a preference rating of 10 points to veterans who apply for employment with the state or any of

its departments, it does not state that the minimum requirements specified for a position may be ignored. Davis v. Vance County Dep't of Social Servs., 91 N.C. App. 428, 372 S.E.2d 88 (1988).

Refusal to Allow Education Equivalencies to Fulfill Requirements Not Error. — The State Personnel Commission's refusal to allow education equivalencies to fulfill the minimum education requirement of graduation from a four-year college for a position opening in the Department of Social Services, was not arbitrary and capricious where petitioning employee's history, including 20 years of clerical/administrative experience and service during the Vietnam conflict, although noteworthy and commendable, failed to meet the requirements under the department's prescribed and published basis. Davis v. Vance County Dep't of Social Servs., 91 N.C. App. 428, 372 S.E.2d 88 (1988).

§ 128-15.1: Repealed by Session Laws 1987 (Regular Session, 1988), c. 1064, s. 4.

§ 128-15.2. Appointment of acting heads of certain agencies.

In every case where a State board or commission is authorized by statute to appoint the executive head of a State agency or institution, that board or commission may appoint an acting executive head of that agency or institution to serve

(1) During the physical or mental incapacity of the regular holder of the office to discharge the duties of his office,
(2) During the continued absence of the regular holder of the office, or
(3) During a vacancy in the office and pending the selection and qualification of a person to serve for the unexpired term.

An acting executive head of a State agency or institution appointed in accordance with this section may perform any act and exercise any power which a regularly selected holder of such office could lawfully perform and exercise. All powers granted to an acting executive head of a State agency or institution under this section shall expire immediately

(1) Upon the termination of the incapacity of the officer in whose stead he acts,
(2) Upon the return of the officer in whose stead he acts, or
(3) Upon the selection and qualification of a person to serve for the unexpired term.

Each State board or commission may determine (after such inquiry as it deems appropriate) that the executive head of a State agency or institution whom it is authorized by statute to appoint is physically or mentally incapable of performing the duties of his office. Each such board or commission may also determine that such incapacity has terminated. (1959, c. 284, s. 1.)

§ 128-15.3. Discrimination against handicapped prohibited in hiring; recruitment, etc., of handicapped persons.

There shall be no discrimination in the hiring policies of the State Personnel System against any applicant for employment based upon any physical defect or impairment of the applicant unless the defect or impairment to some degree prevents the applicant from performing the duties required by the employment sought.

It shall be the policy of this State to give positive emphasis to the recruitment, evaluation, and employment of physically handicapped persons in State government. To carry out the provisions of this section, the Office of State Personnel shall develop methods and programs to assist and encourage

the departments, institutions, and agencies of State government in carrying out this policy and to provide for appropriate study and review of the employment of handicapped persons. (1971, c. 748; 1973, c. 1299.)

Article 2.

Removal of Unfit Officers.

§ 128-16. Officers subject to removal; for what offenses.

Any sheriff or police officer shall be removed from office by the judge of the superior court, resident in or holding the courts of the district where said officer is resident upon charges made in writing, and hearing thereunder, for the following causes:

(1) For willful or habitual neglect or refusal to perform the duties of his office.
(2) For willful misconduct or maladministration in office.
(3) For corruption.
(4) For extortion.
(5) Upon conviction of a felony.
(6) For intoxication, or upon conviction of being intoxicated. (P.L. 1913, c. 761, s. 20; 1919, c. 288; C.S., s. 3208; 1959, c. 1286; 1961, c. 991; 1973, c. 108, s. 82.)

Local Modification. — Onslow: 1965, c. 753.

CASE NOTES

Purpose of Statute. — Officer may be removed for misconduct or failure to perform the duties of his office, whether such failures were willful or habitually negligent; the statute was evidently enacted for the protection of the public, and not for the punishment of the delinquent officer. State ex rel. Hyatt v. Hamme, 180 N.C. 684, 104 S.E. 174 (1920); State v. Hockaday, 265 N.C. 688, 144 S.E.2d 867 (1965).

This section does not purport to create a criminal offense, nor does any provision of this Article provide for prosecution by indictment or otherwise for any criminal offense. State v. Hockaday, 265 N.C. 688, 144 S.E.2d 867 (1965).

And a proceeding under this section is not a criminal prosecution for punishment but is a civil proceeding. State v. Hockaday, 265 N.C. 688, 144 S.E.2d 867 (1965).

Actions under this Article are neither civil nor criminal, but are merely an inquiry into the conduct of the office holder to determine whether he is unfit to continue in office. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

A proceeding under this Article is neither a civil nor criminal action. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986).

The North Carolina Rules of Civil Procedure, G.S. 1A-1, do not apply to actions brought pursuant to this Article. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Attorney General Is Not Authorized to Bring An Action Under This Article. — Neither G.S. 114-2(1), 114-11.6 nor 128-17 gives the Attorney General or his designee the authority to file an action pursuant to this Article. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986).

But Is Limited to Advising District Attorney. — Neither the Attorney General nor his designee is given specific authority to file an action under this Article in place of the district authority or the county attorney. Absent this statutory authorization, the Attorney General is limited to consulting with and advising the district attorney in carrying out his statutory duty to initiate a petition for removal from office of a sheriff or police officer. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986), expressing no opinion on whether the Attorney General could have brought a similar action under his common law powers.

Failure to Take Oath Does Not Exempt from Liability. — There can be no doubt that if one elected to an office takes possession of it, engages in the exercise of its duties, and misbehaves by taking unlawful and extortionate fees, that he will be liable for such misbehavior, notwithstanding the fact that he failed to take the oath of office. State v. Cansler, 75 N.C. 442 (1876).

Sufficiency of Evidence. — Under this section as it stood before the 1973 amendment, it was held that the evidence in proceedings to remove a prosecuting attorney from office under this section was sufficient to sustain an order removing him when he admitted that he attempted to induce, and did induce, a person to violate the statutes of the State in participating in acts made an offense for immorality, etc., whatever his intent may have been therein. State ex rel. Hyatt v. Hamme, 180 N.C. 684, 104 S.E. 174 (1920), wherein it was also held that defendant could not complain because he was removed not in accordance with the specifications alleged in the petition, but upon his own evidence.

Hearing Required. — Because of the severe adverse consequences possible for the office holder in an action under this Article, fundamental fairness entitles such office holder to a hearing which meets the basic requirements of due process, requirements which must include adequate time and opportunity to prepare to respond to the accusations against him. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Jury Not Required. — The proceedings under this section do not require an issue to be submitted to the jury. A public office is not a property right under former N.C. Const., Art. I, § 19 (now N.C. Const., Art. I, § 25). State ex rel. Hyatt v. Hamme, 180 N.C. 684, 104 S.E. 174 (1920).

Time of Trial. — Although this Article requires a prompt trial, its terms are broad enough to allow the trial court to set the time of trial within his discretion, considering, among other things, the nature of the charges brought and the terms of court available for trial. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Appeal from Superior Court. — An appeal from the judgment of the superior court judge that a prosecuting attorney be removed for "willful misconduct or maladministration in office," etc., is upon questions of law and legal inferences, if justified by the findings of facts supported by evidence, N.C. Const., Art. VI, § 8; and the appeal is allowed by G.S. 1-277. State ex rel. Hyatt v. Hamme, 180 N.C. 684, 104 S.E. 174 (1920), decided under this section as it stood before the 1973 amendment.

Enjoining Vacating of Office by Commissioners Before They Have Qualified. — An action to enjoin newly elected county commissioners, who had not yet qualified, from declaring a public office vacant, and electing a successor, is properly dismissed as premature. Cozart v. Fleming, 123 N.C. 547, 31 S.E. 822 (1898).

Former G.S. 7-115 and this Article were not in pari materia. State ex rel. Swain v. Creasman, 260 N.C. 163, 132 S.E.2d 304 (1963).

§ 128-17. Petition for removal; county attorney to prosecute.

The complaint or petition shall be entitled in the name of the State of North Carolina, and may be filed upon the relation of any five qualified electors of the county in which the person charged is an officer, upon the approval of the county attorney of such county, or the district attorney of the district, or by any such officer upon his own motion. It shall be the duty of the county attorney or district attorney to appear and prosecute this proceeding. (P.L. 1913, c. 761, s. 21; 1919, c. 288; C.S., s. 3209; 1973, c. 47, s. 2.)

CASE NOTES

Actions under this Article are neither civil nor criminal, but are merely an inquiry into the conduct of the office holder to determine whether he is unfit to continue in office. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

The North Carolina Rules of Civil Procedure, G.S. 1A-1, do not apply to actions brought pursuant to this Article. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Who May File Petition for Removal. — The clear language of this section specifies that only three classes of persons may file a petition for removal: (1) Five qualified electors, upon the approval of the county attorney or district attorney; (2) the county attorney; or (3) the district attorney. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986).

Attorney General Is Not Authorized to Bring An Action Under This Article. — This section does not give the Attorney General or his designee the authority to file an action pursuant to this Article. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986), expressing no opinion on whether the Attorney General could have brought a similar action under his common law powers.

Neither G.S. 114-2(1) nor G.S. 114-11.6 authorizes the Attorney General or his designee to bring a proceeding under this Article for removal of a sheriff or police officer. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986).

Nor May He Be Delegated Such Authority. — There is no provision in this Article authorizing the district attorney or the county attorney to delegate to the Attorney General his duty to file the petition. State v. Felts, 79 N.C. App. 205, 339 S.E.2d 99 (1986).

Time of Trial. — Although this Article requires a prompt trial, its terms are broad enough to allow the trial court to set the time of trial within his discretion, considering, among other things, the nature of the charges brought and the terms of court available for trial. § 128-18. Petition filed with clerk; what it shall contain; answer.

The accused shall be named as defendant, and the petition shall be signed by some elector, or by such officer. The petition shall state the charges against the accused, and may be amended, and shall be filed in the office of the clerk of the superior court of the county in which the person charged is an officer. The accused may at any time prior to the time fixed for hearing file in the office of the clerk of the superior court his answer, which shall be verified. In case of suspension, as herein provided, the temporary

vacancy shall be filled in the manner provided by law for filling of the vacancies in such office. (P.L. 1913, c. 761, s. 23; 1919, c. 288; C.S., s. 3211.)

§ 128-20. Precedence on calendar; costs.

In the trial of the cause in the superior court the cause shall be advanced and take precedence over all other causes upon the court calendar, and shall be heard at the next session after the petition is filed, provided the proceedings are filed in said court in time for said action to be heard. The superior court shall fix the time of hearing. If the final termination of such proceedings be favorable to any accused officer, said officer shall be allowed the reasonable and necessary expense, including a reasonable attorney fee, to be fixed by the judge, he has incurred in making his defense, by the county, if he be a county officer, or by the city or town in which he holds office, if he be a city officer. If the action is instituted upon the complaint of citizens as herein provided, and it appears to the court that there was no reasonable cause for filing the complaint, the costs may be taxed against the complaining parties. CASE NOTES

The purpose of this section is to ensure that charges of misconduct will be resolved as quickly as possible, minimizing the risk of loss of public confidence in law enforcement. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Actions under this Article are neither civil nor criminal, but are merely an inquiry into the conduct of the office holder to determine whether he is unfit to continue in office. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

The North Carolina Rules of Civil Procedure, G.S. 1A-1, do not apply to actions brought pursuant to this Article. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Time of Trial. — Although this Article requires a prompt trial, its terms are broad enough to allow the trial court to set the time of trial within his discretion, considering, among other things, the nature of the charges brought and the terms of court available for trial. State ex rel. Leonard v. Huskey, 65 N.C. App. 550, 309 S.E.2d 726 (1983).

Article 3.

Retirement System for Counties, Cities and Towns.

§ 128-21. Definitions.

The following words and phrases as used in this Article, unless a different meaning is plainly required by the context, shall have the following meanings:

(1) "Accumulated contribution" shall mean the sum of all amounts deducted from the compensation of a member and credited to his individual account in the annuity savings fund, together with regular interest thereon, as provided in G.S. 128-30, subsection (b).

(2) "Actuarial equivalent" shall mean a benefit of equal value when computed at regular interest upon the basis of such mortality tables as shall be adopted by the Board of Trustees.

(3) "Annuity" shall mean payments for life derived from the accumulated contribution of a member. All annuities shall be payable in equal monthly installments.

(4) "Annuity reserve" shall mean the present value of all payments to be made on account of any annuity or benefit in lieu of any annuity computed at regular interest upon the basis of such mortality tables as shall be adopted by the Board of Trustees.

(5) "Average final compensation" shall mean the average annual compensation, not including any terminal payments for unused sick leave, of a member during the four consecutive calendar years of creditable service producing the highest such average; but shall not include any compensation, as determined by the Board of Trustees, for the reimbursement of expenses or payments for housing or any other allowances whether or not classified as salary and wages.

(6) "Beneficiary" shall mean any person in receipt of a pension, an annuity, a retirement allowance or other benefit as provided by this Article.

(7) "Board of Trustees" shall mean the Board provided for in G.S. 128-28 to administer the Retirement System.

(7a) a. "Compensation" shall mean all salaries and wages prior to any reduction pursuant to sections 125, 401(k), 403(b), 414(h)(2), and 457 of the Internal Revenue Code, not including any terminal payments for unused sick leave, derived from public funds which are earned by a member of the Retirement System for service as an employee in the unit of the Retirement System for which he is performing full-time work. In addition to the foregoing, "compensation" shall include:

1. Performance-based compensation (regardless of whether paid in a lump sum, periodic installments, or on a monthly basis);
2. Conversion of additional benefits to salary (additional benefits such as health, life, or disability plans), so long as the benefits are other than mandated by State law or regulation;
3. Payment of tax consequences for benefits provided by the employer so long as they constitute an adjustment or increase in salary and not a "reimbursement of expenses";
4. Payout of vacation leave so long as such payouts are permitted by applicable law and regulation; and
5. Employee contributions to eligible deferred compensation plans.

b. "Compensation" shall not include any payment, as determined by the Board of Trustees, for the reimbursement of expenses or

5. Reimbursement of uninsured medical expenses;
6. Reimbursement of business expenses;
7. Reimbursement of moving expenses;

9. Incentive payments for early retirement;
10. Bonuses paid incident to retirement;
11. Contract buyout/severance payments; and
12. Payouts for unused sick leave.

c. In the event an employer reports as "compensation" payments not specifically included or excluded as "compensation", such payments shall be "compensation" for retirement purposes only if the employer pays the Retirement System the additional actuarial liability created by such payments.

(8) "Creditable service" shall mean the total of "prior service" plus "membership service" plus service, both noncontributory and purchased, for which credit is allowable as provided in G.S. 128-26. In no event, however, shall "creditable service" be deemed "membership service" for the purpose of determining eligibility for benefits accruing under this Chapter.

(9) "Earnable compensation" shall mean the full rate of the compensation that would be payable to an employee if he worked the full normal working time, including any allowance of maintenance or in lieu thereof received by the member.

(10) "Employee" shall mean any person who is regularly employed in the service of and whose salary or compensation is paid by the employer as defined in subdivision (11) of this section, whether employed or appointed for stated terms or otherwise, except teachers in the public schools and except such employees who hold office by popular election as are not required to devote a major portion of their time to the duties of their office. "Employee" also means all full-time, paid firemen who are employed by any fire department that serves a city or county or any part of a city or county and that is supported in whole or in part by municipal or county funds. In all cases of doubt the Board of Trustees shall decide who is an employee. On and after August 1, 2001, a person who is a nonimmigrant alien and who otherwise meets the requirements of this subdivision shall not be excluded from the definition of "employee" solely because the person holds a temporary or time-limited visa.

county or any part of a city or county and that is supported in whole or in part by municipal or county funds.

(11a) "Filing" when used in reference to an application for retirement shall mean the receipt of an acceptable application on a form provided by the Retirement System.

(11b) "Law Enforcement Officer" means a full-time paid employee of an employer, who possesses the power of arrest, who has taken the law enforcement oath administered under the authority of the State as prescribed by G.S. 11-11, and who is certified as a law enforcement officer under the provisions of Chapter 17C of the General Statutes or certified as a deputy sheriff under the provisions of Chapter 17E of the General Statutes. "Law enforcement officer" also means the sheriff of the county. The number of paid personnel employed as law enforcement officers by a law enforcement agency may not exceed the number of law enforcement positions approved by the applicable local governing board.

(12) "Medical board" shall mean the board of physicians provided for in G.S. 128-28, subsection (*l*).

(20) "Retirement allowance" shall mean the sum of the annuity and the pension, or any optional benefit payable in lieu thereof.

(21) "Retirement System" shall mean the North Carolina Local Governmental Employees' Retirement System as defined in this Article.

(22) "Service" shall mean service as an employee as described in subdivision (10) of this section and paid for by the employer as described in subdivision (11) of this section.

The request was to be made no later than 30 days after the effective date of the act, June 8, 1999, and fire departments affected by this legislation were to be eligible for participation in the North Carolina Local Governmental Employees' Retirement System upon the first day of the calendar quarter following receipt of a favorable letter of determination or ruling. CASE NOTES

This Article creates contractual rights and obligations. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Any cessation of employment, including retirement, constitutes a termination from service as an employee. Walker v. Board of Trustees, 348 N.C. 63, 499 S.E.2d 429 (1998).

Discretionary Power to Participate in Retirement System. — Where a city has become an employer participating in the State Retirement System under authority conferred by this Article and by an act amending its charter, the repeal of the charter provision leaves its governing authorities with discretionary power to participate in the Retirement System under authority conferred by this Article, and mandamus will not lie to compel it to withdraw from the State Retirement System. Laughinghouse v. City of New Bern, 232 N.C. 596, 61 S.E.2d 802 (1950).

Interest Accrual and Compounding. — Consistent with the purposes of G.S. 135-1(19) and subdivision (18) of this section, underpayments were found to accrue interest from the date they became due. Furthermore, court found that statutes entitled beneficiaries to interest, not only on the principle due, but also on the accrued or earned interest. Faulkenbury v. Teachers' & State Employees' Ret. Sys., 133 N.C. App. 587, 515 S.E.2d 743, 1999 N.C. App. LEXIS 615 (1999), cert. denied, 351 N.C. 102, 540 S.E.2d 358 (1999).

Actuarial Equivalent to Include Interest. — The actuarial value includes interest and there was no double recovery where the court was following the definition of actuarial equivalent as prescribed by this section and included interest in the underpayment award. Faulkenbury v. Teachers' & State Emps. Retirement Sys., 345 N.C. 683, 483 S.E.2d 422 (1997).

Postjudgment Interest Not Awardable Against State. — Retirees under the state and local government retirement system were not entitled to post-judgment interest on retroactive disability benefits, because the state retirement statutes contain no provision for the allowance of such interest. Faulkenbury v. Teachers' & State Employees' Ret. Sys., 132 N.C. App. 137, 510 S.E.2d 675, 1999 N.C. App. LEXIS 89 (1999), cert. denied, 350 N.C. 379, 536 S.E.2d 620 (1999).

Retirement Is Withdrawal Not Termination. — This statute explicitly defines retirement as a withdrawal from active service not as termination of employment. Walker v. Board of Trustees, 127 N.C. App. 156, 487 S.E.2d 839 (1997), aff'd, 348 N.C. 63, 499 S.E.2d 429 (1998).

Applied in Pritchett v. Clapp, 288 N.C. 329, 218 S.E.2d 406 (1975).

§ 128-22. Name and date of establishment.

A Retirement System is hereby established and placed under the management of the Board of Trustees for the purpose of providing retirement allowances and other benefits under the provisions of this Article for employees of those counties, cities and towns or other eligible employers participating in the said Retirement System. Following the filing of the application as provided in G.S. 128-23(c), the Board shall set a date, effective the first day of a calendar quarter, not more than 90 days thereafter, as of which date participation of the employer may begin, which date shall be known as the date of participation for such employer: Provided, that in the judgment of the Board of Trustees an adequate number of persons have indicated their intention to participate; otherwise at such later date as the Board of Trustees may set.

It shall have the power and privileges of a corporation and shall be known as the "North Carolina Local Governmental Employees' Retirement System," and by such name all of its business shall be transacted, all of its funds invested, and all of its cash and securities and other property held. (1939, c. 390, s. 2; 1941, c. 357, s. 2; 1943, c. 535; 1945, c. 526, s. 2; 1959, c. 491, s. 3.)

State Government Reorganization. — The Local Governmental Employees' Retirement system was transferred to the Department of State Treasurer by G.S. 143A-35, enacted by Session Laws 1971, c. 864.

§ 128-23. Acceptance by cities, towns and counties.

(a) Pursuant to the favorable vote of a majority of the employees of any incorporated city or town, the governing body may, by resolution legally adopted and approved by the Board of Trustees, elect to have its employees become eligible to participate in the Retirement System, and the said municipal governing body may make the necessary appropriation therefor and if necessary levy annually taxes for payment of the same.

(b) Pursuant to the favorable vote of a majority of the employees of the county, the board of commissioners of any county may, by resolution legally adopted and approved by the Board of Trustees, elect to have its employees become eligible to participate in the Retirement System. Each county is authorized to make appropriations for these purposes and to fund them by levy of property taxes pursuant to G.S. 153-65 and by the allocation of other revenues whose use is not otherwise restricted by law.

(c) Any eligible employer desiring to participate in the Retirement System shall file with the Board of Trustees an application for participation under the conditions included in this Article on a form approved by the Board of Trustees. In such application the employer shall agree to make the contributions required of participating employers, to deduct from the salaries of employees who may become members the contributions required of members under this Article, and to transmit such contributions to the Board of Trustees. It shall also agree to make the employer's contributions for the participation in the Retirement System of all employees entering the service of the employer, after its participation begins, who shall become members.

(d) Such contributions as are made by employers shall be regarded as additions to the compensation of such employees as are members of the Retirement System and deducted therefrom for the purpose of making the employer's contribution, in addition to the deduction from the compensation of employees on account of member contributions.

(e) The agreement of such employer to contribute on account of its employees shall be irrevocable, but should an employer for any reason become financially unable to make the normal and accrued liability contributions payable on account of its employees, then such employer shall be deemed to be

in temporary default. Such temporary default shall not relieve such employer from any liability for its contributions payable on account of its employees.

Notwithstanding anything to the contrary, the Retirement System shall not be liable for the payment of any pensions or other benefits on account of the employees or pensioners of any employer under this Article, for which reserves have not been previously created from funds contributed by such employer or its employees for such benefits.

(f) Effective January 1, 1955, there shall be three classes of employers to be designated Class A, Class B and Class C, respectively. Each employer whose date of participation occurs before July 1, 1951, shall be a Class A employer unless such an employer by written notice filed with the Board of Trustees on or before June 30, 1951, elected to be a Class B employer. Each employer whose date of participation occurs on or after July 1, 1951, but before January 1, 1955, shall be a Class A employer. Each employer whose date of participation occurs on or after January 1, 1955, shall be a Class C employer.

(g) Notwithstanding any other provisions of this Article, any employer who is not a participating employer and who employs law enforcement officers transferred from the Law Enforcement Officers' Retirement System to this Retirement System on January 1, 1986, or who employs law enforcement officers electing to become members of this Retirement System on and after January 1, 1986, shall be employers participating in this Retirement System as this participation pertains to their law enforcement officers. The election of membership in this Retirement System shall be at the sole discretion of law enforcement officers of participating employers described in this subsection. (1939, c. 390, s. 3; 1951, c. 274, s. 1; 1955, c. 1153, s. 1; 1971, c. 325, s. 5; 1973, c. 803, s. 16; 1985, c. 479, s. 196(c); 1991, c. 585, s. 1.)

Editor's Note. — G.S. 153-65, referred to in this section, was repealed by Session Laws 1973, c. 822.

§ 128-24. Membership.

The membership of this Retirement System shall be composed as follows:

(1) All employees entering or reentering the service of a participating employer after the date of participation in the Retirement System of the employer. On and after July 1, 1965, new extension service employees excluded from coverage under Title II of the Social Security Act in the employ of a county participating in the Local Governmental Employees' Retirement System are hereby excluded from participation in the Teachers' and State Employees' Retirement System to the extent of that part of their compensation derived from a county; provided that on and after July 1, 1965, new extension service employees excluded from coverage under Title II of the Social Security Act who are required to accept a federal Civil Service appointment may elect in writing on a form acceptable to the Retirement System, to be excluded from the Teachers' and State Employees' Retirement System and the local Retirement System. At such time as Cooperative Agricultural Extension Service Employees excluded from coverage under Title II of the Social Security Act become covered by Title II of the Social Security Act, such employees shall no longer be covered by the provisions of this section, provided no accrued rights of these employees under this section prior to coverage by Title II of the Social Security Act shall be diminished.

(1a) Should any member in any period of eight consecutive years after becoming a member be absent from service more than seven years, or should he withdraw his accumulated contributions or should he

become a beneficiary or die, he shall thereupon cease to be a member; provided that on and after July 1, 1971, a member shall cease to be a member only if he withdraws his accumulated contributions, or becomes a beneficiary, or dies.

(2) All persons who are employees of a participating county, city, or town except those who shall notify the Board of Trustees in writing, on or before 90 days following the date of participation in the Retirement System by such county, city or town: Provided, further, that employees of county social services and health departments whose compensation is derived from federal, State, and local funds may be members of the North Carolina Local Governmental Employees' Retirement System to the full extent of their compensation. Any member on or after July 1, 1969, may deposit in the annuity savings fund by a single payment the contributions plus interest which would have been credited to his account had he not signed a nonelection blank, and be entitled to such membership service credits and any prior service credits which became void upon execution of such nonelection blank; provided that the employer will pay the appropriate matching contributions.

(3) Effective January 1, 1955, there shall be three classes of members, to be designated Class A, Class B and Class C respectively. Each member who is an employee of a Class A employer shall be a Class A member; each member who is an employee of a Class B employer shall be a Class B member; and each member who is an employee of a Class C employer shall be a Class C member.

(3a) Repealed by Session Laws 1981 (Regular Session, 1982), c. 1396, s. 1.

(4) The provisions of this subdivision (4) shall apply to any member whose retirement became effective prior to July 1, 1965, and became entitled to benefits hereunder in accordance with the provisions hereof. Such benefits shall be computed in accordance with the provisions of G.S. 128-27(b1) as in effect at the date of such separation from service.

a. Notwithstanding any other provision of this Chapter, any member who separates from service prior to the time he shall have attained the age of 60 years, or if a uniformed policeman or fireman prior to the time he shall have attained the age of 55 years, for any reason other than death or retirement for disability as provided in G.S. 128-27(c), after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in the Retirement System, shall have the right to retire on a deferred retirement allowance upon the date he shall have attained the age of 60 years, or if a uniformed policeman or fireman upon the date he shall have attained the age of 55 years; provided that such member may retire only upon written application to the Board of Trustees setting forth at what time, not less than 30 days nor more than 90 days next following the date of filing such application, he desires to be retired. Such deferred retirement allowance shall be computed in accordance with the provisions of G.S. 128-27(b), paragraphs (1), (2) and (3).

b. In lieu of the benefits provided in paragraph a of this subdivision (4), any member who separates from service prior to the time he shall have attained the age of 60 years, or if a uniformed policeman or fireman prior to the time he shall have attained the age of 55 years, for any reason other than death or retirement for disability as provided in G.S. 128-27(c), after completing 30 or more years of creditable service, and who leaves his total accumulated contributions in the Retirement System, may elect to retire on an early retirement allowance; provided that such a

member may so retire only upon written application to the Board of Trustees setting forth at what time, not less than 30 days nor more than 90 days next following the date of filing such application, he desires to be retired; provided further that such application shall be duly filed within 60 days following the date of such separation. Such early retirement allowance so elected shall be the actuarial equivalent of the deferred retirement allowance otherwise payable at the attainment of age 60 years, or if a uniformed policeman or fireman at the attainment of age 55 years, upon proper application therefor.

c. Should an employee who retired on an early or service retirement allowance be restored to service prior to the time he shall have attained the age of 62 years, or if a uniformed policeman or fireman prior to the time he shall have attained the age of 55 years, his allowance shall cease, he shall again become a member of the Retirement System, and he shall contribute thereafter at the uniform contribution rate for his class member. Upon his subsequent retirement, he shall be entitled to an allowance not less than the allowance described in 1 below reduced by the amount in 2 below.

1. The allowance to which he would have been entitled if he were retiring for the first time, calculated on the basis of his total creditable service represented by the sum of his creditable service at the time of his first retirement, and his creditable service after he was restored to service.
2. The actuarial equivalent of the retirement benefits he previously received.

d. Should an employee who retired on an early or service retirement allowance be restored to service after the attainment of the age of 62 years, his retirement allowance shall be reduced to the extent necessary (if any) so that the sum of the retirement allowance at the time of retirement and earnings from employment by a unit of the Retirement System for any year (beginning January 1 and ending December 31) will not exceed the member's compensation received for the 12 months of service prior to retirement. Provided, however, that under no circumstances will the member's retirement allowance be reduced below the amount of his annuity as defined in G.S. 128-21(3).

(5) The provisions of this subdivision (5) shall apply to any member whose membership is terminated on or after July 1, 1965, and who becomes entitled to benefits hereunder in accordance with the provisions hereof.

a. Notwithstanding any other provision of this Chapter, any member who separates from service prior to the attainment of the age of 60 years for any reason other than death or retirement for disability as provided in G.S. 128-27(c), after completing 15 or more years of creditable service, and who leaves his total accumulated contributions in said System shall have the right to retire on a deferred retirement allowance upon attaining the age of 60 years; provided that such member may retire only upon written application to the Board of Trustees setting forth at what time, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired; and further provided that in the case of a member who so separates from service on or after July 1, 1967, the aforestated requirement of 15 or more years of creditable service shall be reduced to 12 or

more years of creditable service; and further provided that in the case of a member who so separates from service on or after July 1, 1971, or whose account is active on July 1, 1971, the aforestated requirement of 12 or more years of creditable service shall be reduced to five or more years of creditable service. Such deferred retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to a member who is not a law enforcement officer or eligible former law enforcement officer.

b. In lieu of the benefits provided in paragraph a of this subdivision, any member who separates from service prior to the attainment of the age of 60 years, for any reason other than death or retirement for disability as provided in G.S. 128-27(c), after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in said System may elect to retire on an early retirement allowance upon attaining the age of 50 years or at any time thereafter; provided that such member may so retire only upon written application to the Board of Trustees setting forth at what time, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired. Such early retirement allowance so elected shall be equal to the deferred retirement allowance otherwise payable at the attainment of the age of 60 years reduced by the percentage thereof indicated below.

b1. In lieu of the benefits provided in paragraphs a and b of this subdivision, any member who is a law enforcement officer at the time of separation from service prior to the attainment of the age of 50 years, for any reason other than death or disability as provided in this Article, after completing 15 or more years of creditable service in this capacity immediately prior to separation from service, and who leaves his total accumulated contributions in this System, may elect to retire on a deferred early retirement allowance upon attaining the age of 50 years or at any time thereafter; provided, that the member may commence retirement only upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to commence retirement. The deferred early retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to law enforcement officers.

b2. In lieu of the benefits provided in paragraphs a and b of this subdivision, any member who is a law enforcement officer at the time of separation from service prior to the attainment of the age of 55 years, for any reason other than death or disability as provided in this Article, after completing five or more years of creditable service in this capacity immediately prior to separation from service, and who leaves his total accumulated contributions in this System may elect to retire on a deferred service retirement allowance upon attaining the age of 55 years or at any time thereafter; provided, that the member may commence retirement only upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to commence retirement. The deferred service retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to law enforcement officers.

b3. Deferred retirement allowance of members retiring on or after July 1, 1995. — In lieu of the benefits provided in paragraphs a. and b. of this subdivision, any member who separates from service prior to attainment of age 60 years, after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in said System, may elect to retire on a deferred retirement allowance upon attaining the age of 50 years or any time thereafter; provided that such member may so retire only upon written application to the Board of Trustees setting forth at what time, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired. Such deferred retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to a member who is not a law enforcement officer or an eligible former law enforcement officer.

c. **(See note.)** Should a beneficiary who retired on an early or service retirement allowance be reemployed, or otherwise engaged to perform services, by an employer participating in the Retirement System on a part-time, temporary, interim, or on fee-for-service basis, whether contractual or otherwise, and if such beneficiary earns an amount during the 12-month period immediately following the effective date of retirement or in any calendar year which exceeds fifty percent (50%) of the reported compensation, excluding terminal payments, during the 12 months of service preceding the effective date of retirement, or twenty thousand dollars ($20,000), whichever is greater, as hereinafter indexed, then the retirement allowance shall be suspended as of the first day of the month following the month in which the reemployment earnings exceed the amount above, for the balance of the calendar year. The retirement allowance of the beneficiary shall be reinstated as of January 1 of each year following suspension. The amount that may be earned before suspension shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of a percent (1/10 of 1%).

d. Should a beneficiary who retired on an early or service retirement allowance be restored to service as an employee, then the retirement allowance shall cease as of the first day of the month following the month in which the beneficiary is restored to service

and the beneficiary shall become a member of the Retirement System and shall contribute thereafter as allowed by law at the uniform contribution payable by all members.

Upon his subsequent retirement, he shall be paid a retirement allowance determined as follows:

1. For a member who earns at least three years' membership service after restoration to service, the retirement allowance shall be computed on the basis of his compensation and service before and after the period of prior retirement without restriction; provided, that if the prior allowance was based on a social security leveling payment option, the allowance shall be adjusted actuarially for the difference between the amount received under the optional payment and what would have been paid if the retirement allowance had been paid without optional modification.
2. For a member who does not earn three years' membership service after restoration to service, the retirement allowance shall be equal to the sum of the retirement allowance to which he would have been entitled had he not been restored to service, without modification of the election of an optional allowance previously made, and the retirement allowance that results from service earned since being restored to service; provided, that if the prior retirement allowance was based on a social security leveling payment option, the prior allowance shall be adjusted actuarially for the difference between the amount that would have been paid for each month had the payment not been suspended and what would have been paid if the retirement allowance had been paid without optional modification.

(5a) Notwithstanding the provisions of paragraphs c and d of the subdivision (5) to the contrary, a beneficiary who was a beneficiary retired on an early or service retirement with the Law Enforcement Officers' Retirement System at the time of the transfer of law enforcement officers employed by a participating employer and beneficiaries last employed by a participating employer to this Retirement System on January 1, 1986, and who also was a contributing member of this Retirement System on January 1, 1986, shall continue to be paid his retirement allowance without restriction and may continue as a member of this Retirement System with all the rights and privileges appendant to membership. Any beneficiary who retired on an early or service retirement allowance as an employee of any participating employer under the Law Enforcement Officers' Retirement System and becomes employed as an employee by an employer participating in the Retirement System after January 1, 1986, becomes subject to the provisions of G.S. 128-24(5)c. and G.S. 128-24(5)d. on and after January 1, 1989.

(6) Employees of a sending agency participating in an intergovernmental exchange of personnel under the provisions of Article 10 of Chapter 126 shall remain members entitled to all benefits of the System provided that the requirements of Article 10 of Chapter 126 are met; provided further, that a member may retain membership status while serving as an assigned employee or employee on leave under the provisions of Article 10 of Chapter 126 for purposes of receiving the death benefit regardless of whether he and his employer are contributing to his account during the exchange period except that no duplicate benefits shall be paid. CASE NOTES

Who Excluded from Membership. — The exclusion from membership in the Retirement System will not be interpreted to apply only to those receiving retirement allowances from general funds in the State Treasury derived from general taxation, but is applicable to those entitled to benefits from any funds coming into the hands of the State Treasurer by virtue of a State law. Gardner v. Board of Trustees, 226 N.C. 465, 38 S.E.2d 314 (1946), decided prior to later amendments to this section.

§ 128-25. Membership in System.

Should sixty per centum (60%) of the members of any retirement, pension or annuity fund or system of any county, city or town of the State, hereafter referred to as a local pension system, elect to become members of the North Carolina Governmental Employees' Retirement System, by a petition duly signed by such members, the participation of such members in the Retirement System may be approved as provided in G.S. 128-24 as though such local pension system were not in operation, and the provisions of this Article shall also apply, except that the existing pensioners or annuitants of the local pension system who were being paid pensions on the date of the approval shall be continued and paid at their existing rates by the North Carolina Governmental Employees' Retirement System, and the liability on this account shall be included in the computation of the accrued liability by the actuary as provided by G.S. 128-30, subsection (d). Any cash and securities to the credit of the local pension system shall be transferred to the North Carolina Governmental Employees' Retirement System as of the date of the approval. The trustees or other administrative head of the local pension system as of the date of the approval shall certify the proportion, if any, of the funds of the System that represents the accumulated contributions of the members, and the relative shares of the members as of that date. Such shares shall be credited to the respective annuity savings accounts of such members in the North Carolina Governmental Employees' Retirement System. The balance of the funds transferred to the North Carolina Governmental Employees' Retirement System shall be offset against the accrued liability before determining the

special accrued liability contribution to be paid by the county, city or town as provided by G.S. 128-30, subsection (d). The operation of the local pension system shall be discontinued as of the date of the approval. (1939, c. 390, s. 5; 1941, c. 357, s. 4.)

§ 128-26. Allowance for service.

(a) Each person who becomes a member during the first year of his employer's participation, and who was an employee of the same employer at any time during the year immediately preceding the date of participation, shall file a detailed statement of all service rendered by him to that employer prior to the date of participation for which he claims credit.

A participating employer may allow prior service credit to any of its employees on account of: their earlier service to the aforesaid employer; or, their earlier service to any other employer as the term employer is defined in G.S. 128-21(11); or, their earlier service to any state, territory, or other governmental subdivision of the United States other than this State.

A participating employer may allow prior service credit to any of its employees on account of service, as defined in G.S. 135-1(23), to the State of North Carolina to the extent of such service prior to the establishment of the Teachers' and State Employees' Retirement System on July 1, 1941; provided that employees allowed such prior service credit pay in a total lump sum an amount calculated on the basis of compensation the employee earned when he first entered membership and the employee contribution rate at that time together with interest thereon from year of first membership to year of payment shall be one half of the calculated cost.

With respect to a member retiring on or after July 1, 1967, the governing board of a participating unit may allow credit for any period of military service in the armed forces of the United States if the person returned to the service of his employer within two years after having been honorably discharged, or becoming entitled to be discharged, released, or separated from such armed services; provided that, notwithstanding the above provisions, any member having credit for not less than 10 years of otherwise creditable service may be allowed credit for such military services which are not creditable in any other governmental retirement system; provided further, that a member will receive credit for military service under the provisions of this paragraph only if he submits satisfactory evidence of the military service claimed and the participating unit of which he is an employee agrees to grant credit for such military service prior to January 1, 1972.

A member retiring on or after July 1, 1971, who is not granted credit for military service under the provisions of the preceding paragraph will be allowed credit for any period in the armed services of the United States up to the date he was first eligible to be separated or released therefrom; provided that he was an employee as defined in G.S. 128-21(10) at the time he entered military service, and either of the following conditions is met:

(1) He returns to service, with the employer by whom he was employed when he entered military service, within a period of two years after he is first eligible to be separated or released from such military service under other than dishonorable conditions.

(2) He is in service, with the employer by whom he was employed when he entered military service, for a period of not less than 10 years after he

is separated or released from such armed services under other than dishonorable conditions.

(b) The Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year is equivalent to one year of service, but in no case shall more than one year of service be creditable for all service in one calendar year.

(c) Subject to the above restrictions and to such other rules and regulations as the Board of Trustees may adopt, the Board of Trustees shall verify, as soon as practicable after the filing of such statements of service, the service therein claimed.

In lieu of a determination of the actual compensation of the members that was received during such period of prior service, the Board of Trustees may use for the purpose of this Article the compensation rates which if they had progressed with the rates of salary increase shown in the tables as prescribed in subsection (o) of G.S. 128-28 would have resulted in the same average salary of the member for the five years immediately preceding the date of participation of his employer, as the records show the member actually received.

(d) Any member may, up to his date of retirement and within one year thereafter, request the Board of Trustees to modify or correct his prior service credit.

(e) Creditable service at retirement on which the retirement allowance of a member shall be based shall consist of the membership service rendered by him since he last became a member, and also if he has a prior service certificate which is in full force and effect, the amount of the service certified on his prior service certificate; and if he has sick leave standing to his credit upon retirement on or after July 1, 1971, one month of credit for each 20 days or portion thereof, but sick leave shall not be counted in computing creditable service for the purpose of determining eligibility for disability retirement or for a vested deferred allowance.

On and after July 1, 1971, a member whose account was closed on account of absence from service under the provisions of G.S. 128-24(1a) and who subsequently returns to service for a period of five years, may thereafter repay the amount withdrawn plus regular interest thereon from the date of withdrawal through the year of repayment and thereby increase his creditable service by the amount of creditable service lost when this account was closed.

On and after July 1, 1973, a member whose account in the Teachers' and State Employees' Retirement System was closed on account of absence from service under the provisions of G.S. 135-3(3) and who subsequently became or becomes a member of this System with credit for five years of service, may thereafter repay in a lump sum the amount withdrawn from the Teachers' and State Employees' Retirement System plus regular interest thereon from the date of withdrawal through the year of repayment and thereby increase his creditable service in this System by the amount of creditable service lost when his account was closed.

Notwithstanding any other provision of this Chapter, any member who entered service or was restored to service prior to July 1, 1982, and was excluded from membership service solely on account of having attained the age of 62 years, in accordance with former G.S. 128-24(3a), may purchase membership service credits for such excluded service by making a lump-sum payment equal to the contributions that would have been deducted pursuant to G.S. 128-30(b) had he been a member of the Retirement System, increased by interest calculated at a rate of seven percent (7%) per annum. Creditable service for unused sick leave shall be allowed only for sick leave accrued monthly during employment under a duly adopted sick leave policy and for which the member may be able to take credits and be paid for sick leave without restriction.

On and after January 1, 1986, the creditable service of a member who was a member of the Law Enforcement Officers' Retirement System at the time of the transfer of law enforcement officers employed by participating employers from that System to this Retirement System and whose accumulated contributions are transferred from that System to this Retirement System, includes service that was creditable in the Law Enforcement Officers' Retirement System; and membership service with that System is membership service with this Retirement System; provided, notwithstanding any provisions of this Article to the contrary, any inchoate or accrued rights of such a member to purchase creditable service for military service, withdrawn service and prior service under the rules and regulations of the Law Enforcement Officers' Retirement System may not be diminished and may be purchased as creditable service with this Retirement System under the same conditions that would have otherwise applied.

(f) Effective January 1, 1955, there shall be three classes of prior service certificates, to be designated as Class A, Class B and Class C respectively. Each such certificate issued on account of service rendered to a Class A employer shall be a Class A prior service certificate; each such certificate issued on account of service rendered to a Class B employer shall be a Class B prior service certificate; and each such certificate issued on account of service rendered to a Class C employer shall be a Class C prior service certificate. Each Class C prior service certificate shall specify a prior service benefit percentage rate which shall be three per centum (3%) in the case of any member entitled to such certificate who is, at the date of participation of his employer, in a position covered by the Social Security Act under a federal-State agreement and which shall be five per centum (5%) in the case of a member entitled to such certificate but who at the date of participation of his employer is in a position not so covered.

(g) During periods when a member is on leave of absence and is receiving less than his full compensation, he will be deemed to be in service only if he is contributing to the Retirement System as provided in G.S. 128-30(b)(4). If he is so contributing, the annual rate of compensation paid to such employee immediately before the leave of absence began will be deemed to be the actual compensation rate of the employee during the leave of absence.

(h) Creditable service at retirement shall include any service rendered by a member while on leave of absence to serve as a member or officer of the General Assembly which is not creditable toward retirement under the Legislative Retirement Fund provided the allowance of such credit shall be contingent upon the cancellation of service credit in the fund and the transfer of the member's contributions plus accumulated interest from the fund to this System.

(h1) Any member may purchase creditable service for service as a member of the General Assembly not otherwise creditable under this section, provided the service is not credited in the Legislative Retirement Fund nor the Legislative Retirement System, and further provided the member pays a lump sum amount equal to the full cost of the additional service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which a member could retire on an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(i) Notwithstanding any other provision of this Chapter, any person who withdrew his contributions in accordance with the provisions of G.S. 128-27(f) or 135-5(f) or the rules and regulations of the Law Enforcement Officers' Retirement System and who subsequently returns to service may, upon completion of five years of prior and current membership service, repay in a total lump sum any and all of the accumulated contributions previously withdrawn with interest compounded annually at the rate of six and one-half percent (6.5%) for each calendar year from the year of withdrawal to the year of repayment plus a fee to cover expense of handling which shall be determined by the Board of Trustees, and receive credit for the service forfeited at time of withdrawal(s). These provisions shall apply equally to retired members who had attained five years of prior and current membership service prior to retirement. The retirement allowance of a retired member who restores service under this subsection shall be increased the month following the month payment is received. The increase in the retirement allowance shall be the difference between the initial retirement allowance, under any optional allowance elected at the time of retirement, and the amount of the retirement allowance, under any optional allowance elected at the time of retirement, to which the retired member would have been entitled had the service not been previously forfeited, adjusted by any increases in the retirement accrual rate occurring between the member's date of retirement and the date of payment. The increase in the retirement allowance shall not include any adjustment for cost-of-living increases granted since the date of retirement.

(j) Repealed by Session Laws 1987, c. 617, s. 3.

(j1) Notwithstanding any other provision of this Chapter, any member and any retired member as herein described may purchase creditable service for service in the Armed Forces of the United States, not otherwise allowed, by paying a total lump sum payment determined as follows:

(1) For members who completed 10 years of membership service, and retired members who completed 10 years of membership service prior to retirement, and whose membership began on or prior to January 1, 1988, and who make such purchase within three years after first becoming eligible, the cost shall be an amount equal to the monthly compensation the member earned when he first entered membership service times the employee contribution rate at that time times the months of service to be purchased with sufficient interest added thereto so as to equal one-half of the cost of allowing such service, plus an administrative fee to be set by the Board of Trustees.

(2) For members who complete five years of membership service, and retired members who complete five years of membership service prior to retirement, and eligible members and retired members covered by paragraph (1) of this subdivision, whose membership began on or before January 1, 1988, but who did not or do not make such purchase within three years after first becoming eligible, the cost shall be an amount equal to the full liability of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities and shall take into account the retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire on an unreduced allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the term "full liability" includes assumed post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service retirement allowance.

Creditable service allowed under this subdivision shall be only for the initial period of "active duty", as defined in 38 U.S. Code Section 101(21), in the Armed Forces of the United States up to the date the member was first eligible to be separated and released and for subsequent periods of "active duty", as defined in 38 U.S. Code Section 101(21), as required by the Armed Forces of the United States up to the date of first eligibility for separation or release, but shall not include periods of active duty in the Armed Forces of the United States creditable in any other retirement system except the national guard or any reserve component of the Armed Forces of the United States, and shall not include periods of "active duty for training", as defined in 38 U.S. Code Section 101(22), or periods of "inactive duty training", as defined in 38 U.S. Code Section 101(23), rendered in any reserve component of the Armed Forces of the United States. Provided, creditable service may be allowed only for active duty in the Armed Forces of the United States of a member that resulted in a general or honorable discharge from duty. The member shall submit satisfactory evidence of the service claimed. For purposes of this subsection, membership service may include any membership or prior service credits transferred to this Retirement System pursuant to G.S. 128-24.

(j2) Notwithstanding any other provision of this Chapter, any member and any retired member as herein described may purchase creditable service previously rendered to any state, territory, or other governmental subdivision of the United States other than this State by paying a total lump-sum payment determined as follows:

(1) For members who completed 10 years of prior and current membership service, and retired members who completed 10 years of prior and current membership service prior to retirement, and whose membership began on or before January 1, 1988, and who make such purchase within three years after first becoming eligible, the cost shall be an amount equal to the monthly compensation the member earned when he first entered membership service, times the employee contribution rate at that time, times the months of service to be purchased, times two, with sufficient interest added thereto so as to equal the full cost of allowing such service, plus an administrative fee to be set by the Board of Trustees.

(2) For members who complete five years of prior and current membership service, and retired members who complete five years of prior and current membership service prior to retirement, and eligible members and retired members covered by subdivision (1) of this subsection, whose membership began on or before January 1, 1988, but who did not or do not make such purchase within three years after first becoming eligible, the cost shall be an amount equal to the full liability of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities and shall take into account the retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire on an unreduced allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the term "full liability" includes assumed postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service retirement allowance. Notwithstanding the requirement of five years of current membership service, a member whose membership began prior to the service the member desires to purchase shall be eligible to purchase creditable

service under this subdivision upon returning to service as an employee upon completion of a total of five years of membership service and upon completion of one year of current membership service.

Current membership service shall mean membership service earned since the service previously rendered to any state, territory, or other governmental subdivision of the United States other than this State. Creditable service under this subsection shall be allowed only at the rate of one year of out-of-state service for each year of service in this State, with a maximum allowable of 10 years of out-of-state service. Such service is limited to full-time service which would be allowable under the laws governing this System. Credit will be allowed only if no benefit is allowable in another public retirement system as a result of the service.

(k) Notwithstanding any language to the contrary of any provision of this section, or of any repealed provision of this section that was repealed with the inchoate and accrued rights preserved, all repayments and purchases of service credits, allowed under the provisions of this section or of any repealed provision of this section that was repealed with inchoate and accrued rights preserved, must be made within three years after the member first becomes eligible to make such repayments and purchases. Any member who does not repay or purchase service credits within said three years after first eligibility to make such repayments and purchases may, under the same conditions as are otherwise required, repay or purchase service credits provided that the repayment or purchase equals the full cost of the service credits calculated on the basis of the assumptions used for purchases of the actuarial valuation of the System's liabilities and shall take into account the additional retirement allowance arising on account of such additional service credit commencing at the earliest age at which such member could retire on an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance. Notwithstanding the foregoing, on and after January 1, 2003, the provisions of this subsection shall not apply to the repayment of contributions withdrawn pursuant to subsection (i) of this section.

(*l*) Notwithstanding any other provision of this Chapter, any member may purchase creditable service for periods of employer approved leaves of absence when in receipt of benefits under the North Carolina Workers" Compensation Act. This service shall be purchased by paying a cost calculated in the following manner:

(1) Leaves of Absence Terminated Prior to July 1, 1983. — The cost to a member whose employer approved leave of absence, when in receipt of benefits under the North Carolina Workers' Compensation Act, terminated upon return to service prior to July 1, 1983, shall be a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities, and shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the board of trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full

liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(2) Leaves of Absence Terminating On and After July 1, 1983. — The cost to a member whose employer approved leave of absence, when in receipt of benefits under the North Carolina Workers' Compensation Act, terminates upon return to service on and after July 1, 1983, shall be a lump sum amount due and payable to the Annuity Savings Fund within six months from return to service equal to the total employee and employer percentage rates of contribution in effect at the time of purchase and based on the annual rate of compensation of the member immediately prior to the leave of absence; Provided, however, the cost to a member whose amount due is not paid within six months from return to service shall be the amount due plus one percent (1%) per month penalty for each month or fraction thereof the payment is made beyond the six-month period.

Whenever the creditable service purchased pursuant to this subsection is for a period that occurs during the four consecutive calendar years that would have produced the highest average annual compensation pursuant to G.S. 128-21(5) had the member not been on leave of absence without pay, then the compensation that the member would have received during the purchased period shall be included in calculating the member's average final compensation. In such cases, the compensation that the member would have received during the purchased period shall be based on the annual rate of compensation of the member immediately prior to the leave of absence.

(m) Omitted Membership Service. — A member who had service as an employee as defined in G.S. 135-1(10) and G.S. 128-21(10) or as a teacher as defined in G.S. 135-1(25) and who was omitted from contributing membership through error may be allowed membership service, after submitting clear and convincing evidence of the error, as follows:

(1) within 90 days of the omission, by the payment of employee and employer contributions that would have been paid; or

(2) after 90 days and prior to three years of the omission, by the payment of the employee and employer contributions that would have been paid plus interest compounded annually at a rate equal to the greater of the average yield on the pension accumulation fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees; or

(3) after three years of the omission, by the payment of an amount equal to the full cost of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities, and shall take into account the additional retirement allowance arising on account of such additional service credit commencing at the earliest age at which a member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

Nothing contained in this subsection shall prevent an employer or member from paying all or a part of the cost of the omitted membership service; and to

the extent paid by the employer, the cost paid by the employer shall be credited to the pension accumulation fund; and to the extent paid by the member, the cost paid by the members shall be credited to the member's annuity savings account; provided, however, an employer does not discriminate against any member or group of members in his employ in paying all or any part of the cost of the omitted membership service. In the event an employer pays all or a part of the full actuarial cost as determined in subdivision (3) of this subsection, the employer may, at its option, pay such amount either in a lump sum or by increasing its "accrued liability contribution" for the remainder of its accrued liability period. In the event an employer has satisfied its accrued liability contribution, the employer may amortize its portion of the full actuarial cost over a period not to exceed ten years. The expense of making an actuarial valuation to determine the accrued liability contribution or the additional accrued liability contribution, required to amortize the portion of the full actuarial cost paid by the employer, shall be paid by the employer in a lump sum at the time of the actuarial valuation.

(n) Repealed by Session Laws 2002-153, s. 3, effective January 1, 2003.

(o) Credit at Full Cost for Federal Employment. — Notwithstanding any other provisions of this Chapter, a member, upon the completion of five years of membership service, may purchase creditable service for periods of federal employment, provided that the member is not receiving any retirement benefits resulting from this federal employment, and provided that the member is not vested in the particular federal retirement system to which the member may have belonged while a federal employee. The member shall purchase this service by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the liabilities of the Retirement System; and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Members may also purchase creditable service for periods of employment with public community service entities within the State funded entirely with federal funds, other than the federal government, that are not covered by the provisions of G.S. 128-21(11) or G.S. 135-1(11), under the same terms and conditions that are applicable to the purchase of creditable service for periods of federal employment in accordance with this subsection. "Public community service entities" as used in this subsection shall mean community action, human relations, manpower development, and community development programs as defined in Articles 19 and 21 of Chapter 160A and Article 18 of Chapter 153A of the General Statutes and any other similar programs that the Board of Trustees may adopt. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(p) Part-Time Service Credit. —

(1) Notwithstanding any other provision of this Chapter, upon completion of five years of membership service, any member may purchase service previously rendered as a part-time employee of a participating employer as defined in G.S. 128-21(11) or G.S. 135-1(11), except for temporary or part-time service rendered while a full-time student in pursuit of a degree or diploma in a degree-granting program. Payment shall be made in a single lump sum in an amount equal to the full

actuarial cost of providing credit for the service, together with interest and an administrative fee, as determined by the Board of Trustees on the advice of the Retirement System's actuary. Notwithstanding the provisions of G.S. 128-26(b), the Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year, as based on compensation, is equivalent to one year of service in proportion to "earnable compensation", but in no case shall more than one year of service be creditable for all service in one year. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(2) Under all requirements and conditions set forth in the preceding subdivision of this subsection, except for the requirement that the completion of five years of membership service be subsequent to service rendered as a part-time employee, any member with five or more years of membership service standing to his credit may purchase additional membership service for service rendered as a part-time employee of an employer as defined in G.S. 128-21(11) if (i) the member terminates or has terminated employment in any capacity as an employee, (ii) the purchase of the additional membership service causes the member to become eligible to commence an early or service retirement allowance, and (iii) the member immediately elects to commence retirement and become a beneficiary.

(q) Credit at Full Cost for Probationary Employment. — Notwithstanding any other provision of this Chapter, a member may purchase creditable service, prior to retirement, for employment with an employer as defined in this Article when considered to be in a probationary or employer imposed waiting period status and thereby not regularly employed, between date of employment and date of membership service with the retirement system, provided that the employer or former employer of such a member has revoked this probationary employment or waiting period policy.

Provided, the member shall purchase this service by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the liabilities of the retirement system, and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. In no instance shall the amount payable be less than the contributions a member would have made during the employment plus four percent (4%) interest compounded annually.

Nothing contained in this subsection shall prevent an employer from paying all or part of the cost; and, to the extent paid by an employer, payments shall be credited to the Pension Accumulation Fund; and to the extent paid by a member, payments shall be credited to the Annuity Savings Fund; provided, however, an employer may not discriminate against any member or group of members in his employ in paying all or any part of this cost. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(r) Credit at Full Cost for Temporary Government Employment. — Notwithstanding any other provisions of this Chapter, any member may purchase creditable service for government employment when classified as a temporary employee subject to the conditions that:

(1) The member was employed by an employer as defined in G.S. 128-21(11) or G.S. 135-1(11);

(2) The member's temporary employment met all other requirements of G.S. 128-21(10), or G.S. 135-1(10) or (25);

(3) The member has completed five years or more of membership service;

(4) The member acquires from the employer such certifications of temporary employment as are required by the Board of Trustees; and

(5) The member makes a lump sum payment into the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the retirement system's liabilities, and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary, plus an administrative fee to be determined by the Board of Trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(s) Credit at Full Cost for Employment Not Otherwise Creditable. — Notwithstanding any other provisions of this Chapter, any member may purchase creditable service for any employment as an employee, as defined in G.S. 128-21(10), of a local government employer not creditable in any other retirement system or plan, upon completion of five years of membership service by making a lump sum payment into the Annuity Savings Fund. The payment by the member shall be equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the retirement system's liabilities, and the calculation of the amount payable shall take into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire with an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary plus an administrative fee to be determined by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(t) Purchase of Service Credits Through Rollover Contributions From Certain Other Plans. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of G.S. 128-26, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through rollover contributions to the Annuity Savings Fund fr .1 (i) an annuity contract described in Section 403(b) of the Internal Revenue Code, (ii) an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state,

(iii) an individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income, or (iv) a qualified plan described in Section 401(a) or 403(a) of the Internal Revenue Code. Notwithstanding the foregoing, the Retirement System shall not accept any amount as a rollover contribution unless such amount is eligible to be rolled over to a qualified trust in accordance with applicable law and the member provides evidence satisfactory to the Retirement System that such amount qualifies for rollover treatment. Unless received by the Retirement System in the form of a direct rollover, the rollover contribution must be paid to the Retirement System on or before the 60th day after the date it was received by the member.

Purchase of Service Credits Through Plan-to-Plan Transfers. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of G.S. 128-26, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code or (ii) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(u) **(See note.)** Purchase of Service Credits Through Plan-to-Plan Transfers. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of G.S. 128-26, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) the Supplemental Retirement Income Plans A, B, or C of North Carolina or (ii) any other defined contribution plan qualified under Section 401(a) of the Internal Revenue Code which is maintained by the State of North Carolina, a political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(v) Retroactive Membership Service. — A member who is reinstated to service as an employee as defined in G.S. 128-21(10) retroactively to the date of prior involuntary termination (with backpay and benefits) may be allowed membership service, after submitting clear and convincing evidence of the reinstatement, as follows:

(1) Within 90 days of the involuntary termination, by the payment of employee and employer contributions that would have been paid; or

(2) After 90 days of the involuntary termination, by the payment of the employee and employer contributions that would have been paid plus interest compounded annually at a rate equal to the greater of the average yield on the pension accumulation fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees.

Nothing contained in this subsection shall prevent an employer or member from paying all or a part of the cost of the retroactive membership service; and to the extent paid by the employer, the cost paid by the employer shall be credited to the pension accumulation fund; and to the extent paid by the member, the cost paid by the member shall be credited to the member's annuity savings account; provided, however, an employer does not discriminate against any member or group of members in his employ in paying all or any part of the cost of the retroactive membership service.

In the event a member received a return of accumulated contributions subsequent to an involuntary termination as provided in G.S. 128-27(f), the

member may redeposit, within 90 days of reinstatement retroactive to the date of prior involuntary termination, in the annuity savings fund by single payment, an amount equal to the total amount he previously withdrew plus regular interest and restore the creditable service forfeited upon receiving his return of accumulated contributions. Editor's Note. — Session Laws 1987, c. 617, s. 3 directed the deletion of the last paragraph of subsection (j). However, subsection (j) only contained one paragraph. Thus it would appear that the intent of the act was to delete all of subsection (j).

Session Laws 1987, c. 617, s. 5 provided, inter alia: "For the purposes of Section 3 of this act, members of the Retirement System who are members before January 1, 1988, shall retain all rights and privileges to purchase military and out-of-state service credits under the same conditions that existed prior to the effective date of that section."

Session Laws 1987, c. 617, s. 3, effective January 1, 1988, deleted the last paragraph of subsection (a), which, as amended by c. 617, ss. 1 and 4, read:

"Notwithstanding any other provision of this Chapter, members not otherwise allowed service credit for service in the armed forces of the United States may, upon completion of 10 years of prior and current membership service, purchase such service credit by paying in a total lump sum an amount, based on the compensation the member earned when he first entered membership and the employee contribution rate at that time, with sufficient interest added thereto so as to equal one half the cost of allowing such service, plus a fee to cover expense of handling payment to be determined by the Board of Trustees and assessed the member at the time of payment; provided that credit will be allowed only for the initial period of active duty in the armed forces of the United States up to the time the member was first eligible to be separated or released therefrom, and subsequent periods of such active duty as required by the armed forces of the United States up to the date of first eligibility for separation or release therefrom; and further provided that the member submit satisfactory evidence of the service claimed and that service credit be allowed only for that period of active service in the armed forces of the United States not creditable in any other retirement system, except the national guard or any reserve component of the armed forces of the United States. These provisions shall apply equally to retired members who had attained 10 years of prior and current membership service prior to retirement. Cost as used in this subsection shall mean the amount of money required to provide additional retirement benefits based on service credit allowed at the time any adjustment to the service credit of a member is made."

Session Laws 1987, c. 617, s. 3, effective January 1, 1988, also deleted subsection (j), which, as amended by c. 617, ss. 2 and 4, read:

"(j) Notwithstanding any other provision of this Chapter, any member may, upon completion of 10 years of prior and current membership service, purchase credit for service previously rendered to any state, territory or other governmental subdivision of the United States other than this State at the rate of one year of out-of-state service for each two years of service in this State with a maximum allowable of 10 years of out-of-state service. Such service is limited to full-time service which would be allowable under the laws governing this System. Credit will be allowed only if no benefit is allowable in another public retirement system as the result of the service. Payment shall be permitted only on a total lump sum an amount, based on the compensation the member earned when he first entered membership and the employee contribution rate at that time and shall be equal to the full cost of providing credit for such service plus a fee to cover expense of handling which shall be determined by the Board of Trustees. These provisions shall apply equally to retired members who had attained 10 years of prior and current membership service prior to retirement. Cost as used in this subsection shall mean the amount of money

required to provide additional retirement benefits based on service credit allowed at the time any adjustment to the service credit of an individual is made."

Session Laws 2002-71, s. 9, provides, in part, that s. 3 of the act becomes effective January 1, 2003, except that G.S. 128-26(u), as enacted by s. 3, becomes effective the later of January 1, 2003, or the date upon which the Department of State Treasurer receives a ruling from the Internal Revenue Service approving the direct transfers provided for in that subsection.

Session Laws 2002-153, s. 4.1, as amended by Session Laws 2002-159, s. 83, provides: "The Treasurer is authorized to increase the requirements and receipts for the operating budget of the Retirement Systems Division in the amount of two hundred forty-seven thousand seven hundred thirteen dollars ($247,713) for the fiscal year 2002-2003 and the fiscal year 2003-2004 to fund eight two-year time-limited positions to implement the provisions of this act."

Effect of Amendments. — Session Laws 2001-487, s. 82, effective January 1, 2002, deleted "thereof not to exceed 12 days of credit for each year of prior and membership service or fraction" following "20 days or portion" in the first paragaph of subsection (e).

Session Laws 2002-71, s. 3, added subsections (t) and (u). See editor's note for effective date.

Session Laws 2002-153, ss. 1-3, effective January 1, 2003, rewrote subsection (i); added the last sentence in subsection (k); and repealed subsection (n).

Session Laws 2003-359, ss. 17-19, and 22, effective August 1, 2003, in subsection (j1), deleted "current" following "membership" twice in subdivision (1) and once in subdivision (2), and rewrote the last paragraph; in subsection (j2), deleted "current" preceding "membership" twice in subdivision (1) and once in subdivision (2), added the last sentence in subdivision (2), and in the last paragraph, added the first sentence, substituted "each year" for "each two years" in the second sentence; in subsection (m), substituted "rate equal to the greater of the average yield on the pension accumulation fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees" for "rate equal to the average yield on the pension accumulation fund for the preceding calendar year" in subdivision (2), and added the last three sentences to the last paragraph; and added subsection (v).

OPINIONS OF ATTORNEY GENERAL

Effect of Purchase of Service Credits. — The purchase of prior credit service for the period of July 10, 1984 and the enrollment in November, 1984 of several public safety officers would not give those officers five years' service standing to their credit as of August 12, 1989; therefore, they would not thereby have a right to receive their retirement benefits tax-free. See Opinion of Attorney General to Mr. Ralph D. Karpinos, Town Attorney, Town of Chapel Hill, 2000 N.C. AG LEXIS 12 (10/2/2000).

§ 128-26A. Reciprocity of creditable service with other State-administered retirement systems.

(a) Only for the purpose of determining eligibility for benefits accruing under this Article, creditable service standing to the credit of a member of the Legislative Retirement System, Consolidated Judicial Retirement System, or the Teachers' and State Employees' Retirement System shall be added to the creditable service standing to the credit of a member of this System; provided, that in the event a person is a retired member of any of the foregoing retirement systems, such creditable service standing to the credit of the retired member prior to retirement shall be likewise counted. In no instance shall service credits maintained in the aforementioned retirement systems be added to the creditable service in this System for application of this System's benefit accrual rate in computing a service retirement benefit unless specifically authorized by this Article.

(b) A person who was a former member of this System and who has forfeited his creditable service in this System by receiving a return of contributions and who has creditable service in the Legislative Retirement System, Consolidated Judicial Retirement System, or the Teachers' and State Employees' Retirement System may count such creditable service for the purpose of restoring the

creditable service forfeited in this System under the terms and conditions as set forth in this Article and reestablish membership in this System.

(c) Creditable service under this section shall not be counted twice for the same period of time whether earned as a member, purchased, or granted as prior service credits. (1989 (Reg. Sess., 1990), c. 1066, s. 35(b).)

§ 128-27. Benefits.

(a) Service Retirement Benefits. —

(1) Any member may retire upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired: Provided, that the said member at the time so specified for his retirement shall have attained the age of 60 years and have at least five years of creditable service or shall have completed 30 years of creditable service, or if a fireman, he shall have attained the age of 55 years and have at least five years of creditable service.

(2) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1019, s. 1.

(3) Repealed by Session Laws 1971, c. 325, s. 12.

(4) Any member who was in service October 8, 1981, who had attained 60 years of age, may retire upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired.

(5) Any member who is a law enforcement officer, and who attains age 50 and completes 15 or more years of creditable service in this capacity or who attains age 55 and completes five or more years of creditable service in this capacity, may retire upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired; provided, also, any member who has met the conditions required by this subdivision but does not retire, and later becomes an employee other than as a law enforcement officer, continues to have the right to commence retirement.

(a1) Early Service Retirement Benefits. — Any member may retire and receive a reduced retirement allowance upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired: Provided, that the said member at the time so specified for his retirement shall have attained the age of 50 years and have at least 20 years of creditable service.

(a2) Discontinued Service Retirement Allowance. — A member whose employment with a participating employer is involuntarily terminated as a result of a termination event as defined in this subsection may be allowed a discontinued service retirement allowance, provided that the discontinued service retirement allowance is approved by the terminated member's participating employer, and provided that reemployment with that participating employer is not available to the member at the time of the termination event. For purposes of this section, "termination event" means termination of employment as a result of (i) the participating employer's cessation of operations; (ii) the participating employer's dissolution; (iii) the merger of a participating employer with and into an unrelated entity, other than another participating employer; (iv) the acquisition of the participating employer by an unrelated entity, other than another participating employer; or (v) the determination by

If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of a percent (1/10 of 1%). Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. In lieu of the reductions on account of a disability beneficiary earning more than the aforesaid difference, he may elect to convert his disability retirement allowance to a service retirement allowance calculated on the basis of his average final compensation and creditable service at the time of disability retirement and his age at the time of conversion to service retirement. This election is irrevocable.

The provisions of this subdivision shall not apply to beneficiaries of the Law Enforcement Officers' Retirement System transferred to this Retirement System who commenced retirement on and before July 1, 1981.

(2) Should a disability beneficiary under the age of 62 years be restored to active service at a compensation not less than his average final compensation, his retirement allowance shall cease, he shall again become a member of the Retirement System and he shall contribute thereafter at the contribution rate which is applicable during his subsequent membership service. Any prior service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and in addition, upon his subsequent retirement he shall be credited with all his service as a member, but should he be restored to active service on or after the attainment of the age of 50 years his pension upon subsequent retirement shall not exceed the sum of the pension which he was receiving immediately prior to his last restoration after June 30, 1951, and the pension that he would have received on account of his service since such last restoration had he entered service at that time as a new entrant.

(3) Notwithstanding the foregoing, a member retired on a disability retirement allowance who is restored to service and subsequently retires on or after July 1, 1971, shall be entitled to an allowance not less than the allowance prescribed in a below reduced by the amount in b below.

a. The allowance to which he would have been entitled if he were retiring for the first time, calculated on the basis of his total creditable service represented by the sum of his creditable service at the time of his first retirement and his creditable service after he was restored to service.

b. The actuarial equivalent of the retirement benefits he previously received.

(3a) Notwithstanding the foregoing, should a beneficiary who retired on a disability retirement allowance be restored to service as an employee,

then the retirement allowance shall cease as of the first day of the month following the month in which the beneficiary is restored to service and the beneficiary shall become a member of the Retirement System and shall contribute thereafter as allowed by law at the uniform contribution payable by all members. Upon the subsequent retirement of the beneficiary, he shall be entitled to an allowance to which he would have been entitled if he were retiring for the first time, calculated on the basis of his total creditable service represented by the sum of his creditable service at the time of his first retirement and his creditable service after he was restored to service. Provided, however, any election of an optional allowance cannot be changed unless the member subsequently completes three years of membership service after being restored to service.

(4) As a condition to the receipt of the disability retirement allowance provided for in G.S. 128-27(d), (d1), (d2) and (d3) each member retired on a disability retirement allowance shall, on or before April 15 of each calendar year, provide the Board of Trustees with a statement of his or her income received as compensation for services, including fees, commissions or similar items, and income received from business, for the previous calendar year. Such statement shall be filed on a form as required by the Board of Trustees. The benefit payable to a beneficiary who does not or refuses to provide the information requested within 60 days after such request shall not be paid a benefit until the information so requested is provided, and should such refusal or failure to provide such information continue for 240 days after such request, the right of a beneficiary to a benefit under the Article may be terminated.

The Director of the State Retirement Systems shall contact any State or federal agency which can provide information to substantiate the statement required to be submitted by this subdivision and may enter into agreements for the exchange of information.

(5) Notwithstanding any other provisions of this Article to the contrary, a beneficiary who was a beneficiary retired on a disability retirement with the Law Enforcement Officers' Retirement System at the time of the transfer of law enforcement officers employed by a participating employer and beneficiaries last employed by a participating employer to this Retirement System and who also was a contributing member of this Retirement System at that time, shall continue to be paid his retirement allowance without restriction and may continue as a member of this Retirement System with all the rights and privileges appendant to membership. Any beneficiary who retired on a disability retirement allowance as an employee of any participating employer under the Law Enforcement Officers' Retirement System and becomes employed as an employee other than as a law enforcement officer by an employer participating in the Retirement System after the aforementioned transfer shall continue to be paid his retirement allowance without restriction and may continue as a member of this Retirement System with all the rights and privileges appendant to membership until January 1, 1989, at which time his retirement allowance shall cease and his subsequent retirement shall be determined in accordance with the preceding subdivision (3a) of this section. Any beneficiary as hereinbefore described who becomes employed as a law enforcement officer by an employer participating in the Retirement System shall cease to be a beneficiary and shall immediately commence membership and his subsequent retirement shall be determined in accordance with subdivision (3a) of this section.

(6) Notwithstanding any other provision to the contrary, a beneficiary in receipt of a disability retirement allowance until the earliest date on which he would have qualified for an unreduced service retirement allowance shall thereafter (i) not be subject to further reexaminations as to disability, (ii) not be subject to any reduction in allowance on account of being engaged in a gainful occupation other than with an employer participating in the Retirement System, and (iii) be considered a beneficiary in receipt of a service retirement allowance. Provided, however, a beneficiary in receipt of a disability retirement allowance whose allowance is reduced on account of reexamination as to disability or to ability to engage in a gainful occupation prior to the date on which he would have qualified for an unreduced service retirement allowance shall have only the right to elect to convert to an early or service retirement allowance as permitted under subdivision (1) above.

(f) Return of Accumulated Contributions. — Should a member cease to be an employee except by death or retirement under the provisions of this Chapter, he shall upon submission of an application be paid, not earlier than 60 days from the date of termination of service, his contributions and, if he has attained at least five years of membership service or if termination of his membership service is involuntary as certified by the employer, the accumulated regular interest thereon, provided that he has not in the meantime returned to service. Upon payment of such sum his membership in the System shall cease and, if he thereafter again becomes a member, no credit shall be allowed for any service previously rendered except as provided in G.S. 128-26; and such payment shall be in full and complete discharge of any rights in or to any benefits otherwise payable hereunder. Upon receipt of proof satisfactory to the Board of Trustees of the death, prior to retirement, of a member or former member there shall be paid to such person or persons as he shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the member's death, otherwise to the member's legal representatives, the amount of his accumulated contributions at the time of his death, unless the beneficiary elects to receive the alternate benefit under the provisions of (m) below. An extension service employee who made contributions to the Local Governmental Employees' Retirement System and the Teachers' and State Employees' Retirement System as a result of dual employment may not be paid his accumulated contributions unless he is eligible to be paid his accumulated contributions in both systems for the same period of service.

Pursuant to the provisions of G.S. 135-56.2, a member who is also a member of the Consolidated Judicial Retirement System may irrevocably elect to transfer any accumulated contributions to the Consolidated Judicial Retirement System or to the Supplemental Retirement Income Plan and forfeit any rights in or to any benefits otherwise payable hereunder.

(f1) Notwithstanding the foregoing provisions, upon or after retirement any member who was a uniformed fireman and any surviving beneficiary of a member who was a uniformed fireman, shall upon submission of an application, be paid the sum of accumulated contributions, with regular interest thereon, made under those provisions of G.S. 128-30(b)(1) that applied from July 1, 1965, through June 30, 1971, to the extent of the contributions required of the member that were in excess of the contributions required of other members of the Local Governmental Employees' Retirement System covered under the Social Security Act as was from time to time in effect; provided that, the return of contributions shall be payable only if the contributions did not increase the retirement allowance of the member or surviving beneficiary under the provisions of this Chapter.

(f2) Expired.

(g) Election of Optional Allowance. — With the provision that until the first payment on account of any benefit becomes normally due, or his first retirement check has been cashed, any member may elect to receive his benefits in a retirement allowance payable throughout life, or he may elect to receive the actuarial equivalent of such retirement allowance in a reduced allowance payable throughout life under the provisions of one of the Options set forth below. The election of Option two or Option three or nomination of the person thereunder shall be revoked if such person nominated dies prior to the date the first payment becomes normally due or the first retirement check has been cashed. Such election may be revoked by the member prior to the date the first payment becomes normally due or his first retirement check has been cashed. Provided, however, in the event a member has elected Option 2 or Option 3 and nominated his or her spouse to receive a retirement allowance upon the member's death, and the spouse predeceases the member after the first payment becomes normally due or the first retirement check has been cashed, if the member remarries he or she may nominate a new spouse to receive the retirement allowance under the previously elected option, within 90 days of the remarriage. The new nomination shall be effective on the first day of the month in which it is made and shall provide for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new nomination. Any member having elected Options two, three, or six and nominated his or her spouse to receive a retirement allowance upon the member's death may, after divorce from his or her spouse, revoke the nomination and elect a new option, effective on the first day of the month in which the new option is elected, providing for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new option.

Option one. (a) In the Case of a Member Who Retires prior to July 1, 1965. — If he dies before he has received in annuity payments the present value of his annuity as it was at the time of his retirement, the balance shall be paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees or, if none, to his legal representative.

(b) In the Case of a Member Who Retires on or after July 1, 1965, but prior to July 1, 1993. — If he dies within 10 years from his retirement date, an amount equal to his accumulated contributions at retirement, less one one-hundred-twentieth thereof for each month for which he has received a retirement allowance payment, shall be paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees or, if none, to his legal representative; or

Option two. Upon his death his reduced retirement allowance shall be continued throughout the life of and paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement, provided that if the person selected is other than his spouse the reduced retirement allowance payable to the member shall not be less than one half of the retirement allowance without optional modification which would otherwise be payable to him; or

Option three. Upon his death, one half of his reduced retirement allowance shall be continued throughout the life of, and paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement; or

Option four. Adjustment of Retirement Allowance for Social Security Benefits. — Until the first payment on account of any benefit becomes normally due, any member may elect to convert his benefit otherwise payable on his account

after retirement into a retirement allowance of equivalent actuarial value of such amount that with his benefit under Table II of the Federal Social Security Act, he will receive, so far as possible, approximately the same amount per year before and after the earliest age at which he becomes eligible, upon application therefor, to receive a social security benefit.

Option five. For Members Retiring prior to July 1, 1993. — The member may elect to receive a reduced retirement allowance under the conditions of Option two or Option three, as provided for above, with the modification that if both he and the person nominated die within 10 years from his retirement date, an amount equal to his accumulated contributions at retirement, less 1/120th thereof for each month for which a retirement allowance has been paid, shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees.

Option six. A member may elect either Option two or Option three with the added provision that in the event the designated beneficiary predeceases the member, the retirement allowance payable to the member after the designated beneficiary's death shall be equal to the retirement allowance which would have been payable had the member not elected the option.

(g1) In the event of the death of a retired member while in receipt of a retirement allowance under the provisions of this Article, there shall be paid to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the retiree's death, otherwise to the retiree's legal representatives, a death benefit equal to the excess, if any, of the accumulated contributions of the retiree at the date of retirement over the total of the retirement allowances paid prior to the death of the retiree.

In the event that a retirement allowance becomes payable to the designated survivor of a retired member under the provisions above and such retirement allowance to the survivor shall terminate upon the death of the survivor before the total of the retirement allowances paid to the retiree and the designated survivor combined equals the amount of the accumulated contributions of the retiree at the date of retirement, the excess, if any, of such accumulated contributions over the total of the retirement allowances paid to the retiree and the survivor combined shall be paid in a lump sum to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time such payment falls due, otherwise to the retiree's legal representative.

In the event a retiree purchases creditable service as provided in G.S. 128-26, there shall be paid to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the retiree's death, otherwise to the retiree's legal representatives, an additional death benefit equal to the excess, if any, of the cost of the creditable service purchased less the administrative fee, if any, over the total of the increase in the retirement allowance attributable to the additional creditable service, paid from the month following the month in which payment was received to the death of the retiree.

In the event that a retirement allowance becomes payable to the designated survivor of a retired member under the provisions above, and such retirement allowance to the survivor shall terminate upon the death of the survivor before the total of the increase in the retirement allowance attributable to the additional creditable service paid to the retiree and the designated survivor combined equals the cost of the creditable service purchased less the administrative fee, the excess, if any, shall be paid in a lump sum to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons

are living at the time such payment falls due, otherwise to the retiree's legal representative.

(h) Until June 30, 1951, all benefits payable to or on account of any beneficiary retired before such date shall be computed on the basis of the provisions of Chapter 128 as they existed at the date of establishment of the Retirement System. On and after July 1, 1951, all such benefits shall be adjusted to take into account, under such rules as the Board of Trustees may adopt, the provisions of Chapter 128 and all amendments thereto in effect on July 1, 1951, and no further contributions on account of such adjustments shall be required of such beneficiaries. The Board of Trustees may authorize such transfers of reserves between the funds of the Retirement System as may be required on account of such adjustments.

(i) No action shall be commenced against the State or the Retirement System by any retired member or beneficiary respecting any deficiency in the payment of benefits more than three years after such deficient payment was made, and no action shall be commenced by the State or the Retirement System against any retired member or former member or beneficiary respecting any overpayment of benefits or contributions more than three years after such overpayment was made.

(j) Increase in Benefits to Those Persons Who Were in Receipt of Benefits prior to July 1, 1967. — From and after July 1, 1967, the monthly benefits, to or on account of persons who commenced receiving benefits from the System prior to July 1, 1967, shall be increased by a percentage thereof. Such percentage shall be determined in accordance with the following schedule:

Period in Which Benefits Commenced	Percentage
January 1, 1966, to June 30, 1967	5%
Year 1965	6%
Year 1964	7%

Year 1962	9%
Year 1961	10%
Year 1960	11%
Year 1959	12%
Year 1958	13%
Year 1957	14%
Year 1956	15%
Year 1955	16%
Year 1954	17%
Year 1953	18%
Year 1952	19%
Year 1951	20%
Year 1950	21%
Year 1949	22%
Year 1948	23%
Year 1947	24%
Year 1946	25%

The minimum increase pursuant to this subsection (j) shall be five dollars ($5.00) per month; provided that, if an optional benefit has been elected, said minimum shall be reduced actuarially as determined by the Board and shall be applicable to a retired member, if surviving, otherwise to his designated beneficiary under the option elected.

(k) Post-Retirement Increases in Allowances. — As of December 31, 1969, the ratio of the Consumer Price Index to such index one year earlier shall be

determined. If such ratio indicates an increase that equals or exceeds three per centum (3%), each beneficiary receiving a retirement allowance as of December 31, 1968, shall be entitled to have his allowance increased three per centum (3%) effective July 1, 1970.

As of December 31, 1970, the ratio of the Consumer Price Index to such index one year earlier shall be determined. If such ratio indicates an increase of at least one per centum (1%), each beneficiary on the retirement rolls as of July 1, 1970, shall be entitled to have his allowance increased effective July 1, 1971, as follows:

Increase In Index	*Increase In Allowance*
1.00 to 1.49%	1%
1.50 to 2.49%	2%
2.50 to 3.49%	3%
3.50% or more	4%

As of December 31, 1971, an increase in retirement allowances shall be calculated and made effective July 1, 1972, in the manner described in the preceding paragraph. As of December 31 of each year after 1971, the ratio (R) of the Consumer Price Index to such index one year earlier shall be determined, and each beneficiary on the retirement rolls as of July 1 of the year of determination shall be entitled to have his allowance increased effective on July 1 of the year following the year of determination by the same percentage of increase indicated by the ratio (R) calculated to the nearest tenth of one per centum (1/10 of 1%), but not more than four per centum (4%); provided that any such increase in allowances shall be contingent upon the total fund providing sufficient investment gains to cover the additional actuarial liabilities on account of such increase.

The allowance of a surviving annuitant of a beneficiary whose allowance is increased under this subsection shall, when and if payable, be increased by the same per centum.

Any increase in allowance granted hereunder shall be permanent, irrespective of any subsequent decrease in the Consumer Price Index, and shall be included in determining any subsequent increase.

For purposes of this subsection, Consumer Price Index shall mean the Consumer Price Index (all items — United States city average), as published by the United States Department of Labor, Bureau of Labor Statistics.

(*l*) Death Benefit Plan. — The provisions of this subsection shall become effective for any employer only after an agreement to that effect has been executed by the employer and the Director of the Retirement System. There is hereby created a Group Life Insurance Plan (hereinafter called the "Plan") which is established as an employee welfare benefit plan that is separate and apart from the Retirement System and under which the members of the Retirement System shall participate and be eligible for group life insurance benefits. Upon receipt of proof, satisfactory to the Board of Trustees in their capacity as trustees under the Group Life Insurance Plan, of the death, in service, of a member who had completed at least one full calendar year of membership in the Retirement System, there shall be paid to such person as he shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time of the member's death, otherwise to the member's legal representatives, a death benefit. Such death benefit shall be equal to the greater of:

(1) The compensation on which contributions were made by the member during the calendar year preceding the year in which his death occurs, or

(2) The greatest compensation on which contributions were made by the member during a 12-month period of service within the 24-month period of service ending on the last day of the month preceding the month in which his last day of actual service occurs;

(3) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1049, s. 2; subject to a maximum of twenty thousand dollars ($20,000). Such death benefit shall be payable apart and separate from the payment of the member's accumulated contributions under the System on his death pursuant to the provisions of subsection (f) of this section. For the purpose of the Plan, a member shall be deemed to be in service at the date of his death if his death occurs within 180 days from the last day of his actual service.

The death benefit provided in this subsection shall not be payable, notwithstanding the member's compliance with all the conditions set forth in the preceding paragraph, if his death occurs

(1) After June 30, 1969 and after he has attained age 70; or
(2) After December 31, 1969 and after he has attained age 69; or
(3) After December 31, 1970 and after he has attained age 68; or
(4) After December 31, 1971 and after he has attained age 67; or
(5) After December 31, 1972 and after he has attained age 66; or
(6) After December 31, 1973 and after he has attained age 65; or
(7) After December 31, 1978, but before January 1, 1987, and after he has attained age 70.

Notwithstanding the above provisions, the death benefit shall be payable on account of the death of any member who died or dies on or after January 1, 1974, but before January 1, 1979, after attaining age 65, if he or she had not yet attained age 65, if he or she had not yet attained age 66, was at the time of death completing the work year for those individuals under specific contract, or during the fiscal year for those individuals not under specific contract, in which he or she attained age 65, and otherwise met all conditions for payment of the death benefit.

Notwithstanding the above provisions, the Board of Trustees may and is specifically authorized to provide the death benefit according to the terms and conditions otherwise appearing in this Plan in the form of group life insurance, either (i) by purchasing a contract or contracts of group life insurance with any life insurance company or companies licensed and authorized to transact business in this State for the purpose of insuring the lives of members in service, or (ii) by establishing a separate trust fund qualified under section 501(c)(9) of the Internal Revenue Code of 1954, as amended, for such purpose. To that end the Board of Trustees is authorized, empowered and directed to investigate the desirability of utilizing group life insurance by either of the foregoing methods for the purpose of providing the death benefit. If a separate trust fund is established, it shall be operated in accordance with rules and regulations adopted by the Board of Trustees and all investment earnings on the trust fund shall be credited to such fund.

In administration of the death benefit the following shall apply:

(1) For the purpose of determining eligibility only, in this subsection "calendar year" shall mean any period of 12 consecutive months. For all other purposes in this subsection "calendar year" shall mean the 12 months beginning January 1 and ending December 31.
(2) Last day of actual service shall be:
    a. When employment has been terminated, the last day the member actually worked.
    b. When employment has not been terminated, the date on which an absent member's sick and annual leave expire.
(3) For a period when a member is on leave of absence, his status with respect to the death benefit will be determined by the provisions of G.S. 128-26(g).

(4) A member on leave of absence from his position as a local governmental employee for the purpose of serving as a member or officer of the General Assembly shall be deemed to be in service during sessions of the General Assembly and thereby covered by the provisions of the death benefit, if applicable. The amount of the death benefit for such member shall be the equivalent of the salary to which the member would have been entitled as a local governmental employee during the 12-month period immediately prior to the month in which death occurred, not to exceed twenty thousand dollars ($20,000).

The provisions of the Retirement System pertaining to administration, G.S. 128-28, and management of funds, G.S. 128-29, are hereby made applicable to the Plan.

(*l*1) Death Benefit Plan for Law Enforcement Officers. — Under all requirements and conditions as otherwise provided for in subsection (*l*), except for the requirement that the provisions are effective only after an agreement has been executed by the employer and the Director of the Retirement System, all law enforcement officers who are members of the Retirement System shall participate and be eligible for group life insurance benefits under the Plan, and employers shall fund the cost of these benefits.

(*l*2) Death Benefit for Retired Members. — Upon receipt of proof, satisfactory to the Board of Trustees in its capacity under this subsection, of the death of a retired member of the Retirement System on or after July 1, 1988, but before January 1, 1999, there shall be paid a death benefit to the surviving spouse of the deceased retired member or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Board of Trustees on a fully contributory basis through retirement allowance deductions or other methods adopted by the Board of Trustees, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump-sum payment in the amount of five thousand dollars ($5,000) upon the completion of 24 months of contributions required under this subsection. Should death occur before the completion of 24 months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

(*l*3) Death Benefit for Retired Members. — Upon receipt of proof, satisfactory to the Board of Trustees in its capacity under this subsection, of the death of a retired member of the Retirement System on or after January 1, 1999, there shall be paid a death benefit to the surviving spouse of the deceased retired member or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Board of Trustees on a fully contributory basis through retirement allowance deductions or other methods adopted by the Board of Trustees, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump-sum payment in the amount of six thousand dollars ($6,000) upon the completion of 24 months of contributions required under this subsection. Should death occur before the completion of 24 months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

(m) Survivor's Alternate Benefit. — Upon the death of a member in service, the principal beneficiary designated to receive a return of accumulated contributions shall have the right to elect to receive in lieu thereof the reduced retirement allowance provided by Option two of subsection (g) above computed by assuming that the member had retired on the first day of the month following the date of his death, provided that all three of the following conditions apply:

(1)a. The member had attained such age and/or creditable service to be eligible to commence retirement with an early or service retirement allowance, or

b. The member had obtained 20 years of creditable service in which case the retirement allowance shall be computed in accordance with G.S. 128-27(b21)(1)b. or G.S. 128-27(b21)(2)c., notwithstanding the requirement of obtaining age 50, or

c. The member had not commenced to receive a retirement allowance as provided under this Chapter.

(2) The member had designated as the principal beneficiary to receive a return of his accumulated contributions one and only one person who is living at the time of his death.

(3) The member had not instructed the Board of Trustees in writing that he did not wish the provisions of this subsection apply.

For the purpose of this benefit, a member is considered to be in service at the date of his death if his death occurs within 180 days from the last day of his actual service. The last day of actual service shall be determined as provided in subsection (l) of this section. Upon the death of a member in service, the surviving spouse may make all purchases for creditable serviceas provided for under this Chapter for which the member had made application in writing prior to the date of death, provided that the date of death occurred prior to or within 60 days after notification of the cost to make the purchase.

(n) Increases in Benefits Paid in Respect to Members Retired prior to July 1, 1967. — From and after July 1, 1971, the monthly benefits to or on account of persons who commenced receiving benefits prior to July 1, 1965, shall be increased by twenty percent (20%) thereof; the monthly benefits to or on account of persons who commenced receiving benefits after June 30, 1965 and before July 1, 1967, shall be increased by five percent (5%) thereof. These increases shall be calculated after monthly retirement allowances as of July 1, 1971 have been increased to the extent provided for in subsection (k) above.

(o) Increases in Benefits to Those Persons Who Were Retired prior to January 1, 1969. — From and after July 1, 1973, the monthly benefits to or on account of persons who commenced receiving benefits from the System prior to January 1, 1969, shall be increased by a percentage thereof. Such percentage shall be determined in accordance with the following schedule:

Year(s) in Which Benefits Commenced	*Percentage*
1959 through 1968	10
1946 through 1958	25

These increases shall be calculated after monthly retirement allowances as of July 1, 1973, have been increased to the extent provided for in the preceding subsection (k).

(p) Increases in Benefits to Those Persons on Disability Retirement Who Were Retired prior to July 1, 1971. — From and after July 1, 1974, the monthly benefits to members who commenced receiving disability benefits prior to July 1, 1965, shall be increased by one percent (1%) thereof for each year by which the member retired prior to the age of 65 years; the monthly benefits to members who commenced receiving disability benefits after June 30, 1965, and

before July 1, 1971, shall be increased by five percent (5%) thereof. These increases shall be calculated before monthly retirement allowances as of June 30, 1974, have been increased to the extent provided for in the preceding subsection (k).

CASE NOTES

The relationship between public employees and the retirement system is one of contract. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Right of Employee to Rely on Retirement Plan. — A public employee has a right to expect that the retirement rights bargained for in exchange for his loyalty and continued services, continually promised him over many years, will not be removed or diminished. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Plaintiffs, as members of the North Carolina Local Governmental Employees' Retirement System, had a contractual right to rely on the terms of the retirement plan as these terms existed at the moment their retirement rights became vested. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Where plaintiff had attained more than five years of creditable service before his injury, and before the date he submitted his application for disability retirement, he had contractual rights in pension fund. Hogan v. City of Winston-Salem, 121 N.C. App. 414, 466 S.E.2d 303 (1996).

Impairment of Rights by 1981 Amendment. — Rights arising under this Article were impaired inasmuch as plaintiff employees stood to suffer significant reductions in their retirement allowances as a result of the 1981 legislative amendment of this section adding subsection (d4), and where challenge thereto had been resolved below by grant of summary judgment in defendants' favor, but defendants' affidavit failed to demonstrate or reflect that the changes in question were reasonable and necessary to serve an important state interest, the case would be remanded for further proceedings. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Decedent terminated her employment within the meaning and intent of subsection (*l*) on the date that she went on disability retirement. Walker v. Board of Trustees, 348 N.C. 63, 499 S.E.2d 429 (1998).

Where over 180 days expired between the last day decedent actually worked and the date she died, her spouse was not entitled to a death benefit under subsection (*l*). Walker v. Board of Trustees, 348 N.C. 63, 499 S.E.2d 429 (1998).

Disability Benefits Classified as Separate Property. — The amount of plaintiff's "disability retirement benefits" attributable to his physical disability was plaintiff's separate property, under G.S. 50-20. Johnson v. Johnson, 117 N.C. App. 410, 450 S.E.2d 923 (1994).

The statute of limitations in subsection (i) applied and allowed plaintiffs to pursue claims for underpayment of disability retirement benefits for three years before they commenced actions. Faulkenbury v. Teachers' & State Emps. Retirement Sys., 345 N.C. 683, 483 S.E.2d 422 (1997).

Part-Time Status Did Not Equate to Retirement. — An employee of a local government employer who went to a part-time status did not "retire" when she changed jobs and lessened her hours and was not eligible to receive disability retirement benefits under G.S. 128-27. Wallace v. Board of Trustees, 145 N.C. App. 264, 550 S.E.2d 552, 2001 N.C. App. LEXIS 650 (2001), cert. denied, 354 N.C. 580, 559 S.E.2d 553 (2001).

Last Day of Service. — When decedent retired on disability, she was not terminated within the meaning of the death benefit statute; therefore, the last day of the decedent's actual service was the date on which her sick and annual leave expired. Walker v. Board of Trustees, 127 N.C. App. 156, 487 S.E.2d 839 (1997), aff'd, 348 N.C. 63, 499 S.E.2d 429 (1998).

Spouse Not Entitled to Death Benefit. — Where decedent died more than 180 days after she last earned a salary surviving spouse was not entitled to the death benefit. Walker v. Board of Trustees, 127 N.C. App. 156, 487 S.E.2d 839 (1997), aff'd, 348 N.C. 63, 499 S.E.2d 429 (1998).

Spouse Entitled to Death Benefit. — A beneficiary of a public employee under G.S. 128-27(g1), who has become entitled under the terms of G.S. 128-27 to the death benefit provided in subsection G.S. 128-27(g1), may choose to elect the Survivor's Alternate Benefit alternative of G.S. 128-27(m) in lieu of the lump sum payment provided in G.S. 128-27(g1) if the retired member dies within 180 days of the member's last day of actual service, and if the three conditions in G.S. 128-27(m) are satisfied. Grooms v. State Dep't of State Treasurer, 144 N.C. App. 160, 550 S.E.2d 204, 2001 N.C. App. LEXIS 433 (2001).

(d) Compensation of Trustees. — The trustees shall be paid during sessions of the Board at the prevailing rate established for members of State boards and commissions, and they shall be reimbursed for all necessary expenses that they incur through service on the Board.

Such oath shall be subscribed to by the member making it, and certified by the officer before whom it is taken, and immediately filed in the office of the Secretary of State: Provided, that where a local governmental official designated by the Governor has taken an oath of office in connection with the local governmental office that he holds, the oath for his local governmental office shall be deemed to be sufficient, and he shall not be required to take the oath hereinabove provided.

(f) Voting Rights. — Each trustee shall be entitled to one vote in the Board. Five affirmative votes shall be necessary for a decision by the trustees at any meeting of said Board.

(g) Rules and Regulations. — Subject to the limitations of this Chapter, the Board of Trustees shall, from time to time, establish rules and regulations for the administration of the funds created by this Chapter and for the transaction of its business. (h) Officers and Other Employees, Salaries and Expenses. — The Board of Trustees shall elect from its membership a chairman, and shall, by a majority vote of all the members, appoint a director, who may be, but need not be, one of its members. The Board of Trustees shall engage such actuarial and other service as shall be required to transact the business of the Retirement System. The compensation of all persons engaged by the Board of Trustees, and all other expenses of the Board necessary for the operation of the Retirement System, shall be paid at such rates and in such amounts as the Board of Trustees shall approve.

(k) Legal Adviser. — The Attorney General shall be the legal adviser of the Board of Trustees.

(*l*) Medical Board. — The Board of Trustees shall designate a Medical Board to be composed of not less than three nor more than five physicians not eligible to participate in the Retirement System. If required, other physicians may be employed to report on special cases. The Medical Board shall arrange for and pass upon all medical examinations required under the provisions of this Chapter, and shall investigate all essential statements and certificates by or on behalf of a member in connection with an application for disability retirement, and shall report in writing to the Board of Trustees its conclusion and recommendations upon all the matters referred to it.

(m) Duties of Actuary. — The Board of Trustees shall designate an actuary who shall be the technical adviser of the Board of Trustees on matters regarding the operation of the funds created by the provisions of this Chapter and shall perform such other duties as are required in connection therewith.

(n) Immediately after the establishment of the Retirement System the actuary shall make such investigation of the mortality, service and compensation experience of the members of the System as he shall recommend and the Board of Trustees shall authorize, and on the basis of such investigation he shall recommend for adoption by the Board of Trustees such tables and such rates as are required in subsection (o), paragraphs (1) and (2), of this section. Any person, officer, employee or former employee violating

this provision shall be guilty of a Class 1 misdemeanor; and if such offending person be a public official or employee, he shall be dismissed from office or employment and shall not hold any public office or employment in this State for a period of five years thereafter. a. Not more than one and one-half per centum (11/2%) of the total value of such funds shall be invested in the stock of a single corporation, and provided further;

b. The total number of shares in a single corporation shall not exceed eight per centum (8%) of the issued and outstanding stock of such corporation, and provided further;

c. As used in this subdivision (8), value shall consist of the par value or unpaid balance of all unmatured or unpaid investments requiring the payment of a fixed amount at payment date and the cost price of all other investments.

In order to carry out the duties and exercise the powers imposed and granted by this section, the chairman of the Board of Trustees is authorized to appoint an investment committee consisting of five members, three of whom shall be members of the Board of Trustees designated ex officio by the chairman and two of whom shall not be members of the Board. Such investment committee shall have such powers and duties as the Board of Trustees may prescribe. The members of the investment committee shall receive for their services the same per diem and other allowances as are granted the members of the State Boards and commissions generally. (1961, c. 626; 1965, c. 415, s. 2; 1973, c. 243, s. 10.)

§ 128-30. Method of financing.

(a) Funds to Which Assets of Retirement System Credited. — All of the assets of the Retirement System shall be credited according to the purpose for which they are held to one of five funds, namely, the annuity savings fund, the annuity reserve fund, the pension accumulation fund, the pension reserve fund and the expense fund.

(b) Annuity Savings Fund. — The annuity savings fund shall be a fund in which shall be accumulated contributions from the compensation of members to provide for their annuities. Contributions to and payments from the annuity savings fund shall be made as follows:

(1) Prior to July 1, 1951, each participating employer shall cause to be deducted from the salary of each member of each and every payroll of such employer for each and every payroll period four per centum (4%) of his earnable compensation. On and after such date the rate so deducted shall be five per centum (5%) in the case of a Class A member or a Class C member, and four per centum (4%) in the case of a Class B member; provided, however, that with respect to any member who is covered under the Social Security Act in accordance with the

agreement entered into during 1955 in accordance with the provisions of Article 2 of Chapter 135 of Volume 17 of the General Statutes, as amended, such deduction shall, commencing with the first day of the period of service with respect to which such agreement is effective, be at the rate of three per centum (3%) of the part of his actual compensation not in excess of the amount taxable to him under the Federal Insurance Contributions Act as from time to time in effect plus five per centum (5%) of the part of his actual compensation not so taxable; provided that in the case of any member so eligible and receiving compensation from two or more employers such deductions may be adjusted under such rules as the Board of Trustees may establish so as to be as nearly equivalent as practicable to the deductions which would have been made had the member received all of such compensation from one employer. Notwithstanding the foregoing, the Board of Trustees may in its discretion cause such portion as it may determine of deductions made between January 1, 1955, and December 1, 1955, to be transferred into the contribution fund established under G.S. 135-24, such amounts so transferred shall in that event be deemed to be taxes contributed by employees as required under Article 2 of Chapter 135 of Volume 17 of the General Statutes, as amended, and shall be in lieu of contributions otherwise payable in the same amount as so required. In determining the amount earned by a member whose compensation is derived partly or wholly from fees, such member shall submit a sworn statement to his employer monthly, or at least quarterly, each year as to the amount of fees received by such member as compensation during the period, and each month, or at least quarterly, such member shall pay to his employer the proper per centum of such compensation received from fees, which shall be considered as deductions by the employer as provided in subdivisions (1) and (2) of this subsection.

Notwithstanding the foregoing, effective July 1, 1965, with respect to the period of service commencing on July 1, 1965, and ending December 31, 1965, the rates of such deductions shall be four per centum (4%) of the portion of compensation not in excess of forty-eight hundred dollars ($4,800) and six per centum (6%) of the portion of compensation in excess of forty-eight hundred dollars ($4,800); and with respect to the period of service commencing January 1, 1966, and ending June 30, 1967, the rate of such deduction shall be four per centum (4%) of the portion of compensation not in excess of fifty-six hundred dollars ($5,600) and six per centum (6%) of the portion of compensation in excess of fifty-six hundred dollars ($5,600); and with respect to the period of service commencing July 1, 1967, and ending June 30, 1976, the rate of such deductions shall be five per centum (5%) of the portion of compensation not in excess of five thousand six hundred dollars ($5,600) and six per centum (6%) of the portion of compensation in excess of five thousand six hundred dollars ($5,600). Such rates shall apply uniformly to all members of the Retirement System, irrespective of class.

Notwithstanding the foregoing, effective July 1, 1976, with respect to compensation paid on and after July 1, 1976, the rate of such deductions shall be six per centum (6%) of the compensation received by any member. Such rates shall apply uniformly to all members of the Retirement System, irrespective of class.

(2) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent

and agree to the deductions made and provided for herein and shall receipt for his full salary or compensation, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment, except as to the benefits provided under this Article. The employer shall certify to the Board of Trustees on each and every payroll or in such other manner as the Board of Trustees may prescribe, the amounts to be deducted; and each of said amounts shall be deducted, and when deducted shall be paid into said annuity savings fund, and shall be credited, together with regular interest thereon to the individual account of the member from whose compensation said deduction was made.

(3) The accumulated contributions of a member drawn by him, or paid to his estate or to his designated beneficiary in event of his death as provided in this Article, shall be paid from the annuity savings fund. Upon the retirement of a member his accumulated contributions shall be transferred from the annuity savings fund to the annuity reserve fund.

(4) The Board of Trustees may approve the purchase of creditable service by any member for leaves of absence or for interrupted service to an employer for the sole purpose of acquiring knowledge, talents, or abilities and to increase the efficiency of service to the employer. This approval shall be made prior to the purchase of the creditable service, is limited to a career total of four years for each member, and may be obtained in the following manner:

a. Approved leave of absence. — Where the employer grants an approved leave of absence, a member may make monthly contributions to the annuity savings fund on the basis of compensation the member was earning immediately prior to such leave of absence. The employer shall make monthly contributions equal to the normal and accrued liability contribution on such compensation or, in lieu thereof, the member may pay into the annuity savings fund monthly an amount equal to the employer's normal and accrued liability contribution when the policy of the employer is not to make such payment.

b. No educational leave policy. — Where the employer has a policy of not granting educational leaves of absence or the member has unsuccessfully petitioned for leave of absence and the member has interrupted service for educational purposes, the member may make monthly contributions into the annuity savings fund in an amount equal to the employee contribution plus the employer normal and accrued liability contribution on the basis of the compensation the member was earning immediately prior to the interrupted service.

c. Educational program prior to July 1, 1981. — Creditable service for leaves of absence or interrupted service for educational purposes prior to July 1, 1981, may be purchased by a member, before or after retirement, who returned as a contributing employee or teacher within 12 months after completing the educational program and completed 10 years of subsequent membership service, by making a lump sum payment into the annuity savings fund equal to the full cost of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities and shall take into account the retirement allowance arising on account of the additional service credit

commencing at the earliest age at which the member could retire on an unreduced retirement allowance as determined by the board of trustees upon the advice of the consulting actuary, plus a fee to be determined by the board of trustees.

Payments required to be made by the member and/or the employer under subparagraphs a or b are due by the 15th of the month following the month for which the service credit is allowed and payments made after the due date shall be assessed a penalty, in lieu of interest, of one percent (1%) per month or fraction thereof the payment is made beyond the due date; provided, that these payments shall be made prior to retirement and provided further, that if the member did not become a contributing member within 12 months after completing the educational program and failed to complete three years of subsequent membership service, except in the event of death or disability, any payment made by the member including penalty shall be refunded with regular interest thereon and the service credits cancelled prior to or at retirement.

(b1) Pick Up of Employee Contributions. — Anything within this section to the contrary notwithstanding, effective July 1, 1982, an employer, pursuant to the provisions of section 414(h)(2) of the Internal Revenue Code of 1954 as amended, may elect to pick up and pay the contributions which would be payable by the employees as members under subsection (b) of this section with respect to the service of employees after June 30, 1982.

The members' contributions picked up by an employer shall be designated for all purposes of the Retirement System as member contributions, except for the determination of tax upon a distribution from the System. These contributions shall be credited to the annuity savings fund and accumulated within the fund in a member's account which shall be separately established for the purpose of accounting for picked-up contributions.

Member contributions picked up by an employer shall be payable from the same source of funds used for the payment of compensation to a member. A deduction shall be made from a member's compensation equal to the amount of his contributions picked up by his employer. This deduction, however, shall not reduce his compensation as defined in subdivision (7a) of G.S. 128-21. Picked-up contributions shall be transmitted to the System monthly for the preceding month by means of a warrant drawn by the employer and payable to the Local Governmental Employees' Retirement System and shall be accompanied by a schedule of the picked-up contributions on such forms as may be prescribed. In the case of a failure to fulfill these conditions the provisions of subsection (g)(3) of this section shall apply.

(b2) Retroactive Adjustment in Compensation or an Underreporting of Compensation. — A member who is awarded backpay in cases of a denied promotional opportunity in which the aggrieved member is granted a promotion retroactively, or in cases in which an employer errs in the reporting of compensation, including the employee and employer contributions, the member and employer may make employee and employer contributions on the retroactive or additional compensation after submitting clear and convincing evidence of the retroactive promotion or underreporting of compensation, as follows:

(1) Within 90 days of the denial of the promotion or the error in reporting, by the payment of employee and employer contributions that would have been paid; or

(2) After 90 days of the denial of the promotion or the error in reporting, by the payment of the employee and employer contributions that would have been paid plus interest compounded annually at a rate equal to the greater of the average yield on the pension accumulation

fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees.

For members electing to make the employee contributions on the retroactive adjustment in compensation or on the underreported compensation, the member's employer, which granted the retroactive promotion or erred in underreporting compensation and contributions, shall make the required employer contributions. Nothing contained in this subsection shall prevent an employer from paying all or a part of the interest assessed on the employee contributions; and to the extent paid by the employer, the interest paid by the employer shall be credited to the pension accumulation fund; provided, however, an employer does not discriminate against any member or group of members in his employ in paying all or any part of the interest assessed on the employee contributions due.

In the event the retroactive adjustment in compensation or the underreported compensation is for a period that occurs during the four consecutive calendar years that would have produced the highest average annual compensation pursuant to G.S. 135-1(5), the compensation the member would have received during the period shall be included in calculating the member's average final compensation only in the event the appropriate employee and employer contributions are paid on such compensation.

An employer error in underreporting compensation shall not include a retroactive increase in compensation that occurs during the four consecutive calendar years that would have produced the highest average annual compensation pursuant to G.S. 135-1(5), for reasons other than a wrongfully denied promotional opportunity where the member is promoted retroactively.

(c) Annuity Reserve Fund. — The annuity reserve fund shall be the fund in which shall be held the reserves on all annuities in force and from which shall be paid all annuities and all benefits in lieu of annuities, payable as provided in this Article. Should a beneficiary retired on account of disability be restored to active service with a compensation not less than his average final compensation at the time of his last retirement his annuity reserve shall be transferred from the annuity reserve fund to the annuity savings fund and credited to his individual account therein.

(d) Pension Accumulation Fund. — The pension accumulation fund shall be the fund in which shall be accumulated all reserves for the payment of all pensions and other benefits payable from contributions made by employers and from which shall be paid all pensions and other benefits on account of members with prior service credit. Contributions to and payments from the pension accumulation fund shall be made as follows:

(1) Each participating employer shall pay to the pension accumulation fund monthly, or at such other intervals as may be agreed upon with the Board of Trustees, an amount equal to a certain percentage of the actual compensation of each member, to be known as the "normal contribution" and an additional amount equal to a percentage of his actual compensation to be known as the "accrued liability contribution." The rate per centum of such contributions shall be fixed on the basis of the liabilities of the Retirement System as shown by actuarial valuation. Until the first valuation for any employer whose participation commenced prior to July 1, 1951, the normal contribution shall be three percent (3%) for general employees and five percent (5%) for firemen and policemen, and the accrued liability contribution shall be three percent (3%) for general employees and six percent (6%) for firemen and policemen. Until the first valuation for any employer whose participation commenced on or after July 1, 1951, the normal contribution shall be four percent (4%) for general employees and six and two-thirds percent (6⅔%) for firemen and policemen, and the

accrued liability contribution shall be four percent (4%) for general employees and eight percent (8%) for firemen and policemen.

(2) On the basis of regular interest and of such mortality and other tables as shall be adopted by the Board of Trustees, the actuary engaged by the Board to make each valuation required by this Article during the period over which the accrued liability contribution is payable, immediately after making such valuation, shall determine the uniform and constant percentage of the actual compensation of the average new entrant throughout his entire period of active service which would be sufficient to provide for the payment of any pension payable on his account and for the pro rata share of the cost of administration of the Retirement System. The rate per centum so determined shall be known as the "normal contribution" rate. After the accrued liability contribution has ceased to be payable, the normal contribution rate shall be the rate per centum of the earnable salary of all members obtained by deducting from the total liabilities of the pension accumulation fund the amount of the funds in hand to the credit of that fund and dividing the remainder by one per centum (1%) of the present value of the prospective future salaries of all members as computed on the basis of the mortality and service tables adopted by the Board of Trustees and regular interest. The normal rate of contribution shall be determined by the actuary after each valuation. A normal contribution rate shall be determined separately for general employees as a group and for law enforcement officers as a group, these rates to be applied to the respective group payrolls of each employer in determining the normal contribution required of each employer.

(3) The "accrued liability contribution" shall be set for each employer on the basis of the prior service credits allowable to the employees thereof, who are entitled to prior service certificates, and shall be paid for a period of approximately 30 years, provided that the length of the period of payment for each employer after contributions begin shall be the same for all employers and shall be determined by the Board of Trustees as the result of actuarial valuations.

(4) At the end of the first year following the date of participation for each employer, the accrued liability payable by such employer shall be set, by deducting from the present value of the total liability for all pensions payable on account of all members and pensioners of the System who became participants through service for such employer, the present value of the future normal contributions payable, and the amount of any assets resulting from any contributions previously made by such employer. Then the "accrued liability contribution" rate for such employer shall be the per centum of the total annual compensation of all members employed by such employer which is equivalent to four per centum (4%) of the amount of such accrued liability. The expense of making such actuarial valuation to determine the accrued liability contribution for each employer shall be paid by such employer. The accrued liability contribution rate shall be increased on the basis of subsequent valuation if benefits are increased over those included in the valuations on the basis of which the original accrued liability contribution rate was determined.

(5) The total amount payable in each year to the pension accumulation fund shall not be less than the sum of the rate per centum known as the normal contribution rate and the accrued liability contribution rate of the total earned compensation of all members during the preceding year: Provided, however, that the amount of each annual

accrued liability contribution shall be at least three per centum (3%) greater than the preceding annual accrued liability payment, and that the aggregate payment by employers shall be sufficient, when combined with the amount in the fund, to provide the pensions and other benefits payable out of the fund during the year then current.

(6) The accrued liability contribution shall be discontinued as soon as the accumulated reserve in the pension accumulation fund shall equal the present value, as actuarially computed and approved by the Board of Trustees, of the total liability of such fund less the present value, computed on the basis of the normal contribution rate then in force, of the prospective normal contributions to be received on account of all persons who are at that time members, as separately determined for general employees and law-enforcement officers.

(7) All pensions, and benefits in lieu thereof, with the exception of those payable on account of members who received no prior service allowance, payable from contributions of employers, shall be paid from the pension accumulation fund.

(8) Upon the retirement of a member not entitled to credit for prior service, an amount equal to his pension reserve shall be transferred from the pension accumulation fund to the pension reserve fund.

(9) Notwithstanding the foregoing provisions of this subsection, beginning with the December 31, 1985 valuation, the actuary shall determine an additional "accrued liability contribution" on account of each employer's law enforcement officers. This contribution shall be that percentage of law enforcement officer compensation necessary to liquidate the "existing unfunded accrued liability" over a period of years to be determined by the Board of Trustees. The "existing unfunded accrued liability" for each employer shall be equal to the sum of two liabilities. The first is that portion of the unfunded accrued liability of the Law Enforcement Officers' Retirement System as of December 31, 1985, attributable to the accrued liability for each employer's law enforcement officers participating in that System, all based on actuarial assumptions and methods applicable to that System. The second is the accrued liability for additional benefits payable to each employer's law enforcement officers who are members of this Retirement System on December 31, 1985. The "accrued liability contribution" determined on the basis of this paragraph shall be added to that determined under subdivision (3) and shall be included in the total amount payable under subdivision (5).

(e) Pension Reserve Fund. — The pension reserve fund shall be the fund in which shall be held the reserves of all pensions granted to members not entitled to credit for prior service and from which such pensions and benefits in lieu thereof shall be paid. Should such a beneficiary retired on account of disability be restored to active service with a compensation not less than his average final compensation at the time of his last retirement the pension thereon shall be transferred from the pension reserve fund to the pension accumulation fund. Should the pension of such disability beneficiary be reduced as a result of an increase in his earning capacity, the amount of the annual reduction in his pension shall be paid annually into the pension accumulation fund during the period of such reduction.

(f) Expense Fund. — The expense fund shall be the fund from which the expenses of the administration of the Retirement System shall be paid, exclusive of amounts payable as retirement allowances and as other benefits provided herein. Contribution shall be made to the expense fund as follows:

(1) The Board of Trustees shall determine annually the amount required to defray such administrative expenses for the ensuing fiscal year and

shall adopt a budget in accordance therewith. The budget estimate of such expenses shall be paid to the expense fund from the pension accumulation fund.

(2) For the purpose of organizing the Retirement System and establishing an office, the Board of Trustees may provide as a prerequisite to participation in the Retirement System that each participating employer or employee or both shall pay an additional contribution to the Retirement System for the expense fund not to exceed two dollars ($2.00) for each employee, such contribution of the employee to be credited to his individual account in the annuity savings fund at such later time as the Board of Trustees shall determine, and/or the Board of Trustees may borrow such amounts as may be necessary to organize and establish the Retirement System.

(g) Collection of Contributions. —

(1) The collection of members' contributions shall be as follows:

a. Each employer shall cause to be deducted on each and every payroll of a member for each and every payroll subsequent to the date of participation in the Retirement System the contributions payable by such member as provided in this Article. Each employer shall certify to the treasurer of said employer on each and every payroll a statement as vouchers for the amount so deducted.

b. The treasurer of each employer on the authority from the employer shall make deductions from salaries of members as provided in this Article and shall transmit monthly, or at such time as the Board of Trustees shall designate, the amount specified to be deducted, to the secretary-treasurer of the Board of Trustees. The secretary-treasurer of the Board of Trustees after making a record of all such receipts shall deposit them in a bank or banks selected by said Board of Trustees for use according to the provisions of this Article.

(2) The collections of employers' contributions shall be made as follows: Upon the basis of each actuarial valuation provided herein the Board of Trustees shall annually prepare and certify to each employer a statement of the total amount necessary for the ensuing fiscal year to the pension accumulation fund as provided under subsection (d) of this section. Such employer contributions shall be transmitted to the secretary-treasurer of the Board of Trustees together with the employee deductions as provided under sub-subdivision b. of subdivision (1) of this subsection.

(3) In the event the employee or employer contributions required under this section are not received by the date set by the Board of Trustees, the Board shall assess the employer with a penalty of 1% per month with a minimum penalty of twenty-five dollars ($25.00). If within 90 days after request therefor by the Board any employer shall not have provided the System with the records and other information required hereunder or if the full accrued amount of the contributions provided for under this section due from members employed by an employer or from an employer shall not have been received by the System from the chief fiscal officer of such employer within 30 days after the last due date as herein provided, then, notwithstanding anything herein or in the provisions of any other law to the contrary, upon notification by the Board to the State Treasurer as to the default of such employer as herein provided, any distributions which might otherwise be made to such employer, or the municipality or county of which such employer is an integral part, from any funds of the State or any funds collected

by the State shall be withheld from such employer until notice from the Board to the State Treasurer that such employer is no longer in default.

(h) Merger of Annuity Reserve Fund, and Pension Reserve Fund into Pension Accumulation Fund. — Notwithstanding the foregoing, effective at such date not later than December 31, 1959, as the Board of Trustees shall determine, the annuity reserve fund and the pension reserve fund shall be merged into and become a part of the pension accumulation fund, provided that such merger shall in no way adversely affect the rights of any members or retired members of the System and further provided the Board of Trustees shall be and hereby is authorized to make such changes in the accounting methods and procedures of the System from time to time as, in its opinion, are in the interest of sound and proper administration of the System. Effect of Amendments. — Session Laws 2003-359, s. 20, effective August 1, 2003, inserted subsection (b2).

§ 128-31. Exemptions from execution.

Except for the applications of the provisions of G.S. 110-136, and G.S. 110-136.3 et seq., and in connection with a court-ordered equitable distribution under G.S. 50-20, the right of a person to a pension, an annuity, or a retirement allowance, to the return of contributions, the pension, annuity or retirement allowance itself, any optional benefit or any other right accrued or accruing to any person under the provisions of this Article, and the moneys in the various funds created by this Article, are exempt from levy and sale, garnishment, attachment, or any other process whatsoever, and shall be unassignable except as in this Article specifically otherwise provided. Notwithstanding any provisions to the contrary, any overpayment of benefits to a member in a State-administered retirement system or Disability Salary Continuation Plan may be offset against any retirement allowance, return of contributions or any other right accruing under this Chapter to the same person, the person's estate, or designated beneficiary. (1939, c. 390, s. 11; 1985, c. 402; c. 649, s. 5; 1989, c. 665, s. 3; c. 792, s. 2.4.)

§ 128-32. Protection against fraud.

Any person who shall knowingly make any false statement or shall falsify or permit to be falsified any record or records of this Retirement System in any attempt to defraud such System as a result of such act shall be guilty of a Class 1 misdemeanor. Should any change or error in the records result in any member or beneficiary receiving from the Retirement System more or less than he would have been entitled to receive had their records been correct, the Board of Trustees shall correct such error, and as far as practicable, shall adjust the payment in such a manner that the actuarial equivalent of the

benefit to which such member or beneficiary was correctly entitled shall be paid. (1939, c. 390, s. 12; 1993, c. 539, s. 945; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

Legislative Intent. — This section shows the intent of the General Assembly to allow the courts to require that compensation paid for underpayment of a pension compensation be paid at the actuarial value. Faulkenbury v. Teachers' & State Emps. Retirement Sys., 345 N.C. 683, 483 S.E.2d 422 (1997).

Calculation of Additional Benefit. — The re-calculation of additional benefits owed to retirees did not mandate the use of a mortality factor, where the right to payments was not forfeited upon the death of a retiree but was passed to the retiree's survivors. Faulkenbury v. Teachers' & State Employees' Ret. Sys., 132 N.C. App. 137, 510 S.E.2d 675, 1999 N.C. App. LEXIS 89 (1999), cert. denied, 350 N.C. 379, 536 S.E.2d 620 (1999).

§ 128-33. Certain laws not applicable to members.

Subject to the provisions of Article 2 of Chapter 135 of Volume 17 of the General Statutes, as amended, no other provision of law in any other statute which provides wholly or partly at the expense of any county, city or town for pensions or retirement benefits for employees of the said county, city or town, their widows, or other dependents shall apply to members or beneficiaries of the Retirement System established by this Article. (1939, c. 390, s. 13; 1955, c. 1153, s. 8.)

§ 128-34. Transfer of members.

(a) Any member of the North Carolina Governmental Employees' Retirement System who leaves the service of his employer and enters the service of another employer participating in the North Carolina Governmental Employees' Retirement System shall maintain his status as a member of the Retirement System and shall be credited with all of the amounts previously credited to his account in any of the funds under this Article, but the new employer shall be responsible for any accrued liability contribution payable on account of any prior service credit which such employee may have at the time of the transfer, and such employee shall be given such status and be credited with such service with the new employer as allowed with the former employer.

(b) Any member of the Local Governmental Employees' Retirement System shall be entitled prior to his retirement to transfer to this Retirement System his credits for membership and prior service in the Teachers' and State Employees' Retirement System: Provided, the actual transfer of employment is made while he has an active account in the State System and such person shall request the State System to transfer his accumulated contributions, interest, and service credits to this Retirement System; provided further, the State System agrees to transfer to this Retirement System the amount of reserve held in the State System as the result of previous contributions of the employer on behalf of the transferring employee.

(c) Any member whose services are terminated for any reason other than retirement or death who becomes employed by an employer participating in the Teachers' and State Employees' Retirement System shall be entitled to transfer to the State System his credits for membership and prior service in this Retirement System in accordance with G.S. 135-18.1: Provided, the actual transfer of employment is made while he has an active account in this Retirement System and such persons shall request this Retirement System to transfer his accumulated contributions, interest, and service credits to the State System. When such request is made by a member who is entitled to make it and who becomes a member of the State System after July 1, 1969, this

Retirement System will also transfer to the State System the amount of reserve held by this System as a result of previous contributions of the employer on behalf of the transferring employee.

(d) The accumulated contributions and creditable service of any member whose service as an employee has been or is terminated other than by retirement or death and who, while still a member of this Retirement System, became or becomes a member, as defined in G.S. 135-53(11), of the Consolidated Judicial Retirement System for a period of five or more years may, upon application of the member, be transferred from this Retirement System to the Consolidated Judicial Retirement System. In order to effect the transfer of a member's creditable service from the Local Governmental Employees' Retirement System to the Consolidated Judicial Retirement System, there shall be transferred from the Local Governmental Employees' Retirement System to the Consolidated Judicial Retirement System the sum of (i) the accumulated contributions of the member credited in the annuity savings fund and (ii) the amount of reserve held in the Local Governmental Employees' Retirement System as a result of previous contributions by the employer on behalf of the transferring member. (1939, c. 390, s. 14; 1971, c. 325, s. 20; 1973, c. 242, s. 11; 1999-237, s. 28.24(a).)

§ 128-35. Obligations of pension accumulation fund.

The maintenance of annuity reserves and pension reserves as provided for, and regular interest creditable to the various funds as provided in G.S. 128-30, and the payment of all pensions, annuities, retirement allowances, refunds and other benefits granted under the provisions of this Article, are hereby made obligations of the pension accumulation fund. All income, interest and dividends derived from deposits and investments authorized by this Article shall be used for the payment of said obligations of the said fund. (1939, c. 390, s. 15.)

§ 128-36. Local laws unaffected; when benefits begin to accrue.

Nothing in this Article shall have the effect of repealing any public-local or private act creating or authorizing the creation of any officers' or employees' retirement system in any county, city or town or prohibiting the enactment of any public-local or private act creating or authorizing the creation of any officers' or employees' retirement system in any county, city, or town. No payment on account of any benefit granted under the provisions of G.S. 128-27, subsections (a) to (d) inclusive, shall become effective or begin to accrue until the end of one year following the date the System is established nor shall any compulsory retirement be made during that period. The provisions of this Article shall apply only to those counties, cities or towns whose governing authorities voluntarily elect to be bound by same. (1939, c. 390, s. 16; 1941, c. 357, s. 9B; 1945, c. 526, s. 7A.)

§ 128-36.1: Repealed by Session Laws 1977, c. 318.

§ 128-37. Membership of employees of district health departments or public health authorities.

Under such rules and regulations as the Board of Trustees shall establish and promulgate, the boards of county commissioners of any group of counties composing a district health department, or the governing board of any public

health authority, or the board of county commissioners of any county as to county boards of health, or the governing authorities of any county and/or city as to city-county boards of health, may elect that employees of such health departments may be members of the North Carolina Local Governmental Employees' Retirement System to the extent of that part of their compensation paid by the various counties composing said district health department. (1949, c. 1012; 1951, c. 700; 1997-502, s. 4.)

§ 128-37.1. Membership of employees of county social services department.

Under such rules and regulations as the Board of Trustees shall establish and promulgate, the board of county commissioners of any county may elect that employees of the county social services department may be members of the North Carolina Local Governmental Employees' Retirement System; provided, that such membership may be elected jointly with such county health department employees as provided under G.S. 128-37. § 128-38. Reservation of power to change.

The General Assembly reserves the right at any time and from time to time, and if deemed necessary or appropriate by said General Assembly in order to coordinate with any changes in the benefit and other provisions of the Social Security Act made after January 1, 1955, to modify or amend in whole or in part any or all of the provisions of the North Carolina Local Governmental Employees' Retirement System. (1955, c. 1153, s. 9.)

CASE NOTES

Relationship between public employees and retirement system is one of contract. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Right of Employee to Rely on Retirement Plan. — A public employee has a right to expect that the retirement rights bargained for in exchange for his loyalty and continued services, and continually promised him over many years, will not be removed or diminished. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Plaintiffs, as members of the North Carolina Local Governmental Employees' Retirement System, had a contractual right to rely on the terms of the retirement plan as these terms existed at the moment their retirement rights became vested. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

Impairment of Rights by 1981 Amendment. — Rights arising under this Article were impaired inasmuch as plaintiff employees stood to suffer significant reductions in their retirement allowances as a result of the 1981 legislative amendment of G.S. 128-27 adding subsection (d4), and where challenge thereto had been resolved below by grant of summary judgment in defendants' favor, but defendants' affidavit failed to demonstrate or reflect that the changes in question were reasonable and necessary to serve an important state interest, the case would be remanded for further proceedings. Simpson v. North Carolina Local Gov't Employees' Retirement Sys., 88 N.C. App. 218, 363 S.E.2d 90 (1987), aff'd, 323 N.C. 362, 372 S.E.2d 559 (1988).

§ 128-38.1. Termination or partial termination; discontinuance of contributions.

In the event of the termination or partial termination of the Retirement System or in the event of complete discontinuance of contributions under the Retirement System, the rights of all affected members to benefits accrued to the date of such termination, partial termination, or discontinuance, to the extent funded as of such date, or the amounts credited to the members' accounts, shall be nonforfeitable and fully vested. (1987, c. 177, s. 1(a), (b).)

Editor's Note. — Session Laws 1987, c. 177, s. 1(c) made this section effective upon the first day of the calendar month following the State's receipt of a favorable letter of determination or ruling from the Internal Revenue Service, United States Department of Treasury, that the Retirement Systems were qualified trusts under Section 401(a) of the Internal Revenue Code of 1954 as amended. A favorable letter was received prior to the enactment of Session Laws 1987, c. 177.

§ 128-38.2. Internal Revenue Code compliance.

(a) Notwithstanding any other provisions of law to the contrary, compensation for any calendar year after 1988 in which employee or employer contributions are made and for which annual compensation is used for computing any benefit under this Article shall not exceed the higher of two hundred thousand dollars ($200,000) or the amount determined by the Commissioner of Internal Revenue as the limitation for calendar years after 1989; provided the imposition of the limitation shall not reduce a member's benefit below the amount determined as of December 31, 1988.

Effective January 1, 1996, the annual compensation of a member taken into account for determining all benefits provided under this Article shall not exceed one hundred fifty thousand dollars ($150,000), as adjusted pursuant to section 401(a)(17)(B) of the Internal Revenue Code and any regulations issued under the Code. However, with respect to a person who became a member of the Retirement System prior to January 1, 1996, the imposition of this limitation on compensation shall not reduce the amount of compensation which may be taken into account for determining the benefits of that member under this Article below the amount of compensation which would have been recognized under the provisions of this Article in effect on July 1, 1993.

Effective January 1, 2002, the annual compensation of a person, who became a member of the Retirement System on or after January 1, 1996, taken into account for determining all benefits accruing under this Article for any plan year after December 31, 2001, shall not exceed two hundred thousand dollars ($200,000) or the amount otherwise set by the Internal Revenue Code or determined by the Commissioner of Internal Revenue as the limitation for calendar years after 2002.

(b) Notwithstanding any other provisions of law to the contrary, the annual benefit payable on behalf of a member shall, if necessary, be reduced to the extent required by Section 415(b) and with respect to calendar years commencing prior to January 1, 2000, Section 415(e) of the Internal Revenue Code, as adjusted by the Secretary of the Treasury or his delegate pursuant to Section 415(d) of the Code. If a member is a participant under any qualified defined contributions plan that is required to be taken into account for the purposes of the limitation contained in Section 415 of the Internal Revenue Code, the annual benefit payable under this Article shall be reduced to the extent required by Section 415(e) prior to making any reduction under the defined contribution plan provided by the employer. However, with respect to a member who has benefits accrued under this Article but whose benefit had not commenced as of December 31, 1999, the combined plan limitation contained

in Section 415(e) of the Internal Revenue Code shall not be applied to such member for calendar years commencing on or after January 1, 2000.

(c) On and after January 1, 1989, the retirement allowance of a member who has terminated employment shall begin no later than the later of April 1 of the calendar year following the calendar year that the member attains 70 ½ years of age or April 1 of the calendar year following the calendar year in which the member terminates employment.

(d) This subsection applies to distributions made on or after January 1, 1993. Notwithstanding any other provision of the Plan to the contrary that would otherwise limit a distributee's election under this Article, a distributee may elect, at the time and in the manner prescribed by the Plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover. Provided, an eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of 10 years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net realized appreciation with respect to employer securities). Effective as of January 1, 2002, and notwithstanding the preceding sentence, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in Section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in Section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible. Provided, an eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Code, or a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. Effective on and after January 1, 2002, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Code and an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan. The definition of eligible retirement plan shall also apply in the case of a distribution to surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Internal Revenue Code, or a court-ordered equitable distribution of marital property, as provided under G.S. 50-30. Provided, a distributee includes an employee or former employee. Provided further, a direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee. (1989, c. 276, s. 2; 1993, c. 531, s. 4; 1995, c. 361, s. 3; 2002-71, s. 4.)

Editor's Note. — Session Laws 2002-71, s. 9, provides, in part, that s. 4 of the act is effective when the it becomes law (August 12, 2002), except that the changes in G.S. 128-38.2(b) become effective January 1, 2000.

Effect of Amendments. — Session Laws 2002-71, s. 4, added the third paragraph in subsection (a); in subsection (b), rewrote the

first sentence, and added the last sentence; and rewrote subsection (d). See editor's note for effective date.

§ 128-38.3. Deduction for payment to certain employees' associations allowed.

Any beneficiary who is a member of a domiciled employees' or retirees' association that has at least 2,000 members, the majority of whom are active or retired employees of employers as defined in G.S. 128-21(11), may authorize, in writing, the periodic deduction from the beneficiary's retirement benefits a designated lump sum to be paid to the employees' or retirees' association. The authorization shall remain in effect until revoked by the beneficiary. A plan of deductions pursuant to this section shall become void if the employees' or retirees' association engages in collective bargaining with the State, any political subdivision of the State, or any local school administrative unit. (2001-424, s. 32.31; 2002-126, s. 6.4(b).)

Editor's Note. — Session Laws 2001-424, s. 36.6, made this section effective July 1, 2001.

Session Laws 2001-424, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2001'."

Session Laws 2001-424, s. 36.5, is a severability clause.

Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capitol Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 31.6, is a severability clause.

Effect of Amendments. — Session Laws 2002-126, s. 6.4(b), effective July 1, 2002, substituted "beneficiary" for "member" throughout the section.

Article 4.

Leaves of Absence.

§ 128-39. Leaves of absence for State officials.

Any elective or appointive State official may obtain leave of absence from his duties for military or naval service, protracted illness, or other reason satisfactory to the Governor, for such period as the Governor may designate. Such leave shall be obtained only upon application by the official and with the consent of the Governor. The official shall receive no salary during the period of leave unless the leave of absence is granted by reason of protracted illness, in which event the granting of a leave of absence shall not operate to deprive any such official of the benefits of cumulative sick leave to which he may be entitled under rules and regulations adopted pursuant to G.S. 143-37 or to which he may otherwise be entitled by law. The period of leave may be extended upon application to and with the approval of the Governor if the reason for the original leave still exists, and it may be shortened if the said reason shall unexpectedly terminate: Provided, that no leave or extension thereof shall operate to extend the term of office of any official beyond the period for which he was elected or appointed. If, by reason of the length of the period of absence or the nature of the duties of the official, the Governor deems it necessary, the Governor may appoint any citizen of the State, without regard to residence or district, as acting official or substitute for the period of the official's leave of absence, such appointee to have all the authority, duties, perquisites, and emoluments of his principal. (1941, c. 121, s. 1.)

Editor's Note. — G.S. 143-37, referred to in this section, was repealed by Session Laws 1965, c. 640, s. 1. For present provisions as to leave, see G.S. 126-8.

CASE NOTES

Acceptance of Temporary Army or Navy Commission. — Under this section any State official may be given a leave of absence to accept a temporary officer's commission in the United States Army or Navy, as prescribed in this section, without perforce vacating his civil office and without violation of the provisions of former N.C. Const., Art. XIV, § 7 (now N.C. Const., Art. VI, § 9). In re Yelton, 223 N.C. 845, 28 S.E.2d 567 (1944).

Acceptance of Appointment Creating Vacancy. — Where a judge of a superior court has been granted a leave of absence under this section, his acceptance of appointment as judge of the United States Zonal Court in Germany would contravene the provisions of former N.C. Const., Art. XIV, § 7 (now N.C. Const., Art. VI, § 9) and ipso facto create a vacancy in his office. In re Phillips, 226 N.C. 772, 39 S.E.2d 217 (1946).

§ 128-40. Leaves of absence for county officials.

Any elective or appointive county official may obtain leave of absence from his duties for military or naval service, protracted illness, or other reason satisfactory to the board of county commissioners of his county, for such period as the board of county commissioners may designate. Such leave shall be obtained only upon application by the official and with the consent of the board of county commissioners. The official shall receive no salary during the period of leave unless the leave of absence is granted by reason of protracted illness, in which event the granting of a leave of absence shall not operate to deprive any such official of the benefits of any sick leave to which he may be entitled by law. The period of leave may be extended upon application to and with the approval of the board of county commissioners if the reason for the original leave still exists, and it may be shortened if the said reason shall unexpectedly terminate: Provided, that no leave or extension thereof shall operate to extend the term of office of any official beyond the period for which he was elected or appointed. If, by reason of the length of the period of absence or the nature of the duties of the official, the board of county commissioners deems it necessary, the board may appoint any qualified citizen of the county as acting official or substitute for the period of the official's leave of absence, such appointee to have all the authority, duties, perquisites, and emoluments of his principal. (1941, c. 121, s. 2.)

§ 128-41. Leaves of absence for municipal officers.

Any elective or appointive municipal official may obtain leave of absence from his duties for military or naval service, protracted illness, or other reason satisfactory to the governing body of the municipality, for such period as the governing body may designate. Such leave shall be obtained only upon application by the official and with the consent of the governing body. The official shall receive no salary during the period of leave unless the leave of absence is granted by reason of protracted illness, in which event the granting of a leave of absence shall not operate to deprive any such official of the benefits of any sick leave to which he may be entitled by law. The period of leave may be extended upon application to and with the approval of the governing body of the municipality if the reason for the original leave still exists, and it may be shortened if the said reason shall unexpectedly terminate: Provided, that no leave or extension thereof shall operate to extend the term of office of any official beyond the period for which he was elected or appointed. If, by reason

of the length of the period of absence or the nature of the duties of the official, the governing body deems it necessary, it may appoint any qualified citizen of the municipality as acting official or substitute for the period of the official's leave of absence, such appointee to have all the authority, duties, perquisites, and emoluments of his principal. § 130A-1. Title.

This Chapter shall be known as the Public Health Law of North Carolina. (1983, c. 891, s. 2.)

Editor's Note. — Session Laws 1983, c. 891 repealed most of Chapter 130, and enacted in its place a new Chapter 130A. Session Laws 1983, c. 775 repealed most of those sections of Chapter 130 not repealed by c. 891. § 130A-1.1. Mission and essential services.

(a) The General Assembly recognizes that unified purpose and direction of the public health system is necessary to ensure that all citizens in the State have equal access to essential public health services. The General Assembly declares that the mission of the public health system is to promote and contribute to the highest level of health possible for the people of North Carolina by:

(1) Preventing health risks and disease;
(2) Identifying and reducing health risks in the community;
(3) Detecting, investigating, and preventing the spread of disease;
(4) Promoting healthy lifestyles;
(5) Promoting a safe and healthful environment;
(6) Promoting the availability and accessibility of quality health care services through the private sector; and
(7) Providing quality health care services when not otherwise available.

(b) As used in this section, the term "essential public health services" means those services that the State shall ensure because they are essential to promoting and contributing to the highest level of health possible for the citizens of North Carolina. The Departments of Environment and Natural Resources and Health and Human Services shall attempt to ensure within the resources available to them that the following essential public health services

are available and accessible to all citizens of the State, and shall account for the financing of these services:

(1) Health Support:
  a. Assessment of health status, health needs, and environmental risks to health;
  b. Patient and community education;
  c. Public health laboratory;
  d. Registration of vital events;
(2) Environmental Health:
  a. Lodging and institutional sanitation;
  b. On-site domestic sewage disposal;
  c. Water and food safety and sanitation; and
(3) Personal Health:
  a. Child health;
  b. Chronic disease control;
  c. Communicable disease control;
  d. Dental public health;
  e. Family planning;
  f. Health promotion and risk reduction;
  g. Maternal health.

The Commission for Health Services shall determine specific services to be provided under each of the essential public health services categories listed above.

(c) The General Assembly recognizes that there are health-related services currently provided by State and local government and the private sector that are important to maintaining a healthy social and ecological environment but that are not included on the list of essential public health services required under this section. Omission of these services from the list of essential public health services shall not be construed as an intent to prohibit or decrease their availability. Rather, such omission means only that the omitted services may be more appropriately assured by government agencies or private entities other than the public health system.

(d) The list of essential public health services required by this section shall not be construed to limit or restrict the powers and duties of the Commission for Health Services or the Departments of Environment and Natural Resources and Health and Human Services as otherwise conferred by State law. (1991, c. 299, s. 1; 1997-443, s. 11A.54.)

Cross References. — As to the Hospital Authorities Act, see G.S. 131E-15.

Editor's Note. — Session Laws 1997-502, s. 12, provides any county which, on or prior to July 1, 1997, established a hospital authority board composed of no more than seven members under the provisions of Part B of Article 2 of Chapter 131E of the General Statutes may, by resolution adopted by its board of county commissioners and with the approval of the State Health Director, assign that authority board the power, duties, and responsibilities to provide public health services as outlined in G.S. 130A-1.1. Thereafter, such authority board shall act as the local board of health for the county together with such additional powers, duties, and authority assigned to it by the board of county commissioners.

§ 130A-2. Definitions.

The following definitions shall apply throughout this Chapter unless otherwise specified:

(1) "Commission" means the Commission for Health Services.

(1a) "Communicable condition" means the state of being infected with a communicable agent but without symptoms.

For a facility with no chief of staff, the facility's chief administrator may consent to the Department's review of the records. Any person, authorized to have or handle such records, providing copies or summaries of privileged patient medical records pursuant to this subdivision shall be immune from civil or criminal liability that might otherwise be incurred or imposed based upon invasion of privacy or breach of physician-patient confidentiality arising out of the furnishing of or agreement to furnish such records;

Use of property by the State may not be enjoined by the courts as a nuisance where the use of the property is in a manner authorized by valid legislative authority. Warren County v. North Carolina, 528 F. Supp. 276 (E.D.N.C. 1981), decided under former G.S. 130-20.

If the Secretary or a local health director abates the imminent hazard, the Department or the local health department shall have a lien on the property of the owner, lessee, operator, or other person in control of the property where the imminent hazard existed for the cost of the abatement of the imminent hazard. The lien may be enforced in accordance with procedures provided in Chapter 44A of the General Statutes. The lien may be defeated by a showing that an imminent hazard did not exist at the time the Secretary or the local health director took the action. The owner, lessee, operator, or any other person against whose property the lien has been filed may defeat the lien by showing that that person was not culpable in the creation of the imminent hazard.

(b) The Secretary of Environment and Natural Resources and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Articles 8, 9, 10, 11, and 12 of this Chapter. permission for removal or disposal is given by the official by whom the milk was detained or embargoed or by the court. It shall be unlawful for any person to remove or dispose of the detained or embargoed milk without that permission.

The official by whom the milk was detained or embargoed shall petition a judge of the district or superior court in whose jurisdiction the milk is detained or embargoed for an order for condemnation of the article. If the court finds that the milk is misbranded or that it does not satisfy the milk sanitation rules adopted pursuant to G.S. 130A-275, either the milk shall be destroyed under the supervision of the petitioner or the petitioner shall ensure that the milk will not be used for human consumption as Grade "A" milk. All court costs and fees, storage, expenses of carrying out the court's order and other expense shall be taxed against the claimant of the milk. If, the milk, by proper labelling or processing, can be properly branded and will satisfy the milk sanitation rules adopted pursuant to G.S. 130A-275, the court, after the payment of all costs, fees, and expenses and after the claimant posts an adequate bond, may order that the milk be delivered to the claimant for proper labelling and processing under the supervision of the petitioner. The bond shall be returned to the claimant after the petitioner represents to the court either that the milk is no longer mislabelled or in violation of the milk sanitation rules adopted pursuant to G.S. 130A-275, or that the milk will not be used for human consumption, and that in either case the expenses of supervision have been paid.

(c) If the Secretary of Environment and Natural Resources or a local health director has probable cause to believe that any scallops, shellfish or crustacea is adulterated or misbranded, the Secretary of Environment and Natural Resources or a local health director may detain or embargo the article by affixing a tag to it and warning all persons not to remove or dispose of the article until permission for removal or disposal is given by the official by whom it was detained or embargoed or by the court. It shall be unlawful for any person to remove or dispose of the detained or embargoed article without that permission.

The official by whom the scallops, shellfish or crustacea was detained or embargoed shall petition a judge of the district or superior court in whose jurisdiction the article is detained or embargoed for an order for condemnation of the article. If the court finds that the article is adulterated or misbranded, that article shall be destroyed under the supervision of the petitioner. All court costs and fees, storage and other expense shall be taxed against the claimant of the article. If, the article, by proper labelling can be properly branded, the court, after the payment of all costs, fees, expenses, and an adequate bond, may order that the article be delivered to the claimant for proper labelling under the supervision of the petitioner. The bond shall be returned to the claimant after the petitioner represents to the court that the article is no longer mislabelled and that the expenses of supervision have been paid.

(d) Nothing in this section is intended to limit the embargo authority of the Department of Agriculture and Consumer Services. The Department of Environment and Natural Resources and the Department of Agriculture and Consumer Services are authorized to enter agreements respecting the duties and responsibilities of each agency in the exercise of their embargo authority.

(e) For the purpose of this section, a food or drink is adulterated if the food or drink is deemed adulterated under G.S. 106-129; and food or drink is misbranded if it is deemed misbranded under G.S. 106-130. (1983, c. 891, s. 2; 1997-261, s. 109; 1997-443, s. 11A.63A.)

§ 130A-22. Administrative penalties.

(a) The Secretary of Environment and Natural Resources may impose an administrative penalty on a person who violates Article 9 of this Chapter, rules

adopted by the Commission pursuant to Article 9, or any order issued under Article 9. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed five thousand dollars ($5,000) per day in the case of a violation involving nonhazardous waste. The penalty shall not exceed twenty-five thousand dollars ($25,000) per day in the case of a first violation involving hazardous waste as defined in G.S. 130A-290 or involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State; and shall not exceed fifty thousand dollars ($50,000) per day for a second or further violation involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State. The penalty shall not exceed twenty-five thousand dollars ($25,000) per day for a violation involving a voluntary remedial action implemented pursuant to G.S. 130A-310.9(c) or a violation of the rules adopted pursuant to G.S. 130A-310.12(b). If a person fails to pay a civil penalty within 60 days after the final agency decision or court order has been served on the violator, the Secretary of Environment and Natural Resources shall request the Attorney General to institute a civil action in the superior court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator.

(a1) Part 5 of Article 21A of Chapter 143 of the General Statutes shall apply to the determination of civil liability or penalty pursuant to subsection (a) of this section.

(b) The Secretary of Environment and Natural Resources may impose an administrative penalty on a person who violates G.S. 130A-325. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed twenty-five thousand dollars ($25,000) for each day the violation continues.

(b1) The Secretary may impose an administrative penalty on a person who violates Article 19 of this Chapter or a rule adopted pursuant to that Article. Except as provided in subsection (b2) of this section, the penalty shall not exceed one thousand dollars ($1,000) per day per violation. Until the Department has notified the person of the violation, a continuing violation shall be treated as one violation. Each day thereafter of a continuing violation shall be treated as a separate violation.

In determining the amount of a penalty under this subsection or subsection (b2) of this section, the Secretary shall consider all of the following factors:

(1) The degree and extent of harm to the natural resources of the State, to the public health, or to private property resulting from the violation.
(2) The duration and gravity of the violation.
(3) The effect on air quality.
(4) The cost of rectifying the damage.

(7) The cost to the State of the enforcement procedures.
(8) If applicable, the size of the renovation and demolition involved in the violation.

(b2) The penalty for violations of the asbestos NESHAP for demolition and renovation, as defined in G.S. 130A-444, shall not exceed ten thousand dollars ($10,000) per day per violation. Until the Department has provided the person with written notification of the violation of the asbestos NESHAP for demolition and renovation that describes the violation, recommends a general course of action, and establishes a time frame in which to correct the violations, a

continuing violation shall be treated as one violation. Each day thereafter of a continuing violation shall be treated as a separate violation. A violation of the asbestos NESHAP for demolition and renovation is not considered to continue during the period a person who has received the notice of violation is following the general course of action and complying with the time frame set forth in the notice of violation.

(b3) The Secretary may impose an administrative penalty on a person who violates Article 19A of this Chapter or any rules adopted pursuant to Article 19A of this Chapter. Each day of a continuing violation is a separate violation. The penalty shall not exceed one thousand dollars ($1,000) for each day the violation continues. The penalty authorized by this section does not apply to a person who is not required to be certified under this Article.

(c) The Secretary of Environment and Natural Resources may impose an administrative penalty on a person who willfully violates Article 11 of this Chapter, rules adopted by the Commission pursuant to Article 11 or any condition imposed upon a permit issued under Article 11. An administrative penalty may not be imposed upon a person who establishes that neither the site nor the system may be improved or a new system installed so as to comply with Article 11 of this Chapter. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed fifty dollars ($50.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of no more than 480 gallons or in the case of any system serving a single one-family dwelling. The penalty shall not exceed three hundred dollars ($300.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of more than 480 gallons which does not serve a single one-family dwelling.

(c1) The Secretary may impose a monetary penalty on a vendor who violates rules adopted by the Commission pursuant to Article 13 of this Chapter when the Secretary determines that disqualification would result in hardship to participants in the Women, Infants, and Children (WIC) program. The penalty shall be calculated using the following formula: multiply five percent (5%) times the average dollar amount of the vendor's monthly redemptions of WIC food instruments for the 12-month period immediately preceding disqualification, then multiply that product by the number of months of the disqualification period determined by the Secretary.

(d) In determining the amount of the penalty in subsections (a), (b) and (c), the Secretary and the Secretary of Environment and Natural Resources shall consider the degree and extent of the harm caused by the violation and the cost of rectifying the damage.

(e) A person contesting a penalty shall, by filing a petition pursuant to G.S. 150B-23(a) not later than 30 days after receipt by the petitioner of the document which constitutes agency action, be entitled to an administrative hearing and judicial review in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act.

(f) The Commission shall adopt rules concerning the imposition of administrative penalties under this section.

(g) The Secretary or the Secretary of Environment and Natural Resources may bring a civil action in the superior court of the county where the violation occurred or where the defendant resides to recover the amount of an administrative penalty authorized under this section whenever a person:

(1) Who has not requested an administrative hearing in accordance with subsection (e) of this section fails to pay the penalty within 60 days after being notified of the penalty; or

(2) Who has requested an administrative hearing fails to pay the penalty within 60 days after service of a written copy of the final agency decision.

(h) A local health director may impose an administrative penalty on any person who willfully violates the wastewater collection, treatment, and disposal rules of the local board of health adopted pursuant to G.S. 130A-335(c) or who willfully violates a condition imposed upon a permit issued under the approved local rules. An administrative penalty may not be imposed upon a person who establishes that neither the site nor the system may be improved or a new system installed so as to comply with Article 11 of this Chapter. The local health director shall establish and recover the amount of the administrative penalty in accordance with subsections (d) and (g). Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed fifty dollars ($50.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of no more than 480 gallons or in the case of any system serving a single one-family dwelling. The penalty shall not exceed three hundred dollars ($300.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of more than 480 gallons which does not serve a single one-family dwelling. A person contesting a penalty imposed under this subsection shall be entitled to an administrative hearing and judicial review in accordance with G.S. 130A-24. A local board of health shall adopt rules concerning the imposition of administrative penalties under this subsection.

Editor's Note. — Session Laws 1997-523, s. 3 provides that G.S. 130A-453.11, as enacted by that act, and section 3 of the act are effective when they become law. The remainder of that act becomes effective 1 July 1998 unless, as of that date, Subpart L of Part 745 of Title 40 of the Code of Federal Regulations (40 C.F.R. G.S. 745.220, et seq., as set out in the Federal Register of 29 August 1996) is scheduled to become effective later than 1 September 1998, in which case the remainder of the act becomes effective when Subpart L of Part 745 of Title 40 of the Code of Federal Regulations becomes effective. Subpart L of Part 745 of Title 40 of the Code of Federal Regulations became effective August 29, 1996, and thus subsection (b3) became effective July 1, 1998.

CASE NOTES

The burden is placed upon a person who generates a solid waste to make a determination whether that waste is hazardous or not and whether the person will be subject to special rules and regulations governing hazardous wastes, thus, petitioner had the burden of determining whether its solid waste shipped to North Carolina in drums was hazardous or not by either testing the material or by applying knowledge of the processes used, and failure to do so could result in the assessment of a penalty against petitioner under subsection (a). Air-A-Plane Corp. v. North Carolina Dep't of Env't, 118 N.C. App. 118, 454 S.E.2d 297 (1995).

OPINIONS OF ATTORNEY GENERAL

As to North Carolina prohibition of the dumping of waste materials such as bags of medical refuse, especially that which may be hazardous or infectious, into the Atlantic Ocean, the authority of North Carolina with respect to dumping beyond three miles in the ocean which results in wastes entering State waters or being deposited on the State shores, and the extent State law applies to such events and what departments are responsible for en-

forcing such laws, see opinion of Attorney General to Mr. Robert B. Jordan, III, Lieutenant Governor, 58 N.C.A.G. 57 (1988).

§ 130A-23. Suspension and revocation of permits and program participation.

A permit may also be suspended or revoked upon a finding that its issuance was based upon incorrect or inadequate information that materially affected the decision to issue the permit.

(b) The Secretary may suspend or revoke a person's participation in a program administered under this Chapter upon a finding that a violation of the applicable provisions of this Chapter or the rules of the Commission has occurred. Program participation may also be suspended or revoked upon a finding that participation was based upon incorrect or inadequate information that materially affected the decision to grant program participation.

(c) A person shall be given notice that there has been a tentative decision to suspend or revoke the permit or program participation and that an administrative hearing will be held in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act, at which time the person may challenge the tentative decision.

(d) A permit shall be suspended or revoked immediately if a violation of the Chapter, the rules or a condition imposed upon the permit presents an imminent hazard. An operation permit issued pursuant to G.S. 130A-281 shall be immediately suspended for failure of a public swimming pool to maintain minimum water quality or safety standards or design and construction standards pertaining to the abatement of suction hazards which result in an unsafe condition. A permit issued pursuant to G.S. 130A-248 shall be revoked immediately for failure of an establishment to maintain a minimum grade of C. The Secretary of Environment and Natural Resources shall immediately give notice of the suspension or revocation and the right of the permit holder or program participant to appeal the suspension or revocation under G.S. 150B-23.

The petition shall be filed not later than 30 days after notice of the action which confers the right of appeal unless a federal statute or regulation provides for a different time limitation. The time limitation imposed under this subsection shall commence when notice of the agency decision is given to all persons aggrieved. Such notice shall be provided to all persons known to the agency by

personal delivery or by the placing of notice in an official depository of the United States Postal Service addressed to the person at the latest address provided to the agency by the person.

This determination shall be made only after the medical consultant of the confinement facility and the State Health Director, in consultation with the local health director of the person's county of residence, have made recommen-

CASE NOTES

Sufficient Evidence of a Nuisance. — Evidence that a stable is within four feet of a dwelling house, and because of its filthy condition those occupying the house were unable to eat, and the health officer has given notice to abate the nuisance, was sufficient to convict under former G.S. 130-20. State v. Wilkes, 170 N.C. 735, 87 S.E. 48 (1915), decided under prior law.

§ 130A-35. County board of health; appointment; terms.

(a) A county board of health shall be the policy-making, rule-making and adjudicatory body for a county health department.

(b) The members of a county board of health shall be appointed by the county board of commissioners. The board shall be composed of 11 members. In order to establish a uniform staggered term structure for the board, a member may be appointed for less than a three-year term.

(d) Vacancies shall be filled for any unexpired portion of a term.

(e) A chairperson shall be elected annually by a county board of health. The local health director shall serve as secretary to the board.

(f) A majority of the members shall constitute a quorum.

(g) A member may be removed from office by the county board of commissioners for:

(1) Commission of a felony or other crime involving moral turpitude;
(2) Violation of a State law governing conflict of interest;
(3) Violation of a written policy adopted by the county board of commissioners;
(4) Habitual failure to attend meetings;
(5) Conduct that tends to bring the office into disrepute; or
(6) Failure to maintain qualifications for appointment required under subsection (b) of this section.

A board member may be removed only after the member has been given written notice of the basis for removal and has had the opportunity to respond.

(h) A member may receive a per diem in an amount established by the county board of commissioners. Reimbursement for subsistence and travel shall be in accordance with a policy set by the county board of commissioners.

(i) The board shall meet at least quarterly. The chairperson or three of the members may call a special meeting. Rule-Making Powers. — A board of health acts within its rule-making powers when it enacts a regulation which (1) is related to the promotion or protection of health, (2) is reason-

A district health department shall be a public authority as defined in G.S. 159-7(b)(10).

OPINIONS OF ATTORNEY GENERAL

Department Authorized to Operate Public Transport. — The Pasquotank-Perquimans-Camden-Chowan District Health Department has the authority to operate public transit on a fare paying basis, without establishment of a Transportation Authority. Section 62-260 (a)(1) specifically exempts political subdivisions of this State from regulation by the North Carolina Utilities Commission. See opinion of Attorney General to Mr. David D. King, Director of Division of Public Transportation, North Carolina Department of Transportation, 55 N.C.A.G. 76 (1986).

§ 130A-37. District board of health.

(a) A district board of health shall be the policy-making, rule-making and adjudicatory body for a district health department and shall be composed of 15 members; provided, a district board of health may be increased up to a maximum number of 18 members by agreement of the boards of county commissioners in all counties that comprise the district. The agreement shall be evidenced by concurrent resolutions adopted by the affected boards of county commissioners.

(b) The county board of commissioners of each county in the district shall appoint one county commissioner to the district board of health. The county commissioner members of the district board of health shall appoint the other members of the board, including at least one physician licensed to practice medicine in this State, one licensed dentist, one licensed optometrist, one licensed veterinarian, one registered nurse, one licensed pharmacist, and one professional engineer. The composition of the board shall reasonably reflect the population makeup of the entire district and provide equitable district-wide representation. All members shall be residents of the district. If there is not a licensed physician, a licensed dentist, a licensed optometrist, a licensed veterinarian, a registered nurse, a licensed pharmacist, or a professional engineer available for appointment, an additional representative of the general public shall be appointed. If however, one of the designated professions has only one person residing in the district, the county commissioner members

shall have the option of appointing that person or a member of the general public.

(c) Except as provided in this subsection, members of a district board of health shall serve terms of three years. Two of the original members shall serve terms of one year and two of the original members shall serve terms of two years. No member shall serve more than three consecutive three-year terms unless the member is the only person residing in the district who represents one of the professions designated in subsection (b) of this section. County commissioner members shall serve only as long as the member is a county commissioner. When a representative of the general public is appointed due to the unavailability of a licensed physician, a licensed dentist, a licensed optometrist, a licensed veterinarian, a registered nurse, a licensed pharmacist, or a professional engineer that member shall serve only until a licensed physician, a licensed dentist, a licensed optometrist, a licensed veterinarian, a registered nurse, a licensed pharmacist, or a professional engineer becomes available for appointment. The county commissioner members may appoint a member for less than a three-year term to achieve a staggered term structure.

(d) Whenever a county shall join or withdraw from an existing district health department, the district board of health shall be dissolved and a new board shall be appointed as provided in subsection (c).

(e) Vacancies shall be filled for any unexpired portion of a term.

(f) A chairperson shall be elected annually by a district board of health. The local health director shall serve as secretary to the board.

(g) A majority of the members shall constitute a quorum.

(h) A member may be removed from office by the district board of health for:

(2) Violation of a State law governing conflict of interest;
(3) Violation of a written policy adopted by the county board of commissioners of each county in the district;
(4) Habitual failure to attend meetings;
(5) Conduct that tends to bring the office into disrepute; or
(6) Failure to maintain qualifications for appointment required under subsection (b) of this section.

A board member may be removed only after the member has been given written notice of the basis for removal and has had the opportunity to respond.

(i) A member may receive a per diem in an amount established by the county commissioner members of the district board of health. Reimbursement for subsistence and travel shall be in accordance with a policy set by the county commissioner members of the district board of health.

(j) The board shall meet at least quarterly. The chairperson or three of the members may call a special meeting.

(k) A district board of health is authorized to provide liability insurance for the members of the board and the employees of the district health department. A district board of health is also authorized to contract for the services of an attorney to represent the board, the district health department and its employees, as appropriate. The purchase of liability insurance pursuant to this subsection waives both the district board of health's and the district health department's governmental immunity, to the extent of insurance coverage, for any act or omission occurring in the exercise of a governmental function. By entering into a liability insurance contract with the district board of health, an insurer waives any defense based upon the governmental immunity of the district board of health or the district health department. CASE NOTES

A district board of health is a creature of the legislature and has only such powers and authority as are given it by the legislature. State v. Curtis, 230 N.C. 169, 52 S.E.2d 364 (1949), decided under former statutory provisions.

OPINIONS OF ATTORNEY GENERAL

A county commissioner member of a district board of health may serve more than three consecutive three-year terms on the board and is not subject to the same term limitations as other members of the board. See opinion of Attorney General to Hal G. Harrison Mitchell County Attorney, 1998 N.C.A.G. 40 (10/8/98).

§ 130A-38. Dissolution of a district health department.

(a) Whenever the board of commissioners of each county constituting a district health department determines that the district health department is not operating in the best health interests of the respective counties, they may direct that the district health department be dissolved. In addition, whenever a board of commissioners of a county which is a member of a district health department determines that the district health department is not operating in the best health interests of that county, it may withdraw from the district health department. Dissolution of a district health department or withdrawal from the district health department by a county shall be effective only at the end of the fiscal year in which the action of dissolution or withdrawal transpired.

(b) Notwithstanding the provisions of subsection (a), no district health department shall be dissolved without prior written notification to the Department.

(c) Any budgetary surplus available to a district health department at the time of its dissolution shall be distributed to those counties comprising the district on the same pro rata basis that the counties appropriated and contributed funds to the district health department budget during the current fiscal year. Distribution to the counties shall be determined on the basis of an audit of the financial record of the district health department. The district board of health shall select a certified public accountant or an accountant who is subsequently certified by the Local Government Commission to conduct the audit. The audit shall be performed in accordance with G.S. 159-34. The same method of distribution of funds described above shall apply when one or more counties of a district health department withdraw from a district.

(d) Upon dissolution or withdrawal, all rules adopted by a district board of health shall continue in effect until amended or repealed by the new board or boards of health. (1971, c. 858; 1975, c. 396, s. 2; c. 403; 1983, c. 891, s. 2.)

§ 130A-39. Powers and duties of a local board of health.

(a) A local board of health shall have the responsibility to protect and promote the public health. The board shall have the authority to adopt rules necessary for that purpose.

(b) A local board of health may adopt a more stringent rule in an area regulated by the Commission for Health Services or the Environmental Management Commission where, in the opinion of the local board of health, a more stringent rule is required to protect the public health; otherwise, the rules of the Commission for Health Services or the rules of the Environmental

Management Commission shall prevail over local board of health rules. However, a local board of health may not adopt a rule concerning the grading, operating, and permitting of food and lodging facilities as listed in Part 6 of Article 8 of this Chapter and as defined in G.S. 130A-247(1), and a local board of health may adopt rules concerning wastewater collection, treatment and disposal systems which are not designed to discharge effluent to the land surface or surface waters only in accordance with G.S. 130A-335(c).

(c) The rules of a local board of health shall apply to all municipalities within the local board's jurisdiction.

(d) Not less than 10 days before the adoption, amendment or repeal of any local board of health rule, the proposed rule shall be made available at the office of each county clerk within the board's jurisdiction, and a notice shall be published in a newspaper having general circulation within the area of the board's jurisdiction. The notice shall contain a statement of the substance of the proposed rule or a description of the subjects and issues involved, the proposed effective date of the rule and a statement that copies of the proposed rule are available at the local health department. A local board of health rule shall become effective upon adoption unless a later effective date is specified in the rule.

(e) Copies of all rules shall be filed with the secretary of the local board of health.

(f) A local board of health may, in its rules, adopt by reference any code, standard, rule or regulation which has been adopted by any agency of this State, another state, any agency of the United States or by a generally recognized association. Copies of any material adopted by reference shall be filed with the rules.

(g) A local board of health may impose a fee for services to be rendered by a local health department, except where the imposition of a fee is prohibited by statute or where an employee of the local health department is performing the services as an agent of the State. Notwithstanding any other provisions of law, a local board of health may impose cost-related fees for services performed pursuant to Article 11 of this Chapter, "Wastewater Systems," for services performed pursuant to Part 10, Article 8 of this Chapter, "Public Swimming Pools", and for services performed pursuant to Part 11, Article 8 of this Chapter, "Tattooing". Fees shall be based upon a plan recommended by the local health director and approved by the local board of health and the appropriate county board or boards of commissioners. The fees collected under the authority of this subsection are to be deposited to the account of the local health department so that they may be expended for public health purposes in accordance with the provisions of the Local Government Budget and Fiscal Control Act. CASE NOTES

Rule-Making Powers. — A board of health acts within its rule-making powers when it enacts a regulation which (1) is related to the promotion or protection of health, (2) is reasonable in light of the health risk addressed, (3) is not violative of any law or constitutional provision, (4) is not discriminatory, and (5) does not make distinctions based upon policy concerns traditionally reserved for legislative bodies. City of Roanoke Rapids v. Peedin, 124 N.C. App.

578, 478 S.E.2d 528 (1996).

Although the county board of health could adopt rules more strict than those adopted at the state level to protect the public health, under G.S. 130A-39(b), its rules attempting to regulate swine farms more strictly than the state could not stand because they insufficiently expressed a rationale for the county's stricter regulation. Craig v. County of Chatham, 356 N.C. 40, 565 S.E.2d 172, 2002 N.C. LEXIS 539 (2002).

Limited Powers. — County boards of health and other administrative agencies, being creatures of statute, have only such powers as are conferred upon them by statute, either expressly or by necessary implication. Champion v. Vance County Bd. of Health, 221 N.C. 96, 19 S.E.2d 239 (1942), decided under former statutory provisions.

Powers Exceeded. — Enactment of county smoking rules exceeded the general limitations imposed upon rule-making powers of boards of health. City of Roanoke Rapids v. Peedin, 124 N.C. App. 578, 478 S.E.2d 528 (1996).

Findings of Board Not Final. — The finding of the county board of health that the maintenance of a cemetery upon the watershed is a nuisance to the public health has not the same force as the positive declarations of statute, and it may be shown in answer to a notice to show cause why an injunction should not be continued to the final hearing that the particular cemetery, as maintained, was not a nuisance entitling the plaintiff to injunctive relief. Board of Health v. Lewis, 196 N.C. 641, 146 S.E. 592 (1929), decided under former statutory provisions.

(7) Establish a salary plan which shall set the salaries for employees of the area authority.
(8) To adopt and enforce a professional reimbursement policy which may include the following provisions: (i) require that fees for the provision of services received directly under the supervision of the public health authority shall be paid to the authority, (ii) prohibit employees of the public health authority from providing services on a private basis which require the use of the resources and facilities of the public health authority, and (iii) provide that employees may not accept dual compensation and dual employment unless they have the written permission of the public health authority director.
(9) Delegate to its agents or employees any powers or duties as it may deem appropriate.

(17) Appoint advisory boards, committees, and councils composed of qualified and interested residents of the authority service area to study, interpret, and advise the public health authority board.

(b) A public health authority shall have the power to establish and operate health care networks and may contract with or enter into any arrangement with other public health authorities or local health departments of this or other states, federal, or other public agencies, or with any person, private organization, or nonprofit corporation or association for the provision of public health services, including managed health care activities; provided, however, that for the purposes of this subsection only, a public health authority shall be permitted to and shall comply with the requirements of Article 67 of Chapter 58 of the General Statutes to the extent that such requirements apply to the activities undertaken by the public health authority pursuant to this subsection. The public health authority may pay for or contribute its share of the cost of any such contract or arrangement from revenues available for these purposes, including revenues arising from the provision of public health services.

(c) A public health authority may lease any public health facility, or part, to a nonprofit association on terms and conditions consistent with the purposes of this Part. The authority will determine the length of the lease. No lease executed under this subsection shall be deemed to convey a freehold interest.

(d) A public health authority shall neither sell nor convey any rights of ownership the county has in any public health facility, including the buildings, land, and equipment associated with the facility, to any corporation or other business entity operated for profit, except that nothing herein shall prohibit the sale of surplus buildings, surplus land, or surplus equipment by an authority to any corporation or other business entity operated for profit. (f) A public health authority may exercise any or all of the powers conferred upon it by this Part, either generally or with respect to any specific public health facility or facilities, through or by designated agents, including any corporation or corporations which are or shall be formed under the laws of this State.

(g) An authority may contract to insure itself and any of its board members, agents, or employees against liability for wrongful death or negligent or intentional damage to person or property or against absolute liability for damage to person or property caused by an act or omission of the authority or of any of its board members, agents, or employees when acting within the scope of their authority and the course of their employment. The board shall determine what liabilities and what members, agents, and employees shall be covered by any insurance purchased pursuant to this subsection.

Purchase of insurance pursuant to this subsection waives the authority's governmental immunity, to the extent of insurance coverage, for any act or omission occurring in the exercise of a governmental function. Participation in

a local government risk pool pursuant to Article 23 of Chapter 58 of the General Statutes shall be deemed to be the purchase of insurance for the purposes of this section. By entering into an insurance contract with the authority, an insurer waives any defense based upon the governmental immunity of the authority.

(h) If an authority has waived its governmental immunity pursuant to subsection (g) of this section, any person, or in the event of death, their personal representative, sustaining damages as a result of an act or omission of the authority or any of its board members, agents, or employees, occurring in the exercise of a governmental function, may sue the authority for recovery of damages. To the extent of the coverage of insurance purchased pursuant to subsection (g) of this section, governmental immunity may not be a defense to the action. Otherwise, however, the authority has all defenses available to private litigants in any action brought pursuant to this section without restriction, limitation, or other effect, whether the defense arises from common law or by virtue of a statute.

Despite the purchase of insurance as authorized by subsection (g) of this section, the liability of an authority for acts or omissions occurring in the exercise of governmental functions does not attach unless the plaintiff waives the right to have all issues of law or fact relating to insurance in the action determined by a jury. The judge shall hear and determine these issues without resort to a jury, and the jury shall be absent during any motion, argument, testimony, or announcement of findings of fact or conclusions of law relating to these issues unless the defendant requests a jury trial on them. (1997-502, s. 1.)

§ 130A-45.4. Appointment of a public health authority director.

(a) A public health authority board, after consulting with the appropriate county board or boards of commissioners, shall appoint a public health authority director.

(b) All persons who are appointed to the position of public health authority director must possess minimum education and experience requirements for that position, as follows:

(1) A medical doctorate; or

(2) A masters degree in Public Health Administration, and at least one year of employment experience in health programs or health services; or

(3) A masters degree in a public health discipline other than public health administration, and at least three years of employment experience in health programs or health services; or

(4) A masters degree in public administration, and at least two years of experience in health programs or health services; or

(5) A masters degree in a field related to public health, and at least three years of experience in health programs or health services; or

(6) A bachelors degree in public health administration or public administration and at least three years of experience in health programs or health services.

(c) Before appointing a person to the position of public health authority director under subdivision (a)(5) of this section, the authority board shall forward the application and other pertinent materials of such candidate to the State Health Director. If the State Health Director determines that the candidate's masters degree is in a field not related to public health, the State Health Director shall so notify the authority board in writing within 15 days of the State Health Director's receipt of the application and materials, and such

candidate shall be deemed not to meet the education requirements of subdivision (a)(5) of this section. If the State Health Director fails to act upon the application within 15 days of receipt of the application and materials from the authority board, the application shall be deemed approved with respect to the education requirements of subdivision (a)(5) of this section, and the authority board may proceed with the appointment process.

(d) The State Health Director shall review requests of educational institutions to determine whether a particular masters degree offered by the requesting institution is related to public health for the purposes of subdivision (a)(5) of this section. The State Health Director shall act upon such requests within 90 days of receipt of the request and pertinent materials from the institution, and shall notify the institution of its determination in writing within the 90-day review period. If the State Health Director determines that an institution's particular masters degree is not related to public health, the State Health Director shall include the reasons therefor in his written determination to the institution.

(e) When an authority board fails to appoint a public health authority director within 60 days of the creation of a vacancy, the State Health Director may appoint an authority director to serve until the authority board appoints an authority director in accordance with this section. (1997-502, s. 1.)

§ 130A-45.5. Powers and duties of a public health authority director.

(a) The public health authority director is an employee of the authority board and shall serve at the pleasure of the authority board.

(b) An authority health director shall perform public health duties prescribed by and under the supervision of the public health authority board and the Department and shall be employed full time in the field of public health.

(c) An authority health director shall have the following powers and duties:

(1) To administer programs as directed by the public health authority board;

(2) To enforce the rules of the public health authority board;

(3) To investigate the causes of infectious, communicable, and other diseases;

(4) To exercise quarantine authority and isolation authority pursuant to G.S. 130A-145;

(5) To disseminate public health information and to promote the benefits of good health;

(6) To advise local officials concerning public health matters;

(7) To enforce the immunization requirements of Part 2 of Article 7 of this Chapter;

(8) To examine and investigate cases of venereal disease pursuant to Parts 3 and 4 of Article 6 of this Chapter;

(9) To examine and investigate cases of tuberculosis pursuant to Part 5 of Article 6 of this Chapter;

(10) To examine, investigate, and control rabies pursuant to Part 6 of Article 6 of this Chapter;

(11) To abate public health nuisances and imminent hazards pursuant to G.S. 130A-19 and G.S. 130A-20; and

(12) To employ, discipline, and dismiss employees of the public health authority.

(d) Authority conferred upon a public health authority director may be exercised only within the county or counties comprising the public health authority. (1997-502, s. 1.)

§ 130A-45.6. Boundaries of the authority.

A public health authority may provide or contract to provide public health services and to acquire, construct, establish, enlarge, improve, maintain, own, or operate, and contract for the operation of any public health facilities outside the territorial limits, within reasonable limitation, of the county or counties creating the authority, but in no case shall a public health authority be held liable for damages to those outside the territorial limits of the county or counties creating the authority for failure to provide any public health service. (1997-502, s. 1.)

§ 130A-45.7. Medical review committee.

(a) A member of a duly appointed medical review committee who acts without malice or fraud shall not be subject to liability for damages in any civil action on account of any act, statement, or proceeding undertaken, made, or performed within the scope of the functions of the committee.

(b) The proceedings of a medical review committee, the records and materials it produces and the materials it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "'Public records' defined", and shall not be subject to discovery or introduction into evidence in any civil action against a public health authority or a provider of professional health services which results from matters which are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents, or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee. A member of the committee or a person who testifies before the committee may testify in a civil action but cannot be asked about his testimony before the committee or any opinions formed as a result of the committee hearings. (1997-502, s. 1.)

Part 2. Sanitary Districts.

§ 130A-47. Creation by Commission.

For the purpose of preserving and promoting the public health and welfare, the Commission may create sanitary districts without regard for county, township or municipal lines. However, no municipal corporation or any part of the territory in a municipal corporation shall be included in a sanitary district except at the request of the governing board of the municipal corporation. If the municipal corporation has not levied any tax nor performed any official act nor held any elections within a period of four years preceding the date of the petition for the sanitary district, a request of the governing board shall not be required. (1927, c. 100, s. 1; 1955, c. 1307; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

CASE NOTES

As to validity of former statutory provisions regarding sanitary districts, see Drysdale v. Prudden, 195 N.C. 722, 143 S.E. 530 (1928).

When Sanitary District May Occupy Same Territory as City. — A sanitary district may with, but only with, the consent of a municipality, occupy the same territory as the city. State ex rel. East Lenoir San. Dist. v. City of Lenoir, 249 N.C. 96, 105 S.E.2d 411 (1958), decided under former statutory provisions.

Infringement of Franchise. — The holder of a nonexclusive franchise has no monopoly, and cannot complain of competition from a publicly created utility system. Phrased another way, the creation by a state of a competing public utility does not amount to a "taking" compensable under U.S. Const., Amend. XIV. Hence, a water company had no cause of action for damages against the State, the Utilities Commission, or a sanitary district for infringement of its franchise. Durham v. North Carolina, 395 F.2d 58 (4th Cir. 1968), decided under former statutory provisions.

§ 130A-48. Procedure for incorporating district.

A sanitary district shall be incorporated as follows. Either fifty-one percent (51%) or more of the resident freeholders within a proposed sanitary district or fifty-one percent (51%) or more of the freeholders within a proposed sanitary district, whether or not the freeholders are residents of the proposed sanitary district, may petition the county board of commissioners of the county in which all or the largest portion of the land of the proposed district is located. This petition shall set forth the boundaries of the proposed sanitary district and the objectives of the proposed district. For the purposes of this Part, the term "freeholder" shall mean a person holding a deed to a tract of land within the district or proposed district, and also shall mean a person who has entered into a contract to purchase a tract of land within the district or proposed district, is making payments pursuant to a contract and will receive a deed upon completion of the contractual payments. The contracting purchaser, rather than the contracting seller, shall be deemed to be the freeholder. The county tax office shall be responsible for checking the freeholder status of those persons signing the petition. That office shall also be responsible for confirming

the location of the property owned by those persons. Upon receipt of the petition, the county board of commissioners, through its chairperson, shall notify the Department and the chairperson of the county board of commissioners of any other county or counties in which any portion of the proposed district lies of the receipt of the petition. The chairperson shall request that the Department hold a joint public hearing with the county commissioners of all the counties in which a portion of the district lies concerning the creation of the proposed sanitary district. The Secretary and the chairperson of the county board of commissioners shall name a time and place within the proposed district to hold the public hearing. The chairperson of the county board of commissioners shall give prior notice of the hearing by posting a notice at the courthouse door of the county and also by publication at least once a week for four successive weeks in a newspaper published in the county. In the event the hearing is to be before a joint meeting of the county boards of commissioners of more than one county, or in the event the land to be affected lies in more than one county, publication and notice shall be made in each of the affected counties. In the event that all matters pertaining to the creation of this sanitary district cannot be concluded at the hearing, the hearing may be continued at a time and place within the proposed district named by the Department. (1927, c. 100, ss. 2-4; 1951, c. 178, s. 1; 1957, c. 1357, s. 1; 1959, c. 1189, s. 1; 1965, c. 135; 1967, c. 24, s. 21; 1973, c. 476, s. 128; 1975, c. 536; 1983, c. 891, s. 2; 2002-159, s. 55(f).)

Local Modification to Former G.S. 130-124. — Guilford: 1973, c. 263.

Effect of Amendments. — Session Laws 2002-159, s. 55(f), effective January 1, 2003, and applicable to all primaries and elections held on and after that date, inserted the sixth and seventh sentences.

CASE NOTES

Withdrawal of Names from Petition. — Signers of a petition for the creation of a sanitary district are entitled as a matter of right to withdraw their names from the petition at any time before action is taken on the petition by the county commissioners on the question of approval, and when their withdrawal reduces the number of signers to less than 51% of the resident freeholders within the proposed district the board of county commissioners is without jurisdiction and its approval of the petition may be enjoined. Idol v. Hanes, 219 N.C. 723, 14 S.E.2d 801 (1941); Deal v. Enon San. Dist., 245 N.C. 74, 95 S.E.2d 362 (1956), decided under former statutory provisions.

Right to Be Heard. — The required public hearing contemplates that every interested person has a right to be heard. Deal v. Enon San. Dist., 245 N.C. 74, 95 S.E.2d 362 (1956), decided under former statutory provisions.

§ 130A-49. Declaration that district exists; status of industrial villages within boundaries of district.

(a) If, after the required public hearing, the Commission and the county commissioners determine that a district shall be created for the purposes stated in the petition, the Commission shall adopt a resolution defining the boundaries of the district and declaring the territory within the boundaries to be a sanitary district. The Commission may make minor deviation in defining the boundaries from those prescribed in the petition when it determines the change to be in the interest of the public health.

(b) The owner or controller of an industrial plant may make application requesting that the plant or the plant and its contiguous village be included within or excluded from the sanitary district. The application shall be filed with the Commission on or before the date of the public hearing. If an application is properly filed, the Commission shall include or exclude the industrial plant and contiguous village in accordance with the application.

(c) Each district when created shall be identified by a name or number assigned by the Commission. (1927, c. 100, s. 5; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

CASE NOTES

The validity of former statutory provisions relating to sanitary districts were not affected by the provision that certain industrial enterprises and villages situate therein could be excluded upon application of the owners. Drysdale v. Prudden, 195 N.C. 722, 143 S.E. 530 (1928).

No sanitary district exists unless legally created and established. Deal v. Enon San. Dist., 245 N.C. 74, 95 S.E.2d 362 (1956), decided under former statutory provisions.

As to establishing of territory different from that described in petition, see Deal v. Enon San. Dist., 245 N.C. 74, 95 S.E.2d 362 (1956), decided under former statutory provisions.

§ 130A-50. Election and terms of office of sanitary district boards.

(a) The Department shall send a copy of the resolution creating the sanitary district to the county board or boards of county commissioners of the county or counties in which all or part of the district is located. The board or boards of commissioners shall hold a meeting or joint meeting for the purpose of electing the members of the sanitary district board.

(b) The sanitary district board shall be composed of either three or five members as the county commissioners in their discretion shall determine. The members first appointed shall serve as the governing body of the sanitary district until the next regular election for municipal and special district officers as provided in G.S. 163-279, which occurs more than 90 days after their appointment. At that election, their successors shall be elected. The terms of the members shall be for two years or four years and may be staggered as determined by the county board of commissioners so that some members are elected at each biennial election. The members of the sanitary district board shall be residents of the district. The county board of commissioners shall notify the county board of elections of any decision made under this subsection.

If the sanitary district board consists of three members, the county commissioners may at any time increase the sanitary district board to five members. The increase shall become effective with respect to any election where the filing period for candidacy opens at least 30 days after approval of the expansion to five members. The effective date of the expansion is the organizational meeting of the sanitary district board after the election.

The county commissioners may provide for staggering terms of an existing sanitary district board whose members serve two-year terms by providing for some of the members to be elected at the next election to be for four-year terms. The change shall become effective with respect to any election where the filing period for candidacy opens at least 30 days after approval of the staggering of terms.

The sanitary district board may provide for staggering its terms if its members serve unstaggered four-year terms by providing for some of the members to be elected at the next election for two-year terms. The change shall become effective with respect to any election where the filing period for candidacy opens at least 30 days after approval of the staggering of terms.

The county commissioners may provide for changing a sanitary district board from two-year terms to unstaggered four-year terms. This may be done either by providing that at the next election, all members shall be elected for four-year terms, or by extending the terms of existing members from two years to four years. The change shall become effective with respect to any election

where the filing period for candidacy opens at least 30 days after approval of the change of length of terms.

(b1) If a sanitary district:

1. Does not share territory with any city as defined by G.S. 160A-1(2), and
2. The sanitary district is in more than one county,

the boards of county commissioners in all counties with territory in the sanitary district may set the sanitary district elections to be held on the same date as general elections in even-numbered years under G.S. 163-1 and may extend the terms of any sanitary district board members who are in office at the ratification of this act until the next even-year general election can been [be] held and successors qualified.

(b2) If a sanitary district:

(1) Is located entirely within a county which has no incorporated city as defined by G.S. 160A-1(2) located within that county; and

(2) Has a sanitary district board whose members serve four-year terms which are not staggered and which next expire in 1991,

the board of commissioners of that county may, by resolution adopted prior to December 31, 1989, set the sanitary district election to be held on the same date as general elections in even-numbered years under G.S. 163-1. Such resolution shall extend the terms of office of the then serving members of the sanitary district board by one year, so that they will expire on the first Monday in December following the 1992 general election. Other than as provided by this subsection, sanitary district elections shall continue to be conducted in accordance with this Article and Chapter 163 of the General Statutes.

(c) The election shall be nonpartisan and decided by simple plurality as provided in G.S. 163-292 and shall be held and conducted by the county board of elections in accordance with the applicable provisions of Articles 23 and 24 of Chapter 163 of the General Statutes. If the district is in more than one county, then the county board of elections of the county including the largest part of the district shall conduct the election for the entire district with the assistance and full cooperation of the boards of elections in the other counties.

(d) The board of elections shall certify the results of the election to the clerk of superior court. The clerk of superior court shall take and file the oaths of office of the board members elected.

(e) The elected members of the board shall take the oath of office on the first Monday in December following their election and shall serve for the term elected and until their successors are elected and qualified. (1927, c. 100, s. 6; 1943, c. 602; 1953, c. 798; 1955, c. 1073; 1957, c. 1357, s. 1; 1963, c. 644; 1973, c. 476, s. 128; 1981, c. 186, s. 1; 1983, c. 891, s. 2; 1987, c. 22, s. 1; 1989, c. 310; 1993 (Reg. § 130A-51. City governing body acting as sanitary district board.

(a) When the General Assembly incorporates a city or town that includes within its territory fifty percent (50%) or more of the territory of a sanitary district, the governing body of the city or town shall become ex officio the governing board of the sanitary district if the General Assembly provides for this action in the incorporation act and if the existing sanitary district board adopts a final resolution pursuant to this section. The resolution may be adopted at any time within the period beginning on the day the incorporation act becomes law and ending 270 days after that date.

(b) To begin the process leading to the city or town board becoming ex officio the sanitary district board, the board of the sanitary district shall first adopt a preliminary resolution finding that the interests of the citizens of the sanitary district and of the city or town will be best served if both units of local government are governed by a single governing body. This resolution shall also set the time and place for a public hearing on the preliminary resolution.

(c) Upon adoption of this preliminary resolution, the chairperson of the sanitary district board shall publish a notice of the public hearing once at least 10 days before the hearing in a newspaper of general circulation within the sanitary district. This notice shall set forth the time and place of the hearing and shall briefly describe its purpose. At the hearing, the board shall hear any citizen of the sanitary district or of the city or town who wishes to speak to the subject of the preliminary resolution.

(d) Within 30 days after the day of the public hearing, the sanitary district board may adopt a final resolution finding that the interests of the citizens of the sanitary district and of the city or town will be best served if both units are governed by a single board. This resolution shall set the date on which the terms of office of the members of the sanitary district board end and that board is dissolved and service by the ex officio board begins. This date may be the effective date of the incorporation of the city or town or any date within one year after the effective date. At that time, the sanitary district board is dissolved and the mayor and members of the governing body of the city or town become ex officio the board of the sanitary district. The mayor shall act ex officio as chairperson of the sanitary district board.

(e) The chairperson of the sanitary district board that adopts a final resolution shall within 10 days after the day the resolution is adopted, send a copy of the resolution to the mayor and each member of the city or town governing board and to the Department. (1981, c. 201; 1983, c. 891, s. 2; 1995, c. 20, s. 15.)

Editor's Note. — Session Laws 1995, c. 20, s. 17, provides that sections 1 through 16 of this act shall become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 are approved as provided by Session Laws 1995, c. 5, ss. 3-4, and if so approved, sections 1 through 16 shall become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The proposed constitutional amendments have been approved by the voters.

§ 130A-52. Special election if election not held in November of 1981.

(a) If in a sanitary district, an election of board members was required to be held in November of 1981 under G.S. 130A-50 but was not held, the board of commissioners of the county or counties in which the district is located may by resolution order a special election of all the board members to be held at the same time as the General Election in November of 1982.

(b) The election shall be held under the procedures of Articles 23 and 24 of Chapter 163 of the General Statutes and in accordance with G.S. 130A-50, except that filing shall open at noon on Monday, August 9, 1982, and close at noon on Monday, August 23, 1982.

(c) In the election held under this section, all of the members of the board shall be elected. If the board of commissioners has provided for two- or four-year terms, the members elected in 1982 shall serve until the 1983 or 1985 election, respectively, and then their successors shall be elected for the two-or four-year terms provided by the county board or boards of commissioners.

(d) Any resolution adopted under subsection (a) of this section shall be filed with the Department. (1981 (Reg. Sess., 1982), c. 1271, s. 1; 1983, c. 891, s. 2.)

§ 130A-52.1. Action if 1983 election not held.

If any sanitary district held an election in 1982 under G.S. 130A-52, but failed to hold the 1983 election, then the persons elected in 1982 shall hold office until the terms that were to begin in 1983 have expired. (1983 (Reg. Sess., 1984), c. 1021, s. 1.)

§ 130A-53. Actions validated.

Any action of a sanitary district taken prior to July 1, 1984, shall not be invalidated by failure to hold an election for members of the board. (1981 (Reg. Sess., 1982), c. 1271, s. 1; 1983, c. 891, s. 2; 1983 (Reg. Sess., 1984), c. 1021, s. 2.)

§ 130A-54. Vacancy appointments to district boards.

Any vacancy in a sanitary district board shall be filled by the county commissioners until the next election for sanitary district board members. If the district is located in more than one county, the vacancy shall be filled by the county commissioners of the county from which the vacancy occurred. (1935, c. 357, s. 2; 1957, c. 1357, s. 1; 1981, c. 186, s. 2; 1983, c. 891, s. 2.)

§ 130A-55. Corporate powers.

A sanitary district board shall be a body politic and corporate and may sue and be sued in matters relating to the sanitary district. Notwithstanding any limitation in the petition under G.S. 130A-48, but subject to the provisions of G.S. 130A-55(17)e, each sanitary district may exercise all of the powers granted to sanitary districts by this Article. In addition, the sanitary district board shall have the following powers:

(1) To acquire, construct, maintain and operate sewage collection, treatment and disposal systems of all types, including septic tank systems or other on-site collection, treatment or disposal facilities or systems; water supply systems; water purification or treatment plants and other utilities necessary for the preservation and promotion of the public health and sanitary welfare within the district. The utilities shall be constructed, operated and maintained in accordance with applicable statutes and rules.

(2) To acquire, construct, maintain and operate sewage collection, treatment and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or systems, water supply systems; water purification or treatment plants and other utilities, within and outside the corporate limits of the district, as may be necessary for the preservation of the public health and sanitary welfare outside the corporate limits of the district, within reasonable limitation. The utilities shall be constructed, operated and maintained in accordance with applicable statutes and rules.

a. The authority granted to a sanitary district by the provisions of this subsection is supplemental to the authority granted to a sanitary district by other provisions of law.

b. Actions taken by a sanitary district to acquire, construct, maintain and operate sewage collection, treatment and disposal systems of all types; water supply systems; water purification or treatment plants and other utilities within and outside the corporate limits to provide service outside the corporate limits are approved and validated.

c. This subsection shall apply only in counties with a population of 70,000 or greater, as determined by the most recent decennial federal census.

(3) To levy taxes on property within the district in order to carry out the powers and duties conferred and imposed on the district by law, and to pay the principal of and interest on bonds and notes of the district.

(4) To acquire either by purchase, condemnation or otherwise and hold real and personal property, easements, rights-of-way and water rights in the name of the district within or without the corporate limits of the district, necessary or convenient for the construction or maintenance of the works of the district.

(5) To employ and compensate engineers, counsel and other persons as may be necessary to carry out projects.

(6) To negotiate and enter into agreements with the owners of existing water supplies, sewage systems or other utilities as may be necessary to carry out the intent of this Part.

(7) To adopt rules necessary for the proper functioning of the district. However, these rules shall not conflict with rules adopted by the Commission for Health Services, Environmental Management Commission, or the local board of health having jurisdiction over the area.

(8)a. To contract with any person within or outside the corporate limits of the district to supply raw water without charge to the person in return for an agreement to allow the district to discharge sewage in the person's previous water supply. The district may so contract and construct at its expense all improvements necessary or convenient for the delivery of the water when, in the opinion of the sanitary district board and the Department, it will be for the best of the district.

b. To contract with any person within or outside the corporate limits of the district to supply raw or filtered water and sewer service to the person where the service is available. For service supplied outside the corporate limits of the district, the sanitary district board may fix a different rate from that charged within the corporate limits but shall not be liable for damages for failure to furnish a sufficient supply of water and adequate sewer service.

c. To contract with any person within or outside the corporate limits of the district for the treatment of the district's sewage in a sewage disposal or treatment plant owned and constructed or to be constructed by that person.

(9) After adoption of a plan as provided in G.S. 130A-60, the sanitary district board may, in its discretion, alter or modify the plan if the Department determines that the alteration or modification does not constitute a material deviation from the objective of the plan and is in the public health interest of the district. The alteration or modification must be approved by the Department. The sanitary district board may appropriate or reappropriate money of the district for carrying out the altered or modified plan.

(10) To take action, subject to the approval of the Department, for the prevention and eradication of diseases transmissible by vectors by instituting programs for the eradication of the mosquito.

(11) To collect and dispose of garbage, waste and other refuse by contract or otherwise.

(12) To establish a fire department, or to contract for firefighting apparatus and personnel for the protection of life and property within the district.

(13) To provide or contract for rescue service, ambulance service, rescue squad or other emergency medical services for use in the district. The sanitary district shall be subject to G.S. 153A-250.

(14) To have privileges and immunities granted to other governmental units in exercise of the governmental functions.

(15) To use the income of the district, and if necessary, to levy and collect taxes upon all the taxable property within the district sufficient to pay the costs of collecting and disposing of garbage, waste and other refuse, to provide fire protection and rescue services in the district, and to acquire, construct, maintain, operate, and regulate roads and streets within the district. Taxes shall be levied and collected at the same time and in the same manner as taxes for debt service as provided in G.S. 130A-62.

(16) To adopt rules for the promotion and protection of the public health and for these purposes to possess the following powers:

a. To require any person owning, occupying or controlling improved real property within the district to connect with either or both the water or sewage systems of the district when the local health director, having jurisdiction over the property, determines that the health of the people residing within the district will be endangered by a failure to connect.

b. To require any person owning, occupying or controlling improved real property within the district where the water or sewage systems of the district are not immediately available or it is impractical with the systems, to install sanitary toilets, septic tanks and other health equipment or installations in accordance with applicable statutes and rules.

c. To order a person to abate a public health nuisance of the district. If the person being ordered to abate the nuisance refuses to comply with the order, the sanitary district board may institute an action in the superior court of the county where the public health nuisance exists to enforce the order.

d. To abolish or regulate and control the use and occupancy of all pigsties and other animal stockyards or pens within the district and for an additional distance of 500 feet beyond the outer boundaries of the district, unless the 500 feet is within the corporate limits of a city or town.

e. Upon the noncompliance by a person of a rule adopted by the sanitary district board, the board shall notify the person of the rule being violated and the facts constituting the violation. The person shall have a reasonable time to comply with the rule as determined by the local health director of the person's residence. Upon failure to comply within the specified time or within a time extended by the sanitary district board, the person shall be guilty of a Class 1 misdemeanor.

f. The sanitary district board is authorized to enforce the rules adopted pursuant to this Part by criminal action or civil action, including injunctive relief.

(17) For the purpose of promoting and protecting the public health, safety and the general welfare of the State, a sanitary district board is authorized to establish as zoning units any portions of the sanitary district not under the control of the United States or this State or any agency or instrumentality of either, in accordance with the following:

a. No sanitary district board shall designate an area a zoning area until a petition signed by two-thirds of the qualified voters in the area, as shown by the registration books used in the last general election, and with a petition signed by two-thirds of the owners of real property in the area, as shown by the records in the office of the register of deeds for the county, is filed with the sanitary

district board. The petition must be accompanied by a map of the proposed zoning area. The board shall hold a public hearing to obtain comment on the proposed creation of the zoning area. A notice of public hearing must be published in a newspaper of general circulation in the county at least two times, and a copy of the notice shall be posted at the county courthouse and in three other public places in the sanitary district.

b. When a zoning area is established within a sanitary district, the sanitary district board as to the zoning area shall have all rights, privileges, powers and duties granted to municipal corporations under Part 3, Article 19, Chapter 160A of the General Statutes. However, the sanitary district board shall not be required to appoint any zoning commission or board of adjustment. If neither a zoning commission nor board of adjustment is appointed, the sanitary district board shall have all rights.

c. A sanitary district board may enter into an agreement with any city, town or sanitary district for the establishment of a joint zoning commission.

d. A sanitary district board is authorized to use the income of the district and levy and collect taxes upon the taxable property within the district necessary to carry out and enforce the rules and provisions of this subsection.

e. This subsection shall apply only to sanitary districts which adjoin and are contiguous to an incorporated city or town and are located within three miles or less of the boundaries of two other cities or towns.

(18) To negotiate for and acquire by contract any distribution system located outside the district when the water for the distribution system is furnished by the district. If the distribution system is acquired by a district, the district may continue the operation of the system even though it remains outside the district.

(19) To accept gifts of real and personal property for the purpose of operating a nonprofit cemetery; to own, operate and maintain cemeteries with the donated property; and to establish perpetual care funds for the cemeteries in the manner provided by G.S. 160A-347.

(20) To dispose of real or personal property belonging to the district according to the procedures prescribed in Article 12 of Chapter 160A of the General Statutes. For purposes of this subsection, references in Article 12 of Chapter 160A to the "city," the "council," or a specific city official refer, respectively, to the sanitary district, the sanitary district board, and the sanitary district official who most nearly performs the same duties performed by the specified city official. For purposes of this subsection, references in G.S. 160A-266(c) to "one or more city officials" are deemed to refer to one or more sanitary district officials designated by the sanitary district board.

(21) To acquire, renovate property for or construct a medical clinic to serve the district, and to maintain real and personal property for a medical clinic to serve the district.

(22) To make special assessments against benefitted property within the corporate limits of the sanitary district and within the area served or to be served by the sanitary district for the purpose of constructing, reconstructing, extending, or otherwise improving water systems or sanitary collection, treatment, and sewage disposal systems, in the same manner that a county may make special assessments under authority of Article 9 of Chapter 153A of the General Statutes, except that the language appearing in G.S. 153A-185 reading as follows: "A

county may not assess property within a city pursuant to subdivision (1) or (2) of this section unless the governing board of the city has by resolution approved the project," shall not apply to assessments levied by sanitary districts. For the purposes of this paragraph, references in Article 9 of Chapter 153A of the General Statutes, to the "county," the "board of county commissioners," "the board" or a specific county official or employee are deemed to refer respectively to the sanitary district and to the official or employee of the sanitary district who performs most nearly the same duties performed by the specified county official or employee.

Assessment rolls after being confirmed shall be filed for registration in the office of the Register of Deeds of the county in which the property being assessed is located, and the term "county tax collector" wherever used in G.S. 153A-195 and G.S. 153A-196, shall mean the officer designated by the sanitary district to perform the functions described in said sections of the statute. This subdivision applies only to sanitary districts with a population of 15,000 or over.

(23) To acquire (by purchase, lease, gift, or otherwise, but not by condemnation), construct, maintain, operate, and regulate roads and streets within the sanitary district which are not State-maintained. Not all of these powers need be exercised.

(24) Expired.

(25) To negotiate and enter into agreements with other municipal corporations or sanitary districts for the purpose of developing and implementing an economic development plan. The agreement may provide for the establishment of a special fund, in which monies not expended at the end of a fiscal year shall remain in the fund. The lead agency designated under the agreement shall be responsible for examination of the fund and compliance with sound accounting principles, including the annual independent audit under G.S. 159-34. The audit responsibilities of the other municipal corporations and sanitary districts extend only to the verification of the contribution to the fund created under the agreement. The procedural requirements of G.S. 158-7.1(c) shall apply to actions of a sanitary district under this subdivision as if it were a city. CASE NOTES

Services and Rates Not Subject to Control of Utilities Commission. — A sanitary district which, as a part of its functions, furnishes drinking water to the public and furnishes filtered water for industrial consumers is a quasi-municipal corporation, and is not under the control and supervision of the North Carolina Utilities Commission as to services or rates. Halifax Paper Co. v. Roanoke Rapids San. Dist., 232 N.C. 421, 61 S.E.2d 378 (1950), decided under former statutory provisions.

Lease of Filter Plant. — Defendant sanitary district was unable to raise funds for the construction of a filter plant and, in order to carry out the purposes for which it was created, leased a cotton mill's filter plant under an agreement that the mill should get its water at the cost of filtering and should have priority over other industrial consumers. It was held that the lease contract was in the public interest and the district had authority to execute it, and the contract was valid since it did not impair the ability of the district to discharge its duties to the public nor unlawfully discriminate between commercial customers similarly circumstanced. Halifax Paper Co. v. Roanoke Rapids San. Dist., 232 N.C. 421, 61 S.E.2d 378 (1950), decided under former statutory provisions.

Under the facts of the preceding paragraph, the district agreed with plaintiff paper mill to furnish it water from the surplus remaining after the needs of the district and lessor enterprise had been satisfied. It was held that upon increased demand by the lessor, resulting in a diminution of the surplus available for sale to other industrial consumers, the district had the power to reduce the amount of water furnished the paper mill proportionately, since the paper mill had no right to any water except out of surplus water remaining after the requirements of the district and the lessor enterprise had been satisfied, and since there was no discrimination in service to commercial users similarly circumstanced in regard to such surplus. Halifax Paper Co. v. Roanoke Rapids San. Dist., 232 N.C. 421, 61 S.E.2d 378 (1950), decided under former statutory provisions.

§ 130A-55.1: Repealed by Session Laws 1997-443, s. 11A.2.

§ 130A-56. Election of officers; board compensation.

(a) Upon election, a sanitary district board shall meet and elect one of its members as chairperson and another member as secretary.

(b) The board may employ a clerk or other assistants as necessary and may fix duties of and compensation for employees. A sanitary district board may remove employees and fill vacancies.

(c) The board may fix the compensation and allowances of the chairman and other members of the board by adoption of the annual budget ordinance, payable from the funds of the district, but no increase may become effective earlier than the first meeting of the board following the next election of board members after adoption of the ordinance. Until adoption of an ordinance under this subsection, each member of the board may receive compensation as provided for members of State boards under G.S. 138-5, payable from funds of the district. (1927, c. 100, s. 8; 1957, c. 1357, s. 1; 1967, c. 723; 1977, c. 183; 1983, c. 891, s. 2; 1985, c. 29, ss. 1, 2; 1995, c. 422, s. 5; 2003-185, s. 1.)

Local Modification to Former G.S. 130-129. — Halifax: 1961, c. 883; 1969, c. 345.

Effect of Amendments. — Session Laws 2003-185, s. 1, effective June 12, 2003, in the first sentence of subsection (c), substituted "may fix the compensation and allowances" for "may, by ordinance, fix the compensation" and substituted "the chairman and other members of the board by adoption of the annual budget ordinance" for "its members in an amount not to exceed one hundred fifty dollars ($150.00) per month."

§ 130A-57. Power to condemn property.

A sanitary district board may purchase real estate, right-of-way or easement within or outside the corporate limits of the district for improvements authorized by this Part. If a purchase price cannot be agreed upon, the board may condemn the real estate, right-of-way or easement in accordance with Chapter 40A of the General Statutes. (1927, c. 100, s. 9; 1933, c. 8, s. 3; 1957, c. 1357, s. 1; 1981, c. 919, s. 13; 1983, c. 891, s. 2.)

Sess., 1982), c. 1150; Caswell: 1981, c. 941; Columbus: 1981, c. 270; Franklin and Grandville: 1981, c. 941; Johnston: 1981, c. 459; Pender: 1981, c. 283; Person: 1981, c. 941; Sampson: 1981, c. 459; Vance and Warren: 1981, c. 941.

CASE NOTES

Just Compensation to Be Paid for Damages. — When a sanitary district, in the exercise of its power of eminent domain, took easements and rights-of-way for sewer lines over the lands of defendants, it became obligated to pay to defendants just compensation for the damage done. North Asheboro-Central Falls San. Dist. v. Canoy, 252 N.C. 749, 114 S.E.2d 577 (1960), decided under former statutory provisions.

Measure of Compensation. — Where a sanitary district condemns an easement for sewer lines, together with the perpetual right to enter upon the land for the purpose of inspecting its lines and making necessary repairs, replacements, additions and alterations thereon, with right of the landowners to use the land for all lawful purposes not inconsistent with the rights acquired by the district, the measure of compensation is the difference in the market value of the land free of the easement and the market value of the land subject to the easement. North Asheboro-Central Falls San. Dist. v. Canoy, 252 N.C. 749, 114 S.E.2d 577 (1960), decided under former statutory provisions.

Proper Use of Easements. — A sanitary district acquiring easements to construct and maintain sanitary sewer lines can use the property taken for only the limited purpose described in the petition, and any other use by it or anyone else would require additional compensation. North Asheboro-Central Falls San. Dist. v. Canoy, 252 N.C. 749, 114 S.E.2d 577 (1960), decided under former statutory provisions.

§ 130A-58. Construction of systems by corporations or individuals.

When it is inadvisable or impractical for the sanitary district to build a water supply, sewage system or part of either to serve an area within the sanitary district, a corporation or residents within the sanitary district may build and operate a system at its or their own expense. The system shall be constructed and operated under plans and specifications approved by the district board and by the Department. The system shall also be constructed and operated in accordance with applicable rules and statutes. (1927, c. 100, s. 10; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-59. Reports.

Upon the election of a sanitary district board, the board shall employ engineers licensed by this State to make a report on the problems of the sanitary district. The report shall be prepared and filed with the sanitary district board and shall include the following:

(1) Comprehensive maps showing the boundaries of the sanitary district and, in a general way, the location of the various parts of the work that

is proposed to be done and information as may be useful for a thorough understanding of the proposed undertaking;
(2) A general description of existing facilities for carrying out the purposes of the district;
(3) A general description of the various plans which might be adopted for accomplishment of the purposes of the district;
(4) General plans and specifications for the work;
(5) General description of property proposed to be acquired or which may be damaged in carrying out the work;
(6) Comparative detail estimates of cost for the various construction plans; and
(7) Recommendations. (1927, c. 100, s. 11; 1957, c. 1357, s. 1; 1983, c. 891, s. 2.)

§ 130A-60. Consideration of reports and adoption of a plan.

(a) A report filed by the engineers pursuant to G.S. 130A-59 shall be given consideration by the sanitary district board and the board shall adopt a plan. Before adopting a plan the board may hold a public hearing for the purpose of considering objections to the plan. Once adopted, the sanitary district board shall submit the plan to the Department. The plan shall not become effective until it is approved by the Department.

(b) The provisions of this section and of G.S. 130A-58 shall apply when the sanitary district board determines that adoption of the plan requires the issuance of bonds. However, these provisions shall not apply to a proposed purchase of firefighting equipment and apparatus. Failure to observe or comply with these provisions shall not, however, affect the validity of the bonds of a sanitary district. (1927, c. 100, s. 12; 1949, c. 880, s. 1; 1951, c. 17, s. 1; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-61. Bonds and notes authorized.

A sanitary district is authorized to issue bonds and notes under the Local Government Finance Act. (1927, c. 100, s. 13; 1949, c. 880, s. 1; 1951, c. 17, s. 1; c. 846, s. 1; 1957, c. 1357, s. 1; 1963, c. 1247, s. 1; 1971, c. 780, s. 27; 1983, c. 891, s. 2.)

§ 130A-62. Annual budget; tax levy.

(a) A sanitary district shall operate under an annual balanced budget adopted in accordance with the Local Government Budget and Fiscal Control Act.

(b) A sanitary district has the option of either collecting its own taxes or having its taxes collected by the county or counties in which it is located. Unless a district takes affirmative action to collect its own taxes, taxes shall be collected by the county.

(c) For sanitary districts whose taxes are collected by the county, before May 1 of each year, the assessor of each county in which the district is located shall certify to the district board the total assessed value of property in the county subject to taxation by the district. By July 1 or upon adoption of its annual budget ordinance, the district board shall certify to the county board of commissioners the rate of ad valorem tax levied by the district on property in that county. Upon receiving the district's certification of its tax levy, the county commissioners shall compute the district tax for each taxpayer and shall separately state the district tax on the county tax receipts for the fiscal year.

The county shall collect the district tax in the same manner that county taxes are collected and shall remit these collections to the district at least monthly. Partial payments shall be proportionately divided between the county and the district. The district budget ordinance may include an appropriation to the county for the cost to the county of computing, billing, and collecting the district tax. The amount of the appropriation shall be agreed upon by the county and the district, but may not exceed five percent (5%) of the district levy. Any agreement shall remain effective until modified by mutual agreement. The amount due the county for collecting the district tax may be deducted by the county from its monthly remittances to the district or may be paid to the county by the district.

(d) Sanitary districts electing to collect their own taxes shall be deemed cities for the purposes of the Machinery Act, Subchapter II of Chapter 105 of the General Statutes. (1927, c. 100, s. 17; 1935, c. 287, ss. 3, 4; 1949, c. 880, s. 1; 1951, c. 17, s. 1; 1957, c. 1357, s. 1; 1959, c. 994; 1963, c. 1226; 1965, c. 496, s. 3; 1971, c. 780, s. 29; 1983, c. 891, s. 2; 1987, c. 45, s. 1; 1991 (Reg. Sess., 1992), c. 1007, s. 38.)

§ 130A-63. Engineers to provide plans and supervise work; bids.

(a) The sanitary district board shall retain engineers licensed by this State to provide detailed plans and specifications and to supervise the work undertaken by the district. The work or any portion of the work may be done by the sanitary district board by purchasing the material and letting a contract for the work or by letting a contract for furnishing all the materials and doing the work.

(b) All contracts for work performed for construction or repair and for the purchase of materials by sanitary districts shall be in accordance with the provisions of Article 8, Chapter 143 of the General Statutes which are applicable to counties and municipal corporations.

(c) All work done shall be in accordance with the plans and specifications prepared by the engineers in conformity with the plan adopted by the sanitary district board. (1927, c. 100, s. 19; 1957, c. 1357, s. 1; 1977, c. 544, s. 1; 1983, c. 891, s. 2.)

Local Modification to Former G.S. 130-143. — Bessemer Sanitary District: 1953, c. 729, s. 3.

§ 130A-64. Service charges and rates.

A sanitary district board shall apply service charges and rates based upon the exact benefits derived. These service charges and rates shall be sufficient to provide funds for the maintenance, adequate depreciation and operation of the work of the district. If reasonable, the service charges and rates may include an amount sufficient to pay the principal and interest maturing on the outstanding bonds and, to the extent not otherwise provided for, bond anticipation notes of the district. Any surplus from operating revenues shall be set aside as a separate fund to be applied to the payment of interest on or to the retirement of bonds or bond anticipation notes. The sanitary district board may modify and adjust these service charges and rates. (1927, c. 100, s. 20; 1933, c. 8, s. 5; 1957, c. 1357, s. 1; 1965, c. 496, s. 4; 1983, c. 891, s. 2.)

§ 130A-65. Liens for sewer service charges in sanitary districts not operating water distribution system; collection of charges; disconnection of sewer lines.

In sanitary districts which maintain and operate a sewage system but do not maintain and operate a water distribution system, the charges made for sewer service or for use of sewer service facilities shall be a lien upon the property served. § 130A-69. Procedure for extension of district.

(a) If after a sanitary district has been created or the provisions of this Part have been made applicable to a sanitary district, a petition signed by not less than fifteen percent (15%) of the resident freeholders within any territory contiguous to and adjoining the sanitary district may be presented to the sanitary district board requesting annexation of territory described in the petition. The sanitary district board shall send a copy of the petition to the board of commissioners of the county or counties in which the district is located and to the Department. The sanitary district board shall request that the Department hold a joint public hearing with the sanitary district board on the question of annexation. The Secretary and the chairperson of the sanitary district board shall name a time and place for the public hearing. The chairperson of the sanitary district board shall publish a notice of public hearing once in a newspaper or newspapers published or circulating in the sanitary district and the territory proposed to be annexed. The notice shall be published not less than 15 days prior to the hearing. If after the hearing, the Commission approves the annexation of the territory described in the petition, the Department shall advise the board or boards of commissioners of the approval. The board or boards of commissioners shall order and provide for the holding of a special election upon the question of annexation within the territory proposed to be annexed.

(b) If at or prior to the public hearing, a petition is filed with the sanitary district board signed by not less than fifteen percent (15%) of the freeholders residing in the sanitary district requesting an election be held on the annexation question, the sanitary district board shall send a copy of the petition to the board or boards of commissioners who shall order and provide for the submission of the question to the voters within the sanitary district. This election may be held on the same day as the election in the territory proposed to be annexed, and both elections and registrations may be held pursuant to a single notice. A majority of the votes cast is necessary for a territory to be annexed to a sanitary district.

(c) The election shall be held by the county board or boards of elections as soon as possible after the board or boards of commissioners orders the election. The cost of the election shall be paid by the sanitary district. Registration in the area proposed for annexation shall be under the same procedure as G.S. 163-288.2.

(d) Notice of the election shall be given as required by G.S. 163-33(8) and shall include a statement that the boundary lines of the territory to be annexed and the boundary lines of the sanitary district have been prepared by the district board and may be examined. The notice shall also state that if a majority of the those voting in the election favor annexation, then the territory annexed shall be subject to all debts of the sanitary district.

(e) The ballot shall be substantially as follows:

"☐ FOR annexation to the _____ Sanitary District

☐ AGAINST annexation to the _____ Sanitary District."

The board or boards of elections shall certify the results of the election to the sanitary district board and the board or boards of commissioners of the county or counties in which the district is located.

(f) Notwithstanding any other provisions of this section, if a petition for extension of the boundaries of a sanitary district is signed by not less than fifty-one percent (51%) of the resident freeholders within the territory proposed to be annexed, it shall not be necessary to hold an election provided for by this section on the question of the extension of the boundaries of the sanitary district.

(g) Notwithstanding any other provisions of this section, if a petition for extension of the boundaries of a sanitary district is signed by the owners of all the real property within the territory proposed to be annexed, it shall not be necessary to hold any election or any hearings provided for by this section on the question of the extension of the boundaries of the sanitary district.

(h) No right of action or defense founded upon the invalidity of the election shall be asserted, nor shall the validity of the election be open to question in any court on any ground unless the action or proceeding is commenced within 30 days after the certification of the results by the board or boards of elections.

(i) When additional territory has been annexed to a sanitary district and the proposition of issuing bonds of the sanitary district after the annexation has been approved by the voters at an election held within one year subsequent to annexation, fifty-one percent (51%) or more of the resident freeholders within the annexed territory may petition the sanitary district board for the removal and exclusion of the territory from the sanitary district. No petition may be filed after bonds of the sanitary district have been approved in an election held at any time after annexation. If the sanitary district board approves the petition, it shall send a copy to the Department requesting that the petition be granted and shall send additional copies to the county board or boards of commissioners. A public hearing shall be conducted under the same procedure provided for the annexation of additional territory. If the Commission deems it advisable to comply with the request of the petition, the Commission shall adopt a resolution to that effect and shall redefine the boundaries of the sanitary district. (1927, c. 100, s. 24; 1943, c. 543; 1947, c. 463, s. 1; 1951, c. 897, s. 1; 1957, c. 1357, s. 1; 1959, c. 1189, s. 2; 1961, c. 732; 1973, c. 476, s. 128; 1981, c. 186, s. 5; 1983, c. 891, s. 2.)

(b) Twenty-five percent (25%) or more of the resident freeholders within the territory proposed to be annexed to the sanitary district and to the city or town may petition the sanitary district board and the governing board of the city or town setting forth the boundaries of the area proposed to be annexed and the objects annexation is proposed to accomplish. The petition may also include any area already within the corporate limits of the city or town but not already within the boundaries of the sanitary district. Upon receipt of the petition, the sanitary district board and the governing board of the city or town shall meet jointly and shall hold a public hearing prior to approval of the petition. Notice of the hearing shall be made by posting a notice at the courthouse door of the county or counties and by publishing a notice at least once a week for four consecutive weeks in a newspaper with a circulation in the county or counties. If at or after the public hearing the sanitary district board and the governing board of the city or town, acting jointly, shall each approve the petition, the petition shall be submitted to the Commission for approval. If the Commission

approves the petition, the question shall be submitted to a vote of all voters in the area or areas proposed to be annexed voting as a whole. The election shall be held on a date approved by the sanitary district board and by the governing board of the city or town.

(c) The words "For Extension" and "Against Extension" shall be printed on the ballots for the election. A majority of all the votes cast is necessary for a district and municipality to extend boundaries and corporate limits simultaneously.

(d) After declaration of the extension, the territory and its citizens and property shall be subject to all debts, ordinances and rules in force in the sanitary district and in the city or town, and shall be entitled to the same privileges and benefits as other parts of the sanitary district and the city or town. The newly annexed territory shall be subject to the sanitary district and the city or town taxes levied for the fiscal year following the date of annexation.

(e) The costs of holding and conducting the election for annexation pursuant to this section, shall be shared equally by the sanitary district and by the city or town.

(f) The sanitary district board and the governing board of the city or town acting jointly, may order the board or boards of elections of the county or counties in which the sanitary district and the city or town are located, to call, hold, conduct and certify the result of the election, according to the provisions of Chapter 163 of the General Statutes.

If the petition includes areas within the present corporate limits of the city or town but not within the present boundaries of the sanitary district, these areas shall not be removed or excluded from the city or town under the provisions of this section.

(h) The powers granted by this section shall be supplemental and additional to powers conferred by any other law and shall not be regarded as in derogation to any powers now existing. (1953, c. 977; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1981, c. 186, s. 6; 1983, c. 891, s. 2.)

(a) This section only applies to a sanitary district where one or more municipalities lie within its boundaries.

(b) Whenever a municipality which lies within a sanitary district receives a petition for annexation under Part 4 of Article 4A of Chapter 160A of the General Statutes, the municipality may petition the sanitary district for that sanitary district to also annex the same area. In such case, the sanitary district may, by resolution, annex the same area, but the annexation shall only become effective if the territory is annexed by the requesting municipality.

(c) If G.S. 160A-58.5 allows the municipality to fix and enforce schedules of rents, rates, fees, charges, and penalties in excess of those fixed and enforced within the primary corporate limits, the sanitary district may do likewise as if G.S. 160A-58.5 applied to it.

(d) If the annexed area contains utility lines constructed or operated by the county and the sanitary district is to assume control, operation, or management of those lines, the sanitary district and county may by contract agree for the sanitary district to assume the pro rata or otherwise mutually agreeable

portion of indebtedness incurred by the county for such purpose, or to contractually agree with the county to reimburse the county for any debt service. (2001-301, s. 1.)

The State Registrar may appoint agents who shall have the authority to issue certified copies under a facsimile signature of the State Registrar. These copies shall have the same evidentiary value as those issued by the State Registrar.

(i) Fees for issuing any copy of a vital record or for conducting a search of the files when no copy is made shall be as established in G.S. 130A-93.1 and G.S. 161-10.

(j) No person shall prepare or issue any certificate which purports to be an official certified copy of a vital record except as authorized in this Article or the rules. (1983, c. 891, s. 2; 1985, c. 325, s. 1; 1991, c. 343, s. 1; 1993, c. 146, s. 3; 1995, c. 457, s. 7; 1997-242, s. 1.)

CASE NOTES

The purpose of former G.S. 130-166 appeared to be to permit the death certificate to be introduced as evidence of the fact of death, the time and place where it occurred, the identity of the deceased, the bodily injury or disease which was the cause of death, the disposition of the body and possibly other matters relating to the death. State v. Hamilton, 16 N.C. App. 330, 192 S.E.2d 24 (1972); Spillman v. Forsyth Mem. Hosp., 30 N.C. App. 406, 227 S.E.2d 292 (1976), decided under former statutory provisions.

The death certificate, when properly certified, would be prima facie evidence of the cause of death. State v. Hamilton, 16 N.C. App. 330, 192 S.E.2d 24 (1972), decided under former statutory provisions.

While certified copies of records are admitted in evidence, the originals are not thereby made incompetent. State v. Joyner, 295 N.C. 55, 243 S.E.2d 367 (1978), decided under former statutory provisions.

Admission of Death Certificate in Criminal Proceedings. — Defendant's right to confrontation and his right to fundamental fairness in a criminal trial were violated by the admission in evidence of hearsay and conclusory statement in victim's death certificate. State v. Watson, 281 N.C. 221, 188 S.E.2d 289, cert. denied, 409 U.S. 1043, 93 S. Ct. 537, 34 L. Ed. 2d 493 (1972), decided under former statutory provisions.

Statements Regarding Insured's Suicide Properly Excluded. — In case brought by widow of insured to recover under life insurance policy, statements listing suicide as the cause of death in the medical examiner's report were properly excluded at trial. Drain v. United Servs. Life Ins. Co., 85 N.C. App. 174, 354 S.E.2d 269, cert. denied, 320 N.C. 630, 360 S.E.2d 85 (1987).

In case brought by widow of insured to recover under life insurance policy, coroner's statement on death certificate that the gunshot wound killing the insured was intentionally self-inflicted was not based on personal knowledge of the events which took place and could only be described as hearsay and conclusory. The admission of such a statement would thwart the fairness of the trial and in essence shift the burden of proof on the issue of the cause of death from defendant to plaintiff. Therefore, the exclusion of this statement on the death certificate was proper. Drain v. United Servs. Life Ins. Co., 85 N.C. App. 174, 354 S.E.2d 269, cert. denied, 320 N.C. 630, 360 S.E.2d 85 (1987).

§ 130A-93.1. Fees for vital records copies or search; automation fund.

(a) The State Registrar shall collect, process, and utilize fees for services as follows:

(1) A fee not to exceed fifteen dollars ($15.00) shall be charged for issuing any copy of a vital record or for conducting a routine search of the files for the record when no copy is made. When certificates are issued or searches conducted by local agencies using databases maintained by the State Registrar, the local agency shall charge this fee and shall forward five dollars ($5.00) of this fee to the State Registrar for purposes established in subsection (b) of this section.

(2) A fee not to exceed fifteen dollars ($15.00) shall be charged in addition to the fee charged under subdivision (1) of this subsection and to all shipping and commercial charges when expedited service is specifically requested.

(2a) The fee for a copy of a computer or microform database shall not exceed the cost to the agency of making and providing the copy.

(3) Except as provided in subsection (b) of this section, fees collected under this subsection shall be used by the Department for public health purposes.

(b) The Vital Records Automation Account is established as a nonreverting account within the Department. Five dollars ($5.00) of each fee collected pursuant to subdivision (a)(1) shall be credited to this Account. The Department shall use the revenue in the Account to fully automate and maintain the vital records system. When funds sufficient to fully automate and maintain the system have accumulated in the Account, fees shall no longer be credited to the Account but shall be used as specified in subdivision (a)(3) of this section. (1991, c. 343, s. 2; 1991 (Reg. Sess., 1992), c. 1039, s. 5; 1997-242, s. 2; 2002-126, s. 29A.18(a).)

Editor's Note. — Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capitol Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 31.6, is a severability clause.

Effect of Amendments. — Session Laws 2002-126, s. 29.28(a), effective November 1, 2002, substituted "fifteen dollars ($15.00)" for "ten dollars ($10.00)" in subdivisions (a)(1) and (2).

The local health director shall serve, ex officio, as the local registrar of each county within the jurisdiction of the local health department. (1983, c. 891, s. 2.)

§ 130A-95. Control of local registrar.

The State Registrar shall direct, control and supervise the activities of local registrars. (1913, c. 109, s. 4; 1915, c. 20; C.S., ss. 7089, 7090; 1955, c. 951, s. 6; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1983, c. 891, s. 2; 1985, c. 462, s. 14.)

§ 130A-96. Appointment of deputy and sub-registrars.

(a) Each local registrar shall immediately upon appointment, appoint a deputy whose duty shall be to assist the local registrar and to act as local registrar in case of absence, illness, disability or removal of the local registrar. The deputy shall be designated in writing and be subject to all rules and statutes governing local registrars. The local registrar shall direct, control and

supervise the activities of the deputy registrar and may remove a deputy registrar for cause.

(b) The local registrar may, when necessary and with the approval of the State Registrar, appoint one or more persons to act as sub-registrars. Sub-registrars shall be authorized to receive certificates and issue burial-transit permits in and for designated portions of the county. Each sub-registrar shall enter the date the certificate was received and shall forward all certificates to the local registrar within three days.

(c) The State Registrar shall direct, control and supervise sub-registrars and may remove a sub-registrar for cause. (1913, c. 109, s. 4; C.S., s. 7091; 1955, c. 951, s. 8; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1983, c. 891, s. 2.)

§ 130A-97. Duties of local registrars.

The local registrar shall:

(1) Administer and enforce provisions of this Article and the rules, and immediately report any violation to the State Registrar;

(2) Furnish certificate forms and instructions supplied by the State Registrar to persons who require them;

(3) Examine each certificate when submitted to determine if it has been completed in accordance with the provisions of this Article and the rules. If a certificate is incomplete or unsatisfactory, the responsible person shall be notified and required to furnish the necessary information. All birth and death certificates shall be typed or written legibly in permanent black, blue-black, or blue ink;

(4) Enter the date on which a certificate is received and sign as local registrar;

(5) Transmit to the register of deeds of the county a copy of each certificate registered within seven days of receipt of a birth or death certificate. The copy transmitted shall include the race of the father and mother if that information is contained on the State copy of the certificate of live birth. Copies transmitted may be on blanks furnished by the State Registrar or may be photocopies made in a manner approved by the register of deeds. The local registrar may also keep a copy of each certificate for no more than two years;

(6) On the fifth day of each month or more often, if requested, send to the State Registrar all original certificates registered during the preceding month; and

(7) Maintain records, make reports and perform other duties required by the State Registrar. (1913, c. 109, s. 18; 1915, c. 85, s. 2; c. 164, s. 2; C.S., s. 7109; Ex. Sess. 1920, c. 58, s. 1; 1931, c. 79; 1933, c. 9, s. 1; 1943, c. 673; 1949, c. 133; 1955, c. 951, ss. 20, 21; 1957, c. 1357, s. 1; 1963, c. 492, ss. 4, 8; 1969, c. 1031, s. 1; 1971, c. 444, s. 8; 1979, c. 95, s. 9; 1981, c. 554; 1983, c. 891, s. 2; 2003-60, s. 1.)

Effect of Amendments. — Session Laws 2003-60, s. 1, effective May 20, 2003, substituted "black, blue-black, or blue ink" for "black or blue black ink" in subdivision (3).

§ 130A-98. Pay of local registrars.

A local health department shall provide sufficient staff, funds and other resources necessary for the proper administration of the local vital records registration program. (1913, c. 109, s. 19; Ex. Sess. 1913, c. 15, s. 1; 1915, c. 85, s. 3; 1919, c. 210, s. 1; C.S., s 7110; Ex. Sess. 1920, c. 58, s. 2; 1949, c. 306; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1983, c. 891, s. 2.)

Local Modification to Former G.S. 130-65. — Moore: 1975, c. 422.

§ 130A-99. Register of deeds to preserve copies of birth and death records.

(a) The register of deeds of each county shall file and preserve the copies of birth and death certificates furnished by the local registrar under the provisions of G.S. 130A-97, and shall make and keep a proper index of the certificates. These certificates shall be open to inspection and examination. Copies or abstracts of these certificates shall be provided to any person upon request. Certified copies of these certificates shall be provided only to those persons described in G.S. 130A-93(c).

(b) The register of deeds may remove from the records and destroy copies of birth or death certificates for persons born or dying in counties other than the county in which the office of the register of deeds is located, only after confirming that copies of the birth or death certificates removed and destroyed are maintained by the State Registrar or North Carolina State Archives. (1957, c. 1357, s. 1; 1969, c. 80, s. 3; c. 1031, s. 1; 1983, c. 891, s. 2; 1997-309, s. 11.)

Editor's Note. — Session Laws 1997-309, s. 15, provides in part that the removal and destruction by a register of deeds of any out-of-county birth certificates prior to the effective date of that act is valid, and the register of deeds is not in violation of G.S. 121-5 or G.S. 132-3.

§ 130A-100. Register of deeds may perform notarial acts.

(a) The register of deeds is authorized to take acknowledgments, administer oaths and affirmations and to perform all other notarial acts necessary for the registration or issuance of certificates relating to births, deaths or marriages. The register of deeds shall be entitled to a fee as prescribed in G.S. 161-10.

(b) All acknowledgments taken, affirmations or oaths administered or other notarial acts performed by the register of deeds relating to the registration of certificates of births, deaths or marriages prior to June 16, 1959, are validated. (1945, c. 100; 1957, c. 1357, s. 1; 1959, c. 986; 1969, c. 80, s. 9; c. 1031, s. 1; 1983, c. 891, s. 2.)

§ 130A-101. Birth registration.

(a) A certificate of birth for each live birth, regardless of the gestation period, which occurs in this State shall be filed with the local registrar of the county in which the birth occurs within 10 days after the birth and shall be registered by the registrar if it has been completed and filed in accordance with this Article and the rules.

(b) When a birth occurs in a hospital or other medical facility, the person in charge of the facility shall obtain the personal data, prepare the certificate, secure the signatures required by the certificate and file it with the local registrar within five days after the birth. The physician or other person in attendance shall provide the medical information required by the certificate.

(c) When a birth occurs outside a hospital or other medical facility, the certificate shall be prepared and filed by one of the following in the indicated order of priority:

(1) The physician in attendance at or immediately after the birth, or in the absence of such a person;

(2) Any other person in attendance at or immediately after the birth, or in the absence of such a person;

(3) The father, the mother or, in the absence or inability of the father and the mother, the person in charge of the premises where the birth occurred.

(d) When a birth occurs on a moving conveyance and the child is first moved from the conveyance in this State, the birth shall be registered in the county where the child is first removed from the conveyance, and that place shall be considered the place of birth.

(e) If the mother was married at the time of either conception or birth, or between conception and birth, the name of the husband shall be entered on the certificate as the father of the child, unless paternity has been otherwise determined by a court of competent jurisdiction, in which case the name of the father as determined by the court shall be entered. The surname of the child shall be the same as that of the husband, except that upon agreement of the husband and mother, or upon agreement of the mother and father if paternity has been otherwise determined, any surname may be chosen.

(f) If the mother was unmarried at all times from date of conception through date of birth, the name of the father shall not be entered on the certificate unless the child's mother and father complete an affidavit acknowledging paternity which contains the following:

(1) A sworn statement by the mother consenting to the assertion of paternity by the father and declaring that the father is the child's natural father;

(2) A sworn statement by the father declaring that he believes he is the natural father of the child;

(3) Information explaining in plain language the effect of signing the affidavit, including a statement of parental rights and responsibilities and an acknowledgment of the receipt of this information; and

(4) The social security numbers of both parents.

The State Registrar, in consultation with the Child Support Enforcement Section of the Division of Social Services, shall develop and disseminate a form affidavit for use in compliance with this section, together with an information sheet that contains all the information required to be disclosed by subdivision (3) of this subsection.

Upon the execution of the affidavit, the declaring father shall be listed as the father on the birth certificate and shall be presumed to be the natural father of the child, subject to the declaring father's right to rescind under G.S. 110-132. The executed affidavit shall be filed with the registrar along with the birth certificate. A certified copy of the affidavit shall be admissible in any action to establish paternity. The surname of the child shall be determined by the mother, except if the father's name is entered on the certificate, the mother and father shall agree upon the child's surname. If there is no agreement, the child's surname shall be the same as that of the mother.

The execution and filing of this affidavit with the registrar does not affect rights of inheritance unless the affidavit is also filed with the clerk of court in accordance with G.S. 29-19(b)(2).

(g) Each parent shall provide his or her social security number to the person responsible for preparing and filing the certificate of birth. (1913, c. 109, s. 13; 1915, c. 85, s. 1; C.S., s. 7010; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1979, c. 95, s. 4; c. 417; 1983, c. 891, s. 2; 1989, c. 199, ss. 1, 2; 1989 (Reg. Sess., 1990), c. 1004, s. 6; 1993, c. 333, s. 1; 1995, c. 428, s. 1; 1997-433, s. 4.12; 1998-17, s. 1.)

CASE NOTES

As to the unconstitutionality of former G.S. 130-50(e) insofar as it precluded parents from recording the surnames of their choice on the birth certificates of their children, see O'Brien v. Tilson, 523 F. Supp. 494 (E.D.N.C. 1981).

Exclusion of Birth Certificate in Paternity Action Held Proper. — In paternity action, trial court did not err by excluding the child's birth certificate in which the name of the father was left blank. The absence of a named father on the birth certificate had little probative value and was misleading because under subsection (f) of this section the name of the father of an illegitimate child may not be entered on the child's birth certificate without the father's sworn consent. State v. McInnis, 102 N.C. App. 338, 401 S.E.2d 774, cert. denied, 329 N.C. 274, 407 S.E.2d 848 (1991).

Unilateral Petition for Name Change Disallowed After Birth Certificate Entry. — Where unmarried parents executed an Affidavit of Paternity and entered respondent's name on the birth certificate as the father, court held that there was no authority, statutory or decisional, permitting petitioner to unilaterally change the name of her son, born out of wedlock and not yet legitimated, absent the father's consent. In re Crawford, 134 N.C. App. 137, 517 S.E.2d 161 (1999), distinquishing In re Dunston, 18 N.C. App. 647, 197 S.E.2d 560 (1973).

Inquiry into Child's Best Interests Not Appropriate. — The fact that the General Assembly specifically required a "best interests of the child" inquiry in contexts such as termination of parental rights, child custody and placement, parental visitation rights, and even in the change in surname on a birth certificate following legitimization, yet failed to require such inquiry in connection with name changes under G.S. 101-2 and subsection (f) of this section, was taken as clear evidence of its intent that no such inquiry was required in these contexts. In re Crawford, 134 N.C. App. 137, 517 S.E.2d 161 (1999).

OPINIONS OF ATTORNEY GENERAL

Compliance with former G.S. 130-50(f) was not sufficient, standing alone, to establish paternity of an illegitimate child for the purpose of qualifying for Aid to Families with Dependent Children. See opinion of Attorney General to Dr. Sarah T. Morrow, Secretary, Dep't of Human Resources, 50 N.C.A.G. 5 (1980).

§ 130A-102. Contents of birth certificate.

The certificate of birth shall contain those items recommended by the federal agency responsible for national vital statistics, except as amended or changed by the State Registrar. Medical information contained in a birth certificate shall not be public records open to inspection. (1913, c. 109, s. 14; C.S., s. 7102; 1949, c. 161, s. 2; 1955, c. 951, s. 15; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1979, c. 95, s. 7; 1983, c. 891, s. 2.)

CASE NOTES

Change of Name of Illegitimate Child. — A third person having care of an illegitimate child can petition to have the name of the child changed with only the consent of the child's natural mother. Where the natural mother petitions to change the name of her illegitimate child, the consent of no other person is logically required, as no other person has any "rights" inherent in that child's name. In re Dunston, 18 N.C. App. 647, 197 S.E.2d 560 (1973), decided under former statutory provisions.

§ 130A-103. Registration of birth certificates more than five days and less than one year after birth.

Any birth may be registered more than five days and less than one year after birth in the same manner as births are registered under this Article within five days of birth. The registration shall have the effect as if the registration had occurred within five days of birth. The registration however, shall not relieve

any person of criminal liability for the failure to register the birth within five days of birth as required by G.S. 130A-101. (1941, c. 126; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1979, c. 95, s. 5; 1983, c. 891, s. 2.)

§ 130A-104. Registration of birth one year or more after birth.

(a) When the birth of a person born in this State has not been registered within one year after birth, a delayed certificate may be filed with the register of deeds in the county in which the birth occurred. An applicant for a delayed certificate must submit the minimum documentation prescribed by the State Registrar.

(b) A certificate of birth registered one year or more after the date of the birth shall be marked "delayed" and show the date of the delayed registration. A summary statement of evidence submitted in support of the delayed registration shall be endorsed on the certificate. The register of deeds shall forward the original and a duplicate to the State Registrar for final approval. If the certificate complies with the rules and has not been previously registered, the State Registrar shall file the original and return the duplicate to the register of deeds for recording.

(c) When an applicant does not submit the minimum documentation required or when the State Registrar finds reason to question the validity or adequacy of the certificate or documentary evidence, the State Registrar shall not register the delayed certificate and shall advise the applicant of the reasons for this action. If the deficiencies are not corrected, the applicant shall be advised of the right to an administrative hearing and of the availability of a judicial determination under G.S. 130A-106.

(d) Delayed certificates shall have the same evidentiary value as those registered within five days. (1941, c. 126; 1957, c. 1357, s. 1; 1969, c. 80, s. 8; c. 1031, s. 1; 1973, c. 476, s. 128; 1979, c. 95, s. 6; 1983, c. 891, s. 2.)

§ 130A-105. Validation of irregular registration of birth certificates.

The registration and filing with the State Registrar prior to April 1, 1941, of the birth certificate of a person whose birth was not registered within five days of birth is validated. All copies of birth certificates filed prior to April 9, 1941, properly certified by the State Registrar, shall have the same evidentiary value as those registered within five days. (1941, c. 126; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-106. Establishing fact of birth by persons without certificates.

(a) A person born in this State not having a recorded certificate of birth, may file a verified petition with the clerk of the superior court in the county of the petitioner's legal residence or place of birth, setting forth the date, place of birth and parentage, and petitioning the clerk to hear evidence, and to find and adjudge the date, place and parentage of the birth of the petitioner. Upon the filing of a petition, the clerk shall set a hearing date, and shall conduct the proceeding in the same manner as other special proceedings. At the time set for the hearing, the petitioner shall present evidence to establish the facts of birth. If the evidence offered satisfies the court, the court shall enter judgment establishing the date, place of birth and parentage of the petitioner, and record it in the record of special proceedings. The clerk shall certify the judgment to

the State Registrar who shall keep a record of the judgment. A copy shall be certified to the register of deeds of the county in which the petitioner was born.

(b) The clerk may charge a fee not to exceed two dollars ($2.00) for services provided under this section.

(c) The record of birth established under this section, when recorded, shall have the same evidentiary value as other records covered by this Article. (1941, c. 122; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-107. Establishing facts relating to a birth of unknown parentage; certificate of identification.

(a) A person of unknown parentage whose place and date of birth are unknown may file a verified petition with the clerk of the superior court in the county where the petitioner was abandoned. The petition shall set forth the facts concerning abandonment, the name, date and place of birth of petitioner and the names of any persons acting in loco parentis to the petitioner.

(b) The clerk shall find facts and, if there is insufficient evidence to establish the place of birth, it shall be conclusively presumed that the person was born in the county of abandonment. The clerk shall enter and record judgment in the record of special proceedings. The clerk shall certify the judgment to the State Registrar who shall keep a record of the judgment. A copy shall be certified to the register of deeds of the county of abandonment.

(c) A certificate of identification for a person of unknown parentage shall be filed by the clerk with the local registrar of vital statistics of the district in which the person was found.

(d) The clerk may charge a fee not to exceed two dollars ($2.00) for services provided under this section. (1959, c. 492; 1969, c. 1031, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-108. Certificate of identification for individual of foreign birth.

(a) In the case of an adopted individual born in a foreign country and residing in this State at the time of application, the State Registrar shall, upon the presentation of a certified copy of the original birth certificate from the country of birth and a certified copy of the final order of adoption signed by the clerk of court or other appropriate official, prepare a certificate of identification for the individual. The certificate shall contain the same information required by G.S. 48-9-107(a) for individuals adopted in this State, except that the country of birth shall be specified in lieu of the state of birth.

(b) In the case of an adopted individual born in a foreign country and readopted in this State, the State Registrar shall, upon receipt of a report of that adoption from the Division of Social Services pursuant to G.S. 48-9-102(f), prepare a certificate of identification for that individual. The certificate shall contain the same information required by G.S. 48-9-107(a) for individuals adopted in this State, except the country of birth shall be specified in lieu of the state of birth. (1949, c. 160, s. 2; 1955, c. 951, s. 16; 1957, c. 1357, s. 1; 1969, c. 1031, s. 1; 1983, c. 891, s. 2; 1995, c. 457, s. 8; 1997-215, s. 13; 2001-208, s. 13; 2001-487, s. 101.)

Editor's Note. — Session Laws 2001-487, s. 101, amended s. 29 of Session Laws 2001-208 to make the amendment to this section effective January 1, 2002, and applicable to actions pending or filed on or after that date.

The record shall include information required for the certificates of birth and death and the reports of spontaneous fetal death required by this Article. The record shall be made at the time of admission from information provided by the person being admitted or confined. When this information cannot be obtained from this person, it shall be obtained from relatives or other knowledgeable persons.

§ 130A-131.8. Reports of blood levels in children.

All laboratories doing business in this State shall report to the Department all blood lead test results for children less than six years of age and for individuals whose ages are unknown at the time of testing. Reports shall be made within five working days after test completion on forms provided by the Department or on self-generated forms containing: the child's full name, date of birth, sex, race, address, and Medicaid number, if any; the name, address, and telephone number of the requesting health care provider; the name, address, and telephone number of the testing laboratory; the laboratory

results, the specimen type — venous or capillary; the laboratory sample number, and the dates the sample was collected and analyzed. The reports may be made by electronic submissions. (1997-443, s. 15.30(b); 2003-150, s. 2.)

Effect of Amendments. — Session Laws 2003-150, s. 2, effective July 1, 2003, in the first sentence, substituted "all blood lead test results" for "blood lead levels of one microgram per deciliter or greater" and "six" for "6"; and in the last sentence, substituted "The reports" for "Such reports."

§ 130A-131.9. Examination and testing.

When the Department has a reasonable suspicion that a child less than six years of age has an elevated blood lead level or a confirmed lead poisoning, the Department may require that child to be examined and tested within 30 days. The Department shall require from the owner, managing agent, or tenant of the residential housing unit or child-occupied facility information on each child who resides in, regularly visits, or attends, or, who has within the past six months, resided in, regularly visited, or attended the unit or facility. The information required shall include each child's name and date of birth, the names and addresses of each child's parents, legal guardian, or full-time custodian. The owner, managing agent, or tenant shall submit the required information within 10 days of receipt of the request from the Department. (1997-443, s. 15.30(b); 2003-150, s. 3.)

§ 130A-131.9A. Investigation to identify lead poisoning hazards.

(a) When the Department learns of confirmed lead poisoning, the Department shall conduct an investigation to identify the lead poisoning hazards to children. The Department shall investigate the residential housing unit where the child with confirmed lead poisoning resides. The Department shall also investigate the supplemental addresses of the child who has confirmed lead poisoning.

(a1) When the Department learns of an elevated blood lead level, the Department shall, upon informed consent, investigate the residential housing unit where the child with the elevated blood level resides. When consent to investigate is denied, the child with the elevated blood lead level cannot be located, or the child's parent or guardian fails to respond, the Department shall document the denial of consent, inability to locate, or failure to respond.

(b) The Department shall also conduct an investigation when it reasonably suspects that a lead poisoning hazard to children exists in a residential housing unit or child-occupied facility occupied, regularly visited, or attended by a child less than six years of age.

(c) In conducting an investigation, the Department may take samples of surface materials, or other materials suspected of containing lead, for analysis and testing. If samples are taken, chemical determination of the lead content of the samples shall be by atomic absorption spectroscopy or equivalent methods approved by the Department. (1997-443, s. 15.30(b); 2003-150, s. 4.)

Effect of Amendments. — Session Laws 2003-150, s. 4, effective July 1, 2003, in subsection (a), deleted "a persistent elevated blood lead level or a" preceding "confirmed lead poisoning" in the first sentence, deleted "or child occupied facility" following "residential housing

unit," "persistent elevated blood lead level or the" following "the child with," and "regularly visits, or attends" following "confirmed lead poisoning" in the second sentence, and in the last sentence, deleted "a persistent elevated blood lead or a" preceding "confirmed lead poisoning; inserted subsection (a1); and in subsection (b), substituted "six years" for "6 years."

§ 130A-131.9B. Notification.

Upon determination that a lead poisoning hazard exists, the Department shall give written notice of the lead poisoning hazard to the owner or managing agent of the residential housing unit or child-occupied facility and to all persons residing in, attending, or regularly visiting the unit or facility. The written notice to the owner or managing agent shall include a list of possible methods of remediation. (1997-443, s. 15.30(b); 2003-150, s. 5.)

Effect of Amendments. — Session Laws 2003-150, s. 5, effective July 1, 2003, substituted "methods of remediation" for "methods of abatement of the lead-based paint hazards and of possible methods of remediation of any other lead poisoning hazard" in the last sentence.

§ 130A-131.9C. Remediation.

(a) Upon determination that a child less than six years of age has a confirmed lead poisoning of 20 micrograms per deciliter or greater and that child resides in a residential housing unit containing lead poisoning hazards, the Department shall require remediation of the lead poisoning hazards. The Department shall also require remediation of the lead poisoning hazards identified at the supplemental addresses of a child less than six years of age with a confirmed lead poisoning of 20 micrograms per deciliter or greater.

(b) When remediation of lead poisoning hazards is required under subsection (a) of this section, the owner or managing agent shall submit a written remediation plan to the Department within 14 days of receipt of the lead poisoning hazard notification and shall obtain written approval of the plan before initiating remediation activities. The remediation plan shall comply with subsections (g), (h), and (i) of this section.

(c) If the remediation plan submitted fails to meet the requirements of this section, the Department shall issue an order requiring submission of a modified plan. The order shall indicate the modifications that shall be made to the remediation plan and the date that the plan as modified shall be submitted to the Department.

(d) If the owner or managing agent does not submit a remediation plan within 14 days, the Department shall issue an order requiring submission of a remediation plan within five days of receipt of the order.

(e) The owner or managing agent shall notify the Department and the occupants of the dates of remediation activities at least three days before commencement of the activities.

(f) Remediation of the lead poisoning hazards shall be completed within 60 days of the Department's approval of the remediation plan. If the remediation activities are not completed within 60 days, the Department shall issue an order requiring completion of the activities. An owner or managing agent may apply to the Department for an extension of the deadline. The Department may issue an order extending the deadline for 30 days upon proper written application by the owner or managing agent.

(g) All of the following methods of remediation of lead-based paint hazards are prohibited:

(1) Stripping paint on-site with methylene chloride-based solutions.
(2) Torch or flame burning.
(3) Heating paint with a heat gun above 1,100 degrees Fahrenheit.
(4) Covering with new paint or wallpaper unless all readily accessible lead-based paint has been removed.

(5) Uncontrolled abrasive blasting, machine sanding, or grinding, except when used with High Efficiency Particulate Air (HEPA) exhaust control that removes particles of 0.3 microns or larger from the air at ninety-nine and seven-tenths percent (99.7%) or greater efficiency.
(6) Uncontrolled waterblasting.
(7) Dry scraping, unless used in conjunction with heat guns, or around electrical outlets, or when treating no more than two square feet on interior surfaces, or no more than 20 square feet on exterior surfaces.

(h) All lead-containing waste and residue shall be removed and disposed of in accordance with applicable federal, State, and local laws and rules. Other substances containing lead that are intended for use by children less than six years of age and vinyl miniblinds that constitute a lead poisoning hazard shall be removed and disposed of in accordance with applicable federal, State, and local laws and rules.

(i) All remediation plans shall require that the lead poisoning hazards be reduced to the following levels:
(1) Fewer than 40 micrograms per square foot for lead dust on floors.
(2) Fewer than 250 micrograms per square foot for lead dust on interior windowsills, bathtubs, kitchen sinks, and lavatories.
(3) Fewer than 400 micrograms per square foot for lead dust on window troughs.
(4) Fewer than 400 parts per million for lead in bare soil in play areas, gardens, pet sleeping areas, and areas within three feet of the residential housing unit or child-occupied facility. Lead in bare soil in other locations of the yard shall be reduced to less than 1,200 parts per million.
(5) Fewer than 15 parts per billion for lead in drinking water.

(j) The Department shall verify by visual inspection that the approved remediation plan has been completed. The Department may also verify plan completion by residual lead dust monitoring and soil or drinking water lead level measurement.

(j1) Compliance with the maintenance standard satisfies the remediation requirements for confirmed lead poisoning cases identified on or after 1 October 1990 as long as all lead poisoning hazards identified on interior and exterior surfaces are addressed by remediation. Except for owner-occupied residential housing units, continued compliance shall be verified by means of an annual monitoring inspection conducted by the Department. For owner-occupied residential housing units, continued compliance shall be verified (i) by means of an annual monitoring inspection, (ii) by documentation that no child less than six years of age has resided in or regularly visited the residential housing unit within the past year, or (iii) by documentation that no child less than six years of age residing in or regularly visiting the unit has an elevated blood lead level.

(k) Removal of children from the residential housing unit or child-occupied facility shall not constitute remediation if the property continues to be used for a residential housing unit or child-occupied facility. The remediation requirements imposed in subsection (a) of this section apply so long as the property continues to be used as a residential housing unit or child-occupied facility. (1997-443, s. 15.30(b); 1998-209, s. 3; 2003-150, s. 6.)

Effect of Amendments. — Session Laws 2003-150, s. 6, effective July 1, 2003, rewrote the section.

§ 130A-131.9D. Effect of compliance with maintenance standard.

Any owner of a residential housing unit constructed prior to 1978 who is sued by a current or former occupant seeking damages for injuries allegedly arising from exposure to lead-based paint or lead-contaminated dust, shall not be deemed liable (i) for any injuries sustained by that occupant after the owner first complied with the maintenance standard defined under G.S. 130A-131.7 provided the owner has repeated the steps provided for in the maintenance standard annually for units in which children of less than six years of age have resided or regularly visited within the past year and obtained a certificate of compliance under G.S. 130A-131.9E annually during such occupancy; or (ii) if the owner is able to show by other documentation that compliance with the maintenance standard has been maintained during the period when the injuries were sustained; or (iii) if the owner is able to show that the unit was lead-safe housing containing no lead-based paint hazards during the period when the injuries were sustained. (1997-443, s. 15.30(b); 1998-209, s. 4.)

§ 130A-131.9E. Certificate of evidence of compliance.

An owner of a unit who has complied with the maintenance standard may apply annually to the Department for a certificate of compliance. Upon presentation of acceptable proof of compliance, the Department shall provide to the owner a certificate evidencing compliance. The Department may issue a certificate based solely on information provided by the owner and may revoke the certificate upon showing that any of the information is erroneous or inadequate, or upon finding that the unit is no longer in compliance with the maintenance standard. (1997-443, s. 15.30(b).)

§ 130A-131.9F. Discrimination in financing.

(a) No bank or financial institution in the business of lending money for the purchase, sale, construction, rehabilitation, improvement, or refinancing of real property of the lending of money secured by an interest in real property may refuse to make such loans merely because of the presence of lead-based paint on the residential real property or in the residential housing unit provided that the owner is in compliance with the maintenance standard and has obtained a certificate of compliance under G.S. 130A-131.9E annually.

(b) Nothing in this section shall (i) require a financial institution to extend a loan or otherwise provide financial assistance if it is clearly evident that health-related issues, other than those related to lead-based paint, made occupancy of the housing accommodation an imminent threat to the health or safety of the occupant, or (ii) be construed to preclude a financial institution from considering the fair market value of the property which will secure the proposed loan.

(c) Failure to meet the maintenance standard shall not be deemed a default under existing mortgages. (1997-443, s. 15.30(b).)

§ 130A-131.9G. Resident responsibilities.

In any residential housing unit occupied by a child less than six years of age who has an elevated blood lead level of 10 micrograms per deciliter or greater, the Department shall advise, in writing, the owner or managing agent and the child's parents or legal guardian of the importance of carrying out routine cleaning activities in the units they occupy, own, or manage. The cleaning activities shall include all of the following:

(1) Wiping clean all windowsills with a damp cloth or sponge at least weekly.
(2) Regularly washing all surfaces accessible to children.
(3) In the case of a leased residential housing unit, identifying any deteriorated paint in the unit and notifying the owner or managing agent of the conditions within 72 hours of discovery.
(4) Identifying and understanding potential lead poisoning hazards in the environment of each child less than six years of age in the unit (including toys, vinyl miniblinds, playground equipment, drinking water, soil, and painted surfaces), and taking steps to prevent children from ingesting lead such as encouraging children to wash their faces and hands frequently and especially after playing outdoors. (1997-443, s. 15.30(b); 2003-150, s. 7.)

Effect of Amendments. — Session Laws 2003-150, s. 7, effective July 1, 2003, in the introductory paragraph, substituted "six years of age" for "6 years old," and substituted "of" for "as to" in the first sentence, and substituted "The" for "Such" and added "all of the following" in the second sentence; in subdivision (3), substituted "the" for "such"; in subdivision (4), substituted "less than six years of age" for "under the age of 6"; and made minor stylistic and punctuation changes.

§ 130A-131.9H. Application fees for certificates of compliance.

The Department shall collect an application fee of ten dollars ($10.00) for each certificate of compliance. Fee receipts shall be used to support the program that is developed to implement this Part. Fee receipts also may be used to provide for relocation and medical expenses incurred by children with confirmed lead poisoning. (1998-209, s. 5.)

Part 5. Disposition of Remains of Terminated Pregnancies.

§ 130A-131.10. Manner of disposition of remains of pregnancies.

(a) The Commission for Health Services shall adopt rules to ensure that all facilities authorized to terminate pregnancies, and all medical or research laboratories or facilities to which the remains of terminated pregnancies are sent by facilities authorized to terminate pregnancies, shall dispose of the remains in a manner limited to burial, cremation, or, except as prohibited by subsection (b) of this section, approved hospital type of incineration.

(b) A hospital or other medical facility or a medical or research laboratory or facility shall dispose of the remains of a recognizable fetus only by burial or cremation. The Commission shall adopt rules to implement this subsection.

(c) A hospital or other medical facility is relieved from the obligation to dispose of the remains in accordance with subsections (a) and (b) of this section if it sends the remains to a medical or research laboratory or facility.

(d) This section does not impose liability on a permitted medical waste treatment facility for a hospital's or other medical facility's violation of this section nor does it impose any additional duty on the treatment facility to inspect waste received from the hospital or medical facility to determine compliance with this section. (1989, c. 85; 1997-517, s. 4.)

Grants shall be awarded on an annual basis.

(d) Initiatives shall be funded on a four-year funding cycle. The Department may end funding prior to the end of the four-year period if programmatic requirements and performance standards are not met. At the end of four years of funding, a local initiative shall be eligible to reapply for funding.

(a) The Birth Defects Monitoring Program is established within the State Center for Health and Environmental Statistics. The Birth Defects Monitoring Program shall compile, tabulate, and publish information related to the incidence and prevention of birth defects.

(b) As used in this Part, unless the context clearly requires otherwise, the term:

(1) "Birth defect" means any physical, functional, or chemical abnormality present at birth that is of possible genetic or prenatal origin.

(2) "Program" means the Birth Defects Monitoring Program established under this Part.

(c) Physicians and persons in charge of licensed medical facilities shall, upon request, permit staff of the Program to examine, review, and obtain a copy of any medical record in their possession or under their control that pertains to a diagnosed or suspected birth defect, including the records of the mother.

(d) A physician or person in charge of a licensed medical facility who permits examination, review, or copying of medical records pursuant to this section shall be immune from civil or criminal liability that might otherwise be incurred or imposed for providing access to these medical records based upon invasion of privacy or breach of physician-patient confidentiality. (1995, c. 268, s. 1.)

§ 130A-131.17. Confidentiality of information; research.

(a) All information collected and analyzed by the Program pursuant to this Part shall be confidential insofar as the identity of the individual patient is concerned. This information shall not be considered public record open to inspection. Access to the information shall be limited to Program staff authorized by the Director of the State Center for Health and Environmental Statistics. The Commission shall declare confirmed HIV infection to be a reportable communicable condition. (1893, c. 214, s. 11; Rev., s. 3448; 1917, c. 263, s. 7; C.S., s. 7151; 1921, c. 223, s. 1; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1987, c. 782, s. 5; 1989, c. 698, s. 3.)

OPINIONS OF ATTORNEY GENERAL

Public Law 93-380 was inapplicable to reporting under former G.S. 130-81 by a college or university physician. See opinion of Attorney General to Mr. Rodney Hobbs, Division of Health Services, N.C. Department of Human Resources, 44 N.C.A.G. 163 (1974).

§ 130A-136. School principals and child care operators to report.

A principal of a school and an operator of a child care facility, as defined in G.S. 110-86(3), who has reason to suspect that a person within the school or child care facility has a communicable disease or communicable condition declared by the Commission to be reported, shall report information required by the Commission to the local health director of the county or district in which the school or facility is located. (1979, c. 192, s. 2; 1983, c. 891, s. 2; 1987, c. 782, s. 6; 1997-506, s. 46.)

§ 130A-137. Medical facilities may report.

A medical facility, in which there is a patient reasonably suspected of having a communicable disease or condition declared by the Commission to be reported, may report information specified by the Commission to the local health director of the county or district in which the facility is located. (1983, c. 891, s. 2; 1987, c. 782, s. 7.)

§ 130A-138. Operators of restaurants and other food or drink establishments to report.

An operator of a restaurant or other establishment where food or drink is prepared or served for pay, as defined in G.S. 130A-247(4) and (5), shall report information required by the Commission to the local health director of the county or district in which the restaurant or food establishment is located when the operator has reason to suspect an outbreak of food-borne illness in its customers or employees or when it has reason to suspect that a food handler at the establishment has a food-borne disease or food-borne condition required by the Commission to be reported. (1917, c. 263, s. 9; C.S., s. 7153; 1921, c. 223, s. 3; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1979, c. 192, s. 3; 1983, c. 891, s. 2; 1987, c. 782, s. 8.)

§ 130A-139. Persons in charge of laboratories to report.

A person in charge of a laboratory providing diagnostic service in this State shall report information required by the Commission to a public health agency specified by the Commission when the laboratory makes any of the following findings:

(1) Sputa, gastric contents, or other specimens which are smear positive for acid fast bacilli or culture positive for Mycobacterium tuberculosis;
(2) Urethral smears positive for Gram-negative intracellular diplococci or any culture positive for Neisseria gonorrhoeae;
(3) Positive serological tests for syphilis or positive darkfield examination;
(4) Any other positive test indicative of a communicable disease or communicable condition for which laboratory reporting is required by the Commission. (1981, c. 81, s. 1; 1983, c. 891, s. 2; 1987, c. 782, s. 9; 2001-28, s. 1.)

§ 130A-140. Local health directors to report.

A local health director shall report to the Department all cases of diseases or conditions or laboratory findings of residents of the jurisdiction of the local health department which are reported to the local health director pursuant to this Article. A local health director shall report all other cases and laboratory findings reported pursuant to this Article to the local health director of the county, district, or authority where the person with the reportable disease or condition or laboratory finding resides. (1919, c. 206, s. 2; C.S., s. 7192; 1957, c. 1357, s. 1; 1961, c. 753; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1987, c. 782, s. 10; 1997-502, s. 10.)

§ 130A-141. Form, content and timing of reports.

The Commission shall adopt rules which establish the specific information to be submitted when making a report required by this Article, time limits for reporting, the form of the reports and to whom reports of laboratory findings are to be made. (1983, c. 891, s. 2; 1987, c. 782, s. 11.)

§ 130A-142. Immunity of persons who report.

A person who makes a report pursuant to the provisions of this Article shall be immune from any civil or criminal liability that might otherwise be incurred or imposed as a result of making that report. (1983, c. 891, s. 2; 1987, c. 782, s. 12.)

§ 130A-143. Confidentiality of records.

All information and records, whether publicly or privately maintained, that identify a person who has AIDS virus infection or who has or may have a disease or condition required to be reported pursuant to the provisions of this Article shall be strictly confidential. This information shall not be released or made public except under the following circumstances:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified;

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardian;

(3) Release is made to health care personnel providing medical care to the patient;

(4) Release is necessary to protect the public health and is made as provided by the Commission in its rules regarding control measures for communicable diseases and conditions;

(5) Release is made pursuant to other provisions of this Article;

(6) Release is made pursuant to subpoena or court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties and those engaged in the trial of the case;

(7) Release is made by the Department or a local health department to a court or a law enforcement official for the purpose of enforcing this Article or Article 22 of this Chapter, or investigating a terrorist incident using nuclear, biological, or chemical agents. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to enforce this Article or Article 22 of this Chapter, or when necessary to conduct an investigation of a terrorist incident using nuclear, biological, or chemical agents, or (ii) when the Department or a local health department seeks the assistance of the law enforcement official in preventing or controlling the spread of the disease or condition and expressly authorizes the disclosure as necessary for that purpose;

(8) Release is made by the Department or a local health department to another federal, state or local public health agency for the purpose of preventing or controlling the spread of a communicable disease or communicable condition;

(9) Release is made by the Department for bona fide research purposes. The Commission shall adopt rules providing for the use of the information for research purposes;

(10) Release is made pursuant to G.S. 130A-144(b); or

(11) Release is made pursuant to any other provisions of law that specifically authorize or require the release of information or records related to AIDS. (1983, c. 891, s. 2; 1987, c. 782, s. 13; 2002-179, s. 7.)

Effect of Amendments. — Session Laws 2002-179, s. 7, effective October 1, 2002, made a minor punctuation change in subdivision (6); rewrote subdivision (7); and inserted "federal" preceding "state or local" in subdivision (8).

CASE NOTES

Hospital Policy of Identifying Potentially Infectious Patients. — Although this section does not mandate release of information that a person has the AIDS virus infection to health care providers, a doctor was bound by hospital policy of identifying patients as being potentially infectious and that policy is consistent with this section; therefore, the hospital's actions in disciplining the doctor for his failure to comply with the policy was not a wrongful, arbitrary, or capricious act. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

Confidential HIV Testing Permissible. — As the statutory security provisions are adequate to protect against potential unlawful disclosure, the elimination of anonymous HIV testing in favor of confidential testing did not violate plaintiff's constitutional privacy rights. Act-Up Triangle v. Commission for Health Servs., 345 N.C. 699, 483 S.E.2d 388 (1997).

§ 130A-144. Investigation and control measures.

(a) The local health director shall investigate, as required by the Commission, cases of communicable diseases and communicable conditions reported to the local health director pursuant to this Article.

(b) Physicians and persons in charge of medical facilities or laboratories shall, upon request and proper identification, permit a local health director or the State Health Director to examine, review, and obtain a copy of medical records in their possession or under their control which pertain to the diagnosis, treatment, or prevention of a communicable disease or communicable condition for a person infected, exposed, or reasonably suspected of being infected or exposed to such a disease or condition.

(c) A physician or a person in charge of a medical facility or laboratory who permits examination, review or copying of medical records pursuant to subsection (b) shall be immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with a request made pursuant to subsection (b).

(d) The attending physician shall give control measures prescribed by the Commission to a patient with a communicable disease or communicable condition and to patients reasonably suspected of being infected or exposed to such a disease or condition. The physician shall also give control measures to other individuals as required by rules adopted by the Commission.

(e) The local health director shall ensure that control measures prescribed by the Commission have been given to prevent the spread of all reportable communicable diseases or communicable conditions and any other communicable disease or communicable condition that represents a significant threat to the public health. The local health department shall provide, at no cost to the patient, the examination and treatment for tuberculosis disease and infection and for sexually transmitted diseases designated by the Commission.

(f) All persons shall comply with control measures, including submission to examinations and tests, prescribed by the Commission subject to the limitations of G.S. 130A-148.

(g) The Commission shall adopt rules that prescribe control measures for communicable diseases and conditions subject to the limitations of G.S. 130A-148. Temporary rules prescribing control measures for communicable diseases and conditions shall be adopted pursuant to G.S. 150B-13.

(h) Anyone who assists in an inquiry or investigation conducted by the State Health Director for the purpose of evaluating the risk of transmission of HIV or Hepatitis B from an infected health care worker to patients, or who serves on an expert panel established by the State Health Director for that purpose, shall be immune from civil liability that otherwise might be incurred or imposed for any acts or omissions which result from such assistance or service, provided that the person acts in good faith and the acts or omissions do not

amount to gross negligence, willful or wanton misconduct, or intentional wrongdoing. This qualified immunity does not apply to acts or omissions which occur with respect to the operation of a motor vehicle. Nothing in this subsection provides immunity from liability for a violation of G.S. 130A-143. (1893, c. 214, s. 16; Rev., s. 4459; 1909, c. 793, s. 8; C.S., s. 7158; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1987, c. 782, s. 14; 1991, c. 225, s. 1; 1995, c. 228, s. 1; 2001-28, s. 2.)

Editor's Note. — G.S. 150B-13, referred to in this section, was repealed by Session Laws 1991, c. 418, s. 5. As to rule making, see now G.S. 150B-18 et seq.

§ 130A-145. Quarantine and isolation authority.

(a) The State Health Director and a local health director are empowered to exercise quarantine and isolation authority. Quarantine and isolation authority shall be exercised only when and so long as the public health is endangered, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists.

(b) No person other than a person authorized by the State Health Director or local health director shall enter quarantine or isolation premises. Nothing in this subsection shall be construed to restrict the access of authorized health care, law enforcement, or emergency medical services personnel to quarantine or isolation premises as necessary in conducting their duties.

(c) Before applying quarantine or isolation authority to livestock or poultry for the purpose of preventing the direct or indirect conveyance of an infectious agent to persons, the State Health Director or a local health director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

(d) When quarantine or isolation limits the freedom of movement of a person or animal or of access to a person or animal whose freedom of movement is limited, the period of limited freedom of movement or access shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute in superior court in Wake County or in the county in which the limitation is imposed an action to review that limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of that request, excluding Saturdays and Sundays. The person substantially affected by that limitation is entitled to be represented by counsel of the person's own choice or if the person is indigent, the person shall be represented by counsel appointed in accordance with Article 36 of Chapter 7A of the General Statutes and the rules adopted by the Office of Indigent Defense Services. The court shall reduce the limitation if it determines, by the preponderance of the evidence, that the limitation is not reasonably necessary to prevent or limit the conveyance of a communicable disease or condition to others.

If the State Health Director or the local health director determines that a 10-calendar-day limitation on freedom of movement or access is not adequate to protect the public health, the State Health Director or local health director must institute in superior court in the county in which the limitation is imposed an action to obtain an order extending the period of limitation of freedom of movement or access. If the person substantially affected by the limitation has already instituted an action in superior court in Wake County, the State Health Director must institute the action in superior court in Wake County. The court shall continue the limitation for a period not to exceed 30 days if it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of a communicable disease or condition to others. Before the expiration of an order issued under

this section, the State Health Director or local health director may move to continue the order for additional periods not to exceed 30 days each. (1957, c. 1357, s. 1; 1983, c. 891, s. 2; 1987, c. 782, s. 15; 2002-179, s. 5.)

§ 130A-146. Transportation of bodies of persons who have died of reportable diseases.

No person shall transport in this State the remains of any person who has died of a disease declared by the Commission to be reported until the body has been encased in a manner as prescribed by rule by the Commission. Only persons who have complied with the rules of the Commission concerning the removal of dead bodies shall be issued a burial-transit permit. (1893, c. 214, s. 16; Rev., s. 4459; C.S., s. 7161; 1953, c. 675, s. 16; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

For the protection of the public health, the Commission is authorized to adopt rules for the detection, control and prevention of communicable diseases. (1983, c. 891, s. 2.)

CASE NOTES

Validity of Vaccination Regulations. — Regulations and provisions for the vaccination of the inhabitants, and their enforcement by penalties, constitute a valid exercise of governmental police power for the public welfare, health and safety. State v. Hay, 126 N.C. 999, 35 S.E. 459 (1900), decided under former statutory provisions.

§ 130A-148. Laboratory tests for AIDS virus infection.

(a) For the protection of the public health, the Commission shall adopt rules establishing standards for the certification of laboratories to perform tests for Acquired Immune Deficiency Syndrome (AIDS) virus infection. The rules shall address, but not be limited to, proficiency testing, record maintenance, adequate staffing and confirmatory testing. Tests for AIDS virus infection shall be performed only by laboratories certified pursuant to this subsection and only on specimens submitted by a physician licensed to practice medicine. This subsection shall not apply to testing performed solely for research purposes under the approval of an institutional review board.

(b) Prior to obtaining consent for donation of blood, semen, tissue or organs, a facility or institution seeking to obtain blood, tissue, semen or organs for transfusion, implantation, transplantation or administration shall provide the potential donor with information about AIDS virus transmission, and information about who should not donate.

(c) No blood or semen may be transfused or administered when blood from the donor has not been tested or has tested positive for AIDS virus infection by a standard laboratory test.

(d) No tissue or organs may be transplanted or implanted when blood from the donor has not been tested or has tested positive for AIDS virus infection by a standard laboratory test unless consent is obtained from the recipient, or from the recipient's guardian or a responsible adult relative of the recipient if the recipient is not competent to give such consent.

(e) Any facility or institution that obtains or tranfuses, implants, transplants, or administers blood, tissue, semen, or organs shall be immune from civil or criminal liability that otherwise might be incurred or imposed for transmission of AIDS virus infection if the provisions specified in subsections (b), (c), and (d) of this section have been complied with.

(f) Specimens may be tested for AIDS virus infection for research or epidemiologic purposes without consent of the person from whom the specimen is obtained if all personal identifying information is removed from the specimen prior to testing.

(g) Persons tested for AIDS virus infection shall be notified of test results and counseled appropriately. This subsection shall not apply to tests performed by or for entities governed by Article 39 of Chapter 58 of the General Statutes, the Insurance Information and Privacy Protection Act, provided that said entities comply with the notice requirements thereof.

(h) The Commission may authorize or require laboratory tests for AIDS virus infection when necessary to protect the public health.

A test for AIDS virus infection may also be performed upon any person solely by order of a physician licensed to practice medicine in North Carolina who is rendering medical services to that person when, in the reasonable medical judgment of the physician, the test is necessary for the appropriate treatment of the person; however, the person shall be informed that a test for AIDS virus infection is to be conducted, and shall be given clear opportunity to refuse to submit to the test prior to it being conducted, and further if informed consent is not obtained, the test may not be performed. A physician may order a test for AIDS virus infection without the informed consent of the person tested if the person is incapable of providing or incompetent to provide such consent, others authorized to give consent for the person are not available, and testing is necessary for appropriate diagnosis or care of the person.

An unemancipated minor may be tested for AIDS virus infection without the consent of the parent or legal guardian of the minor when the parent or guardian has refused to consent to such testing and there is reasonable suspicion that the minor has AIDS virus or HIV infection or that the child has been sexually abused.

(i) Except as provided in this section, no test for AIDS virus infection shall be required, performed or used to determine suitability for continued employment, housing or public services, or for the use of places of public accommodation as defined in G.S. 168A-3(8), or public transportation.

Further it shall be unlawful to discriminate against any person having AIDS virus or HIV infection on account of that infection in determining suitability for continued employment, housing, or public services, or for the use of places of public accommodation, as defined in G.S. 168A-3(8), or public transportation.

Any person aggrieved by an act or discriminatory practice prohibited by this subsection relating to housing shall be entitled to institute a civil action pursuant to G.S. 41A-7 of the State Fair Housing Act. Any person aggrieved by an act or discriminatory practice prohibited by this subsection other than one relating to housing may bring a civil action to enforce rights granted or protected by this subsection.

The action shall be commenced in superior court in the county where the alleged discriminatory practice or prohibited conduct occurred or where the plaintiff or defendant resides. Such action shall be tried to the court without a jury. Any relief granted by the court shall be limited to declaratory and injunctive relief, including orders to hire or reinstate an aggrieved person or admit such person to a labor organization.

In a civil action brought to enforce provisions of this subsection relating to employment, the court may award back pay. Any such back pay liability shall not accrue from a date more than two years prior to the filing of an action under this subsection. Interim earnings or amounts earnable with reasonable diligence by the aggrieved person shall operate to reduce the back pay otherwise allowable. In any civil action brought under this subsection, the court, in its discretion, may award reasonable attorney's fees to the substantially prevailing party as a part of costs.

A civil action brought pursuant to this subsection shall be commenced within 180 days after the date on which the aggrieved person became aware or, with reasonable diligence, should have become aware of the alleged discriminatory practice or prohibited conduct.

Nothing in this section shall be construed so as to prohibit an employer from:

(1) Requiring a test for AIDS virus infection for job applicants in preemployment medical examinations required by the employer;

(2) Denying employment to a job applicant based solely on a confirmed positive test for AIDS virus infection;

(3) Including a test for AIDS virus infection performed in the course of an annual medical examination routinely required of all employees by the employer; or

(4) Taking the appropriate employment action, including reassignment or termination of employment, if the continuation by the employee who has AIDS virus or HIV infection of his work tasks would pose a significant risk to the health of the employee, coworkers, or the public, or if the employee is unable to perform the normally assigned duties of the job.

(j) It shall not be unlawful for a licensed health care provider or facility to:

(1) Treat a person who has AIDS virus or HIV infection differently from persons who do not have that infection when such treatment is appropriate to protect the health care provider or employees of the provider or employees of the facility while providing appropriate care for the person who has the AIDS virus or HIV infection; or

(2) Refer a person who has AIDS virus or HIV infection to another licensed health care provider or facility when such referral is for the purpose of providing more appropriate treatment for the person with AIDS virus or HIV infection. (1987, c. 782, s. 16; 1989, c. 698, s. 1; 1991, c. 720, s. 78.)

Part 2. Immunization.

§ 130A-152. Immunization required.

(a) Every child present in this State shall be immunized against diphtheria, tetanus, whooping cough, poliomyelitis, red measles (rubeola) and rubella. In addition, every child present in this State shall be immunized against any other disease upon a determination by the Commission that the immunization is in the interest of the public health. Every parent, guardian, person in loco parentis and person or agency, whether governmental or private, with legal custody of a child shall have the responsibility to ensure that the child has received the required immunization at the age required by the Commission. If a child has not received the required immunizations by the specified age, the responsible person shall obtain the required immunization for the child as soon as possible after the lack of the required immunization is determined.

(b) Repealed by Session Laws 2002-179, s. 10, effective October 1, 2002.

(c) The Commission shall adopt and the Department shall enforce rules concerning the implementation of the immunization program. The rules shall provide for:

(1) The child's age at administration of each vaccine;
(2) The number of doses of each vaccine;
(3) Exemptions from the immunization requirements where medical practice suggests that immunization would not be in the best health interests of a specific category of children;
(4) The procedures and practices for administering the vaccine; and
(5) Redistribution of vaccines provided to local health departments.

(c1) The Commission for Health Services shall, pursuant to G.S. 130A-152 and G.S. 130A-433, adopt rules establishing reasonable fees for the administration of vaccines and rules limiting the requirements that can be placed on children, their parents, guardians, or custodians as a condition for receiving vaccines provided by the State. These rules shall become effective January 1, 1994.

(d) Only vaccine preparations which meet the standards of the United States Food and Drug Administration or its successor in licensing vaccines and are approved for use by the Commission may be used.

(e) When the Commission requires immunization against a disease not listed in paragraph (a) of this section, or requires an additional dose of a vaccine, the Commission is authorized to exempt from the new requirement children who are or who have been enrolled in school (K-12) on or before the effective date of the new requirement. (a) The required immunization may be obtained from a physician licensed to practice medicine or from a local health department. Local health departments shall administer required and State-supplied immunizations at no cost to the patient. The Department shall provide the vaccines for use by the local health departments. A local health department may redistribute these vaccines only in accordance with the rules of the Commission.

In addition, an insurance institution, agent, or insurance support organization, as those terms are defined in G.S. 58-39-15, may share immunization information with the Department. The Commission may, for the purpose of assisting the Department in enforcing this Part, provide by rule that other persons may have access to immunization information, in whole or in part.

(d) A physician or local health department may immunize a minor with the consent of a parent, guardian, or person standing in loco parentis to the minor. The parent, guardian, or responsible person must present a certificate of immunization on the child's first day of attendance to the principal of the school or operator of the facility, as defined in G.S. 110-86(7). If a certificate of immunization is not presented on the first day, the principal or operator shall present a notice of deficiency to the parent, guardian or responsible person. The parent, guardian or responsible person shall have 30 calendar days from the first day of attendance to obtain the required immunization for the child. If the administration of vaccine in a series of doses given at medically approved intervals requires a period in excess of 30 calendar days, additional days upon certification by a physician may be allowed to obtain the required immunization. Upon termination of 30 calendar days or the extended period, the principal or operator shall not permit the child to attend the school or facility unless the required immunization has been obtained.

(b) The school or child care facility shall maintain on file immunization records for all children attending the school or facility which contain the information required for a certificate of immunization as specified in G.S. 130A-154. These certificates shall be open to inspection by the Department and the local health department during normal business hours. When a child transfers to another school or facility, the school or facility which the child previously attended shall, upon request, send a copy of the child's immunization record at no charge to the school or facility to which the child has transferred.

(c) Within 60 calendar days after the commencement of a new school year, the school shall file an immunization report with the Department. The child care facility shall file an immunization report annually with the Department. § 130A-155.1. Submission of certificate to college or universities.

(a) Except as otherwise provided in this subsection, no person shall attend a college or university, whether public, private, or religious, unless a certificate of immunization or a record of immunization from a high school located in North Carolina indicating that the person has received immunizations required by G.S. 130A-152 is presented to the college or university. This section shall not apply to educational institutions established under Chapter 115D of the General Statutes, or to students registering only in off-campus courses, or to students attending night or weekend classes only, or to students taking a course load of four credit hours or less and residing off campus. The person shall present a certificate or record of immunization on or before the date the person first registers for a quarter or semester during which the student will reside on the campus or first registers for more than four credit hours to the registrar of the college or university. If a certificate or record of immunization is not in the possession of the college or university on the date of first registration, the college or university shall present a notice of deficiency to the person. The person shall have 30 calendar days from the date of the person's first registration to obtain the required immunization. If immunization requires a series of doses and the period necessary to give the vaccine at standard intervals extends beyond the date of the first registration, the student shall be allowed to attend the college or university upon written certification by a physician that the standard series is in progress. The physician shall state the time period needed to complete the series. Upon termination of this time period, the college or university shall not permit the person to continue in attendance unless the required immunization has been obtained.

(b) The college or university shall maintain on file immunization records for all persons attending the school which contain the information required for a certificate of immunization as specified in G.S. 130A-154. These certificates shall be open to inspection by the Department and the local health department during normal business hours. When a person transfers to another college or university, the college or university which the person previously attended shall, upon request, send a copy of the person's immunization record at no charge to the college or university to which the person has transferred.

(c) Within 60 calendar days after the commencement of a new school year, the college or university shall file an immunization report with the Department. The report shall be filed on forms prepared by the Department and shall state the number of persons attending the school or facility, the number of persons who had not obtained the required immunization within 30 days of their first attendance, the number of persons who received a medical exemption and the number of persons who received a religious exemption.

(d) Repealed by Session Laws 1999-110, s. 5, effective May 28, 1999. (1985, c. 692, s. 1; 1987, c. 782, s. 17; 1991, c. 381, s. 1; 1999-110, s. 5.)

§ 130A-156. Medical exemption.

The Commission for Health Services shall adopt by rule medical contraindications to immunizations required by G.S. 130A-152. If a physician licensed to practice medicine in this State certifies that a required immunization is or may be detrimental to a person's health due to the presence of one of the contraindications adopted by the Commission, the person is not required to receive the specified immunization as long as the contraindication persists. The State Health Director may, upon request by a physician licensed to practice medicine in this State, grant a medical exemption to a required immunization for a contraindication not on the list adopted by the Commission. (1957, c. 1357, s. 1; 1959, c. 177; 1965, c. 652; 1971, c. 191; 1979, c. 56, s. 1; 1983, c. 891, s. 2; 1987, c. 782, s. 18; 1989, c. 122; 1999-110, s. 6.)

§ 130A-157. Religious exemption.

If the bona fide religious beliefs of an adult or the parent, guardian or person in loco parentis of a child are contrary to the immunization requirements contained in this Chapter, the adult or the child shall be exempt from the requirements. If the animal is wearing an owner identification tag, or if the Animal Control Officer otherwise knows who the owner is, the Animal Control Officer shall notify the owner in writing to have the animal vaccinated against rabies and to produce the required rabies vaccination certificate to the Animal Control Officer within three days of the notification. If the animal is not wearing an owner identification tag and the Animal Control Officer does not otherwise know who the owner is, the Animal Control Officer may impound the animal. The duration of the impoundment of these animals shall be established by the county board of commissioners, but the duration shall not be less than 72 hours. During the impoundment period, the Animal Control Officer shall make a reasonable effort to locate the owner of the animal. If the animal is not reclaimed by its owner during the impoundment period, the animal shall be disposed of in one of the following manners: returned to the owner; adopted as a pet by a new owner; sold to institutions within this State registered by the United States Department of Agriculture pursuant to the Federal Animal Welfare Act, as amended; or put to death by a procedure approved by the American Veterinary Medical Association, the Humane Society of the United States or of the American Humane Association. (a) A dog or cat brought into this State shall immediately be securely confined and shall be vaccinated against rabies within one week after entry. The animal shall remain confined for two weeks after vaccination.

(b) The provisions of subsection (a) shall not apply to:

(1) A dog or cat brought into this State for exhibition purposes if the animal is confined and not permitted to run at large; or

(2) A dog or cat brought into this State accompanied by a certificate issued by a licensed veterinarian showing that the dog or cat is apparently free from and has not been exposed to rabies and that the dog or cat has received rabies vaccine within the past year. (1935, c. 122, s. 11; 1983, c. 891, s. 2.)

§ 130A-194. Quarantine of districts infected with rabies.

An area may be declared under quarantine against rabies by the local health director when the disease exists to the extent that the lives of persons are endangered. When quarantine is declared, each dog and cat in the area shall be confined on the premises of the owner or in a veterinary hospital. However, dogs or cats on a leash or under the control and in the sight of a responsible adult may be permitted to leave the premises of the owner or the veterinary hospital. (1935, c. 122, s. 12; 1941, c. 259, s. 9; 1949, c. 645, s. 3; 1953, c. 876, s. 8; 1957, c. 1357, s. 8; 1983, c. 891, s. 2.)

§ 130A-195. Destroying stray dogs and cats in quarantine districts.

When quarantine has been declared and dogs and cats continue to run uncontrolled in the area, any peace officer or Animal Control Officer shall have

the right, after reasonable effort has been made to apprehend the animals, to destroy the uncontrolled dogs and cats and properly dispose of their bodies. (1935, c. 122, s. 13; 1953, c. 876, s. 9; 1983, c. 891, s. 2.)

§ 130A-196. Confinement of all biting dogs and cats; notice to local health director; reports by physicians; certain dogs exempt.

When a person has been bitten by a dog or cat, the person or parent, guardian or person standing *in loco parentis* of the person, and the person owning the animal or in control or possession of the animal shall notify the local health director immediately and give the name and address of the person bitten and the owner of the animal. All dogs and cats that bite a person shall be immediately confined for 10 days in a place designated by the local health director. However, the local health director may authorize a dog trained and used by a law enforcement agency to be released from confinement to perform official duties upon submission of proof that the dog has been vaccinated for rabies in compliance with this Part. After reviewing the circumstances of the particular case, the local health director may allow the owner to confine the animal on the owner's property. An owner who fails to confine his animal in accordance with the instructions of the local health director shall be guilty of a Class 2 misdemeanor. If the owner or the person who controls or possesses a dog or cat that has bitten a person refuses to confine the animal as required by this section, the local health director may order seizure of the animal and its confinement for 10 days at the expense of the owner. A physician who attends a person bitten by an animal known to be a potential carrier of rabies shall report within 24 hours to the local health director the name, age and sex of that person. (1935, c. 122, s. 17; 1941, c. 259, s. 11; 1953, c. 876, s. 13; 1957, c. 1357, s. 9; 1977, c. 628; 1983, c. 891, s. 2; 1985, c. 674; 1989, c. 298; 1993, c. 539, s. 950; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 130A-197. Infected dogs and cats to be destroyed; protection of vaccinated dogs and cats.

When the local health director reasonably suspects that a dog or cat has been exposed to the saliva or nervous tissue of a proven rabid animal or animal reasonably suspected of having rabies that is not available for laboratory diagnosis, the dog or cat shall be considered to have been exposed to rabies. A dog or cat exposed to rabies shall be destroyed immediately by its owner, the county Animal Control Officer or a peace officer unless the dog or cat has been vaccinated against rabies in accordance with this Part and the rules of the Commission more than three weeks prior to being exposed, and is given a booster dose of rabies vaccine within three days of the exposure. As an alternative to destruction, the dog or cat may be quarantined at a facility approved by the local health director for a period up to six months, and under reasonable conditions imposed by the local health director. (1935, c. 122, s. 14; 1953, c. 876, s. 10; 1983, c. 891, s. 2; 2000-163, s. 4.)

§ 130A-198. Confinement.

A person who owns or has possession of an animal which is suspected of having rabies shall immediately notify the local health director or county Animal Control Officer and shall securely confine the animal in a place designated by the local health director. Dogs and cats shall be confined for a period of 10 days. Other animals may be destroyed at the discretion of the

State Public Health Veterinarian. (1935, c. 122, s. 15; c. 344; 1941, c. 259, s. 10; 1953, c. 876, s. 11; 1983, c. 891, s. 2.)

§ 130A-199. Rabid animals to be destroyed; heads to be sent to State Laboratory of Public Health.

An animal diagnosed as having rabies by a licensed veterinarian shall be destroyed and its head sent to the State Laboratory of Public Health. The heads of all dogs and cats that die during the 10-day confinement period required by G.S. 130A-196, shall be immediately sent to the State Laboratory of Public Health for rabies diagnosis. (1935, c. 122, s. 16; 1953, c. 876, s. 12; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-200. Confinement or leashing of vicious animals.

A local health director may declare an animal to be vicious and a menace to the public health when the animal has attacked a person causing bodily harm without being teased, molested, provoked, beaten, tortured or otherwise harmed. When an animal has been declared to be vicious and a menace to the public health, the local health director shall order the animal to be confined to its owner's property. However, the animal may be permitted to leave its owner's property when accompanied by a responsible adult and restrained on a leash. (1935, c. 122, s. 18; 1953, c. 876, s. 14; 1983, c. 891, s. 2.)

CASE NOTES

Editor's Note. *— Many of the cases below were decided under former statutory provisions relating to vicious animals.*

Purpose. — Former provisions relating to vicious animals were enacted for the specific purpose of protecting the public from dogs which have become vicious or a menace to public health. Swaney v. Shaw, 27 N.C. App. 631, 219 S.E.2d 803 (1975).

Ordinance Valid. — An ordinance of a city making it unlawful to keep a dog which habitually or repeatedly chases, snaps at, attacks or barks at pedestrians, bicycles or vehicles is a valid exercise of the city's police power. Gray v. Clark, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

To safeguard and promote the public health, safety and convenience, municipal power to regulate the keeping and licensing of dogs within the corporate area is generally recognized, and ordinances regulating and requiring them to be registered, licensed, and at times muzzled and prevented from going at large, are within the police powers usually conferred upon the local corporation. Such ordinances are authorized by virtue of general powers and the usual general welfare clause. Gray v. Clark, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

A town ordinance dealing with dogs running at large was not inconsistent with former provisions relating to vicious animals, which were designed to provide minimum protection against vicious dogs in all parts of the State — rural, urban, small villages and large cities. With more concentrated population, cities are justified in adopting stricter regulations for dogs. Thus, a city was authorized to require a higher standard of conduct or condition with respect to the keeping of dogs within its corporate limits than was required for the State generally. Pharo v. Pearson, 28 N.C. App. 171, 220 S.E.2d 359 (1975).

Violation of Safety Statute as Negligence Per Se. — The violation of a statute which imposes a duty upon the defendant in order to promote the safety of others, including the plaintiff, is negligence per se, unless the statute, itself, otherwise provides. Swaney v. Shaw, 27 N.C. App. 631, 219 S.E.2d 803 (1975).

Evidence Insufficient to Show Dog "Vicious". — Evidence that a small dog frequently dashed into the street to bark at and pursue motorcycles, automobiles, and other noisy vehicles was not sufficient to justify classifying him as a "vicious" animal and did not make him "a menace to the public health." Sink v. Moore, 267 N.C. 344, 148 S.E.2d 265 (1966); Gray v. Clark, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

Canine courage in a contest for the championship of the neighborhood, together with determination to remain on possession of the field of battle "whence all but him had fled," was not evidence of a vicious character within the meaning of former statute. Sink v. Moore, 267 N.C. 344, 148 S.E.2d 265 (1966).

§ 130A-201. Rabies emergency.

A local health director in whose county or district rabies is found in the wild animal population as evidenced by a positive diagnosis of rabies in the past year in any wild animal, except a bat, may petition the State Health Director to declare a rabies emergency in the county or district. In determining whether a rabies emergency exists, the State Health Director shall consult with the Public Health Veterinarian and the State Agriculture Veterinarian and may consult with any other source of veterinary expertise the State Health Director deems advisable. Upon finding that a rabies emergency exists in a county or district, the State Health Director shall petition the Executive Director of the Wildlife Resources Commission to develop a plan pursuant to G.S. 113-291.2(a1) to reduce the threat of rabies exposure to humans and domestic animals by foxes, raccoons, skunks, or bobcats in the county or district. Upon determination by the State Health Director that the rabies emergency no longer exists for a county or district, the State Health Director shall immediately notify the Executive Director of the Wildlife Resources Commission. (1997-402, s. 1.)

(a) All health care facilities and health care providers that detect, diagnose, or treat cancer shall report to the central cancer registry each diagnosis of cancer in any person who is screened, diagnosed, or treated by the facility or provider. The reports shall be made within six months of diagnosis. Diagnostic, demographic and other information as prescribed by the rules of the Commission shall be included in the report.

(b) If a health care facility or health care provider fails to report as required under this section, then the central cancer registry may conduct a site visit to the facility or provider or be provided access to the information from the facility or provider and report it in the appropriate format. The Commission may adopt rules requiring that the facility or provider reimburse the registry for its cost to access and report the information in an amount not to exceed one hundred dollars ($100.00) per case. Thirty days after the expiration of the six-month period for reporting under subsection (a) of this section, the registry shall send notice to each facility and provider that has not submitted a report as of that date that failure to file a report within 30 days shall result in collection of the data by the registry and liability for reimbursement imposed under this section. Failure to receive or send the notice required under this section shall not be construed as a waiver of the reporting requirement. For good cause, the central cancer registry may grant an additional 30 days for reporting.

At the time of application for licensure or approval, water shall be sampled and tested for pesticides, nitrates, and bacteria. Thereafter, water shall be sampled and tested at intervals determined by the Commission but not less than annually. A registered sanitarian or other health official who is qualified by training and experience shall collect the water samples as required by this subsection and may examine the well location to determine if there are other potential health hazards associated with the well. A well shall comply with all other applicable sanitation requirements established by the Commission.

(c) The Department may suspend or revoke a license or approval for a violation of this section or rules adopted by the Commission. (1945, c. 829, s. 1;

§ 130A-248. Regulation of food and lodging establishments.

(a) For the protection of the public health, the Commission shall adopt rules governing the sanitation of establishments that prepare or serve drink or food for pay and establishments that prepare and sell meat food products or poultry products. However, any establishment that prepares or serves food or drink to the public, regardless of pay, shall be subject to the provisions of this Article if the establishment that prepares or serves food or drink holds an ABC permit, as defined in G.S. 18B-101, meets any of the definitions in G.S. 18B-1000, and does not meet the definition of a private club as provided in G.S. 130A-247(2).

(a1) For the protection of the public health, the Commission shall adopt rules governing the sanitation of hotels, motels, tourist homes, and other establishments that provide lodging for pay.

(a2) For the protection of the public health, the Commission shall adopt rules governing the sanitation of private homes offering bed and breakfast accommodations to eight or fewer persons per night, and rules governing the sanitation of bed and breakfast inns as defined in G.S. 130A-247. In carrying out this function, the Commission shall adopt requirements that are the least restrictive so as to protect the public health and not unreasonably interfere with the operation of bed and breakfast inns.

(a3) The rules adopted by the Commission pursuant to subsections (a), (a1), and (a2) of this section shall address, but not be limited to, the following:

(1) Sanitation requirements for cleanliness of floors, walls, ceilings, storage spaces, utensils, ventilation equipment, and other areas and items;

(2) Requirements for:
a. Lighting and water supply;
b. Wastewater collection, treatment, and disposal facilities; and
c. Lavatory and toilet facilities, food protection, and waste disposal;
(3) The cleaning and bactericidal treatment of eating and drinking utensils and other food-contact surfaces. A requirement imposed under this subdivision to sanitize multiuse eating and drinking utensils and other food-contact surfaces does not apply to utensils and surfaces provided in the guest room of the lodging unit for guests to prepare food while staying in the guest room.
(3a) The appropriate and reasonable use of gloves or utensils by employees who handle unwrapped food;
(4) The methods of food preparation, transportation, catering, storage, and serving;
(5) The health of employees;
(6) Animal and vermin control; and
(7) The prohibition against the offering of unwrapped food samples to the general public unless the offering and acceptance of the samples are continuously supervised by an agent of the entity preparing or offering the samples or by an agent of the entity on whose premises the samples are made available. As used in this subdivision, "food samples" means unwrapped food prepared and made available for sampling by and without charge to the general public for the purpose of promoting the food made available for sampling. This subdivision does not apply to unwrapped food prepared and offered in buffet, cafeteria, or other style in exchange for payment by the general public or by the person or entity arranging for the preparation and offering of such unwrapped food. This subdivision shall not apply to open air produce markets nor to farmer market facilities operated on land owned or leased by the State of North Carolina or any local government.

The rules shall contain a system for grading establishments, such as Grade A, Grade B, and Grade C. The rules shall be written in a manner that promotes consistency in both the interpretation and application of the grading system.

(a4) For the protection of the public health, the Commission shall adopt rules governing the sanitation of limited food service establishments. In adopting the rules, the Commission shall not limit the number of days that limited food service establishments may operate. Limited food service establishment permits shall be issued only to political subdivisions of the State, establishments operated by volunteers that prepare or serve food in conjunction with amateur athletic events, or for establishments operated by organizations that are exempt from federal income tax under section 501(c)(3) or section 501(c)(4) of the Internal Revenue Code.

(b) No establishment shall commence or continue operation without a permit or transitional permit issued by the Department. The permit or transitional permit shall be issued to the owner or operator of the establishment and shall not be transferable. If the establishment is leased, the permit or transitional permit shall be issued to the lessee and shall not be transferable. If the location of an establishment changes, a new permit shall be obtained for the establishment. A permit shall be issued only when the establishment satisfies all of the requirements of the rules. The Commission shall adopt rules establishing the requirements that must be met before a transitional permit may be issued, and the period for which a transitional permit may be issued. The Department may also impose conditions on the issuance of a permit or transitional permit in accordance with rules adopted by the Commission. A permit or transitional permit shall be immediately revoked

in accordance with G.S. 130A-23(d) for failure of the establishment to maintain a minimum grade of C. A permit or transitional permit may otherwise be suspended or revoked in accordance with G.S. 130A-23.

(b1) A permit shall expire one year after an establishment closes unless the permit is the subject of a contested case pursuant to Article 3 of Chapter 150B of the General Statutes.

(c) If ownership of an establishment is transferred or the establishment is leased, the new owner or lessee shall apply for a new permit. The new owner or lessee may also apply for a transitional permit. A transitional permit may be issued upon the transfer of ownership or lease of an establishment to allow the correction of construction and equipment problems that do not represent an immediate threat to the public health. Upon issuance of a new permit or a transitional permit for an establishment, any previously issued permit for an establishment in that location becomes void.

(c1) The Commission shall adopt rules governing the sanitation of pushcarts and mobile food units. A permitted restaurant or commissary shall serve as a base of operations for a pushcart or mobile food unit.

(d) The Department shall charge each establishment subject to this section, except nutrition programs for the elderly administered by the Division of Aging of the Department of Health and Human Services, establishments that prepare and sell meat food products or poultry products, and public school cafeterias, an annual fee of fifty dollars ($50.00). The Department shall charge an additional twenty-five dollar ($25.00) late payment fee to any establishment that fails to pay the required fee within 45 days after billing by the Department. The Department may, in accordance with G.S. 130A-23, suspend the permit of an establishment that fails to pay the required fee within 60 days after billing by the Department. The Department shall charge a reinstatement fee of one hundred fifty dollars ($150.00) to any establishment that requests reinstatement of its permit after the permit has been suspended. The Commission shall adopt rules to implement this subsection. Fees collected under this subsection shall be used for State and local food, lodging, and institution sanitation programs and activities. No more than thirty-three and one-third percent (33-⅓%) of the fees collected under this subsection may be used to support State health programs and activities.

(e) In addition to the fees under subsection (d) of this section, the Department may charge a fee of two hundred dollars ($200.00) for plan review of plans for prototype franchised or chain facilities for food establishments subject to this section. All of the fees collected under this subsection may be used to support the State food, lodging, and institution sanitation programs and activities under this Part.

(f) Any local health department may charge a fee not to exceed two hundred dollars ($200.00) for plan review by that local health department of plans for food establishments subject to this section that are not subject to subsection (e) of this section. All of the fees collected under this subsection may be used for local food, lodging, and institution sanitation programs and activities. No food establishment that pays a fee under subsection (e) of this section is liable for a fee under this subsection. Editor's Note. — Session Laws 1991, c. 689, s. 179, which amended subsection (d) of this section by inserting "nutrition programs for the elderly administered by the Division of Aging of

the Department of Human Resources and," was repealed by Session Laws 1991, c. 761, s. 37.2 since it duplicated Session Laws 1991, c. 656, s. 2.

Session Laws 1999-77, ss. 1(a) through (c), provides that the Division of Environmental Health of the Department of Environment and Natural Resources shall review the current rules adopted pursuant to Part 6 of Article 8 of Chapter 130A of the General Statutes that apply to procedures that must be followed by lodging establishments concerning coffee pots and ice buckets that are placed in guest rooms for use by guests of the establishment; that during this review the Division shall consult with representatives of the affected industry and the various agencies responsible for implementing the applicable rules, and shall recommend rules to the Commission for Health Services; that current rules that apply to equipment concerning coffee pots and ice buckets that are placed in guest rooms for use by guests of the establishment are suspended until revised rules under Session Laws 1999-77 have been adopted; and that the Commission for Health Services shall adopt the revised rules as temporary rules no later than January 31, 2000.

Session Laws 2002-126, s. 29A.15(b), provides: "The Legislative Research Commission may study the current program within the Department of Environment and Natural Resources regarding the regulation of food and lodging facilities to determine whether the annual fee paid by establishments under G.S. 130A-248(d), as amended by subsection (a) of this section, is sufficient for the State and local food, lodging, and institution sanitation programs and activities. The Legislative Research Commission shall report no later than the convening of the 2004 Regular Session of the 2003 General Assembly. This report shall include a recommendation as to whether the annual fee paid by establishments should remain at fifty dollars ($50.00) or should be changed and, if so, to what amount it should be changed in order to improve the State and local food, lodging, and institution sanitation programs and activities. This report shall include any legislative proposals needed to accomplish the Commission's recommendations."

Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capitol Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 31.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2002-2003 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2002-2003 fiscal year. For example, uncodified provisions of this act relating to the Medicaid program apply only to the 2002-2003 fiscal year."

Session Laws 2002-126, s. 31.6, is a severability clause.

Session Laws 2003-340, s. 8, is a severability clause.

Effect of Amendments. — Session Laws 2002-126, ss. 29A.15(a) and 29A.16, effective October 1, 2002, in subsection (d), substituted "fifty dollars ($50.00)" for "twenty-five dollars ($25.00)" in the first sentence, and added "under this subsection" in the last sentence; and added subsections (e) and (f).

Session Laws 2003-340, ss. 1.5 and 3, effective July 27, 2003, rewrote subsection (a4); and in the last sentence of subsection (c1), inserted "permitted restaurant or commissary shall serve as a base of operations for a" and deleted "shall be operated in conjunction with a permitted restaurant" following "mobile food unit."

§ 130A-249. Inspections; report and grade card.

The Secretary may enter any establishment that is subject to the provisions of G.S. 130A-248 for the purpose of making inspections. The Secretary shall inspect each restaurant at least quarterly, except that the quarterly inspection requirement shall not apply to temporary food establishments. The person responsible for the management or control of an establishment shall permit the Secretary to inspect every part of the establishment and shall render all aid and assistance necessary for the inspection. The Secretary shall leave a copy of the inspection form and a card or cards showing the grade of the establishment with the responsible person. If a single establishment has one or more outside delivery service stations and an internal delivery system, that establishment shall have a grade card posted where it may be readily visible upon entering the establishment and one

posted where it may be readily visible in each delivery window or delivery device upon picking up the food outside the establishment. The grade card or cards shall not be removed by anyone, except by or upon the instruction of the Secretary. Establishments to which the rules governing food sanitation are made applicable by this subdivision that are in operation as of 1 July 2000 may continue to use equipment and construction in use on that date if no imminent hazard exists. Replacement equipment for these establishments shall comply with the rules governing food sanitation adopted under G.S. 130A-248.

Part 7. Mass Gatherings.

§ 130A-251. Legislative intent and purpose.

The intent and purpose of this Part is to provide for the protection of the public health, safety and welfare of those persons in attendance at mass gatherings and of those persons who reside near or are located in proximity to the sites of mass gatherings or are directly affected by them. (1971, c. 712, s. 1; 1983, c. 891, s. 2.)

§ 130A-252. Definition of mass gathering; applicability of Part.

(a) For the purposes of this Part, "mass gathering" means a congregation or assembly of more than 5,000 people in an open space or open air for a period of more than 24 hours. A mass gathering shall include all congregations and assemblies organized or held for any purpose, but shall not include assemblies in permanent buildings or permanent structures designed or intended for use by a large number of people. To determine whether a congregation or assembly extends for more than 24 hours, the period shall begin when the people expected to attend are first permitted on the land where the congregation or assembly will be held and shall end when the people in attendance are expected to depart. To determine whether a congregation or assembly shall consist of more than 5,000 people, the number reasonably expected to attend, as determined from the promotion, advertisement and preparation for the congregation or assembly and from the attendance at prior congregations or assemblies of the same type, shall be considered.

(b) The provisions of this Part do not apply to a permanent stadium with an adjacent campground that hosts an annual event that has, within the previous five years, attracted crowds in excess of 70,000 people. The term "stadium" includes speedways and dragways. (1971, c. 712, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1999-3, s. 1; 1999-171, s. 1.)

§ 130A-253. Permit required; information report; revocation of permit.

(a) No person shall organize, sponsor or hold any mass gathering unless a permit has been issued to the person by the Secretary under the provisions of this Part. A permit shall be required for each mass gathering and is not transferable.

(b) A permit may be revoked by the Secretary at any time if the Secretary finds that the mass gathering is being or has been maintained or operated in

violation of this Part. A permit may be revoked upon the request of the permittee or upon abandonment of the operation. A permit will otherwise expire upon satisfactory completion of the post-gathering cleanup following the close of the mass gathering.

(c) The Secretary, upon information that a congregation or assembly of people which may constitute a mass gathering is being organized or promoted, may direct the organizer or promoter to submit within five calendar days an information report to the Department. The report shall contain the information required for an application for permit under G.S. 130A-254(b) and other information concerning the promotion, advertisement and preparation for the congregation or assembly and prior congregations or assemblies, as the Secretary deems necessary. The Secretary shall consider all available information including any report received and shall determine if the proposed congregation or assembly is a mass gathering. If the Secretary determines that a proposed congregation or assembly is a mass gathering, the Secretary shall notify the organizer or promoter to submit an application for permit at least 30 days prior to the commencement of the mass gathering. (1971, c. 712, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-254. Application for permit.

(a) Application for a permit for a mass gathering shall be made to the Secretary on a form and in a manner prescribed by the Secretary. The application shall be filed with the Secretary at least 30 days prior to the commencement of the mass gathering. A fee as prescribed by the Secretary, not to exceed one hundred dollars ($100.00), shall accompany the application.

(b) The application shall contain the following information: identification of the applicant; identification of any other person or persons responsible for organizing, sponsoring or holding the mass gathering; the location of the proposed mass gathering; the estimated maximum number of persons reasonably expected to be in attendance at any time; the date or dates and the hours during which the mass gathering is to be conducted; and a statement as to the total time period involved.

(c) The application shall be accompanied by an outline map of the area to be used, to approximate scale, showing the location of all proposed and existing privies or toilets; lavatory and bathing facilities; all water supply sources including lakes, ponds, streams, wells and storage tanks; all areas of assemblage; all camping areas; all food service areas; all garbage and refuse storage and disposal areas; all entrances and exits to public highways; and emergency ingress and egress roads.

(d) The application shall be accompanied by additional plans, reports and information required by the Secretary as necessary to carry out the provisions of this Part.

(e) A charge shall be levied by the Secretary to cover the cost of additional services, including police, fire and medical services, provided by the State or units of local government on account of the mass gathering. The Secretary shall reimburse the State or the units of local government for the additional services upon receipt of payment. (1971, c. 712, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-255. Provisional permit; performance bond; liability insurance.

(a) Within 15 days after the receipt of the application, the Secretary shall review the application and inspect the proposed site for the mass gathering. If it is likely that the requirements of this Part and the rules of the Commission can be met by the applicant, a provisional permit shall be issued.

(b) The Secretary shall require the permittee within five days after issuance of the provisional permit to file with the Secretary a performance bond or other surety to be executed to the State in the amount of five thousand dollars ($5,000) for up to 10,000 persons and an additional one thousand dollars ($1,000) for each additional 5,000 persons or fraction reasonably estimated to attend the mass gathering. The bond shall be conditioned on full compliance with this Part and the rules of the Commission and shall be forfeitable upon noncompliance and a showing by the Secretary of injury, damage or other loss to the State or local governmental agencies caused by the noncompliance.

(c) The permittee shall in addition file satisfactory evidence of public liability and property damage insurance in an amount determined by the Secretary to be reasonable, not to exceed one million dollars ($1,000,000) in amount, in relation to the risks and hazards involved in the proposed mass gathering. (1971, c. 712, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-256. Issuance of permit; revocation; forfeiture of bond; cancellation.

(a) If, upon inspection by the Secretary five days prior to the starting date of the mass gathering, or earlier upon request of the permittee, the required facilities are found to be in place, satisfactory arrangements are found to have been made for required services, the charge for additional services levied in accordance with G.S. 130A-254(e) has been paid and other applicable provisions of this Part and the rules of the Commission are found to have been met, the Secretary shall issue a permit for the mass gathering. If, upon inspection, the facilities, arrangements or other provisions are not satisfactory, the provisional permit shall be revoked and no permit shall be issued.

(b) Upon revocation of either the provisional permit or the permit, the permittee shall immediately announce cancellation of the mass gathering in as effective a manner as is reasonably possible including, but not limited to, the use or whatever methods were used for advertising or promoting the mass gathering.

(c) If the provisional permit or the permit is revoked prior to or during the mass gathering, the Secretary may order the permittee to install facilities and make arrangements necessary to accommodate persons who may nevertheless attend or be present at the mass gathering despite its cancellation and to restore the site to a safe and sanitary condition. In the event the permittee fails to comply with the order of the Secretary, the Secretary may immediately proceed to install facilities and make other arrangements and provisions for cleanup as may be minimally required in the interest of public health and safety, utilizing any State and local funds and resources as may be available.

(d) If the Secretary installs facilities or makes arrangements or provisions for cleanup pursuant to subsection (c), the Secretary may apply to a court of competent jurisdiction prior to or within 60 days after the action to order forfeiture of the permittee's performance bond or surety for violation of this Part or the rules of the Commission. The court may order that the proceeds shall be applied to the extent necessary to reimburse State and local governmental agencies for expenditures made pursuant to the action taken by the Secretary upon the permittee's failure to comply with the order. Any excess proceeds shall be returned to the insurer of the bond or to the surety after deducting court costs. (1971, c. 712, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-257. Rules of the Commission.

For the protection of the public health, safety and welfare of those attending mass gatherings and of other persons who may be affected by mass gatherings,

the Commission shall adopt rules to carry out the provisions of this Part and to establish requirements for the provision of facilities and services at mass gatherings. The rules shall include, but not be limited to, the establishment of requirements as follows:

§ 130A-258. Local ordinances not abrogated.

Nothing in this Part shall be construed to limit the authority of units of local government to adopt ordinances regulating, but not prohibiting, congregations and assemblies not covered by this Part. (1971, c. 712, s. 1; 1983, c. 891, s. 2.)

This Article does not apply to a private pool serving a single family dwelling and used only by the residents of the dwelling and their guests. This Article also does not apply to therapeutic pools used in physical therapy programs operated by medical facilities licensed by the Department or operated by a licensed physical therapist, nor to therapeutic chambers drained, cleaned, and refilled after each individual use. (1989, c. 577, s. 1; 1997-443, s. 11A.80.)

(5) Operation and safety including water source, water quality and testing, fencing, water treatment, chemical storage, toilet and bath facilities, measures to ensure the personal cleanliness of bathers, safety equipment and other safety measures, and sewage and other wastewater disposal.

(b) Exception. — Public swimming pools constructed or remodeled prior to May 1, 1993, that do not meet specific design and construction requirements of the rules for public swimming pools adopted by the Commission shall not be required to comply with design and construction requirements other than requirements related to the abatement of suction hazards. Public swimming pools constructed or remodeled prior to May 1, 1993, shall comply with all other rules for public swimming pools adopted by the Commission.

Upon receipt of the application, the Department, acting through the local health department, shall inspect the premises, instruments, utensils, equipment, and procedures of the applicant to determine whether the applicant meets the requirements for a tattooing permit set by the Commission. If the applicant meets these requirements, the Department shall issue a permit to the applicant. A permit is valid for one year and must be renewed annually by applying to the Department for a permit renewal.

(d) Violations. — The Department may deny an application for a tattooing permit if an applicant does not meet the requirements set by the Commission for the permit. The Department may suspend, revoke, or refuse to renew a permit if it finds that tattooing is being performed in violation of this Part. In accordance with G.S. 130A-24(a), Chapter 150B of the General Statutes, the Administrative Procedure Act, governs appeals concerning the enforcement of this Part.

(e) Limitation. — A permit issued pursuant to this Part does not authorize a person to remove a tattoo from the body of a human being. Compliance with this Part is not a bar to prosecution for a violation of G.S. 14-400. (1993 (Reg. Sess., 1994), c. 670, s. 1.)

If the Secretary finds that there are significant potential obstacles to the implementation of beneficial alternative dry-cleaning processes and equipment, the Secretary is to recommend to the General Assembly specific regulatory and nonregulatory policy measures to promote the increased use of such alternative processes and equipment by the State's dry-cleaning industry. The Secretary is to issue an interim report by November 12, 2000, and a final report by September 1, 2001, to the Environmental Review Commission, with findings, recommendations, and legislative proposals.

OPINIONS OF ATTORNEY GENERAL

Dumping Waste Within Three Miles of Seashore Is Prohibited. — North Carolina General Statutes specifically prohibit the dumping of waste materials such as bags of medical refuse, and other forms of ocean dumping or the introduction of other pollutants in coastal waters if the waste materials are dumped within three miles of the Atlantic seashore. Part 2. Solid and Hazardous Waste Management.

§ 130A-291. Division of Waste Management.

(a) For the purpose of promoting and preserving an environment that is conducive to public health and welfare, and preventing the creation of nuisances and the depletion of our natural resources, the Department shall maintain a Division of Waste Management to promote sanitary processing, treatment, disposal, and statewide management of solid waste and the greatest possible recycling and recovery of resources, and the Department shall employ and retain qualified personnel as may be necessary to effect such purposes. It is the purpose and intent of the State to be and remain cognizant not only of its responsibility to authorize and establish a statewide solid waste management program, but also of its responsibility to monitor and supervise, through the Department, the activities and operations of units of local government implementing a permitted solid waste management facility serving a specified geographic area in accordance with a solid waste management plan.

(b) In furtherance of this purpose and intent, it is hereby determined and declared that it is necessary for the health and welfare of the inhabitants of the State that solid waste management facilities permitted hereunder and serving a specified geographic area shall be used by public or private owners or occupants of all lands, buildings, and premises within the geographic area, and a unit of local government may, by ordinance, require that all solid waste generated within the geographic area and placed in the waste stream for disposal, shall be delivered to the permitted solid waste management facility or facilities serving the geographic area. Actions taken pursuant to this Article shall be deemed to be acts of the sovereign power of the State of North Carolina, and to the extent reasonably necessary to achieve the purposes of this section, a unit of local government may displace competition with public service for solid waste management and disposal. It is further determined and declared that no person, firm, corporation, association or entity within the geographic area shall engage in any activities which would be competitive with this purpose or with ordinances, rules adopted pursuant to the authority granted herein. (1969, c. 899; 1973, c. 476, s. 128; 1975, c. 311, s. 3; 1977, 2nd Sess., c. 1216; 1983, c. 795, ss. 2, 8.1; c. 891, s. 2; 1987, c. 574, s. 1; 1989, c. 727, s. 144; 1989 (Reg. OPINIONS OF ATTORNEY GENERAL

Governor does not have authority to issue moratorium on granting of permits for hazardous waste facilities in this State. See opinion of Attorney General to Mr. Tom Karnoski, Hazardous Waste Treatment Commission, 55 N.C.A.G. 73 (1986).

§ 130A-291.1. Septage management program; permit fees.

(a) The Department shall establish and administer a septage management program in accordance with the provisions of this section.

(b) For the protection of the public health, the Commission shall adopt rules governing the management of septage. The rules shall include, but are not limited to, criteria for the sanitary management of septage, including standards for the transportation, storage, treatment, and disposal of septage; operator registration and training; the issuance, suspension, and revocation of permits; and procedures for the payment of annual fees.

(c) No septage management firm shall commence or continue operation that does not have a permit issued by the Department. The permit shall be issued only when the septage management firm satisfies all of the requirements of the rules adopted by the Commission. A septage management firm that commences operation without first having obtained a permit shall cease to operate until the firm obtains a permit under this section and shall pay an initial annual fee equal to twice the amount of the annual fee that would otherwise be applicable under subsection (e) of this section.

(d) Septage shall be treated and disposed only at a wastewater system that has been approved by the Department under rules adopted by the Commission or by the Environmental Management Commission or at a site that is permitted by the Department under this section. A permit shall be issued only if the site satisfies all of the requirements of the rules adopted by the Commission.

(e) A septage management firm that operates one pumper truck shall pay an annual fee of five hundred fifty dollars ($550.00) to the Department. A septage management firm that operates two or more pumper trucks shall pay an annual fee of eight hundred dollars ($800.00) to the Department.

(e1) An individual who operates a septage treatment or disposal facility but who does not engage in the business of pumping, transporting, or disposing of septage shall pay an annual fee of two hundred dollars ($200.00).

(e2) A properly completed application for a permit and the annual fee under this section are due by 1 January of each year. The Department shall mail a notice of the annual fees to each permitted septage management firm and each individual who operates a septage treatment or disposal facility prior to 1 November of each calendar year. A late fee in the amount equal to fifty percent (50%) of the annual permit fee under this section shall be submitted when a properly completed application and annual permit fee are not submitted by 1 January following the 1 November notice.

(e3) The Septage Management Account is established as a nonreverting account within the Department. Fees collected under this section shall be placed in the Septage Management Account and shall be applied only to the costs of the septage management program.

(e4) Permits for new septage management firm operators and permits for septage management firm operators that have not operated a septage management firm in the 24 months immediately preceding the submittal of an application shall be considered probationary for 12 months. The Department may revoke any probationary permit of a firm or an individual that violates any provision of this section, G.S. 130A-291.2, G.S. 130A-291.3, or any rule adopted under these sections. If the Department revokes a probationary permit issued to a firm or individual, the Department shall not issue another permit to that firm or individual, and the firm or individual may not engage in any septage management activity for a period of 12 months.

(e5) The Department shall provide technical and regulatory assistance to permit applicants and permit holders. Assistance may include, but is not limited to, taking soil samples on proposed and permitted septage land

application sites and providing required training to permit applicants and permit holders.

(f) All wastewater systems designed to discharge effluent to the surface waters may accept, treat, and dispose septage from permitted septage management firms, unless acceptance of the septage would constitute a violation of the permit conditions of the wastewater system. The wastewater system may charge a reasonable fee for acceptance, treatment, and disposal of septage based on a fee schedule that takes into account septage composition and quantity and that is consistent with other charges for use of that system.

(g) Production of a crop in accordance with an approved nutrient management plan on land that is permitted as a septage land application site is a bona fide farm purpose under G.S. 153A-340.

(h) The Department shall inspect each septage land application site at least twice a year and shall inspect the records associated with each septage land application site at least annually. The Department shall inspect each pump truck used for septage management at least once every two years.

(i) The Department shall approve innovative or alternative septage treatment or storage methods that are demonstrated to protect the public health and the environment. (1987 (Reg. Sess., 1988), c. 1058, s. 2; 1991 (Reg. Sess., 1992), c. 1039, s. 8; 1993, c. 173, s. 4; 2001-505, s. 1.1.)

Editor's Note. — Session Laws 2001-505, s. 1.3, provides: "The Commission for Health Services shall adopt temporary and permanent rules to implement Sections 1.1 and 1.2 of this act. The Commission for Health Services and the Department of Environment and Natural Resources shall initiate temporary rule-making proceedings within 30 days of the date this act becomes effective. Temporary rules to implement the provisions of Sections 1.1 and 1.2 of this act become effective 1 January 2002."

Session Laws 2001-505, s. 1.4, provides: "The Department of Environment and Natural Resources shall mail annual notices of fees as required by G.S. 130A-291.1(e2), as amended by Section 1.1 of this act, prior to 1 November 2001. Notices of fees shall state the amount of the fee due under subsections (e) and (e1) of G.S. 130A-291.1, as amended by Section 1.1 of this act."

Effect of Amendments. — Session Laws 2001-505, s. 1.1, effective January 1, 2002, added "permit fees" in the section heading, and rewrote the section.

§ 130A-291.2. Temporary domestic wastewater holding tanks.

When a permanent domestic wastewater collection and treatment system is not available at a construction site or a temporary special event, a temporary wastewater holding tank of adequate capacity to prevent overflow may be used under a mobile or modular office to accommodate domestic wastewater from a commode and sink. The wastewater shall be removed often enough to prevent the temporary domestic wastewater holding tank from overflowing. The owner or lessee of a temporary construction trailer shall contract with a registered septage management firm or registered portable toilet sanitation firm for the removal of domestic waste. The wastewater shall be removed from the temporary domestic wastewater holding tank by a septage management firm holding a current permit to operate a septage firm. (2001-505, s. 1.2.)

Editor's Note. — Session Laws 2001-505, s. 4, made this section effective January 1, 2002.

Session Laws 2001-505, s. 1.3, provides: "The Commission for Health Services shall adopt temporary and permanent rules to implement Sections 1.1 and 1.2 of this act. The Commission for Health Services and the Department of Environment and Natural Resources shall initiate temporary rule-making proceedings within 30 days of the date this act becomes effective. Temporary rules to implement the provisions of Sections 1.1 and 1.2 of this act become effective 1 January 2002."

§ 130A-291.3. Septage operator training required.

(a) Each septage management firm operator shall attend a training course approved pursuant to subsection (d) of this section of no less than four hours of instruction per year. New septage management firm operators and those that have not operated a septage management firm in the 24 months preceding the submittal of an application shall complete the training before commencing operation.

(b) Each septage land application site operator shall attend a training course approved pursuant to subsection (d) of this section of no less than three hours of instruction per year. New septage land application site operators and those that have not operated a septage land application site in the 24 months preceding the submittal of an application shall complete the training before commencing operation.

(c) Upon the completion of the permit requirements under G.S. 130A-291.1 and the training requirements under this section, the Department shall issue the septage management firm a certificate to operate as a registered portable sanitation firm or a registered septage management firm, or both.

(d) The Department shall establish educational committees to develop and approve a training curriculum to satisfy the training requirements under this section. A training committee shall be established to develop a training program for portable sanitation waste; a training committee shall be established to develop a training program for septic tank waste and grease septage; and a training committee shall be established to develop a training program for land application of septage. Each committee shall consist of four industry members, one public health member, two employees of the Department, and one representative of the North Carolina Cooperative Extension Service. (2001-505, s. 1.2.)

Editor's Note. — Session Laws 2001-505, s. 4, made this section effective January 1, 2002.

§ 130A-292. Conveyance of land used for commercial hazardous waste disposal facility to the State.

(a) No land may be used for a commercial hazardous waste disposal facility until fee simple title to the land has been conveyed to this State. In consideration for the conveyance, the State shall enter into a lease agreement with the grantor for a term equal to the estimated life of the facility in which the State will be the lessor and the grantor the lessee. The lease agreement shall specify that for an annual rent of fifty dollars ($50.00), the lessee shall be allowed to use the land for the development and operation of a hazardous waste disposal facility. The lease agreement shall provide that the lessor or any person authorized by the lessor shall at all times have the right to enter without a search warrant or permission of the lessee upon any and all parts of the premises for monitoring, inspection and all other purposes necessary to carry out the provisions of this Article. The lessee shall remain fully liable for all damages, losses, personal injury or property damage which may result or arise out of the lessee's operation of the facility, and for compliance with regulatory requirements concerning insurance, bonding for closure and post-closure costs, monitoring and other financial or health and safety requirements as required by applicable law and rules. The State, as lessor, shall be immune

from liability except as otherwise provided by statute. The lease shall be transferable with the written consent of the lessor and the consent will not be unreasonably withheld. In the case of a transfer of the lease, the transferee shall be subject to all terms and conditions that the State deems necessary to ensure compliance with applicable laws and rules. If the lessee or any successor in interest fails in any material respect to comply with any applicable law, rule or permit condition, or with any term or condition of the lease, the State may terminate the lease after giving the lessee written notice specifically describing the failure to comply and upon providing the lessee a reasonable time to comply. If the lessee does not effect compliance within the reasonable time allowed, the State may reenter and take possession of the premises.

(b) Notwithstanding the termination of the lease by either the lessee or the lessor for any reason, the lessee shall remain liable for, and be obligated to perform, all acts necessary or required by law, rule, permit condition or the lease for the permanent closure of the site until the site has either been permanently closed or until a substituted operator has been secured and has assumed the obligations of the lessee.

(c) In the event of changes in laws or rules applicable to the facility which make continued operation by the lessee impossible or economically infeasible, the lessee shall have the right to terminate the lease upon giving the State reasonable notice of not less than six months, in which case the lessor shall have the right to secure a substitute lessee and operator.

(d) In the event of termination of the lease by the lessor as provided in subsection (a) of this section, or by the lessee as provided in subsection (c) of this section, the lessee shall be paid the fair market value of any improvements made to the leased premises less the costs to the lessor resulting from termination of the lease and securing a substitute lessee and operator. However, the lessor shall have no obligation to secure a substitute lessee or operator and may require the lessee to permanently close the facility. (1981, c. 704, s. 5; 1983, c. 891, s. 2; 1989, c. 168, s. 12.)

§ 130A-293. Local ordinances prohibiting hazardous waste facilities invalid; petition to preempt local ordinance.

(a) It is the intent of the General Assembly to maintain a uniform system for the management of hazardous waste and to place limitations upon the exercise by all units of local government in North Carolina of the power to regulate the management of hazardous waste by means of special, local, or private acts or resolutions, ordinances, property restrictions, zoning regulations, or otherwise. Notwithstanding any authority granted to counties, municipalities, or other local authorities to adopt local ordinances, including but not limited to those imposing taxes, fees, or charges or regulating health, environment, or land use, any local ordinance that prohibits or has the effect of prohibiting the establishment or operation of a hazardous waste facility that the Secretary has preempted pursuant to subsections (b) through (f) of this section, shall be invalid to the extent necessary to effectuate the purposes of this Chapter. To this end, all provisions of special, local, or private acts or resolutions are repealed that:

(1) Prohibit the transportation, treatment, storage, or disposal of hazardous waste within any county, city, or other political subdivision.

(2) Prohibit the siting of a hazardous waste facility within any county, city, or other political subdivision.

(3) Place any restriction or condition not placed by Article 9 of Chapter 130A of the General Statutes upon the transportation, treatment,

storage, or disposal of hazardous waste, or upon the siting of a hazardous waste facility within any county, city, or other political subdivision.

(4) In any manner are in conflict or inconsistent with the provisions of Article 9 of Chapter 130A of the General Statutes.

(a1) No special, local, or private acts or resolutions enacted or taking effect hereafter may be construed to modify, amend, or repeal any portion of Article 9 of Chapter 130A of the General Statutes unless it expressly provides for such by specific references to the appropriate section of this Part. Further to this end, all provisions of local ordinances, including those regulating land use, adopted by counties, municipalities, or other local authorities that prohibit or have the effect of prohibiting the establishment or operation of a hazardous waste facility are invalidated to the extent preempted by the Secretary pursuant to this Section.

(b) When a hazardous waste facility would be prevented from construction or operation by a county, municipal, or other local ordinance, the operator of the proposed facility may petition the Secretary to review the matter. After receipt of a petition, the Secretary shall hold a hearing in accordance with the procedures in subsection (c) of this section and shall determine whether or to what extent to preempt the local ordinance to allow for the establishment and operation of the facility.

(c) When a petition described in subsection (b) of this section has been filed with the Secretary, the Secretary shall hold a public hearing to consider the petition. The public hearing shall be held in the affected locality within 60 days after receipt of the petition by the Secretary. The Secretary shall give notice of the public hearing by:

(1) Publication in a newspaper or newspapers having general circulation in the county or counties where the facility is or is to be located or operated, once a week for three consecutive weeks, the first notice appearing at least 30 days prior to the scheduled date of the hearing; and

(2) First class mail to persons who have requested notice. The Secretary shall maintain a mailing list of persons who request notice in advance of the hearing pursuant to this section. Notice by mail shall be complete upon deposit of a copy of the notice in a post-paid wrapper addressed to the person to be notified at the address that appears on the mailing list maintained by the Board, in a post office or official depository under the exclusive care and custody of the United States Postal Service.

(c1) Any interested person may appear before the Secretary at the hearing to offer testimony. In addition to testimony before the Secretary, any interested person may submit written evidence to the Secretary for the Secretary's consideration. At least 20 days shall be allowed for receipt of written comment following the hearing.

(d) The Secretary shall determine whether or to what extent to preempt local ordinances so as to allow for the establishment and operation of the facility no later than 60 days after conclusion of the hearing. The Secretary shall preempt a local ordinance only if the Secretary makes all five of the following findings:

(1) That there is a local ordinance that would prohibit or have the effect of prohibiting the establishment or operation of a hazardous waste facility.

(2) That the proposed facility is needed in order to establish adequate capability to meet the current or projected hazardous waste management needs of this State or to comply with the terms of any interstate agreement for the management of hazardous waste to which the State

is a party and therefore serves the interests of the citizens of the State as a whole.

(3) That all legally required State and federal permits or approvals have been issued by the appropriate State and federal agencies or that all State and federal permit requirements have been satisfied and that the permits or approvals have been denied or withheld only because of the local ordinance.

(4) That local citizens and elected officials have had adequate opportunity to participate in the siting process.

(5) That the construction and operation of the facility will not pose an unreasonable health or environmental risk to the surrounding locality and that the facility operator has taken or consented to take reasonable measures to avoid or manage foreseeable risks and to comply to the maximum feasible extent with applicable local ordinances.

(d1) If the Secretary does not make all five findings set out above, the Secretary shall not preempt the challenged local ordinance. The Secretary's decision shall be in writing and shall identify the evidence submitted to the Secretary plus any additional evidence used in arriving at the decision.

(e) The decision of the Secretary shall be final unless a party to the action files a written appeal under Article 4 of Chapter 150B of the General Statutes, as modified by G.S. 7A-29 and this section, within 30 days of the date of the decision. The record on appeal shall consist of all materials and information submitted to or considered by the Secretary, the Secretary's written decision, a complete transcript of the hearing, all written material presented to the Secretary regarding the location of the facility, the specific findings required by subsection (d) of this section, and any minority positions on the specific findings required by subsection (d) of this section. The scope of judicial review shall be that the court may affirm the decision of the Secretary, or may remand the matter for further proceedings, or may reverse or modify the decision if the substantial rights of the parties may have been prejudiced because the agency findings, inferences, conclusions, or decisions are:

(1) In violation of constitutional provisions;

(2) In excess of the statutory authority or jurisdiction of the agency;

(3) Made upon unlawful procedure;

(4) Affected by other error of law;

(5) Unsupported by substantial evidence admissible under G.S. 150B-29(a) or G.S. 150B-30 in view of the entire record as submitted; or

(6) Arbitrary or capricious.

(e1) If the court reverses or modifies the decision of the agency, the judge shall set out in writing, which writing shall become part of the record, the reasons for the reversal or modification.

(f) In computing any period of time prescribed or allowed by this procedure, the provisions of Rule 6(a) of the Rules of Civil Procedure, G.S. 1A-1, shall apply.

(g) Repealed by Session Laws 1989, c. 168, s. 13. (1981, c. 704, s. 5; 1983, s. 891, s. 2; 1983 (Reg. Sess., 1984), c. 973, ss. 3-5; 1987, c. 827, s. 249; 1987 (Reg. Sess., 1988), c. 993, s. 28; c. 1082, s. 13; 1989, c. 168, s. 13; 1993, c. 501, s. 13; 2001-474, s. 17.)

OPINIONS OF ATTORNEY GENERAL

A city or county cannot enact an ordinance which prohibits the establishment of a hazardous waste facility within its city or county limits. See opinion of Attorney General to O.W. Strickland, Head, Solid & Hazardous Waste Management Branch, Environmental Health Section, 49 N.C.A.G. 178 (1980), rendered under former G.S. 130-166.16 et seq.

Governor does not have authority to issue moratorium on granting of permits for hazardous waste facilities in this State. See

opinion of Attorney General to Mr. Tom Karnoski, Hazardous Waste Treatment Commission, 55 N.C.A.G. 73 (1986).

§ 130A-294. Solid waste management program.

(a) The Department is authorized and directed to engage in research, conduct investigations and surveys, make inspections and establish a statewide solid waste management program. In establishing a program, the Department shall have authority to:

(1) Develop a comprehensive program for implementation of safe and sanitary practices for management of solid waste;

(2) Advise, consult, cooperate and contract with other State agencies, units of local government, the federal government, industries and individuals in the formulation and carrying out of a solid waste management program;

(3) Develop and adopt rules to establish standards for qualification as a "recycling, reduction or resource recovering facility" or as "recycling, reduction or resource recovering equipment" for the purpose of special tax classifications or treatment, and to certify as qualifying those applicants which meet the established standards. The standards shall be developed to qualify only those facilities and equipment exclusively used in the actual waste recycling, reduction or resource recovering process and shall exclude any incidental or supportive facilities and equipment;

(4)a. Develop a permit system governing the establishment and operation of solid waste management facilities. A landfill with a disposal area of 1/2 acre or less for the on-site disposal of land clearing and inert debris is exempt from the permit requirement of this section and shall be governed by G.S. 130A-301.1. The Department shall not approve an application for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill, excluding demolition landfills as defined in the rules of the Commission, except as provided in subdivisions (3) and (4) of subsection (b1) of this section. No permit shall be granted for a solid waste management facility having discharges that are point sources until the Department has referred the complete plans and specifications to the Environmental Management Commission and has received advice in writing that the plans and specifications are approved in accordance with the provisions of G.S. 143-215.1. If the applicant is a unit of local government, and has not submitted a solid waste management plan that has been approved by the Department pursuant to G.S. 130A-309.09A(b), the Department may deny a permit for a sanitary landfill or a facility that disposes of solid waste by incineration, unless the Commission has not adopted rules pursuant to G.S. 130A-309.29 for local solid waste management plans. In any case where the Department denies a permit for a solid waste management facility, it shall state in writing the reason for denial and shall also state its estimate of the changes in the applicant's proposed activities or plans that will be required for the applicant to obtain a permit.

b. The issuance of permits for sanitary landfills operated by local governments is exempt from the environmental impact statements required by Article 1 of Chapter 113A of the General Statutes, entitled the North Carolina Environmental Policy Act of

1971. All sanitary landfill permits issued to local governments prior to July 1, 1984, are hereby validated notwithstanding any failure to provide environmental impact statements pursuant to the North Carolina Environmental Policy Act of 1971;

(4a) No permit shall be granted for any public or private sanitary landfill to receive solid non-radioactive waste generated outside the boundaries of North Carolina to be deposited, unless such waste has previously been inspected by the solid waste regulatory agency of that nation, state or territory, characterized in detail as to its contents and certified by that agency to be non-injurious to health and safety. The Commission shall adopt rules to implement this subsection.

(5) Repealed by Session Laws 1983, c. 795, s. 3.

(5a) Designate a geographic area within which the collection, transportation, storage and disposal of all solid waste generated within said area shall be accomplished in accordance with a solid waste management plan. Such designation may be made only after the Department has received a request from the unit or units of local government having jurisdiction within said geographic area that such designation be made and after receipt by the Department of a solid waste management plan which shall include:

a. The existing and projected population for such area;
b. The quantities of solid waste generated and estimated to be generated in such area;
c. The availability of sanitary landfill sites and the environmental impact of continued landfill of solid waste on surface and subsurface waters;
d. The method of solid waste disposal to be utilized and the energy or material which shall be recovered from the waste; and
e. Such other data that the Department may reasonably require.

(5b) Authorize units of local government to require by ordinance, that all solid waste generated within the designated geographic area that is placed in the waste stream for disposal be collected, transported, stored and disposed of at a permitted solid waste management facility or facilities serving such area. The provisions of such ordinance shall not be construed to prohibit the source separation of materials from solid waste prior to collection of such solid waste for disposal, or prohibit collectors of solid waste from recycling materials or limit access to such materials as an incident to collection of such solid waste; provided such prohibitions do not authorize the construction and operation of a resource recovery facility unless specifically permitted pursuant to an approved solid waste management plan. If a private solid waste landfill shall be substantially affected by such ordinance then the unit of local government adopting the ordinance shall be required to give the operator of the affected landfill at least two years written notice prior to the effective date of the proposed ordinance.

(5c) Except for the authority to designate a geographic area to be serviced by a solid waste management facility, delegate authority and responsibility to units of local government to perform all or a portion of a solid waste management program within the jurisdictional area of the unit of local government; provided that no authority over or control of the operations or properties of one local government shall be delegated to any other local government.

(5d) Require that an annual report of the implementation of the solid waste management plan within the designated geographic area be filed with the Department.

(6) The Department is authorized to charge and collect fees from operators of hazardous waste disposal facilities. The fees shall be used to establish a fund sufficient for each individual facility to defray the anticipated costs to the State for monitoring and care of the facility after the termination of the period during which the facility operator is required by applicable State and federal statutes, regulations or rules to remain responsible for post-closure monitoring and care. In establishing the fees, consideration shall be given to the size of the facility, the nature of the hazardous waste and the projected life of the facility.

(7) Establish and collect annual fees from generators and transporters of hazardous waste, and from storage, treatment, and disposal facilities regulated under this Article as provided in G.S. 130A-294.1.

(b) The Commission shall adopt and the Department shall enforce rules to implement a comprehensive statewide solid waste management program. The rules shall be consistent with applicable State and federal law; and shall be designed to protect the public health, safety, and welfare; preserve the environment; and provide for the greatest possible conservation of cultural and natural resources. Rules for the establishment, location, operation, maintenance, use, discontinuance, recordation, post-closure care of solid waste management facilities also shall be based upon recognized public health practices and procedures, including applicable epidemiological research and studies; hydrogeological research and studies; sanitary engineering research and studies; and current technological development in equipment and methods. The rules shall not apply to the management of solid waste that is generated by an individual or individual family or household unit on the individual's property and is disposed of on the individual's property.

The Commission shall adopt rules for financial responsibility to ensure the availability of sufficient funds for closure and post-closure maintenance and monitoring at solid waste management facilities, and for any corrective action the Department may require during the active life of a facility or during the closure and post-closure periods. The rules may permit demonstration of financial responsibility through the use of a letter of credit, insurance, surety, trust agreement, financial test, or guarantee by corporate parents or third parties who can pass the financial test. The rules shall require that an owner or operator of a privately owned solid waste management facility demonstrate financial responsibility by a method or combinations of methods that will ensure that sufficient funds for closure, post-closure maintenance and monitoring, and any corrective action that the Department may require will be available during the active life of the facility, at closure, and for a period of not less than 30 years after closure even if the owner or operator becomes insolvent or ceases to reside, be incorporated, do business, or maintain assets in the State.

(b1)(1) For purposes of this subsection and subdivision (4) of subsection (a) of this section, a "substantial amendment" means either:

a. An increase of ten percent (10%) or more in:
   1. The population of the geographic area to be served by the sanitary landfill;
   2. The quantity of solid waste to be disposed of in the sanitary landfill; or
   3. The geographic area to be served by the sanitary landfill.

b. A change in the categories of solid waste to be disposed of in the sanitary landfill or any other change to the application for a permit or to the permit for a sanitary landfill that the Commission or the Department determines to be substantial.

(2) Within 10 days after receiving an application for a permit, for the renewal of a permit, or for a substantial amendment to a permit for a

sanitary landfill, the Department shall notify the clerk of the board of commissioners of the county or counties in which the sanitary landfill is proposed to be located or is located and, if the sanitary landfill is proposed to be located or is located within a city, the clerk of the governing board of the city, that the application has been filed and shall file a copy of the application with the clerk. Prior to the issuance of a permit, the renewal of a permit, or a substantial amendment to a permit, the board of commissioners of the county or counties in which the sanitary landfill is proposed to be located or is located or, if the sanitary landfill is proposed to be located or is located in a city, the governing board of the city shall conduct a public hearing when sufficient public interest exists. The board of commissioners of the county or counties in which the sanitary landfill is proposed to be located or is located or, if the sanitary landfill is proposed to be located or is located in a city, the governing board of the city shall provide adequate notice to the public of the public hearing and shall specify the procedure to be followed at the public hearing.

(3) An applicant for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill shall obtain, prior to applying for a permit, a franchise for the operation of the sanitary landfill from each local government having jurisdiction over any part of the land on which the sanitary landfill and its appurtenances are located or to be located. A local government shall adopt a franchise ordinance under G.S. 153A-136 or G.S. 160A-319 prior to the submittal by an applicant of an application for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill. A franchise granted for a sanitary landfill shall include:

a. A statement of the population to be served, including a description of the geographic area.

b. A description of the volume and characteristics of the waste stream.

c. A projection on the useful life of the landfill.

(4) An applicant for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill shall request each local government having jurisdiction over any part of the land on which the sanitary landfill and its appurtenances are located or to be located to issue a determination as to whether the local government has in effect a franchise, zoning, subdivision, or land-use planning ordinance applicable to the sanitary landfill and whether the proposed sanitary landfill, or the existing sanitary landfill as it would be operated under the renewed or substantially amended permit, would be consistent with the applicable ordinances. The request to the local government shall be accompanied by a copy of the permit application and shall be delivered to the clerk of the local government personally or by certified mail. In order to serve as a basis for a determination that an application for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill is consistent with a zoning, subdivision, or land-use planning ordinance, an ordinance or zoning classification applicable to the real property designated in the permit application shall have been in effect not less than 90 days prior to the date the request for a determination of consistency is delivered to the clerk of the local government. The determination shall be verified or supported by affidavit signed by the chief administrative officer, the chief administrative officer's designee, clerk, or other official designated by the local government to make the

determination and, if the local government states that the sanitary landfill as it would be operated under the new, renewed, or substantially amended permit is inconsistent with a franchise, zoning, subdivision, or land-use planning ordinance, shall include a copy of the ordinance and the specific reasons for the determination of inconsistency. A copy of the determination shall be provided to the applicant when the determination is submitted to the Department. The Department shall not act upon an application for a permit under this section until it has received a determination from each local government requested to make a determination by the applicant; provided that if a local government fails to submit a determination to the Department as provided by this subsection within 15 days after receipt of the request, the Department shall proceed to consider the permit application without regard to a franchise, local zoning, subdivision, and land-use planning ordinances. Unless the local government makes a subsequent determination of consistency with all ordinances cited in the determination or the sanitary landfill as it would be operated under the new, renewed, or substantially amended permit is determined by a court of competent jurisdiction to be consistent with the cited ordinances, the Department shall attach as a condition of the permit a requirement that the applicant, prior to construction or operation of the sanitary landfill under the permit, comply with all lawfully adopted local ordinances cited in the determination that apply to the sanitary landfill. This subsection shall not be construed to affect the validity of any lawfully adopted franchise, local zoning, subdivision, or land-use planning ordinance or to affect the responsibility of any person to comply with any lawfully adopted franchise, local zoning, subdivision, or land-use planning ordinance. This subsection shall not be construed to limit any opportunity a local government may have to comment on a permit application under any other law or rule. This subsection shall not apply to any facility with respect to which local ordinances are subject to review under either G.S. 104E-6.2 or G.S. 130A-293.

(5) As used in this subdivision, "coal-fired generating unit" and "investor-owned public utility" have the same meaning as in G.S. 143-215.107D(a). Notwithstanding subdivisions (a)(4), (b1)(3), or (b1)(4) of this section, no franchise shall be required for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(b2) The Department may require an applicant for a permit under this Article to satisfy the Department that the applicant, and any parent, subsidiary, or other affiliate of the applicant or parent:

(1) Is financially qualified to carry out the activity for which the permit is required.

(2) Has substantially complied with the requirements applicable to any solid waste management activity in which the applicant has previously engaged and has been in substantial compliance with federal and state laws, regulations, and rules for the protection of the environment.

(b3) An applicant for a permit under this Article shall satisfy the Department that the applicant has met the requirements of subsection (b2) of this section before the Department is required to otherwise review the application. In order to continue to hold a permit under this Article, a permittee must remain financially qualified and must provide any information requested by the Department to demonstrate that the permittee continues to be financially qualified.

(c) The Commission shall adopt and the Department shall enforce rules concerning the management of hazardous waste. These rules shall establish a complete and integrated regulatory scheme in the area of hazardous waste management and shall provide for:

(1) Establishing criteria for hazardous waste, identifying the characteristics of hazardous waste and listing particular hazardous waste;

(1a) Establishing criteria for hazardous constituents, identifying the characteristics of hazardous constituents and listing particular hazardous constituents;

(2) Record-keeping and reporting by generators and transporters of hazardous waste and owners and operators of hazardous waste facilities;

(3) Proper labeling of hazardous waste containers;

(4) Use of appropriate containers for hazardous waste;

(5) A manifest system to assure that all hazardous waste is designated for treatment, storage or disposal at a hazardous waste facility to which a permit has been issued;

(6) Proper transportation of hazardous waste;

(7) Treatment, storage and disposal standards of performance and techniques to be used by hazardous waste facilities;

(8) Location, design, ownership and construction of hazardous waste facilities; provided, however, that no hazardous waste disposal facility or polychlorinated biphenyl disposal facility shall be located within 25 miles of any other hazardous waste disposal facility or polychlorinated biphenyl disposal facility;

(9) Plans to minimize unanticipated damage from treatment, storage or disposal of hazardous waste; and a plan or plans providing for the establishment and/or operation of one or more hazardous waste facilities in the absence of adequate approved hazardous waste facilities established or operated by any person within the State;

(10) Proper maintenance and operation of hazardous waste facilities, including requirements for ownership by any person or the State, financial responsibility (including requirements for sufficient availability of funds for facility closure and post-closure monitoring and corrective measures through the use of a letter of credit, insurance, surety, trust agreement, financial test, or financial test and corporate guarantee), training of personnel, continuity of operation and procedures for establishing and maintaining hazardous waste facilities;

(11) Monitoring by owners or operators of hazardous waste facilities;

(12) Inspection or copying of records required to be kept;

(13) Obtaining and analyzing hazardous waste samples and samples of hazardous waste containers and labels from generators and transporters and from owners and operators of hazardous waste facilities;

(14) A permit system governing the establishment and operation of hazardous waste facilities;

(15) Additional requirements as necessary for the effective management of hazardous waste;

(16) The operator of the hazardous waste disposal facility shall maintain adequate insurance to cover foreseeable claims arising from the operation of the facility. The Department shall determine what constitutes an adequate amount of insurance;

(17) The bottom of a hazardous waste disposal facility shall be at least 10 feet above the seasonal high water table and more when necessary to protect the public health and the environment; and

(18) The operator of a hazardous waste disposal facility shall make monthly reports to the board of county commissioners of the county in

which the facility is located on the kinds and amounts of hazardous wastes in the facility.

(d) The Commission is authorized to adopt and the Department is authorized to enforce rules where appropriate for public participation in the consideration, development, revision, implementation and enforcement of any permit rule, guideline, information or program under this Article.

(e) Rules adopted under this section may incorporate standards and restrictions which exceed and are more comprehensive than comparable federal regulations.

(f) Within 10 days of receiving an application for a permit or for an amendment to an existing permit for a hazardous waste facility, the Department shall notify the clerk of the board of commissioners of the county or counties in which the facility is proposed to be located or is located and, if the facility is proposed to be located or is located within a city, the clerk of the governing board of the city, that the application has been filed, and shall file a copy of the application with the clerk. Prior to the issuance of a permit or an amendment of an existing permit the Secretary or his designee shall conduct a public hearing in the county, or in one of the counties in which the hazardous waste facility is proposed to be located or is located. The Secretary or his designee shall give notice of the hearing, and the public hearing shall be in accordance with applicable federal regulations adopted pursuant to RCRA and with Chapter 150B of the General Statutes. Where the provisions of the federal regulations and Chapter 150B of the General Statutes are inconsistent, the federal regulations shall apply.

(g) The Commission shall develop and adopt standards for permitting of hazardous waste facilities. Such standards shall be developed with, and provide for, public participation; shall be incorporated into rules; shall be consistent with all applicable federal and State law, including statutes, regulations and rules; shall be developed and revised in light of the best available scientific data; and shall be based on consideration of at least the following factors:

(1) Hydrological and geological factors, including flood plains, depth to water table, groundwater travel time, soil pH, soil cation exchange capacity, soil composition and permeability, cavernous bedrock, seismic activity, slope, mines, and climate;
(2) Environmental and public health factors, including air quality, quality of surface and groundwater, and proximity to public water supply watersheds;
(3) Natural and cultural resources, including wetlands, gamelands, endangered species habitats, proximity to parks, forests, wilderness areas, nature preserves, and historic sites;
(4) Local land uses;
(5) Transportation factors, including proximity to waste generators, route safety, and method of transportation;
(6) Aesthetic factors, including the visibility, appearance, and noise level of the facility;
(7) Availability and reliability of public utilities; and
(8) Availability of emergency response personnel and equipment.

(h) Rules adopted by the Commission shall be subject to the following requirements:

(1) Repealed by Session Laws 1989, c. 168, s. 20.
(2) Hazardous waste shall be treated prior to disposal in North Carolina. The Commission shall determine the extent of waste treatment required before hazardous waste can be disposed of in a hazardous waste disposal facility.
(3) Any hazardous waste disposal facility hereafter constructed in this State shall meet, at the minimum, the standards of construction

imposed by federal regulations adopted under the RCRA at the time the permit is issued.

(4) No hazardous waste disposal facility or polychlorinated biphenyl disposal facility shall be located within 25 miles of any other hazardous waste disposal facility or polychlorinated biphenyl disposal facility.

(5) Repealed by Session Laws 2001-474, s. 23, effective November 29, 2001.

(6) The following shall not be disposed of in a hazardous waste disposal facility: ignitables as defined in the RCRA, polyhalogenated biphenyls of 50 ppm or greater concentration, and free liquids whether or not containerized.

(7) Facilities for disposal or long-term storage of hazardous waste shall have at a minimum the following: a leachate collection and removal system above an artificial impervious liner of at least 30 mils in thickness, a minimum of five feet of clay or clay-like liner with a maximum permeability of 1.0×10^{-7} centimeters per second (cm/sec) below said artificial liner, and a leachate detection system immediately below the clay or clay-like liner.

(8) Hazardous waste shall not be stored at a hazardous waste treatment facility for over 90 days prior to treatment or disposal.

(9) The Commission shall consider any hazardous waste treatment process proposed to it, if the process lessens treatment cost or improves treatment over then current methods or standards required by the Commission.

(10) Prevention, reduction, recycling, and detoxification of hazardous wastes should be encouraged and promoted. Hazardous waste disposal facilities and polychlorinated biphenyl disposal facilities shall be detoxified as soon as technology which is economically feasible is available and sufficient money is available without additional appropriation.

(i) The Department shall develop a comprehensive hazardous waste management plan for the State and shall revise the plan on or before 1 July of even-numbered years. The Department shall report to the Environmental Review Commission on or before 1 October of each year on the implementation of the comprehensive hazardous waste management plan. The report shall include an evaluation of how well the State and private parties are managing and cleaning up hazardous waste. The report shall also include recommendations to the Governor, State agencies, and the General Assembly on ways to: improve waste management; reduce the amount of waste generated; maximize resource recovery, reuse, and conservation; and minimize the amount of hazardous waste which must be disposed of.

(j) The Commission may adopt rules for financial responsibility (including requirements for sufficient availability of funds for facility closure and postclosure monitoring and corrective measures, and for potential liability for sudden and nonsudden accidental occurrences), which may permit the use of insurance, financial tests, third-party guarantees by persons who can pass the financial test, guarantees by corporate parents who can pass the financial test, irrevocable letters of credit, trusts, surety bonds, or any other financial device, or any combination of the foregoing, shown to provide protection equivalent to the financial protection that would have been provided by insurance if insurance were the only mechanism used. Any direct or indirect parent corporation or other parent entity of the operator of a commercial hazardous waste treatment facility shall be deemed to be a guarantor of payment by the operator for closure, monitoring, and corrective measures and for liability incurred by the operator arising from the operation of the commercial

hazardous waste treatment facility. The Department may provide a copy of any filing to meet the financial responsibility requirements to the State Treasurer, who shall review the filing and provide written comments on the equivalency of protection provided by the filing, including recommended changes.

(k) Each person who generates hazardous waste who is required to pay a fee under G.S. 130A-294.1, and each operator of a hazardous waste treatment facility which treats waste generated on-site who is required to pay a fee under G.S. 130A-294.1, shall submit to the Department at the time such fees are due, a written description of any program to minimize or reduce the volume and quantity or toxicity of such waste.

(*l*) Disposal of solid waste in or upon water in a manner that results in solid waste entering waters or lands of the State is unlawful. Nothing herein shall be interpreted to affect disposal of solid waste in a permitted landfill.

(m) Demolition debris consisting of used asphalt or used asphalt mixed with dirt, sand, gravel, rock, concrete, or similar nonhazardous material may be used as fill and need not be disposed of in a permitted landfill or solid waste disposal facility. Such demolition debris may not be placed in the waters of the State or at or below the seasonal high water table.

(n) The Department shall encourage research and development and disseminate information on state-of-the-art means of handling and disposing of hazardous waste. The Department may establish a waste information exchange for the State.

(o) The Department shall promote public education and public involvement in the decision-making process for the siting and permitting of proposed hazardous waste facilities. The Department shall assist localities in which facilities are proposed in collecting and receiving information relating to the suitability of the proposed site. At the request of a local government in which facilities are proposed, the Department shall direct the appropriate agencies of State government to develop such relevant data as that locality shall reasonably request.

(p) The Department shall each year recommend to the Governor a recipient for a "Governor's Award of Excellence" which the Governor shall award for outstanding achievement by an industry or company in the area of waste management.

(q) The Secretary shall, at the request of the Governor and under the Governor's direction, assist with the negotiation of interstate agreements for the management of hazardous waste.

(r) The Commission shall, in accordance with the procedures set forth in G.S. 160A-211.1 and G.S. 153A-152.1, review upon appeal specific privilege license tax rates that localities may apply to waste management facilities in their jurisdiction.

(s) The Department is authorized to enter upon any lands and structures upon lands to make surveys, borings, soundings, and examinations as may be necessary to determine the suitability of a site for a hazardous waste facility or hazardous waste disposal facility. The Department shall give 30 days notice of the intended entry authorized by this section in the manner prescribed for service of process by G.S. 1A-1, Rule 4. Entry under this section shall not be deemed a trespass or taking; provided, however, that the Department shall make reimbursement for any damage to land or structures caused by these activities. OPINIONS OF ATTORNEY GENERAL

Governor does not have authority to issue moratorium on granting of permits for hazardous waste facilities in this State. See opinion of Attorney General to Mr. Tom Karnoski, Hazardous Waste Treatment Commission, 55 N.C.A.G. 73 (1986).

As to North Carolina prohibition of the dumping of waste materials such as bags of medical refuse, especially that which may be hazardous or infectious, into the Atlantic Ocean, the authority of North Carolina with respect to dumping beyond three miles in the ocean which results in wastes entering State waters or being deposited on the State shores and the extent State law applies to such events and what departments are responsible for en-

forcing such laws. See opinion of Attorney General to Mr. Robert B. Jordan, III, Lieutenant Governor, 58 N.C.A.G. 57 (1988).

§ 130A-294.1. Fees applicable to generators and transporters of hazardous waste, and to hazardous waste storage, treatment, and disposal facilities.

(a) It is the intent of the General Assembly that the fee system established by this section is solely to provide funding in addition to federal and State appropriations to support the State's hazardous waste management program.

(b) Funds collected pursuant to this section shall be used for personnel and other resources necessary to:

(1) Provide a high level of technical assistance and waste minimization effort for the hazardous waste management program;
(2) Provide timely review of permit applications;
(3) Insure that permit decisions are made on a sound technical basis and that permit decisions incorporate all conditions necessary to accomplish the purposes of this Part;
(4) Improve monitoring and compliance of the hazardous waste management program;
(5) Increase the frequency of inspections;
(6) Provide chemical, biological, toxicological, and analytical support for the hazardous waste management program; and
(7) Provide resources for emergency response to imminent hazards associated with the hazardous waste management program.

(c) It is the intent of the General Assembly that the total funds collected per year pursuant to this section not exceed thirty percent (30%) of the total funds budgeted from all sources for the hazardous waste management program. This subsection shall not be construed to limit the obligation of any person to pay any fee imposed by this section.

(d) The Hazardous Waste Management Account is established as a nonreverting account within the Department. All fees collected under this section shall be credited to the Account and shall be used for the purposes listed in subsection (b).

(e) A person who generates either one kilogram or more of any acute hazardous waste as listed in 40 C.F.R. § 261.30(d) or § 261.33(e) as revised 1 July 1987, or 1000 kilograms or more of hazardous waste, in any calendar month during the year beginning 1 July and ending 30 June shall pay an annual fee of one thousand dollars ($1,000).

(f) A person who generates 100 kilograms or more of hazardous waste in any calendar month during the year beginning 1 July and ending 30 June but less than 1000 kilograms of hazardous waste in each calendar month during that year shall pay an annual fee of one hundred twenty-five dollars ($125.00).

(g) A person who generates one kilogram or more of acute hazardous waste or 1000 kilograms or more of hazardous waste in any calendar month during the calendar year shall pay, in addition to any fee under subsections (e) and (f) of this section, a tonnage fee of fifty cents ($0.50) per ton or any part thereof of hazardous waste generated during that year up to a maximum of 25,000 tons.

(h) A person who generates less than one kilogram of acute hazardous waste and less than 100 kilograms of hazardous waste in each calendar month during the year beginning 1 July and ending 30 June shall not be liable for payment of a fee under subsections (e) and (f) of this section for that year.

(i) Hazardous waste generated as a result of any type of remedial action or by collection by a local government of hazardous waste from households shall not be subject to a tonnage fee under subsections (g) and (l) of this section.

(j) A person who transports hazardous waste shall pay an annual fee of six hundred dollars ($600.00).

(k) A storage, treatment, or disposal facility shall pay an annual activity fee of one thousand two hundred dollars ($1,200) for each activity.

(*l*) A commercial hazardous waste storage, treatment, or disposal facility shall pay annually, in addition to the fees applicable to all hazardous waste storage, treatment, or disposal facilities, a single tonnage charge of one dollar and seventy-five cents ($1.75) per ton or any part thereof of hazardous waste stored, treated, or disposed of at the facility. A manufacturing facility that receives hazardous waste generated from the use of a product typical of its manufacturing process for the purpose of recycling is exempt from this tonnage charge. A facility must have a permit issued under this Article which includes the recycling activity and specifies the type and amount of waste allowed to be received from off-site for recycling.

(m) An applicant for a permit for a hazardous waste storage, treatment, or disposal facility that proposes to operate as a commercial facility shall pay an application fee for each proposed activity as follows:

(1) Storage facility	$10,000;
(2) Treatment facility	$15,000;
(3) Disposal facility	$25,000.

(n) The Commission may adopt rules setting fees for modifications to permits. Such fees shall not exceed fifty percent (50%) of the application fee.

(o) Annual fees established under this section are due no later than 31 July for the fiscal year beginning 1 July in the same year. Tonnage fees established under this section are due no later than 31 July for the previous calendar year.

(p) The Department shall make an annual report to the General Assembly and its Fiscal Research Division on the cost of the hazardous waste management program. The report shall include, but is not limited to, beginning fund balance, fees collected under this section, anticipated revenue from all sources, total expenditures (by activities and categories) for the hazardous waste management program, ending fund balance, any recommended adjustments in the annual and tonnage fees which may be necessary to assure the continued availability of funds sufficient to pay the State's share of the cost of the hazardous waste management program, and any other information requested by the General Assembly. In recommending adjustments in annual and tonnage fees, the Department may propose fees for hazardous waste generators, and for hazardous waste treatment facilities which treat waste generated on-site, which are designed to encourage reductions in the volume or quantity and toxicity of hazardous waste. (1987, c. 773, ss. 2, 4-8; 1987 (Reg. Sess., 1988), c. 1020, s. 2; 1989, c. 168, s. 23; c. 724, s. 4; 1991, c. 286, s. 1; 1991 (Reg. Sess., 1992), c. 890, s. 10; c. 1039, s. 9; 2003-284, s. 35.2(a), (b).)

Editor's Note. — Session Laws 1996, Second Extra Session, c. 18, s. 27.10, provides: "Beginning in 1997, the Department of Environment, Health and Natural Resources (now the Department of Environment and Natural Resources) shall report on the generation, storage, treatment, and disposal of hazardous waste in North Carolina no more often than it is required to report under federal law or federal regulation."

Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1996-97 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1996-97 fiscal year."

Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor

do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, ss. 35.2(a) and (b), effective July 15, 2003, in subsection (e), substituted "one thousand dollars ($1,000)" for "five hundred dollars ($500.00)"; and in subsection (f), substituted "one hundred twenty-five dollars ($125.00)" for "twenty-five dollars ($25.00)."

§ 130A-295. Additional requirements for hazardous waste facilities.

(a) An applicant for a permit for a hazardous waste facility shall satisfy the Department that:

(1) Any hazardous waste facility constructed or operated by the applicant, or any parent or subsidiary corporation if the applicant is a corporation, has been operated in accordance, with sound waste management practices and in substantial compliance with federal and state laws, regulations and rules; and

(2) The applicant, or any parent or subsidiary corporation if the applicant is a corporation, is financially qualified to operate the proposed hazardous waste facility.

(b) An applicant for a permit for a hazardous waste facility shall satisfy the Department that he has met the requirements of subsection (a) of this section before the Department is required to otherwise review the application. In order to continue to hold a permit under this Chapter, a permittee must remain financially qualified and must provide any information requested by the Department to demonstrate that he continues to be financially qualified.

(c) No permit for any new commercial hazardous waste treatment, storage, or disposal facility shall be issued or become effective, and no permit for a commercial hazardous waste treatment, storage, or disposal facility shall be modified until the applicant has satisfied the Department that such facility is needed to meet the current or projected hazardous waste management needs of this State or to comply with the terms of any interstate agreement for the management of hazardous waste to which the State is a party. The Commission shall adopt rules to implement this subsection. (1981, c. 704, s. 7; 1983, c. 891, s. 2; 1983 (Reg. Sess., 1984), c. 973, s. 8; 1987, § 461, s. 3; 1989, c. 168, s. 24.)

§ 130A-295.01. Additional requirement for commercial hazardous waste treatment facilities.

(a) As used in this section:

(1) "Commercial hazardous waste treatment facility" means any hazardous waste treatment facility which accepts hazardous waste from the general public or from another person for a fee, but does not include any facility owned or operated by a generator of hazardous waste solely for his own use, and does not include any facility owned by the State or by any agency or subdivision thereof solely for the treatment of hazardous waste generated by agencies or subdivisions of the State;

(2) "New", when used in connection with "facility", refers to a planned or proposed facility, or a facility which has not been placed in operation, but does not include facilities which have commenced operations as of June 22, 1987, including facilities operated under interim status;
(3) "Modified", when used in connection with "permit", means any change in any permit in force on or after June 22, 1987, which would either expand the scope of permitted operations, or extend the expiration date of the permit, or otherwise constitute a major modification of the permit as defined in Title 40, Part 270.41 of the Code of Federal Regulations (1 July 1986); and
(4) "7Q10 conditions", when used in connection with "surface water," refers to the minimum average flow for a period of seven consecutive days that has an average occurrence of once in 10 years as referenced in 15 NCAC 2B .0206(a)(3) as adopted February 1, 1976.

(b) No permit for any new commercial hazardous waste treatment facility shall be issued or become effective, and no permit for a commercial hazardous waste treatment facility shall be modified, until the applicant has satisfied the Department that such facility meets, in addition to all other applicable requirements, the following requirements:
(1) The facility shall not discharge directly a hazardous or toxic substance into a surface water that is upstream from a public drinking water supply intake in North Carolina, unless there is a dilution factor of 1000 or greater at the point of discharge into the surface water under 7Q10 conditions.
(2) The facility shall not discharge indirectly through a publicly owned treatment works (POTW) a hazardous or toxic substance into a surface water that is upstream from a public drinking water supply intake in North Carolina, unless there is a dilution factor of 1000 or greater, irrespective of any dilution occurring in a wastewater treatment plant, at the point of discharge into the surface water under 7Q10 conditions. (1987, c. 437, s. 1.)

Editor's Note. — Session Laws 1987, c. 437, which enacted this section, in s. 2 provided: "The provisions of this act are severable. If the Administrator of the United States Environmental Protection Agency concludes; pursuant to the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. § 6926; and Title 40, Part 271, Code of Federal Regulations G.S. 271.22 and .23, or in accordance with other applicable law and regulations; that any provision of this act will result in the withdrawal of approval of the North Carolina hazardous waste program, such provision is void. The Secretary, his designee, or other State official shall, upon receipt of notice of a decision by the Administrator that any provision of this act will result in withdrawal of program approval, certify to the Secretary of State that such provision is void. In the event that any provision of this act is voided pursuant to this section, it shall be revived only upon a subsequent reversal by the Administrator of his decision based on his determination that such provision is not in conflict with Environmental Protection Agency requirements for State program approval, or upon a reversal of the Administrator's initial decision by administrative or judicial review. The voiding of any provision of this act shall not affect other provisions of the act which can be given effect without the voided provision."

§ 130A-295.02. Resident inspectors required at commercial hazardous waste facilities; recovery of costs for same.

(a) The Division shall employ full-time resident inspectors for each commercial hazardous waste facility located within the State. Such inspectors shall be employed and assigned so that at least one inspector is on duty at all times during which any component of the facility is in operation, is undergoing any

maintenance or repair, or is undergoing any test or calibration. Resident inspectors shall be assigned to commercial hazardous waste management facilities so as to protect the public health and the environment, to monitor all aspects of the operation of such facilities, and to assure compliance with all laws and rules administered by the Division and by any other division of the Department. Such inspectors may also enforce laws or rules administered by any other agency of the State pursuant to an appropriate memorandum of agreement entered into by the Secretary and the chief administrative officer of such agency. The Division may assign additional resident inspectors to a facility depending upon the quantity and toxicity of waste managed at a facility, diversity of types of waste managed at the facility, complexity of management technologies utilized at the facility, the range of components which are included at the facility, operating history of the facility, and other factors relative to the need for on-site inspection and enforcement capabilities. The Division, in consultation with other divisions of the Department, shall define the duties of each resident inspector and shall determine whether additional resident inspectors are needed at a particular facility to meet the purposes of this section.

(b) The Division shall establish requirements pertaining to education, experience, and training for resident inspectors so as to assure that such inspectors are fully qualified to serve the purposes of this section. The Division shall provide its resident inspectors with such training, equipment, facilities, and supplies as may be necessary to fulfill the purposes of this section.

(c) As a condition of its permit, the owner or operator of each commercial hazardous waste facility located within the State shall provide and maintain such appropriate and secure offices and laboratory facilities as the Department may require for the use of the resident inspectors required by this section.

(d) Resident inspectors assigned to a commercial hazardous waste facility shall have unrestricted access to all operational areas of such facility at all times. For the protection of resident inspectors and the public, the provisions of G.S. 143-215.107(f) shall not apply to commercial hazardous waste facilities to which a resident inspector is assigned.

(e) No commercial hazardous waste facility shall be operated, undergo any maintenance or repair, or undergo any testing or calibration unless an inspector employed by the Division is present at the facility.

(f) The requirements of this section are intended to enhance the ability of the Department to protect the public health and the environment by providing the Department with the authority and resources necessary to maintain a rigorous inspection and enforcement program at commercial hazardous waste management facilities. The requirements of this section are intended to be supplementary to other requirements imposed on hazardous waste facilities. This section shall not be construed to relieve either the owner or the operator of any such facility or the Department from any other requirement of law or to require any unnecessary duplication of reporting or monitoring requirements.

(g) For the purpose of enforcing the laws and rules enacted or adopted for the protection of the public health and the environment, resident inspectors employed pursuant to this section may be commissioned as special peace officers as provided in G.S. 113-28.1. The provisions of Article 1A of Chapter 113 of the General Statutes shall apply to resident inspectors commissioned as special peace officers pursuant to this subsection.

(h) The Department shall determine the full cost of the employment and assignment of resident inspectors at each commercial hazardous waste facility located within the State. Such costs shall include, but are not limited to, costs incurred for salaries, benefits, travel, training, equipment, supplies, telecommunication and data transmission, offices and other facilities other than those provided by the owner or operator, and administrative expenses. The Depart-

ment shall establish and revise as necessary a schedule of fees to be assessed on the users of each such facility to recover the actual cost of the resident inspector program at that facility. The operator of each such facility shall serve as the collection agent for such fees, shall account to the Department on a monthly basis for all fees collected, and shall deposit with the Department all funds collected pursuant to this section within 15 days following the last day of the month in which such fees are collected. Fees collected under this section shall be credited to the General Fund as nontax revenue.

(i) The Division shall establish and revise as necessary a program for assigning resident inspectors to commercial hazardous waste facilities so that scheduled rotation or equivalent oversight procedures ensure that each resident inspector will maintain objectivity.

(j) For purposes of this subsection, special purpose commercial hazardous waste facilities include: a facility that manages limited quantities of hazardous waste; a facility that limits its hazardous waste management activities to reclamation or recycling, including energy or materials recovery or a facility that stores hazardous waste primarily for use at such facilities; or a facility that is determined to be low risk under rules adopted by the Commission pursuant to this subsection. The Commission shall adopt rules establishing reasonable times and frequencies for the presence of a resident inspector on less than a full-time basis at special purpose commercial hazardous waste facilities. Rules adopted pursuant to this subsection shall establish classifications of special purpose hazardous waste facilities based on factors including, but not limited to, the size of the facility, the type of treatment or storage being performed, the nature and volume of waste being treated or stored, the uniformity, similarity, or lack of diversity of the waste streams, the predictability of the nature of the waste streams and their treatability, whether the facility utilizes automated monitoring or safety devices that adequately perform functions that would otherwise be performed by a resident inspector, the fact that reclamation or recycling is being performed at the facility, and the compliance history of the facility and its operator. Special purpose commercial hazardous waste facilities shall be subject to inspection at all times during which the facility is in operation, undergoing any maintenance or repair, or undergoing any test or calibration. Rules adopted pursuant to this subsection shall specify a minimum number of inspections during such times as the facility is subject to inspection. Special purpose commercial hazardous waste facilities that utilize hazardous waste as a fuel source shall be inspected a minimum of 40 hours per week, unless compliance data for these facilities can be electronically monitored and recorded off-site by the Department. The Department, considering the benefits provided by electronic monitoring, shall determine the number of hours of on-site inspection required at these facilities. The Department shall maintain records of all inspections at special purpose commercial hazardous waste facilities. Such records shall contain sufficient detail and shall be arranged in a readily understandable format so as to facilitate determination at any time as to whether the special purpose commercial hazardous waste facility is in compliance with the requirements of this subsection and of rules adopted pursuant to this subsection.

(k) For purposes of this section, a facility that utilizes hazardous waste as a fuel or that has used hazardous waste as a fuel within the preceding calendar year, and that is an affiliate of and adjacent or contiguous to a commercial hazardous waste facility, shall be subject to inspection as a special purpose commercial hazardous waste facility under subsection (j) of this section as if the facility that utilizes hazardous waste as a fuel were a part of the commercial hazardous waste facility.

(*l*) As used in this section, the words "affiliate", "parent", and "subsidiary" have the same meaning as in 17 Code of Federal Regulations § 240.12b-2 (1 April 1990 Edition).

(m) The Department shall report annually on or before 1 September to the Environmental Review Commission on the implementation of the resident inspectors program. (1989 (Reg. Sess., 1990), c. 1082, s. 1; 1991, c. 20, s. 2; c. 403, s. 4; c. 450, s. 2; 1993, c. 511, s. 1; c. 513, s. 2(b); c. 553, s. 41; 1995, c. 327, s. 1.)

§ 130A-295.03. Additional requirement for hazardous waste disposal facilities; hazardous waste to be placed in containers.

(a) For purposes of this section, the term "container" means any portable device into which waste is placed for storage, transportation, treatment, disposal, or other handling, and includes the first enclosure which encompasses the waste.

(b) All hazardous waste shall be placed in containers for disposal, except as the Commission shall provide for by rule. The Commission shall adopt standards for the design and construction of containers for disposal. Standards for containers may vary for different types of waste. The standards for disposal containers may supplement or duplicate any of the performance or engineering standards for hazardous waste disposal facilities required under State or federal law; however, the performance or engineering standards for hazardous waste disposal facilities are separate and cumulative, and the performance or engineering standards for hazardous waste disposal facilities and containers may not substitute for or replace one another. (1991, c. 450, s. 1; c. 761, s. 22.)

§ 130A-295.1. (See Editor's note) Limitations on permits for sanitary landfills.

Editor's Note. — G.S. 130A-295.1 was enacted as a provision in an appropriations bill (Session Laws 1985, c. 757, s. 157) and the Revisor of Statutes directed its codification and assigned it G.S. section number § 130A-295.1. Session Laws 1985, c. 757, s. 210 provided: "Except for statutory changes and other provisions that are clearly intended to have an effect beyond the 1985-87 fiscal biennium, the textual provisions of this act apply only to funds appropriated for and activities occurring during the 1985-87 fiscal biennium." The Revisor of Statutes has directed that the section now be removed as inapplicable pursuant to s. 210.

§ 130A-296: Repealed by Session Laws 1993, c. 501, s. 15.

§ 130A-297. Receipt and distribution of funds.

The Department may accept loans and grants from the federal government and other sources for carrying out the purposes of this Article, and shall adopt reasonable policies governing the administration and distribution of funds to units of local government, other State agencies, and private agencies, institutions or individuals for studies, investigations, demonstrations, surveys, planning, training, and construction or establishment of solid waste management facilities. (1969, c. 899; 1973, c. 476, s. 128; 1977, 2nd Sess., c. 1216; 1983, c. 1891, s. 2.)

§ 130A-298. Hazardous waste fund.

A nonreverting hazardous waste fund is established within the Department which shall be available to defray the cost to the State for monitoring and care of hazardous waste disposal facilities after the termination of the period during which the facility operator is required by applicable State and federal statutes, rules or regulations to remain responsible for post-closure monitoring and

care. The establishment of this fund shall in no way be construed to relieve or reduce the liability of facility operators or any persons for damages caused by the facility. The fund shall be maintained by fees collected pursuant to the provisions of G.S. 130A-294(a)(6). (1981, c. 704, s. 7; 1983, c. 891, s. 2; 1989, c. 168, s. 25.)

§ 130A-299. Single agency designation.

The Department is designated as the single State agency for purposes of RCRA or any State or federal legislation enacted to promote the proper management of solid waste. (1969, c. 899; 1973, c. 476, s. 128; 1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2; 1989, c. 168, s. 26.)

See opinion of Attorney General to Mr. Robert B. Jordan, III, Lieutenant Governor, 58 N.C.A.G. 57 (1988).

§ 130A-300. Effect on laws applicable to water pollution control.

This Article shall not be construed as amending, repealing or in any manner abridging or interfering with those sections of the General Statutes of North Carolina relative to the control of water pollution as now administered by the Environmental Management Commission nor shall the provisions of this Article be construed as being applicable to or in any way affecting the authority of the Environmental Management Commission to control the discharges of wastes to the waters of the State as provided in Articles 21 and 21A, Chapter 143 of the General Statutes. (1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2.)

OPINIONS OF ATTORNEY GENERAL

As to North Carolina prohibition of the dumping of waste materials such as bags of medical refuse, especially that which may be hazardous or infectious, into the Atlantic Ocean, the authority of North Carolina with respect to dumping beyond three miles in the ocean which results in wastes entering State waters or being deposited on the State shores and the extent State law applies to such events and what departments are responsible for enforcing such laws. § 130A-301. Recordation of permits for disposal of waste on land and Notice of Open Dump.

(a) Whenever the Department approves a permit for a sanitary landfill or a facility for the disposal of hazardous waste on land, the owner of the facility shall be granted both an original permit and a copy certified by the Secretary. The permit shall include a legal description of the site that would be sufficient as a description in an instrument of conveyance.

(b) The owner of a facility granted a permit for a sanitary landfill or a facility for the disposal of hazardous waste on land shall file the certified copy

of the permit in the office of the register of deeds in the county or counties in which the land is located.

(c) The register of deeds shall record the certified copy of the permit and index it in the grantor index under the name of the owner of the land.

(d) The permit shall not be effective unless the certified copy is filed as required under subsection (b) of this section.

(e) When a sanitary landfill or a facility for the disposal of hazardous waste on land is sold, leased, conveyed or transferred, the deed or other instrument of transfer shall contain in the description section in no smaller type than that used in the body of the deed or instrument a statement that the property has been used as a sanitary landfill or a disposal site for hazardous waste and a reference by book and page to the recordation of the permit.

(f) When the Department determines that an open dump exists, the Department shall notify the owner or operator of the open dump of applicable requirements to take remedial action at the site of the open dump to protect public health and the environment. If the owner or operator fails to take remedial action, the Department may record a Notice of Open Dump in the office of the register of deeds in the county or counties where the open dump is located. Not less than 30 days before recording the Notice of Open Dump, the Department shall notify the owner or operator of its intention to file a Notice of Open Dump. The Department may notify the owner or operator of its intention to file a Notice of Open Dump at the time it notifies the owner or operator of applicable requirements to take remedial action. An owner or operator may challenge a decision of the Department to file a Notice of Open Dump by filing a contested case under Article 3 of Chapter 150B of the General Statutes. If an owner or operator challenges a decision of the Department to file a Notice of Open Dump, the Department shall not file the Notice of Open Dump until the contested case is resolved, but may file a notice of pending litigation under Article 11 of Chapter 1 of the General Statutes. This power is additional and supplemental to any other power granted to the Department. This subsection does not repeal or supersede any statute or rule requiring or authorizing record notice by the owner.

(1) The Department shall file the Notice of Open Dump in the office of the register of deeds in substantially the following form:

"NOTICE OF OPEN DUMP

The Division of Waste Management of the North Carolina Department of Environment and Natural Resources has determined that an open dump exists on the property described below. The Department provides the following information regarding this open dump as a public service. This Notice is filed pursuant to G.S. 130A-301(f).

Name(s) of the record owner(s): _____

Description of the real property: _____

Description of the particular area where the open dump is located: _

Any person who has questions regarding this Notice should contact the Division of Waste Management of the North Carolina Department of Environment and Natural Resources. The contact person for this Notice is: _____ who may be reached by telephone at _____ or by mail at _____. Requests for inspection and copying of public records regarding this open dump may be directed to _____ who may be reached by telephone at _____ or by mail at _____.

_____

Secretary of Environment and Natural Resources by _____ Date: _____."

(2) The description of the particular area where the open dump is located shall be based on the best information available to the Department but need not be a survey plat that meets the requirements of G.S. 47-30 unless a survey plat that meets those requirements and that is approved by the Department is furnished by the owner or operator.
(3) The register of deeds shall record the Notice of Open Dump and index it in the grantor index under the name of the record owner or owners. After recording the Notice of Open Dump, the register of deeds shall return the Notice of Open Dump to the Department in care of the person listed as the contact person in the Notice of Open Dump.
(4) When the owner removes all solid waste from the open dump site to the satisfaction of the Department, the Department shall file a Cancellation of the Notice of Open Dump. The Cancellation shall be in a form similar to the original Notice of Open Dump and shall state that all the solid waste that constituted the open dump has been removed to the satisfaction of the Department. The Cancellation shall be filed and indexed in the same manner as the original Notice of Open Dump. (1973, c. 444; c. 476, s. 128; 1977, 2nd Sess., c. 1216; 1981, c. 480, s. 3; 1983, c. 891, s. 2; 1997-330, s. 2; 1997-443, s. 11A.119(b).)

§ 130A-301.1. Land clearing and inert debris landfills with a disposal area of 1/2 acre or less; recordation.

(a) No landfill for the on-site disposal of land clearing and inert debris shall, at the time the landfill is sited, be sited 50 feet or less from a boundary of an adjacent property.
(b) The owner of a landfill for the on-site disposal of land clearing and inert debris shall file a certified copy of a survey of the property on which the landfill is located in the register of deeds' office in the county in which the property is located, which survey shall accurately show the location of the landfill and the record owner of the land on which the landfill is situated.
(c) Prior to the lease or conveyance of any lot or tract of land which directly abuts or is contiguous to the disposal area used for land clearing and inert debris, the owner of the lot or tract shall prepare a document disclosing that a portion of the property has been used as a disposal area for land clearing and inert debris or has been used to meet applicable minimum buffer requirements. The disclosure shall include a legal description of the property that would be sufficient in an instrument of conveyance and shall be filed in the register of deeds office prior to any lease or conveyance.
(d) No public, commercial, or residential building shall be located or constructed on the property, or any portion of the property on which the landfill for the on-site disposal of land clearing and inert debris is located, 50 feet or less from the landfill. Construction of such buildings, with the exception of site preparation and foundation work, shall not commence until after closure of the on-site land clearing and inert debris landfill.
(e) Source reduction methods including, but not limited to, chipping and mulching of land clearing and inert debris shall be utilized to the maximum degree technically and economically feasible.
(f) The Department of Transportation is exempt from subsections (b) and (c) of this section for the on-site disposal of land clearing and inert debris on highway rights-of-way. (1993 (Reg. Sess., 1994), c. 580, s. 2.)

§ 130A-301.2: Expired September 30, 2003, pursuant to Session Laws 1995, c. 502, s. 4, as amended by Session Laws 2001-357, s. 2.

Editor's Note. — Section 4 of Session Laws 1995, c. 502, which enacted this section effective July 28, 1995, as amended by Session Laws 2001-357, s. 2, provides that this section expires September 30, 2003.

§ 130A-302. Sludge deposits at sanitary landfills.

Sludges generated by the treatment of wastewater discharges which are point sources subject to permits granted under Section 402 of the Federal Water Pollution Control Act, as amended (P.L. 92-500), or permits generated under G.S. 143-215.1 by the Environmental Management Commission shall not be deposited in or on a sanitary landfill permitted under this Article unless in a compliance with the rules concerning solid waste adopted under this Article. (1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2.)

§ 130A-303. Imminent hazard.

(a) The judgement of the Secretary that an imminent hazard exists concerning solid waste shall be supported by findings of fact made by the Secretary.

(b) In order to eliminate an imminent hazard, the Secretary may, without notice or hearing, issue an order requiring that immediate action be taken to protect the public health or the environment. This order may be directed to a generator or transporter of solid waste or to the owner or operator of a solid waste management facility. Where the imminent hazard is caused by an inactive hazardous substance or waste disposal site, the Secretary shall follow the procedures set forth in G.S. 130A-310.5. (1977, 2nd Sess., c. 1216; 1981, c. 704, s. 7; 1983, c. 891, s. 2; 1987, c. 574, s. 3.)

§ 130A-304. Confidential information protected.

(a) The following information received or prepared by the Department in the course of carrying out its duties and responsibilities under this Article is confidential information and shall not be subject to disclosure under G.S. 132-6:

(1) Information which the Secretary determines is entitled to confidential treatment pursuant to G.S. 132-1.2. If the Secretary determines that information received by the Department is not entitled to confidential treatment, the Secretary shall inform the person who provided the information of that determination at the time such determination is made. The Secretary may refuse to accept or may return any information that is claimed to be confidential that the Secretary determines is not entitled to confidential treatment.

(2) Information that is confidential under any provision of federal or state law.

(3) Information compiled in anticipation of enforcement or criminal proceedings, but only to the extent disclosure could reasonably be expected to interfere with the institution of such proceedings.

(b) Confidential information may be disclosed to officers, employees, or authorized representatives of federal or state agencies if such disclosure is necessary to carry out a proper function of the Department or the requesting agency or when relevant in any proceeding under this Article.

(c) Except as provided in subsection (b) of this section or as otherwise provided by law, any officer or employee of the State who knowingly discloses information designated as confidential under this section shall be guilty of a Class 1 misdemeanor and shall be removed from office or discharged from employment. OPINIONS OF ATTORNEY GENERAL

Determination of Confidentiality of Information. — Department of Environment and Natural Resources staff should review requests for information by determining whether any of the exemptions from disclosure authorized by the North Carolina Public Records Act apply to the information received or prepared by the department in the course of carrying out its duties and responsibilities under Article 9 of Chapter 130A, G.S. 130A-290 et seq. Department staff must also determine whether such information is subject to any of the exemptions from disclosure pursuant to the Freedom of Information Act (FOIA), either by identifying whether such information was received by a federal agency with the stipulation that it be kept confidential pursuant to a specific FOIA provision or by examining the relevant memorandum of agreement or similar document which should identify the types of documents that the federal agency expects to be treated as confidential pursuant to FOIA. Information at issue must acquire its confidential status pursuant to federal law. See opinion of Attorney General to Mr. Daniel McLawhorn, Office of General Counsel, Department of Environment and Natural Resources, 2001 N.C. AG LEXIS 1 (1/4/2001).

§ 130A-305. Construction.

This Article shall be interpreted as enabling the State to obtain federal financial assistance in carrying out its solid waste management program and to obtain the authority needed to assume primary enforcement responsibility for that portion of the solid waste management program concerning the management of hazardous waste. (1983, c. 891, s. 2.)

§ 130A-306. Emergency Response Fund.

There is established under the control and direction of the Department, an Emergency Response Fund which shall be a nonreverting fund consisting of any money appropriated for such purpose by the General Assembly or available to it from grants, fees, charges, and other money paid to or recovered by or on behalf of the Department pursuant to this Article, except fees and penalties specifically designated by this Article for some other use or purpose. The Emergency Response Fund shall be treated as a special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Fund shall be used to defray expenses incurred by the Department in developing and implementing an emergency hazardous waste remedial plan and to reimburse any federal, State or local agency and any agent or contractor for expenses incurred in developing and implementing such a plan that has been approved by the Department. These funds shall be used upon a determination that sufficient funds or corrective action cannot be obtained from other sources without incurring a delay that would significantly increase the threat to life or risk of damage to the

environment. This Fund may not exceed five hundred thousand dollars ($500,000); money in excess of five hundred thousand dollars ($500,000) shall be deposited in the Inactive Hazardous Sites Cleanup Fund. The Secretary is authorized to take the necessary action to recover all costs incurred by the State for site investigation and the development and implementation of an emergency hazardous waste remedial plan, including attorney's fees and other expenses of bringing the cost recovery action from the responsible party or parties. The provisions of G.S. 130A-310.7 shall apply to actions to recover costs under this section except that: (i) reimbursement shall be to the Emergency Response Fund and (ii) the State need not show that it has complied with the provisions of Part 3 of this Article. (1983 (Reg. Sess., 1984), c. 1034, s. 74; 1989, c. 286, s. 1; 1998-215, s. 54(b).)

§ 130A-307: Reserved for future codification purposes.

§ 130A-308. Continuing releases at permitted facilities; notification of completed corrective action.

(a) Standards adopted under G.S. 130A-294(c) and a permit issued under G.S. 130A-294(c) shall require corrective action for all releases of hazardous waste or constituents from any solid waste management unit at a treatment, storage, or disposal facility seeking a permit under G.S. 130A-294(c), regardless of the time at which waste was placed in such unit. Permits issued under G.S. 130A-294(c) which implement Section 3005 of RCRA (42 U.S.C. § 6925) shall contain schedules of compliance for such corrective action (where such corrective action cannot be completed prior to issuance of the permit) and assurances of financial responsibility for completing such corrective action. Notwithstanding any other provision of this section, this section shall apply only to units, facilities, and permits that are covered by Section 3004(u) of RCRA (42 U.S.C. § 6924(u)). Notwithstanding the foregoing, corrective action authorized elsewhere in this Chapter shall not be limited by this section.

(b) The definitions set out in G.S. 130A-310.31(b) apply to this subsection. Any person may submit a written request to the Department for a determination that a corrective action for a release of a hazardous waste or constituents from a solid waste management unit that is a treatment, storage, or disposal facility permitted under G.S 130A-294(c) has been completed to unrestricted use standards. A request for a determination that a corrective action at a facility has been completed to unrestricted use standards shall be accompanied by the fee required by G.S. 130A-310.39(a)(2). If the Department determines that the corrective action at a facility has been completed to unrestricted use standards, the Department shall issue a written notification that no further corrective action will be required at the facility. The notification shall state that no further corrective action will be required at the facility unless the Department later determines, based on new information or information not previously provided to the Department, that the corrective action at the facility has not been completed to unrestricted use standards or that the Department was provided with false or incomplete information. Under any of those circumstances, the Department may withdraw the notification and require responsible parties to take corrective action at a facility to bring the facility into compliance with unrestricted use standards. (1985, c. 738, s. 4; 1989, c. 168, s. 27; 1997-357, s. 4; 2001-384, s. 11.)

Editor's Note. — Session Laws 1997-357, s. 8, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. The Department of Environment, Health, and Natural Resources (now the Department of Environment and Natural Resources) shall implement the provisions of this act from funds otherwise available or appropriated to the Department."

Session Laws 2001-384, s. 13, provides: "This act becomes effective 1 September 2001. This act applies to any cleanup of a discharge or release of petroleum from an underground storage tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes except that land-use restrictions and recordation of residual contamination are not required with respect to a discharge or release of petroleum for which the Department of Environment and Natural Resources issued a determination that no further action is required prior to 1 September 2001."

§ 130A-309. Corrective actions beyond facility boundary.

Standards adopted under G.S. 130A-294(c) shall require that corrective action be taken beyond the facility boundary where necessary to protect human health and the environment unless the owner or operator of the facility concerned demonstrates to the satisfaction of the Department that, despite the owner or operator's best efforts, the owner or operator was unable to obtain the necessary permission to undertake such action. Such standards shall take effect upon adoption and shall apply to:

(1) All facilities operating under permits issued under G.S. 130A-294(c); and

(2) All disposal facilities, surface impoundments, and waste pile units (including any new units, replacements of existing units or lateral expansions of existing units) which receive hazardous waste after July 26, 1982.

Pending adoption of such rules, the Department shall issue corrective action orders for facilities referred to in (1) and (2), on a case-by-case basis, consistent with the purposes of this section. Notwithstanding any other provision of this section, this section shall apply only to units, facilities, and permits that are covered by Section 3004(v) of RCRA (42 U.S.C. § 6924(v)). Notwithstanding the foregoing, corrective action authorized elsewhere in this Chapter shall not be limited by this section. (1985, c. 738, s. 4; 1989, c. 168, s. 28.)

Part 2A. Nonhazardous Solid Waste Management.

§ 130A-309.01. Title.

This Part may be cited as the Solid Waste Management Act of 1989. (1989, c. 784, s. 2.)

Cross References. — As to provisions for regional solid waste management authorities, see Article 22 of Chapter 153A, G.S. 153A-421 et seq.

§ 130A-309.02. Applicability.

This Part shall apply to solid waste other than hazardous waste and sludges. (1989, c. 784, s. 2.)

§ 130A-309.03. Findings, purposes.

(a) The General Assembly finds that:

(1) Inefficient and improper methods of managing solid waste create hazards to public health, cause pollution of air and water resources,

constitute a waste of natural resources, have an adverse effect on land values, and create public nuisances.

(2) Problems of solid waste management have become a matter statewide in scope and necessitate State action to assist local governments in improving methods and processes to promote more efficient methods of solid waste collection and disposal.

(3) The continuing technological progress and improvements in methods of manufacture, packaging, and marketing of consumer products have resulted in an ever-mounting increase of the mass of material discarded by the purchasers of the products, thereby necessitating a statewide approach to assisting local governments around the State with their solid waste management programs.

(4) The economic growth and population growth of our State have required increased industrial production together with related commercial and agricultural operations to meet our needs, which have resulted in a rising tide of unwanted and discarded materials.

(5) The failure or inability to economically recover material and energy resources from solid waste results in the unnecessary waste and depletion of our natural resources; such that, maximum resource recovery from solid waste and maximum recycling and reuse of the resources must be considered goals of the State.

(6) Certain solid waste, due to its quantity; concentration; or physical, chemical, biological, or infectious characteristics; is exceptionally hazardous to human health, safety, and to the environment; such that exceptional attention to the transportation, disposal, storage, and treatment of the waste is necessary to protect human health, safety, and welfare; and to protect the environment.

(7) This Part should be integrated with other State laws and rules and applicable federal law.

(b) It is the purpose of this Part to:

(1) Regulate in the most economically feasible, cost-effective, and environmentally safe manner the storage, collection, transport, separation, processing, recycling, and disposal of solid waste in order to protect the public health, safety, and welfare; enhance the environment for the people of this State; and recover resources which have the potential for further usefulness.

(2) Establish and maintain a cooperative State program of planning, technical assistance, and financial assistance for solid waste management.

(3) Require counties and municipalities to adequately plan and provide efficient, environmentally acceptable solid waste management programs; and require counties to plan for proper hazardous waste management.

(4) Require review of the design, and issue permits for the construction, operation, and closure of solid waste management facilities.

(5) Promote the application of resource recovery systems that preserve and enhance the quality of air, water, and land resources.

(6) Ensure that exceptionally hazardous solid waste is transported, disposed of, stored, and treated in a manner adequate to protect human health, safety, and welfare; and the environment.

(7) Promote the reduction, recycling, reuse, or treatment of solid waste, specifically including hazardous waste, in lieu of disposal of the waste.

(8) Promote methods and technology for the treatment, disposal, and transportation of hazardous waste which are practical, cost-effective, and economically feasible.

(9) Encourage counties and municipalities to utilize all means reasonably available to promote efficient and proper methods of managing solid

waste and to promote the economical recovery of material and energy resources from solid waste, including contracting with persons to provide or operate resource recovery services or facilities on behalf of the county or municipality.

(10) Promote the education of the general public and the training of solid waste professionals to reduce the production of solid waste, to ensure proper disposal of solid waste, and to encourage recycling.

(11) Encourage the development of waste reduction and recycling as a means of managing solid waste, conserving resources, and supplying energy through planning, grants, technical assistance, and other incentives.

(12) Encourage the development of the State's recycling industry by promoting the successful development of markets for recycled items and by promoting the acceleration and advancement of the technology used in manufacturing processes that use recycled items.

(13) Give the State a leadership role in recycling efforts by granting a preference in State purchasing to products with recycled content.

(14) Require counties to develop and implement recycling programs so that valuable materials may be returned to productive use, energy and natural resources conserved, and the useful life of solid waste management facilities extended.

(15) Ensure that medical waste is transported, stored, treated, and disposed of in a manner sufficient to protect human health, safety, and welfare; and the environment.

(16) Require counties, municipalities, and State agencies to determine the full cost of providing storage, collection, transport, separation, processing, recycling, and disposal of solid waste in an environmentally safe manner; and encourage counties, municipalities, and State agencies to contract with private persons for any or all the services in order to assure that the services are provided in the most cost-effective manner. (1989, c. 784, s. 2.)

§ 130A-309.04. State solid waste management policy and goals.

(a) It is the policy of the State to promote methods of solid waste management that are alternatives to disposal in landfills and to assist units of local government with solid waste management. In furtherance of this State policy, there is established a hierarchy of methods of managing solid waste, in descending order of preference:

(1) Waste reduction at the source;
(2) Recycling and reuse;
(3) Composting;
(4) Incineration with energy recovery;
(5) Incineration without energy recovery;
(6) Disposal in landfills.

(b) It is the policy of the State to encourage research into innovative solid waste management methods and products and to encourage regional solid waste management projects.

(c) It is the goal of this State to reduce the municipal solid waste stream, primarily through source reduction, reuse, recycling, and composting, by forty percent (40%) on a per capita basis by 30 June 2001.

(1), (2) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 8.

(c1) To measure progress toward the municipal solid waste reduction goal in a given year, comparison shall be made between the amount by weight of the municipal solid waste that, during the baseline year and the given year, is received at municipal solid waste management facilities and is:

(1) Disposed of in a landfill;

(2) Incinerated;

(3) Converted to tire-derived fuel; or

(4) Converted to refuse-derived fuel.

(c2) Comparison shall be between baseline and given years beginning on 1 July and ending on 30 June of the following year. The baseline year shall be the year beginning 1 July 1991 and ending 30 June 1992. However, a unit of local government may use an earlier baseline year if it demonstrates to the satisfaction of the Department that it has sufficient data to support the use of the earlier baseline year.

adequacy of collection services and disposal capacity to meet local needs and to protect human health and the environment. Each unit of local government shall implement programs and take other actions that it determines are necessary to address deficiencies in service or capacity required to meet local needs and to protect human health and the environment. A unit of local government may adopt ordinances governing the disposal, in facilities that it operates, of solid waste generated outside of the area designated to be served by the facility. Such ordinances shall not be construed to apply to privately operated disposal facilities located within the boundaries of the unit of local government.

§ 130A-309.09B. Local government waste reduction programs.

(a) Each unit of local government shall establish and maintain a solid waste reduction program that will enable the unit of local government to meet the local solid waste reduction goals established pursuant to G.S. 130A-309.09A(b)(2). The following requirements shall apply:

(1) Demolition debris consisting of used asphalt or used asphalt mixed with dirt, sand, gravel, rock, concrete, or similar nonhazardous material may be used as fill and need not be disposed of in a permitted landfill or solid waste disposal facility, provided that demolition debris may not be placed in the waters of the State or at or below the seasonal high water table.

(2) Repealed by Session Laws 1991, c. 621, s. 8.

(3) Units of local government are encouraged to separate marketable plastics, glass, metal, and all grades of paper for recycling prior to final disposal and are further encouraged to recycle yard trash and other organic solid waste into compost available for agricultural and other acceptable uses.

(b) To the maximum extent practicable, units of local government should participate in the preparation and implementation of joint waste reduction and solid waste management programs, whether through joint agencies established pursuant to G.S. 153A-421, G.S. 160A-462, or any other means provided by law. Nothing in a county's solid waste management or waste reduction program shall affect the authority of a municipality to franchise or otherwise provide for the collection of solid waste generated within the boundaries of the municipality.

(c) through (e) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 14.

(f) A county or counties and its or their municipalities may jointly determine, through a joint agency established pursuant to G.S. 153A-421 or G.S. 160A-462, which local governmental agency shall administer a solid waste management or waste reduction program.

(g) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 14. (1989, c. 784, s. 2; 1989 (Reg. Sess., 1990), c. 1009, s. 4; 1991, c. 537, s. 2; c. 621, s. 8; 1993, c. 86, s. 1; 1995 (Reg. Sess., 1996), c. 594, s. 14.)

§ 130A-309.09C. Additional powers of local governments; construction of this Part; effect of noncompliance.

Nothing in this Part or in any special or local act or in any rule adopted by any agency shall be construed to limit the authority of a municipality to regulate the disposal of solid waste located within its boundaries or generated within its boundaries so long as a facility for any such disposal has been approved by the Department, unless the municipality is included within a solid waste management program created under a joint agency or special or local act. If bonds had been issued to finance a solid waste management program in reliance on State law granting to a unit of local government, a region, or a special district the responsibility for the solid waste management program, nothing herein shall permit any governmental agency to withdraw from the program if the agency's participation is necessary for the financial feasibility of the project, so long as the bonds are outstanding.

(e) Nothing in this Part or in any rule adopted by any State agency pursuant to this Part shall require any person to subscribe to any private solid waste collection service.

(f) In the event a region, special district, or other entity by special act or joint agency, has been established to manage solid waste, any duty or responsibility or penalty imposed under this Part on a unit of local government shall apply to such region, special district, or other entity to the extent of the grant of the duty or responsibility or imposition of such penalty. To the same extent, such region, special district, or other entity shall be eligible for grants or other benefits provided pursuant to this Part.

(g) In addition to any other penalties provided by law, a unit of local government that does not comply with the requirements of G.S. 130A-309.09A(b) and G.S. 130A-309.09B(a) shall not be eligible for grants from the Solid Waste Management Trust Fund, the Scrap Tire Disposal Account, or the White Goods Management Account and shall not receive the proceeds of the scrap tire disposal tax imposed by Article 5B of Chapter 105 of the General Statutes or the proceeds of the white goods disposal tax imposed by Article 5C of Chapter 105 of the General Statutes to which the unit of local government would otherwise be entitled. The Secretary shall notify the Secretary of Revenue to withhold payment of these funds to any unit of local government that fails to comply with the requirements of G.S. 130A-309.09A(b) and G.S. 130A-309.09B(a). Proceeds of the scrap tire disposal tax that are withheld pursuant to this subsection shall be credited to the Scrap Tire Disposal Account and may be used as provided in G.S. 130A-309.63. Proceeds of the white goods disposal tax that are withheld pursuant to this subsection shall be credited to the White Goods Management Account and may be used as provided in G.S. 130A-309.83. (1989, c. 784, s. 2; 1989 (Reg. Sess., 1990), c. 1009, s. 4; 1991, c. 621, s. 9; 1995 (Reg. Sess., 1996), c. 594, s. 15.)

(b) On or before 1 August, the owner or operator of a privately owned solid waste management facility shall report to the Department, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, the reports shall indicate by weight the county of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county from which solid waste originated.

(c) A generator of industrial solid waste that owns and operates an industrial solid waste facility for the management of industrial solid waste generated by that generator shall develop a 10-year waste management plan. The plan shall be updated at least every three years. In order to assure compliance with this subsection, each generator to which this subsection applies shall provide the Department with a copy of its current plan upon request by the Department. Each generator to which this subsection applies shall file a report on its implementation of the plan required by this subsection with the Department by 1 August of each year. A generator to which this subsection applies may provide the Department with a copy of a current plan prepared pursuant to an ordinance adopted by a unit of local government or prepared for any other purpose if the plan meets the requirements of this subsection. The arrowhead of each arrow shall be at the midpoint of each side of the triangle with a short gap separating the arrowhead from the base of the adjacent arrow. The triangle formed by the three arrows curved at their midpoints shall depict a clockwise path around the code number. The label shall appear on or near the bottom of the container and be clearly visible. A container having a capacity of less than eight fluid ounces or more than five gallons is exempt from the requirements of this subsection. The numbers and letters shall be as follows:

(j) The Department may issue a permit pursuant to this Article for an incinerator that is subject to subsection (f1) of this section only if the applicant for the permit has a plan approved by the Department pursuant to this subsection. The applicant shall file the plan at the time of the application for the permit. The Department shall approve a plan only if it complies with the requirements of this subsection. The plan shall provide for the implementation of a program to prevent the incineration of the solid waste listed in subsection (f1) of this section. The program shall include the random visual inspection prior to incineration of at least ten percent (10%) of the solid waste to be incinerated. The program shall also provide for the retention of the records of the random visual inspections and the training of personnel to recognize the solid waste listed in subsection (f1) of this section. If a random visual inspection discovers solid waste that may not be incinerated pursuant to subsection (f1) of this section, the program shall provide that the operator of the incinerator shall dispose of the solid waste in accordance with applicable federal and State laws, regulations, and rules. This subsection does not apply to an incinerator that disposes only of medical waste. (1989, c. 784, s. 2; 1991, c. 23, s. 1; c. 375, s. 1; 1991 (Reg. include a compliance schedule that requires existing small municipal waste combustion units to achieve final compliance with the rules on and after 1 December 2004. The Environmental Management Commission shall amend rules adopted pursuant to Section 3.4 of S.L. 2001-440 to conform to the requirements of this section."

§ 130A-309.11. Compost standards and applications.

(a) In order to protect the State's land and water resources, compost produced, utilized, or disposed of by the composting process at solid waste management facilities in the State must meet criteria established by the Department.

(b) The Commission shall adopt rules to establish standards for the production of compost. Rules shall be adopted not later than 24 months after the initiation of rule making. Such rules shall include:

(1) Requirements necessary to produce hygienically safe compost products for varying applications.

(2) A classification scheme for compost based on:

a. The types of waste composted, including at least one type containing only yard trash;

b. The maturity of the compost, including at least three degrees of decomposition for fresh, semi-mature, and mature; and

(1) Methods for measurement of the compost maturity.

(2) Particle sizes.

(3) Moisture content.

(4) Average levels of organic and inorganic constituents, including heavy metals, for such classes of compost as the Department establishes, and the analytical methods to determine those levels.

(d) The Commission shall adopt rules to prescribe the allowable uses and application rates of compost. Rules shall be adopted not later than 24 months after the initiation of rule making. Such rules shall be based on the following criteria:

(1) The total quantity of organic and inorganic constituents, including heavy metals, allowed to be applied through the addition of compost to the soil per acre per year.

(2) The allowable uses of compost based on maturity and type of compost.

(e) If compost is produced which does not meet the criteria prescribed by the Department for agricultural and other use, the compost must be reprocessed or disposed of in a manner approved by the Department, unless a different application is specifically permitted by the Department. (1989, c. 784, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 18.)

(4) Plastic bottles.

For each rest area that has recycling containers, the Department of Transportation shall install signs, or modify existing signs, that are proximately located to the rest area to notify motorists that the rest area has recycling containers.

(*l*) Any State agency or agency of a political subdivision of the State that is using State funds, or any person contracting with any agency with respect to work performed under contract, shall procure products of recycled steel if all of the following conditions are satisfied:

(1) The product must be acquired competitively within a reasonable time frame.

(e) Subsection (d) of this section applies only to that portion of the public used oil collection center used for the collection of used oil and does not apply if the owner or operator is grossly negligent in the operation of the public used oil collection center. Nothing in this section shall affect or modify in any way the obligations or liability of any person under any other provisions of State or federal law, including common law, for injury or damage resulting from a release of used oil or hazardous substances. For purposes of this section, the owner or operator of a used oil collection center may presume that a quantity of no more than five gallons of used oil accepted from any member of the public is not mixed with a hazardous substance, provided that the owner or operator acts in good faith. (1989, c. 784, s. 2.)

§ 130A-309.21. Incentives program.

(a) The Department is authorized to establish an incentives program for individuals who change their own oil to encourage them to return their used oil to a used oil collection center.

(b) The incentives used by the Department may involve the use of discount or prize coupons, prize drawings, promotional giveaways, or other activities the Department determines will promote collection, reuse, or proper disposal of used oil.

(c) The Department may contract with a promotion company to administer the incentives program. (1989, c. 784, s. 2.)

§ 130A-309.22. Grants to local governments.

(a) The Department shall develop a grants program for units of local government to encourage the collection, reuse, and proper disposal of used oil. No grant may be made for any project unless the project is approved by the Department.

(b) The Department shall consider for grant assistance any unit of local government project that uses one or more of the following programs or any activity that the Department feels will reduce the improper disposal and reuse of used oil:

(1) Curbside pickup of used oil containers by a unit of local government or its designee.

(2) Retrofitting of solid waste equipment to promote curbside pickup or disposal of used oil at used oil collection centers designated by the unit of local government.

(3) Establishment of publicly operated used oil collection centers at landfills or other public places.

(4) Providing containers and other materials and supplies that the public can utilize in an environmentally sound manner to store used oil for pickup or return to a used oil collection center.

(5) Providing incentives for the establishment of privately operated public used oil collection centers.

(c) Eligible projects shall be funded according to provisions established by the Department; however, no grant may exceed twenty-five thousand dollars ($25,000).

(d) The Department shall initiate rule making on or before 1 January 1991, necessary to carry out the purposes of this section. (1989, c. 784, s. 2.)

§ 130A-309.23. Certification of used oil transporters.

(a) Any person who transports over public highways after 1 January 1992, more than 500 gallons of used oil in any week must be a certified transporter or must be employed by a person who is a certified transporter.

(b) The Department of Transportation shall develop a certification program for transporters of used oil, and shall issue, deny, or revoke certifications authorizing the holder to transport used oil. Certification requirements shall help assure that a used oil transporter is familiar with appropriate rules and used oil management procedures.

(c) The Department of Transportation shall adopt rules governing certification, which shall include requirements for the following:

(1) Registration and annual reporting pursuant to G.S. 130A-309.17.

(2) Evidence of familiarity with applicable State laws and rules governing used oil transportation.

(3) Proof of liability insurance or other means of financial responsibility for any liability which may be incurred in the transport of used oil.

(4) Marking, by the certified transporter of used oil, of all vehicles which transport used oil or all containers of used oil when it is not feasible to mark the vehicle. The mark must clearly identify the certified used oil transporter and clearly indicate that the vehicle is used to transport used oil. The marking must be visible to others travelling on the highway. (1989, c. 784, s. 2; 1991, c. 488, s. 1.)

§ 130A-309.24. Permits for used oil recycling facilities.

(a) Each person who intends to operate, modify, or close a used oil recycling facility shall obtain an operation or closure permit from the Department prior to operating, modifying, or closing the facility.

(b) By 1 January 1992, the Department shall develop a permitting system for used or recycling facilities after reviewing and considering the applicability of the permit system for hazardous waste treatment, storage, or disposal facilities.

(c) Permits shall not be required under this section for the burning of used oil as a fuel, provided:

(1) A valid air permit issued by the Department is in effect for the facility; and

(2) The facility burns used oil in accordance with applicable United States Environmental Protection Agency regulations, local government regulations, and the requirements and conditions of its air permit.

(d) No permit is required under this section for the use of used oil for the beneficiation or flotation of phosphate rock. (1989, c. 784, s. 2.)

§ 130A-309.25. Training of operators of solid waste management facilities.

(a) The Department shall establish qualifications for, and encourage the development of training programs for, operators of incinerators, operators of landfills, coordinators of local recycling programs, and other solid waste management facilities.

(b) The Department shall work with accredited community colleges, vocational technical centers, State universities, and private institutions in developing educational materials, courses of study, and other such information to be made available for persons seeking to be trained as operators of solid waste management facilities.

(c) A person may not perform the duties of an operator of a solid waste management facility after 1 January 1998, unless he has completed an operator training course approved by the Department. An owner of a solid waste management facility may not employ any person to perform the duties of an operator unless the person has completed an approved solid waste management facility operator training course.

(d) The Commission may adopt rules and minimum standards to effectuate the provisions of this section and to ensure the safe, healthy, and lawful operation of solid waste management facilities. The Commission may establish, by rule, various classifications for operators to address the need for differing levels of training required to operate various types of solid waste management facilities due to different operating requirements at the facilities.

(e) In developing training programs for incinerator operators under this section, the Department shall establish and consult with ad hoc advisory groups to help coordinate the requirements under this section with other training programs for incinerator operators.

(f) This section does not apply to any operator of a solid waste management facility who has five years continuous experience as an operator of a solid waste management facility immediately preceding January 1, 1998, provided that the operator attends a course and completes the continuing education requirements approved by the Department. (1989, c. 784, s. 2; 1993, c. 29, s. 1; 1995 (Reg. Sess., 1996), c. 594, s. 19; 1997-443, s. 15.49(a).)

§ 130A-309.26. Regulation of medical waste.

(a) As used in this section:

(1) "Sharps" means needles, syringes, and scalpel blades.

(2) "Treatment" means any process, including steam sterilization, chemical treatment, incineration, and other methods approved by the Commission which changes the character or composition of medical waste so as to render it noninfectious.

(b) It is the intent of the General Assembly to protect the public health by establishing standards for the safe packaging, storage, treatment, and disposal of medical waste. The Commission shall adopt and the Department shall enforce rules for the packaging, storage, treatment, and disposal of:

(1) Medical waste at facilities where medical waste is generated;

(2) Medical waste from the point at which the waste is transported from the facility where it was generated;

(3) On-site and off-site treatment of medical waste; and

(4) The off-site transport, storage, treatment or disposal of medical waste.

(c) No later than 1 August 1990, the Commission shall adopt rules necessary to protect the health, safety, and welfare of the public and to carry out the purpose of this section. Such rules shall address, but need not be limited to, the packaging of medical waste, including specific requirements for the safe

packaging of sharps and the segregation, storage, treatment, and disposal of medical wastes at the facilities in which such waste is generated. (1989, c. 784, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 20.)

§ 130A-309.27. Landfill escrow account.

(a) As used in this section:

(1) "Owner or operator" means, in addition to the usual meanings of the term, any owner of record of any interest in land on which a landfill is or has been sited, and any person or corporation which owns a majority interest in any other corporation which is the owner or operator of a landfill.

(2) "Proceeds" means all funds collected and received by the Department, including interest and penalties on delinquent fees.

(b) Every owner or operator of a landfill is jointly and severally liable for the improper operation and closure of the landfill, as provided by law.

(c) The owner or operator of a landfill shall establish a fee, or a surcharge on existing fees or other appropriate revenue-producing mechanism, to ensure the availability of financial resources for the proper closure of the landfill. However, the disposal of solid waste by persons on their own property is exempt from the provisions of this section.

(1) The revenue-producing mechanism must produce revenue at a rate sufficient to generate funds to meet State and federal landfill closure requirements.

(2) The revenue shall be deposited in an interest-bearing escrow account to be held and administered by the owner or operator. The owner or operator shall file with the Department an annual audit of the account. The audit shall be conducted by a certified public accountant and shall be filed no later than 31 December of each year. Failure to collect or report this revenue, except as allowed in subsection (d), is a noncriminal violation, punishable by a fine of not more than five thousand dollars ($5,000) for each offense. The owner or operator may make expenditures from the account and its accumulated interest only for the purpose of landfill closure and, if such expenditures do not deplete the fund to the detriment of eventual closure, for planning and construction of resource recovery or landfill facilities. Any moneys remaining in the account after paying for proper and complete closure, as determined by the Department, shall, if the owner or operator does not operate a landfill, be deposited by the owner or operator into the general fund of the unit of local government.

(3) The revenue generated under this subsection and any accumulated interest thereon may be applied to the payment of, or pledged as security for, the payment of revenue bonds issued in whole or in part for the purpose of complying with State and federal landfill closure requirements. The application or pledge may be made directly in the proceedings authorizing the bonds or in an agreement with an insurer of bonds to assure the insurer of this additional security.

(d) An owner or operator may establish proof of financial responsibility with the Department in lieu of the requirements of subsection (c). This proof may include surety bonds, certificates of deposit, securities, letter of credit, corporate guarantee, or other documents showing that the owner or operator has sufficient financial resources to cover, at a minimum, the costs of complying with landfill closure requirements. The owner or operator shall estimate the costs to the satisfaction of the Department.

(e) This section does not repeal, limit, or abrogate any other law authorizing units of local government to fix, levy, or charge rates, fees, or charges for the purpose of complying with State and federal landfill closure requirements.

(f) The Commission shall adopt rules to implement this section. (1989, c. 784, s. 2.)

§ 130A-309.28. University research.

Research, training, and service activities related to solid and hazardous waste management conducted by The University of North Carolina shall be coordinated by the Board of Governors of The University of North Carolina through the Office of the President. Proposals for research contracts and grants; public service assignments; and responses to requests for information and technical assistance by the State and units of local government, business, and industry shall be addressed by a formal process involving an advisory board of university personnel appointed by the President and chaired and directed by an individual appointed by the President. The Board of Governors of The University of North Carolina shall consult with the Department in developing the research programs and provide the Department with a copy of the proposed research program for review and comment before the research is undertaken. Research contracts shall be awarded to independent nonprofit colleges and universities within the State which are accredited by the Southern Association of Colleges and Schools on the same basis as those research contracts awarded to The University of North Carolina. Research activities shall include the following areas:

(1) Methods and processes for recycling solid and hazardous waste;
(2) Methods of treatment for detoxifying hazardous waste; and
(3) Technologies for disposing of solid and hazardous waste. (1989, c. 784, s. 2.)

§ 130A-309.29. Adoption of rules.

The Commission may adopt rules to implement the provisions of this Part pursuant to Article 2A of Chapter 150B of the General Statutes. (1991, c. 621, s. 12; 2000-189, s. 12.)

Editor's Note. — Session Laws 1997-374, s. 1, provides: "The Commission for Health Services shall adopt a rule regarding design criteria for municipal solid wasted landfills that complies with 40 C.F.R. Part 258.40 (1 July 1996 Edition) and that provides for alternate landfills liners that are at least as protective as the liner currently authorized under the rules of the Commission for Health Services."

Session Laws 1997-374, s. 2, provides: "This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Commission for Health Services shall adopt the rule required by Section 1 of this act as a temporary rule no later than 1 July 1998."

§§ 130A-309.30 through 130A-309.50: Reserved for future codification purposes.

Part 2B. Scrap Tire Disposal Act.

§ 130A-309.51. Title.

This Part may be cited as the "North Carolina Scrap Tire Disposal Act." (1989, c. 784, s. 3.)

§ 130A-309.52. Findings; purpose.

(a) The General Assembly finds that:

(1) Scrap tire disposal poses a unique and troublesome solid waste management problem.

(2) Scrap tires are a usable resource that may be recycled for energy value.

(3) Uncontrolled disposal of scrap tires may create a public health and safety problem because tire piles act as breeding sites for mosquitoes and other disease-transmitting vectors, pose substantial fire hazards, and present a difficult disposal problem for landfills.

(4) A significant number of scrap tires are illegally dumped in North Carolina.

(5) It is in the State's best interest to encourage efforts to recycle or recover resources from scrap tires.

(6) It is desirable to allow units of local government to control tire disposal for themselves and to encourage multicounty, regional approaches to scrap tire disposal and collection.

(7) It is desirable to encourage reduction in the volume of scrap tires being disposed of at public sanitary landfills.

(b) The purpose of this Part is to provide statewide guidelines and structure for the environmentally safe disposal of scrap tires to be administered through units of local government. (1989, c. 784, s. 3.)

§ 130A-309.53. Definitions.

Unless a different meaning is required by the context, the following definitions shall apply throughout this Part:

(1) "Collection site" means a site used for the storage of scrap tires.

(2) "Disposal fee" is any amount charged by a tire collector, tire processor, or unit of local government in exchange for accepting scrap tires.

(3) "In-county scrap tire" means any scrap tire brought for disposal from inside the county in which the collection or processing site is located.

(4) "Out-of-county scrap tire" means any scrap tire brought for disposal from outside the county in which the collection or processing site is located.

(5) "Processing site" means a site actively used to produce or manufacture usable materials, including fuel, from scrap tires. Commercial enterprises processing scrap tires shall not be considered solid waste management facilities insofar as the provisions of G.S. 130A-294(a)(4) and G.S. 130A-294(b) are concerned.

(6) "Scrap tire" means a tire that is no longer suitable for its original, intended purpose because of wear, damage, or defect.

(7) "Tire" means a continuous solid or pneumatic rubber covering that encircles the wheel of a vehicle. Bicycle tires and other tires for vehicles propelled by human power are not subject to the provisions of this Part.

(8) "Tire collector" means a person who owns or operates a site used for the storage, collection, or deposit of more than 50 scrap tires.

(9) "Tire hauler" means a person engaged in the picking up or transporting of scrap tires for the purpose of storage, processing, or disposal.

(10) "Tire processor" means a person who engages in the processing of scrap tires or one who owns or operates a tire processing site.

(11) "Tire retailer" means a person who engages in the retail sale of a tire in any quantity for any use or purpose by the purchaser other than for resale. (1989, c. 784, s. 3; 1991, c. 221, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 21.)

§ 130A-309.54. Use of scrap tire tax proceeds.

Article 5B of Chapter 105 imposes a tax on new tires to provide funds for the disposal of scrap tires. A county may use proceeds of the tax distributed to it under that Article only for the disposal of scrap tires pursuant to the provisions of this Part or for the abatement of a nuisance pursuant to G.S. 130A-309.60. (1989, c. 784, s. 3; 1991, c. 221, s. 3; 1993, c. 364, s. 1(a).)

§§ 130A-309.55, 130A-309.56: Repealed by Session Laws 1991, c. 221, s. 4.

Cross References. — As to privilege taxes imposed upon new tire sales, see G.S. 105-187.16. As to use of such tax proceeds, see G.S. 105-187.19.

§ 130A-309.57. Scrap tire disposal program.

(a) The owner or operator of any scrap tire collection site shall, within six months after October 1, 1989, provide the Department with information concerning the site's location, size, and the approximate number of scrap tires that are accumulated at the site and shall initiate steps to comply with subsection (b) of this section.

(b) On or after July 1, 1990:

(1) A person may not maintain a scrap tire collection site or a scrap tire disposal site unless the site is permitted.

(2) It is unlawful for any person to dispose of scrap tires in the State unless the scrap tires are disposed of at a scrap tire collection site or at a tire disposal site, or disposed of for processing at a scrap tire processing facility.

(c) By January 1, 1990, the Commission shall adopt rules to carry out the provisions of this section. Such rules shall:

(1) Provide for the administration of scrap tire collector and collection center permits and scrap tire disposal site permits, which may not exceed two hundred fifty dollars ($250.00) annually;

(2) Set standards for scrap tire processing facilities and associated scrap tire sites, scrap tire collection centers, and scrap tire collectors; and

(3) Authorize the final disposal of scrap tires at a permitted solid waste disposal facility provided the tires have been cut into sufficiently small parts to assure their proper disposal.

(d) A permit is not required for:

(1) A tire retreading business where fewer than 1,000 scrap tires are kept on the business premises;

(2) A business that, in the ordinary course of business, removes tires from motor vehicles if fewer than 1,000 of these tires are kept on the business premises; or

(3) A retail tire-selling business which is serving as a scrap tire collection center if fewer than 1,000 scrap tires are kept on the business premises.

(e) The Department shall encourage the voluntary establishment of scrap tire collection centers at retail tire-selling businesses, scrap tire processing facilities, and solid waste disposal facilities, to be open to the public for the deposit of used and scrap tires. The Department may establish an incentives program for individuals to encourage them to return their used or scrap tires to a scrap tire collection center. (1989, c. 784, s. 3.)

§ 130A-309.58. Disposal of scrap tires.

(a) Each county is responsible for providing for the disposal of scrap tires located within its boundaries in accordance with the provisions of this Part and any rules issued pursuant to this Part. The following are permissible methods of scrap tire disposal:

(1) Incinerating;
(2) Retreading;
(3) Constructing crash barriers;
(4) Controlling soil erosion when whole tires are not used;
(5) Chopping or shredding;
(6) Grinding into crumbs for use in road asphalt, tire derived fuel, and as raw material for other products;
(7) Slicing vertically, resulting in each scrap tire being divided into at least two pieces;
(8) Sludge composting;
(9) Using for agriculture-related purposes;
(10) Chipping for use as an oyster cultch as approved by rules adopted by the Marine Fisheries Commission;
(11) Cutting, stamping, or dyeing tires;
(12) Pyrolizing and other physico-chemical processing;
(13) Hauling to out-of-State collection or processing sites; and
(14) Monofilling split, ground, chopped, sliced, or shredded scrap tires.

(b) The Commission may adopt rules approving other permissible methods of scrap tire disposal. Landfilling of whole scrap tires is prohibited. The prohibition against landfilling whole tires applies to all whole pneumatic rubber coverings, but does not apply to whole solid rubber coverings.

(c) Units of local government may enter into joint ventures or other cooperative efforts with other units of local government for the purpose of disposing of scrap tires. Units of local government may enter into leases or other contractual arrangements with units of local government or private entities in order to dispose of scrap tires.

(d) Each county is responsible for developing a description of scrap tire disposal procedures. These procedures shall be included in any solid waste management plan required by the Department under this Article. Further, any revisions to the initial description of the scrap tire disposal procedures shall be forwarded to the Department.

(e) A county shall provide, directly or by contract with another unit of local government or private entity, at least one site for scrap tire disposal for that county. The unit of local government or contracting party may not charge a disposal fee for the disposal of scrap tires except as provided in this subsection. A unit of local government or contracting party may charge a disposal fee that does not exceed the cost of disposing of the scrap tires only if:

(1) The scrap tires are new tires that are being disposed of by their manufacturer because they do not meet the manufacturer's standards for salable tires; or
(2) The scrap tires are delivered to a local government scrap tire disposal site without an accompanying certificate required by G.S. 130A-309.58(f) that indicates that the tires originated in a county within North Carolina.

(f) Every tire retailer or other person disposing of scrap tires shall complete and sign a certification form prescribed by the Department and distributed to each county, certifying that the tires were collected in the normal course of business for disposal, the county in which the tires were collected, and the number of tires to be disposed of. This form also shall be completed and signed by the tire hauler, certifying that the load contains the same tires that were

received from the tire retailer or other person disposing of scrap tires. The tire hauler shall present this certification form to the tire processor or tire collector at the time of delivery of the scrap tires for disposal, collection, or processing. Copies of these certification forms shall be retained for a minimum of three years after the date of delivery of the scrap tires.

(g) The provisions of subsection (f) of this section do not apply to tires that are brought for disposal in quantities of five or less by someone other than a tire collector, tire processor, or tire hauler. (1989, c. 784, s. 3; 1991, c. 221, s. 5; 1993, c. 548, s. 4; 1995 (Reg. Sess., 1996), c. 594, s. 22; 1997-209, s. 1.)

§ 130A-309.59. Registration of tire haulers.

(a) Before engaging in the hauling of scrap tires in this State, any tire hauler must register with the Department whereupon the Department shall issue to the tire hauler a scrap tire hauling identification number. A tire retailer licensed under G.S. 105-164.29 and solely engaged in the hauling of scrap tires received by it in connection with the retail sale of replacement tires is not required to register under this section.

(b) Each tire hauler shall furnish its hauling identification number on all certification forms required under G.S. 130A-309.58(f). Any tire retailer engaged in the hauling of scrap tires and not required by subsection (a) of this section to be registered shall supply its merchant identification number on all certification forms required by G.S. 130A-309.58(f). (1989, c. 784, s. 3.)

§ 130A-309.60. Nuisance tire collection sites.

(a) On or after July 1, 1990, if the Department determines that a tire collection site is a nuisance, it shall notify the person responsible for the nuisance and request that the tires be processed or removed within 90 days. If the person fails to take the requested action within 90 days, the Department shall order the person to abate the nuisance within 90 days. If the person responsible for the nuisance is not the owner of the property on which the tire collection site is located, the Department may order the property owner to permit abatement of the nuisance. If the person responsible for the nuisance fails to comply with the order, the Department shall take any action necessary to abate the nuisance, including entering the property where the tire collection site is located and confiscating the scrap tires, or arranging to have the scrap tires processed or removed.

(b) When the Department abates the nuisance pursuant to subsection (a) of this section, the person responsible for the nuisance shall be liable for the actual costs incurred by the Department for its nuisance abatement activities and its administrative and legal expenses related to the abatement. The Department may ask the Attorney General to initiate a civil action to recover these costs from the person responsible for the nuisance. Nonpayment of the actual costs incurred by the Department shall result in the imposition of a lien on the owner's real property on which the tire collection site is located.

(c) This section does not apply to any of the following:

(1) A retail business premises where tires are sold if no more than 500 scrap tires are kept on the premises at one time;

(2) The premises of a tire retreading business if no more than 3,000 scrap tires are kept on the premises at one time;

(3) A premises where tires are removed from motor vehicles in the ordinary course of business if no more than 500 scrap tires are kept on the premises at one time;

(4) A solid waste disposal facility where no more than 60,000 scrap tires are stored above ground at one time if all tires received for storage are

processed, buried, or removed from the facility within one year after receipt;

(5) A site where no more than 250 scrap tires are stored for agricultural uses; and

(6) A construction site where scrap tires are stored for use or used in road surfacing and construction of embankments.

(d) The descending order of priority for the Department's abatement activities under subsection (a) of this section is as follows:

(1) Tire collection sites determined by the Department to contain more than 1,000,000 tires;

(2) Tire collection sites which constitute a fire hazard or threat to public health;

(3) Tire collection sites in densely populated areas; and

(4) Any other tire collection sites that are determined to be a nuisance.

(e) This section does not change the existing authority of the Department to enforce any existing laws or of any person to abate a nuisance.

(f) As used in this section, "nuisance" means an unreasonable danger to public health, safety, or welfare or to the environment. (1989, c. 784, s. 3.)

CASE NOTES

When Owner Not Liable. — An owner who is not the "person responsible for the nuisance" under this section is not liable in a civil action by the Attorney General. D.G. Matthews & Son v. State ex rel. McDevitt, 131 N.C. App. 520, 508 S.E.2d 331 (1998).

§ 130A-309.61. Effect on local ordinances.

This Part preempts any local ordinance regarding the disposal of scrap tires to the extent the local ordinance is inconsistent with this Part or the rules adopted pursuant to this Part. (1989, c. 784, s. 3; 1993, c. 548, s. 5; 1997-209, s. 1.)

§ 130A-309.62. Fines and penalties.

Any person who knowingly hauls or disposes of a tire in violation of this Part or the rules adopted pursuant to this Part shall be assessed a civil penalty of fifty dollars ($50.00) per violation. Each tire hauled or disposed of in violation of this Part or rules adopted pursuant to this Part constitutes a separate violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1989, c. 784, s. 3; 1998-215, s. 55.)

§ 130A-309.63. Scrap Tire Disposal Account.

(a) Creation. — The Scrap Tire Disposal Account is established as a nonreverting account within the Department. The Account consists of revenue credited to the Account from the proceeds of the scrap tire disposal tax imposed by Article 5B of Chapter 105 of the General Statutes.

(b) Use. — The Department may use revenue in the Account only as authorized by this section.

(1) The Department may use up to fifty percent (50%) of the revenue in the Account to make grants to units of local government to assist them in disposing of scrap tires. To administer the grants, the Department shall establish procedures for applying for a grant and the criteria for selecting among grant applicants. The criteria shall include the

financial ability of a unit of local government to provide for scrap tire disposal, the severity of a unit of local government's scrap tire disposal problem, the effort made by a unit of local government to ensure that only tires generated in the normal course of business in this State are provided free disposal, and the effort made by a unit of local government to provide for scrap tire disposal within the resources available to it.

(2) The Department may use up to forty percent (40%) of the revenue in the Account to make grants to encourage the use of processed scrap tire materials. These grants may be made to encourage the use of tire-derived fuel, crumb rubber, carbon black, or other components of tires for use in products such as fuel, tires, mats, auto parts, gaskets, flooring material, or other applications of processed tire materials. These grants shall be made in consultation with the Department of Commerce, the Division of Pollution Prevention and Environmental Assistance of the Department, and, where appropriate, the Department of Transportation. Grants to encourage the use of processed scrap tire materials shall not be used to process tires.

(3) The Department may use revenue in the Account to support a position to provide local governments with assistance in developing and implementing scrap tire management programs designed to complete the cleanup of nuisance tire collection sites and prevent scrap tires generated from outside of the State from being presented for free disposal in the State.

(4) The Department may use the remaining revenue in the Account only to clean up scrap tire collection sites that the Department has determined are a nuisance. The Department may use funds in the Account to clean up a nuisance tire collection site only if no other funds are available for that purpose.

(c) Eligibility. — A unit of local government is not eligible for a grant for scrap tire disposal unless its costs for disposing of scrap tires for the six-month period preceding the date the unit of local government files an application for a grant exceeded the amount the unit of local government received during that period from the proceeds of the scrap tire tax under G.S. 105-187.19. A grant to a unit of local government for scrap tire disposal may not exceed the unit of local government's unreimbursed cost for the six-month period.

(d) Repealed by Session Laws 2002-126, s. 12.5(b), effective July 1, 2002.

(e) Reporting. — The Department shall include in the report to be delivered to the Environmental Review Commission on or before 15 January of each year pursuant to G.S. 130A-309.06(c) a description of the implementation of the North Carolina Scrap Tire Disposal Act for the fiscal year ending the preceding 30 June. Effect of Amendments. — Session Laws 2002-126, s. 12.5(b), effective July 1, 2002, added subdivision (b)(1) and (2) designations; substituted "Pollution Prevention and Environmental Assistance" for "Environmental Assistance and Prevention" in subdivision (b)(2); added subdivisions (b)(3) and (4); and repealed former subsection (d) regarding cleanup of nuisance tire sites.

(3) "State law requires us to accept used motor vehicle batteries or other lead-acid batteries for recycling in exchange for new batteries purchased."

(c) Any person who fails to post the notice required by subsection (b) of this section after receiving a written warning from the Department to do so shall be assessed a civil penalty of not more than fifty dollars ($50.00) per day for each day the person fails to post the required notice.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1991, c. 375, s. 2; 1998-215, s. 57.)

§ 130A-309.72. Wholesalers required to accept lead-acid batteries.

(a) No person selling new lead-acid batteries at wholesale shall refuse to accept from customers at the point of transfer, used lead-acid batteries of the type and in a quantity at least equal to the number of new batteries purchased, if offered by customers. A person accepting batteries in transfer from a battery retailer shall be allowed a period not to exceed 90 days to remove batteries from the retail point of collection.

§§ 130A-309.74 through 130A-309.79: Reserved for future codification purposes.

Part 2D. Management of Discarded White Goods.

§ 130A-309.80. Findings and purpose.

The General Assembly finds that white goods are difficult to dispose of, that white goods that contain chlorofluorocarbon refrigerants pose a danger to the environment, and that it is in the best interest of the State to require that chlorofluorocarbon refrigerants be removed from discarded white goods. This Part therefore provides for the management of discarded white goods. (1993, c. 471, s. 4.)

§ 130A-309.81. Management of discarded white goods; disposal fee prohibited.

(a) Duty. — Each county is responsible for providing at least one site for the collection of discarded white goods. It must also provide for the disposal of discarded white goods and for the removal of chlorofluorocarbon refrigerants from white goods. A county may contract with another unit of local government or a private entity in accordance with Article 15 of Chapter 153A of the General Statutes to provide for the management of discarded white goods or for the removal of chlorofluorocarbon refrigerants from white goods.

(b) Restrictions. — A unit of local government or a contracting party may not charge a disposal fee for the disposal of white goods. A white good may not be disposed of in a landfill, an incinerator, or a waste-to-energy facility.

(c) Plan. — Each county shall establish written procedures for the management of white goods. The county shall include the procedures in any solid waste management plan required by the Department under this Article. (1993, c. 471, ss. 4, 6; 1993 (Reg. Sess., 1994), c. 745, ss. 36, 37; 2001-265, s. 6.)

Editor's Note. — Session Laws 1993 (Reg. Sess., 1994), c. 745, s. 37, repealed Session Laws 1993, c. 471, s. 6, which would have deleted "not" following "a contracting party may" in subsection (b). However, Session Laws 1993 (Reg. Sess., 1994), c. 745, s. 38, effective July 1, 1998, itself made the same change. Subsequently, Session Laws 2001-265, s. 6, effective retroactively to July 1, 1998, repealed s. 38 of Session Laws 1993 (Reg. Sess., 1994), c. 745.

Session Laws 1993, c. 471, s. 11, as originally enacted, had provided that the version of this section as amended by Session Laws 1993, c. 471, s. 6 (but subsequently repealed) would be effective July 1, 1998. Session Laws 1998-24, s. 11, had extended this date to July 1, 2002, and Session Laws 2000-109, s. 9(a), effective July 13, 2000, had deleted the postponed date for this amendment.

The section is set out above as it read prior to amendment by Session Laws 1993, c. 471, s. 6 and by Session Laws 1993 (Reg. Sess., 1994), c. 745, s. 38.

§ 130A-309.82. Use of disposal tax proceeds by counties.

Article 5C of Chapter 105 of the General Statutes imposes a tax on new white goods to provide funds for the management of discarded white goods. A county must use the proceeds of the tax distributed to it under that Article for the management of discarded white goods. The purposes for which a county may use the tax proceeds include, but are not limited to, the following:

(1) Capital improvements for infrastructure to manage discarded white goods, such as concrete pads for loading, equipment essential for moving white goods, storage sheds for equipment essential to white goods disposal management, and freon extraction equipment.

(2) Operating costs associated with managing discarded white goods, such as labor, transportation, and freon extraction.

(3) The cleanup of illegal white goods disposal sites, the cleanup of illegal disposal sites consisting of more than fifty percent (50%) discarded

white goods, and, as to those illegal disposal sites consisting of fifty percent (50%) or less discarded white goods, the cleanup of the discarded white goods portion of the illegal disposal sites.

Except as provided in subdivision (3) of this section, a county may not use the tax proceeds for a capital improvement or operating expense that does not directly relate to the management of discarded white goods. Except as provided in subdivision (3) of this section, if a capital improvement or operating expense is partially related to the management of discarded white goods, a county may use the tax proceeds to finance a percentage of the costs equal to the percentage of the use of the improvement or expense directly related to the management of discarded white goods. (1993, c. 471, s. 4; 1998-24, ss. 4, 7; 2000-109, s. 9(a); 2001-265, s. 5.)

Editor's Note. — Session Laws 1993, c. 471, s. 4 enacted this section and s. 7 provided for its postponed repeal; subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed s. 7 of Session Laws 1993, c. 471. Session Laws 1993, c. 471, s. 11 made the section effective January 1, 1994, to repeal on July 1, 1999. Session Laws 1998-24, s. 7 amended Session Laws 1993, c. 471, s. 11 to extend the postponed repeal date to July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended s. 11 to delete the postponed date for repeal of this section.

§ 130A-309.83. White Goods Management Account.

(a) The White Goods Management Account is established within the Department. The Account consists of revenue credited to the Account from the proceeds of the white goods disposal tax imposed by Article 5C of Chapter 105 of the General Statutes.

(b) The Department shall use revenue in the Account to make grants to units of local government to assist them in managing discarded white goods. To administer the grants, the Department shall establish procedures for applying for a grant and the criteria for selecting among grant applicants. The criteria shall include the financial ability of a unit to manage white goods, the severity of a unit's white goods management problem, and the effort made by a unit to manage white goods within the resources available to it.

(c) A unit of local government is not eligible for a grant unless its costs of managing white goods for a six-month period preceding the date the unit files an application for a grant exceeded the amount the unit received during that period from the proceeds of the white goods disposal tax under G.S. 105-187.24. The Department shall determine the six-month period to be used in determining who is eligible for a grant. A grant to a unit may not exceed the unit's unreimbursed cost for the six-month period.

(d) If a unit of local government anticipates that its costs of managing white goods during a six-month period will exceed the amount the unit will receive during that period because the unit will make a capital expenditure for the management of white goods or because the unit will incur other costs resulting from improvements to that unit's white goods management program, the unit may request that the Department make an advance determination that the costs are eligible to be paid by a grant from the White Goods Management Account and that there will be sufficient funds available in the Account to cover those costs. If the Department determines that the costs are eligible for reimbursement and that funds will be available, the Department shall reserve funds for that unit of local government in the amount necessary to reimburse allowable costs. The Department shall notify the unit of its determination and fund availability within 60 days of the request from the unit of local government. This subsection applies only to capital expenditures for the management of white goods and to costs resulting from improvements to a unit's white goods management program. (1993, c. 471, s. 4; 1995 (Reg. Sess., 1996), c. 594, s. 24; 1998-24, s. 7; 2000-109, s. 9(a); 2001-265, s. 5.)

Editor's Note. — Session Laws 1993-471, s. 4 enacted this section and s. 7 provided for its postponed repeal; subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed s. 7 of Session Laws 1993, c. 471. Session Laws 1993-471, s. 11 made the section effective January 1, 1994, to repeal on July 1, 1999. Session Laws 1998-24, s. 7 amended Session Laws 1993-471, s. 11 to extend the postponed repeal date to July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended s. 11 to delete the postponed date for repeal of this section.

§ 130A-309.84. Civil penalties for improper disposal.

The Department may assess a civil penalty of not more than one hundred dollars ($100.00) against a person who, knowing it is unlawful, places or otherwise disposes of a discarded white good in a landfill, an incinerator, or a waste-to-energy facility. The Department may assess this penalty for the day the unlawful disposal occurs and each following day until the white good is disposed of properly.

The Department may assess a penalty of up to one hundred dollars ($100.00) against a person who, knowing it is required, fails to remove chlorofluorocarbon refrigerants from a discarded white good. The Department may assess this penalty for the day the failure occurs and each following day until the chlorofluorocarbon refrigerants are removed.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1993, c. 471, s. 4; 1998-215, s. 59.)

§ 130A-309.85. Reporting on the management of white goods.

The Department shall include in the report to be delivered to the Environmental Review Commission on or before 15 January of each year pursuant to G.S. 130A-309.06(c) a description of the management of white goods in the State for the fiscal year ending the preceding 30 June. The description of the management of white goods shall include the following information:

(1) The amount of taxes collected and distributed under G.S. 105-187.24 during the period covered by the report.
(2) The cost to each county of managing white goods during the period covered by the report.
(3) The beginning and ending balances of the White Goods Management Account for the period covered by the report and a list of grants made from the Account for the period.
(4) Any other information the Department considers helpful in understanding the problem of managing white goods.
(5) A summary of the information concerning the counties' white goods management programs contained in the counties' Annual Financial Information Report. (1993, c. 471, s. 4; 1995 (Reg. Sess., 1996), c. 594, s. 25; 1998-24, ss. 5, 7; 2000-109, s. 9(a); 2001-265, s. 5; 2001-452, s. 3.5.)

Editor's Note. — Session Laws 1993, c. 471, s. 9 was a postponed amendment to this section. Session Laws 1998-24, s. 7, amended Session Laws 1993-471, s. 11, to change the effective date of the amendment by Session Laws 1993-471, s. 9 to July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended s. 11 to delete the postponed date for this amendment. Subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed Session Laws 1993, c. 471, s. 9. This section is therefore set out without the changes from the 1993 amendment.

Session Laws 1996, Second Extra Session, c. 18, s. 27.10, provides: "Beginning in 1997, the Department of Environment, Health and Natural Resources shall report on the generation, storage, treatment, and disposal of hazardous

waste in North Carolina no more often than it is required to report under a federal law or federal regulation."

Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1996-97 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1996-97 fiscal year."

§ 130A-309.86. Effect on local ordinances.

This Part preempts any local ordinance regarding the management of white goods that is inconsistent with this Part or the rules adopted pursuant to this Part. It does not preempt any local ordinance regarding the management of white goods that is consistent with this Part or rules adopted pursuant to this Part. (1993, c. 471, s. 4.)

§ 130A-309.87. Eligibility for disposal tax proceeds.

(a) Receipt of Funds. — A county may not receive a quarterly distribution of the white goods disposal tax proceeds under G.S. 105-187.24 unless the undesignated balance in the county's white goods account at the end of its fiscal year is less than the threshold amount. Based upon the information in a county's Annual Financial Information Report, the Department must notify the Department of Revenue by March 1 of each year which counties may not receive a distribution of the white goods disposal tax for the current calendar year. The Department of Revenue will credit the undistributed tax proceeds to the White Goods Management Account.

If the undesignated balance in a county's white goods account subsequently falls below the threshold amount, the county may submit a statement to the Department, certified by the county finance officer, that the undesignated balance in its white goods account is less than the threshold amount. Upon receipt of the statement, the Department will notify the Department of Revenue to distribute to the county its quarterly distribution of the white goods disposal tax proceeds. The Department must notify the Department of Revenue of the county's change of status at least 30 days prior to the next quarterly distribution.

For the purposes of this subsection, the term "threshold amount" means twenty-five percent (25%) of the amount of white goods disposal tax proceeds a county received, or would have received if it had been eligible to receive them under G.S. 130A-309.87, during the preceding fiscal year.

(b) Annual Financial Information Report. — On or before November 1 of each year, a county must submit a copy of its Annual Financial Information Report, prepared in accordance with G.S. 159-33.1, to the Department. The Secretary of the Local Government Commission must require the following information in that report:

(1) The tonnage of white goods scrap metal collected.
(2) The amount of revenue credited to its white goods account. This revenue should include all receipts derived from the white goods disposal tax, the sale of white goods scrap metals and freon, and a grant from the White Goods Management Account.
(3) The expenditures from its white goods account. The expenditures should include operating expenses and capital improvement costs associated with its white goods management program.
(4) The designated and undesignated balance of its white goods account.
(5) A comparison of the undesignated balance of its white goods account at the end of the fiscal year and the amount of white goods disposal tax proceeds it received, or would have received if it had been eligible to

receive it under G.S. 130A-309.87, during the fiscal year. (1998-24, s. 6.)

Editor's Note. — Session Laws 1998-24, s. 8, provided that subsection (a) of this section became effective January 1, 1999, and was applicable to collections made on or after that date. The remainder of the section became effective July 1, 1998.

§ 130A-310.1. Identification, inventory, and monitoring of inactive hazardous substance or waste disposal sites; duty of owners, operators, and responsible parties to provide information and access; remedies.

(a) The Department shall develop and implement a program for locating, cataloguing, and monitoring all inactive hazardous substance or waste disposal sites in North Carolina. The Secretary shall compile and maintain an inventory of all inactive hazardous substance or waste disposal sites based on information submitted by owners, operators, and responsible parties, and on

data obtained directly by the Secretary. The Secretary shall maintain records of any evidence of contamination to the air, surface water, groundwater, surface or subsurface soils, or waste streams for inventoried sites. The records shall include all available information on the extent of any actual damage or potential danger to public health or to the environment resulting from the contamination.

(b) The Commission shall develop and make available a format and checklist for submission of data relevant to inactive hazardous substance or waste disposal sites. Within 90 days of the date on which an owner, operator, or responsible party knows or should know of the existence of an inactive hazardous substance or waste disposal site, the owner, operator, or responsible party shall submit to the Secretary all site data that is known or readily available to the owner, operator, or responsible party. The owner, operator, or responsible party shall certify under oath that, to the best of his knowledge and belief, the data is complete and accurate.

(c) Whenever the Secretary determines that there is a release, or substantial threat of a release, into the environment of a hazardous substance from an inactive hazardous substance or waste disposal site, the Secretary may, in addition to any other powers he may have, order any responsible party to conduct any monitoring, testing, analysis, and reporting that the Secretary deems reasonable and necessary to ascertain the nature and extent of any hazard posed by the site. Written notice of any order issued pursuant to this section shall be given to all persons subject to the order as set out in G.S. 130A-310.3(c). The Secretary, prior to the entry of any order, shall solicit the cooperation of the responsible party.

(d) If a person fails to submit data as required in subsection (b) of this section or violates the requirements or schedules in an order issued pursuant to subsection (c) of this section, the Secretary may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(e) Whenever a person ordered to take any action pursuant to this section is unable or fails to do so, or if the Secretary, after making a reasonable attempt, is unable to locate any responsible party, the Secretary may take the action. The cost of any action by the Secretary pursuant to this section may be paid from the Inactive Hazardous Sites Cleanup Fund, subject to a later action for reimbursement pursuant to G.S. 130A-310.7. The provisions of subdivisions (a)(1) to (a)(3) of G.S.130A-310.6 shall apply to any action taken by the Secretary pursuant to this section.

(f) Upon reasonable notice, the Secretary may require any person to furnish to the Secretary any information, document, or record in that person's possession or under that person's control that relates to:

(1) The identification, nature, and quantity of material that has been or is generated, treated, stored, or disposed of at an inactive hazardous substance or waste disposal site or that is transported to an inactive hazardous substance or waste disposal site.

(2) The nature and extent of a release or threatened release of a hazardous substance or hazardous waste at or from an inactive hazardous substance or waste disposal site.

(3) Information relating to the ability of a person to pay for or to perform a cleanup.

(g) A person who is required to furnish any information, document, or record under subsection (f) of this section shall either allow the Secretary to inspect and copy all information, documents, and records or shall copy and furnish to the Secretary all information, documents, and records at the expense of the person.

(h) To collect information to administer this Part, the Secretary may subpoena the attendance and testimony of witnesses and the production of

documents, records, reports, answers to questions, and any other information that the Secretary deems necessary. Witnesses shall be paid the same fees and mileage that are paid to witnesses in proceedings in the General Court of Justice. In the event that a person fails to comply with a subpoena issued under this subsection, the Secretary may seek enforcement of the subpoena in the superior court in any county where the inactive hazardous substance or waste disposal site is located, in the county where the person resides, or in the county where the person has his or her principal place of business.

(i) A person who owns or has control over an inactive hazardous substance or waste disposal site shall grant the Secretary access to the site at reasonable times. If a person fails to grant the Secretary access to the site, the Secretary may obtain an administrative search and inspection warrant as provided by G.S. 15-27.2. (1987, c. 574, s. 2; 1989, c. 286, s. 3; 1997-53, s. 1.)

§ 130A-310.2. Inactive Hazardous Waste Sites Priority List.

No later than six months after July 1, 1987, the Commission shall develop a system for the prioritization of inactive hazardous substance or waste disposal sites based on the extent to which such sites endanger the public health and the environment. The Secretary shall apply the prioritization system to the inventory of sites to create and maintain an Inactive Hazardous Waste Site Priority List, which shall rank all inactive hazardous substance or waste disposal sites in decreasing order of danger. This list shall identify the location of each site and the type and amount of hazardous substances or waste known or believed to be located on the site. The first such list shall be published within two years after July 1, 1987, with subsequent lists to be published at intervals of not more than two years thereafter. The Secretary shall notify owners, operators, and responsible parties of sites listed on the Inactive Hazardous Waste Sites Priority List of their ranking on the list. The Inactive Hazardous Sites Priority List shall be used by the Department in determining budget requests and in allocating any State appropriation which may be made for remedial action, but shall not be used so as to impede any other action by the Department, or any remedial or other action for which funds are available. (1987, c. 574, s. 2.)

§ 130A-310.3. Remedial action programs for inactive hazardous substance or waste disposal sites.

(a) The Secretary may issue a written declaration, based upon findings of fact, that an inactive hazardous substance or waste disposal site endangers the public health or the environment. After issuing such a declaration, and at any time during which the declaration is in effect, the Secretary shall be responsible for:

(1) Monitoring the inactive hazardous substance or waste disposal site;
(2) Developing a plan for public notice and for community and local government participation in any inactive hazardous substance or waste disposal site remedial action program to be undertaken;
(3) Approving an inactive hazardous substance or waste disposal site remedial action program for the site;
(4) Coordinating the inactive hazardous substance or waste disposal site remedial action program for the site; and
(5) Ensuring that the hazardous substance or waste disposal site remedial action program is completed.

(b) Where possible, the Secretary shall work cooperatively with any owner, operator, responsible party, or any appropriate agency of the State or federal government to develop and implement the inactive hazardous substance or waste disposal site remedial action program. The Secretary shall not take action under this section to the extent that the Environmental Management Commission, the Commissioner of Agriculture, or the Pesticide Board has assumed jurisdiction pursuant to Articles 21 or 21A of Chapter 143 of the General Statutes.

(c) Whenever the Secretary has issued such a declaration, and at any time during which the declaration is in effect, the Secretary may, in addition to any other powers he may have, order any responsible party:

(1) To develop an inactive hazardous substance or waste disposal site remedial action program for the site subject to approval by the Department, and

(2) To implement the program within reasonable time limits specified in the order.

Written notice of such an order shall be provided to all persons subject to the order personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the date appearing in the return of the receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall be given as provided in G.S. 1A-1, Rule 4(j).

(d) In any inactive hazardous substance or waste disposal site remedial action program implemented hereunder, the Secretary shall ascertain the most nearly applicable cleanup standard as would be applied under CERCLA/SARA, and may seek federal approval of any such program to insure concurrent compliance with federal standards. State standards may exceed and be more comprehensive than such federal standards. The Secretary shall assure concurrent compliance with applicable standards set by the Environmental Management Commission.

(e) For any removal or remedial action conducted entirely on-site under this Part, to the extent that a permit would not be required under 42 U.S.C. § 9621(e) for a removal or remedial action conducted entirely on-site under CERCLA/SARA, the Secretary may grant a waiver from any State law or rule that requires that an environmental permit be obtained from the Department. The Secretary shall not waive any requirement that a permit be obtained unless either the removal or remedial action is being conducted pursuant to G.S. 130A-310.3(c), 130A-310.5, or 130A-310.6, or the owner, operator, or other responsible party has entered into an agreement with the Secretary to implement a voluntary remedial action plan under G.S. 130A-310.9(b). The Secretary shall invite public participation in the development of the remedial action plan in the manner set out in G.S. 130A-310.4 prior to granting a permit waiver, except for a removal or remedial action conducted pursuant to G.S. 130A-310.5.

(f) In order to reduce or eliminate the danger to public health or the environment posed by an inactive hazardous substance or waste disposal site, an owner, operator, or other responsible party may impose restrictions on the current or future use of the real property comprising any part of the site if the restrictions meet the requirements of this subsection. The restrictions must be agreed to by the owner of the real property, included in a remedial action plan for the site that has been approved by the Secretary, and implemented as a part of the remedial action program for the site. The Secretary may approve restrictions included in a remedial action plan in accordance with standards determined as provided in subsection (d) of this section or pursuant to rules adopted under Chapter 150B of the General Statutes. Restrictions may apply to activities on, over, or under the land, including, but not limited to, use of groundwater, building, filling, grading, excavating, and mining. Any approved

restriction shall be enforced by any owner, operator, or other party responsible for the inactive hazardous substance or waste disposal site. Any land-use restriction may also be enforced by the Department through the remedies provided in Part 2 of Article 1 of this Chapter or by means of a civil action. The Department may enforce any land-use restriction without first having exhausted any available administrative remedies. A land-use restriction may also be enforced by any unit of local government having jurisdiction over any part of the site. A land-use restriction shall not be declared unenforceable due to lack of privity of estate or contract, due to lack of benefit to particular land, or due to lack of any property interest in particular land. Any person who owns or leases a property subject to a land-use restriction under this Part shall abide by the land-use restriction. (1987, c. 574, s. 2; 1989, c. 727, s. 145; 1991, c. 281, ss. 1, 2; 1997-394, s. 1; 2002-154, s. 2.)

Effect of Amendments. — Session Laws 2002-154, s. 2, effective October 9, 2002, rewrote subsection (e).

§ 130A-310.4. Public participation in the development of the remedial action plan.

(a) Within 10 days after the Secretary issues a declaration pursuant to G.S. 130A-310.3, he shall notify in writing the local board of health and the local health director having jurisdiction in the county or counties in which an inactive hazardous substance or waste disposal site is located that the site may endanger the public health or environment and that a remedial action plan is being developed. The Secretary shall involve the local health director in the development of the remedial action plan.

(b) Before approving any remedial action plan, the Secretary shall make copies of the proposed plan available for inspection as follows:

(1) A copy of the plan shall be provided to the local health director.

(2) A copy of the proposed plan shall be filed with the register of deeds in the county or counties in which the site is located.

(3) A copy of the plan shall be provided to each public library located in the county or counties in which the site is located.

(4) The Secretary may place copies of the plan in other locations so as to assure the availability thereof to the public.

In addition, copies of the plan shall be available for inspection and copying at cost by the public during regular business hours in the offices of the agency within the Department with responsibility for the administration of the remedial action program.

(c) Before approving any remedial action plan, the Secretary shall give notice of the proposed plan as follows:

(1) A notice and summary of the proposed plan shall be published weekly for a period of three consecutive weeks in a newspaper having general circulation in the county or counties where the site is located.

(2) Notice that a proposed remedial action plan has been developed shall be given by first class mail to persons who have requested such notice. Such notice shall state the locations where a copy of the remedial action plan is available for inspection. The Department shall maintain a mailing list of persons who request notice pursuant to this section.

(d) The Secretary may conduct a public meeting to explain the proposed plan and alternatives to the public.

(e) At least 45 days from the latest date on which notice is provided pursuant to subsection (c)(1) of this section shall be allowed for the receipt of

written comment on the proposed remedial action plan prior to its approval. If a public hearing is held pursuant to subsection (f) of this section, at least 20 days will be allowed for receipt of written comment following the hearing prior to the approval of the remedial action plan.

(f) If the Secretary determines that significant public interest exists, he shall conduct a public hearing on the proposed plan and alternatives. The Department shall give notice of the hearing at least 30 days prior to the date thereof by:

(1) Publication as provided in subdivision (c)(1) of this section, with first publication to occur not less than 30 days prior to the scheduled date of the hearing; and

(2) First class mail to persons who have requested notice as provided in subdivision (c)(2) of this section.

(g) The Commission on Health Services shall adopt rules prescribing the form and content of the notices required by this section. The proposed remedial action plan shall include a summary of all alternatives considered in the development of the plan. A record shall be maintained of all comment received by the Department regarding the remedial action plan. (1987, c. 574, s. 2; 1997-28, s. 2.)

§ 130A-310.5. Authority of the Secretary with respect to sites which pose an imminent hazard.

(a) An imminent hazard exists whenever the Secretary determines, that there exists a condition caused by an inactive hazardous substance or waste disposal site, including a release or a substantial threat of a release into the environment of a hazardous substance from the site, which is causing serious harm to the public health or environment, or which is likely to cause such harm before a remedial action plan can be developed. Whenever the Secretary determines that an imminent hazard exists he may, in addition to any other powers he may have, without notice or hearing, order any known responsible party to take immediately any action necessary to eliminate or correct the condition, or the Secretary, in his discretion, may take such action without issuing an order. Written notice of any order issued pursuant to this section shall be provided to all persons subject to the order as set out in G.S. 130A-310.3(c). Unless the time required to do so would increase the harm to the public health or the environment, the Secretary shall solicit the cooperation of responsible parties prior to the entry of any such order. The provisions of subdivisions (1) to (3) of G.S. 130A-310.6(a) shall apply to any action taken by the Secretary pursuant to this section, and any such action shall be considered part of a remedial action program, the cost of which may be recovered from any responsible party.

(b) If a person violates the requirements or schedules in an order issued pursuant to this section, the Secretary may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(c) The cost of any action by the Secretary pursuant to this section may be paid from the Inactive Hazardous Sites Cleanup Fund, or the Emergency Response Fund established pursuant to G.S. 130A-306, subject to a later action for reimbursement pursuant to G.S. 130A-310.7. (1987, c. 574, s. 2; 1989, c. 286, s. 4; 1989 (Reg. Sess., 1990), c. 1004, s. 9; c. 1024, s. 30(a); 1991, c. 342, s. 8.)

§ 130A-310.6. State action upon default of responsible parties or when no responsible party can be located.

(a) Whenever a person ordered to develop and implement an inactive hazardous substance or waste disposal site remedial action program is unable or fails to do so within the time specified in the order, the Secretary may develop and implement or cause to be developed and implemented such a program. The cost of developing and implementing a remedial action program pursuant to this section may be paid from the Inactive Hazardous Sites Cleanup Fund, subject to a later action for reimbursement pursuant to G.S. 130A-310.7.

(1) The Department is authorized and empowered to use any staff, equipment or materials under its control or provided by other cooperating federal, State or local agencies and to contract with any agent or contractor it deems appropriate to develop and implement the remedial action program. State agencies shall provide to the maximum extent feasible such staff, equipment, and materials as may be available for developing and implementing a remedial action program.

(2) Upon completion of any inactive hazardous substance or waste disposal remedial action program, any State or local agency that has provided personnel, equipment, or material shall deliver to the Department a record of expenses incurred by the agency. The amount of the incurred expenses shall be disbursed by the Secretary to each such agency. The Secretary shall keep a record of all expenses incurred for the services of State personnel and for the use of the State's equipment and material.

(3) As soon as feasible or after completion of any inactive hazardous substance or waste disposal site remedial action program, the Secretary shall prepare a statement of all expenses and costs of the program expended by the State and issue an order demanding payment from responsible parties. Written notice of such an order shall be provided to all persons subject to the order personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the date appearing on the return of the receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall then be given as provided in G.S. 1A-1, Rule 4(j).

(b) If the Secretary, after declaring that an inactive hazardous substance or waste disposal site may endanger the public health or the environment, is unable, after making a reasonable attempt, to locate any responsible party, the Department may develop and implement a remedial action program for the site as provided in subsection (a)(1) and (2) of this section. If responsible parties are subsequently located, the Secretary may issue an order demanding payment from such persons in the manner set forth in subdivision (a)(3) of this section for the necessary expenses incurred by the Department for developing and implementing the remedial action program. If the persons subject to such an order refuse to pay the sum expended, or fail to pay such sum within the time specified in the order, the Secretary shall bring an action in the manner set forth in G.S. 130A-310.7. (1987, c. 574, s. 2; 1989, c. 286, s. 5.)

§ 130A-310.7. Action for reimbursement; liability of responsible parties; notification of completed remedial action.

(a) Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in this subsection, any person who:

(1) Discharges or deposits; or
(2) Contracts or arranges for any discharge or deposit; or
(3) Accepts for discharge or deposit; or
(4) Transports or arranges for transport for the purpose of discharge or deposit

any hazardous substance, the result of which discharge or deposit is the existence of an inactive hazardous substance or waste disposal site, shall be considered a responsible party. Neither an innocent landowner who is a bona fide purchaser of the inactive hazardous substance or waste disposal site without knowledge or without a reasonable basis for knowing that hazardous substance or waste disposal had occurred nor a person whose interest or ownership in the inactive hazardous substance or waste disposal site is based on or derived from a security interest in the property shall be considered a responsible party. A responsible party shall be directly liable to the State for any or all of the reasonably necessary expenses of developing and implementing a remedial action program for such site. The Secretary shall bring an action for reimbursement of the Inactive Hazardous Sites Cleanup Fund in the name of the State in the superior court of the county in which the site is located to recover such sum and the cost of bringing the action. The State must show that a danger to the public health or the environment existed and that the State complied with the provisions of this Part.

(b) There shall be no liability under this section for a person who can establish by a preponderance of the evidence that the danger to the public health or the environment caused by the site was caused solely by:

(1) An act of God; or
(2) An act of war; or
(3) An intentional act or omission of a third party (but this defense shall not be available if the act or omission is that of an employee or agent of the defendant, or if the act or omission occurs in connection with a contractual relationship with the defendant); or
(4) Any combination of the above causes.

(c) The definitions set out in G.S. 130A-310.31(b) apply to this subsection. Any person may submit a written request to the Department for a determination that a site that is subject to this Part has been remediated to unrestricted use standards as provided in Part 5 of Article 9 of Chapter 130A of the General Statutes. A request for a determination that a site has been remediated to unrestricted use standards shall be accompanied by the fee required by G.S. 130A-310.39(a)(2). If the Department determines that the site has been remediated to unrestricted use standards, the Department shall issue a written notification that no further remediation will be required at the site. The notification shall state that no further remediation will be required at the site unless the Department later determines, based on new information or information not previously provided to the Department, that the site has not been remediated to unrestricted use standards or that the Department was provided with false or incomplete information. Under any of those circumstances, the Department may withdraw the notification and require responsible parties to remediate the site to unrestricted use standards. (1987, c. 574, s. 2; 1989, c. 286, s. 6; 1989 (Reg. Sess., 1990), c. 1004, s. 10; c. 1024, s. 30(b); 1997-357, s. 5; 2001-384, s. 11.)

Editor's Note. — Session Laws 1997-357, s. 8, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. The Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall implement the provisions of this act from funds otherwise available or appropriated to the Department."

Session Laws 2001-384, s. 13, provides: "This act becomes effective 1 September 2001. This act applies to any cleanup of a discharge or release of petroleum from an underground stor-

age tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes except that land-use restrictions and recordation of residual contamination are not required with respect to a discharge or release of petroleum for which the Department of Environment and Natural Resources issued a determination that no further action is required prior to 1 September 2001."

§ 130A-310.8. Recordation of inactive hazardous substance or waste disposal sites.

(a) After determination by the Department of the existence and location of an inactive hazardous substance or waste disposal site, the owner of the real property on which the site is located, within 180 days after official notice to the owner to do so, shall submit to the Department a survey plat of areas designated by the Department that has been prepared and certified by a professional land surveyor, and entitled "NOTICE OF INACTIVE HAZARDOUS SUBSTANCE OR WASTE DISPOSAL SITE". Where an inactive hazardous substance or waste disposal site is located on more than one parcel or tract of land, a composite map or plat showing all parcels or tracts may be recorded. The Notice shall include a legal description of the site that would be sufficient as a description in an instrument of conveyance, shall meet the requirements of G.S. 47-30 for maps and plats, and shall identify:

(1) The location and dimensions of the disposal areas and areas of potential environmental concern with respect to permanently surveyed benchmarks.

(2) The type, location, and quantity of hazardous substances known by the owner of the site to exist on the site.

(3) Any restrictions approved by the Department on the current or future use of the site.

(b) After the Department approves and certifies the Notice, the owner of the site shall file the certified copy of the Notice in the register of deeds' office in the county or counties in which the land is located within 15 days of the date on which the owner receives approval of the Notice from the Department.

(c) The register of deeds shall record the certified copy of the Notice and index it in the grantor index under the names of the owners of the lands.

(d) In the event that the owner of the site fails to submit and file the Notice required by this section within the time specified, the Secretary may prepare and file such Notice. The costs thereof may be recovered by the Secretary from any responsible party. In the event that an owner of a site who is not a responsible party submits and files the Notice required by this section, he may recover the reasonable costs thereof from any responsible party.

(e) When an inactive hazardous substance or waste disposal site is sold, leased, conveyed, or transferred, the deed or other instrument of transfer shall contain in the description section, in no smaller type than that used in the body of the deed or instrument, a statement that the property has been used as a hazardous substance or waste disposal site and a reference by book and page to the recordation of the Notice.

(f) A Notice of Inactive Hazardous Substance or Waste Disposal Site filed pursuant to this section may, at the request of the owner of the land, be cancelled by the Secretary after the hazards have been eliminated. If requested in writing by the owner of the land and if the Secretary concurs with the request, the Secretary shall send to the register of deeds of each county where the Notice is recorded a statement that the hazards have been eliminated and request that the Notice be cancelled of record. The Secretary's statement shall contain the names of the owners of the land as shown in the Notice and reference the plat book and page where the Notice is recorded. The register of deeds shall record the Secretary's statement in the deed books and

index it on the grantor index in the names of the owners of the land as shown in the Notice and on the grantee index in the name "Secretary of Environment and Natural Resources". The register of deeds shall make a marginal entry on the Notice showing the date of cancellation and the book and page where the Secretary's statement is recorded, and the register of deeds shall sign the entry. If a marginal entry is impracticable because of the method used to record maps and plats, the register of deeds shall not be required to make a marginal entry.

(g) Recordation under this section is not required for any inactive hazardous substance or waste disposal site that is undergoing voluntary remedial action pursuant to this Part unless the Secretary determines that either:

(1) A concentration of a hazardous substance or hazardous waste that poses a danger to public health or the environment will remain following implementation of the voluntary remedial action program.

(2) The voluntary remedial action program is not being implemented in a manner satisfactory to the Secretary and in compliance with the agreement between the Secretary and the owner, operator, or other responsible party.

(h) The Secretary may waive recordation under this section with respect to any residential real property that is contaminated solely because a hazardous substance or hazardous waste migrated to the property from other property by means of groundwater flow if disclosure of the contamination is required under Chapter 47E of the General Statutes. An owner of residential real property whose recordation requirement is waived by the Secretary under this subsection and who fails to disclose contamination as required by Chapter 47E of the General Statutes is subject to both the penalties and remedies under this Chapter applicable to a person who fails to comply with the recordation requirements of this section as though those requirements had not been waived and to the remedies available under Chapter 47E of the General Statutes. (1987, c. 574, s. 2; 1989, c. 727, s. 219(34); 1989 (Reg. Sess., 1990), c. 1004, s. 19(b); 1997-394, s. 2; 1997-443, ss. 11A.119(a), (b); 1997-528, s. 1.)

§ 130A-310.9. Voluntary remedial actions; maximum financial responsibility; agreements; implementation and oversight by private engineering and consulting firms.

(a) No one owner, operator, or other responsible party who voluntarily participates in the implementation of a remedial action program under G.S. 130A-310.3 or G.S. 130A-310.5 may be required to pay in excess of three million dollars ($3,000,000) for the cost of implementing a remedial action program at a single inactive hazardous substance or waste disposal site. The limitation of liability contained in this section applies only to the cost of implementation of the program and does not apply to the cost of the development of the remedial action plan.

(b) The Secretary may enter into an agreement with an owner, operator, or other responsible party that provides for implementation of a voluntary remedial action program in accordance with a remedial action plan approved by the Department. Investigations, evaluations, and voluntary remedial actions are subject to the provisions of G.S. 130A-310.1(c), 130A-310.1(d), 130A-310.3(d), 130A-310.3(f), 130A-310.5, 130A-310.8, and any other requirement imposed by the Department. A voluntary remedial action and all documents that relate to the voluntary remedial action shall be fully subject to inspection and audit by the Department. At least 30 days prior to entering into any agreement providing for the implementation of a voluntary remedial action program, the Secretary shall mail notice of the proposed agreement as

provided in G.S. 130A-310.4(c)(2). Sites undergoing voluntary remedial actions shall be so identified as a separate category in the inventory of sites maintained pursuant to G.S. 130A-310.1 but shall not be included on the Inactive Hazardous Waste Sites Priority List required by G.S. 130A-310.2.

(c) The Department may approve a private environmental consulting and engineering firm to implement and oversee a voluntary remedial action by an owner, operator, or other responsible party. An owner, operator, or other responsible party who enters into an agreement with the Secretary to implement a voluntary remedial action may hire a private environmental consulting or engineering firm approved by the Department to implement and oversee the voluntary remedial action. A voluntary remedial action that is implemented and overseen by a private environmental consulting or engineering firm shall be implemented in accordance with all federal and State laws, regulations, and rules that apply to remedial actions generally and is subject to rules adopted pursuant to G.S. 130A-310.12(b). The Department may revoke its approval of the oversight of a voluntary remedial action by a private environmental consulting or engineering firm and assume direct oversight of the voluntary remedial action whenever it appears to the Department that the voluntary remedial action is not being properly implemented or is not being adequately overseen. The Department may require the owner, operator, other responsible party, or private environmental consulting or engineering firm to take any action necessary to bring the voluntary remedial action into compliance with applicable requirements. (1987, c. 574, s. 2; 1989, c. 286, s. 7; 1993 (Reg. Sess., 1994), c. 598, s. 1; 1995, c. 327, s. 2; 1997-394, s. 3.)

§ 130A-310.10. Annual reports.

(a) The Secretary shall report on inactive hazardous sites to the Environmental Review Commission on or before 1 October of each year. The report shall include at least:

(1) The Inactive Hazardous Waste Sites Priority List;
(2) A list of remedial action plans requiring State funding through the Inactive Hazardous Sites Cleanup Fund;
(3) A comprehensive budget to implement these remedial action plans and the adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of said plans;
(4) A prioritized list of sites that are eligible for remedial action under CERCLA/SARA together with recommended remedial action plans and a comprehensive budget to implement such plans. The budget for implementing a remedial action plan under CERCLA/SARA shall include a statement as to any appropriation that may be necessary to pay the State's share of such plan;
(5) A list of sites and remedial action plans undergoing voluntary cleanup with Departmental approval;
(6) A list of sites and remedial action plans that may require State funding, a comprehensive budget if implementation of these possible remedial action plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the possible costs of said plans;
(7) A list of sites that pose an imminent hazard;
(8) A comprehensive budget to develop and implement remedial action plans for sites that pose imminent hazards and that may require State funding, and the adequacy of the Inactive Hazardous Sites Cleanup Fund; and
(9) Any other information requested by the General Assembly or the Environmental Review Commission.

(b) Repealed by Session Laws 2001-452, s. 2.3, effective October 28, 2001. (1987, c. 574, s. 2; 1989, c. 286, s. 8; 1997-28, s. 1; 2001-452, s. 2.3.)

Editor's Note. — Session Laws 1996, Second Extra Session, c. 18, s. 27.10, provides: "Beginning in 1997, the Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall report on the generation, storage, treatment, and disposal of hazardous waste in North Carolina no more often than it is required to report under federal law or federal regulation."

Session Laws 1996, Second Extra Session, c. 18, s. 29.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1996-97 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1996-97 fiscal year."

§ 130A-310.11. Inactive Hazardous Sites Cleanup Fund created.

There is established under the control and direction of the Department the Inactive Hazardous Sites Cleanup Fund. This fund shall be a revolving fund consisting of any monies appropriated for such purpose by the General Assembly or available to it from grants, fees, and other monies paid to it or recovered by or on behalf of the Department. The Inactive Hazardous Sites Cleanup Fund shall be treated as a nonreverting special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. (1987, c. 574, s. 2; 1989, c. 286, s. 9.)

Editor's Note. — Session Laws 2002-126, s. 12.6(a), provides: "The Department of Environment and Natural Resources may use up to two million five hundred thousand dollars ($2,500,000) from the Inactive Hazardous Sites Cleanup Fund established in G.S. 130A-310.11 for the 2002-2003 fiscal year for the detoxification and remediation of the landfill located in Warren County that contains polychlorinated biphenyl (PCBs) and dioxin/furan contaminated materials."

Session Laws 2002-126, s. 12.6(b), provides: "Notwithstanding the provisions of G.S. 143-215.3A, the Department of Environment and Natural Resources also may use up to five hundred thousand dollars ($500,000) for the 2002-2003 fiscal year from the fees collected for water quality permits under G.S. 143-215.3D and credited to the Water Permits Fund if both of the following conditions are satisfied:

"(2) All other funds, including all contingency funds, available to the Department for the detoxification and remediation of the landfill located in Warren County that contains polychlorinated biphenyl (PCBs) and dioxin/furan contaminated materials have been spent or encumbered."

(4) Any financial assurances that may be required of an owner, operator, or other responsible party.
(5) Requirements for the preparation, maintenance, and public availability of work plans and records, reports of data collection including sampling, sample analysis, and other site testing, and other records and reports that are consistent with the requirements applicable to remedial actions generally. (c) Each contract entered into by the Department under this section shall stipulate that all obligations of the State are subject to the availability of funds. Neither this section nor any contract entered into under authority of this section shall be construed to obligate the General Assembly to make any appropriation to implement this Part or any contract entered into under this section. Part 5. Brownfields Property Reuse Act.

§ 130A-310.30. Short title.

This Part may be cited as The Brownfields Property Reuse Act of 1997. (1997-357, s. 2.)

Editor's Note. — Session Laws 1997-357, s. 1, provides: "The General Assembly makes the following findings:

"(1) There are abandoned, idle, and underused properties in North Carolina, often referred to as 'brownfields', that may have been or were contaminated by past industrial and commercial activities, but that are attractive locations for redevelopment.

"(2) The reuse, development, redevelopment, transfer, financing, and other use of brownfields is impaired by the potential liability associated with the risk of contamination.

"(3) The safe redevelopment of brownfields would benefit the citizens of North Carolina in many ways, including improving the tax base of local government and creating job opportunities for citizens in the vicinity of brownfields.

"(4) Potential purchasers and developers of brownfields and other parties who have no connection with the contamination of the property, including redevelopment lenders, should be encouraged to provide capital and labor to improve brownfields without undue risk of liability for problems they did not create, so long as the property can be and is made safe for appropriate future use.

"(5) Public and local government involvement in commenting on the safe reuse of brownfields will improve the quality and acceptability of their redevelopment."

Session Laws 1997-357, s. 8, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. The Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall implement the provisions of this act from funds otherwise available or appropriated to the Department."

§ 130A-310.32. Brownfields agreement.

(a) The Department may, in its discretion, enter into a brownfields agreement with a prospective developer who satisfies the requirements of this section. A prospective developer shall provide the Department with any information necessary to demonstrate that:
(1) The prospective developer, and any parent, subsidiary, or other affiliate of the prospective developer has substantially complied with:
a. The terms of any brownfields agreement or similar agreement to which the prospective developer or any parent, subsidiary, or other affiliate of the prospective developer has been a party.
b. The requirements applicable to any remediation in which the applicant has previously engaged.
c. Federal and state laws, regulations, and rules for the protection of the environment.
(2) As a result of the implementation of the brownfields agreement, the brownfields property will be suitable for the uses specified in the agreement while fully protecting public health and the environment instead of being remediated to unrestricted use standards.
(3) There is a public benefit commensurate with the liability protection provided under this Part.
(4) The prospective developer has or can obtain the financial, managerial, and technical means to fully implement the brownfields agreement and assure the safe use of the brownfields property.

(5) The prospective developer has complied with or will comply with all applicable procedural requirements.

(b) In negotiating a brownfields agreement, parties may rely on land-use restrictions that will be included in a Notice of Brownfields Property required under G.S. 130A-310.35. A brownfields agreement may provide for remediation standards that are based on those land-use restrictions.

(c) A brownfields agreement shall contain a description of the brownfields property that would be sufficient as a description of the property in an instrument of conveyance and, as applicable, a statement of:

(1) Any remediation to be conducted on the property, including:
   a. A description of specific areas where remediation is to be conducted.
   b. The remediation method or methods to be employed.
   c. The resources that the prospective developer will make available.
   d. A schedule of remediation activities.
   e. Applicable remediation standards.
   f. A schedule and the method or methods for evaluating the remediation.

(2) Any land-use restrictions that will apply to the brownfields property.

(3) The desired results of any remediation or land-use restrictions with respect to the brownfields property.

(4) The guidelines, including parameters, principles, and policies within which the desired results are to be accomplished.

(5) The consequences of achieving or not achieving the desired results.

(d) Any failure of the prospective developer or the prospective developer's agents and employees to comply with the brownfields agreement constitutes a violation of this Part by the prospective developer. (1997-357, s. 2; 2001-384, s. 11.)

Cross References. — As to taxation of qualifying improvements on brownsfields, see G.S. 105-277.13.

§ 130A-310.33. Liability protection.

(a) A prospective developer who enters into a brownfields agreement with the Department and who is complying with the brownfields agreement shall not be held liable for remediation of areas of contaminants identified in the brownfields agreement except as specified in the brownfields agreement, so long as the activities conducted on the brownfields property by or under the control or direction of the prospective developer do not increase the risk of harm to public health or the environment and the prospective developer is not required to undertake additional remediation to unrestricted use standards pursuant to subsection (c) of this section. The liability protection provided under this Part applies to all of the following persons to the same extent as to a prospective developer, so long as these persons are not otherwise potentially responsible parties or parents, subsidiaries, or affiliates of potentially responsible parties and the person is not required to undertake additional remediation to unrestricted use standards pursuant to subsection (c) of this section:

(1) Any person under the direction or control of the prospective developer who directs or contracts for remediation or redevelopment of the brownfields property.

(2) Any future owner of the brownfields property.

(3) A person who develops or occupies the brownfields property.

(4) A successor or assign of any person to whom the liability protection provided under this Part applies.

(5) Any lender or fiduciary that provides financing for remediation or redevelopment of the brownfields property.

(b) A person who conducts an environmental assessment or transaction screen on a brownfields property and who is not otherwise a potentially responsible party is not a potentially responsible party as a result of conducting the environmental assessment or transaction screen unless that person increases the risk of harm to public health or the environment by failing to exercise due diligence and reasonable care in performing the environmental assessment or transaction screen.

(c) If a land-use restriction set out in the Notice of Brownfields Property required under G.S. 130A-310.35 is violated, the owner of the brownfields property at the time the land-use restriction is violated, the owner's successors and assigns, and the owner's agents who direct or contract for alteration of the brownfields property in violation of a land-use restriction shall be liable for remediation to unrestricted use standards. A prospective developer who completes the remediation or redevelopment required under a brownfields agreement or other person who receives liability protection under this Part shall not be required to undertake additional remediation at the brownfields property unless any of the following apply:

(1) The prospective developer knowingly or recklessly provides false information that forms a basis for the brownfields agreement or that is offered to demonstrate compliance with the brownfields agreement or fails to disclose relevant information about contamination at the brownfields property.

(2) New information indicates the existence of previously unreported contaminants or an area of previously unreported contamination on or associated with the brownfields property that has not been remediated to unrestricted use standards, unless the brownfields agreement is amended to include any previously unreported contaminants and any additional areas of contamination. If the brownfields agreement sets maximum concentrations for contaminants, and new information indicates the existence of previously unreported areas of these contaminants, further remediation shall be required only if the areas of previously unreported contaminants raise the risk of the contamination to public health or the environment to a level less protective of public health and the environment than that required by the brownfields agreement.

(3) The level of risk to public health or the environment from contaminants is unacceptable at or in the vicinity of the brownfields property due to changes in exposure conditions, including (i) a change in land use that increases the probability of exposure to contaminants or in the vicinity of the brownfields property or (ii) the failure of remediation to mitigate risks to the extent required to make the brownfields property fully protective of public health and the environment as planned in the brownfields agreement.

(4) The Department obtains new information about a contaminant associated with the brownfields property or exposures at or around the brownfields property that raises the risk to public health or the environment associated with the brownfields property beyond an acceptable range and in a manner or to a degree not anticipated in the brownfields agreement. Any person whose use, including any change in use, of the brownfields property causes an unacceptable risk to public health or the environment may be required by the Department to undertake additional remediation measures under the provisions of this Part.

(5) A prospective developer fails to file a timely and proper Notice of Brownfields Development under this Part. (1997-357, s. 2; 2001-384, s. 11.)

§ 130A-310.34. Public notice and community involvement.

(a) A prospective developer who desires to enter into a brownfields agreement shall notify the public and the community in which the brownfields property is located of planned remediation and redevelopment activities. The prospective developer shall submit a Notice of Intent to Redevelop a Brownfields Property and a summary of the Notice of Intent to the Department. The Notice of Intent shall provide, to the extent known, a legal description of the location of the brownfields property, a map showing the location of the brownfields property, a description of the contaminants involved and their concentrations in the media of the brownfields property, a description of the intended future use of the brownfields property, any proposed investigation and remediation, and a proposed Notice of Brownfields Property prepared in accordance with G.S. 130A-310.35. Both the Notice of Intent and the summary of the Notice of Intent shall state the time period and means for submitting written comment and for requesting a public meeting on the proposed brownfields agreement. The summary of the Notice of Intent shall include a statement as to the public availability of the full Notice of Intent. After approval of the Notice of Intent and summary of the Notice of Intent by the Department, the prospective developer shall provide a copy of the Notice of Intent to all local governments having jurisdiction over the brownfields property. The prospective developer shall publish the summary of the Notice of Intent in a newspaper of general circulation serving the area in which the brownfields property is located and shall file a copy of the summary of the Notice of Intent with the Codifier of Rules, who shall publish the summary of the Notice of Intent in the North Carolina Register. The prospective developer shall also conspicuously post a copy of the summary of the Notice of Intent at the brownfields site.

(b) Publication of the approved summary of the Notice of Intent in the North Carolina Register and publication in a newspaper of general circulation shall begin a public comment period of at least 60 days from the later date of publication. During the public comment period, members of the public, residents of the community in which the brownfields property is located, and local governments having jurisdiction over the brownfields property may submit comment on the proposed brownfields agreement, including methods and degree of remediation, future land uses, and impact on local employment.

(c) Any person who desires a public meeting on a proposed brownfields agreement shall submit a written request for a public meeting to the Department within 30 days after the public comment period begins. The Department shall consider all requests for a public meeting and shall hold a public meeting if the Department determines that there is significant public interest in the proposed brownfields agreement. If the Department decides to hold a public meeting, the Department shall, at least 30 days prior to the public meeting, mail written notice of the public meeting to all persons who requested the public meeting and to any other person who had previously requested notice. The Department shall also direct the prospective developer to publish, at least 30 days prior to the date of the public meeting, a notice of the public meeting at least one time in a newspaper having general circulation in such county where the brownfields property is located. In any county in which there is more than one newspaper having general circulation, the Department shall direct the prospective developer to publish a copy of the notice in as many newspapers having general circulation in the county as the Department in its discretion determines to be necessary to assure that the notice is generally available throughout the county. The Department shall prescribe the form and content of the notice to be published. The Department shall prescribe the procedures to be followed in the public meeting. The Department shall take

detailed minutes of the meeting. The minutes shall include any written comments, exhibits, or documents presented at the meeting.

(d) Prior to entering into a brownfields agreement, the Department shall take into account the comment received during the comment period and at the public meeting if the Department holds a public meeting. The Department shall incorporate into the brownfields agreement provisions that reflect comment received during the comment period and at the public meeting to the extent practical. The Department shall give particular consideration to written comment that is supported by valid scientific and technical information and analysis and to written comment from the units of local government that have taxing jurisdiction over the brownfields property. (1997-357, s. 2; 2000-158, s. 2.)

§ 130A-310.35. Notice of Brownfields Property; land-use restrictions in deed.

(a) In order to reduce or eliminate the danger to public health or the environment posed by a brownfields property being addressed under this Part, a prospective developer who desires to enter into a brownfields agreement with the Department shall submit to the Department a proposed Notice of Brownfields Property. A Notice of Brownfields Property shall be entitled "Notice of Brownfields Property", shall include a survey plat of areas designated by the Department that has been prepared and certified by a professional land surveyor and that meets the requirements of G.S. 47-30, shall include a legal description of the brownfields property that would be sufficient as a description of the property in an instrument of conveyance, and shall identify all of the following:

(1) The location and dimensions of the areas of potential environmental concern with respect to permanently surveyed benchmarks.

(2) The type, location, and quantity of regulated substances and contaminants known to exist on the brownfields property.

(3) Any restrictions on the current or future use of the brownfields property or, with the owner's permission, other property that are necessary or useful to maintain the level of protection appropriate for the designated current or future use of the brownfields property and that are designated in the brownfields agreement. These land-use restrictions may apply to activities on, over, or under the land, including, but not limited to, use of groundwater, building, filling, grading, excavating, and mining. Where a brownfields property encompasses more than one parcel or tract of land, a composite map or plat showing all parcels or tracts may be recorded.

(b) After the Department approves and certifies the Notice of Brownfields Property under subsection (a) of this section, a prospective developer who enters into a brownfields agreement with the Department shall file a certified copy of the Notice of Brownfields Property in the register of deeds' office in the county or counties in which the land is located. The prospective developer shall file the Notice of Brownfields Property within 15 days of the prospective developer's receipt of the Department's approval of the notice or the prospective developer's entry into the brownfields agreement, whichever is later.

(c) The register of deeds shall record the certified copy of the notice and index it in the grantor index under the names of the owners of the land, and, if different, also under the name of the prospective developer conducting the redevelopment of the brownfields property.

(d) When a brownfields property is sold, leased, conveyed, or transferred, the deed or other instrument of transfer shall contain in the description section, in no smaller type than that used in the body of the deed or

instrument, a statement that the brownfields property has been classified and, if appropriate, cleaned up as a brownfields property under this Part.

(e) A Notice of Brownfields Property filed pursuant to this section may, at the request of the owner of the land, be cancelled by the Secretary after the hazards have been eliminated. If requested in writing by the owner of the land and if the Secretary concurs with the request, the Secretary shall send to the register of deeds of each county where the notice is recorded a statement that the hazards have been eliminated and request that the notice be cancelled of record. The Secretary's statement shall contain the names of the owners of the land as shown in the notice and reference the plat book and page where the notice is recorded. The register of deeds shall record the Secretary's statement in the deed books and index it on the grantor index in the names of the owners of the land as shown in the Notice of Brownfields Property and on the grantee index in the name "Secretary of Environment and Natural Resources". The register of deeds shall make a marginal entry on the Notice of Brownfields Property showing the date of cancellation and the book and page where the Secretary's statement is recorded, and the register of deeds shall sign the entry. If a marginal entry is impracticable because of the method used to record maps and plats, the register of deeds shall not be required to make a marginal entry.

(f) Any land-use restriction filed pursuant to this section shall be enforced by any owner of the land. Any land-use restriction may also be enforced by the Department through the remedies provided in Part 2 of Article 1 of this Chapter or by means of a civil action. The Department may enforce any land-use restriction without first having exhausted any available administrative remedies. A land-use restriction may also be enforced by any unit of local government having jurisdiction over any part of the brownfields property by means of a civil action without the unit of local government having first exhausted any available administrative remedy. A land-use restriction may also be enforced by any person eligible for liability protection under this Part who will lose liability protection if the land-use restriction is violated. A land-use restriction shall not be declared unenforceable due to lack of privity of estate or contract, due to lack of benefit to particular land, or due to lack of any property interest in particular land. Any person who owns or leases a property subject to a land-use restriction under this section shall abide by the land-use restriction.

(g) This section shall apply in lieu of the provisions of G.S. 130A-310.8 for brownfields properties remediated under this Part. (1997-357, s. 2; 1997-443, s. 11A.119(b).)

§ 130A-310.36. Appeals.

A decision by the Department as to whether or not to enter into a brownfields agreement including the terms of any brownfields agreement is reviewable under Article 3 of Chapter 150B of the General Statutes. (1997-357, s. 2.)

§ 130A-310.37. Construction of Part.

(a) This Part is not intended and shall not be construed to:

(1) Affect the ability of local governments to regulate land use under Article 19 of Chapter 160A of the General Statutes and Article 18 of Chapter 153A of the General Statutes. The use of the identified brownfields property and any land-use restrictions in the brownfields agreement shall be consistent with local land-use controls adopted under those statutes.

(2) Amend, modify, repeal, or otherwise alter any provision of any remedial program or other provision of this Chapter, Chapter 143 of the

General Statutes, or any other provision of law relating to civil and criminal penalties or enforcement actions and remedies available to the Department, except as may be provided in a brownfields agreement.

(3) Prevent or impede the immediate response of the Department or responsible party to an emergency that involves an imminent or actual release of a regulated substance that threatens public health or the environment.

(4) Relieve a person receiving liability protection under this Part from any liability for contamination later caused by that person on a brownfields property.

(5) Affect the right of any person to seek any relief available against any party to the brownfields agreement who may have liability with respect to the brownfields property, except that this Part does limit the relief available against any party to a brownfields agreement with respect to remediation of the brownfields property to the remediation required under the brownfields agreement.

(6) Affect the right of any person who may have liability with respect to the brownfields property to seek contribution from any other person who may have liability with respect to the brownfields property and who neither received nor has liability protection under this Part.

(7) Prevent the State from enforcing specific numerical remediation standards, monitoring, or compliance requirements specifically required to be enforced by the federal government as a condition to receive program authorization, delegation, primacy, or federal funds.

(8) Create a defense against the imposition of criminal and civil fines or penalties or administrative penalties otherwise authorized by law and imposed as the result of the illegal disposal of waste or for the pollution of the land, air, or waters of this State on a brownfields property.

(9) Relieve a person of any liability for failure to exercise due diligence and reasonable care in performing an environmental assessment or transaction screen.

(b) Notwithstanding the provisions of the Tort Claims Act, G.S. 143-291 through G.S. 143-300.1 or any other provision of law waiving the sovereign immunity of the State of North Carolina, the State, its agencies, officers, employees, and agents shall be absolutely immune from any liability in any proceeding for any injury or claim arising from negotiating, entering, monitoring, or enforcing a brownfields agreement or a Notice of Brownfields Property under this Part or any other action implementing this Part.

(c) The Department shall not enter into a brownfields agreement for a brownfields site that is identified by the United States Environmental Protection Agency as a federal Superfund site pursuant to 40 Code of Federal Regulations, Part 300 (1 July 1996 Edition). (1997-357, s. 2; 1997-392, s. 4.5.)

Editor's Note. — Session Laws 1997-392, s. 6(c), provides: "Sections 4.2 through 4.5 of this act become effective if and when 1997 House Bill 1121 becomes law." House Bill 1121 was enacted as Session Laws 1997-357, effective October 1, 1997.

§ 130A-310.38. Brownfields Property Reuse Act Implementation Account.

The Brownfields Property Reuse Act Implementation Account is created as a nonreverting interest-bearing account in the Office of the State Treasurer. The Account shall consist of fees and interest collected under G.S. 130A-310.39, moneys appropriated to it by the General Assembly, moneys received from the

federal government, moneys contributed by private organizations, and moneys received from any other source. Funds in the Account shall be used by the Department to defray the costs of implementing this Part. The Department may contract with a private entity for any services necessary to implement this Part. (1997-357, s. 2; 1999-360, s. 17.2.)

§ 130A-310.39. Fees.

(a) The Department shall collect the following fees:

(1) A prospective developer who submits a proposed brownfields agreement for review by the Department shall pay an initial fee of two thousand dollars ($2,000).

(2) A prospective developer who enters into a brownfields agreement with the Department shall pay a fee in an amount equal to the full cost to the Department and the Department of Justice of all activities related to the brownfields agreement, including but not limited to negotiation of the brownfields agreement, public notice and community involvement, and monitoring the implementation of the brownfields agreement. The procedure by which the amount of this fee is determined shall be established by agreement between the prospective developer and the Department and shall be set out as a part of the brownfields agreement. The fee imposed by this subdivision shall be paid in two installments. The first installment shall be due at the time the prospective developer and the Department enter into the brownfields agreement and shall equal all costs that have been incurred by the Department and the Department of Justice at that time less the amount of the initial fee paid pursuant to subdivision (1) of this subsection. The Department shall not enter into the brownfields agreement unless the first installment is paid in full when due. The second installment shall be due at the time the prospective developer submits a final report certifying completion of remediation under the brownfields agreement and shall include any additional costs that have been incurred by the Department and the Department of Justice, including all costs of monitoring the implementation of the brownfields agreement.

(b) Fees and interest imposed under this section shall be credited to the Brownfields Property Reuse Act Implementation Account.

(c) If a prospective developer fails to pay the full amount of any fee due under this section, interest on the unpaid portion of the fee shall accrue from the time the fee is due until paid at the rate established by the Secretary of Revenue pursuant to G.S. 105-241.1(i). A lien for the amount of the unpaid fee plus interest shall attach to the real and personal property of the prospective developer and to the brownfields property until the fee and interest is paid. The Department may collect unpaid fees and interest in any manner that a unit of local government may collect delinquent taxes. (1997-357, s. 2; 1999-360, s. 17.3.)

§ 130A-310.40. Legislative reports.

The Department shall prepare and submit to the Environmental Review Commission, concurrently with the report on the Inactive Hazardous Sites Response Act of 1987 required under G.S. 130A-310.10, an evaluation of the effectiveness of this Part in facilitating the remediation and reuse of existing industrial and commercial properties. This evaluation shall include any recommendations for additional incentives or changes, if needed, to improve the effectiveness of this Part in addressing such properties. This evaluation

shall also include a report on receipts by and expenditures from the Brownfields Property Reuse Act Implementation Account. (1997-357, s. 2.)

§ 130A-315. Drinking water rules.

(a) The Commission shall adopt and the Secretary shall enforce drinking water rules to regulate public water systems. The rules may distinguish between community water systems and noncommunity water systems.

(b) The rules shall:

(1) Specify contaminants which may have an adverse effect on the public health;

(2) Specify for each contaminant either:

a. A maximum contaminant level which is acceptable in water for human consumption, if it is feasible to establish the level of the contaminant in water in public water systems; or

b. One or more treatment techniques which lead to a reduction in the level of contaminants sufficient to protect the public health, if it is not feasible to establish the level of the contaminants in water in a public water system; and

(3) Establish criteria and procedures to assure a supply of drinking water which dependably complies with maximum contaminant levels and treatment techniques as determined in paragraph (2) of this subsection. These rules may provide for:

a. The minimum quality of raw water which may be taken into a public water system;

b. A program of laboratory certification;

c. Monitoring and analysis;

d. Record-keeping and reporting;

e. Notice of noncompliance, failure to perform monitoring, variances and exemptions;

(4a) Limit the number of service connections to a public water system based on the quantity of water available to the public water system, provided that the number of service connections shall not be limited for a public water system operating in accordance with a local water supply plan that meets the requirements of G.S. 143-355(*l*).

(5) Establish criteria and procedures for siting new public water systems.

(6) Provide for variances and exemptions from the rules.

(7) Provide for notice of noncompliance in accordance with G.S. 130A-324.

(b2) Two or more water systems that are adjacent, that are owned or operated by the same supplier of water, that individually serve less than 15

service connections or less than 25 persons but that in combination serve 15 or more service connections or 25 or more persons, and that individually are not public water systems shall meet the standards applicable to public water systems for the following contaminants: coliform bacteria, nitrates, nitrites, lead, copper, and other inorganic chemicals for which testing and monitoring is required for public water systems on 1 July 1994. The standards applicable to these contaminants shall be enforced by the Commission as though the water systems to which this subsection applies were public water systems.

(b3) The Department shall not certify or renew a certification of a laboratory under rules adopted pursuant to subdivision (3)b. of subsection (b) of this section unless the laboratory offers to perform composite testing of samples taken from a single public water supply system for those contaminants that the laboratory is seeking certification or renewal of certification to the extent allowed by regulations adopted by the United States Environmental Protection Agency.

(c) The drinking water rules may be amended as necessary in accordance with required federal regulations.

(d) When a person that receives water from a public water system is authorized by the Utilities Commission, pursuant to G.S. 62-110(g), to install sub-meters and allocate the costs for providing water service to persons who occupy the same contiguous premises, that person shall be regulated as a consecutive water system. The monitoring, analysis, and record-keeping requirements applicable to consecutive water systems under this section shall be satisfied by the monitoring, analysis, and record keeping performed by the supplying water system and submitted to the Department in compliance with this section. The supplying water system shall perform the same level of monitoring, analysis, and record keeping that the supplying system would perform if the person that receives the water had not been authorized to allocate the costs for providing water service under G.S. 62-110(g), but the supplying water system shall not be required to perform additional monitoring, analysis, and record keeping. A supplying water system is not responsible for operation, maintenance, or repair of the consecutive water system. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1985, c. 417, ss. 1, 2; 1991 (Reg. Sess., 1992), c. 826, s. 1; 1993 (Reg. Sess., 1994), c. 776, s. 15; 1995, c. 25, s. 1; 2000-172, s. 1.1; 2001-502, s. 6.)

Editor's Note. — Session Laws 2000-172, s. 1.2, provides: "In enacting Section 1.1 of this act, it is the intent of the General Assembly to promote water conservation while protecting public health, safety, welfare, and the environment and avoiding unduly burdensome requirements on consecutive water systems. Section 1.1 of this act shall not be construed to impose any requirement on a supplying water system other than the requirements that apply to the supplying water system on the date this act becomes effective and that would apply to the supplying water system if a consecutive water system had not been authorized."

Session Laws 2000-172, s. 8.2, contains a severability clause.

§ 130A-316. Department to examine waters.

The Department shall examine all waters and their sources and surroundings which are used as, or proposed to be used as, sources of public water supply to determine whether the waters and their sources are suitable for use as public water supply sources. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-317. Department to provide advice; submission and approval of public water system plans.

(a) The Department shall advise all persons and units of local government locating, constructing, altering or operating or intending to locate, construct, alter or operate a public water system of the most appropriate source of water supply and the best practical method of purifying water from that source having regard to the present and prospective needs and interests of other persons and units of local government which may be affected. The Department shall also advise concerning accepted engineering practices in the location, construction, alteration and operation of public water systems.

(b) All persons and units of local government constructing or altering a public water system shall give prior notice and submit plans, specifications and other information to the Department. The Commission shall adopt rules providing for the amount of prior notice required to be given and the nature and detail of the plans, specifications and other information required to be submitted. The Commission shall take into consideration the complexity of the construction or alteration which may be involved and the resources of the Department to review the plans, specifications and other information. The Department shall review the plans, specifications and other information, and notify the person, Utilities Commission and unit of local government of compliance or lack of compliance with applicable statutes and rules of the Commission.

(c) No person or unit of local government shall begin construction or alteration of a public water system or award a contract for construction or alteration unless:

(1) The plans for construction or alteration have been prepared by an engineer licensed by this State;

(2) The Department has determined that the system, as constructed or altered, will be capable of compliance with the drinking water rules;

(3) The Department has determined that the system is capable of interconnection at an appropriate time with an expanding municipal, county or regional system;

(4) The Department has determined that adequate arrangements have been made for the continued operation, service and maintenance of the public water system; and

(5) The Department has approved the plans and specifications.

(d) Municipalities, counties, local boards or commissions, water and sewer authorities, or groups of municipalities and counties may establish and administer within their utility service areas their own approval program in lieu of State approval of water system plans required in subsection (c) of this section for construction or alteration of the distribution system of a proposed or existing public water system, subject to the prior certification of the Department. For purposes of this subsection, the service area of a municipality shall include only that area within the corporate limits of the municipality and that area outside a municipality in its extraterritorial jurisdiction where water service is already being provided to the permit applicant by the municipality or connection to the municipal water system is immediately available to the applicant; the service areas of counties and the other entities or groups shall include only those areas where water service is already being provided to the applicant by the permitting authority or connection to the permitting author-

ity's system is immediately available. No later than the 180th day after the receipt of an approval program and statement submitted by any local government, commission, authority, or board, the Department shall certify any local program that:

(1) Provides by ordinance or local law for requirements compatible with those imposed by this Article, and the standards and rules adopted pursuant to this Article;
(2) Provides that the Department receives notice and a copy of each application for approval and that the Department receives copies of approved plans;
(3) Provides that plans and specifications for all construction and alterations be prepared by or under the direct supervision of an engineer licensed to practice in this State;
(4) Provides for the adequate enforcement of the program requirements by appropriate administrative and judicial process;
(5) Provides for the adequate administrative organization, engineering staff, financial and other resources necessary to effectively carry out its plan review program;
(6) Provides that the system is capable of interconnection at an appropriate time with an expanding municipal, county, or regional system;
(7) Provides for the adequate arrangement for the continued operation, service, and maintenance of the public water system;
(8) Provides that an approved system, as constructed or altered, will be capable of compliance with the drinking water rules; and
(9) Is approved by the Department as adequate to meet the requirements of this Article and any applicable rules adopted pursuant to this Article.

The Department may deny, suspend, or revoke the certification of a local program upon a finding that a violation of the provisions in subsection (d) of this section has occurred. A local government administering an approval program shall be given notice that there has been a tentative decision to deny, suspend, or revoke certification and that an administrative hearing will be held in accordance with Chapter 150B of the General Statutes where the decision may be challenged. If a violation of the provisions in subsection (d) of this section presents an imminent hazard, certification may be suspended or revoked immediately. The Department shall give notice of the immediate suspension or revocation and notice that an administrative hearing will be held in accordance with Chapter 150A of the General Statutes where the decision may be challenged.

Notwithstanding any other provisions of this subsection, if the Department determines that a public water system is violating plan approval requirements of a local program and that the local government has not acted to enforce those approval requirements, the Department may, after written notice to the local government, take enforcement action in accordance with the provisions of this Article. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1985, c. 697, s. 1; 1987, c. 827, s. 1.)

§ 130A-318. Disinfection of public water systems.

(a) The Department is authorized to require disinfection of:
(1) Public water systems introduced on or after January 1, 1972; and
(2) All public water systems, regardless of the date introduced, whenever:
a. The maximum microbiological contaminant level is exceeded; or
b. Conditions exist which make continued use of the water potentially hazardous to public health.

(b) Public water systems shall employ disinfection methods and procedures approved by the Department. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-319. Condemnation of lands for public water systems.

All units of local government operating public water systems and all water companies operating under franchise from the State or units of local government, may acquire by condemnation lands and rights in lands and water necessary for the successful operation and protection of their systems. Condemnation proceedings under this section shall be the same as prescribed by law under Chapter 40A of the General Statutes. (1979, c. 788, s. 1; 1981, c. 919, s. 14; 1983, c. 891, s. 2.)

CASE NOTES

Power to Condemn Not Limited to Easement. — The power of a municipal corporation to condemn land for its watershed in order to protect its water supply from contamination is not limited to an easement, but it has been given power to condemn the fee for that purpose. Town of Morganton v. Hutton & Bourbonnais Co., 251 N.C. 531, 112 S.E.2d 111 (1960), decided under former statutory provisions.

§ 130A-320. Sanitation of watersheds; rules; inspections.

(a) The Commission shall adopt rules governing the sanitation of watersheds from which public drinking water supplies are obtained. In adopting these rules the Commission is authorized to consider the different classes of watersheds, taking into account general topography, nature of watershed development, density of population and need for frequency of sampling of raw water. The rules shall govern the keeping of livestock, operation of recreational areas, maintenance of residences and places of business, disposal of sewage, establishment of cemeteries or burying grounds, and any other factors which would endanger the public water supply.

(b) Any person operating a public water system and furnishing water from unfiltered surface supplies shall inspect the watershed area at least quarterly, and more often when the Department determines that more frequent inspections are necessary. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-321. Variances and exemptions; considerations; duration; condition; notice and hearing.

(a) The Secretary may authorize variances from the drinking water rules.

(1) The Secretary may grant one or more variances to a public water system from any requirement respecting a maximum contaminant level of an applicable drinking water rule upon a finding that:

a. Because of characteristics of the raw water sources reasonably available to the system, the system cannot meet the requirements respecting the maximum contaminant levels of the drinking water rules after application of the best technology, treatment techniques, or other means which the Secretary finds are available (taking costs into consideration); and

b. The granting of a variance will not result in an unreasonable risk to public health when considering the population exposed, the projected duration of the requested variance and the degree to which the maximum contaminant level is being or will be exceeded.

(2) The Secretary may grant one or more variances to a public water system from any requirement of a specified treatment technique of an applicable drinking water rule upon a finding that the public water

system applying for the variance has demonstrated that the treatment technique is not necessary to protect the public health because of the nature of the raw water source of the system.

(3) In consideration of whether the public water system is unable to comply with a contaminant level required by the drinking water rules because of the nature of the raw water sources, the Secretary shall consider factors such as:

a. The availability and effectiveness of treatment methods for the contaminant for which the variance is requested; and

b. Costs of implementing the best treatment(s), improving the quality of the raw water by the best means or using an alternate source.

(4) In consideration of whether a public water system should be granted a variance from a required treatment technique because the treatment is unnecessary to protect the public health, the Secretary shall consider factors such as:

a. Quality of the water source including water quality data and pertinent sources of pollution; and

b. Source protection measures employed by the public water system.

(5) In order to implement sub-subdivision a. of subdivision (1) of this subsection, the Commission shall adopt by rule a list of the best available technologies, treatment techniques, or other means available, to deal with each contaminant for which a maximum contaminant level is established.

(b) The Secretary may authorize exemptions from the drinking water rules.

(1) The Secretary may exempt a public water system from any requirement respecting a maximum contaminant level or any treatment technique requirement, or from both, of an applicable drinking water rule upon a finding that:

a. Due to compelling factors, including economic factors, the public water system is unable to comply with the contaminant level or treatment technique requirement;

b. The public water system was in operation on the effective date of the contaminant level or treatment technique requirement or, for a system that was not in operation on that date, only if no reasonable alternative source of drinking water is available to the new system; and

c. The granting of the exemption will not result in an unreasonable risk to public health when considering the population exposed, the projected duration of the requested exemption and the degree to which the maximum contaminant level is being or will be exceeded.

(2) In consideration of whether the public water system is unable to comply due to compelling factors, the Secretary shall consider factors such as:

a. Construction, installation or modification of treatment equipment or systems;

b. The time needed to put into operation a new treatment facility to replace an existing system which is not in compliance; and

c. Economic feasibility of immediate compliance.

(c) As a condition of issuance of either a variance or an exemption, the Secretary shall issue a schedule of compliance for the public water system, including increments of progress for each drinking water rule for which the variance or exemption was issued. As a further condition of a variance or exemption, the Secretary shall require the public water system to implement any necessary control measures prescribed by the Secretary during the period of the variance or exemption. The compliance schedule for an exemption shall

require compliance as expeditiously as practical but no later than June 19, 1987, for existing maximum contaminant levels and treatment techniques, or no later than one year from the issuance of the exemption for any newly adopted maximum contaminant level or treatment technique. The final date for compliance provided in any exemption schedule may be extended up to three years after the date of the issuance of the exemption if the water system establishes:

(1) The water system cannot meet the standard without capital improvements which cannot be completed within the period of exemption, or

(2) The system needs financial assistance for necessary improvements and has entered into an agreement to obtain such assistance, or

(3) The system has entered into an enforceable agreement to become part of a regional public water system and the system is taking all practical steps to meet the standard.

If a public water system serves 500 or fewer service connections and needs financial assistance for necessary improvements, an exemption may be renewed for one or more additional two-year periods if the system establishes it meets the requirements set forth in subdivisions (1) and (2) of this section.

(d) The Secretary shall provide notice and opportunity for public hearing on proposed variances and proposed variance and exemption schedules. (1979, c. 788, s. 1; 1981, c. 353, ss. 1, 2; 1983, c. 891, s. 2; 1987, c. 704, ss. 3-5.)

§ 130A-322. Imminent hazard; power of the Secretary.

(a) The Secretary shall judge whether an imminent hazard exists concerning a present or potential condition in a public water system.

(b) In order to eliminate an imminent hazard, the Secretary may, without notice or hearing, issue an order requiring the person or persons involved to immediately take action necessary to protect the public health. A copy of the order shall be delivered by certified mail or personal service. The order shall become effective immediately and shall remain in effect until modified or rescinded by the Secretary or by a court of competent jurisdiction. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-323. Emergency plan for drinking water; emergency circumstances defined.

(a) The Secretary shall develop and implement an adequate plan for the provision of drinking water under emergency circumstances. When the Secretary determines that emergency circumstances exist with respect to a need for drinking water, the Secretary may take action in accordance with the plan as necessary in order to provide drinking water.

(b) Emergency circumstances shall exist whenever the available supply of drinking water is inadequate. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-324. Notice of noncompliance; failure to perform monitoring; variances and exemptions.

Whenever a public water system:

(1) Is not in compliance with the drinking water rules;

(2) Fails to perform an applicable testing procedure or monitoring required by the drinking water rules;

(3) Is subject to a variance granted for inability to meet a maximum contaminant level requirement;

(4) Is subject to an exemption; or

(5) Fails to comply with the requirements prescribed by a variance or exemption,

the supplier shall as soon as possible, but not later than 48 hours after discovery, notify the Department and give public notification as prescribed by the drinking water rules. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-325. Prohibited acts.

The following acts are prohibited:

(1) Failure by a supplier of water to comply with this Article, an order issued under this Article, or the drinking water rules;

(2) Failure by a supplier of water to comply with the requirements of G.S. 130A-324 or the dissemination by a supplier of any false or misleading information with respect to remedial actions being undertaken to achieve compliance with the drinking water rules;

(3) Refusal by a supplier of water to allow the Department or local health department to inspect a public water system as provided for in G.S. 130A-17;

(4) The willful defiling by any person of any water supply of a public water system or the willful damaging of any pipe or other part of a public water system;

(5) The discharge by any person of sewage or other waste above the intake of a public water system, unless the sewage or waste has been passed through a system of purification approved by the Department; and

(6) The failure by a person to maintain a system approved by the Department for collecting and disposing of all accumulations of human excrement located on the watershed of a public water system. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1985, c. 462, s. 2; 1989, c. 727, s. 146.)

Article 11.

Wastewater Systems.

§ 130A-333. Purpose.

The General Assembly finds and declares that continued installation, at a rapidly and constantly accelerating rate, of septic tank systems and other types of wastewater systems in a faulty or improper manner and in areas where unsuitable soil and population density adversely affect the efficiency and functioning of these systems, has a detrimental effect on the public health and environment through contamination of land, groundwater and surface waters. Recognizing, however, that wastewater can be rendered ecologically

safe and the public health protected if methods of wastewater collection, treatment and disposal are properly regulated and recognizing that wastewater collection, treatment and disposal will continue to be necessary to meet the needs of an expanding population, the General Assembly intends to ensure the regulation of wastewater collection, treatment and disposal systems so that these systems may continue to be used, where appropriate, without jeopardizing the public health. (1973, c. 452, s. 3; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1991 (Reg. Sess., 1992), c. 944, ss. 1, 2.)

Editor's Note. — Session Laws 1997-443, s. 1.1, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 1997.'"

Session Laws 1997-443, s. 15.18, provides that, notwithstanding the provisions of Article 11 of Chapter 130A of the General Statutes to the contrary, the Department of Environment, Health, and Natural Resources (now the Department of Environment and Natural Resources) or the local health department shall issue an improvement permit and an authorization for wastewater system construction for any wastewater system that was the subject of an improvement permit issued by a local health department between July 1, 1982, and September 30, 1995, that expired prior to the installation of that wastewater system, upon certain conditions.

Session Laws 1997-443, s. 35.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

CASE NOTES

Property owners' negligent misrepresentation claim against the county agencies concerning an application for a septic tank on the owners' property was barred by sovereign immunity because the North Carolina Legislature vested the North Carolina Department of Health and Human Services via the local boards of health with the authority to approve and regulate wastewater systems, including septic tank systems. Tabor v. County of Orange, 156 N.C. App. 88, 575 S.E.2d 540, 2003 N.C. App. LEXIS 28 (2003).

§ 130A-335. Wastewater collection, treatment and disposal; rules.

(a) A person owning or controlling a residence, place of business or a place of public assembly shall provide an approved wastewater system. A wastewater system may include components for collection, treatment and disposal of wastewater.

(b) All wastewater systems shall be regulated by the Department under rules adopted by the Commission except for the following wastewater systems that shall be regulated by the Department under rules adopted by the Environmental Management Commission:

(1) Wastewater collection, treatment, and disposal systems designed to discharge effluent to the land surface or surface waters.

(2) Wastewater systems designed for groundwater remediation, groundwater injection, or landfill leachate collection and disposal.

(3) Wastewater systems designed for the complete recycle or reuse of industrial process wastewater.

(c) A wastewater system subject to approval under rules of the Commission shall be reviewed and approved under rules of a local board of health in the following circumstances:

(1) The local board of health, on its own motion, has requested the Department to review its proposed rules concerning wastewater systems; and

(2) The local board of health has adopted by reference the wastewater system rules adopted by the Commission, with any more stringent modifications or additions deemed necessary by the local board of health to protect the public health; and

(3) The Department has found that the rules of the local board of health concerning wastewater collection, treatment and disposal systems are at least as stringent as rules adopted by the Commission and are sufficient and necessary to safeguard the public health.

(d) The Department may, upon its own motion, upon the request of a local board of health or upon the request of a citizen of an affected county, review its findings under subsection (c) of this section.

The Department shall review its findings under subsection (c) of this section upon modification by the Commission of the rules applicable to wastewater systems. The Department may deny, suspend, or revoke the approval of local board of health wastewater system rules upon a finding that the local wastewater rules are not as stringent as rules adopted by the Commission, are not sufficient and necessary to safeguard the public health, or are not being enforced. Suspension and revocation of approval shall be in accordance with G.S. 130A-23.

(e) The rules of the Commission and the rules of the local board of health shall address at least the following: Wastewater characteristics; Design unit; Design capacity; Design volume; Criteria for the design, installation, operation, maintenance and performance of wastewater collection, treatment and disposal systems; Soil morphology and drainage; Topography and landscape

position; Depth to seasonally high water table, rock and water impeding formations; Proximity to water supply wells, shellfish waters, estuaries, marshes, wetlands, areas subject to frequent flooding, streams, lakes, swamps and other bodies of surface or groundwaters; Density of wastewater collection, treatment and disposal systems in a geographical area; Requirements for issuance, suspension and revocation of permits; and Other factors which affect the effective operation and performance of wastewater collection, treatment and disposal systems. The rules regarding required design capacity and required design volume for wastewater systems shall provide that exceptions may be granted upon a showing that a system is adequate to meet actual daily water consumption.

(f) The rules of the Commission and the rules of the local board of health shall classify systems of wastewater collection, treatment and disposal according to size, type of treatment and any other appropriate factors. The rules shall provide construction requirements, including pretreatment and system control requirements, standards for operation, maintenance, monitoring, reporting, and ownership requirements for each classification of systems of wastewater collection, treatment and disposal in order to prevent, as far as reasonably possible, any contamination of the land, groundwater and surface waters. The Department and local health departments may impose conditions on the issuance of permits and may revoke the permits for failure of the system to satisfy the conditions, the rules, or this Article. Permits other than improvement permits shall be valid for a period prescribed by rule. Improvement permits shall be valid upon a showing satisfactory to the Department or the local health department that the site and soil conditions are unaltered, that the facility, design wastewater flow, and wastewater characteristics are not increased, and that a wastewater system can be installed that meets the permitting requirements in effect on the date the improvement permit was issued. Improvement permits for which a plat is provided shall be valid without expiration. Improvement permits for which a site plan is provided shall be valid for five years. The period of time for which the permit is valid and a statement that the permit is subject to revocation if the site plan or plat, whichever is applicable, or the intended use changes shall be displayed prominently on both the application form for the permit and the permit.

(f1) A preconstruction conference with the owner or developer, or an agent of the owner or developer, and a representative of the local health department shall be required for any authorization for wastewater system construction issued with an improvement permit under G.S. 130-336 when the authorization is greater than five years old. Following the conference, the local health department shall issue a revised authorization for wastewater system construction that includes current technology that can reasonably be expected to improve the performance of the system.

(f2) For each septic tank system that is designed to treat 3,000 gallons per day or less of sewage, rules adopted pursuant to subsection (f) of this section shall require the use of an effluent filter to reduce the total suspended solids entering the drainfield and the use of an access device for each compartment of the septic tank to provide access to the compartment in order to facilitate maintenance of the septic tank. The Commission shall not adopt specifications for the effluent filter and access device that exceed the requirements of G.S. 130A-335.1. Neither this section nor G.S. 130A-335.1 shall be construed to prohibit the use of an effluent filter or access device that exceeds the requirements of G.S. 130A-335.1. The Department shall approve effluent filters that meet the requirements of this section, G.S. 130A-335.1, and rules adopted by the Commission.

(g) Prior to denial of an improvement permit, the local health department shall advise the applicant of possible site modifications or alternative systems,

and shall provide a brief description of those systems. When an improvement permit is denied, the local health department shall issue the site evaluation in writing stating the reasons for the unsuitable classification. The evaluation shall also inform the applicant of the right to an informal review by the Department, the right to appeal under G.S. 130A-24, and to have the appeal held in the county in which the site for which the improvement permit was requested is located.

(h) Except as provided in this subsection, a chemical or portable toilet may be placed at any location where the chemical or portable toilet can be operated and maintained under sanitary conditions. A chemical or portable toilet shall not be used as a replacement or substitute for a water closet or urinal where a water closet or urinal connected to a permanent wastewater treatment system is required by the North Carolina State Building Code, except that a chemical or portable toilet may be used to supplement a water closet or urinal during periods of peak use. A chemical or portable toilet shall not be used as an alternative to the repair of a water closet, urinal, or wastewater treatment system. It shall be unlawful to discharge sewage or other waste from a chemical or portable toilet used for human waste except into a wastewater system that has been approved by the Department under rules adopted by the Commission or by the Environmental Management Commission or at a site that is permitted by the Department under G.S. 130A-291.1. OPINIONS OF ATTORNEY GENERAL

Effect of Commission Rules on Local Rules. — The rules and regulations of a local board of health may permit the installation of a septic tank system or an alternative ground absorption sewage disposal system in soil classified as "unsuitable" if such installation will not have a detrimental effect on the public health. However, after the effective date of the rules and regulations of the Commission for Health Services governing sewage disposal, the provisions of such rules may apply. See opinion of Attorney General to Mr. Howard B. Campbell, 23 July 1975, rendered under former G.S. 130-166.25.

§ 130A-335.1. Effluent filters and access devices for certain septic tank systems.

(a) The manufacturer of each septic tank to be installed in this State as a part of a septic tank system that is designed to treat 3,000 gallons per day or less of sewage shall provide an effluent filter approved by the Department pursuant to the requirements of G.S. 130A-335, this section, and rules adopted

by the Commission. The person who installs the septic tank system shall install the effluent filter as a part of the septic tank system in accordance with the specifications provided by the manufacturer of the effluent filter. An effluent filter shall:

(1) Be made of materials that are capable of withstanding the corrosives to which septic tank systems are normally subject.
(2) Prevent solid material larger than one-sixteenth of an inch, as measured along the shortest axis of the material, from entering the drainfield.
(3) Be designed and constructed to allow for routine maintenance.
(4) Be designed and constructed so as not to require maintenance more frequently than once in any three-year period under normally anticipated use.

(b) The access device required by G.S. 130A-335(f) shall provide access to each compartment of a septic tank for inspection and maintenance either by means of an opening in the top of the septic tank or by a riser assembly and shall include an appropriate cover. The access device shall:

(1) Be of sufficient size to facilitate inspection and service.
(2) Be designed and constructed to equal or exceed the minimum loading specifications applicable to the septic tank.
(3) Prevent water entry.
(4) Come to within six inches of the finished grade.
(5) Be visibly marked so that the access device can be readily located. (1998-126, s. 2.)

Legal Periodicals. — See legislative survey, 21 Campbell L. Rev. 323 (1999).

§ 130A-336. Improvement permit and authorization for wastewater system construction required.

(a) Any proposed site for a residence, place of business, or place of public assembly in an area not served by an approved wastewater system shall be evaluated by the local health department in accordance with rules adopted pursuant to this Article. An improvement permit shall be issued in compliance with the rules adopted pursuant to this Article. An improvement permit shall include:

(1) For permits that are valid without expiration, a plat or, for permits that are valid for five years, a site plan.
(2) A description of the facility the proposed site is to serve.
(3) The proposed wastewater system and its location.
(4) The design wastewater flow and characteristics.
(5) The conditions for any site modifications.
(6) Any other information required by the rules of the Commission.

The improvement permit shall not be affected by change in ownership of the site for the wastewater system provided both the site for the wastewater system and the facility the system serves are unchanged and remain under the ownership or control of the person owning the facility. No person shall commence or assist in the construction, location, or relocation of a residence, place of business, or place of public assembly in an area not served by an approved wastewater system unless an improvement permit and an authorization for wastewater system construction are obtained from the local health department. This requirement shall not apply to a manufactured residence exhibited for sale or stored for later sale and intended to be located at another site after sale.

(b) The local health department shall issue an authorization for wastewater system construction authorizing work to proceed and the installation or repair

of a wastewater system when it has determined after a field investigation that the system can be installed and operated in compliance with this Article and rules adopted pursuant to this Article. This authorization for wastewater system construction shall be valid for a period equal to the period of validity of the improvement permit, not to exceed five years, and may be issued at the same time the improvement permit is issued. No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the Department or the local health department. No improvement permit or authorization for wastewater system construction shall be required for maintenance of a wastewater system. The Department and the local health department may impose conditions on the issuance of an improvement permit and an authorization for wastewater system construction.

(c) Unless the Commission otherwise provides by rule, plans, and specifications for all wastewater systems designed for the collection, treatment, and disposal of industrial process wastewater shall be reviewed and approved by the Department prior to the issuance of an authorization for wastewater system construction by the local health department.

(d) If a local health department repeatedly fails to issue or deny improvement permits for conventional septic tank systems within 60 days of receiving completed applications for the permits, then the Department of Environment and Natural Resources may withhold public health funding from that local health department. (1973, c. 452, s. 5; c. 476, s. 128; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1985, c. 273; 1991, c. 256, s. 2; 1991 (Reg. Sess., 1992), c. 944, s. 5; 1995, c. 285, s. 1; 1995 (Reg. Sess., 1996), c. 585, s. 3; 1996, 2nd Ex. Sess., c. 18, s. 27.31(d)-(f); 1997-443, ss. 11A.83, 11A.119(a).)

OPINIONS OF ATTORNEY GENERAL

Mobile Home Placed on Lot for Storage or Sale or Occupied for Business Purposes. — Former G.S. 130-166.25 required any person who located, relocated or caused to be located or relocated any mobile home to first obtain an improvements permit and required a certificate of completion to be obtained before any person occupied a mobile home. The section did not require an improvements permit and a certificate of completion before a mobile home was placed on a lot for storage and for sale or before a mobile home was occupied for business purposes. See opinion of Attorney General to Mr. Ben Eaton, Division of Health Services, Department of Human Resources, 43 N.C.A.G. 410 (1974), opinion rendered under former G.S. 130-166.25.

§ 130A-337. Inspection; operation permit required.

(a) No system of wastewater collection, treatment and disposal shall be covered or placed into use by any person until an inspection by the local health department has determined that the system has been installed or repaired in accordance with any conditions of the improvement permit, the rules, and this Article.

(b) Upon determining that the system is properly installed or repaired and that the system is capable of being operated in accordance with the conditions

of the improvement permit, the rules, this Article and any conditions to be imposed in the operation permit, as applicable, the local health department shall issue an operation permit authorizing the residence, place of business or place of public assembly to be occupied and for the system to be placed into use or reuse.

(c) Upon determination that an existing wastewater system has a valid operation permit and is operating properly in a manufactured home park, the local health department shall issue authorization in writing for a manufactured home to be connected to the existing system and to be occupied. Notwithstanding G.S. 130A-336, an improvement permit is not required for the connection of a manufactured home to an existing system with a valid operation permit in a manufactured home park.

(d) No person shall occupy a residence, place of business or place of public assembly, or place a wastewater system into use or reuse for a residence, place of business or place of public assembly until an operation permit has been issued or authorization has been obtained pursuant to G.S. 130A-337(c). § 130A-338. Authorization for wastewater system construction required before other permits to be issued.

Where construction, location or relocation is proposed to be done upon a residence, place of business or place of public assembly, no permit required for electrical, plumbing, heating, air conditioning or other construction, location or relocation activity under any provision of general or special law shall be issued until an authorization for wastewater system construction has been issued under G.S. 130A-336 or authorization has been obtained under G.S. 130A-337(c). No person shall allow permanent electrical service to a residence, place of business or place of public assembly upon construction, location or relocation until the official electrical inspector with jurisdiction as provided in G.S. 143-143.2 certifies to the electrical supplier that the required improvement permit authorization for wastewater system construction and an operation permit or authorization under G.S. 130A-337(c) has been obtained. Temporary electrical service necessary for constructing a residence, place of business or place of public assembly can be provided upon compliance with G.S. 130A-338. (1973, c. 452, s. 8; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1995, c. 285, s. 1.)

§ 130A-340. Review procedures and appeals.

The Department, upon request by an applicant for an improvement permit, shall provide a technical review of any scientific data and system design submitted by the applicant. The data and system design shall be evaluated by professional peers of those who prepared the data and system design. The results of the technical review shall be available prior to a decision by the local health department and shall not affect an applicant's right to a contested hearing under Chapter 150B of the General Statutes. (1989, c. 764, s. 5.)

§ 130A-341. Consideration of a site with existing fill.

Upon application to the local health department, a site that has existing fill, including one on which fill material was placed prior to July 1, 1977, and that has sand or loamy sand for a depth of at least 36 inches below the existing ground surface, shall be evaluated for an on-site wastewater system. The Commission shall adopt rules to implement this section. (1989, c. 764, s. 8; 1991 (Reg. Sess., 1992), c. 944, s. 7.)

§ 130A-342. Residential wastewater treatment systems.

(a) Individual residential wastewater treatment systems that are approved and listed in accordance with the standards adopted by the National Sanitation Foundation, Inc. for Class I residential wastewater treatment systems, as set out in Standard 40 of the National Sanitation Foundation, Inc., (as approved 13 January 2001) as amended, shall be permitted under rules adopted by the Commission. The Commission may establish standards in addition to those set by the National Sanitation Foundation, Inc.

(b) A permitted system shall be operated and maintained by a certified wastewater treatment facility operator.

(c) Each county, in which one or more residential wastewater treatment systems permitted pursuant to this section are in use, shall document the performance of each system and report the results to the Department annually. (1989, c. 727, s. 223(b); c. 764, s. 9; 1989 (Reg. Sess., 1990), c. 1004, ss. 12, 37; 1991 (Reg. Sess., 1992), c. 944, s. 8; 1995, c. 285, s. 1; 1997-443, ss. 11A.84, 11A.119(a); 2001-505, s. 2.1.)

Editor's Note. — Session Laws 2001-505, s. 2.5, provides: "The Commission for Health Services shall adopt temporary and permanent rules to implement the provisions of Sections 2.1 and 2.2 of this act. The Commission may review its current rules to determine whether any wastewater system, as defined by G.S. 130A-334, that is described in its rules should be designated as an accepted wastewater system or approved as an innovative wastewater system, as those terms are defined in G.S. 130A-343, as amended by Section 2.2 of this act. Notwithstanding G.S. 130A-343, as amended by Section 2.2 of this act, the Commission may designate a wastewater system that, prior to 1 October 2001, is described in its rules as an accepted wastewater system whether or not the wastewater system was described or approved as an innovative wastewater system prior to 1 October 2001. If the Commission determines that a wastewater system that is described in its rules prior to 1 October 2001 should not be designated as an accepted wastewater system, the Commission may amend its rules to remove the description of the wastewater system. If the Commission amends its rules to remove a description of a wastewater system pursuant to this section [s. 2.5 of Session Laws 2001-505], the wastewater system shall be deemed to be an approved innovative wastewater system without further action by the Department of Environment and Natural Resources. This section [s. 2.5 of Session Laws 2001-505] shall not be construed to require the Commission or the Department to change the current designation or approval status of any wastewater system."

§ 130A-343. Approval of on-site subsurface wastewater systems.

(a) Definitions. — As used in this section:

(1) "Accepted wastewater system" means any wastewater system, other than a conventional wastewater system, or any technology, device, or component of a wastewater system that: (i) has been previously approved as an innovative wastewater system by the Department; (ii) has been in general use in this State as an innovative wastewater system for more than five years; and (iii) has been approved by the Commission for general use or use in one or more specific applications. An accepted wastewater system may be approved for use in applications for which a conventional wastewater system is unsuitable. The Commission may impose any design, operation, maintenance, monitoring, and management requirements on the use of an accepted wastewater system that it determines to be appropriate.

(2) "Controlled demonstration wastewater system" means any wastewater system or any technology, device, or component of a wastewater system that, on the basis of acceptable research, is approved by the Department for research, testing, or trial use under actual field conditions in this State pursuant to a protocol that has been approved by the Department.

(3) "Conventional wastewater system", "conventional sewage system", or "conventional septic tank system" means a wastewater system that consists of a traditional septic or settling tank and a gravity-fed subsurface disposal field that uses washed gravel or crushed stone to distribute effluent to soil in one or more nitrification trenches and that does not include any other appurtenance.

(4) "Experimental wastewater system" means any wastewater system or any technology, device, or component of a wastewater system that is approved by the Department for research, testing, or limited trial use under actual field conditions in this State pursuant to a protocol that has been approved by the Department.

(5) "Innovative wastewater system" means any wastewater system, or any technology, device, or component of a wastewater system that: (i) has been demonstrated to perform in a manner equal or superior to a conventional wastewater system; (ii) is constructed of materials whose physical and chemical properties provide the strength, durability, and chemical resistance to allow the system to withstand loads and conditions as required by rules adopted by the Commission; and (iii) has been approved by the Department for general use or for one or more specific applications. An innovative wastewater system may be approved for use in applications for which a conventional wastewater system is unsuitable. The Department may impose any design, operation, maintenance, monitoring, and management requirements on the use of an innovative wastewater system that it determines to be appropriate.

(b) Adoption of Rules Governing Approvals. — The Commission shall adopt rules for the approval and permitting of experimental, controlled demonstration, innovative, and accepted wastewater systems. The rules shall address the criteria to be considered prior to issuing a permit for a system, requirements for preliminary design plans and specifications that must be submitted, methodology to be used, standards for monitoring and evaluating the system, research evaluation of the system, the plan of work for monitoring system performance and maintenance, and any additional matters the Commission deems appropriate.

(c) Approved Systems. — The Department may modify, suspend, or revoke the approval of a wastewater system if the Department determines that the approval is based on false, incomplete, or misleading information or if the Department finds that modification, suspension, or revocation is necessary to protect public health, safety, or welfare. The Department shall provide a listing of all approved experimental, controlled demonstration, innovative, and accepted wastewater systems to the local health departments annually, and more frequently, when the Department makes a final agency decision related to the approval of a wastewater system or the Commission adopts rules related to the approval of a wastewater system.

(d) Evaluation Protocols. — The Department shall approve one or more nationally recognized protocols for the evaluation of on-site subsurface wastewater systems. Any protocol approved by the Department shall specify a minimum number of sites that must be evaluated and the duration of the evaluation period. At the request of a manufacturer of a wastewater system, the Department may approve an alternative protocol for use in the evaluation of the performance of the manufacturer's wastewater system. A protocol for the evaluation of an on-site subsurface wastewater system is a scientific standard within the meaning of G.S. 150B-2(8a)h.

(e) Experimental Systems. — A manufacturer of a wastewater system that is intended for on-site subsurface use may apply to the Department to have the system evaluated as an experimental wastewater system as provided in this subsection. The manufacturer shall submit a proposal for evaluation of the system to the Department. The proposal for evaluation shall include the design of the system, a description of any laboratory or field research or testing that will be used to evaluate the system, a description of the research or testing protocol, and the credentials of the independent laboratory, consultant, or other entity that will be conducting the research or testing on the system. The proposal may include an evaluation of research and testing conducted in other states to the extent that the research and testing involves soil types, climate, hydrology, and other relevant conditions that are comparable to conditions in this State and if the research or testing was conducted pursuant to a protocol acceptable to the Department. The manufacturer shall enter into a contract for an evaluation of the performance of the experimental wastewater system with an independent laboratory, consultant, or other entity that has expertise in the evaluation of wastewater systems and that is approved by the Department. The manufacturer may install up to 50 experimental systems pursuant to a protocol approved by the Department on sites that are suitable for a conventional wastewater system and that have a repair area of sufficient size to allow installation of a conventional wastewater system, an approved innovative wastewater system, or an accepted wastewater system if the experimental wastewater system fails to perform properly.

(f) Controlled Demonstration Systems. — A manufacturer of a wastewater system intended for on-site subsurface use may apply to the Department to have the system evaluated as a controlled demonstration wastewater system as provided in this subsection. The manufacturer shall submit a proposal for evaluation of the system to the Department. The proposal for evaluation shall include the design of the system, a description of any laboratory or field research or testing that will be used to evaluate the system, a description of the research or testing protocol, and the credentials of the independent laboratory, consultant, or other entity that will be conducting the research or testing on the system. If the system was evaluated as an experimental system under subsection (e) of this section, the proposal shall include the results of the evaluation. The proposal may include an evaluation of research and testing conducted in other states to the extent that the research and testing involves soil types, climate, hydrology, and other relevant conditions that are compa-

rable to conditions in this State and if the research or testing was conducted pursuant to a protocol acceptable to the Department. The manufacturer shall enter into a contract for an evaluation of the performance of the controlled demonstration wastewater system with an independent laboratory, consultant, or other entity that has expertise in the evaluation of wastewater systems and that is approved by the Department. The manufacturer may install up to 200 controlled demonstration wastewater systems pursuant to a protocol approved by the Department on sites that are suitable for a conventional wastewater system and that have a repair area of sufficient size to allow installation of a conventional wastewater system, an approved innovative wastewater system, or an accepted wastewater system if the controlled demonstration wastewater system fails to perform properly. If the controlled demonstration wastewater system is intended for use on sites that are not suitable, or that are provisionally suitable, for a conventional wastewater system, the Department may approve the installation of the controlled demonstration wastewater system if the Department determines that the manufacturer can provide an acceptable alternative method for collection, treatment, and disposal of the wastewater.

(g) Innovative Systems. — A manufacturer of a wastewater system for on-site subsurface use that has been evaluated as an experimental wastewater system as provided in subsection (e) of this section or that has been evaluated as a controlled demonstration wastewater system as provided in subsection (f) of this section may apply to the Department to have the system approved as an innovative wastewater system as provided in this subsection. A manufacturer of a wastewater system for on-site subsurface use that has not been evaluated as an experimental wastewater system or as a controlled demonstration wastewater system may also apply to the Department to have the system approved as an innovative wastewater system on the basis of research and testing conducted in other states. The manufacturer shall provide the Department with the data and findings of all evaluations of the performance of the system that have been conducted in any state by or on behalf of the manufacturer. The manufacturer shall also provide the Department with a summary of the data and findings of all other evaluations of the performance of the system that are known to the manufacturer. The Department shall publish a notice that the manufacturer has submitted an application under this subsection in the North Carolina Register and may provide additional notice to the public via the Internet or by other means. The Department shall receive public comment on the application for at least 30 days after the date the notice is published in the North Carolina Register. In making a determination under this subsection, the Department shall consider the data, findings, and recommendations submitted by the manufacturer and all public comment. The Department may also consider any other information that the Department determines to be relevant. The Department shall determine: (i) whether the system performs in a manner equal or superior to a conventional wastewater system; (ii) whether the system is constructed of materials whose physical and chemical properties provide the strength, durability, and chemical resistance to allow the system to withstand loads and conditions as required by rules adopted by the Commission; (iii) the circumstances in which use of the system is appropriate; and (iv) any conditions and limitations related to the use of the system. The Department shall make the determinations required by this subsection and approve or deny the application within 180 days after the Department receives a complete application from a manufacturer. If the Department fails to act on the application within 180 days, the manufacturer may treat the application as denied and challenge the denial by filing a contested case as provided in Article 3 of Chapter 150B of the General Statutes. If the Department approves an innovative wastewater system, the

Department shall specify the circumstances in which use of the system is appropriate and any conditions and limitations related to the use of the system.

(h) Accepted Systems. — A manufacturer of an innovative wastewater system that has been in general use in this State for more than five years may petition the Commission to have the system designated as an accepted wastewater system as provided in this subsection. The manufacturer shall provide the Commission with the data and findings of all prior evaluations of the performance of the system. In addition, the manufacturer shall provide the Commission with information sufficient to enable the Commission to fully evaluate the performance of the system in this State for at least the five-year period immediately preceding the petition. The Commission shall designate a wastewater system as an accepted wastewater system only if it finds that there is clear, convincing, and cogent evidence (i) to confirm the findings made by the Department at the time the Department approved the system as an innovative wastewater system and (ii) that the system performs in a manner that is equal or superior to a conventional wastewater system under actual field conditions in this State. The Commission shall specify the circumstances in which use of the system is appropriate and any conditions and limitations related to the use of the system.

(i) Miscellaneous Provisions. —

(1) In evaluating applications for approval under this section, the Department may consult with persons who have special training and experience related to on-site subsurface wastewater systems and may form a technical advisory committee for this purpose. However, the Department is responsible for making timely and appropriate determinations under this section.

(2) The Department may initiate a review of a nonproprietary wastewater system and approve the system for on-site subsurface use as an experimental wastewater system, a controlled demonstration wastewater system, or an innovative wastewater system without having received an application from a manufacturer. The Department may recommend that the Commission designate a nonproprietary wastewater system as an accepted wastewater system without having received a petition from a manufacturer.

(j) Warranty Required in Certain Circumstances. — The Department shall not approve a reduction of the total nitrification trench length for an innovative wastewater system or accepted wastewater system handling untreated septic tank effluent of more than twenty-five percent (25%) as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system unless the manufacturer of the innovative wastewater system or accepted wastewater system provides a performance warranty for the nitrification trench system to each owner or purchaser of the system for a warranty period of at least five years from the date on which the wastewater system is placed in operation. The warranty shall provide that the manufacturer shall provide all material and labor that may be necessary to provide a fully functional wastewater system. The Commission shall establish minimum terms and conditions for the warranty required by this subsection. This subsection shall not be construed to require that a manufacturer warrant a wastewater system that is not properly sized to meet the design load required for a particular use, that is improperly installed, or that is improperly operated and maintained.

(k) Fees. — The Department shall collect the following fees under this section:

(1) Review of an alternative protocol under subsection (d) of this section $1,000.00

(2) Review of an experimental system	$3,000.00
(3) Review of a controlled demonstration system	$3,000.00
(4) Review of an innovative system	$3,000.00
(5) Review of an accepted system	$3,000.00

Sess., 1992), c. 944, s. 9; 1995, c. 285, s. 1; 2001-505, s. 2.2.)

Editor's Note. — Session Laws 2001-505, ss. 2.3 and 2.4, provide: "Section 2.3. Until the Department approves an evaluation protocol as provided in G.S. 130A-343(d), as amended by Section 2.2 of this act [s. 2.2 of Session Laws 2001-505], the Department may accept for review the data and findings of evaluations of performance of experimental, controlled demonstration, and innovative wastewater systems that are conducted as provided in: (i) 'Protocol for the Verification of Wastewater Treatment Technologies' prepared by NSF International for the United States Environmental Protection Agency (April 2001); (ii) 'Protocol for the Verification of Residential Wastewater Treatment Technologies for Nutrient Reduction' prepared by NSF International for the United States Environmental Protection Agency (27 November 2000); and (iii) 'A Protocol for Testing, Assessing, and Approving Innovative or Alternative On-Site Wastewater Disposal Systems' prepared by New Jersey Department of Environmental Protection (24 July 2001).

"Section 2.4. The Department of Environment and Natural Resources shall not accept an application for approval of an innovative wastewater system until it has acted on all applications for approval of innovative wastewater systems that were submitted to the Department prior to 1 October 2001. The Department shall act on all applications for approval of innovative wastewater systems that were submitted to the Department prior to 1 October 2001 within 120 days of the date on which this act [Session Laws 2001-505] becomes effective. The Department may act on an application for a reduction of the total nitrification trench length for an innovative wastewater system handling untreated septic tank effluent as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system that was submitted to the Department prior to 1 October 2001 only as provided in this section [s. 2.4 of Session Laws 2001-505]. The Department may approve a reduction of the total nitrification trench length for an innovative wastewater system handling untreated septic tank effluent of not more than thirty-five percent (35%) as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system. The Department shall not approve a reduction of the total nitrification trench length for an innovative wastewater system handling untreated septic tank effluent of more than twenty-five percent (25%) as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system unless the manufacturer of the innovative wastewater system provides a performance warranty for the nitrification trench system to each owner or purchaser of the innovative wastewater system for a warranty period of at least five years from the date on which the innovative wastewater system is placed in operation. The warranty shall provide that the manufacturer shall provide all material and labor that may be necessary to provide a fully functional wastewater system. The Department shall approve the terms and conditions of the warranty. This section [s. 2.4 of Session Laws 2001-505] shall not be construed to require that a manufacturer warrant an innovative wastewater system that is not properly sized to meet the design load required for a particular use, that is improperly installed, or that is improperly operated and maintained."

Session Laws 2001-505, s. 2.5, provides: "The Commission for Health Services shall adopt temporary and permanent rules to implement the provisions of Sections 2.1 and 2.2 of this act. The Commission may review its current rules to determine whether any wastewater system, as defined by G.S. 130A-334, that is described in its rules should be designated as an accepted wastewater system or approved as an innovative wastewater system, as those terms are defined in G.S. 130A-343, as amended by Section 2.2 of this act. Notwithstanding G.S. 130A-343, as amended by Section 2.2 of this act, the Commission may designate a wastewater system that, prior to 1 October 2001, is described

in its rules as an accepted wastewater system whether or not the wastewater system was described or approved as an innovative wastewater system prior to 1 October 2001. If the Commission determines that a wastewater system that is described in its rules prior to 1 October 2001 should not be designated as an accepted wastewater system, the Commission may amend its rules to remove the description of the wastewater system. If the Commission amends its rules to remove a description of a wastewater system pursuant to this section [s. 2.5 of Session Laws 2001-505], the wastewater system shall be deemed to be an approved innovative wastewater system without further action by the Department of Environment and Natural Resources. This section [s. 2.5 of Session Laws 2001-505] shall not be construed to require the Commission or the Department to change the current designation or approval status of any wastewater system."

§ 130A-343.1. Transfer of ownership of provisionally approved septic tanks and innovative septic tank systems to joint agency in certain counties; inspection fees in those counties.

(a) As used in this section, "provisionally approved septic tank or innovative septic tank system" means a septic tank system located in soil that is classified as provisionally suitable or an innovative septic tank system, as those terms are used in Subchapter 18A of Chapter 18 of Title 15A of the North Carolina Administrative Code, G.S. 130A-343, and any applicable local rules or ordinances.

(b) As used in this subsection, "unit of local government" has the same meaning as in G.S. 160A-460. One or more units of local government located in the Counties of Camden, Chowan, Currituck, Gates, Hertford, Pasquotank, Perquimans, Tyrrell, and Washington may establish a joint agency for the purpose of owning and operating a provisionally approved septic tank or innovative septic tank system as provided in Article 20 of Chapter 160A of the General Statutes. Bertie County may join any joint agency established under this subsection. The owner of any provisionally approved septic tank or innovative septic tank system may, upon acceptance by a joint agency established under this subsection, transfer ownership of any real or personal property or interest therein that is a part of or used in connection with the provisionally approved septic tank or innovative septic tank system to the joint agency. Notwithstanding G.S. 160A-462(a), a joint agency created pursuant to this subsection may hold real property necessary to the undertaking. Any county named in this subsection may accept real or personal property described in this subsection from the owner of the property for transfer to a joint agency established as provided in this subsection.

(c) The Counties of Bertie, Camden, Chowan, Currituck, Gates, Hertford, Pasquotank, Perquimans, Tyrrell, and Washington may adopt an ordinance providing that any fee for the inspection, maintenance, and repair of a provisionally approved septic tank or other innovative septic tank system may be billed as property taxes, may be payable in the same manner as property taxes, and in the case of nonpayment, may be collected in any manner by which property taxes can be collected. If the ordinance states that delinquent fees can be collected in the same manner as delinquent real property taxes, the delinquent fees are a lien on the real property described on the bill that includes the fee. (1999-288, ss. 1-3; 2001-78, ss. 1-3.)

Editor's Note. — Session Laws 2001-78, effective May 15, 2001, amended Session Laws 1999-288, expanding its applicability by inserting the third sentence in present subsection (b), relating to Bertie County, and by inserting reference to Bertie, Camden, Chowan, Currituck, Pasquotank, Perquimans, Tyrrell and Washington Counties in present subsection (c). At the direction of the Reviser of Statutes, ss. 1 to 3 of Session Laws 1999-288, as amended, have now been codified as G.S. 130A-343.1.

Subsection (c) of G.S. 130A-343.1, derived from s. 3 of Session Laws 1999-288, was originally made applicable to fees imposed for inspections performed in Gates and Hertford Counties on or after the effective date of the 1999 act (July 14, 1999).

Section 3 of Session Laws 2001-78 provides: "This act applies to only Bertie, Camden, Chowan, Currituck, Pasquotank, Perquimans, Tyrrell and Washington Counties."

Section 4 of Session Laws 2001-78 provides that s. 2 of that act, which amended present subsection (c), applies to fees imposed for inspections in Bertie, Camden, Chowan, Currituck, Pasquotank, Perquimans, Tyrrell, and Washington Counties performed on or after May 15, 2001, and that s. 2 applies to fees imposed for maintenance and repairs in these eight counties plus Gates and Hertford performed on or after that date.

§ 130A-344: Repealed by Session Laws 1995, c. 285, s. 2.

§ 130A-345: Reserved for future codification purposes.

Article 12.

Mosquito and Vector Control.

Part 1. Mosquito and Vector Control Program.

§ 130A-346. Mosquito and vector control program; definition.

(a) The Department shall establish and administer a vector control program to protect the public health and to promote an environment suitable for habitation. A vector is a living transporter and transmitter of the causative agent of a disease. The program shall address the problems presented by vectors and other arthropods and rodents of public health significance in this State, including, but not limited to, mosquitoes, ticks, rodents, fleas and flies. The Department is authorized to engage in research, conduct investigations and surveillance, implement a vector control program and take other actions necessary to control vectors.

(b) The Commission shall adopt rules necessary to implement the program including rules for the control of vectors and other arthropods and rodents.

(c) The following definitions shall apply throughout this Article:

(1) "Department" means the Department of Environment and Natural Resources.

(2) "Secretary" means the Secretary of Environment and Natural Resources. (1957, c. 832, ss. 1, 2; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1997-443, s. 11A.83A.)

§ 130A-347. Mosquito control funds.

Funds received by the Department for mosquito control may be used to aid mosquito control districts and other units of local government engaged in mosquito control. The Commission shall adopt rules concerning the allocation of the funds. The rules shall provide for priority funding to those local activities that involve the abatement of breeding grounds. The rules may include provisions to withhold part of the mosquito control funds for the suppression of potential or documented mosquito-borne disease outbreaks. State aid for local physical control methods such as, but not limited to, cleaning, reopening or construction of ditches, restoration of streams and construction of impoundments shall not exceed the amount of funds and the value of services and facilities provided locally except State aid may be provided up to twice the

locally provided amount for physical control methods in salt marsh areas. State aid for local chemical and biological control methods such as, but not limited to, control of immature and adult mosquitoes by use of chemicals, bacteria, fungi and mosquito fish shall not exceed the amount of funds and the value of services and facilities provided locally. State aid shall not be granted with respect to each individual project until the Department finds and certifies in writing for each project that: (i) the required local share is available; (ii) there is a documented mosquito problem which requires abatement; (iii) a work plan describing the method and procedures to be used for abatement is appropriate; and (iv) the rules of the Commission have been met. (1957, c. 832, s. 4; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1995, c. 324, s. 26.7A.)

§ 130A-348. Control of impounded water.

For the protection of the public health, the Commission shall adopt rules concerning the impoundment of water. The rules shall address proper preparation of the land for inundation, maintenance of the shoreline after inundation and any other factors necessary to control mosquitoes. Persons shall obtain permits from the Department before constructing impoundments and impounding water. (1983, c. 891, s. 2.)

§ 130A-349. Control of outbreaks.

In the event of potential or documented outbreaks of vector-borne disease as determined by the Secretary, the Secretary is authorized to use all appropriate means, including the expenditure of unallocated mosquito control funds, to prevent or suppress the outbreaks. (1983, c. 891, s. 2.)

§§ 130A-350, 130A-351: Reserved for future codification purposes.

Part 2. Mosquito Control Districts.

§ 130A-352. Creation and purpose of mosquito control districts.

For the purpose of protecting and promoting the public health and welfare by providing for the control of mosquitoes and other arthropods of public health significance, mosquito control districts may be created in accordance with the provisions of this Part. A mosquito control district may be comprised of one or more contiguous counties or contiguous parts of one or more counties. (1957, c. 1247, s. 1; 1983, c. 891, s. 2.)

§ 130A-353. Nature of district; procedure for forming districts.

(a) A mosquito control district shall be a body politic and corporate and a political subdivision of the State. A mosquito control district may sue and be sued in its corporate name.

(b) If the proposed district lies wholly within a county, ten percent (10%) or more of the resident freeholders within the proposed district may petition the board of commissioners of the county in which the proposed district lies setting forth the boundaries of the district and a suggested name for the district. For the purposes of this Part, the term "freeholders" shall mean persons holding a deed to a tract of land within the district or proposed district, and also shall mean a person who has entered into a contract to purchase a tract of land

within the district or proposed district, is making payments pursuant to a contract, and will receive a deed upon completion of the contractual payments. If the county board of commissioners considers the formation of the district to be in the interest of the public health, the board shall forward the petition to the Department. If the Department considers the formation of the district to be in the interest of the public health, the Department shall notify the county board of commissioners. Upon notification, the board shall give notice of a public hearing on the question of the formation of the district by advertising the time, place and purpose of the hearing once a week for four successive weeks prior to the hearing in a newspaper either published in the county or having a general circulation in the county. The public hearing shall be presided over by the chairman of the county board of commissioners and shall be attended by a representative of the Department. The hearing may be continued as may be necessary to hear the proponents and opponents of the formation of the district. If after the hearing, the county board of commissioners deem it advisable that the district be created, the board shall submit the question of whether or not the district shall be created to the voters residing within the proposed district at an election called for that purpose. Upon determining that the district should be created and established, and prior to the submission of the question of the formation of the district to the voters of the proposed district, the county board of commissioners may determine the maximum amount of special tax to be levied for mosquito control purposes should the formation of the district be approved by the voters. In no event shall the maximum authorized levy exceed thirty-five cents (35¢) upon the one hundred dollar ($100.00) assessed valuation. If the county board of commissioners determines that the maximum amount of special tax to be levied for mosquito control purposes is to be less than thirty-five cents (35¢) on the one hundred dollar ($100.00) valuation, the maximum amount must appear on the ballot to be used by the voters on the question of the creation of the district.

(c) Prior to the election, the county board of commissioners may make minor deviations in defining the boundaries of the proposed district if: (1) the board determines that minor deviation from the boundaries described in the petition is in the interest of public health; and (2) ten percent (10%) of the resident freeholders within the revised boundaries have signed the petition proposing the creation of the district or additional resident freeholders within the revised boundaries of the proposed district sign the petition to bring the total number of petitioners within the proposed revised boundaries to not less than ten percent (10%) of the voters therein.

(d) The county board of commissioners shall request the county board of elections to hold the election and shall pay the expense of the election. The election shall be held in accordance with the applicable provisions of Chapter 163 of the General Statutes. Notice shall be given as provided in G.S. 163-33(8).

(e) The form of the question to be stated on the ballot shall be in substantially the following words:

"☐ FOR creation of the (here insert name) Mosquito Control District and the levy of a special tax (here insert the words "not to exceed" and the maximum amount of special tax to be levied for mosquito control purposes if the county board of commissioners has determined that the maximum authorized amount is to be less than thirty-five cents (35¢) on the one hundred dollar ($100.00) assessed valuation) for mosquito control purposes.

☐ AGAINST creation of the (here insert name) Mosquito Control District and the levy of a special tax (here insert the words "not to exceed" and the maximum amount of special tax to be levied for mosquito control purposes if the county board of commissioners

has determined that the maximum authorized amount is to be less than thirty-five cents (35¢) on the one hundred dollar ($100.00) assessed valuation) for mosquito control purposes."

The affirmative and negative forms shall be printed on one ballot and the voters shall make a mark of an "X" in one of the squares preceding the form.

(f) If a majority of the voters voting at the election vote in favor of creation of the district and the levy of the special tax, the county board of commissioners shall declare the district created and shall adopt a resolution to that effect.

(g) In the event the proposed mosquito control district shall embrace lands lying in two or more counties, the petition signed by the requisite number of resident freeholders within the proposed district shall be addressed to the Department. If the Department deems the formation of the proposed district to be in the interest of the public health, the Department shall hold public hearings within the proposed district after first giving notice of the time and place of the hearings by publication once a week for four successive weeks in a newspaper published or circulated in the proposed district. A public hearing shall be held in the courthouse of each of the counties in which any part of the proposed district is situated. After the hearing, if the Department deems the formation of the district to be in the interest of the public health, the Department shall order an election to be held upon the question of the formation of the district after first advertising the time of the election in the manner provided in subsection (d). At the request of the Commission, the county commissioners of the counties in which the proposed district lies shall request the county board of elections to hold an election on the question with substantially the same form of ballot set forth in subsection (e). Each county shall bear the expense of the election held in that county. The board of elections shall certify the results to the county commissioners and the Commission. If a majority of the votes cast favor creation of the district and the levy of the special tax, the Commission shall declare the district created and the county commissioners shall enter the certification upon the minutes of the board. Registration shall be in accordance with G.S. 163-288.2. (1957, c. 1247, s. 2; 1959, c. 622, s. 1; 1973, c. 476, s. 128; 1981, c. 188, ss. 1, 2; 1983, c. 891, s. 2.)

in the counties to the true values of the taxable property in the counties. From the adjusted and equalized valuations, any county board of commissioners may appeal to the Department of Revenue using the procedures set forth in Subchapter II of Chapter 105 of the General Statutes.

These taxes shall constitute a lien to the same extent and with the same force and effect as county and municipal ad valorem taxes and shall have equal priority with those taxes;

When a body is brought into this State for disposal and there is reason to believe either that the death was not investigated properly or that there is not an adequate certificate of death, the body shall be reported to a medical examiner in the county where the body resides or to the Chief Medical

Examiner. These deaths may be investigated by the same procedure as deaths occurring in this State under G.S. 130A-383. (1983, c. 891, s. 2.)

The Chief Medical Examiner shall provide directions as to the nature, character and extent of an investigation and appropriate forms for the required reports. The facilities of the central and district offices and their staff services shall be available to the medical examiners and designated pathologists in their investigations.

(b) The medical examiner shall complete a certificate of death, stating the name of the disease which in his opinion caused death. If the death was from external causes, the medical examiner shall state on the certificate of death the means of death, and whether, in the medical examiner's opinion, the manner of death was accident, suicide, homicide, execution by the State, or undetermined. The medical examiner shall also furnish any information as may be required by the State Registrar of Vital Statistics in order to properly classify the death.

(c) The Chief Medical Examiner shall have authority to amend a medical examiner death certificate.

(d) A copy of the report of the medical examiner investigation may be forwarded to the appropriate district attorney.

(e) In cases where death occurred due to an injury received in the course of the decedent's employment, the Chief Medical Examiner shall forward to the Commissioner of Labor a copy of the medical examiner's report of the investigation, including the location of the fatal injury and the name and address of the decedent's employer at the time of the fatal injury. The Chief Medical Examiner shall forward this report within 30 days of receipt of the information from the medical examiner.

(f) If a death occurred in a facility licensed subject to Article 2 or Article 3 of Chapter 122C of the General Statutes, or Articles 1 or 1A of Chapter 131D of the General Statutes, and the deceased was a client or resident of the facility or a recipient of facility services at the time of death, then the Chief Medical Examiner shall forward a copy of the medical examiner's report to the

Secretary of Health and Human Services within 30 days of receipt of the report from the medical examiner. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1977, 2nd Sess., c. 1145; 1983, c. 891, s. 2; 1989, c. 353, s. 2; c. 797; 1991 (Reg. Sess., 1992), c. 894, s. 6; 2000-129, s. 4.)

CASE NOTES

Medical Examiner's Expert Testimony Admissible. — Because a medical examiner was qualified as an expert in forensic pathology and medical examination, the trial court did not err in permitting his expert opinion as to the cause of the victims death. OPINIONS OF ATTORNEY GENERAL

Medical Examiners' Reports Are Public Records. — See opinion of Attorney General to Mr. Rodney C. Hobbs, Division of Health Services, 44 N.C.A.G. 193 (1974), rendered under former statutory provisions.

§ 130A-386. Subpoena authority.

The Chief Medical Examiner and the county medical examiners are authorized to issue subpoenas for the attendance of persons and for the production of documents as may be required by their investigation. (1983, c. 891, s. 2.)

§ 130A-387. Fees.

For each investigation and prompt filing of the required report, the medical examiner shall receive a fee paid by the State. However, if the deceased is a resident of the county in which the death or fatal injury occurred, that county shall pay the fee. The fee shall be seventy-five dollars ($75.00). (1983, c. 891, s. 2; 1991, c. 463, s. 1.)

§ 130A-388. Medical examiner's permission necessary before embalming, burial and cremation.

(a) No person knowing or having reason to know that a death may be under the jurisdiction of the medical examiner pursuant to G.S. 130A-383 or 130A-384, shall embalm, bury or cremate the body without the permission of the medical examiner.

(b) A dead body shall not be cremated or buried at sea unless a medical examiner certifies that he has inquired into the cause and the manner of death and has the opinion that no further examination is necessary. This subsection shall not apply to deaths occurring less than 24 hours after birth or to deaths of patients resulting only from natural disease and occurring in a licensed hospital unless the death falls within the jurisdiction of the medical examiner under G.S. 130A-383 or 130A-384. The Commission is authorized to adopt rules creating additional exceptions to this subsection. For making this certification, the medical examiner shall be entitled to a fee in an amount determined reasonable and appropriate by the Secretary, not to exceed fifty dollars ($50.00), to be paid by the applicant. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1; 1971, c. 444, s. 7; 1973, c. 873, s. 7; 1983, c. 891, s. 2.)

§ 130A-389. Autopsies.

(a) If, in the opinion of the medical examiner investigating the case or of the Chief Medical Examiner, it is advisable and in the public interest that an autopsy or other study be made; or, if an autopsy or other study is requested by the district attorney of the county or by any superior court judge, an autopsy or other study shall be made by the Chief Medical Examiner or by a competent pathologist designated by the Chief Medical Examiner. A complete autopsy report of findings and interpretations, prepared on forms designated for the purpose, shall be submitted promptly to the Chief Medical Examiner. Copies of the report shall be furnished the authorizing medical examiner, district attorney or superior court judge. A copy of the report shall be furnished to other persons upon request. A fee for the autopsy or other study shall be paid by the State. However, if the deceased is a resident of the county in which the death or fatal injury occurred, that county shall pay the fee. The fee shall be one thousand dollars ($1,000).

(b) In deaths where the Chief Medical Examiner and the medical examiner investigating the case do not deem it advisable and in the public interest that an autopsy be performed, but the next-of-kin of the deceased requests that an autopsy be performed, the Chief Medical Examiner or a designated pathologist may perform the autopsy and the cost shall be paid by the next-of-kin.

(c) When the next-of-kin of a decedent whose death does not fall under G.S. 130A-383 or 130A-384 requests that an autopsy be performed, the Chief Medical Examiner or a designated pathologist may perform that autopsy and the cost shall be paid by the next-of-kin.

(d) The report of autopsies performed pursuant to subsections (b) and (c) shall be a part of the decedents' medical records and therefore not public records open to inspection. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1973, c. 47, s. 2; c. 476, s. 128; 1975, c. 9; 1981, c. 187, s. 7; c. 562, p. 5; 1983, c. 891, s. 2; 1991, c. 463, s. 2; 1998-212, s. 29A.10(a).)

CASE NOTES

The doctrine of governmental immunity protects a medical examiner from liability for alleged negligence when he was officially requested by another medical examiner to conduct an autopsy to serve the public interest. Cherry v. Harris, 110 N.C. App. 478, 429 S.E.2d 771, cert. denied, 335 N.C. 171, 436 S.E.2d 371 (1993).

No Liability for Mere Negligence. — If a public officer is sued in his individual capacity, he is entitled to immunity for actions constituting mere negligence, but may be subject to liability for actions which are corrupt, malicious or outside the scope of his official duties. Epps v. Duke Univ., Inc., 116 N.C. App. 305, 447 S.E.2d 444 (1994).

OPINIONS OF ATTORNEY GENERAL

Chief Medical Examiner, after performing duties required by law, may release the body of the deceased to the spouse or next of kin who claims the body for final disposition even though he or she may be suspected of, arrested for, or indicted for a criminal act in connection with the death of the deceased. See opinion of Attorney General to Page Hudson, M.D., Chief Medical Examiner, 50 N.C.A.G. 7 (1980), rendered under former statutory provisions.

Public Records. — Autopsy reports, except upon exhumed body or remains, are public records. See opinion of Attorney General to Mr. Rodney C. Hobbs, Division of Health Services, 44 N.C.A.G. 193 (1974), rendered under former statutory provisions.

§ 130A-390. Exhumations.

(a) In any case of death described in G.S. 130A-383 or 130A-384 where the body is buried without investigation by a medical examiner as to the cause and manner of death or where sufficient cause develops for further investigation after a body is buried as determined by a county medical examiner or the Chief Medical Examiner, the Chief Medical Examiner shall authorize an investigation and send a report of the investigation with recommendations to the appropriate district attorney. The district attorney may forward the report to the superior court judge and petition for disinterment. The judge may order that the body be exhumed and that an autopsy be performed by the Chief Medical Examiner. A report of the autopsy and other pathological studies shall be delivered to the judge. The cost of the exhumation, autopsy, transportation and disposition of the body shall be paid by the State. However, if the deceased is a resident of the county in which death or fatal injury occurred, that county shall pay the cost.

(b) Any person may petition a judge of the superior court for an order of exhumation. Upon showing of sufficient cause, the judge may order the body exhumed. The cost incurred shall be assigned to the petitioner.

(c) Without applying for a judicial exhumation order, the next-of-kin of a deceased person may have the remains exhumed, examined by the Chief Medical Examiner and redisposed. The cost shall be paid by the next-of-kin. (1983, c. 891, s. 2; 1991, c. 463, s. 3.)

§ 130A-391. Corneal tissue removal.

(a) A medical examiner or a regional pathologist may provide corneal tissue from a decedent under the jurisdiction of the medical examiner or the regional pathologist to the North Carolina Eye and Human Tissue Bank or other donee specified in G.S. 130A-405 under the following conditions:

(1) a. Consent from next-of-kin is obtained in accordance with G.S. 130A-404; or

b., c. Repealed by Session Laws 1983 (Regular Session, 1984), c. 992, s. 1.

d. No objections are known to the medical examiner or regional pathologist; and

(2) The removal of the corneal tissue for transplant will not interfere with any subsequent course of investigation or autopsy or alter the postmortem facial appearance.

(b) If the requirements of subsection (a) have been met, neither the medical examiner, the regional pathologist, nor the donee shall be liable in any civil action brought by the next-of-kin on the contention that authorization of next-of-kin was required to remove the corneal tissue. (1981, c. 782, s. 1; 1983, c. 891, s. 2; 1983 (Reg. Sess., 1984), c. 992, s. 1.)

§ 130A-392. Reports and records as evidence.

Reports of investigations made by a county medical examiner or by the Chief Medical Examiner and toxicology and autopsy reports made pursuant to this Part may be received as evidence in any court or other proceeding. Copies of records, photographs, laboratory findings and records in the Office of the Chief Medical Examiner, any county medical examiner or designated pathologist,

when duly certified, shall have the same evidentiary value as the original. (1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1981, c. 187, s. 8; 1983, c. 891, s. 2.)

CASE NOTES

Statements Listing Insured's Death as Suicide Excluded. — In case brought by widow of insured to recover under life insurance policy, statements listing suicide as the cause of death in the medical examiner's report were properly excluded at trial. Drain v. United Servs. Life Ins. Co., 85 N.C. App. 174, 354 S.E.2d 269, cert. denied, 320 N.C. 630, 360 S.E.2d 85 (1987).

§ 130A-393. Rules.

The Commission shall adopt rules to carry out the intent and purpose of this Part. (1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1981, c. 614, s. 15; 1983, c. 891, s. 2.)

§ 130A-394. Coroner to hold inquests.

In every case requiring the medical examiner to be notified, as provided by G.S. 130A-383, the coroner shall be notified by the medical examiner, and the coroner shall hold an inquest and preliminary hearing in those instances as required in G.S. 152-7. The coroner shall file a written report of his investigation with the district attorney of the superior court and the medical examiner. The body shall remain in the custody and control of the medical examiner. However, if a county has abolished the office of coroner pursuant to the provisions of Chapter 152A at a time when Chapter 152A was in effect in the county: (i) The provisions of this Article relating to coroner shall not be applicable to the county, (ii) the provisions of G.S. 152A-9 shall remain in full force and effect in the county, and (iii) Chapter 152 of the General Statutes shall not be applicable in the county. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1969, c. 299; 1973, c. 47, s. 2; 1983, c. 891, s. 2; 1985, c. 462, s. 1.)

Editor's Note. — Chapter 152A, referred to in this section, was repealed by Session Laws 1967, c. 1154, s. 8.

§ 130A-395. Handling and transportation of bodies.

(a) It shall be the duty of the physician licensed to practice medicine under Chapter 90 attending any person who dies and is known to have smallpox, plague, HIV infection, hepatitis B infection, rabies, or Jakob-Creutzfeldt to provide written notification to all individuals handling the body of the proper precautions to prevent infection. This written notification shall be provided to funeral service personnel at the time the body is removed from any hospital, nursing home, or other health care facility. When the patient dies in a location other than a health care facility, the attending physician shall notify the funeral service personnel verbally of the precautions required in subsections (b) and (c) as soon as the physician becomes aware of the death.

(b) The body of a person who died from smallpox or plague shall not be embalmed. The body shall be enclosed in a strong, tightly sealed outer case which will prevent leakage or escape of odors as soon as possible after death and before the body is removed from the hospital room, home, building, or other premises where the death occurred. This case shall not be reopened except with the consent of the local health director.

(c) Persons handling bodies of persons who died and were known to have HIV infection, hepatitis B infection, Jakob-Creutzfeldt, or rabies shall be provided written notification to observe blood and body fluid precautions. (1989, c. 698, s. 4.)

§§ 130A-396, 130A-397: Reserved for future codification purposes.

Part 2. Autopsies.

§ 130A-398. Limitation on right to perform autopsy.

The right to perform an autopsy shall be limited to those cases in which:

(1) The Chief Medical Examiner or a county medical examiner, acting pursuant to G.S. 130A-389, directs that an autopsy be performed;

(2) The Commission of Anatomy, acting pursuant to G.S. 130A-415, has given written consent for an autopsy to be performed on an unclaimed body;

(3) A prosecuting officer or district attorney, acting pursuant to G.S. 15-7 in case of homicide, directs that an autopsy be performed;

(4) The decedent directs in writing prior to death that an autopsy be performed upon the occurrence of the decedent's death;

(5) The personal representative of the estate of the decedent requests that an autopsy be performed upon the decedent; or

(6) Any of the following persons, in order of priority, when persons in prior classes are not available at the time of death, and in the absence of actual notice of contrary indications by the decedent or actual opposition by a member of the same or prior class, authorizes an autopsy to be performed:

a. The spouse;

b. Any adult child or stepchild;

c. Any parent or stepparents;

d. Any adult sibling;

e. A guardian of the person of the decedent at the time of the decedent's death;

f. Any relative or person who accepts responsibility for final disposition of the body by other customary and lawful procedures;

g. Any person under obligation to dispose of the body. (1931, c. 152; 1933, c. 209; 1967, c. 1154, s. 4; 1969, c. 444; 1973, c. 47, s. 2; 1983, c. 891, s. 2.)

CASE NOTES

A cause of action exists in this State for wrongful autopsy. The cause of action arises from a quasi-property right of the surviving next-of-kin to bury the dead without wrongful interference. Grad v. Kaasa, 68 N.C. App. 128, 314 S.E.2d 755, rev'd on other grounds, 312 N.C. 310, 321 S.E.2d 888 (1984), decided under former G.S. 130-198 and G.S. 130-200.

But a Violation Will Not Automatically Result in Liability. — Although the regulations and statutes limit a medical examiner's authority to order autopsies, a violation will not inevitably result in liability. A public official will be held liable only if it is shown that he acted entirely outside the scope of his authority or that his act, while inside his authority, was malicious or corrupt. Grad v. Kaasa, 68 N.C. App. 128, 314 S.E.2d 755, rev'd on other grounds, 312 N.C. 310, 321 S.E.2d 888 (1984), decided under former G.S. 130-198 and G.S. 130-200.

When Medical Examiner Is Immune from Liability. — A medical examiner acts outside his authority if he subjectively determines that an autopsy is not authorized by statute, yet proceeds anyway, or if he fails to make any subjective determination at all concerning whether an autopsy would serve the public interest before proceeding. Conversely, where a medical examiner receives a death

report under G.S. 130-198 (see now G.S. 130A-383) or 10 N.C. Administrative Code § 11.0203, and then makes a subjective determination that an autopsy is advisable and in the public interest, his actions are within the scope of his authority and he is immune from liability unless his actions are motivated by malice or corruption. Grad v. Kaasa, 68 N.C. App. 128, 314 S.E.2d 755, rev'd on other grounds, 312 N.C. 310, 321 S.E.2d 888 (1984), decided under former G.S. 130-198 and G.S. 130-200.

§ 130A-399. Postmortem examination of inmates of certain public institutions.

Upon the death of any inmate of an institution maintained by the State, or a city, county or other political subdivision of the State, for the care of the sick, mentally ill or mentally retarded, the administrator of the institution in which the death occurs is empowered to authorize a postmortem examination of the deceased person. The examination shall be of a scope and nature necessary to promote knowledge of the human organism and its disorders. (1943, c. 87, s. 1; 1983, c. 891, s. 2.)

§ 130A-400. Written consent for postmortem examinations required.

An administrator of an institution shall not authorize a postmortem examination described in G.S. 130A-399 without first securing the written consent of the deceased person's spouse, one of the next-of-kin or nearest known relative, or other person charged by law with the duty of burial, in the order named and as known. A copy of the written consent shall be filed in the office of the administrator of the institution where the inmate died. (1943, c. 87, s. 3; 1983, c. 891, s. 2.)

§ 130A-401. Postmortem examinations in certain medical schools.

The postmortem examinations and studies authorized by G.S. 130A-399 may be made in the laboratories of medical schools of colleges and universities on conditions established by the administrator. (1943, c. 87, s. 2; 1983, c. 891, s. 2.)

Part 3. Uniform Anatomical Gift Act.

§ 130A-402. Short title.

This Part may be cited as the Uniform Anatomical Gift Act. (1969, c. 84, s. 1; 1983, c. 891, s. 2.)

Cross References. — As to duty of hospital to establish organ procurement protocols, see G.S. 130A-412.1.

§ 130A-404. Persons who may make an anatomical gift.

(a) An individual of sound mind and 18 years of age or more may give all or any part of that individual's body for any purpose specified in G.S. 130A-405. A gift made in accordance with G.S. 130A-406 shall be sufficient legal authority for procurement without additional authority from the donor or the donor's family or estate. The gift shall take effect upon death. A gift made by the donor in accordance with G.S. 130A-406 may not be revoked upon the donor's death, and neither the donor's family nor the donor's health care agent appointed pursuant to Article 3 of Chapter 32A of the General Statutes may refuse to honor the gift or thwart the procurement of the donation.
(b) If the decedent has not made a gift in the manner prescribed in G.S. 130A-406, then any of the following persons, in order of priority stated, when

(1) The spouse;
(2) An adult child;
(3) Either parent;
(4) An adult sibling;
(5) A guardian of the person of the decedent at the time of decedent's death;
(6) Any other person authorized or under obligation to dispose of the body.

(d) If the donee has actual notice of contrary indications by the decedent or that a gift by a member of a class is opposed by a member of the same or a prior class, the donee shall not accept the gift.

(e) A gift of all or part of a body authorizes any examination necessary to assure medical acceptability of the gift for the purposes intended.

(f) The rights of the donee created by the gift are paramount to the rights of others except as provided by G.S. 130A-409(d). (1969, c. 84, s. 1; 1977, c. 166, s. 1; 1983, c. 891, s. 2; 2001-481, s. 2.)

Editor's Note. — Session Laws 2001-481, s. 1, effective December 6, 2001, provides: "The Department of Health and Human Services, Division of Public Health, in consultation with the Department of Transportation and the Office of the Secretary of State, federally designated organ, eye, and tissue procurement organizations, and tissue banks shall study the establishment of a statewide organ, eye, and tissue donor registry. In conducting the study, the Department of Health and Human Services shall solicit advice and comment from citizens or citizen advisory groups interested in organ and tissue donation. The purpose of the study is to determine the feasibility and potential benefits of maintaining a statewide registry of persons who have indicated a willingness to donate organs, eyes, and tissue for transplantation or research in order to expedite the identification of potential organ, eye, and tissue donors. The study shall address the following:

"(1) The potential benefits to the general public in maintaining the registry.

"(2) The most efficient process for State administration of the registry, including the particular State agency that should be charged with registry administration and maintenance.

"(3) Type of information to be included in the registry and maintenance of the information in a manner that ensures protection of privacy of registered donors.

"(4) How to streamline the process for individuals to become registered donors and to remove their names from the registry.

"(5) How to ensure informed, witnessed consent by registered donors and whether listing in the registry should be considered informed, witnessed consent.

"(6) Process for informing the general public about organ, eye, and tissue donation, how to become registered and unregistered, and the legal effect of donor cards, drivers license donor symbols, and informed consent.

"(7) How to evaluate the effectiveness of educational initiatives and the registry itself in improving identification of potential donors and procuring donations for transplantation.

"(8) The experience of other states that have established organ and tissue donor registries.

"(9) The cost to the State of establishing and maintaining the registry.

"(10) Coordinating programs to avoid duplication of efforts. The Department shall report its findings and recommendations to the Joint Legislative Health Care Oversight Committee on or before May 1, 2002.

"The Department shall report its findings and recommendations to the Joint Legislative Health Care Oversight Committee on or before May 1, 2002."

Session Laws 2001-481, s. 4, provides that the Department of Transportation and the Department of Health and Human Services may each use funds appropriated to it for the 2001-2003 fiscal biennium to implement the act.

Effect of Amendments. — Session Laws 2001-481, s. 2, effective January 1, 2002, in subsection (a), added the second sentence, and added the final sentence; and substituted "If the decedent has not made a gift in the manner

prescribed in G.S. 130A-406, then any" for "Any" in subsection (b).

(4) A specified individual for therapy or transplantation needed by that individual; or

(5) The Commission of Anatomy for the distribution of a human body or its parts for the purpose of promoting the study of anatomy in this State. (1969, c. 84, s. 1; 1975, c. 694, ss. 4, 5; 1983, c. 891, s. 2.)

§ 130A-406. Manner of making anatomical gifts.

(a) A gift of all or part of the body under G.S. 130A-404(a) may be made by will. The gift becomes effective upon the death of the testator without waiting for probate. If the will is not probated, or if it is declared invalid for testamentary purposes, the gift, to the extent that it has been acted upon in good faith, is valid and effective.

(b) A gift of all or part of the body under G.S. 130A-404(a) may also be made by a document other than a will. The gift becomes effective upon the death of the donor. The document, which may be a card designed to be carried on the individual, must be signed by the donor in the presence of two witnesses who must sign the document in the donor's presence. If the donor cannot sign, the document may be signed for the donor at the direction and in the presence of the donor and in the presence of two witnesses who must sign the document in the donor's presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

(c) The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by the attending physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death, the attending physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee.

(d) The donor may designate by will, card or other document of gift the surgeon or physician to carry out the appropriate procedures, subject to the provisions of G.S. 130A-409(b). In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the gift may employ or authorize any surgeon or physician for that purpose.

(e) In respect to a gift of an eye, a qualified individual may enucleate eyes or perform in situ excision for the gift after proper certification of death by a physician and upon the express direction of a physician other than the one who certified the death of the donor.

(f) A gift by a person designated in G.S. 130A-404(b) shall be made by a document signed by the donor or made by the donor's telegraphic, recorded telephonic, or other recorded message. However, a guardian of the person of a

ward who makes a gift of all or any part of the ward's body prior to the ward's death shall make the gift by a document signed by the guardian and filed with the clerk of court having jurisdiction over the guardian.

(g) The making of a gift shall be deemed to include an authorization to the donee to review any medical records of the donor after the death of the donor. (1969, c. 84, s. 1; 1971, c. 873, s. 2; 1975, c. 32, s. 3; 1977, c. 166, s. 2; 1979, c. 525, s. 11; 1983, c. 891, s. 2; 2001-255, s. 2.)

§ 130A-407. Delivery of document of gift.

If the gift is made by the donor or the guardian to a specified donee, the will, card or other document or executed copy may be delivered to the donee at any time to expedite the appropriate procedures immediately after death. Delivery is not necessary to the validity of the gift. The will, card or other document or executed copy may be deposited in a hospital, bank or storage facility, or registry office that accepts it for safekeeping or for facilitation of procedures after death. On request of any interested party upon or after the donor's or ward's death, the person in possession shall produce the document for examination. (1969, c. 84, s. 1; 1977, c. 166, s. 3; 1983, c. 891, s. 2.)

§ 130A-408. Amendment or revocation of the gift.

(a) If the will, card or other document or executed copy has been delivered to a specified donee, the donor may amend or revoke the gift by:

(1) The execution and delivery to the donee of a signed statement;

(2) An oral statement made in the presence of two persons and communicated to the donee;

(3) A statement during a terminal illness or injury addressed to an attending physician and communicated to the donee; or

(4) A signed card or document found on the individual or in the individual's effects, and made known to the donee.

(b) A guardian may amend or revoke the gift by the execution and delivery to the donee of a signed statement.

(c) Any document of gift which has not been delivered to the donee may be revoked by the donor or guardian in the manner set out in subsection (a) or by destruction, cancellation or mutilation of the document and all executed copies.

(d) Any gift made by a will may also be amended or revoked in the manner provided for amendment or revocation of wills or as provided in subsection (a). (1969, c. 84, s. 1; 1977, c. 166, ss. 4, 5; 1983, c. 891, s. 2.)

§ 130A-409. Rights and duties at death.

(a) The donee may accept or reject the gift. If the donee accepts a gift of the entire body, the donee shall, subject to the terms of the gift, authorize embalming and the use of the body in funeral services, upon request of the surviving spouse or other person listed in the order stated in G.S. 130A-404(b). If the gift is of a part of the body, the donee, upon the death of the donor or ward and prior to embalming, shall, within 24 hours, cause the part to be removed without unnecessary mutilation. After removal of the part, custody of the remainder of the body vests in the surviving spouse, next-of-kin or other persons under obligation to dispose of the body.

(b) The time of death shall be determined by a physician who attends the donor or ward at death, or, if none, the physician who certifies the death. The physician shall not participate in the procedures for removing or transplanting a part.

(c) A person who acts with due care in accord with the terms of this Part or the anatomical gift laws of another state is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for the act. A person may rely upon a document registered with the Advance Health Care Directive Registry maintained by the Secretary of State pursuant to Article 21 of Chapter 130A of the General Statutes to the same extent as the person can rely upon the original of that document.

(d) The provisions of this Part are subject to the laws of this State prescribing powers and duties with respect to autopsies. (1969, c. 84, s. 1; 1977, c. 166, s. 6; 1983, c. 891, s. 2; 2001-455, s. 6; 2001-513, s. 30(b).)

Editor's Note. — Session Laws 2001-513, s. 30(b), amended s. 8 of Session Laws 2001-455 to provide that the amendment to this section by s. 6 thereof would be effective May 1, 2002.

Effect of Amendments. — Session Laws 2001-455, s. 6, effective May 1, 2002, added the last sentence of subsection (c).

§ 130A-410. Use of tissue declared a service; standard of care; burden of proof.

The procurement, processing, distribution or use of whole blood, plasma, blood products, blood derivatives and other human tissues such as corneas, bones or organs for the purpose of injecting, transfusing or transplanting any of them into the human body is declared to be, for all purposes, the rendition of a service by every participating person or institution. Whether or not any remuneration is paid, the service is declared not to be a sale of whole blood, plasma, blood products, blood derivatives or other human tissues, for any purpose. No person or institution shall be liable in warranty, express or implied, for the procurement, processing, distribution or use of these items but nothing in this section shall alter or restrict the liability of a person or institution in negligence or tort in consequence of these services. (1971, c. 836; 1983, c. 891, s. 2.)

CASE NOTES

Personal Jurisdiction over Organ Procurement Organization. — Under the Uniform Anatomical Gift Act the procurement of organs is expressly considered a service, and where out-of-state organ procurement organization was responsible for the transportation of a kidney to the destination of a recipient member of organ procurement network, packaged and shipped the kidney to North Carolina so that its service was not complete until the kidney was delivered to this State, and directly billed a North Carolina entity for its services, the exercise of jurisdiction over the organ procurement organization pursuant to G.S. 1-75.4(5)(a) was proper. § 130A-411. Giving of blood by persons 17 years of age or more.

A person who is 17 years of age or more may give or donate blood to an individual, hospital, blood bank or blood collection center without the consent of the parent or parents or guardian of the donor. It shall be unlawful for a person under the age of 18 years to sell blood. (1971, c. 10; c. 1093, s. 16; 1977, c. 373; 1983, c. 891, s. 2.)

§ 130A-412. Uniformity of interpretation.

This Part shall be so construed to effectuate its general purpose to make uniform the law of those states which enact it. (1969, c. 84, s. 1; 1983, c. 891, s. 2.)

§ 130A-412.1. Duty of hospitals to establish organ procurement protocols.

(a) In order to facilitate the goals of this Part, each hospital shall establish written protocols that:

(1) Require that only the organ procurement organization designated by the Secretary of Health and Human Services be notified of all deaths or impending brain deaths meeting criteria for notification as established by the designated organ procurement organization; and

(2) Ensure that notification required under subdivision (1) of this subsection be made as soon as it is determined that brain death is imminent or cardiac death has occurred.

(b) Hospitals shall provide their federally designated organ procurement organizations and tissue banks reasonable access to patients' medical records for the purpose of determining organ or tissue donation potential.

(c) The family of any person whose organ or tissue is donated for transplantation shall not be financially liable for any costs related to the evaluation of the suitability of the donor's organ or tissue for transplantation, or for any costs of retrieval of the organ or tissue.

(d) Each hospital shall provide its federally designated organ procurement organization with reasonable access during regular business hours to the medical records of deceased patients for the following purposes:

(1) Determining the hospital's organ and tissue donation potential;

(2) Assessing the educational needs of the hospital in regard to the organ and tissue donation process; and

(3) Providing documentation to the hospital to evaluate the effectiveness of the hospital's efforts.

(e) Each hospital shall have a signed agreement with its federally designated organ procurement organization that addresses the requirements of this section and the requirements of G.S. 130A-412.2.

(f) The requirements of this section, or of any hospital procurement protocols established pursuant to this section, shall not exceed those provided for by the hospital organ protocol provisions of Title XI of the Social Security Act, except for the purposes of this section the term "organ and tissue donors" shall include cornea and tissue donors for transplantation.

(g) Hospitals and hospital personnel shall not be subject to civil or criminal liability nor to discipline for unprofessional conduct for actions taken in good faith to comply with this section. This subsection shall not provide immunity from civil liability arising from gross negligence. (1987, c. 719, s. 1; 1989, c. 537, s. 4; 1997-192, s. 2; 1997-456, s. 48.)

§ 130A-412.2. Duty of designated organ procurement organizations and tissue banks.

(a) After notification regarding an impending brain death, brain death, or cardiac death has been made to the federally designated organ procurement organization, the federally designated organ procurement organization shall evaluate donation potential.

(b) The federally designated organ procurement organization or tissue bank shall assure that families of potential organ and tissue donors are made aware of the option of organ and tissue donation and their option to decline.

(c) The federally designated organ procurement organization or tissue bank shall, working collaboratively with the hospital, request consent for organ or tissue donation in the order of priority established under G.S. 130A-404(b) and shall have designated, trained staff available to perform the consent process 24 hours a day, 365 days a year.

(d) The federally designated organ procurement organization or tissue bank shall encourage discretion and sensitivity with respect to the circumstances, views, and beliefs of the families of potential organ and tissue donors.

(e) All hospital and patient information, interviews, reports, statements, memoranda, and other data obtained or created by a tissue bank or federally designated organ procurement organization from the medical records review described in G.S. 130A-412.1 shall be privileged and confidential and may be used by the tissue bank or federally designated organ procurement organization only for the purposes set forth in G.S. 130A-412.1 and shall not be subject to discovery or introduction as evidence in any civil action, suit, or proceeding. However, hospital and patient information, interviews, reports, statements, memoranda, and other data otherwise available are not immune from discovery or use in a civil action, suit, or proceeding merely because they were obtained or created by a tissue bank or federally designated organ procurement organization from the medical records review described in G.S. 130A-412.1.

(f) If the hospital is made a party of any action, suit, or proceeding arising out of the failure of a federally designated organ procurement organization or tissue bank to comply with the requirements of this section, the hospital shall be held harmless from any and all liability and costs, including the amounts of judgments, settlements, fines, or penalties, and expenses and reasonable attorneys' fees incurred in connection with the action, suit, or proceeding. (1997-192, s. 3.)

Part 4. Human Tissue Donation Program.

§ 130A-413. Coordinated human tissue donation program; legislative findings and purpose; program established.

(a) The General Assembly finds that there is an increasing need for human tissues for transplantation purposes; that there is a continuing need for human tissues for the purposes of medical education and research; and that these needs are not being sufficiently filled at the present because of a shortage of human tissue donors. The General Assembly establishes a coordinated human tissue donation program to facilitate the acquisition and distribution of human tissues to promote the public health. For the purposes of this Part, the term "human tissue" includes cadavers.

(b) The Department shall establish and administer a coordinated program among departments and agencies of the State and all groups, both public and private, involved in the acquisition and distribution of human tissue to:

(1) Increase awareness of the need for human tissue donations and of the methods by which these donations are made;
(2) Increase awareness of the existing programs of human tissue transplantation and of medical research and education which employs human tissue and share information with the public;
(3) Study the problems surrounding the acquisition and distribution of human tissue and make suggestions for their solution;
(4) Disseminate information to health and other professionals concerning the techniques of human tissue retrieval and transplantation, the legalities involved in making anatomical gifts; and
(5) Arrange for the quick and precise transportation of donated human tissue in emergency transplant situations.

(c) All departments and agencies of the State and county and municipal law-enforcement agencies shall cooperate with the coordinated human tissue donation program instituted by the Department. (1983, c. 891, s. 2.)

Part 5. Disposition of Unclaimed Bodies.

§ 130A-415. Unclaimed bodies; bodies claimed by the Lifeguardianship Council of the Association for Retarded Citizens of North Carolina; disposition.

(a) Any person, including officers, employees and agents of the State or of any unit of local government in the State, undertakers doing business within the State, hospitals, nursing homes or other institutions, having physical possession of a dead body shall make reasonable efforts to contact relatives of the deceased or other persons who may wish to claim the body for final disposition. If the body remains unclaimed for final disposition for 10 days, the person having possession shall notify the Commission of Anatomy. Upon request of the Commission of Anatomy, the person having possession shall deliver the dead body to the Commission of Anatomy at a time and place specified by the Commission of Anatomy or shall permit the Commission of Anatomy to take and remove the body.

(b) All dead bodies not claimed for final disposition within 10 days of the decedent's death may be received and delivered by the Commission of Anatomy pursuant to the authority contained in G.S. 130A-33.30 and this Part and in accordance with the rules of the Commission of Anatomy. Upon receipt of a body by the Commission of Anatomy all interests in and rights to the unclaimed dead body shall vest in the Commission of Anatomy. The recipient to which the Commission of Anatomy delivers the body shall pay all expenses for the embalming and delivery of the body, and for the reasonable expenses arising from efforts to notify relatives or others.

(b1) The 10-day period referenced in subsections (a) and (b) of this section may be shortened by the county director of social services upon determination that a dead body will not be claimed for final disposition within the 10-day period.

(c) Should the Commission of Anatomy decline to receive a dead body, the person with possession shall inform the director of social services of the county

in which the body is located. The director of social services of that county shall arrange for prompt final disposition of the body, either by cremation or burial. Reasonable costs of disposition and of efforts made to notify relatives and others shall be considered funeral expenses and shall be paid in accordance with G.S. 28A-19-6 and G.S. 28A-19-8. If those expenses cannot be satisfied from the decedent's estate, they shall be borne by the decedent's county of residence. If the deceased is not a resident of this State, or if the county of residence is unknown, those expenses shall be borne by the county in which the death occurred.

(d) No autopsy shall be performed on an unclaimed body without the written consent of the Commission of Anatomy except that written consent is not required for an autopsy performed pursuant to Part 2 of this Article.

(e) Due caution shall be taken to shield the unclaimed body from public view.

(f) Notwithstanding anything contained in this section, an unclaimed body shall not mean a dead body for which the deceased has made a gift pursuant to Part 3 of this Article.

(g) Nothing in this Part shall require the officers, employees or agents of a county to notify the Commission of Anatomy regarding the bodies of minors who were in the custody of the county at the time of death and whose final disposition will be arranged by the county. In the absence of notification, the expenses of the final disposition shall be a charge upon the county having custody.

(h) The provisions of this Part shall not apply to bodies within the jurisdiction of the medical examiner under G.S. 130A-383 or 130A-384.

(i) In addition to the other duties of the Commission of Anatomy, when the Commission of Anatomy is notified by the Lifeguardianship Council of the Association of Retarded Citizens of North Carolina, Inc., that the Council intends to claim a body, the Commission shall release the body to the Council. The Lifeguardianship Council shall notify the Commission of Anatomy within 24 hours after death of its intent to claim a body for burial or other humane and caring disposition. (1975, c. 694, s. 3; 1977, c. 458; 1983, c. 891, s. 2; 1987, c. 470; 1989, c. 222; c. 770, s. 75.)

§ 130A-416. Commission of Anatomy rules.

The Commission of Anatomy is authorized to adopt rules necessary to implement the provisions of this Part. (1983, c. 891, s. 2.)

Part 6. Final Disposition or Transportation of Deceased Migrant Agricultural Workers and Their Dependents.

§ 130A-417. Definitions.

The following definitions shall apply throughout this Part:

(1) "Dependent" means child, grandchild, spouse or parent of a migrant agricultural worker who moves with the migrant agricultural worker in response to the demand for seasonal agricultural labor.

(2) "Migrant agricultural worker" means a worker who moves in response to the demand for seasonal agricultural labor. (1983, c. 891, s. 2.)

§ 130A-418. Deceased migrant agricultural workers and their dependents.

(a) Notwithstanding any other provisions of law, a person having knowledge of the death of a migrant agricultural worker or a worker's dependent shall

without delay report the death to the department of social services in the county in which the body is located together with any information regarding the deceased including identity, place of employment, permanent residence, and the name, address and telephone number of any relative and any interested person. The county department of social services shall, within a reasonable time of receiving this report, transmit to the Department notice of the death and information received upon notification. The Department shall make reasonable effort to inform the next-of-kin and any interested person of the death.

(b) If the identity of the person cannot be determined within a reasonable period of time, or if the body is unclaimed 10 days after death, the body shall be offered to the Commission of Anatomy and, upon its request, shall be delivered to the Commission of Anatomy. If the Commission of Anatomy does not request an unclaimed body offered it or the estate, and if the relatives or other interested persons claiming the body are unable to provide for the final disposition of the migrant agricultural worker or dependent, the Department is authorized and directed to arrange for the final disposition of the decedent.

(c) If the estate, relatives or interested persons are able to provide for final disposition but are unable to effect the transportation of the decedent to the decedent's legal residence or the legal residence of the relatives or interested persons, the Department is authorized and directed to allocate a sum of not more than two hundred dollars ($200.00) to defray the transportation expenses.

(d) The Secretary is authorized to adopt rules necessary to implement this section. (1975, c. 891; 1977, c. 648; 1983, c. 891, s. 2.)

§ 130A-419: Reserved for future codification purposes.

Part 7. Disposition of Body or Body Parts.

§ 130A-420. Authority to dispose of body or body parts.

(a) An individual at least 18 years of age may authorize the disposition of the individual's own dead body in a written will, pursuant to a health care power of attorney to the extent provided in Article 3 of Chapter 32A of the General Statutes, pursuant to a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes, pursuant to a cremation authorization form executed pursuant to Article 13C of Chapter 90 of the General Statutes, or in a written statement signed by the individual and witnessed by two persons who are at least 18 years old.

(b) If a decedent has left no written authorization for the disposal of the decedent's body as permitted under subsection (a) of this section, the following competent persons in the order listed may authorize the type, method, place, and disposition of the decedent's body:

(1) The surviving spouse.
(2) A majority of the surviving children.
(3) The surviving parents.
(4) A majority of the surviving siblings.
(5) A majority of the persons in the classes of the next degrees of kinship, in descending order, who, under State law, would inherit the decedent's estate if the decedent died intestate.
(6) A person who has exhibited special care and concern for the decedent and is willing and able to make decisions about the disposition.

This subsection does not grant to any person the right to cancel a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General

Statutes or to prohibit the substitution of a preneed licensee as authorized under G.S. 90-210.63.

(c) An individual at least 18 years of age may, in a writing signed by the individual, authorize the disposition of one or more of the individual's body parts that has been or will be removed. If the individual does not authorize the disposition, a person listed in subsection (b) of this section may authorize the disposition as if the individual was deceased.

(d) This section does not apply to the disposition of dead human bodies as anatomical gifts under Part 3 of Article 16 of Chapter 130A of the General Statutes or the right to perform autopsies under Part 2 of Article 16 of Chapter 130A of the General Statutes. (1997-399, s. 34.)

Editor's Note. — The section above has been designated as G.S. 130A-420 at the direction of the Revisor of Statutes, the number in the enacting act having been G.S. 130A-422.

§ 130A-421: Reserved for future codification purposes.

Article 17.

Childhood Vaccine-Related Injury Compensation Program.

§ 130A-422. Definitions.

The following definitions apply throughout this Article, unless the context clearly implies otherwise:

(1) "Claimant" means any person who files a claim for compensation for a vaccine-related injury pursuant to G.S. 130A-425(b). In the case of a minor or incompetent, a claim may be filed by a guardian ad litem, parent, guardian, or other legal representative; and, in the case of a decedent, the claim may be filed by an administrator, executor, or other legal representative.

In the event that more than one person claims to have suffered compensable injuries as the result of the administration of a covered vaccine to a single individual, all these persons shall be treated for purposes of this Article as if they were a single claimant. A single joint claim shall be filed on behalf of all these persons, and the limitations on awards set forth in G.S. 130A-427(b) apply to that joint claim or subsequent joint action as if it were a claim filed on behalf of a single individual.

(2) "Commission" means the North Carolina Industrial Commission.

(3) "Covered vaccine" means a vaccine administered pursuant to the requirements of G.S. 130A-152.

(4) "Respondent" means the person or entity the claimant identifies in the claim as the agent of causality of the vaccine-related injury.

(5) "Vaccine-related injury", with respect to persons engaged in the manufacture, distribution, or sale, or administration of a covered vaccine, means any injury, disability, illness, death, or condition caused by the vaccine. "Vaccine-related injury" shall not mean any injury, disability, illness, death, or condition caused by the method of injection of the vaccine into the body. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 8.)

§ 130A-423. North Carolina Childhood Vaccine-Related Injury Compensation Program; exclusive remedy; relationship to federal law; subrogation.

(a) There is established the North Carolina Childhood Vaccine-Related Injury Compensation Program.

(b) The rights and remedies granted the claimant, the claimant's parent, guardian ad litem, guardian, or personal representative shall exclude all other rights and remedies of the claimant, his parent, guardian ad litem, guardian, or personal representative against any respondent at common law or otherwise on account of injury, illness, disability, death, or condition. If an action is filed, it shall be dismissed, with prejudice, on the motion of any party under law.

(b1) A claimant may file a petition pursuant to this Article only after the claimant has filed an election pursuant to Section 2121 of the Public Health Service Act, P.L. 99-660, permitting the claimant to file a civil action for damages for a vaccine-related injury or death or if the claimant is otherwise permitted by federal law to file an action against a vaccine manufacturer.

(c) Nothing in this Article prohibits any individual from bringing a civil action against a vaccine manufacturer for damages for a vaccine-related injury or death if the action is not barred by federal law under subtitle 2 of Title XXI of the Public Health Service Act.

(d) If any action is brought against a vaccine manufacturer as permitted by subtitle 2 of Title XXI of the Public Health Service Act and subsection (c) of this section, the plaintiff in the action may recover damages only to the extent permitted by subdivisions (1) through (3) of subsection (a) of G.S. 130A-427. The aggregate amount awarded in any action may not exceed the limitation established by subsection (b) of G.S. 130A-427. Regardless of whether an action is brought against a vaccine manufacturer, a claimant who has filed an election pursuant to Section 2121 of the Public Health Service Act, as enacted into federal law by Public Law 99-660, permitting a claimant to file a civil action for damages for a vaccine-related injury or death, or who is otherwise permitted by federal law to file an action against a vaccine manufacturer, may file a petition pursuant to G.S. 130A-425 to obtain services from the Department pursuant to subdivision (5) of subsection (a) of G.S. 130A-427 and, if no action has been brought against a vaccine manufacturer, to obtain other relief available pursuant to G.S. 130A-427.

(e) In order to prevent recovery of duplicate damages, or the imposition of duplicate liability, in the event that an individual seeks an award pursuant to G.S. 130A-427 and also files suit against the manufacturer as permitted by subtitle 2 of Title XXI of the Public Health Service Act and subsection (c) of this section, the following provisions shall apply:

(1) If, at the time an award is made pursuant to G.S. 130A-427, an individual has already recovered damages from a manufacturer pursuant to a judgment or settlement, the award shall consist only of a commitment to provide services pursuant to subdivision (5) of subsection (a) of G.S. 130A-427.

(2) If, at any time after an award is made to a claimant pursuant to G.S. 130A-427, an individual recovers damages for the same vaccine-related injury from a manufacturer pursuant to a judgment or settlement, the individual who recovers the damages shall reimburse the State for all amounts previously recovered from the State in the prior proceeding. Before a defendant in any action for a vaccine-related injury pays any amount to a plaintiff to discharge a judgment or settlement, he shall request from the Secretary a statement itemizing any reimbursement owed by the plaintiff pursuant to this subdivision, and, if any reimbursement is owed by the plaintiff to the

Department, the defendant shall pay the reimbursable amounts, as determined by the Secretary, directly to the Department. This payment shall discharge the plaintiff's obligations to the State under this subdivision and any obligation the defendant may have to the plaintiff with respect to these amounts.

(3) If:

a. An award has been made to a claimant for an element of damages pursuant to G.S. 130A-427; and

b. An individual has recovered for the same element of damages pursuant to a judgment in, or settlement of, an action for the same vaccine-related injury brought against a manufacturer, and that amount has not been remitted to the State pursuant to subdivision (2) of this subsection; and

c. The State seeks to recover the amounts it paid in an action it brings against the manufacturer pursuant to G.S. 130A-430;

any judgment obtained by the State under G.S. 130A-430 shall be reduced by the amount necessary to prevent the double recovery of any element of damages from the manufacturer. Nothing in this subdivision limits the State's right to obtain reimbursement from a claimant under subdivision (2) of this subsection with respect to any double payment that might be received by the claimant.

(f) Subrogation claims pursued under the National Childhood Vaccine Injury Act of 1986 shall be filed with the appropriate court, not with the Industrial Commission. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, ss. 1, 2; 1989, c. 727, ss. 148, 149; 1991, c. 410, s. 1; 1997-443, s. 11A.85.)

Editor's Note. — Session Laws 1987, c. 215, s. 9, made the amendment by s. 2 of the act, which added subsection (f), effective upon ratification (May 19, 1987). Section 9 further provided that the amendment by s. 1 of the act, which amended the catchline and added subsections (c), (d) and (e), would become effective only on and after the effective date of subtitle 2 of Title XXI of the Public Health Service Act, as enacted into federal law pursuant to Title III of Public Law 99-660, and only if this federal law on its effective date contained language forbidding a state from establishing or enforcing a law prohibiting an individual from bringing a civil action against a vaccine manufacturer for damages for a vaccine-related injury or death if this action is not barred by federal law.

Section 300aa-22(e) of Title 42 of the United States Code, effective October 1, 1988, appears to contain such language.

§ 130A-424. Industrial Commission authorized to hear and determine claims; damages.

The North Carolina Industrial Commission is authorized to hear and pass upon all claims filed pursuant to this Article. The members of the Commission, or a deputy thereof, have power to issue subpoenas, administer oaths, conduct hearings, take evidence, enter orders, opinions, settlements, and awards, and punish for contempt. The Commission may appoint deputies and clerical assistants to carry out the purpose and intent of this Article, and this deputy or deputies are vested with the same power and authority to hear and determine claims filed pursuant to this Article as is by this Article vested in the members of the Commission. (1985 (Reg. Sess., 1986), c. 1008, s. 1.)

§ 130A-425. Filing of claims.

(a) Notwithstanding any other provision of State law, no action for compensation for a vaccine-related injury may be filed against any person unless that person was named as a respondent in a claim filed pursuant to this section and unless the claim was filed within the applicable time period set forth in G.S. 130A-429.

(b) In all claims filed pursuant to this Article, the claimant or the person in whose behalf the claim is made shall file with the Commission a verified petition in duplicate, setting forth the following information:

(1) The name and address of the claimant;
(2) The name and address of each respondent;
(3) The amount of compensation in money and services sought to be recovered;
(4) The time and place where the injury occurred;
(5) A brief statement of the facts and circumstances surrounding the injury and giving rise to the claim; and
(6) Supporting documentation and a statement of the claim that the claimant or the person in whose behalf the claim is made suffered a vaccine-related injury and has not previously collected an award or settlement of a civil action for damages for this injury. This supporting documentation shall include all available medical records pertaining to the alleged injury, including autopsy reports, if any, and if the injured person was under two years of age at the time of injury, all prenatal, obstetrical, and pediatric records of care preceding the injury, and an identification of any unavailable records known to the claimant or the person in whose behalf the claim is made.
(7) Documentation to show that the claimant has filed an election pursuant to Section 2121 of the Public Health Service Act, P.L. 99-660, permitting such claimant to file a civil action for damages for a vaccine-related injury or death or documentation to show that such claimant is otherwise permitted by federal law to file an action against a vaccine manufacturer.

(c) Upon receipt of this verified petition in duplicate, the Commission shall enter the case upon its hearing docket and shall determine the matter in the county where the injury occurred unless the parties agree or the Commission directs that the case may be heard in some other county. All parties shall be given reasonable notice of the date when and the place where the claim will be heard. Immediately upon receipt of the claim, the Commission shall serve a copy of the verified petition on each respondent by registered or certified mail. The Commission shall also send a copy of the verified petition to the Secretary, who shall be a party to all proceedings involving the claim, and to the Attorney General who shall represent the State's interest in all the proceedings involving the claim.

(d) The Commission shall adopt rules necessary to govern the proceedings required by this Article. The Rules of Civil Procedure as contained in G.S. 1A-1 et seq. and the General Rules of Practice for the Superior and District Courts as authorized by G.S. 7A-34 apply to claims filed with the Industrial Commission under this Article. The Commission shall keep a record of all proceedings conducted under this Article, and has the right to subpoena any persons and records it considers necessary in making its determinations. The Commission may require all persons called as witnesses to testify under oath or affirmation, and any member of the Commission may administer oaths. If any persons refuse to comply with any subpoena issued pursuant to this Article or to testify with respect to any matter relevant to proceedings conducted under this Article, the Superior Court of Wake County, on application of the Commission, may issue an order requiring the person to comply with the subpoena and to testify. Any failure to obey any such order may be punished by the court as for contempt. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 3; 1989, c. 727, s. 150; 1991, c. 410, s. 2.)

§ 130A-426. Determination of claims.

(a) The Commission shall determine, on the basis of the evidence presented to it, the following issues:

(1) Whether any injuries alleged in the claim are vaccine-related injuries; and

(2) How much compensation, if any, is awardable pursuant to G.S. 130A-427.

(b) If the Commission determines pursuant to subsection (a) of this section that the injuries alleged in the claim are not vaccine-related injuries, it shall render a decision denying any compensation. If the Commission decides that any of the injuries are vaccine-related injuries it shall make an award pursuant to guidelines it establishes specifically adopted to relate to vaccine-related injuries. (1985 (Reg. Sess., 1986), c. 1008, s. 1.)

§ 130A-427. Commission awards for vaccine-related injuries; duties of Secretary.

(a) Upon determining that a claimant has sustained a vaccine-related injury, the Commission shall make an award providing compensation or services for any or all of the following:

(1) Actual and projected reasonable expenses of medical care, developmental evaluation, special education, vocational training, physical, emotional or behavioral therapy, and residential and custodial care and service expenses, that cannot be provided by the Department pursuant to subdivision (5) of this subsection;

(2) Loss of earnings and projected earnings, determined in accordance with generally accepted actuarial principles;

(3) Noneconomic, general damages arising from pain, suffering, and emotional distress;

(4) Reasonable attorneys fees;

(5) Needs that the Secretary determines on a case-by-case basis shall be met by medical, health, developmental evaluation, special education, vocational training, physical, emotional, or behavioral therapy, residential and custodial care, and other essential and necessary services, to be provided the injured party by the programs and services administered by the Department. The Secretary shall develop an itemized list of the service needs of the injured party upon review and evaluation of the injured party's medical record and shall present it to the Commission prior to the Commission's determination. In the event that the Commission's award includes the provision of any of these services, the Secretary shall develop a comprehensive, coordinated plan for the delivery of these services to the injured party. Notwithstanding any other provision of State law, the Secretary shall waive all eligibility criteria in determining eligibility for services provided by the Department under the plan of care developed pursuant to this subdivision. If the award includes any such services, these services shall be provided by the Department free of any cost to the injured party.

(b) The money compensation component of the award may not be made pursuant to this section in excess of an aggregate amount of the present day value amount of three hundred thousand dollars ($300,000) with respect to all injuries claimed to have resulted from the administration of a covered vaccine to a single individual. The value of all services to be provided by the Department, as part of this award is in addition to the total amount of money compensation, and is not included in the limitation prescribed by this subsec-

tion on the amount of money compensation that may be awarded. No damages may be awarded pursuant to subdivision (a)(3) on behalf of any person to whom the covered vaccine was not administered. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1989, c. 727, s. 151; 1997-443, s. 11A.86.)

§ 130A-428. Notice of determination of claim; appeal to full commission.

(a) Decisions of the Commission pursuant to G.S. 130A-427 shall be final and binding on the claimant and each respondent.

(b) Notwithstanding subsection (a), upon determination of the claim, the Commission shall notify all parties concerned in writing of its decision and any party shall have 15 days after receipt of such notice within which to file notice of appeal with the Commission. This appeal, when so taken, shall be heard by the Commission, sitting as a full commission, on the basis of the record in the matter and upon oral argument of the parties, and the full commission may amend, set aside, or strike out the decision of the hearing commissioner and may issue its own findings of fact and conclusions of law. Upon determination of the claim by the Commission, sitting as a full commission, the Commission shall notify all parties concerned in writing of its decision.

(c) The decision of the Commission, if not reviewed in due time, or an award of the Commission, shall be conclusive and binding as to all questions of fact; but any party to the proceedings may, within 30 days from the date of the decision or award, or within 30 days after receipt of notice to be sent by registered mail or certified mail of the award, but not thereafter, appeal from the decision or award of the Commission to the Court of Appeals for errors of law under the same terms and conditions as govern appeals from the Superior Court to the Court of Appeals in ordinary civil actions. The procedure for the appeal shall be provided by the Rules of Appellate Procedure. (1985 (Reg. Sess., 1986), c. 1008, s. 1.)

§ 130A-429. Limitation on claims.

(a) Except as provided in subsection (b) of this section, any claim under this Article that is filed more than six years after the administration of a vaccine alleged to have caused a vaccine-related injury is barred. Claims on behalf of minors or incompetent persons shall be filed by their parents, guardians ad litem, or guardians within the applicable limitations period established by this section.

(b) Claims that are filed in accordance with the procedures set forth in G.S. 130A-425(b) within six years after the date of the enactment of this Article shall not be barred unless, on the date the claim was filed, the claimant was barred by the applicable statute of limitations from filing an action for damages with respect to the subject matter of the claim.

(c) The period of limitation set forth in this section shall be stayed beginning on the date the claimant files a petition under Section 2111 of the Public Health Service Act, P.L. 99-660, and ending 120 days after the date final judgment is entered on the petition. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1991, c. 410, s. 3.)

§ 130A-430. Right of State to bring action against health care provider and manufacturer.

(a) If the Industrial Commission makes an award for a claimant who it determines has sustained a vaccine-related injury, the State may, within two years of the date the Commission renders its decision, bring an action against

the health care provider who administered the vaccine on the ground that the health care provider was negligent in administering the vaccine. Damages in an action brought under this section are limited to the amount of the award made by the Commission plus the estimated present value of all the services to be provided to the claimant by the Department under G.S. 130A-427.

(b) Manufacturer. — If the Industrial Commission makes an award for a claimant who it determines has sustained a vaccine-related injury, the State may, within two years of the date the Commission renders its decision, bring an action against the manufacturer who made the vaccine on the ground that the vaccine was a defective product. Damages in an action brought under this section are limited to the amount of the award made by the Commission plus the estimated present value of all the services to be provided to the claimant by the Department under G.S. 130A-427, the reasonable costs of prosecuting the action, including, but not limited to, attorneys fees, fees charged by witnesses, and costs of exhibits. For purposes of this subsection, a defective product is a covered vaccine that was manufactured, transported, or stored in a negligent manner, or was distributed after its expiration date, or that otherwise violated the applicable requirements of any license, approval, or permit, or any applicable standards or requirements issued under Section 351 of the Public Health Service Act, as amended, or the federal Food, Drug, and Cosmetic Act, as these standards or requirements were interpreted or applied by the federal agency charged with their enforcement. The negligence or other action in violation of applicable federal standards or requirements shall be demonstrated by the State, by a preponderance of the evidence, to be the proximate cause of the injury for which an award was rendered pursuant to G.S. 130A-427, in order to allow recovery by the State against the manufacturer pursuant to this subsection. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 4; 1989, c. 727, s. 152; 1997-443, s. 11A.87.)

§ 130A-431. Certain vaccine diversions made felony.

Any person who (i) receives a vaccine designated by the manufacturer for use in the State, (ii) directly or indirectly diverts the vaccine to a location outside the State, and (iii) directly or indirectly profits as a result of this diversion, is guilty of a Class I felony. The fine shall be twenty-five dollars ($25.00) per dose of the diverted vaccine or one hundred thousand dollars ($100,000), whichever is less. A health care professional convicted of a Class I felony pursuant to this section who is found by the court to have diverted more than 300 doses of covered vaccine shall have his license suspended for one year. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 5; 1993, c. 539, s. 1306; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 130A-432. Scope.

This Article applies to all claims for vaccine-related injuries occurring on and after October 1, 1986 and, at the option of the claimant, to claims for vaccine-related injuries that occurred before October 1, 1986 if such claim has not been resolved by final judgment or by settlement agreement or is not barred by a statute of limitations.

This Article applies to all claims for vaccine-related injuries alleged to have been caused by covered vaccines administered within the State, regardless of where an action relating to the injuries is brought and regardless of where the injuries are alleged to have occurred. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 6.)

§ 130A-433. Contracts for purchase of vaccines; distribution; fee; rules.

(a) Notwithstanding any law to the contrary, the Secretary may enter into contracts with the manufacturers and suppliers of covered vaccines and with other public entities either within or without the State for the purchase of covered vaccines and may provide for the distribution or sale of the covered vaccines to health care providers. Local health departments shall distribute the covered vaccines at the request of the Department. The Secretary shall adopt rules to implement this Article except for subsection (b) of this section.

(b) A health care provider who receives vaccine from the State may charge no more than a reasonable fee established by the Commission for Health Services for the administration of the vaccine. Vaccines provided by the State to local health departments for administration shall be administered at no cost to the patient. (1985 (Reg. Sess., 1986), c. 1008, s. 2; 1987, c. 215, s. 7; 1989, c. 727, s. 153; 1993, c. 321, s. 281(b).)

§ 130A-434. Child Vaccine Injury Compensation Fund established; payments from Fund; transfer of appropriations and receipts.

(a) There is established the Child Vaccine Injury Compensation Fund within the Department to finance the North Carolina Childhood Vaccine-Related Injury Compensation Program created by this article. The money compensation components of all awards made pursuant to Article 17 of Chapter 130A of the General Statutes shall be paid by the Department from the Fund.

(b) Should the Department find that the sum of appropriations and receipts is insufficient to meet financial obligations incurred in the administration of this article, appropriations and receipts in the Department which would otherwise revert to the General Fund may be transferred to the Child Vaccine Injury Compensation Fund in order to meet such obligations. The Department may also budget anticipated receipts as needed to implement this article. (1985 (Reg. Sess., 1986), c. 1008, s. 3(a), 3(b); 1989, c. 727, s. 154; 1997-443, s. 11A.88.)

§§ 130A-435 through 130A-439: Reserved for future codification purposes.

Article 18.

Health Assessments for Kindergarten Children in the Public Schools.

§ 130A-440. Health assessment required.

(a) Every child in this State entering kindergarten in the public schools shall receive a health assessment. The health assessment shall be made no more than 12 months prior to the date of school entry. No child shall attend kindergarten unless a health assessment transmittal form, developed pursuant to G.S. 130A-441, indicating that the child has received the health assessment required by this section, is presented to the school principal. The medical provider, or the parent, guardian, or person *in loco parentis*, must present a completed health assessment transmittal form to the principal of the

school on or before the child's first day of attendance. If a health assessment transmittal form is not presented on or before the first day, the principal shall present a notice of deficiency to the parent, guardian, or responsible person. The parent, guardian, or responsible person shall have 30 calendar days from the first day of attendance to present the required health assessment transmittal form for the child. Upon termination of 30 calendar days, the principal shall not permit the child to attend the school until the required health assessment transmittal form has been presented.

(b) A health assessment shall include a medical history and physical examination with screening for vision and hearing and, if appropriate, testing for anemia and tuberculosis. The health assessment may also include dental screening and developmental screening for cognition, language, and motor function.

(c) The health assessment shall be conducted by a physician licensed to practice medicine, a physician's assistant as defined in G.S. 90-18.1(a), a certified nurse practitioner, or a public health nurse meeting the Department's Standards for Early Periodic Screening, Diagnosis, and Treatment Screening.

(d) This Article shall not apply to children entering kindergarten in private church schools, schools of religious charter, or qualified nonpublic schools, regulated by Article 39 of Chapter 115C of the General Statutes. (1985 (Reg. Sess., 1986), c. 1017, s. 1; 1987, c. 114, s. 1; 1989, c. 727, s. 155; 1993, c. 124, s. 1; 1995, c. 123, s. 10.)

Editor's Note. — Session Laws 1999-22, s. 1, provides that the North Carolina Children's Vision Screening Improvement Program of the Department of Health and Human Services, which is administered through Prevent Blindness North Carolina and trains and certifies vision screeners who assess children in North Carolina schools, is designated the Kenneth C. Royall, Jr. Children's Vision Screening Improvement Program in recognition of Kenneth C. Royall, Jr.'s 32 years of leadership in Prevent Blindness North Carolina and his commitment to children's vision screening.

§ 130A-441. Reporting.

(a) Health assessment results shall be submitted to the school principal by the medical provider on health assessment transmittal forms developed by the Department and the Department of Public Instruction.

(b) Each school having a kindergarten shall maintain on file the health assessment results. The files shall be open to inspection by the Department, the Department of Public Instruction, or their authorized representatives and persons inspecting the files shall maintain the confidentiality of the files. Upon transfer of a child to another kindergarten, a copy of the health assessment results shall be provided upon request and without charge to the new kindergarten.

(c) Within 60 calendar days after the commencement of a new school year, the principal shall file a health assessment status report with the Department on forms developed by the Department and the Department of Public Instruction. The report shall document the number of children in compliance and not in compliance with G.S. 130A-440(a). (1985 (Reg. Sess., 1986), c. 1017, s. 1; 1989, c. 727, s. 156; 1993, c. 124, s. 2.)

§ 130A-442. Religious exemption.

If the bona fide religious beliefs of the parent, guardian or person in loco parentis of a child are contrary to the health assessment requirements contained in this Article, this Article shall not apply to the child. Upon submission of a written statement of the bona fide religious beliefs and opposition to the health assessment requirements, the child may attend

kindergarten without submitting a health assessment report. (1985 (Reg. Sess., 1986), c. 1017, s. 1.)

§ 130A-443. Rules.

Rules governing the contents for health assessment reports, the procedure for reporting under this Article, and those persons authorized to inspect the files shall be developed jointly by the Department of Public Instruction and the Commission for Health Services and shall be adopted by the Commission for Health Services. (1985 (Reg. Sess., 1986), c. 1017, s. 1.)

Management Commission pursuant to G.S. 143-215.112 prior to October 1, 1994. A local air pollution control program shall continue to be authorized by the Department to enforce the asbestos NESHAP for demolition and renovation so long as the local air pollution control program maintains its certification under G.S. 143-215.112 and complies with any rules adopted by the Commission for Health Services pursuant to subsection (b) of this section. Any local air pollution control program authorized to adopt and enforce the asbestos NESHAP for demolition and renovation shall have the authority to enforce the asbestos NESHAP for demolition and renovation under G.S. 130A-18, 130A-22(b1), 130A-22(b2), and 130A-25. Judicial review of an administrative penalty assessed under G.S. 130-22(b1) and G.S. 130A-22(b2) shall be as provided in G.S. 143-215.112(d2)(1) and Article 4 of Chapter 150B of the General Statutes.

Article 19A.

Lead-Based Paint Hazard Management Program.

§ 130A-453.01. Definitions.

Unless otherwise required by the context, the definitions set out in 40 Code of Federal Regulations § 745.223 (As set out in Vol. 61, No. 169, of the Federal Register, pages 45813 to 45815, 29 August 1996) apply throughout this Article. (1997-523, s. 1.)

Editor's Note. — Session Laws 1997-523, s. 3, provides that G.S. 130A-453.11, as enacted by this act, and section 3 of the act are effective when they become law. The remainder of the act becomes effective July 1, 1998 unless, as of that date, Subpart L of Part 745 of Title 40 of the Code of Federal Regulations (40 C.F.R. G.S. 745.220, et seq., as set out in the Federal Register of August 29, 1996) is scheduled to become effective later than September 1, 1998, in which case the remainder of the act becomes effective when Subpart L of Part 745 of Title 40 of the Code of Federal Regulations becomes effective. Subpart L of Part 745 of Title 40 of the Code of Federal Regulations became effective August 29, 1996, and G.S. 130A-453.01 to 130A-453.10 became effective July 1, 1998.

§ 130A-453.02. Purpose of Article.

(a) This Article is enacted to establish an authorized State program under section 404 of the Toxic Substances Control Act (15 U.S.C. § 2684), as enacted by Subtitle B, section 1021 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Pub. L. 102-550, 106 Stat. 3916), that will apply in this State in lieu of the corresponding federal program administered by the federal Environmental Protection Agency. This Article requires a person who performs an inspection, risk assessment, or abatement of a child-occupied facility or target housing to be certified and establishes the procedure and requirements for certification. It also requires a person who conducts an abatement of a child-occupied facility or target housing to obtain a permit for the abatement.

(b) This Article does not require the inspection, risk assessment, or abatement of a child-occupied facility or target housing under any circumstance. G.S. 130A-131.5 and the rules adopted to implement that section authorize the

Department to order an abatement to eliminate a lead poisoning hazard. This Article does not expand or otherwise change that authority. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.03. Certification of individuals who perform inspections, risk assessments, or abatements.

(a) Requirement. — An individual shall not perform or offer to perform an inspection, risk assessment, or abatement of target housing or a child-occupied facility unless the individual is certified by the Department to perform the activity. Performance of an inspection, risk assessment, or abatement encompasses a range of activities. To ensure proper performance of all aspects of an inspection, risk assessment, or abatement, the certification requirement imposed on an individual applies to each activity. The categories of individual certification are inspector, risk-assessor, designer, supervisor, worker, and any other category required by federal law. The category of risk-assessor includes the category of inspector. Thus, a person who is certified as a risk-assessor is not required to be certified as an inspector. Otherwise, an individual who performs or offers to perform activities within the scope of more than one category must be certified in each category.

(b) Exemption. — The certification requirement imposed by this section does not apply to an individual who performs an abatement of a residential dwelling the person owns and occupies as a residence, unless the residential dwelling is occupied by a person or persons other than the owner or the owner's immediate family while an abatement is being performed, or a child residing in the dwelling has been identified as having an elevated blood lead level. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.04. Certification and other requirements of firms that perform inspections, risk assessments, or abatements.

A firm or other entity shall not perform or offer to perform an inspection, risk assessment, or abatement of target housing or a child-occupied facility unless the entity is certified by the Department as a firm that is qualified to perform the activity. An entity that performs an inspection, risk assessment, or abatement of target housing or a child-occupied facility shall not use an individual to perform the inspection, risk assessment, or abatement unless the individual is certified by the Department to perform the activity. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.05. Qualifications for certification of individuals and firms.

To be certified under this Article, a person must meet the qualification requirements set by the Commission. Qualification requirements include

education, training, experience, the successful completion of an examination, and payment of any applicable fee. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.06. Renewal of certification.

A certification of an individual or a firm issued under this Article expires on the last day of the 12th month after the certification is issued. A certification may be renewed by paying the renewal fee and meeting any standards for renewal, such as refresher training, established by the Commission. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.07. Accreditation of training courses and training providers.

Completion of a training course on inspection, risk assessment, or abatement does not satisfy a training requirement that is a condition for certification under this Article unless both the course provider and the course have been accredited by the Department. The Commission shall establish the procedure and standards for a course provider and a course to be accredited. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.08. Certification and accreditation fee schedule.

(a) The Commission shall establish fees for the items listed in the table below. A fee for an item may not exceed the maximum amount set in the table. The fees for examination and certification apply to each category in which a person is examined for certification or is certified.

Item	Maximum Fee
Examination for certification	$75
Certification as worker	50
Certification in any category other than worker	150
Course provider accreditation	150
Initial course accreditation	2,000
Renewal course accreditation	750.

(b) Use. — The fees imposed under this section are departmental receipts and shall be used by the Department to administer this Article.

(c) Exemptions. — The examination and certification fees imposed under this section do not apply to governmental regulatory personnel who perform inspections, risk assessments, or abatements solely for the purpose of determining compliance with applicable statutes or rules. The course provider fees imposed under this section do not apply to the State, a unit of local government, or a nonprofit entity. The course accreditation fees imposed under this section do not apply to a course offered by the State, a unit of local government, or a nonprofit entity. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.09. Abatement permits.

(a) Requirement. — No person shall conduct an abatement of target housing or a child-occupied facility unless the person has obtained a permit for the abatement from the Department. The Commission shall establish the procedure for obtaining a permit.

(b) Permit Fee. — An applicant for an abatement permit must pay an application fee to the Department. The fee is two percent (2%) of the contracted price for the corrective action to be performed in the abatement, not to exceed five hundred dollars ($500.00). The fee imposed under this section is a departmental receipt and shall be used by the Department to administer this Article.

(c) Exemption. — An individual who owns a single-family dwelling, conducts an abatement on the dwelling, and will reside in the dwelling after the abatement is completed is not required to obtain a permit to conduct the abatement, unless the dwelling is occupied by a person or persons other than the owner or the owner's immediate family while the abatement is being performed, or a child residing in the building has been identified as having an elevated blood lead level. If a permit is required, an individual who performs an abatement of a residential dwelling that the individual owns and occupies as a residence is not required to pay a fee for the permit. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.10. Standards to ensure elimination of hazards; consumer information.

(a) Standards. — The Commission shall establish standards to ensure that inspections, risk assessments, and abatements performed under this Article result in the elimination of lead-based paint hazards. An inspection, risk assessment, or abatement performed under this Article must be performed in accordance with these standards.

(b) Information. — The Department shall prepare a fact sheet on abatement for distribution to consumers. The sheet shall list the various measures for abatement of a child-occupied facility or target housing and give the relative cost of each measure. A person who is certified under this Article shall give a copy of the sheet to a person for whom the certified person performs an abatement. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.11. Commission to adopt rules.

The Commission shall adopt rules to implement this Article. (1997-523, s. 1.)

§ 130A-454: Reserved for future codification purposes.

ARTICLE 20.

Occupational Health.

§ 130A-455. Reportable diseases, illnesses, and injuries.

The Commission shall adopt rules establishing a list of serious and preventable occupational injuries that occur while working on a farm, and serious and preventable occupational diseases and illnesses to be reported to the Department. Occupational diseases and illnesses are defined as those diseases and illnesses which result from exposure to a health hazard in the workplace. The Commission shall adopt rules establishing the specific information to be submitted when making a report required by this Article, time limits for reporting, and the form of the report. The rules adopted by the Commission shall avoid duplication of reporting and minimize the cost to the physicians, medical facilities, laboratories, or other persons reporting under this act. (1993, c. 486, s. 1.)

§ 130A-456. Physicians to report.

A physician licensed to practice medicine in this State who treats a person for an occupational injury that occurred while working on a farm or an occupational disease, illness, declared by the Commission to be reportable, shall report the information required by the Commission to the Department. (1993, c. 486, s. 1.)

§ 130A-457. Medical facilities to report.

A medical facility in which there is a patient who has an occupational injury that occurred while working on a farm, or an occupational disease, illness, declared by the Commission to be reportable, may report information specified by the Commission to the Department. (1993, c. 486, s. 1.)

§ 130A-458. Persons in charge of laboratories to report.

A person in charge of a laboratory providing diagnostic service in this State shall report to the Department laboratory findings related to occupational diseases and illnesses for which laboratory reporting is required by the Commission. (1993, c. 486, s. 1; 2001-28, s. 3.)

§ 130A-459. Immunity of persons who report.

A person who in good faith makes a report pursuant to the provisions of this Article shall be immune from any civil liability that might otherwise be incurred or imposed as a result of making the report. (1993, c. 486, s. 1.)

§ 130A-460. Report to Department of Labor.

(a) Each report to the Department pursuant to the Article shall be evaluated for its potential indication of an exposure to a health hazard. If an on-site visit is deemed necessary, a copy of the report for work sites for which the Department of Labor has jurisdiction for the enforcement of occupational health laws shall be forwarded to the Department of Labor. The Department of Labor and the Department may exchange information regarding specific workplaces and conditions and such information shall retain the same confidentiality provided by the originating agency.

(b) If the Department of Labor determines that an on-site visit is necessary for enforcement purposes, the Department of Labor shall inform the Department within 30 days of the receipt of the report, and a representative of the Department may participate in the visit. The Department shall not contact or otherwise notify any employer of a pending investigation prior to the determination by the Department of Labor regarding the necessity of an on-site visit and shall not give advance notice of a visit if one is necessary.

(c) Subsection (b) shall not apply to inspections conducted for the Industrial Commission pursuant to G.S. 97-76 and shall not affect the allocation of responsibilities set forth in G.S. 74-24.4(c). (1993, c. 486, s. 1.)

§§ 130A-461 through 130A-464: Reserved for future codification purposes.

Article 21.

(2001-455, s. 1; 2001-513, s. 30(b).)

§ 130A-468. Filing of documents with the registry.

(a) When the Secretary of State receives a document that may be filed with the registry pursuant to this Article, the Secretary shall create a digital reproduction of that document and enter the reproduced document into the registry database. (c) When the Secretary of State receives a revocation of a document that is filed with the registry and that document's file number and password, the Secretary shall delete that document from the registry database.

(d) The Secretary of State's entry of a document into the registry database does not do any of the following:

(1) Affect the validity of the document in whole or in part.

(2) Relate to the accuracy of information contained in the document.

(3) Create a presumption regarding the validity of the document, regarding the accuracy of information contained in the document, or that the statutory requirements for the document have been met. (2001-455, s. 1; 2001-513, s. 30(b).)

§ 130A-469. Disclosure of information contained in the registry.

The registry shall be accessible only over the Internet. §§ 130A-472 through 130A-474: Reserved for future codification purposes.

Article 22.

A Terrorist Incident Using Nuclear, Biological, or Chemical Agents.

§ 130A-475. Suspected terrorist attack.

(a) If the State Health Director reasonably suspects that a public health threat may exist and that the threat may have been caused by a terrorist incident using nuclear, biological, or chemical agents, the State Health Director is authorized to order any of the following:

(1) Require any person or animal to submit to examinations and tests to determine possible exposure to the nuclear, biological, or chemical agents.

(2) Test any real or personal property necessary to determine the presence of nuclear, biological, or chemical agents.

(3) Evacuate or close any real property, including any building, structure, or land when necessary to investigate suspected contamination of the property. The period of closure during an investigation shall not exceed 10 calendar days. If the State Health Director determines that a longer period of closure is necessary to complete the investigation, the Director may institute an action in superior court to order the property to remain closed until the investigation is completed.

(4) Limit the freedom of movement or action of a person or animal that is contaminated with, or reasonably suspected of being contaminated with, a biological, chemical or nuclear agent that may be conveyed to other persons or animals.

(5) Limit access by any person or animal to an area or facility that is housing persons or animals whose movement or action has been limited under subdivision (4) of this subsection or to an area or facility that is contaminated with, or reasonably suspected of being contaminated with, a biological, chemical or nuclear agent that may be conveyed to other persons or animals. Nothing in this subdivision shall be construed to restrict the access of authorized health care, law

enforcement, or emergency medical services personnel to quarantine or isolation premises as necessary in conducting their duties.

(b) The authority under subsection (a) of this section shall be exercised only when and so long as a public health threat may exist, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists. Before applying the authority under subdivision (4) or (5) of subsection (a) of this section to livestock or poultry for the purpose of preventing the direct or indirect conveyance of a biological, chemical or nuclear agent to persons, the State Health Director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

The period of limited freedom of movement or access under subdivisions (4) and (5) of subsection (a) of this section shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute, in superior court in Wake County or in the county in which the limitation is imposed, an action to review the limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of the request, excluding Saturdays and Sundays. The person substantially affected by that limitation is entitled to be represented by counsel of the person's own choice or if the person is indigent, the person shall be represented by counsel appointed in accordance with Article 36 of Chapter 7A of the General Statutes and the rules adopted by the Office of Indigent Defense Services. The court shall reduce the limitation if it determines, by the preponderance of the evidence, that the limitation is not reasonably necessary to prevent or limit the conveyance of biological, chemical or nuclear agents to others, and may apply such conditions to the limitation as the court deems reasonable and necessary.

If the State Health Director determines that a 10-calendar-day limitation on freedom of movement or access is not adequate to protect the public health, the State Health Director must institute in superior court in the county in which the limitation is imposed, an action to obtain an order extending the period limiting the freedom of movement or access. If the person substantially affected by the limitation has already instituted an action in superior court in Wake County, the State Health Director must institute the action in superior court in Wake County. The court shall continue the limitation for a period not to exceed 30 days, subject to conditions it deems reasonable and necessary, if it determines by the preponderance of the evidence, that additional limitation is reasonably necessary to prevent or limit the conveyance of biological, chemical, or nuclear agents to others. Before the expiration of an order issued under this section, the State Health Director may move to continue the order for additional periods not to exceed 30 days each.

(c) If the State Health Director reasonably suspects that there exists a public health threat that may have been caused by a terrorist incident using nuclear, biological, or chemical agents, the State Health Director shall notify the Governor and the Secretary of Crime Control and Public Safety. If the Secretary of Crime Control and Public Safety reasonably suspects that a public health threat may exist and that the threat may have been caused by a terrorist incident using nuclear, biological, or chemical agents, the Secretary shall notify the Governor and the State Health Director.

(d) For the purpose of this Article, the term "public health threat" means a situation that is likely to cause an immediate risk to human life, an immediate risk of serious physical injury or illness, or an immediate risk of serious adverse health effects.

(e) Nothing in this section shall limit any authority otherwise granted to local or State public health officials under this Chapter. (2002-179, s. 1.)

§ 130A-476. Access to health information.

(a) Notwithstanding any other provision of law, a health care provider, a person in charge of a health care facility, or a unit of State or local government may report to the State Health Director or a local health director any events that may indicate the existence of a case or outbreak of an illness, condition, or health hazard that may have been caused by a terrorist incident using nuclear, biological, or chemical agents. Events that may be reported include unusual types or numbers of symptoms or illnesses presented to the provider, unusual trends in health care visits, or unusual trends in prescriptions or purchases of over-the-counter pharmaceuticals. To the extent practicable, a person who makes a report under this subsection shall not disclose personally identifiable information. A person disclosing or not disclosing information pursuant to this subsection is immune from any civil or criminal liability that might otherwise be incurred or imposed based on the disclosure or lack of disclosure provided that the health care provider was acting in good faith and without malice. In any proceeding involving liability, good faith and lack of malice are presumed. Notwithstanding the foregoing, if a health care provider or unit of State or local government willfully does not disclose information pursuant to this subsection, the immunity from civil or criminal liability provided under this subsection shall not be available if the person had actual knowledge that a condition or illness was caused by use of a nuclear, biological, or chemical weapon of mass destruction as defined in G.S. 14-288.21(c).

(b) The State Health Director may issue a temporary order requiring health care providers to report symptoms, diseases, conditions, trends in use of health care services, or other health-related information when necessary to conduct a public health investigation or surveillance of an illness, condition, or health hazard that may have been caused by a terrorist incident using nuclear, biological, or chemical agents. The order shall specify which health care providers must report, what information is to be reported, and the period of time for which reporting is required. The period of time for which reporting is required pursuant to a temporary order shall not exceed 90 days. The Commission may adopt rules to continue the reporting requirement when necessary to protect the public health.

(c) The State Health Director and a local health director may examine, review, and obtain a copy of records containing confidential or protected health information, or a summary of pertinent portions of those records, that pertain to a report authorized by subsection (a) or required by subsection (b) of this section.

(d) A person who makes a report pursuant to subsection (b) of this section or permits examination, review, or copying of medical records pursuant to subsection (c) of this section is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with those subsections.

(e) Confidential or protected health information received by the State Health Director or a local health director pursuant to this section shall be confidential and shall not be released, except when the release is:

(1) Made pursuant to any other provision of law;

(2) To another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat; or

(3) To a court or law enforcement official or law enforcement officer for the purpose of enforcing the provisions of this Chapter or for the purpose

of investigating a terrorist incident using nuclear, biological, or chemical agents. A court or law enforcement official or law enforcement officer who receives the information shall not disclose it further, except (i) when necessary to conduct an investigation of a terrorist incident using nuclear, biological, or chemical agents, or (ii) when the State Health Director or a local health director seeks the assistance of the court or law enforcement official or law enforcement officer in preventing or controlling the public health threat and expressly authorizes the disclosure as necessary for that purpose.

(f) The State Health Director shall develop a voluntary pilot program for hospitals and urgent care centers to provide emergency department data in order to assist the State Health Director with public health surveillance. A hospital or urgent care center that elects to participate in the program must provide all required emergency department data as a condition of participation in the program. Upon receipt of such data, the State Health Director shall remove from the entire data set the following direct identifiers of patients or of relatives, employers, or household members of patients: names; postal address information, other than town or city, state, and the first five digits of the zip code; geocode information; telephone numbers; fax numbers; electronic mail addresses; social security numbers; medical record numbers; health plan beneficiary numbers; account numbers; certificate or license numbers; vehicle identifiers and serial numbers, including license plate numbers; device identifiers and serial numbers; web universal resource locators (URLs); Internet protocol (IP) address numbers; biometric identifiers, including finger and voice prints; and full face photographic images and any comparable images.

(g) In this section the following terms shall include:

(1) "Health care provider" includes a physician licensed to practice medicine in North Carolina or a person who is licensed, certified, or credentialed to practice or provide health care services, including, but not limited to, pharmacists, dentists, physician assistants, registered nurses, licensed practical nurses, advanced practice nurses, chiropractors, respiratory care therapists, and emergency medical technicians; and

(2) "Health care facility" includes hospitals, skilled nursing facilities, intermediate care facilities, psychiatric facilities, rehabilitation facilities, home health agencies, ambulatory surgical facilities, or any other health care related facility, whether publicly or privately owned. (2002-179, s. 1.)

§ 130A-477. Abatement of public health threat.

If it is determined that a public health threat may exist because of the contamination of property caused by a terrorist incident using nuclear, biological, or chemical agents, the State Health Director may order any action to abate that public health threat. To the extent that any owner, lessee, operator, or other person in control of the property is innocent of culpability in the creation of the public health threat, that person shall not be responsible for the costs of abating the public health threat. (2002-179, s. 1.)

§ 130A-478. Tort liability.

Article 31 of Chapter 143 applies to negligent acts committed by any officer, employee, involuntary servant or agent of the State acting pursuant to this Article. (2002-179, s. 1.)

§ 131A-2. Legislative findings.

It is hereby declared to be the policy of the State of North Carolina to promote the public health and welfare by providing means for financing, refinancing, acquiring, constructing, equipping and providing of health care facilities to serve the people of the State and to make accessible to them modern and efficient health care facilities.

The General Assembly hereby finds and declares that:

(1) There is a need to overcome existing and anticipated physical and technical obsolescence of existing health care facilities and to provide additional modern and efficient health care facilities in the State; and

(2) Unless measures are adopted to alleviate such need, the shortage of such facilities will become increasingly more urgent and serious; and

The General Assembly hereby further finds and declares that the financing, refinancing, acquiring, constructing, equipping and providing of health care facilities are public uses and public purposes and that enactment of this Chapter is necessary and proper for effectuating the purposes hereof. Williams v. United States, 242 F.3d 169, 2001 U.S. App. LEXIS 3126 (4th Cir. 2001).

§ 131A-9. Construction contracts.

Contracts for the construction of any health care facilities on behalf of a public agency shall be awarded by the Commission in accordance with Article 8 of Chapter 143 of the General Statutes. If the Commission shall determine that the purposes of this Chapter will be more effectively served, the Commission in its discretion may award or cause to be awarded contracts for the construction of any health care facilities on behalf of a nonprofit agency upon a negotiated basis as determined by the Commission. The Commission shall prescribe such bid security requirements and other procedures in connection with the award of such contracts as in its judgment shall protect the public interest. The Commission may by written contract engage the services of the public or nonprofit agency in the construction of such health care facilities and may provide in such contract that such public or nonprofit agency, subject to such conditions and requirements consistent with the provisions of this Chapter as shall be prescribed in such contract, may act as an agent of, or an independent contractor for, the Commission for the performance of the functions described therein, including the acquisition of the site and other real property for such health care facilities, the preparation of plans, specifications and contract documents, the award of construction and other contracts upon a competitive or negotiated basis, the construction of such health care facilities directly by such public or nonprofit agency, the inspection and supervision of construction, the employment of engineers, architects, builders and other contractors and the provision of money to pay the cost thereof pending reimbursement by the Commission. Any such contract may provide that the Commission may, out of proceeds of bonds or notes, make advances to or reimburse the public or nonprofit agency for its costs incurred in the performance of such functions, and shall set forth the supporting documents required to be submitted to the Commission and the reviews, examinations and audits that shall be required in connection therewith to assure compliance with the provisions of this Chapter and such contract. (1975, c. 766, s. 1.)

§ 131A-10. Credit of State not pledged.

Bonds or notes issued under the provisions of this Chapter shall not be secured by a pledge of the faith and credit of the State or of any political subdivision thereof or be deemed to create an indebtedness of the State, or of any such political subdivision thereof, requiring any voter approval, but shall be payable solely from the revenues and other funds provided therefor. Each bond or note issued under this Chapter shall contain on the face thereof a statement to the effect that the Commission shall not be obligated to pay the same nor the interest thereon except from the revenues and other funds pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged as security for the payment of the principal of or the interest on such bond or note.

Expenses incurred by the Commission in carrying out the provisions of this Chapter may be made payable from funds provided pursuant to, or made available for use under, this Chapter and no liability shall be incurred by the Commission hereunder beyond the extent to which moneys shall have been so provided. (1975, c. 766, s. 1.)

§ 131A-11. Bonds and notes.

The Commission is hereby authorized to provide for the issuance, at one time or from time to time, of bonds, or notes in anticipation of the issuance of bonds, of the Commission to carry out and effectuate its corporate purposes. The

principal of and the interest on such bonds or notes shall be payable solely from funds provided under this Chapter for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or other funds provided therefor. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the Commission at such price or prices and upon such terms and conditions as may be determined by the Commission. Any such bonds or notes shall bear interest at such rate or rates as may be determined by the Local Government Commission of North Carolina with the approval of the Commission. Notes shall mature at such time or times not exceeding 10 years from their date or dates and bonds shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the Commission. The Commission shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The Commission may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the Commission may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. No bonds or notes may be issued by the Commission under this Chapter unless the issuance thereof is approved by the Local Government Commission of North Carolina.

The Commission shall file with the Secretary of the Local Government Commission an application requesting approval of the issuance of such bonds or notes which shall contain such information and have attached to it such documents concerning the proposed financing and prospective borrower, vendee or lessee as the Secretary may require.

In determining whether a proposed bond or note issue should be approved, the Local Government Commission may consider, in addition to the criteria and requirements mentioned in G.S. 131A-5, the effect of the proposed financing upon any scheduled or proposed sale of tax-exempt obligations by the State or any of its agencies or departments or by any unit of local government in the State.

The Local Government Commission shall approve the issuance of such bonds or notes if, upon the information and evidence it receives, it finds and determines that the proposed financing will effectuate the purposes of this Chapter.

Upon the filing with the Local Government Commission of a resolution of the Commission requesting that its bonds or notes be sold, such bonds or notes may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission shall determine to be for the best interests of the Commission and effectuate best the purposes of this Chapter, provided that such sale shall be approved by the Commission.

The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the Commission may provide in the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes.

Prior to the preparation of definitive bonds, the Commission may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds, when such bonds shall have been executed and are available for delivery. The Commission may also provide for the replacement of any bonds or notes which shall become mutilated or shall be destroyed or lost.

Bonds or notes may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this Chapter and the provisions of the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes. (1975, c. 766, s. 1; 1979, c. 54, s. 10.)

§ 131A-12. Trust agreement or resolution.

In the discretion of the Commission any bonds or notes issued under the provisions of this Chapter may be secured by a trust agreement by and between the Commission and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution authorizing the issuance of such bonds or notes may pledge or assign all or any part of the revenues of the Commission received pursuant to this Chapter, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any health care facilities and may mortgage any health care facilities. Such trust agreement or resolution may contain such provisions for protecting and enforcing the rights and remedies of the holders of any such bonds or notes as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Commission in relation to the purposes to which bond or note proceeds may be applied, the disposition or pledging of the revenues of the Commission, including any payments in respect of any federally guaranteed security or any federally insured mortgage note, the duties of the Commission with respect to the acquisition, construction, maintenance, repair and operation of any health care facilities, the fees, loan repayments, purchase price payments, rents and charges to be fixed and collected in connection therewith, the terms and conditions for the issuance of additional bonds or notes, and the custody, safeguarding and application of all moneys. All bonds issued under this Chapter shall be equally and ratably secured by a pledge, charge, and lien upon revenues provided for in such trust agreement or resolution, without priority by reason of number, or of dates of bonds, execution, or delivery, in accordance with the provisions of this Chapter and of such trust agreement or resolution; except that the Commission may provide in such trust agreement or resolution that bonds issued pursuant thereto shall to the extent and in the manner prescribed in such trust agreement or resolution be subordinated and junior in standing, with respect to the payment of principal and interest and the security thereof, to any other bonds. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or notes, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Commission. Any such trust agreement or resolution may set off the rights and remedies, including foreclosure of any mortgage, of the holders of any bonds or notes and of the trustee, and may restrict the individual right of action by any such holders. In addition to the foregoing, any such trust agreement or resolution may contain

such other provisions as the Commission may deem reasonable and proper for the security of the holders of any bonds or notes. Expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of any health care facilities or paid from the revenues pledged or assigned to the payment of the principal of and the interest on bonds or notes or from any other funds available to the Commission. (1975, c. 766, s. 1; 1979, c. 54, s. 11.)

§ 131A-13. Revenues; pledges of revenues.

(a) The Commission is hereby authorized to fix and to collect fees, loan repayments, purchase price payments, rents and charges for the use of any health care facilities, and any part or section thereof, and to contract with any public or nonprofit agency for the use thereof. The Commission may require that the public or nonprofit agency shall operate, repair or maintain such facilities and shall bear the cost thereof and other costs of the Commission in connection therewith, subject to the provisions of G.S. 131A-8 with respect to a public agency, as may be provided in the agreement of sale or lease or other contract with the Commission, in addition to other obligations imposed under such agreement or contract.

(b) The fees, purchase price payments, rents and charges shall be fixed so as to provide a fund sufficient, with such other funds as may be made available therefor, (i) to pay the costs of operating, repairing and maintaining the health care facilities, to the extent that adequate provision for the payment of such costs has not otherwise been provided for, (ii) to pay the principal of and the interest on all bonds or notes as the same shall become due and payable and (iii) to create and maintain any reserves provided for in the resolution authorizing the issuance of, or any trust agreement securing, such bonds; and such fees, purchase price payments, rents and charges may be applied or pledged to the payment of debt service on the bonds prior to the payment of the costs of operating, repairing and maintaining the health care facilities.

(c) All pledges of fees, loan repayments, purchase price payments, rents, charges and other revenues under the provisions of this Chapter shall be valid and binding from the time when such pledges are made. All such revenues so pledged and thereafter received by the Commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Commission, irrespective of whether such parties have notice thereof. The resolution or any trust agreement by which a pledge is created or any loan agreement, agreement of sale or lease need not be filed or recorded except in the records of the Commission.

(d) The State of North Carolina does pledge to and agree with the holders of any bonds or notes issued by the Commission that so long as any of such bonds or notes are outstanding and unpaid the State will not limit or alter the rights vested in the Commission at the time of issuance of the bonds or notes to fix, revise, charge, and collect or cause to be fixed, revised, charged and collected loan repayments, purchase price payments, rents, fees and charges for the use of or services rendered by any health care facilities in connection with which the bonds or notes were issued, so as to provide a fund sufficient, with such other funds as may be made available therefor, to pay the costs of operating, repairing and maintaining the health care facilities, to pay the principal of and the interest on all bonds and notes as the same shall become due and payable and to create and maintain any reserves provided therefor and to fulfill the terms of any agreements made with the bondholders or noteholders, nor will the State in any way impair the rights and remedies of the bondholders or

noteholders until the bonds or notes and all costs and expenses in connection with any action or proceedings by or on behalf of the bondholders or noteholders, are fully paid, met and discharged. (1975, c. 766, s. 1; 1979, c. 54, s. 12.)

§ 131A-14. Trust funds.

Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to the authority of this Chapter, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any health care facilities, shall be deemed to be trust funds to be held and applied solely as provided in this Chapter. The resolution authorizing the issuance of, or any trust agreement securing, any bonds or notes may provide that any of such moneys may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes of this Chapter, subject to such regulations as this Chapter and such resolution or trust agreement may provide. Any such moneys may be invested as provided in G.S. 159-30, as it may be amended from time to time. (1975, c. 766, s. 1; 1979, c. 54, s. 13.)

§ 131A-15. Remedies.

Any holder of bonds or notes issued under the provisions of this Chapter or any coupons appertaining thereto, and the trustee under any trust agreement or resolution authorizing the issuance of such bonds or notes, except to the extent the rights herein given may be restricted by such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, or under any other contract executed by the Commission pursuant to this Chapter, and may enforce and compel the performance of all duties required by this Chapter or by such trust agreement or resolution to be performed by the Commission or by any officer thereof. (1975, c. 766, s. 1.)

CASE NOTES

This provision does not authorize a private enforcement action against a hospital that has discriminated in violation of G.S. 131A-8, although it does permit "any holder of bonds or notes issued under the provisions of this Chapter" to bring suit to enforce his contractual rights under the bond. Williams v. United States, 242 F.3d 169, 2001 U.S. App. LEXIS 3126 (4th Cir. 2001).

§ 131A-16. Negotiable instruments.

All bonds and interest coupons appertaining thereto issued under this Chapter are hereby made investment securities within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code as enacted in this State, whether or not they are of such form and character as to be investment securities under said Article 8, subject only to the provisions of the bonds pertaining to registration. (1975, c. 766, s. 1.)

§ 131A-17. Bonds or notes eligible for investment.

Bonds or notes issued under the provisions of this Chapter are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds or notes are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds, notes or obligations of the State is now or may hereafter be authorized by law. (1975, c. 766, s. 1.)

§ 131A-18. Refunding bonds or notes.

The Commission is hereby authorized to provide for the issuance of refunding bonds or notes for the purpose of refunding any bonds or notes then outstanding which shall have been issued under the provisions of this Chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds or notes and, if deemed advisable by the Commission, for any corporate purpose of the Commission, including, without limitation:

(1) Constructing improvements, additions, extensions or enlargements of the health care facilities in connection with which the bonds or notes to be refunded shall have been issued, and

(2) Paying all or any part of the cost of any additional health care facilities.

The issuance of such bonds or notes, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Commission in respect of the same shall be governed by the provisions of this Chapter which relate to the issuance of bonds or notes, insofar as such provisions may be appropriate therefor.

Refunding bonds or notes may be sold or exchanged for outstanding bonds or notes issued under this Chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such refunding bonds or notes, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the bonds or notes being refunded, and, if so provided or permitted in the resolution authorizing the issuance of, or in the trust agreement securing, such bonds or notes, to the payment of any interest on such refunding bonds or notes and any expenses in connection with such refunding, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holders thereof, at the option of such holders, not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended. (1975, c. 766, s. 1.)

§ 131A-19. Annual report.

The Commission shall, promptly following the close of each fiscal year, submit an annual report of its activities under this Chapter for the preceding year to the Governor, the State Auditor, the Secretary of Health and Human Services, the General Assembly, the Advisory Budget Commission and the Local Government Commission. The Commission shall cause an audit of its

books and accounts relating to its activities under this Chapter to be made at least once in each year by an independent certified public accountant and the cost thereof may be paid from any available moneys of the Commission. (1975, c. 766, s. 1; 1997-443, s. 11A.118(a).)

§ 131A-20. Officers not liable.

No member or officer of the Commission shall be subject to any personal liability or accountability by reason of his execution of any bonds or notes or the issuance thereof. (1975, c. 766, s. 1.)

§ 131A-21. Tax exemption.

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State and will promote their health and welfare. If bonds or notes are issued by the Commission to provide or improve a health care facility, then until the bonds or notes are retired, the facility for which bonds or notes are issued is exempt from property taxes to the extent provided in this section. If refunding bonds or notes are issued to refund bonds or notes issued to provide or improve a health care facility, the facility will continue to be exempt from property taxes as provided in this section until such time as the refunding bonds or notes are retired, provided that the final maturity of the refunding bonds or notes does not extend beyond the final maturity of the original bonds or notes.

Property may be exempt from property taxes as provided in this section if a timely application for the exemption is filed with the assessor of the county in which the property is located as required under G.S. 105-282.1. The property tax exemption under this section shall not exceed the lesser of the original principal amount of the bonds or notes or the assessed value for ad valorem tax purposes of the facility. If bonds or notes are issued to finance more than one health care facility, only that portion of the principal amount of the bonds or notes used to provide or improve the particular facility, including any allocable reserves and financing costs, may be considered for the purpose of determining the amount of the exemption allowable under this section. The exemption authorized by this section shall begin with the first full tax year of the taxpayer following the issuance of the bonds and notes. This section does not affect a health care facility's eligibility for a property tax exemption under Subchapter II of Chapter 105 of the General Statutes.

Any bonds or notes issued by the Commission under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance, estate, or gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income. (1975, c. 766, s. 1; 1995, c. 46, s. 12; 2000-20, s. 1; 2001-139, s. 10.)

§ 131A-22. Conflict of interest.

If any member, officer or employee of the Commission shall be interested either directly or indirectly, or shall be an officer or employee of or have an ownership interest in any firm or corporation interested directly or indirectly, in any contract with the Commission, such interest shall be disclosed to the Commission and shall be set forth in the minutes of the Commission, and the member, officer or employee having such interest therein shall not participate on behalf of the Commission in the authorization of any such contract. (1975, c. 766, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Purchase of Revenue Bonds by Commission Members. — Although this section does not prohibit the purchase by Commission members of revenue bonds issued by the Commission, it is recommended that Commission members refrain from such purchases to avoid the appearance of impropriety and possible criminal penalty under G.S. 14-234. See opinion of Attorney General to Mr. I.O. Wilkerson, Department of Human Resources, 46 N.C.A.G. 219 (1977).

§ 131A-23. Additional method.

The foregoing sections of this Chapter shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of bonds or notes under the provisions of this Chapter need not comply with the requirements of any other law applicable to the issuance of bonds or notes. (1975, c. 766, s. 1.)

§ 131A-24. Liberal construction.

This Chapter, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect the purposes thereof. (1975, c. 766, s. 1.)

§ 131A-25. Inconsistent laws inapplicable.

Insofar as the provisions of this Chapter are inconsistent with the provisions of any general or special laws, or parts thereof, the provisions of this Chapter shall be controlling. (1975, c. 766, s. 1.)

§ 131D-2. Licensing of adult care homes for the aged and disabled.

(a) The following definitions will apply in the interpretation of this section:

(1) "Abuse" means the willful or grossly negligent infliction of physical pain, injury or mental anguish, unreasonable confinement, or the willful or grossly negligent deprivation by the administrator or staff of an adult care home of services which are necessary to maintain mental and physical health.

(1a) "Administrator" means a person approved by the Department of Health and Human Services who has the responsibility for the total operation of a licensed domiciliary home.

(1b) "Adult care home" is an assisted living residence in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or, for scheduled needs, through formal written agreement with licensed home care or hospice agencies. Some licensed adult care homes provide supervision to persons with cognitive impairments whose decisions, if made independently, may jeopardize the safety or well-being of themselves or others and therefore require supervision. Medication in an adult care home may be administered by designated, trained staff. Adult care homes that provide care to two to six unrelated residents are commonly called family care homes.

(1c) "Amenities" means services such as meals, housekeeping, transportation, and grocery shopping that do not involve hands-on personal care.

(1d) "Assisted living residence" means any group housing and services program for two or more unrelated adults, by whatever name it is called, that makes available, at a minimum, one meal a day and

housekeeping services and provides personal care services directly or through a formal written agreement with one or more licensed home care or hospice agencies. The Department may allow nursing service exceptions on a case-by-case basis. Settings in which services are delivered may include self-contained apartment units or single or shared room units with private or area baths. Assisted living residences are to be distinguished from nursing homes subject to provisions of G.S. 131E-102. Effective October 1, 1995, there are two types of assisted living residences: adult care homes and group homes for developmentally disabled adults. Effective July 1, 1996, there is a third type, multiunit assisted housing with services.

(1e) "Compensatory agent" means a spouse, relative, or other caretaker who lives with a resident and provides care to a resident.

(1f) "Department" means the Department of Health and Human Services unless some other meaning is clearly indicated from the context.

(2) Repealed by Session Laws 2001-209, s. 1(a), effective June 15, 2001.

(3) Repealed by Session Laws 1995, c. 535, s. 8.

(4) "Exploitation" means the illegal or improper use of an aged or disabled resident or his resources for another's profit or advantage.

(5) "Family care home" means an adult care home having two to six residents. The structure of a family care home may be no more than two stories high and none of the aged or physically disabled persons being served there may be housed in the upper story without provision for two direct exterior ground-level accesses to the upper story.

(6) Repealed by Session Laws 2001-209, s. 1(b), effective June 15, 2001.

(7) Repealed by Session Laws 1995, c. 535, s. 8.

(7a) Effective July 1, 1996, "multiunit assisted housing with services" means an assisted living residence in which hands-on personal care services and nursing services which are arranged by housing management are provided by a licensed home care or hospice agency, through an individualized written care plan. The housing management has a financial interest or financial affiliation or formal written agreement which makes personal care services accessible and available through at least one licensed home care or hospice agency. The resident has a choice of any provider, and the housing management may not combine charges for housing and personal care services. All residents, or their compensatory agents, must be capable, through informed consent, of entering into a contract and must not be in need of 24-hour supervision. Assistance with self-administration of medications may be provided by appropriately trained staff when delegated by a licensed nurse according to the home care agency's established plan of care. Multiunit assisted housing with services programs are required to register with the Division of Facility Services and to provide a disclosure statement. The disclosure statement is required to be a part of the annual rental contract that includes a description of the following requirements:

a. Emergency response system;
b. Charges for services offered;
c. Limitations of tenancy;
d. Limitations of services;
e. Resident responsibilities;
f. Financial/legal relationship between housing management and home care or hospice agencies;
g. A listing of all home care or hospice agencies and other community services in the area;
h. An appeals process; and

i. Procedures for required initial and annual resident screening and referrals for services.

Continuing care retirement communities, subject to regulation by the Department of Insurance under Chapter 58 of the General Statutes, are exempt from the regulatory requirements for multiunit assisted housing with services programs.

(8) "Neglect" means the failure to provide the services necessary to maintain a resident's physical or mental health.

(b) Licensure; inspections. —

(1) The Department of Health and Human Services shall inspect and license, under rules adopted by the Medical Care Commission, all adult care homes for persons who are aged or mentally or physically disabled except those exempt in subsection (c) of this section. Licenses issued under the authority of this section shall be valid for one year from the date of issuance unless revoked earlier by the Secretary for failure to comply with any part of this section or any rules adopted hereunder. Licenses shall be renewed annually upon filing and the Department's approval of the renewal application. The Department shall charge each adult care home with six or fewer beds a nonrefundable annual license fee in the amount of one hundred twenty-five dollars ($125.00). The Department shall charge each adult care home with more than six beds a nonrefundable annual license fee in the amount of one hundred seventy-five dollars ($175.00) plus a nonrefundable annual per-bed fee of six dollars and twenty-five cents ($6.25). A license shall not be renewed if outstanding fees, fines, and penalties imposed by the State against the home have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration. The renewal application shall contain all necessary and reasonable information that the Department may by rule require. Except as otherwise provided in this subdivision, the Department may amend a license by reducing it from a full license to a provisional license for a period of not more than 90 days whenever the Department finds that:

a. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles;

b. There is a reasonable probability that the licensee can remedy the licensure deficiencies within a reasonable length of time; and

c. There is a reasonable probability that the licensee will be able thereafter to remain in compliance with the licensure rules for the foreseeable future.

The Department may extend a provisional license for not more than one additional 90-day period upon finding that the licensee has made substantial progress toward remedying the licensure deficiencies that caused the license to be reduced to provisional status.

The Department may revoke a license whenever:

a. The Department finds that:

1. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles; and
2. It is not reasonably probable that the licensee can remedy the licensure deficiencies within a reasonable length of time; or

b. The Department finds that:
1. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles; and
2. Although the licensee may be able to remedy the deficiencies within a reasonable time, it is not reasonably probable that the licensee will be able to remain in compliance with licensure rules for the foreseeable future; or

c. The Department finds that the licensee has failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles, and the failure to comply endangered the health, safety, or welfare of the patients in the facility.

The Department may also issue a provisional license to a facility, pursuant to rules adopted by the Medical Care Commission, for substantial failure to comply with the provisions of this section or rules adopted pursuant to this section. Any facility wishing to contest the issuance of a provisional license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails written notice of the issuance of the provisional license.

(1a) In addition to the licensing and inspection requirements mandated by subdivision (1) of this subsection, the Department shall ensure that adult care homes required to be licensed by this Article are monitored for licensure compliance on a regular basis. In carrying out this requirement, the Department shall work with county departments of social services to do the routine monitoring and to have the Division of Facility Services oversee this monitoring and perform any follow-up inspection called for. The Department shall monitor regularly the enforcement of rules pertaining to air circulation, ventilation, and room temperature in resident living quarters. These rules shall include the requirement that air conditioning or at least one fan per resident bedroom and living and dining areas be provided when the temperature in the main center corridor exceeds 80 degrees Fahrenheit. The Department shall also keep an up-to-date directory of all persons who are administrators as defined in subdivision (1a) of subsection (a) of this section.

(1b) No new license shall be issued for any adult care home to an applicant for licensure who:

a. Was the owner, principal, or affiliate of a licensable facility under Chapter 122C, Chapter 131D, or Article 7 of Chapter 110 that had its license revoked until one full year after the date of revocation;

b. Is the owner, principal, or affiliate of an adult care home that was assessed a penalty for a Type A or Type B violation until the earlier of one year from the date the penalty was assessed or until the home has substantially complied with the correction plan established pursuant to G.S. 131D-34 and substantial compliance has been certified by the Department; or

c. Is the owner, principal, or affiliate of an adult care home that had its license summarily suspended or downgraded to provisional status as a result of Type A or B violations until six months from the date of reinstatement of the license, restoration from provisional to full licensure, or termination of the provisional license, as applicable.

d. Is the owner, principal, or affiliate of a licensable facility that had its license summarily suspended or downgraded to provisional status as a result of violations under Chapter 122C, or Article 1 of Chapter 131D, or had its license summarily suspended or denied under Article 7 of Chapter 110 until six months from the date of the reinstatement of the license, restoration from provisional to full licensure, or termination of the provisional license, as applicable.

An applicant for new licensure may appeal a denial of certification of substantial compliance under subparagraph b. of this subdivision by filing with the Department a request for review by the Secretary within 10 days of the date of denial of the certification. Within 10 days of receipt of the request for review the Secretary shall issue to the applicant a written determination that either denies certification of substantial compliance or certifies substantial compliance. The decision of the Secretary is final.

(2) Any individual or corporation that establishes, conducts, manages, or operates a facility subject to licensure under this section without a license is guilty of a Class 3 misdemeanor, and upon conviction shall be punishable only by a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(3) In addition, the Department may summarily suspend a license pursuant to G.S. 150B-3(c) whenever it finds substantial evidence of abuse, neglect, exploitation or any condition which presents an imminent danger to the health and safety of any resident of the home. Any facility wishing to contest summary suspension of a license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 20 days after the Department mails a notice of summary suspension to the licensee.

(4) Notwithstanding G.S. 8-53 or any other law relating to confidentiality of communications between physician and patient, in the course of an inspection conducted under subsection (b):

a. Department representatives may review any writing or other record concerning the admission, discharge, medication, care, medical condition, or history of any person who is or has been a resident of the facility being inspected, and

b. Any person involved in giving care or treatment at or through the facility may disclose information to Department representatives;

unless the resident objects in writing to review of his records or disclosure of such information.

The facility, its employees and any other person interviewed in the course of an inspection shall be immune from liability for damages resulting from disclosure of any information to the Department.

The Department shall not disclose:

a. Any confidential or privileged information obtained under this subsection unless the resident or his legal representative authorizes disclosure in writing or unless a court of competent jurisdiction orders disclosure, or

b. The name of anyone who has furnished information concerning a facility without that person's consent.

The Department shall institute appropriate policies and procedures to ensure that unauthorized disclosure does not occur. All confidential or privileged information obtained under this section and the names of persons providing such information shall be exempt from Chapter 132 of the General Statutes.

(5) Notwithstanding any law to the contrary, Chapter 132 of the General Statutes, the Public Records Law, applies to all records of the State Division of Social Services of the Department of Health and Human Services and of any county department of social services regarding inspections of domiciliary care facilities except for information in the records that is confidential or privileged, including medical records, or that contains the names of residents or complainants.

(6) Prior to issuing a new license or renewing an existing license, the Department shall conduct a compliance history review of the facility and its principals and affiliates. The Department may refuse to license a facility when the compliance history review shows a pattern of noncompliance with State law by the facility or its principals or affiliates, or otherwise demonstrates disregard for the health, safety, and welfare of residents in current or past facilities. The Department shall require compliance history information and make its determination according to rules adopted by the Medical Care Commission.

(c) The following are excluded from the provisions of this section and are not required to be registered or obtain licensure under this section:

(1) Facilities licensed under Chapter 122C or Chapter 131E of the General Statutes;

(2) Persons subject to rules of the Division of Vocational Rehabilitation Services;

(3) Facilities that care for no more than four persons, all of whom are under the supervision of the United States Veterans Administration;

(4) Facilities that make no charges for housing, amenities, or personal care service, either directly or indirectly; and

(5) Institutions that are maintained or operated by a unit of government and that were established, maintained, or operated by a unit of government and exempt from licensure by the Department on September 30, 1995.

(c1) Although the contract obligation still remains to pay the housing management for any services covered by the contract between the resident and housing management, the resident of an assisted living facility has the right to obtain services not at the expense of the housing management, from providers other than the housing management.

(c2) The Medical Care Commission shall adopt rules necessary to carry out this section. The Commission has the authority, in adopting rules, to specify the limitation of nursing services provided by assisted living residences. In developing rules, the Commission shall consider the need to ensure comparable quality of services provided to residents, whether these services are provided directly by a licensed assisted living provider, licensed home care agency, or hospice. In adult care homes, living arrangements where residents require supervision due to cognitive impairments, rules shall be promulgated to ensure that supervision is appropriate and adequate to meet the special needs of these residents.

(c3) Nothing in this section shall be construed to supersede any federal or State antitrust, antikickback, or safe harbor laws or regulations.

(c4) Housing programs for two or more unrelated adults that target their services to elderly or disabled persons in which the only services provided by

the housing management, either directly or through an agreement or other arrangements, are amenities that include, at a minimum, one meal a day and housekeeping services, are exempt from licensure, but are required to be listed with the Division of Aging, providing information on their location and number of units operated. This type of housing is not considered assisted living.

(d) Repealed by Session Laws 1995, c. 535, s. 8.

(e) The Department shall ensure that facilities conduct and complete an assessment of each resident within seventy-two hours of admitting the resident and annually thereafter. In conducting the assessment, the facility shall use an assessment instrument approved by the Secretary upon the advice of the Director of the Division of Aging. The Department shall provide ongoing training for facility personnel in the use of the approved assessment instrument.

The facility shall use the assessment to develop appropriate and comprehensive service plans and care plans and to determine the level and type of facility staff that is needed to meet the needs of residents. The assessment shall determine a resident's level of functioning and shall include, but not be limited to, cognitive status and physical functioning in activities of daily living. Activities of daily living are personal functions essential for the health and well-being of the resident. The assessment shall not serve as the basis for medical care. The assessment shall indicate if the resident requires referral to the resident's physician or other appropriate licensed health care professional or community resource.

The Department as part of its inspection and licensing of adult care homes shall review assessments and related service plans and care plans for a selected number of residents. In conducting this review, the Department shall determine:

(1) Whether the appropriate assessment instrument was administered and interpreted correctly;
(2) Whether the facility is capable of providing the necessary services;
(3) Whether the service plan or care plan conforms to the results of an appropriately administered and interpreted assessment; and
(4) Whether the service plans or care plans are being implemented fully and in accordance with an appropriately administered and interpreted assessment.

If the Department finds that the facility is not carrying out its assessment responsibilities in accordance with this section, the Department shall notify the facility and require the facility to implement a corrective action plan. The Department shall also notify the resident of the results of its review of the assessment, service plans, and care plans developed for the resident. In addition to administrative penalties, the Secretary may suspend the admission of any new residents to the facility. The suspension shall be for the period determined by the Secretary and shall remain in effect until the Secretary is satisfied that conditions or circumstances merit removing the suspension.

(f) If any provisions of this section or the application of it to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(g) In order for an adult care home to maintain its license, it shall not hinder or interfere with the proper performance of duty of a lawfully appointed community advisory committee, as defined by G.S. 131D-31 and G.S. 131D-32.

(h) Suspension of admissions to adult care home:

(1) In addition to the administrative penalties described in subsection (b), the Secretary may suspend the admission of any new residents to an adult care home, where the conditions of the adult care home are

detrimental to the health or safety of the residents. This suspension shall be for the period determined by the Secretary and shall remain in effect until the Secretary is satisfied that conditions or circumstances merit removing the suspension.

(2) In imposing a suspension under this subsection, the Secretary shall consider the following factors:
   a. The degree of sanctions necessary to ensure compliance with this section and rules adopted hereunder; and
   b. The character and degree of impact of the conditions at the home on the health or safety of its residents.

(3) The Secretary of Health and Human Services shall adopt rules to implement this subsection.

(4) Any facility wishing to contest a suspension of admissions shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 20 days after the Department mails a notice of suspension of admissions to the licensee.

(i) Notwithstanding the existence or pursuit of any other remedy, the Department of Health and Human Services may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management or operation of an adult care home without a license. Such action shall be instituted in the superior court of the county in which any unlicensed activity has occurred or is occurring.

If any person shall hinder the proper performance of duty of the Secretary or his representative in carrying out this section, the Secretary may institute an action in the superior court of the county in which the hindrance has occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

Actions under this subsection shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. Editor's Note. — The section was amended by Session Laws 1999-113, s. 1, and by Session Laws 1999-334, s. 1.7, in the coded bill drafting format provided by G.S. 120-20.1. Session Laws 1999-334, s. 1.7 substituted "adult care" for "domiciliary" twice in the former third sentence of the introductory language of subdivision (b)(1). The amendment by Session Laws 1999-113, s. 1, deleted the former third sentence of the introductory language of subdivision (b)(1). Session Laws 2000-140, s. 30, attempted to correct the coded bill drafting problem, but left extraneous language at the end of the second sentence in the subdivision. Subsequently, Session Laws 2001-487, s. 31 corrected the sentence.

The subsection (a)(1c), (a)(1d) and (a)(1e) designations were assigned by the Revisor of Statutes, the designations in Session Laws 1995, c. 535, s. 8, having been (a)(1b), (a)(1c) and (a)(1d), respectively.

"(1) Except as otherwise provided in this section [s. 2 of Session Laws 2001-209], comply with licensure requirements of Article 2 of Chapter 122C of the General Statutes;

"(2) Within 12 months of the effective date of this act [June 15, 2001], comply with building code requirements for smoke detectors;

"(3) Comply either with categories of existing rules applicable to group homes for developmentally disabled adults adopted under Article 1 of Chapter 131D of the General Statutes, or with categories of existing rules applicable under G.S. 122C-3(14)e., at the option of the supervised living facility; and

"(4) Be subject to adverse action on a license under G.S. 122C-24 for failure to comply with applicable statutes or rules.

"A group home for developmentally disabled adults licensed under Article 1 of Chapter 131D of the General Statutes and transferred to licensure under G.S. 122C-3(14)e. shall be deemed to have met the building code requirements for licensure as a supervised living facility.

The Department shall report its findings and recommendations to the North Carolina Study Commission on Aging not later than March 1, 2002.

Session Laws 2001-482, ss. 1 and 2, effective December 6, 2001, provide: "1. § 131D-4.1. Adult care homes; legislative intent.

The General Assembly finds and declares that the ability to exercise personal control over one's life is fundamental to human dignity and quality of life and that dependence on others for some assistance with daily life activities should not require surrendering personal control of informed decision making or risk taking in all areas of one's life.

The General Assembly intends to ensure that adult care homes provide services that assist the residents in such a way as to assure quality of life and maximum flexibility in meeting individual needs and preserving individual autonomy. (1995, c. 449, s. 3; c. 535, s. 9.)

Editor's Note. — The preamble to Session Laws 2001-157 reads as follows: "Whereas, the number of individuals diagnosed with Alzheimer's disease or related dementia and mental health disabilities is increasing; and

"Whereas, family members must often seek out-of-home care for these individuals in special care units; and

"Whereas, separate licensure and operational policies are required for special care units that advertise themselves as such; and

"Whereas, current reimbursement systems do not adequately address the total cost of care being provided for persons diagnosed with Alzheimer's disease or related dementia or mental health disabilities in licensed adult care home special care units, and this inadequacy creates a barrier to access for the public assistance population; Now, therefore,"

Session Laws 2001-157, s. 2, provides: "Based upon the data obtained from cost reports, the Department of Health and Human Services shall develop a designated reimbursement system for residents residing in special care units in adult care homes taking into account the costs determined and funding available from both State/County Special Assistance and Medicaid payments. The Department shall not implement the designated reimbursement system until the General Assembly has reviewed the system pursuant to Section 3 of this act."

Session Laws 2001-157, s. 3, provides: "Not later than May 1, 2002, the Department of Health and Human Services shall report to the General Assembly on the development of cost reports and designated reimbursement systems required under this act. The Department shall provide a copy of the report to the House of Representatives and Senate appropriations committees on health and human services and to the Fiscal Research Division of the Legislative Services Office."

Session Laws 2001-424, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2001'."

Session Laws 2001-424, s. 36.5, is a severability clause.

Effect of Amendments. — Session Laws 2001-424, s. 12.2(b), effective July 1, 2001, substituted "Office of State Budget and Management" for "Office of State Budget, Planning, and Management" in subsection (h).

§ 131D-4.3. Adult care home rules.

(a) Pursuant to G.S. 143B-165, the North Carolina Medical Care Commission shall adopt rules to ensure at a minimum, but shall not be limited to, the provision of the following by adult care homes:

(1) Repealed by Session Laws 2000-111, s. 1.

(2) A minimum of 75 hours of training for personal care aides performing heavy care tasks and a minimum of 40 hours of training for all personal care aides. The training for aides providing heavy care tasks shall be comparable to State-approved Certified Nurse Aide I training. For those aides meeting the 40-hour requirement, at least 20 hours shall be classroom training to include at a minimum:

a. Basic nursing skills;

b. Personal care skills;

c. Cognitive, behavioral, and social care;

d. Basic restorative services;

e. Residents' rights.

A minimum of 20 hours of training shall be provided for aides in family care homes that do not have heavy care residents. Persons who either pass a competency examination developed by the Department of Health and Human Services, have been employed as personal care aides for a period of time as established by the Department, or meet minimum requirements of a combination of training, testing, and experience as established by the Department shall be exempt from the training requirements of this subdivision;

(3) Monitoring and supervision of residents;

(4) Oversight and quality of care as stated in G.S. 131D-4.1; and

(5) Adult care homes shall comply with all of the following staffing requirements:

b. Second shift (afternoon): 0.4 hours of aide duty for each resident (licensed capacity or resident census), or 8.0 hours of aide duty per each 20 residents plus 3.0 hours for all other residents (licensed capacity or resident census), whichever is greater;

c. Third shift (evening): 8.0 hours of aide duty per 30 or fewer residents (licensed capacity or resident census).

In addition to these requirements, the facility shall provide staff to meet the needs of the facility's heavy care residents equal to the amount of time reimbursed by Medicaid. As used in this subdivision, the term "heavy care resident" means an individual residing in an adult care home who is defined "heavy care" by Medicaid and for which the facility is receiving enhanced Medicaid payments for such needs. Each facility shall post in a conspicuous place information about required staffing that enables residents and their families to ascertain each day the number of direct care staff and supervisors that are required by law to be on duty for each shift for that day.

(b) Rules to implement this section shall be adopted as emergency rules in accordance with Chapter 150B of the General Statutes.

(c) The Department may suspend or revoke a facility's license, subject to the provisions of Chapter 150B, to enforce compliance by a facility with this section or to punish noncompliance. The assessment shall be conducted by the State or local government. The instrument shall address discreet areas of care, services, and physical plant amenities and conditions. The Department shall consult with industry representatives, advocacy and research organizations, and consumers in developing the assessment instrument.

"2. The Department of Health and Human Services shall report on the development of the assessment instrument to the North Carolina Study Commission on Aging on or before April 1, 2002. One of the programs that permits adults to remain in their residences and with their families is adult day care.

(9) Additional costs and fees to the participant for special care.

(b2) As part of its certification renewal procedures and inspections, the Department shall examine for accuracy the written disclosure of each adult day care program subject to this section. Substantial changes to written disclosures shall be reported to the Department at the time the change is made.

(b3) Nothing in this section shall be construed as prohibiting an adult day care program that does not advertise, market, or otherwise promote itself as providing special care services for persons with Alzheimer's disease or other dementias from providing adult day care services to persons with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition.

The emergency management agency requesting temporary shelter or temporary services shall notify the Division within 72 hours of the time the preapproved waivers are deemed by the emergency management agency to apply.

(b) As used in this section, "emergency management agency" is as defined in G.S. 166A-4(2). (1999-307, s. 2.)

§ 131D-10.3A. Mandatory criminal checks.

(a) Effective January 1, 1996, in order to ensure the safety and well-being of any child placed for foster care in a home, the Department shall ensure that the criminal histories of all foster parents, individuals applying for licensure as foster parents, and individuals 18 years of age or older who reside in a family foster home, are checked and, based on the criminal history check, a determination is made as to whether the foster parents, and other individuals required to be checked, are fit for a foster child to reside with them in the home. The Department shall ensure that, as of the effective date of this Article, all individuals required to be checked are checked for county, state, and federal criminal histories.

(b) The Department shall ensure that all individuals who are required to be checked pursuant to subsection (a) of this section are checked upon relicensure for county and State criminal histories.

(c) The Department may prohibit an individual from providing foster care by denying or revoking the license to provide foster care if the Department determines that the safety and well-being of a child placed in the home for foster care would be at risk based on the criminal history of the individuals required to be checked pursuant to subsection (a) of this section.

(d) The Department of Justice shall provide to the Department the criminal history of the individuals specified in subsection (a) of this section obtained from the State and National Repositories of Criminal Histories as requested by the Department. The Department shall provide to the Department of Justice, along with the request, the fingerprints of the individual to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories

signed by the individual to be checked. The fingerprints of the individual to be checked shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

(e) At the time of application, the individual whose criminal history is to be checked shall be furnished with a statement substantially similar to the following:

"NOTICE

MANDATORY CRIMINAL HISTORY CHECK

NORTH CAROLINA LAW REQUIRES THAT A CRIMINAL HISTORY CHECK BE CONDUCTED ON ALL PERSONS 18 YEARS OF AGE OR OLDER WHO RESIDE IN A LICENSED FAMILY FOSTER HOME.

"Criminal history" includes any county, state, and federal convictions or pending indictments of any crime, of any of the following crimes: the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication; violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).

If it is determined, based on your criminal history, that you are unfit to have a foster child reside with you, you shall have the opportunity to complete or challenge the accuracy of the information contained in the SBI or FBI identification records.

If licensure is denied or the foster home license is revoked by the Department of Health and Human Services as a result of the criminal history check, if you are a foster parent, or are applying to become a foster parent, you may request a hearing pursuant to Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.

Any person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor."

Refusal to consent to a criminal history check is grounds for the Department to deny or revoke a license to provide foster care. Any person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.

(f) The Department shall notify in writing the foster parent and any person applying to be licensed as a foster parent, and that individual's supervising agency of the determination by the Department of whether the foster parent is qualified to provide foster care based on the criminal history of all individuals required to be checked. In accordance with the law regulating the dissemina-

tion of the contents of the criminal history file furnished by the Federal Bureau of Investigation, the Department shall not release nor disclose any portion of an individual's criminal history to the foster parent or any other individual required to be checked. The Department shall also notify the individual of the individual's right to review the criminal history information, the procedure for completing or challenging the accuracy of the criminal history, and the foster parent's right to contest the Department's determination.

A foster parent who disagrees with the Department's decision may request a hearing pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(g) All the information that the Department receives through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the Department and those persons authorized under this section to receive the information. The Department may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(h) There is no liability for negligence on the part of a supervising agency, or a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Article 31A of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Torts Claim Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(i) The Department of Justice shall perform the State and national criminal history checks on individuals required by this section and shall charge the Department a reasonable fee only for conducting the checks of the national criminal history records authorized by this section. The Division of Social Services, Department of Health and Human Services, shall bear the costs of implementing this section. (1995, c. 507, s. 23.26(b); 1997-140, s. 2; 1997-443, ss. 11A.89, 11A.118(a); 2003-304, s. 4.)

§ 131D-10.6B. Report of death.

(a) A facility licensed under this Article shall notify the Department immediately upon the death of any resident of the facility that occurs within seven days of physical restraint of the resident, and shall notify the Department within three days of the death of any resident of the facility resulting from violence, accident, suicide, or homicide. The Department may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Department of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Department or the Attorney General. The clear proceeds of the penalty shall be remitted to the State Treasurer for deposit in accordance with State law.

(b) Upon receipt of notification from a facility in accordance with subsection (a) of this section, the Department shall notify the Governor's Advocacy Council for Persons With Disabilities that a person with a disability has died. The Department shall provide the Council access to the information about each death reported to the Council pursuant to subsection (a) of this section, including information resulting from any investigation of the death by the Department, and from reports received from the Chief Medical Examiner pursuant to G.S. 130A-385. The Council shall use the information in accordance with its powers and duties under G.S. 143B-403.1 and applicable federal law and regulations.

(c) If the death of a resident of the facility occurs within seven days of the use of physical restraint, the Department shall initiate immediately an investigation of the death.

(d) Nothing in this section abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department or the Council. In carrying out the requirements of this section, the Department and the Council shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this section. A facility or provider that makes available confidential information in accordance with this section and with State and federal law is not liable for the release of the information.

(e) The Secretary shall establish a standard reporting format for reporting deaths pursuant to this section and shall provide to facilities subject to this section a form for the facility's use in complying with this section. (2000-129, s. 5(a).)

§ 131D-10.6C. Maintaining a register of applicants by the Division of Social Services.

(a) The Division of Social Services shall keep a register of all family foster and therapeutic foster home applicants. The register shall contain the following information:

(1) The name, age, and address of each applicant.
(2) The date of the application.
(3) The applicant's supervising agency.
(4) Any mandated training completed by the applicant and the dates of training.
(5) Whether the applicant was licensed and the date of the initial licensure.
(6) The current licensing period.

(7) Any adverse licensing actions.
(8) Any other information deemed necessary by the Division of Social Services.

(b) The register shall be a public record under Chapter 132 of the General Statutes. Information not specified in subsection (a) of this section shall be considered confidential and not subject to disclosure. (2003-304, s. 5.)

Editor's Note. — Session Laws 2003-304, s. 8, made this section effective July 4, 2003.

§ 131D-10.7. Penalties.

Any person who establishes or provides foster care for children or who receives and places children in residential child-care facilities, family foster homes or adoptive homes without a license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be punishable by a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense. (1983, c. 637, s. 2; 1993, c. 539, s. 955; 1994, Ex. Sess., c. 24, s. 14(c).)

OPINIONS OF ATTORNEY GENERAL

Meaning of "Places Children." — This section must be read in conjunction with Chapter 48 of the General Statutes which, among other things, prescribes procedures for adoptions; it is clear that placement for adoption has a much broader meaning than mere physical receipt or placement. See opinion of Attorney General to Mr. James B. Wood, President, Johnston Memorial Hospital, 59 N.C.A.G. 27 (1989).

The words "place" or "placement," when used in the context of adoptions, refer to greater involvement in the adoption process than the physical delivery of a child to his adoptive parents. See opinion of Attorney General to Mr. James B. Wood, President, Johnson Memorial Hospital, 59 N.C.A.G. 27 (1989).

Hospital's Discharge of Infant to Adoptive Parents. — Reading this section in the context of the chapter on licensing and inspection of child placing agencies leads to the conclusion that this section was not intended to address the situation in which a hospital employee, with no involvement in the arrangement of adoption, simply delivers an infant to adoptive parents. In addition, the language "in . . . adoptive homes" goes beyond what a hospital employee does when he releases a new born child to an adoptive parent; consequently, a hospital's discharge of an infant to adoptive parents does not constitute a violation of this section. See opinion of Attorney General to Mr. James B. Wood, President, Johnston Memorial Hospital, 59 N.C.A.G. 27 (1989).

§ 131D-10.8. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management or operation of a facility operating without a license or in a manner that threatens the health, safety or welfare of the individuals in the facility.

(b) If any person shall interfere with the proper performance or duty of the Department in carrying out this Article, the Department may institute an action in the superior court of the county in which the interference occurred for injunctive relief against the continued interference, irrespective of all other remedies at law. (1983, c. 637, s. 2.)

§ 131D-10.9. Administrative and judicial review.

All procedures arising out of this Article, including all notification, hearing and appeal procedures, shall be governed by the appropriate provisions of Chapter 150B of the Administrative Procedure Act. (1983, c. 637, s. 2; 1987, c. 827, s. 243.)

Article 3.

Adult Care Home Residents' Bill of Rights.

§ 131D-19. Legislative intent.

It is the intent of the General Assembly to promote the interests and well-being of the residents in adult care homes and assisted living residences licensed pursuant to G.S. 131D-2. It is the intent of the General Assembly that every resident's civil and religious liberties, including the right to independent personal decisions and knowledge of available choices, shall not be infringed and that the facility shall encourage and assist the resident in the fullest possible exercise of these rights. It is the intent of the General Assembly that rules developed by the Social Services Commission to implement Article 1 and Article 3 of Chapter 131D of the General Statutes encourage every resident's quality of life, autonomy, privacy, independence, respect, and dignity and provide the following:

(1) Diverse and innovative housing models that provide choices of different lifestyles that are acceptable, cost-effective, and accessible to all consumers regardless of age, disability, or financial status;
(2) A residential environment free from abuse, neglect, and exploitation;
(3) Available, affordable personal service models and individualized plans of care that are mutually agreed upon by the resident, family, and providers and that include measurable goals and outcomes;
(4) Client assessment, evaluation, and independent case management that enhance quality of life by allowing individual risk-taking and responsibility by the resident for decisions affecting daily living to the greatest degree possible based on the individual's ability; and
(5) Oversight, monitoring, and supervision by State and county governments to ensure every resident's safety and dignity and to assure that every resident's needs, including nursing and medical care needs if and when needed, are being met. (1981, c. 923, s. 1; 1995, c. 535, s. 12.)

§ 131D-20. Definitions.

As used in this Article, the following terms have the meanings specified:

(1) "Abuse" means the willful or grossly negligent infliction of physical pain, injury or mental anguish, unreasonable confinement, or the willful or grossly negligent deprivation by the administrator or staff of an adult care home of services which are necessary to maintain mental and physical health.
(2) Repealed by Session Laws 1995, c. 535, s. 13, effective October 1, 1995.
(2a) "Adult care home" is an assisted living residence in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or, for scheduled needs, through formal written agreement with licensed home care or hospice agencies. Some licensed adult care homes provide supervision to persons with cognitive impairments whose decisions, if made independently, may jeopardize the safety or well-being of themselves or others and therefore require supervision. Medication in an adult care home may be administered by designated, trained staff. Adult care homes that provide care to two to six unrelated residents are commonly called family care homes. Adult care homes and family care homes are subject to licensure by the Division of Facility Services.

(2b) "Assisted living residence" means any group housing and services program for two or more unrelated adults, by whatever name it is called, that makes available, at a minimum, one meal a day and housekeeping services and provides personal care services directly or through a formal written agreement with one or more licensed home care or hospice agencies. The Department may allow nursing service exceptions on a case-by-case basis. Settings in which services are delivered may include self-contained apartment units or single or shared room units with private or area baths. Assisted living residences are to be distinguished from nursing homes subject to provisions of G.S. 131E-102.

(3) "Exploitation" means the illegal or improper use of an aged or disabled resident or his resources for another's profit or advantage.

(4) "Facility" means an adult care home licensed pursuant to G.S. 131D-2.

(5) "Family care home" means an adult care home having two to six residents. The structure of a family care home may be no more than two stories high and none of the aged or physically disabled persons being served there may be housed in the upper story without provision for two direct exterior ground-level accesses to the upper story.

(6) Repealed by Session Laws 2001-209, s. 1(c), effective June 15, 2001.

(7) Repealed by Session Laws 1995, c. 535, s. 13.

(8) "Neglect" means the failure to provide the services necessary to maintain the physical or mental health of a resident.

(9) "Resident" means an aged or disabled person who has been admitted to a facility. (1981, c. 923, s. 1; 1981 (Reg. Sess., 1982), c. 1282, s. 20.2C; 1983, c. 824, ss. 2, 3, 5, 7, 8; 1995, c. 535, s. 13; 1997-456, s. 21; 2001-209, s. 1(c).)

§ 131D-21. Declaration of residents' rights.

Each facility shall treat its residents in accordance with the provisions of this Article. Every resident shall have the following rights:

(1) To be treated with respect, consideration, dignity, and full recognition of his or her individuality and right to privacy.

(2) To receive care and services which are adequate, appropriate, and in compliance with relevant federal and State laws and rules and regulations.

(3) To receive upon admission and during his or her stay a written statement of the services provided by the facility and the charges for these services.

(4) To be free of mental and physical abuse, neglect, and exploitation.

(5) Except in emergencies, to be free from chemical and physical restraint unless authorized for a specified period of time by a physician according to clear and indicated medical need.

(6) To have his or her personal and medical records kept confidential and not disclosed without the written consent of the individual or guardian, which consent shall specify to whom the disclosure may be made, except as required by applicable State or federal statute or regulation or by third party contract. It is not the intent of this section to prohibit access to medical records by the treating physician except when the individual objects in writing. Records may also be disclosed without the written consent of the individual to agencies, institutions or individuals which are providing emergency medical services to the

individual. Disclosure of information shall be limited to that which is necessary to meet the emergency.

(7) To receive a reasonable response to his or her requests from the facility administrator and staff.

(8) To associate and communicate privately and without restriction with people and groups of his or her own choice on his or her own or their initiative at any reasonable hour.

(9) To have access at any reasonable hour to a telephone where he or she may speak privately.

(10) To send and receive mail promptly and unopened, unless the resident requests that someone open and read mail, and to have access at his or her expense to writing instruments, stationery, and postage.

(11) To be encouraged to exercise his or her rights as a resident and citizen, and to be permitted to make complaints and suggestions without fear of coercion or retaliation.

(12) To have and use his or her own possessions where reasonable and have an accessible, lockable space provided for security of personal valuables. This space shall be accessible only to the resident, the administrator, or supervisor-in-charge.

(13) To manage his or her personal needs funds unless such authority has been delegated to another. If authority to manage personal needs funds has been delegated to the facility, the resident has the right to examine the account at any time.

(14) To be notified when the facility is issued a provisional license or notice of revocation of license by the North Carolina Department of Health and Human Services and the basis on which the provisional license or notice of revocation of license was issued. The resident's responsible family member or guardian shall also be notified.

(15) To have freedom to participate by choice in accessible community activities and in social, political, medical, and religious resources and to have freedom to refuse such participation.

(16) To receive upon admission to the facility a copy of this section.

(17) To not be transferred or discharged from a facility except for medical reasons, the residents' own or other residents' welfare, nonpayment for the stay, or when the transfer is mandated under State or federal law. The resident shall be given at least 30 days' advance notice to ensure orderly transfer or discharge, except in the case of jeopardy to the health or safety of the resident or others in the home. The resident has the right to appeal a facility's attempt to transfer or discharge the resident pursuant to rules adopted by the Medical Care Commission, and the resident shall be allowed to remain in the facility until resolution of the appeal unless otherwise provided by law. The Medical Care Commission shall adopt rules pertaining to the transfer and discharge of residents that offer at least the same protections to residents as State and federal rules and regulations governing the transfer or discharge of residents from nursing homes. (1981, c. 923, s. 1; 1983, c. 824, s. 13; 1983 (Reg. Sess., 1984), c. 1076; 1997-443, s. 11A.118(a); 1999-334, s. 1.6; 2000-111, s. 3.)

(b) If upon investigation, it is found that any of the provisions of the declaration of rights has been violated, the director of the county department of social services or a designee must orally inform the administrator immediately of the specific violations, what must be done to correct them, and set a date by which the violations must be corrected. This same information must be confirmed in writing to the administrator by the county director or a designee within 10 working days following the investigation. § 131D-31. Adult care home community advisory committees.

(a) Statement of Purpose. — It is the intention of the General Assembly that community advisory committees work to maintain the intent of the Adult Care Home Residents' Bill of Rights within the licensed adult care homes in this State. It is the further intent of the General Assembly that the committees promote community involvement and cooperation with adult care homes to ensure quality care for the elderly and disabled adults.

(b) Establishment and Appointment of Committees. —

(1) A community advisory committee shall be established in each county that has at least one licensed adult care home, shall serve all the homes in the county, and shall work with each of these homes for the best interests of the residents. In a county that has one, two, or three adult care homes with 10 or more beds, the committee shall have five members.

(2) In a county with four or more adult care homes with 10 or more beds, the committee shall have one additional member for each adult care home with 10 or more beds in excess of three, and may have up to five additional members at the discretion of the county commissioners, not to exceed a maximum of 25 members. In each county with four or more adult care homes with 10 or more beds, the committee shall establish a subcommittee of no more than five members and no fewer than three members from the committee for each adult care home in the county. Each member must serve on at least one subcommittee.

(3) In counties with no adult care homes with 10 or more beds, the committee shall have five members. Regardless of how many members a particular community advisory committee is required to have, at least one member of each committee shall be a person involved in the area of mental retardation.

(4) The boards of county commissioners are encouraged to appoint the Adult Care Home Community Advisory Committees. Of the members, a minority (not less than one-third, but as close to one-third as possible) shall be chosen from among persons nominated by a majority of the chief administrators of adult care homes in the county. If the adult care home administrators fail to make a nomination within 45 days after written notification has been sent to them requesting a nomination, these appointments may be made without nominations. If the county commissioners fail to appoint members to a committee by July 1, 1983, the appointments shall be made by the Assistant Secretary for Aging, Department of Health and Human Services, no sooner than 45 days after nominations have been requested from the adult care home administrators, but no later than October 1, 1983. In making appointments, the Assistant Secretary for Aging shall follow the same appointment process as that specified for the County Commissioners.

(c) Joint Nursing and Adult Care Home Community Advisory Committees. — Appointment to the Nursing Home Community Advisory Committees shall preclude appointment to the Adult Care Home Community Advisory Committees except where written approval to combine these committees is obtained from the Assistant Secretary for Aging, Department of Health and Human Services. Where this approval is obtained, the Joint Nursing and Adult Care Home Community Advisory Committee shall have the membership required of Nursing Home Community Advisory Committees and one additional member for each adult care home with 10 or more beds licensed in the county. In counties with no adult care homes with 10 or more beds, there shall be one additional member for every four other types of adult care homes in the county. In no case shall the number of members on the Joint Nursing and Adult Care Home Community Advisory Committee exceed 25. Each member shall exercise the statutory rights and responsibilities of both Nursing Home Committees and Adult Care Home Committees. In making appointments to this joint committee, the county commissioners shall solicit nominations from both nursing and adult care home administrators for the appointment of approximately (but no more than) one-third of the members.

(d) Terms of Office. — Each committee member shall serve an initial term of one year. Any person reappointed to a second or subsequent term in the same county shall serve a two- or three-year term at the county commissioners' discretion to ensure staggered terms of office.

(e) Vacancies. — Any vacancy shall be filled by appointment of a person for a one-year term. If this vacancy is in a position filled by an appointee nominated by the chief administrators of adult care homes within the county, then the county commissioners shall fill the vacancy from persons nominated by a majority of the chief administrators. If the adult care home administrators fail to make a nomination by registered mail within 45 days after written notification has been sent to them requesting a nomination, this appointment may be made without nominations. § 131D-34. Penalties; remedies.

(a) Violations Classified. — The Department of Health and Human Services shall impose an administrative penalty in accordance with provisions of this Article on any facility which is found to be in violation of requirements of G.S. 131D-21 or applicable State and federal laws and regulations. Citations issued for violations shall be classified according to the nature of the violation as follows:

(1) "Type A Violation" means a violation by a facility of the regulations, standards, and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical harm, or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation. The person making the findings shall do the following:

a. Orally and immediately inform the administrator of the facility of the specific findings and what must be done to correct them, and set a date by which the violation must be corrected;

b. Within 10 working days of the investigation, confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and

c. Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.

The Department shall impose a civil penalty in an amount not less than two hundred fifty dollars ($250.00) nor more than five thousand dollars ($5000) for each Type A Violation in homes licensed for nine or fewer beds. The Department shall impose a civil penalty in an amount not less than five hundred dollars ($500.00) nor more than ten thousand dollars ($10,000) for each Type A Violation in facilities licensed for 10 or more beds.

(2) "Type B Violation" means a violation by a facility of the regulations, standards and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which present a direct relationship to the health, safety, or welfare of any resident, but which does not result in substantial risk that death or serious physical harm will occur. The Department shall require a plan of correction for each Type B Violation and may require the facility to establish a specific plan of correction within a specific time period to address the violation.

(b) Penalties for failure to correct violations within time specified.

(1) Where a facility has failed to correct a Type A Violation, the Department shall assess the facility a civil penalty in the amount of up to five hundred dollars ($500.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.

(2) Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility a civil penalty in the amount of up to two hundred dollars ($200.00) for each day that the deficiency continues beyond the date specified for correction without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) The Department shall impose a civil penalty which is treble the amount assessed under subdivision (1) of subsection (a) when a facility under the same management, ownership, or control has received a citation and paid a penalty for violating the same specific provision of a statute or regulation for which it received a citation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to Article 4 of this Chapter.

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) The gravity of the violation, including the fact that death or serious physical harm to a resident has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1a) The gravity of the violation, including the probability that death or serious physical harm to a resident will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1b) The gravity of the violation, including the probability that death or serious physical harm to a resident may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(2) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and G.S. 131E-265 and other applicable State and federal laws and regulations;

(2a) Efforts by the licensee to correct violations;

(3) The number and type of previous violations committed by the licensee within the past 36 months;

(4) The amount of assessment necessary to insure immediate and continued compliance; and

(5) The number of patients put at risk by the violation.

(c1) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The Secretary shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The penalty review committee;

(2) The local department of social services who is responsible for oversight of the facility involved;

(3) The licensee involved;

(4) The residents affected; and

(5) The family members or guardians of the residents affected.

(c2) Local county departments of social services and Division of Facilities Services personnel shall submit proposed penalty recommendations to the Department within 45 days of the citation of a violation.

(e) Any facility wishing to contest a penalty shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails a notice of penalty to a licensee. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and

(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(f) Notwithstanding the notice requirements of G.S. 131D-26(b), any penalty imposed by the Department of Health and Human Services under this section shall commence on the day the violation began.

(g) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty, or

(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(g1) In lieu of assessing an administrative penalty, the Secretary may order a facility to provide staff training if:

(1) The cost of training does not exceed one thousand dollars ($1,000);

(2) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and
(3) The training is:
a. Specific to the violation;
b. Approved by the Department of Health and Human Services; and
c. Taught by someone approved by the Department and other than the provider.

(h) The Secretary shall establish a penalty review committee within the Department, which shall review administrative penalties assessed pursuant to this section and pursuant to G.S. 131E-129 as follows:

e. Provide written copies of all procedures to:
1. The penalty review committee;
2. The local department of social services who is responsible for oversight of the facility involved;
3. The licensee involved;
4. The residents affected; and
5. The families or guardians of the residents affected.
(2) The Secretary shall ensure that the Nursing Home/Adult Care Home Penalty Review Committee established by this subsection is comprised of nine members. At least one member shall be appointed from each of the following categories:
a. A licensed pharmacist;
b. A registered nurse experienced in long-term care;
c. A representative of a nursing home;

e. Two public members. One shall be a "near" relative of a nursing home patient, chosen from a list prepared by the Office of State Long-Term Care Ombudsman, Division of Aging, Department of Health and Human Services. For purposes of this subdivision, a "near" relative is a spouse, sibling, parent, child, grandparent, or grandchild.
(3) Neither the pharmacist, nurse, nor public members appointed under this subsection nor any member of their immediate families shall be employed by or own any interest in a nursing home or adult care home.
(4) Prior to serving on the committee, each member shall complete a training program provided by the Department of Health and Human Services that covers standards of care and applicable State and federal laws and regulations governing facilities licensed under Chapter 131D and Chapter 131E of the General Statutes.
(5) Each member of the Committee shall serve a term of two years. The initial terms of the members shall commence on August 3, 1989. The Secretary shall fill all vacancies. Unexcused absences from three consecutive meetings constitute resignation from the Committee.

The Department may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Department of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Department or the Attorney General. (a) Requirement; Adult Care Home. — An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an adult care home shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the home is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Adult Care Home. — An offer of employment by a contract agency of an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of an adult care home shall not

All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section.

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.

(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the adult care home or the contract agency of the adult care home. If the adult care home or a contract agency of the adult care home disqualifies an applicant after consideration of the relevant factors, then the adult care home or the contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

ARTICLE 1.

General Provisions.

§ 131E-1. Definitions.

As used in this Chapter, unless the context clearly indicates otherwise:

(1) "Department" means the Department of Health and Human Services.

(2) "Person" means an individual, trust, estate, partnership, or corporation including associations, joint-stock companies, and insurance companies. (1983, c. 775, s. 1; 1997-443, s. 11A.118(a).)

Cross References. — As to criminal provisions for patient abuse and neglect, see G.S. 14-32.2.

Editor's Note. — Session Laws 1983, c. 775, repealed Chapters 131 and 131B and certain sections of Chapter 130, and enacted in their place a new Chapter 131E. Where appropriate, the historical citations to the repealed sections have been added to corresponding sections in new Chapter 131E.

CASE NOTES

Headings Irrelevant to Determine State Action in Context of Private Hospital. — The label given Article 2 of this Chapter is irrelevant in determining whether a private, nonprofit hospital's suspension and revocation of staff privileges constitutes State action. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

OPINIONS OF ATTORNEY GENERAL

The General Assembly did not give any hospital authority the privilege of continuing to operate under the provisions of Chapter 131 after that chapter's repeal. See opinion of Attorney General to Roger Lee Edwards, Attorney and Counselor at Law, N.C. General Assembly, 1999 N.C.A.G. 13 (5/24/99).

§ 131E-2. Contested case hearing petition time limit.

Except as otherwise provided in this Chapter, a petition for a contested case that is authorized by this Chapter shall be filed in the Office of Administrative Hearings within 30 days after the Department mails written notice of an agency decision to the person filing the petition. This section shall not be construed to create any right to file a petition for a contested case that is not otherwise granted in this Chapter. (1991, c. 143, s. 1; c. 761, s. 23.)

§§ 131E-3, 131E-4: Reserved for future codification purposes.

Article 2.

Public Hospitals.

Part 1. Municipal Hospitals.

§ 131E-5. Title and purpose.

(a) This Part shall be known and may be cited as the "Municipal Hospital Act."

(b) The purpose of this Part is to authorize municipalities to construct, operate and maintain hospitals and other facilities which furnish hospital, clinical and similar services to the people of this State. It is also the purpose of this Part to authorize municipalities to cooperate with other public and private agencies and with each other. Additionally, it is the purpose of this Part to authorize municipalities to accept assistance from State and federal agencies and from other sources.

(c) This Part provides an additional and alternative method for municipalities to establish facilities that furnish hospital, clinical and similar services. This Part shall not be regarded as repealing any powers now existing under any other law, either general, special or local.

(d) This Part shall be construed liberally to effect its purposes. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1983, c. 775, which repealed former Chapter 131 of the General Statutes, in s. 3, provided: "Sec. 3. Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, ss. 1 and 2, effective June 12, 1989, amended G.S. 131-7. Chapter 131 was repealed by Session Laws 1983, c. 775, s. 1, effective January 1, 1984. However, Session Laws 1983, c. 775, s. 3 contained a savings provision for certain units of government.

Session Laws 1989, c. 283, ss. 1 and 2, provided: "Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131, of the North Carolina General Statutes pursuant to Section 3, Chapter 775, of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital."

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee,' and substituting 'One practicing phy-

sician may serve as a trustee.'"

CASE NOTES

Varnum, 34 N.C. App. 22, 237 S.E.2d 272, appeal dismissed, 293 N.C. 740, 241 S.E.2d 513 (1977).

(f) In addition to the general and special powers conferred by this Part, a municipality is authorized to exercise powers necessary to implement the powers under this Part. (1983, c. 775, s. 1; 1993, c. 529, s. 5.3; 1995, c. 509, s. 71.)

OPINIONS OF ATTORNEY GENERAL

The proposal of a county hospital system to lend money to a separately licensed acute care hospital was authorized by law. See opinion of Attorney General to Granger R. Barrett, Cumberland County Attorney, and Wilson Hayman, Poyner & Spruill, L.L.P., 2002 N.C. AG LEXIS 14 (2/19/02).

§ 131E-7.1. Public hospitals' managed care development authorized.

A public hospital as defined in G.S. 159-39(a) may acquire an ownership interest, in whole or in part, in a nonprofit or for-profit managed care company, including a health maintenance organization, physician hospital organization, physician organization, management services organization, or preferred provider organization with which the public hospital is also directly or indirectly a contracting provider. Ownership interest may be evidenced by the ownership or acquired by the purchase of stock. This ownership or acquisition of stock is

the exercise of a health care function and is not the investment of idle funds within the meaning of G.S. 159-30 and G.S.159-39(g). (1995 (Reg. Sess., 1996), c. 713, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-8. Sale of hospital facilities to nonprofit corporations.

(a) A municipality as defined in G.S. 131E-6(5) or hospital authority as defined in G.S. 131E-16(14), upon such terms and conditions as it deems wise, with or without monetary consideration, may sell or convey to a nonprofit corporation organized under Chapter 55A of the General Statutes any rights of ownership the municipality or hospital authority has in a hospital facility including the building, land and equipment associated with the hospital, if the nonprofit corporation is legally committed to continue to operate the facility as a community general hospital open to the general public, free of discrimination based upon race, creed, color, sex or national origin. The nonprofit corporation shall also agree, as a condition of the municipality or hospital authority's conveying ownership, to provide such services to indigent patients as the municipality or hospital authority and the nonprofit corporation shall agree. The nonprofit corporation shall further agree that should it fail to operate the facility as a community general hospital open to the general public or should the nonprofit corporation dissolve without a successor nonprofit corporation to carry out the terms and conditions of the agreement of conveyance, all ownership rights in the hospital facility, including the building, land and equipment associated with the hospital, shall revert to the municipality or hospital authority or successor entity originally conveying the hospital.

(b) When either general obligation bonds or revenue bonds issued for the benefit of the hospital to be conveyed are outstanding at the time of sale or conveyance, then the nonprofit corporation must agree to the following:

> By the effective date of sale or conveyance, the nonprofit corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The nonprofit corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section. A hospital which has placed funds in escrow to retire outstanding general obligation or revenue bonds, as provided in this section, shall not be considered a public hospital, and G.S. 159-39(a)(3) shall be inapplicable to such hospitals.

(c) Any sale or conveyance under this section must be approved by the municipality or hospital authority by a resolution adopted at a regular meeting of the governing body on 10 days' public notice. Notice shall be given by

publication describing the hospital facility to be conveyed, the proposed monetary consideration or lack thereof, and the governing body's intent to authorize the sale or conveyance.

(d) Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to sales or conveyances pursuant to this section.

(e) A sale or conveyance of substantially all the equipment is a sale or conveyance of hospital facility. (1983, c. 775, s. 1; 1989, c. 444.)

Editor's Note. — Session Laws 1999-386, s. 4, effective August 4, 1999, provides that, notwithstanding the requirements of G.S. 131E-8, 131E-13, 131E-14 and 153A-176 and Article 12 of Chapter 160A of the General Statutes, and any past compliance or failure to comply with those requirements, the prior conveyance by a municipality, as defined in G.S. 131E-6(5), or by a hospital authority, as defined in G.S. 131E-16(14), of a hospital facility that currently serves as collateral in a transaction involving North Carolina Medical Care Commission bonds issued under Part 10 of Article 3 of Chapter 143B of the General Statutes is hereby validated. Section 5 of 1999-386 provides that Section 4 shall not apply to litigation pending on or before the effective date.

CASE NOTES

Section Does Not Necessarily Imply State Action. — The fact that a State statute governs the method of conveying municipal hospitals to private, nonprofit corporations is not to be interpreted to mean that a private, nonprofit hospital's suspension and revocation of staff privileges constitutes State action. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

§ 131E-8.1. Maintenance of Health Education Facilities.

(a) This section shall apply to all sales and leases of a hospital facility by a municipality or hospital authority where any portion of the facility was constructed with a capital grant from the Area Health Education Centers Program (AHEC).

(b) The municipality or hospital authority shall give specific notice of intent to sell or lease and of any public hearing to the Director of the local AHEC program and the Director of the AHEC Program at the University of North Carolina School of Medicine at Chapel Hill.

(c) The municipality or hospital authority may provide continued access to the identical or equivalent facilities suitable for continuation of AHEC activities, including all services being provided under the existing operating contract. The municipality or hospital authority may convey all ownership rights in the hospital facility, or any part thereof, to the local AHEC Program without monetary consideration. Further, the municipality or hospital authority may reimburse the local AHEC Program for any funds used for the original construction of any office for AHEC provided by AHEC to establish or continue the hospital facility.

(d) No portion of this section shall be construed to alter rights or obligations of the operating contracts between the hospital facility and AHEC. (1983 (Reg. Sess., 1984), c. 1056, s. 1; 1985 (Reg. Sess., 1986), c. 995.)

§ 131E-9. Governing authority of hospital facilities.

(a) The governing body of a municipality may establish by resolution an office, board, or other municipal agency to plan, establish, construct, maintain, or operate a hospital facility. The resolution shall prescribe the powers, duties, compensation, and tenure of the members of the governing authority. The municipality shall remain responsible for the expenses of planning, establishment, construction, maintenance and operation of the hospital facilities.

(b)(1) The county board of commissioners of a county may establish by resolution a county hospital authority to plan, establish, construct, maintain, or operate a hospital facility. The authority shall be referred to as " _____ County Hospital Authority."

(2) The county hospital authority shall consist of six appointed members and one ex officio member.

(3) The appointed members of the authority shall be appointed by the county board of commissioners. All appointed members shall be residents of the county. Three of the members shall be residents of a city in the county and the remaining three members shall not be residents of the same city or cities in which the other three members appointed under this subdivision reside.

(4) For the initial appointments to the county hospital authority, two of the members shall be appointed for a term of three years, two for a term of four years, and two for a term of five years to achieve staggered terms. All subsequent appointments shall be for five-year terms.

(5) The ex officio member of the county hospital authority shall be a member of the county board of commissioners. The ex officio member's term on the hospital authority shall be commensurate with his or her term as a member of the county board of commissioners.

(6) When any member of the county hospital authority resigns or is removed from office before the expiration of the member's term, the county board of commissioners shall appoint a person to serve the unexpired portion of the term.

(c) Any authority vested in a county under this Part or any authority or power that may be exercised by a hospital authority under the Hospital Authorities Act, Chapter 131E, Article 2, Part 2, may be vested by resolution of the county board of commissioners in a county hospital authority established under this section. However, a county hospital authority shall exercise only the powers and duties prescribed in the county board of commissioners' resolution. The county board of commissioners shall determine in the resolution the compensation, traveling and any other expenses which shall be paid to each member of the county hospital authority. However, the expenses to plan, establish, construct and operate the hospital facility shall remain the responsibility of the county. (1983, c. 775, s. 1.)

Local Modification. — Johnston Memorial Hospital: 1995, c. 221, s. 1.

CASE NOTES

Appointment of Trustees Not Necessarily Indicative of State Action. — The fact that the county appointed the majority of a private, nonprofit hospital's trustees, though indicative of State action, did not alone compel the conclusion that the suspension and revocation of a doctor's staff privileges constituted State action. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

§ 131E-10. Condemnation.

Every municipality is authorized to condemn property to carry out the purposes of this Part. In condemning property, a municipality shall proceed in the manner provided in Chapter 40A of the General Statutes or in the charter of the municipality. A municipality or its agents is authorized to enter upon land, provided no unnecessary damage is done, to make surveys and examinations relative to any condemnation proceeding. Notwithstanding the provisions of any other statute or of any applicable municipal charter, the municipality may take possession of property to be condemned at any time after the commencement of the condemnation proceeding. The municipality shall not be precluded from abandonment of the condemnation of property in any case where possession has not taken place. (1983, c. 775, s. 1.)

§ 131E-11. Federal and State aid.

Every municipality or nonprofit association is authorized to accept and disburse federal and State moneys, whether made available by grant, loan, gift or devise, to carry out the purposes of this Part. All federal moneys shall be accepted and disbursed upon the terms and conditions prescribed by the United States, if the terms and conditions are consistent with State law. All State moneys shall be accepted and disbursed upon the terms and conditions prescribed by either or both the State and the North Carolina Medical Care Commission. Unless the terms and conditions provide otherwise, the chief financial officer of the municipality shall deposit all moneys received under this section and keep them in separate trust funds. (1983, c. 775, s. 1.)

(1983, c. 775, s. 1.)

CASE NOTES

Venue. — Venue of negligence suit against hospital authority was properly transferred to the county by which it was governed, pursuant to G.S. 1-77, providing for venue of actions against a public officer, despise the fact that the authority operated in multiple counties. Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

§ 131E-13. Lease or sale of hospital facilities to or from for-profit or nonprofit corporations or other business entities by municipalities and hospital authorities.

(a) A municipality or hospital authority as defined in G.S. 131E-16(14), may lease, sell, or convey any hospital facility, or part, to a corporation, foreign or domestic, authorized to do business in North Carolina, subject to these conditions, which shall be included in the lease, agreement of sale, or agreement of conveyance:

(1) The corporation shall continue to provide the same or similar clinical hospital services to its patients in medical-surgery, obstetrics, pediatrics, outpatient and emergency treatment, including emergency services for the indigent, that the hospital facility provided prior to the lease, sale, or conveyance. These services may be terminated only as prescribed by Certificate of Need Law prescribed in Article 9 of Chapter 131E of the General Statutes, or, if Certificate of Need Law is inapplicable, by review procedure designed to guarantee public participation pursuant to rules adopted by the Secretary of the Department of Health and Human Services.

(2) The corporation shall ensure that indigent care is available to the population of the municipality or area served by the hospital authority at levels related to need, as previously demonstrated and determined mutually by the municipality or hospital authority and the corporation.

(3) The corporation shall not enact financial admission policies that have the effect of denying essential medical services or treatment solely because of a patient's immediate inability to pay for the services or treatment.

(4) The corporation shall ensure that admission to and services of the facility are available to beneficiaries of governmental reimbursement programs (Medicaid/Medicare) without discrimination or preference because they are beneficiaries of those programs.

(5) The corporation shall prepare an annual report that shows compliance with the requirements of the lease, sale, or conveyance.

The corporation shall further agree that if it fails to substantially comply with these conditions, or if it fails to operate the facility as a community general hospital open to the general public and free of discrimination based on race, creed, color, sex, or national origin unless relieved of this responsibility by operation of law, or if the corporation dissolves without a successor corporation to carry out the terms and conditions of the lease, agreement of sale, or agreement of conveyance, all ownership or other rights in the hospital facility, including the building, land and equipment associated with the hospital, shall revert to the municipality or hospital authority or successor entity originally conveying the hospital; provided that any building, land, or equipment associated with the hospital facility that the corporation has constructed or acquired since the sale may revert only upon payment to the corporation of a sum equal to the cost less depreciation of the building, land, or equipment.

This section shall not apply to leases, sales, or conveyances of nonmedical services or commercial activities, including the gift shop, cafeteria, the flower shop, or to surplus hospital property that is not required in the delivery of necessary hospital services at the time of the lease, sale, or conveyance.

(b) In the case of a sale or conveyance, if either general obligation bonds or revenue bonds issued for the benefit of the hospital to be conveyed are outstanding at the time of sale or conveyance, then the corporation shall agree to the following:

By the effective date of sale or conveyance, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section. A hospital which has placed funds in escrow to retire outstanding general obligation or revenue bonds, as provided in this section, shall not be considered a public hospital, and G.S. 159-39(a)(3) shall be inapplicable to such hospitals.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility if the facility has been sold or conveyed to a corporation, foreign or domestic, authorized to do business in North Carolina.

(c) In the case of a lease, the municipality or hospital authority shall determine the length of the lease. No lease executed under this section shall be deemed to convey a freehold interest. Any sublease or assignment of the lease shall be subject to the conditions prescribed by this section. If the term of the lease is more than 10 years, and either general obligation bonds or revenue bonds issued for the benefit of the hospital to be leased are outstanding at the time of the lease, then the corporation shall agree to the following:

By the effective date of the lease, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility when the facility is leased to a corporation, foreign or domestic, authorized to do business in North Carolina.

(d) The municipality or hospital authority shall comply with the following procedures before leasing, selling, or conveying a hospital facility, or part thereof:

(1) The municipality or hospital authority shall first adopt a resolution declaring its intent to sell, lease, or convey the hospital facility at a regular meeting on 10 days' public notice. Notice shall be given by publication in one or more papers of general circulation in the affected area describing the intent to lease, sell, or convey the hospital facility involved, known potential buyers or lessees, a solicitation of additional interested buyers or lessees and intent to negotiate the terms of the lease or sale. Specific notice, given by certified mail, shall be given to the local office of each state-supported program that has made a capital expenditure in the hospital facility, to the Department of Health and Human Services, and to the Office of State Budget and Management.

(2) At the meeting to adopt a resolution of intent, the municipality or hospital authority shall request proposals for lease or purchase by direct solicitation of at least five prospective lessees or buyers. The solicitation shall include a copy of G.S. 131E-13.

(3) The municipality or hospital authority shall conduct a public hearing on the resolution of intent not less than 15 days after its adoption. Notice of the public hearing shall be given by publication at least 15 days before the hearing. All interested persons shall be heard at the public hearing.

(4) Before considering any proposal to lease or purchase, the municipality or hospital authority shall require information on charges, services, and indigent care at similar facilities owned or operated by the proposed lessee or buyer.

(5) Not less than 45 days after adopting a resolution of intent and not less than 30 days after conducting a public hearing on the resolution of intent, the municipality or hospital authority shall conduct a public hearing on proposals for lease or purchase that have been made. Notice of the public hearings shall be given by publication at least 10 days before the hearing. The notice shall state that copies of proposals for lease or purchase are available to the public.

(6) The municipality or hospital authority shall make copies of the proposals to lease or purchase available to the public at least 10 days before the public hearing on the proposals.

(7) Not less than 60 days after adopting a resolution of intent, the municipality or hospital authority at a regular meeting shall approve any lease, sale, or conveyance by a resolution. The municipality or hospital authority shall adopt this resolution only upon a finding that the lease, sale, or conveyance is in the public interest after considering whether the proposed lease, sale, or conveyance will meet the health-related needs of medically underserved groups, such as low income persons, racial and ethnic minorities, and handicapped persons. Notice of the regular meeting shall be given at least 10 days before the meeting and shall state that copies of the lease, sale, or conveyance proposed for approval are available.

(8) At least 10 days before the regular meeting at which any lease, sale, or conveyance is approved, the municipality or hospital authority shall make copies of the proposed contract available to the public.

(e) Notwithstanding the provisions of subsections (c) and (d) of this section or G.S. 131E-23, a hospital authority as defined in G.S. 131E-16(14) or a municipality may lease or sublease hospital land to a corporation or other business entity, whether for profit or not for profit, and may participate as an owner, joint venturer, or other equity participant with a corporation or other business entity for the development, construction, and operation of medical office buildings and other health care or hospital facilities, so long as the municipality, hospital authority, or other entity continues to maintain its primary community general hospital facilities as required by subsection (a) of this section.

(f) A municipality or hospital authority may permit or consent to the pledge of hospital land or leasehold estates in hospital land to facilitate the development, construction, and operation of medical office buildings and other health care or hospital facilities. A municipality or hospital authority also may, as lessee, enter into master leases or agreements to fund for temporary vacancies relating to hospital land or hospital facilities for use in the provision of health care.

(g) Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to leases, subleases, sales, or conveyances under this

Chapter. (1983 (Reg. Sess., 1984), c. 1066, s. 1; 1997-233, s. 2; 1997-443, s. 11A.118(a); 2000-140, s. 93.1(a); 2001-424, s. 12.2(b).)

OPINIONS OF ATTORNEY GENERAL

A county hospital authority may amend or consent to a transfer of its lease subject to the provisions of this section; the authority may not consent to any assignment of the lease unless it first solicits bids from five potential lessees and complies with all of the other substantive and procedural requirements of this section. See opinion of Attorney General to Roger Lee Edwards, Attorney and Counselor at Law, N.C. General Assembly, 1999 N.C.A.G. 13 (5/24/99).

Sale of Vacant Property to Physicians. — A hospital authority would not be required to comply with this section if it sold vacant property to one or more physicians based upon a determination that the vacant property was not necessary, convenient, or related to the operation of any hospital facility owned by the authority. See opinion of Attorney General to Roger Lee Edwards, Attorney, 2000 N.C. AG LEXIS 25 (6/8/2000).

§ 131E-14. Lease or sale of hospital facilities to certain nonprofit corporations.

If a municipality or hospital authority leases, sells, or conveys a hospital facility, or part, to a nonprofit corporation of which a majority of voting members of its governing body is not appointed or controlled by the municipality or hospital authority, the procedural requirements set forth in G.S. 131E-13(d) shall apply. Section 5 of 1999-386 provides that Section 4 shall not apply to litigation pending on or before the effective date.

§ 131E-14.1. Branch facilities.

Notwithstanding anything in this Article, any municipality owning and operating a hospital organized under the provisions of this Part or Part 3 or any nonprofit corporation which leases or operates a hospital facility pursuant to an agreement with the municipality may erect, remodel, enlarge, purchase, finance, and operate branches and related facilities within this State but outside the boundaries of the county subject to the following limitations:

(1) No moneys derived from the exercise by the owning municipality of its power of taxation shall be expended on facilities located outside its boundaries;

(2) No moneys derived from the issuance by the owning municipality of its bonds or notes shall be expended on facilities located outside its boundaries;

(3) The owning municipality shall not possess the power of eminent domain or have the right of condemnation with respect to hospital facilities located outside its boundaries; and

(4) The power conferred on counties by G.S. 153A-169 and G.S. 153A-170 to adopt ordinances regulating the use of county-owned property and parking on county-owned property shall not extend to hospital facilities located outside its boundaries unless the board of commissioners of the county in which the facility is located shall by resolution permit any such ordinance to be applicable within its jurisdiction.

(5), (6) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 676, s. 1, effective July 1, 1994. (1983, c. 578, s. 1; 1993 (Reg. Sess., 1994), c. 676, s. 1.)

§ 131E-14.2. Conflict of interest.

(a) No member of the board of directors or employee of a public hospital, as defined in G.S. 159-39(a), or that person's spouse shall do either of the following:

(1) Acquire any interest, direct or indirect, in any hospital facility or in any property included or planned to be included in a hospital facility.

(2) Have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used in connection with any hospital facility, except an employment contract for an employee. This restriction shall not apply to any contract, undertaking, or other transaction with a bank or banking institution, savings and loan association or public utility in the regular course of its business provided that the contract, undertaking, or other transaction shall be authorized by the board by specific resolution on which no director having an interest, direct or indirect, shall vote.

(b) The fact that a person or that person's spouse owns ten percent (10%) or less stock of a corporation or has a ten percent (10%) or less ownership in any other business entity or is an employee of that corporation or other business entity does not make the person have an "interest, direct or indirect" as this phrase is used in subsection (a) of this section; provided that, in order for the exception to apply, the contract, undertaking, or other transaction shall be authorized by the board of directors by specific resolution on which no director or employee having an interest, direct or indirect, shall vote.

(c) If a member of the board of directors or an employee of a public hospital or that person's spouse owns or controls an interest, direct or indirect, in any

property included or planned to be included in any hospital facility, the member of the board of directors or the employee shall immediately disclose the same in writing to the board and the disclosure shall be entered upon the minutes of the board. Failure to disclose shall constitute misconduct in office and shall be grounds for removal.

(d) Subsection (a) of this section shall not apply to any member of the board of directors of a public hospital if (i) the undertaking or contract or series of undertakings or contracts between the public hospital and one of its officials is approved by specific resolution of the governing body adopted in an open and public meeting and recorded in its minutes and the amount does not exceed twelve thousand five hundred dollars ($12,500) for medically related services and twenty-five thousand dollars ($25,000) for other goods or services within a 12-month period; and (ii) the official entering into the contract or undertaking with the public hospital does not in an official capacity participate in any way or vote.

(e) Subsection (a) of this section shall not apply to any employment relationship between a public hospital and the spouse of a member of the board of directors of the public hospital.

(f) A contract entered into in violation of this section is void. A contract that is void under this section may continue in effect until an alternative can be arranged when: (i) immediate termination would result in harm to the public health or welfare, and (ii) the continuation is approved as provided in this subsection. A public hospital that is a party to the contract may request approval to continue contracts under this subsection from the chairman of the Local Government Commission. Approval of continuation of contracts under this subsection shall be given for the minimum period necessary to protect the public health or welfare. (2001-409, s. 6.)

Editor's Note. — Session Laws 2001-409, s. 10, made this section effective July 1, 2002, and applicable to actions taken and offenses committed on or after that date. Prosecutions for offenses committed before the effective dates of the provisions of the act are not abated or affected by the act, and the statutes that would be applicable but for the act remain applicable to those prosecutions.

Part 2. Hospital Authority.

§ 131E-15. Title and purpose.

(a) This Part shall be known as the "Hospital Authorities Act."

(b) The General Assembly finds and declares that in order to protect the public health, safety, and welfare, including that of low income persons, it is necessary that counties and cities be authorized to provide adequate hospital, medical, and health care and that the provision of such care is a public purpose. Therefore, the purpose of this Part is to provide an alternate method for counties and cities to provide hospital, medical, and health care. (1943, c. 780, ss. 1, 2; 1971, c. 799; 1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1983, c. 775, which repealed former Chapter 131 of the General Statutes and enacted this Chapter, provided in s. 3: "Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, ss. 1 and 2,

effective June 12, 1989, amended G.S. 131-7. Chapter 131 was repealed by Session Laws 1983, c. 775, s. 1, effective January 1, 1984. However, Session Laws 1983, c. 775, s. 3 contained a savings provision for certain units of government.

Session Laws 1989, c. 283, ss. 1 and 2 provided: "Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital."

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee.', and substituting 'One practicing physician may serve as a trustee'."

Session Laws 1997-502, s. 12, effective January 1, 1998, and applicable to contracts and agreements entered into on or after that date, provides: "Any county which, on or prior to July 1, 1997, established a hospital authority board composed of no more than seven members under the provisions of Part B of Article 2 of Chapter 131E of the General Statutes may, by resolution adopted by its board of county commissioners and with the approval of the State Health Director, assign that authority board the power, duties, and responsibilities to provide public health services as outlined in G.S. 130A-1.1. Thereafter, such authority board shall act as the local board of health for the county together with such additional powers, duties, and authority assigned to it by the board of county commissioners."

§ 131E-18. Commissioners.

(a) The mayor or the chairman of the county board shall appoint the commissioners of the authority. There shall be not less than six and not more than 30 commissioners. Upon a finding that it is in the public interest, the commissioners may adopt a resolution increasing or decreasing the number of commissioners by a fixed number; Provided that no decrease in the number of commissioners shall shorten a commissioner's term. A certified copy of the resolution and a list of nominees shall be submitted to the mayor or the chairman of the county board of commissioners for appointments in accordance with the procedures set forth in subsection (d) of this section.

(b) For the initial appointments of commissioners, one-third of the commissioners shall be appointed for a term of one year, one-third for a term of two years, and one-third for a term of three years to achieve staggered terms. All subsequent appointments shall be for three-year terms. A commissioner shall hold office until a successor has been appointed and qualified. Vacancies from resignation or removal from office shall be filled for the unexpired portion of the term.

(c) The mayor or the chairman of the county board of commissioners shall name the first chair of the authority. Thereafter, the commissioners shall elect each subsequent chair from their members. The commissioners shall elect from their members the first vice-chair and all subsequent vice-chairs.

(d) When a commissioner resigns, is removed from office, completes a term of office, or when there is an increase in the number of commissioners, the remaining commissioners shall submit to the mayor or the chairman of the county board of commissioners a list of nominees for appointment to the commission. The mayor or the chairman of the county board of commissioners

shall appoint, only from the nominees, the number of commissioners necessary to fill all vacancies. However, the mayor or the chairman of the county board of commissioners may require the commissioners to submit as many additional lists of nominees as he or she may desire.

(e) The mayor shall file with the city clerk, or the chairman of the county board of commissioners shall file with the county clerk, a certificate of appointment or reappointment of a commissioner. The certificate shall be conclusive evidence of the due and proper appointment of the commissioner.

(f) Commissioners shall receive no compensation for their services, but they shall be entitled to reimbursement for necessary expenses, including travel expenses, incurred in the discharge of their duties.

(g) For a county with a population of less than 75,000, according to the most recent decennial federal census, the following exceptions to the provisions of this section shall apply:

(1) The commissioners shall be appointed by the county board of commissioners rather than the chairman of the county board of commissioners;

(2) In making appointments under subsection (d) of this section, the county board of commissioners shall consider the nominations of the commissioners of the authority, but the county board of the commissioners is not bound by the nominations and may choose any qualified person.

The foregoing exceptions shall not apply when a county with a population of less than 75,000 jointly establishes a hospital authority with a city.

(h) A majority of the commissioners shall constitute a quorum. (1943, c. 780, s. 5; 1971, c. 799; 1973, c. 792; 1981, c. 525, s. 1; 1983, c. 775, s. 1.)

OPINIONS OF ATTORNEY GENERAL

A county board of commissioners does not have the authority to increase the number of commissioners on a hospital authority located within the county. See opinion of Attorney General to William I. Millar, Attorney at Law, and Thomas S. Stukes, Smith Helms Mulliss & Moore, L.L.P., 1999 N.C. AG LEXIS 39 (12/21/99).

Hospital Authority Has Authority to Expand Number of Its Commissioners. — This section expressly grants the authority to expand the number of a hospital authority's commissioners to the hospital authority's commissioners themselves, rather than to the board of county commissioners; therefore, a resolution of a county board of commissioners which provided that the number of members to the board of commissioners of a hospital authority could not be changed except by resolution of the county board of commissioners was a nullity and had no force and effect. See opinion of Attorney General to Haywood Regional Medical Center, 1999 N.C. AG LEXIS 40 (12/21/99).

§ 131E-19. Incorporation of a hospital authority.

(a) After the commissioners are appointed, they shall present to the Secretary of State an application for incorporation as a hospital authority. The application shall be signed by each of the commissioners and shall set forth:

(1) That the city council or the county board of commissioners has found that it is in the interest of the public health and welfare to create a hospital authority;

(2) That the mayor or the chairman of the county board of commissioners has appointed them as commissioners;

(3) The name and official residence of each of the commissioners;
(4) A certified copy of the appointment evidencing the commissioners' right to office, and the date and place of induction into and taking of office;
(5) That they desire the hospital authority to become a public body and a body corporate and politic under this Part;
(6) The term of office of each of the commissioners;
(7) The name which is proposed for the corporation; and
(8) The location and principal office of the corporation.

The application shall be subscribed and sworn to by each of the commissioners before an officer authorized by the laws of this State to take and certify oaths. This officer shall certify upon the application that he or she personally knows the commissioners and knows them to be the officers as asserted in the application, and that each subscribed to the application and took the oath in the officer's presence.

(b) The Secretary of State shall examine the application. If he or she finds that the name proposed for the corporation is not identical with that of a person or of any other corporation in this State or so nearly similar so as to lead to confusion and uncertainty, the application shall be filed and recorded in the appropriate book of record in the Secretary of State's office. The Secretary of State shall then make and issue to the commissioners a certificate of incorporation pursuant to this Part, under the Seal of the State, and shall record the certificate with the application.

(c) A hospital authority's name or the location or principal office of the corporation may be changed by the adoption of a resolution by the majority of the authority's commissioners. A copy of the resolution, duly verified by the chair and secretary of the commission before an officer authorized by the laws of this State to take and certify oaths, shall be delivered to the Secretary of State, along with a conformed copy. If the Secretary of State finds that the proposed name is not identical with that of a person or any corporation of this State, or so nearly similar as to lead to confusion and uncertainty, the resolution shall be filed and recorded in the appropriate book of record in the Secretary of State's office. A resolution changing the location or principal office of the hospital authority shall be filed and recorded in the appropriate book of record in the Secretary of State's office. The Secretary of State shall then return to the authority the conformed copy, together with a certificate stating that the attached copy is a true copy of the document in the Secretary of State's office, that shows the date of filing.

(d) In any legal proceeding, a copy of the certificate of incorporation, certified by the Secretary of State, shall be admissible in evidence and shall be conclusive proof of its filing and contents and the incorporation of the hospital authority in accordance with this Part. (1943, c. 780, s. 4; 1966, c. 988, s. 1; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-20. Boundaries of the authority.

(a) The territorial boundaries of a hospital authority shall include the city or county creating the authority and the area within 10 miles from the territorial boundaries of that city or county. However, a hospital authority may engage in health care activities in a county outside its territorial boundaries pursuant to:
(1) An agreement with a hospital facility if only one hospital currently exists in that county;
(2) An agreement with any hospital if more than one hospital currently exists in that county; or
(3) An agreement with any health care agency if no hospital currently exists in that county.

In no event shall the territorial boundaries of a hospital authority include, in whole or in part, the area of any previously existing hospital authority. All priorities shall be determined on the basis of the time of issuance of the certificates of incorporation by the Secretary of State.

(b) After the creation of an authority, the subsequent existence within its territorial boundaries of more than one city or county shall in no way affect the territorial boundaries of the authority. (1943, c. 780, s. 4; 1971, c. 799; 1983, c. 775, s. 1; 1993, c. 529, s. 6.1.)

CASE NOTES

Applicability. — G.S. 131E-20, concerning the territorial boundaries of a hospital authority, applies to hospital authorities organized pursuant to G.S. 131E-15 to 131E-39 (the Hospital Authorities Act). Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

Venue. — Venue of negligence suit against hospital authority was properly transferred to the county by which it was governed, pursuant to G.S. 1-77, providing for venue of actions against a public officer, despise the fact that the authority operated in multiple counties. Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

§ 131E-21. Conflict of interest.

(a) No commissioner or employee of the hospital authority or that person's spouse shall do either of the following:

(1) Acquire any interest, direct or indirect, in any hospital facility or in any property included or planned to be included in a hospital facility.

(2) Have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used in connection with any hospital facility, except an employment contract for an employee. The foregoing restriction shall not apply to any contract, undertaking, or other transaction with a bank or banking institution, savings and loan association or public utility in the regular course of its business; Provided that any such contract, undertaking, or other transaction shall be authorized by the commissioners by specific resolution on which no commissioner having an interest, direct or indirect, shall vote.

(b) The fact that a person or that person's spouse owns ten percent (10%) or less stock of a corporation or has a ten percent (10%) or less ownership in any other business entity or is an employee of that corporation or other business entity does not make the person have an "interest, direct or indirect" as this phrase is used in subsection (a) of this section; provided that, in order for the exception to apply, the contract, undertaking or other transaction shall be authorized by the commissioners by specific resolution on which no commissioner or employee having an interest, direct or indirect, shall vote.

(c) If a commissioner or employee of an authority or that person's spouse owns or controls an interest, direct or indirect, in any property included or planned to be included in any hospital facility, the commissioner or employee shall immediately disclose the same in writing to the authority and the disclosure shall be entered upon the minutes of the authority. Failure to disclose shall constitute misconduct in office and shall be grounds for a commissioner's removal from office under G.S. 131E-22.

(d) Subsection (a) of this section shall not apply to any commissioner of a hospital authority if (i) the undertaking or contract or series of undertakings or contracts between the hospital authority and one of its officials is approved by specific resolution of the governing body adopted in an open and public meeting

and recorded in its minutes and the amount does not exceed twelve thousand five hundred dollars ($12,500) for medically related services and twenty-five thousand dollars ($25,000) for other goods or services within a 12-month period; and (ii) the official entering into the contract or undertaking with the hospital authority does not in an official capacity participate in any way or vote.

(e) Subsection (a) of this section shall not apply to any employment relationship between a hospital authority and the spouse of a commissioner of the hospital authority.

(f) A contract entered into in violation of this section is void. A contract that is void under this section may continue in effect until an alternative can be arranged when: (i) immediate termination would result in harm to the public health or welfare, and (ii) the continuation is approved as provided in this subsection. A hospital authority that is a party to the contract may request approval to continue contracts under this subsection from the chairman of the Local Government Commission. Approval of continuation of contracts under this subsection shall be given for the minimum period necessary to protect the public health or welfare. (1943, c. 780, s. 7; 1971, c. 749; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1058, s. 1; 2001-409, s. 7.)

Editor's Note. — Session Laws 2001-409, s. 10, made the amendment by s. 7 effective July 1, 2002, and applicable to actions taken and offenses committed on or after that date. Section 10 further provides that prosecutions for offenses committed before the effective dates of the provisions of the act are not abated or affected by the act, and the statutes that would be applicable but for the act remain applicable to those prosecutions.

Effect of Amendments. — Session Laws 2001-409, s. 7, effective July 1, 2002, and applicable to actions taken and offenses committed on or after that date, inserted the designations for subsections (a), (b), and (c); substituted "or that person's spouse shall do either of the following" for "shall" at the end of the introductory language of subsection (a); deleted "or" at the end of subdivision (a)(1); in subsection (b), inserted "or that person's spouse," and substituted "subsection (a) of this section" for "subsections (1) and (2) of the section"; inserted "or that person's spouse" near the beginning of subsection (c); and added subsections (d) through (f). For applicability, see editor's note.

§ 131E-22. Removal of commissioners.

(a) The appointing authority, as stated in G.S. 131E-18, may remove a commissioner for inefficiency, neglect of duty, or misconduct in office. A commissioner may be removed only after he or she has been given a copy of the charges and provided the opportunity to be heard in person or by counsel. A commissioner is entitled to at least 10 days after receipt of the notice to prepare for a hearing before the mayor or the chairman of the county.

(b) An obligee of the authority may file with the mayor or the chairman of the county board of commissioners written charges that the authority is willfully violating the laws of the State or a term, provision, or covenant to any contract to which the authority is a party. The mayor or the chairman of the county board of commissioners shall give each of the commissioners a copy of the charges at least 10 days prior to the hearing on the charges. The commissioners shall be provided an opportunity to be heard in person or by counsel. The mayor or the chairman of the county board of commissioners shall, within 15 days after receipt of the charges, remove any commissioners of the authority who are found to have acquiesced in any willful violation. If a commissioner has not filed a written statement before the hearing with the authority stating his or her objections to or lack of participation in the violation, the commissioner shall be deemed to have acquiesced in a willful violation.

(c) If, after due and diligent search, a commissioner to whom charges are required to be delivered cannot be found within the county where the authority

is located, the charges shall be deemed to be served upon the commissioner when it is mailed to the commissioner at the commissioner's last known address as the same appears on the records of the authority.

(d) In the event of the removal of any commissioner, the mayor shall file in the office of the city clerk, or the chairman of the county board of commissioners shall file with the county clerk, a record of the proceedings together with the charges against the commissioner and the findings. (1943, c. 780, s. 8; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-23. Powers of the authority.

(a) An authority shall have all powers necessary or convenient to carry out the purposes of this Part, including the following powers, which are in addition to those powers granted elsewhere in this Part:

(1) To investigate hospital, medical, and health conditions and the means of improving those conditions;
(2) To determine where inadequate hospital and medical facilities exist;

The authority may provide for the lessee to use, operate, manage and control the hospital facilities, and to exercise designated powers, in the same manner as the authority itself might do;

An owner of a removed vehicle as a condition of regaining possession of the vehicle, shall reimburse the hospital authority for all reasonable costs, not to exceed fifty dollars ($50.00), incidental to the removal and storage of the vehicle provided that the designation of the area as a no parking or restricted parking zone clearly indicates that the owner may be subject to these costs;

(c) Expired pursuant to Session Laws 1983, c. 775, s. 1.

(d) No provisions with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to a hospital authority unless otherwise specified by the General Assembly. (1913, c. 42, s. 15; 1917, c. 268; C.S., s. 7273; 1983, c. 775, s. 1; 1995, c. 509, s. 135.1(l); 1997-456, s. 27; 1999-456, s. 6.)

Local Modification. — Craven County: 1987 (Reg. Sess., 1988), c. 922, s. 3.

Editor's Note. — Subdivisions (22)(a), (22)(b) and (22)(c) of this section were renumbered as subdivisions (22)a., (22)b., and (22)c., pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

CASE NOTES

Observance of Due Process Requirements. — Hospital authority, in the administration of its public duties of determining who practices medicine and surgery in the hospital, must observe the due process or procedural fairness requirements of the Constitution of the United States. Poe v. Charlotte Mem. Hosp., 374 F. Supp. 1302 (W.D.N.C. 1974), decided under former statutory provisions.

Hospital Granting Exclusive Privilege to Use Equipment Held Not Immune Under State Action Exemption. — In an antitrust action brought under §§ 1 and 2 of the Sherman Act (15 U.S.C. §§ 1 and 2) by plaintiff physicians asserting that defendant hospital had improperly restricted use of its CAT Scan, defendant was held to have failed to show, in support of its motion to dismiss, that the General Assembly had authorized defendant to grant exclusive privileges to certain physicians to use its facilities with the intent to restrict competition, so as to render defendant immune from antitrust liability under the state action exemption. Coastal Neuro-Psychiatric Assocs. v. Onslow County Hosp. Auth., 607 F. Supp. 49 (E.D.N.C. 1985).

§ 131E-24. Eminent domain.

(a) A hospital authority may acquire by eminent domain any real property, including fixtures and improvements, which it deems necessary to carry out the purposes of this Part. The hospital authority may exercise the power of eminent domain under the provisions of Chapter 40A of the General Statutes or any other statute now in force or subsequently enacted for the exercise of the power of eminent domain.

(b) No property belonging to any city, town, or county, any government, religious or charitable organization, or to any existing hospital or clinic may be acquired without its consent. No property belonging to a public utility

corporation may be acquired without the approval of the commission or other officer or agency, if any, having regulatory power over the corporation.

(c) The right of eminent domain shall not be exercised unless and until a certificate of public convenience and necessity for the facility has been issued by the North Carolina Utilities Commission. The proceedings leading up to issuing of the certificate of public convenience and necessity, and the right of appeal from the proceedings shall be governed by the Public Utilities Act, Chapter 62 of the General Statutes, and the rights under that act are hereby expressly reserved to all interested parties in the proceedings. In addition to the powers now granted by law to the North Carolina Utilities Commission, the Utilities Commission is authorized to investigate and examine all facilities set up or attempted to be set up under this Part and to determine the question of public convenience and necessity for the facility. (1943, s. 780, s. 10; 1971, c. 799; 1981, c. 919, s. 18; 1983, c. 775, s. 1.)

§ 131E-25. Zoning and building laws.

All hospital facilities of the authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the hospital facility is situated. (1943, c. 780, s. 11; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-26. Revenue bonds and notes.

(a) A hospital authority shall have the power to issue revenue bonds under the Local Government Revenue Bond Act, Chapter 159 of the General Statutes, Article 5, or the bond and revenue anticipation provisions of Chapter 159 of the General Statutes, Article 9, for the purpose of acquiring, constructing, reconstructing, improving, enlarging, bettering, equipping, extending or operating hospital facilities.

(b) A hospital authority shall have the power to borrow for the purposes above enumerated upon its notes or other evidences of indebtedness, subject to the approval of the Local Government Commission as provided in G.S. 131E-32(c). Such approval shall be required regardless of the amount of any such borrowing. Any borrowing by a hospital authority before the date of ratification of Part 2 of Article 2 of this Chapter, whether or not approved by the Local Government Commission, is valid, ratified and confirmed. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-27. Contracts with federal government.

A hospital authority is authorized:

(1) To borrow money and accept grants from the federal government for or to aid in the construction of a hospital facility;

(2) To acquire any land acquired by the federal government for the construction of a hospital facility; and

(3) To acquire, lease or manage any hospital facility constructed or owned by the federal government.

To these ends, a hospital authority is authorized to enter into contracts, mortgages, trust indentures, leases or other agreements giving the federal government the right to supervise and approve the construction, maintenance and operation of the hospital facility. It is the purpose and intent of this Part to authorize every hospital authority to do any and all things necessary to secure the financial aid and cooperation of the federal government in the construction, maintenance, and operation of hospital facilities. (1943, c. 780, s. 19; 1971, c. 799; 1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-28. Tax exemptions.

(a) Hospital authorities shall be exempt from the payment of taxes or fees to the State or any of its subdivisions, or to any officer or employee of the State or any of its subdivisions.

(b) Hospital authority property used for public purposes shall be exempt from all local and municipal taxes and for the purposes of this tax exemption, an authority shall be deemed to be a municipal corporation.

(c) Bonds, notes, debentures, or other evidences of indebtedness of a hospital authority issued under the Local Government Revenue Bond Act, Chapter 159 of the General Statutes, Article 5, or issued pursuant to the bond and revenue anticipation provisions of Chapter 159 of the General Statutes, Article 9, or issued pursuant to G.S. 131E-26(b) or contracted pursuant to G.S. 131E-32 shall at all times be free from taxation by the State or any of its subdivisions, except for inheritance or gift taxes, income taxes on the gain from the transfer of the instruments, and franchise taxes. The interest on the instruments is not subject to taxation as income. (1943, c. 780, s. 21; 1971, c. 799; 1973, c. 695, s. 6; 1977, c. 268; 1983, c. 775, s. 1; 1995, c. 46, s. 13.)

§ 131E-29. Audits and recommendations.

Each hospital authority shall file with the mayor of the city or the chairman of the county board of commissioners at least annually an audit report by a certified public accountant of its activities for the preceding year, and shall make any recommendations necessary to carry out the purposes of this Part. (1943, c. 780, s. 22; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-30. Appropriations.

Each year the governing body of a city or county in which the hospital authority is located may appropriate and transfer funds to the authority. The appropriations shall be from the General Fund and may not exceed five percent (5%) of the General Fund. Money appropriated and paid to the hospital authority by a city or county shall be deemed a necessary expense of the city or county. However, the appropriations shall not be deemed to be a revenue of the authority for the purpose of bonds of the hospital authority issued under the Local Government Revenue Bond Act, Chapter 159 of the General Statutes, Article 5. (1943, c. 780, s. 25; 1971, c. 780, s. 23; c. 799; 1983, c. 775, s. 1.)

Local Modification to Former G.S. 131-114. — City of Charlotte: 1955, c. 1114.

§ 131E-31. Transfers of property by a city or county to a hospital authority.

(a) A city or county may lease, sell, convey, or otherwise transfer, with or without consideration or with nominal consideration, any property, whether real or personal or mixed, to a hospital authority whose territorial boundaries include at least part of the city or county. A hospital authority is authorized to accept such lease, transfer, assignment or conveyance and to bind itself to the performance and observation of any agreements and conditions required by the city or county.

(b) If a city or county sells, conveys, or otherwise irrevocably transfers to a hospital authority property with a market value in excess of two hundred fifty thousand dollars ($250,000), and if the hospital authority accepts this property, the mayor of the city or the chairman of the county board of commissioners shall have the right to name additional commissioners to serve on the authority. The number of additional commissioners shall be such that the proportion of additional commissioners to existing commissioners is approximately equal to the proportion of the total value being transferred to the hospital authority to the total value of property already held by the authority. The determination of the ratios will be made solely by the governing body of the city or county transferring the property to the hospital authority; however, in no event shall fewer than two nor more than nine commissioners be added to the hospital authority. The total number of commissioners shall be increased by the number of commissioners added under this subsection. The times of commencement and expiration of the initial terms of the commissioners being added shall be determined by agreement between the hospital authority and the governing body of the city or county. After the expiration of the initial terms, subsequent terms will be three years. Copies of the agreement setting out the number of persons being added and the terms of each shall be filed with the clerk of the city or the clerk of the county board of commissioners making the transfer and, thereafter, copies of the reports referred to in G.S. 131E-29 shall be filed with the clerk of the city or the clerk of the county board of commissioners. (1943, c. 780, s. 26; 1961, c. 988, s. 2; 1971, c. 799; 1983, c. 775, s. 1.)

OPINIONS OF ATTORNEY GENERAL

County May Limit Hospital's Exercise of Powers in Lease Agreement. — Under this section, a county has the authority to lease hospital property to a hospital authority organized pursuant to the Hospital Authorities Act under a lease that would require the hospital authority to obtain the county's prior written approval before it exercises some of its powers. See opinion of Attorney General to Thomas S. Stukes, Esq. Smith Helms Mulliss & Moore, L.L.P., 1997 N.C.A.G. 51 (8/18/97).

§ 131E-32. Purchase money security interests.

(a) An authority shall have the power and authority to purchase real or personal property under installment contracts, purchase money mortgages or deeds of trust, or other instruments, which create in the property purchased a security interest to secure payment of the purchase price and interest thereon. No deficiency judgment may be rendered against any authority for breach of an obligation authorized by this section. Any contract made or entered into by an authority before the date of ratification of Part 2 of Article 2 of this Chapter which would have been valid hereunder is valid, ratified and confirmed.

(b) A hospital authority may contract pursuant to this section in an amount of less than seven hundred fifty thousand dollars ($750,000), adjusted, as hereinafter provided, in any single transaction without the approval of the Local Government Commission: Provided, however, that the approval of the Local Government Commission shall be required for any single contract pursuant to this section if the aggregate dollar amount of all such contracts outstanding after any such single transaction, exclusive of revenue bonds issued pursuant to G.S. 131E-26 and federal contracts entered pursuant to G.S. 131E-27, would exceed ten percent (10%) of the total operating revenues, as hereinafter defined, of the hospital authority for its most recently completed fiscal year as set forth in the audited financial statements of such authority for such fiscal year. The approval of the Local Government Commission shall be required with respect to any single contract pursuant to this section in an amount of seven hundred fifty thousand dollars ($750,000) or more, adjusted as hereinafter provided.

(c) Approval of the Local Government Commission under this section or as required by G.S. 131E-26(b) shall be obtained in accordance with such rules and regulations as the Local Government Commission may prescribe and shall be evidenced by the secretary's certificate on the contract or note or other evidence of indebtedness. In determining whether to approve any such contract or borrowing, the Local Government Commission shall consider whether the hospital authority can demonstrate the financial responsibility and capability of the hospital authority to fulfill its obligations with respect to such contract or borrowing. The Local Government Commission may approve the application without other findings, if it finds that (i) the proposed project or the purpose of the borrowing is necessary and expedient, (ii) the contract or the borrowing, under the circumstances, is preferable to a bond issue for the same purpose, (iii) the sums to fall due under the contract or borrowing are adequate and not excessive for the proposed purpose, (iv) the authority's debt management procedures are good, or that reasonable assurances have been given that its debt will henceforth be managed in strict compliance with law and (v) the authority is not in default on any of its debt service obligations. Any contract or borrowing subject to this subsection requiring the approval of the Local Government Commission that does not bear the secretary's certificate thereon shall be void, and it shall be unlawful for any officer, employee or agent of a hospital authority to make any payments of money thereunder. An order of the Local Government Commission approving any such contract or borrowing shall not be regarded as an approval of the legality of the contract or borrowing in any respect.

(d) The seven hundred fifty thousand dollars ($750,000) amount referred to in G.S. 131E-32(b) shall be in effect from July 15, 1983 through September 30, 1984. For each twelve-month period thereafter, the seven hundred fifty thousand dollar ($750,000) amount shall be the figure in effect for the preceding twelve-month period, adjusted to reflect the change in the preceding twelve-month period in the Department of Commerce Composite Construction Cost Index.

(e) For purposes of G.S. 131E-32(b), the "total operating revenues" of a hospital authority for a fiscal year means patient revenue, less provisions for contractual adjustments, uncompensated care and bad debts, plus other operating revenues, all as determined in accordance with generally accepted accounting principles. (1983, c. 775, s. 1.)

§ 131E-33. Part controlling.

Insofar as the provisions of this Part are inconsistent with the provisions of any other law, the provisions of this Part shall be controlling; however this Part

shall not be construed as preventing a city, town, or county from establishing and operating a hospital under the authority of any other law now or hereafter in effect. (1943, c. 780, s. 28; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-34. Part applicable to City of High Point.

All the provisions of this Part shall apply to the City of High Point, Guilford County, North Carolina, as fully as if the population of the city exceeded 75,000 inhabitants. (1947, c. 349; 1971, c. 799; 1983, c. 775, s. 1.)

§§ 131E-35 through 131E-39: Reserved for future codification purposes.

Part 3. Hospital District Act.

§ 131E-40. Title and purpose.

(a) This Part shall be known as the "Hospital District Act."

(b) It is the purpose of this Part to authorize the creation of hospital districts to furnish hospital, clinical and similar services to the people of this State.

(c) This Part provides an additional and alternative method for the provision of hospital, clinical and similar services.

(d) This Part shall be construed liberally to effect its purposes. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1983, c. 775, s. 3, provided: "Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, ss. 1 and 2, effective June 12, 1989, amended G.S. 131-7. Chapter 131 was repealed by Session Laws 1983, c. 775, s. 1, effective January 1, 1984. However, Session Laws 1983, c. 775, s. 3 contained a savings provision for certain units of government.

Session Laws 1989, c. 283, ss. 1 and 2 provided: "Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital."

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee.', and substituting 'One practicing physician may serve as a trustee'."

CASE NOTES

As to the constitutionality of former statutory provisions, see Williamson v. Snow, 239 N.C. 493, 80 S.E.2d 262 (1954).

§ 131E-41. Methods of creation of a hospital district.

(a) The voters of an area may petition their county board of commissioners and the North Carolina Medical Care Commission for the creation of a hospital district. All of the area proposed to be included within a hospital district must be located within one county. The petition shall be signed by at least 500 voters of the area described in the petition. However, if the area has less than 1,100 voters, then the minimum number of petitioners shall be 250 voters. The petition shall set forth:

(1) A description of the area to be included within the proposed hospital district;

(2) The names of all municipalities located in whole or in part in the proposed hospital district;

(3) The names of all publicly owned hospitals in the proposed hospital district;

(4) The purpose or purposes sought to be accomplished by the creation of the hospital district; and

(5) The proposed name of the hospital district.

The petition shall be delivered to the county board of commissioners of the county in which the proposed hospital district would be located. If the county board of commissioners approves the creation of the hospital district, they shall have the petition delivered to the North Carolina Medical Care Commission for review under G.S. 131E-42.

(b) In the alternative, the county board of commissioners, in its discretion, may create a hospital district by resolution. This authority exists only when one hospital district already exists in the county, or when a special tax levy for hospital purposes has been authorized or is now authorized with respect to a portion of the county. This power is limited to establishing a hospital district in the area lying outside the existing hospital district or outside the portion of the county in which a hospital tax levy has been or is now authorized. When a county board of commissioners exercises its power under this subsection, all other provisions of this Part shall be applicable, except as modified by this subsection. (1949, c. 766, s. 5; 1953, c. 1045, s. 1; 1959, cc. 877, 1074; 1971, c. 780, s. 37.4; 1973, c. 476, s. 152; c. 494, s. 45; c. 1090, s. 1; 1983, c. 775, s. 1.)

§ 131E-42. Hearing and determination.

(a) After receipt of a petition for the creation of a hospital district that meets the requirements of G.S. 131E-41(a) and that has been approved by the county board of commissioners, the North Carolina Medical Care Commission shall give notice of a hearing on the creation of a hospital district. The notice of hearing shall be posted at the county courthouse door and at three public places within the proposed district. In addition, notice of hearing shall be published at least once for three successive weeks in a newspaper circulating in the proposed district. The notice of hearing shall specify:

(1) The date of hearing which shall not be earlier than 20 days after the first posting and publication of notice;

(2) The location of the hearing, which shall be within the county in which the proposed district would be located; and

(3) That any interested person may appear and be heard at the hearing.

(b) At the time and place specified in the notice of hearing, the North Carolina Medical Care Commission, or its designee, shall hear all interested persons, and, if necessary, adjourn and reconvene at a later time.

(c) After the hearing, the North Carolina Medical Care Commission shall determine if it is in the public interest and beneficial to the residents of the area to create a hospital district, and, if it is, shall adopt a resolution creating

the hospital district. The resolution shall define the area to be included in the hospital district. The area shall either be the one described in the petition or a part of that area. However, no municipality, in whole or in part, shall be included in a hospital district unless the governing body of the municipality shall have approved by resolution the inclusion and shall have filed a certified copy of the resolution with the North Carolina Medical Care Commission.

(d) Each hospital district shall be designated by the North Carolina Medical Care Commission as the "_____ Hospital District of _____ County," inserting in the blank spaces a name identifying the locality and the name of the county.

(e) The North Carolina Medical Care Commission shall give notice of the creation of a hospital district. The notice shall be published at least once for two successive weeks in the newspaper in which the notice of hearing required by G.S. 131E-42(a) was published. A notice substantially in the following form, the blanks first being properly filled in, with the printed or written signature of the executive secretary of the North Carolina Medical Care Commission appended, shall be published with the resolution:

> The foregoing resolution was passed by the North Carolina Medical Care Commission on the _____ day of _____, _____; it was first published on the _____ day of _____, _____.
>
> Any action or proceeding questioning the validity of the resolution or creation of the _____ Hospital District of _____. County or the inclusion in the district of any of the areas described in the resolution must be commenced within thirty days after the first publication of this resolution.

CASE NOTES

Resolution of Commission. — The provision in former similar section requiring the adoption of a resolution "determining that the residents of all the territory to be included in such district will be benefited by the creation of such district" was nothing more than a requirement that the Medical Care Commission, before creating a hospital district, should determine that a hospital was needed in the area included within the boundaries of such proposed hospital district. Williamson v. Snow, 239 N.C. 493, 80 S.E.2d 262 (1954).

§ 131E-43. Limitation of actions.

Any action or proceeding in any court to set aside a resolution of the North Carolina Medical Care Commission creating any hospital district, or questioning the validity of the resolution, or the creation of any hospital district, or the inclusion in the district of any of the territory described in the resolution creating the district, must be commenced within 30 days after the first publication of the resolution and notice required by G.S. 131E-42(e). Thereafter, no right of action or defense founded upon the invalidity of a resolution or the creation of a district or the inclusion of any territory in the district shall be asserted, nor shall the validity of the resolution or the creation of the district or the inclusion of any territory be open to question in any court upon any ground, except in any action or proceeding commenced within the 30-day period. (1949, c. 766, s. 5; 1951, c. 805; 1953, c. 1045, s. 2; 1973, c. 476, s. 152; c. 1090, s. 1; 1983, c. 775, s. 1.)

§ 131E-44. General powers.

(a) The inhabitants of a hospital district are a body corporate and politic by the name specified by the North Carolina Medical Care Commission. Under that name they:

(1) Are vested with all the property and rights of property belonging to any corporation;
(2) Have perpetual succession;
(3) May sue or be sued;
(4) May contract;
(5) May acquire any real or personal property;
(6) May hold, invest, sell or dispose of property;
(7) May have a seal and alter and renew it; and
(8) May exercise the powers conferred upon them by this Part.

(b) A hospital district is vested with all the powers necessary or convenient to carry out the purposes of this Part, including the following powers, which are in addition to the powers granted elsewhere:

(1) Those powers granted under the Municipal Hospital Act, Chapter 131E of the General Statutes, Article 2, Part 1;
(2) To issue general obligation and revenue bonds and bond anticipation notes pursuant to the Local Government Finance Act, Chapter 159 of the General Statutes;
(3) To issue tax and revenue anticipation notes pursuant to Chapter 159 of the General Statutes, Article 9, Part 2; and
(4) All other powers as are necessary and incidental to the exercise of the powers of this Part. (1971, c. 780, s. 37.4; 1973, c. 476, s. 152; c. 494, s. 45; 1983, c. 775, s. 1.)

§ 131E-45. County taxes.

The county board of commissioners may levy a tax for the financing of the operation, equipment, and maintenance of any hospital operated by the district, including any public or nonprofit hospital, if the tax is approved by a majority of the qualified voters of the hospital district who shall vote on the question of levying the tax. The county board of commissioners shall determine the rate or amount of taxes that will be levied if approved by the voters of the district. The election on the question of levying the tax may be held at any time fixed by the county board of commissioners and shall be conducted in the same manner as bond elections held under G.S. 159-61. (1949, c. 766, s. 5; 1953, c. 1045, s. 6; 1983, c. 775, s. 1.)

§ 131E-46. Referendum on repeal of tax levy.

(a) The board of commissioners of the county in which a hospital district was created under the provisions of this Part may, if a tax levy was authorized by referendum under G.S. 131E-45, call a referendum on the repeal of the authority to levy a tax. Such referendum may be called only if there are no outstanding general obligation bonds of the district.

(b) The question on the ballot shall be:

"☐ FOR removal of the right of the board of county commissioners to levy and collect a tax in _____ Hospital District of _____ County,

"☐ AGAINST removal of the right of the board of county commissioners to levy and collect a tax in _____ Hospital District of _____ County."

(c) The referendum shall be conducted in the same manner as bond elections held under G.S. 159-61. No new registration of voters shall be required.

(d) If a majority of the votes cast are in favor of the question, then beginning on the first day of the fiscal year following the date of the referendum, the board of county commissioners shall have no authority to levy a tax in the hospital district unless the voters approve under G.S. 131E-45. No referendum may be held within one year of the date of a referendum under this section. (1983, c. 775, s. 1.)

§ 131E-47. Governing body.

The board of county commissioners of the county in which a hospital district is located shall be the governing body of the district. All of the provisions of the Municipal Hospital Act, Chapter 131E, Article 2, Part 1, shall apply to the hospital district and to the county board of commissioners as the governing body. (1953, c. 1045, s. 7; 1983, c. 775, s. 1.)

Part 4. Limited Liability.

§ 131E-47.1. Limited liability.

(a) A person serving as a director, trustee, or officer of a public hospital as defined in G.S. 159-39, or as a commissioner, member, or officer of a hospital authority established under Part 1 or 2 of this Article, or as a director, trustee, or officer of North Carolina Memorial Hospital, shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of this service, except where the person:

(1) Is compensated for his services beyond reimbursement for expenses,
(2) Was not acting within the scope of his official duties,
(3) Was not acting in good faith,
(4) Committed gross negligence or willful or wanton misconduct that resulted in the damage or injury,
(5) Derived an improper personal financial benefit from the transaction,
(6) Incurred the liability from the operation of a motor vehicle, or
(7) Is defendant in an action brought under G.S. 55A-28.1 or 55A-28.2.

(b) The immunity in subsection (a) is personal to the directors, trustees, officers, commissioners, and members, and does not immunize the hospital or hospital authority for liability for the acts or omissions of the directors, trustees, or officers. (1987 (Reg. Sess., 1988), c. 1057, s. 1; c. 1100, s. 39.2.)

Article 2A.

Garnishment for Debts Owed Public Hospitals.

§ 131E-48. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1) "Disposable earnings" means that part of the compensation paid or payable for personal services, including wages, salary, commission, bonus, payments to a pension or retirement program, and other similar payments that remain after the deduction of any amounts required by law to be withheld.
(2) "Family" means a parent or parents and minor children or spouses that reside together.
(3) "Family income of the debtor" means family income as set out in the annual federal poverty guidelines issued by the United States Depart-

ment of Health and Human Services in effect at the time of the hearing, less the amount of the costs of the family's reasonable ongoing medical needs.

(4) "Garnishee" means an employer liable for compensation for personal services rendered or to be rendered by a person who is indebted to a public hospital for hospital services.

(5) "Hospital services" means services rendered only by the public hospital. Hospital services shall include professional charges of any physician or medical student, but only if the physician or student is an employee of the public hospital.

(6) "Public hospital" means any hospital facility operated on a nonprofit basis, any hospital that is owned or operated by the State, or any hospital as defined in G.S. 159-39(a). (1987 (Reg. Sess., 1988), c. 880, s. 1.)

§ 131E-49. Procedure for garnishment.

(a) A public hospital may move the court in the county wherein the debtor resides for an order for garnishment of the disposable earnings of the debtor after 10 days following the entry of a judgment for a sum certain for hospital services rendered if the following conditions have been met:

(1) The public hospital has made reasonable efforts to collect the bill from any third-party payors;

(2) The public hospital has waited for a period of at least 120 days following the mailing of the bill for hospital services rendered to the debtor's last known address; and

(3) The public hospital has sent a certified letter to the debtor's last known address which includes information that the debtor's disposable earnings may be subject to wage garnishment unless the debtor shows the hospital that his family income is at or below two hundred percent (200%) of the annual federal poverty guidelines. The letter shall include the definition of family, family income, the current federal poverty guidelines in effect at the time of the letter, and the procedures to contest the proposed garnishment.

(b) The court may enter an order of garnishment following notice requirements set forth in this Article and a hearing held pursuant to the motion for garnishment. Provided, however, that the court shall not enter an order of garnishment unless the court makes findings of fact that the current family income of the debtor, at the time of the hearing, exceeds two hundred percent (200%) of the guidelines. The notice of the motion for garnishment shall include information that the debtor's disposable earnings shall not be garnished if the debtor shows that his current family income is at or below two hundred percent (200%) of the annual federal poverty guidelines and the definition of family, family income, and the guidelines shall be attached to such notice. The notice shall also state the procedures and duties applicable under this Article, including the procedures the debtor should follow to contest the proposed garnishment. The court shall presume that the current family income of the debtor exceeds two hundred percent (200%) of the federal poverty guidelines if the debtor or his representative fails to appear at the hearing held on the motion for garnishment. If an order for garnishment is entered, a copy of the order shall be served on the debtor and the garnishee either personally or by certified or registered mail, return receipt requested.

(c) The court shall not enter an order of garnishment if the debtor is making regular payments to the public hospital that are equal to ten percent (10%) of the debtor's monthly disposable earnings. Further, the court shall not enter an order of garnishment if the debtor satisfactorily shows that he is making a

good faith effort to obtain payment for hospital services from a third-party payor.

(d) The court shall not enter an order of garnishment which exceeds ten percent (10%) of the debtor's monthly disposable earnings. The court shall not enter an order of garnishment which is in effect for a period in excess of 60 months from the date of the initial order of garnishment.

(e) The amount garnished shall be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the garnishee for each payment under the order.

(f) The garnishment order shall be subject to review for modification or dissolution upon the filing of a motion in the cause. The garnishment order shall be dissolved upon a showing by the debtor that his current family income equals or is less than two hundred percent (200%) of the annual federal poverty guidelines issued by the United States Department of Health and Human Services in effect at the time of the hearing on the motion.

(g) Upon receipt of an order of garnishment, the garnishee shall transmit the amount ordered by the court to be garnished to the clerk of court who shall disburse it to the public hospital. The garnishee shall not be required to change normal pay cycles, but shall make every effort to ensure that payments are received as soon as practicable. The garnishment order shall simplify the withholding process for garnishees to the extent possible. (1987 (Reg. Sess., 1988), c. 880, s. 1.)

§ 131E-50. Penalties.

No employee may be discharged from employment or suffer any disciplinary action because he has been subject to garnishment of his wages if one of the garnishments was under this Article. An employee who believes that this provision has been violated may bring an action against the employer. In any such action, the court for cause shown shall restrain violations and order payment of damages, including backpay, reinstatement, and all other appropriate relief, including payment of the employee's reasonable costs and attorney's fees. (1987 (Reg. Sess., 1988), c. 880, s. 1.)

§ 131E-51. Applicability.

Garnishment of disposable earnings under this Article is in lieu of any other execution against the property of the debtor. Upon the satisfaction of the judgment or the expiration of the order of garnishment or 60 months from the date of the entry of the order of garnishment, whichever occurs first, the clerk shall mark the judgment paid and satisfied. (1987 (Reg. Sess., 1988), c. 880, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 36.)

Article 3.

North Carolina Specialty Hospitals.

Part 1. Lenox Baker Children's Hospital.

§§ 131E-55 through 131E-58: Repealed by Session Laws 1987, c. 856, s. 13.

Editor's Note. — Session Laws 1987, c. 856, s. 13 repealed G.S. 131E-55 to 131E-58.

Session Laws 1987, c. 856, s. 20 provided that ss. 1 through 19 would be effective only upon agreement by Duke University to the terms of ss. 21 through 26 of the act and certification of that fact by the Secretary of the Department of Human Resources to the Governor, and that ss. 12 to 17 would be effective on the date of the transfer. Section 20 further provided that any disputes arising out of the transfer would be resolved by the Director of Budget.

The letter of certification from the Secretary of the Department of Human Resources was dated October 5, 1988, but it appears that this was a typographical error and that October 5, 1987, was the correct date.

Sections 21 through 26 of the act provided terms for the transfer of the Lenox Baker Hospital to Duke University.

Session Laws 1987, c. 279 amended repealed G.S. 131E-56.

§§ 131E-59 through 131E-64: Reserved for future codification purposes.

Part 2. Other Programs Controlled by the Department.

§ 131E-65. Alcohol Detoxification Program.

There shall be no reduction of services offered, no contracting of primary services, nor removal of this facility from Buncombe County without prior approval of the General Assembly. (1983, c. 775, s. 1.)

§ 131E-66: Repealed by Session Laws 1985, c. 589, s. 40.

§ 131E-67. Specialty hospitals.

All functions, powers, duties, and obligations heretofore vested in the Board of Directors of the North Carolina Specialty Hospitals and Eastern North Carolina Hospital are hereby transferred to and vested in the Department. All appropriations heretofore made to such Board of Directors or to any of the hospitals are hereby transferred to the Department. The Secretary of the Department shall have the power and duty to adopt rules for the operation of these facilities. (1979, c. 838, s. 46; 1983, c. 775, s. 1.)

§§ 131E-68, 131E-69: Reserved for future codification purposes.

Article 4.

Construction and Enlargement of Hospitals.

§ 131E-70. Construction and enlargement of local hospitals.

(a) The Department is authorized to continue surveys of all counties in the State to determine:

(1) The hospital needs of the county;

(2) The economic ability of various areas to support adequate hospital service;

(3) What assistance by the State, if any, is necessary to supplement other available funds; to finance the construction of new hospitals and health centers, additions to existing hospitals and health centers; and

to finance equipment necessary to provide adequate hospital service for the citizens of the county;

and to periodically report this information, together with its recommendations, to the Governor, who shall transmit the reports to the General Assembly for any legislative action necessary to ensure an adequate statewide hospital program.

(b) The Department is authorized to act as the agency of the State to develop and administer a statewide plan in accordance with rules adopted by the Medical Care Commission for the construction and maintenance of hospitals, public health centers and related facilities and to receive and administer funds which may be provided by the General Assembly and by the federal government.

(c) The Department is authorized to develop statewide plans for the construction and maintenance of hospitals, medical centers and related facilities, or other plans necessary in order to meet the requirements and receive the benefits of applicable federal legislation.

(d) The Department is authorized to adopt rules to carry out the intent and purposes of this Article.

(e) The Department shall be responsible for doing all acts necessary to authorize the State to receive the full benefits of any federal statutes enacted for the construction and maintenance of hospitals, health centers or allied facilities.

(f) The Medical Care Commission shall make grants-in-aid to counties, cities, towns and subdivisions of government to acquire real estate and construct hospital facilities, including the reconstruction, remodeling or addition to any hospital facilities acquired by municipalities or subdivisions of government for use as community hospitals. These appropriations and funds made available by the State shall be allocated, apportioned and granted for the purposes of this Article and for other purposes in accordance with the rules adopted by the Medical Care Commission. The Medical Care Commission may furnish financial and other types of aid and assistance to any nonprofit hospital owned and operated by a corporation or association, no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual, upon the same terms and conditions as this aid and financial assistance is granted to municipalities and subdivisions of government.

(g) The Department may make available to any eligible hospital, clinic, or other medical facility operated by the State any unallocated federal sums or balances remaining after all grants-in-aid for local approvable projects made by the Department have been completed, disbursed or encumbered. (1945, c. 1096; 1947, c. 933, ss. 3, 5; 1949, c. 592; 1951, c. 1183, s. 1; 1971, c. 134; 1973, c. 476, s. 152; c. 1090, s. 1; 1979, c. 504, ss. 8, 14; 1983, c. 775, s. 1.)

Article 5.

Hospital Licensure Act.

Part 1. Article Title and Definitions.

§ 131E-75. Title; purpose.

(a) This Article shall be known as the "Hospital Licensure Act."

(b) The purpose of this article is to establish hospital licensing requirements which promote public health, safety and welfare and to provide for the development, establishment and enforcement of basic standards for the care and treatment of patients in hospitals. (1947, c. 933, s. 6; 1983, c. 775, s. 1.)

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

CASE NOTES

This Act does not authorize a private enforcement action against a hospital which refused medical care to a non-Indian; the legislature provided for enforcement of this Act only by the North Carolina Department of Health and Human Services. § 131E-76. Definitions.

As used in this article, unless otherwise specified:

(1) "Commission" means the North Carolina Medical Care Commission.

(2) "Governing body" means the Board of Trustees, Board of Directors, partnership, corporation, association, person or group of persons who maintain and control the hospital. The governing body may or may not be the owner of the properties in which the hospital services are provided.

(3) "Hospital" means any facility which has an organized medical staff and which is designed, used, and operated to provide health care, diagnostic and therapeutic services, and continuous nursing care primarily to inpatients where such care and services are rendered under the supervision and direction of physicians licensed under Chapter 90 of the General Statutes, Article 1, to two or more persons over a period in excess of 24 hours. The term includes facilities for the diagnosis and treatment of disorders within the scope of specific health specialties. The term does not include private mental facilities licensed under Article 2 of Chapter 122C of the General Statutes, nursing homes licensed under G.S. 131E-102, and adult care homes licensed under G.S. 131D-2.

(4) "Infirmary" means a unit of a school, or similar educational institution, which has the primary purpose to provide limited short-term health and nursing services to its students.

(5) "Medical review committee" means a committee of a State or local professional society, of a medical staff of a licensed hospital or a committee of a peer review corporation or organization which is formed for the purpose of evaluating the quality, cost of, or necessity

for hospitalization or health care, including medical staff credentialing.

(6) "Primary care hospital" means a hospital which has been designated as a primary care hospital by the North Carolina Department of Health and Human Services, Office of Rural Health and Resource Development. To be designated as a primary care hospital under this subdivision, the hospital must be located in a rural community, provide primary care inpatient services that do not include inpatient surgery, and provide outpatient services which may include outpatient surgery. A primary care hospital shall have a maximum annual average daily census of 15 patients and may have psychiatric and long-term care distinct part units. A primary care hospital must be part of a rural hospital network.

(7) "Rural hospital network" means an alliance of members that shall include at least one primary care hospital and one other hospital. To qualify as a rural hospital network, the members must submit a comprehensive, written memorandum of understanding to the Department of Health and Human Services for the Department's approval. The memorandum of understanding must include provisions for patient referral and transfer, a plan for network-wide emergency services, and a plan for sharing patient information and services between hospital members including medical staff credentialing, risk management, quality assurance, and peer review. CASE NOTES

A board of trustees is not within the contemplation of subdivision (5), which defines a medical review committee. Shelton v. Morehead Mem. Hosp., 76 N.C. App. 253, 332 S.E.2d 499 (1985), modified on other grounds, 318 N.C. 76, 347 S.E.2d 824 (1986).

A board of trustees of a hospital is not a medical review committee, even though the board may review personnel recommendations of the medical review committees and has ultimate decision-making authority upon these recommendations by virtue both of the hospital's bylaws and G.S. 131E-85. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

(c) An applicant for licensing under this Part shall provide information related to hospital operations as requested by the Department. The required information shall be submitted by the applicant on forms provided by the Department and established by rule.

(d) Upon receipt of an application for a license, the Department shall issue a license if it finds that the applicant complies with the provisions of this Article and the rules of the Commission. The Department shall renew each license in accordance with the rules of the Commission. The Department shall charge the applicant a nonrefundable annual base license fee plus a nonrefundable annual per-bed fee as follows:

Facility Type	Number of Beds	Base Fee	Per-Bed Fee
General Acute Hospitals:	1-49 beds	$125.00	$6.25
	50-99 beds	$175.00	$6.25

	200-399 beds	$275.00	$6.25
	400-699 beds	$375.00	$6.25
	700+ beds	$475.00	$6.25
Other Hospitals:		$250.00	$6.25

(e) The Department shall issue the license to the operator of the hospital who shall not transfer or assign it except with the written approval of the Department.

(f) The operator shall post the license on the licensed premises in an area accessible to the public. (1947, c. 933, s. 6; 1949, c. 920, ss. 3, 4; 1963, c. 66; 1973, c. 476, s. 152; c. 1090, s. 1; 1975, c. 718, s. 2; 1983, c. 775, s. 1; 2003-284, s. 34.2(a).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, s. 34.2.(a), effective October 1, 2003, rewrote subsection (d).

§ 131E-78. Adverse action on a license.

(a) The Department shall have the authority to deny, suspend, revoke, annul, withdraw, recall, cancel, or amend a license in any case when it finds a substantial failure to comply with the provisions of this Part or any rule promulgated under this Part.

(b) The Department shall conduct a hearing in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act, when:

(1) The Department denies an application and the applicant requests a hearing; or

(2) The Department initiates proceedings under subsection (a).

(c) Any applicant or operator who is dissatisfied with the decision of the Department as a result of the hearing provided in this section and after a written copy of the decision is served, may request a judicial review under Chapter 150B of the General Statutes, the Administrative Procedure Act. (1947, c. 933, s. 6; 1973, c. 476, s. 152; c. 1090, s. 1; 1981, c. 614, ss. 16, 17; 1983, c. 775, s. 1; 1987, c. 827, s. 1.)

§ 131E-79. Rules and enforcement.

(a) The Commission shall promulgate rules necessary to implement this Article.

(b) The Department shall enforce this Article and the rules of the Commission. (1947, c. 933, s. 6; 1973, c. 476, s. 152; 1983, c. 775, s. 1.)

§ 131E-79.1. Counseling patients regarding prescriptions.

(a) Any hospital or other health care facility licensed pursuant to this Chapter or Chapter 122C of the General Statutes, health maintenance organization, local health department, community health center, medical office, or facility operated by a health care provider licensed under Chapter 90 of the General Statutes, providing patient counseling by a physician, a registered nurse, or any other appropriately trained health care professional shall be deemed in compliance with the rules adopted by the North Carolina Board of Pharmacy regarding patient counseling.

(b) As used in this section, "patient counseling" means the effective communication of information to the patient or representative in order to improve therapeutic outcomes by maximizing proper use of prescription medications and devices. (1993, c. 529, s. 7.7.)

§ 131E-80. Inspections.

(a) The Department shall make or cause to be made inspections as it may deem necessary. Any hospital licensed under this Part shall at all times be subject to inspections by the Department according to the rules of the Commission.

(b) The Department may delegate to any state officer or agency the authority to inspect hospitals. The Department may revoke this delegated authority at its discretion and make its own inspections.

(c) Authorized representatives of the Department shall have at all times the right of proper entry upon any and all parts of the premises of any place in which entry is necessary to carry out the provisions of this Part or the rules adopted by the Commission; and it shall be unlawful for any person to resist a proper entry by such authorized representative upon any premises other than a private dwelling. However, no representative shall, by this entry onto the premises, endanger the health or well being of any patient being treated in the hospital.

(d) To enable the Department to determine compliance with this Part and the rules promulgated under the authority of this Part and to investigate complaints made against a hospital licensed under this Part, while maintaining the confidentiality of the complainant, the Department shall have the authority to review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the hospital licensed under this Part and the personnel records of those individuals employed by the licensed hospital. The examinations of these records is permitted notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the

confidentiality of communications between physician and patient. Proceedings of medical review committees are exempt from the provisions of this section. The hospital, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient, employee or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a hospital without the consent of that person. Any officer, administrator, or employee of the Department who willfully discloses confidential or privileged information without appropriate authorization or court order shall be guilty of a Class 3 misdemeanor and upon conviction shall only be fined in the discretion of the court but not in excess of five hundred dollars ($500.00). Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "Public Records" defined.

(e) Information received by the Commission and the Department through filed reports, license applications, or inspections that are required or authorized by the provisions of this Part, may be disclosed publicly except where this disclosure would violate the confidential relationship existing between physician and patient. However, no such public disclosure shall identify the patient involved without permission of the patient or court order. (1947, c. 933, s. 6; 1973, c. 476, s. 152; c. 1090, s. 1; 1981, c. 586, s. 3; 1983, c. 775, s. 1; 1993, c. 539, s. 957; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-81. Penalties.

(a) Any person establishing, conducting, managing, or operating any hospital without a license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be liable for a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(b) Except as otherwise provided in this Part, any person who willfully violates any provision of this Part or who willfully fails to perform any act required, or who willfully performs any act prohibited by this Part, shall be guilty of a Class 1 misdemeanor. However, any person who willfully violates any rule adopted by the Commission under this Part or who willfully fails to perform any act required by, or who willfully does any act prohibited by, these rules shall be guilty of a Class 3 misdemeanor. (1947, c. 933, s. 6; 1983, c. 775, s. 1; 1993, c. 539, s. 958; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-82. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management or operation of a hospital without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which

the hindrance occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes, and Rule 65 of the Rules of Civil Procedure. (1947, c. 933, s. 6; 1973, c. 476, s. 152; 1983, c. 775, s. 1.)

§ 131E-83. Temporary change of hospital bed capacity.

A hospital may temporarily increase its bed capacity by up to ten percent (10%) over its licensed bed capacity by utilizing observation beds for hospital inpatients if the hospital notifies and obtains the approval of the Division of Facility Services. For purposes of this section, "temporarily" means not longer than 60 consecutive days. (2001-410, s. 1.)

Editor's Note. — Session Laws 2001-410, s. 4, made this section effective November 1, 2001.

Session Laws 2001-410, s. 2, effective September 14, 2001, and expiring 180 days from that date, provides: "Notwithstanding G.S. 150B-21.1(a), the Medical Care Commission shall adopt temporary rules setting forth conditions for licensing all levels of neonatal care beds. After having the proposed temporary rules published in the North Carolina Register and at least 30 days prior to adopting any temporary rules pursuant to this section [s. 2 of Session Laws 2001-410], the Commission shall:

"(1) Notify persons on its mailing list maintained pursuant to G.S. 150B-21.2(d) and any other interested parties of its intent to adopt the temporary rules.

"(2) Accept oral and written comments on the proposed temporary rules.

"(3) Hold at least one public hearing on the proposed temporary rules. When the Commission adopts temporary rules pursuant to this section, the Commission shall submit a reference to this section as the Commission's statement of need to the Codifier of Rules. The Codifier of Rules shall review the Commission's proposed temporary rules in accordance with G.S. 150B-21.1(b).

"When the Commission adopts temporary rules pursuant to this section [s. 2 of Session Laws 2001-410], the Commission shall submit a reference to this section [s. 2 of Session Laws 2001-410] as the Commission's statement of need to the Codifier of Rules. The Codifier of Rules shall review the Commission's proposed temporary rules in accordance with G.S. 150B-21.1(b)."

§ 131E-84: Reserved for future codification purposes.

Part 3. Hospital Privileges.

§ 131E-85. Hospital privileges and procedures.

(a) The granting or denial of privileges to practice in hospitals to physicians licensed under Chapter 90 of the General Statutes, Article 1, dentists, optometrists, and podiatrists and the scope and delineation of such privileges shall be determined by the governing body of the hospital on a non-discriminatory basis. Such determinations shall be based upon the applicant's education, training, experience, demonstrated competence and ability, and judgment and character of the applicant, and the reasonable objectives and regulations of the hospital, including, but not limited to appropriate utilization of hospital facilities, in which privileges are sought. Nothing in this Part shall be deemed to mandate hospitals to grant or deny to any such individuals or others privileges to practice in hospitals, or to offer or provide any type of care.

(b) The procedures to be followed by a licensed hospital in considering applications of dentists, optometrists, and podiatrists for privileges to practice in such hospitals shall be similar to those applicable to applications of physicians licensed under Chapter 90 of the General Statutes, Article 1. Such procedures shall be available upon request.

(c) In addition to the granting or denial of privileges, the governing body of each hospital may suspend, revoke, or modify privileges.

(d) All applicants or individuals who have privileges shall comply with all applicable medical staff bylaws, rules and regulations, including the policies and procedures governing the qualifications of applicants and the scope and delineation of privileges.

(e) The Department shall not issue or renew a license under this Article unless the applicant has demonstrated that the procedures followed in determining hospital privileges are in accordance with this Part and rules of the Department. (1981, c. 659, s. 10; 1983, c. 775, s. 1; 1987, c. 859, s. 18; 1989, c. 446; 1997-75, s. 2.)

CASE NOTES

Reasonableness of Qualifications Is Only Question Before Court. — The court is charged with the narrow responsibility of assuring that the qualifications imposed by the board are reasonably related to the operation of the hospital and fairly administered. In short, so long as staff selections are administered with fairness, geared by a rationale compatible with hospital responsibility, and unencumbered with irrelevant considerations, a court should not interfere. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982), decided under former G.S. 131-126.11A, 131-126.11B.

No court should substitute its evaluation for that of the hospital board. It is the board, not the court, which is charged with the responsibility of providing a competent staff of doctors. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982), decided under former G.S. 131-126.11A, 131-126.11B.

A hospital's governing body has statutory authority to make decisions concerning the scope and range of privileges that will be extended to physicians and others at the hospital. Cohn v. Wilkes Gen. Hosp., 767 F. Supp. 111 (W.D.N.C. 1991), aff'd, 953 F.2d 154 (4th Cir. 1991), cert. denied, 505 U.S. 1230, 112 S. Ct. 3057, 120 L. Ed. 2d 922 (1992).

Patient's Freedom of Choice Is Subject to Hospital's Staff Privilege Standards. — The right to enjoy hospital staff privileges is not absolute; it is subject to the standards set by the hospital's governing body. This is implicit in the language of G.S. 90-202.12, especially in view of the policy of this State as currently stated by this section. G.S. 90-202.12 does not require a hospital to grant staff privileges regardless of the standards set by its board of trustees which are reasonably related to the operation of the hospital. Generally, the protection offered by G.S. 90-202.12 is for patients to have the freedom to choose a qualified "provider of care or service." Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982), decided under former G.S. 131-126.11A, 131-126.11B.

Medical Practitioner's Right to Have Application for Staff Privileges Considered by Hospital. — A medical practitioner is not granted the right to have his application for staff privileges considered by a hospital if the hospital's governing board has made a decision to deny further staff privilege requests which is reasonably related to the operation of the hospital, is consistent with its responsibility as a community hospital, and is administered fairly; however, if the defendant hospital's actions are determined to be unreasonable or irrational, the plaintiff is entitled under this section to have his application for staff privileges reviewed and a decision, granting or denying him staff privileges, based on the other criteria provided in this section. Claycomb v. HCA-Raleigh Community Hosp., 76 N.C. App. 382, 333 S.E.2d 333 (1985), cert. denied, 315 N.C. 586, 341 S.E.2d 23 (1986), decided under former G.S. 131-126.11A.

Hospital Board's Discretion Regarding Chiropractors. — The legislature did not intend to take away the discretion afforded hospital boards to make decisions regarding health care providers not included in subsection (a) of this section, such as chiropractics. Cohn v. Wilkes Regional Medical Ctr., 113 N.C. App. 275, 437 S.E.2d 889, cert. denied, 336 N.C. 603, 447 S.E.2d 387 (1994).

A board of trustees of a hospital is not a medical review committee, even though the board may review personnel recommendations of the medical review committees and has ultimate decision-making authority upon these recommendations by virtue both of the hospital's bylaws and this section. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Hearing Under Subsection (a). — Subsection (a) of this section does not require a hearing if hospital's decision to limit the number of physicians using its equipment is based upon the reasonable objectives required by the statute. Coastal Neuro-Psychiatric Assocs. v. Onslow Mem. Hosp., 795 F.2d 340 (4th Cir. 1986).

Waiver of Irregularities. — A doctor's letter to the chairman of the county hospital

authority stating that she was formally withdrawing her application for permanent medical staff privileges and a hearing in relation to the loss of those privileges was effective as a waiver of any procedural irregularities that might have existed in connection with the revoking and failing to renew of her staff privileges. Paine v. Brunswick County Hosp. Auth., 470 F. Supp. 28 (E.D.N.C. 1978), decided under former G.S. 131-22.

Immunity of Hospital from Federal Antitrust Liability. — In restricting privileges to its inhouse radiologists, county hospital complied with this section. If it engaged in anticompetitive activity, it did so under a law passed to promote greater hospital self-governance. The hospital was therefore immune from federal antitrust liability. Coastal Neuro-Psychiatric Assocs. v. Onslow Mem. Hosp., 795 F.2d 340 (4th Cir. 1986).

Contract Between Hospital and Physician. — If the privilege to practice at a hospital is offered and accepted, each confers a benefit on the other and these benefits constitute sufficient and legal consideration for the performance of the agreement. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 71, 488 S.E.2d 284 (1997), cert. granted, 347 N.C. 675, 500 S.E.2d 95 (1998).

The mere enactment of a set of bylaws pursuant to the statute is a preexisting duty and cannot itself constitute consideration for the formation of a contract; however, when a hospital offers the privilege to practice in that hospital to a physician it goes beyond its statutory duty. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 71, 488 S.E.2d 284 (1997), cert. granted, 347 N.C. 675, 500 S.E.2d 95 (1998).

§ 131E-86. Limited privileges.

(a) It shall be unlawful for an individual who is not licensed under Chapter 90 of the General Statutes, Article 1, to admit a patient to a hospital without written proof in accordance with the policy of the governing body of the hospital that a physician licensed under Chapter 90 of the General Statutes, Article 1, who is a member of the medical staff will be responsible for the performance of a basic medical appraisal and for the medical needs of the patient. The governing body of a hospital may waive this requirement for a dentist licensed under Chapter 90 of the General Statutes, Article 2, to the extent authorized by this statute, who has successfully completed a postgraduate program in oral and maxillofacial surgery accredited by the American Dental Association.

(b) The governing body of each hospital shall not grant privileges that exceed the scope of a license. (1983, c. 775, s. 1.)

§ 131E-87. Reports of disciplinary action; immunity from liability.

The chief administrative officer of each licensed hospital in the State shall report to the appropriate occupational licensing board the details, as prescribed by the board, of any revocation, suspension, or limitation of privileges of a health care provider to practice in that hospital. Each hospital shall also report to the board its medical staff resignations. Any person making a report required by this section shall be immune from any resulting criminal prosecution or civil liability unless the person knew the report was false or acted in reckless disregard of whether the report was false. (1983, c. 775, s. 1; 1987, c. 859, s. 16.)

§§ 131E-88, 131E-89: Reserved for future codification purposes.

Part 4. Discharge from Hospital.

§ 131E-90. Authority of administrator; refusal to leave after discharge.

The case of a patient who refuses or fails to leave the hospital upon discharge by the attending physician shall be reviewed by two physicians licensed to practice medicine in this State, one of whom may be the attending physician. If in the opinion of the physicians, the patient should be discharged as cured or as no longer needing treatment or for the reason that treatment cannot benefit the patient's case or for other good and sufficient reasons, the patient's refusal to leave shall constitute a trespass. The patient shall be guilty of a Class 3 misdemeanor. (1965, c. 258; 1983, c. 775, s. 1; 1993, c. 539, s. 959; 1994, Ex. Sess., c. 24, s. 14(c).)

Legal Periodicals. — For survey on the medical review committee privilege, see 67 N.C.L. Rev. 179 (1988).

§ 131E-91. Itemized charges on discharged patient's bill.

All hospitals and ambulatory surgical facilities licensed pursuant to this Chapter shall, upon request of the patient within 30 days of discharge, present an itemized list of charges to all discharged patients.

The Commission shall adopt rules to ensure that this section is properly implemented and that patient bills which are not itemized include notification to the patient of his right to request an itemized bill. The Department shall not issue nor renew a license under this Chapter unless the applicant has demonstrated that the requirements of this section are being met. (1991, c. 310, s. 1.)

§§ 131E-92 through 131E-94: Reserved for future codification purposes.

Part 5. Medical Review Committee.

§ 131E-95. Medical review committee.

(a) A member of a duly appointed medical review committee who acts without malice or fraud shall not be subject to liability for damages in any civil action on account of any act, statement or proceeding undertaken, made, or performed within the scope of the functions of the committee.

(b) The proceedings of a medical review committee, the records and materials it produces and the materials it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "'Public records' defined," and shall not be subject to discovery or introduction into evidence in any civil action against a hospital, an ambulatory surgical facility licensed under Chapter 131E of the General Statutes, or a provider of professional health services which results from matters which are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, docu-

ments, or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee. A member of the committee or a person who testifies before the committee may testify in a civil action but cannot be asked about his testimony before the committee or any opinions formed as a result of the committee hearings.

(c) Information that is confidential and is not subject to discovery or use in civil actions under subsection (b) of this section may be released to a professional standards review organization that performs any accreditation or certification function. Information released under this subdivision shall be limited to that which is reasonably necessary and relevant to the standards review organization's determination to grant or continue accreditation or certification. Information released under this subdivision retains its confidentiality and is not subject to discovery or use in any civil actions as provided under subsection (b) of this section, and the standards review organization shall keep the information confidential subject to that subsection. (1973, c. 1111; 1981, c. 725; 1983, c. 775, s. 1; 1999-222, s. 2; 2002-179, s. 19.)

Effect of Amendments. — Session Laws 2002-179, s. 19, effective October 1, 2002, inserted "an ambulatory surgical facility licensed under Chapter 131E of the General Statutes" in the first sentence of subsection (b).

CASE NOTES

Purpose. — Former G.S. 131-170 (similar to subsection (b) of this section) was enacted upon the theory that external access to peer investigations conducted by staff committees stifles candor and inhibits objectivity. It represents a legislative choice between competing public concerns. It embraces the goal of medical staff candor at the cost of impairing plaintiffs' access to evidence. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982).

The purpose of this section is to promote candor in peer review proceedings. Whisenhunt v. Zammit, 86 N.C. App. 425, 358 S.E.2d 114 (1987).

The public's qualified constitutional right to attend civil court proceedings did not preclude the trial court, under the facts presented, from giving effect to the protections of this section by sealing peer review materials and closing court proceedings concerning those materials. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Policy Grounded in Common Law. — Policy enunciated by former G.S. 131-170 (similar to subsection (b) of this section) is grounded in the common law. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982).

This section is designed to encourage candor and objectivity in the internal workings of medical review committees. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

This section supplants any North Carolina common law right of public access to information regarding medical committee proceedings and related materials, and newspaper/appellant had, therefore, no common law right of access to such information. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Presentation to Review Committee Does Not Render Information Immune. — Under this section, information, in whatever form available, from original sources other than the medical review committee is not immune from discovery or use at trial merely because it was presented during medical review committee proceedings; neither should one who is a member of a medical review committee be prevented from testifying regarding information he learned from sources other than the committee itself, even though that information might have been shared by the committee. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Permitting access to information not generated by the committee itself but merely presented to it does not impinge on the statutory

purpose of this section. These kinds of materials may be discovered and used in evidence even though they were considered by the medical review committee. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Documents in the possession of and information known to the hospital's board are not thereby rendered immune from discovery and use as evidence under this section. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Scope of Privilege Under This Section. — Nonpublic documents in the possession of defendant/hospital, pertaining to defendant/doctor's participation in a physician's impairment treatment program, were privileged; the legislature intended to create a broader privilege to information in G.S. 90-21.22 than in peer review statutes such as this section. Sharpe v. Worland, 137 N.C. App. 82, 527 S.E.2d 75, 2000 N.C. App. LEXIS 269 (2000).

What Section Protects. — This section protects only a medical review committee's (1) proceedings; (2) records and materials it produces; and (3) materials it considers. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

The protection afforded by this section is not compromised by merely identifying existing documents and giving pertinent information concerning their custodians. It is the contents of the documents which the statute may or may not protect from discovery. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Hospital "credentialing records" pertaining to a physician were confidential and privileged. Whisenhunt v. Zammit, 86 N.C. App. 425, 358 S.E.2d 114 (1987).

Documents Furnished by Applicants for Hospital Privileges. — This section offers no protection to the records and documents furnished by the individual physicians in their applications for hospital privileges. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Peer review materials submitted by hospital directly to the judge as "confidential," and not filed with the clerk of the court, were properly treated by the trial court, which ordered them sealed and included in the record, thereby providing a record for appellate review. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Peer Review Privilege Denied in Discrimination Action. — In an action by a physician against a health services corporation, alleging discrimination on the basis of his race and national origin, in which plaintiff sought to obtain all peer review records related to all reviews of physicians for any reason, during the 20 years preceding his request, the appellate court declined to recognize a peer review privilege, holding that the interest in obtaining probative evidence in an action for discrimination outweighs the interest that would be furthered by recognition of a privilege for medical peer review materials. Virmani v. Novant Health, Inc., 259 F.3d. 284, 2001 U.S. App. LEXIS 17123 (4th Cir. 2001).

Records Produced During Quality Assurance. — The records of a hospital review committee were not "otherwise available" and were properly protected from disclosure, where records concerning whether to seek evaluation of defendant physician's performance by outside experts were "produced" during quality assurance or credentialing activities. Fallis v. Watauga Med. Ctr., Inc., 132 N.C. App. 43, 510 S.E.2d 199, 1999 N.C. App. LEXIS 37 (1999), cert. denied, 350 N.C. 308, 534 S.E.2d 589 (1999).

Documents filed as exhibits attached to plaintiff's complaint entered the public domain for purposes of the Public Records Act, G.S. 132-1 et seq., and the public's right to inspect court records under G.S. 7A-109, and became "public records" once the complaint was filed with the clerk of the court, even though these exhibits would otherwise have been shielded by subsection (b) of this section. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Hospital's chief executive officer may be examined about information he received solely in his capacity as CEO so long as this material is not otherwise protected by this section. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Records of Board of Trustees. — A trial court erred in its conclusion that the minutes and records of the board of trustees of a hospital were barred from discovery pursuant to this section; the members of the board of trustees were not charged with peer review functions. Shelton v. Morehead Mem. Hosp., 76 N.C. App. 253, 332 S.E.2d 499, modified and aff'd, 318 N.C. 76, 347 S.E.2d 824 (1986).

Matter to Be Presented in Open Court. — This statute only prohibits a court from restricting the publication of reports regarding matter presented "in open court"; thus, although court records may generally be public records under G.S. 132-1, a trial court may shield portions of court proceedings and records from public view subject to statutory and constitutional limitation. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Applied in McKeel v. Armstrong, 96 N.C. App. 401, 386 S.E.2d 60 (1989).

Part 6. Risk Management.

§ 131E-96. Risk management programs.

(a) Each hospital shall develop and maintain a risk management program which is designed to identify, analyze, evaluate, and manage risks of injury to patients, visitors, employees, and property through loss reduction and prevention techniques and quality assurance activities, as prescribed in rules promulgated by the Commission.

(b) The Department shall not issue or renew a license under this Article unless the applicant is in compliance with this section. (1987, c. 859, s. 17.)

Part 7. Confidential Information.

§ 131E-97. Confidentiality of patient information.

(a) Medical records compiled and maintained by health care facilities in connection with the admission, treatment, and discharge of individual patients are not public records as defined by Chapter 132 of the General Statutes.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by health care facilities in connection with the admission, treatment, and discharge of individual patients are not public records as defined by Chapter 132 of the General Statutes. (1993 (Reg. Sess., 1994), c. 570, s. 10.)

Editor's Note. — Session Laws 1993 (Reg. Sess., 1994) c. 570, s. 10, created Part F entitled Confidential Information in Article 5 of Chapter 131E; Part F with the same title was previously added in 1993.

§ 131E-97.1. Confidentiality of personnel information.

(a) Except as provided in subsection (b) of this section, the personnel files of employees or former employees, and the files of applicants for employment maintained by a public hospital as defined in G.S. 159-39 or maintained by a hospital that has been sold or conveyed pursuant to G.S. 131E-8 are not public records as defined by Chapter 132 of the General Statutes.

(b) Repealed by Session Laws, 1997-517, s. 3, effective September 17, 1997.

(c) Information regarding the qualifications, competence, performance, character, fitness, or conditions of appointment of an independent contractor who provides health care services under a contract with a public hospital as defined in G.S. 159-39, or with a hospital which has been sold or conveyed pursuant to G.S. 131E-8, is not a public record as defined by Chapter 132 of the General Statutes. Information regarding a hearing or investigation of a complaint, charge, or grievance by or against an independent contractor who provides health care services under a contract with a public hospital as defined in G.S. 159-39 or with a hospital which has been sold or conveyed pursuant to G.S. 131E-8, is not a public record as defined by Chapter 132 of the General

Statutes. Final action making an appointment or discharge or removal by a public hospital having final authority for the appointment or discharge or removal shall be taken in an open meeting, unless otherwise exempted by law. The following information with respect to each independent contractor of health care services of a public hospital, as defined by G.S. 159-39, is a matter of public record: name; age; date of original contract; beginning and ending dates; position title; position descriptions; and total compensation of current and former positions; and the date of the most recent promotion, demotion, transfer, suspension, separation, or other change in position classification. (1993 (Reg. Sess., 1994), c. 570, s. 10; 1995, c. 99, s. 1; c. 509, s. 135.2(q); 1997-517, s. 3.)

§ 131E-97.2. Confidentiality of credentialing information.

Information acquired by a public hospital, as defined in G.S. 159-39, a hospital that has been sold or conveyed pursuant to G.S. 131E-8, a State-owned or State-operated hospital, or by persons acting for or on behalf of a hospital, in connection with the credentialing and peer review of persons having or applying for privileges to practice in the hospital is confidential and is not a public record under Chapter 132 of the General Statutes; provided that information otherwise available to the public shall not become confidential merely because it was acquired by the hospital or by persons acting for or on behalf of the hospital. (1993 (Reg. Sess., 1994), c. 570, s. 10; 1995, c. 509, s. 135.2(r).)

§ 131E-97.3. Confidentiality of competitive health care information.

(a) Information relating to competitive health care activities by or on behalf of hospitals and public hospital authorities shall be confidential and not a public record under Chapter 132 of the General Statutes; provided that any contract entered into by or on behalf of a public hospital or public hospital authority, as defined in G.S. 159-39, shall be a public record unless otherwise exempted by law, or the contract contains competitive health care information, the determination of which shall be as provided in subsection (b) of this section.

(b) If a public hospital or public hospital authority is requested to disclose any contract which the hospital or hospital authority believes in good faith contains or constitutes competitive health care information, the hospital or hospital authority may either redact the portions of the contract believed to constitute competitive health care information prior to disclosure, or if the entire contract constitutes competitive health care information, refuse disclosure of the contract. The person requesting disclosure of the contract may institute an action pursuant to G.S. 132-9 to compel disclosure of the contract or any redacted portion thereof. In any action brought under this subsection, the issue for decision by the court shall be whether the contract, or portions of the contract withheld, constitutes competitive health care information, and in making its determination, the court shall be guided by the procedures and standards applicable to protective orders requested under Rule 26(c)(7) of the Rules of Civil Procedure. Before rendering a decision, the court shall review the contract in camera and hear arguments from the parties. If the court finds that the contract constitutes or contains competitive health care information, the court may either deny disclosure or may make such other appropriate orders as are permitted under Rule 26(c) of the Rules of Civil Procedure.

(c) Nothing in this section shall be deemed to prevent an elected public body, in closed session, which has responsibility for the hospital, the Attorney General, or the State Auditor from having access to this confidential informa-

tion. The disclosure to any public entity does not affect the confidentiality of the information. Members of the public entity shall have a duty not to further disclose the confidential information. (1993 (Reg. Sess., 1994), c. 570, s. 10; 2001-516, s. 5.)

Effect of Amendments. — Session Laws 2001-516, s. 5, effective January 4, 2002, inserted the subsection (a) designation; in subsection (a) inserted "and public hospital authorities" and "or public hospital authority," and added the language beginning "or the contract contains" at the end of that subsection; and added subsections (b) and (c).

§ 131E-98. Inmate medical records.

Notwithstanding any other provision of law, a hospital does not breach patient confidentiality by providing the Department of Correction with the medical records of inmates who receive medical treatment at the hospital while in the custody of the Department. A hospital complying with a request from the Department of Correction or its agent for a copy of the medical records of an inmate who received medical services while in custody shall be immune from liability in any civil action for the release of the inmate's medical record. (1993, c. 321, s. 178(b).)

Editor's Note. — This section was enacted as G.S. 131E-99.2, and was recodified as G.S. 131E-98 by the Revisor of Statutes.

§ 131E-99. Confidentiality of health care contracts.

The financial terms and other competitive health care information directly related to the financial terms in a health care services contract between a hospital or a medical school and a managed care organization, insurance company, employer, or other payer is confidential and not a public record under Chapter 132 of the General Statutes. Nothing in this section shall prevent an elected public body which has responsibility for the hospital or medical school from having access to this confidential information in a closed session. The disclosure to a public body does not affect the confidentiality of the information. Members of the public body shall have a duty not to further disclose the confidential information. (1995 (Reg. Sess., 1996), c. 713, s. 2; 1997-123, ss. 1, 2.)

ARTICLE 6.

Health Care Facility Licensure Act.

Part 1. Nursing Home Licensure Act.

§ 131E-100. Title; purpose.

(a) This Part shall be known as the "Nursing Home Licensure Act."

(b) The purpose of the Nursing Home Licensure Act is to establish authority and duty for the Department to inspect and license private nursing homes. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 2001-385, ss. 2(a) through (e), provide: "Section 2.(a) The Department of Health and Human Services shall establish a Skilled Nursing Facility Quality Improvement Consultation Project to assist providers in the development of quality improvement plans for each long-term care facility and program that offers skilled nursing services to the public. In order to avoid conflict with federal regulations, the Department shall locate the project in a section of the Division of Facility Services other than the Licensure and Certification Section. Project staff shall include nurses who have previous experience in long-term care. Staff shall be available to all licensed nursing facilities and, upon request of the facility, shall provide on-site consultation in at least the following areas:

"(1) Analysis of recent survey results in order to assist the facility with its efforts to correct problems or deficiencies identified by the survey.

"(2) Training for in-house quality improvement programs.

"(3) Specific area or issues of concern raised by the facility.

"(4) Best practices information. The Department may contract with a private entity to assist in the implementation of the project.

"Section 2.(b) The Department of Health and Human Services shall offer joint training of survey team members and nursing home providers. The training shall be offered no fewer than two times per year, and subject matter of the training should be based on one or more of the 10 deficiencies cited most frequently in the State during the immediately preceding calendar year. The joint training shall be designed to reduce inconsistencies experienced by providers in the survey process, to increase objectivity by survey team members in conducting surveys, and to promote a higher degree of understanding between facility staff and survey team members in what is expected during the survey process.

"Section 2.(c) The Department of Health and Human Services shall require survey team members who have no previous nursing home experience to spend part of their basic training in a nursing home observing operations of the nursing home. On-site training should be designed to provide the survey team member with experience in the actual operation of a nursing facility outside of the survey process and to achieve a general understanding of the following facility functions: administration, nursing, personal care services, and dietary services. On-site training requirement shall be for a minimum of three days and must be completed before the survey team member assumes survey work or oversight responsibilities. In addition to on-site training, at least fifty percent (50%) of the annual continuing education requirement of survey team members shall be in the subject area of geriatric care.

"Section 2.(d) The Department of Health and Human Services shall convene a Skilled Nursing Facility Quality of Standards Work Group to explore alternatives to existing oversight and survey practices that will ensure quality in skilled nursing facilities. The Work Group shall do the following:

"(1) Clarify and provide guidance on terms applicable in the survey and oversight process to ensure uniformity. Terms that should be clarified include 'immediate jeopardy', 'harm', 'potential harm', 'avoidable', and 'unavoidable'. The Department shall ensure that clarification of terms is included in basic and continuing survey training.

"(2) Identify rules that impede the direct care of patients and develop a proposal for repeal of those rules, including any necessary repeal of, or amendment to, current law that is the basis for the rule.

"(3) Examine possible incentives for providers such as extended survey period, increased reimbursement rates, accreditation, and deemed status. The Work Group shall consider all available quality measurements in developing recommendations for incentives. The Work Group shall also identify changes in current law necessary to implement incentives.

"(4) Explore aspects of quality assess-

ment/monitoring that should be changed to facilitate improvements and determine if a waiver from the Health Care Financing Administration is necessary to implement innovative approaches to the delivery and monitoring of long-term care in this State.

"The Work Group shall consist of representatives of the Division of Facility Services of the Department of Health and Human Services and the North Carolina Health Care Facilities Association.

"Section 2.(e) The Department of Health and Human Services of the Department of Health and Human Services shall report to the Joint Legislative Health Care Oversight Committee and the North Carolina Study Commission on Aging on the status of implementation of this section. The report shall be submitted on October 1, 2001, and March 1, 2002."

§ 131E-101. Definitions.

As used in this Part, unless otherwise specified:

(1) "Adult care home", as distinguished from a nursing home, means a facility operated as a part of a nursing home and which provides residential care for aged or disabled persons whose principal need is a home with the shelter or personal care their age or disability requires. Medical care in an adult care home is usually occasional or incidental, such as may be required in the home of any individual or family, but the administration of medication is supervised. Continuing planned medical and nursing care to meet the resident's needs may be provided under the direct supervision of a physician, nurse, or home health agency. Adult care homes are to be distinguished from nursing homes subject to licensure under this Part.

(1a) "Combination home" means a nursing home offering one or more levels of care, including any combination of skilled nursing, intermediate care, and adult care home.

(2) "Commission" means the North Carolina Medical Care Commission.

(3) "Community advisory committee" means a nursing home advisory committee established for the statutory purpose of working to carry out the intent of the Nursing Home Patients' Bill of Rights (Chapter 131E, Article 6, Part 2) in accordance with G.S. 143B-181.1.

(4) Repealed by Session Laws 1995, c. 535, s. 21.

(5) "Medical review committee" means a committee of a State or local professional society, of a medical staff of a licensed hospital, of physicians having privileges within the nursing home or of a peer review corporation or organization which is formed for the purpose of evaluating the quality, cost of or necessity for health care services under applicable federal statutes.

(6) "Nursing home" means a facility, however named, which is advertised, announced, or maintained for the express or implied purpose of providing nursing or convalescent care for three or more persons unrelated to the licensee. A "nursing home" is a home for chronic or convalescent patients, who, on admission, are not as a rule, acutely ill and who do not usually require special facilities such as an operating room, X-ray facilities, laboratory facilities, and obstetrical facilities. A 'nursing home' provides care for persons who have remedial ailments or other ailments, for which medical and nursing care are indicated; who, however, are not sick enough to require general hospital care. Nursing care is their primary need, but they will require continuing medical supervision.

(7) "Peer review committee" means any committee appointed in accordance with G.S. 131E-108, "Peer review." (1961, c. 51, s. 3; 1981, c. 833; 1983, c. 775, s. 1; 1995, c. 535, s. 21.)

Editor's Note. — Subdivisions (1) and (1a) were redesignated at the direction of the Revisor of Statutes, the original designations having been (4) and (1).

§ 131E-102. Licensure requirements.

(a) No person shall operate a nursing home without a license obtained from the Department. Any person may operate a nursing home or a combination home, as defined in this Part, in the same building or in two or more buildings adjoining or next to each other on the same site. Both a nursing home and a combination home must be licensed by the Department under this Part.

(b) Applications shall be available from the Department, and each application filed with the Department shall contain all necessary and reasonable information that the Department may by rule require. A license shall be granted to the applicant upon a determination by the Department that the applicant has complied with the provisions of this Part and the rules promulgated under this Part. The Department shall charge the applicant a nonrefundable annual license fee in the amount of two hundred twenty-five dollars ($225.00) plus a nonrefundable annual per-bed fee of six dollars and twenty-five cents ($6.25).

(c) A license to operate a nursing home shall be annually renewed upon the filing and the Department's approval of the renewal application. A license shall not be renewed if outstanding fees and penalties imposed by the State against the home have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration. The renewal application shall be available from the Department and shall contain all necessary and reasonable information that the Department may by rule require.

(d) Each license shall be issued only for the premises and persons named in the application and shall not be transferable or assignable except with the written approval of the Department.

(e) In order for a nursing home to maintain its license it shall not intentionally impede the proper performance of the duties of a lawfully appointed community advisory committee as set forth in G.S. 131E-128(h). (1961, c. 51, s. 3; 1963, c. 859; 1983, c. 775, s. 1; 1993, c. 530, s. 1; 2003-284, s. 34.3(a).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, s. 34.3.(a), effective October 1, 2003, added the last sentence in subsection (b).

§ 131E-103. Adverse action on a license.

(a) Subject to subsection (b), the Department shall have the authority to deny a new or renewal application for a license, and to amend, recall, suspend or revoke an existing license upon a determination that there has been a substantial failure to comply with the provisions of this Part or the rules promulgated under this Part.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in subsection (a). A petition for a contested case shall be filed within 20 days after

the Department mails the licensee a notice of its decision to deny a renewal application, or to recall, suspend, or revoke an existing license. (1961, c. 51, s. 3; 1983, c. 775, s. 1; 1987, c. 827, s. 1; 1991, c. 143, s. 2; c. 761, s. 24.)

§ 131E-104. Rules and enforcement.

(a) The Commission is authorized to adopt, amend, and repeal all rules necessary for the implementation of this Part.

(b) The Commission shall adopt rules for the operation of the adult care portion of a combination home. The rules shall provide that for each requirement applicable to freestanding adult care homes or freestanding nursing homes, the combination home may choose to operate the adult care portion of the home in compliance with either the requirement applicable to freestanding adult care homes or the higher standard applicable to freestanding nursing homes.

(c) The Department shall enforce the rules adopted or amended by the Commission with respect to nursing homes. (1961, c. 51, s. 3; 1973, c. 476, s. 128; 1981, c. 614, s. 1; 1983, c. 775, s. 1; 1995, c. 535, s. 22; 2000-154, s. 6.1.)

§ 131E-105. Inspections.

(a) The Department shall inspect any nursing home and any adult care home operated as a part of a nursing home in accordance with rules adopted by the Commission.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department, when necessary for investigating compliance with this Part or rules promulgated by the Commission, may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the facility being inspected unless that patient objects in writing to review of that patient's records. Physicians, psychologists, psychiatrists, nurses, and anyone else interviewed by representatives of the Department may disclose to these representatives information related to any inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communications between physician and patient," or any other rules of law, if the patient has not made written objection to this disclosure. The facility, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information which is provided without malice or fraud to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient or legal representative or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a facility without consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing

any information or allowing any inspections referred to in this subsection, the patient must upon admission be advised in writing by the facility that the patient has the right to object in writing to the release of information or review of the records and that by an objection in writing the patient may prohibit the inspection or release of the records.

(c) Authorized representatives of the Department with identification to this effect shall have at all times the right of proper entry upon any and all parts of the premises of any place in which entry is necessary to carry out the provisions of this Part or the rules adopted by the Commission. It shall be unlawful for any person to resist a proper entry by an authorized representative upon any premises other than a private dwelling. (1981, c. 586, s. 1; c. 614, s. 1; 1983, c. 775, s. 1; 1995, c. 535, s. 23.)

§ 131E-106. Evaluation of residents in adult care homes.

The Department shall prescribe the method of evaluation of residents in the adult care portion of a combination home in order to determine when any of these residents is in need of professional medical and nursing care as provided in licensed nursing homes. (1963, c. 859; 1981, c. 833; 1983, c. 775, s. 1; 1995, c. 535, s. 24.)

§ 131E-107. Medical or peer review committees.

A member of a duly appointed medical or peer review committee shall not be subject to liability for damages in any civil action on account of any act, statement or proceeding undertaken, made, or performed within the scope of the functions of the committee, if the committee member acts without malice or fraud, and if such peer review committee is approved and operates in accordance with G.S. 131E-108. (1983, c. 775, s. 1.)

§ 131E-108. Peer review.

It is not a violation of G.S. 131E-117(5) for medical records to be disclosed to a private peer review committee if:

(1) The peer review committee has been approved by the Department;

(2) The purposes of the peer review committee are to:

a. Survey facilities to verify a high level of quality care through evaluation and peer assistance;

b. Resolve written complaints in a responsible and professional manner; and

c. Develop a basic core of knowledge and standards useful in establishing a means of measuring quality of care; and

(3) The peer review committee keeps such records confidential. (1979, c. 707; 1983, c. 775, s. 1; 1997-456, s. 27.)

Editor's Note. — Subdivisions (2)(a), (2)(b) and (2)(c) of this section were renumbered as subdivisions (2)a., (2)b., and (2)c. pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 131E-109. Penalties.

(a) Any person establishing, conducting, managing or operating any nursing home without a license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be liable for a fine of not more than five hundred dollars ($500.00) for the first offense and not more than five hundred dollars ($500.00)

for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(b) Any person acting under the authority of the Department who gives advance notice to an operator of a nursing home of the date or time that the nursing home is to be inspected shall be guilty of a Class 3 misdemeanor. The inspection of a nursing home for initial licensure shall be exempt from the prohibition of prior notice. All subsequent inspections must comply with the provisions of this subsection.

(c) The Secretary or a designee may suspend the admission of any new patients or residents at any nursing home or domiciliary home where the conditions of the nursing home or domiciliary home are detrimental to the health or safety of the patient or resident. This suspension shall remain in effect until the Secretary is satisfied that conditions or circumstances merit the removal of the suspension. This subsection shall be in addition to authority to suspend or revoke the license of the home. Any facility wishing to contest a suspension of admissions shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. The petition for a contested case shall be filed in the Office of Administrative Hearings within 20 days after the Department mails a written notice of suspension of admissions to the facility.

(d) Except as otherwise provided in this Part, any person who violates any provision of this Part or who willfully fails to perform any act required, or who willfully performs any act prohibited by this Part, shall be guilty of a Class 1 misdemeanor: Provided, however, that any person who willfully violates any rule adopted by the Commission under this Part or who willfully fails to perform any act required by, or who willfully performs any act prohibited by, these rules shall be guilty of a Class 3 misdemeanor.

(e) The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1977, c. 656, ss. 1, 2; 1981, c. 667, ss. 1, 2; 1983, c. 775, s. 1; 1991, c. 143, s. 3; c. 761, s. 25; 1993, c. 539, s. 960; 1994, Ex. Sess., c. 24, s. 14(c); 1998-215, s. 78(c).)

§ 131E-110. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management or operation of a nursing home without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (1983, c. 775, s. 1.)

§ 131E-111: Recodified as G.S. 131E-255 by Session Laws 1995 (Reg. Sess., 1996), c. 713, s. 3(a), as amended by Session Laws 1995 (Reg. Sess., 1996), c. 713, s. 3(b), effective June 21, 1996.

§ 131E-112. Waiver of rules for health care facilities that provide temporary shelter or temporary services during a disaster or emergency.

(a) The Division of Facility Services may temporarily waive, during disasters or emergencies declared in accordance with Article 1 of Chapter 166A of the General Statutes, any rules of the Commission pertaining to facilities or home care agencies to the extent necessary to allow the facility or home care agency to provide temporary shelter and temporary services requested by the emergency management agency. The Division may identify, in advance of a declared disaster or emergency, rules that may be waived, and the extent the rules may be waived, upon a disaster or emergency being declared in accordance with Article 1 of Chapter 166A of the General Statutes. The Division may also waive rules under this subsection during a declared disaster or emergency upon the request of an emergency management agency and may rescind the waiver if, after investigation, the Division determines the waiver poses an unreasonable risk to the health, safety, or welfare of any of the persons occupying the facility. The emergency management agency requesting temporary shelter or temporary services shall notify the Division within 72 hours of the time the preapproved waivers are deemed by the emergency management agency to apply.

(b) As used in this section, "emergency management agency" is as defined in G.S. 166A-4(2). (1999-307, s. 1.)

§ 131E-113. Immunization of employees and residents.

(a) Except as provided in subsection (e) of this section, a nursing home licensed under this Part shall require residents and employees to be immunized against influenza virus and shall require residents to also be immunized against pneumococcal disease.

(b) Upon admission, a nursing home shall notify the resident of the immunization requirements of this section and shall request that the resident agree to be immunized against influenza virus and pneumococcal disease.

(b1) A nursing home shall notify every employee of the immunization requirements of this section and shall request that the employee agree to be immunized against influenza virus.

(c) A nursing home shall document the annual immunization against influenza virus and the immunization against pneumococcal disease for each resident and each employee, as required under this section. Upon finding that a resident is lacking one or both of these immunizations or that an employee has not been immunized against influenza virus, or if the nursing home is unable to verify that the individual has received the required immunization, the nursing home shall provide or arrange for immunization. The immunization and documentation required shall occur not later than November 30 of each year.

(d) For an individual who becomes a resident of or who is newly employed by the nursing home after November 30 but before March 30 of the following year, the nursing home shall determine the individual's status for the immunizations required under this section, and if found to be deficient, the nursing home shall provide the immunization.

(e) No individual shall be required to receive vaccine under this section if the vaccine is medically contraindicated, or if the vaccine is against the individual's religious beliefs, or if the individual refuses the vaccine after being fully informed of the health risks of not being immunized.

(f) Notwithstanding any other provision of law to the contrary, the Health Services Commission shall have the authority to adopt rules to implement the immunization requirements of this section.

(g) As used in this section, "employee" means an individual who is a part-time or full-time employee of the nursing home. (2000-112, ss. 3, 4.)

Editor's Note. — Session Laws 2000-112, s. 7, made this section effective July 14, 2000.

Session Laws 2000-112, s. 5, directs the Department of Health and Human Services to make available to nursing homes and adult care homes educational and informational materials pertaining to vaccinations required under the act.

(a) A nursing home or combination home licensed under this Part that provides special care for persons with Alzheimer's disease or other dementias in a special care unit shall make the following disclosures pertaining to the special care provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias. The disclosure shall be made annually, in writing, to all of the following:

(1) The Department, as part of its licensing procedures.

(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with dementia.

(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.

(3) The process used for assessment and establishment of the plan of care and its implementation, as required under State and federal law.

(4) Typical staffing patterns and how the patterns reflect the resident's need for increased care and supervision.

(5) Dementia-specific staff training.

(6) Physical environment features designed specifically for the special care unit.

(7) Alzheimer's disease and other dementia-specific programming.

(8) Opportunities for family involvement.

(9) Additional costs or fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosures made by each licensed facility subject to this section.

(d) Nothing in this section shall be construed as prohibiting a nursing home or combination home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias. The disclosures required by this section apply only to a nursing home or combination home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term "special care unit" means a wing or hallway within a nursing home, or a program provided by a nursing home, that is designated especially for residents with Alzheimer's disease or other dementias, or other special needs disease or condition, as determined by the Medical Care Commission, which may include mental disabilities. (2000-154, s. 6.)

Editor's Note. — Session Laws 2000-154, s. 7, made this section effective January 1, 2001.

This section was enacted as G.S. 131E-113 by Session Laws 2000-154, s. 6. It has been redes-

ignated as G.S. 131E-114 at the direction of the Revisor of Statutes.

§ 131E-114.1. Posting of information indicating number of staff on duty.

Every nursing home subject to licensure under this Part shall post in a conspicuous place in the nursing home information about required staffing that enables residents and their families to readily ascertain each day the number of direct care staff and supervisors that are required by law to be on duty for that day. (2001-85, s. 2; 2001-487, s. 85(b).)

Part 2. Nursing Home Patients' Bill of Rights.

§ 131E-115. Legislative intent.

It is the intent of the General Assembly to promote the interests and well-being of the patients in nursing homes and adult care homes licensed pursuant to G.S. 131E-102, and patients in a nursing home operated by a hospital which is licensed under Article 5 of Chapter 131E of the General Statutes. It is the intent of the General Assembly that every patient's civil and religious liberties, including the right to independent personal decisions and knowledge of available choices, shall not be infringed and that the facility shall encourage and assist the patient in the fullest possible exercise of these rights. (1977, c. 897, s. 1; 1983, c. 143, s. 2; c. 775, ss. 1, 6; 1995, c. 509, s. 72; c. 535, s. 25.)

CASE NOTES

The Nursing Home Patients' Bill of Rights does not set the standard to which nursing homes are held accountable in negligence damage actions. Such a holding would ignore the purpose of the negligence per se doctrine and the malpractice law of this State. It would permit the trier of fact to set its own standard of care for health care providers and speculate virtually without limits on the culpability of their conduct. Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

The Nursing Home Patients' Bill of Rights is a laudable statement of policy and requirements imposed on licensed nursing homes, with a remedial enforcement scheme which provides for injunctive relief and/or license revocation and administrative penalties. It may be relevant in a negligence case to show very generally a patient's expectations from a nursing home, but it is not a substitute, through the doctrine of negligence per se, for the well-established standard of care to be applied in negligence actions for damages against health care providers. Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

In negligence actions against health care providers, G.S. 90-21.12 sets the applicable standard of care. Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

§ 131E-116. Definitions.

As used in this Part, unless otherwise specified:

(1a) "Commission" means the North Carolina Medical Care Commission.

(2) "Facility" means a nursing home and a home for the aged or disabled licensed pursuant to G.S. 131E-102, and also means a nursing home operated by a hospital which is licensed under Article 5 of G.S. Chapter 131E.

(3) "Patient" means a person who has been admitted to a facility.

(4) "Representative payee" means a person certified by the federal government to receive and disburse benefits for a recipient of governmen-

tal assistance. (1977, c. 897, s. 1; 1983, c. 143, s. 1; c. 775, ss. 1, 6; 1993, c. 499, s. 1.)

§ 131E-117. Declaration of patient's rights.

All facilities shall treat their patients in accordance with the provisions of this Part. Every patient shall have the following rights:

(1) To be treated with consideration, respect, and full recognition of personal dignity and individuality;

(2) To receive care, treatment and services which are adequate, appropriate, and in compliance with relevant federal and State statutes and rules;

(3) To receive at the time of admission and during the stay, a written statement of the services provided by the facility, including those required to be offered on an as-needed basis, and of related charges. Charges for services not covered under Medicare or Medicaid shall be specified. Upon receiving this statement, the patient shall sign a written receipt which must be on file in the facility and available for inspection;

(4) To have on file in the patient's record a written or verbal order of the attending physician containing any information as the attending physician deems appropriate or necessary, together with the proposed schedule of medical treatment. The patient shall give prior informed consent to participation in experimental research. Written evidence of compliance with this subdivision, including signed acknowledgements by the patient, shall be retained by the facility in the patient's file;

(5) To receive respect and privacy in the patient's medical care program. Case discussion, consultation, examination, and treatment shall remain confidential and shall be conducted discreetly. Personal and medical records shall be confidential and the written consent of the patient shall be obtained for their release to any individual, other than family members, except as needed in case of the patient's transfer to another health care institution or as required by law or third party payment contract;

(6) To be free from mental and physical abuse and, except in emergencies, to be free from chemical and physical restraints unless authorized for a specified period of time by a physician according to clear and indicated medical need;

(7) To receive from the administrator or staff of the facility a reasonable response to all requests;

(8) To associate and communicate privately and without restriction with persons and groups of the patient's choice on the patient's initiative or that of the persons or groups at any reasonable hour; to send and receive mail promptly and unopened, unless the patient is unable to open and read personal mail; to have access at any reasonable hour to a telephone where the patient may speak privately; and to have access to writing instruments, stationery, and postage;

(9) To manage the patient's financial affairs unless authority has been delegated to another pursuant to a power of attorney, or written agreement, or some other person or agency has been appointed for this purpose pursuant to law. Nothing shall prevent the patient and facility from entering a written agreement for the facility to manage the patient's financial affairs. In the event that the facility manages the patient's financial affairs, it shall have an accounting available for inspection and shall furnish the patient with a quarterly statement of the patient's account. This privilege shall be a defense in a cause of action for libel if the member was acting in good faith and the statements or communications do not amount to intentional wrongdoing.

To the extent that any nursing home advisory committee or any member thereof is covered by liability insurance, that committee or member shall be deemed to have waived the qualified immunity herein to the extent of indemnification by insurance. (b) The contracting entity shall provide for analysis of the medication-related error reports to determine trends in the incidence of medication-related errors in nursing homes. § 131E-129. Penalties.

(a) Violations classified. The Department shall impose an administrative penalty in accordance with provisions of this Part on any facility's licensee which is found to be in violation of the requirements of G.S. 131E-117 or applicable State and federal laws and regulations. Citations issued for violations shall be classified according to the nature of the violation as follows:

(1) "Type A Violation" means a violation by a facility's licensee of the regulations, standards, and requirements set forth in G.S. 131E-117, or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical harm, or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation. The person making the findings shall do the following:

a. Orally and immediately inform the administrator of the facility of the specific findings and what must be done to correct them and set a date by which the violation must be corrected;

b. Within 10 working days of the investigation, confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and

c. Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.

The Department shall impose a civil penalty in an amount not less than five hundred dollars ($500.00) nor more than ten thousand dollars ($10,000) for each Type A Violation.

(2) "Type B Violation" means a violation by a facility's licensee of the regulations, standards and requirements set forth in G.S. 131E-117 or applicable State or federal laws and regulations governing the licensure or certification of a facility which presents a direct relationship to the health, safety, or welfare of any resident, but which does not result in substantial risk that death or serious physical harm will occur. The Department shall require a plan of correction for each Type B Violation and may require the facility to establish a specific plan of correction within a specific time period to address the violation.

(b) Penalties for failure to correct violations within time specified.

(1) Where a facility's licensee has failed to correct a Type A Violation, the Department shall assess the facility's licensee a civil penalty in the amount of up to five hundred dollars ($500.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.

(2) Where a facility's licensee has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility's licensee a civil penalty in the amount of up to two hundred dollars ($200.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) The Department shall impose a civil penalty on a facility's licensee which is treble the amount assessed under subdivision (1) of subsection (a) when a facility under the management, ownership, or control of that same licensee has received a citation and paid a penalty for violating the same specific provision of a statute or regulation for which the facility's licensee has received a citation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to Article 13 of this Chapter.

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) The gravity of the violation, including the fact that death or serious physical harm to a resident has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1a) The gravity of the violation, including the probability that death or serious physical harm to a resident will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1b) The gravity of the violation, including the probability that death or serious physical harm to a resident may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(2) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and G.S. 131E-265 and other applicable State and federal laws and regulations;

(2a) Efforts by the licensee to correct violations;

(3) The number and type of previous violations committed by the licensee within the past 36 months;

(4) The amount of assessment necessary to insure immediate and continued compliance; and

(5) The number of patients put at risk by the violation.

(c1) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The Secretary shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The penalty review committee;

(2) The local department of social services who is responsible for oversight of the facility involved;

(3) The licensee involved;

(4) The residents affected; and

(5) The family members or guardians of the residents affected.

(c2) Local county departments of social services and Division of Facilities Services personnel shall submit proposed penalty recommendations to the Department within 45 days of the citation of a violation.

(d) The Department shall impose a civil penalty on any facility's licensee which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(e) Any facility's licensee wishing to contest a penalty shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and

(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(f) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility's licensee:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty; or

(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(g) The penalty review committee established pursuant to G.S. 131D-34(h) shall review administrative penalties assessed pursuant to this section.

(g1) In lieu of assessing an administrative penalty, the Secretary may order a facility to provide staff training if:

(1) The cost of training does not exceed one thousand dollars ($1,000);

(2) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and

(3) The training is:

a. Specific to the violation;

b. Approved by the Department of Health and Human Services; and

c. Taught by someone approved by the Department and other than the provider.

(h) The Department shall not assess an administrative penalty against a facility under this section if a civil monetary penalty has been assessed for the same violation under federal enforcement laws and regulations.

(i) The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1987, c. 600, s. 2; 1989, c. 556, s. 2; 1993, c. 390, s. 2; 1995, c. 396, s. 1; 1995 (Reg. Sess., 1996), c. 602, s. 2; 1997-431, s. 2; 1997-443, s. 11A.122; 1998-215, s. 78(b).)

Physicians, psychiatrists, nurses, and anyone else involved in giving treatment at or through an agency who may be interviewed by representatives of the Department may disclose to these representatives information related to any inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communication between physician and patient," or any other rule of law; provided the client has not made written objection to this disclosure. The agency, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews, except as noted in G.S. 131E-124(c), shall be kept confidential by the Department and not disclosed without written authorization of the client or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning an agency without the consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews

shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this section, the client must be advised in writing by the licensed agency that the client has the right to object in writing to release of information or review of the client's records and that by an objection in writing the client may prohibit the inspection or release of the records. (1971, c. 539, s. 1; 1973, c. 476, s. 128; 1981, c. 586, s. 2; 1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34; 1999-113, s. 4.)

§ 131E-141.1. Penalties for violation.

Any person who knowingly and willfully establishes, conducts, manages or operates any home care agency without a license is guilty of a Class 3 misdemeanor and upon conviction is liable only for a fine of not more than five hundred dollars ($500.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. (1991, c. 59, s. 1; c. 761, s. 34; 1993, c. 539, s. 961; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-142. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department shall, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management or operation of a home care agency without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34.)

Part 4. Ambulatory Surgical Facility Licensure.

§ 131E-145. Title; purpose.

(a) This Part shall be known as the "Ambulatory Surgical Facility Licensure Act."

(b) The purpose of this Part is to provide for the development, establishment and enforcement of basic standards:

(1) For the care and treatment of individuals in ambulatory surgical facilities; and

(2) For the maintenance and operation of ambulatory surgical facilities so as to ensure safe and adequate treatment of such individuals in ambulatory surgical facilities. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1.)

CASE NOTES

A certificate of need is not dependent upon the requirement for a license; in fact, the statutes governing licensure of ambulatory surgical facilities (this section et seq.) and those governing certificates of need for new institutional health services (G.S. 131E-175 et seq.) are independent provisions. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

§ 131E-146. Definitions.

As used in this Part, unless otherwise specified:

(1) **(See note)** "Ambulatory surgical facility" means a facility designed for the provision of a specialty ambulatory surgical program or a multispecialty ambulatory surgical program. An ambulatory surgical facility serves patients who require local, regional or general anesthesia and a period of post-operative observation. An ambulatory surgical facility may only admit patients for a period of less than 24 hours and must provide at least one designated operating room and at least one designated recovery room, have available the necessary equipment and trained personnel to handle emergencies, provide adequate quality assurance and assessment by an evaluation and review committee, and maintain adequate medical records for each patient. An ambulatory surgical facility may be operated as a part of a physician or dentist's office, provided the facility is licensed under G.S. Chapter 131E, Article 6, Part 4, but the performance of incidental, limited ambulatory surgical procedures which do not constitute an ambulatory surgical program as defined in subdivision (1a) and which are performed in a physician or dentist's office does not make that office an ambulatory surgical facility.

(1a) "Ambulatory surgical program" means a formal program for providing on a same-day basis those surgical procedures which require local, regional or general anesthesia and a period of post-operative observation to patients whose admission for more than 24 hours is determined, prior to surgery, to be medically unnecessary.

(2) "Commission" means the North Carolina Medical Care Commission. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1064, s. 1; 1997-456, s. 49(a); 2001-242, s. 1.)

Editor's Note. — Session Laws 1997-456, s. 49(b), effective August 29, 1997, provides: "This section conforms the definition of the term 'ambulatory surgical facility' in the Ambulatory Surgical Facility Licensure Act to the definition of the same term in G.S. 131E-176, to reflect the amendment made to that statute by Section 2 of Chapter 7 of the 1993 Session Laws. However, ambulatory surgical facilities with only one operating room developed prior to the effective date of Chapter 7 of the 1993 Session Laws may still be licensed as if this section had not been enacted."

Session Laws 2001-242, s. 5, provides: "This act is effective when it becomes law [June 23, 2001]. This act shall not apply to any project which was not a new institutional health service as defined in G.S. 131E-176(16) prior to the effective date of this act and for which there has been a capital expenditure exceeding fifty thousand dollars ($50,000) or there was a legally binding obligation for a capital expenditure exceeding fifty thousand dollars ($50,000) in effect on or before the effective date of this act and which was reasonably expected to be completed by December 31, 2002. A facility or office that was not licensed as an ambulatory surgical facility prior to the effective date of this act shall not become an ambulatory surgical facility by virtue of the amendment set forth in Sections 1 and 2 of this act [which amended G.S. 131E-146 and 131E-176] and may not be licensed as an ambulatory surgical facility under Part D of Article 6 of Chapter 131E of the General Statutes without a certificate of need."

§ 131E-147. Licensure requirement.

(a) No person shall operate an ambulatory surgical facility without a license obtained from the Department.

(b) Applications shall be available from the Department, and each application filed with the Department shall contain all necessary and reasonable information that the Department may by rule require. A license shall be granted to the applicant upon a determination by the Department that the applicant has complied with the provisions of this Part and the rules promulgated by the Commission under this Part. CASE NOTES

Expansion Required License But Not New Certificate of Need. — The defendant/center was not required to obtain a separate certificate of need to develop additional operating rooms, a recovery room, and necessary ancillary space at a second site within the service area for which it already held a certificate of need although it conceded it needed an additional license. The defendant's proposal was not a "new institutional health service" requiring a certificate of need, but rather, an expansion of an existing health service facility within the limitations permitted by statute. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

§ 131E-148. Adverse action on a license.

(a) Subject to subsection (b), the Department is authorized to deny a new or renewal application for a license, and to amend, recall, suspend or revoke an existing license upon a determination that there has been a substantial failure to comply with the provisions of this Part or the rules promulgated under this Part.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in

subsection (a). (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 1987, c. 827, s. 1.)

§ 131E-149. Rules and enforcement.

(a) The Commission is authorized to adopt, amend and repeal all rules necessary for the implementation of this Part. These rules shall be no stricter than those issued by the Commission under G.S. 131E-79 of the Hospital Licensing Act.

(b) The Department shall enforce the rules adopted or amended by the Commission with respect to ambulatory surgical facilities. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1.)

§ 131E-150. Inspections.

(a) The Department shall make or cause to be made inspections of ambulatory surgical facilities as necessary. The Department is authorized to delegate to a State officer, agent, board, bureau or division of State government the authority to make inspections according to the rules adopted by the Commission. The Department may revoke this delegated authority in its discretion.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department who make these inspections may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the facility being inspected unless that patient objects in writing to review of that patient's records. Physicians, psychologists, psychiatrists, nurses, and anyone else involved in giving treatment at or through a facility who may be interviewed by representatives of the Department may disclose to these representatives information related to an inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communication between physician and patient," or any other rule of law; Provided the patient has not made written objection to this disclosure. The facility, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a facility without the consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this section, the patient must be advised in writing by the facility that the patient has the right to object in writing to this release of information or review of the records and that by objecting in writing, the patient may prohibit the inspection or release of the records. (1977, 2nd Sess., c. 1214, s. 1; 1981, c. 586, s. 5; 1983, c. 775, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Each day of continuing violation after conviction is considered a separate offense. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 1993, c. 539, s. 962; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-152. Injunction.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1.)

The Department is authorized to revoke or suspend these credentials at any time it determines that the holder no longer meets the qualifications prescribed.

(b) The Commission shall adopt rules setting forth the qualifications required for credentialing of medical responders, emergency medical technicians, emergency medical technician-intermediates, emergency medical technician-paramedics, emergency medical dispatchers, and emergency medical services instructors.

(c) Individuals currently credentialed as an emergency medical technician, emergency medical technician intermediate, emergency medical technician paramedic, medical responder, and emergency medical services instructor by the National Registry of Emergency Medical Technicians or by another state where the education/credentialing requirements have been approved for legal recognition by the Department of Health and Human Services, in accordance with rules promulgated by the Medical Care Commission, and who is either currently residing in North Carolina or affiliated with a permitted EMS provider offering service within North Carolina, may be eligible for credentialing as an emergency medical technician, emergency medical technician-intermediate, emergency medical technician-paramedic, medical responder, and emergency medical services instructor without examination. This credentialing shall be valid for a period not to exceed the length of the applicant's original credentialing or four years, whichever is less.

(d) An individual currently credentialed as an emergency medical dispatcher by a national credentialing agency, or by another state where the education/credentialing requirements have been approved for legal recognition by the Department of Health and Human Services, in accordance with rules issued by the Medical Care Commission, and who is either currently residing in North Carolina or affiliated with an emergency medical dispatcher program approved by the Department of Health and Human Services offering service within North Carolina, may be eligible for credentialing as an emergency medical dispatcher without examination. This credentialing shall be valid for a period not to exceed the length of the applicant's original credentialing or four years, whichever is less.

(e) Duly authorized representatives of the Department may issue temporary credentials with or without examination upon finding that this action will be in the public interest. Temporary credentials shall be valid for a period not exceeding 90 days.

(f) The Department may deny, suspend, amend, or revoke the credentials of a medical responder, emergency medical technician, emergency medical technician-intermediate, emergency medical technician-paramedic, emergency medical dispatcher, or emergency medical services instructor in any case in which the Department finds that there has been a substantial failure to comply with the provisions of this Article or the rules issued under this Article. Prior to implementation of any of the above disciplinary actions, the Department shall consider the recommendations of the EMS Disciplinary Committee pursuant to G.S. 143-519. The Department's decision to deny, suspend, amend, or revoke credentials may be appealed by the applicant or credentialed personnel pursuant to the provisions of Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act. (1967, c. 343, s. 3; 1973, c. 476, s. 128; c. 725; c. 1224, s. 1; 1975, c. 612; 1983, c. 775, s. 1; 1987, c. 495, s. 2; 1993, c. 135, s. 1; 1997-443, ss. 11A.118(a), 11A.129E; 2001-210, s. 1; 2003-392, s. 2(b).)

Effect of Amendments. — Session Laws 2001-210, s. 1, effective January 1, 2002, rewrote sections (a) and (b); redesignated former subsection (b1) as present subsection (c) and rewrote the subsection; added subsections (d) and (f); and redesignated former subsection (c) as present subsection (e) and substituted "credentials" for "certificates" twice in the subsection.

Session Laws 2003-392, s. 2.(b), effective August, 7, 2003, rewrote the section.

§ 131E-160. Exemptions.

All of the following vehicles are exempt from the provisions of this Article:

(2) A vehicle rendering service as an ambulance in case of a major catastrophe or emergency, when the permitted ambulances based in the locality of the catastrophe or emergency are insufficient to render the services required.

(3) Any ambulance based outside this State, except that an ambulance which receives a patient within this State for transportation to a location within this State shall comply with the provisions of this Article.

(4) Ambulances owned and operated by an agency of the United States government.

(5) Vehicles owned and operated by rescue squads chartered by the State of North Carolina as nonprofit corporations or associations which are not regularly used to transport sick, injured, wounded or otherwise incapacitated or helpless persons except as a part of rescue operations. (1967, c. 343, s. 3; c. 1257, s. 2; 1983, c. 775, s. 1; 2001-210, s. 1.)

Effect of Amendments. — Session Laws 2001-210, s. 1, effective January 1, 2002, substituted "All of the" for "The" in the introductory sentence; deleted "regularly" preceding "used" in subdivision (1); deleted "and" at the end of subdivision (4); and made minor punctuation changes throughout.

§ 131E-161. Violation declared misdemeanor.

It shall be the responsibility of the EMS provider to ensure that the ambulance operation complies with the provisions of this Article and all rules adopted for this Article. Upon the violation of any part of this Article or any rule adopted under authority of this Article, the Department shall have the power to deny, revoke, or suspend the permits of all vehicles owned or operated by the violator. The operation of an ambulance without a valid permit or after a permit has been denied, suspended, or revoked or without appropriate credentialed staffing as required by G.S. 131E-158, shall constitute a Class 1 misdemeanor. (1967, c. 343, s. 3; 1973, c. 476, s. 128; 1983, c. 775, s. 1; 1993, c. 539, s. 964; 1994, Ex. Sess., c. 24, s. 14(c); 1997-443, s. 11A.129F; 2001-210, s. 1.)

Effect of Amendments. — Session Laws 2001-210, s. 1, effective January 1, 2002, substituted "EMS" for "Ambulance" in the first sentence; inserted "deny," preceding "revoke" in the second sentence; and substituted "denied, suspended, or revoked or without appropriate credentialed staffing" for "suspended or revoked or without an emergency medical technician and medical responder aboard" in the third sentence.

Article 7A.

Statewide Trauma System Act of 1993.

§ 131E-162. Statewide trauma system.

The Department shall establish and maintain a program for the development of a statewide trauma system. The Department shall consolidate all State functions relating to trauma systems, both regulatory and developmental, under the auspices of this program.

The Commission shall adopt rules to carry out the purpose of this Article. These rules shall be adopted with the advice of the State Emergency Medical Services Advisory Council and shall include the operation of a statewide trauma registry, statewide educational requirements fundamental to the implementation of the trauma system. The rules adopted by the Commission shall establish guidelines for monitoring and evaluating the system including standards and criteria for the denial, suspension, voluntary withdrawal, or revocation of credentials for trauma center designation, and the establishment of regional trauma peer review committees. Each regional trauma peer review committee shall be responsible for analyzing trauma patient care data and outcome measures to evaluate the ongoing quality of patient care, system performance, and medical direction within the regional trauma system. The committee membership shall include physicians, nurses, EMS personnel, trauma registrars, and hospital administrators. Review of medical records by the Trauma Peer Review Committee is confidential and protected under G.S. 143-518. A Trauma Peer Review Committee, its members, proceedings, records and materials produced, and materials considered shall be afforded the same protections afforded Medical Review Committees, their members, proceedings, records, and materials under G.S. 131E-95. The rules adopted by the Commission shall avoid duplication of reporting and minimize the cost to hospitals or other persons reporting under this section. The Office of Emergency Medical Services shall be the agency responsible for monitoring system development, ensuring compliance with rules, and overseeing system effectiveness.

With respect to collection of data and educational requirements regarding trauma, rules adopted by the Medical Care Commission shall limit the authority of the Department to hospitals and Emergency Medical Services providers. Nothing in this Article shall be interpreted so as to grant the Department authority to require private physicians, schools, or universities, except those participating in the trauma system, to provide information or data or to conduct educational programs regarding trauma. (1993, c. 336, s. 1; 2001-210, s. 2; 2003-392, s. 2(c).)

Effect of Amendments. — Session Laws 2001-210, s. 2, effective January 1, 2002, in the second paragraph, divided the former first sentence into the present first and second sentences, deleted "and" at the end of the present first sentence, and substituted "The rules adopted by the Commission shall establish guidelines for monitoring and evaluating the system including standards and criteria for the denial, suspension, voluntary withdrawal, or revocation of credentials for trauma center designation" for "guidelines for monitoring and evaluating the system" in the present second sentence; and in the third paragraph, deleted "prehospital" preceding "Emergency" and deleted "voluntarily" preceding "participating."

Session Laws 2003-392, s. 2.(c), effective August 7, 2003, in the second paragraph, added "and the establishment of regional trauma peer review committees" at the end of the third sentence, inserted the fourth through seventh sentences, and made a minor punctuation change.

§ 131E-167. Certificate requirement.

(a) Applications for certification shall be available from the Department, and each application filed with the Department shall contain all necessary and reasonable information that the Department may by rule require. A certificate shall be granted to the applicant for a period not to exceed one year upon a determination by the Department that the applicant has substantially complied with the provisions of this Article and the rules promulgated by the Department under this Article. The Department shall charge the applicant a nonrefundable annual certification fee in the amount of one hundred twenty-five dollars ($125.00).
(b) A provisional certificate may be issued for a period not to exceed six months to a program:
(1) That does not substantially comply with the rules, when failure to comply does not endanger the health, safety, or welfare of the clients being served by the program;
(2) During the initial stages of operation if determined appropriate by the Department.

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, s. 34.6.(a), effective October 1, 2003, in subsection (a), substituted "one year" for "two years" in the second sentence, and added the last sentence.

§ 131E-168. Adverse action on a certificate.

(a) Subject to subsection (b), the Department is authorized to deny a new or renewal certificate and to suspend or revoke an existing certificate upon determination that there has been a substantial failure to comply with the provisions of this Article or the rules promulgated under this Article.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in subsection (a). (1983, c. 775, s. 1; 1987, c. 827, s. 1.)

§ 131E-170. Inspections.

(a) The Department shall make or cause to be made inspections of Cardiac Rehabilitation Programs as it deems necessary. The Department is empowered to delegate to a State officer, agent, board, bureau or division of State government the authority to make these inspections according to the rules promulgated by the Department. In addition, an individual who is not a State officer or agent and who is delegated the authority to make these inspections must be approved by the Department. The Department may revoke this delegated authority in its discretion.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department who make these inspections may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the program being inspected unless that patient objects in writing to review of that patient's records. Physicians, psychiatrists, nurses, and anyone else involved in giving treatment at or through a program who may be interviewed by representatives of the Department may disclose to these representatives information related to any inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communication between physician and patient," or any other rule of law, provided the patient has not made written objection to this disclosure. The program, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not

disclosed without written authorization of the patient or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a facility without the consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this section, the patient must be advised in writing by the program that the patient has the right to object in writing to the release of information or review of the records and that by an objection in writing the patient may prohibit the inspection or release of the records. (1983, c. 775, s. 1.)

§§ 131E-171 through 131E-174: Reserved for future codification purposes.

Article 9.

Certificate of Need.

§ 131E-175. Findings of fact.

The General Assembly of North Carolina makes the following findings:

(1) That the financing of health care, particularly the reimbursement of health services rendered by health service facilities, limits the effect of free market competition and government regulation is therefore necessary to control costs, utilization, and distribution of new health service facilities and the bed complements of these health service facilities.

(2) That the increasing cost of health care services offered through health service facilities threatens the health and welfare of the citizens of this State in that citizens need assurance of economical and readily available health care.

(3) That, if left to the market place to allocate health service facilities and health care services, geographical maldistribution of these facilities and services would occur and, further, less than equal access to all population groups, especially those that have traditionally been medically underserved, would result.

(3a) That access to health care services and health care facilities is critical to the welfare of rural North Carolinians, and to the continued viability of rural communities, and that the needs of rural North Carolinians should be considered in the certificate of need review process.

(4) That the proliferation of unnecessary health service facilities results in costly duplication and underuse of facilities, with the availability of excess capacity leading to unnecessary use of expensive resources and overutilization of health care services.

(5) Repealed by Session Laws 1987, c. 511, s. 1.

(6) That excess capacity of health service facilities places an enormous economic burden on the public who pay for the construction and operation of these facilities as patients, health insurance subscribers, health plan contributors, and taxpayers.

(7) That the general welfare and protection of lives, health, and property of the people of this State require that new institutional health services to be offered within this State be subject to review and evaluation as to need, cost of service, accessibility to services, quality of care, feasibility, and other criteria as determined by provisions of this Article or by the North Carolina Department of Health and Human Services pursuant to provisions of this Article prior to such services being offered or developed in order that only appropriate and needed institutional health services are made available in the area to be served.

(8) That because persons who have received exemptions under Section 11.9(a) of S.L. 2000-67, as amended, and under Section 11.69(b) of S.L. 1997-443, as amended by Section 12.16C(a) of S.L. 1998-212, and as amended by Section 1 of S.L. 1999-135, have had sufficient time to complete development plans and initiate construction of beds in adult care homes.

(9) That because with the enactment of this legislation, beds allowed under the exemptions noted above and pending development will count in the inventory of adult care home beds available to provide care to residents in the State Medical Facilities Plan.

(10) That because State and county expenditures provide support for nearly three-quarters of the residents in adult care homes through the State County Special Assistance program, and excess bed capacity increases costs per resident day, it is in the public interest to promote efficiencies in delivering care in those facilities by controlling and directing their growth in an effort to prevent underutilization and higher costs and provide appropriate geographical distribution. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 1; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1993, c. 7, s. 1; 1997-443, s. 11A.118(a); 2001-234, s. 1.)

Editor's Note. — Session Laws 1995, c. 507, s. 19.9(b), provided that any person who contracts to provide inpatient chemical dependency or substance abuse services to inmates of the Department of Correction may construct and operate a new facility for that purpose without a certificate of need from the Department of Human Resources pursuant to Article 9 of Chapter 131E.

Session Laws 1995, c. 507, s. 1.1, provides that the act shall be known and cited as the Expansion and Capital Improvements Appropriations Act of 1995.

Session Laws 1995, c. 507, s. 28.12, contains a severability clause.

Session Laws 1995, c. 507, s. 23.22, provides: "The acquisition of a second heart-lung bypass machine by a health service facility that has only one heart-lung bypass machine is exempt from review under Article 9 of Chapter 131E of the General Statutes, in order to ensure appropriate coverage for emergencies. In no instance shall both machines be scheduled for use simultaneously after the second machine is acquired."

Session Laws 1995, c. 507, s. 28.9, as amended by Session Laws 1997-456, s. 56.9, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1995-97 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1995-97 fiscal biennium. Section 23.22 of this act shall be effective until the end of the 1997-99 fiscal biennium."

Session Laws 2001-234, s. 4, provides: "The Department of Health and Human Services shall study and make recommendations regarding the State Medical Facilities Planning methodology that would be necessary in order to delineate the various populations currently being served in facilities regulated as adult care homes according to the needs of those populations. The Department shall report its findings and recommendations to the State Health Care Coordinating Council not later than May 1, 2002."

Effect of Amendments. — Session Laws 2001-234, s. 1, effective January 1, 2002, added subdivisions (8) through (10).

CASE NOTES

The purpose behind enactment of the certificate of need law was to regulate health care, so that only those services which are needed and less costly but more effective are made available to the public. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175.

The fundamental purpose of the certificate of need law is to limit the construction of health care facilities in this State to those that the public needs and that can be operated efficiently and economically for their benefit. Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986), decided under former G.S. 131-175.

Expansive interpretation proposed by the Department of Human Resources which allowed micro-management over relatively minor capital expenditures did not effectuate the overriding legislative intent behind the certificate of need process, i.e., regulation of major capital expenditures which may adversely impact the cost of health care services to the patient. Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

For discussion of the history and purpose of North Carolina certificate of need legislation, see North Carolina ex rel. Edmisten v. P.I.A. Asheville, Inc., 740 F.2d 274 (4th Cir. 1984), cert. denied, 471 U.S. 1003, 105 S. Ct. 1865, 85 L. Ed. 2d 159 (1985), decided under former G.S. 131-175 et seq.

The certificate of need requirements represent a clearly articulated policy by the State of North Carolina to regulate acquisitions of existing health care facilities which result in no change in services or bed capacity. North Carolina ex rel. Edmisten v. P.I.A. Asheville, Inc., 740 F.2d 274 (4th Cir. 1984), cert. denied, 471 U.S. 1003, 105 S. Ct. 1865, 85 L. Ed. 2d 159 (1985), decided under former G.S. 131-175 et seq.

North Carolina's certificate of need legislation shows that the North Carolina legislature was concerned about the unrelenting rise in the cost of health care, and about wasteful, duplicative major acquisitions by health care providers. North Carolina ex rel. Edmisten v. P.I.A. Asheville, Inc., 740 F.2d 274 (4th Cir. 1984), cert. denied, 471 U.S. 1003, 105 S. Ct. 1865, 85 L. Ed. 2d 159 (1985), decided under former G.S. 131-175 et seq.

In enacting the certificate of need law, the legislature found as facts that the forces of free market competition are largely absent in health care, and that government regulation is therefore necessary to control the cost, utilization, and distribution of health services and to assure that less costly and more effective alternatives are made available. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

A certificate of need is not dependent upon the requirement for a license; in fact, the statutes governing licensure of ambulatory surgical facilities (G.S. 131E-145 et seq.) and those governing certificates of need for new institutional health services (this section) are independent provisions. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

Time Limitations for Acting on Applications for Certificates of Need. — When viewed in its entirety, Article 9 of Chapter 131E, the Certificate of Need Law, reveals the legislature's intent that an applicant's fundamental right to engage in its otherwise lawful business be regulated but not be encumbered with unnecessary bureaucratic delay. The comprehensive legislative provisions controlling the times within which the Department must act on applications for certificates of need, set forth in Article 9, will be nullified if the Department is permitted to ignore those time limits with impunity. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Right to Fair Review Secured. — The certificate of need law secures to applicants the right to a fair review of an application and not the absolute right to a certificate of need. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175.

Discretion of Agency. — In serving the purpose of the certificate of need law adjustments are often needed, and the agency has discretion to make them by granting only some of the things applied for and by imposing conditions not applied for. Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986), decided under former G.S. 131-175.

Agency acted arbitrarily and capriciously in its calculation of the number of beds made available for development under the 1987 State Medical Facilities Plan (SMFP) and in failing to consider the positive impact on health care costs which would result from hospital's proposed conversion of presently unused beds. Additionally, agency's refusal to consider the alleged need for 22 psychiatric beds to be located in the three-county area which hospital served was reversible error. Lenoir Mem. Hosp. v. North Carolina Dep't of Human Resources,

98 N.C. App. 178, 390 S.E.2d 448, cert. denied, 327 N.C. 430, 395 S.E.2d 682 (1990).

Allegation of Priority Status Without Merit. — The certificate of need Section should not be foreclosed from carrying out the purposes and intent of the certificate of need law by an alleged priority status obtained by an applicant being the only one of several applicants to exercise its rights to judicial review. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

Appeal of Denial Held Moot. — Appeal brought by hospital corporation seeking a certificate of need, in which appellant contended that the section committed violations of its own administrative procedures in a 1981 review process and in denying appellant's application for a reconsideration hearing on its 1981 application, was moot where appellant was afforded an adequate remedy for the alleged errors in the 1981 review process by its participation in a 1982 review process of an application requesting approval of a virtually identical proposal. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175.

Full Contested Case Hearing Not Precluded by the Statute. — In a Certificate of Need (CON) case, the CON Statute does not preclude a full contested case hearing where an ALJ recommended a summary judgment in a decision based only on each applicant's conformity with the criteria in G.S. 131E-183. A full hearing protects the applicant's due process rights, allows the record to be fully developed, and encourages judicial economy. Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

Hospital Granting Exclusive Privilege to Use Equipment Held Not Immune Under State Action Exemption. — In an antitrust action brought under §§ 1 and 2 of the Sherman Act (15 U.S.C. §§ 1 and 2) brought by plaintiff physicians asserting that defendant hospital had improperly restricted use of its CAT Scan, defendant was held to have failed to show, in support of its motion to dismiss, that the General Assembly had authorized defendant to grant exclusive privileges to certain physicians to use its facilities with the intent to restrict competition, so as to render defendant immune from antitrust liability under the state action exemption. Coastal Neuro-Psychiatric Assocs. v. Onslow County Hosp. Auth., 607 F. Supp. 49 (E.D.N.C. 1985).

Exemptions from Obtaining Certificate of Need. — Agency properly granted summary judgment to petitioners on the grounds that they were exempt from obtaining a certificate of need because they had entered into binding legal contacts to develop and offer a health service as contemplated by grandfather clause. Koltis v. North Carolina Dep't of Human Resources, 125 N.C. App. 268, 480 S.E.2d 702 (1997).

Grandfather Clause. — To satisfy the requirements of grandfather clause, which would exempt one from obtaining a certificate of need, one need only show a binding legal contract to develop any service that was not a new institutional health service requiring a certificate of need prior to March 18, 1993. Koltis v. North Carolina Dep't of Human Resources, 125 N.C. App. 268, 480 S.E.2d 702 (1997).

An ambulatory surgical facility may be operated as a part of a physician or dentist's office, provided the facility is licensed under G.S. Chapter 131E, Article 6, Part D, but the performance of incidental, limited ambulatory surgical procedures which do not constitute an ambulatory surgical program as defined in subdivision (1b) and which are performed in a physician's or dentist's office does not make that office an ambulatory surgical facility.

ss. 1, 2; 1985, c. 589, ss. 42, 43(a); c. 740, ss. 1, 2, 6; 1985 (Reg. Sess., 1986), c. 1001, s. 2; 1987, c. 34; c. 511, s. 1; 1991, c. 692, s. 1; c. 701, s. 1; 1993, c. 7, s. 2; c. 376, ss. 1-4; 1997-443, s. 11A.118(a); 2000-135, ss. 1, 2; 2001-234, s. 2; 2001-242, ss. 2, 4; 2003-229, s. 13; 2003-390, ss. 1, 2.)

Editor's Note. — Session Laws 1987, c. 511, s. 3, provided that the act, which amended this section, would become effective July 1, 1987, and would apply to all new institutional health services that are proposed on and after that date, but would not apply to applications for certificates of need which begin review, or to projects for which certificates of need were issued, before that date. Section 3 of Session Laws 1987, c. 511 further provided that the act would supersede all previous acts that were to become effective at any time after the effective date of the act (July 1, 1987). Thus an amendment by Session Laws 1985, c. 589, s. 43(b), which would have deleted "Article 1A of General Statutes Chapter 122" following "licensed under" in paragraph (5a)b and (5a)c, and was scheduled to become effective on January 1, 1988, was superseded and did not go into effect.

Session Laws 2001-234, s. 4, provides: "The Department of Health and Human Services shall study and make recommendations regarding the State Medical Facilities Planning methodology that would be necessary in order to delineate the various populations currently being served in facilities regulated as adult care homes according to the needs of those populations. The Department shall report its findings and recommendations to the State Health Care Coordinating Council not later than May 1, 2002."

Session Laws 2001-242, s. 5, provides: "This act is effective when it becomes law [June 23, 2001]. This act shall not apply to any project which was not a new institutional health service as defined in G.S. 131E-176(16) prior to the effective date of this act and for which there has been a capital expenditure exceeding fifty thousand dollars ($50,000) or there was a legally binding obligation for a capital expenditure exceeding fifty thousand dollars ($50,000) in effect on or before the effective date of this act and which was reasonably expected to be completed by December 31, 2002. A facility or office that was not licensed as an ambulatory surgical facility prior to the effective date of this act shall not become an ambulatory surgical facility by virtue of the amendment set forth in Sections 1 and 2 of this act [which amended G.S. 131E-146 and 131E-176] and may not be licensed as an ambulatory surgical facility under Part D of Article 6 of Chapter 131E of the General Statutes without a certificate of need."

Chapter 122, referred to in this section, has been repealed. See now Chapter 122C.

The definitions contained in this section have been set out in the order above at the direction of the Revisor of Statutes.

Former subdivisions (1), (1a), and (1b) in this section were redesignated as present subdivisions (1a), (1b), and (1c), at the direction of the Revisor of Statutes to preserve alphabetical order of the definitions.

Effect of Amendments. — Session Laws 2001-234, s. 2, effective January 1, 2002, substituted "nursing home facility; adult care home" for "long term care facility" in subdivision (9b); in subdivision (9c), substituted "nursing home beds" for "nursing care beds" in clause (iv), deleted "and" at the end of clause (vii), added "and" at the end of clause (viii), and added clause (ix); added subdivision (12a), redesignated as present subdivision (1) to preserve alphabetical order at the direction of the Revisor of Statutes; deleted subdivision (14d), defining "Long term care facility"; and added subdivision (17b).

Session Laws 2003-229, s. 13, effective July 1, 2003, and applicable to temporary and emergency rules adopted on or after that date and to permanent rules adopted on or after October 1, 2003, added the last four sentences in subdivision (25).

Session Laws 2003-390, ss. 1 and 2, effective August 7, 2003, in subdivision (5a)c., deleted "'social setting detoxification facilities' and 'medical detoxification facilities'" preceding "or by other names," inserted "social setting detoxification facilities, medical detoxication facilities," and made minor punctuation changes; and in the first sentence of subdivision (5b), deleted "for detoxification or" following "beds that are licensed," and added the last sentence.

The legislature did not intend to impose unreasonable limitations on maintaining or expanding presently offered health services. Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

Amendments to the State Medical Facilities Plan. — The term "approved" in subdivi-

sion (25) gives the Governor the final authority to make substantive amendments to the State Medical Facilities Plan as part of the approval process. Frye Regional Medical Ctr., Inc. v. Hunt, 350 N.C. 39, 510 S.E.2d 159 (1999).

The opening of branch offices by an established home health agency within its current service area is not the construction, development or other establishment of a new health service facility under subdivision (16)(a) of this section; however, the question of whether extension of home health services to patients in counties outside an agency's current service area, or the expansion of branch offices of an established home health agency outside the agency's current service area would trigger the Certificate of Need requirement under this section has not been decided. Total Care, Inc. v. Department of Human Resources, 99 N.C. App. 517, 393 S.E.2d 338 (1990).

Expansion, Not "New Institutional Health Service". — The defendant/center was not required to obtain a separate certificate of need to develop additional operating rooms, a recovery room, and necessary ancillary space at a second site within the service area for which it already held a certificate of need. The defendant's proposal was not a "new institutional health service" requiring a certificate of need, but rather, an expansion of an existing health service facility within the limitations permitted by statute. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

(2) Adopt, amend, and repeal such rules and regulations, consistent with the laws of this State, as may be required by the federal government for grants-in-aid for health service facilities and health planning which may be made available by the federal government. This section shall be liberally construed in order that the State and its citizens may benefit from such grants-in-aid;

(3) Define, by rule, procedures for submission of periodic reports by persons or health service facilities subject to agency review under this Article;

(4) Develop policy, criteria, and standards for health service facilities planning; shall conduct statewide registration and inventories of and make determinations of need for health service facilities, health services as specified in G.S. 131E-176(16)f., and equipment as specified in G.S. 131E-176(16)f1., which shall include consideration of adequate geographic location of equipment and services; and develop a State Medical Facilities Plan;

(5) Implement, by rule, criteria for project review;

(6) Have the power to grant, deny, or withdraw a certificate of need and to impose such sanctions as are provided for by this Article;

(7) Solicit, accept, hold and administer on behalf of the State any grants or bequests of money, securities or property to the Department for use by the Department in the administration of this Article; and

(8) Repealed by Session Laws 1987, c. 511, s. 1.

(9) Establish and collect fees for submitting applications for certificates of need. The fee schedule established should generate sufficient revenue to offset the entire cost of the certificate of need program. This fee may not exceed seventeen thousand five hundred dollars ($17,500) and

may not be less than two thousand dollars ($2,000). Fees collected under this subdivision shall be credited to the General Fund as nontax revenue.

(10) The authority to review all records in any recording medium of any person or health service facility subject to agency review under this Article which pertain to construction and acquisition activities, staffing or costs and charges for patient care, including but not limited to, construction contracts, architectural contracts, consultant contracts, purchase orders, cancelled checks, accounting and financial records, debt instruments, loan and security agreements, staffing records, utilization statistics and any other records the Department deems to be reasonably necessary to determine compliance with this Article.

The Secretary of Health and Human Services shall have final decision-making authority with regard to all functions described in this section. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 1; 1983, c. 713, s. 96; c. 775, ss. 1, 6; 1987, c. 511, s. 1; 1991, c. 692, s. 2; 1993, c. 7, s. 3; c. 383, ss. 2, 3; 1997-443, s. 11A.118(a).)

CASE NOTES

Responsibility of Department. — While the hearing officer's recommendations are entitled to consideration, the responsibility for making the decision is that of the Department of Human Resources. Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986), decided under former G.S. 131-177.

Project analyst's request for documentation of petitioner's alleged support by professional groups and individuals was entirely reasonable and within Department of Human Resources' authority, in order to obtain the necessary information to properly review application. Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639, cert. denied, 319 N.C. 105, 353 S.E.2d 106 (1987), decided under former G.S. 131-177 and 131-181.

§ 131E-178. Activities requiring certificate of need.

(a) No person shall offer or develop a new institutional health service without first obtaining a certificate of need from the Department; provided, however, no hospital licensed pursuant to Article 5 of this Chapter that was established to serve a minority population that would not otherwise have been served and that continues to serve a minority population may be required to obtain a certificate of need for transferring up to 65 beds to nursing care facility beds.

(b) No person shall make an acquisition by donation, lease, transfer, or comparable arrangement without first obtaining a certificate of need from the Department, if the acquisition would have been a new institutional health service if it had been made by purchase. In determining whether an acquisition would have been a new institutional health service, the capital expenditure for the asset shall be deemed to be the fair market value of the asset or the cost of the asset, whichever is greater.

(c) No person shall incur an obligation for a capital expenditure which is a new institutional health service without first obtaining a certificate of need from the Department. An obligation for a capital expenditure is incurred when:

(1) An enforceable contract, excepting contracts which are expressly contingent upon issuance of a certificate of need, is entered into by a person for the construction, acquisition, lease or financing of a capital asset;

(2) A person takes formal action to commit funds for a construction project undertaken as his own contractor; or

(3) In the case of donated property, the date on which the gift is completed.

(d) Where the estimated cost of a proposed capital expenditure, including the fair market value of equipment acquired by purchase, lease, transfer, or other comparable arrangement, is certified by a licensed architect or engineer to be equal to or less than the expenditure minimum for capital expenditure for new institutional health services, such expenditure shall be deemed not to exceed the amount for new institutional health services regardless of the actual amount expended, provided that the following conditions are met:

(1) The certified estimated cost is prepared in writing 60 days or more before the obligation for the capital expenditure is incurred. Certified cost estimates shall be available for inspection at the facility and sent to the Department upon its request.

(2) The facility on whose behalf the expenditure was made notifies the Department in writing within 30 days of the date on which such expenditure is made if the expenditure exceeds the expenditure minimum for capital expenditures. The notice shall include a copy of the certified cost estimate.

(e) The Department may grant certificates of need which permit capital expenditures only for predevelopment activities. Predevelopment activities include the preparation of architectural designs, plans, working drawings, or specifications, the preparation of studies and surveys, and the acquisition of a potential site. (1977, 2nd Sess., c. 1182, s. 2; 1979, c. 876, s. 2; 1981, c. 651, s. 3; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1110, s. 3; 1985, c. 740, s. 3; 1985 (Reg. Sess., 1986), c. 1001, s. 1; 1987, c. 511, s. 1; c. 768; 1991, c. 692, s. 3; 1993, c. 7, s. 4.)

Editor's Note. — Session Laws 1983 (Reg. Sess., 1984), c. 1110, s. 17, provided that the enactment of ss. 1 through 3 of the act (which amended G.S. 131E-176 and 131E-178) should not be construed as requiring a facility which had obtained prior to June 30, 1984, a certificate of need for such use under prior law to obtain a new certificate of need on account of the special inclusion of chemical dependency treatment facilities in Article 9 of Chapter 131E.

CASE NOTES

The opening of branch offices by an established home health agency within its current service area is not the construction, development or other establishment of a new health service facility under G.S. 131E-176(16)(a); however, the question of whether extension of home health services to patients in counties outside an agency's current service area, or the expansion of branch offices of an established home health agency outside the agency's current service area would trigger the Certificate of Need requirement under G.S. 131E-176 has not been decided. Total Care, Inc. v. Department of Human Resources, 99 N.C. App. 517, 393 S.E.2d 338 (1990).

Expansion, Not "New Institutional Health Service". — The defendant/center was not required to obtain a separate certificate of need to develop additional operating rooms, a recovery room, and necessary ancillary space at a second site within the service area for which it already held a certificate of need. The defendant's proposal was not a "new institutional health service" requiring a certificate of need, but rather, an expansion of an existing health service facility within the limitations permitted by statute. § 131E-179. Research activities.

(a) Notwithstanding any other provisions of this Article, a health service facility may offer new institutional health services to be used solely for research, or incur the obligation of a capital expenditure solely for research, without a certificate of need, if the Department grants an exemption. The Department shall grant an exemption if the health service facility files a notice of intent with the Department in accordance with rules promulgated by the Department and if the Department finds that the offering or obligation will not:

(1) Affect the charges of the health service facility for the provision of medical or other patient care services other than services which are included in the research;

(2) Substantially change the bed capacity of the facility; or

(3) Substantially change the medical or other patient care services of the facility.

(b) After a health service facility has received an exemption pursuant to subsection (a) of this section, it shall not offer the new institutional health services, or use a facility acquired through the capital expenditure, in a manner which affects the charges of the facility for the provision of medical or other patient care services, other than the services which are included in the research and shall not charge patients for the use of the service for which an exemption has been granted, without first obtaining a certificate of need from the Department; provided, however, that any facility or service acquired or developed under the exemption provided by this section shall not be subject to the foregoing restrictions on its use if the facility or service could otherwise be offered or developed without a certificate of need.

(c) Any of the activities described in subsection (a) of this section shall be deemed to be solely for research even if they include patient care provided on an occasional and irregular basis and not as a part of the research program. (1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 4.)

§ 131E-180. Health maintenance organization.

(a) Subject to the provisions of subsection (b) of this section, no inpatient health service facility controlled, directly or indirectly, by a health maintenance organization (HMO), or combination of HMOs, shall offer or develop new institutional health services without first obtaining a certificate of need from the Department. This section shall not be construed as requiring that a certificate of need be obtained before an HMO is established.

(b) The requirements of subsection (a) of this section shall not apply to any person who receives an exemption under this subsection. In order to receive an exemption an application must be submitted to the Department and the appropriate health systems agency or agencies. The application shall be on forms prescribed by the Department and contain the information required by the Department. The application shall be submitted at a time and in a manner prescribed by the rules of the Department. The Department may grant an exemption if it finds that the applicant is qualified or will be qualified on the date the activity is undertaken. Any of the following are qualified applicants:

(1) An HMO or combination of HMOs, if (i) the HMO or combination of HMOs has an enrollment of at least 50,000 individuals in its service area, (ii) the facility in which the service will be provided is or will be

geographically located so that the service will be reasonably accessible to the enrolled individuals, and (iii) at least seventy-five percent (75%) of the patients who can be reasonably expected to receive the health service will be individuals enrolled in the HMO or HMOs in combination; or

(2) A health service facility, or portion thereof, if (i) the facility primarily provides or will provide inpatient health services, (ii) the facility is or will be controlled, directly or indirectly, by an HMO or combination of HMOs with an enrollment of at least 50,000 individuals in its service area, (iii) the facility is or will be geographically located so that the service will be reasonably accessible to the enrolled individuals, and (iv) at least seventy-five percent (75%) of the patients who can be reasonably expected to receive the health service will be individuals enrolled with the HMO or HMOs in combination; or

(3) A health service facility, or portion thereof, if (i) the facility is or will be leased by an HMO or combination of HMOs with an enrollment of at least 50,000 individuals in its service area and on the date the application for exemption is submitted at least 15 years remain on the lease, (ii) the facility is or will be geographically located so that the service will be reasonably accessible to the enrolled individuals, and (iii) at least seventy-five percent (75%) of the patients who can be reasonably expected to receive the health service will be individuals enrolled with the HMO or HMOs in combination.

(c) If a fee-for-service component of an HMO or combination of HMOs qualifies for an exemption under subsection (b) of this section, then it must be granted an exemption.

(d) In reviewing certificate of need applications submitted pursuant to this section, the Department shall not deny the application solely because the proposal is not addressed in the applicable health systems plan, annual implementation plan or State Health Plan.

(e) Notwithstanding the review criteria of G.S. 131E-183(a), if an HMO or a health service facility which is controlled, directly or indirectly, by an HMO applies for a certificate of need, the Department may grant the certificate if it finds, in accordance with G.S. 131E-183(a)(10), that (i) granting the certificate is required to meet the needs of the members of the HMO and of the new members which the HMO can reasonably be expected to enroll, and (ii) the HMO is unable to provide, through services or facilities which can reasonably be expected to be available to the HMO, its health services in a reasonable and cost-effective manner which is consistent with the basic method of operations of the HMO and which makes these services available on a long-term basis through physicians and other health professionals associated with it. (1983, c. 775, s. 1; 1985, c. 740, s. 4; 1987, c. 511, s. 1.)

§ 131E-180.1. Expired.

Editor's Note. — Session Laws 1995, s. 2, provided that this section would expire when the Division of Facility Services completed and implemented the current rewrite of home care licensure rules, but that the expiration should be no earlier than February 1, 1996, and no later than June 30, 1996.

§ 131E-181. Nature of certificate of need.

(a) A certificate of need shall be valid only for the defined scope, physical location, and person named in the application. A certificate of need shall not be transferred or assigned except as provided in G.S. 131E-189(c).

(b) A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need. The Department shall require any recipient of a certificate of need, or its successor, whose service is in operation to submit to the Department evidence that the recipient, or its successor, is in material compliance with the representations made in its application for the certificate of need which granted the recipient the right to operate that service. In determining whether the recipient of a certificate of need, or its successor, is operating a service which materially differs from the representations made in its application for that certificate of need, the Department shall consider cost increases to the recipient, or its successor, including, but not limited to, the following:

(1) Any increase in the consumer price index;

(2) Any increased cost incurred because of Government requirements, including federal, State, or any political subdivision thereof; and

(3) Any increase in cost due to professional fees or the purchase of services and supplies.

(c) Whenever a certificate of need is issued more than 12 months after the application for the certificate of need began review, the Department shall adjust the capital expenditure amount proposed by increasing it to reflect any inflation in the Department of Commerce's Construction Cost Index that has occurred since the date when the application began review; and the Department shall use this recalculated capital expenditure amount in the certificate of need issued for the project.

(d) A project authorized by a certificate of need is complete when the health service or the health service facility for which the certificate of need was issued is licensed and certified and is in material compliance with the representations made in the certificate of need application. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 5; 1983, c. 775, s. 1; 1985, c. 521, s. 1; 1985 (Reg. Sess., 1986), c. 968, s. 1; 1987, c. 511, s. 1; 1989, c. 233; c. 751, s. 9(c); 1991, c. 692, s. 5; 1991 (Reg. Sess., 1992), c. 959, s. 85; 1993, c. 7, s. 5.)

§ 131E-182. Application.

(a) The Department in its rules shall establish schedules for submission and review of completed applications. The schedules shall provide that applications for similar proposals in the same health service area will be reviewed together.

(b) An application for a certificate of need shall be made on forms provided by the Department. The application forms, which may vary according to the type of proposal, shall require such information as the Department, by its rules deems necessary to conduct the review. An applicant shall be required to furnish only that information necessary to determine whether the proposed new institutional health service is consistent with the review criteria implemented under G.S. 131E-183 and with duly adopted standards, plans and criteria.

(c) All fees established by the Department for submitting an application for a certificate of need are due when the application is submitted. These fees are not refundable, regardless of whether a certificate of need is issued. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 6; 1983, c. 713, s. 97; c. 775, ss. 1, 6; 1987, c. 511, s. 1.)

Editor's Note. — Session Laws 1993, c. 561, s. 88, provides: "Those existing facilities that were granted a Certificate of Need to develop no more than 30 beds and that have applied for a Certificate of Need to expand to 32 beds prior to July 1, 1993, are exempt from the 30-bed limitation and may be issued a Certificate of Need for no more than 32 beds each. These additional beds for those facilities shall not be taken into account in deciding Certificate of Need allocations to other applicants in the same service area during the 1993 calendar year."

Session Laws 1993, c. 561, s. 23.1, as added by Session Laws 1994, Extra Session, c. 24, s. 54, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1993-95 biennium, the textual provisions of this act shall apply only to funds appropriated for and activities occurring during the 1993-95 biennium."

§ 131E-183. Review criteria.

(a) The Department shall review all applications utilizing the criteria outlined in this subsection and shall determine that an application is either consistent with or not in conflict with these criteria before a certificate of need for the proposed project shall be issued.

(1) **(See note)** The proposed project shall be consistent with applicable policies and need determinations in the State Medical Facilities Plan, the need determination of which constitutes a determinative limitation on the provision of any health service, health service facility, health service facility beds, dialysis stations, operating rooms, or home health offices that may be approved.

(2) Repealed by Session Laws 1987, c. 511, s. 1.

(3) The applicant shall identify the population to be served by the proposed project, and shall demonstrate the need that this population has for the services proposed, and the extent to which all residents of the area, and, in particular, low income persons, racial and ethnic minorities, women, handicapped persons, the elderly, and other underserved groups are likely to have access to the services proposed.

(3a) In the case of a reduction or elimination of a service, including the relocation of a facility or a service, the applicant shall demonstrate that the needs of the population presently served will be met adequately by the proposed relocation or by alternative arrangements, and the effect of the reduction, elimination or relocation of the service on the ability of low income persons, racial and ethnic minorities, women, handicapped persons, and other underserved groups and the elderly to obtain needed health care.

(4) Where alternative methods of meeting the needs for the proposed project exist, the applicant shall demonstrate that the least costly or most effective alternative has been proposed.

(5) Financial and operational projections for the project shall demonstrate the availability of funds for capital and operating needs as well as the immediate and long-term financial feasibility of the proposal, based upon reasonable projections of the costs of and charges for providing health services by the person proposing the service.

(6) The applicant shall demonstrate that the proposed project will not result in unnecessary duplication of existing or approved health service capabilities or facilities.

(7) The applicant shall show evidence of the availability of resources, including health manpower and management personnel, for the provision of the services proposed to be provided.

(8) The applicant shall demonstrate that the provider of the proposed services will make available, or otherwise make arrangements for, the provision of the necessary ancillary and support services. The applicant shall also demonstrate that the proposed service will be coordinated with the existing health care system.

(9) An applicant proposing to provide a substantial portion of the project's services to individuals not residing in the health service area in which the project is located, or in adjacent health service areas, shall document the special needs and circumstances that warrant service to these individuals.

(10) When applicable, the applicant shall show that the special needs of health maintenance organizations will be fulfilled by the project. Specifically, the applicant shall show that the project accommodates:

a. The needs of enrolled members and reasonably anticipated new members of the HMO for the health service to be provided by the organization; and

b. The availability of new health services from non-HMO providers or other HMOs in a reasonable and cost-effective manner which is consistent with the basic method of operation of the HMO. In assessing the availability of these health services from these providers, the applicant shall consider only whether the services from these providers:

1. Would be available under a contract of at least five years' duration;
2. Would be available and conveniently accessible through physicians and other health professionals associated with the HMO;
3. Would cost no more than if the services were provided by the HMO; and
4. Would be available in a manner which is administratively feasible to the HMO.

(11) Repealed by Session Laws 1987, c. 511, s. 1.

(12) Applications involving construction shall demonstrate that the cost, design, and means of construction proposed represent the most reasonable alternative, and that the construction project will not unduly increase the costs of providing health services by the person proposing the construction project or the costs and charges to the public of providing health services by other persons, and that applicable energy saving features have been incorporated into the construction plans.

(13) The applicant shall demonstrate the contribution of the proposed service in meeting the health-related needs of the elderly and of members of medically underserved groups, such as medically indigent or low income persons, Medicaid and Medicare recipients, racial and ethnic minorities, women, and handicapped persons, which have traditionally experienced difficulties in obtaining equal access to the proposed services, particularly those needs identified in the State Health Plan as deserving of priority. For the purpose of determining the extent to which the proposed service will be accessible, the applicant shall show:

a. The extent to which medically underserved populations currently use the applicant's existing services in comparison to the percentage of the population in the applicant's service area which is medically underserved;

b. Its past performance in meeting its obligation, if any, under any applicable regulations requiring provision of uncompensated care, community service, or access by minorities and handicapped persons to programs receiving federal assistance, including the existence of any civil rights access complaints against the applicant;

c. That the elderly and the medically underserved groups identified in this subdivision will be served by the applicant's proposed services and the extent to which each of these groups is expected to utilize the proposed services; and

d. That the applicant offers a range of means by which a person will have access to its services. Examples of a range of means are outpatient services, admission by house staff, and admission by personal physicians.

(14) The applicant shall demonstrate that the proposed health services accommodate the clinical needs of health professional training programs in the area, as applicable.

(15) through (18) Repealed by Session Laws 1987, c. 511, s. 1.

(18a) The applicant shall demonstrate the expected effects of the proposed services on competition in the proposed service area, including how any enhanced competition will have a positive impact upon the cost effectiveness, quality, and access to the services proposed; and in the case of applications for services where competition between providers will not have a favorable impact on cost effectiveness, quality, and access to the services proposed, the applicant shall demonstrate that its application is for a service on which competition will not have a favorable impact.

(19) Repealed by Session Laws 1987, c. 511, s. 1.

(20) An applicant already involved in the provision of health services shall provide evidence that quality care has been provided in the past.

(21) Repealed by Session Laws 1987, c. 511, s. 1.

(b) The Department is authorized to adopt rules for the review of particular types of applications that will be used in addition to those criteria outlined in subsection (a) of this section and may vary according to the purpose for which a particular review is being conducted or the type of health service reviewed. No such rule adopted by the Department shall require an academic medical center teaching hospital, as defined by the State Medical Facilities Plan, to demonstrate that any facility or service at another hospital is being appropriately utilized in order for that academic medical center teaching hospital to be approved for the issuance of a certificate of need to develop any similar facility or service.

(c) Repealed by Session Laws 1987, c. 511, s. 1. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 7; 1983, c. 775, s. 1; c. 920, s. 2; 1983 (Reg. Sess., 1984), c. 1002, s. 10; 1985, c. 445, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 6; c. 701, s. 2; 1993, c. 7, s. 6; 2001-242, s. 3.)

Editor's Note. — Session Laws 2001-242, s. 5, provides: "This act is effective when it becomes law [June 23, 2001]. This act shall not apply to any project which was not a new institutional health service as defined in G.S. 131E-176(16) prior to the effective date of this act and for which there has been a capital expenditure exceeding fifty thousand dollars ($50,000) or there was a legally binding obligation for a capital expenditure exceeding fifty thousand dollars ($50,000) in effect on or before the effective date of this act and which was reasonably expected to be completed by December 31, 2002. A facility or office that was not licensed as an ambulatory surgical facility prior to the effective date of this act shall not become an ambulatory surgical facility by virtue of the amendment set forth in Sections 1 and 2 of this act [which amended G.S. 131E-146 and 131E-176] and may not be licensed as an ambulatory surgical facility under Part D of Article 6 of Chapter 131E of the General Statutes without a certificate of need."

CASE NOTES

Legislative Findings. — In enacting the certificate of need law, the legislature found as facts that the forces of free market competition are largely absent in health care, and that government regulation is therefore necessary to control the cost, utilization, and distribution of health services and to assure that less costly and more effective alternatives are made available. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

Review of Criteria by Agency. — The certificate of need law does not contemplate that the agency will review any criteria competitively, and subsequently find one applicant nonconforming to a criterion simply because another applicant is found conforming, as the intent of the legislature is to have the agency first ensure that each application comports with the statutory and regulatory criteria. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

Full Contested Case Hearing Not Precluded by the Statute. — In a Certificate of Need (CON) case, the CON Statute does not preclude a full contested case hearing where an ALJ recommended a summary judgment in a decision based only on each applicant's conformity with the criteria in G.S. 131E-183. A full hearing protects the applicant's due process rights, allows the record to be fully developed, and encourages judicial economy. Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

Review of Criteria by Hearing Officer. — In a certificate of need case, the hearing officer may only consider evidence contained in an applicant's certificate of need application which was before the Certificate of Need Section when it made its initial decision. Presbyterian-Orthopaedic Hosp. v. North Carolina Dep't of Human Resources, 122 N.C. App. 529, 470 S.E.2d 831 (1996), discretionary review improvidently allowed, 346 N.C. 267, 485 S.E.2d 294 (1997).

Statutory Criteria Met. — A challenged, successful Certificate of Need application did not violate State and federal Medicaid regulations by overstating its projected Medicaid revenues, nor did it fail in financial feasibility, cost effectiveness, or conformity to statutory criteria contained in this section. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

The N. C. Department of Health and Human Services adhered to the required procedures where it first analyzed each individual certificate of need application to determine the extent to which each application conformed to the statutory criteria, and then entered exhaustive findings with respect to the relative merits of the applications, comparing Medicaid access, costs for services, operating costs, types of services, staffing, and location before concluding that the successful application was comparatively superior. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Allegation of Priority Status Without Merit. — The certificate of need section should not be foreclosed from carrying out the purposes and intent of the certificate of need law by an alleged priority status obtained by an applicant being the only one of several applicants to exercise its rights to judicial review. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

Duplication of Services Not a Concern. — The Department of Health and Human Services' finding that the successful Certificate of Need (CON) application conformed with subsections (a)(3), (4) and (6) of this section was supported by substantial evidence where the applicant identified 34 of its own patients at another facility who expressed a willingness to transfer their treatment to the proposed facility; where such transfer would not result in a duplication of services but rather better access for current patients; and where an evaluation of the alternatives—(1) relocating stations to develop a new facility at a new site, (2) expansion of the existing facility, and (3) doing nothing—revealed that opening a new center was the most effective alternative although the competing CON applicant already serviced a dialysis center in the city of the proposed new site. Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000), aff'd, 353 N.C. 258, 538 S.E.2d 566 (2000).

Number of Existing Federal-Approved Dialysis Stations Considered. — Where evidence presented at hearing showed that eighty to ninety percent of the dialysis patients in the area to be served relied on Medicare or Medicaid to pay for dialysis treatment, the agency was justified in concluding that only federally-approved stations should be considered when counting the number of existing stations. In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788, cert. denied, 320 N.C. 793, 361 S.E.2d 89 (1987).

Financial Status of Participating Out-of-

State Physician Considered. — The agency did not act in an unfair or illegal manner is considering evidence of the financial status of a listed shareholder who was a licensed physician in several states and needed to meet only pro-forma requirements in order to become licensed in North Carolina, simply because such evidence had not been utilized in the initial decision and because he was not yet a licensed physician in North Carolina, where all the evidence indicated that he would be a licensed physician and thus eligible to participate in the project by the time the Certificate of Need would be issued. In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788, cert. denied, 320 N.C. 793, 361 S.E.2d 89 (1987).

Project analyst's request for documentation of petitioner's alleged support by professional groups and individuals was entirely reasonable and within Department of Human Resources' authority, in order to obtain the necessary information to properly review application. Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639 (1986), cert. denied, 319 N.C. 105, 353 S.E.2d 106 (1987), decided under former G.S. 131-177 and 131-181.

Evidence supported department's conclusion that need existed for dialysis facility, and that there were no less costly or more effective alternatives for providing the desired services. In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788, cert. denied, 320 N.C. 793, 361 S.E.2d 89 (1987).

For case where determination that criteria for qualifying for certificate of need for construction of hospital were not met, see Hospital Group of Western North Carolina, Inc. v. North Carolina Dep't of Human Resources, 76 N.C. App. 265, 332 S.E.2d 748 (1985).

Substantial Evidence Supported Conditional Approval. — Substantial evidence existed from which the agency could reasonably find that a Certificate of Need (CON) application for a dialysis center, as conditioned, conformed with Criterion 5 where the financial backer agreed to carry out the project, and the bank's finance officer testified, after the conditional approval, that the backer had access to sufficient funds for their equity contribution. Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000), aff'd, 353 N.C. 258, 538 S.E.2d 566 (2000).

Conditional Approval Not Arbitrary or Capricious. — The agency's decision to conditionally approve a Certificate of Need (CON) application did not constitute arbitrary and capricious decision-making where the services were determined to be needed; where the conditions imposed, as required by Criterion 5, insured that the proposal was consistent with applicable criteria; and where there was substantial evidence from which the agency could reasonably find the application conditionally conforming. Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000), aff'd, 353 N.C. 258, 538 S.E.2d 566 (2000).

Subdivision (a)(5) of this section did not require the submission of financial statements by the applicants; it merely required the Department of Human Resources to determine the availability of funds for the project from the entity responsible for funding, which may or may not be an applicant. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Financial Resources of Other Entity. — There is nothing in subdivision (a)(5) of this section which precludes a certificate of need applicant from relying on the financial resources of another entity for its funding. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Where a project is to be funded other than by the applicants, the application must contain evidence of a commitment to provide the funds by the funding entity; without such a commitment, an applicant cannot adequately demonstrate availability of funds or the requisite financial feasibility. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Sufficient evidence supported a finding of financial feasibility where the availability of a bank loan was properly evidenced by a letter of interest, where a loan shortfall could be covered by other personal assets, and where "the certificate of need section did not rely on [the availability of a line of credit in the name of a deceased individual] in concluding that there were sufficient funds to finance [the] proposal." Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Financial Commitment Adequately Demonstrated. — Evidence of financial backers' net worth and demonstrated ability to provide $811,362.00 separate and apart from their wives, who had not signed commitment letters, coupled with a certification page by one of the backers describing his "intent to carry out the proposed project" and an affidavit further affirming this intent, when added to evidence demonstrating the ability of the funding sources to provide the funds, were sufficient to show commitment required by this section. Johnston Health Care Ctr., L.L.C. v. North Carolina Dep't of Human Res., 136 N.C. App.

307, 524 S.E.2d 352, 2000 N.C. App. LEXIS 20 (2000).

Early Expiration of Credit Line. — Where Certificate of Need applicant's supporting documentation indicated that the bank's line of credit would expire before the proposed project was scheduled to commence, substantial evidence supported the Department of Health and Human Services' finding that the applicant failed to establish the availability and commitment of funds required by this section. Johnston Health Care Ctr., L.L.C. v. North Carolina Dep't of Human Res., 136 N.C. App. 307, 524 S.E.2d 352, 2000 N.C. App. LEXIS 20 (2000).

Letter Not Commitment to Finance. — A letter from a bank indicating its interest in loaning money to a corporation for the addition/conversion of beds and confirming that it had money which could be used to fund the project did not constitute a commitment to provide financing, nor did it bind it to use money for the project. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

A letter which may arguably have shown commitment to provide working capital during the first 3 years of operation did not commit a corporation to expend any money for the capital expenses necessary to implement the project. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Determination of Assumptions and Methodology. — The Department of Human Resources employed the wrong standard in determining whether assumptions and methodology were contained in an application where, instead of finding that they were "clearly stated", the agency found that they were "sufficiently clear" and "discernible." Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Errors and Omissions Did Not Prejudice Competitor. — While the Department of Health and Human Services technically exceeded its authority and jurisdiction and committed errors of law by awarding a Certificate of Need to establish a new dialysis center on the basis of an application that was never shown to be conforming to all applicable criteria, its actions did not prejudice the applicant's competitor because the alleged mistakes and omissions, which were made under a settlement agreement, were corrected by final agency decision. Bio-Medical Applications of N.C., Inc. v. North Carolina Dep't of Human Resources, 136 N.C. App. 103, 523 S.E.2d 677, 1999 N.C. App. LEXIS 1372 (1999).

Application Unclear. — Applicant failed to define clearly the type of services it intended to provide where its application contained contradictory information regarding whether or not it proposed a dedicated Alzheimer's unit. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

§ 131E-184. Exemptions from review.

(a) Except as provided in subsection (b), the Department shall exempt from certificate of need review a new institutional health service if it receives prior written notice from the entity proposing the new institutional health service, which notice includes an explanation of why the new institutional health service is required, for any of the following:

(1) To eliminate or prevent imminent safety hazards as defined in federal, State, or local fire, building, or life safety codes or regulations.

(1a) To comply with State licensure standards.

(1b) To comply with accreditation or certification standards which must be met to receive reimbursement under Title XVIII of the Social Security Act or payments under a State plan for medical assistance approved under Title XIX of that act.

(2) Repealed by Session Laws 1987, c. 511, s. 1.

(3) To provide data processing equipment.

(4) To provide parking, heating or cooling systems, elevators, or other basic plant or mechanical improvements, unless these activities are integral portions of a project that involves the construction of a new health service facility or portion thereof and that is subject to certificate of need review.

(5) To replace or repair facilities destroyed or damaged by accident or natural disaster.

(6) To provide any nonhealth service facility or service.
(7) To provide replacement equipment.
(8) To acquire an existing health service facility, including equipment owned by the health service facility at the time of acquisition.
(9) To develop or acquire a physician office building regardless of cost, unless a new institutional health service other than defined in G.S. 131E-176(16)b. is offered or developed in the building.

(b) Those portions of a proposed project which are not proposed for one or more of the purposes under subsection (a) of this section are subject to certificate of need review, if these non-exempt portions of the project are new institutional health services under G.S. 131E-176(16).

(c) The Department shall exempt from certificate of need review any conversion of existing acute care beds to psychiatric beds provided:
(1) The hospital proposing the conversion has executed a contract with the Department's Division of Mental Health, Developmental Disabilities, and Substance Abuse Services and/or one or more of the Area Mental Health, Developmental Disabilities, and Substance Abuse Authorities to provide psychiatric beds to patients referred by the contracting agency or agencies; and
(2) The total number of beds to be converted shall not be more than twice the number of beds for which the contract pursuant to subdivision (1) of this subsection shall provide.

(d) In accordance with, and subject to the limitations of G.S. 148-19.1, the Department shall exempt from certificate of need review the construction and operation of a new chemical dependency or substance abuse facility for the purpose of providing inpatient chemical dependency or substance abuse services solely to inmates of the Department of Correction. If an inpatient chemical dependency or substance abuse facility provides services both to inmates of the Department of Correction and to members of the general public, only the portion of the facility that serves inmates shall be exempt from certificate of need review. (1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 37; 1993, c. 7, s. 7; 2001-424, s. 25.19(c); 2002-159, s. 41.)

Effect of Amendments. — Session Laws 2002-159, s. 41, effective October 11, 2002, rewrote subsection (d).

CASE NOTES

The legislature did not intend to impose unreasonable limitations on maintaining or expanding presently offered health services. Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

§ 131E-185. Review process.

(a) Repealed by Session Laws 1987, c. 511, s. 1.

(a1) Except as provided in subsection (c) of this section, there shall be a time limit of 90 days for review of the applications, beginning on the day established by rule as the day on which applications for the particular service in the service area shall begin review.
(1) Any person may file written comments and exhibits concerning a proposal under review with the Department, not later than 30 days after the date on which the application begins review. These written comments may include:
a. Facts relating to the service area proposed in the application;

b. Facts relating to the representations made by the applicant in its application, and its ability to perform or fulfill the representations made;

c. Discussion and argument regarding whether, in light of the material contained in the application and other relevant factual material, the application complies with relevant review criteria, plans, and standards.

(2) No more than 20 days from the conclusion of the written comment period, the Department shall ensure that a public hearing is conducted at a place within the appropriate health service area if one or more of the following circumstances apply; the review to be conducted is competitive; the proponent proposes to spend five million dollars ($5,000,000) or more; a written request for a public hearing is received before the end of the written comment period from an affected party as defined in G.S. 131E-188(c); or the agency determines that a hearing is in the public interest. At such public hearing oral arguments may be made regarding the application or applications under review; and this public hearing shall include the following:

a. An opportunity for the proponent of each application under review to respond to the written comments submitted to the Department about its application;

b. An opportunity for any affected person as defined in G.S. 131E-188(c), except one of the proponents, to present comments regarding the applications under review;

c. An opportunity for a representative of the Department, or such other person or persons who are designated by the Department to conduct the hearing, to question each proponent of applications under review with regard to the contents of the application;

The Department shall maintain a recording of any required public hearing on an application until such time as the Department's final decision is issued, or until a final agency decision is issued pursuant to a contested case hearing, whichever is later; and any person may submit a written synopsis or verbatim statement that contains the oral presentation made at the hearing.

(3) The Department may contract or make arrangements with a person or persons located within each health service area for the conduct of such public hearings as may be necessary. The Department shall publish, in each health service area, notice of the contracts that it executes for the conduct of those hearings.

(4) Within 15 days from the beginning of the review of an application or applications proposing the same service within the same service area, the Department shall publish notice of the deadline for receipt of written comments, of the time and place scheduled for the public hearing regarding the application or applications under review, and of the name and address of the person or agency that will preside.

(5) The Department shall maintain all written comments submitted to it during the written comment stage and any written submissions received at the public hearing as part of the Department's file respecting each application or group of applications under review by it. The application, written comments, and public hearing comments, together with all documents that the Department used in arriving at its decision, from whatever source, and any documents that reflect or set out the Department's final analysis of the application or applications under review, shall constitute the Department's record for the application or applications under review.

(a2) When an expedited review has been approved by the Department, no public hearing shall be held. The Department may contact the applicant and

request additional or clarifying information, amendments to, or substitutions for portions of the application. The Department may negotiate conditions to be imposed on the certificate of need with the applicant.

(b) Repealed by Session Laws 1991 (Reg. Sess., 1992), c. 900, s. 137(a).

(c) The Department may extend the review period for a period not to exceed 60 days and provide notice of such extension to all applicants. For expedited reviews, the Department may extend the review period only if it has requested additional substantive information from the applicant. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, ss. 9, 10; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 7; 1991 (Reg. Sess., 1992), c. 900, s. 137(a), (b); 1993, c. 7, s. 8.)

CASE NOTES

Editor's Note. — *Most of the cases annotated below were decided prior to the 1992 amendment to this section, which repealed subsection (b) and amended subsection (c).*

Former subsection (b) of this section was construed in pari materia with G.S. 131E-186(a). HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Construed in pari materia, as they must be, this section and G.S. 131-186 must be read as providing that the Department shall exercise one of two options, within the review period, when dealing with an application for a certificate of need: (1) make a decision to deny or approve the application, or (2) reject the application. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

The limiting phrase "within the review period" in former subsection (b) of this section modified only the phrase "reject the application," and, therefore, the Department lost subject matter jurisdiction to reject an application when the review period ended. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

A time limit of 90 days was prescribed by statute for the Department's review of applications for certificates of need, running from the date upon which the assigned review period begins. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

An exception to the former 90-day time limit mandated by the foregoing provision was contained in subsection (c) of this section. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Failure of Department to Act on Application Within Review Period to Be Deemed Approval. — The provisions of Article 9 must be construed as expressing the legislature's intent that the Department be deemed as a matter of law to have rendered a decision to approve a certificate of need if the Department fails to act upon an application within the applicable review period. Thereafter, the Department retains subject matter jurisdiction only for the purpose of issuing the certificate of need, which it is deemed to have decided to approve. A contrary interpretation of the certificate of need law would leave the applicant with no effective remedy for the Department's failure to comply with the statute. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Time Limitation for Acting on Certificate of Need Is Jurisdictional. — Former statutory provisions clearly prescribed a mandatory maximum time limit of 150 days within which the Department must act on applications for certificates of need. To the extent it was applicable, this time limit was jurisdictional in nature. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Once the review period expired without action by the Department, it retained jurisdiction only for the purpose of issuing certificates of need. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Department of Human Resources is authorized to approve projects for fewer beds than are proposed by an applicant. The power to make such conditional approvals is discretionary, however, and not mandatory. Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639 (1986), cert. denied, 319 N.C. 105, 353 S.E.2d 106 (1987), decided under former G.S. 131-182(b).

Comments Did Not Constitute Unauthorized Amendment. — Where information provided by a successful applicant for a certificate of need (CON) neither changed its application nor had any impact on the agency's determination that the application met the statutory criteria, its comments were not an unauthorized amendment to the application. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568,

522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Conditioned Approval. — It was not erroneous for hearing officer to condition her approval of application for certificate of need upon information to be furnished later, rather than returning the case to analyst for further review, as this section authorizes the Department to issue the certificate of need with or without conditions. In re Conditional Approval of Certificate of Need Application of Health Care & Retirement Corp. of Am., 88 N.C. App. 563, 364 S.E.2d 150, cert. denied, 322 N.C. 480, 370 S.E.2d 220 (1988).

The North Carolina Department of Health and Human Services may find that an application for a Certificate of Need is consistent with the statutory criteria while imposing conditions upon it, especially where those conditions (the provision of documentation showing which financial backer would be responsible for the owner's equity portion of the capital expenses) were not essential to the application's approval. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Department's disapproval of pending applications after the maximum 150-day review period expired was a nullity and of no legal consequence. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Cited in State ex rel. Utils. Comm'n v. Empire Power Co., 112 N.C. App. 265, 435 S.E.2d 553 (1993); Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. § 131E-186. Decision.

(a) Within the prescribed time limits in G.S. 131E-185, the Department shall issue a decision to "approve," "approve with conditions," or "deny," an application for a new institutional health service. Approvals involving new or expanded nursing care or intermediate care for the mentally retarded bed capacity shall include a condition that specifies the earliest possible date the new institutional health service may be certified for participation in the Medicaid program. The date shall be set far enough in advance to allow the Department to identify funds to pay for care in the new or expanded facility in its existing Medicaid budget or to include these funds in its State Medicaid budget request for the year in which Medicaid certification is expected.

(b) Within five business days after it makes a decision on an application, the Department shall provide written notice of all the findings and conclusions upon which it based its decision, including the criteria used by the Department in making its decision, to the applicant. (1977, 2nd Sess., c. 1182, s. 2; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991 (Reg. Sess., 1992), c. 900, s. 137(c).)

CASE NOTES

Former G.S. 131E-185(b) was construed in pari materia with subsection (a) of this section. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Construed in pari materia, as they must be, G.S. 131E-185 and this section must be read as providing that the Department shall exercise one of two options, within the review period, when dealing with an application for a certificate of need: (1) make a decision to deny or approve the application, or (2) reject the application. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Notice of Findings and Conclusions. — Although the agency must review applications in accordance with statutory criteria and administrative rules adopted by the Department of Human Resources, subsection (b) requires the agency to provide notice of its findings and conclusions upon which it based its decision, but does not limit those findings to statutory criteria of rules. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

Claim Under G.S. 75-1.1 Not Supported. — Under North Carolina's certificate of need law, an applicant seeking to develop a health service facility must meet certain criteria. De-

fendant, a member of the health care community, was requesting that plaintiff's application for a certificate of need be subjected to scrutiny before the organization which would run the chemical dependency treatment facility was admitted to the community. These actions do not give rise to a claim under G.S. 75-1.1. Moreover, G.S. 75-1.1(b) exempts professional services rendered by a member of a learned profession, and an existing institutional health service would be exempted as a professional health care provider. Abram v. Charter Medical Corp. of Raleigh, 100 N.C. App. 718, 398 S.E.2d 331 (1990), discretionary review denied, 328 N.C. 328, 402 S.E.2d 828 (1991).

Review of Criteria by Agency. — The certificate of need law does not contemplate that the agency will review any criteria competitively, and subsequently find one applicant nonconforming to a criterion simply because another applicant is found conforming, as the intent of the legislature is to have the agency first ensure that each application comports with the statutory and regulatory criteria. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

Conditioned Approval. — The North Carolina Department of Health and Human Services may find that an application for a Certificate of Need is consistent with the statutory criteria while imposing conditions upon it, especially where those conditions (the provision of documentation showing which financial backer would be responsible for the owner's equity portion of the capital expenses) were not essential to the application's approval. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

The N.C. Department of Health and Human Services adhered to required procedures where it first analyzed each individual certificate of need application to determine the extent to which each application conformed to the statutory criteria, and then entered exhaustive findings with respect to the relative merits of the applications, comparing Medicaid access, costs for services, operating costs, types of services, staffing, and location before concluding that the successful application was comparatively superior. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

§ 131E-187. Issuance of a certificate of need.

(a) The Department shall issue a certificate of need within 35 days of the date of the decision referenced in G.S. 131E-186, when no request for a contested case hearing has been filed in accordance with G.S. 131E-188, and all applicable conditions of approval that can be satisfied before issuance of the certificate of need have been met.

(b) The Department shall issue a certificate of need within five days after a request for a contested case hearing has been withdrawn or the final agency decision has been made following a contested case hearing, and all applicable conditions of approval that can be satisfied before issuance of the certificate of need have been met. (1977, 2nd Sess., c. 1182, s. 2; 1983, c. 775, s. 1; 1987, c. 511, s. 1.)

§ 131E-188. Administrative and judicial review.

(a) After a decision of the Department to issue, deny or withdraw a certificate of need or exemption or to issue a certificate of need pursuant to a settlement agreement with an applicant to the extent permitted by law, any affected person, as defined in subsection (c) of this section, shall be entitled to a contested case hearing under Article 3 of Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department makes its decision. When a petition is filed, the Department shall send notification of the petition to the proponent of each application that was reviewed with the application for a certificate of need that is the subject of the petition. Any affected person shall be entitled to intervene in a contested case.

A contested case shall be conducted in accordance with the following timetable:

(1) An administrative law judge or a hearing officer, as appropriate, shall be assigned within 15 days after a petition is filed.
(2) The parties shall complete discovery within 90 days after the assignment of the administrative law judge or hearing officer.
(3) The hearing at which sworn testimony is taken and evidence is presented shall be held within 45 days after the end of the discovery period.
(4) The administrative law judge or hearing officer shall make his recommended decision within 75 days after the hearing.
(5) The Department shall make its final decision within 30 days of receiving the official record of the case from the Office of Administrative Hearings.

The administrative law judge or hearing officer assigned to a case may extend the deadlines in subdivisions (2) through (4) so long as the administrative law judge or hearing officer makes his recommended decision in the case within 270 days after the petition is filed. The Department may extend the deadline in subdivision (5) for up to 30 days by giving all parties written notice of the extension.

(a1) On or before the date of filing a petition for a contested case hearing on the approval of an applicant for a certificate of need, the petitioner shall deposit a bond with the clerk of superior court where the new institutional health service that is the subject of the petition is proposed to be located. The bond shall be secured by cash or its equivalent in an amount equal to five percent (5%) of the cost of the proposed new institutional health service that is the subject of the petition, but may not be less than five thousand dollars ($5,000) and may not exceed fifty thousand dollars ($50,000). A petitioner who received approval for a certificate of need and is contesting only a condition in the certificate is not required to file a bond under this subsection.

The applicant who received approval for the new institutional health service that is the subject of the petition may bring an action against a bond filed under this subsection in the superior court of the county where the bond was filed. Upon finding that the petition for a contested case was frivolous or filed to delay the applicant, the court may award the applicant part or all of the bond filed under this subsection. At the conclusion of the contested case, if the court does not find that the petition for a contested case was frivolous or filed to delay the applicant, the petitioner shall be entitled to the return of the bond deposited with the superior court upon demonstrating to the clerk of superior court where the bond was filed that the contested case hearing is concluded.

(b) Any affected person who was a party in a contested case hearing shall be entitled to judicial review of all or any portion of any final decision of the

Department in the following manner. The appeal shall be to the Court of Appeals as provided in G.S. 7A-29(a). The procedure for the appeal shall be as provided by the rules of appellate procedure. The appeal of the final decision of the Department shall be taken within 30 days of the receipt of the written notice of final decision, and notice of appeal shall be filed with the Division of Facility Services, Department of Health and Human Services and served on all other affected persons who were parties to the contested hearing.

(b1) Before filing an appeal of a final decision by the Department granting a certificate of need, the affected person shall deposit a bond with the Clerk of the Court of Appeals. The bond shall be secured by cash or its equivalent in an amount equal to five percent (5%) of the cost of the proposed new institutional health service that is the subject of the appeal, but may not be less than five thousand dollars ($5,000) and may not exceed fifty thousand dollars ($50,000). A holder of a certificate of need who is appealing only a condition in the certificate is not required to file a bond under this subsection.

If the Court of Appeals finds that the appeal was frivolous or filed to delay the applicant, the court shall remand the case to the superior court of the county where a bond was filed for the contested case hearing on the certificate of need. The superior court may award the holder of the certificate of need part or all of the bond. The court shall award the holder of the certificate of need reasonable attorney fees and costs incurred in the appeal to the Court of Appeals. If the Court of Appeals does not find that the appeal was frivolous or filed to delay the applicant and does not remand the case to superior court for a possible award of all or part of the bond to the holder of the certificate of need, the person originally filing the bond shall be entitled to a return of the bond.

(c) The term "affected persons" includes: the applicant; any person residing within the geographic area served or to be served by the applicant; any person who regularly uses health service facilities within that geographic area; health service facilities and health maintenance organizations (HMOs) located in the health service area in which the project is proposed to be located, which provide services similar to the services of the facility under review; health service facilities and HMOs which, prior to receipt by the agency of the proposal being reviewed, have formally indicated an intention to provide similar services in the future; third party payers who reimburse health service facilities for services in the health service area in which the project is proposed to be located; and any agency which establishes rates for health service facilities or HMOs located in the health service area in which the project is proposed to be located. CASE NOTES

Editor's Note. *— Some of the cases annotated below were decided under the law in effect prior to Session Laws 1987, c. 511, which amended this section and repealed former G.S. 131E-191.*

Applicability of Section. — This section only applies to challenges relating to the issuance, denial or withdrawal of certificates of need. Gummels v. North Carolina Dep't of Human Resources, 97 N.C. App. 245, 388 S.E.2d 223, cert. denied, 97 N.C. App. 245, 393 S.E.2d 877 (1990).

The right to administrative and judicial review of decisions regarding certificates of need is governed by this section. Iredell Mem. Hosp. v. North Carolina Dep't of Human Resources, 103 N.C. App. 637, 406 S.E.2d 304 (1991).

The language of subsection (a) leaves no room for judicial construction. The statute clearly contemplates that a petition for a contested case hearing must be filed — not mailed or served — with the Office of Administrative Hearings within the 30-day deadline. Gummels v. North Carolina Dep't of Human Resources, 98 N.C. App. 675, 392 S.E.2d 113 (1990).

Without the jurisdictional prerequisite of a contested case hearing, a petitioner cannot utilize subsection (b) to appeal to the Court of Appeals. Community Psychiatric Ctrs.

v. North Carolina Dep't of Human Resources, 103 N.C. App. 514, 405 S.E.2d 769 (1991).

Full Contested Case Hearing Not Precluded by the Statute. — In a Certificate of Need (CON) case, the CON Statute does not preclude a full contested case hearing where an ALJ recommended a summary judgment in a decision based only on each applicant's conformity with the criteria in G.S. 131E-183. A full hearing protects the applicant's due process rights, allows the record to be fully developed, and encourages judicial economy. Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

The result of a petitioner's ineffective attempts to file a petition for a contested case hearing was only a contested case. Community Psychiatric Ctrs. v. North Carolina Dep't of Human Resources, 103 N.C. App. 514, 405 S.E.2d 769 (1991).

For the purposes of meeting the appeal requirements of subsection (b) of this section, appellant, proposed intervenor below, was not and could not be a party to the contested hearing at issue below until its motion to intervene was approved. Since the motion was not approved, appellant was not a party to the contested case and, therefore, did not meet the jurisdictional requirements of subsection (b) of this section. HCA Crossroads Residential Centers, Inc. v. North Carolina Dep't of Human Resources, 99 N.C. App. 193, 392 S.E.2d 398 (1990).

Under 1986 version of subsection (a), in effect at time of petitioner's request for a contested case hearing, the request was timely "filed" with the Division of Facility Services where it was received within 30 days of the contested decision; the version of the subdivision in effect at that time read in pertinent part: ".... any affected person shall be entitled to a contested case hearing under Article 3 of Chapter 150A [now Chapter 150B] of the General Statutes, if the department receives a request therefor within 30 days after its decision." Under the current statutes, a request must be filed within 30 days, not just received. Huntington Manor v. North Carolina Dep't of Human Resources, 99 N.C. App. 52, 393 S.E.2d 104 (1990).

The exercise of the right to an evidentiary hearing under the contested case provision of subsection (a) does not commence a de novo proceeding by the administrative law judge (ALJ) intended to lead to a formulation of the final decision pursuant to G.S. 150B-23(a), the ALJ, in a contested case hearing under the certificate of need law and the Administrative Procedure Act, G.S. 150B-1 et seq., determines whether the petitioner has met its burden in showing that the agency substantially prejudiced petitioner's rights, and that the agency also acted outside its authority, acted erroneously, acted arbitrarily and capriciously, used improper procedure, or failed to act as required by law or rule, based on a hearing limited to the evidence that is presented or available to the agency during the review period. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

To What Court Appeals May Be Taken. — Direct appeal to the Court of Appeals for review of certificate of need decisions is provided for in subsection (b) of this section. Iredell Mem. Hosp. v. North Carolina Dep't of Human Resources, 103 N.C. App. 637, 406 S.E.2d 304 (1991).

This section provides for an appeal directly to the Court of Appeals from an adverse decision after a contested case hearing, while all parties aggrieved by any other final agency decision are still required to appeal to the Wake County Superior Court pursuant to former G.S. 131E-191(b). Charlotte-Mecklenburg Hosp. Auth. v. North Carolina Dep't of Human Resources, 83 N.C. App. 122, 349 S.E.2d 291 (1986).

Under subsection (b) of this section, an actual "contested case hearing" is a jurisdictional prerequisite for a direct appeal to the Court of Appeals from a final agency decision, and parties aggrieved by any other final agency decision are required to appeal to the Wake County Superior Court pursuant to former G.S. 131E-191(b). Rowan Health Properties, Inc. v. North Carolina Dep't of Human Resources, 89 N.C. App. 285, 365 S.E.2d 635 (1988).

Following Department's initial assertion that applicant was not entitled to a hearing, applicant's sole avenue of relief lay in an appeal to Wake County Superior Court for a determination of its right to a contested case hearing, and the Department thus correctly dismissed its initial attempt to appeal directly to the Court of Appeals. The fact that the appeal came to the Court of Appeals as an appeal from the dismissal of a previous appeal did not alter the application of the rule that a contested case hearing must precede appeal to the Court of Appeals. Rowan Health Properties, Inc. v. North Carolina Dep't of Human Resources, 89 N.C. App. 285, 365 S.E.2d 635 (1988).

Where hospital did not perfect an appeal of the final agency decision of the Department of Human Resources (Agency) denying its request to build a new surgical facility, but rather, the hospital's appeal to the superior court only sought review of the Agency's refusal to issue a declaratory ruling in response to the hospital's request, and since this section provides that such appeals are to be filed in the Court of Appeals, not the superior court, the superior court had no jurisdiction to consider the final agency decision and that decision, not having been appealed, remained binding on the par-

ties. Catawba Mem. Hosp. v. North Carolina Dep't of Human Resources, 112 N.C. App. 557, 436 S.E.2d 390 (1993), cert. granted, 336 N.C. 72, 445 S.E.2d 31 (1994).

Res Judicata Effect. — In action to appeal Department of Human Resources's denial of hospital's building request, the final agency decision was a judicial decision which barred, as res judicata, plaintiff's complaint for declaratory judgment. Catawba Mem. Hosp. v. North Carolina Dep't of Human Resources, 112 N.C. App. 557, 436 S.E.2d 390 (1993), cert. granted, 336 N.C. 72, 445 S.E.2d 31 (1994).

§ 131E-189. Withdrawal of a certificate of need.

(a) The Department shall specify in each certificate of need the time the holder has to make the service or equipment available or to complete the project and the timetable to be followed. The timetable shall be the one proposed by the holder of the certificate of need unless the Department specifies a different timetable in its decision letter. The holder of the certificate shall submit such periodic reports on his progress in meeting the timetable as may be required by the Department. If no progress report is provided or, after reviewing the progress, the Department determines that the holder of the certificate is not meeting the timetable and the holder cannot demonstrate that it is making good faith efforts to meet the timetable, the Department may withdraw the certificate. If the Department determines that the holder of the certificate is making a good faith effort to meet the timetable, the Department may, at the request of the holder, extend the timetable for a specified period.

(b) The Department may withdraw any certificate of need, if the holder of the certificate fails to develop the service in a manner consistent with the representations made in the application or with any condition or conditions the Department placed on the certificate of need.

(c) The Department may immediately withdraw any certificate of need if the holder of the certificate, before completion of the project or operation of the facility, transfers ownership or control of the facility, the project, or the certificate of need. Any transfer after that time will be subject to the requirement that the service be provided consistent with the representations made in the application and any applicable conditions the Department placed on the certificate of need. Transfers resulting from death or personal illness or other good cause, as determined by the Department, shall not result in withdrawal if the Department receives prior written notice of the transfer and finds good cause. Transfers resulting from death shall not result in withdrawal. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 12; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1993, c. 7, s. 10.)

§ 131E-190. Enforcement and sanctions.

(a) Only those new institutional health services which are found by the Department to be needed as provided in this Article and granted certificates of need shall be offered or developed within the State.

(b) No formal commitments made for financing, construction, or acquisition regarding the offering or development of a new institutional health service shall be made by any person unless a certificate of need for such service or activities has been granted.

(c) Repealed by Session Laws 1993, c. 7, s. 11.

(d) If any person proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the penalty for such violation of this Article and rules hereunder may include the withholding of federal and State funds under Titles V, XVIII, and XIX of the Social Security Act for reimbursement of capital and operating expenses related to the provision of the new institutional health service.

(e) The Department may revoke or suspend the license of any person who proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services.

(f) The Department may assess a civil penalty of not more than twenty thousand dollars ($20,000) against any person who knowingly offers or develops any new institutional health service within the meaning of this Article without a certificate of need issued under this Article and the rules pertaining thereto, or in violation of the terms or conditions of such a certificate, whenever it determines a violation has occurred and each time the service is provided in violation of this provision. In determining the amount of the penalty the Department shall consider the degree and extent of harm caused by the violation and the cost of rectifying the damage. A person who is assessed a penalty shall be notified of the penalty by registered or certified mail. The notice shall state the reasons for the penalty. If a person fails to pay a penalty, the Department shall refer the matter to the Attorney General for collection. For the purpose of this subsection, the word "person" shall not include an individual in his capacity as an officer, director, or employee of a person as otherwise defined in this Article.

The clear proceeds of penalties provided for in this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(g) No agency of the State or any of its political subdivisions may appropriate or grant funds or financially assist in any way a person, applicant, or facility which is or whose project is in violation of this Article.

(h) If any person proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the Secretary of Health and Human Services or any person aggrieved, as defined by G.S. 150B-2(6), may bring a civil action for injunctive relief, temporary or permanent, against the person offering, developing or operating any new institutional health service. The action may be brought in the superior court of any county in which the health service facility is located or in the superior court of Wake County.

(i) If the Department determines that the recipient of a certificate of need, or its successor, is operating a service which materially differs from the representations made in its application for that certificate of need, the Department may bring an action in Wake County Superior Court or the superior court of any county in which the certificate of need is to be utilized for injunctive relief, temporary or permanent, requiring the recipient, or its successor, to materially comply with the representations in its application. The Department may also bring an action in Wake County Superior Court or the superior court of any county in which the certificate of need is to be utilized to enforce the provisions of this subsection and G.S. 131E-181(b) and the rules adopted in accordance with this subsection and G.S. 131E-181(b). (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 13; 1983, c. 775, s. 1; 1985 (Reg. Sess., 1986), c. 968, s. 2; 1987, c. 511, s. 1; 1991, c. 692, s. 9; 1993, c. 7, s. 11; 1997-443, s. 11A.118(a); 1998-215, s. 80.)

ARTICLE 9A.

Certificate of Public Advantage.

§ 131E-192.1. Findings.

The General Assembly of North Carolina makes the following findings:

(1) That technological and scientific developments in hospital care have enhanced the prospects for further improvement in the quality of care provided by North Carolina hospitals to North Carolina citizens.

(2) That the cost of improved technology and improved scientific methods for the provision of hospital care contributes substantially to the increasing cost of hospital care. Cost increases make it increasingly difficult for hospitals in rural areas of North Carolina to offer care.

(3) That changes in federal and State regulations governing hospital operation and reimbursement have constrained the ability of hospitals to acquire and develop new and improved machinery and methods for the provision of hospital-related care.

(4) That cooperative agreements among hospitals and between hospitals and others for the provision of health care services may foster improvements in the quality of health care for North Carolina citizens, moderate increases in cost, improve access to needed services in rural areas of North Carolina, and enhance the likelihood that smaller hospitals in North Carolina will remain open in beneficial service to their communities.

(5) That hospitals are often in the best position to identify and structure cooperative arrangements that enhance quality of care, improve access, and achieve cost-efficiency in the provision of care.

(6) That federal and State antitrust laws may prohibit or discourage cooperative arrangements that are beneficial to North Carolina citizens despite their potential for or actual reduction in competition and that such agreements should be permitted and encouraged.

(7) That competition as currently mandated by federal and State antitrust laws should be supplanted by a regulatory program to permit and encourage cooperative agreements between hospitals, or between hospitals and others, that are beneficial to North Carolina citizens when the benefits of cooperative agreements outweigh their disadvantages caused by their potential or actual adverse effects on competition.

(8) That regulatory as well as judicial oversight of cooperative agreements should be provided to ensure that the benefits of cooperative agreements permitted and encouraged in North Carolina outweigh any disadvantages attributable to any reduction in competition likely to result from the agreements. (1993, c. 529, s. 5.2.)

§ 131E-192.2. Definitions.

The following definitions apply in this Article:

(1) "Attorney General" means the Attorney General of the State of North Carolina or any attorney on his or her staff to whom the Attorney General delegates authority and responsibility to act pursuant to this Article.

(2) "Cooperative agreement" means an agreement among two or more hospitals, between a hospital and any other person, or between a person who controls a hospital and another hospital or person who controls a hospital for any of the following:

a. The sharing, allocation, or referral of patients, personnel, instructional programs, support services and facilities, or medical, diagnostic, or laboratory facilities or equipment, or procedures or other services traditionally offered by hospitals.

b. A purchase of assets pursuant to a merger or sale, a partnership, a joint venture, or any other affiliation by which ownership or control over all or substantially all of the stock, assets, or activities of one or more hospitals or persons who control hospitals are transferred to another hospital or person who controls a hospital.

"Cooperative agreement" shall not include any agreement that would permit self-referrals of patients by a health care provider that is otherwise prohibited by law.

(3) "Department" means the Department of Health and Human Services.

(4) "Federal or State antitrust laws" means any and all federal or State laws prohibiting monopolies or agreements in restraint of trade, including the federal Sherman Act, Clayton Act, Federal Trade Commission Act, and North Carolina laws codified in Chapter 75 of the General Statutes that prohibit restraints on competition.

Editor's Note. — The definitions in this section were placed in alphabetical order at the direction of the Revisor of Statutes.

§ 131E-192.3. Certificate of public advantage; application.

(a) A hospital and any person who is a party to a cooperative agreement with a hospital may negotiate, enter into, and conduct business pursuant to a cooperative agreement without being subject to damages, liability, or scrutiny under any State antitrust law if a certificate of public advantage is issued for the cooperative agreement, or in the case of activities to negotiate or enter into a cooperative agreement, if an application for a certificate of public advantage is filed in good faith. It is the intention of the General Assembly that immunity from federal antitrust laws shall also be conferred by this statute and the State regulatory program that it establishes.

(b) Parties to a cooperative agreement may apply to the Department for a certificate of public advantage governing that cooperative agreement. The application must include an executed written copy of the cooperative agreement or letter of intent with respect to the agreement, a description of the nature and scope of the activities and cooperation in the agreement, any consideration passing to any party under the agreement, and any additional materials necessary to fully explain the agreement and its likely effects. A copy of the application and all additional related materials shall be submitted to the Attorney General at the same time the application is submitted to the Department. (1993, c. 529, s. 5.2.)

§ 131E-192.4. Procedure for review; standards for review.

(a) The Department shall review an application in accordance with the standards set forth in subsection (b) of this section and shall hold a public hearing with the opportunity for the submission of oral and written public

comments in accordance with rules adopted by the Department. The Department shall determine whether the application should be granted or denied within 90 days of the date the application is filed. The Department may extend the review period for a specified period of time upon notice to the parties.

(b) The Department shall determine that a certificate of public advantage should be issued for a cooperative agreement if it determines that an applicant has demonstrated by clear and convincing evidence that the benefits likely to result from the agreement outweigh the disadvantages likely to result from a reduction in competition from the agreement.

(1) In evaluating the potential benefits of a cooperative agreement, the Department shall consider whether one or more of the following benefits may result from the cooperative agreement:
   a. Enhancement of the quality of hospital and hospital-related care provided to North Carolina citizens.
   b. Preservation of hospital facilities in geographical proximity to the communities traditionally served by those facilities.
   c. Lower costs of, or gains in, the efficiency of delivering hospital services.
   d. Improvements in the utilization of hospital resources and equipment.
   e. Avoidance of duplication of hospital resources.
   f. The extent to which medically underserved populations are expected to utilize the proposed services.

(2) In evaluating the potential disadvantages of a cooperative agreement, the Department shall consider whether one or more of the following disadvantages may result from the cooperative agreements:
   a. The extent to which the agreement may increase the costs or prices of health care at a hospital which is party to the cooperative agreement.
   b. The extent to which the agreement may have an adverse impact on patients in the quality, availability, and price of health care services.
   c. The extent to which the agreement may reduce competition among the parties to the agreement and the likely effects thereof.
   d. The extent to which the agreement may have an adverse impact on the ability of health maintenance organizations, preferred provider organizations, managed health care service agents, or other health care payors to negotiate optimal payment and service arrangements with hospitals, physicians, allied health care professionals, or other health care providers.
   e. The extent to which the agreement may result in a reduction in competition among physicians, allied health professionals, other health care providers, or other persons furnishing goods or services to, or in competition with, hospitals.
   f. The availability of arrangements that are less restrictive to competition and achieve the same benefits or a more favorable balance of benefits over disadvantages attributable to any reduction in competition.

(3) In making its determination, the Department may consider other benefits or disadvantages that may be identified. (1993, c. 529, s. 5.2; 1997-456, s. 27.)

Editor's Note. — The subsections and subdivisions in this section were redesignated pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 131E-192.5. Issuance of a certificate.

If the Department determines that the likely benefits of a cooperative agreement outweigh the likely disadvantages attributable to reduction of competition as a result of the agreement by clear and convincing evidence, and the Attorney General has not stated any objection to issuance of a certificate during the review period, the Department shall issue a certificate of public advantage for the cooperative agreement at the conclusion of the review period. The certificate shall include any conditions of operation under the agreement that the Department, in consultation with the Attorney General, determines to be appropriate in order to ensure that the cooperative agreement and the activities engaged under it are consistent with this Article and its purpose to limit health care costs. The Department shall include conditions to control prices of health care services provided under the cooperative agreement. Consideration shall be given to assure that access to health care is provided to all areas of the State. The Department shall publish its decisions on applications for certificates of public advantage in the North Carolina Register. (1993, c. 529, s. 5.2.)

§ 131E-192.6. Objection by Attorney General.

If the Attorney General is not persuaded that an applicant has demonstrated by clear and convincing evidence that the benefits likely to result from the agreement outweigh the likely disadvantages of any reduction of competition to result from the agreement as set forth in G.S. 131E-192.4, the Attorney General may, within the review period, state an objection to the issuance of a certificate of public advantage and may extend the review period for a specified period of time. Notice of the objection and any extension of the review period shall be provided in writing to the applicant, together with a general explanation of the concerns of the Attorney General. The parties may attempt to reach an agreement with the Attorney General on modifications to the agreement or to conditions in the certificate so that the Attorney General no longer objects to issuance of a certificate. If the Attorney General withdraws the objection and the Department maintains its determination that a certificate should be issued, the Department shall issue a certificate of public advantage with any appropriate conditions as soon as practicable following the withdrawal of the objection. If the Attorney General does not withdraw the objection, a certificate shall not be issued. (1993, c. 529, s. 5.2.)

§ 131E-192.7. Record keeping.

The Department shall maintain on file all cooperative agreements for which certificates of public advantage are in effect and a copy of the certificate, including any conditions imposed in it. Any party to a cooperative agreement who terminates an agreement shall file a notice of termination with the Department within 30 days after termination. These files shall be public records as set forth in Chapter 132 of the General Statutes. (1993, c. 529, s. 5.2.)

§ 131E-192.8. Review after issuance of certificate.

If at any time following the issuance of a certificate of public advantage, the Department or the Attorney General has questions concerning whether the parties to the cooperative agreement have complied with any condition of the certificate or whether the benefits or likely benefits resulting from a cooperative agreement may no longer outweigh the disadvantages or likely disadvan-

tages attributable to a reduction in competition resulting from the agreement, the Department or the Attorney General shall advise the parties to the agreement, and either the Department or the Attorney General shall request any information necessary to complete a review of the matter. (1993, c. 529, s. 5.2.)

§ 131E-192.9. Periodic reports.

(a) During the time that a certificate is in effect, a report of activities pursuant to the cooperative agreement must be filed every two years with the Department on or before the anniversary date on which the certificate was issued. A copy of the periodic report shall be submitted to the Attorney General at the same time that it is filed with the Department. A report shall include all of the following:

(1) A description of the activities conducted pursuant to the agreement.
(2) Price and cost information.
(3) The nature and scope of the activities pursuant to the agreement anticipated for the next two years, the likely effect of those activities.
(4) A signed certificate by each party to the agreement that the benefits or likely benefits of the cooperative agreement as conditioned continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement as conditioned.
(5) Any additional information requested by the Department or the Attorney General.

The Department shall give public notice in the North Carolina Register that a report has been received. After notice is given, the public shall have 30 days to file written comments on the report and on the benefits and disadvantages of continuing the certificate of public advantage. Periodic reports, public comments, and information submitted in response to a request shall be public records as set forth in Chapter 132 of the General Statutes.

(b) Failure to file a periodic report required by this section after notice of default or failure to provide information requested pursuant to a review under G.S. 131E-192.8 is grounds for the revocation of the certificate by the Attorney General or the Department.

(c) The Department shall review each periodic report, public comments, and information submitted in response to a request under G.S. 131E-192.8 to determine whether the advantages or likely advantages of the cooperative agreement continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement, and to determine what, if any, changes in the conditions of the certificate should be made. In the review the Department shall consider the benefits and disadvantages set forth in G.S. 131E-192.4. Within 60 days of the filing of a periodic report, the Department shall determine whether the certificate should remain in effect and whether any changes to the conditions in the certificate should be made. The Department may extend the review period an additional 30 days. If either the Department or the Attorney General determines that the parties to a cooperative agreement have not complied with any condition of the certificate, the Department or the Attorney General shall revoke the certificate and the parties shall be notified. If the certificate is revoked, the parties shall be entitled to no benefits under this Article, beginning on the date of revocation. If the Department determines that the certificate should remain in effect and the Attorney General has not stated any objection to the certificate remaining in effect during the review period, the certificate shall remain in effect subject to any changes in the conditions of the certificate imposed by the Department. The parties shall be notified in writing of the Department's decision and of any changes in the conditions of the certificate. The Department shall publish its decision and any changes in the conditions in the North Carolina Register.

If the Department determines that the benefits or likely benefits of the agreement and the unavoidable costs of terminating the agreement do not continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement, or if the Attorney General objects to the certificate remaining in effect based upon a review of the benefits and disadvantages set forth in G.S. 131E-192.4, the Department shall notify the parties to the agreement in writing of its determination or the objections of the Attorney General and shall provide a summary of any concerns of the Department or Attorney General to the parties. (1993, c. 529, s. 5.2.)

§ 131E-192.10. Right to judicial action.

(a) Any applicant or other person aggrieved by a decision to issue or not issue a certificate of public advantage is entitled to judicial review of the action or inaction in superior court. Suit for judicial review under this subsection shall be filed within 30 days of public notice of the decision to issue or deny issuance of the certificate. To prevail in any action for judicial review brought under this subsection, the plaintiff or petitioner must establish that the determination by the Department or the Attorney General was arbitrary or capricious.

(b) Any party or other person aggrieved by a decision to allow a certificate to remain in effect or to make changes in the conditions of a certificate is entitled to judicial review of the decision in superior court. Suit for judicial review under this subsection shall be filed within 30 days of public notice of the decision to allow the certificate to remain in effect or to make changes in the conditions of the certificate. To prevail in any action for judicial review brought under this subsection, the plaintiff or petitioner must establish that the determination by the Department or the Attorney General was arbitrary or capricious.

(c) If the Department or the Attorney General determines that the certificate should not remain in effect, the Attorney General may bring suit in the Superior Court of Wake County on behalf of the Department, or on its own behalf, to seek an order to authorize the cancellation of the certificate. To prevail in the action, the Attorney General must establish that the benefits resulting from the agreement are outweighed by the disadvantages attributable to a reduction in competition resulting from the agreement.

(d) In any action instituted under this section, the work product of the Department, the Attorney General or his staff, is not a public record under Chapter 132, and shall not be discoverable or admissable, nor shall the Attorney General or any member of his staff be compelled to be a witness, whether in discovery or at any hearing or trial. (1993, c. 529, s. 5.2.)

§ 131E-192.11. Fees for applications and periodic reports.

(a) The Department and the Attorney General shall establish a schedule of fees for filing an application for a certificate of public advantage and for filing a periodic report based on the total cost of the project for which the application or periodic report is made. The fee for filing an application may not exceed fifteen thousand dollars ($15,000). The fee for filing a periodic report may not exceed two thousand five hundred dollars ($2,500). The fee schedule established should generate sufficient revenue to offset the costs of the program. An application filing fee must be paid to the Department at the time an application for a certificate of public advantage is submitted to it pursuant to G.S. 131E-192.3. A periodic report filing fee must be paid to the Department at the time a periodic report is submitted to it pursuant to G.S. 131E-192.9.

(b) If the Department or the Attorney General determines that consultants are needed to complete a review of an application, an additional application fee

may be established by prior agreement with the applicants before the application is considered. The amount of the additional fee may not exceed the costs of contracting with the necessary consultants. The additional fee shall not be considered in determining whether an application fee exceeds the maximum application fee amount set in subsection (a) of this section. (1993, c. 529, s. 5.2; 1995, c. 205, s. 2.)

§ 131E-192.12. Department and Attorney General authority.

The Department and Attorney General shall have the necessary powers to adopt rules to conduct a review of applications for certificates of public advantage and of periodic reports filed in connection therewith and to bring actions in the Superior Court of Wake County as required under G.S. 131E-192.10. This Article shall not limit the authority of the Attorney General under federal or State antitrust laws. (1993, c. 529, s. 5.2.)

§ 131E-192.13. Effects of certificate of public advantage; other laws.

(a) Activities conducted pursuant to a cooperative agreement for which a certificate of public advantage has been issued are immunized from challenge or scrutiny under State antitrust laws. In addition, conduct in negotiating and entering into a cooperative agreement for which an application for a certificate of public advantage is filed in good faith shall be immune from challenge or scrutiny under State antitrust laws, regardless of whether a certificate is issued. It is the intention of the General Assembly that this Article shall also immunize covered activities from challenge or scrutiny under federal antitrust law.

(b) Nothing in this Article shall exempt hospitals or other health care providers from compliance with State or federal laws governing certificate of need, licensure, or other regulatory requirements.

(c) Any dispute among the parties to a cooperative agreement concerning its meaning or terms is governed by normal principles of contract law. (1993, c. 529, s. 5.2.)

§§ 131E-193 through 131E-199: Reserved for future codification purposes.

Article 10.

Hospice Licensure Act.

§ 131E-200. Title; purpose.

This Article shall be known as the "Hospice Licensure Act." The purpose of this Article is to establish licensing requirements for hospices. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1987, c. 34.)

§ 131E-201. Definitions.

As used in this Article, unless a different meaning or construction is clearly required by the context:

(1) "Commission" means the North Carolina Medical Care Commission.

(2) "Department" means the Department of Health and Human Services.

(3) "Hospice" means any coordinated program of home care with provision for inpatient care for terminally ill patients and their families. This care is provided by a medically directed interdisciplinary team, directly or through an agreement under the direction of an identifiable hospice administration. A hospice program of care provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of patients and their families, which are experienced during the final stages of terminal illness and during dying and bereavement.

(3a) "Hospice inpatient facility" means a freestanding licensed hospice facility or a designated inpatient unit in an existing health service facility which provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of terminally ill patients and their families in an inpatient setting.

(4) "Hospice patient" means a patient diagnosed as terminally ill by a physician licensed to practice medicine in North Carolina, who the physician anticipates to have a life expectancy of weeks or months, generally not to exceed six months, and who alone, or in conjunction with designated family members, has voluntarily requested and been accepted into a licensed hospice program.

(5) "Hospice patient's family" means the hospice patient's immediate kin, including a spouse, brother, sister, child, or parent. Other relations and individuals with significant personal ties to the hospice patient may be designated as members of the hospice patient's family by mutual agreement among the hospice patient, the relation or individual and the hospice team.

(5a) "Hospice residential care facility" means a freestanding licensed hospice facility which provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of terminally ill patients and their families in a group residential setting.

(6) "Hospice team" or "Interdisciplinary team" means the following hospice personnel: physician licensed to practice medicine in North Carolina; nurse holding a valid, current license as required by North Carolina law; social worker; clergy member; and trained hospice volunteer. Other health care practitioners may be included on the team as the needs of the patient dictate or at the request of the physician. Other providers of special services may also be included as the needs of the patient dictate.

(7) "Identifiable hospice administration" means an administrative group, individual, or legal entity that has an identifiable organizational structure, accountable to a governing board directly or through a chief executive officer. This administration shall be responsible for the management of all aspects of the program.

(8) "Palliative care" means treatment directed at controlling pain, relieving other symptoms, and focusing on the special needs of the patient and family as they experience the stress of the dying process, rather than the treatment aimed at investigation and intervention for the purpose of cure or prolongation of life. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 376, s. 5; 1997-443, s. 11A.118(a).)

§ 131E-202. Licensing.

(a) The Commission shall adopt rules for the licensing and regulation of hospices, hospice inpatient facilities, and hospice residential care facilities pursuant to this Article for the purpose of providing care, treatment, health, safety, welfare, and comfort of hospice patients. These rules shall include, but not be limited to:

(1) The qualifications and supervision of licensed and nonlicensed personnel;

(5) Procedures for the review of utilization and quality of care.

(b) The Department shall provide applications for hospice licensure. Each application filed with the Department shall contain all information requested therein. A license shall be granted to the applicant upon determination by the Department that the applicant has complied with the provisions of this Article and with the rules adopted by the Commission thereunder. Each license shall be issued only for the premises and persons named therein, shall not be transferable or assignable except with the written approval of the Department, and shall be posted in a conspicuous place on the licensed premises.

(c) The Department shall renew the license in accordance with this Article and with rules adopted thereunder. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 376, s. 6.)

§ 131E-203. Coverage.

(a) Except as provided in subsection (b) of this section, no person or other entity shall operate or represent himself or itself to the public as operating a hospice, a hospice inpatient facility, or a hospice residential care facility, or offer or represent himself or itself to the public as offering hospice services without obtaining a license from the Department pursuant to this Article.

(b) Hospices administered by local health departments established under Article 2 of Chapter 130A of the General Statutes shall not be required to be licensed under this Article. Additionally, health care facilities and agencies licensed under Article 5 or 6 of Chapter 131E of the General Statutes shall not be required to be separately licensed under this Article. However, any facility or agency exempted from licensure under this subsection which operates a hospice, a hospice inpatient facility, or a hospice residential care facility, or offers hospice services shall be subject to rules adopted pursuant to this Article.

(c) Hospice care shall be available 24 hours a day, seven days a week. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 376, s. 7.)

The Department shall inspect all hospices that are subject to rules adopted pursuant to this Article in order to determine compliance with the provisions of this Article and with rules adopted thereunder. Inspections shall be conducted in accordance with rules adopted by the Commission. (1983 (Reg. Sess., 1984), c. 1022, s. 1.)

§ 131E-205. Adverse action on a license; appeal procedures.

(a) The Department may suspend, revoke, cancel, or amend a license when there has been a substantial failure to comply with this Article or with rules and regulations adopted thereunder.

(b) Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action pursuant to subsection (a) and all judicial review arising therefrom. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1987, c. 827, s. 1.)

§ 131E-206. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may maintain an action in the name of the State for injunctive relief or other process against any person to restrain or prevent the establishment, conduct, management, or operation of a hospice without a license.

(b) Notwithstanding the provisions of G.S. 131E-203(b) or the existence of any other remedy, the Department may maintain an action in the name of the State for injunctive relief or other process against any person to restrain or prevent substantial noncompliance with this Article or the rules adopted thereunder.

(c) If any person shall hinder the proper performance of duty of the Department in carrying out the provisions of this Article, the Department may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance. (1983 (Reg. Sess., 1984), c. 1022, s. 1.)

§ 131E-207. Confidentiality.

(a) Notwithstanding G.S. 8-53 or any other law relating to confidentiality of communications between physician and patient, in the course of an inspection conducted under G.S. 131E-204:

(1) Department representatives may review any writing or other record concerning the admission, discharge, medication, treatment, medical condition, or history of any person who is or has been a hospice patient; and

(2) Any person involved in treating a patient at or through a hospice may disclose information to a Department representative unless the patient objects in writing to review of his records or disclosure of the information. A hospice shall not release any information or allow any inspections under this section without first informing each affected patient in writing of his right to object to and thereby prohibit release of information or review of records pertaining to him.

A hospice, its employees and any other person interviewed in the course of an inspection shall be immune from liability for damages resulting from disclosure of any information to the Department.

(b) The Department shall not disclose:

(1) Any confidential or privileged information obtained under this section unless the patient or his legal representative authorizes disclosure in writing or unless a court of competent jurisdiction orders disclosure; or

(2) The name of anyone who has furnished information concerning a hospice without that person's consent.

The Department shall institute appropriate policies and procedures to ensure that unauthorized disclosure does not occur. Any Department employee

who willfully discloses this information without appropriate authorization or court order shall be guilty of a Class 3 misdemeanor and upon conviction only fined at the discretion of the court but not to exceed five hundred dollars ($500.00).

(c) All confidential or privileged information obtained under this section and the names of persons providing this information shall be exempt from Chapter 132 of the General Statutes. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 539, s. 965; 1994, Ex. Sess., c. 24, s. 14(c).)

North Carolina Medical Database Commission.

§§ 131E-210 through 131E-213: Repealed by Session Laws 1995, c. 517, s. 39, effective October 1, 1995.

Article 11A.

Medical Care Data.

§ 131E-214. Title and purpose.

(a) This Article is the Medical Care Data Act.

(b) The General Assembly finds that, as a result of rising medical care costs and the concern expressed by medical care providers, medical care consumers, third-party payors, and health care planners involved with planning for the provision of medical care, there is an urgent and continuing need to understand patterns and trends in the use and cost of medical care services in this State. The purposes of this Article are as follows:

(1) To ensure that there is an information base containing medical care data from throughout the State that can be used to improve the appropriate and efficient use of medical care services and maintain an acceptable quality of health care services in this State.

(2) To ensure that the necessary medical care data is available to university researchers, State public policymakers, and all other interested persons to improve the decision-making process regarding access, identified needs, patterns of medical care, charges, and use of appropriate medical care services.

(3) To ensure that a data processor receiving data under this Article protects patient confidentiality.

These purposes are to be accomplished by requiring that all hospitals and freestanding ambulatory surgical facilities submit information necessary for a review and comparison of charges, utilization patterns, and quality of medical services to a data processor that maintains a statewide database of medical care data and that makes medical care data available to interested persons, including medical care providers, third-party payors, medical care consumers, and health care planners. (1995, c. 517, s. 39(b).)

Editor's Note. — Session Laws 1995, c. 517, which enacted this article, in s. 39(e) provided that this article does not require a person, corporation, or other entity not previously required to report data to the Medical Database Commission to report data under this article, nor does it require a person, corporation, or other entity to be a statewide data processor.

§ 131E-214.1. Definitions.

As used in this Article:

(1) "Division" means the Division of Facility Services of the Department of Health and Human Services.

(2) "Freestanding ambulatory surgical facility" means a facility licensed under Part D of Article 6 of this Chapter.

(3) "Hospital" means a facility licensed under Article 5 of this Chapter or Article 2 of Chapter 122C of the General Statutes, but does not include the following:

a. A facility with all of its beds designated for medical type "LTC" (long-term care).

b. A facility with the majority of its beds designated for medical type "PSY-3" (mental retardation).

c. A facility operated by the North Carolina Department of Correction.

(4) "Patient data" means data that includes a patient's age, sex, zip code, third-party coverage, principal and other diagnosis, date of admission, procedure and discharge date, principal and other procedures, total charges and components of the total charges, attending physician identification number, and hospital or freestanding ambulatory surgical facility identification number.

(5) "Patient identifying information" means the name, address, social security number, or similar information by which the identity of a patient can be determined with reasonable accuracy and speed either directly or by reference to other publicly available information. The term does not include a number assigned to a patient by a health care provider if that number does not consist of or contain numbers, including social security or drivers license numbers, that could be used to identify a patient with reasonable accuracy and speed from sources external to the health care provider.

(6) "Statewide data processor" means a data processor certified by the Division as capable of complying with the requirements of G.S. 131E-214.4. The Division may deny, suspend, or revoke a certificate, in accordance with Chapter 150B of the General Statutes, if the statewide data processor does not comply with or is not capable of complying with the requirements of G.S. 131E-214.4. The Division is authorized to promulgate rules concerning the receipt, consideration, and limitation of a certificate applied for or issued under this Article. § 131E-214.2. Data submission required.

Except as prohibited by federal law or regulation, each hospital and freestanding ambulatory surgical facility shall submit patient data to a statewide data processor within 60 calendar days after the close of each calendar quarter for patients that were discharged or died during that quarter. (1995, c. 517, s. 39(b).)

§ 131E-214.3. Patient data not public records.

(a) The following are not public records under Chapter 132 of the General Statutes:

(1) Patient data furnished to and maintained by a statewide data processor pursuant to this Article.

(2) Compilations of patient data prepared for release or dissemination by a statewide data processor pursuant to this Article.

(3) Patient data furnished by a statewide data processor to the State.

(b) Compilations of data under subdivision (a)(3) of this section, prepared for release or dissemination by the State, are public records.

(c) The State shall not allow proprietary information, including patient data, that it receives from a statewide data processor to be used by a person for commercial purposes. The State shall require the person requesting this information to certify that it will not use the information for commercial purposes.

(d) A person is immune from liability for actions arising from the required submission of data under this Article. (1995, c. 517, s. 39(b).)

§ 131E-214.4. Statewide data processor.

(a) A statewide data processor shall perform the following duties:

(1) Make available annually to the Division, at no charge, a report that includes a comparison of the 35 most frequently reported charges of hospitals and freestanding ambulatory surgical facilities. The report is a public record and shall be made available to the public in accordance with Chapter 132 of the General Statutes. Publication or broadcast by the news media shall not constitute a resale or use of the data for commercial purposes.

(2) Receive patient data from hospitals and freestanding ambulatory surgical facilities throughout this State.

(3) Compile and maintain a uniform set of data from the patient data submitted.

(4) Analyze the patient data.

(5) Compile reports from the patient data and make the reports available upon request to interested persons at a reasonable charge determined by the data processor.

(6) Ensure that adequate measures are taken to provide system security for all data and information received from hospitals and freestanding ambulatory surgical facilities pursuant to this Article.

(7) Protect the confidentiality of patient records and comply with applicable laws and regulations concerning patient confidentiality, including the confidentiality of patient-identifying information. The data processor shall not disclose patient-identifying information unless (i) the information was originally submitted by the party requesting disclosure or (ii) the State Health Director requests specific individual records for the purpose of protecting and promoting the public health under Chapter 130A of the General Statutes, and the disclosure is not otherwise prohibited by federal law or regulation. Such records shall be made available to the State Health Director at a reasonable charge. Such records made available to the State Health Director are not public records; the State Health Director shall maintain their confidentiality and shall not make the records available notwithstanding G.S. 130A-374(a)(2).

(b) The Department of Health and Human Services may take adverse action against a hospital under G.S. 131E-78 or G.S. 122C-24 or against a freestanding ambulatory surgical center under G.S. 131E-148 for a violation of this Article. (1995, c. 517, s. 39(b); 1997-443, s. 11A.118(a).)

Editor's Note. — Section 3 of Session Laws 1989, c. 758 provided that the act would not be construed to obligate the General Assembly to make any appropriation to implement the provisions of the act, and that the act would not become effective unless monies necessary to implement the act were appropriated. Such an appropriation was made. However, Session Laws 1991, c. 720, s. 2 provides that section 3 is repealed effective July 16, 1991.

Article 13.

Temporary Management of Long-Term Care Facilities.

§ 131E-230. Legislative findings.

The General Assembly finds that:

(1) A substantial number of citizens of this State now reside, or in the future may reside, in long-term care facilities within this State;

(2) Improper operation of long-term care facilities may tend to create a substantial risk of serious physical injury to residents;

(3) The closure of a long-term care facility can have adverse effects on the residents thereof, especially if the closure and transfer of residents is done hastily;

(4) The general health and welfare of the people of this State, particularly those persons residing in long-term care facilities within this State, would be enhanced by development of a procedure for the court appointment of a temporary manager to assure the proper operation of a long-term care facility in certain instances until a manager chosen by the facility is prepared to properly operate the facility, or until the residents can be safely transferred to a proper alternative setting; and

(5) The use of a temporary manager is intended as a temporary measure and the ongoing or long-term operation of a nursing facility by a temporary manager is neither beneficial nor appropriate. (1993, c. 390, s. 1.)

§ 131E-231. Definitions.

As used in this Article, unless otherwise specified:

(1) "Long-term care facility" means a nursing home as defined in G.S. 131E-101(6) and an adult care home as defined in G.S. 131D-2(a)(3) or G.S. 131E-101(4).

(2) "Resident" means a person who has been admitted to a long-term care facility.

(3) "Respondent" means the person or entity holding a license pursuant to G.S. 131E-102 or G.S. 131D-2 or a person or entity operating a long-term care facility subject to licensure without a license. (1993, c. 390, s. 1; 1995, c. 535, s. 26.)

Editor's Note. — G.S. 131D-2(a)(3), referred to in subsection (1) above, has been repealed.

§ 131E-232. Who may petition; contents of petition.

The Department may petition a court of competent jurisdiction to appoint a temporary manager to operate a long-term care facility. The petition shall set forth material facts showing that one or more of the grounds for appointment of a temporary manager set forth in G.S. 131E-234 exist, that the facts set forth in the petition have been brought to the attention of the respondent, and that the conditions described in the petition have not been remedied within a reasonable period of time. The petition shall also set forth a brief description of the action or actions necessary to remedy the alleged conditions. (1993, c. 390, s. 1.)

§ 131E-233. Procedures for appointment; evidence in defense.

(a) The procedure for petitioning the superior court for the appointment of a temporary manager, including service of process shall be in accordance with the North Carolina Rules of Civil Procedure. If personal service of a copy of the petition cannot be made with due diligence upon the respondent, service may be made upon the respondent by sending a copy of the summons and petition to the respondent by registered mail at the respondent's last known address and by hand-delivering or mailing a copy to the administrative or staff person in charge of the facility.

(b) A hearing shall be held on the petition within 20 days of service of the petition upon the respondent. Both the Department and the respondent may present evidence and written and oral argument at the hearing regarding the allegations of the petition. It shall be relevant evidence in defense to a petition that the conditions alleged in the petition do not in fact exist, that such conditions do not exist to the extent alleged, or that such conditions have been remedied or removed.

(c)(1) Upon petition by the Department for emergency intervention, a court may order the appointment of an emergency temporary manager after finding that there is reasonable cause to believe that:

a. Conditions or a pattern of conditions exist in the long-term care facility that create an immediate substantial risk of death or serious physical harm to residents; or

b. The long-term care facility is closing or intends to close before the time in which a hearing would ordinarily be scheduled, and:

1. Adequate arrangements for relocating residents have not been made, or

2. Quick relocation would not be in the best interest of residents.

(2) The court shall appoint an emergency temporary manager to serve until a hearing is conducted in accordance with ordinary procedures and shall direct the temporary manager to make only such changes in administration as necessary to protect the health or safety of residents until the emergency condition is resolved.

(3) The court shall schedule a hearing on the appointment of an emergency temporary manager within three days after service of notice of

the filing of the petition. Notice of the filing of the petition and other relevant information, including the factual basis of the belief that an emergency temporary manager is needed shall be served upon the facility as provided in this Article. The notice shall be given at least 24 hours prior to the hearing of the petition for emergency intervention, except that the court may issue an immediate emergency order ex parte upon a finding as fact that:

a. The conditions specified above exist, and
b. There is likelihood that a resident may suffer irreparable injury or death if the order is delayed.

The order shall contain a show-cause notice to each person upon whom the notice is served directing the person to appear immediately or at any time up to and including the time for the hearing of the petition for emergency services and show cause, if any exists, for the dissolution or modification of the order. Unless dissolved by the court for good cause shown, the emergency order ex parte shall be in effect until the hearing is held on the petition for emergency services. At the hearing, if the court determines that the emergency continues to exist, the court may order the provision of emergency services in accordance with subsections (a) and (b) of this section. (1993, c. 390, s. 1; 1999-334, s. 1.11.)

§ 131E-234. Grounds for appointment of temporary manager.

Upon a showing by the Department that one or more of the following grounds exist, the court may appoint a temporary manager for an initial period of 30 days or the first review by a superior court judge pursuant to G.S. 131E-243, whichever is longer:

(1) Conditions or a pattern of conditions exist in the long-term care facility that create a substantial risk of death or serious physical harm to residents or that death or serious physical harm has occurred, and it is probable that the facility will not or cannot immediately remedy those conditions or pattern of conditions, or the facility has shown a pattern of failure to comply with applicable laws and rules and continues to fail to comply;
(2) The long-term care facility is operating without a license;
(3) The license of the long-term care facility has been revoked or the long-term care facility is closing or intends to close and: (i) adequate arrangements for relocating residents have not been made, or (ii) quick relocation would not be in the best interest of the residents; or
(4) A previous court order has been issued requiring the respondent to act or refrain from acting in a manner directly affecting the care of the residents and the respondent has failed to comply with the court order. (1993, c. 390, s. 1; 1999-334, s. 1.12.)

§ 131E-235. Alternative to appointment of temporary manager.

(a) After the hearing described in G.S. 131E-233(b), if the court finds that the evidence warrants the granting of the relief sought and the respondent applies to the court for permission to promptly remove or remedy the conditions or pattern specified in the petition and demonstrates the ability to promptly undertake and complete the removal or remedying of such conditions or pattern, the court, in lieu of appointing a temporary manager, may issue an order permitting the respondent to remove or remedy the conditions in

accordance with a time schedule and subject to conditions determined by the court, including the posting of security for the performance of the work as may be fixed by the court.

(b) If, after entry of an order pursuant to subsection (a) of this section, it appears that the respondent is not proceeding in accordance with the court's order in removing or remedying the conditions found by the court to exist, the Department, upon notice to the respondent, may move the court for an order appointing a temporary manager pursuant to the court's findings at the original hearing. If upon hearing the matter, the court finds that the respondent is not proceeding in accordance with the court's order, the court may appoint a temporary manager as authorized by G.S. 131E-234. If the respondent has posted security to ensure removal or remedying of the conditions found by the court, the security or any part of the security as is necessary may be used by the temporary manager to remedy the conditions. (1993, c. 390, s. 1.)

§ 131E-236. Compensation of temporary manager.

The court shall set the compensation of the temporary manager. (1993, c. 390, s. 1.)

§ 131E-237. Candidates for temporary managers.

In the petition the Department shall nominate at least one candidate for temporary manager and shall include the name, address, and qualifications of each nominee. The Department shall maintain a list of persons qualified to act as temporary managers. The person or persons nominated by the Department to serve as temporary manager shall either be employed by the Department or be one of the persons on the list of qualified persons maintained by the Department. This nominee shall be approved by the court reviewing the Department's petition for appointment of a temporary manager. (1993, c. 390, s. 1.)

§ 131E-238. Temporary manager; powers and duties.

A temporary manager appointed under this section:

(1) May exercise those powers and shall perform those duties ordered by the court;

(2) Shall operate the long-term care facility in compliance with State and federal laws and assure the safety of the residents and the delivery of services to them;

(3) May operate the facility under a temporary license issued by the Department in the event that the license of the original operator has been revoked or suspended or was never issued;

(4) Shall have the same rights as the respondent to possession of the building in which the long-term care facility is located and of all goods and fixtures located in the building at the time the temporary manager is appointed. If the court finds that between the time the petition is filed and the temporary manager is appointed, the respondent has transferred assets for the purpose of frustrating the intent of this section, the court may require the respondent to repay to the temporary manager the value of such transferred assets. The temporary manager shall take all actions necessary to protect and conserve the assets and property of which the temporary manager takes possession, and the proceeds of any transfer, and may use them only in the performance of the powers and duties set forth in this section and as may be ordered by the court;

(5) May use the building, fixtures, furnishings, and any accompanying consumable goods in providing care and services to residents and to any other persons receiving services from the long-term care facility at the time the petition for temporary management was filed. The temporary manager shall collect payment for all goods and services provided to residents or others at the same rate and method of payment as was charged by the respondent at the time the petition for temporary management was filed, unless a different rate is set by the State or other third-party payors. The temporary manager shall owe a duty to the owner of the long-term care facility to protect and preserve, and to avoid the waste or diminution of, the building, fixtures, furnishings, consumable goods, receipts, and other assets of the facility and to prevent the use of those assets for any purpose other than the reasonable operation of the facility;

(6) May correct or eliminate any deficiency in the structure or furnishings of the long-term care facility that endangers the safety or health of residents, provided the total cost of correction of all such deficiencies does not exceed one thousand dollars ($1,000);

(7) Shall submit to the court a plan in accordance with G.S. 131E-239 for correction or elimination of any deficiency or deficiencies in the structure or furnishings of the long-term care facility that endanger the safety or health of residents and that are estimated to exceed one thousand dollars ($1,000), and shall carry out the plan with any modification approved by the court;

(8) May enter into contracts and hire agents and employees to carry out the powers and duties created under this section, provided that the temporary manager must notify the court and the respondent prior to entering into any substantially new contract obligating the respondent to pay more than one thousand dollars ($1,000);

(9) Except as specified in G.S. 131E-241, shall honor all leases, mortgages, and secured transactions governing the building in which the long-term care facility is located and all goods and fixtures in the building of which the temporary manager has taken possession, but, in the case of a rental agreement, only to the extent of payments that are for the use of the property during the period of the temporary management, or, in the case of a purchase agreement, come due during the period of the temporary management;

(10) Shall have full power to direct, manage, and discharge employees of the long-term care facility, consistent with applicable State and federal laws governing the employment of these employees;

(11) If transfer of the residents is necessary, shall cooperate with the Department or local departments of social services or both in carrying out the transfer of residents to an alternative placement;

(12) Shall be entitled to and shall take possession of all property or assets of residents in the possession of the respondents. The temporary manager shall preserve all property, assets, and records of residents of which the temporary manager takes possession and shall provide for the prompt transfer of the property, assets, and records to the alternative placement of any transferred resident. No owner, licensee, or administrator of a facility under temporary management shall be liable for the waste, mismanagement, or other negligent or intentional wrongful act of a temporary manager with respect to the property or assets of residents; and

(13) May be held liable in his personal capacity only for his own gross negligence or intentional acts. (1993, c. 390, s. 1.)

§ 131E-239. Plan for correction of deficiencies in excess of one thousand dollars ($1,000).

(a) If the temporary manager determines that it is necessary to correct a deficiency or deficiencies in the structure or furnishings reasonably estimated by the temporary manager to cost in excess of one thousand dollars ($1,000), the temporary manager shall submit to the court a written plan that contains the following:

(1) A description of the deficiency or deficiencies that require correction;

(2) A description of the method proposed by the temporary manager for correction of the deficiency or deficiencies; and

(3) An estimate of the cost of the correction or corrections.

(b) A copy of the plan shall be served upon the Department and the respondent on the same day that it is submitted to the court.

(c) If the Department or respondent makes a written request for a hearing within seven days after the submission of the plan to the court, a hearing on the proposed plan of correction shall be held. If a hearing is requested by a party, the hearing shall be held within 14 days of the written request. The Department, respondent, and temporary manager shall have the opportunity to present evidence at the hearing regarding the proposed plan. Upon hearing the evidence, the court may approve the plan, modify the plan, or, if the court determines as a result of the evidence that the alleged deficiency does not require correction, it may reject the plan. If no party requests a hearing on the plan in accordance with this subsection, the court may order the temporary manager to proceed to implement the plan.

(d) In the event of an emergency situation involving the structure or furnishings of the facility the correction of which will cost in excess of one thousand dollars ($1,000) and where failure to correct the situation immediately will likely result in serious physical harm or death to residents, the temporary manager may proceed to correct the situation in the most economical and efficient manner under the circumstances without prior court approval of a plan. If the court later determines pursuant to G.S. 131E-244(b) that the expenditure was not necessary or reasonable under the circumstances, payment for the expenditure or any part determined to be unreasonable or unnecessary by the court, must be paid from the contingency fund described in G.S. 131E-242. If the payment was initially made by the temporary manager from the contingency fund, the respondent shall have no obligation to repay those funds to the contingency fund upon a finding that the expenditure was unreasonable or unnecessary. If the payment was initially made by the temporary manager from operating revenues of the facility, the respondent shall be entitled to repayment of those amounts from the contingency fund. (1993, c. 390, s. 1.)

§ 131E-240. Payment to temporary manager.

(a) A person served with notice of an order of the court appointing a temporary manager and of the temporary manager's name and address shall be liable to pay the temporary manager for any goods or services provided by the temporary manager after the date of the order if the person would have been liable for the goods or services supplied by the respondent or an agent of the respondent. The temporary manager shall give a receipt for each payment and shall keep a copy of each receipt on file. The temporary manager shall deposit amounts received in a special account and shall use this account for all disbursements.

(b) The temporary manager may bring an action to enforce the liability created by subsection (a) of this section. Proof of payment to the temporary

manager is as effective in favor of the person making the payment as payment of the amount to the person who, but for this subsection, would have been entitled to receive the sum paid.

(c) A resident may not be discharged, nor may any contract or rights be forfeited or impaired, nor may forfeiture or liability be increased, by reason of an omission to pay a respondent, licensee, or other person a sum paid to the temporary manager. (1993, c. 390, s. 1.)

§ 131E-241. Avoidance of preexisting leases, mortgages, and contracts.

(a) A temporary manager shall not be required to honor any lease, mortgage, secured transaction, or other wholly or partially executory contract entered into by the respondent, licensee, or administrator of the long-term care facility if the temporary manager demonstrates to the court that the rental price, rate of interest, or other compensation to be paid under the contract or agreement is unreasonable in light of conditions existing at the time the agreement was entered into by the parties or in light of the relationship of the parties.

(b) If the temporary manager is in possession of real estate or goods subject to a lease, mortgage, security interest, or other contract that the temporary manager is permitted to avoid under subsection (a) of this section, and if the real estate or goods are necessary for the continued operation of the long-term care facility, the temporary manager may apply to the court to set a reasonable rental price, rate of interest, or other compensation to be paid by the temporary manager during the duration of the temporary management. The court shall hold a hearing on the application within 15 days after receipt of the application. At least 10 days prior to the hearing, the temporary manager shall send notice of the application to any known person with any beneficial interest in the property involved.

(c) Payment by the temporary manager of the amount determined by the court to be reasonable is a defense to any action against the temporary manager for payment or for possession of the goods or real estate subject to the lease, mortgage, security interest, or other contract involved by any person who received such notice, but the payment does not relieve the obligee of liability for the difference between the amount paid by the temporary manager and the amount due under the original lease, mortgage, or security interest involved. (1993, c. 390, s. 1.)

§ 131E-242. Contingency fund.

(a) The Department may maintain a temporary management contingency fund.

(b) Upon a showing that proper expenses of the temporary management under this Article exceed the operating funds of the long-term care facility, the court, in its discretion, may order that the Department provide funds from the contingency fund to the temporary manager to operate the facility and compensate the temporary manager.

(c) When the total funds available in the contingency fund exceed five hundred thousand dollars ($500,000), the Department may reallocate any or all of the amount in excess of five hundred thousand dollars ($500,000) for other activities intended to protect the health and property of residents. (1993, c. 390, s. 1; 1995, c. 535, s. 27; 1998-215, s. 78(d); 1999-334, s. 1.13.)

Legal Periodicals. — For a survey of 1996 developments in constitutional law, see 75 N.C.L. Rev. 2252 (1997).

§ 131E-243. Review and termination of temporary management.

(a) The operations and continuing need for a temporary manager shall be reviewed by the court every 30 days following the appointment of the temporary manager.

(b) The court may order the replacement of a temporary manager upon a showing that the temporary manager has mismanaged the long-term care facility.

(c) The court shall order the termination of the temporary management upon the recommendation of the Department or upon a showing that the conditions leading to imposition of the temporary management have been resolved.

(d) When a long-term care facility is returned to its owner, the court may impose conditions to assure compliance with applicable laws and regulations. (1993, c. 390, s. 1.)

§ 131E-244. Accounting lien for expenses.

(a) Within 30 days after termination of the temporary management, the temporary manager shall give the court a complete accounting of:

(1) All property of which the temporary manager took possession;

(2) All funds collected under this Article;

(3) Expenses of the temporary management; and

(4) All disbursements or transfers of facility funds or other assets made during the period of temporary management. On the same day the accounting is filed with the court, the temporary manager shall serve on the respondent by registered mail a copy of this accounting.

(b) If the operating funds collected during the temporary management exceed the reasonable expenses of the temporary management, the court shall order payment of the excess to the respondent, after reimbursement to the contingency fund. If the operating funds are insufficient to cover the reasonable expenses of the temporary management, the respondent shall be liable for the deficiency, except as described in this section. If the respondent demonstrates to the court that repayment of amounts spent from the contingency fund would significantly impair the provision of appropriate care or services to residents, the court may order repayment over a period of time with or without interest or may order that the respondent be required to repay only part or none of the amount spent from the contingency fund. In reaching this decision, the court may consider all assets, revenues, debts and other obligations of the long-term care facility, the likelihood of the sale of the long-term care facility where repayment forgiveness would result in unjust enrichment of the respondent, and shall consider the impact of its determination on the provision of care to residents. The respondent may petition the court to determine the reasonableness of any expenses of the temporary management. The respondent shall not be responsible for expenses in excess of amounts the court finds to be reasonable. Payment recovered from the respondent shall be used to reimburse the contingency fund for amounts used by the temporary manager.

(c) The court may order that the Department have a lien for any reasonable costs of the temporary management that are not covered by the operating funds collected by the temporary manager and for any funds paid out of the contingency fund during the temporary management upon any beneficial interest, direct or indirect, of any respondent in the following property:

(1) The building in which the long-term care facility is located;
(2) The land on which the long-term care facility is located;
(3) Any fixtures, equipment, or goods used in the operation of the long-term care facility; or
(4) The proceeds from any conveyance of property described in subdivisions (1), (2), and (3) of this subsection made by the respondent within one year prior to the filing of the petition for temporary management unless such transfers were made in good faith, in the ordinary course of business, and without intent to frustrate the intent of subsection (b) of this section. Transfers made coincidental with serious deficiencies in resident care may be considered evidence of intent to frustrate the intent of subsection (b) of this section.

(d) To the extent permitted by other provisions of applicable State or federal law, the lien provided for in this section is superior to any lien or other interest that arises subsequent to the filing of the petition for temporary management under this section, except for a construction or mechanic's lien arising out of work performed with the express consent of the temporary manager.

(e) The clerk of court in the county in which the long-term care facility is located shall record the filing of the petition for temporary management in the lien docket opposite the names of the respondents and licensees named in the petition.

(f) Within 60 days after termination of the temporary management, the temporary manager shall file a notice of any lien created under this section. If the lien is on real property, the notice shall be filed with the clerk of court in the county where the long-term care facility is located and entered on the lien docket. If the lien is on personal property, the lien shall be filed with the person against whom the lien is claimed, and shall state the name of the temporary manager, the date of the petition for temporary management, the date of the termination of temporary management, a description of the property involved, and the amount claimed. No lien shall exist under this section against any person, on any property, or for any amount not specified in the notice filed under this section. (1993, c. 390, s. 1.)

§ 131E-245. Obligations of licensee.

Nothing in this Article shall relieve any respondent, licensee, or administrator of a long-term care facility placed in temporary management of any civil or criminal liability, or any duty imposed by law, by reason of acts or omissions of the respondent, licensee, or administrator prior to the appointment of the temporary manager. Nothing in this Article shall suspend during the temporary management any obligation of the respondent, licensee, or administrator for payment of taxes, other operating and maintenance expenses of the long-term care facility, nor the respondent, licensee, or administrator or any other person for the payment of mortgages or liens. No owner, licensee, or administrator shall be held personally liable for acts or omissions of the temporary manager or the temporary manager's employees during the term of the temporary management. No licensee or administrator may be held responsible or liable for licensure fines, sanctions or penalties, or other administrative sanctions, arising or imposed as a result of acts or omissions occurring during the period of temporary management unless those sanctions result from acts or omissions by the licensee or administrator. (1993, c. 390, s. 1.)

§ 131E-246. Conflict of laws.

In the event of a conflict between federal laws or regulations and State law or rules, the federal laws or regulations shall control. (1993, c. 390, s. 1.)

§ 131E-250. Disposition of surplus property by public and State hospitals.

(a) As used in this section, "public hospital" has the same meaning as in G.S. 159-39. A State hospital is any hospital operated by the State.

(b) A public hospital or a State hospital may donate medical equipment it determines is no longer needed by the hospital to any of the following if the property so donated is to be used by a hospital or medical facility in another country:

(1) A corporation that is exempt from taxation under section 501(c) of the Internal Revenue Code of 1986.
(2) The United States or any agency of it.
(3) The government of a foreign country or any political subdivision of that country.
(4) The United Nations or an agency of it.
(5) Other eleemosynary institutions and groups. (1993, c. 529, s. 7.6; 1995, c. 509, s. 73.)

Health Care Personnel Registry.

§ 131E-255. Nurse Aide Registry.

(a) Pursuant to 42 U.S.C. § 1395i-3(e) and 42 U.S.C. § 1396r(e), the Department shall establish and maintain a registry containing the names of all nurse aides working in nursing facilities in North Carolina. The Department shall include in the nurse aide registry any findings by the Department of neglect of a resident in a nursing facility or abuse of a resident in a nursing facility or misappropriation of the property of a resident in a nursing facility by a nurse aide.

(1997-517, s. 2.)

§ 131E-257.2. Privacy of employee personnel records.

(a) Notwithstanding the provisions of G.S. 132-6 or any other general law or local act concerning access to public records, personnel files of employees and applicants for employment maintained by a public hospital are subject to inspection and may be disclosed only as provided by this section. For purposes of this section, an employee's personnel file consists of any information in any form gathered by the public hospital with respect to an employee and, by way of illustration but not limitation, relating to the employee's application, selection or nonselection, performance, promotions, demotions, transfers, suspensions and other disciplinary actions, evaluation forms, leave, salary, and termination of employment. As used in this section, "employee" includes both current and former employees of a public hospital.

(b) The following information with respect to each public hospital employee is a matter of public record:

(1) Name.

(2) Age.

(3) Date of original employment.

(4) Current position title, current salary, and the date and amount of the most recent increase or decrease in salary.

(5) Date of the most recent promotion, demotion, transfer, suspension, separation or other change in position classification.

(6) The office to which the employee is currently assigned.

In addition, the following information with respect to each licensed medical provider employed by or having privileges to practice in a public hospital shall be a matter of public record: educational history and qualifications, date and jurisdiction or original and current licensure; and information relating to medical board certifications or other qualifications of medical specialists.

The governing board of a public hospital shall determine in what form and by whom this information will be maintained. Any person may have access to this information for the purpose of inspection, examination, and copying, during regular business hours, subject only to such rules and regulations for the safekeeping of public records as the governing board of the public hospital may have adopted. Any person denied access to this information may apply to the appropriate division of the General Court of Justice for an order compelling disclosure, and the court shall have jurisdiction to issue such orders.

(c) All information contained in a public hospital employee's personnel file, other than the information made public by subsection (b) of this section, is confidential and shall be open to inspection only in the following instances:

(1) The employee or the employee's duly authorized agent may examine all portions of the employee's personnel file, except letters of reference solicited prior to employment.

(3) A public hospital employee having supervisory authority over the employee may examine all material in the employee's personnel file.

(4) By order of a court of competent jurisdiction, any person may examine such portion of an employee's personnel file as may be ordered by the court.

(5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any portion of a personnel file when the inspection is deemed by the person having custody of the file to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of the records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.

(6) An employee may sign a written release, to be placed with the employee's personnel file, that permits the person with custody of the file to provide, either in person, by telephone, or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.

(d) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:

(1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the public hospital's service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.

(2) Investigative reports or memoranda and other information concerning the investigation of possible criminal actions of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.

(3) Information that might identify an undercover law enforcement officer or a law enforcement informer.

(4) Notes, preliminary drafts, and internal communications concerning an employee. In the event such materials are used for any official personnel decision, then the employee or his duly authorized agent shall have a right to inspect such materials.

(e) The governing board of a public hospital may permit access, subject to limitations they may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that representative certifies that he or she will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or teaching purposes. This certification shall be retained by the public hospital as long as each personnel file so examined is retained.

(f) The governing board of a public hospital that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in his or her file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(g) A public hospital director, trustee, officer, or employee who knowingly, willfully, and with malice permits any person to have access to information contained in a personnel file, except as is permitted by this section, is guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable only by a fine not to exceed five hundred dollars ($500.00).

(h) Any person not specifically authorized by this section to have access to a personnel file designated as confidential, who shall knowingly and willfully examine in its official filing place, or remove, or copy any portion of a confidential personnel file shall be guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable, in the discretion of the court, by a fine not to exceed five hundred dollars ($500.00). (1997-517, s. 2.)

(a) Requirement; Nursing Home or Home Care Agency. — An offer of employment by a nursing home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An offer of employment by a home care agency licensed under this Chapter to an applicant to fill a position that requires entering the patient's home is conditioned on consent to a criminal history record check of the applicant. In addition, employment status change of a current employee of a home care agency licensed under this Chapter from a position that does not require entering the patient's home to a position that requires entering the patient's home shall be conditioned on consent to a criminal history record check of that current employee. If the applicant for employment or if the current employee who is changing employment status has been a resident of this State for less than five years, then the offer of employment or change in employment status is conditioned on consent to a State and national criminal history record check. The national criminal history record check shall include

a check of the applicant's or current employee's fingerprints. If the applicant or current employee has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant or current employee applying for a change in employment status. A nursing home or a home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. In addition, a home care agency shall not change a current employee's employment status from a position that does not require entering the patient's home to a position that requires entering the patient's home who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a nursing home or home care agency shall submit a request to the Department of Justice under G.S. 114.19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the home or agency is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) **(See Editor's Note)** Requirement; Contract Agency of Nursing Home or Home Care Agency. — An offer of employment by a contract agency of a nursing home or home care agency licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of a nursing home or home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a contract agency of a nursing home or home care agency shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section.

(b) Action. — If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the nursing home or home care agency, or the contract agency of a nursing home or home care agency, shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.

(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the nursing home or home care agency, or the contract agency of the nursing home or home care agency. If a nursing home, home care agency, or contract agency of a

nursing home or home care agency disqualifies an applicant after consideration of the relevant factors, then the nursing home, home care agency, or contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(c) Limited Immunity. — An entity and an officer or employee of an entity that, in good faith, complies with this section is not liable for the failure of the entity to employ an individual on the basis of information provided in the criminal history record check of the individual.

(d) Relevant Offense. — As used in this section, the term "relevant offense" has the same meaning as in G.S. 131D-40.

(e) Penalty for Furnishing False Information. — Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. — A nursing home or home care agency may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The nursing home or home care agency shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The nursing home or home care agency shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. — An entity and officers and employees of an entity shall be immune from civil liability for failure to check an employee's history of criminal offenses if the employee's criminal history record check is requested and received in compliance with this section. Article 17.

Provider Sponsored Organization Licensing.

§ 131E-275. General provisions.

(a) The General Assembly acknowledges that section 1855, et seq., of the federal Social Security Act permits provider sponsored organizations that are organized and licensed under State law as risk-bearing entities, or that are otherwise certified as such by the federal government, to be eligible to offer Medicare health insurance or health benefits coverage in each state in which the provider sponsored organization offers a Medicare+Choice plan. The General Assembly declares that provider sponsored organizations are beneficial to North Carolina citizens who are Medicare beneficiaries and should be encouraged, subject to appropriate regulation by the Division of Medical Assistance of the Department of Health and Human Services. The General Assembly further declares that, because provider sponsored organizations provide health care directly and assume responsibility for the provision of health care services to Medicare beneficiaries under the requirements of the federal Medicare program, they require different regulatory oversight to protect the public than health maintenance organizations and insurance companies. The General Assembly further declares that the organizers and operators of provider sponsored organizations which are licensed under the terms of this Article as risk-bearing entities authorized to contract directly with the federal Medicare+Choice program shall not be subject to Chapter 58 of the General Statutes or the insurance laws of this State, unless otherwise specified in this Article.

It is the intent of the General Assembly to encourage innovative methods by which sponsoring providers can directly or indirectly share substantial financial risk in the PSO in any lawful manner.

(b) As set forth in this Article, the Division of Medical Assistance of the Department of Health and Human Services shall be the agency of the State authorized to license provider sponsored organizations to contract with Medicare to provide health care services to Medicare beneficiaries and to engage in the other related activities described in this Article.

(c) Each provider sponsored organization shall obtain a license from the Division or shall otherwise be certified by the federal government prior to establishing, maintaining, and operating a health care plan in this State for Medicare+Choice beneficiaries. Nothing in this Article shall be construed to authorize a provider sponsored organization to establish, maintain, or operate a health care plan other than exclusively for Medicare+Choice beneficiaries. (1998-227, s. 1.)

Editor's Note. — Session Laws 1998-227, s. 6, appropriates initial funds and further provides for the allocation of $50,000 from funds appropriated to the Department of Health and Human Services for the 1998-99 fiscal year to be used by the Division of Medical Assistance to implement the Act and further provides that nothing in the Act shall obligate the General Assembly to appropriate or allocate additional funds to implement the Act.

§ 131E-276. Definitions.

As used in this Article, unless the context clearly implies otherwise, the following definitions apply:

(1) "Affiliated provider" means a health care provider that is affiliated with another provider if, through contract, ownership, or otherwise: (i) one provider directly controls, is controlled by, or is under common

control with the other provider; (ii) each provider participates in a lawful combination under which they share substantial financial risk for the organization's operation; (iii) both providers are part of a controlled group of corporations as defined under section 1563 of the Internal Revenue Code of 1986; or (iv) both providers are part of an affiliated service group under section 414 of this Code. Control is presumed if one party directly or indirectly owns, controls, or holds the power to vote, or proxies for, at least fifty-one percent (51%) of the voting or governance rights of another.

(2) "Beneficiary" or "beneficiaries" means a beneficiary or beneficiaries of the Medicare+Choice program who are enrolled with the provider sponsored organization (PSO) under the terms of a contract between the PSO and the Medicare program.

(3) "Current assets" means cash, marketable securities, accounts receivable, and other current items that will be converted into cash within 12 months.

(4) "Current liabilities" means accounts payable and other accrued liabilities, including payroll, claims, and taxes that will need to be paid within 12 months.

(5) "Current ratio" means the ratio of current assets divided by current liabilities calculated at the end of any accounting period.

(6) "Division" means the Division of Medical Assistance of the Department of Health and Human Services.

(7) "Emergency services" has the same meaning as defined in G.S. 58-50-61(a)(5).

(8) "Health care delivery assets" means any tangible asset that is part of a PSO operation, including hospitals, medical facilities, and their ancillary equipment, and any property that may reasonably be required for the PSO's principal office or for any purposes that may be necessary in the transaction of the business of the PSO.

(9) "Health plan contract" or "Medicare contract" means a PSO's direct contract with the United States Department of Health and Human Services under section 1857 of the federal Social Security Act.

(10) "Out-of-network services" means health care items or services that are covered services under a PSO's Medicare contract and that are provided to beneficiaries by health care providers that are not participating providers in the PSO's network of health care providers.

(11) "Parent of a sponsoring provider" means the public or private entity that owns or controls a controlling interest in the sponsoring provider or that has the power to appoint a controlling number of the governing board of a sponsoring provider or that has the power to direct the management policy and decisions of the sponsoring provider.

(12) "Provider" or "health care provider" means: (i) any individual that is engaged in the delivery of health care services and that is required by North Carolina law or regulation to be licensed to engage in the delivery of these health care services and is so licensed; (ii) any entity that is engaged in the delivery of health care services and that is required by North Carolina law or regulation to be licensed to engage in the delivery of these health care services and is so licensed; or (iii) any entity that is owned or controlled entirely by individuals or entities described in subparts (i) or (ii) of this definition.

(13) "Provider sponsored organization" or "PSO" means a public or private entity domiciled in this State, including a business corporation, a nonprofit corporation, a partnership, a limited liability company, a professional limited liability company, a professional corporation, a sole proprietorship, a public hospital, a hospital authority, a hospital

district, or a body politic: (i) that is established, organized, and operated by sponsoring providers; (ii) in which physicians licensed pursuant to Article 1 of Chapter 90 of the General Statutes or to the laws of any state of the United States comprise no less than fifty percent (50%) of the governing board or body, unless otherwise prohibited by law; and (iii) that provides a substantial proportion of the services under each Medicare contract directly through the sponsoring provider. The requirement in subpart (ii) of this definition shall not preclude a PSO that includes a tax-exempt hospital from adopting a bylaw provision that provides a veto for the tax-exempt hospital over actions of the PSO necessary to maintain the hospital's tax-exempt status. A PSO shall not be out of compliance with the requirement in subpart (ii) due to temporary vacancies on its governing board or body. Subpart (ii) of this subdivision applies only if a hospital licensed under this Chapter or Chapter 122C of the General Statutes is the sponsoring provider or a member of the group of affiliated health care providers that comprises the sponsoring provider.

(14) "Sponsoring providers" of a PSO means the health care provider domiciled in this State that assumes, or group of affiliated health care providers that directly or indirectly shares, substantial financial risk in the PSO and that has at least a majority financial interest in the PSO.

(15) "Substantial proportion of the services" means at least seventy percent (70%), or sixty percent (60%) for PSOs whose beneficiaries reside primarily in rural areas, of the annual health care expenditures. (1998-227, s. 1.)

§ 131E-277. Direct or indirect sharing of substantial financial risk.

In order for sponsoring providers to directly or indirectly share substantial financial risk in the PSO, the PSO shall do one or more of the following:

(1) Provide services under its Medicare contract at a capitated rate;

(2) Provide designated services or classes of services under its Medicare contract for a predetermined percentage of premium or revenue from the Medicare program;

(3) Use significant financial incentives for its sponsoring providers, as a group to achieve specified cost-containment and utilization management goals either by:

a. Withholding from all sponsoring providers a substantial amount of the compensation due to them, with distribution of that amount to the sponsoring providers based on performance of all sponsoring providers in meeting the cost-containment goals of the network as a whole; or

b. Establishing overall cost or utilization targets for the PSO, with the sponsoring providers subject to subsequent substantial financial rewards or penalties based on group performance in meeting the targets; or

(4) Agree to provide a complex or extended course of treatment that requires the substantial coordination of care by sponsoring providers in different specialties offering a complementary mix of services, for a fixed, predetermined payment, when the costs of that course of treatment for any individual patient can vary greatly due to the individual patient's treatment or other factors; or

(5) Agree to any other arrangement that the Division determines to provide for the sharing of substantial financial risk by the sponsoring providers. (1998-227, s. 1.)

§ 131E-278. Applicability of other laws.

Unless otherwise required by federal law, provider sponsored organizations licensed pursuant to the terms of this Article are exempt from all regulation under Chapter 58 of the General Statutes. Plan contracts, provider contracts, and other arrangements related to the provision of covered services by these licensed networks or by health care providers of these PSOs when operating through these PSOs shall likewise be exempt from regulation under Chapter 58 of the General Statutes. (1998-227, s. 1.)

§ 131E-279. Approval.

(a) Unless otherwise required by federal law, the Division shall be the agency of the State that shall license provider sponsored organizations that seek to contract with the federal government to provide health care services directly to Medicare beneficiaries under the Medicare+Choice program.

(b) Provider sponsored organizations which have been granted a waiver pursuant to 42 U.S.C. § 1395w-25(a)(2) and which otherwise meet the requirements of the PSO's Medicare contract shall be deemed by the State to be licensed under this Article for so long as the waiver or Medicare contract remains in effect. The foregoing shall not limit the Division's authority to regulate such PSOs and their respective sponsoring providers and affiliated providers as may be permitted in 42 U.S.C. § 1395w-25(a)(2)(G) or the PSO's Medicare contract.

(c) The Division shall license a PSO as a risk-bearing entity eligible to offer health benefits coverage in this State to Medicare beneficiaries if the PSO complies with the requirements of this Article. This license shall be granted or denied by the Division not longer than 90 days after the receipt of a substantially complete application for licensing. Within 45 days after the Division receives an application for licensing, the Division shall either notify the applicant that the application is substantially complete, or clearly and accurately specify in writing to the applicant all additional specific information required by the applicant to make the application a substantially completed application. This agency response shall set forth a date and time for a meeting within 30 days after it is sent to the applicant, at which a representative of the Division will explain with particularity the additional information required by the Division in the response to make the application substantially complete. The Division shall be bound by the response unless the Division determines that it must be modified in order to meet the purposes of this Article. The Division shall not delegate the authority to modify the response. If an applicant provides the additional information set forth in the response, the application shall be considered substantially complete. If the Division has not acted on an application within 90 days after it is deemed substantially complete, the Division shall immediately issue a license to the applicant, and the applicant shall be considered to have been licensed by the Division. Any reapplication which corrects the deficiencies which were specified by the Division in the response shall be approved by the Division.

(d) For purposes of determining, under 42 U.S.C. § 1395w-25(a)(2)(B), or any successor thereof, the date of receipt by the State of a substantially complete application, the date the Division receives the applicant's written response to the agency response or an earlier date considered by the Division shall be considered to be that date. The foregoing shall not limit the Division's authority to consider an application not substantially complete under subsection (c) of this section if the applicant's response to the response does not provide substantially the information specified in the response.

(e) A license shall be denied only after the Division complies with the requirements of G.S. 131E-305. (1998-227, s. 1.)

§ 131E-280. Applicants for license.

Each application for licensing as a provider sponsored organization authorized to do business in North Carolina shall be certified by an officer or authorized representative of the applicant, shall be in a form prescribed by the Division, and shall be set forth or be accompanied by the following:

(1) A copy of the basic organizational document, if any, of the applicant and each sponsoring organization that holds greater than a five percent (5%) interest in the PSO, such as the articles of incorporation, articles of organization, partnership agreement, trust agreement, or other applicable documents, and all amendments thereto;

(2) A copy of the respective bylaws, rules and regulations, or similar documents, if any, regulating the conduct of the internal affairs of the applicant and each sponsoring provider which holds greater than a five percent (5%) interest in the PSO;

(3) Copies of the document evidencing the arrangements between the applicant and each sponsoring provider that create the relationships and obligations described in G.S. 131E-276(1);

(4) A list of the names, addresses, and official positions of persons who are to be responsible for the conduct of the affairs of the applicant and of each sponsoring provider that holds greater than a five percent (5%) interest in the PSO, respectively, including all members of the respective boards of directors, boards of trustees, executive committees, or other governing boards or committees, the principal officers in the case of a corporation, and the partners or members in the case of a partnership or association;

(5) A copy of any contract form made or to be made between any class of providers and the PSO and a copy of any contract form made or to be made between third-party administrators, marketing consultants, or persons listed in subdivision (3) of this subsection and the PSO;

(6) A statement generally describing the provider sponsored organization, its sponsoring providers, its health care plan or plans, facilities, and personnel and certifying that its medical director or other person charged with determining and overseeing the PSO's medical policies is a medical doctor holding an unrestricted license to practice medicine under Article 1 of Chapter 90 of the General Statutes;

(7) A copy of the hospital license of each sponsoring provider that is a hospital, a copy of the license to practice medicine of each sponsoring provider or owner of a sponsoring provider that is a licensed physician, and a copy of the health care service or facility license held by any other licensed sponsoring provider;

(8) Financial statements showing the applicant's assets, liabilities, sources of financial support, and the financial statements of each sponsoring provider that holds greater than a five percent (5%) interest in the PSO showing the sponsoring provider's assets, liabilities, and sources of support. If the applicant's or any such sponsoring provider's financial affairs are audited by independent certified public accountants, a copy of the applicant's or sponsoring provider's most recent regular certified financial statement shall be considered to satisfy this requirement unless the Division directs that additional or more recent financial information is required for the proper administration of this Article;

(9) If the applicant's obligations under G.S. 131E-282, 131E-283, 131E-297, 131E-298, and 131E-299 are guaranteed by one or more guarantors:

a. Documentation that each guarantor meets the following requirements:

1. The guarantor is a legal entity authorized to conduct business in North Carolina.
2. The guarantor is not under federal bankruptcy or State receivership or rehabilitation proceedings.
3. The guarantor has a net worth, not including other guarantees, intangibles, and restricted reserves, equal to three times the amount of the PSO's guarantee.

b. Financial statements showing each guarantor's assets, liabilities, and source of financial support.

c. If a guarantor's financial affairs are audited by independent certified public accountants, a copy of the guarantor's most recent regular audited financial statement shall be considered to satisfy this requirement unless the Division directs that additional or more recent financial information is required for the proper administration of this Article.

d. The guarantee document, including a statement of the financial obligation covered by the guarantee, an agreement to unconditionally fulfill the financial obligations covered by the guarantee, an agreement not to subordinate the guarantee to any other claim on the resources of the guarantor and a declaration that the guarantor must act on a timely basis to satisfy the financial obligations covered by the guarantee.

(10) A financial plan, satisfactory to the Division, covering the first 12 months of operation under the PSO's Medicare contract and which meets the requirements of G.S. 131E-283. If the financial plan projects losses, the financial plan must cover the period through 12 months beyond the projected breakeven;

(11) A statement reasonably describing the geographic area or areas to be served;

(12) A description of the procedures to be implemented to meet the protection against insolvency requirements of G.S. 131E-298; and

(13) Any other information the Division may require to make the determinations required in G.S. 131E-282. (1998-227, s. 1.)

§ 131E-281. Additional information.

(a) In addition to the information filed under G.S. 131E-280, each application shall include a description of the following:

(1) The program to be used to evaluate whether the applicant's network of sponsoring providers and contracted providers is sufficient, in numbers and types of providers, to assure that all health care services will be accessible without unreasonable delay;

(2) The program used to evaluate whether the sponsoring providers provide a substantial portion of services under each Medicare contract of the PSO;

(3) The program to be used for verifying provider credentials;

(4) The utilization review program for the review and control of health care services provided or paid for by the applicant;

(5) The quality management program to assure quality of care and health care services managed and provided through the health care plan; and

(6) The applicant's network of sponsoring providers and contracted providers and evidence of the ability of that network to provide all health care services other than out-of-network services and emergency services to the applicant's prospective beneficiaries.

(b) The Division may promulgate rules and regulations exempting from the filing requirements of subsection (a) of this section those items it deems unnecessary. (1998-227, s. 1.)

§ 131E-282. Issuance of license.

(a) Before issuing a PSO license, the Division may make an examination or investigation as it deems expedient. The Division shall issue a license after receipt of a substantially complete application and upon satisfaction of the following requirements:

(1) The applicant is duly organized as a provider sponsored organization as defined by this Article.

(2) The PSO has initially a minimum net worth of one million five hundred thousand dollars ($1,500,000). In the event the PSO submits a financial plan that demonstrates that the PSO does not have to create but has or has available to it an administrative infrastructure that shall reduce the PSO's start-up costs, the Division may lower the initial minimum net worth required to one million dollars ($1,000,000) or to any lower amount as determined by the Division if the PSO operates primarily in rural areas.

(3) The PSO shall have at least seven hundred fifty thousand dollars ($750,000) in cash or equivalents on its balance sheet, except that the Division may permit a PSO operating primarily in rural areas to have a lesser amount held in cash or equivalents on its balance sheets.

(4) The applicant submits a financial plan satisfactory to the Division which covers the first 12 months of operation of the PSO's Medicare contract and which meets the requirements of G.S. 131E-283. If the plan projects losses, the financial plan shall cover the period through 12 months beyond projected breakeven.

(5) The Division determines that the applicant has sufficient cash flow to meet its obligations as they become due. In making that determination, the Division shall consider the following:

a. The timeliness of payment;

b. The extent to which the current ratio is maintained at one-to-one, or whether there is a change in the current ratio over a period of time; and

c. The availability of outside financial resources.

(b) In calculating the net worth of a PSO, the Division shall admit the following:

(1) One hundred percent (100%) of the book value of health care delivery assets on the balance sheet of the applicant.

(2) One hundred percent (100%) of the value of cash and cash equivalents on the balance sheet of the applicant.

(3) If at least one million dollars ($1,000,000) of the initial minimum net worth requirement is met by cash or cash equivalents, then one hundred percent (100%) of the book value of the PSO's intangible assets up to twenty percent (20%) of the minimum net worth amount required. If less than one million dollars ($1,000,000) of the initial minimum net worth requirement is met by cash or cash equivalents or if the Division has used its discretion to reduce the initial net worth requirement below one million five hundred thousand dollars ($1,500,000), then the Division shall admit one hundred percent (100%) of the book value of intangible assets of the PSO up to ten percent (10%) of the minimum net worth amount required.

(4) Standard accounting principles treatment shall be given to other assets of the PSO not used in the delivery of health care for the purposes of meeting the minimum net worth requirement.

(5) Deferred acquisition costs shall not be admitted. (1998-227, s. 1.)

§ 131E-283. Financial plan.

(a) The financial plan shall include the following:
(1) A detailed marketing plan;
(2) Statements of revenue and expense on an accrual basis;
(3) Cash flow statements;
(4) Balance sheets; and
(5) The assumptions and justifications in support of the financial plan.

(b) In the financial plan, the PSO shall demonstrate that it has the resources available to meet the projected losses for the entire period to break even. Except for the use of guaranties as provided in subsection (c) of this section, letters of credit as provided in subsection (e) of this section, and other means as provided in subsection (f) of this section, the resources must be assets on the balance sheet of the PSO in a form that is either cash or convertible to cash in a timely manner, pursuant to the financial plan.

(c) Guaranties shall be acceptable as a resource to meet projected losses, under the following conditions:
(1) For the first year of the PSO's operation of the PSO's Medicare contract, the guarantor must provide the PSO with cash or cash equivalents to fund the projected losses, as follows:
a. Prior to the beginning of the first quarter, in the amount of the projected losses for the first two quarters;
b. Prior to the beginning of the second quarter, in the amount of the projected losses through the end of the third quarter; and
c. Prior to the beginning of the third quarter, in the amount of the projected losses through the end of the fourth quarter.
(2) If the guarantor provides the cash or cash equivalents to the PSO in a timely manner on the above schedule, this funding shall be considered in compliance with the guarantor's commitment to the PSO. In the third quarter, the PSO shall notify the Division if the PSO intends to reduce the period of funding of projected losses. The Division shall notify the PSO within 60 days of receiving the PSO's notice if the reduction is not acceptable.
(3) If the above guaranty requirements are not met, the Division may take appropriate action, such as requiring funding of projected losses through means other than a guaranty. The Division retains discretion which shall be reasonably exercised to require other methods or timing of funding, considering factors such as the financial condition of the guarantor and the accuracy of the financial plan.

(d) The Division may modify the conditions in subsection (c) of this section in order to clarify the acceptability of guaranty arrangements.

(e) An irrevocable, clean, unconditional letter of credit may be used as an acceptable resource to fund projected losses in place of cash or cash equivalents if satisfactory to the Division.

(f) If approved by the Division, based on appropriate standards promulgated by the Division, PSOs may use the following to fund projected losses for periods after the first year: lines of credit from regulated financial institutions, legally binding agreements for capital contributions, or other legally binding contracts of a similar level of reliability.

(g) The exceptions in subsections (c), (e), and (f) of this section may be used in an appropriate combination or sequence. (1998-227, s. 1.)

§ 131E-284. Modifications.

(a) A provider sponsored organization shall file a notice describing any significant change in the information required by the Division under G.S.

131E-280. Such notice shall be filed with the Division prior to the change. If the Division does not disapprove within 90 days after the filing, this modification shall be considered approved. Changes subject to the terms of this section include expansion of service area, addition or deletion of sponsoring providers, changes in provider contract forms, and group contract forms when the distribution of risk is significantly changed, and any other changes that the Division describes in properly adopted rules. Every PSO shall report to the Division for the Division's information material changes in the network of sponsoring providers and affiliated providers of services to beneficiaries enrolled with the PSO, the addition or deletion of any Medicare contracts of the PSO or any other information the Division may require. This information shall be filed with the Division within 15 days after implementation of the reported changes. Every PSO shall file with the Division all subsequent changes in the information or forms that are required by this Article to be filed with the Division.

(b) The Division may adopt rules exempting from the filing requirements of subsection (a) of this section those items it considers unnecessary. (1998-227, s. 1.)

§ 131E-285. Deposits.

(a) At the time of application, the Division shall require a deposit of one hundred thousand dollars ($100,000) in cash or securities or a combination thereof for all provider sponsored organizations. The deposits shall be included in the calculations of a PSO's or applicant's net worth.

(b) All deposits required by this section shall be restricted to use in the event of insolvency to help assume continuation of services or pay costs associated with receivership or liquidation. (1998-227, s. 1.)

§ 131E-286. Ongoing financial standards — Net worth.

(a) Beginning the first day of operation of the PSO and except as otherwise provided in subsection (d) of this section, every PSO shall maintain a minimum net worth equal to the greatest of the following amounts:

(1) One million dollars ($1,000,000);

(2) Two percent (2%) of annual premium revenues as reported on the most recent annual financial statement filed with the Division on the first one hundred fifty million dollars ($150,000,000) of premium and one percent (1%) of annual premium on the premium in excess of one hundred fifty million dollars ($150,000,000);

(3) An amount equal to the sum of three months uncovered health care expenditures as reported on the most recent financial statement filed with the Division;

(4) An amount equal to the sum of:

a. Eight percent (8%) of annual health care expenditures paid on a noncapitated basis to nonaffiliated providers as reported on the most recent financial statement filed with the Division; and

b. Four percent (4%) of annual health care expenditures paid on a capitated basis to nonaffiliated providers plus annual health care expenditures paid on a noncapitated basis to affiliated providers; and

c. Zero percent (0%) of annual health care expenditures paid on a capitated basis to affiliated providers regardless of downstream arrangements from the affiliated provider.

(b) In calculating net worth, liabilities shall not include fully subordinated debt or subordinated liabilities. For purposes of this provision, subordinated

liabilities are claims liabilities otherwise due to providers that are retained by the PSO to meet net worth requirements and are fully subordinated to all creditors.

(c) In calculating net worth for purposes of this section, the items described in G.S. 131E-282(b) shall be admitted, except as follows:

(1) For intangible assets, if at least the greater of one million dollars ($1,000,000) or sixty-seven percent (67%) of the ongoing minimum net worth requirement is met by cash or cash equivalents, then the Division shall admit the book value of intangible assets up to twenty percent (20%) of the minimum net worth amount required. If less than the greater of one million dollars ($1,000,000) or sixty-seven percent (67%) of the ongoing minimum net worth requirement is met by cash or cash equivalents, then the Division shall admit the book value of intangible assets up to ten percent (10%) of the minimum net worth amount required; and

(2) Deferred acquisition costs shall not be admitted.

(d) The Division may lower the minimum ongoing net worth threshold, and the amount held in cash or cash equivalents for PSOs that operate primarily in rural areas.

(e) During the start-up phase of the PSO, the pre-break-even financial plan requirements shall apply. After the point of breakeven, the financial plan requirement shall address cash needs and the financing required for the next three years.

(f) If a PSO, or the legal entity of which the PSO is a component, did not earn a net operating surplus during the most recent fiscal year, the PSO shall submit a financial plan, satisfactory to the Division, meeting all of the requirements established for the initial financial plan. (1998-227, s. 1.)

§ 131E-287. PSO Reporting.

(a) The PSO shall file with the Division financial information relating to PSO solvency standards described in this Article, according to the following schedule:

(1) On a quarterly basis until breakeven; and

(2) On an annual basis after breakeven, if the PSO has a net operating surplus; or

(3) On a quarterly or monthly basis, as specified by the Division, after breakeven, if the PSO does not have a net operating surplus.

(b) To the extent not preempted by federal law or otherwise mandated by the Medicare program, the PSO shall annually, on or before the first day of March of each year, file with the Division the following information for the previous calendar year:

(1) The number of and reasons for grievances and complaints received from Medicare beneficiaries enrolled with the PSO under the PSO's Medicare contract regarding medical treatment. The report shall include the number of covered lives, total number of grievances categorized by reason for the grievance, the number of grievances referred to the second level grievance review, the number of grievances resolved at each level and their resolution, and a description of the actions that are being taken to correct the problems that have been identified through grievances received. Every PSO shall file with the Division, as part of its annual grievance report, a certificate of compliance stating that the PSO has established and follows, for its Medicare contract, grievance procedures that comply with this Article.

(2) The number of Medicare beneficiaries enrolled with the PSO under the PSO's Medicare contract who terminated their enrollment with the PSO for any reason.

(3) The number of provider contracts between the PSO and network providers for the provision of covered services to Medicare beneficiaries that were terminated and reasons for termination. This information shall include the number of providers leaving the PSO network and the number of new providers in the network. The report shall show voluntary and involuntary terminations separately.

(4) Data relating to the utilization, quality, availability, and accessibility of service. The report shall include the following:

a. Information on the PSO's program to determine the level of network availability, as measured by the numbers and types of network providers, required to provide covered services to covered persons. This information shall include the PSO's methodology under its Medicare+Choice program for:

1. Establishing performance targets for the numbers and types of providers by specialty, area of practice, or facility type, for each of the following categories: primary care physicians, specialty care physicians, nonphysician health care providers, hospitals, and nonhospital health care facilities.
2. Determining when changes in PSO Medicare+Choice program enrollees will necessitate changes in the provider network.

The report shall also include: the availability performance targets for the previous and current years; the numbers and types of providers currently participating in the PSO's provider network; and an evaluation of actual plan performance against performance targets.

b. The PSO's method for arranging or providing health care services from nonnetwork providers, both within and outside of its service area, when network providers are not available to provide covered services.

c. Information on the PSO's program under its Medicare+Choice program to determine the level of provider network accessibility necessary to serve its Medicare enrollees. This information shall include the PSO's methodology for establishing performance targets for member access to covered services from primary care physicians, specialty care physicians, nonphysician health care providers, hospitals, and nonhospital health care facilities. The methodology shall establish targets for:

1. The proximity of network providers to members, as measured by member driving distance, to access primary care, specialty care, hospital-based services, and services of nonhospital facilities.
2. Expected waiting time for appointments for urgent care, acute care, specialty care, and routine services for prevention and wellness.

The report shall also include: the accessibility performance targets for the previous and current years; data on actual overall accessibility as measured by driving distance and average appointment waiting time; and an evaluation of actual Medicare+Choice plan performance against performance targets. Measures of actual accessibility may be developed using scientifically valid random sample techniques.

d. A statement of the PSO's methods and standards for determining whether in-network services are reasonably available and accessible to a Medicare enrollee for the purpose of determining whether such enrollee should receive the in-network level of coverage for services received from a nonnetwork provider.

e. A description of the PSO's program to monitor the adequacy of its network availability and accessibility methodologies and perfor-

mance targets, Medicare+Choice plan performance, and network provider performance.

f. A summary of the PSO's utilization review program activities for the previous calendar year under its Medicare+Choice program. The report shall include the number of: each type of utilization review performed, noncertifications for each type of review, each type of review appealed, and appeals settled in favor of Medicare enrollees. The report shall be accompanied by a certification from the carrier that it has established and follows procedures that comply with this Article.

(5) Aggregate financial compensation data, including the percentage of providers paid under a capitation arrangement, discounted fee-for-service or salary, the services included in the capitation payment, and the range of compensation paid by withhold or incentive payments. This information shall be submitted on a form prescribed by the Division.

The name, or group or institutional name, of an individual provider may not be disclosed pursuant to this subsection. No civil liability shall arise from compliance with the provisions of this subsection, provided that the acts or omissions are made in good faith and do not constitute gross negligence, willful or wanton misconduct, or intentional wrongdoing.

(c) Disclosure Requirements. — To the extent not otherwise prohibited by federal law or under the terms of the PSO's Medicare contract, each PSO shall provide the following applicable information to Medicare beneficiaries enrolled with the PSO under the PSO's Medicare contract and bona fide prospective enrollees upon request:

(1) The evidence of coverage under the Medicare+Choice plan provided by the PSO to Medicare beneficiaries under the terms of the PSO's Medicare contract;

(2) An explanation of the utilization review criteria and treatment protocol under which treatments are provided for conditions specified by the prospective enrollee. This explanation shall be in writing if so requested;

(3) If denied a recommended treatment, written reasons for the denial and an explanation of the utilization review criteria or treatment protocol upon which the denial was based;

(4) The plan's restrictive formularies or prior approval requirements for obtaining prescription drugs, whether a particular drug or therapeutic class of drugs is excluded from its formulary, and the circumstances under which a nonformulary drug may be covered; and

(5) The procedures and medically based criteria under the PSO's Medicare contract for determining whether a specified procedure, test, or treatment is experimental.

(d) Effective January 1, 1999, PSOs shall make the reports that are required under subsection (b) of this section and that have been filed with the Division available on their business premises and shall provide any Medicare beneficiary enrolled with the PSO access to them upon request, unless otherwise prohibited by federal law or under the terms of the PSO's Medicare contract.

(e) Every PSO licensed under this Article shall annually on or before the first day of March of each year, file with the Division a sworn statement verified by at least two of the principal officers of the PSO showing its condition on the thirty-first day of December, then next preceding; which shall be in such form as the Division shall prescribe. In case the PSO fails to file the annual statement as herein required, the Division is authorized to suspend the license issued to the PSO until the statement shall be properly filed.

(f) A PSO shall report to the Division the efforts it has undertaken to foster measurable improvements in the health status of the community's Medicare population, increase access to health care for noncovered benefits, and address critical health care needs of the community's Medicare population. (1998-227, s. 1.)

§ 131E-288. Liquidity.

(a) Each PSO shall have sufficient cash flow to meet its obligations as they become due. In determining the ability of a PSO to meet this requirement, the Division shall consider the following:

(1) The timeliness of payment;

(2) The extent to which the current ratio is maintained at one-to-one or whether there is a change in the current ratio over a period of time; and

(3) The availability of outside financial resources.

(b) The following corresponding remedies apply:

(1) If the PSO fails to pay obligations as they become due, the Division shall require the PSO to initiate corrective action to pay all overdue obligations.

(2) The Division may require the PSO to initiate corrective action if either of the following is evident: (i) the current ratio declines significantly; or (ii) there is a continued downward trend in the current ratio. The corrective action may include a change in the distribution of assets, a reduction of liabilities, or alternative arrangements to secure additional funding requirements to restore the current ratio to one-to-one.

(3) If there is a change in the availability of the outside resources, the Division shall require the PSO to obtain funding from alternative financial resources.

(c) Nothing in the foregoing liquidity requirements shall be interpreted to require the PSO to maintain a current ratio of one-to-one if the PSO can demonstrate to the Division that it is able to pay its obligations as they become due and the current ratio maintained by the PSO has neither declined significantly nor is on a continued downward trend. (1998-227, s. 1.)

§ 131E-289. Minimum of net worth that must be in cash or cash equivalents.

(a) Except as otherwise provided in subsection (b) of this section, each PSO shall, on an ongoing basis, maintain a minimum net worth in cash or cash equivalents of the greater of:

(1) Seven hundred fifty thousand dollars ($750,000) cash or cash equivalents; or

(2) Forty percent (40%) of the minimum net worth required.

(b) The Division may lower the threshold for minimum net worth held in cash or cash equivalents by PSOs that operate primarily in rural areas.

(c) Cash or cash equivalents held to meet the net worth requirement shall be current assets of the PSO. (1998-227, s. 1.)

§ 131E-290. Prohibited practice.

(a) No provider sponsored organization or sponsoring provider, unless licensed as an insurer under Chapter 58 of the General Statutes may use in its name, contracts, or literature any of the words "insurance", "casualty", "surety", "mutual", or any other words descriptive of the insurance, casualty, or surety business or deceptively similar to the name or description of any insurance or surety corporation doing business in this State.

(b) No provider sponsored organization or sponsoring provider shall engage in any activity or conduct which is prohibited by the terms of the PSO's Medicare contract.

(c) Unless otherwise preempted by federal law or mandated by the Medicare program, a PSO shall not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of the provider's license or certification under applicable State law, solely on the basis of that license or certification. This subsection does not preclude a PSO from including providers only to the extent necessary to meet the needs of the organization's enrollees or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the organization. (1998-227, s. 1.)

§ 131E-291. Collaboration with local health departments.

A provider sponsored organization and a local health department shall collaborate and cooperate within available resources regarding health promotion and disease prevention efforts that are necessary to protect the public health. (1998-227, s. 1.)

§ 131E-292. Coverage.

(a) Provider sponsored organizations subject to this Article shall provide coverage for the medically appropriate and necessary services specified under the PSO's Medicare contract.

(b) In the event a PSO's Medicare contract or federal law, regulations, or rules governing coverage by the PSO of items or services to Medicare beneficiaries permits a PSO, sponsoring provider, or participating provider to object on moral or religious grounds to providing an item or service to Medicare beneficiaries, it is the policy of this State to permit this objection and allow the participating provider to refuse to provide the item or service. (1998-227, s. 1.)

§ 131E-293. Rates.

Rates charged by provider sponsored organizations to the Medicare program and charges by PSOs and sponsoring providers for items or services to beneficiaries shall be governed by the terms of the PSO's Medicare contract. (1998-227, s. 1.)

§ 131E-294. Additional consumer protection and quality standards.

Unless otherwise preempted by federal law or mandated by the Medicare program, the Division shall apply to provider sponsored organizations the same standards and requirements that the Department of Insurance applies to health maintenance organizations under Chapter 58 of the General Statutes with respect to the following consumer protection and quality matters:

(1) Quality management programs (11 NCAC 20.0500, et seq.);
(2) Utilization review procedures (G.S. 58-67-61 and G.S. 58-67-62);
(3) Unfair or deceptive trade practices (Article 63 of Chapter 58 of the General Statutes);
(4) Antidiscrimination (G.S. 58-3-25(b) and (c), 58-3-120, 58-63-15(7), and 58-67-75);
(5) Provider accessibility and availability (11 NCAC 20.0300, et seq.);
(6) Network provider credentialing (11 NCAC 20.0400, et seq.); and
(7) Data reporting requirements under G.S. 58-67-50(e). (1998-227, s. 1.)

§ 131E-295. Powers of insurers and medical service corporations.

Notwithstanding any provision of the insurance and hospital or medical service corporation laws contained in Articles 1 through 67 of Chapter 58 of the General Statutes, an insurer or a hospital or medical service corporation may contract with a provider sponsored organization to provide insurance or similar protection against the cost of care provided through provider sponsored organizations and their sponsoring providers to beneficiaries and to provide coverage in the event of the failure of the provider sponsored organization or its sponsoring providers to meet its obligations under the PSO's Medicare contract. The beneficiaries of a provider sponsored organization constitute a permissible group under these laws. Among other things, under these contracts, the insurer or hospital or medical service corporation may make benefit payments to provider sponsored organizations for health care services rendered by providers pursuant to the health care plan. (1998-227, s. 1.)

§ 131E-296. Examinations.

The Division may make an examination of the affairs of any provider sponsored organization and the contracts, agreements, or other arrangements pursuant to its health care plan as often as the Division considers necessary for the protection of the interests of the people of this State but not less frequently than once every three years. (1998-227, s. 1.)

§ 131E-297. Hazardous financial condition.

(a) Whenever the financial condition of any provider sponsored organization indicates a condition such that the continued operation of the provider sponsored organization might be hazardous to its beneficiaries, creditors, or the general public, then the Division may order the provider sponsored organization to take any action that may be reasonably necessary to rectify the existing condition, including one or more of the following steps:

(1) To reduce the total amount of present and potential liability for benefits by reinsurance;
(2) To reduce the volume of new business being accepted;
(3) To reduce the expenses by specified methods;
(4) To suspend or limit the writing of new business for a period of time;
(5) To require an increase to the provider sponsored organization's net worth by contribution;
(6) To add or delete sponsoring providers;
(7) To increase the amount of payments from the PSO which sponsoring providers agree to forego; or
(8) To require additional guaranties from sponsoring providers or from parents of sponsoring providers.

(b) If the Division determines that the standards in G.S. 131E-286, 131E-288, and 131E-289 do not provide sufficient early warning that the continued operation of any provider sponsored organization might be hazardous to its beneficiaries, creditors, or the general public, the Division may adopt rules to set uniform standards and criteria for such an early warning and to set standards for evaluating the financial condition of any provider sponsored organization, which standards shall be consistent with the purposes expressed in subsection (a) of this section. (1998-227, s. 1.)

§ 131E-298. Protection against insolvency.

(a) The Division shall require deposits in accordance with the provisions of G.S. 131E-285.

(b) If a provider sponsored organization fails to comply with the net worth requirements of G.S. 131E-286, the Division may take appropriate action to assure that the continued operation of the provider sponsored organization will not be hazardous to the beneficiaries enrolled with the PSO.

(c) Every provider sponsored organization shall have and maintain at all times an adequate plan for protection against insolvency acceptable to the Division. In determining the adequacy of such a plan, the Division shall consider:

(1) A reinsurance agreement preapproved by the Division covering excess loss, stop-loss, or catastrophies. The agreement shall provide that the Division will be notified no less than 60 days prior to cancellation or reduction of coverage;

(2) A conversion policy or policies that will be offered by an insurer to the beneficiaries in the event of the provider sponsored organization's insolvency;

(3) Legally binding unconditional guaranties by adequately capitalized sponsoring provider or adequately capitalized sponsoring corporations of sponsoring providers;

(4) Legally binding obligations of sponsoring providers to forego payment for items or services provided by the sponsoring provider in order to avoid the financial insolvency of the PSO;

(5) Legally binding obligations of sponsoring providers or parents of sponsoring providers to make capital infusions to the PSO; and

(6) Any other arrangements offering protection against insolvency that the Division may require. (1998-227, s. 1.)

§ 131E-299. Hold harmless agreements or special deposit.

(a) Unless the PSO maintains a special deposit in accordance with subsection (b) of this section, each contract between every PSO and a participating provider of health care services shall be in writing and shall set forth that in the event the PSO fails to pay for health care services as set forth in the contract, the Medicare subscriber or beneficiary shall not be liable to the provider for any sums owed by the PSO. No other provisions of these contracts shall, under any circumstances, change the effect of this provision. No participating provider or agent, trustee, or assignee thereof may maintain any action at law against a subscriber or beneficiary to collect sums owed by the PSO.

(b) In the event that the participating provider contract has not been reduced to writing or that the contract fails to contain the required prohibition, the PSO shall maintain a special deposit in cash or cash equivalent as follows:

(1) If at any time uncovered expenditures exceed ten percent (10%) of total health care expenditures the PSO shall either:

a. Place an uncovered expenditures insolvency deposit with the Division, or with any organization or trustee acceptable to the Division through which a custodial or controlled account is maintained, cash or securities that are acceptable to the Division. This deposit shall at all times have a fair market value in an amount of one hundred twenty percent (120%) of the PSO's outstanding liability for uncovered expenditures for enrollees, including incurred but not reported claims, and shall be calculated as of the first day of the month and maintained for the remainder of the month. If a PSO is not otherwise required to file a quarterly report, it shall file a report within 45 days of the end

of the calendar quarter with information sufficient to demonstrate compliance with this section; or

b. Maintain adequate insurance or a guaranty arrangement approved in writing by the Division, to pay for any loss to beneficiaries claiming reimbursement due to the insolvency of the PSO. The Division shall approve a guaranty arrangement if the guarantying organization is a sponsoring provider, has been operating for at least 10 years, and has a net worth, including organization-related land, buildings, and equipment of at least fifty million dollars ($50,000,000), unless the Division finds that the approval of this guaranty may be financially hazardous to beneficiaries.

(2) The deposit required under sub-subdivision a. of subdivision (1) of this subsection is an admitted asset of the PSO in the determination of net worth. All income from these deposits or trust accounts shall be assets of the PSO and may be withdrawn from the deposit or account quarterly with the approval of the Division;

(3) A PSO that has made a deposit may withdraw that deposit or any part of the deposit if (i) a substitute deposit of cash or securities of equal amount and value is made, (ii) the fair market value exceeds the amount of the required deposit, or (iii) the required deposit under this subsection is reduced or eliminated. Deposits, substitutions, or withdrawals may be made only with the prior written approval of the Division;

(4) The deposit required under sub-subdivision a. of subdivision (1) of this section is in trust and may be used only as provided under this section. The Division may use the deposit of an insolvent PSO for administrative costs associated with administering the deposit and payment of claims of enrollees of the PSO.

(c) Whenever the reimbursements described in this section exceed ten percent (10%) of the PSO's total costs for health care services over the immediately preceding six months, the PSO shall file a written report with the Division containing the information necessary to determine compliance with sub-subdivision a. of subdivision (1) of subsection (b) of this section no later than 30 business days from the first day of the month. Upon an adequate showing by the PSO that the requirements of this section should be waived or reduced, the Division may waive or reduce these requirements to an amount it deems sufficient to protect beneficiaries of the PSO consistent with the intent and purpose of this Article. (1998-227, s. 1.)

§ 131E-300. Continuation of benefits.

The Division shall require that each PSO have a plan for handling insolvency, which plan allows for continuation of benefits for the duration of the contract period for which premiums have been paid and continuation of benefits to beneficiaries who are confined in an inpatient facility until their discharge or expiration of benefits. In considering such a plan, the Division may require:

(1) Insurance to cover the expenses to be paid for benefits after an insolvency;

(2) Provisions in provider contracts that obligate the provider to provide services for the duration of the period after the PSO's insolvency for which premium payment has been made and until the beneficiaries' discharge from inpatient facilities;

(3) Insolvency reserves as the Division may require;

(4) Letters of credit acceptable to the Division;

(5) Additional guaranties from a sponsoring provider of the PSO or from the parent of a sponsoring provider;

(6) Legally binding obligations of sponsoring providers to forego payment from the PSO for services provided to beneficiaries in order to avoid the insolvency of the PSO; and

(7) Any other arrangements to assure that benefits are continued as specified. (1998-227, s. 1.)

§ 131E-301. Insolvency.

(a) In the event of an insolvency of a PSO upon order of the Division, all providers that were sponsoring providers of the PSO within the previous 12 months from the order of the Division shall, for 30 days after the order, offer all beneficiaries enrolled with the insolvent PSO, covered services without charge other than for any applicable co-payments, deductibles, or coinsurance permitted to be charged to beneficiaries under the PSO's Medicare contract.

(b) If the Division determines that the sponsoring providers lack sufficient health care delivery resources to assure that health care services will be available and accessible to all of the beneficiaries of the insolvent PSO, then, in the event the Health Care Financing Administration of the United States Department of Health and Human Services fails to make such allocations in a timely manner, the Division shall allocate the insolvent PSO's contracts for these groups among all other PSOs that operate within a portion of the insolvent PSO's service area, taking into consideration the health care delivery resources of each PSO. Each PSO to which beneficiaries are so allocated by the Division shall offer such group or groups that PSO's existing coverage that is most similar to each beneficiary's coverage with the insolvent PSO at rates determined in accordance with the successor PSO's existing rating methodology.

(c) Taking into consideration the health care delivery resources of each such PSO, then in the event the Health Care Financing Administration of the United States Department of Health and Human Services fails to make such allocations in a timely manner, the Division shall also allocate among all PSOs that operate within a portion of the insolvent PSO's service area the insolvent PSO's beneficiaries who are unable to obtain other coverage. Each PSO to which beneficiaries are so allocated by the Division shall offer such beneficiaries that PSO's existing coverage for individual or conversion coverage as determined by the beneficiary's type of coverage in the insolvent PSO at rates determined in accordance with the successor PSO's Medicare contract. (1998-227, s. 1.)

§ 131E-302. Replacement coverage.

(a) Any carrier providing replacement coverage with respect to hospital, medical, or surgical expense or service benefits, within a period of 60 days from the date of discontinuance of a prior PSO contract or policy providing these hospital, medical, or surgical expense or service benefits, shall immediately cover all beneficiaries who were validly covered under the previous PSO contract or policy at the date of discontinuance and who would otherwise be eligible for coverage under the succeeding carrier's contract, regardless of any provisions of the contract relating to hospital confinement or pregnancy.

(b) Except to the extent benefits for the condition would have been reduced or excluded under the prior carrier's contract or policy, no provision in a succeeding carrier's contract of replacement coverage that would operate to reduce or exclude benefits on the basis that the condition giving rise to benefits preceded the effective date of the succeeding carrier's contract shall be applied with respect to those beneficiaries validly covered under the prior carrier's contract on the date of discontinuance. (1998-227, s. 1.)

§ 131E-303. Incurred but not reported claims.

(a) Every PSO shall, when determining liability, include an amount estimated in the aggregate to provide for any unearned premium and for the payment of all claims for health care expenditures that have been incurred, whether reported or unreported, that are unpaid and for which such PSO is or may be liable, and to provide for the expense of adjustment or settlement of such claims.

(b) These liabilities shall be computed in accordance with rules adopted by the Division upon reasonable consideration of the ascertained experience and character of the PSO. (1998-227, s. 1.)

§ 131E-304. Suspension or revocation of license.

(a) The Division may suspend, revoke, or refuse to renew a PSO license if the Division finds that the PSO:

(1) Is operating significantly in contravention of its basic organizational document, or in a manner contrary to that described in and reasonably inferred from any other information submitted under G.S. 131E-280, unless amendments to these submissions have been filed with and approved by the Division;

(2) Issues evidences of coverage or uses a schedule of premiums for health care services that do not comply with Medicare or Medicaid program requirements as applicable;

(3) No longer maintains the financial reserve specified in G.S. 131E-286 or is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to beneficiaries or prospective beneficiaries;

(4) Knowingly or repeatedly fails or refuses to comply with any law or rule applicable to the PSO or with any order issued by the Division after notice and opportunity for a hearing;

(5) Has knowingly made to the Division any false statement or report;

(6) Has sponsoring providers that fail to provide a substantial proportion of the services under any health plan during any 12-month period;

(7) Has itself or through any person on its behalf advertised or merchandised its items or services in an untrue, misrepresentative, misleading, or unfair manner;

(8) If continuing to operate would be hazardous to beneficiaries; or

(9) Has otherwise substantially failed to comply with this Article.

(b) A license shall be suspended or revoked only after compliance with G.S. 131E-305.

(c) When a PSO license is suspended, the PSO shall not, during the suspension, enroll any additional beneficiaries and shall not engage in any advertising or solicitation.

(d) When a PSO license is revoked, the PSO shall proceed, immediately following the effective date of the order of revocation, to wind up its affairs and shall conduct no further business except as may be essential to the orderly conclusion of the affairs of the PSO. The PSO shall engage in no advertising or solicitation. The Division may, by written order, permit any further operation of the PSO that the Division may find to be in the best interest of beneficiaries, to the end that beneficiaries will be afforded the greatest practical opportunity to obtain continuing health care coverage. (1998-227, s. 1.)

§ 131E-305. Administrative procedures.

(a) When the Division has cause to believe that grounds for the denial of an application for a license exist, or that grounds for the suspension or revocation

of a license exist, it shall notify the provider sponsored organization in writing specifically stating the grounds for denial, suspension, or revocation and fixing a time of at least 30 days thereafter for a hearing on the matter.

(b) After this hearing, or upon the failure of the provider sponsored organization to appear at this hearing, the Division shall take the action it considers advisable or make written findings that shall be mailed to the provider sponsored organization. The action of the Division shall be subject to review by the Superior Court of Wake County. The court may, in disposing of the issue before it, modify, affirm, or reverse the order of the Division in whole or in part.

(c) The provisions of Chapter 150B of the General Statutes apply to proceedings under this section to the extent that they are not in conflict with subsections (a) and (b) of this section. (1998-227, s. 1.)

§ 131E-306. Expired.

Editor's Note. — Session Laws 1998-227, s. 1, which enacted this section, provided that the section would expire January 1, 2000.

§ 131E-307. Penalties and enforcement.

(a) The provisions of G.S. 58-2-70, modified to replace the word "Commissioner" by the word "Division", applies to this Article. The Division may, in addition to or in lieu of suspending or revoking a license under G.S. 131E-304, proceed under G.S. 58-2-70, as so modified, provided that the provider sponsored organization has a reasonable time within which to remedy the defect in its operations that gave rise to the procedure under G.S. 58-2-70.

(b) Any person who violates this Article shall be guilty of a Class 1 misdemeanor.

(c) If the Division shall for any reason have cause to believe that any violation of this Article has occurred or is threatened, the Division may give notice to the provider sponsored organization and to the representatives or other persons who appear to be involved in such suspected violation to arrange a conference with the alleged violators or their authorized representatives for the purpose of attempting to ascertain the facts relating to such suspected violation, and, in the event it appears that any violation has occurred or is threatened, to arrive at an adequate and effective means of correcting or preventing such violation.

Proceedings under this subsection shall not be governed by any formal procedural requirements and may be conducted in such manner as the Division may deem appropriate under the circumstances.

(d) The Division may issue an order directing a provider sponsored organization or a representative of a provider sponsored organization to cease and desist from engaging in any act or practice in violation of the provisions of this Article.

Within 30 days after service of the order of cease and desist, the respondent may request a hearing on the question of whether acts or practices in violation of this Article have occurred. These hearings shall be conducted pursuant to Chapter 150B of the General Statutes, and judicial review shall be available as provided by this Chapter.

(e) In the case of any violation of the provisions of this Article, if the Division elects not to issue a cease and desist order, or in the event of noncompliance with a cease and desist order issued pursuant to subsection (d) of this section, the Division may institute a proceeding to obtain injunctive relief, or seeking other appropriate relief, in the Superior Court of Wake County. (1998-227, s. 1.)

§ 131E-308. Statutory construction and relationship to other laws.

(a) Except as otherwise provided in this Article, provisions of the insurance laws and provisions of hospital or medical service corporation laws shall not be applicable to any provider sponsored organization granted a license under this Article or to its sponsoring providers when operating under such a license. This provision shall not apply to an insurer or hospital or medical service corporation licensed and regulated pursuant to the insurance laws or the hospital or medical service corporation laws of this State except with respect to its provider sponsored organization activities authorized and regulated pursuant to this Article.

(b) Solicitation of beneficiaries by a provider sponsored organization granted a license, or its representatives, shall not be construed to violate any provision of law relating to solicitation or advertising by health professionals or health care providers.

(c) Any provider sponsored organization licensed under this Article shall not be considered to be a provider of medicine and shall be exempt from the provisions of Chapter 90 of the General Statutes relating to the practice of medicine: provided, however, that this exemption does not apply to individual providers under contract with or employed by the provider sponsored organization or sponsoring providers or to the sponsoring providers.

(d) Except as otherwise limited by this Article, a PSO may organize in the same manner and may exercise the same prerogatives, powers, and privileges as other entities that are organized and existing under the same laws as the PSO. (1998-227, s. 1.)

§ 131E-309. Filings and reports as public documents.

Except for information that constitutes a bona fide trade secret, proprietary information or competitively sensitive information of a sponsoring provider or parent of a sponsoring provider, all applications, filings, and reports required under this Article shall be treated as public documents. (1998-227, s. 1.)

§ 131E-310. Confidentiality of medical information.

Any data or information pertaining to the diagnosis, treatment, or health of any beneficiary or applicant obtained from the person or from any provider by any provider sponsored organization or by any provider acting pursuant to its provider contract with a provider sponsored organization shall be held in confidence and shall not be disclosed to any person except to the extent that it may be necessary to carry out the purposes of this Article; or upon the express consent of the beneficiary or applicant; or pursuant to statute; or pursuant to court order for the production of evidence or the discovery thereof; or in the event of claim or litigation between such person and the provider sponsored organization wherein such data or information is pertinent. A provider sponsored organization shall be entitled to claim any statutory privileges against such disclosure which the provider who furnished such information to the provider sponsored organization is entitled to claim. (1998-227, s. 1; 1999-272, s. 2.)

§ 131E-311. Conflicts; severability.

To the extent that the provisions of this Article may be in conflict with any other provision of this Chapter, the provisions of this Article shall prevail and apply with respect to provider sponsored organizations. Notwithstanding the

absence of adopted rules, the Division shall continue to process applications for provider sponsored organization licenses as described in this Article. If any section, term, or provision of this Article shall be adjudged invalid for any reason, these judgments shall not affect, impair, or invalidate any other section, term, or provision of this Article, but the remaining sections, terms, and provisions shall be and remain in full force and effect. (1998-227, s. 1.)

§ 131E-312. Regulations.

This Article shall be self-implementing. No later than six months after the date of enactment of this Article, the Division may adopt rules consistent with this Article to authorize and regulate provider sponsored organizations to contract directly with the federal Medicare program to provide health care services to the beneficiaries of such programs. The Division shall issue permanent rules and, may issue temporary rules, to the extent these rules may be necessary. The Division shall limit its regulation of provider sponsored organizations to the licensing and regulating of these organizations as risk-bearing entities contracting directly with the Medicare program and to the consumer protection and quality standards as provided in G.S. 131E-294 and shall not regulate any matters described in 42 U.S.C. § 1395W-26(b)(3), or any successor thereof. CASE NOTES

Constitutionality of Former Charitable Solicitation Licensure Act. — See Optimist Club v. Riley, 563 F. Supp. 847 (E.D.N.C. 1982).

Purpose. — The former Charitable Solicitation Licensure Act was enacted to protect the general public and to establish and enforce standards for the use and solicitation of charitable funds. Optimist Club v. Riley, 563 F. Supp. 847 (E.D.N.C. 1982).

Where corporate solicitor operated bingo games in connection with promotion of the sale of combs and candies, the element of bingo in corporate solicitor's fundraising scheme brought all activity connected to the operation of that game within the ambit of the bingo statutes, even if corporate solicitor fit within the former Charitable Solicitation Licensure Act's definition of "charitable sales promotion." Animal Protection Soc'y of Durham, Inc. v. State, 95 N.C. App. 258, 382 S.E.2d 801 (1989).

§ 131F-2. Definitions.

The following definitions apply in this Chapter:

(1) "Association" means any voluntary statewide organization of persons for common ends especially as in an organized group working together or periodically meeting because of common interests, beliefs, or professions. These associations may serve charitable organizations including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.

(2) "Charitable" means for a benevolent purpose, including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.

(3) "Charitable organization" means any person who has or holds out as having a section 501(c)(3) tax exempt determination by the Internal Revenue Service and operates for a charitable purpose, or a person who is or holds himself out to be established for a charitable or civic purpose; or a person who employs a charitable or civic appeal as the basis of a solicitation, or employs an appeal that suggests there is a charitable or civic purpose for the appeal. "Charitable organization" includes a chapter, branch, area office, or similar affiliate soliciting contributions within the State for a charitable organization which has its principal place of business outside the State.

(4) "Charitable sales promotion" means an advertising or sales campaign that represents that the purchase or use of goods or services offered by a coventurer is to benefit a charitable organization. The provision of advertising services alone to a charitable organization does not constitute a charitable sales promotion.

(5) "Contribution" means a promise, pledge, grant of any money or property, financial assistance, or any other thing of value in response to a solicitation. "Contribution" includes, in the case of a charitable organization or sponsor offering a good or service to the public, the excess of the price at which the charitable organization or sponsor or any person acting on behalf of the charitable organization or sponsor sells the good or service to the public over the fair market value of the good or service. "Contribution" does not include bona fide fees, dues, or assessments paid by members if the membership is not conferred solely as consideration for making a contribution in response to a solicitation. "Contribution" does not include funds obtained by a charitable organization or sponsor under government grants or contracts.

(6) "Coventurer" means any person who, for compensation, conducts a charitable sales promotion or a sponsor sales promotion, other than in connection with the solicitation of contributions.
(7) "Department" means the Department of the Secretary of State.
(8) "Emergency service employees" means employees who are firefighters, ambulance drivers, emergency medical technicians, or paramedics.
(9) "Federated fund-raising organization" means a federation of independent charitable organizations which have voluntarily joined together, including a united way, united arts fund, or community chest, for the purpose of raising and distributing contributions and where membership does not confer operating authority and control of the individual organization upon the federated group organization.
(10) "Fund-raising consultant" means any person who meets all of the following:
a. Is retained by a charitable organization or sponsor for a fixed fee or rate under a written agreement to plan, manage, conduct, consult, or prepare material for the solicitation of contributions in this State.
b. Does not solicit contributions or employ, procure, or engage any person to solicit contributions.
c. Does not at any time have custody or control of contributions.
(11) "Fund-raising costs" means those costs incurred in inducing others to make contributions to a charitable organization or sponsor for which the contributors will receive no direct economic benefit. Fund-raising costs include salaries, rent, acquiring and obtaining mailing lists, printing, mailing, all direct and indirect costs of soliciting, and the cost of unsolicited merchandise sent to encourage contributions.
(12) "Law enforcement officers" means persons who are elected, appointed, or employed by the State or any political subdivision of the State and who meet either of the following:
a. Are vested with the authority to bear arms and make arrests and have primary responsibility to prevent and detect crime or enforce the criminal, traffic, or highway laws of the State.
b. Have responsibility for supervision, protection, care, custody, or control of inmates within a correctional institution.
(13) "Membership" means the relationship of a person to an organization that entitles that person to the privileges, professional standing, honors, or other direct benefits of the organization in addition to the right to vote, elect officers, and hold office in the organization.
(14) "Owner" means any person who has a direct or indirect interest in any fund-raising consultant or solicitor.
(15) "Parent organization" means that part of a charitable organization or sponsor which coordinates, supervises, or exercises control over policy, fund-raising, and expenditures, or assists or advises one or more chapters, branches, or affiliates of a charitable organization or sponsor.
(16) "Person" means any individual, organization, trust, foundation, association, group, entity, partnership, corporation, society, or any combination of these acting as a unit.
(17) "Religious institution" means any church, ecclesiastical, or denominational organization, or any established physical place for worship in this State at which nonprofit religious services and activities are regularly conducted, and any bona fide religious groups that do not maintain specific places of worship. "Religious institution" includes any separate group or corporation that forms an integral part of a religious institution that is exempt from federal income tax under the

provisions of section 501(c)(3) of the Internal Revenue Code, and that is primarily supported by funds solicited inside its own membership or congregation.

(18) "Solicitation" means a request, directly or indirectly, for money, property, financial assistance, or any other thing of value on the plea or representation that it will be used for a charitable or sponsor purpose or will benefit a charitable organization or sponsor. "Solicitation" may occur by any of the following methods:
   a. Any oral or written request.
   b. Any announcement to the press, radio, or television, by telephone or telegraph, or by any other communication device.
   c. Distributing, posting, or publishing any handbill, written advertisement, or other publication that directly or by implication seeks to obtain any contribution.
   d. Selling or offering or attempting to sell any good, service, chance, right, or any thing of value to benefit a charitable organization or sponsor.

   The selling or offering or attempting to sell is a "solicitation" whether or not the person making the solicitation receives any contribution. It is not a "solicitation" when a person applies for a grant or an award to the government or to an organization that is exempt from federal income taxation under section 501(a) of the Internal Revenue Code and described in section 501(c) of the Internal Revenue Code.

(19) "Solicitor" means any person who, for compensation, does not qualify as a fund-raising consultant and does either of the following:
   a. Performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor.
   b. Plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor.

(20) "Sponsor" means a person who is or holds out to others as soliciting contributions by the use of any name that implies affiliation with emergency service employees or law enforcement officers and who is not a charitable organization. "Sponsor" includes a chapter, branch, or affiliate that has its principal place of business outside the State, if this chapter, branch, or affiliate solicits or holds out to be soliciting contributions in this State.

(21) "Sponsor purpose" means any program or endeavor performed to benefit emergency service employees or law enforcement officers.

(22) "Sponsor sales promotion" means an advertising or sales campaign conducted by a coventurer who represents that the purchase or use of goods or services offered by the coventurer will be used for a sponsor purpose or donated to a sponsor. The provision of advertising services alone to a sponsor does not constitute a sponsor sales promotion. (1981, c. 886, s. 1; 1985, c. 497, s. 2; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1997-443, s. 11A.118(a); 1998-212, s. 12.14(b).)

CASE NOTES

Leasing Office Space Not a Fund-Raising Expense. — To "solicit" under the former Charitable Solicitation Licensure Act included oral and written requests, announcements through the press, television, or telephone, distribution and circulation of handbills and advertisements, and the sale of advertisements, advertising space, subscriptions, and tickets, but nothing in the definition of solicitation encompassed an activity such as leasing office space or indicated that leasing space could be considered "a part" of solicitation; therefore,

leasing office space was not a fund-raising expense. Kirkland v. National Civic Assistance Group, Inc., 108 N.C. App. 326, 423 S.E.2d 822 (1992).

ARTICLE 2.

Charitable Organizations and Sponsors.

§ 131F-5. Licensure of charitable organizations and sponsors required.

(a) License Required. — Unless exempted under G.S. 131F-3, a charitable organization, sponsor, or person that intends to solicit contributions in this State, to have funds solicited on its behalf, or to participate in a charitable sales promotion or sponsor sales promotion shall obtain a license by filing an application with the Department, obtaining approval of that application by the Department, and paying the applicable fee.

(b) Departmental Review. — The Department shall examine each application filed by a charitable organization or sponsor and shall determine whether the licensing requirements are satisfied. If the Department determines that the requirements are not satisfied, the Department shall notify the charitable organization or sponsor within 10 days after its receipt of the application. If the Department does not notify the charitable organization or sponsor within 10 days, the application is deemed to be approved and the license shall be granted. Within seven days after receipt of a notification that the requirements are not satisfied, the charitable organization or sponsor may file a petition for a contested case. The State has the burden of proof in the contested case. The contested case hearing must be held within seven days after the petition is filed. A recommended decision must be made within three days of the hearing. A final decision must be made within two days after the recommended decision. The applicant shall be permitted to continue to operate or continue operations pending judicial review of the Department's denial of the application. The Department shall make rules regarding the custody and control of any funds collected during the review period and disposal of such funds in the event the denial of the application is affirmed on appeal.

(c) License Renewal. — The license shall be renewed on an annual basis. Any change in information from the original application for a license shall be filed annually on or before the fifteenth day of the fifth calendar month after the close of each fiscal year in which the charitable organization or sponsor solicited in this State, or by the date of any applicable extension of the federal filing date, whichever is later, provided that extensions given under this section shall not exceed three months after the initial renewal date or eight months after the conclusion of the year for which financial information is due at the time of renewal. A charitable organization or sponsor whose federal filing date has been extended shall, within seven days after receipt, forward a copy of the document granting the extension to the Department.

(d) Extension of Time. — For good cause shown, the Department may extend the time for the license renewal and the annual filing of updated information for a period not to exceed 60 days, during which time the previous license shall remain in effect. (1981, c. 886, s. 1; 1985, c. 497, s. 3; 1987, c. 827, ss. 1, 239; 1989, c. 566, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

(d) Contracts. — Every contract or agreement between a fund-raising consultant and a charitable organization or sponsor shall be in writing, signed by two authorized officials of the charitable organization or sponsor, and filed by the fund-raising consultant with the Department at least five days prior to the performance of any service by the fund-raising consultant. Solicitation under the contract or agreement shall not begin before the filing of the contract or agreement. The contract shall contain all of the following provisions:

If the Department determines that the requirements are not satisfied, the Department shall notify the fund-raising consultant within 10 days after its receipt of the application or renewal. If the Department does not respond within 10 days, the license is deemed approved. Within seven days after receipt of a notification that the license requirements are not satisfied, the applicant may file a petition for a contested case. The State has the burden of proof in the contested case. The contested case hearing must be held within seven days after the petition is filed. A recommended decision must be made within three days of the hearing. A final decision must be made within two days after the recommended decision. The contested case hearing proceedings shall be conducted in accordance with Chapter 150B of the General Statutes, except that the time limits and provisions set forth in this section shall prevail to the extent of any conflict. The applicant shall be permitted to continue to operate or continue operations pending judicial review of the Department's denial of the application. The Department shall make rules regarding the custody and control of any funds collected during the review period and disposal of such funds in the event the denial of the application is affirmed on appeal.

(f) Fund. — All license fees shall be paid to the Department and deposited into the Solicitation of Contributions Fund to be used to pay the costs incurred in administering and enforcing this Chapter.

(g) Change in Information. — Unless otherwise provided, any material change in information filed with the Department pursuant to this section shall be reported in writing to the Department within seven working days after the change occurred. (1981, c. 886, s. 1; 1985, c. 497, s. 1; 1989, c. 566, s. 2; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-16. License required for solicitors.

    c. Any supplier or vendor providing goods or services to any charitable organization or sponsor under contract to the applicant.

(7) The names of all persons in charge of any solicitation activity.

(c) Fees. — The application for an initial or renewal license shall be accompanied by a fee of two hundred dollars ($200.00). A solicitor that is a partnership or corporation may register for and pay a single fee on behalf of all of the partners, members, officers, directors, agents, and employees. In that case, the names and street addresses of all the officers, employees, and agents of the solicitor and all other persons with whom the solicitor has contracted to work under that solicitor's direction, including solicitors, shall be listed in the license application or furnished to the Department within five days after the date of employment or contractual arrangement. Each license is valid for one year or a part of one year and expires on March 31 of each year. The license may be renewed on or before March 31 of each year for an additional one-year period upon application to the Department and payment of the license fee.

(d) Bond. — A solicitor shall, at the time of application or renewal of the license, file with and have approved by the Department a bond with a surety authorized to do business in this State and to which the solicitor is the principal obligor. The amount of the bond shall be determined as follows:

(1) Twenty thousand dollars ($20,000), if the contributions received for the last fiscal year were less than one hundred thousand dollars ($100,000).
(2) Thirty thousand dollars ($30,000), if the contributions received for the last fiscal year were at least one hundred thousand dollars ($100,000) but less than two hundred thousand dollars ($200,000).
(3) Fifty thousand dollars ($50,000), if the contributions received for the last fiscal year were at least two hundred thousand dollars ($200,000).

The solicitor shall maintain the bond in effect as long as the license is in effect. The liability of the surety under the bond shall not exceed an all-time aggregate liability of fifty thousand dollars ($50,000). The bond, which may be in the form of a rider to a larger blanket liability bond, shall be payable to the State and to any person who may have a cause of action against the principal obligor of the bond for any liability arising out of a violation by the obligor of any provision of this Chapter or any rule adopted under this Chapter.

(d1) In lieu of the bond required under subsection (d) of this section, a solicitor may submit a certificate of deposit in the amount as for a bond pursuant to subsection (d) of this section. The certificate of deposit shall be payable to the State and unrestrictively endorsed to the Department; or, in the case of a negotiable certificate of deposit, unrestrictively endorsed to the Department; or, in the case of a nonnegotiable certificate of deposit, assigned to the Department in a form satisfactory to the Department. Access to the certificate of deposit in favor of the State is subject to the same conditions as for a bond under subsection (d) of this section and shall extend for a period not less than four years after the solicitor ceases activities that are subject to this Chapter. The Department shall deliver to the State Treasurer certificates of deposit submitted under this section.

(e) Departmental Review. — The Department shall examine each application filed by a solicitor. If the Department determines that the requirements are not satisfied, the Department shall notify the solicitor within 10 days after its receipt of the application. If the Department does not respond within 10 days, the license is deemed approved. Within seven days after receipt of a notification that the requirements are not satisfied, the applicant may request a hearing. The state shall bear the burden of proof at such hearing. The hearing shall be held within seven days after receipt of the request. Any recommended order, if one is issued, shall be rendered within three days after the hearing. The final order shall then be issued within two days after the recommended order. If there is no recommended order, the final order shall be issued within five days after the hearing. The proceedings shall be conducted in accordance with Chapter 150B of the General Statutes, except that the time limits and provision set forth in this subsection prevail to the extent of any conflict. The applicant shall be permitted to continue to operate or continue operations pending judicial review of the Department's denial of the application. The Department shall make rules regarding the custody and control of any funds collected during the review period and disposal of such funds in the event the denial of the application is affirmed on appeal.

(f) Solicitation Notice. — No less than five days before commencing any solicitation campaign or event, the solicitor shall file with the Department a solicitation notice on a form provided by the Department. (8) A copy of the contract executed in accordance with subsection (g) of this section.

(g) Contracts. — Each contract or agreement between a solicitor and a charitable organization or sponsor for each solicitation campaign shall be in writing, shall be signed by two authorized officials of the charitable organization or sponsor, one of whom shall be a member of the organization's governing body and one of whom shall be the authorized contracting officer for the solicitor. Each contract or agreement shall contain all of the following provisions:

(1) A statement of the charitable or sponsor purpose and program for which the solicitation campaign is being conducted.

(2) A statement of the respective obligations of the solicitor and the charitable organization or sponsor.

(3) A statement of the guaranteed minimum percentage of the gross receipts from contributions which will be remitted to the charitable organization or sponsor. If the solicitation involves the sale of goods, services, or tickets to a fund-raising event, the percentage of the purchase price which will be remitted to the charitable organization or sponsor. Any stated percentage shall exclude any amount which the charitable organization or sponsor shall pay as fund-raising costs.

(4) A statement of the percentage of the gross revenue for which the solicitor shall be compensated. If the compensation of the professional solicitor is not contingent upon the number of contributions or the amount of revenue received, the compensation shall be expressed as a reasonable estimate of the percentage of the gross revenue, and the contract shall clearly disclose the assumptions upon which the estimate is based. The stated assumptions shall be based upon all of the relevant facts known to the solicitor regarding the solicitation to be conducted by the solicitor.

(5) The effective and termination dates of the contract.

(h) Financial Report. — Within 90 days after a solicitation campaign has been completed and on the anniversary of the commencement of a solicitation campaign lasting more than one year, the solicitor shall provide to the charitable organization or sponsor and file with the Department a financial report of the campaign, including the gross revenue received, an itemization of all expenses incurred, and the fixed percentage of the gross revenue that the charitable organization or sponsor received as a benefit from the solicitation campaign. The report shall be completed on a form provided by the Department and shall be signed by an authorized official of the solicitor who shall certify under oath that the report is true and correct.

(i) Handling of Contributions. — Each contribution collected by or in the custody of the solicitor shall be solely in the name of the charitable organization or sponsor on whose behalf the contribution was solicited. Not later than two days after receipt of each contribution, the solicitor shall deposit the entire amount of the contribution in an account at a bank or other federally insured financial institution, which account shall be in the name of that charitable organization or sponsor. The charitable organization or sponsor shall have sole control of all withdrawals from the account and the solicitor shall not be given the authority to withdraw any deposited funds from the account.

(j) Records of Solicitors. — During each solicitation campaign, and for not less than three years after its completion, the solicitor shall maintain the following records:

(n) License Rescinded. — Any person licensed as a solicitor shall permanently lose that person's license if it is determined that that person, any officer or director thereof, any person with a ten percent (10%) or greater interest therein, or any person the solicitor employs, engages, or procures to solicit for compensation, has been convicted in the last five years of a crime arising from the conduct of a solicitation for a charitable organization or sponsor or a charitable purpose or sponsor purpose. (1981, c. 886, s. 1; 1985, c. 497, s. 1; 1989, c. 566, s. 2; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1997-124, s. 1; 2003-373, s. 2.)

CASE NOTES

Unconstitutionally Overbroad. — North Carolina's licensure procedure, as it read prior to the 1989 amendment to the former Charitable Solicitation Licensure Act, infringed upon the rights protected by U.S. Const., Amend. I, of those organizations which, for various reasons, had to rely on professional solicitors. The fact that (1) the licensure process was subject to North Carolina's Administrative Procedure Act (Chapter 150B), and (2) licenses had in the past been considered expeditiously was not enough to save the statute. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd,

817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

Subsection (b) of former G.S. 131C-4 and former G.S. 131C-6, 131C-16.1, 131C-17.2 and 131C-21.1(c), as they read prior to the 1989 amendment, were unconstitutionally overbroad and infringed upon rights protected by U.S. Const., Amend. I. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

The licensing requirement of former G.S. 131C-6, as it read prior to the 1989 amendment, as to professional fundraisers was unconstitutional. A speaker's rights were not lost merely because compensation was received, and the State's asserted power to license professional fundraisers carried with it (unless properly constrained) the power directly and substantially to affect the speech they uttered. Consequently, the statute was subject to scrutiny under U.S. Const., Amend. I. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

Generally, speakers need not obtain a license to speak. Even assuming that the State's interest in regulating those who solicit money justifies requiring fundraisers to obtain a license before soliciting, such a regulation must provide that the licensor will, within a specified brief period, either issue a license or go to court. That requirement was not met in former G.S. 131C-6, for that section permitted a delay without limit. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988), decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.

The purpose of the bond requirement of former G.S. 131C-10 was to protect those who had made charitable contributions; the bond was not meant to be used to satisfy obligations on a lease which was already in default at the time the bond was issued. Kirkland v. National Civic Assistance Group, Inc., 108 N.C. App. 326, 423 S.E.2d 822 (1992).

§ 131F-17. Disclosure requirements of solicitors.

(a) General Disclosures. — A solicitor shall comply with the following disclosures:

(1) Prior to orally requesting a contribution or along with a written request for a contribution, a solicitor shall clearly disclose:
   a. The name of the solicitor as on file with the Department.
   b. If the individual acting on behalf of the solicitor identifies himself by name, the individual's legal name.
   c. That the caller is a paid solicitor.

(2) In the case of a solicitation campaign conducted orally, whether by telephone or otherwise, any written confirmation, receipt, or reminder sent to any person who has contributed or has pledged to contribute, shall include a clear disclosure of the information required under subdivision (1) of this subsection.

(3) In addition to the information required by subdivision (1) of this subsection, any written confirmation, receipt, or reminder of contribution made pursuant to an oral solicitation and any written solicitation shall conspicuously state in type of a minimum of nine points:

"Financial information about the solicitor and a copy of its license are available from the State Solicitation Licensing Branch at [telephone number]. The license is not an endorsement by the State."

The statement shall be made conspicuous by use of one or more of the following: underlining, a border, or bold type. When the solicitation materials consist of more than one piece, the statement shall be displayed prominently in the solicitation materials, but not necessarily on every page.

(4) If requested by the person being solicited, the solicitor shall inform that person, in writing, within 14 days of the request, of the fixed percentage of the gross revenue or the reasonable estimate of the percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign.

(5) If requested by the person being solicited, the solicitor shall inform that person, in writing, within 14 days of the request, of the percent-

age of the contribution which may be deducted as a charitable contribution under federal income tax laws.

(b) Tickets. — A solicitor shall not represent that tickets to any event will be donated for use by another person, unless:

(1) The solicitor has the written commitments from persons stating that they will accept donated tickets and specifying the number of tickets they are willing to accept.

(2) The written commitments are filed with the Department prior to any solicitation.

The contributions solicited for donated tickets shall not be more than the amount representing the number of ticket commitments received from persons and filed with the Department. At least seven days before the date of the event, the solicitor shall give all donated tickets to each person that made the written commitment to accept them. (1993 (Reg. Sess., 1994), c. 759, s. 2; 1995 (Reg. Sess., 1996), c. 748, s. 1.2.)

CASE NOTES

Editor's Note. — *The case below was decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.*

Unconstitutionally Overbroad. — Former G.S. 131C-16.1 and former G.S. 131C-4(b), former 131C-6, 131C-17.2 and 131C-21.1(c) were unconstitutionally overbroad and infringed upon rights protected under U.S. Const., Amend. I. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

Disclosure Requirement Unconstitutional. — The requirement of former G.S. 131C-16.1, as it read prior to the 1989 amendment, that professional fundraisers disclose to potential donors, before an appeal for funds, the percentage of charitable contributions collected during the previous 12 months that were actually turned over to charity, was unconstitutional. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

State's Interest Not Sufficiently Weighty. — Under the former Charitable Solicitation Licensure Act, G.S. 131C-16.1, the State's interest in informing donors how the money they contribute was spent in order to dispel the alleged misperception that the money they give to professional fundraisers goes in greater-than-actual proportion to benefit charity, was not sufficiently weighty, and the means chosen to accomplish it were unduly burdensome and not narrowly tailored. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

§ 131F-18. Requirements of coventurers.

(a) Written Consent. — Prior to the commencement of any charitable sales promotion or sponsor sales promotion in this State conducted by a coventurer on behalf of a charitable organization or sponsor, the coventurer shall obtain the written consent of the charitable organization or sponsor whose name will be used during the charitable sales promotion or sponsor sales promotion.

(b) Rules. — The Department may adopt rules requiring disclosure in advertising for a charitable sales promotion or sponsor sales promotion of information relating to the portion or amount that will benefit the charitable organization or sponsor or the charitable purpose or sponsor purpose.

(c) Final Accounting. — A final accounting for each charitable sales promotion or sponsor sales promotion shall be prepared by the coventurer following completion. The final accounting shall be provided to the charitable organization or sponsor on whose behalf the sales promotion was conducted within 10 days after a request by the charitable organization or sponsor. The final

accounting shall be kept by the coventurer for a period of three years, unless the coventurer and the charitable organization or sponsor mutually agree that the accounting should be kept by the charitable organization or sponsor instead of the coventurer. A copy of the final accounting shall be provided to the Department no later than 10 days after the Department requests it. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-19: Reserved for future codification purposes.

(4) Knowingly file false or misleading information in any document required to be filed with the Department or in response to any request or investigation by the Department or the Attorney General.

(5) Make misrepresentations or misleading statements to the effect that any other person sponsors or endorses the solicitation, approves of its purpose, or is connected therewith, when that person has not given written consent to the use of that person's name.

(6) Represent that a contribution is for or on behalf of a charitable organization or sponsor, or to use any emblem, device, or printed matter belonging to or associated with a charitable organization or sponsor, without first being authorized in writing to do so by the charitable organization or sponsor.

(8) Falsely state that the person is a member of or a representative of a charitable organization or sponsor or falsely state or represent that the person is a member of or represents law enforcement officers or emergency service employees.

(9) Misrepresent or mislead anyone by any manner, means, practice, or device to believe that the person on whose behalf the solicitation or sale is being conducted is a charitable organization or sponsor, or that any of the proceeds of the solicitation or sale will be used for charitable or sponsor purposes.

(10) Represent that a charitable organization or sponsor will receive a fixed or estimated percentage of the gross revenue from a solicitation campaign greater than that identified in filings with the Department under this Chapter, or that a charitable organization or sponsor will receive an actual or estimated dollar amount or percentage per unit of goods or services purchased or used in the charitable or sponsor sales promotion that is greater than that agreed to by the coventurer and the charitable organization or sponsor.

(11) Use or exploit the fact of registration or the filing of any report with any governmental agency to lead any person to believe that the

registration in any manner constitutes an endorsement or approval by the State. However, use of the statement required in G.S. 131F-9(c) or G.S. 131F-17(a)(3) is not a prohibited use or exploitation.

(12) Make misrepresentations or misleading statements to the effect that the donation of a contribution or the display of any sticker, emblem, or insignia offered to contributors shall entitle a person to any special treatment by emergency service employees or law enforcement officers in the performance of their official duties.

(14) Solicit contributions on behalf of another person using any statement that the failure to make a contribution shall result in a reduced level of law enforcement services being provided to the public or the person solicited.

(15) Employ in any solicitation any device or scheme to defraud or to obtain a contribution by means of any deception, false pretense, misrepresentation, or false promise.

(16) Notify any other person by any means, as part of an advertising scheme or plan, that the other person has won a prize, received an award, or has been selected or is eligible to receive anything of value if the other person is required to purchase goods or services, pay any money to participate in, or submit to a promotion effort.

(17) Fail to provide complete and timely payment to a charitable organization or sponsor of the proceeds from a solicitation campaign or a charitable or sponsor sales promotion.

(18) Fail to apply contributions in a manner substantially consistent with the solicitation.

(19) Fail to identify the professional relationship to the person for whom the solicitation is being made.

(20) To send to any person a writing which simulates or resembles an invoice unless the intended recipient has contracted for goods, property, or services from the charitable organization or solicitor who sends the writing. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

CASE NOTES

Editor's Note. *— The case below was decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.*

Former G.S. 131C-17.1 was a reasonable exercise of the State's police power. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

§ 131F-21. Violation as deceptive or unfair trade practice.

Any person who commits an act or practice that violates any provision of this Chapter engages in an unfair trade practice in violation of G.S. 75-1.1. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-22. Criminal penalties.

Except as otherwise provided in this Chapter and in addition to any administrative or civil penalties, any person who willfully and knowingly violates a provision of this Chapter commits a Class 1 misdemeanor. (1981, c. 886, s. 1; 1993, c. 539, s. 952; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-23. Enforcement.

(a) Investigation. — The Department may conduct an investigation of any person whenever there is an allegation or appearance, either upon complaint or otherwise, that a violation of this Chapter or of any rule adopted or of any order issued pursuant to this Chapter has occurred or is about to occur.

(b) Subpoena Power. — The Department may issue and serve subpoenas and subpoenas duces tecum to compel the attendance of witnesses and the production of all books, accounts, records, and other documents and materials relevant to an examination or investigation. The Department, or its duly authorized representative, may administer oaths and affirmations to any person.

(c) Court Action. — In the event of substantial noncompliance with a subpoena or subpoena duces tecum issued or caused to be issued by the Department, the Department may petition the superior court of the county in which the person subpoenaed resides or has the principal place of business for an order requiring the subpoenaed person to appear and testify and to produce any books, accounts, records, and other documents as are specified in the subpoena duces tecum. The court may grant injunctive relief restraining the person from collecting contributions and any other relief, including the restraint by injunction or appointment of a receiver, or any transfer, pledge, assignment, or other disposition of the person's assets, or any concealment, alteration, destruction, or other disposition of subpoenaed books, accounts, records, or other documents and materials as the court deems appropriate, until the person or organization has fully complied with the subpoena or subpoena duces tecum and the Department has completed its investigation or examination. The court may also order the person to produce a financial statement that has been audited by an independent certified public accountant. Costs incurred by the Department to obtain an order granting, in whole or in part, a petition for enforcement of a subpoena or subpoena duces tecum shall be taxed against the subpoenaed person and failure to comply with the order shall be contempt of court.

(d) Violations. — The Department may enter an order imposing one or more of the penalties set forth in subsection (e) of this section if the Department finds that a charitable organization, sponsor, fund-raising consultant, or solicitor, or their officers, agents, directors, or employees have engaged in any of the following acts:

(1) Violated or is operating in violation of any of the provisions of this Chapter or of the rules adopted or orders issued under this Chapter.
(2) Made a false statement in an application, statement, or report required to be filed under this Chapter.
(3) Refused or failed, after notice, to produce any records or to disclose any information required to be disclosed under this Chapter or the rules adopted by the Department.
(4) Made a false statement in response to any request or investigation by the Department or the Attorney General.

(e) Penalties. — Upon a finding as set forth in subsection (d) of this section, the Department may enter an order as follows:

(1) Imposing an administrative penalty not to exceed one thousand dollars ($1,000) for each act or omission which constitutes a violation of this Chapter or a rule or an order.

(2) Issuing a cease and desist order that directs that the person cease and desist specified fund-raising activities.
(3) Refusing to register or cancelling or suspending a registration.
(4) Placing the registrant on probation for a period of time, subject to such conditions as the Department may specify.
(5) Issuing of a letter of concern.
(6) Cancelling an exemption granted under G.S. 131F-3.

(f) Procedures. — Except as otherwise provided in this section, the administrative proceedings which could result in the entry of an order imposing any of the penalties specified in subsection (e) of this section are governed by Chapter 150B of the General Statutes.

(g) Disposition of Penalties. — The clear proceeds of penalties provided for in subsection (e) of this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1993 (Reg. Sess., 1994), c. 759, s. 2; 1998-215, s. 81.)

CASE NOTES

Editor's Note. *— The case below was decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.*

Unconstitutionally Overbroad. — Subsection (c) of former G.S. 131C-21.1 and former G.S. 131C-4(b), former 131C-6, 131C-16.1, and former 131C-17.2, as they read prior to the 1989 amendment, were unconstitutionally overbroad and infringed upon rights protected by U.S. Const., Amend. I. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

§ 131F-24. Civil remedies and enforcement.

(a) Civil Remedies. — In addition to other remedies authorized by law, the Attorney General may bring a civil action in superior court to enforce this Chapter. Upon a finding that any person has violated this Chapter, a court may make any necessary order or enter a judgment, including a temporary or permanent injunction, a declaratory judgment, the appointment of a master or receiver, the sequestration of assets, the reimbursement of persons from whom contributions have been unlawfully solicited, the distribution of contributions in accordance with the charitable or sponsor purpose expressed in the registration statement or in accordance with the representations made to the person solicited, the reimbursement of the Department for attorneys' fees and costs, including investigative costs, and any other equitable relief the court finds appropriate. Upon a finding that any person has violated any provision of this Chapter, a court may enter an order imposing a civil penalty in an amount not to exceed ten thousand dollars ($10,000) per violation.

The clear proceeds of penalties imposed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(b) Attorney General. — The Attorney General may conduct any investigation necessary to bring a civil action under this section, including administering oaths and affirmations, subpoenaing witnesses or material, and collecting evidence.

(c) Voluntary Compliance. — The Attorney General may terminate an investigation or an action upon acceptance of a person's written assurance of voluntary compliance with this Chapter. Acceptance of an assurance may be conditioned on commitment to reimburse donors or to take other appropriate corrective action. An assurance is not evidence of a prior violation of any of this Chapter. Unless an assurance has been rescinded by agreement of the parties or voided by a court for good cause, subsequent failure to comply with the

terms of an assurance is prima facie evidence of a violation of this Chapter. (1993 (Reg. Sess., 1994), c. 759, s. 2; 1998-215, s. 82.)

§§ 131F-25 through 131F-29: Reserved for future codification purposes.

Article 5.

(1) The laws governing solicitations, including licensing and disclosure requirements, prohibited acts, and penalties.

(c) Annual Report. — The Department shall prepare an annual report to be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives and to be made available to the public by publishing it on the Department's web site, summarizing the information filed under this Chapter which the Department determines will assist the public in making informed and knowledgeable decisions concerning contributions. The report shall include the following:

(1) A list of complaints filed for which violations were found to have occurred in each of the following categories: charitable organizations, sponsors, solicitors, and fund-raising consultants.

(2) A list of the number of investigations by the Department, enforcement actions commenced under this Chapter, and the disposition of those actions.

(3) A list of those charitable organizations and sponsors that have voluntarily submitted an audited financial statement pursuant to G.S. 131F-6(a)(10) or an audit with an opinion prepared by an independent certified public accountant.

(4) A list of all solicitors licensed under this Chapter and the fixed percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign, the reasonable estimate of the percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign, or the guaranteed minimum percentage of the gross revenue that the charitable solicitation or sponsor will receive as a benefit from the solicitation campaign as provided in the contract between the solicitor and the charitable organization or sponsor, whichever of these three amounts is least. This list shall appear in order of percentages, from lowest to highest.

(d) Each year immediately following the submission of the report under subsection (c) of this section, the Secretary of State shall issue that report as a press release to all print and electronic news media that provide general coverage. (1993 (Reg. Sess., 1994), c. 759, s. 2; 2003-373, s. 1.)

Editor's Note. — The numbers of G.S. 131F-30 to 131F-33 were assigned by the Revisor of Statutes, the numbers in the enacting act having been G.S. 131F-25 to 131F-28.

Effect of Amendments. — Session Laws 2003-373, s. 1, effective January 1, 2004, in the introductory paragraph of subsection (c), inserted "and to be made available to the public by publishing it on the Department's web site" following "House of Representatives"; added subdivision (c)(4); and added subsection (d).

§ 131F-31. Contributions solicited for, or accepted by or on behalf of, a named individual.

(a) Trust Account Required. — Contributions solicited for, or accepted by or on behalf of, a named individual shall be deposited in a trust account opened by a trustee named in a properly established trust document.

(b) Use of Trust Funds. — Contributions deposited in the trust fund may be used only for the purpose for which the contributions were solicited; if the contributions are no longer needed for the purpose for which they were solicited, they may be used for another similar charitable purpose. The trustee may disburse funds from the trust account only after making a written record verifying the purpose for which the funds will be used accompanied by documentation of the identity of the payee and the justification for the payment. The Trustee shall retain these records for each disbursement from the trust account for a period of three years after the disbursement. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-32. Records.

Each charitable organization, sponsor, fund-raising consultant, and solicitor shall keep, for a period of at least three years, true and accurate records as to their activities in the State. The records shall be made available to the Department for inspection and shall be furnished no later than 10 days after the request was made. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-33. Rule-making authority.

The Department shall have the authority to adopt rules necessary for the implementation of this Chapter or to prevent false or deceptive statements or conduct in the solicitation of charitable contributions. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

Chapter 132.

Public Records.

§ 132-1. "Public records" defined.

(a) "Public record" or "public records" shall mean all documents, papers, letters, maps, books, photographs, films, sound recordings, magnetic or other tapes, electronic data-processing records, artifacts, or other documentary material, regardless of physical form or characteristics, made or received pursuant to law or ordinance in connection with the transaction of public business by any agency of North Carolina government or its subdivisions. Agency of North Carolina government or its subdivisions shall mean and include every public office, public officer or official (State or local, elected or appointed), institution, board, commission, bureau, council, department, authority or other unit of government of the State or of any county, unit, special district or other political subdivision of government.

(b) The public records and public information compiled by the agencies of North Carolina government or its subdivisions are the property of the people. Therefore, it is the policy of this State that the people may obtain copies of their public records and public information free or at minimal cost unless otherwise specifically provided by law. As used herein, "minimal cost" shall mean the actual cost of reproducing the public record or public information. (1935, c. 265, s. 1; 1975, c. 787, s. 1; 1995, c. 388, s. 1.)

CASE NOTES

Legislative Intent. — By enacting the Public Records Act, the legislature intended to provide that, as a general rule, the public would have liberal access to public records. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Access to public records in this State is governed by Chapter 132 which provides for liberal access. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Construction. — The framers' use of the imperative word "shall" places constitutional limits on a court's discretion in exercising control of its proceedings and creates a strong presumption that court proceedings be open to the litigants and the public; however, there are some circumstances when a court may close proceedings and seal court records. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

What Must Be Made Available for Inspection. — In the absence of clear statutory exemption or exception, documents falling within the definition of "public records" in the Public Records Act must be made available for public inspection. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

It is beyond argument that minutes of a city council's closed session are "public records" within the meaning of North Carolina's Public Records Law, G.S. 132-1 et seq. Boney Publishers, Inc. v. Burlington City Council, 151 N.C. App. 651, 566 S.E.2d 701, 2002 N.C. App. LEXIS 859 (2002), cert. denied, 356 N.C. 297, 571 S.E.2d 221 (2002).

Under G.S. 143-318.10, minutes of all official meetings, including closed sessions, are public records within meaning of Public Records Law, G.S. 132-1 et seq. Boney Publishers, Inc. v. Burlington City Council, 151 N.C. App. 651, 566 S.E.2d 701, 2002 N.C. App. LEXIS 859 (2002), cert. denied, 356 N.C. 297, 571 S.E.2d 221 (2002).

Chapter Contemplates Disclosure as Well as Storage. — A presumed legislative intent to mandate the extensive preservation of public records prescribed by this Chapter, with storage at public expense, but to which the

public is denied access, is untenable. Preservation for its own sake, absent access, would be an absurdity. Advance Publications, Inc. v. City of Elizabeth City, 53 N.C. App. 504, 281 S.E.2d 69 (1981).

The phrase "pursuant to law or ordinance in connection with the transaction of public business" should include, in addition to those records required by law, those records that are kept in carrying out lawful duties. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

No Deliberative Process Privilege Exception. — The North Carolina's Public Records Act contains no deliberative process privilege exception. Whether one should be made is a question for the legislature, not the court. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

This Chapter Compared with the Open Meetings Law. — The Public Records Act (G.S. 132-1 et seq.) and the Open Meetings Law (G.S. 143-318.10) are discrete statutes, each designed to promote in a different way openness in government. There is no suggestion in either statute that an agency not subject to one is, ipso facto, exempt from the other. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

The Public Records Law may apply to minutes from meetings of an agency exempt from the Open Meetings Law. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Open Courts Provision. — This statute only prohibits a court from restricting the publication of reports regarding matter presented "in open court"; thus, although court records may generally be public records under this section, a trial court may shield portions of court proceedings and records from public view subject to statutory and constitutional limitation. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Balance of Competing Interests. — In deciding whether to close court proceedings or seal court records, a court must balance the competing interests and policies at stake in light of the particular circumstances of the case but must give substantial weight to the presumption of open access. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Judicial Application of Exception in former G.S. 143-318.11(d). — Courts should ensure that the exception in former subsection (d) of G.S. 143-318.11 to the disclosure requirement should extend no further than necessary to protect ongoing efforts of a public body, respecting the policy against secrecy in government that underlies both the Public Records Act and Open Meetings Law. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

"Agency of North Carolina government or its subdivisions". — The phrase "agency of North Carolina government or its subdivisions" in this section need be construed only upon the plain meaning of this section and in the context of the public records statutes. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

Wake County Hospital System is an agency of the county under the North Carolina public records statutes. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

By virtue of the definitions in G.S. 143-318.10(b) and 159-39(a), the Wake County Hospital System is a "public body" that must, by law, record settlement terms considered in executive sessions. The public has the right to know the terms of settlements made by the system in actions for wrongful terminations of its agreements, since the funds from which the settlements were paid must be considered the county's funds. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

Documents filed as exhibits attached to plaintiff's complaint entered the public domain for purposes of the Public Records Act, and the public's right to inspect court records under G.S. 7A-109, and became "public records" once the complaint was filed with the clerk of the court, even though these exhibits would otherwise have been shielded by G.S. 131E-95(b) of the Hospital Licensure Act. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Criminal Investigatory Information. — Copies of recordings the plaintiff sought to obtain pursuant to this section were unquestionably gathered by city police department in the course of a criminal investigation and were part of the State's file in a pending criminal action; however plaintiff was precluded under Article 48 of ch. 15A, G.S. 15A-901 et seq. Piedmont Publishing Co. v. City of Winston-Salem, 334 N.C. 595, 434 S.E.2d 176 (1993).

S.B.I. records are not public records and

access to them is not available under the Public Records Act. Access to S.B.I. records is controlled entirely by G.S. 114-15. News & Observer Publishing Co. v. State ex rel. Starling, 312 N.C. 276, 322 S.E.2d 133 (1984).

Information contained in research applications for projects involving animal experiments was subject to disclosure, where such information could be redacted, and release would not cause a "chilling effect" on research. S.E.T.A. Unc-Ch, Inc. v. Huffines, 101 N.C. App. 292, 399 S.E.2d 340 (1991).

Letter from Engineer Consulting for City. — A letter received by the manager of defendant-city from a consulting engineer whom defendant-city employed to inspect construction work on additions and modifications to its water treatment plant is a public record subject to disclosure. However, when there is only one provisional voter, that voter has an overriding and personal right to a secret ballot under Article VI, Section 5 of the North Carolina Constitution, and a County Board of Elections is prohibited from disclosing any information that would identify the provisional voter. CASE NOTES

Only written communications to a public agency by its attorney are excepted from public inspection under the circumstances set out in this section. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Commission Minutes May Have Been Protected. — Trial court erred in not considering whether the minutes of a Commission formed to investigate improprieties in a university athletic program were protected by the Public Records Act attorney-client privilege provided in this section. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Because the portions of the documents a city was attempting to protect via the attorney-client privilege were more than three years old, the city lost the privilege by operation of the statute. MCI Constr., LLC v. Hazen & Sawyer, P.C., — F. Supp. 2d —, 2003 U.S. Dist. LEXIS 2560 (M.D.N.C. Feb. 19, 2003).

OPINIONS OF ATTORNEY GENERAL

Attorney-Client Communications to City on Personnel Matters. — Written attorney-client communications to a city (including the city manager and city council) on specific personnel matters related to an employee that are more than three years old, and which are confidential under G.S. 160A-168(a), are not public records; by its specific terms, G.S. 160A-168(a) supersedes the requirement in G.S. 132-1.1 that privileged attorney-client communications must be disclosed three years after they are received. See opinion of Attorney General to Mr. Grady Joseph Wheeler, Jr., Esq., Attorney, 2001 N.C. AG LEXIS 15 (5/30/2001).

§ 132-1.2. Confidential information.

Nothing in this Chapter shall be construed to require or authorize a public agency or its subdivision to disclose any information that:

(1) Meets all of the following conditions:
   a. Constitutes a "trade secret" as defined in G.S. 66-152(3).
   b. Is the property of a private "person" as defined in G.S. 66-152(2).
   c. Is disclosed or furnished to the public agency in connection with the owner's performance of a public contract or in connection with a bid, application, proposal, industrial development project, or in compliance with laws, regulations, rules, or ordinances of the United States, the State, or political subdivisions of the State.
   d. Is designated or indicated as "confidential" or as a "trade secret" at the time of its initial disclosure to the public agency.

(2) Reveals an account number for electronic payment as defined in G.S. 147-86.20 and obtained pursuant to Articles 6A or 6B of Chapter 147 of the General Statutes or G.S. 159-32.1.

(3) Reveals a document, file number, password, or any other information maintained by the Secretary of State pursuant to Article 21 of Chapter 130A of the General Statutes.

(4) Reveals the electronically captured image of an individual's signature, drivers license number, or a portion of an individual's social security number if the agency has those items because they are on a voter registration document. (1989, c. 269; 1991, c. 745, s. 3; 1999-434, s. 7; 2001-455, s. 2; 2001-513, s. 30(b); 2003-226, s. 5.)

Editor's Note. — Session Laws 2001-513, s. 30(b), changed the effective date of the amendment by Session Laws 2001-455 from January 1, 2002, to May 1, 2002.

Session Laws 2003-226, s. 1, provides: "The purpose of this act is to ensure that the State of North Carolina has a system for all North Carolina elections that complies with the re-

quirements for federal elections set forth in the federal Help America Vote Act of 2002, Public Law 107-252, 116 Stat. 1666 (2002), codified at 42 U.S.C. §§ 15481-15485.

The General Assembly further finds that the establishment, development, and continued operation of the statewide list maintenance program for voter registration set forth in G.S. 163-82.14 has met and continues to meet the mandates of section 303(a)(2) of the Help America Vote Act of 2002.

"In certain other areas of the election statutes and other laws, the General Assembly finds that the statutes must be amended to comply with the Help America Vote Act."

Effect of Amendments. — Session Laws 2001-455, s. 2, effective May 1, 2002, added subdivision (3). See editor's note.

Session Laws 2003-226, s. 5, effective June 19, 2003, and applicable with respect to all primaries and elections held on or after that date, added subdivision (4).

CASE NOTES

Private Corporation Classified as Public Agency. — Private corporations can be classified as a public agency for the purposes of this section; the critical inquiry is whether the corporation's independent authority is overshadowed by the governmental control of that corporation. State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

Public Utilities as Private Persons. — Telephone service providers were "private persons" under this section for purposes of their claim that information filed with an agency constituted "trade secrets," even though providers were public utilities subject to fair regulation, since such regulation was not comprehensive and did not overshadow independent authority exercised by providers over operation of their own businesses. State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

The addition of the language "or indicated" acts to clarify the otherwise ambiguous word "designated." As such, any application of this section either before or after 1991, should interpret the word "designated" as meaning "designated or indicated." North Carolina Elec. Membership Corp. v. North Carolina Dep't of Economic & Community Dev., 108 N.C. App. 711, 425 S.E.2d 440 (1993).

Information Held Confidential. — Documents containing valuable business information such as projections by a cooperative electric membership corporation of electric rates for sales to its members and its methodologies for forecasting such price information, which was alleged to be of actual value to its competitors and would cause irreparable competitive harm to the corporation, were protected from disclosure by injunction under this Act. North Carolina Elec. Membership Corp. v. North Carolina Dep't of Economic & Community Dev., 108 N.C. App. 711, 425 S.E.2d 440 (1993).

Price Lists in Contract Between Hospital and HMO. — Where price lists in a contract between a public hospital and a private HMO are not property of a private person within the meaning of this section, they are not trade secrets as defined by G.S. 66-152(3) and are subject to disclosure under the North Carolina Public Records Act, pursuant to G.S. 132-1 et seq. Wilmington Star-News, Inc. v. New Hanover Regional Medical Ctr., Inc., 125 N.C. App. 174, 480 S.E.2d 53 (1997), appeal dismissed, 346 N.C. 557, 488 S.E.2d 826 (1997).

Factors in Determining Whether Information Is Trade Secret. — Proper factors to consider in determining whether information is a trade secret are: (1) the extent to which it is known outside the business; (2) the extent to which it is known to employees and others involved in the business; (3) the extent of measures taken to guard its secrecy; (4) its value to the business and competitors; (5) the amount of money or effort expended in its development; and (6) the ease or difficulty with which it could properly be acquired or duplicated by others. State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

Applied in S.E.T.A. UNC-CH, Inc. v. Huffines, 107 N.C. App. 440, 420 S.E.2d 674 (1992).

§ 132-1.3. Settlements made by or on behalf of public agencies, public officials, or public employees; public records.

(a) Public records, as defined in G.S. 132-1, shall include all settlement documents in any suit, administrative proceeding or arbitration instituted

against any agency of North Carolina government or its subdivisions, as defined in G.S. 132-1, in connection with or arising out of such agency's official actions, duties or responsibilities, except in an action for medical malpractice against a hospital facility. No agency of North Carolina government or its subdivisions, nor any counsel, insurance company or other representative acting on behalf of such agency, shall approve, accept or enter into any settlement of any such suit, arbitration or proceeding if the settlement provides that its terms and conditions shall be confidential, except in an action for medical malpractice against a hospital facility. No settlement document sealed under subsection (b) of this section shall be open for public inspection.

(b) No judge, administrative judge or administrative hearing officer of this State, nor any board or commission, nor any arbitrator appointed pursuant to the laws of North Carolina, shall order or permit the sealing of any settlement document in any proceeding described herein except on the basis of a written order concluding that (1) the presumption of openness is overcome by an overriding interest and (2) that such overriding interest cannot be protected by any measure short of sealing the settlement. Such order shall articulate the overriding interest and shall include findings of fact that are sufficiently specific to permit a reviewing court to determine whether the order was proper.

(c) Except for confidential communications as provided in G.S. 132-1.1, the term "settlement documents," as used herein, shall include all documents which reflect, or which are made or utilized in connection with, the terms and conditions upon which any proceedings described in this section are compromised, settled, terminated or dismissed, including but not limited to correspondence, settlement agreements, consent orders, checks, and bank drafts. (1989, c. 326.)

OPINIONS OF ATTORNEY GENERAL

Settlement Resulting from Investigation of Sheriff. — A conciliation agreement between an EEOC claimant and a county board of commissioners, resulting from an investigation of the sheriff and involving the appropriation of over $21,000.00, should be made available to the public. See opinion of Attorney General Mr. Charles L. Revelle, III, Assistant Hertford County Attorney, 1998 N.C.A.G. 14 (3/4/98).

Settlement Agreement Not Confidential. — Only medical malpractice settlements in which the State is a party are exempt from disclosure; a settlement agreement, not involving medical malpractice, between a doctor and a State hospital, even one purporting to keep the settlement or related matters confidential, must be released to the requestor in its unredacted form, with the exception of information from the doctor's personnel file which was first gathered by the hospital. See opinion of Attorney General to Mr. Fred M. Carmichael Summrell, Sugg, Carmichael & Ashton, P.A., 1997 N.C.A.G. 68 (11/26/97).

§ 132-1.4. Criminal investigations; intelligence information records.

(a) Records of criminal investigations conducted by public law enforcement agencies or records of criminal intelligence information compiled by public law enforcement agencies are not public records as defined by G.S. 132-1. Records of criminal investigations conducted by public law enforcement agencies or records of criminal intelligence information may be released by order of a court of competent jurisdiction.

(b) As used in this section:

(1) "Records of criminal investigations" means all records or any information that pertains to a person or group of persons that is compiled by public law enforcement agencies for the purpose of attempting to prevent or solve violations of the law, including information derived

from witnesses, laboratory tests, surveillance, investigators, confidential informants, photographs, and measurements.

(2) "Records of criminal intelligence information" means records or information that pertain to a person or group of persons that is compiled by a public law enforcement agency in an effort to anticipate, prevent, or monitor possible violations of the law.

(3) "Public law enforcement agency" means a municipal police department, a county police department, a sheriff's department, a company police agency commissioned by the Attorney General pursuant to G.S. 74E-1, et seq., and any State or local agency, force, department, or unit responsible for investigating, preventing, or solving violations of the law.

(4) "Violations of the law" means crimes and offenses that are prosecutable in the criminal courts in this State or the United States and infractions as defined in G.S. 14-3.1.

(5) "Complaining witness" means an alleged victim or other person who reports a violation or apparent violation of the law to a public law enforcement agency.

(c) Notwithstanding the provisions of this section, and unless otherwise prohibited by law, the following information shall be public records within the meaning of G.S. 132-1.

(1) The time, date, location, and nature of a violation or apparent violation of the law reported to a public law enforcement agency.

(2) The name, sex, age, address, employment, and alleged violation of law of a person arrested, charged, or indicted.

(3) The circumstances surrounding an arrest, including the time and place of the arrest, whether the arrest involved resistance, possession or use of weapons, or pursuit, and a description of any items seized in connection with the arrest.

(4) The contents of "911" and other emergency telephone calls received by or on behalf of public law enforcement agencies, except for such contents that reveal the name, address, telephone number, or other information that may identify the caller, victim, or witness.

(5) The contents of communications between or among employees of public law enforcement agencies that are broadcast over the public airways.

(6) The name, sex, age, and address of a complaining witness.

(d) A public law enforcement agency shall temporarily withhold the name or address of a complaining witness if release of the information is reasonably likely to pose a threat to the mental health, physical health, or personal safety of the complaining witness or materially compromise a continuing or future criminal investigation or criminal intelligence operation. Information temporarily withheld under this subsection shall be made available for release to the public in accordance with G.S. 132-6 as soon as the circumstances that justify withholding it cease to exist. Any person denied access to information withheld under this subsection may apply to a court of competent jurisdiction for an order compelling disclosure of the information. In such action, the court shall balance the interests of the public in disclosure against the interests of the law enforcement agency and the alleged victim in withholding the information. Actions brought pursuant to this subsection shall be set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the trial and appellate courts.

(e) If a public law enforcement agency believes that release of information that is a public record under subdivisions (c)(1) through (c)(5) of this section will jeopardize the right of the State to prosecute a defendant or the right of a defendant to receive a fair trial or will undermine an ongoing or future

investigation, it may seek an order from a court of competent jurisdiction to prevent disclosure of the information. In such action the law enforcement agency shall have the burden of showing by a preponderance of the evidence that disclosure of the information in question will jeopardize the right of the State to prosecute a defendant or the right of a defendant to receive a fair trial or will undermine an ongoing or future investigation. Actions brought pursuant to this subsection shall be set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the trial and appellate courts.

(f) Nothing in this section shall be construed as authorizing any public law enforcement agency to prohibit or prevent another public agency having custody of a public record from permitting the inspection, examination, or copying of such public record in compliance with G.S. 132-6. The use of a public record in connection with a criminal investigation or the gathering of criminal intelligence shall not affect its status as a public record.

(g) Disclosure of records of criminal investigations and criminal intelligence information that have been transmitted to a district attorney or other attorney authorized to prosecute a violation of law shall be governed by this section and Chapter 15A of the General Statutes.

(h) Nothing in this section shall be construed as requiring law enforcement agencies to disclose the following:

(1) Information that would not be required to be disclosed under Chapter 15A of the General Statutes; or

(2) Information that is reasonably likely to identify a confidential informant.

(i) Law enforcement agencies shall not be required to maintain any tape recordings of "911" or other communications for more than 30 days from the time of the call, unless a court of competent jurisdiction orders a portion sealed.

(j) When information that is not a public record under the provisions of this section is deleted from a document, tape recording, or other record, the law enforcement agency shall make clear that a deletion has been made. Nothing in this subsection shall authorize the destruction of the original record.

(k) The following court records are public records and may be withheld only when sealed by court order: arrest and search warrants that have been returned by law enforcement agencies, indictments, criminal summons, and nontestimonial identification orders.

(*l*) Records of investigations of alleged child abuse shall be governed by Article 29 of Chapter 7B of the General Statutes. (1993, c. 461, s. 1; 1998-202, s. 13(jj).)

CASE NOTES

Records for Reinvestigation. — Where exhibits were returned to district attorney's office at the conclusion of first trial for use in the reinvestigation and preparation of a retrial, the exhibits again became "records of criminal investigations" and were specifically exempted from disclosure under subsection (g). Times-News Publishing Co. v. State, 124 N.C. App. 175, 476 S.E.2d 450 (1996), appeal dismissed, 345 N.C. 645, 483 S.E.2d 717 (1997).

§ 132-1.5. 911 database.

Automatic number identification and automatic location identification information that consists of the name, address, and telephone numbers of telephone subscribers which is contained in a county 911 database is confidential and is not a public record as defined by Chapter 132 of the General Statutes if that information is required to be confidential by the agreement with the telephone company by which the information was obtained. Dissemination of the information contained in the 911 automatic number and automatic location database is prohibited except on a call-by-call basis only for the purpose of handling emergency calls or for training, and any permanent record of the information shall be secured by the public safety answering points and disposed of in a manner which will retain that security except as otherwise required by applicable law. (1997-287, s. 1.)

§ 132-1.6. Emergency response plans.

Emergency response plans adopted by a constituent institution of The University of North Carolina, a community college, or a public hospital as defined in G.S. 159-39 and the records related to the planning and development of these emergency response plans are not public records as defined by G.S. 132-1 and shall not be subject to inspection and examination under G.S. 132-6. (2001-500, s. 3.1.)

§ 132-1.7. Sensitive public security information.

(a) Public records, as defined in G.S. 132-1, shall not include information containing specific details of public security plans and arrangements or the detailed plans and drawings of public buildings and infrastructure facilities.

(b) Public records as defined in G.S. 132-1 do not include plans to prevent or respond to terrorist activity, to the extent such records set forth vulnerability and risk assessments, potential targets, specific tactics, or specific security or emergency procedures, the disclosure of which would jeopardize the safety of governmental personnel or the general public or the security of any governmental facility, building, structure, or information storage system.

(c) Information relating to the general adoption of public security plans and arrangements, and budgetary information concerning the authorization or expenditure of public funds to implement public security plans and arrangements, or for the construction, renovation, or repair of public buildings and infrastructure facilities shall be public records. (2001-516, s. 3; 2003-180, s. 1.)

Editor's Note. — Session Laws 2001-516, s. 6, made this section effective January 4, 2002, and applicable to public records in existence on or after that date.

The number of this section was assigned by the Revisor of Statutes, the number in the 2001 act having been G.S. 132-1.6.

Effect of Amendments. — Session Laws 2003-180, s. 1, effective June 12, 2003, divided the formerly undesignated paragraph as present subsections (a) and (c); and inserted subsection (b).

§ 132-2. Custodian designated.

The public official in charge of an office having public records shall be the custodian thereof. (1935, c. 265, s. 2.)

§ 132-3. Destruction of records regulated.

(a) Prohibition. — No public official may destroy, sell, loan, or otherwise dispose of any public record, except in accordance with G.S. 121-5 and G.S.

130A-99, without the consent of the Department of Cultural Resources. Whoever unlawfully removes a public record from the office where it is usually kept, or alters, defaces, mutilates or destroys it shall be guilty of a Class 3 misdemeanor and upon conviction only fined not less than ten dollars ($10.00) nor more than five hundred dollars ($500.00).

(b) Revenue Records. — Notwithstanding subsection (a) of this section and G.S. 121-5, when a record of the Department of Revenue has been copied in any manner, the original record may be destroyed upon the order of the Secretary of Revenue. If a record of the Department of Revenue has not been copied, the original record shall be preserved for at least three years. After three years the original record may be destroyed upon the order of the Secretary of Revenue.

(c) Employment Security Commission Records. — Notwithstanding subsection (a) of this section and G.S. 121-5, when a record of the Employment Security Commission has been copied in any manner, the original record may be destroyed upon the order of the Chairman of the Employment Security Commission. If a record of the Commission has not been copied, the original record shall be preserved for at least three years. After three years the original record may be destroyed upon the order of the Chairman of the Employment Security Commission. (1935, c. 265, s. 3; 1943, c. 237; 1953, c. 675, s. 17; 1957, c. 330, s. 2; 1973, c. 476, s. 48; 1993, c. 485, s. 39; c. 539, s. 966; 1994, Ex. Sess., c. 24, s. 14(c); 1997-309, s. 12; 2001-115, s. 2.)

Cross References. — For section further regulating destruction of records, see G.S. 121-5.

Editor's Note. — Session Laws 1997-309, s. 15, provides that the removal and destruction by a register of deeds of any out-of-county birth certificates prior to the effective date of that act is valid, and the register of deeds is not in violation of G.S. 121-5 or G.S. 132-3.

§ 132-4. Disposition of records at end of official's term.

Whoever has the custody of any public records shall, at the expiration of his term of office, deliver to his successor, or, if there be none, to the Department of Cultural Resources, all records, books, writings, letters and documents kept or received by him in the transaction of his official business; and any such person who shall refuse or neglect for the space of 10 days after request made in writing by any citizen of the State to deliver as herein required such public records to the person authorized to receive them shall be guilty of a Class 1 misdemeanor. (1935, c. 265, s. 4; 1943, c. 237; 1973, c. 476, s. 48; 1975, c. 696, s. 1; 1993, c. 539, s. 967; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 132-5. Demanding custody.

Whoever is entitled to the custody of public records shall demand them from any person having illegal possession of them, who shall forthwith deliver the same to him. If the person who unlawfully possesses public records shall without just cause refuse or neglect for 10 days after a request made in writing by any citizen of the State to deliver such records to their lawful custodian, he shall be guilty of a Class 1 misdemeanor. (1935, c. 265, s. 5; 1975, c. 696, s. 2; 1993, c. 539, s. 968; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 132-5.1. Regaining custody; civil remedies.

(a) The Secretary of the Department of Cultural Resources or his designated representative or any public official who is the custodian of public records which are in the possession of a person or agency not authorized by the custodian or by law to possess such public records may petition the superior court in the county in which the person holding such records resides or in which the materials in issue, or any part thereof, are located for the return of such public records. The court may order such public records to be delivered to the petitioner upon finding that the materials in issue are public records and that such public records are in the possession of a person not authorized by the custodian of the public records or by law to possess such public records. If the order of delivery does not receive compliance, the petitioner may request that the court enforce such order through its contempt power and procedures.

(b) At any time after the filing of the petition set out in subsection (a) or contemporaneous with such filing, the public official seeking the return of the public records may by ex parte petition request the judge or the court in which the action was filed to grant one of the following provisional remedies:

(1) An order directed at the sheriff commanding him to seize the materials which are the subject of the action and deliver the same to the court under the circumstances hereinafter set forth; or

(2) A preliminary injunction preventing the sale, removal, disposal or destruction of or damage to such public records pending a final judgment by the court.

(c) The judge or court aforesaid shall issue an order of seizure or grant a preliminary injunction upon receipt of an affidavit from the petitioner which alleges that the materials at issue are public records and that unless one of said provisional remedies is granted, there is a danger that such materials shall be sold, secreted, removed out of the State or otherwise disposed of so as not to be forthcoming to answer the final judgment of the court respecting the same; or that such property may be destroyed or materially damaged or injured if not seized or if injunctive relief is not granted.

(d) The aforementioned order of seizure or preliminary injunction shall issue without notice to the respondent and without the posting of any bond or other security by the petitioner. (1975, c. 787, s. 2.)

CASE NOTES

Public records and documents are the property of the State and not of the individual who happens, at the moment, to have them in his possession; and when they are deposited in the place designated for them by law, there they must remain, and can be removed only under authority of an act of the legislature and in the manner and for the purpose designated by law. State v. West, 31 N.C. App. 431, 229 S.E.2d 826 (1976), aff'd, 293 N.C. 18, 235 S.E.2d 150 (1977).

Since ownership of bills of indictment is in the State, it cannot be disposed of except as provided by law. It cannot be forfeited through the oversight, carelessness or even intentional conduct of any of the agents of the State. Thus, the documents in question left the custody of the court in an unlawful manner and legal title thereto cannot pass to the individual who happens, at the moment, to have them in his possession. State v. West, 31 N.C. App. 431, 229 S.E.2d 826 (1976), aff'd, 293 N.C. 18, 235 S.E.2d 150 (1977).

§ 132-6. Inspection and examination of records.

(a) Every custodian of public records shall permit any record in the custodian's custody to be inspected and examined at reasonable times and under reasonable supervision by any person, and shall, as promptly as possible, furnish copies thereof upon payment of any fees as may be prescribed by law. As used herein, "custodian" does not mean an agency that holds the public records of other agencies solely for purposes of storage or safekeeping or solely to provide data processing.

(b) No person requesting to inspect and examine public records, or to obtain copies thereof, shall be required to disclose the purpose or motive for the request.

(c) No request to inspect, examine, or obtain copies of public records shall be denied on the grounds that confidential information is commingled with the requested nonconfidential information. If it is necessary to separate confidential from nonconfidential information in order to permit the inspection, examination, or copying of the public records, the public agency shall bear the cost of such separation on the following schedule:

State agencies after June 30, 1996;

Municipalities with populations of 10,000 or more, counties with populations of 25,000 or more, as determined by the 1990 U.S. Census, and public hospitals in those counties, after June 30, 1997;

Municipalities with populations of less than 10,000, counties with populations of less than 25,000, as determined by the 1990 U.S. Census, and public hospitals in those counties, after June 30, 1998;

Political subdivisions and their agencies that are not otherwise covered by this schedule, after June 30, 1998.

(d) Notwithstanding the provisions of subsections (a) and (b) of this section, public records relating to the proposed expansion or location of specific business or industrial projects in the State may be withheld so long as their inspection, examination or copying would frustrate the purpose for which such public records were created; provided, however, that nothing herein shall be construed to permit the withholding of public records relating to general economic development policies or activities.

(e) The application of this Chapter is subject to the provisions of Article 1 of Chapter 121 of the General Statutes, the North Carolina Archives and History Act.

(f) Notwithstanding the provisions of subsection (a) of this section, the inspection or copying of any public record which, because of its age or condition could be damaged during inspection or copying, may be made subject to reasonable restrictions intended to preserve the particular record. CASE NOTES

"Any Person" Includes Corporation. — The General Assembly did not intend to exclude corporate entities from the scope of the phrase "any person" in this section. Advance Publications, Inc. v. City of Elizabeth City, 53 N.C. App. 504, 281 S.E.2d 69 (1981).

What Must Be Made Available for Inspection. — In the absence of clear statutory

exemption or exception, documents falling within the definition of "public records" in the Public Records Act must be made available for public inspection. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Draft reports of individual members of an investigative Commission were subject to disclosure under the Public Records Act. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

But, the courts have jurisdiction to issue injunctions to prevent the disclosure of documents which are exempt from disclosure under the Public Records Act. North Carolina Elec. Membership Corp. v. North Carolina Dep't of Economic & Community Dev., 108 N.C. App. 711, 425 S.E.2d 440 (1993).

SBI Reports That Become Part of Public Agency's Records. — When State Bureau of Investigation investigative reports become part of the records of a public agency subject to the Public Records Act, they are protected only to the extent that agency's records are protected. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

When the State Bureau of Investigation submitted investigative reports to an investigative Commission appointed by the president of The University of North Carolina system of higher education, they became Commission records. As such they were subject to the Public Records Act and had to be disclosed to the same extent that other Commission materials had to be disclosed under that law. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

OPINIONS OF ATTORNEY GENERAL

Test scores and applications for licensure and related materials received by the North Carolina Board for Licensing Geologists are not subject to public inspection and examination under this section. See opinion of the Attorney General to Charles H. Gardner, Dir., Division of Land Resources Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources], 60 N.C.A.G. 76 (1991).

Licensure Procedures. — The application and other information obtained during the Private Protective Services Board's licensure procedure which are not otherwise exempt by law are public records subject to public inspection and examination under this section. See opinion of Attorney General to W. A. "Doc" Hoggard, III PPS Board Administrator Private Protective Services Board, 1997 N.C.A.G. 50 (8/15/97).

§ 132-6.1. Electronic data-processing records.

(a) After June 30, 1996, no public agency shall purchase, lease, create, or otherwise acquire any electronic data-processing system for the storage, manipulation, or retrieval of public records unless it first determines that the system will not impair or impede the agency's ability to permit the public inspection and examination, and to provide electronic copies of such records. Nothing in this subsection shall be construed to require the retention by the public agency of obsolete hardware or software.

(b) Every public agency shall create an index of computer databases compiled or created by a public agency on the following schedule:

State agencies by July 1, 1996;

Municipalities with populations of 10,000 or more, counties with populations of 25,000 or more, as determined by the 1990 U.S. Census, and public hospitals in those counties, by July 1, 1997;

Municipalities with populations of less than 10,000, counties with populations of less than 25,000, as determined by the 1990 U.S. Census, and public hospitals in those counties, by July 1, 1998;

Political subdivisions and their agencies that are not otherwise covered by this schedule, after June 30, 1998.

The index shall be a public record and shall include, at a minimum, the following information with respect to each database listed therein: a list of the data fields; a description of the format or record layout; information as to the

frequency with which the database is updated; a list of any data fields to which public access is restricted; a description of each form in which the database can be copied or reproduced using the agency's computer facilities; and a schedule of fees for the production of copies in each available form. Electronic databases compiled or created prior to the date by which the index must be created in accordance with this subsection may be indexed at the public agency's option. The form, content, language, and guidelines for the index and the databases to be indexed shall be developed by the Office of Archives and History in consultation with officials at other public agencies.

(c) Nothing in this section shall require a public agency to create a computer database that the public agency has not otherwise created or is not otherwise required to be created. Nothing in this section requires a public agency to disclose security features of its electronic data processing systems, information technology systems, telecommunications networks, or electronic security systems, including hardware or software security, passwords, or security standards, procedures, processes, configurations, software, and codes.

(d) The following definitions apply in this section:

(1) Computer database. — A structured collection of data or documents residing in a database management program or spreadsheet software.

(2) Computer hardware. — Any tangible machine or device utilized for the electronic storage, manipulation, or retrieval of data.

(3) Computer program. — A series of instructions or statements that permit the storage, manipulation, and retrieval of data within an electronic data-processing system, together with any associated documentation. The term does not include the original data, or any analysis, compilation, or manipulated form of the original data produced by the use of the program or software.

(4) Computer software. — Any set or combination of computer programs. The term does not include the original data, or any analysis, compilation, or manipulated form of the original data produced by the use of the program or software.

(5) Electronic data-processing system. — Computer hardware, computer software, or computer programs or any combination thereof, regardless of kind or origin. (1995, c. 388, s. 3; 2000-71, s. 1; 2002-159, s. 35(i).)

Effect of Amendments. — Session Laws 2002-159, s. 35(i), effective October 11, 2002, substituted "Office of Archives and History" for "Division of Archives and History" in the last sentence of subsection (b).

OPINIONS OF ATTORNEY GENERAL

Computer software developed by the State with the assistance of a private contractor is not a "record," and its disclosure may cause a breach in software security inconsistent with this section. See opinion of Attorney General to Commissioner Janice Faulkner, North Carolina Division of Motor Vehicles, 1998 N.C.A.G. 25 (5/28/98).

The Employment Security Commission was not required to replace confidential social security numbers with a non-identifying code in order to allow the analysis of data in the Common Follow-Up System without revealing confidential, personally identifiable information. See opinion of Attorney General to Mr. T.S. Whitaker, Deputy Chairman for Programs, Employment Security Commission of N.C., 1999 N.C. AG LEXIS 26 (9/20/99).

Confidentiality of Security Features. — Members of the Information Resources Management Commission, or their delegates, who are representatives of other agencies may be present at the committee meeting during which information will be reported about audits of the security practices of information technology systems in specific agencies; the presence of these representatives does not waive the confidentiality of the security features of the systems under subsection (c) of this section. See opinion of Attorney General to Beverly Eaves Perdue, Lieutenant Governor, 2002 N.C.A.G. 28 (11/8/02).

§ 132-6.2. Provisions for copies of public records; fees.

(a) Persons requesting copies of public records may elect to obtain them in any and all media in which the public agency is capable of providing them. No request for copies of public records in a particular medium shall be denied on the grounds that the custodian has made or prefers to make the public records available in another medium. The public agency may assess different fees for different media as prescribed by law.

(b) Persons requesting copies of public records may request that the copies be certified or uncertified. The fees for certifying copies of public records shall be as provided by law. Except as otherwise provided by law, no public agency shall charge a fee for an uncertified copy of a public record that exceeds the actual cost to the public agency of making the copy. For purposes of this subsection, "actual cost" is limited to direct, chargeable costs related to the reproduction of a public record as determined by generally accepted accounting principles and does not include costs that would have been incurred by the public agency if a request to reproduce a public record had not been made. Notwithstanding the provisions of this subsection, if the request is such as to require extensive use of information technology resources or extensive clerical or supervisory assistance by personnel of the agency involved, or if producing the record in the medium requested results in a greater use of information technology resources than that established by the agency for reproduction of the volume of information requested, then the agency may charge, in addition to the actual cost of duplication, a special service charge, which shall be reasonable and shall be based on the actual cost incurred for such extensive use of information technology resources or the labor costs of the personnel providing the services, or for a greater use of information technology resources that is actually incurred by the agency or attributable to the agency. If anyone requesting public information from any public agency is charged a fee that the requester believes to be unfair or unreasonable, the requester may ask the Information Resource Management Commission to mediate the dispute.

(c) Persons requesting copies of computer databases may be required to make or submit such requests in writing. Custodians of public records shall respond to all such requests as promptly as possible. If the request is granted, the copies shall be provided as soon as reasonably possible. If the request is denied, the denial shall be accompanied by an explanation of the basis for the denial. If asked to do so, the person denying the request shall, as promptly as possible, reduce the explanation for the denial to writing.

(d) Nothing in this section shall be construed to require a public agency to respond to requests for copies of public records outside of its usual business hours.

(e) Nothing in this section shall be construed to require a public agency to respond to a request for a copy of a public record by creating or compiling a record that does not exist. If a public agency, as a service to the requester, voluntarily elects to create or compile a record, it may negotiate a reasonable charge for the service with the requester. Nothing in this section shall be construed to require a public agency to put into electronic medium a record that is not kept in electronic medium. (1995, c. 388, s. 3.)

OPINIONS OF ATTORNEY GENERAL

A governmental entity is not required to record its 800 megahertz radio communications. See opinion of Attorney General to Mr. J. Mark Payne, Johnston County Attorney, 2002 N.C. AG LEXIS 3 (1/22/02).

§ 132-7. Keeping records in safe places; copying or repairing; certified copies.

Insofar as possible, custodians of public records shall keep them in fireproof safes, vaults, or rooms fitted with noncombustible materials and in such arrangement as to be easily accessible for convenient use. All public records should be kept in the buildings in which they are ordinarily used. Record books should be copied or repaired, renovated or rebound if worn, mutilated, damaged or difficult to read. Whenever any State, county, or municipal records are in need of repair, restoration, or rebinding, the head of such State agency, department, board, or commission, the board of county commissioners of such county, or the governing body of such municipality may authorize that the records in need of repair, restoration, or rebinding be removed from the building or office in which such records are ordinarily kept, for the length of time required to repair, restore, or rebind them. Any public official who causes a record book to be copied shall attest it and shall certify on oath that it is an accurate copy of the original book. The copy shall then have the force of the original. (1935, c. 265, s. 7; 1951, c. 294.)

§ 132-8. Assistance by and to Department of Cultural Resources.

The Department of Cultural Resources shall have the right to examine into the condition of public records and shall give advice and assistance to public officials in the solution of their problems of preserving, filing and making available the public records in their custody. When requested by the Department of Cultural Resources, public officials shall assist the Department in the preparation of an inclusive inventory of records in their custody, to which shall be attached a schedule, approved by the head of the governmental unit or agency having custody of the records and the Secretary of Cultural Resources, establishing a time period for the retention or disposal of each series of records. Upon the completion of the inventory and schedule, the Department of Cultural Resources shall (subject to the availability of necessary space, staff, and other facilities for such purposes) make available space in its Records Center for the filing of semicurrent records so scheduled and in its archives for noncurrent records of permanent value, and shall render such other assistance as needed, including the microfilming of records so scheduled. (1935, c. 265, s. 8; 1943, c. 237; 1959, c. 68, s. 2; 1973, c. 476, s. 48.)

Legal Periodicals. — For comment, "You Can't Always Get What You Want: A Look at North Carolina's Public Records Law," see 72 N.C.L. Rev. 1527 (1994).

§ 132-8.1. Records management program administered by Department of Cultural Resources; establishment of standards, procedures, etc.; surveys.

A records management program for the application of efficient and economical management methods to the creation, utilization, maintenance, retention, preservation, and disposal of official records shall be administered by the Department of Cultural Resources. It shall be the duty of that Department, in cooperation with and with the approval of the Department of Administration, to establish standards, procedures, and techniques for effective management of public records, to make continuing surveys of paper work operations, and to

recommend improvements in current records management practices including the use of space, equipment, and supplies employed in creating, maintaining, and servicing records. It shall be the duty of the head of each State agency and the governing body of each county, municipality and other subdivision of government to cooperate with the Department of Cultural Resources in conducting surveys and to establish and maintain an active, continuing program for the economical and efficient management of the records of said agency, county, municipality, or other subdivision of government. (1961, c. 1041; 1973, c. 476, s. 48.)

§ 132-8.2. Selection and preservation of records considered essential; making or designation of preservation duplicates; force and effect of duplicates or copies thereof.

In cooperation with the head of each State agency and the governing body of each county, municipality, and other subdivision of government, the Department of Cultural Resources shall establish and maintain a program for the selection and preservation of public records considered essential to the operation of government and to the protection of the rights and interests of persons, and, within the limitations of funds available for the purpose, shall make or cause to be made preservation duplicates or designate as preservation duplicates existing copies of such essential public records. Preservation duplicates shall be durable, accurate, complete and clear, and such duplicates made by a photographic, photostatic, microfilm, micro card, miniature photographic, or other process which accurately reproduces and forms a durable medium for so reproducing the original shall have the same force and effect for all purposes as the original record whether the original record is in existence or not. A transcript, exemplification, or certified copy of such preservation duplicate shall be deemed for all purposes to be a transcript, exemplification, or certified copy of the original record. Such preservation duplicates shall be preserved in the place and manner of safekeeping prescribed by the Department of Cultural Resources. (1961, c. 1041; 1973, c. 476, s. 48.)

§ 132-9. Access to records.

(a) Any person who is denied access to public records for purposes of inspection and examination, or who is denied copies of public records, may apply to the appropriate division of the General Court of Justice for an order compelling disclosure or copying, and the court shall have jurisdiction to issue such orders. Actions brought pursuant to this section shall be set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the trial and appellate courts.

(b) In an action to compel disclosure of public records which have been withheld pursuant to the provisions of G.S. 132-6 concerning public records relating to the proposed expansion or location of particular businesses and industrial projects, the burden shall be on the custodian withholding the records to show that disclosure would frustrate the purpose of attracting that particular business or industrial project.

(c) In any action brought pursuant to this section in which a party successfully compels the disclosure of public records, the court may, in its discretion, allow the prevailing party to recover reasonable attorneys' fees if:

(1) The court finds that the agency acted without substantial justification in denying access to the public records; and

(2) The court finds that there are no special circumstances that would make the award of attorneys' fees unjust.

Any attorneys' fees assessed against a public agency under this section shall be charged against the operating expenses of the agency; provided, however, that the court may order that all or any portion of any attorneys' fees so assessed be paid personally by any public employee or public official found by the court to have knowingly or intentionally committed, caused, permitted, suborned, or participated in a violation of this Article. No order against any public employee or public official shall issue in any case where the public employee or public official seeks the advice of an attorney and such advice is followed.

(d) If the court determines that an action brought pursuant to this section was filed in bad faith or was frivolous, the court may, in its discretion, assess a reasonable attorney's fee against the person or persons instituting the action and award it to the public agency as part of the costs. (1935, c. 265, s. 9; 1975, c. 787, s. 3; 1987, c. 835, s. 2; 1995, c. 388, s. 4.)

CASE NOTES

"Any Person" Includes Corporation. — The General Assembly did not intend to exclude corporate entities from the scope of the phrase "any person" in this section. Advance Publications, Inc. v. City of Elizabeth City, 53 N.C. App. 504, 281 S.E.2d 69 (1981).

The Public Records Act does not give a governmental agency the discretionary authority to decline to comply with an order for release of records to the public until a time when the agency has determined that release would be prudent or timely. North Carolina Press Ass'n v. Spangler, 94 N.C. App. 694, 381 S.E.2d 187, cert. denied, 325 N.C. 709, 388 S.E.2d 461 (1989).

A suit brought to compel the disclosure of public records under this section is not a special proceeding, but is a civil action to which the Rules of Civil Procedure apply and which requires service of a summons to commence the action. Charns v. Brown, 129 N.C. App. 635, 502 S.E.2d 7, 1998 N.C. App. 668 (1998), cert. denied, 349 N.C. 228, 515 S.E.2d 701 (1998).

§ 132-10. Qualified exception for geographical information systems.

Geographical information systems databases and data files developed and operated by counties and cities are public records within the meaning of this Chapter. The county or city shall provide public access to such systems by public access terminals or other output devices. Upon request, the county or city shall furnish copies, in documentary or electronic form, to anyone requesting them at reasonable cost. As a condition of furnishing an electronic copy, whether on magnetic tape, magnetic disk, compact disk, or photo-optical device, a county or city may require that the person obtaining the copy agree in writing that the copy will not be resold or otherwise used for trade or commercial purposes. For purposes of this section, publication or broadcast by the news media, real estate trade associations, or Multiple Listing Services

operated by real estate trade associations shall not constitute a resale or use of the data for trade or commercial purposes and use of information without resale by a licensed professional in the course of practicing the professional's profession shall not constitute use for a commercial purpose. For purposes of this section, resale at cost by a real estate trade association or Multiple Listing Services operated by a real estate trade association shall not constitute a resale or use of the data for trade or commercial purposes. (1995, c. 388, s. 5; 1997-193, s. 1.)

Editor's Note. — Session Laws 1995, c. 151 which made a qualified public records exception from the public records act for the Geographical information systems of the cities of Concord, Greensboro, High Point and Salisbury and Cabarrus, Cumberland and Gulford Counties was essentially the same as this section.

OPINIONS OF ATTORNEY GENERAL

Rest Area Structures Are Public Buildings Within the Meaning of This Section. — See opinion of Attorney General to Mr. John Davis, Chief Engineer, State Highway Commission, 40 N.C.A.G. 541 (1970).

Application of Subsection (g). — Subsection (g) of this section, which requires plans and specifications for the construction or repair of certain public buildings to include a "color schedule" for "job-installed finishes," applies to all finished material incorporated into the construction work at the site, such as paint, wall covering, flooring, tile, laminates and paneling. See opinion of Attorney General to Mr. Edward E. Hollowell, Attorney for Wake County Hospital, Inc., 49 N.C.A.G. 78 (1979).

§ 133-2. Drawing of plans by material furnisher prohibited.

It shall be unlawful for any architect, engineer, designer or draftsman, employed on county, State, or city works, to employ or allow any manufacturer, his representatives or agents, to write, plan, draw, or make specifications for such works or any part thereof. (1933, c. 66, s. 2.)

§ 133-3. Specifications to carry competitive items; substitution of materials.

All architects, engineers, designers, or draftsmen, when providing design services, or writing specifications, directly or indirectly, for materials to be used in any city, county or State work, shall specify in their plans the required performance and design characteristics of such materials. However, when it is impossible or impractical to specify the required performance and design characteristics for such materials, then the architect, engineer, designer or draftsman may use a brand name specification so long as they cite three or more examples of items of equal design or equivalent design, which would establish an acceptable range for items of equal or equivalent design. The specifications shall state clearly that the cited examples are used only to denote the quality standard of product desired and that they do not restrict bidders to a specific brand, make, manufacturer or specific name; that they are used only to set forth and convey to bidders the general style, type, character and quality of product desired; and that equivalent products will be acceptable. Where it is impossible to specify performance and design characteristics for such materials and impossible to cite three or more items due to the fact that there are not that many items of similar or equivalent design in competition, then as many items as are available shall be cited. On all city, county or State works, the maximum interchangeability and compatibility of cited items shall be required. The brand of product used on a city, county or State work shall not limit competitive bidding on future works. Specifications may list one or more preferred brands as an alternate to the base bid in limited circumstances. Specifications containing a preferred brand alternate under this section must identify the performance standards that support the preference. Performance standards for the preference must be approved in advance by the owner in an

open meeting. Any alternate approved by the owner shall be approved only where (i) the preferred alternate will provide cost savings, maintain or improve the functioning of any process or system affected by the preferred item or items, or both, and (ii) a justification identifying these criteria is made available in writing to the public. Substitution of materials, items, or equipment of equal or equivalent design shall be submitted to the architect or engineer for approval or disapproval; such approval or disapproval shall be made by the architect or engineer prior to the opening of bids. The purpose of this statute is to mandate and encourage free and open competition on public contracts. (1933, c. 66, s. 3; 1951, c. 1104, s. 5; 1993, c. 334, s. 7.1; 2002-107, s. 5; 2002-159, s. 64(c).)

Effect of Amendments. — Session Laws 2002-107, s. 5, effective September 6, 2002, deleted the former seventh sentence, which read: "If an architect, engineer, designer, draftsman or owner prefers a particular brand of material, then such brand shall be bid as an alternate to the base bid and in such case the base bid shall cite three or more examples of items of equal or equivalent design, which would establish an acceptable range for items of equal or equivalent design."

Session Laws 2002-159, s. 64(c), effective January 1, 2003, and applicable to bidding opportunities advertised on or after that date, inserted the seventh, eighth, ninth, and tenth sentences in the section, as amended by Session Laws 2002-107, s. 5.

§ 133-4. Violation of Chapter made misdemeanor.

Any person, firm, or corporation violating the provisions of this Chapter shall be guilty of a Class 3 misdemeanor and upon conviction, license to practice his profession in this State shall be withdrawn for a period of one year and he shall only be subject to a fine of not more than five hundred dollars ($500.00). (1933, c. 66, s. 4; 1993, c. 539, s. 969; 1994, Ex. Sess., c. 24, s. 14(c).)

Except for G.S. 133-1 and [G.S.] 133-1.1, the provisions of this Article shall not apply to energy conservation measures undertaken as part of a guaranteed energy savings contract entered into pursuant to the provisions of Part 2 of Article 3B of Chapter 143 of the General Statutes. (1993 (Reg. Sess., 1994), c. 775, s. 8; 2002-161, s. 11.1.)

Editor's Note. — Session Laws 2002-161, s. 12, provides that nothing in the act limits the use of any method of contracting authorized by local law or other applicable laws.

Effect of Amendments. — Session Laws 2002-161, s. 11.1, effective January 1, 2003, and applicable to contracts entered into on or after that date, substituted "Except for G.S. 133-1 and G.S. 133-1.1" for "Except for G.S. 133-1.1."

CASE NOTES

The definition of "displaced person" does not unconstitutionally discriminate against persons who are forced to move from real property before January 1, 1972, by denying to them but granting to others who moved from the property "on or after January 1, 1972" assistance under the various provisions of the Relocation Assistance Act. Quick v. City of Charlotte, 21 N.C. App. 401, 204 S.E.2d 533, cert. denied, 285 N.C. 590, 205 S.E.2d 723 (1974).

§ 133-8. Moving and related expenses.

(a) Whenever the acquisition of real property for a program or project undertaken by an agency will result in the displacement of any person, such agency shall make a payment to any displaced person, upon application as approved by the head of the agency for:

(1) Actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;

(2) Actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the relocation officer; and

(3) Actual reasonable expenses in searching for a replacement business or farm in accordance with criteria established by the lead agency, but not to exceed one thousand dollars ($1,000); and

(4) Actual reasonable expenses necessary to reestablish a displaced farm, nonprofit organization, or small business at its new site, in accordance with criteria to be established by the lead agency, but not to exceed ten thousand dollars ($10,000).

(b) Any displaced person eligible for payments under subsection (a) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (a) of this section may receive an expense and dislocation allowance, which shall be determined according to a schedule established by the lead agency.

(c) Any displaced person eligible for payments under subsection (a) of this section who is displaced from the person's place of business or farm operation and who is eligible under criteria established by the lead agency may elect to accept the payment authorized by this subsection in lieu of the payment authorized by subsection (a) of this section. Such payment shall consist of a fixed payment in an amount to be determined according to criteria established by the lead agency, except that such payment shall not be less than one thousand dollars ($1,000) nor more than twenty thousand dollars ($20,000). A person whose sole business at the displacement dwelling is the rental of such property to others shall not qualify for a payment under this subsection. (1971, c. 1107, s. 1; 1989, c. 28, s. 2.)

CASE NOTES

Relocation Payments in Discretion of Agency Officials. — Subsections (a), (b), and (c) of this section commit the matter of relocation assistance payments absolutely and solely to the discretion of the officials of the agency involved. This section confers no right either to receive such payments or to demand that the amount of payments, if granted, be calculated other than as the agency officials determine. Henry v. North Carolina Dep't of Transp., 44 N.C. App. 170, 260 S.E.2d 438 (1979), cert. denied, 299 N.C. 330, 265 S.E.2d 396 (1980).

§ 133-9. Replacement housing for homeowners.

(a) In addition to payments otherwise authorized by this Article and subject to the provisions of G.S. 133-10.1 the agency shall make an additional payment not in excess of twenty-two thousand five hundred dollars ($22,500) to any displaced person who is displaced from a dwelling actually owned and occupied by such displaced person for not less than 180 days prior to the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:

(1) The amount, if any, which when added to the acquisition cost of the dwelling acquired by the agency, equals the reasonable cost of a comparable replacement dwelling. All determinations required to carry out this section shall be made in accordance with standards established by the lead agency.

(2) The amount, if any, which will compensate such displaced person for any increased interest costs and other debt service costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired by the agency was encumbered by a bona fide mortgage which was a valid lien on such dwelling for not less than 180 days immediately prior to the initiation of negotiations for the acquisition of such dwelling in accordance with criteria to be established by the lead agency.

(3) Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(b) The additional payment authorized by this section shall be made only to a displaced person who purchases and occupies a comparable replacement dwelling within one year after the date on which such person receives final payment from the agency for the acquired dwelling, except that the agency may extend such period for good cause. If such period is extended, the payment under this section shall be based on the costs, of relocating the person to a comparable replacement dwelling within one year of such date.

(c) The agency may, in cooperation with any federal agency upon application by a mortgagee, insure any mortgage (including advances during construction) on a comparable replacement dwelling executed by a displaced person assisted under this section, which mortgage is eligible for insurance under any federal law administered by such agency notwithstanding any requirements under such law relating to age, physical condition, or other personal characteristics of eligible mortgagors, and may make commitments for the insurance of such mortgage prior to the date of execution of the mortgage. (a) In addition to amounts otherwise authorized by this Article, the agency shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under G.S. 133-9 which dwelling was actually and lawfully occupied by such displaced person for not less than 90 days immediately prior to (1) the initiation of negotiations for acquisition of such dwelling, or (2) in any case in which displacement is not a direct result of acquisition, such other event as the agency shall prescribe. Such payment shall consist of the amount necessary to enable such person to lease or rent for a period not to exceed 42 months, a comparable replacement dwelling, but not to exceed five thousand two hundred fifty dollars ($5,250). At the discretion of the agency, a payment under this subsection may be made in periodic installments. Computation of a payment under this subsection to a low-income displaced person for a comparable replacement dwelling shall take into account such person's income.

(b) Any person eligible for a payment under subsection (a) of this section may elect to apply such payment to a down payment on, and other incidental expenses pursuant to, the purchase of a comparable replacement dwelling. Any such person may, at the discretion of the agency, be eligible under this subsection for the maximum payment allowed under subsection (a), except that, in the case of a displaced homeowner who has owned and occupied the displacement dwelling for at least 90 days but not more than 180 days immediately prior to the initiation of negotiations for the acquisition of such dwelling, such payment shall not exceed the payment such person would otherwise have received under G.S. 133-9(a) had the person owned and occupied the displacement dwelling 180 days prior to the initiation of such negotiations. (1971, c. 1107, s. 1; 1981, c. 101, s. 2; 1989, c. 28, s. 4.)

§ 133-10.1. Authorization for replacement housing.

(a) As a last resort, if a project cannot proceed to actual construction because of the lack of availability of comparable sale or rental housing, or because required federal-aid payments are in excess of those otherwise authorized by this Article, the State of North Carolina and its agencies may:

(1) Undertake through private contractors, after competitive bidding, to provide for the construction and renovation of the necessary housing,

(2) Purchase sites and improvements after publishing in a newspaper of general circulation in the county in which such sites are located a public notice of the proposed transaction, including a description of the sites and improvements to be purchased, the owner or owners thereof, the terms of the transaction including the price and date of the proposed purchase, and a brief description of the factors upon which the agency has based its determination that such housing is not otherwise available, and

(b) Agencies shall ensure that the relocation assistance advisory services described in subsection (c) of this section are made available to all persons displaced by such agency. If such agency determines that any person occupying property immediately adjacent to the property where the displacing activity occurs suffers substantial economic injury as a result thereof, the agency may make such advisory services available to that person.

(c) Each relocation assistance advisory program required by subsection (b) of this section shall include such measures, facilities, or services as may be necessary or appropriate in order to:

(1) Determine, and make timely recommendations on, the needs and preferences, if any, of displaced persons for relocation assistance;

(5) Provide other advisory services to displaced persons in order to minimize hardships to such persons in adjusting to relocation; and

(6) The agency shall coordinate relocation activities performed by such agency with other federal, State, or local governmental actions in the community which could affect the efficient and effective delivery of relocation assistance and related services.

(d) Notwithstanding G.S. 133-7(3)b, in any case in which a displacing agency acquires property for a program or project, any person who occupies such property on a rental basis for a short term or a period subject to termination when the property is needed for the program or project shall be eligible for advisory services to the extent determined by the agency. The governmental agency is authorized to pay to the informant up to twenty-five percent (25%) of any civil damages that it collects from the violator named by the informant by reason of the information furnished by the informant. The information and knowledge to be reported includes but is not limited to any agreement or proposed agreement or offer or request for agreement among contractors, subcontractors or suppliers to rotate bids, to share the profits with a contractor not the low bidder, to sublet work in advance of bidding as a means of preventing competition, to refrain from bidding, to submit prearranged bids, to submit complimentary bids, to set up territories to restrict competition, or to alternate bidding. (1981, c. 764, s. 1.)

§ 133-30. Noncollusion affidavits.

Failure of any bidder to provide a required affidavit to the governmental agency shall be grounds for disqualification of his bid. The provisions of this section are in addition to and not in derogation of any other powers and authority of any governmental agency. (1981, c. 764, s. 1.)

§ 133-31. Perjury; punishment.

willfully to receive or accept any such gift or favor.
(b) A violation of subsection (a) shall be a Class 1 misdemeanor.

(c) Gifts or favors made unlawful by this section shall not be allowed as a deduction for North Carolina tax purposes by any contractor, subcontractor or supplier or officers or employees thereof.

This section is not intended to prevent any contractor, subcontractor, or supplier from making donations to professional organizations to defray meeting expenses where governmental employees are members of such professional organizations, nor is it intended to prevent governmental employees who are members of professional organizations from participation in all scheduled meeting functions available to all members of the professional organization attending the meeting. This section is also not intended to prohibit customary gifts or favors between employees or officers and their friends and relatives or the friends and relatives of their spouses, minor children, or members of their household where it is clear that it is that relationship rather than the business of the individual concerned which is the motivating factor for the gift or favor. However, all such gifts knowingly made or received are required to be reported by the donee to the agency head if the gifts are made by a contractor, subcontractor, or supplier doing business directly or indirectly with the governmental agency employing the recipient of such a gift. § 135-1. Definitions.

The following words and phrases as used in this Chapter, unless a different meaning is plainly required by the context, shall have the following meanings:

(1) "Accumulated contributions" shall mean the sum of all the amounts deducted from the compensation of a member and accredited to his individual account in the annuity savings fund, together with regular interest thereon as provided in G.S. 135-8.

(2) "Actuarial equivalent" shall mean a benefit of equal value when computed upon the basis of such mortality tables as shall be adopted by the Board of Trustees, and regular interest.

(3) "Annuity" shall mean payments for life derived from that "accumulated contribution" of a member. All annuities shall be payable in equal monthly installments.

(4) "Annuity reserve" shall mean the present value of all payments to be made on account of any annuity or benefit in lieu of any annuity, computed upon the basis of such mortality tables as shall be adopted by the Board of Trustees, and regular interest.

(5) "Average final compensation" shall mean the average annual compensation of a member during the four consecutive calendar years of membership service producing the highest such average; but shall not include any compensation, as determined by the Board of Trustees, for the reimbursement of expenses or payments for housing or any other allowances whether or not classified as salary and wages. In the event a member is or has been in receipt of a benefit under the provisions of G.S. 135-105 or G.S. 135-106, the compensation used in the calculation of "average final compensation" shall be the higher of compensation of the member under the provisions of this Article or compensation used in calculating the payment of benefits under Article 6 of this Chapter as adjusted for percentage increases in the post disability benefit.

(6) "Beneficiary" shall mean any person in receipt of a pension, an annuity, a retirement allowance or other benefit as provided by this Chapter.

(7) "Board of Trustees" shall mean the Board provided for in G.S. 135-6 to administer the Retirement System.

(7a)a. "Compensation" shall mean all salaries and wages prior to any reduction pursuant to sections 125, 401(k), 403(b), 414(h)(2), and 457 of the Internal Revenue Code, not including any terminal payments for unused sick leave, derived from public funds which are earned by a member of the Retirement System for service as an employee or teacher in the unit of the Retirement System for which he is performing full-time work. In addition to the foregoing, "compensation" shall include:

1. Performance-based compensation (regardless of whether paid in a lump sum, in periodic installments, or on a monthly basis);
2. Conversion of additional benefits to salary (additional benefits such as health, life, or disability plans), so long as the benefits are other than mandated by State law or regulation;
3. Payment of tax consequences for benefits provided by the employer, so long as they constitute an adjustment or increase in salary and not a "reimbursement of expenses";
4. Payout of vacation leave so long as such payouts are permitted by applicable law and regulation; and
5. Employee contributions to eligible deferred compensation plans.

b. "Compensation" shall not include any payment, as determined by the Board of Trustees, for the reimbursement of expenses or payments for housing or any other allowances whether or not classified as salary and wages. "Compensation" includes all special pay contribution of annual leave made to a 401(a) Special Pay Plan for the benefit of an employee. Notwithstanding any other provision of this Chapter, "compensation" shall not include:

1. Supplement/allowance provided to employee to purchase additional benefits such as health, life, or disability plans;
2. Travel supplement/allowance (nonaccountable allowance plans);
3. Employer contributions to eligible deferred compensation plans;
4. Employer-provided fringe benefits (additional benefits such as health, life, or disability plans);
5. Reimbursement of uninsured medical expenses;
6. Reimbursement of business expenses;
7. Reimbursement of moving expenses;
8. Reimbursement/payment of personal expenses;
9. Incentive payments for early retirement;
10. Bonuses paid incident to retirement;
11. Contract buyout/severance payments; and
12. Payouts for unused sick leave.

c. In the event an employer reports as "compensation" payments not specifically included or excluded as "compensation", such payments shall be "compensation" for retirement purposes only if the employer pays the Retirement System the additional actuarial liability created by such payments.

(8) "Creditable service" shall mean the total of "prior service" plus "membership service" plus service, both noncontributory and purchased, for which credit is allowable as provided in G.S. 135-4. In no event, however, shall "creditable service" be deemed "membership service" for the purpose of determining eligibility for benefits accruing under this Chapter.

(9) "Earnable compensation" shall mean the full rate of the compensation that would be payable to a teacher or employee if he worked in full

normal working time. In cases where compensation includes maintenance, the Board of Trustees shall fix the value of that part of the compensation not paid in money.

(10) "Employee" shall mean all full-time employees, agents or officers of the State of North Carolina or any of its departments, bureaus and institutions other than educational, whether such employees are elected, appointed or employed: Provided that the term "employee" shall not include any person who is a member of the Consolidated Judicial Retirement System, any member of the General Assembly or any part-time or temporary employee. Notwithstanding any other provision of law, "employee" shall include all employees of the General Assembly except participants in the Legislative Intern Program, pages, and beneficiaries in receipt of a monthly retirement allowance under this Chapter who are reemployed on a temporary basis. Any full-time civilian employee of the national guard described above who is now or hereafter may become a member of the Retirement System may secure Retirement System credit for such service as a national guard civilian employee for the period preceding the time when such employees became eligible for Retirement System coverage by paying to the Retirement System an amount equal to that which would have constituted employee contributions if he had been a member during the years of ineligibility, plus interest. Employees of State agencies, departments, institutions, boards, and commissions who are employed in permanent job positions on a recurring basis and who work 30 or more hours per week for nine or more months per calendar year are covered by the provisions of this subdivision. On and after August 1, 2001, a person who is a nonimmigrant alien and who otherwise meets the requirements of this subdivision shall not be excluded from the definition of "employee" solely because the person holds a temporary or time-limited visa.

(11) "Employer" shall mean the State of North Carolina, the county board of education, the city board of education, the State Board of Education, the board of trustees of the University of North Carolina, the

(11b) "Law-Enforcement Officer" means a full-time paid employee of an employer who is actively serving in a position with assigned primary duties and responsibilities for prevention and detection of crime or the general enforcement of the criminal laws of the State of North Carolina or serving civil processes, and who possesses the power of arrest by virtue of an oath administered under the authority of the State.

(12) "Medical board" shall mean the board of physicians provided for in G.S. 135-6.

(13) "Member" shall mean any teacher or State employee included in the membership of the System as provided in G.S. 135-3 and 135-4.

(15) "Pension reserve" shall mean the present value of all payments to be made on account of any pension or benefit in lieu of any pension computed upon the basis of such mortality tables as shall be adopted by the Board of Trustees, and regular interest.

(16) "Pensions" shall mean payments for life derived from money provided by the State of North Carolina, and by county or city boards of education. All pensions shall be payable in equal monthly installments.

(17) "Prior service" shall mean service rendered prior to the date of establishment of the Retirement System for which credit is allowable under G.S. 135-4; provided, persons now employed by the Board of Transportation shall be entitled to credit for employment in road maintenance by the various counties and road districts prior to 1931.

(18) "Public school" shall mean any day school conducted within the State under the authority and supervision of a duly elected or appointed city or county school board, and any educational institution supported by and under the control of the State.

(22) "Retirement System" shall mean the Teachers' and State Employees' Retirement System of North Carolina as defined in G.S. 135-2.

(23) "Service" shall mean service as a teacher or State employee as described in subdivision (10) or (25) of this section.

In all cases of doubt, the Board of Trustees, hereinbefore defined, shall determine whether any person is a teacher as defined in this Chapter. On and after August 1, 2001, a person who is a nonimmigrant alien and who otherwise meets the requirements of this subdivision shall not be excluded from the definition of "teacher" solely because the person holds a temporary or time-limited visa. CASE NOTES

Actuarial Equivalent. — The actuarial value includes interest and there was no double recovery where the court was following the definition of actuarial equivalent as prescribed by this section and included interest in the underpayment award. Faulkenbury v. Teachers' & State Emps. Retirement Sys., 345 N.C. 683, 483 S.E.2d 422 (1997).

Retirement Law Is Valid. — It is the verdict of the General Assembly, embodied and expressed in this and the following sections, that the retirement plan has a definite relation to the just and efficient administration of the public school system which brings it within the scope of constitutional authority. Under the mandatory provisions of the retirement law, the public policy thus expressed is applied to the entire public school system and its administration at the hands of every administrative unit within it. Bridges v. City of Charlotte, 221 N.C. 472, 20 S.E.2d 825 (1942).

The retirement law is sufficiently invested with a public purpose and is a constitutional and valid expression of the legislative will, both generally and in its application to the local administrative units with which it deals. Bridges v. City of Charlotte, 221 N.C. 472, 20 S.E.2d 825 (1942).

Allowances to which a member of the Teachers' and State Employees' Retirement System is entitled upon retirement constitute compensation for public services previously rendered and do not violate former N.C. Const., Art. I, § 32 (now N.C. Const., Art. I, § 16). Harrill v. Teachers' & State Employees' Retirement Sys., 271 N.C. 357, 156 S.E.2d 702 (1967).

The purpose of this and the following sections is to provide benefits on retirement for the teachers in the public school system of the State and for State employees. It is based not only upon the principle of justice to poorly paid State employees, but also upon the philosophy that a measure of freedom from apprehension of old age and disability will add to the immediate efficiency of those engaged in carrying on a work of first importance to society and the State. Bridges v. City of Charlotte, 221 N.C. 472, 20 S.E.2d 825 (1942); Powell v. Board of Trustees, 3 N.C. App. 39, 164 S.E.2d 80 (1968).

Under G.S. 135-2, the Retirement System for Teachers and State Employees was established for the purpose of providing retirement allowances and other benefits under the provisions of G.S. 135-1 et seq., for teachers and State employees of the State of North Carolina. State Employees Ass'n of N.C., Inc. v. State, 154 N.C. App. 207, 573 S.E.2d 525, 2002 N.C. App. LEXIS 1451 (2002).

The intent of this Chapter is not to exclude, but to include, State employees under an umbrella of protections designed to provide maximum security in their work environment

and to afford a measure of freedom from apprehension of old age and disability. Stanley v. Retirement & Health Benefits Div., 55 N.C. App. 588, 286 S.E.2d 643, cert. denied, 305 N.C. 587, 292 S.E.2d 571 (1982).

The Teachers' and State Employees' Retirement System of North Carolina is an agency or instrumentality of the State. Stanley v. Retirement & Health Benefits Div., 66 N.C. App. 122, 310 S.E.2d 637, cert. denied and appeal dismissed, 310 N.C. 626, 315 S.E.2d 692 (1984).

Employee Status When Job Sharing. — Petitioner remained an "employee" under subsection (10) during the period of time when she participated in a job sharing program and was working full time and thus was entitled to credit for those years of service as reflected in her retirement records. Wiebenson v. Board of Trustees, 345 N.C. 734, 483 S.E.2d 153 (1997).

Transfer of Local Creditable Service to State System. — In determining the date of eligibility of state employee petitioner to purchase retirement credits under Teachers' and State Employees' Retirement System for time spent in the military service under repealed G.S. 135-4(f)(6), petitioner could not include service in the Local Governmental Employees' Retirement System. Worrell v. North Carolina Dep't of State Treas., 333 N.C. 528, 427 S.E.2d 871 (1993).

Interest Accrual and Compounding. — Consistent with the purposes of subdivision (19) of this section and G.S. 128-21(18), underpayments were found to accrue interest from the date they became due. Furthermore, court found that statutes entitled beneficiaries to interest, not only on the principle due, but also on the accrued or earned interest. Faulkenbury v. Teachers' & State Employees' Ret. Sys., 133 N.C. App. 587, 515 S.E.2d 743, 1999 N.C. App. LEXIS 615 (1999), cert. denied, 351 N.C. 102, 540 S.E.2d 358 (1999).

Postjudgment Interest Not Awardable Against State. — Retirees under the state and local government retirement system were not entitled to post-judgment interest on retroactive disability benefits, because the state retirement statutes contain no provision for the allowance of such interest. Faulkenbury v. Teachers' & State Employees' Ret. Sys., 132 N.C. App. 137, 510 S.E.2d 675, 1999 N.C. App. LEXIS 89 (1999), cert. denied, 350 N.C. 379, 536 S.E.2d 620 (1999).

Applied in Faulkenbury v. Teachers' & State Employees' Ret. Sys., 133 N.C. App. 587, 515 S.E.2d 743, 1999 N.C. App. LEXIS 615 (1999), cert. denied, 351 N.C. 102, 540 S.E.2d 358 (1999).

Retroactive coverage of the employees of any such board may also be effected to the extent that such board requests provided the board pays all of the employer's contributions or matching funds necessary for such purpose and provided said board collects from its employees all employees' contributions necessary for such purpose, computed at such rates and in such amount as the Board of Trustees of the Retirement System determines, all of such funds to be paid to the Retirement System, together with such interest as may be due, and placed in the appropriate funds.

(b) Notwithstanding any other provision of this Chapter, any State board or agency charged with the duty of administering any law relating to the examination and licensing of persons to practice a profession, trade, or occupation, and who is subject to the provisions of the Executive Budget Act,

Article 1 of Chapter 143 of the General Statutes, may make an irrevocable election by appropriate resolution of the board, on or before October 1, 2000, to become an employer in the Teachers' and State Employees' Retirement System. Retirement System coverage shall be conditioned on the board's payment of all of the employer's contributions or matching funds from funds of the board and on the board's collecting from its employees the employees' contributions, at such rates as may be fixed by law and by the rules of the Board of Trustees of the Retirement System, all of such funds to be paid to the Retirement System and placed in the appropriate funds. Any person who is an employee of the board on the date the board makes an irrevocable election to participate in the Retirement System may purchase creditable service for periods of employment with the board prior to the election by making a lump-sum payment equal to the full cost of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the system's liabilities, and shall take into account the additional retirement allowance arising on account of such additional service credit commencing at the earliest age at which a member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance. OPINIONS OF ATTORNEY GENERAL

Occupational Licensing Boards. — Those occupational licensing boards subject to the Personnel Act, G.S. 126-1 et seq., and the Budget Act, G.S. 143-1 et seq., are also subject to G.S. 135-1.1, just as are the occupational licensing boards not subject to the Personnel and Budget Acts. See opinion of Attorney General to Vicky Goudie, Executive Secretary, State Board of Cosmetology, 60 N.C.A.G. 54 (1990).

An occupational licensing board, even one such as the Cosmetic Arts Board and several others subject to the Personnel and Budget Acts, is not entitled to have any of its employees, who were employed on or after July 1, 1983, covered by and participating in the Retirement System. See opinion of Attorney General to Vicky Goudie, Executive Secretary, State Board of Cosmetology, 60 N.C.A.G. 54 (1990).

§ 135-2. Name and date of establishment.

A Retirement System is hereby established and placed under the management of the Board of Trustees for the purpose of providing retirement allowances and other benefits under the provisions of this Chapter for teachers and State employees of the State of North Carolina. The Retirement System so created shall be established as of the first day of July, 1941.

It shall have the power and privileges of a corporation and shall be known as the "Teachers' and State Employees' Retirement System of North Carolina," and by such name all of its business shall be transacted, all of its funds invested, and all of its cash and securities and other property held. (1941, c. 25, s. 2.)

State Government Reorganization. — The Teachers' and State Employees' Retirement System was transferred to the Department of State Treasurer by G.S. 143A-34, enacted by Session Laws 1971, c. 864.

§ 135-3. Membership.

The membership of this Retirement System shall be composed as follows:

(1) All persons who shall become teachers or State employees after the date as of which the Retirement System is established. On and after July 1, 1947, membership in the Retirement System shall begin 90 days after the election, appointment or employment of a "teacher or employee" as the terms are defined in this Chapter. On and after July 1, 1955, membership in the Retirement System shall begin immediately upon the election, appointment or employment of a "teacher or employee," as the terms are defined in this Chapter. Under such rules and regulations as the Board of Trustees may establish and promulgate, Cooperative Agricultural Extension Service employees excluded from coverage under Title II of the Social Security Act may in the discretion of the governing authority of a county, become members of the Teachers' and State Employees' Retirement System to the extent of that part of their compensation derived from a county. On and after July 1, 1965, new extension service employees excluded from coverage under Title II of the Social Security Act in the employ of a county participating in the Local Governmental Employees' Retirement System are hereby excluded from participation in the Teachers' and State Employees' Retirement System to the extent of that part of their compensation derived from a county; provided that on and after July 1, 1965, new extension service employees excluded from coverage under Title II of the Social Security Act who are required to accept a federal civil service appointment may elect in writing, on a form acceptable to the Retirement System, to be excluded from the Teachers' and State Employees' Retirement System and the Local Retirement System; provided further, that effective July 1, 1985, an extension service employee excluded from coverage under Title II of the Social Security Act who is employed in part by a county and who is compensated in whole by the Cooperative Agricultural Extension Service pursuant to a contract where the Cooperative Agricultural Extension Service is reimbursed by the county for the county's share of the compensation shall participate exclusively in the Teachers' and State Employees' Retirement System to the extent of their full compensation. On or after July 1, 1979, upon election, appointment or employment, a legislative employee shall automatically become a member of the Teachers' and State Employees' Retirement System. At such time as Cooperative Agricultural Extension Service Employees excluded from coverage under Title II of the Social Security Act become covered by Title II of the Social Security Act, such employees shall no longer be covered by the provisions of this section, provided no accrued rights of these employees under this section prior to coverage by Title II of the Social Security Act shall be diminished.

(2) All persons who are teachers or State employees on February 17, 1941, or who may become teachers or State employees on or before July 1,

1941, except those who shall notify the Board of Trustees, in writing, on or before January 1, 1942, that they do not choose to become members of this Retirement System, shall become members of the Retirement System.

(3) Should any member in any period of six consecutive years after becoming a member be absent from service more than five years, or should he withdraw his accumulated contributions, or should he become a beneficiary or die, he shall thereupon cease to be a member: Provided that on and after July 1, 1967, should any member in any period of eight consecutive years after becoming a member be absent from service more than seven years, or should he withdraw his accumulated contributions, or should he become a beneficiary or die, he shall thereupon cease to be a member; provided further that the period of absence from service shall be computed from January 1, 1962, or later date of separation for any member whose contributions were not withdrawn prior to July 1, 1967: Provided that on and after July 1, 1971, a member shall cease to be a member only if he withdraws his accumulated contributions, or becomes a beneficiary, or dies.

Notwithstanding the foregoing, any persons whose membership was terminated under the provisions set forth above who had five or more years of creditable service and had not effected a return of contributions may elect to receive a retirement allowance on or after age 60; provided that this member may retire only upon written application to the Board of Trustees setting forth at which time, not less than 30 days nor more than 90 days subsequent to the execution and filing, he desires to be retired.

(4) Notwithstanding any provisions contained in this section, any employee of the State of North Carolina who was taken over and required to perform services for the federal government, on a loan basis, and by virtue of an executive order of the President of the United States effective on or after January 1, 1942, and who on the effective date of such executive order was a member of the Retirement System and had not withdrawn all of his or her accumulated contributions, shall be deemed to be a member of the Retirement System during such period of federal service or employment by virtue of such executive order of the President of the United States. Any such employee who within a period of 12 months after the cessation of such federal service or employment, is again employed by the State or any employer as said term is defined in this Chapter, or within said period of 12 months engages in service or membership service, shall be permitted to resume active participation in the Retirement System and to resume his or her contributions as provided by this Chapter. If such member so elects, he or she may pay to the Board of Trustees for the benefit of the proper fund or account an amount equal to his or her accumulated contributions previously withdrawn with interest from date of withdrawal to time of payment and the accumulated contributions, with interest thereon, that such member would have made during such period of federal employment to the same extent as if such member had been in service or engaged in the membership service for the State or an employer as defined in this Chapter, which such payment of accumulated contributions shall be computed on the basis of the salary or earnable compensation received by such member on the effective date of such executive order.

(5) Any teacher or State employee whose membership is contingent on his own election and who elects not to become a member may thereafter

apply for and be admitted to membership; but no such teacher or State employee shall receive prior service credit unless he elected to become a member prior to July 1, 1946. Any such member on or after June 30, 1965, anything in this Chapter to the contrary, may deposit in the annuity savings fund by a single payment the contributions plus interest which would have been credited to his account had he not signed a nonelection blank on or before January 1, 1942, and be entitled to such membership service credits and any prior service credits which became void upon execution of such nonelection blank; provided that the employer will pay the appropriate matching contributions.

(6) Repealed by Session Laws 1981 (Regular Session, 1982), c. 1396, s. 1.

(7) The provisions of this subdivision (7) shall apply to any member whose retirement became effective prior to July 1, 1963, and who became entitled to benefits hereunder in accordance with the provisions hereof. Such benefits shall be computed in accordance with the provisions of G.S. 135-5(b) as in effect at the date of such retirement.

a. Notwithstanding any other provision of this Chapter, any member who separates from service prior to the attainment of the age of 60 years for any reason other than death or retirement for disability as provided in G.S. 135-5(d), after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in said System shall have the right to retire on a deferred retirement allowance upon attaining the age of 60 years: Provided, that such member may retire only upon written application to the Board of Trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired. Such deferred retirement allowance shall be computed in accordance with the provisions of G.S. 135-5(b), subdivisions (1), (2) and (3).

b. In lieu of the benefits provided in paragraph a of this subdivision (7) any member who separates from service on or after July 1, 1951, and prior to the attainment of the age of 60 years, for any reason other than death or retirement for disability as provided in G.S. 135-5(d), after completing 30 or more years of creditable service, and who leaves his total accumulated contributions in said System, may elect to retire on an early retirement allowance; provided that such member may so retire only upon written application to the Board of Trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired; provided further that such application shall be duly filed within 60 days following the date of such separation. Such early retirement allowance so elected shall be the actuarial equivalent of the deferred retirement allowance otherwise payable at the attainment of the age of 60 years upon proper application therefor.

c. In lieu of the benefits provided in paragraph a of this subdivision (7), any member who separated from service before July 1, 1951, and prior to the age of 60 years for any reason other than death or retirement for disability as provided in G.S. 135-5(d), and who left his total accumulated contributions in said System, may elect to retire on an early retirement allowance; provided that such member may so retire only upon written application to the Board of Trustees setting forth at what time, subsequent to July 1, 1951, and not less than 30 days nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired; provided

that such application shall be duly filed not later than August 31, 1951. Such early retirement allowance so elected shall be the actuarial equivalent of the deferred retirement allowance otherwise payable at the attainment of the age of 60 years upon proper application therefor.

d. Should a teacher or employee who retired on an early or service retirement allowance be restored to service prior to the attainment of the age of 62 years, his allowance shall cease, he shall again become a member of the Retirement System, and he shall contribute thereafter at the uniform contribution rate payable by all members. Upon his subsequent retirement, he shall be entitled to the allowance described in 1 below reduced by the amount in 2 below.

1. The allowance to which he would have been entitled if he were retiring for the first time, calculated on the basis of his total creditable service represented by the sum of his creditable service at the time of his first retirement, and his creditable service after he was restored to service.
2. The actuarial equivalent of the retirement benefits he previously received.

e. Should a teacher or employee who retired on an early or service retirement allowance be restored to service after the attainment of the age of 62 years, his retirement allowance shall be reduced to the extent necessary (if any) so that the sum of the retirement allowance at the time of his retirement and earnings from employment by a unit of the Retirement System for any year (beginning January 1, and ending December 31) will not exceed the member's compensation received for the 12 months of service prior to retirement. Provided, however, that under no circumstances will the member's retirement allowance be reduced below the amount of his annuity as defined in G.S. 135-1(3).

(8) The provisions of this subsection (8) shall apply to any member whose membership is terminated on or after July 1, 1963 and who becomes entitled to benefits hereunder in accordance with the provisions hereof.

a. Notwithstanding any other provision of this Chapter, any member who separates from service prior to the attainment of the age of 60 years for any reason other than death or retirement for disability as provided in G.S. 135-5(c), after completing 15 or more years of creditable service, and who leaves his total accumulated contributions in said System shall have the right to retire on a deferred retirement allowance upon attaining the age of 60 years; provided that such member may retire only upon written application to the Board of Trustees setting forth at what time, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired; and further provided that in the case of a member who so separates from service on or after July 1, 1967, or whose account is active on July 1, 1967, or has not withdrawn his contributions, the aforestated requirement of 15 or more years of creditable service shall be reduced to 12 or more years of creditable service; and further provided that in the case of a member who so separates from service on or after July 1, 1971, or whose account is active on July 1, 1971, the aforestated requirement of 12 or more years of creditable service shall be reduced to five or more years of creditable service. Such deferred retirement allowance shall be

computed in accordance with the service retirement provisions of this Article pertaining to a member who is not a law enforcement officer or an eligible former law enforcement officer. Notwithstanding the foregoing, any member whose services as a teacher or employee are terminated for any reason other than retirement, who becomes employed by a nonprofit, nonsectarian private school in North Carolina below the college level within one year after such teacher or employee has ceased to be a teacher or employee, may elect to leave his total accumulated contributions in the Teachers' and State Employees' Retirement System during the period he is in the employment of such employer; provided that he files notice thereof in writing with the Board of Trustees of the Retirement System within five years after separation from service as a public school teacher or State employee; such member shall be deemed to have met the requirements of the above provisions of this subdivision upon attainment of age 60 while in such employment provided that he is otherwise vested.

b. In lieu of the benefits provided in paragraph a of this subdivision (8), any member who separates from service prior to the attainment of the age of 60 years, for any reason other than death or retirement for disability as provided in G.S. 135-5(c), after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in said System, may elect to retire on an early retirement allowance upon attaining the age of 50 years or at any time thereafter; provided that such member may so retire only upon written application to the Board of Trustees setting forth at what time, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired. Such early retirement allowance so elected shall be equal to the deferred retirement allowance otherwise payable at the attainment of the age of 60 years reduced by the percentage thereof indicated below.

b1. In lieu of the benefits provided in paragraphs a and b of this subdivision, any member who is a law-enforcement officer at the time of separation from service prior to the attainment of the age of 50 years, for any reason other than death or disability as provided in this Article, after completing 15 or more years of creditable service in this capacity immediately prior to separation from service, and who leaves his total accumulated contributions in this System may elect to retire on a deferred early retirement allowance upon attaining the age of 50 years or at any time

thereafter; provided, that the member may commence retirement only upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to commence retirement. The deferred early retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to law-enforcement officers.

b2. In lieu of the benefits provided in paragraphs a and b of this subdivision, any member who is a law-enforcement officer at the time of separation from service prior to the attainment of the age of 55 years, for any reason other than death or disability as provided in this Article, after completing five or more years of creditable service in this capacity immediately prior to separation from service, and who leaves his total accumulated contributions in this System may elect to retire on a deferred early retirement allowance upon attaining the age of 55 years or at any time thereafter; provided, that the member may commence retirement only upon written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to commence retirement. The deferred early retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to law-enforcement officers.

b3. Vested deferred retirement allowance of members retiring on or after July 1, 1994. — In lieu of the benefits provided in paragraphs a. and b. of this subdivision, any member who separates from service prior to attainment of age 60 years, after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in said System, may elect to retire on a deferred retirement allowance upon attaining the age of 50 years or any time thereafter; provided that such member may so retire only upon written application to the Board of Trustees setting forth at what time, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired. Such deferred retirement allowance shall be computed in accordance with the service retirement provisions of this Article pertaining to a member who is not a law enforcement officer or an eligible former law enforcement officer.

c. **(Effective until June 30, 2004 — See note)** Should a beneficiary who retired on an early or service retirement allowance under this Chapter be reemployed, or otherwise engaged to perform services, by an employer participating in the Retirement System on a part-time, temporary, interim, or on a fee-for-service basis, whether contractual or otherwise, and if such beneficiary earns an amount during the 12-month period immediately following the effective date of retirement or in any calendar year which exceeds fifty percent (50%) of the reported compensation, excluding terminal payments, during the 12 months of service preceding the effective date of retirement, or twenty thousand dollars ($20,000), whichever is greater, as hereinafter indexed, then the retirement allowance shall be suspended as of the first day of the month following the month in which the reemployment earnings exceed the amount above, for the balance of the calendar year. The retirement allowance of the beneficiary shall be reinstated as of

G.S. 135-3(8)c. is set out twice. See notes.

January 1 of each year following suspension. The amount that may be earned before suspension shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of a percent (1/10 of 1%).

The computation of postretirement earnings of a beneficiary under this sub-subdivision, G.S. 135-3(8)c., who has been retired at least six months and has not been employed in any capacity, except as a substitute teacher or a part-time tutor, with a public school for at least six months immediately preceding the effective date of reemployment, shall not include earnings while the beneficiary is employed to teach on a substitute, interim, or permanent basis in a public school. The Department of Public Instruction shall certify to the Retirement System that a beneficiary is employed to teach by a local school administrative unit under the provisions of this sub-subdivision and as a retired teacher as the term is defined under the provisions of G.S. 115C-325(a)(5a).

Beneficiaries employed under this sub-subdivision are not entitled to any benefits otherwise provided under this Chapter as a result of this period of employment.

c. **(Effective June 30, 2004)** Should a beneficiary who retired on an early or service retirement allowance under this Chapter be reemployed, or otherwise engaged to perform services, by an employer participating in the Retirement System on a part-time, temporary, interim, or on a fee-for-service basis, whether contractual or otherwise, and if such beneficiary earns an amount during the 12-month period immediately following the effective date of retirement or in any calendar year which exceeds fifty percent (50%) of the reported compensation, excluding terminal payments, during the 12 months of service preceding the effective date of retirement, or twenty thousand dollars ($20,000), whichever is greater, as hereinafter indexed, then the retirement allowance shall be suspended as of the first day of the month following the month in which the reemployment earnings exceed the amount above, for the balance of the calendar year. The retirement allowance of the beneficiary shall be reinstated as of January 1 of each year following suspension. The amount that may be earned before suspension shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of a percent (1/10 of 1%).

d. Should a beneficiary who retired on an early or service retirement allowance under this Chapter be restored to service as an employee or teacher, then the retirement allowance shall cease as of the first of the month following the month in which the beneficiary is restored to service and the beneficiary shall become a member of the Retirement System and shall contribute thereafter as allowed by law at the uniform contribution payable by all members.

Upon his subsequent retirement, he shall be paid a retirement allowance determined as follows:

1. For a member who earns at least three years' membership service after restoration to service, the retirement allowance

shall be computed on the basis of his compensation and service before and after the period of prior retirement without restrictions; provided, that if the prior allowance was based on a social security leveling payment option, the allowance shall be adjusted actuarially for the difference between the amount received under the optional payment and what would have been paid if the retirement allowance had been paid without optional modification.

2. For a member who does not earn three years' membership service after restoration to service, the retirement allowance shall be equal to the sum of the retirement allowance to which he would have been entitled had he not been restored to service, without modification of the election of an optional allowance previously made, and the retirement allowance that results from service earned since being restored to service; provided, that if the prior retirement allowance was based on a social security leveling payment option, the prior allowance shall be adjusted actuarially for the difference between the amount that would have been paid for each month had the payment not been suspended and what would have been paid if the retirement allowance had been paid without optional modification.

e. Any beneficiary who retired on an early or service retirement allowance as an employee of any State department, agency or institution under the Law Enforcement Officers' Retirement System and becomes employed as an employee by a State department, agency, or institution as an employer participating in the Retirement System shall become subject to the provisions of G.S. 135-3(8)c and G.S. 135-3(8)d on and after January 1, 1989.

(8a) Notwithstanding the provisions of paragraphs c and d of subdivision (8) to the contrary, a beneficiary who was a beneficiary retired on an early or service retirement with the Law Enforcement Officers' Retirement System at the time of the transfer of law enforcement officers employed by the State and beneficiaries last employed by the State to this Retirement System on January 1, 1985, and who also was a contributing member of this Retirement System on January 1, 1985, shall continue to be paid his retirement allowance without restriction and may continue as a member of this Retirement System with all the rights and privileges appendant to membership.

(9) Members who are participating in an intergovernmental exchange of personnel under the provisions of Article 10 of Chapter 126 may retain their membership status and receive all benefits provided by this Chapter during the period of the exchange provided the requirements of Article 10 of Chapter 126 are met; provided further, that a member participating in an intergovernmental exchange of personnel under Article 10 of Chapter 126 shall, notwithstanding whether he and his employer are making contributions to the member's account during the exchange period, be entitled to the death benefit if he otherwise qualifies under the provisions of this Article and provided further that no duplicate benefits shall be paid. Session Laws 2002-126, s. 28.10(a1), provides: "The State Treasurer shall seek a private letter ruling from the Internal Revenue Service that G.S. 135-3(8) c. could be amended from six months to two months without adverse affect on the tax qualification of the Teachers' and State Employees' Retirement System."

Session Laws 2002-126, s. 28.13(c), provides: "Subsections (a) and (b) of this section [which amended G.S. 135-3(8)c. and G.S. 128-24(5)c.] do not apply during the 2002-2003 fiscal year to any person who was retired on or before September 1, 2002, and also had entered into any employment contract or commitment for some or all of that year."

Session Laws 2002-126, s. 28.13(d), provides: "The State Treasurer shall seek a private letter ruling from the Internal Revenue Service relating to what constitutes a "bona fide termination of employment" and the period of time that a member of the Teachers' and State Employees' Retirement System must be separated from service before they can be reemployed either on a full-time or contract basis while continuing to receive retirement benefits."

Session Laws 2002-126, s. 1.2, provides: "This act shall be known as 'The Current Operations, Capitol Improvements, and Finance Act of 2002'."

Session Laws 2002-126, s. 31.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2002-2003 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2002-2003 fiscal year. For example, uncodified provisions of this act relating to the Medicaid program apply only to the 2002-2003 fiscal year."

Session Laws 2002-126, s. 31.6, is a severability clause.

Effect of Amendments. — Session Laws 1998-212, s. 28.24(a), as amended by Session Laws 2002-126, s. 28.10(a), effective January 1, 1999, and expiring on June 30, 2004, added the second and third paragraphs in subdivision (8)c.

Session Laws 1998-217, s. 67, as amended by Session Laws 2002-126, s. 28.10(b), effective January 1, 1999, and expiring June 30, 2004, substituted "retired" for "probationary," and "G.S. 115C-325(a)(5a)" for "G.S. 115C-325-(a)(5)" in the present second paragraph of subdivision (8)c.

Session Laws 2000-67, s. 8.24(a), effective July 1, 2000, rewrote subdivision (8)c as amended by Session Laws 1998-212, s. 28.24(a).

Session Laws 2001-424, s. 32.25(a), as amended by Session Laws 2002-126, s. 28.10(d) effective July 1, 2001, and expiring June 30, 2004, in the version of subdivision (8)c effective until June 30, 2004, substituted "six months" for "12 months" in two places and inserted "or a part-time tutor" in the second paragraph.

Session Laws 2002-126, s. 28.13(a), effective July 1, 2002, added "during the 12-month period immediately following the effective date of retirement or" in the first paragraph of subdivision (8)c.

CASE NOTES

Constitutionality of Subsection (8)d. — Because all retired officers and employees are subject to the provisions of subsection (8)d of this section, plaintiff retired judge was not treated differently than similarly situated persons, and the Retirement System's interpretation of subsection (8)d did not violate the Equal Protection Clause of either the United States or the North Carolina Constitution. Wells v. Consolidated Judicial Retirement Sys., 136 N.C. App. 671, 526 S.E.2d 486, 2000 N.C. App. LEXIS 162 (2000), aff'd, 354 N.C. 313, 553 S.E.2d 877 (2001).

Suspension of Benefits. — In case involving suspension of plaintiff retired judge's retirement benefits after he was appointed to another state office, where the prohibition contained in subsection (8)d of this section existed as former (8)c when plaintiff's rights vested in the Retirement System, the prohibition applied to plaintiff, and plaintiff's contract under Chapter 135 provided that his benefits would cease if he returned to employment with the State of North Carolina following his retirement from the court. Wells v. Consolidated Judicial Retirement Sys., 136 N.C. App. 671, 526 S.E.2d 486, 2000 N.C. App. LEXIS 162 (2000), aff'd, 354 N.C. 313, 553 S.E.2d 877 (2001).

Suspension of the retirement benefits of a retired judge who was appointed to state utilities commission, while he served on that commission, was proper even though the statute authorizing the suspension of a retired judge's pension only spoke of suspending the benefits of a retired judge who returned to judicial service, because the broader provisions of G.S. 135-3(8)(c), disallowing continued receipt of benefits by a contributor to the Teachers' and State Employees' Retirement System of North Carolina, applied to the judge. Wells v. Consolidated Judicial Ret. Sys., 354 N.C. 313, 553 S.E.2d 877, 2001 N.C. LEXIS 1098 (2001).

Employee Reentering State Employment After Retirement. — When an employee, age 62, retires on July 1, 1959, and receives retirement benefits until July 1, 1964, at which time he reenters State employment, when that employee subsequently retires on July 1, 1969, he is entitled to the resumption of payment of his retirement benefits suspended while he was reemployed, plus additional benefits based on a salary over the most recent 5 years' employment figured at the current formula rate. He is not entitled to benefits using the current formula and his total service recently plus that prior to his first retirement. Opinion of Attorney General to Mr. J.E. §§ 135-3.1, 135-3.2: Repealed by Session Laws 1961, c. 516, s. 9.

§ 135-4. Creditable service.

(a) Under such rules and regulations as the Board of Trustees shall adopt, each member who was a teacher or State employee at any time during the five years immediately preceding the establishment of the System and who became a member prior to July 1, 1946, shall file a detailed statement of all North Carolina service as a teacher or State employee rendered by him prior to the date of establishment for which he claims credit; provided, that, notwithstanding the foregoing, any member retiring on or after July 1, 1965, with credit for not less than 10 years of membership service shall file such detailed statement

of service as a teacher or State employee rendered by him prior to July 1, 1941, for which he claims credit; provided, that any member who retired on a service retirement allowance prior to July 1, 1965, who at the time of his retirement did not qualify for credit for his service as a teacher or State employee prior to July 1, 1941, may request on and after July 1, 1971, that his original benefit be recalculated, in accordance with the formula prevailing at the time of his retirement, to include credit for such service with the new benefit to become effective on the first of the month following certification of the prior service.

(b) The Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year is equivalent to one year of service, but in no case shall more than one year of service be creditable for all services in one year. Service rendered for the regular school year in any district shall be equivalent to one year's service. Service rendered by a school employee in a job-sharing position shall be credited at the rate of one-half year for each regular school year of employment.

(c) Subject to the above restrictions and to such other rules and regulations as the Board of Trustees may adopt, the Board of Trustees shall verify, as soon as practicable after the filing of such statements of service, the service therein claimed.

In lieu of a determination of the actual compensation of the members that was received during such period of prior service the Board of Trustees may use for the purpose of this Chapter the compensation rates which will be determined by the average salary of the members for five years immediately preceding the date this System became operative as the records show the member actually received. Creditable service for unused sick leave shall be allowed only for sick leave accrued monthly during employment under a duly adopted sick leave policy and for which the member may be able to take credits and be paid for sick leave without restriction.

(d) Any member may, up to his date of retirement and within one year thereafter, request the Board of Trustees to modify or correct his prior service credit.

(e) Creditable service at retirement on which the retirement allowance of a member shall be based shall consist of the membership service rendered by him since he last became a member, and also if he has a prior service certificate which is in full force and effect, the amount of service certified on his prior service certificate; and if he has sick leave standing to his credit upon retirement on or after July 1, 1971, one month of credit for each 20 days or portion thereof, but sick leave shall not be counted in computing creditable service for the purpose of determining eligibility for disability retirement or for a vested deferred allowance.

On and after July 1, 1971, a member whose account was closed on account of absence from service under the provisions of G.S. 135-3(3) and who subsequently returns to service for a period of five years, may thereafter repay in a lump sum the amount withdrawn plus regular interest thereon from the date of withdrawal through the year of repayment and thereby increase his creditable service by the amount of creditable service lost when his account was closed.

On and after July 1, 1973, a member whose account in the North Carolina Local Governmental Employees' Retirement System was closed on account of absence from service under the provisions of G.S. 128-24(1a) and who subsequently became or becomes a member of this System with credit for five years of service, may thereafter repay in a lump sum the amount withdrawn from the North Carolina Local Governmental Employees' Retirement System plus regular interest thereon from the date of withdrawal through the year of repayment and thereby increase his creditable service in this System by the amount of creditable service lost when his account was closed.

On or after July 1, 1979, a member who has obtained 60 months of aggregate service, or five years of membership service, as an employee of the North Carolina General Assembly, except legislators, participants in the Legislative Intern Program and pages, may make a lump sum payment together with interest, and an administrative fee for such service, to the Teachers' and State Employees' Retirement System of an amount equal to what he would have contributed had he been a member on his first day of employment.

On and after January 1, 1985, the creditable service of a member who was a member of the Law-Enforcement Officers' Retirement System at the time of the transfer of law-enforcement officers employed by the State from that System to this Retirement System and whose accumulated contributions are transferred from that System to this Retirement System, shall include service that was creditable in the Law-Enforcement Officers' Retirement System; and membership service with that System shall be membership service with this Retirement System; provided, notwithstanding any provision of this Article to the contrary, any inchoate or accrued rights of such a member to purchase creditable service for military service, withdrawn service and prior service under the rules and regulations of the Law-Enforcement Officers' Retirement System shall not be diminished and may be purchased as creditable service with this Retirement System under the same conditions which would have otherwise applied.

(f) Armed Service Credit. —

(1) Teachers and other State employees who entered the armed services of the United States on or after September 16, 1940, and prior to February 17, 1941, and who returned to the service of the State within a period of two years after they were first eligible to be separated or released from such armed services under other than dishonorable conditions shall be entitled to full credit for all prior service.

(2) Teachers and other State employees who entered the armed services of the United States on or after September 16, 1940, and who returned to the service of the State prior to October 1, 1952, or who devote not less than 10 years of service to the State after they are separated or released from such armed services under other than dishonorable conditions, shall be entitled to full credit for all prior service, and, in addition they shall receive membership service credit for the period of service in such armed services up to the date they were first eligible to be separated or released therefrom, occurring after the date of establishment of the Retirement System.

(3) Teachers and other State employees who enter the armed services of the United States on or after July 1, 1950, or who engage in active military service on or after July 1, 1950, and who return to the service of the State within a period of two years after they are first eligible to be separated or released from such active military service under other than dishonorable conditions shall be entitled to full membership service credit for the period of such active service in the armed services.

(4) Under such rules as the Board of Trustees shall adopt, credit will be provided by the Retirement System with respect to each such teacher or other State employee in the amounts that he would have been paid during such service in such armed services on the basis of his earnable compensation when such service commenced. Such contributions shall be credited to the individual account of the member in the annuity savings fund, in such manner as the Board of Trustees shall determine, but any such contributions so credited and any regular interest thereon shall be available to the member only in the form of an annuity, or benefit in lieu thereof, upon his retirement on a service,

disability or special retirement allowance; and in the event of cessation of membership or death prior thereto, any such contributions so credited and regular interest thereon shall not be payable to him or on his account, but shall be transferred from the annuity savings fund to the pension accumulation fund. If any payments were made by a member on account of such service as provided by subdivision (5) of subsection (b) of G.S. 135-8, the Board of Trustees shall refund to or reimburse such member for such payments.

(5) The provisions of this subsection shall also apply to members of the national guard with respect to teachers and State employees who are called into federal service or who are called into State service, to the extent that such persons fail to receive compensation for performance of the duties of their employment other than for service in the national guard.

(6) Repealed by Session Laws 1981, c. 636, s. 1. For proviso as to inchoate or accrued rights, see Editor's Note below.

(7) Notwithstanding any other provision of this Chapter, any member and any retired member as herein described may purchase creditable service in the Armed Forces of the United States, not otherwise allowed, by paying a total lump sum payment determined as follows:

a. For members who completed 10 years of membership service, and retired members who completed 10 years of membership service prior to retirement, whose membership began on or prior to July 1, 1981, and who make this purchase within three years after first becoming eligible, the cost shall be an amount equal to the monthly compensation the member earned when he first entered membership service times the employee contribution rate at that time times the months of service to be purchased, with sufficient interest added thereto so as to equal one-half of the cost of allowing this service, plus an administrative fee to be set by the Board of Trustees.

b. For members who complete five years of membership service, and retired members who complete five years of membership service prior to retirement, and eligible members and retired members covered by paragraph a. of this subdivision, whose membership began on or before July 1, 1981, but who did not or do not make this purchase within three years after first becoming eligible, the cost shall be an amount equal to the full liability of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities and shall take into account the retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire on an unreduced allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the term "full liability" includes assumed post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service retirement allowance.

Creditable service allowed under this subdivision shall be only for the initial period of "active duty", as defined in 38 U.S. Code Section 101(21), in the Armed Forces of the United States up to the date the member was first eligible to be separated and released and for subsequent periods of "active duty", as defined in 38 U.S. Code Section

101(21), as required by the Armed Forces of the United States up to the date of first eligibility for separation or release, but shall not include periods of active duty in the Armed Forces of the United States creditable in any other retirement system except the national guard or any reserve component of the Armed Forces of the United States, and shall not include periods of "active duty for training", as defined in 38 U.S. Code Section 101(22), or periods of "inactive duty training", as defined in 38 U.S. Code Section 101(23), rendered in any reserve component of the Armed Forces of the United States. Provided, creditable service may be allowed only for active duty in the Armed Forces of the United States of a member that resulted in a general or honorable discharge from duty. The member shall submit satisfactory evidence of the service claimed. For purposes of this subsection, membership service may include any membership or prior service credits transferred to this Retirement System pursuant to G.S. 135-18.1.

(g) Teachers and other State employees who served in the armed forces of the United States and who, after being honorably discharged, returned to the service of the State within a period of two years from date of discharge shall be credited with prior service for such period of service in the armed forces of the United States; and the salaries or compensations paid to such employees immediately before entering the armed forces shall be deemed to be the actual compensation rates of such teachers and State employees during said period of service.

(h) During periods when a member is on leave of absence and is receiving less than his full compensation, he will be deemed to be in service only if he is contributing to the Retirement System as provided in G.S. 135-8(b)(5). If he is so contributing, the annual rate of compensation paid to such employee immediately before the leave of absence began will be deemed to be the actual compensation rate of the employee during the leave of absence.

(i) Any person who became a member after June 30, 1947, and before July 1, 1955, and did not subsequently withdraw his contributions may, prior to his retirement, increase his creditable service to the extent of the period of time from the date he became a "teacher or employee" as the terms are defined in this Chapter to the date he became a member, but not exceeding three months immediately preceding membership, provided that he makes an additional contribution in one lump sum equal to five per centum (5%) of the compensation he received for the aforesaid period of time plus regular interest thereon from the date he became a member to the date of payment.

(j) Creditable service at retirement shall include any service rendered by a member while on leave of absence to serve as a member or officer of the General Assembly which is not creditable toward retirement under the Legislative Retirement Fund provided the allowance of such credit shall be contingent upon the cancellation of service credit in the Fund and the transfer of the member's contributions plus accumulated interest from the Fund to this System.

(j1) Any member may purchase creditable service for service as a member of the General Assembly not otherwise creditable under this section, provided the service is not credited in the Legislative Retirement Fund nor the Legislative Retirement System, and further provided the member pays a lump sum amount equal to the full cost of the additional service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which a member could retire on an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary,

plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(j2) The creditable service of a member who was a member of the Local Governmental Employees' Retirement System, the Consolidated Judicial Retirement System, or the Legislative Retirement System, and whose accumulated contributions and reserves are transferred from that System to this System, includes service that was creditable in the Local Governmental Employees' Retirement System, the Consolidated Judicial Retirement System, or the Legislative Retirement System, and membership service with those Retirement Systems is membership service with this Retirement System.

(k) Notwithstanding any other provision of this Chapter, any person who withdrew his contributions in accordance with the provisions of G.S. 128-27(f) or G.S. 135-5(f) or the rules and regulations of the Law-Enforcement Officers' Retirement System and who subsequently returns to service may, upon completion of five years of membership service, repay in a total lump sum any and all of the accumulated contributions previously withdrawn with interest compounded annually at the rate of six and one-half percent (6.5%) for each calendar year from the year of withdrawal to the year of repayment plus a fee to cover expense of handling which shall be determined by the Board of Trustees, and receive credit for the service forfeited at time of withdrawal. These provisions shall apply equally to retired members who had attained five years of membership service prior to retirement. The retirement allowance of a retired member who restores service under this subsection shall be increased the month following the month payment is received. The increase in the retirement allowance shall be the difference between the initial retirement allowance, under any optional allowance elected at the time of retirement, and the amount of the retirement allowance, under any optional allowance elected at the time of retirement, to which the retired member would have been entitled had the service not been previously forfeited, adjusted by any increases in the retirement accrual rate occurring between the member's date of retirement and the date of payment. The increase in the retirement allowance shall not include any adjustment for cost-of-living increases granted since the date of retirement.

Notwithstanding any provision to the contrary, a law enforcement officer who was transferred from the Law Enforcement Officers' Retirement System to this Retirement System pursuant to Article 12C of Chapter 143 of the General Statutes and withdrew his accumulated contributions prior to January 1, 1985, in accordance with G.S. 128-27(f) or G.S. 135-5(f) for non-law enforcement service and who has five years or more of membership service standing to his credit may repay in a total lump sum the accumulated contributions previously withdrawn with interest compounded annually at the rate of six and one-half percent (6.5%) for each calendar year from the year of withdrawal to the year of repayment plus a fee to cover expense of handling which shall be determined by the Board of Trustees, and receive credit for the service forfeited at time of withdrawal(s). The retirement allowance of a retired member who restores service under this subsection shall be increased the month following the month payment is received. The increase in the retirement allowance shall be the difference between the initial retirement allowance, under any optional allowance elected at the time of retirement, and the amount of the retirement allowance, under any optional allowance elected at the time of retirement, to which the retired member would have been entitled had the service not been previously forfeited, adjusted by any increases in the retirement accrual rate

occurring between the member's date of retirement and the date of payment. The increase in the retirement allowance shall not include any adjustment for cost-of-living increases granted since the date of retirement.

(*l*) Repealed by Session Laws 1981, c. 636, s. 1. For proviso as to inchoate or accrued rights, see Editor's Note below.

(*l*1) Notwithstanding any other provision of this Chapter, any member and any retired member as herein described may purchase creditable service previously rendered to any state, territory, or other governmental subdivision of the United States other than this State by paying a total lump-sum payment determined as follows:

(1) For members who completed 10 years of current membership service, and retired members who completed 10 years of current membership service prior to retirement, whose membership began on or before July 1, 1981, and who make such purchase within three years after first becoming eligible, the cost shall be an amount equal to the monthly compensation the member earned when he first entered membership service, times the employee contribution rate at that time, times the months of service to be purchased, times two, with sufficient interest added thereto so as to equal the full cost of allowing such service, plus an administrative fee to be set by the Board of Trustees.

(2) For members who complete five years of current membership service, and retired members who complete five years of current membership service prior to retirement, and eligible members and retired members covered by subdivision (1) of this subsection, whose membership began on or before July 1, 1981, but who did not or do not make such purchase within three years after first becoming eligible, the cost shall be an amount equal to the full liability of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities and shall take into account the retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire on an unreduced allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the term "full liability" includes assumed postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service retirement allowance. Notwithstanding the requirement of five years of current membership service, a member whose membership began prior to the service the member desires to purchase shall be eligible to purchase creditable service under this subdivision upon returning to service as a teacher or employee upon completion of a total of five years of membership service and upon completion of one year of current membership service.

Current membership service shall mean membership service earned since the service previously rendered to any state, territory, or other governmental subdivision of the United States other than this State. Creditable service under this subsection shall be allowed only at the rate of one year of out-of-state service for each year of membership service in this State, with a maximum allowable of 10 years of out-of-state service. Such service is limited to full-time service which would be allowable under the laws governing this System. Credit will be allowed only if no benefit is allowable in another public retirement system as a result of the service.

(m) Notwithstanding any language to the contrary of any provision of this section, or of any repealed provision of this section that was repealed with the

inchoate and accrued rights preserved, all repayments and purchases of service credits, allowed under the provisions of this section or of any repealed provision of this section that was repealed with inchoate and accrued rights preserved, must be made within three years after the member first becomes eligible to make such repayments and purchases. Any member who does not repay or purchase service credits within said three years after first eligibility to make such repayments and purchases may, under the same conditions as are otherwise required, repay or purchase service credits provided that the repayment or purchase equals the full cost of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities and shall take into account the additional retirement allowance arising on account of such additional service credit commencing at the earliest age at which such member could retire on an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance. Notwithstanding the foregoing, on and after July 1, 2001, the provisions of this subsection shall not apply to the repayment of contributions withdrawn pursuant to subsection (k) of this section.

(n) Repealed by Session Laws 1981, c. 636, s. 1. For proviso as to inchoate or accrued rights, see Editor's Note below.

(o) Repealed by Session Laws 1981, c. 636, s. 1. For proviso as to inchoate or accrued rights, see Editor's Note below.

(p) Credit for prior temporary State employment. — Notwithstanding any other provision of this Chapter, a member may purchase service credit for temporary State employment upon completion of 10 years of membership service and subject to the condition that the member had been classified as a temporary employee for more than three years. Each employer shall certify to the Board of Trustees that an employee is eligible to purchase this service credit prior to the member making payment. Payment for the service credit shall be in a single lump sum based upon the amount the member would have contributed if he had been properly classified as a permanent employee and been a member of this retirement system.

(p1) Part-Time Service Credit. —

(1) Notwithstanding any other provision of this Chapter, upon completion of five years of membership service, any member may purchase service previously rendered as a part-time teacher or employee of an employer as defined in G.S. 135-1(11) or G.S. 128-21(11), except for temporary or part-time service rendered while a full-time student in pursuit of a degree or diploma in a degree-granting program. Payment shall be made in a single lump sum in an amount equal to the full actuarial cost of providing credit for the service, together with interest and an administrative fee, as determined by the Board of Trustees on the advice of the Retirement System's actuary. Notwithstanding the provisions of G.S. 135-4(b), the Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year, as based on compensation, is equivalent to one year of service in proportion to "earnable compensation", but in no case shall more than one year of service be creditable for all service in one year. Service rendered for the regular school year in any district shall be equivalent to one year's service. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost"

include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(2) Under all requirements and conditions set forth in the preceding subdivision of this subsection (p1), except for the requirement that the completion of five years of membership service be subsequent to service rendered as a part-time teacher or employee of the State, any member with five or more years of membership service standing to his credit may purchase additional membership service for service rendered as a part-time teacher or employee of the State if (i) the member terminates or has terminated employment in any capacity as a teacher or employee of the State, (ii) the purchase of the additional membership service causes the member to become eligible to commence an early or service retirement allowance, and (iii) the member immediately elects to commence retirement and become a beneficiary.

(3) Under all the requirements and conditions set forth in subdivision (1) of this subsection, except for the condition that part-time service rendered when a full-time student in pursuit of a degree or diploma in a degree-granting program is not eligible for purchase, any member with five or more years of membership service standing to the member's credit may purchase creditable service for service rendered as a part-time teacher or employee of the State if that service was rendered on a permanent part-time basis and required at least 20 hours of service per week.

(q) Notwithstanding any other provision of this Chapter, any member who entered service or was restored to service prior to July 1, 1982, and was excluded from membership service solely on account of having attained the age of 62 years, in accordance with former G.S. 135-3(6), may purchase membership service credits of such excluded service by making a lump-sum payment equal to the contributions that would have been deducted pursuant to G.S. 135-8(b) had he been a member of the Retirement System, increased by interest calculated at a rate of seven percent (7%) per annum.

(r) Notwithstanding any other provision of this Chapter, any member may purchase creditable service for periods of employer approved leaves of absence when in receipt of benefits under the North Carolina Workers' Compensation Act. This service shall be purchased by paying a cost calculated in the following manner:

(1) Leaves of Absence Terminated Prior to July 1, 1983. — The cost to a member whose employer approved leave of absence, when in receipt of benefits under the North Carolina Workers' Compensation Act, terminated upon return to service prior to July 1, 1983, shall be a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities, and shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the board of trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the board of trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(2) Leaves of Absence Terminating On and After July 1, 1983, but before January 1, 1988. — The cost to a member whose employer approved

leave of absence, when in receipt of benefits under the North Carolina Workers' Compensation Act, terminates upon return to service on and after July 1, 1983, but before January 1, 1988, shall be a lump sum amount due and payable to the Annuity Savings Fund within six months from return to service equal to the total employee and employer percentage rates of contribution in effect at the time of purchase and based on the annual rate of compensation of the member immediately prior to the leave of absence; Provided, however, the cost to a member whose amount due is not paid within six months from return to service shall be the amount due plus one percent (1%) per month penalty for each month or fraction thereof the payment is made beyond the six-month period.

(3) Leaves of Absence Terminating On and After January 1, 1988. — The cost to a member whose employer approved leave of absence, when in receipt of benefits under the North Carolina Workers' Compensation Act, terminates upon or before a return to service on and after January 1, 1988, shall be due and payable to the Annuity Savings Fund within six months from return to service and shall be a lump sum amount equal to the employee percentage rate of contribution in effect at the time of purchase applied to the annual rate of compensation of the member immediately prior to the leave of absence. For members electing to make this payment, the member's employer which granted the leave of absence, or the member's employer upon a return to service, or both, shall make a matching lump sum payment to the Pension Accumulation Fund within six months from return to service equal to the employer percentage rate of contribution in effect at the time of purchase applied to the annual rate of compensation of the member immediately prior to the leave of absence. Such purchases of creditable service are applicable only when members have membership service credits within 30 days prior to the leave of absence and within 12 months following the leave of absence and such membership service is creditable service at the time of purchase. Notwithstanding any other provision of this subdivision, the cost to a member and to a member's employer or former employer or both employers whose amount due is not paid within six months from return to service shall be the amount due plus one percent (1%) per month penalty for each month or fraction thereof that the payment is made after the six-month period.

Whenever the creditable service purchased pursuant to this subsection is for a period that occurs during the four consecutive calendar years that would have produced the highest average annual compensation pursuant to G.S. 135-1(5) had the member not been on leave of absence without pay, then the compensation that the member would have received during the purchased period shall be included in calculating the member's average final compensation. In such cases, the compensation that the member would have received during the purchased period shall be based on the annual rate of compensation of the member immediately prior to the leave of absence.

(s) Credit at Full Cost for Temporary Employment. — In addition to the provisions of subsection (p) above, any member may purchase creditable service for State employment when classified as a temporary teacher or employee subject to the conditions that the:

(1) Member was employed by an employer as defined in G.S. 135-1(11) or G.S. 128-21(11);

(2) Member's temporary employment met all other requirements of G.S. 135-1(10) or (25), or G.S. 128-21(10);

(3) Member has completed five years or more of membership service;
(4) Member acquires from the employer such certifications of temporary employment as are required by the Board of Trustees; and
(5) Member makes a lump sum payment into the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the Retirement System's liabilities and shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary, plus an administrative expense fee to be determined by the Board of Trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

The provisions of this subsection shall also apply to the purchase of creditable service for State employment when classified as a permanent hourly employee in accordance with G.S. 126-5(c4).

(t) Credit at Full Cost for Local Government Employment. — Any member may purchase creditable service for any employment as an employee, as defined in G.S. 128-21(10), of a local government employer not creditable in the North Carolina Local Governmental Employees' Retirement System upon completion of five years of membership service by making a lump-sum payment into the Annuity Savings Fund. The payment by the member shall be equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the Retirement System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire with an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary plus an administrative expense fee to be determined by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(u) Any member who was a wildlife protector who elected to become a member of the Law Enforcement Officers' Retirement System pursuant to Chapter 837 of the 1971 Session Laws by the transfer of accumulated contributions from this Retirement System to the Law Enforcement Officers' Retirement System and who has not subsequently applied for and received a return of accumulated contributions shall be entitled to creditable service for the service as a non-law enforcement officer forfeited as a result of the transfer pursuant to Chapter 837 of the 1971 Session Laws.

(v) Omitted Membership Service. — A member who had service as an employee as defined in G.S. 135-1(10) and G.S. 128-21(10) or as a teacher as defined in G.S. 135-1(25) and who was omitted from contributing membership through error may be allowed membership service, after submitting clear and convincing evidence of the error, as follows:

(1) Within 90 days of the omission, by the payment of employee and employer contributions that would have been paid; or
(2) After 90 days and prior to three years of the omission, by the payment of the employee and employer contributions that would have been

paid plus interest compounded annually at a rate equal to the greater of the average yield on the pension accumulation fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees; or

(3) After three years of the omission, by the payment of an amount equal to the full cost of the service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the system's liabilities, and shall take into account the additional retirement allowance arising on account of such additional service credit commencing at the earliest age at which a member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subdivision that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

Nothing contained in this subsection shall prevent an employer or member from paying all or a part of the cost of the omitted membership service; and to the extent paid by the employer, the cost paid by the employer shall be credited to the pension accumulation fund; and to the extent paid by the member, the cost paid by the members shall be credited to the member's annuity savings account; provided, however, an employer does not discriminate against any member or group of members in his employ in paying all or any part of the cost of the omitted membership service.

(w) Credit at Full Cost for Federal Employment. — Notwithstanding any other provisions of this Chapter, a member, upon the completion of five years of membership service, may purchase creditable service for periods of federal employment, provided that the member is not receiving any retirement benefits resulting from this federal employment, and provided that the member is not vested in the particular federal retirement system to which the member may have belonged while a federal employee. The member shall purchase this service by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities, and shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

Members may also purchase creditable service for periods of employment with public community service entities within the State funded entirely with federal funds, other than the federal government, that are not covered by the provisions of G.S. 128-21(11) or G.S. 135-1(11), under the same terms and conditions that are applicable to the purchase of creditable service for periods of federal employment in accordance with this subsection. "Public community service entities" as used in this subsection shall mean community action, human relations, manpower development, and community development programs as defined in Articles 19 and 21 of Chapter 160A and Article 18 of

Chapter 153A of the General Statutes and any other similar programs that the Board of Trustees may adopt.

(x) Repealed by Session Laws 2001-424, s. 32.32(c), effective July 1, 2001.

(y) A member who is a beneficiary of the Disability Income Plan provided for in Article 6 of this Chapter shall be granted creditable service for each month that the member is eligible for and for which a benefit is paid under the provisions of G.S. 135-105 and G.S. 135-106; provided, however, that in no instance shall a member be granted creditable service under this subsection if creditable service is earned or credited for the same month in this retirement system or any other retirement system administered by the State.

(z) Credit at Full Cost for Leave Due to Extended Illness. — Any member in service with five or more years of membership service standing to his credit may purchase creditable service for periods of interrupted service while on leave without pay status due to the member's illness or injury, excluding leave due to maternity, provided that any single such interrupted service shall have included such period of time during which the member failed to earn at least two months membership service, by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities; and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(aa) Credit at Full Cost for Maternity Leave. — Notwithstanding other provisions of this Chapter, any member in service with five or more years of credited membership service may purchase creditable service for periods of service which were interrupted due to parental leave, pregnancy or childbirth, or involuntary administrative furlough due to a lack of funds to support the position by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities; and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Creditable service purchased under this subsection may not exceed six months per parental leave, pregnancy or childbirth, or involuntary administrative furlough due to a lack of funds to support the position. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the term "full liability" includes assumed annual postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(bb) Credit at Full Cost for Probationary Local Government Employment. — Notwithstanding any other provision of this Chapter, a member may purchase creditable service, prior to retirement, for employment with any local employer as defined in G.S. 128-21(11) when considered to be in a probationary or employer-imposed waiting period status, between the date of employment and

the date of membership service with the Local Governmental Employees' Retirement System, provided that the former employer of such a member has revoked this probationary employment or waiting period policy.

The member shall purchase this service by making a lump-sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the liabilities of the retirement system, and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the provisions of this subsection that provide for the purchase of service credits, the term "full liability" includes assumed annual postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(cc) Credit for Employment in Charter School Operated by a Private Nonprofit Corporation. — Any member may purchase creditable service for any employment as an employee of a charter school operated by a private nonprofit corporation whose board of directors did not elect to participate in the Retirement System under G.S. 135-5.3 upon completion of five years of membership service after that charter school employment by making a lump-sum payment into the Annuity Savings Fund. The payment by the member shall be equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the Retirement System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire with an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary plus an administrative expense fee to be determined by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(dd) Purchase of Service Credits Through Rollover Contributions From Certain Other Plans. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of G.S. 135-4, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through rollover contributions to the Annuity Savings Fund from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code, (ii) an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state, (iii) an individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income, or (iv) a qualified plan described in Section 401(a) or 403(a) of the Internal Revenue Code. Notwithstanding the foregoing, the Retirement System shall not accept any amount as a rollover contribution unless such amount is eligible to be rolled over to a qualified trust in accordance with applicable law and the member provides evidence satisfactory to the Retirement System that such amount qualifies for rollover treatment. Unless received by the Retirement System in the form of a direct

rollover, the rollover contribution must be paid to the Retirement System on or before the 60th day after the date it was received by the member.

Purchase of Service Credits Through Plan-to-Plan Transfers. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of G.S. 135-4, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code or (ii) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(ee) **(See note)** Purchase of Service Credits Through Plan-to-Plan Transfers. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of G.S. 135-4, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) the Supplemental Retirement Income Plans A, B, or C of North Carolina or (ii) any other defined contribution plan qualified under Section 401(a) of the Internal Revenue Code which is maintained by the State of North Carolina, a political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(ff) Retroactive Membership Service. — A member who is reinstated to service as an employee as defined in G.S. 135-1(10) or as a teacher as defined in G.S. 135-1(25) retroactively to the date of prior involuntary termination (with backpay and benefits) may be allowed membership service, after submitting clear and convincing evidence of the reinstatement, as follows:

(1) Within 90 days of the involuntary termination, by the payment of employee and employer contributions that would have been paid; or

(2) After 90 days of the involuntary termination, by the payment of the employee and employer contributions that would have been paid plus interest compounded annually at a rate equal to the greater of the average yield on the pension accumulation fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees.

Nothing contained in this subsection shall prevent an employer or member from paying all or a part of the cost of the retroactive membership service; and to the extent paid by the employer, the cost paid by the employer shall be credited to the pension accumulation fund; and to the extent paid by the member, the cost paid by the member shall be credited to the member's annuity savings account; provided, however, an employer does not discriminate against any member or group of members in his employ in paying all or any part of the cost of the retroactive membership service.

In the event a member received a return of accumulated contributions subsequent to an involuntary termination as provided in G.S. 135-5(f), the member may redeposit, within 90 days of reinstatement retroactive to the date of prior involuntary termination, in the annuity savings fund by single payment an amount equal to the total amount he previously withdrew plus regular interest and restore the creditable service forfeited upon receiving his return of accumulated contributions. Editor's Note. — Section 126-5(c4), referred to in subsection (s) of this section, was repealed by Session Laws 1993, c. 321, s. 145(b).

Session Laws 1981, c. 636, s. 1, effective July 1, 1981, deleted subdivision (f)(6), which concerned purchase of service credit for service in the armed forces of the United States, subsection (*l*), which concerned purchase of credit for service to governmental entities, subsection (n), which defined "out-of-state service", and subsection (o), which concerned purchase of credit for time spent as a court reporter prior to establishment of the Uniform Court System, but provided that any inchoate or accrued rights of any member on July 1, 1981, shall not be diminished.

Prior to this amendment, subdivision (f)(6) and subsections (*l*), (n) and (o) read:

"(f) (6) Notwithstanding any other provision of this Chapter, teachers and other State employees not otherwise allowed service credit for service in the armed forces of the United States may, upon completion of 10 years of membership service, purchase such service credit by paying in a total lump sum an amount, based on the compensation the member earned when he first entered membership and the employee contribution rate at that time, with sufficient interest added thereto so as to equal one half the cost of allowing such service, plus a fee to cover expense of handling payment to be determined by the Board of Trustees and assessed the member at the time of payment; provided that credit will be allowed only for the initial period of active duty in the armed forces of the United States up to the time the member was first eligible to be separated or released therefrom, and subsequent periods of such active duty as required by the armed forces of the United States up to the date of first eligibility for separation or release therefrom; and further provided that the member submit satisfactory evidence of the service claimed and that service credit be allowed only for that period of active service in the armed forces of the United States not creditable in any other retirement system, except the national guard or any reserve component of the armed forces of the United States. These provisions shall apply equally to retired members who had attained 10 years of membership service prior to retirement. Cost as used in this subsection shall mean the amount of money required to provide additional retirement benefits based on service credit allowed at the time any adjustment to the service credit of a member is made.

"(*l*) Notwithstanding any other provision of this Chapter, any member may, upon completion of 10 years of current membership service, purchase credit for service previously rendered to any state, territory or other governmental subdivision of the United States other than this State at the rate of one year of out-of-state service for each two years of service in this State with a maximum allowable of 10 years of out-of-state service. Such service is limited to full-time service which would be allowable under the laws governing this System. Credit will be allowed only if no benefit is allowable in another public retirement system as a result of the service. Payment shall be permitted only on a total lump sum, an amount based on the compensation the member earned when he first entered membership and the employee contribution rate at that time and shall be equal to the full cost of providing credit for such service plus a fee to cover expense of handling which shall be determined by the Board of Trustees. These provisions shall apply equally to retired members who had attained 10 years of membership service prior to retirement. Cost as used in this subsection shall mean the amount of money required to provide additional retirement benefits based on service credit allowed at the time any adjustment to the service credit of an individual is made.

"Notwithstanding the foregoing provisions, any member may, upon completion of 10 years of current membership service, purchase Federal School, Overseas Dependent Schools, or Military Dependent Schools service, or, while on an approved leave of absence from employment with the State of North Carolina, foreign service in the International Cooperation Administration or the Agency for International Development upon the same terms as in the

preceding paragraph for out-of-state service.

"(n) Wherever the terminology 'out-of-state service,' is used in this section, that terminology shall be interpreted to include the United States Public Health Service and time spent in the Merchant Marines while in the United States Naval Reserve.

"(o) Notwithstanding any other provision of this Chapter, a member who is presently a court reporter may buy in time spent serving as court reporter prior to the establishment of the Uniform Court System in 1968 by purchasing service credits, provided that the purchase payment equals the full cost of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities. Account shall be taken of the additional retirement allowance arising on account of the additional service credit commencing at the earliest date of which the member could retire or of a reduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary."

Session Laws 1991 (Reg. Sess., 1992), c. 1017, s. 2, which rewrote the first sentence of subsection (m), became effective on and after July 1, 1979.

The Retirement Systems Division of the Department of State Treasurer and the Board of Trustees of the Teachers' and State Employees' Retirement System shall submit a report to the General Assembly no later than April 1, 2004, on their findings and recommendations."

Session Laws 2003-284, s. 49.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2003-2005 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2003-2005 fiscal biennium."

CASE NOTES

The 1992 Amendment. — In 1992, the General Assembly revised subsection (m) of this section, to make it clear that its intention was that credits for military service had to be purchased within three years of the date a member first becomes eligible to do so. Osborne v. Consolidated Judicial Retirement Sys., 333 N.C. 246, 424 S.E.2d 115 (1993).

Employee Held Not in Service for Death Benefit Purposes. — Where employee did not contribute to the Retirement System after being placed on leave without pay, the possible extension provided by this section for plan members who contribute while on leave of absence did not apply. Therefore, employee's death occurred more than 90 days after his last day of actual service, and he was not in service at the time of his death and thus, his beneficiary is not eligible for the death benefit. Garrett v. Teachers' & State Employees' Retirement Sys. ex rel. Board of Trustees, 91 N.C. App. 409, 371 S.E.2d 776, cert. denied, 323 N.C. 624, 374 S.E.2d 585 (1988).

Job Sharing Employee. — Petitioner remained an "employee" under G.S. 135-1(10) during the period of time when she participated in a job sharing program and was working full time and thus was entitled to credit for those years of service as reflected in her retirement records. Wiebenson v. Board of Trustees, 345 N.C. 734, 483 S.E.2d 153 (1997).

Should any disability beneficiary who has not yet attained the age of 60 years refuse to submit to at least one medical examination in any such year by a physician or physicians designated by the Board of Trustees, his allowance may be discontinued until his withdrawal of such refusal, and should his refusal continue for one year all his rights in and to his pension may be revoked by the Board of Trustees.

(1) The Board of Trustees shall determine whether a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his disability retirement allowance and the gross compensation earned as an employee during the 12 consecutive months of service in the final 48 months prior to retirement producing the highest gross compensation excluding any compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of one percent (⅒th of 1%). Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. In lieu of the reductions on account of a disability beneficiary earning more than the aforesaid difference, he may elect to convert his disability retirement allowance to a service retirement allowance calculated on the basis of his average final compensation and creditable service at the time of disability and his age at the time of conversion to service retirement. This election is irrevocable. Provided, the provisions of this subdivision shall not apply to beneficiaries of the Law-Enforcement Officers' Retirement System transferred to this Retirement System who commenced retirement on and before July 1, 1981.

(2) Should a disability beneficiary under the age of 60 years be restored to active service at a compensation not less than his average final compensation, his retirement allowance shall cease, he shall again become a member of the Retirement System, and he shall contribute thereafter at the same rate he paid prior to disability; provided that,

on and after July 1, 1971, if a disability beneficiary under the age of 62 years is restored to active service at a compensation not less than his average final compensation, his retirement allowance shall cease, he shall again become a member of the Retirement System, and he shall contribute thereafter at the uniform contribution rate payable by all members. Any such prior service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and, in addition, upon his subsequent retirement he shall be credited with all his service as a member, but should he be restored to active service on or after the attainment of the age of 50 years his pension upon subsequent retirement shall not exceed the sum of the pension which he was receiving immediately prior to his last restoration and the pension that he would have received on account of his service since his last restoration had he entered service at the time as a new entrant.

(3) Notwithstanding the foregoing, a member retired on a disability retirement allowance who is restored to service and subsequently retires on or after July 1, 1971, shall be entitled to an allowance not less than the allowance described in a. below reduced by the amount in b. below:

a. The allowance to which he would have been entitled if he were retiring for the first time, calculated on the basis of his total creditable service represented by the sum of his creditable service at the time of his first retirement and his creditable service after he was restored to service.

b. The actuarial equivalent of the retirement benefits he previously received.

(3a) Notwithstanding the foregoing, should a beneficiary who retired on a disability retirement allowance be restored to service as an employee or teacher, then the retirement allowance shall cease as of the first day of the month following the month in which the beneficiary is restored to service and the beneficiary shall become a member of the Retirement System and shall contribute thereafter as allowed by law at the uniform contribution payable by all members. Upon the subsequent retirement of the beneficiary, he shall be entitled to an allowance to which he would have been entitled if he were retiring for the first time, calculated on the basis of his total creditable service represented by the sum of his creditable service at the time of his first retirement and his creditable service after he was restored to service. Provided, however, any election of an optional allowance cannot be changed unless the member subsequently completes three years of membership service after being restored to service.

(4) As a condition to the receipt of the disability retirement allowance provided for in G.S. 135-5(d), (d1),(d2) and (d3) each member retired on a disability retirement allowance shall, on or before April 15 of each calendar year, provide the Board of Trustees with a statement of his or her income received as compensation for services, including fees, commissions or similar items, and income received from business, for the previous calendar year. Such statement shall be filed on a form as required by the Board of Trustees. The benefit payable to a beneficiary who does not or refuses to provide the information requested within 60 days after such request shall not be paid a benefit until the information so requested is provided, and should such refusal or failure to provide such information continue for 240 days after such request, the right of a beneficiary to a benefit under the Article may be terminated.

The Director of the State Retirement System shall contact any State or federal agency which can provide information to substantiate the statement required to be submitted by this subdivision and may enter into agreements for the exchange of information.

(5) Notwithstanding any other provisions of this Article to the contrary, a beneficiary who was a beneficiary retired on a disability retirement with the Law-Enforcement Officers' Retirement System at the time of the transfer of law-enforcement officers employed by a participating employer and beneficiaries last employed by a participating employer to this Retirement System and who also was a contributing member of this Retirement System at that time, shall continue to be paid his retirement allowance without restriction and may continue as a member of this Retirement System with all the rights and privileges appendant to membership. Any beneficiary who retired on a disability retirement allowance as an employee of any participating employer under the Law-Enforcement Officers' Retirement System and becomes employed as an employee other than as a law-enforcement officer by an employer participating in the Retirement System after the aforementioned transfer shall continue to be paid his retirement allowance without restriction and may continue as a member of this Retirement System with all the rights and privileges appendant to membership until January 1, 1989, at which time his retirement allowance shall cease and his subsequent retirement shall be determined in accordance with the preceding subdivision (3a) of this subsection. Any beneficiary as hereinbefore described who becomes employed as a law-enforcement officer by an employer participating in the Retirement System shall cease to be a beneficiary and shall immediately commence membership and his subsequent retirement shall be determined in accordance with subdivision (3a) of this subsection.

(6) Notwithstanding any other provision to the contrary, a beneficiary in receipt of a disability retirement allowance until the earliest date on which he would have qualified for an unreduced service retirement allowance shall thereafter (i) not be subject to further reexaminations as to disability, (ii) not be subject to any reduction in allowance on account of being engaged in a gainful occupation other than with an employer participating in the Retirement System, and (iii) be considered a beneficiary in receipt of a service retirement allowance. Provided, however, a beneficiary in receipt of a disability retirement allowance whose allowance is reduced on account of reexamination as to disability or to ability to engage in a gainful occupation prior to the date on which he would have qualified for an unreduced service retirement allowance shall have only the right to elect to convert to an early or service retirement allowance as permitted under subdivision (1) above.

(f) Return of Accumulated Contributions. — Should a member cease to be a teacher or State employee except by death or retirement under the provisions of this Chapter, he shall upon submission of an application be paid, not earlier than 60 days from the date of termination of service, his contributions, and if he has attained at least five years of membership service or if termination of his membership service is involuntary as certified by the employer, the accumulated regular interest thereon, provided that he has not in the meantime returned to service. Upon payment of such sum his membership in the System shall cease and, if he thereafter again becomes a member, no credit shall be allowed for any service previously rendered except as provided in G.S. 135-4, and such payment shall be in full and complete discharge of any rights in or to any benefits otherwise payable hereunder. Upon receipt of proof

satisfactory to the Board of Trustees of the death, prior to retirement, of a member or former member there shall be paid to such person or persons as he shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the member's death, otherwise to the member's legal representatives, the amount of his accumulated contributions at the time of his death, unless the beneficiary elects to receive the alternate benefit under the provisions of (m) below. An extension service employee who made contributions to the Local Governmental Employees' Retirement System and the Teachers' and State Employees' Retirement System as a result of dual employment may not be paid his accumulated contributions unless he is eligible to be paid his accumulated contributions in both systems for the same period of service.

Pursuant to the provisions of G.S. 135-56.2, a member who is also a member of the Consolidated Judicial Retirement System may irrevocably elect to transfer any accumulated contributions to the Consolidated Judicial Retirement System or to the Supplemental Retirement Income Plan and forfeit any rights in or to any benefits otherwise payable hereunder.

A member who is a participant or beneficiary of the Disability Income Plan of North Carolina as is provided in Article 6 of this Chapter shall not be paid a return of accumulated contributions, notwithstanding the member's status as an employee or teacher. Notwithstanding any other provision of law to the contrary, a member who is a beneficiary of the Disability Income Plan of North Carolina as provided in Article 6 of this Chapter and who is receiving disability benefits under the transition provisions as provided in G.S. 135-112, shall not be prohibited from receiving a return of accumulated contributions as provided in this subsection.

(f1) Expired.

(g) Election of Optional Allowance. — With the provision that until the first payment on account of any benefit becomes normally due, or his first retirement check has been cashed, any member may elect to receive his benefits in a retirement allowance payable throughout life, or he may elect to receive the actuarial equivalent of such retirement allowance in a reduced allowance payable throughout life under the provisions of one of the options set forth below. The election of Option 2 or Option 3 or nomination of the person thereunder shall be revoked if such person nominated dies prior to the date the first payment becomes normally due or until the first retirement check has been cashed. Such election may be revoked by the member prior to the date the first payment becomes normally due or until his first retirement check has been cashed. Provided, however, in the event a member has elected Option 2 or Option 3 and nominated his or her spouse to receive a retirement allowance upon the member's death, and the spouse predeceases the member after the first payment becomes normally due or the first retirement check has been cashed, if the member remarries he or she may nominate a new spouse to receive the retirement allowance under the previously elected option, within 90 days of the remarriage. The new nomination shall be effective on the first day of the month in which it is made and shall provide for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new nomination. Any member having elected Options 2, 3, or 6 and nominated his or her spouse to receive a retirement allowance upon the member's death may, after divorce from his or her spouse, revoke the nomination and elect a new option, effective on the first day of the month in which the new option is elected, providing for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new option.

Option 1. (a) In the Case of a Member Who Retires prior to July 1, 1963. — If he dies before he has received in annuity payments the present

value of his annuity as it was at the time of his retirement, the balance shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees.

(b) In the Case of a Member Who Retires on or after July 1, 1963, but prior to July 1, 1993. — If he dies within 10 years from his retirement date, an amount equal to his accumulated contributions at retirement, less 1/120 thereof for each month for which he has received a retirement allowance payment, shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees; or

Option 2. Upon his death his reduced retirement allowance shall be continued throughout the life of and paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement, provided that if the person selected is other than his spouse the reduced retirement allowance payable to the member shall not be less than one half of the retirement allowance without optional modification which would otherwise be payable to him; or

Option 3. Upon his death, one half of his reduced retirement allowance shall be continued throughout the life of, and paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement; or

Option 4. Adjustment of Retirement Allowance for Social Security Benefits. — Until the first payment on account of any benefit becomes normally due, any member may elect to convert his benefit otherwise payable on his account after retirement into a retirement allowance of equivalent actuarial value of such amount that with his benefit under Title II of the Federal Social Security Act, he will receive, so far as possible, approximately the same amount per year before and after the earliest age at which he becomes eligible, upon application therefor, to receive a social security benefit.

Option 5. For Members Retiring Prior to July 1, 1993. — The member may elect to receive a reduced retirement allowance under the conditions of Option 2 or Option 3, as provided for above, with the modification that if both he and the person nominated die within 10 years from his retirement date, an amount equal to his accumulated contributions at retirement, less 1/120 thereof for each month for which a retirement allowance has been paid, shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees.

Option 6. A member may elect either Option 2 or Option 3 with the added provision that in the event the designated beneficiary predeceases the member, the retirement allowance payable to the member after the designated beneficiary's death shall be equal to the retirement allowance which would have been payable had the member not elected the option.

(g1) In the event of the death of a retired member while in receipt of a retirement allowance under the provisions of this Article, there shall be paid to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the retiree's death, otherwise to the retiree's legal representatives, a death benefit equal to the excess, if any, of the accumulated contributions of the retiree at the date of retirement over the total of the retirement allowances paid prior to the death of the retiree.

In the event that a retirement allowance becomes payable to the designated survivor of a retired member under the provisions above and such retirement allowance to the survivor shall terminate upon the death of the survivor before the total of the retirement allowances paid to the retiree and the designated survivor combined equals the amount of the accumulated contributions of the

retiree at the date of retirement, the excess, if any, of such accumulated contributions over the total of the retirement allowances paid to the retiree and the survivor combined shall be paid in a lump sum to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time such payment falls due, otherwise to the retiree's legal representative.

In the event a retiree purchases creditable service as provided in G.S. 135-4, there shall be paid to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the retiree's death, otherwise to the retiree's legal representatives, an additional death benefit equal to the excess, if any, of the cost of the creditable service purchased less the administrative fee, if any, over the total of the increase in the retirement allowance attributable to the additional creditable service, paid from the month following the month in which payment was received to the death of the retiree.

In the event that a retirement allowance becomes payable to the designated survivor of a retired member under the provisions above and such retirement allowance to the survivor shall terminate upon the death of the survivor before the total of the increase in the retirement allowance attributable to the additional creditable service paid to the retiree and the designated survivor combined equals the cost of the creditable service purchased less the administrative fee, the excess, if any, shall be paid in a lump sum to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time such payment falls due, otherwise to the retiree's legal representative.

(h) Computation of Benefits Payable Prior or Subsequent to July 1, 1947. — Prior to July 1, 1947, all benefits payable as of February 22, 1945, shall be computed on the basis of the provisions of Chapter 135 as they existed at the time of the retirement of such beneficiaries. On and after July 1, 1947, all benefits payable to, or on account of, such beneficiaries shall be adjusted to take into account, under such rule as the Board of Trustees may adopt, the provisions of this Article as if they had been in effect at the date of retirement, and no further contributions on account of such adjustment shall be required of such beneficiaries. The Board of Trustees may authorize such transfers of reserve between the funds of the Retirement System as may be required by the provisions of this subsection.

(i) Restoration to Service of Certain Former Members. — If a former member who ceased to be a member prior to July 1, 1949, for any reason other than retirement, again becomes a member and prior to July 1, 1951, redeposits in the annuity savings fund by a single payment the amount, if any, he previously withdrew therefrom, he shall, anything in this Chapter to the contrary, be entitled to any membership service credits he had when his membership ceased, and any prior service certificate which became void at the time his membership ceased shall be restored to full force and effect: Provided, that, for the purpose of computing the amount of any retirement allowance which may become payable to or on account of such member under the Retirement System, any amount redeposited as provided herein shall be deemed to represent contributions made by the member after July 1, 1947.

(j) Notwithstanding anything herein to the contrary, effective July 1, 1959, the following provisions shall apply with respect to any retirement allowance payments due after such date to any retired member who was retired prior to July 1, 1959, on a service or disability retirement allowance:

(1) If such retired member has not made an election of an optional allowance in accordance with G.S. 135-5(g), the monthly retirement

allowance payable to him from and after July 1, 1959, shall be equal to the allowance previously payable, increased by fifteen percent (15%) thereof, or by fifteen dollars ($15.00), whichever is the lesser; provided that, if such member had rendered not less than 20 years of creditable service, the retirement allowance payable to him from and after July 1, 1959, shall be not less than seventy dollars ($70.00) per month.

(2) If such retired member has made an effective election of an optional allowance, the allowance payable to him from and after July 1, 1959, shall be equal to the allowance previously payable under such election plus an increase which shall be computed in accordance with (1) above as if he had not made such an election; provided that such increase shall be payable only during the retired member's remaining life and no portion of such increase shall become payable to the beneficiary designated under the election.

(k) Increase in Benefits to Those Persons Who Were in Receipt of Benefits prior to July 1, 1967. — From and after July 1, 1967, the monthly benefits to or on account of persons who commenced receiving benefits from the System prior to July 1, 1967, shall be increased by a percentage thereof. Such percentage shall be determined in accordance with the following schedule:

Period in Which Benefits Commenced	Percentage
January 1, 1966, to June 30, 1967	5%
Year 1965	6%
Year 1964	7%
Year 1963	8%
and so on concluding with	
Year 1942	29%

The minimum increase pursuant to this subsection (k) shall be ten dollars ($10.00) per month; provided that, if an optional benefit has been elected, said minimum shall be reduced actuarially as determined by the Board and shall be applicable to the retired member, if surviving, otherwise to his designated beneficiary under the option elected.

(*l*) Death Benefit Plan. — There is hereby created a Group Life Insurance Plan (hereinafter called the "Plan") which is established as an employee welfare benefit plan that is separate and apart from the Retirement System and under which the members of the Retirement System shall participate and be eligible for group life insurance benefits. Upon receipt of proof, satisfactory to the Board of Trustees in their capacity as trustees under the Group Life Insurance Plan, of the death, in service, of a member who had completed at least one full calendar year of membership in the Retirement System, there shall be paid to such person as he shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time of the member's death, otherwise to the member's legal representatives, a death benefit. Such death benefit shall be equal to the greater of:

(1) The compensation on which contributions were made by the member during the calendar year preceding the year in which his death occurs, or

(2) The greatest compensation on which contributions were made by the member during a 12-month period of service within the 24-month period of service ending on the last day of the month preceding the month in which his last day of actual service occurs;

(3), (4) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1049, s. 2.

subject to a minimum of twenty-five thousand dollars ($25,000) and to a maximum of fifty thousand dollars ($50,000). Such death benefit shall be

payable apart and separate from the payment of the member's accumulated contributions under the System on his death pursuant to the provisions of subsection (f) of this section. For the purpose of the Plan, a member shall be deemed to be in service at the date of his death if his death occurs within 180 days from the last day of his actual service.

The death benefit provided in this subsection (*l*) shall not be payable, notwithstanding the member's compliance with all the conditions set forth in the preceding paragraph, if his death occurs

(1) After December 31, 1968 and after he has attained age 70; or
(2) After December 31, 1969 and after he has attained age 69; or
(3) After December 31, 1970 and after he has attained age 68; or
(4) After December 31, 1971 and after he has attained age 67; or
(5) After December 31, 1972 and after he has attained age 66; or
(6) After December 31, 1973 and after he has attained age 65; or
(7) After December 31, 1978, but before January 1, 1987, and after he has attained age 70.

Notwithstanding the above provisions, the death benefit shall be payable on account of the death of any member who died or dies on or after January 1, 1974, but before January 1, 1979, after attaining age 65, if he or she had not yet attained age 65, if he or she had not yet attained age 66, was at the time of death completing the work year for those individuals under specific contract, or during the fiscal year for those individuals not under specific contract, in which he or she attained 65, and otherwise met all conditions for payment of the death benefit.

Notwithstanding the above provisions, the Board of Trustees may and is specifically authorized to provide the death benefit according to the terms and conditions otherwise appearing in this Plan in the form of group life insurance, either (i) by purchasing a contract or contracts of group life insurance with any life insurance company or companies licensed and authorized to transact business in this State for the purpose of insuring the lives of members in service, or (ii) by establishing a separate trust fund qualified under Section 501(c)(9) of the Internal Revenue Code of 1954, as amended, for such purpose. To that end the Board of Trustees is authorized, empowered and directed to investigate the desirability of utilizing group life insurance by either of the foregoing methods for the purpose of providing the death benefit. If a separate trust fund is established, it shall be operated in accordance with rules and regulations adopted by the Board of Trustees and all investment earnings on the trust fund shall be credited to such fund.

In administration of the death benefit the following shall apply:

(1) For the purpose of determining eligibility only, in this subsection "calendar year" shall mean any period of 12 consecutive months or, if less, the period covered by an annual contract of employment. For all other purposes in this subsection "calendar year" shall mean the 12 months beginning January 1 and ending December 31.
(2) Last day of actual service shall be:
    a. When employment has been terminated, the last day the member actually worked.
    b. When employment has not been terminated, the date on which an absent member's sick and annual leave expire, unless he is on approved leave of absence and is in service under the provisions of G.S. 135-4(h).
(3) For a period when a member is on leave of absence, his status with respect to the death benefit will be determined by the provisions of G.S. 135-4(h).
(4) A member on leave of absence from his position as a teacher or State employee for the purpose of serving as a member or officer of the

General Assembly shall be deemed to be in service during sessions of the General Assembly and thereby covered by the provisions of the death benefit. The amount of the death benefit for such member shall be the equivalent of the salary to which the member would have been entitled as a teacher or State employee during the 12-month period immediately prior to the month in which death occurred, not to be less than twenty-five thousand dollars ($25,000) nor to exceed fifty thousand dollars ($50,000).

The provisions of the Retirement System pertaining to Administration, G.S. 135-6, and management of funds, G.S. 135-7, are hereby made applicable to the Plan.

A member who is a beneficiary of the Disability Income Plan provided for in Article 6 of this Chapter shall be eligible for group life insurance benefits as provided in this subsection, notwithstanding that the member is no longer an employee or teacher or that the member's death occurs after the eligibility period after active service. The basis of the death benefit payable hereunder shall be the higher of the death benefit computed as above or a death benefit based on compensation used in computing the benefit payable under G.S. 135-105 and G.S. 135-106, as may be adjusted for percentage post-disability increases, all subject to the maximum dollar limitation as provided above. A member in receipt of benefits from the Disability Income Plan under the provisions of G.S. 135-112 whose right to a benefit accrued under the former Disability Salary Continuation Plan shall not be covered under the provisions of this paragraph.

Upon receipt of proof, satisfactory to the Board of Trustees in its capacity under this subsection, of the death of a retired member of the Retirement System on or after July 1, 1988, but before January 1, 1999, there shall be paid a death benefit to the surviving spouse of the deceased retired member or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Board of Trustees on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Board of Trustees, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump-sum payment in the amount of five thousand dollars ($5,000) upon the completion of twenty-four months of contributions required under this subsection. Should death occur before the completion of twenty-four months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

Upon receipt of proof, satisfactory to the Board of Trustees in its capacity under this subsection, of the death of a retired member of the Retirement System on or after January 1, 1999, there shall be paid a death benefit to the surviving spouse of the deceased retired member or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Board of Trustees on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Board of Trustees, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump-sum payment in the amount of six thousand dollars ($6,000) upon the completion of 24 months of contribu-

tions required under this subsection. Should death occur before the completion of 24 months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

(*l*1) Reciprocity of Death Benefit Plan. — Only for the purpose of determining eligibility for the death benefit provided for in subsection (*l*) of this section, membership service standing to the credit of a member of the Legislative Retirement System or the Consolidated Judicial Retirement System shall be added to the membership service standing to the credit of a member of the Teachers' and State Employees' Retirement System. However, in the event that a participant or beneficiary is a retired member of the Legislative Retirement System or the Consolidated Judicial Retirement System whose retirement benefit was suspended upon entrance into membership in the Teachers' and State Employees' Retirement System, such membership service standing to the credit of the retired member prior to retirement shall be likewise counted. Membership service under this section shall not be counted twice for the same period of time. In no event shall a death benefit provided for in G.S. 135-5(*l*) be paid if a death benefit is paid under G.S. 135-63.

(m) Survivor's Alternate Benefit. — Upon the death of a member in service, the principal beneficiary designated to receive a return of accumulated contributions shall have the right to elect to receive in lieu thereof the reduced retirement allowance provided by Option 2 of subsection (g) above computed by assuming that the member had retired on the first day of the month following the date of his death, provided that the following conditions apply:

(1)a. The member had attained such age and/or creditable service to be eligible to commence retirement with an early or service retirement allowance,

b. The member had obtained 20 years of creditable service in which case the retirement allowance shall be computed in accordance with G.S. 135-5(b19)(1)b. or G.S. 135-5(b19)(2)c., notwithstanding the requirement of obtaining age 50, or

c. The member had not commenced to receive a retirement allowance as provided under this Chapter.

(2) The member had designated as the principal beneficiary to receive a return of his accumulated contributions one and only one person who was living at the time of his death.

(3) The member had not instructed the Board of Trustees in writing that he did not wish the provisions of this subsection to apply.

For the purpose of this benefit, a member is considered to be in service at the date of his death if his death occurs within 180 days from the last day of his actual service. The last day of actual service shall be determined as provided in subsection (*l*) of this section. Upon the death of a member in service, the surviving spouse may make all purchases for creditable service as provided for under this Chapter for which the member had made application in writing prior to the date of death, provided that the date of death occurred prior to or within 60 days after notification of the cost to make the purchase. The term "in service" as used in this subsection includes a member in receipt of a benefit under the Disability Income Plan as provided in Article 6 of this Chapter.

(n) No action shall be commenced against the State or the Retirement System by any retired member or beneficiary respecting any deficiency in the payment of benefits more than three years after such deficient payment was made, and no action shall be commenced by the State or the Retirement System against any retired member or former member or beneficiary respecting any overpayment of benefits or contributions more than three years after such overpayment was made.

(o) Post-Retirement Increases in Allowances. — As of December 31, 1969, the ratio of the Consumer Price Index to such index one year earlier shall be determined. If such ratio indicates an increase that equals or exceeds three per centum (3%), each beneficiary receiving a retirement allowance as of December 31, 1968, shall be entitled to have his allowance increased three per centum (3%) effective July 1, 1970.

As of December 31, 1970, the ratio of the Consumer Price Index to such index one year earlier shall be determined. If such ratio indicates an increase of at least one per centum (1%), each beneficiary on the retirement rolls as of July 1, 1970, shall be entitled to have his allowance increased effective July 1, 1971 as follows:

Increase In Index	*Increase In Allowance*
1.00 to 1.49%	1%
1.50 to 2.49%	2%
2.50 to 3.49%	3%
3.50% or more	4%

As of December 31, 1971, an increase in retirement allowances shall be calculated and made effective July 1, 1972, in the manner described in the preceding paragraph. As of December 31 of each year after 1971, the ratio (R) of the Consumer Price Index to such index one year earlier shall be determined, and each beneficiary on the retirement rolls as of July 1 of the year of determination shall be entitled to have his allowance increased effective on July 1 of the year following the year of determination by the same percentage of increase indicated by the ratio (R) calculated to the nearest tenth of one per centum, but not more than four per centum (4%); provided that any such increase in allowances shall become effective only if the additional liabilities on account of such increase do not require an increase in the total employer rate of contributions.

The allowance of a surviving annuitant of a beneficiary whose allowance is increased under this subsection shall, when and if payable, be increased by the same per centum.

Any increase in allowance granted hereunder shall be permanent, irrespective of any subsequent decrease in the Consumer Price Index, and shall be included in determining any subsequent increase.

For purposes of this subsection, Consumer Price Index shall mean the Consumer Price Index (all items — United States city average), as published by the United States Department of Labor, Bureau of Labor Statistics.

Notwithstanding the above paragraphs, retired members and beneficiaries may receive cost-of-living increases in retirement allowances if active members of the system receive across-the-board cost-of-living salary increases. Such increases in post-retirement allowances shall be comparable to cost-of-living salary increases for active members in light of the differences between the statutory payroll deductions for State retirement contributions, Social Security taxes, State income withholding taxes, and federal income withholding taxes required of each group. The increases for retired members shall include the cost-of-living increases provided in this section. The cost-of-living increases allowed retired and active members of the system shall be comparable when each group receives an increase that has the same relative impact upon the net disposable income of each group.

Grant of Disability Retirement Benefits Terminated Status as "Career Teacher". — The granting of a career teacher's application for disability retirement benefits under the Teachers' and State Employees' Retirement System operated as an acceptance of her resignation by implication and terminated her status as a "career teacher" under former G.S. 115-142, since a finding that her disability was "likely to be permanent" was implicit in the granting of her application for disability retirement benefits and this finding rendered her status as a disabled retiree wholly inconsistent with her former status as a "career teacher". The Optional Retirement Program shall be underwritten by the purchase of annuity contracts, which may be both fixed and variable contracts or a combination thereof, or financed through the establishment of a trust, for the benefit of participants in the Program. Participation in the Optional Retirement Program shall be limited to university personnel who are eligible for membership in the Teachers' and State Employees' Retirement Program and who are:

(1) Administrators and faculty of The University of North Carolina with the rank of instructor or above;

(2) The President and employees of The University of North Carolina who are appointed by the Board of Governors on recommendation of the President pursuant to G.S. 116-11(4), 116-11(5), and 116-14 or who are appointed by the Board of Trustees of a constituent institution of The University of North Carolina upon the recommendation of the Chancellor pursuant to G.S. 116-40.22(b);

(3) Nonfaculty instructional and research staff who are exempt from the State Personnel Act, as defined by the provisions of G.S. 126-5(c1)(8); and

(4) Field faculty of the Cooperative Agriculture Extension Service, and tenure track faculty in North Carolina State University agriculture research programs who are exempt from the State Personnel Act and who are eligible for membership in the Teachers' and State Employees' Retirement System pursuant to G.S. 135-3(1), who in any of the cases described in this subsection (i) had been members of the

Optional Retirement Program under the provisions of Chapter 338, Session Laws of 1971, immediately prior to July 1, 1985, or (ii) have sought membership as required in subsection (b), below. Under the Optional Retirement Program, the State and the participant shall contribute, to the extent authorized or required, toward the purchase of such contracts or deposited insuch trust on the participant's behalf.

(b) Participation in the Optional Retirement Program shall be governed as follows:

(1) Those participating in the Optional Retirement Program immediately prior to July 1, 1985, under the provisions of Chapter 338, Session Laws of 1971, are deemed automatically enrolled in the Program as established by this section.

(2) Eligible employees initially appointed on or after July 1, 1985, shall at the same time of entering upon eligible employment elect (i) to join the Retirement System in accordance with the provisions of law applicable thereto or (ii) to participate in the Optional Retirement Program. This election shall be in writing and filed with the Retirement System and with the employing institution and shall be effective as of the date of entry into eligible service.

(3) An election to participate in the Optional Retirement Program shall be irrevocable. An eligible employee failing to elect to participate in the Optional Retirement Program at the time of entry into eligible service shall automatically be enrolled as a member of the Retirement System.

(4) No election by an eligible employee of the Optional Retirement Program shall be effective unless it is accompanied by an appropriate application for the issuance of a contract or contracts or trust participation under the Program.

(5) If any participant having less than five years coverage under the Optional Retirement Program leaves the employ of The University of North Carolina and either retires or commences employment with an employer not having a retirement program with the same company underwriting the participant's annuity contract, regardless of whether the annuity contract is held by the participant, a trust, or the Retirement System, the participant's interest in the Optional Retirement Program attributable to contributions of The University of North Carolina shall be forfeited and shall either (i) be refunded to The University of North Carolina and forthwith paid by it to the Retirement System and credited to the pension accumulation fund or (ii) be paid directly to the Retirement System and credited to the pension accumulation fund.

(c) Each employing institution shall contribute on behalf of each participant in the Optional Retirement Program an amount equal to a percentage of the participant's compensation as established from time to time by the General Assembly. Each participant shall contribute the amount which he or she would be required to contribute if a member of the Retirement System. Contributions authorized or required by the provisions of this subsection on behalf of each participant shall be made, consistent with Section 414(h) of the Internal Revenue Code, by salary reduction according to rules and regulations established by The University of North Carolina. Additional personal contributions may also be made by a participant by payroll deduction or salary reduction to an annuity or retirement income plan established pursuant to G.S. 116-17. Payment of contributions shall be made by the employing institution to the designated company or companies underwriting the annuities or the trustees for the benefit of each participant, and this employer contribution shall not be subject to any State tax if made under the Optional Retirement Program or, otherwise, by salary reduction.

(d) The Board of Governors of The University of North Carolina shall designate the company or companies from which contracts are to be purchased or the trustee responsible for the investment of contributions under the Optional Retirement Program, and shall approve the form and contents of such contracts or trust agreement. In making this designation and giving such approval, the Board shall give due consideration to the following:

(1) The nature and extent of the rights and benefits to be provided by these contracts or trust agreement for participants and their beneficiaries;

(2) The relation of these rights and benefits to the amount of contributions to be made;

(3) The suitability of these rights and benefits to the needs of the participants and the interest of the institutions of The University of North Carolina in recruiting and retaining faculty in a national market; and

(4) The ability of the designated company or companies underwriting the annuity contracts or trust agreement to provide these suitable rights and benefits under such contracts or trust agreement for these purposes.

Notwithstanding the provisions of this subsection, no contractual relationship established under the Optional Retirement Program pursuant to the authority granted by Chapter 338, Session Laws of 1971, is deemed terminated by the provisions of this section.

(e) The Board of Governors of The University of North Carolina may provide for the administration of the Optional Retirement Program and may perform or authorize the performance of all functions necessary for its administration.

(f) Any eligible employee electing to participate in the Optional Retirement Program is ineligible for membership in the Retirement System so long as he or she remains employed in any eligible position within The University of North Carolina, and, in this event, he or she shall continue to participate in the Optional Retirement Program.

(g) No retirement benefit, death benefit, or other benefit under the Optional Retirement Program shall be paid by the State of North Carolina, or The University of North Carolina, or the Board of Trustees of the Teachers' and State Employees' Retirement System with respect to any employee selecting and participating in the Optional Retirement Program or with respect to any beneficiary of that employee. Benefits shall be payable to participants or their beneficiaries only by the designated company in accordance with the terms of the contracts or trust agreement. OPINIONS OF ATTORNEY GENERAL

The Legislative Intent Expressed in This Section Is Ambiguous. — In light of that ambiguity and the Board of Governors' obligations to implement and administer the Optional Retirement Program (ORP), the policies and rules that the Board of Governors has adopted to clarify the description of persons eligible to participate in the ORP are reasonable. An employee must have had at least five years' service with the Teachers' and State Employees' Retirement System and at least five years with either Southern Bell or Duke Power Company in order to be eligible for benefits under this provision. This provision is in addition to any other retirement benefits or privileges the employee may have under the Teachers' and State Employees' Retirement System. (1977, c. 1007.)

§ 135-5.3. Optional participation for charter schools operated by private nonprofit corporations.

(a) The board of directors of each charter school operated by a private nonprofit corporation shall elect whether to become a participating employer in the Retirement System in accordance with this Article. This election shall be in writing, shall be made no later than 30 days after this section becomes law, and shall be filed with the Retirement System and with the State Board of Education. For each charter school employee who is employed on or before the date the board makes the election to participate, membership in the System is effective as of the date the board makes the election to participate. For each charter school employee who is employed after the date the board makes the election, membership in the System is effective as of the date of that employee's entry into eligible service. This subsection applies only to charter schools that received State Board of Education approval under G.S. 115C-238.29D in 1997 or 1998.

(b) No later than 30 days after both parties have signed the written charter under G.S. 115C-238.29E, the board of directors of a charter school operated by a private nonprofit corporation shall elect whether to become a participating employer in the Retirement System in accordance with this Article. This election shall be in writing and filed with the Retirement System and with the State Board of Education and is effective for each charter school employee as of the date of that employee's entry into eligible service. This subsection applies to charter schools that receive State Board of Education approval under G.S. 115C-238.29D after 1998.

(c) A board's election to become a participating employer in the Retirement System under this section is irrevocable and shall require all eligible employees of the charter school to participate.

(d) No retirement benefit, death benefit, or other benefit payable under the Retirement System shall be paid by the State of North Carolina or the Board of Trustees of the Teachers' and State Employees' Retirement System on account of employment with a charter school with respect to any employee, or with respect to any beneficiary of an employee, of a charter school whose board of directors does not elect to become a participating employer in the Retirement System under this section.

(e) The board of directors of each charter school shall notify each of its employees as to whether the board elected to become a participating employer in the Retirement System under this section. This notification shall be in writing and shall be provided within 30 days of the board's election or at the time an initial offer for employment is made, whichever occurs last. If the board did not elect to join the Retirement System, the notice shall include a

statement that the employee shall have no legal recourse against the board or the State for any possible credit or reimbursement under the Retirement System. The employee shall provide written acknowledgment of the employee's receipt of the notification under this subsection. (1998-212, s. 9.14A(b).)

Editor's Note. — Session Laws 2001-462, s. 2, provides: "Notwithstanding the time limitation contained in G.S. 135-5.3(b), the board of directors of any charter school that received State Board of Education approval under G.S. 115C-238.29D on or after January 1, 2001, may elect to become a participating employer in the Teachers' and State Employees' Retirement System in accordance with Article 1 of Chapter 135 of the General Statutes. The election authorized by this section [s. 2 of Session Laws 2001-462] must be made no later than 30 days after the effective date [November 16, 2001], of this act [Session Laws 2001-462] and in accordance with all other requirements of G.S. 135-5.3."

Session Laws 2003-69, s. 1, provides: "Notwithstanding the time limitations contained in G.S. 135-5.3(b) and G.S. 135-40.3A(b), the board of directors of any charter school that received State Board of Education approval under G.S. 115C-238.29D on or after January 1, 2002, and the board of directors of River Mill Academy in Alamance County may elect to become a participating employer in the Teachers' and State Employees' Retirement System in accordance with Article 1 of Chapter 135 of the General Statutes and may also elect to become a participating employing unit in the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan in accordance with Article 3 of Chapter 135. The elections authorized by this section shall be made no later than 30 days after the effective date of this act and shall be made in accordance with all other requirements of G.S. 135-5.3 and G.S. 135-40.3A."

§ 135-5.4. Optional retirement program for State-funded community colleges.

(a) An Optional Retirement Program provided for in this section is authorized and established and shall be implemented by the North Carolina Community Colleges System, ("System"). The Optional Retirement Program shall be underwritten by the purchase of annuity contracts, which may be both fixed and variable contracts or a combination thereof, or financed through the establishment of a trust, for the benefit of the presidents of the community colleges all of whom are appointed after the implementation of the Program and who elect membership as required by subsection (b) of this section. Under the Optional Retirement Program, the State and the participant shall contribute, to the extent authorized or required, toward the purchase of such contracts or deposited in such trust on the participant's behalf.

(b) Participation in the Optional Retirement Program shall be governed as follows:

(1) Employees initially appointed on or after the implementation of the Optional Retirement Program shall at the same time of entering upon eligible employment elect (i) to join the Retirement System in accordance with the provisions of law applicable thereto or (ii) to participate in the Optional Retirement Program. This election shall be in writing and filed with the Retirement System and with the employing institution and shall be effective as of the date of entry into eligible service.

(2) An election to participate in the Optional Retirement Program shall be irrevocable. An eligible employee failing to elect to participate in the Optional Retirement Program at the time of entry into eligible service shall automatically be enrolled as a member of the Retirement System.

(3) No election by an eligible employee of the Optional Retirement Program shall be effective unless it is accompanied by an appropriate application for the issuance of a contract or contracts or trust participation under the Program.

(4) If any participant having less than five years coverage under the Optional Retirement Program leaves the employ of the System and either retires or commences employment with an employer not having a retirement program with the same company underwriting the participant's annuity contract, regardless of whether the annuity contract is held by the participant, a trust, or the Retirement System, the participant's interest in the Optional Retirement Program attributable to contributions of the employing institution shall be forfeited and shall either (i) be refunded to the employing institution and forthwith paid by it to the Retirement System and credited to the pension accumulation fund or (ii) be paid directly to the Retirement System and credited to the pension accumulation fund.

(c) Each employing institution shall contribute on behalf of each participant in the Optional Retirement Program an amount equal to a percentage of the participant's compensation as established from time to time by the General Assembly. Each participant shall contribute the amount that he or she would be required to contribute if a member of the Retirement System. Contributions authorized or required by the provisions of this subsection on behalf of each participant shall be made, consistent with section 414(h) of the Internal Revenue Code, by salary reduction according to rules and regulations established by the employing institution. Additional personal contributions may also be made by a participant by payroll deduction or salary reduction to an annuity or retirement income plan established pursuant to G.S. 115D-25. Payment of contributions shall be made by the employing institution to the designated company or companies underwriting the annuities or the trustees for the benefit of each participant, and this employer contribution shall not be subject to any State tax if made under the Optional Retirement Program or, otherwise, by salary reduction.

(d) The System shall designate the company or companies from which contracts are to be purchased or the trustee responsible for the investment of contributions under the Optional Retirement Program and shall approve the form and contents of such contracts or trust agreement. In making this designation and giving such approval, the Board shall give due consideration to the following:

(1) The nature and extent of the rights and benefits to be provided by these contracts or trust agreement for participants and their beneficiaries;

(2) The relation of these rights and benefits to the amount of contributions to be made;

(3) The suitability of these rights and benefits to the needs of the participants and the interest of the institutions of the System in recruiting and retaining faculty in a national and market;

(4) The ability of the designated company or companies underwriting the annuity contracts or trust agreement to provide these suitable rights and benefits under such contracts or trust agreement for these purposes.

In lieu of such designation and in order to provide a more efficient, cost-effective, and flexible Program, the System may designate the company or companies designated for the Optional Retirement Program for State institutions of higher education as prescribed in G.S. 135-5.1(d).

Notwithstanding the provisions of this subsection, no contractual relationship established under the Optional Retirement Program pursuant to the authority granted by Chapter 338, Session Laws of 1971, is deemed terminated by the provisions of this section.

(e) The System or employing institution may provide for the administration of the Optional Retirement Program and may perform or authorize the performance of all functions necessary for its administration.

(f) Any eligible employee electing to participate in the Optional Retirement Program is ineligible for membership in the Retirement System so long as he or she remains employed in any eligible position within the System, and, in this event, he or she shall continue to participate in the Optional Retirement Program.

(g) No retirement benefit, death benefit, or other benefit under the Optional Retirement Program shall be paid by the State of North Carolina, or the System, or the Board of Trustees of the Teachers' and State Employees' Retirement System with respect to any employee selecting and participating in the Optional Retirement Program or with respect to any beneficiary of that employee. Benefits shall be payable to participants or their beneficiaries only by the designated company in accordance with the terms of the contracts or trust agreement. (2001-424, s. 32.24(a); 2001-513, s. 24.)

Editor's Note. — Session Laws 2001-424, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2001.'"

Session Laws 2001-424, s. 32.24(c), as amended by Session Laws 2001-513, s. 24, made this section effective January 1, 2003.

Session Laws 2001-424, s. 36.5, is a severability clause.

§ 135-6. Administration.

(a) Administration by Board of Trustees; Corporate Name; Rights and Powers; Tax Exemption. — The general administration and responsibility for the proper operation of the Retirement System and for making effective the provisions of the Chapter are hereby vested in a Board of Trustees which shall be organized immediately after a majority of the trustees provided for in this section shall have qualified and taken the oath of office.

At the expiration of these terms of office the appointment shall be for a term of four years;

(4) Two members appointed by the General Assembly, one appointed upon the recommendation of the Speaker of the House of Representatives, and one appointed upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121. Neither of these members may be an active or retired teacher or State employee or an employee of a unit of local government. The initial members appointed by the General Assembly shall serve for terms expiring June 30, 1983. Thereafter, their successors shall serve for two-year terms beginning July 1 of odd-numbered years. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122.

(c) Compensation of Trustees. — The trustees shall be paid during sessions of the Board at the prevailing rate established for members of State boards and commissions, and they shall be reimbursed for all necessary expenses that they incur through service on the Board.

(d) Oath. — Each trustee other than the ex officio members shall, within 10 days after his appointment, take an oath of office, that, so far as it devolves upon him, he will diligently and honestly administer the affairs of the said Board, and that he will not knowingly violate or willingly permit to be violated any of the provisions of law applicable to the Retirement System. Such oath shall be subscribed to by the member making it, and certified by the officer before whom it is taken, and immediately filed in the office of the Secretary of State.

(g) Officers and Other Employees; Salaries and Expenses. — The State Treasurer shall be ex officio chairman of the Board of Trustees. The Board of Trustees shall, by a majority vote of all the members, appoint a director, who may be, but need not be, one of its members. The salary of the director of the Retirement System is subject to the provisions of Chapter 126 of the General Statutes of North Carolina. The Board of Trustees shall engage such actuarial and other service as shall be required to transact the business of the Retirement System. The compensation of all persons, other than the director, engaged by the Board of Trustees, and all other expenses of the Board necessary for the operation of the Retirement System, shall be paid at such rates and in such amounts as the Board of Trustees shall approve, subject to the approval of the Director of the Budget.

(j) Legal Adviser. — The Attorney General shall be the legal adviser of the Board of Trustees.

(k) Medical Board. — The Board of Trustees shall designate a medical board to be composed of not less than three nor more than five physicians not eligible to participate in the Retirement System. If required, other physicians may be employed to report on special cases. The medical board shall arrange for and pass upon all medical examinations required under the provisions of this Chapter, and shall investigate all essential statements and certificates by or on behalf of a member in connection with an application for disability retirement, and shall report in writing to the Board of Trustees its conclusion and recommendations upon all the matters referred to it.

(*l*) Duties of Actuary. — The Board of Trustees shall designate an actuary who shall be the technical adviser of the Board of Trustees on matters regarding the operation of the funds created by the provisions of this Chapter and shall perform such other duties as are required in connection therewith.

(m) Immediately after the establishment of the Retirement System the actuary shall make such investigation of the mortality, service and compensation experience of the members of the System as he shall recommend and the Board of Trustees shall authorize, and on the basis of such investigation he shall recommend for adoption by the Board of Trustees such tables and such rates as are required in subsection (n), subdivisions (1) and (2), of this section. The Board of Trustees shall adopt tables and certify rates, and as soon as practicable thereafter the actuary shall make a valuation based on such tables and rates of the assets and liabilities of the funds created by this Chapter.

(n) In 1943, and at least once in each five-year period thereafter, the actuary shall make an actuarial investigation into the mortality, service and compensation experience of the members and beneficiaries of the Retirement System, and shall make a valuation of the assets and liabilities of the funds of the System, and taking into account the result of such investigation and valuation, the Board of Trustees shall:

(1) Adopt for the Retirement System such mortality, service and other tables as shall be deemed necessary; and

(2) Certify the rates of contributions payable by the State of North Carolina on account of new entrants at various ages.

(o) On the basis of such tables and interest assumption rate as the Board of Trustees shall adopt, the actuary shall make an annual valuation of the assets and liabilities of the funds of the System created by this Chapter.

(p) Notwithstanding any law, rule, regulation or policy to the contrary, any board, agency, department, institution or subdivision of the State maintaining lists of names and addresses in the administration of their programs may upon request provide to the Retirement System information limited to social security numbers, current name and addresses of persons identified by the System as members, beneficiaries, and beneficiaries of members of the System. The System shall use such information for the sole purpose of notifying members, beneficiaries, and beneficiaries of members of their rights to and accruals of benefits in the Retirement System. Any social security number, current name and address so obtained and any information concluded therefrom and the source thereof shall be treated as confidential and shall not be divulged by any employee of the Retirement System or of the Department of State Treasurer except as may be necessary to notify the member, beneficiary, or beneficiary of the member of their rights to and accruals of benefits in the Retirement System. Any person, officer, employee or former employee violating

this provision shall be guilty of a Class 1 misdemeanor; and if such offending person be a public official or employee, he shall be dismissed from office or employment and shall not hold any public office or employment in this State for a period of five years thereafter. CASE NOTES

Board Without Power to Waive Statutory Deadlines. — The Board of Trustees of the Retirement System does not have discretionary power to extend or waive statutory deadlines for the reinstatement of a withdrawn account or for purchase of out-of-state service, since a waiver would not be a rule or regulation to prevent injustice and inequality across the board but simply a waiver in a specific instance. § 135-7. Management of funds.

(a) Vested in Board of Trustees. — The Board of Trustees shall be the trustee of the several funds created by this Chapter as provided in G.S. 135-8.

(b) Regular Interest Allowance. — The Board of Trustees annually shall allow regular interest on the mean amount for the preceding year in each of the funds with the exception of the expense fund. The amounts so allowed shall be due and payable to said funds, and shall be annually credited thereto by the Board of Trustees from interest and other earnings on the moneys of the Retirement System. Any additional amount required to meet the interest on the funds of the Retirement System shall be paid from the pension accumulation fund, and any excess of earnings over such amount required shall be paid to the pension accumulation fund. Regular interest shall mean such per centum rate to be compounded annually as shall be determined by the Board of Trustees on the basis of the interest earnings of the System for the preceding year and of the probable earnings to be made, in the judgment of the Board, during the immediate future, such rate to be limited to a minimum of three per centum (3%) and a maximum of four per centum (4%), with the latter rate applicable during the first year of operation of the Retirement System.

(c) Custodian of Funds; Disbursements; Bond of Director. — The State Treasurer shall be the custodian of the several funds and shall invest their assets in accordance with the provisions of G.S. 147-69.2 and 147-69.3.

(d) Deposits to Meet Disbursements. — For the purpose of meeting disbursements for pensions, annuities and other payments there may be kept available cash, not exceeding ten per centum (10%) of the total amount in the several funds of the Retirement System, on deposit with the State Treasurer of North Carolina.

(e) Personal Profit or Acting as Surety Prohibited. — Except as otherwise herein provided, no trustee and no employee of the Board of Trustees shall have any direct interest in the gains or profits of any investment made by the Board of Trustees, nor as such receive any pay or emolument for his service. No trustee or employee of the Board shall, directly or indirectly, for himself or as an agent in any manner use the same, except to make such current and necessary payments as are authorized by the Board of Trustees; nor shall any trustee or employee of the Board of Trustees become an endorser or surety or in any manner an obligor for moneys loaned or borrowed from the Board of Trustees. OPINIONS OF ATTORNEY GENERAL

Investment by Teachers' and State Employees' Retirement System in Government National Mortgage Association Mortgages. — See opinion of Attorney General to Mr. R. Moore, Assistant Treasurer, State of North Carolina, 40 N.C.A.G. 752 (1970).

§§ 135-7.1, 135-7.2: Repealed by Session Laws 1979, c. 467, ss. 16, 17.

§ 135-8. Method of financing.

(a) Funds to Which Assets of Retirement System Credited. — All of the assets of the Retirement System shall be credited according to the purpose for which they are held to one of four funds, namely, the annuity savings fund, the annuity reserve fund, the pension accumulation fund, and the pension reserve fund.

(b) Annuity Savings Fund. — The annuity savings fund shall be a fund in which shall be accumulated contributions from the compensation of members to provide for their annuities. Contributions to any payments from the annuity savings fund shall be made as follows:

(1) Prior to the first day of July, 1947, each employer shall cause to be deducted from the salary of each member on each and every payroll of such employer for each and every payroll period four per centum (4%) of his actual compensation; and the employer also shall deduct four per centum (4%) of any compensation received by any member for teaching in public schools, or in any of the institutions, agencies or departments of the State, from salaries other than the appropriations from the State of North Carolina. On and after such date the rate so deducted shall be five per centum (5%) of actual compensation except that, with respect to each member who is eligible for coverage under the Social Security Act in accordance with the agreement entered into during 1955 in accordance with the provisions of Article 2 of Chapter 135 of Volume 17 of the General Statutes, as amended, and with respect to members covered under G.S. 135-27, with such coverage retroactive to January 1, 1955, such deduction shall, commencing with the first day of the period of service with respect to which such agreement is effective, be at the rate of three per centum (3%) of the part of his actual compensation not in excess of the amount taxable to him under the Federal Insurance Contributions Act as from time to time in effect plus five per centum (5%) of the part of his earnable compensation not so taxable; provided that in the case of any member so eligible and receiving compensation from two or more employers such deductions may be adjusted under such rules as the Board of Trustees may establish so as to be as nearly equivalent as practicable to the deductions which would have been made had the member received all of such compensation from one employer. Notwithstanding the foregoing, the Board of Trustees may in its discretion cause such portion as it may determine of deductions made between

January 1, 1955, and December 1, 1955, to be transferred into the contribution fund established under G.S. 135-24; such amounts so transferred shall in that event be deemed to be taxes contributed by employees as required under Article 2, Chapter 135 of Volume 17 of the General Statutes as amended, and shall be in lieu of contributions otherwise payable in the same amount as so required.

Notwithstanding the foregoing, effective July 1, 1963, with respect to the period of service commencing on July 1, 1963, and ending December 31, 1965, the rates of such deduction shall be four per centum (4%) of the portion of compensation not in excess of forty-eight hundred dollars ($4,800) and six per centum (6%) of the portion of compensation in excess of forty-eight hundred dollars ($4,800); and with respect to the period of service commencing January 1, 1966, and ending June 30, 1967, the rate of such deductions shall be four per centum (4%) of the portion of compensation not in excess of fifty-six hundred dollars ($5,600) and six per centum (6%) of the portion of compensation in excess of fifty-six hundred dollars ($5,600); and with respect to the period of service commencing July 1, 1967, and ending June 30, 1975, the rate of such deductions shall be five per centum (5%) of the portion of compensation not in excess of fifty-six hundred dollars ($5,600) and six per centum (6%) of the portion of compensation in excess of fifty-six hundred dollars ($5,600). Such rates shall apply uniformly to all members of the Retirement System, without regard to their coverage under the Social Security Act.

Notwithstanding the foregoing, effective July 1, 1975, with respect to the period of service commencing on July 1, 1975, the rate of such deductions shall be six per centum (6%) of the compensation received by any member. Such rates shall apply uniformly to all members of the Retirement System, without regard to their coverage under the Social Security Act.

(2) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receipt for his full salary or compensation, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment, except as to the benefits provided under this Chapter. The employer shall certify to the Board of Trustees on each and every payroll or in such other manner as the Board of Trustees may prescribe, the amounts to be deducted; and each of said amounts shall be deducted, and when deducted shall be paid into said annuity savings fund, and shall be credited, together with regular interest thereon, to the individual account of the member from whose compensation said deduction was made.

(3) Each board of education of each county and each board of education of each city, and the employer in any department, agency or institution of the State, in which any teacher receives compensation from sources other than appropriations of the State of North Carolina shall deduct from the salaries of these teachers paid from sources other than State appropriations an amount equal to that deducted from the salaries of the teachers whose salaries are paid from State funds, and remit this amount to the State Retirement System. City boards of education and county boards of education in each and every county and city which has employees compensated from other than the State appropriation

shall pay to the State Retirement System the same per centum of the compensation that the State of North Carolina pays and shall transmit same to the State Retirement System monthly: Provided, that for the purpose of enabling the boards of education to make such payment, the tax-levying authorities are hereby authorized, empowered and directed to provide the necessary funds therefor. In case the salary is paid in part from State funds and in part from local funds, the local authorities shall not be relieved of providing and remitting the same per centum of the salary paid from local funds as is paid from State funds. In case the entire salary of any teacher, as defined in this Chapter, is paid from county or local funds, the county or city paying such salary shall provide and remit to the Retirement System the same per centum that would be required if the salary were provided by the State of North Carolina.

(4) In addition to contributions deducted from compensation as hereinbefore provided, subject to the approval of the Board of Trustees, any member may redeposit in the annuity savings fund by a single payment an amount equal to the total amount which he previously withdrew therefrom, as provided in this Chapter. Such amounts so redeposited shall become a part of his accumulated contributions as if such amounts had initially been contributed within the calendar year of such redeposit. In no event, however, shall any member be permitted to redeposit any amount withdrawn after July 1, 1959, except as provided for in G.S. 135-4(e).

(5) The Board of Trustees may approve the purchase of creditable service by any member for leaves of absence or for interrupted service to an employer for the sole purpose of acquiring knowledge, talents, or abilities and to increase the efficiency of service to the employer. This approval shall be made prior to the purchase of the creditable service, is limited to a career total of six years for each member, and may be obtained in the following manner:

a. Approved leave of absence. — Where the employer grants an approved leave of absence, a member may make monthly contributions to the annuity savings fund on the basis of compensation the member was earning immediately prior to such leave of absence. The employer shall make monthly contributions equal to the normal and accrued liability contribution on such compensation or, in lieu thereof, the member may pay into the annuity savings fund monthly an amount equal to the employer's normal and accrued liability contribution when the policy of the employer is not to make such payment.

b. No educational leave policy. — Where the employer has a policy of not granting educational leaves of absence or the member has unsuccessfully petitioned for leave of absence and the member has interrupted service for educational purposes, the member may make monthly contributions into the annuity savings fund in an amount equal to the employee contribution plus the employer normal and accrued liability contribution on the basis of the compensation the member was earning immediately prior to the interrupted service.

c. Educational program prior to July 1, 1981. — Creditable service for leaves of absence or interrupted service for educational purposes prior to July 1, 1981, may be purchased by a member, before or after retirement, who returned as a contributing employee or teacher within 12 months after completing the educational program and completed 10 years of subsequent membership service,

by making a lump sum payment into the annuity savings fund equal to the full cost of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities and shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary, plus a fee to be determined by the Board of Trustees.

d. Employment in a charter school. — Notwithstanding subparagraph a. of this subdivision, where the employer grants an approved leave of absence for the member to be employed in a charter school or where the member's service is interrupted by employment in a charter school, authorized under Part 6A of Article 16 of Chapter 115C of the General Statutes, the member may make monthly contributions into the annuity savings fund in an amount equal to the employee contribution plus the employer normal and accrued liability contribution on the basis of the compensation the member was earning immediately prior to the interrupted service.

Payments required to be made by the member, the employer, or both under subparagraphs a or b are due by the 15th of the month following the month for which the service credit is allowed and payments made after the due date shall be assessed a penalty, in lieu of interest, of one percent (1%) per month or fraction thereof the payment is made beyond the due date; provided, that these payments shall be made prior to retirement and provided further, that if the member did not become a contributing member within 12 months after completing the educational program and failed to complete three years of subsequent membership service, except in the event of death or disability, any payment made by the member including penalty shall be refunded with regular interest thereon and the service credits cancelled prior to or at retirement.

(6) The contributions of a member, and such interest as may be allowed thereon, paid upon his death or withdrawn by him as provided in this Chapter, shall be paid from the annuity savings fund, and any balance of the accumulated contributions of such a member shall be transferred to the pension accumulation fund.

(b1) Pick Up of Employee Contributions. — Anything within this section to the contrary notwithstanding, effective July 1, 1982, an employer, pursuant to the provisions of section 414(h)(2) of the Internal Revenue Code of 1954 as amended, shall pick up and pay the contributions which would be payable by the employees as members under subsection (b) of this section with respect to the service of employees after June 30, 1982.

The members' contributions picked up by an employer shall be designated for all purposes of the Retirement System as member contributions, except for the determination of tax upon a distribution from the System. These contributions shall be credited to the annuity savings fund and accumulated within the fund in a member's account which shall be separately established for the purpose of accounting for picked-up contributions.

Member contributions picked up by an employer shall be payable from the same source of funds used for the payment of compensation to a member. A deduction shall be made from a member's compensation equal to the amount of his contributions picked up by his employer. This deduction, however, shall not reduce his compensation as defined in subdivision (7a) of G.S. 135-1. Picked up contributions shall be transmitted to the System monthly for the

preceding month by means of a warrant drawn by the employer and payable to the Teachers' and State Employees' Retirement System and shall be accompanied by a schedule of the picked-up contributions on such forms as may be prescribed. In the case of a failure to fulfill these conditions, the provisions of subsection (f)(3) of this section shall apply.

The pick up of employee contributions by an employer as provided for hereunder shall be equally applicable to participant contributions required under the optional retirement program as specified in G.S. 135-5.1(c).

(b2) Retroactive Adjustment in Compensation or an Underreporting of Compensation. — A member who is awarded backpay in cases of a denied promotional opportunity in which the aggrieved member is granted a promotion retroactively, or in cases in which an employer errs in the reporting of compensation, including the employee and employer contributions, the member and employer may make employee and employer contributions on the retroactive or additional compensation, after submitting clear and convincing evidence of the retroactive promotion or underreporting of compensation, as follows:

(1) Within 90 days of the denial of the promotion or the error in reporting, by the payment of employee and employer contributions that would have been paid; or

(2) After 90 days of the denial of the promotion or the error in reporting, by the payment of the employee and employer contributions that would have been paid plus interest compounded annually at a rate equal to the greater of the average yield on the pension accumulation fund for the preceding calendar year or the actuarial investment rate-of-return assumption, as adopted by the Board of Trustees.

For members electing to make the employee contributions on the retroactive adjustment in compensation or on the underreported compensation, the member's employer, which granted the retroactive promotion or erred in underreporting compensation and contributions, shall make the required employer contributions. Nothing contained in this subsection shall prevent an employer from paying all or a part of the interest assessed on the employee contributions; and to the extent paid by the employer, the interest paid by the employer shall be credited to the pension accumulation fund; provided, however, an employer does not discriminate against any member or group of members in his employ in paying all or any part of the interest assessed on the employee contributions due.

In the event the retroactive adjustment in compensation or the underreported compensation is for a period that occurs during the four consecutive calendar years that would have produced the highest average annual compensation pursuant to G.S. 135-1(5) the compensation the member would have received during the period shall be included in calculating the member's average final compensation only in the event the appropriate employee and employer contributions are paid on such compensation.

An employer error in underreporting compensation shall not include a retroactive increase in compensation that occurs during the four consecutive calendar years that would have produced the highest average annual compensation pursuant to G.S. 135-1(5) for reasons other than a wrongfully denied promotional opportunity where the member is promoted retroactively.

(c) Annuity Reserve Fund. — The annuity reserve fund shall be the fund in which shall be held the reserves on all annuities in force and from which shall be paid all annuities and all benefits in lieu of annuities, payable as provided in this Chapter. Should a beneficiary retired on account of disability be restored to active service with a compensation not less than his average final compensation at the time of his last retirement his annuity reserve shall be transferred from the annuity reserve fund to the annuity savings fund and credited to his individual account therein.

(d) Pension Accumulation Fund. — The pension accumulation fund shall be the fund in which shall be accumulated all reserves for the payment of all pensions and other benefits payable from contribution made by employers and from which shall be paid all pensions and other benefits on account of members with prior service credit. Contributions to and payments from the pension accumulation fund shall be made as follows:

(1) On account of each member there shall be paid in the pension accumulation fund by employers an amount equal to a certain percentage of the actual compensation of each member to be known as the "normal contribution," and an additional amount equal to a percentage of his actual compensation to be known as the "accrued liability contribution." The rate per centum of such contributions shall be fixed on the basis of the liabilities of the Retirement System as shown by actuarial valuation. Until the first valuation the normal contribution shall be two and fifty-seven one-hundredths percent (2.57%) for teachers, and one and fifty-seven one-hundredths percent (1.57%) for State employees, and the accrued liability contribution shall be two and ninety-four one-hundredths percent (2.94%) for teachers and one and fifty-nine one-hundredths percent (1.59%) of the salary of other State employees.

(2) On the basis of regular interest and of such mortality and other tables as shall be adopted by the Board of Trustees, the actuary engaged by the Board to make each valuation required by this Chapter during the period over which the accrued liability contribution is payable, immediately after making such valuation, shall determine the uniform and constant percentage of the earnable compensation of the average new entrant throughout his entire period of active service which would be sufficient to provide for the payment of any pension payable on his account. The rate per centum so determined shall be known as the "normal contribution" rate. After the accrued liability contribution has ceased to be payable, the normal contribution rate shall be the rate per centum of the earnable salary of all members obtained by deducting from the total liabilities of the pension accumulation fund the amount of the funds in hand to the credit of that fund and dividing the remainder by one per centum of the present value of the prospective future salaries of all members as computed on the basis of the mortality and service tables adopted by the Board of Trustees and regular interest. The normal rate of contribution shall be determined by the actuary after each valuation.

(3) Immediately succeeding the first valuation the actuary engaged by the Board of Trustees shall compute the rate per centum of the total annual compensation of all members which is equivalent to four percent (4%) of the amount of the total pension liability on account of all members and beneficiaries which is not dischargeable by the aforesaid normal contribution made on account of such members during the remainder of their active service. The rate per centum originally so determined shall be known as the "accrued liability contribution" rate. Such rate shall be increased on the basis of subsequent valuations if benefits are increased over those included in the valuation on the basis of which the original accrued liability contribution rate was determined. Upon certification by the actuary engaged by the Board of Trustees that the accrued liability contribution rate may be reduced without impairing the Retirement System, the Board of Trustees may cause the accrued liability contribution rate to be reduced.

(4) The total amount payable in each year to the pension accumulation fund shall not be less than the sum of the rate per centum known as

the normal contribution rate and the accrued liability contribution rate of the total actual compensation of all members during the preceding year: Provided, however, that, subject to the provisions of subdivision (3) of this subsection the amount of each annual accrued liability contribution shall be at least three percent (3%) greater than the preceding annual accrued liability payment, and that the aggregate payment by employers shall be sufficient, when combined with the amount in the fund, to provide the pensions and other benefits payable out of the fund during the year then current.

(5) The accrued liability contribution shall be discontinued as soon as the accumulated reserve in the pension accumulation fund shall equal the present value as actuarially computed and approved by the Board of Trustees, of the total liability of such fund less the present value, computed on the basis of the normal contribution rate then in force, of the prospective normal contributions to be received on account of all persons who are at the time members.

(6) All pensions, and benefits in lieu thereof, with the exception of those payable on account of members who received no prior service allowance, payable from contributions of employer shall be paid from the pension accumulation fund.

(7) Upon the retirement of a member not entitled to credit for prior service, an amount equal to his pension reserve shall be transferred from the pension accumulation fund to the pension reserve fund.

(e) Pension Reserve Fund. — The pension reserve fund shall be the fund in which shall be held the reserves on all pensions granted to members not entitled to credit for prior service and from which such pensions and benefits in lieu thereof shall be paid. Should such a beneficiary retired on account of disability be restored to active service with a compensation not less than his average final compensation at the time of his last retirement, the pension thereon shall be transferred from the pension reserve fund to the pension accumulation fund. Should the pension of such disability beneficiary be reduced as a result of an increase in his earning capacity, the amount of the annual reduction in his pension shall be paid annually into the pension accumulation fund during the period of such reduction.

(f) Collection of Contributions. —

(1) The collection of members' contributions shall be as follows:

a. Each employer shall cause to be deducted on each and every payroll of a member for each and every payroll subsequent to the date of establishment of the Retirement System the contributions payable by such member as provided in this Chapter, and the employer shall draw his warrant for the amount so deducted, payable to the Teachers' and State Employees' Retirement System of North Carolina, and shall transmit the same, together with schedule of the contributions, on such forms as prescribed.

(2) The collection of employers' contributions shall be made as follows:

a. Upon the basis of each actuarial valuation provided herein there shall be prepared biennially and certified to the Department of Administration a statement of the total amount necessary for the ensuing biennium to the pension accumulation and expense funds, as provided under subsections (d) and (f) of this section, and these funds shall be handled and disbursed in accordance with Chapter 100, Public Laws of 1929, and amendments thereto (G.S. 143-1 et seq.), known as the Executive Budget Act.

b. Until the first valuation has been made and the rates computed as provided in subsection (d) of this section, the amount payable by employers on account of the normal and accrued liability contri-

butions shall be five and fifty-one one-hundredths percent (5.51%) of the payroll of all teachers and three and sixteen one-hundredths percent (3.16%) for other State employees.

c. Repealed by Session Laws 1993, c. 257, s. 13.

d. Each board of education in each county and each board of education in each city in which teachers or other employees of the schools receive compensation for services in the public schools from sources other than the appropriation of the State of North Carolina shall pay the Board of Trustees of the State Retirement System such rate of their respective salaries as are paid those of other employees.

e. Each employer shall transmit monthly to the State Retirement System on account of each employee, who is a member of this System, an amount sufficient to cover the normal contribution and the accrued liability contribution of each member employed by such employer for the preceding month.

(3) In the event the employee or employer contributions required under this section are not received by the date set by the Board of Trustees, the Board shall assess the employer with a penalty of 1% per month with a minimum penalty of twenty-five dollars ($25.00). If within 90 days after request therefor by the Board any employer shall not have provided the System with the records and other information required hereunder or if the full accrued amount of the contributions provided for under this section due from members employed by an employer or from an employer other than the State shall not have been received by the System from the chief fiscal officer of such employer within 30 days after the last due date as herein provided, then, notwithstanding anything herein or in the provisions of any other law to the contrary, upon notification by the Board to the State Treasurer as to the default of such employer as herein provided, any distributions which might otherwise be made to such employer from any funds of the State shall be withheld from such employer until notice from the Board to the State Treasurer that such employer is no longer in default.

(g) Merger of Annuity Reserve Fund and Pension Reserve Fund into Pension Accumulation Fund. — Notwithstanding the foregoing, effective at such date not later than December 31, 1959, as the Board of Trustees may determine, the annuity reserve fund and the pension reserve fund shall be merged into and become a part of the pension accumulation fund, provided that such merger shall in no way adversely affect the rights of any members or retired members of the System and further provided the Board of Trustees shall be and hereby is authorized to make such changes in the accounting methods and procedures of the System from time to time as, in its opinion, are in the interest of sound and proper administration of the System.

(h) Repealed by Session Laws 1965, c. 780, s. 1. CASE NOTES

Funding. — Teachers' and State Employees' Retirement System of North Carolina, Consolidated Judicial Retirement System of North Carolina, and Legislative Retirement System are funded by both employee and State, or employer, contributions under G.S. 135-8, 135-68, 135-69, 120-4.19, and 120-4.20; these systems provide for a systematic method of funding of the respective retirement system with employee contributions computed as a set percentage of the employees' salaries, and with systematic employer contributions in accordance with formulas mandated by the retirement statutes, which include calculations by an actuary based on the actuarial valuation of liabilities of the retirement systems. State Employees Ass'n of N.C., Inc. v. State, 154 N.C. App. 207, 573 S.E.2d 525, 2002 N.C. App. LEXIS 1451 (2002).

Local Unit Contribution. — Where a local unit assumes the burden of supplementing State support for the schools, the provision of subsection (b)(3) of this section that the local unit make its contribution and the taxing authority provide the necessary funds is mandatory. Bridges v. City of Charlotte, 221 N.C. 472, 20 S.E.2d 825 (1942), holding no vote necessary to tax to meet deficiency in previously authorized tax.

§ 135-9. Exemption from garnishment, attachment, etc.

Except for the applications of the provisions of G.S. 110-136, and G.S. 110-136.3 et seq., and in connection with a court-ordered equitable distribution under G.S. 50-20, the right of a person to a pension, or annuity, or a retirement allowance, to the return of contributions, the pension, annuity or retirement allowance itself, any optional benefit or any other right accrued or accruing to any person under the provisions of this Chapter, and the moneys in the various funds created by this Chapter, are exempt from levy and sale, garnishment, attachment, or any other process whatsoever, and shall be unassignable except as in this Chapter specifically otherwise provided. Notwithstanding any provisions to the contrary, any overpayment of benefits to a member in a State-administered retirement system or the former Disability Salary Continuation Plan or the Disability Income Plan of North Carolina may be offset against any retirement allowance, return of contributions or any other right accruing under this Chapter to the same person, the person's estate, or designated beneficiary. CASE NOTES

The language of this section is clear and unequivocal. A person's rights to state employee retirement benefits are not assignable. Reynolds v. North Carolina State Employees Credit Union, 31 Bankr. 296 (Bankr. E.D.N.C. 1983).

This section and G.S. 50-20(b)(3) do not require entry of a Qualified Domestic Relations Order to assign a retirement plan; therefore, the plain language of a property settlement agreement incorporated into a consent order served to secure ex-wife's twenty percent interest in her ex-husband's state university retirement plan. Patterson ex rel. Jordan v. Patterson, 137 N.C. App. 653, 529 S.E.2d 484, 2000 N.C. App. LEXIS 505 (2000).

G.S. 1C-1601(c) does not preclude the use of this section by a bankruptcy debtor to claim an exemption in state employee retirement benefits. In re Hare, 32 Bankr. 16 (Bankr. E.D.N.C. 1983).

The designation of "retirement" as "other collateral" on loan document was clearly misleading, since the "retirement" account of a state employee is unassignable, and therefore not available as a source of secu-

rity to a creditor. Petersen v. State Employees Credit Union (In re Kittrell), 115 Bankr. 873 (Bankr. M.D.N.C. 1990).

Credit union deceived borrower by purporting to have enforceable security interest in retirement accounts. Practices and actions of credit union in deceiving borrower into thinking that credit union had a valid, enforceable security interest in his retirement account by inserting the word "retirement" in the "other collateral" block on front of loan documents and having debtor sign documents at the time of making his first loan, which authorized the sending of employee's retirement checks to the credit union and depositing therein and the filing away of these forms and applying them to all loans made thereafter violated public policy of protecting the retirement accounts of teachers and other state employees. Petersen v. State Employees Credit Union (In re Kittrell), 115 Bankr. 873 (Bankr. M.D.N.C. 1990).

§ 135-10. Protection against fraud.

Any person who shall knowingly make any false statement or shall falsify or permit to be falsified any record or records of this Retirement System in any attempt to defraud such System as a result of such act shall be guilty of a Class 1 misdemeanor. Should any change or error in the records result in any member or beneficiary receiving from the Retirement System more or less than he would have been entitled to receive had the records been correct, the Board of Trustees shall correct such error, and as far as practicable, shall adjust the payment in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid. (1941, c. 25, s. 10; 1993, c. 539, s. 973; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

Legislative Intent. — This section shows the intent of the General Assembly to allow the courts to require that compensation paid for underpayment of a pension compensation be paid at the actuarial value. Faulkenbury v. Teachers' & State Emps. Retirement Sys., 345 N.C. 683, 483 S.E.2d 422 (1997).

Calculation of Additional Benefit. — The re-calculation of additional benefits owed to retirees did not mandate the use of a mortality factor, where the right to payments was not forfeited upon the death of a retiree but was passed to the retiree's survivors. Faulkenbury v. Teachers' & State Employees' Ret. Sys., 132 N.C. App. 137, 510 S.E.2d 675, 1999 N.C. App. LEXIS 89 (1999), cert. denied, 350 N.C. 379, 536 S.E.2d 620 (1999).

§ 135-11. Application of other pension laws.

Subject to the provisions of Article 2, Chapter 135 of the General Statutes, Volume 17, as amended, no other provisions of law in any other statute which provides wholly or partly at the expense of the State of North Carolina for pensions or retirement benefits for teachers or State employees of the said State, their widows, or other dependents shall apply to members or beneficiaries of the Retirement System established by this Chapter, their widows or other dependents. (1941, c. 25, s. 11; 1955, c. 1155, s. 6.)

§ 135-12. Obligation of maintaining reserves and paying benefits.

The maintenance of annuity reserves and pension reserves as provided for and regular interest creditable to the various funds as provided in G.S. 135-8, and the payment of all pensions, annuities, retirement allowances, refunds and other benefits granted under the provisions of this Chapter, are hereby made obligations of the pension accumulation fund. All income, interest and dividends derived from deposits and investments authorized by this Chapter

shall be used for the payment of the said obligations of the said fund. (1941, c. 25, s. 12.)

§ 135-13. Certain laws not repealed; suspension of payments and compulsory retirement.

Nothing in this Chapter shall be construed to repeal or invalidate any of the provisions of Chapter 483 of the Public-Local Laws of 1919, or Chapter 385 of the Public-Local Laws of 1921, as amended, relating to pensions for school teachers in New Hanover County. No payment on account of any benefit granted under the provisions of G.S. 135-5, subsections (a) and (d) inclusive, shall become effective or begin to accrue until the end of one year following the date the System is established nor shall any compulsory retirement be made during such period. (1941, c. 25, s. 13.)

§ 135-14. Pensions of certain former teachers and State employees.

On and after July 1, 1983, special pensions and allowances of certain former teachers and State employees shall be paid out of the Pension Accumulation Fund of the Retirement System, as follows:

(1) Any person who was a teacher or employee, as defined in G.S. 135-1(10) and (25), for 20 or more years, whose separation from service was prior to April 1, 1956, was not due to any dishonorable cause, and who had attained age 65 prior to July 1, 1960, shall upon application be paid an allowance of one hundred seventy-three dollars and twenty-five cents ($173.25) per month.

(2) Any beneficiary who did not qualify for Social Security benefits and had 20 or more years of creditable service and qualified for a minimum eighty-five dollars ($85.00) per month under the provisions of Chapter 1140 of the 1965 Session Laws, shall be paid the allowance in effect on June 30, 1983.

(3) Any beneficiary who did not qualify for Social Security benefits and who had 15 years but less than 20 years of creditable service and qualified for a benefit of four dollars ($4.00) per month for each year of creditable service under the provisions of Chapter 1199 of the 1965 Session Laws shall be paid the allowance in effect on June 30, 1983.

(4) All the allowances in subsections (1) through (3) of this section may be adjusted by any cost-of-living increases in retirement allowances provided by the General Assembly or by the Board of Trustees. (1943, c. 785; 1953, c. 1132, s. 1; 1955, c. 1199, ss. 1, 2; 1957, cc. 852, 1408, 1412; 1959, c. 538, s. 1; 1979, c. 1057, ss. 1, 2; 1983, c. 761, s. 223.)

§ 135-14.1. Certain school superintendents and assistant superintendents.

Any person who has been a superintendent or assistant superintendent in the public schools of North Carolina for a total of 20 years or more and who was not a superintendent or assistant superintendent in the public schools of this State at the time of the enactment of the Teachers' and State Employees' Retirement System Act, the same being this Chapter, and whose cessation of employment as a superintendent or assistant superintendent was not due to any dishonorable cause shall be entitled to receive benefits under said Retirement Act for such services in the same manner and to the same extent as such 20 years of prior service would have entitled such superintendent or assistant superintendent had he or she been a superintendent or assistant

superintendent in the public schools at the time said Retirement Act became effective, and had chosen to become a member of the Retirement System, provided that such former superintendent or assistant superintendent has returned to State service and been employed for at least five years and has reached the age of 65 before July 1, 1957; provided, further, the monthly benefit to such former superintendent or assistant superintendent shall be equal to the minimum provided with respect to teachers under the provisions of G.S. 135-14, as amended. (1957, c. 1431.)

§ 135-15: Repealed by Session Laws 1949, c. 1056, s. 9.

§ 135-16. Employees transferred to North Carolina State Employment Service by act of Congress.

Notwithstanding any provision contained in this Chapter, any employee of the United States Employment Service who was transferred to and became employed by the State of North Carolina, or any of its agencies, on November 16, 1946, by virtue of Public Laws 549, 79th Congress, Chapter 672, 2nd Session, and who was employed by the War Manpower Commission or the United States Employment Service between January 1, 1942, and November 15, 1946, shall be deemed to have been engaged in membership service as defined by this Chapter for any payroll period or periods between such dates: Provided, that any such employee or member on or before January 1, 1948, pays to the Board of Trustees for the benefit of the proper fund or account an amount equal to the accumulated contributions, with interest thereon, that such employee or member would have made during such period if he had been a member of the Retirement System with earnable compensation based on the salary received for such period and as limited by this Chapter: Provided, further that funds are made available by the United States Employment Service, or other federal agency, to the Employment Security Commission for the payment of and the Employment Security Commission pays to the Board of Trustees for the benefit of the proper fund a sum equal to the employer's contributions that would have been paid for such period for members or employees who pay the accumulated contributions provided in this section.

The Board of Trustees is authorized to adopt and issue all necessary rules and regulations for the purpose of administering and enforcing the provisions of this section. (1947, c. 464, s. 1; c. 598, s. 1.)

(1987, c. 177, s. 1(a), (b).)

Editor's Note. — Session Laws 1987, c. 177, s. 1(c), made this section effective upon the first day of the calendar month following the State's receipt of a favorable letter of determination or ruling from the Internal Revenue Service, United States Department of Treasury, that the Retirement Systems were qualified trusts under Section 401(a) of the Internal Revenue Code of 1954 as amended. A favorable letter was received prior to the enactment of c. 177.

§ 135-18.7. Internal Revenue Code compliance.

(a) Notwithstanding any other provisions of law to the contrary, compensation for any calendar year after 1988 in which employee or employer contributions are made and for which annual compensation is used for computing any benefit under this Article shall not exceed the higher of two hundred thousand dollars ($200,000) or the amount determined by the Commissioner of Internal Revenue as the limitation for calendar years after 1989; provided the

imposition of the limitation shall not reduce a member's benefit below the amount determined as of December 31, 1988.

Effective January 1, 1996, the annual compensation of a member taken into account for determining all benefits provided under this Article shall not exceed one hundred fifty thousand dollars ($150,000), as adjusted pursuant to section 401(a)(17)(B) of the Internal Revenue Code and any regulations issued under the Code. However, with respect to a person who became a member of the Retirement System prior to January 1, 1996, the imposition of this limitation on compensation shall not reduce the amount of compensation which may be taken into account for determining the benefits of that member under this Article below the amount of compensation which would have been recognized under the provisions of this Article in effect on July 1, 1993.

Effective January 1, 2002, the annual compensation of a person, who became a member of the Retirement System on or after January 1, 1996, taken into account for determining all benefits accruing under this Article for any plan year after December 31, 2001, shall not exceed two hundred thousand dollars ($200,000) or the amount otherwise set by the Internal Revenue Code or determined by the Commissioner of Internal Revenue as the limitation for calendar years after 2002.

(b) Notwithstanding any other provisions of law to the contrary, the annual benefit payable on behalf of a member shall, if necessary, be reduced to the extent required by Section 415(b) and with respect to calendar years commencing prior to January 1, 2000, Section 415(e) of the Internal Revenue Code, as adjusted by the Secretary of the Treasury or his delegate pursuant to Section 415(d) of the Code. If a member is a participant under any qualified defined contributions plan that is required to be taken into account for the purposes of the limitation contained in Section 415 of the Internal Revenue Code, the annual benefit payable under this Article shall be reduced to the extent required by Section 415(e) prior to making any reduction under the defined contribution plan provided by the employer. However, with respect to a member who has benefits accrued under this Article but whose benefit had not commenced as of December 31, 1999, the combined plan limitation contained in Section 415(e) of the Internal Revenue Code shall not be applied to such member for calendar years commencing on or after January 1, 2000.

(c) On and after January 1, 1989, the retirement allowance of a member who has terminated employment shall begin no later than the later of April 1 of the calendar year following the calendar year that the member attains 70 ½ years of age or April 1 of the calendar year following the calendar year in which the member terminates employment.

(d) This subsection applies to distributions made on or after January 1, 1993. Notwithstanding any other provision of the Plan to the contrary that would otherwise limit a distributee's election under this Article, a distributee may elect, at the time and in the manner prescribed by the Plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover. Provided, an eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of 10 years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net realized appreciation with respect to employer securities). Effective as of January 1, 2002, and notwithstanding the

preceding sentence, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in Section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in Section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible. Provided, an eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Code, or a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. Effective on and after January 1, 2002, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Code and an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan. The definition of eligible retirement plan shall also apply in the case of a distribution to surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Internal Revenue Code, or a court-ordered equitable distribution of marital property, as provided under G.S. 50-30. Provided, a distributee includes an employee or former employee. Provided further, a direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee. (1989, c. 276, s. 3; 1993, c. 531, s. 6; 1995, c. 361, s. 1; 2002-71, s. 6.)

Editor's Note. — Session Laws 2002-71, s. 9, provides, in part, that s. 6 of the act is effective when it becomes law (approved August 12, 2002), except that the changes in G.S. 135-18.7(b) become effective January 1, 2000.

Effect of Amendments. — Session Laws 2002-71, s. 6, added the last paragraph in subsection (a); in subsection (b), rewrote the first sentence, and added the last sentence; and rewrote subsection (d). See editor's note for effective date.

§ 135-18.8. Deduction for payments to certain employees' or retirees' associations allowed.

Any beneficiary who is a member of a domiciled employees' or retirees' association that has at least 2,000 members, the majority of whom are active or retired employees of the State or public school employees, may authorize, in writing, the periodic deduction from the beneficiary's retirement benefits a designated lump sum to be paid to the employees' or retirees' association. The authorization shall remain in effect until revoked by the beneficiary. A plan of deductions pursuant to this section shall become void if the employees' or retirees' association engages in collective bargaining with the State, any political subdivision of the State, or any local school administrative unit. Effect of Amendments. — Session Laws 2002-126, s. 6.4(c), effective July 1, 2002, substituted "beneficiary" for "member" throughout the section.

§ 135-18.9. Transfer of members from the Legislative Retirement System or the Consolidated Judicial Retirement System.

(a) The accumulated contributions, creditable service, and reserves, if any, of a member of the Legislative Retirement System, as provided for in Article 1A of G.S. 120, or the Consolidated Judicial Retirement System, as provided for in Article 4 of G.S. 135, who later becomes a member of the Teachers' and State Employees' Retirement System for a period of five or more years may, upon application of the member, be transferred from the Legislative Retirement System or the Consolidated Judicial Retirement System. The accumulated contributions, creditable service, and reserves of any member whose service as a member of the Legislative Retirement System or the Consolidated Judicial Retirement System is terminated other than by retirement or death and who later becomes a member of the Teachers' and State Employees' Retirement System may, upon application of the member, be transferred from the Legislative Retirement System or the Consolidated Judicial Retirement System to the Teachers' and State Employees' Retirement System. In order to effect the transfer of a member's creditable service from the Legislative Retirement System or the Consolidated Judicial Retirement System to the Teachers' and State Employees' Retirement System, the accumulated contributions of each member credited in the annuity savings fund in the Legislative Retirement System or the Consolidated Judicial Retirement System shall be transferred and credited to the annuity savings fund in the Teachers' and State Employees' Retirement System.

(b) The Board of Trustees shall effect such rules as it may deem necessary to administer subsection (a) of this section and to prevent any duplication of service credits or benefits that might otherwise occur. (2003-284, s. 30.18(c).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 30.18(i), provides: "The Retirement Systems Division of the Department of State Treasurer and the Board of Trustees of the Teachers' and State Employees' Retirement System shall study the feasibility and cost implications of applying the provisions of this section to present retirees of the Legislative Retirement System. Session Laws 2003-284, s. 49.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2003-2005 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2003-2005 fiscal biennium."

Session Laws 2003-284, s. 49.5, is a severability clause.

§ 135-22. Contributions by State employees.

(a) Every employee of the State whose services are covered by an agreement entered into under G.S. 135-21 shall be required to pay for the period of such coverage, into the contribution fund established by G.S. 135-24, contributions, with respect to wages (as defined in G.S. 135-20), equal to the amount of the employee tax which would be imposed by the Federal Insurance Contributions

Act if such services constituted employment within the meaning of that act. Such liability shall arise in consideration of the employee's retention in the service of the State, or his entry upon such service, after the enactment of this Article.

(b) The contribution imposed by this section shall be collected by deducting the amount of the contribution from wages as and when paid, but failure to make such deduction shall not relieve the employee from liability for such contribution.

(c) If more or less than the correct amount of the contribution imposed by this section is paid or deducted with respect to any remuneration, proper adjustments, or refund if adjustment is impracticable, shall be made, without interest, in such manner and at such times as the State agency shall prescribe. (1951, c. 562, s. 3; 1955, c. 1154, s. 8.)

§ 135-23. Plans for coverage of employees of political subdivisions.

(a) Each political subdivision of the State is hereby authorized to submit for approval by the State agency a plan for extending the benefits of Title II of the Social Security Act, in conformity with applicable provisions of such act, to employees of such political subdivisions. Each such plan and any amendment thereof shall be approved by the State agency if it finds that such plan or such plan as amended, is in conformity with such requirements as are provided in regulations of the State agency, except that no such plan shall be approved unless —

(1) It is in conformity with the requirements of the Social Security Act and with the agreement entered into under G.S. 135-21.

(2) It provides that all services which constitute employment as defined in G.S. 135-20 and are performed in the employ of the political subdivision by employees thereof, shall be covered by the plan, except that it may exclude services performed by individuals to whom section 218(c)(3)(C) of the Social Security Act is applicable.

(3) It specifies the source or sources from which the funds necessary to make the payments required by subdivision (1) of subsection (c) and by subsection (d) are expected to be derived and contains reasonable assurance that such sources will be adequate for such purpose.

(4) It provides for such methods of administration of the plan by the political subdivision as are found by the State agency to be necessary for the proper and efficient administration of the plan.

(5) It provides that the political subdivision will make such reports, in such form and containing such information, as the State agency may from time to time require, and comply with such provisions as the State agency or the Secretary of Health, Education and Welfare may from time to time find necessary to assure the correctness and verification of such reports.

(6) It authorizes the State agency to terminate the plan in its entirety, in the discretion of the State agency, if it finds that there has been a failure to comply substantially with any provision contained in such plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the State agency and may be consistent with the provisions of the Social Security Act.

(b) The State agency shall not finally refuse to approve a plan submitted by a political subdivision under subsection (a), and shall not terminate an approved plan, without reasonable notice and opportunity for hearing to the political subdivision affected thereby.

(c)(1) Each political subdivision as to which a plan has been approved under this section shall pay into the contribution fund, with respect to wages (as defined in G.S. 135-20), at such time or times as the State agency may by regulation prescribe, contributions in the amounts and at the rates specified in the applicable agreement entered into by the State agency under G.S. 135-21.

(2) Each political subdivision required to make payments under subdivision (1) of this subsection is authorized, in consideration of the employee's retention in, or entry upon, employment after enactment of this Article, to impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages (as defined in G.S. 135-20), not exceeding the amount of the employee tax which would be imposed by the Federal Insurance Contributions Act if such services constituted employment within the meaning of that act, and to deduct the amount of such contribution from his wages as and when paid. Contributions so collected shall be paid into the contribution fund in partial discharge of the liability of such political subdivision or instrumentality under subdivision (1) of this subsection. Failure to deduct such contribution shall not relieve the employee or employer of liability therefor.

(d) Delinquent payments due under subdivision (1) of subsection (c), may, with interest at the rate of six per centum (6%) per annum, be recovered by action in the Superior Court of Wake County against the political subdivision liable therefor or may, at the request of the State agency, be deducted from any other moneys payable to such subdivision by any department or agency of the State. (1951, c. 562, s. 3; 1955, c. 1154, ss. 9, 10, 12.)

§ 135-24. Contribution fund.

(a) There is hereby established a special fund to be known as the contribution fund. Such fund shall consist of and there shall be deposited in such fund:

(1) All contributions, interest, and penalties collected under G.S. 135-22 and 135-23;

(2) All moneys appropriated thereto under this Article;

(3) Any property or securities and earnings thereof acquired through the use of moneys belonging to the fund;

(4) Interest earned upon any moneys in the fund; and

(5) All sums recovered upon the bond of the custodian or otherwise for losses sustained by the fund and all other moneys received for the fund from any other source.

All moneys in the fund shall be mingled and undivided. Subject to the provisions of this Article, the State agency is vested with full power, authority and jurisdiction over the fund, including all moneys and property or securities belonging thereto, and may perform any and all acts whether or not specifically designated, which are necessary to the administration thereof and are consistent with the provisions of this Article.

(b) The contribution fund shall be established and held separate and apart from any other funds or moneys of the State and shall be used and administered exclusively for the purpose of this Article. Withdrawals from such fund shall be made for, and solely for

(1) Payment of amounts required to be paid to the Secretary of the Treasury pursuant to an agreement entered into under G.S. 135-21;

(2) Payment of refunds provided for in G.S. 135-22(c); and

(3) Refunds of overpayments, not otherwise adjustable, made by a political subdivision or instrumentality.

(c) From the contribution fund the custodian of the fund shall pay to the Secretary of the Treasury such amounts and at such time or times as may be directed by the State agency in accordance with any agreement entered into under G.S. 135-21 and the Social Security Act.

(d) The Treasurer of the State shall be ex officio treasurer and custodian of the contribution fund and shall administer such fund in accordance with the provisions of this Article and the directions of the State agency and shall pay all warrants drawn upon it in accordance with the provisions of this section and with such regulations as the State agency may prescribe pursuant thereto.

(e)(1) There are hereby authorized to be appropriated biennially to the contribution fund, in addition to the contributions collected and paid into the contribution fund under G.S. 135-22 and 135-23, to be available for the purposes of G.S. 135-24(b) and (c) until expended, such additional sums as are found to be necessary in order to make the payments to the Secretary of the Treasury which the State is obligated to make pursuant to an agreement entered into under G.S. 135-21.

(2) The State agency shall submit to each regular session of the State legislature, at least 90 days in advance of the beginning of such session, an estimate of the amounts authorized to be appropriated to the contribution fund by subdivision (1) of this subsection for the next appropriation period.

(f) The State agency shall have the authority to promulgate rules and regulations under which the State agency may make a reasonable charge or assessment against any political subdivision whose employees shall be included in any coverage agreement under any plan of coverage of employees as provided by the provisions of this Article. Such charge or assessment shall be determined by the State agency and shall be apportioned among the various political subdivisions of government in a ratable or fair manner, and the funds derived from such charge or assessment shall be used exclusively by the State agency to defray the cost and expense of administering the provisions of this Article. In case of refusal to pay such charge or assessment on the part of any political subdivision as defined in this Article, or in case such charge or assessment remains unpaid for a period of 30 days, the State agency may maintain a suit in the Superior Court of Wake County for the recovery of such charge or assessment. The Superior Court of Wake County is hereby vested with jurisdiction over all such suits or actions. Only such amount shall be assessed against such political subdivision as is necessary to pay its share of the expense of providing supplies, necessary employees and clerks, records and other proper expenses necessary for the administration of this Article by the State agency, including compensation of the State agency for the agency's services. The funds accumulated and derived from such assessments and charges shall be deposited by the State agency in some safe and reliable depository chosen by the State agency, and the State agency shall issue such checks or vouchers as may be necessary to defray the above-mentioned expenses of administration with the right of the representative of any political subdivision to inspect the books and records and inquire into the amounts necessary for such administration. (1951, c. 562, s. 3; 1963, c. 687, s. 6.)

§ 135-25. Rules and regulations.

The State agency shall make and publish such rules and regulations, not inconsistent with the provisions of this Article, as it finds necessary or

appropriate to the efficient administration of the functions with which it is charged under this Article. (1951, c. 562, s. 3.)

§ 135-26. Studies and reports.

The State agency shall make studies concerning the problem of old age and survivors insurance protection for employees of the State and local governments and their instrumentalities and concerning the operation of agreements made and plans approved under this Article and shall submit a report to the legislature at the beginning of each regular session, covering the administration and operation of this Article during the preceding biennium, including such recommendations for amendments to this Article as it considers proper. (1951, c. 562, s. 3.)

§ 135-27. Transfers from State to certain association service.

(a) Any member whose service as a teacher or State employee is terminated because of acceptance of a position prior to July 1, 1983, with the North Carolina Education Association, the North Carolina State Employees' Association, North Carolina State Firemen's Association, the North Carolina State Highway Employees Association, North Carolina Teachers' Association and the State Employees' Credit Union, alumni associations of state-supported universities and colleges, local professional associations of teachers and State employees as defined by the Board of Trustees, and North Carolina State School Boards Association may elect to leave his total accumulated contributions in this Retirement System during the period he is in such association employment, by filing with the Board of Trustees at the time of such termination the form provided by it for that purpose.

(b) Any member who files such an election shall remain a member of the Retirement System during the time he is in such association employment and does not withdraw his contributions. Such a member shall be entitled to all the rights and benefits of the Retirement System as though remaining in State service on the basis of the funds accumulated for his credit at the time of such transfer plus any additional accruals on account of future contributions made as hereinafter provided. Such former State employee may restore any such account and pay into the annuity savings fund before July 1, 1960, such amounts as would have been paid after transfer to such service, provided that the association makes contributions to the Retirement System on behalf of such former members in accordance with subsection (c) of this section.

(c) Under such rules as the Board of Trustees shall adopt, the association to which the member has been transferred may agree to contribute to the Retirement System on behalf of such member such current service contributions as would have been made by his employer had he remained in State service with actual compensation equal to the remuneration received from such association; provided the member continues to contribute to the Retirement System. Any period of such association employment on account of which contributions are made by both the association and the member as herein provided shall be credited as membership service under the Retirement System.

(d) The governing board of any association or organization listed in subsection (a), in its discretion, may elect on or before July 1, 1983, by an appropriate resolution of said board, to cause the employees of such association or organization so employed prior to July 1, 1983, to become members of the Teachers' and State Employees' Retirement System. Such Retirement System coverage shall be conditioned on such association's or organization's paying all

of the employer's contributions or matching funds from funds of the association or organization and on such board's collecting from its employees the employees' contributions at such rates as may be fixed by law and by the regulations of the Board of Trustees of the Retirement System, all of such funds to be paid to the Retirement System and placed in the appropriate funds. Retroactive coverage of the employees of any such association or organization may also be effected to the extent that such board requests; provided, the association or organization shall pay all of the employer's contributions or matching funds necessary for such purposes; and, provided further, such association or organization shall collect from its employees all employees' contributions necessary for such purpose, computed at such rates and in such amount as the Board of Trustees of the Retirement System shall determine, all of such funds to be paid to the Retirement System, together with such interest as may be due, and placed in the appropriate funds. The provisions of this subsection shall be fully applicable to the North Carolina Symphony Society, Inc. and the North Carolina Art Society, Inc.

(e) Notwithstanding the foregoing, employees of the State Employees' Credit Union who are in service and members of the Retirement System on June 30, 1983, shall, on or before October 1, 1983, make an irrevocable election to do one of the following:

(1) Continue contributing membership service under the same conditions and requirements as are otherwise provided, and have the rights of a member to all benefits and a retirement allowance; or

(2) Receive a return of accumulated contributions with cessation of contributing membership service, under G.S. 135-5(f) and in any event with regular interest regardless of membership service; or

(3) Terminate contributing membership service and be entitled alternatively to the benefits and allowances provided under G.S. 135-3(8) or G.S. 135-5(a).

(f) Notwithstanding the foregoing, employees of the State Employees Association of North Carolina, the employees of the North Carolina Association of Educators, and the employees of the North Carolina School Boards Association who are in service and members of the Retirement System on June 30, 1985, shall, on or before October 1, 1985, make an irrevocable election to exercise one of the three options provided in G.S. 135-27(e). (1953, c. 1050, s. 1; 1959, c. 513, s. 5; 1961, c. 516, s. 5; 1967, c. 720, s. 14; 1969, cc. 540, 847, 1227; 1983, c. 412, ss. 4-6; c. 782; 1985, c. 757, s. 200.)

§ 135-28. Transfer of members to employment covered by the North Carolina Local Governmental Employees' Retirement System.

(a) Any member whose services as a teacher or State employee are terminated for any reason other than retirement or death, who, while his account remains active, becomes employed by an employer participating in the North Carolina Local Governmental Employees' Retirement System or an employer which brings its employees into participation in said System while his account is active, may elect to leave his total accumulated contributions in the Teachers' and State Employees' Retirement System during the period he is in the employment of such employer, or his account remains active in the local system. This subsection shall be effective retroactively as well as prospectively.

(b) Any such member shall retain all the rights, credits and benefits obtaining to him under this Retirement System at the time of such transfer while he is a member of the local system and does not withdraw his contributions hereunder and in addition, he shall be granted membership service credits under this Retirement System on account of the period of his

membership in the local system for the purpose of increasing his years of creditable service hereunder in order to meet any service requirements of any retirement benefit under this Retirement System and, if he is a member in service under the local system, he shall be deemed to be a member in service under this Retirement System if so required by such benefit: Provided, however, that in lieu of transfer of funds from one retirement system to another, such member who is eligible for retirement benefits shall file application therefor with each retirement system to the end that each retirement system shall pay appropriate benefits without transfer of funds between the systems.

(c) Any member who became or becomes employed by an employer of the North Carolina Local Governmental Employees' Retirement System as provided in (a) above shall be entitled to waive the provisions of (b) above and to transfer to the local system his credits for membership and prior service in this System provided such member shall request this System to transfer his accumulated contributions, interest and service credits to the local system. If such request is made, in addition to the member's accumulated contributions, interest and service credits, there shall be transferred to the local system the amount of reserve held in this System as a result of previous employer contributions on behalf of the transferring employee. (1953, c. 1050, s. 2; 1961, c. 516, s. 6; 1965, c. 780, s. 1; 1971, c. 117, ss. 16, 18; 1973, c. 241, s. 12.)

§ 135-28.1. Transfer of members to employment covered by the Uniform Judicial Retirement System.

(a) Any member whose service as a teacher or State employee is terminated other than by retirement or death and, who, while still a member of this Retirement System, becomes a judge participating in the Uniform Judicial Retirement System, may elect to retain his membership in this Retirement System by not withdrawing his accumulated contributions hereunder. Any such member shall retain all the rights, credits and benefits obtaining to him under this Retirement System at the time of such termination of service hereunder while he is a member of the other system and does not withdraw his contributions hereunder.

(b) The provisions of the preceding subsection to the contrary notwithstanding, with respect to each judge or former judge of the district court division of the General Court of Justice who was a member of this Retirement System immediately prior to January 1, 1974, and who becomes a member of the Uniform Judicial Retirement System on or after January 1, 1974, upon his commencement of membership in the other system there shall be paid in a lump sum to his account in the annuity savings fund of the other system the amount of his accumulated contributions under this System that are attributable to contributions made by him hereunder while a judge of said district court division. Upon such payment, the member's accumulated contributions hereunder shall be reduced by the amount of such payment and his period of creditable membership service shall be reduced by the period of service during which such repaid contributions were originally made.

Any member for whom the payment of his accumulated contributions as herein provided reduces the balance of his account in the annuity savings fund to zero and cancels his entire period of creditable service shall no longer be a member of this Retirement System.

In the case of any member who retains his membership in this Retirement System after the payment hereinabove provided and who subsequently becomes eligible for retirement benefits under this Retirement System or whose death results in benefit payments to another beneficiary, the average final compensation used in the computation of the amount of any such benefits shall

be computed as of the date of commencement of his membership in the other system on the same basis as if his retirement or death had occurred as of such date of commencement. Moreover, for the sole purpose of increasing his creditable service hereunder in order to meet any applicable service requirements for benefits hereunder, any such member shall be granted membership service credits under this Retirement System on account of (i) the period of membership service cancelled under the first paragraph of this subsection and (ii) the period of his membership in the other system so long as he remains a member hereunder and, if he is a member in service under the other system, he shall be deemed to be a member in service under this Retirement System if so required for any benefit hereunder.

(c) Any member who becomes eligible for benefits under both this Retirement System and the Uniform Judicial Retirement System may file application therefor with each retirement system to the end that each retirement system shall pay appropriate benefits without transfer of funds between the systems except as otherwise provided in subsection (b) above.

(d) The Board of Trustees shall effect such rules as it may deem necessary to administer the provisions of the preceding subsections of this section and to prevent any duplication of service credits or benefits that might otherwise occur.

(e) When any judge of a district court division of the General Court of Justice shall have made application for disability retirement prior to January 1, 1974, while a member of this Retirement System to become effective after January 1, 1974, and such judge died before January 1, 1974, and there was filed with the application for disability retirement a statement by a physician that such judge was permanently and totally disabled, such person shall be deemed to have complied with all provisions of this Retirement System as of the date of application for disability retirement and no action of the medical board shall be necessary. He shall be presumed to have chosen Option 2 as to retirement benefits and survivor's benefits shall commence immediately and shall also be paid retroactively to the first day of the calendar month following such judge's death.

(f) Notwithstanding the provisions of subsections (a), (b), (c), (d), and (e) of this section, the accumulated contributions and creditable service of any member whose service as a teacher or employee has been or is terminated other than by retirement or death and who, while still a member of this Retirement System, became or becomes a member, as defined in G.S. 135-53(11), of the Consolidated Judicial Retirement System for a period of five or more years may, upon application of the member, be transferred from this Retirement System to the Consolidated Judicial Retirement System. In order to effect the transfer of a member's creditable service from the Teachers' and State Employees' Retirement System to the Consolidated Judicial Retirement System, there shall be transferred from the Teachers' and State Employees' Retirement System to the Consolidated Judicial Retirement System the sum of (i) the accumulated contributions of the member credited in the annuity savings fund and (ii) the amount of reserve held in the Teachers' and State Employees' Retirement System as a result of previous contributions by the employer on behalf of the transferring member. § 135-29. Referenda and certification.

(a) With respect to employees of the State and any other individuals covered by Article 1 of Chapter 135 of the General Statutes, Volume 17, as amended and as may be hereafter amended, the Governor is empowered to authorize a referendum, and with respect to the employees of any political subdivision he shall authorize a referendum upon request of the governing body of such vision covered by Article 3 of Chapter 128 of the General Statutes, Volume 16, as amended and as the same may be hereafter amended, or by some other retirement system established either by the State or by the political subdivision; and in either case the referendum shall be conducted, and the Governor shall designate an agency or individual to supervise its conduct, in accordance with the requirements of section 218(d)(3) of the Social Security Act, on the question of whether service in positions covered by a retirement system established by the State or by a political subdivision thereof should be excluded from or included under an agreement under this Article. The notice of referendum required by section 218(d)(3)(C) of the Social Security Act to be given to employees shall contain or shall be accompanied by a statement, in such form and such detail as the agency or the individual designated to supervise the referendum shall deem necessary and sufficient, to inform the employees of the rights which will accrue to them and their dependents and survivors, and the liabilities to which they will be subject, if their services are included under an agreement under this Article.

(b) Upon receiving evidence satisfactory to him that with respect to any such referendum the conditions specified in section 218(d)(3) of the Social Security Act have been met, the Governor or such State official as may be designated by him, shall so certify to the Secretary of Health, Education and Welfare. (1955, c. 1154, s. 11; 1961, c. 516, s. 8.)

§ 135-30. State employees members of Law-Enforcement Officers' Benefit and Retirement Fund.

The federal-state agreement provided in G.S. 135-21 shall be revised and extended to provide that, effective on, or retroactively as of, such date as may be fixed by the Board of Commissioners of the Law-Enforcement Officers' Benefit and Retirement Fund, all or some of the members of said fund who are employees of the State of North Carolina or any of its agencies, shall be covered by the Social Security Act, dependent upon a referendum or referendums held pursuant to federal laws and regulations, at the request of said board, with the approval of the Governor: Provided, that such action shall be subject to the conditions and terms set forth in such agreement and subject to all applicable provisions of Article 2 of Chapter 135 of the General Statutes not inconsistent herewith: Provided, however, that the effecting of social security coverage shall not cause to be reduced or lowered the amount of the contributions to be made to the Law-Enforcement Officers' Benefit and Retirement Fund by any State employee who is a member thereof nor the amount to be contributed by the State to said fund with respect to each State employee member; provided, further, from and after the date the above-described employees become subject to the Social Security Act, there shall be deducted from each such employee's salary for each and every payroll period such sum as may be necessary to pay the amount of contributions of taxes required on his account with respect to social security coverage, and the State, or the appropriate State agency, as an employer, shall pay the amount of contributions or taxes with respect to such person, as may be necessary on his account to effect the above-described social security coverage. (1959, c. 618, s. 1.)

§ 135-31. Split referendums.

The provisions of this Article shall be construed as authorization for the State or political subdivisions or instrumentalities of government which have not heretofore secured social security coverage, and which are otherwise authorized to secure such coverage, to hold any type of referendum with respect thereto which federal law now or hereafter may authorize, and not be restricted to the types of referendums authorized by federal law at the time of the original enactment of this Article. The amounts of State funds contributed for such optional plans shall not be more than the amounts contributed for each person eligible under G.S. 135-40.2 on a noncontributory Employee Only basis, with the person selecting an optional plan paying any excess, if necessary. The amount of State funds contributed to such optional plans shall also not exceed the amount of an optional plan's cost for Employee Only coverage. The Executive Administrator and Board of Trustees are authorized to assess and collect fees from participating optional plans provided by this section for administrative purposes and for risk management purposes. Such fees may be based upon the enrollees' risk factors and the number and types of contracts enrolled by each participating optional plan, and may be collected by the Plan in a manner prescribed by the Executive Administrator and Board of Trustees. In no instance shall benefits be paid under Part 3 of this Article for persons enrolled in an optional prepaid hospital and medical benefit plan authorized under this section on and after the effective date of enrollment in the optional prepaid plan, except in cases of continuous hospital confinement approved by the Executive Administrator. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, s. 37; 1985 (Reg. Sess., 1986), c. 1020, s. 6; 1987, c. 857, s. 8; 1991, c. 427, s. 4; c. 636, s. 15.)

§ 135-39.6. Special funds created.

(a) There are hereby established two special funds, to be known as the Public Employee Health Benefit Fund and the Health Benefit Reserve Fund for the payment of hospital and medical benefits.

All premiums, fees, charges, rebates, refunds or any other receipts including, but not limited to, earnings on investments, occurring or arising in connection with health benefits programs established by this Article, shall be deposited into the Public Employee Health Benefit Fund. Disbursements from the Fund shall include any and all amounts required to pay the benefits and administrative costs of such programs as may be determined by the Executive Administrator and Board of Trustees.

Any unencumbered balance in excess of prepaid premiums or charges in the Public Employee Health Benefit Fund at the end of each fiscal year shall be used first, to provide an actuarially determined Health Benefit Reserve Fund for incurred but unpresented claims, second, to reduce the premiums required in providing the benefits of the health benefits programs, and third to improve the plan, as may be provided by the General Assembly. The balance in the Health Benefits Reserve Fund may be transferred from time to time to the Public Employee Health Benefit Fund to provide for any deficiency occurring therein.

The Public Employee Health Benefit Fund and the Health Benefit Reserve Fund shall be deposited with the State Treasurer and invested as provided in G.S. 147-69.2 and 147-69.3.

(b) Disbursement from the Public Employee Health Benefit Fund may be made by warrant drawn on the State Treasurer by the Executive Administrator, or the Executive Administrator and Board of Trustees may by contract authorize the Claims Processor to draw the warrant.

(c) Separate and apart from the special funds authorized by subsections (a) and (b) of this section, there shall be a Public Employee Long-Term Care Benefit Fund if the long-term care benefits provided by Part 4 of this Article are administered on a self-insured basis.

(d) Separate and apart from the special funds authorized by subsections (a), (b), and (c) of this section, there shall be a Child Health Insurance Fund. All premium receipts or any other receipts, including earnings on investments, occurring or arising in connection with acute medical care benefits provided

under the Health Insurance Program for Children shall be deposited into the Child Health Insurance Fund. Disbursements from the Child Health Insurance Fund shall include any and all amounts required to pay the benefits and administrative costs of the Health Insurance Program for Children as may be determined by the Executive Administrator and Board of Trustees. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, ss. 43, 63; 1985 (Reg. Sess., 1986), c. 1020, s. 20; 1997-468, s. 3; 1998-1, s. 4(d).)

§ 135-39.6A. Premiums set.

(a) The Executive Administrator and Board of Trustees shall, from time to time, establish premium rates for the Comprehensive Major Medical Plan except as they may be established by the General Assembly in the Current Operations Appropriations Act, and establish regulations for payment of the premiums. Premium rates shall be established for coverages where Medicare is the primary payer of health benefits separate and apart from the rates established for coverages where Medicare is not the primary payer of health benefits.

(b) The Executive Administrator and Board of Trustees shall establish separate premium rates for the long-term care benefits provided by Part 4 of this Article if the benefits are administered on a self-insured basis.

(c) The Executive Administrator and Board of Trustees shall establish premium rates for benefits provided under Part 5 of this Article. The Department of Health and Human Services shall, from State and federal appropriations and from any other funds made available for the Health Insurance Program for Children established under Part 8 of Article 2 of Chapter 108A of the General Statutes, make payments to the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan as determined by the Plan for its administration, claims processing, and other services authorized to provide coverage for acute medical care for children eligible for benefits provided under Part 5 of this Article.

(d) In setting premiums for firemen, rescue squad workers, and members of the national guard, and their eligible dependents, the Executive Administrator and Board of Trustees shall establish rates separate from those affecting other members of the Plan. These separate premium rates shall include rate factors for incurred but unreported claim costs, for the effects of adverse selection from voluntary participation in the Plan, and for any other actuarially determined measures needed to protect the financial integrity of the Plan for the benefit of its served employees, retired employees, and their eligible dependents.

(e) The total amount of premiums due the Plan from charter schools as employing units, including amounts withheld from the compensation of Plan members, that is not remitted to the Plan by the fifteenth day of the month following the due date of remittance shall be assessed interest of one and one-half percent (1 ½%) of the amount due the Plan, per month or fraction thereof, beginning with the sixteenth day of the month following the due date of the remittance. The interest authorized by this section shall be assessed until the premium payment plus the accrued interest amount is remitted to the Plan. The remittance of premium payments under this section shall be presumed to have been made if the remittance is postmarked in the United States mail on a date not later than the fifteenth day of the month following the due date of the remittance. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, s. 52; 1991, c. 427, s. 5; 1997-468, s. 4; 1998-1, s. 4(e); 1999-237, s. 28.29(h); 2003-69, s. 2.)

Effect of Amendments. — Session Laws 2003-69, s. 2, effective May 20, 2003, added subsection (e).

§ 135-39.7. Administrative review.

(a) If, after exhaustion of internal appeal handling as outlined in the contract with the Claims Processor any person is aggrieved, the Claims Processor shall bring the matter to the attention of the Executive Administrator and Board of Trustees, which shall promptly decide whether the subject matter of the appeal is a determination subject to external review under Part 4 of Article 50 of Chapter 58 of the General Statutes. The Executive Administrator and Board of Trustees shall inform the aggrieved person and the aggrieved person's provider of the decision and shall provide the aggrieved person notice of the aggrieved person's right to appeal that decision as provided in this subsection. If the Executive Administrator and Board of Trustees decide that the subject matter of the appeal is not a determination subject to external review, then the Executive Administrator and Board of Trustees may make a binding decision on the matter in accordance with procedures established by the Executive Administrator and Board of Trustees. The Executive Administrator and Board of Trustees shall provide a written summary of the decisions made pursuant to this section to all employing units, all health benefit representatives, the oversight team provided for in G.S. 135-39.3, all relevant health care providers affected by a decision, and to any other parties requesting a written summary and approved by the Executive Administrator and Board of Trustees to receive a summary immediately following the issuance of a decision. A decision by the Executive Administrator and Board of Trustees that a matter raised on internal appeal is a determination subject to external review as provided in subsection (b) of this section may be contested by the aggrieved person under Chapter 150B of the General Statutes. The person contesting the decision may proceed with external review pending a decision in the contested case under Chapter 150B of the General Statutes.

(b) The Executive Administrator and Board of Trustees shall adopt and implement utilization review and internal grievance procedures that are substantially equivalent to those required under G.S. 58-50-61 and G.S. 58-50-62. External review of determinations shall be conducted in accordance with Part 4 of Article 50 of Chapter 58 of the General Statutes. As used in this section, "determination" is a decision by the Executive Administrator and Board of Trustees, the Plan's designated utilization review organization, or a self-funded health maintenance organization administrated by or under contract with the Plan that an admission, availability of care, continued stay, or other health care service has been reviewed and, based upon information provided, does not meet the Plan's requirements for medical necessity, appropriateness, health care setting, or level of care or effectiveness, and the requested service is therefore denied, reduced, or terminated. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, s. 53; 1985 (Reg. Sess., 1986), c. 1020, s. 20; 1991, c. 427, s. 6; 2001-446, s. 5(e).)

Editor's Note. — Session Laws 2001-446, s. 7, is a severability clause.

Session Laws 2001-446, s. 8, provides: "Nothing in this act obligates the General Assembly to appropriate funds to implement this act."

Effect of Amendments. — Session Laws 2001-446, s. 5(e), effective March 1, 2002, and applicable to health benefit plans that are in effect, delivered, issued for delivery, or renewed on or after that date, designated the existing provisions of this section as subsection (a); in subsection (a), inserted the language "shall promptly decide whether the subject matter ... external review, then the Executive Administrator and Board of Trustees," and added the last two sentences; and added subsection (b).

CASE NOTES

Language in this section that Board of Trustees "may make a binding decision" concerning a dispute between an aggrieved individual and a claims administrator of a medical plan is not an express and unequivocal exemption of the Board from the requirements of the Administrative Procedure Act; instead, the use of the term "binding" in the statute was intended to mean only that the Board's decision would be binding upon the parties absent further review according to law. Vass v. Board of Trustees, 324 N.C. 402, 379 S.E.2d 26 (1989).

Case Commenced Prior to 1986 Governed by Chapter 150A. — A contested case commences when the dispute is presented to the board; therefore, where a contested case was commenced prior to Jan. 1, 1986, the dispute was governed by Chapter 150A and it was error to resolve this dispute according to Chapter 150B. Vass v. Board of Trustees, 108 N.C. App. 251, 423 S.E.2d 796 (1992).

§ 135-39.8. Rules and regulations.

The Executive Administrator and Board of Trustees may issue rules and regulations to implement Parts 2, 3, 4, and 5 of this Article. § 135-40. Undertaking.

(a) The State of North Carolina undertakes to make available a Comprehensive Major Medical Plan (hereinafter called the "Plan") exclusively for the benefit of its employees, retired employees and certain of their dependents which will pay benefits in accordance with the terms hereof. The Plan shall have all the powers and privileges of a corporation and shall be known as the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan. The Executive Administrator and Board of Trustees shall carry out their duties and responsibilities as fiduciaries for the Plan.

(a1) The State of North Carolina deems it to be in the public interest for North Carolina firemen, rescue squad workers, and members of the national guard, and certain of their dependents, who are not eligible for any other type of comprehensive group health insurance or other comprehensive group health benefits, and who have been without any form of group health insurance or other comprehensive group health benefit coverage for at least six months, to be given the opportunity to participate in the benefits provided by the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan. Coverage under the Plan shall be voluntary for eligible firemen, rescue squad workers, and members of the national guard who elect participation in the Plan for themselves and their eligible dependents.

(b) The Plan benefits will be provided under contracts between the State and the Claims Processor selected by the State. Claims Processor refers to the administrator, third party administrator or other party contracting with the State to administer the Plan benefits. Such contracts shall include the

OPINIONS OF ATTORNEY GENERAL

Medical Child Support Enforcement Provisions. — The medical child support enforcement provisions of House Bill 1563, 1993 (Reg. Sess. 1994) N.C. Session Laws c. 644, are inapplicable to the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan and the governmental entities whose employees and retirees, along with their dependents, are eligible for coverage under the Plan or its HMO option. Medical child support orders nonetheless may be enforced directly against State employees and retirees who fail to enroll, or maintain coverage for, their eligible dependent children under the State Health Plan in accordance with the provisions of G.S. 50-13.4(f), 50-13.9 and 50-13.11. See opinion of Attorney General to Patricia Crawford, Associate General Counsel, University of North Carolina at Chapel Hill, — N.C.A.G. — (August 10, 1995).

§ 135-40.1. General definitions.

As used in Parts 2 and 3 of this Article, the following terms have the meaning specified as follows:

(1) Chemical Dependency. — The term "chemical dependency" means the pathological use or abuse of alcohol or other drugs in a manner or to a degree that produces an impairment in personal, social or occupational functioning and which may, but need not, include a pattern of tolerance and withdrawal.

(1a) Covered Services. — Any medically necessary, reasonable, and customary items of service, at least a portion of the expense of which is covered under at least one of the plans covering the person for whom claim is made or service provided. It shall be synonymous with allowable expenses, and with benefit or benefits.

(1b) Clinical Trials. — Patient research studies designed to evaluate new treatments, including prescription drugs. Regardless of the type of

trial phases covered by the Plan, all covered trials must involve the treatment of life-threatening medical conditions, must be clearly superior to available noninvestigational treatment alternatives, and must have clinical and preclinical data that shows the trials will be at least as effective as noninvestigational alternatives. Trials must also involve determinations by treating physicians, relevant scientific data, and opinions of experts in relevant fields of medicine. Covered trials must be approved by the National Institutes of Health, a National Institutes of Health cooperative group or center, the U. S. Food and Drug Administration, the U.S. Department of Defense, or the U.S. Department of Veterans Affairs. The Plan may also cover clinical trials sponsored by other entities. Trials must also be approved by applicable qualified institutional review boards. All covered trials must be conducted in and by facilities and personnel that maintain a high level of expertise because of their training, experience, and volume of patients. To be covered by the Plan, patients participating in clinical trials must meet substantially all protocol requirements of the trials and exercise informed consent in the trials. Only medically necessary costs of health care services involved in treatments provided to patients for the purpose of the trials are covered by the Plan to the extent that such costs are not customarily funded by national agencies, commercial manufacturers, distributors, or other such providers. Clinical trial costs not covered by the Plan include, but are not limited to, the costs of services that are not health care services and costs associated with managing research in the trials. The Plan shall not exclude benefits for covered clinical trials if the proposed treatment is the only appropriate protocol for the condition being treated.

(2) Deductible. — Deductible shall mean an amount of covered expenses during a fiscal year which must be incurred after which benefits (subject to the deductible) becomes payable. The deductible for an employee, retired employee and/or his or her dependents shall be three hundred fifty dollars ($350.00) for each fiscal year.

The deductible applies separately to each covered individual in each fiscal year, subject to an aggregate maximum of one thousand fifty dollars ($1,050) per employee and child(ren) or employee and family coverage contract in any fiscal year.

If two or more family members are injured in the same accident only one deductible is required for charges related to that accident during the benefit period.

(3) Dependent Child. — A natural, legally adopted, or foster child of the employee and/or spouse, unmarried, up to the first of the month following his or her 19th birthday, whether or not the child is living with the employee, as long as the employee is legally responsible for such child's maintenance and support. Dependent child shall also include any child under age 19 who has reached his or her 18th birthday, provided the employee was legally responsible for such child's maintenance and support on his or her 18th birthday.

A foster child is covered (i) if living in a regular parent-child relationship with the expectation that the employee will continue to rear the child into adulthood, (ii) if at the time of enrollment, or at the time a foster child relationship is established, whichever occurs first, the employee applies for coverage for such child and submits evidence of a bona fide foster child relationship, identifying the foster child by name and setting forth all relevant aspects of the relationship, (iii) if the Claims Processor accepts the foster child as a participant through

a separate written document identifying the foster child by name and specifically recognizing the foster child relationship, and (iv) if at the time a claim is incurred, the foster child relationship, as identified by the employee, continues to exist. Children placed in a home by a welfare agency which obtains control of, and provides for maintenance of, the child(ren), are not eligible participants.

Coverage may be extended beyond the 19th birthday under the following conditions:

a. If the dependent is a full-time student, between the ages of 19 and 26, who is pursuing a course of study that represents at least the normal workload of a full-time student at a school or college accredited by the state of jurisdiction.

b. The dependent is physically or mentally incapacitated to the extent that he or she is incapable of earning a living and (i) such handicap developed or began to develop before the dependent's 19th birthday, or (ii) such handicap developed or began to develop before the dependent's 26th birthday if the dependent was covered by the Plan in accordance with G.S. 135-40.1(3)a.

Dependent children of firemen, rescue squad workers, and members of the national guard are subject to the same terms and conditions as are other dependent children covered by this subdivision.

(4) Doctor. — A doctor of medicine, a doctor of osteopathy licensed to practice medicine or surgery by the Board of Medical Examiners of the state in which he or she practices, a doctor of dentistry, a doctor of podiatry or surgical chiropody, a doctor of optometry, a doctor of chiropractic, or a doctor of psychology who is licensed or certified in the State and has a doctorate practice degree in psychology and at least two years' clinical experience in a recognized health setting or has met the standards of the National Register of Health Services Providers in Psychology, each of whom is licensed to practice by the state in which he or she performs any service covered by this Plan, and who regularly charges and collects fees in his or her own right.

(5) Employee. — Any permanent full-time or permanent part-time regular employee (designated as half-time or more) of an employing unit.

(6) Employing Unit. — A North Carolina School System; Community College; State Department, Agency or Institution; Administrative Office of the Courts; or Association or Examining Board whose employees are eligible for membership in a State-Supported Retirement System. An employing unit also shall mean a charter school in accordance with Part 6A of Chapter 115C of the General Statutes whose board of directors elects to become a participating employer in the Plan under G.S. 135-40.3A. Bona fide fire departments, rescue or emergency medical service squads, and national guard units are deemed to be employing units for the purpose of providing benefits under this Article.

(7) Enrollment. — New employees must enroll themselves and their dependents within 30 days from the date of employment or from first becoming eligible on a noncontributory basis. Coverage may become effective on the first day of the month following date of entry on payroll or on the first day of the following month. New employees not enrolling themselves and their dependents within 30 days, or not adding dependents when first eligible as provided herein may enroll on the first day of any month but will be subject to a 12-month waiting period for preexisting health conditions, except for employees who elect to change their coverage in accordance with rules established by

the Executive Administrator and Board of Trustees for optional prepaid hospital and medical benefit plans. Children born to covered employees having coverage type (2), or (3), as outlined in G.S. 135-40.3(d) shall be automatically covered at the time of birth without any waiting period for preexisting health conditions. Children born to covered employees having coverage type (1) shall be automatically covered at birth without any waiting period for preexisting health conditions so long as the Claims Processor receives notification within 30 days of the date of birth that the employee desires to change from coverage (1) to coverage type (2), or (3), provided that the employee pays any additional premium required by the coverage type selected retroactive to the first day of the month in which the child was born.

Newly acquired dependents (spouse/child) enrolled within 30 days of becoming an eligible dependent will not be subject to the 12-month waiting period for preexisting conditions. A dependent can become qualified due to marriage, adoption, entering a foster child relationship, due to the divorce of a dependent child or the death of the spouse of a dependent child, and at the beginning of each legislative session (applies only to enrolled legislators). Effective date for newly acquired dependents if application was made within the 30 days can be the first day of the following month. Effective date for an adopted child can be date of adoption, or date of placement in the adoptive parent's home, or the first of the month following the date of adoption or placement. Firemen, rescue squad workers, and members of the national guard, and their eligible dependents are subject to the same terms and conditions as are new employees and their dependents covered by this subdivision. Enrollments in these circumstances must occur within 30 days of eligibility to enroll.

(7a) Experimental/Investigational Medical Procedures. — The use of a service, supply, drug, or device not recognized as standard medical care for the condition, disease, illness, or injury being treated as determined by the Executive Administrator and Board of Trustees upon the advice of the Claims Processor. Determinations are made after independent review of scientific data. Opinions of experts in a particular field and opinions and assessments of nationally recognized review organizations shall also be considered by the Plan but are not determinative or conclusive. The fact that an experimental/investigational treatment is the only available treatment for a particular condition will not result in coverage if the treatment is experimental/investigational in the treatment of the particular condition, nor is it relevant for purposes of coverage that the member has tried other more conventional therapies without success. The following criteria are the basis for determination that a service or supply is investigational:

a. Services or supplies requiring federal or other governmental body approval, such as drugs and devices that do not have market approval from the Food and Drug Administration (FDA) or final approval from any other governmental regulatory body for use in treatment of the condition being treated, or are not recognized for the treatment of a condition in one of the standard reference compendia or in generally accepted peer-reviewed medical literature;
b. There is insufficient or inconclusive scientific evidence in peer review medical literature to permit the Plan's evaluation of the therapeutic value of the service or supply;
c. There is inconclusive evidence that the service or supply has a beneficial effect on health outcomes;

d. Is provided as part of a research or phase I clinical or phase II clinical trial not approved by the Plan;
e. Are provided pursuant to a written protocol or other document that lists an evaluation of the service's safety, toxicity, or efficacy as among its objectives;
f. Are subject to approval or review of an Institutional Review Board or other body that approves or reviews research; or
g. Are provided pursuant to informed consent documents that describe the service as experimental, investigational, or part of a research study.

Comprehensive group health insurance and other benefit coverage includes Medicare benefits, CHAMPUS benefits, and other Uniformed Services benefits. North Carolina fire departments or their respective governing bodies shall certify the eligibility of their firemen to the Plan for their participation in its benefits prior to enrollment.

(8) Health Benefits Representative. — The employee designated by the employing unit to administer the Comprehensive Major Medical Plan for the unit and its employees. c. It continuously provides 24-hour-a-day nursing service by registered graduate nurses; and

d. It is not, other than incidentally, a place for rest, a place for the aged, a place for drug addicts, a place for alcoholics, a nursing home, a hotel, or the like.

Rescue squad workers shall also include members of the North Carolina Firemen and Rescue Squad Workers' Pension Fund who are in receipt of a

(19) Usual, Customary and Reasonable. — The meaning of the term "UCR" shall be developed from criteria used for determining reasonable charges for services, including usual preoperative examination and customary postoperative care and care of usual complications, and shall be based on the usual charge made by an individual doctor for his or her private patients for a particular service, or the customary charge within the range of usual fees charged by most doctors of similar skill and training in North Carolina for the comparable service, whichever is the lower. A fee is reasonable if it meets the above two criteria. In cases of unusual complexity and cases involving supplemental skills of two or more doctors, reasonable charges will be determined by the Claims Processor upon advice of its medical advisors. The Executive Administrator and Board of Trustees may update usual, customary and reasonable charges, or other such comparable allowances, semi-annually for physicians who accept the Plan's UCR or other comparable allowances as payment in full, other than for the Plan's deductibles, coinsurance, or other amounts to be paid by members of the Plan; otherwise, the Executive Administrator and Board of Trustees shall not update usual, customary and reasonable charges, or other such comparable allowances more frequently than on an annual basis. § 135-40.3. Effective dates of coverage.

(a) Employees and Retired Employees. —

(1) Employees and retired employees covered under the Predecessor Plan will continue to be covered, subject to the terms hereof.

(2) New employees may apply for coverage to be effective on the first day of the month following employment, or on a like date the following month if the employee has enrolled.

(3) Employees not enrolling or adding dependents when first eligible in accordance with G.S. 135-40.1(7) may enroll later on the first of any following month but will be subject to a 12-month waiting period for a preexisting health condition, except employees who elect to change their coverage in accordance with rules adopted by the Executive Administrator and Board of Trustees for optional prepaid hospital and medical benefit plans.

(4) Members of the General Assembly, beginning with the 1985 Session, shall become first eligible with the convening of each Session of the General Assembly, regardless of a Member's service during previous Sessions. Members and their dependents enrolled when first eligible after the convening of each Session of the General Assembly will not be subject to any waiting periods for preexisting health conditions. Members of the 1983 Session of the General Assembly, not already enrolled, shall be eligible to enroll themselves and their dependents on or before October 1, 1983, without being subject to any waiting periods for preexisting health conditions.

(b) Waiting Periods and Preexisting Conditions. —

(1) New employees and dependents enrolling when first eligible are subject to no waiting period for preexisting conditions under the Plan.

(2) Employees not enrolling or not adding dependents when first eligible may enroll later on the first of any following month, but will be subject to a twelve-month waiting period for preexisting conditions except as provided in subdivision (a)(3) of this section.

(4) Employees and dependents enrolling or reenrolling within 12 months after a termination of enrollment or employment that were not enrolled at the time of this previous termination, regardless of the employing units involved, shall not be considered as newly-eligible

employees or dependents for the purposes of waiting periods and preexisting conditions. Employees and dependents transferring from optional prepaid plans in accordance with G.S. 135-39.5B; employees and dependents immediately returning to service from an employing unit's approved periods of leave without pay for illness, injury, educational improvement, workers' compensation, parental duties, or for military reasons; employees and dependents immediately returning to service from a reduction in an employing unit's work force; retiring employees and dependents reenrolled in accordance with G.S. 135-40.3(b)(3); formerly-enrolled dependents reenrolling as eligible employees; formerly-enrolled employees reenrolling as eligible dependents; and employees and dependents reenrolled without waiting periods and preexisting conditions under specific rules and regulations adopted by the Executive Administrator and Board of Trustees in the best interests of the Plan shall not be considered reenrollments for the purpose of this subdivision. Furthermore, employees accepting permanent, full-time appointments who had previously worked in a part-time or temporary position and their qualified dependents shall not be covered by waiting periods and preexisting conditions under this division provided enrollment as a permanent, full-time employee is made when the employee and his dependents are first eligible to enroll.

(5) To administer the 12-month waiting period for preexisting conditions under this Article, the Plan must give credit against the 12-month period for the time that a person was covered under a previous plan if the previous plan's coverage was continuous to a date not more than 63 days before the effective date of coverage. As used in this subdivision, a "previous plan" means any policy, certificate, contract, or any other arrangement provided by any accident and health insurer, any hospital or medical service corporation, any health maintenance organization, any preferred provider organization, any multiple employer welfare arrangement, any self-insured health benefit arrangement, any governmental health benefit or health care plan or program, or any other health benefit arrangement.

(4) Employees or retired employees who wish to change from family coverage to parent/child(ren) or individual or from parent/child(ren) to individual coverage shall give written notice to their Health Benefits Representative within 30 days after any change in the status of dependents, (resulting from death, divorce, etc.) that requires a

change in contract type. The effective date will be the first of the month following the dependent's ineligibility event. If notification was not made within the 30 days following the dependent's ineligibility event, the dependent will be retroactively removed the first of the month following the dependent's ineligibility event, and the coverage type change will be the first of the month following written notification, except in cases of death, in which case the coverage type change will be made retroactive to the first of the month following the death.

(5) Employees not adding dependents when first eligible may enroll later on the first of any following month, but dependents will be subject to a 12-month waiting period for preexisting health conditions except as provided in subdivision (a)(3) of this section.

(6) Employees or retired employees who wish to change from family to parent/child(ren) or individual coverage or from parent/child(ren) to individual coverage, even though their dependents continue to be eligible, shall give written notification to their Health Benefits Representative. Effective date of this type change will be the first of the month following written notification or any first of the month thereafter as desired by the employee.

(7) The effective date for newborns or adopted children will be date of birth, date of adoption, or placement with adoptive parent provided member is currently covered under a family or parent/child(ren) coverage. This notification shall be in writing and shall be provided within 30 days of the board's election or at the time an initial offer for employment is made, whichever occurs last. If the board did not elect to become a participating employer in the Plan, the notice shall include a statement that the employee shall have no legal recourse against the board or the State for any possible benefit under the Plan. The employee shall provide written acknowledgment of the employee's receipt of the notification under this subsection. (1998-212, s. 9.14A(e).)

The Plan is divided into two parts. The first part includes certain benefits which are not subject to a deductible or coinsurance. The second part is a

comprehensive plan and includes those benefits which are subject to both a three hundred fifty dollar ($350.00) deductible for each covered individual to an aggregate maximum of one thousand fifty dollars ($1,050) per employee and child(ren) or employee and family coverage contract and coinsurance of 80%/20%. There is a limit on out-of-pocket expenses under the second part.

Notwithstanding the provisions of this Article, the Executive Administrator and Board of Trustees of the Teachers' and State Employees' Comprehensive Major Medical Plan may contract with providers of institutional and professional medical care and services to established preferred provider networks. Provided, however, nothing in this subsection shall be deemed to prevent or restrict the release of any information made not a public record under this subsection to the State Auditor, the Attorney General, the Director of the State Budget, the Plan's Executive Administrator, and the Committee on Employee Hospital and Medical Benefits solely and exclusively for their use in the furtherance of their duties and responsibilities. The design, adoption, and implementation of the preferred provider contracts and networks are not subject to the requirements of Chapter 143 of the General Statutes, provided that for any hospital preferred provider network all hospitals will have an opportunity to contract with the Plan if they meet the contract requirements. The Executive Administrator and Board of Trustees shall, under the provisions of G.S. 135-39.5(12), pursue such preferred provider contracts on a timely basis and shall make reports as requested to the President of the Senate, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Committee on Employee Hospital and Medical Benefits on its progress in negotiating the preferred provider contracts. The Executive Administrator and Board of Trustees shall implement a refined diagnostic-related grouping or diagnostic-related grouping-based reimbursement system for hospitals as soon as practicable, but no later than January 1, 1995.

(b) As used in this section the term "preferred provider contracts or networks" includes, but is not limited to, a refined diagnostic-related grouping or diagnostic-related grouping-based system of reimbursement for hospitals. Routine diagnostic examinations and tests covered under this subsection also include examinations and tests for the screening for the early detection of cervical cancer. The coverage shall be in accordance with the most recently published American Cancer Society guidelines or guidelines adopted by the North Carolina Advisory Committee on Cancer Coordination and Control for any covered female. For the purposes of this subsection, "examinations and laboratory tests for the screening for the early detection of cervical cancer" means conventional PAP smear screening, liquid-based cytology, and human papilloma virus (HPV) detection methods for women with equivocal findings on cervical cytologic analysis that are subject to the approval of and have been approved by the United States Food and Drug Administration. Provided, however, that charges for such examinations and tests are not covered by the Plan when they are incurred to obtain or continue employment, to secure insurance coverage, to comply with legal proceedings, to attend schools or camps, to meet travel requirements, to participate in athletic and related activities, or to comply with governmental licensing requirements. The maximum amount payable under this subsection for a covered individual is one hundred fifty dollars ($150.00) per fiscal year.

(f) Immunizations. — The Plan will pay one hundred percent (100%) of allowable charges for immunizations for the prevention of contagious diseases as generally accepted medical practices would dictate when directed by an attending physician.

(g) Prescription Drugs. — The Plan's allowable charges for prescription legend drugs to be used outside of a hospital or skilled nursing facility are to be determined by the Plan's Executive Administrator and Board of Trustees. The Plan will pay allowable charges for each outpatient prescription drug less a copayment to be paid by each covered individual equal to the following amounts: pharmacy charges up to ten dollars ($10.00) for each generic prescription, twenty-five dollars ($25.00) for each branded prescription, and

thirty-five dollars ($35.00) for each branded prescription with a generic equivalent drug, and forty dollars ($40.00) for each branded or generic prescription not on a formulary used by the Plan. Allowable charges shall not be greater than a pharmacy's usual and customary charge to the general public for a particular prescription. Prescriptions shall be for no more than a 34-day supply for the purposes of the copayments paid by each covered individual. By accepting the copayments and any remaining allowable charges provided by this subsection, pharmacies shall not balance bill an individual covered by the Plan. A prescription legend drug is defined as an article the label of which, under the Federal Food, Drug, and Cosmetic Act, is required to bear the legend: "Caution: Federal Law Prohibits Dispensing Without Prescription." Such articles may not be sold to or purchased by the public without a prescription order. Benefits are provided for insulin even though a prescription is not required. The Plan may use a pharmacy benefit manager to help manage the Plan's outpatient prescription drug coverage. In managing the Plan's outpatient prescription drug benefits, the Plan and its pharmacy benefit manager shall not provide coverage for erectile dysfunction, growth hormone, antiwrinkle, weight loss, and hair growth drugs unless such coverage is medically necessary to the health of the member. The Plan and its pharmacy benefit manager shall not provide coverage for growth hormone and weight loss drugs and antifungal drugs for the treatment of nail fungus and botulinium toxin without approval in advance by the pharmacy benefit manager. Any formulary used by the Plan's Executive Administrator and pharmacy benefit manager shall be an open formulary. Plan members shall not be assessed more than two thousand five hundred dollars ($2,500) per person per fiscal year in copayments required by this subsection. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 922, s. 7; 1985, c. 192, ss. 5, 9, 12; c. 732, ss. 16-18; 1985 (Reg. Sess., 1986), c. 1020, ss. 10, 20; 1987, c. 857, s. 14; 1991, c. 427, ss. 13, 20; 1995, c. 507, s. 7.24(a); 1999-237, s. 28.28(b); 2000-141, s. 1; 2000-184, s. 2; 2001-253, ss. 1(d), 1(e); 2003-186, s. 5(a).)

Editor's Note. — For Session Laws 2001-253, s. 1(s), regarding development of a prospective payment system for hospital outpatient services and the services of ambulatory surgical facilities under the Teachers' and State Employees' Comprehensive Major Medical Plan, see note at G.S. 135-39.8.

Session Laws 2001-253, s. 2, provides: "Notwithstanding G.S. 97-26, payment for medical treatment and services rendered to workers' compensation patients by a hospital on or after July 1, 2001, and before August 1, 2001, shall be equal to the payment the hospital would have received for such treatment and services on June 30, 2001."

Session Laws 2003-186, s. 6, provides, in part, that for the purposes of this act, renewal of a health benefit plan is presumed to occur on each anniversary of the date on which coverage was first effective on the person or persons covered by the health benefit plan.

Effect of Amendments. — Session Laws 2003-186, s. 5.(a), effective January 1, 2004, and applicable to all health benefit plans that are delivered, issued for delivery, or renewed on and after that date, in subsection (e), substituted "examinations and tests for the screening for the early detection of cervical cancer" for "one Pap smear per year" in the second sentence, and inserted the present third and fourth sentences.

§ 135-40.6. Benefits subject to deductible and coinsurance (comprehensive benefits).

The benefits provided in this section are subject to a deductible of three hundred fifty dollars ($350.00) per covered individual to an aggregate maximum of one thousand fifty dollars ($1,050) per employee and child(ren) or employee and family coverage contract per fiscal year and are payable on the basis of eighty percent (80%) by the Plan and twenty percent (20%) by the covered individual up to a maximum of one thousand five hundred dollars ($1,500) out-of-pocket per fiscal year. The aggregate maximum out-of-pocket

required of individuals covered by this section shall not be more than four thousand five hundred dollars ($4,500) per employee and child(ren) or employee and family coverage contract per fiscal year.

(1) In-Hospital Benefits. — The Plan pays in-hospital benefits for each single confinement, when charged by a hospital, for room accommodations, including bed, board and general nursing care, but not to exceed the charge for semiprivate room or ward accommodations, or the rate negotiated for the Plan. Under the DRG reimbursement system, the coinsurance shall be based on the lower of the DRG amount or charges.

The Plan will pay the following covered charges, when charged by a hospital, for each confinement.

a. Intensive and cardiac nursing care.
b. All recognized drugs and medicines for use in the hospital.
c. Radiation services, including diagnostic x-rays, x-ray therapy, radiation therapy and treatment.
d. Clinical and pathological laboratory examinations.
e. Electrocardiograms and electroencephalograms.
f. Physical, speech, and occupational therapy.
g. Intravenous solutions.
h. Oxygen and oxygen therapy, plus the use of equipment.
i. Dressings, ordinary splints, plaster casts and sterile supplies.
j. Use of operating, delivery, recovery and treatment rooms and equipment.
k. Routine nursery charges, if the mother is eligible to receive maternity benefits.
l. Anesthetics and the administration thereof by the hospital's employee anesthesiologist.
m. Devices or appliances surgically inserted within the body.
n. Processing and administering of blood and blood plasma.
o. Children are entitled to benefits for treatment of illnesses or congenital defect, incubation or isolette care, and treatment of prematurity or postmaturity.

If the mother is a covered individual, benefits are provided for the newborn's circumcision and routine nursery care.

p. When a covered individual is admitted to or transferred to a section of a hospital providing ambulant, convalescent, or rehabilitative care, benefits are provided up to the average number of days of service for treatment of the particular diagnosis or condition involved, or more if medical necessity requires.
q. The Plan pays benefits for laboratory testing and administration of blood provided to a covered individual.

When a covered individual is the recipient of transplanted organs or bones, benefits are provided for services to the donor which are directly and specifically related to the transplantation.

r. Repealed by Session Laws 1991, c. 427, s. 31.
s. The use of nebulizers when authorized as medically necessary by the attending physician.

(2) Limitations and Exclusions to In-Hospital Benefits. —

a. The services of physicians, surgeons and technicians not employed by or under contract to the hospital are not covered.
b. Any admission for diagnostic tests or procedures which could be, and generally are, performed on an outpatient basis, if no hospitalization would have been required except for such diagnostic services is not covered. However, benefits are provided at eighty percent (80%) of Plan benefits for diagnostic tests and

procedures consistent with the symptoms or diagnosis for which admitted.

c. The Plan will not cover any admission to a hospital prior to the effective date of coverage or beginning prior to the expiration of any waiting period so long as the individual remains continuously in a hospital.

d. Hospitalization for custodial, adult care or sanitarium care, or rest cures, is not covered.

e. Hospitalization for dental care and treatment is not covered, except when a hospital setting is medically necessary.

f. Prior to admission for scheduled inpatient hospitalization, the admitting physician shall contact the Plan and secure approval certification for an inpatient admission, including a length of stay, based upon clinical criteria established by the medical community, before any in-hospital benefits are allowed under G.S. 135-40.8(a). Immediately following an emergency or unscheduled inpatient hospitalization, the admitting physician shall contact the Plan and secure approval certification for the admission's length of stay before any in-hospital benefits are allowed under G.S. 135-40.8(a). Failure to secure certification, or denial of certification, shall result in a penalty of fifty percent (50%) of the eligible expenses up to five hundred dollars ($500.00) per admission and the denial of services that were not medically necessary or appropriate, as determined by the Claims Processor. Denial of certification by the Plan shall be made only after contact with the admitting physician and shall be subject to appeal to the Executive Administrator and Board of Trustees. Inpatient hospital admission and length of stay certifications required by this subdivision do not apply to inpatient admissions outside of the United States. While approval certification for inpatient admissions is required to be initiated by the admitting physician, the employee or individual covered by the Plan shall be responsible for insuring that the required certification is secured. Failure to secure certification for inpatient hospitalization shall not result in a penalty to the employee or individual when approval would have been given if requested. Denial of services under this subsection shall be done only after notification of the Plan member of his or her personal financial responsibility for such services.

g. Repealed by Session Laws 2001-253, s. 1(o), effective July 1, 2001.

(3) Skilled Nursing Facility Benefits. — The Plan will pay benefits in a skilled nursing facility licensed under applicable State laws for not more than 100 days per fiscal year for the same reason, as follows:

After discharge from a hospital for which inpatient hospital benefits were provided by this Plan for a period of not less than three days, and treatment consistent with the same illness or condition for which the covered individual was hospitalized, the daily charges will be paid for room and board in a semiprivate room or any multibed unit up to the maximum benefit specified in subsection (1) of this section, less the days of care already provided for the same illness in a hospital. Plan allowances for total daily charges may be negotiated but will not exceed the daily semiprivate hospital room rate as determined by the Plan.

Credit will be allowed toward private room charges in an amount equal to the facility's most prevalent charge for semiprivate accommodations. Charges will also be paid for general nursing care and

other services which would ordinarily be covered in a general hospital. In order to be eligible for these benefits, admission must occur within 14 days of discharge from the hospital.

In order to qualify for benefits provided by a skilled nursing facility, the following stipulations apply:

a. The services are medically required to be given on an inpatient basis because of the covered individual's need for medically necessary skilled nursing care on a continuing daily basis for any of the conditions for which he or she was receiving inpatient hospital services prior to transfer from a hospital to the skilled nursing facility or for a condition requiring such services which arose after such transfer and while he or she was still in the facility for treatment of the condition or conditions for which he or she was receiving inpatient hospital services,

b. Only on prior referral by and so long as, the patient remains under the active care of an attending doctor and the patient requires continual hospital confinement without the care and treatment of the skilled nursing facility, and

c. Approved in advance by the Claims Processor.

For facilities not qualified for delivery of services covered by the benefits of Title XVIII of the Social Security Act (Medicare), neither the Plan nor any of its members shall be billed or held liable by such facilities for charges that otherwise would be covered by Medicare.

(4) Outpatient Benefits. — The Plan pays for services rendered in the outpatient department of a hospital, in a doctor's office, in an ambulatory surgical facility, or elsewhere as determined by the Executive Administrator, as follows:

a. Accidental injury: All covered services. Dental services are excluded except for oral surgery specifically listed in subsection (5)c. of this section.

d. Pathological examinations of tissue removed by resection or biopsy. Routine Pap smears are not covered by this subdivision.

e. Charges for diagnostic x-rays, clinical laboratory tests, and other diagnostic tests and procedures such as electrocardiograms and electroencephalograms.

No benefits are provided in this subdivision for screening examinations and routine physical examinations to assess general health status in the absence of specific symptoms of active illness, routine office visits or for doctor's services for diagnostic procedures covered under surgical benefits.

(5) Surgical Benefits. — The Plan pays the usual, customary and reasonable charges for covered surgical services as follows:

a. Surgery: Cutting procedures, treatment of fractures, transfusions, operative preparation for diagnostic x-ray examinations, surgical implantation radiation sources, major endoscopic examinations, biopsies, surgical sterilization, other standard services and operations.

For the purpose of this subdivision, the term "standard services and operations" includes the following organ transplants: liver, heart, corneal, bone marrow, lung, heart-lung, pancreas, and kidney. All other organ transplants shall be considered nonreimbursable under the Plan. Benefits for the above listed organ transplants shall be payable only in accordance with rules

established by the Executive Administrator and Board of Trustees. The Executive Administrator and Board of Trustees may limit the Plan's reimbursement for selected organ transplants to amounts that would otherwise be allowed in accordance with G.S. 135-40.4.

b. Anesthesia: Administration of general, spinal block or local anesthesia. Covered services include pre- and postoperative visits, the administration of the anesthetic, fluids and/or blood provided by the anesthesiologist and incidental to the anesthesia, and necessary drugs and materials provided by the anesthesiologist. No benefits are provided for administration of local anesthesia or for anesthesia administered by the operating surgeon or surgical assistant(s).

c. Oral Surgery: Services which are within the scope of practice of both a doctor of medicine and a dentist, such as excision of tumors and lesions of the mouth, treatment of jaw fractures and surgery to correct injuries of the mouth structure other than teeth and their supporting structure. Developmental and congenital orthognathic surgery procedures will be covered under the Plan, provided such surgery is medically necessary, is the only method of treatment which will correct the patient's deformity, is not performed for cosmetic reasons, and is approved in advance by the Claims Processor on the basis of the surgeon's documentation that the correction of the deformity is medically necessary for the maintenance of good physical health.

d. Maternity Care: Independent operative procedures in connection with pregnancy, such as: manipulative obstetrical delivery, delivery by Caesarean section, removal of ectopic pregnancy, dilation and curettage. Benefits for manipulative obstetrical delivery include use of forceps and/or episiotomy. No benefits are provided for antepartum or postpartum care, except for direct surgical procedures of delivery and surgical treatment.

e. Surgical Assistants: Services of an assistant surgeon when medical judgment requires the services of an assistant surgeon and no hospital-employed doctor in training is available.

f. Multiple Procedures: When multiple or bilateral surgical procedures are performed by the same doctor through separate incisions or approaches during the same session, the surgical benefits will be the greater UCR allowance, plus fifty percent (50%) of the lesser UCR allowance. Anesthesia benefits will be the greater UCR allowance.

When multiple surgical procedures are performed by the same doctor through the same incision or operative approach, the surgical benefits are limited to the procedure which has the highest UCR allowance.

When a surgical procedure is performed in two or more stages, the surgical benefit for the entire procedure is the same as it would be were the procedure performed in one stage (except where otherwise provided in the benefit schedule). This limitation does not apply to anesthesia benefits.

g. Cleft Palate: Notwithstanding G.S. 135-40.6(6)a and G.S. 135-40.7(11), medical treatment and care needed by an individual born with cleft palate, including specialized dental and orthodontic care necessitated by the congenital condition.

h. Reconstructive Breast Surgery: Reconstructive breast surgery resulting from a mastectomy. The coverage shall include all

stages and revisions of reconstructive breast surgery performed on a nondiseased breast to establish symmetry when reconstructive surgery on a diseased breast is performed. As used in this sub-subdivision, (i) "mastectomy" means the surgical removal of all or part of a breast as a result of breast cancer or breast disease; (ii) "reconstructive breast surgery" means surgery performed as a result of a mastectomy to reestablish symmetry between the two breasts, and includes reconstruction of the mastectomy site, creation of a new breast mound, and creation of a new nipple/areolar complex. "Reconstructive breast surgery" also includes augmentation mammoplasty, reduction mammoplasty, and mastopexy of the nondiseased breast. Coverage described under this sub-subdivision shall not be denied on the basis that the coverage is for cosmetic surgery. Reconstruction of the nipple/areolar complex following a mastectomy is covered without regard to the lapse of time between the mastectomy and the reconstruction, subject to the approval of the treating physician.

(6) Limitations and Exclusions to Surgical Benefits. —

a. No benefits are provided for dental prostheses such as crowns, or dentures; orthodontic care; operative restoration of teeth (fillings); dental extractions (whether impacted or not impacted); apicoectomies; treatment of dental caries, gingivitis, or periodontal diseases by gingivectomies or other periodontal surgery; vestibuloplasties, alveoplasties, removal of exostosis and tori preparatory to fitting of dentures; correction of malocclusion by orthognathic surgery or other procedures by repositioning of bone tissue except as permitted pursuant to G.S. 135-40.6(5)c; removal of cysts incidental to apicoectomies or extraction of teeth.

b. Cosmetic surgery or surgery solely for beautifying purposes is not covered, except for procedures related to injury sustained while the individual is continuously covered under the Plan.

c. If a covered individual is admitted for medical and surgical treatment for the same condition, by the same doctor, either medical or surgical care may be paid, whichever is greater, but not both.

d. When a covered individual is admitted for medical treatment and during the hospital admission is subsequently referred to another doctor for surgery, medical benefits are provided for hospital days prior to the date of referral.

e. If during the hospital admission for necessary medical treatment, surgery is provided for a wholly distinct and unrelated condition, both medical and surgical benefits are payable, however, the same doctor may not be paid both medical and surgical benefits provided on the same day.

f. If during hospital admission for necessary medical treatment, a covered individual receives related surgical procedures such as paracentesis, biopsy, endoscopy, operative preparation for x-ray examination, or other diagnostic procedures for which benefits are applicable under the surgical benefits section of the Plan, both medical and surgical benefits are payable.

g. No benefits are provided for concurrent co-attending medical and surgical care by two or more doctors for the same condition other than as provided above.

h. No benefits will be payable for surgical procedure specifically listed by the American Medical Association or the North Carolina Medical Association as having no medical value.

j. No benefits are payable for radial keratotomy surgical procedures or for services to correct vision when performed in lieu of the use of corrective lenses.

(7) Medical Benefits. —

a. Services of Doctors. — The Plan pays the usual, reasonable and customary charges for covered inpatient medical (nonsurgical) services. Services are covered if the individual is hospital-confined and is eligible for hospitalization benefits as described in this section. Benefits are provided for exactly the same number of days as the individual is entitled to under this section, except that medical benefits are provided on both the day of admission and the day of discharge.

In the event a covered individual is treated by two or more co-attending doctors during the same hospital confinement for a medical (nonsurgical) condition, benefits are limited to payment for services provided by the primary attending doctor, except where need is established for supplementary skills for treatment of separate and distinct diagnoses or conditions.

b. Consultations. — Consultation services are provided when requested by attending doctor and the consultation is necessary in conjunction with and directly related to care and treatment of the condition for which admitted. No benefits are provided for staff consultation required by hospital rules and regulations. When a covered individual is admitted for oral surgery, a single consultation allowance will be provided for medical examination and pre-anesthesia evaluation.

c. Newborn Care. — When a child is eligible at birth, benefits are provided for treatment of illness, injury, prematurity, or congenital condition as a registered inpatient. When delivery is by Caesarean section, a single consultation allowance will be provided for standby, resuscitation, and infant care in the operating room provided by a doctor other than the operating surgeon.

When a mother receives maternity benefits under the Plan for a child's delivery, benefits are provided for examination and supervision of a normal newborn infant.

Nursing services will be allowed for:
   1. Services of a registered nurse (RN); or

   The word "local" means ambulance transportation of not more than 50 miles unless the Claims Processor authorizes ambulance transportation beyond this distance.

e. Prosthetic and Orthopedic Appliances and Durable Medical Equipment: Appliances and equipment including corrective and supportive devices such as artificial limbs and eyes, wheelchairs, traction equipment, inhalation therapy and suction machines, hospital beds, braces, orthopedic corsets and trusses, not more than three hundred fifty dollars ($350.00) for therapeutic shoes for diabetes and other high-risk conditions, and other prosthetic appliances or ambulatory apparatus which are provided solely for the use of the participant. Eligible charges include repair and replacement when medically necessary. appropriate for use in the home. Decisions of the Claims Processor, the Executive Administrator and Board of Trustees as to compliance with this definition and coverage under the Plan shall be final.

f. Dental Services: Oral surgery, including extraction of teeth, necessitated because of medical treatment. Dental surgery and appliances for mouth, jaw, and tooth restoration necessitated because of external violent and accidental means, such as the impact of moving body, vehicle collision, or fall occurring while an individual is covered under G.S. 135-40.3. No benefits are provided in connection with injury incurred in the act of chewing, nor for damage or breakage of an appliance such as bridge or denture being cleaned or otherwise not in normal mouth usage at the time of accident, nor for appliances for orthodontic treatment when a class of malocclusion, other than orthognathic, or cross bite has been diagnosed. Benefits for temporomandibular joint (TMJ) disfunction appliance therapy are limited to cases where the TMJ disfunction has been diagnosed as solely resulting from accidental means as certified by the attending practitioner and approved by the Claims Processor.

Benefits shall include extractions, fillings, crowns, bridges, or other necessary therapeutic and restorative techniques and appliances to reasonably restore condition and function to that existing immediately prior to the accident. Injury or breakage of existing appliances such as bridges and dentures is limited to repair of such appliances unless certified as damaged beyond repair.

Provided, however, that charges for such examinations and tests are not covered by the Plan when they are incurred to obtain or continue employment, to secure insurance coverage, to comply with legal proceedings, to attend schools or camps, to meet travel requirements, to participate in athletic and related activities or to comply with governmental licensing requirements. For the purposes of this sub-subdivision, "examinations and laboratory tests for the screening for the early detection of cervical cancer" means conventional PAP smear screening, liquid-based cytology, and human papilloma virus (HPV) detection methods for women with equivocal findings on cervical cytologic analysis that are subject to the approval of and have been approved by the United States Food and Drug Administration.

§ 135-40.7. General limitations and exclusions.

The following shall in no event be considered covered expenses nor will benefits described in G.S. 135-40.5 through G.S. 135-40.11 be payable for:

(1) Charges for any services rendered to a person prior to the date coverage under this Plan becomes effective with respect to such person.
(2) Charges for care in a nursing home, adult care home, convalescent home, or in any other facility or location for custodial or for rest cures.
(3) Charges to the extent paid, or which the individual is entitled to have paid, or to obtain without cost, in accordance with any government laws or regulations except Medicare. If a charge is made to any such person which he or she is legally required to pay, any benefits under this Plan will be computed in accordance with its provisions, taking into account only such charge. "Any government" includes the federal, State, provincial or local government, or any political subdivision thereof, of the United States, Canada or any other country.

(4) Charges for services rendered in connection with any occupational injury or disease arising out of and in the course of employment with any employer, if (i) the employer furnishes, pays for or provides reimbursement for such charges, or (ii) the employer makes a settlement payment for such charges, or (iii) the person incurring such charges waives or fails to assert his or her rights respecting such charges.

(5) Charges for any care, treatment, services or supplies other than those which are certified by a physician who is attending the individual as being required for the medically necessary treatment of the injury or disease and are deemed medically necessary and appropriate for the treatment of the injury or disease by the Executive Administrator and Board of Trustees upon the advice of the Claims Processor. This subdivision shall not be construed, however, to require certification by an attending physician for a service provided by an advanced practice registered nurse acting within the nurse's lawful scope of practice, subject to the limitations of G.S. 135-40.6(10).

(6) Charges for any services rendered as a result of injury or sickness due to an act of war, declared or undeclared, which act shall have occurred after the effective date of a person's coverage under the Plan.

(7) Charges for personal services such as barber services, guest meals, radio and TV rentals, etc.

(8) Charges for any services with respect to which there is no legal obligation to pay. For the purposes of this item, any charge which exceeds the charge that would have been made if a person were not covered under this Plan shall, to the extent of such excess, be treated as a charge for which there is no legal obligation to pay; and any charge made by any person for anything which is normally or customarily furnished by such person without payment from the recipient or user thereof shall also be treated as a charge for which there is no legal obligation to pay.

(9) Charges during a continuous hospital confinement which commenced prior to the effective date of the person's coverage under this Plan.

(10) Charges in excess of either the usual, customary and reasonable charge for or the fair and reasonable value of the services or supply which gives rise to the expense; provided that in each instance the extent that a particular charge is usual, customary and reasonable or fair and reasonable shall be measured and determined by comparing the charge with charges made for similar things to individuals of similar age, sex, income and medical condition in the locality concerned, and the result of such determination shall constitute the maximum allowable as covered medical expenses unless the Claims Processor finds that considerations of fairness and equity in a particular set of circumstances require that greater or lesser charges be considered as covered medical expenses in that set of circumstances.

(11) Charges for or in connection with any dental work or dental treatment except to the extent that such work or treatment is specifically provided for under the Plan. Excluded is payment for surgical benefits for tooth replacement, such as crowns, bridges or dentures; orthodontic care; filling of teeth; extraction of teeth (whether or not impacted); root canal therapy; removal of root tips from teeth; treatment for tooth decay, inflammation of gingiva, or surgical procedures on diseased gingiva or other periodontal surgery; repositioning soft tissue, reshaping bone, and removal of bony projections from the ridges preparatory to fitting of dentures; removal of cysts incidental to removal of root tips from teeth and extraction of teeth; or other dental procedures involving teeth and their bones or tissue supporting structure.

(12) Charges incurred for any medical observations or diagnostic study when no disease or injury is revealed, unless proof satisfactory to the Claims Processor is furnished that (i) the claim is in order in all other respects, (ii) the covered individual had a definite symptomatic condition of disease or injury other than hypochondria, and (iii) the medical observation and diagnostic studies concerned were not undertaken as a matter of routine physical examination or health checkup as provided in G.S. 135-40.6(8)s.

(13) Charges for eyeglasses or other corrective lenses (except for cataract lenses certified as medically necessary for aphakia persons) and hearing aids or examinations for the prescription or fitting thereof.

(14) Charges for cosmetic surgery or treatment except that charges for cosmetic surgery or treatment required for correction of damage caused by accidental injury sustained by the covered individual while coverage under this plan is in force on his or her account or to correct congenital deformities or anomalies shall not be excluded if they otherwise qualify as covered medical expenses.

(15) Admissions for diagnostic tests or procedures which could be, and generally are, performed on an outpatient basis and inpatient services or supplies which are not consistent with the diagnosis, for which admitted.

(16) Costs denied by the Claims Processor as part of its overall program of claim review and cost containment.

(16a) Charges in excess of negotiated rates allowed for preferred providers of institutional and professional medical care and services in accordance with the provisions of G.S. 135-40.4, when such preferred providers are reasonably available to provide institutional and professional medical care.

(17) If a covered service becomes excluded from coverage under the Plan, the Executive Administrator and Claims Processor may, in the event of exceptional situations creating undue hardships or adverse medical conditions, allow persons enrolled in the Plan to remain covered by the Plan's previous coverage for up to three months after the effective date of the change in coverage, provided the persons so enrolled had been undergoing a continuous plan of specific treatment initiated within three months prior to the effective date of the change in coverage.

(18) Charges for services unless a claim is filed within 18 months from the date of service.

(19) Any service, treatment, facility, equipment, drug, supply, or procedure that is experimental or investigational as defined in G.S. 135-40.1(7a). Clinical trial phases III and IV are covered by the Plan as is clinical trial phase II when approved by the Plan.

(20) Complications arising from noncovered services known at the time the noncovered services were provided.

(21) Charges related to a noncovered service, even if the charges would have been covered if rendered in connection with a covered service.

(22) Charges for services covered by the long-term care benefit provisions of Part 4 of this Article.

(23) Charges disallowed by the Plan's pharmacy benefits manager. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 922, ss. 15, 21.4; 1985 (Reg. Sess., 1986), c. 1020, ss. 16, 20, 21, 25, 26; 1987, c. 282, s. 35; 1991, c. 427, ss. 16, 30, 40; 1993, c. 464, s. 7; 1995, c. 535, s. 29; 1997-456, s. 55.9; 1997-468, s. 6; 1997-512, ss. 4, 13; 1998-212, s. 28.29(c); 2000-141, s. 5.)

(c3) Notwithstanding any other provision of this Article, the Plan does not pay for the first fifteen dollars ($15.00) of allowable charges for each home, office, or skilled nursing facility visit under the provisions of G.S. 135-40.6(7)a. and b., G.S. 135-40.6(4), G.S. 135-40.6(8)i., j., k., n., r., and s., and G.S. 135-40.5(e). The co-payment assessed by this subsection shall be assessed only once per person per provider per day and shall not apply to laboratory, pathology, and radiology services, or to charges for injected medications. The exclusion made under this subsection shall not count toward the deductible nor toward the maximum amount of coinsurance out-of-pocket costs.

(d) Where a network of qualified preferred providers of inpatient and outpatient hospital care is reasonably available for use by those individuals covered by the Plan, use of providers outside of the preferred network shall be subject to a twenty percent (20%) coinsurance rate up to five thousand dollars ($5,000) per fiscal year per covered individual up to an aggregate of fifteen thousand dollars ($15,000) per employee and child(ren) or employee and family coverage contract per fiscal year in addition to the general coinsurance percentage and maximum fiscal year amount specified by G.S. 135-40.4 and G.S. 135-40.6. The Plan then pays one hundred percent (100%) of the remaining covered expenses.

(e) Where qualified out-of-state preferred providers of medical care are not reasonably available in medical emergencies, the Plan pays the amounts covered by subsection (a) of this section. Any amount of charges for services under this section that exceeds the amount allowed by the Plan for the services of qualified preferred providers under this section shall be negotiated between the Plan and the provider of medical services, and the Plan shall ensure that the Plan member is not held financially responsible for the amount of these

excess charges. If a Plan member is not capable of making a decision about choosing an in-State qualified preferred provider and emergency services personnel transport the Plan member to a provider outside of the Plan network, then the coverage under this subsection shall apply. As used in this section, a "medical emergency" is the sudden and unexpected onset of a condition manifesting itself by acute symptoms of sufficient severity that, in the absence of immediate medical care, could imminently result in injury or danger to self or others. Session Laws 2001-253, s. 2, provides: "Notwithstanding G.S. 97-26, payment for medical treatment and services rendered to workers' compensation patients by a hospital on or after July 1, 2001, and before August 1, 2001, shall be equal to the payment the hospital would have received for such treatment and services on June 30, 2001."

Session Laws 2001-513, s. 22(b), provides: "In accordance with G.S. 135-40.8(c3), enacted by Section 1(m) of Session Law 2001-253, the first fifteen dollars ($15.00) of allowable charges not paid by the Plan does not apply to cardiac rehabilitation benefits."

Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, ss. 30.19C(a) and (b), effective July 1, 2003, added the last sentence in subsection (d); and added subsection (e).

§ 135-40.9. Maximum benefits.

The maximum lifetime benefit for each covered individual will be five million dollars ($5,000,000). (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1991, c. 427, s. 35; 1995, c. 507, s. 7.25; 2001-253, s. 1(n).)

Editor's Note. — Session Laws 1995, c. 507, s. 7.25, which substituted "two million dollars ($2,000,000)" for "one million dollars ($1,000,000)", was effective retroactively to January 1, 1994.

Session Laws 2001-253, s. 2, provides: "Notwithstanding G.S. 97-26, payment for medical treatment and services rendered to workers' compensation patients by a hospital on or after July 1, 2001, and before August 1, 2001, shall be equal to the payment the hospital would have received for such treatment and services on June 30, 2001."

§ 135-40.10. Persons eligible for Medicare.

(a) Benefits payable for covered expenses under this Plan in G.S. 135-40.5 through G.S. 135-40.9 will be reduced by any benefits payable for the same covered expenses under Medicare, so that Medicare will be the primary carrier except where compliance with federal law specifies otherwise.

(b) For those participants eligible for Medicare, the State's plan will be administered on a "carve out" basis. The provisions of the plan are applied to the charges not paid by Medicare (Parts A & B). In other words, those charges not paid by Medicare would be subject to the deductible and coinsurance of the Plan just as if the charges not paid by Medicare were the total bill.

(c) For those individuals eligible for Part A (at no cost to them), benefits under this program will be reduced by the amounts to which the covered individuals would be entitled to under Parts A and B of Medicare, even if they choose not to enroll for Part B.

(d) Notwithstanding the foregoing provisions of this section or any other provisions of the Plan, the Executive Administrator and Board of Trustees may enter into negotiations with the Health Care Financing Administration, U.S. Department of Health and Human Services, in order to secure a more favorable coordination of the Plan's benefits with those provided by Medicare, including but not limited to, measures by which the Plan would provide Medicare benefits for all of its Medicare-eligible members in return for adequate payments from the federal government in providing such benefits. Should such negotiations result in an agreement favorable to the Plan and its Medicare-eligible members, the Executive Administrator and Board of Trustees may, after consultation with the Committee on Employee Hospital and Medical Benefits, implement such an agreement which shall supersede all other provisions of the Plan to the contrary related to its payment of claims for Medicare-eligible members. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985 (Reg. Sess., 1986), c. 1020, s. 18; 1987, c. 857, s. 21; 1989, c. 752, s. 22(o).)

§ 135-40.11. Cessation of coverage.

(a) Coverage under this Plan of an employee and his or her surviving spouse or eligible dependent children or of a retired employee and his or her surviving spouse or eligible dependent children shall cease on the earliest of the following dates:

(1) The last day of the month in which an employee or retired employee dies. Provided such surviving spouse or eligible dependent children were covered under the Plan at the time of death of the former employee or retired employee, or were covered on September 30, 1986, any such surviving spouse or eligible dependent children may then elect to continue coverage under the Plan by submitting written application to the Claims Processor and by paying the cost for such coverage when due at the applicable fees. Such coverage shall cease on the last day of the month in which such surviving spouse or eligible dependent children die, except as provided by this Article.

(2) The last day of the month in which an employee's employment with the State is terminated as provided in subsection (c) of this section.

(3) The last day of the month in which a divorce becomes final.

(4) The last day of the month in which an employee or retired employee requests cancellation of coverage.

(5) The last day of the month in which a covered individual enters active military service.

(6) The last day of the month in which a covered individual is found to have knowingly and willfully made or caused to be made a false statement or false representation of a material fact in a claim for reimbursement of medical services under the Plan. The Executive Administrator and Board of Trustees may make an exception to the provisions of this subdivision when persons subject to this subdivision have had a cessation of coverage for a period of five years and have made a full and complete restitution to the Plan for all fraudulent claim amounts. Nothing in this subdivision shall be construed to obligate the Executive Administrator and Board of Trustees to make an exception as allowed for under this subdivision.

(7) The last day of the month in which an employee who is Medicare-eligible selects Medicare to be the primary payer of medical benefits.

Coverage for a Medicare-eligible spouse of an employee shall also cease the last day of the month in which Medicare is selected to be the primary payer of medical benefits for the Medicare-eligible spouse. Such members are eligible to apply for conversion coverage.

(b) Coverage under this Plan as a dependent child ceases when the child ceases to be a dependent child as defined by G.S. 135-40.1(3) except, coverage may continue under this Plan for a period of not more than 36 months after loss of dependent status on a fully contributory basis provided the dependent child was covered under the Plan at the time of loss of dependent status.

(b1) Coverage under the Plan as a surviving dependent child whether covered as a dependent of a surviving spouse, or as an individual member (no living parent), ceases when the child ceases to be a dependent child as defined by G.S. 135-40.1(3), except coverage may continue under the Plan on a fully contributory basis for a period of not more than 36 months after loss of dependent status.

(c) Termination of employment shall mean termination for any reason, including layoff and leave of absence, except as provided in (a)(1) and (2) of this section, but shall not, for purposes of this Plan, include retirement upon which the employee is granted an immediate service or disability pension under and pursuant to a State-supported Retirement System.

(1) In the event of termination for any reason other than death, coverage under the Plan for an employee and his or her eligible spouse or dependent children, provided the eligible spouse or dependent children were covered under the Plan at termination of employment may be continued for a period of not more than 18 months following termination of employment on a fully contributory basis. Employees who were covered under the Plan at termination of employment may be continued for a period of not more than 18 months or 29 months if determined to be disabled under the Social Security Act, Title II, OASDI or Title XVI, SSI.

(2) Repealed by Session Laws 1985 (Reg. Sess., 1986), c. 1020, s. 29(r).

(3) In the event of approved leave of absence without pay, other than for active duty in the armed forces of the United States, coverage under this Plan for an employee and his or her dependents may be continued during the period of such leave of absence by the employee's paying one hundred percent (100%) of the cost.

(4) If employment is terminated in the second half of a calendar month and the covered individual has made the required contribution for any coverage in the following month, that coverage will be continued to the end of the calendar month following the month in which employment was terminated.

(5) Employees paid for less than 12 months in a year, who are terminated at the end of the work year and who have made contributions for the non-work months, will continue to be covered to the end of the period for which they have made contributions, with the understanding that if they are not employed by another State-covered employer under this Plan at the beginning of the next work year, the employee will refund to the ex-employer the amount of the employer's cost paid for them during the non-paycheck months.

(6) Any employee receiving benefits pursuant to Article 6 of this Chapter when the employee has less than five years of retirement membership service, or an employee on leave of absence without pay due to illness or injury for up to 12 months, is entitled to continued coverage under the Plan for the employee and any eligible dependents by the employee's paying one hundred percent (100%) of the cost.

(d) No benefits will be paid by this Plan for any expenses incurred or treatment received after cessation of coverage as provided in subsections (a) or

(b) of this section, except that in the event of hospital confinement at that time, hospitalization benefits as described in G.S. 135-40.6 will continue to the extent provided therein.

(e) A legally divorced spouse and any eligible dependent children of a covered employee or retired employee may continue coverage under this Plan for a period of not more than 36 months following the first of the month after a divorce becomes final on a fully contributory basis, provided the former spouse and any eligible dependent children were covered under the Plan at the time a divorce became final.

(f) A legally separated spouse of a covered employee or retired employee may continue coverage under this Plan for a period not to exceed 36 months from the separation date on a fully contributory basis, provided the separated spouse was covered under the Plan at the time of separation and provided the covered employee's or retired employee's actions result in the loss of coverage for the separated spouse. Eligible dependent children may also continue coverage if covered under the Plan at time of separation, provided the employee's or retired employee's actions result in the loss of coverage for the dependent children.

(g) Whenever this section gives a right to continuation coverage, such coverage must be elected no later than a date set by the Executive Administrator and Board of Trustees.

(h) Continuation coverage under this Plan shall not be continued past the occurrence of any one of the following events:

(1) The termination of the Plan.

(2) Failure of a Plan member to pay monthly in advance any required premiums.

(3) A person becomes a covered employee or a dependent of a covered employee under any group health plan and that group health plan has no restrictions or limitations on benefits.

(4) A person becomes eligible for Medicare benefits on or after the effective date of the continuation coverage.

(5) The person was determined to be no longer disabled, provided the 18-month coverage was extended to 29 months due to having been determined to be disabled under the Social Security Act, Title II, OASDI or Title XVI, SSI.

(6) The person reaches the maximum applicable continuation period of 18, 29, or 36 months.

(i) Notice requirements concerning continuation coverage shall be developed by the Executive Administrator and Board of Trustees.

(j) The spouse and any eligible dependent children of a covered employee may continue coverage under the Plan on a fully contributory basis for a period not to exceed 36 months from the date the employee becomes eligible for Medicare benefits which results in a loss of coverage under the Plan, provided that the spouse and eligible dependent children were covered under the Plan at the time the employee became eligible for Medicare benefits which results in a loss of coverage under the Plan. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 922, ss. 17, 19-21; 1985, c. 732, ss. 13, 34; 1985 (Reg. Sess., 1986), c. 1020, ss. 19, 29(m)-(x); 1987, c. 738, s. 29(o); 1989, c. 752, s. 22(p); 1991, c. 427, s. 42; 1995, c. 278, s. 2; 1997-512, ss. 32-35; 2000-184, s. 4.)

§ 135-40.12. Conversion.

(a) Upon a cessation of group coverage under the Plan and/or eligibility for group coverage under the Plan, an employee or dependent shall be entitled to a conversion to nongroup coverage without the necessity of a physical examination. Such conversion coverage shall include hospitalization, surgical, and

medical benefits as contained in the major medical and alternative plan conversion provisions of Article 53 of Chapter 58 of the General Statutes. The Executive Administrator and Board of Trustees in their sole discretion shall approve the conversion coverage, which shall be administered by the Claims Processor through an insurance contract arranged by the Claims Processor, or administered as otherwise directed by the Executive Administrator and Board of Trustees. An eligible employee or dependent must apply for conversion coverage within 30 days after termination of group eligibility.

(b) The Executive Administrator and Board of Trustees shall provide for the continuation of conversion privilege exercised under the predecessor plan, on a fully contributory basis. The Executive Administrator and Board of Trustees shall consult with the Committee on Employee Hospital and Medical Benefits before taking action under this subsection. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 922, s. 21.6; 1985, c. 732, ss. 30, 56; 1985 (Reg. Sess., 1986), c. 1020, s. 20.)

§ 135-40.13. Coordination of benefits.

(a) Benefits Subject to This Provision. — All of the benefits provided under this Comprehensive Major Medical Plan.

(b) Definitions. —

(1) "Plan" means any Plan providing benefits or services for or by reason of medical or dental care or treatment, which benefits or services are provided by (i) group, blanket or franchise insured or uninsured coverage, (ii) hospital services prepayment Plan on a group basis, medical service prepayment Plan on a group basis, group practice, or other prepayment coverage on a group basis, (iii) any coverage under labor-management trusteed plans, union welfare plans, employer organization plans, or employee benefit organization plans, and (iv) any coverage under governmental programs except Medicare, or any coverage required or provided by any statute, which coverage is not otherwise excluded from the calculation of benefits under this Plan, but the term "Plan" shall not include any individual policies.

The term "Plan" shall be construed separately with respect to each policy, contract, or other arrangement for benefits or services and separately with respect to that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other plans into consideration in determining its benefits and that portion which does not.

(2) "Covered services" means any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the plans covering the person for whom claim is made. To the extent legally possible, it shall be synonymous with allowable expenses. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered shall be deemed to be both an allowable expense and a benefit paid.

(3) "Claim determination period" means any period of time during which a person covered by this Plan is eligible to receive benefits.

(c) Effect on Benefits. —

(1) This provision shall apply in determining the benefits as to a person covered under this Plan for any claim determination period if, for the covered services incurred as to such a person during such claim determination period, the sum of:

a. The benefits that would be payable under this Plan in the absence of this provision, and

b. The benefits that would be payable under all other plans in the absence therein of provisions of similar purpose of this provision would exceed the usual and customary charges for such covered services.

(2) As to any claim determination period with respect to which this provision is applicable, the benefits that would be payable under this Plan in the absence of this provision for the covered services incurred as to such person during such claim determination period shall be reduced to the extent necessary so that the sum of such reduced benefit and all the benefits payable for such covered services under all other plans, except as provided in Item (3) immediately below, shall not exceed the total of such covered services. Benefits payable under another Plan include the benefits that would have been payable had claim been duly made therefor. In the case of another Plan which does not contain a provision coordinating its benefits, the benefits of such other Plan shall be determined before the benefits of this Plan. A Plan without a coordination of benefits provision shall be deemed to be the primary carrier within the meaning of this Plan.

(3) If:

a. Another Plan which is involved in Item (2) immediately above and which contains provisions coordinating its benefits with those of this Plan would, according to its rules, determine its benefits after the benefits of this Plan have been determined, and

b. The rules set forth in Item (4) immediately below would require this Plan to determine its benefits before such other Plan, then the benefits of such other plan will be ignored for the purposes of determining the benefits under this Plan.

(4) For the purposes of Item (3) immediately above, the rules establishing the order of benefit determination are:

a. The benefits of a Plan which covers the person on whose covered services claim is based other than as a dependent shall be determined before the benefits of a Plan which covers such person as a dependent;

b. Except as stated in sub-subdivision c of this subdivision when this Plan and another Plan cover the same child as a dependent of different persons called parents:

1. the benefits of the Plan of the parent whose birthday falls earlier in the calendar year are determined before the benefits of the Plan of the parent whose birthday falls later in the calendar year; but

2. if both parents have the same birthday, the benefits of the Plan that has covered a parent for a longer period of time are determined before those of the Plan that has covered the other parent for a shorter period of time; however, if the other Plan has a rule based on the gender of the parent, and if as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

c. If two or more Plans cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order:

1. first, the Plan of the parent with custody of the child;

2. second, the Plan of the spouse of the parent with custody of the child; and

3. third, the Plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the

child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any claim determination period or Plan year during which any benefits are actually paid or provided before the entity has actual knowledge.

d. The benefits of a Plan that covers the person as an employee who is neither laid off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.

e. When rules a and b immediately above do not establish an order of benefit determination, the benefits of a Plan which has covered the person on whose covered services claim is based for the longer period of time shall be determined before the benefits of a Plan which had covered such person for the shorter period of time.

(5) When this provision operates to reduce the total amount of benefits otherwise payable as to a person covered under this Plan during any claim determination period, each benefit that would be payable in the absence of this provision shall be reduced proportionately, and such reduced amount shall be charged against any applicable benefit limit of this Plan.

(d) Medicare Participants' Eligibility. — In the case of employees eligible under the Plan who are also eligible for Medicare benefits, benefits under the Plan will be paid in coordination with Medicare benefits in a manner consistent with federal law.

(e) Right to Receive and Release Necessary Information. — For the purpose of determining the applicability of and implementing the terms of this provision of this Plan or any provision of similar purpose of any other Plan, the Claims Processor may, without the consent of or notice to any person, release to or obtain from any insurance company or other organization or person any information, with respect to any person, which the Claims Processor deems to be necessary for such purposes. Any person claiming benefits under this Plan shall furnish to the Claims Processor such information as may be necessary to implement the provision.

(f) Facility of Payment. — Whenever payments which should have been made under this Plan, in accordance with this provision, have been made under any other plans, the Claims Processor shall have the right, exercisable alone and in its sole discretion, to pay over to any organizations making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision, and amounts to be paid shall be deemed to be benefits paid under this Plan, and, to the extent of such payments, the Claims Processor shall be fully discharged from liability under the Plan.

(g) Right of Recovery. — Whenever payments have been made by the Claims Processor with respect to covered services in a total amount which is, at any time, in excess of the maximum amount of payment necessary at that time to satisfy the intent of this provision, irrespective of to whom paid, the Claims Processor shall have the right to recover such payments, to the extent of such excess, from among one or more of the following, as the Claims Processor shall determine: any persons to or for or with respect to whom such payments were made, any insurance companies, or any other organizations. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 922, s. 18; 1985 (Reg. Sess., 1986), c. 1020, ss. 20, 30; 1989, c. 770, s. 35.)

§ 135-40.14. Right to amend.

The General Assembly reserves the right to alter, amend, or repeal Parts 2 and 3 of this Article. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, s. 62.)

Part 4. Long-Term Care Benefits.

§ 135-41. Undertaking.

(a) The State of North Carolina undertakes to make available an optional program of long-term care benefits for the benefit of its qualified employees, retired employees and their dependents which will pay benefits in accordance with the terms hereof. Retired employees of the Local Governmental Employees' Retirement System pursuant to Article 3 of Chapter 128 of the General Statutes and their dependents are also eligible to be qualified for the benefits provided by this Part.

(b) The long-term care benefits provided by this Part shall be made available through the Teachers' and State Employees' Comprehensive Major Medical Plan pursuant to Articles 2 and 3 of this Chapter (hereinafter called the "Plan") and administered by the Plan's Executive Administrator and Board of Trustees. In administering the benefits provided by this Part, the Executive Administrator and Board of Trustees shall have the same type of powers and duties that are provided under Part 3 of this Article for hospital and medical benefits. The benefits provided by this Part may be offered by the Plan on a self-insured basis, in which case a third-party claims processor shall be chosen through competitive bids in accordance with State law, or through a contract of insurance, in which case a carrier licensed to do business in North Carolina shall be selected on a competitive bid basis in accordance with State law.

(c) The benefits authorized by this Part are available only to qualified employees and retired employees who voluntarily elect to provide such benefits for themselves and their qualified dependents. Payroll deductions shall be available from employee salary and disability benefit payments and from retired employee retirement benefit payments for fully contributory premium amounts.

(d) The Executive Administrator and Board of Trustees of the Plan shall insure insofar as possible that the long-term care benefits provided by this Part shall be tax-qualified under federal law. (1997-468, s. 7.)

§ 135-41.1. Long-term care benefits.

Long-term care benefits provided by this Part are subject to elimination periods, coinsurance provisions, and other limitations separate and apart from those provided for in Part 3 of this Article. No limitation on out-of-pocket expenses are provided for the benefits covered by this section. Long-term care benefits are as follows:

(1) Nursing Home Benefits. — The Plan will pay a fixed amount of the reasonable and customary daily charges allowed for nursing facilities providing skilled nursing care and intermediate nursing care up to a maximum amount per day for each day after a fixed number of consecutive days for each nursing home stay. Such daily charges shall be inclusive of semiprivate room and board; skilled and semiskilled nursing services; routine laboratory tests and examinations; physical, occupational, and speech therapy; respiratory and other gas therapy;

and drugs, injections, biologicals, fluids, solutions, dietary aids and supplements, and other routine medical supplies and equipment. Readmission to a nursing home within 180 days, exclusive of hospital stays, for the same or related cause or causes shall be considered a single nursing home stay for the purposes of this section. Benefits payable under this subdivision are contingent upon compliance with the following conditions and will, in no instance, be paid under this section without compliance with each of the following conditions:

a. Confinement to a nursing home is medically appropriate due to an illness, disease, or injury upon recommendation of an admitting physician other than a proprietor, employee, or agent of the nursing home;
b. Confinement to a nursing home is for any overnight stay for which a charge for a day's stay is due and payable; and
c. Prior to confinement, the admitting physician secures approval certification from the Plan for confinement.

As used in this section, a nursing home is a facility or a part of a facility which is (i) operated under State law and which is qualified as a skilled nursing or intermediate nursing facility under Medicare; or is (ii) a facility meeting the requirements for licensure under Chapter 131E of the General Statutes.

(2) Custodial Benefits. — The Plan will pay a fixed percentage of the fixed amount of reasonable and customary daily charges allowed by the Plan in subdivision (1) of this section for assisted living facilities, for adult day care facilities, and for home care agencies up to a maximum amount per day for each day after a fixed number of consecutive days that such custodial care is provided. Benefits payable under this subdivision are contingent upon compliance with the following conditions and will, in no instance, be paid under this subdivision without compliance with each of the following conditions:

a. Use of such custodial benefits is medically appropriate in a treatment plan established and certified initially and at least once every six months by an attending physician or other allied health professionals other than a proprietor, employee, or agent of one or more of the aforementioned facilities and agencies;
b. Confinement to a nursing home would be medically appropriate without custodial care proposed to be rendered by one or more of the aforementioned facilities or agencies; and
c. Prior to use of such custodial benefits, an attending physician or other allied health professional secures approval from the Plan for the use of the benefits.

As used in this section, an assisted living facility is a facility which (i) is operated under State law to provide residential care for the aged or disabled whose principal need is a home which provides personal care appropriate to their age or disability; or (ii) meets the requirements for licensure under Chapter 131D of the General Statutes. As used in this section, an adult care facility is a facility which (i) is operated under State law to provide group care for the aged and disabled in a setting away from their residence on a less than 24-hour basis when such aged or disabled would otherwise be in need of full-time personal care away from their residence; or (ii) meets the requirements for certification under Chapter 131D of the General Statutes. As used in this section, a home care agency is a residential care agency which is (i) operated under State law and which is qualified as a home health care agency under Medicare; or (ii) an agency meeting the requirements for licensure as a home care agency under Chapter 131E of the General Statutes.

(3) Other Benefits. — Upon prior approval of the Plan, other care, services, supplies, and equipment may be used as more cost-effective

alternatives to the benefits provided by this section when directed by an attending physician.

(4) The Executive Administrator and Board of Trustees of the Plan shall establish the payment percentages, maximum daily payment rates, benefit periods, elimination periods, and maximum lifetime benefits payable for each covered individual for the nursing home and custodial benefits provided by this section. The Executive Administrator and Board of Trustees shall provide for inflationary increases in the maximum daily payment rates and the maximum lifetime benefits payable for each covered individual.

§ 135-56. Creditable service.

(a) Subject to such rules and regulations as the Board of Trustees shall adopt with regard to the verification of a judge's prior service, the prior service of a judge shall consist of his service rendered prior to January 1, 1974, as a justice of the Supreme Court, judge of the Court of Appeals, judge of the superior court, judge of the district court division of the General Court of Justice, as administrative officer of the courts, or as a solicitor or district attorney.

(b) When membership ceases as a result of a member's withdrawal of his accumulated contributions, the prior service and previous membership service of the member shall no longer be considered to be creditable service; provided, however, that if a member whose creditable service has been cancelled in accordance with this subsection subsequently returns to membership for a period of five years, he may thereafter repay in a lump sum the amount withdrawn plus regular interest thereon from the date of withdrawal through the date of repayment and thereby increase his creditable service by the amount of creditable service lost when he withdrew his accumulated contributions.

(c) On and after January 1, 1984, the creditable service of a member who was a member of the former Uniform Solicitorial or Uniform Clerks of Superior Court Retirement Systems at the time of merger of those Systems into this Consolidated Judicial Retirement System and whose accumulated contributions are transferred from those Systems to this System, includes service that was creditable in the Uniform Solicitorial and Uniform Clerks of Superior Court Retirement Systems; and membership service with those Retirement Systems is membership service with this Retirement System.

(d) Any member may purchase creditable service for service as a judge, district attorney, or clerk of superior court, when not otherwise provided for in this section, and as a judge of any lawfully constituted court of this State inferior to the superior court, not to include service as a magistrate, justice of the peace or mayor's court judge. The member, after the transfer of any accumulated contributions from the Teachers' and State Employees' Retirement System or Local Governmental Employees' Retirement System, shall pay

an amount equal to the full cost of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire with an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(e) Any member may purchase creditable service for service as a member of the General Assembly not otherwise creditable under this section, provided the service is not credited in the Legislative Retirement Fund nor the Legislative Retirement System, and further provided the member pays a lump sum amount equal to the full cost of the additional service credits calculated on the basis of the assumptions used for the purposes of the actuarial valuation of the System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which a member could retire on an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the foregoing provisions of this subsection that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance.

(1973, c. 640, s. 1; 1977, c. 936; 1983 (Reg. Sess., 1984), c. 1031, ss. 14, 15; 1985, c. 649, s. 1; 1989, c. 255, s. 21(a); 1999-237, s. 28.24(c); 2003-284, s. 30.18(f).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 30.18(i), provides: "The Retirement Systems Division of the Department of State Treasurer and the Board of Trustees of the Teachers' and State Employees' Retirement System shall study the feasibility and cost implications of applying the provisions of this section to present retirees of the Legislative Retirement System. The Retirement Systems Division of the Department of State Treasurer and the Board of Trustees of the Teachers' and State Employees' Retirement System shall submit a report to the General Assembly no later than April 1, 2004, on their findings and recommendations."

Session Laws 2003-284, s. 49.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2003-2005 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2003-2005 fiscal biennium."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, s. 30.18(f), effective January 1, 2004, in subsection (f), inserted "or the Legislative Retirement System" twice following "Employees' Retirement System," and made minor punctuation changes.

§ 135-56.01. Reciprocity of creditable service with other State-administered retirement systems.

(a) Only for the purpose of determining eligibility for benefits accruing under this Article, creditable service standing to the credit of a member of the Legislative Retirement System, Teachers' and State Employees' Retirement System, or the Local Governmental Employees' Retirement System shall be added to the creditable service standing to the credit of a member of this System; provided, that in the event a person is a retired member of any of the foregoing retirement systems, such creditable service standing to the credit of the retired member prior to retirement shall be likewise counted. In no instance shall service credits maintained in the aforementioned retirement systems be added to the creditable service in this System for application of this System's benefit accrual rate in computing a service retirement benefit unless specifically authorized by this Article.

(b) A person who was a former member of this System and who has forfeited his creditable service in this System by receiving a return of contributions and who has creditable service in the Legislative Retirement System, Teachers' and State Employees' Retirement System, or the Local Government Employees' Retirement System may count such creditable service for the purpose of restoring the creditable service forfeited in this System under the terms and conditions as set forth in this Article and reestablish membership in this System.

(c) Creditable service under this section shall not be counted twice for the same period of time whether earned as a member, purchased, or granted as prior service credits. (1989 (Reg. Sess., 1990), c. 1066, s. 35(d); 1997-456, s. 27.)

Editor's Note. — Former G.S. 135-56A was recodified as this section pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 135-56.1: Repealed by Session Laws 1983 (Regular Session, 1984), c. 1031, s. 16.

§ 135-56.2. Creditable service for other employment.

Any member may purchase creditable service for service as a State teacher or employee, as defined under G.S. 135-1(10) and (25), and for service as an employee of local government, as defined under G.S. 128-21(10). A member, upon the completion of 10 years of membership service, may also purchase creditable service for periods of federal employment, provided that the member is not receiving any retirement benefits resulting from this federal employment, and provided that the member is not vested in the particular federal retirement system to which the member may have belonged while a federal employee. The member, after the transfer of any accumulated contributions from the Teachers' and State Employees' Retirement System or Local Governmental Employees' Retirement System, shall pay an amount equal to the full cost of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the Retirement System's liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire with an unreduced retirement allowance as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee as set by the Board of Trustees. As an alternative to transferring any accumulated contributions from the Teachers' and State

Employees' Retirement System or the Local Governmental Employees' Retirement System to the Consolidated Judicial Retirement System, a member may irrevocably elect to transfer these contributions to the Supplemental Retirement Income Plan of North Carolina as determined by the Plan's Board of Trustees and the Department of State Treasurer in accordance with the provisions of G.S. 135-94(a)(4). Notwithstanding the foregoing provisions of this section that provide for the purchase of service credits, the terms "full cost", "full liability", and "full actuarial cost" include assumed annual post-retirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance. (1983 (Reg. Sess., 1984), c. 1041; 1985, c. 348, s. 1; c. 749, s. 2; 1989, c. 255, s. 21(b).)

§ 135-56.3. Repayments and Purchases.

(a) Purchase of Service Credits Through Rollover Contributions From Certain Other Plans. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through rollover contributions to the Annuity Savings Fund from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code, (ii) an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state, (iii) an individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income, or (iv) a qualified plan described in Section 401(a) or 403(a) of the Internal Revenue Code. Notwithstanding the foregoing, the Retirement System shall not accept any amount as a rollover contribution unless such amount is eligible to be rolled over to a qualified trust in accordance with applicable law and the member provides evidence satisfactory to the Retirement System that such amount qualifies for rollover treatment. Unless received by the Retirement System in the form of a direct rollover, the rollover contribution must be paid to the Retirement System on or before the 60th day after the date it was received by the member.

Purchase of Service Credits Through Plan-to-Plan Transfers. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code or (ii) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(b) **(See note)** Purchase of Service Credits Through Plan-to-Plan Transfers. — Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may, subject to such rules and regulations established by the Board of Trustees, purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) the Supplemental Retirement Income Plans A, B, or C of North Carolina or (ii) any

other defined contribution plan qualified under Section 401(a) of the Internal Revenue Code which is maintained by the State of North Carolina, a political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state. (2002-71, s. 7.)

Editor's Note. — Session Laws 2002-71, s. 9, provides, in part, that s. 7 of the act becomes effective January 1, 2003, except that G.S. 135-56.3(b), as enacted by s. 7, becomes effective the later of January 1, 2003, or the date upon which the Department of State Treasurer receives a ruling from the Internal Revenue Service approving the direct transfers provided for in that subsection.

§ 135-57. Service retirement.

(a) Any member on or after January 1, 1974, who has attained his fiftieth birthday and five years of membership service may retire upon written application to the board of trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired.

(b) Any member who is a justice or judge of the General Court of Justice shall be automatically retired as of the first day of the calendar month coinciding with or next following the later of January 1, 1974, or his attainment of his seventy-second birthday; provided, however, that no judge who is a member on January 1, 1974, shall be forced to retire under the provisions of this subsection at an earlier date than the last day that he is permitted to remain in office under the provisions of G.S. 7A-4.20.

(c) Any member who terminates service on or after January 1, 1974, having accumulated five or more years of creditable service may retire under the provisions of subsection (a) above, provided that he shall not have withdrawn his accumulated contributions prior to the effective date of his retirement, and the requirement of subsection (a) that the member be in service shall not apply.

(d) Any member who was in service October 8, 1981, who had attained 50 years of age, may retire upon written application to the board of trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 90 days subsequent to the execution and filing thereof, he desires to be retired. (1973, c. 640, s. 1; 1981, c. 378, s. 6; 1983, c. 761, s. 230; 1987, c. 513, s. 1; 1991 (Reg. Sess., 1992), c. 873, s. 2.)

(5) A service retirement allowance computed in accordance with the service retirement provisions of Article 1 of this Chapter of the General Statutes using an average final compensation as defined in G.S. 135-53(2a) and creditable service, including any sick leave standing to the credit of the member, equal to the number of years of the member's creditable service that was transferred from the Teachers' and State Employees' Retirement System or the Legislative Retirement System to this System as provided in G.S. 135-56.

(b) Any member who retires under the provisions of subsection (a) or subsection (c) of G.S. 135-57 before he either has attained his sixty-fifth birthday or has completed 24 years of creditable service shall receive an annual retirement allowance, payable monthly, which shall commence on the effective date of his retirement and shall be continued on the first day of each month thereafter during his lifetime, the amount of which shall be determined in the same manner and be subject to the same maximum limitation as provided for in subsection (a) above except that the allowance so computed shall be reduced by one quarter of one percent (¼ of 1%) thereof for each month by which the member's retirement date precedes the first day of the month coincident with or next following the earlier of

(1) The member's sixty-fifth birthday or
(2) The date the member would have completed 24 years of creditable service if he had been in membership service from his retirement date until such date.

For the sole purpose of determining whether a member has completed the required 24 years of creditable service referred to in this subsection (b) or the date on which he would have completed such period of creditable service if he had remained in membership service, in the case of a member of the Teachers' and State Employees' Retirement System who became a member of this Retirement System under circumstances described in G.S. 135-28.1, and who at the time of his retirement hereunder is in service and has retained his membership in the Teachers' and State Employees' Retirement System as provided for in G.S. 135-28.1, his creditable service shall be taken as the sum of his creditable service hereunder plus the amount of creditable service remaining to his credit in such other system as provided for in G.S. 135-28.1.

(c) The foregoing subsections of this section to the contrary notwithstanding, in no event will the retirement allowance payable at any time to a retired member who was a member of a previous system immediately prior to January 1, 1974, prior to any reduction of such allowance in accordance with G.S. 135-61, be less than the retirement allowance to which he would have been entitled under the terms of such previous system if this Article had not been enacted.

(d) Commencing with the payment for the month of January 1974, the retirement allowance of each retired member of a previous system who was in receipt of a retirement allowance thereunder as of January 1, 1974, shall be paid from the assets of the Retirement System in the same amount as would have been applicable for January 1974, if this Article had not been enacted.

(e) Notwithstanding any other provision to the contrary, in no event will the retirement allowance payable at any time to a retired member who was a member of a previous system immediately prior to January 1, 1974, prior to any reduction of such allowance in accordance with G.S. 135-61, be greater than the retirement allowance to which he would have been entitled under the terms of such previous system if this Article had not been enacted or than the retirement allowance to which he would have been entitled under this Article if he had not been entitled to benefits under the terms of such previous system, whichever is larger. CASE NOTES

Differential in percentages used to calculate retirement benefits does not violate the equal protection clause of U.S. Const., Amend. XIV. The objectives sought by the legislature to be obtained from the present retirement system are valid, and the method chosen is reasonably calculated to achieve that end. Gentry v. Uniform Judicial Retirement Sys., 378 F. Supp. 1 (M.D.N.C. 1974).

Applied in Shepherd v. Consolidated Judicial Retirement Sys., 89 N.C. App. 560, 366 S.E.2d 604 (1988).

§ 135-59. Disability retirement.

(a) Upon application by or on behalf of the member, any member in service who has completed five or more years of creditable service and who has not attained his sixty-fifth birthday may be retired by the Board of Trustees, on the first day of any calendar month, not less than one day nor more than 90 days next following the date of filing such application, on a disability retirement allowance; provided, that the medical board, after a medical examination of such member, shall certify that such member is mentally or physically incapacitated for the further performance of duty, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent, and that such member should be retired; and, provided further, that if a member is removed by the Supreme Court for mental or physical incapacity under the provisions of G.S. 7A-376, no action is required by the medical board under this section and, provided further, the medical board shall determine if the member is able to engage in gainful employment and, if so, the member shall still be retired and the disability retirement allowance as a result thereof shall be reduced as in G.S. 135-60(d). Provided further, that the medical board shall not certify any member as disabled who:

(1) Applies for disability retirement based upon a mental or physical incapacity which existed when the member first established membership in the system; or

(2) Is in receipt of any payments on account of the same disability which existed when the member first established membership in the system.

The Board of Trustees shall require each employee upon enrolling in the Retirement System to provide information on the membership application concerning any mental or physical incapacities existing at the time the member enrolls.

Notwithstanding the foregoing to the contrary, any beneficiary who commenced retirement with an early or service retirement benefit has the right, within three years of this retirement, to convert to an allowance with disability retirement benefits without modification of any election of optional allowance previously made; provided, the beneficiary presents clear and convincing evidence that the beneficiary would have met all applicable requirements for disability retirement benefits while still in service as a member. The allowance on account of disability retirement benefits to the beneficiary shall be retroactive to the effective date of early or service retirement.

(b) Notwithstanding the foregoing, the surviving spouse of a deceased member who has met all other requirements for disability retirement benefits, except whose death occurred before the first day of the calendar month in which the member's disability retirement allowance was due and payable, and who was the designated beneficiary for a return of accumulated contributions and the final compensation death benefit as provided in G.S. 135-63, shall be paid in lieu of the return of accumulated contributions and the final compensation death benefit a monthly allowance equal to a reduced retirement allowance provided by a fifty percent (50%) joint and survivorship option, plus the allowance payable to a former member's surviving spouse, in the manner

prescribed under G.S. 135-64 as though the former member had commenced retirement the first day of the month following his death. (1973, c. 640, s. 1; 1981, c. 689, s. 3; c. 940, s. 2; 1985, c. 479, ss. 192(b), 194; 1987, c. 513, s. 1.)

§ 135-60. Disability retirement benefits.

(a) Upon retirement for disability in accordance with G.S. 135-59, a member shall receive a disability retirement allowance computed and payable as provided for service retirement in G.S. 135-58(a2) except that the member's creditable service shall be taken as the creditable service he would have had had he continued in service to the earliest date he could have retired on an unreduced service retirement allowance as a member in the same division of the General Court of Justice in which he was serving on his disability retirement date.

(b) Once each year during the first five years following retirement of a member on a disability retirement allowance, and once in every three-year period thereafter, the Board of Trustees may, and upon his application shall, require any disability beneficiary who has not yet attained his sixtieth birthday to undergo a medical examination, such examination to be made at the place of residence of the beneficiary or other place mutually agreed upon, by a physician or physicians designated by the Board of Trustees. Should any disability beneficiary who has not yet attained his sixtieth birthday refuse to submit to at least one medical examination in any such year by a physician or physicians designated by the Board of Trustees, his allowance may be discontinued until his withdrawal of such refusal, and should his refusal continue for one year, it shall be assumed that he is no longer disabled.

(c) Should the medical board certify to the Board of Trustees that a disability beneficiary prior to his sixty-fifth birthday has recovered to the extent that he would not satisfy the requirements for disability retirement if he were an active member of the Retirement System, or if his disability shall be assumed to have terminated in accordance with subsection (b) above, his disability retirement allowance shall thereupon cease, he shall be restored as a member of the Retirement System, and the period during which he was in receipt of a disability retirement allowance shall not be included in his creditable service.

(d) The Board of Trustees shall determine whether a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his disability retirement allowance and the gross compensation earned as an employee during the 12 consecutive months in the final 48 months of service prior to retirement producing the highest gross compensation excluding any compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of one percent (1/10th of 1%). Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. In lieu of the reductions on account of a disability beneficiary earning more than the aforesaid difference, he may elect to convert his disability retirement allowance to a service retirement allowance calculated on the basis of his final compensation and creditable service at the time of disability retirement and his age at the time of conversion to service

retirement. This election is irrevocable. (1973, c. 640, s. 1; 1981, c. 975, s. 4; c. 980, s. 5; 1983 (Reg. Sess., 1984), c. 1031, s. 19; 1999-237, s. 28.24(g).)

§ 135-61. Election of optional allowance.

Any member who retires under the provisions of this Article shall have the right to elect to have his allowance payable under any one of the optional forms provided for in G.S. 135-5(g), subject to the conditions therein contained, in lieu of the allowance that would otherwise be payable. (1973, c. 640, s. 1.)

§ 135-62. Return of accumulated contributions.

(a) Should a member cease membership service otherwise than by death or retirement under the provisions of this Article, he shall, upon submission of an application, be paid, not earlier than 60 days from the date of termination of service, his contributions and, if he has attained at least five years of membership service or if termination of his membership service is involuntary as certified by the employer, the accumulated regular interest thereon, provided that he has not in the meantime returned to service as a judge. Upon payment of such accumulated contributions his membership in the Retirement System shall cease and, if he thereafter again becomes a member, no credit shall be allowed for any service previously rendered, except as otherwise provided in G.S. 135-56(b). Any such payment of a member's accumulated contributions shall be in full and complete discharge of any rights in or to any benefits otherwise payable under this Article.

(b) Repealed by Session Laws 1993, c. 531, s. 7. (1973, c. 640, s. 1; 1981, c. 672, s. 4; 1983, c. 467; 1983 (Reg. Sess., 1984), c. 1031, s. 20; 1993, c. 531, s. 7.)

CASE NOTES

Recovery of Contributions Following Removal for Cause. — Loss of retirement benefits as the result of the removal of a judge from office for cause other than mental or physical incapacity does not mean that the judge forfeits his right to recover the contributions which he paid into the fund. In re Peoples, 296 N.C. 109, 250 S.E.2d 890 (1978), cert. denied, 442 U.S. 929, 99 S. Ct. 2859, 61 L. Ed. 2d 297 (1979).

§ 135-63. Benefits on death before retirement.

(a) Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a member in service, there shall be paid in a lump sum to such person as the member shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time of the member's death, otherwise to the member's legal representatives, a death benefit equal to the sum of (i) the member's accumulated contributions, plus (ii) the member's final compensation; provided, however, that if the member has attained his fiftieth birthday with at least five years of membership service at his date of death, and if the designated recipient of the death benefits is the member's spouse who survives him, and if the spouse so elects, then the lump-sum death benefit provided for herein shall consist only of a payment equal to the member's final compensation and there shall be paid to the surviving spouse an annual retirement allowance, payable monthly, which shall commence on the first day of the calendar month coinciding with or next following the death of the member and shall be continued on the first day of each month thereafter until the remarriage or death of the spouse. The amount of any such retirement allowance shall be equal to one half of the amount of the retirement allowance to which the member would have been entitled had he retired under the provisions of G.S. 135-57(a) on the first day of the calendar

month coinciding with or next following his date of death, reduced by two percent (2%) thereof for each full year, if any, by which the age of the member at his date of death exceeds that of his spouse. If the retirement allowance to the spouse shall terminate on the remarriage or death of the spouse before the total of the retirement allowance payments made equals the amount of the member's accumulated contributions at date of death, the excess of such accumulated contributions over the total of the retirement allowances paid to the spouse shall be paid in a lump sum to such person as the member shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time such payment falls due, otherwise to the former member's legal representatives.

(b) There shall be paid to the surviving unremarried spouse of any former judge who died in service prior to January 1, 1974, and after his forty-ninth birthday an annual retirement allowance which shall commence on January 1, 1974, and shall be continued on the first day of each month thereafter until the remarriage or death of the spouse. The amount of any such retirement allowance shall be computed in accordance with the provisions of subsection (a) above as if the provisions of this Article had been in effect on the date of death of the former judge, and the final compensation of such former judge had been equal to the rate of annual compensation in effect on December 31, 1973, for the office held by the former judge at the time of his death.

(c) Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a member not in service, there shall be paid in a lump sum to such person as the member shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time of the member's death, otherwise to the member's legal representatives, a death benefit equal to the member's accumulated contributions.

(d) Notwithstanding the provisions of G.S. 7A-376, there shall be paid to the surviving spouse of any former judge whose death occurred prior to July 1, 1983, who had not withdrawn his contributions pursuant to G.S. 135-62, an annual retirement allowance which shall commence on July 1, 1983, and shall be continued on the first day of each month thereafter until the death or remarriage of the spouse. If the spouse dies or remarries before the total of the retirement allowance paid equals the amount of the former judge's accumulated contributions, the excess of the accumulated contributions over the total of the retirement allowance paid to the spouse shall be paid in a lump sum to the person the spouse has nominated by written designation duly acknowledged and filed with the Board of Trustees, if the person is living at the time the payment falls due, otherwise to the spouse's legal representative. The amount of any such retirement allowance shall be computed in accordance with the provisions of subsection (a) above. This subsection does not authorize allowances to surviving spouses of former judges convicted of crimes related to the performance of their judicial duties. (1973, c. 640, s. 1; c. 1385; 1983, c. 761, ss. 231, 234.)

§ 135-64. Benefits on death after retirement.

(a) In the event of the death of a former member while in receipt of a retirement allowance pursuant to his retirement under the provisions of G.S. 135-57, or after a former member's sixty-fifth birthday while in receipt of a retirement allowance pursuant to his retirement under the provisions of G.S. 135-59, there shall be paid to the former member's surviving spouse, if any, an annual retirement allowance, payable monthly, which shall commence on the first day of the calendar month next following the date of death of the former member and shall be continued on the first day of each month thereafter until the remarriage or death of the spouse. The amount of any such allowance shall

be equal to one half of the allowance that was payable to the former member for the month immediately prior to his month of death, or which would have been so payable had an optional mode of payment not been elected under the provisions of G.S. 135-61, reduced by two percent (2%) thereof for each full year, if any, by which the age of the former member at date of death exceeds that of his spouse.

(b) In the event of the death of a former member prior to his sixty-fifth birthday while in receipt of a retirement allowance pursuant to his retirement under the provisions of G.S. 135-59, there shall be paid to the former member's surviving spouse, if any, an annual retirement allowance, payable monthly, which shall commence on the first day of the calendar month next following the date of death of the former member and shall be continued on the first day of each month thereafter until the remarriage or death of the spouse. The amount of any such allowance shall be equal to one half of the allowance to which the former member would have been entitled under the provisions of G.S. 135-58 if he had remained in service from his disability retirement date to his date of death with no change in his final compensation or status and had then retired, reduced by two percent (2%) thereof for each full year, if any, by which the age of the former member at date of death exceeds that of his spouse.

(c) In the event of the death of a former member while in receipt of a retirement allowance under the provisions of G.S. 135-58 or 135-60 (but not 135-61), if such former member is not survived by a spouse to whom a retirement allowance is payable under the provisions of subsection (a) or subsection (b) above, there shall be paid to such person as the member shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time of the member's death, otherwise to the member's legal representatives, a death benefit equal to the excess, if any, of the accumulated contributions of the member at his date of retirement over the total of the retirement allowances paid to him prior to his death.

The accrued liability contribution rate shall be determined as the percentage represented by the ratio of (i) the level annual contribution necessary to amortize the unfunded accrued liability over a period of 40 years, computed in accordance with recognized actuarial principles on the basis of methods and assumptions approved by the Board of Trustees, to (ii) the total annual compensation of the members of the Retirement System.

(d) The unfunded accrued liability as of any date shall be determined, in accordance with recognized actuarial principles on the basis of methods and assumptions approved by the Board of Trustees, as the excess of (i) the then present value of the benefits to be provided under the Retirement System in the future over (ii) the sum of the assets of the Retirement System then currently on hand in the annuity savings fund and the pension accumulation fund, plus the then present value of the stipulated contributions to be made in the future by the members, plus the then present value of the normal contributions expected to be made in the future by the State.

(e) The normal contribution rate and the accrued liability contribution rate shall be determined after each annual valuation of the Retirement System and shall remain in effect until a new valuation is made.

(f) The annual contributions by the State for any year shall be at least sufficient, when combined with the amount held in the pension accumulation fund at the start of the year, to provide the retirement allowances and other benefits payable out of the fund during the year then current. § 135-71. Return to membership of retired former member.

(a) In the event that a retired former member should at any time return to membership service, his retirement allowance shall thereupon cease and he shall be restored as a member of the Retirement System.

(b) Upon his subsequent retirement, he shall be paid a retirement allowance determined as follows:

(1) For a member who earns at least three years' membership service after restoration to service, the retirement allowance shall be computed on the basis of his compensation and service before and after the period of prior retirement without restrictions; provided, that if the prior allowance was based on a social security leveling payment option, the allowance shall be adjusted actuarially for the difference between the amount received under the optional payment and what would have been paid if the retirement allowance had been paid without optional modification.

(2) For a member who does not earn three years' membership service after restoration to service, the retirement allowance shall be equal to the sum of the retirement allowance to which he would have been entitled had he not been restored to service, without modification of the election of an optional allowance previously made, and the retirement allowance that results from service earned since being restored to service; provided, that if the prior retirement allowance was based on a social security leveling payment option, the prior allowance shall be adjusted actuarially for the difference between the amount that would have been paid for each month had the payment not been suspended and what would have been paid if the retirement allowance had been paid without optional modification.

(3) Subdivision (2) of this section shall apply only to restored members whose initial retirement lasted for more than four calendar months. For restored members whose initial retirement lasted for four or fewer calendar months, subdivision (1) shall apply.

In the event of the termination or partial termination of the Retirement System or in the event of complete discontinuance of contributions under the Retirement System, the rights of all affected members to benefits accrued to the date of such termination, partial termination, or discontinuance, to the extent funded as of such date, or the amounts credited to the members' accounts, shall be nonforfeitable and fully vested. (1987, c. 177, s. 1(a), (b).)

Editor's Note. — Session Laws 1987, c. 177, s. 1(c), made this section effective upon the first day of the calendar month following the State's receipt of a favorable letter of determination or ruling from the Internal Revenue Service, United States Department of Treasury, that the Retirement Systems were qualified trusts under Section 401(a) of the Internal Revenue Code of 1954 as amended. A favorable letter was received prior to the enactment of c. 177.

§ 135-74. Internal Revenue Code compliance.

(a) Notwithstanding any other provisions of law to the contrary, compensation for any calendar year after 1988 in which employee or employer contributions are made and for which annual compensation is used for computing any benefit under this Article shall not exceed the higher of two hundred thousand dollars ($200,000) or the amount determined by the Commissioner of Internal Revenue as the limitation for calendar years after 1989; provided the imposition of the limitation shall not reduce a member's benefit below the amount determined as of December 31, 1988.

Effective January 1, 1996, the annual compensation of a member taken into account for determining all benefits provided under this Article shall not exceed one hundred fifty thousand dollars ($150,000), as adjusted pursuant to section 401(a)(17)(B) of the Internal Revenue Code and any regulations issued under the Code. However, with respect to a person who became a member of the Retirement System prior to January 1, 1996, the imposition of this limitation on compensation shall not reduce the amount of compensation which may be taken into account for determining the benefits of that member under this Article below the amount of compensation which would have been recognized under the provisions of this Article in effect on July 1, 1993.

Effective January 1, 2002, the annual compensation of a person, who became a member of the Retirement System on or after January 1, 1996, taken into account for determining all benefits accruing under this Article for any plan year after December 31, 2001, shall not exceed two hundred thousand dollars ($200,000) or the amount otherwise set by the Internal Revenue Code or determined by the Commissioner of Internal Revenue as the limitation for calendar years after 2002.

(b) Notwithstanding any other provisions of law to the contrary, the annual benefit payable on behalf of a member shall, if necessary, be reduced to the extent required by Section 415(b) and with respect to calendar years commencing prior to January 1, 2000, Section 415(e) of the Internal Revenue Code, as adjusted by the Secretary of the Treasury or his delegate pursuant to Section 415(d) of the Code. If a member is a participant under any qualified defined contributions plan that is required to be taken into account for the purposes of the limitation contained in Section 415 of the Internal Revenue Code, the annual benefit payable under this Article shall be reduced to the extent required by Section 415(e) prior to making any reduction under the defined contribution plan provided by the employer. However, with respect to a member who has benefits accrued under this Article but whose benefit had not commenced as of December 31, 1999, the combined plan limitation contained in Section 415(e) of the Internal Revenue Code shall not be applied to such member for calendar years commencing on or after January 1, 2000.

(c) On and after January 1, 1989, the retirement allowance of a member who has terminated employment shall begin no later than the later of April 1 of the calendar year following the calendar year that the member attains 70 1/2 years of age or April 1 of the calendar year following the calendar year in which the member terminates employment.

(d) This subsection applies to distributions made on or after January 1, 1993. Notwithstanding any other provision of the Plan to the contrary that would otherwise limit a distributee's election under this Article, a distributee may elect, at the time and in the manner prescribed by the Plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover. Provided, an eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of

substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of 10 years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net realized appreciation with respect to employer securities). Effective as of January 1, 2002, and notwithstanding the preceding sentence, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in Section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in Section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible. Provided, an eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Code, or a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. Effective on and after January 1, 2002, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Code and an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan. The definition of eligible retirement plan shall also apply in the case of a distribution to surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Internal Revenue Code, or a court-ordered equitable distribution of marital property, as provided under G.S. 50-30. Provided, a distributee includes an employee or former employee. Provided further, a direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee. Editor's Note. — Session Laws 2002-71, s. 9, provides, in part, that s. 8 of the act is effective when it becomes law (August 12, 2002), except that the changes in G.S. 135-74(b) become effective January 1, 2000.

Effect of Amendments. — Session Laws 2002-71, s. 8, added the third paragraph in subsection (a); in subsection (b), rewrote the first sentence, and added the last sentence; and rewrote subsection (d). See editor's note for effective date.

§ 135-75. Deduction for payments to certain employees' or retirees' associations allowed.

Any beneficiary who is a member of a domiciled employees' or retirees' association that has at least 2,000 members, the majority of whom are active or retired employees of the State or public school employees, may authorize, in writing, the periodic deduction from the beneficiary's retirement benefits a designated lump sum to be paid to the employees' or retirees' association. The authorization shall remain in effect until revoked by the beneficiary. A plan of deductions pursuant to this section shall become void if the employees' or retirees' association engages in collective bargaining with the State, any political subdivision of the State, or any local school administrative unit. (c) The Department of State Treasurer and the Board of Trustees shall have the full power and authority to adopt rules for the administration of the Plan not inconsistent with the provisions of this Article. The Department of State Treasurer and the Board of Trustees may appoint those agents, contractors, and employees as they deem advisable to carry out the terms and conditions of the Plan.

(d) The Department of State Treasurer and the Board of Trustees shall designate a Medical Board to be composed of not fewer than three nor more than five physicians not eligible for benefits under the Plan. § 135-104. Salary continuation.

(a) A participant shall receive no benefits from the Plan for a period of 60 continuous calendar days from the onset of disability determined as the last actual day of service, the day of the disabling event if the disabling event occurred on a day other than a normal workday, or the day succeeding at least 365 calendar days after service as a teacher or employee, whichever is later. These 60 continuous calendar days may be considered the waiting period before benefits are payable from the Plan. During this waiting period, a participant may be paid such continuation of salary as provided by an employer through the use of sick leave, vacation leave or any other salary continuation. Any such continuation of salary as provided by an employer shall not include any period a participant or beneficiary is in receipt of Workers' Compensation benefits.

(b) During the waiting period a participant may return to service for trial rehabilitation for periods of not greater than five continuous days of service. Such return to service will not cause a new waiting period to begin but shall extend the waiting period by the number of days of service. (1987, c. 738, s. 29(q); 1989, c. 717, s. 9; 1991 (Reg. Sess., 1992), c. 779, s. 2.)

CASE NOTES

Salary Continuation. — Because claimant had submitted an application for long-term disability and requested that he remain on the payroll until his accrued leave was exhausted, his request was sufficient exercise of his right to take salary continuation as a form of long-term disability payments, and because claimant was disabled prior to his termination, the trial court correctly ordered that claimant be compensated for the additional annual leave he would have accrued had he stayed on salary continuation through the end of his accrued annual leave. Williams v. North Carolina Dep't of Economic & Community Dev., 119 N.C. App. 535, 458 S.E.2d 750 (1995).

§ 135-105. Short-term disability benefits.

(a) **(Applies to persons vested on or before July 1, 2003)** Any participant who becomes disabled and is no longer able to perform his usual occupation may, after at least 365 calendar days succeeding his date of initial employment as a teacher or employee and at least one year of contributing membership service, receive a benefit commencing on the first day succeeding the waiting period; provided that the participant's employer and attending physician shall certify that such participant is mentally or physically incapacitated for the further performance of duty, that such incapacity was incurred at

the time of active employment and has been continuous thereafter; provided further that the requirement for one year of contributing membership service must have been earned within 36 calendar months immediately preceding the date of disability and further, salary continuation used during the period as provided in G.S. 135-104 shall count toward the aforementioned one year requirement.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an employer approved leave of absence and who is eligible for and in receipt of temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article.

(a) **(Applies to persons vested after July 1, 2003)** Any participant who becomes disabled and is unable to perform the duties of the participant's job or any other available jobs with the State may, after at least 365 calendar days succeeding his date of initial employment as a teacher or employee and at least one year of contributing membership service, receive a benefit commencing on the first day succeeding the waiting period; provided that the participant's employer and attending physician shall certify that such participant cannot perform the duties of the participant's job or any other jobs available with the State, that such incapacity was incurred at the time of active employment and has been continuous thereafter; provided further that the requirement for one year of contributing membership service must have been earned within 36 calendar months immediately preceding the date of disability and further, salary continuation used during the period as provided in G.S. 135-104 shall count toward the aforementioned one year requirement.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an employer approved leave of absence and who is eligible for and in receipt of temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article.

(b) The benefits as provided for in subsection (a) of this section shall commence on the first day following the waiting period and shall be payable for a period of 365 days as long as the participant continues to meet the definition of disability. However, a disabled participant may elect to receive any salary continuation as provided in G.S. 135-104 in lieu of short-term disability benefits; provided further, such election shall not extend the 365 days duration of short-term payments. An election to receive any salary continuation for any part of a given day shall be in lieu of any short-term benefit otherwise payable for that day, provided further, any lump-sum payout for vacation leave shall be treated as if the beneficiary or participant had exhausted the leave and shall be in lieu of any short-term benefit otherwise payable.

(c) The monthly benefit as provided in subsection (a) of this section shall be equal to fifty percent (50%) of 1/12th of the annual base rate of compensation last payable to the participant prior to the beginning of the short-term benefit period as may be adjusted for percentage increases as provided under G.S. 135-108 plus fifty percent (50%) of 1/12th of the annual longevity payment to which the participant would be eligible, to a maximum of three thousand dollars ($3,000) per month reduced by monthly payments for Workers' Compensation to which the participant may be entitled. The monthly benefit shall be further reduced by the amount of any payments from the federal Veterans Administration, any other federal agency, or any payments made under the provisions of G.S. 127A-108, to which the participant or beneficiary may be

entitled on account of the same disability. Provided, that should a participant have earnings in an amount greater than the short-term benefit, the amount of the short-term benefit shall be reduced on a dollar-for-dollar basis by the amount that exceeds the short-term benefit.

(d) The provisions of this section shall be administered by the employer and further, the benefits during the first six months of the short-term disability period shall be the full responsibility of and paid by the employer; Provided, further, that upon the completion of the initial six months of the short-term disability period, the employer will continue to be responsible for the short-term benefits to the participant, however, such employer shall notify the Plan, at the conclusion of the short-term disability period or upon termination of short-term disability benefits, if earlier, of the amount of short-term benefits paid and the Plan shall reimburse the employer the amounts so paid.

(e) During the short-term disability period, a beneficiary may return to service for trial rehabilitation for periods of not greater than 40 continuous days of service. Such return will not cause the beneficiary to become a participant and will not require a new waiting period or short-term disability period to commence unless a different incapacity occurs. The period of rehabilitative employment shall not extend the period of the short-term disability benefits.

(f) A participant or beneficiary of short-term disability benefits or his legal representative or any person deemed by the Board of Trustees to represent the participant or beneficiary, or the employer of the participant or beneficiary, may request the Board of Trustees to have the Medical Board make a determination of eligibility for the short-term disability benefits as provided in this section or to make a preliminary determination of eligibility for the long-term disability benefits as provided in G.S. 135-106. A preliminary determination of eligibility for long-term disability benefits shall not preclude the requirement that the Medical Board make a determination of eligibility for long-term disability benefits.

(g) The Board of Trustees may extend the short-term disability benefits of a beneficiary beyond the benefit period of 365 days for an additional period of not more than 365 days; provided the Medical Board determines that the beneficiary's disability is temporary and likely to end within the extended period of short-term disability benefits. During the extended period of short-term disability benefits, payment of benefits shall be made by the Plan directly to the beneficiary. (1987, c. 738, s. 29(q); 1989, c. 717, s. 10; 1989 (Reg. Sess., 1990), c. 1032, s. 1; 1991 (Reg. Sess., 1992), c. 779, s. 3; 1993 (Reg. Sess., 1994), c. 769, s. 7.30(t); 2003-284, s. 30.20(k).)

Subsection (a) Set Out Twice. — The first version of subsection (a) set out above is effective for persons vested on or before July 1, 2003. The second version of subsection (a) set out above is effective for persons vested after July 1, 2003.

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 49.5, is a severability clause.

Effect of Amendments. — Session Laws 2003-284, s. 30.20(k), effective July 1, 2003, and applicable only to persons who are not vested in the disability plan in question on July 1, 2003, in subsection (a), substituted "unable to perform the duties of the participants's job or any other available jobs with the State" for "no longer able to perform his usual occupation," and substituted "cannot perform the duties of the participant's job or any other jobs available with the State" for "is mentally or physically incapacitated for the further performance of duty."

§ 135-106. Long-term disability benefits.

(a) **(Applies to persons vested on or before July 1, 2003)** Upon the application of a beneficiary or participant or of his legal representative or any person deemed by the Board of Trustees to represent the participant or beneficiary, any beneficiary or participant who has had five or more years of membership service may receive long-term disability benefits from the Plan upon approval by the Board of Trustees, commencing on the first day succeeding the conclusion of the short-term disability period provided for in G.S. 135-105, provided the beneficiary or participant makes application for such benefit within 180 days after the short-term disability period ceases, after salary continuation payments cease, or after monthly payments for Workers' Compensation cease, whichever is later; Provided, that the beneficiary or participant withdraws from active service by terminating employment as a teacher or State employee; Provided, that the Medical Board shall certify that such beneficiary or participant is mentally or physically incapacitated for the further performance of duty, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent; Provided further that the Medical Board shall not certify any beneficiary or participant as disabled who is in receipt of any payments on account of the same incapacity which existed when the beneficiary first established membership in the Retirement System. The Board of Trustees may extend this 180-day filing requirement upon receipt of clear and convincing evidence that application was delayed through no fault of the disabled beneficiary or participant and was delayed due to the employers' miscalculation of the end of the 180-day filing period. However, in no instance shall the filing period be extended beyond an additional 180 days.

The Board of Trustees may require each beneficiary who becomes eligible to receive a long-term disability benefit to have an annual medical review or examination for the first five years and thereafter once every three years after the commencement of benefits under this section. However, the Board of Trustees may require more frequent examinations and upon the advice of the Medical Board shall determine which cases require such examination. Should any beneficiary refuse to submit to any examination required by this subsection or by the Medical Board, his long-term disability benefit shall be suspended until he submits to an examination, and should his refusal last for one year, his benefit may be terminated by the Board of Trustees. If the Medical Board finds that a beneficiary is no longer mentally or physically incapacitated for the further performance of duty, the Medical Board shall so certify this finding to the Board of Trustees, and the Board of Trustees may terminate the beneficiary's long-term disability benefits effective on the last day of the month in which the Medical Board certifies that the beneficiary is no longer disabled.

As to the requirement of five years of membership service, any participant or beneficiary who does not have five years of membership service within the 96 calendar months prior to conclusion of the short-term disability period or cessation of salary continuation payments, whichever is later, shall not be eligible for long-term disability benefits.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an

employer approved leave of absence and who is eligible for and in receipt of temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article.

(a) **(Applies to persons vested after July 1, 2003)** Upon the application of a beneficiary or participant or of his legal representative or any person deemed by the Board of Trustees to represent the participant or beneficiary, any beneficiary or participant who has had five or more years of membership service may receive long-term disability benefits from the Plan upon approval by the Board of Trustees, commencing on the first day succeeding the conclusion of the short-term disability period provided for in G.S. 135-105, provided the beneficiary or participant makes application for such benefit within 180 days after the short-term disability period ceases, after salary continuation payments cease, or after monthly payments for Workers' Compensation cease, whichever is later; Provided, that the beneficiary or participant withdraws from active service by terminating employment as a teacher or State employee; Provided, that the Medical Board shall certify that such beneficiary or participant is unable to perform any occupation for which the beneficiary or participant is reasonably qualified for by training or experience, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent; Provided further that the Medical Board shall not certify any beneficiary or participant as disabled who is in receipt of any payments on account of the same incapacity which existed when the beneficiary first established membership in the Retirement System. The Board of Trustees may extend this 180-day filing requirement upon receipt of clear and convincing evidence that application was delayed through no fault of the disabled beneficiary or participant and was delayed due to the employers' miscalculation of the end of the 180-day filing period. However, in no instance shall the filing period be extended beyond an additional 180 days.

The Board of Trustees may require each beneficiary who becomes eligible to receive a long-term disability benefit to have an annual medical review or examination for the first five years and thereafter once every three years after the commencement of benefits under this section. However, the Board of Trustees may require more frequent examinations and upon the advice of the Medical Board shall determine which cases require such examination. Should any beneficiary refuse to submit to any examination required by this subsection or by the Medical Board, his long-term disability benefit shall be suspended until he submits to an examination, and should his refusal last for one year, his benefit may be terminated by the Board of Trustees. If the Medical Board finds that a beneficiary is no longer unable to perform any occupation for which the beneficiary or participant is reasonably qualified for by training or experience, the Department of State Treasurer and the Board of Trustees may terminate the beneficiary's long-term disability benefits effective on the last day of the month in which the Medical Board certifies that the beneficiary is no longer disabled.

As to the requirement of five years of membership service, any participant or beneficiary who does not have five years of membership service within the 96 calendar months prior to conclusion of the short-term disability period or cessation of salary continuation payments, whichever is later, shall not be eligible for long-term disability benefits.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an employer approved leave of absence and who is eligible for and in receipt of

temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article.

(b) After the commencement of benefits under this section, the benefits payable under the terms of this section shall be equal to sixty-five percent (65%) of 1/12th of the annual base rate of compensation last payable to the participant or beneficiary prior to the beginning of the short-term disability period as may be adjusted for percentage increases as provided under G.S. 135-108, plus sixty-five percent (65%) of 1/12th of the annual longevity payment to which the participant or beneficiary would be eligible, to a maximum of three thousand nine hundred dollars ($3,900) per month reduced by any primary Social Security disability benefits and by monthly payments for Workers' Compensation to which the participant or beneficiary may be entitled. The monthly benefit shall be further reduced by the amount of any monthly payments from the federal Veterans Administration, any other federal agency or any payments made under the provisions of G.S. 127A-108, to which the participant or beneficiary may be entitled on account of the same disability. Provided, in any event, the benefit payable shall be no less than ten dollars ($10.00) a month. However, a disabled participant may elect to receive any salary continuation as provided in G.S. 135-104 in lieu of long-term disability benefits; provided such election shall not extend the first 36 consecutive calendar months of the long-term disability period. An election to receive any salary continuation for any part of any given day shall be in lieu of any long-term benefit payable for that day, provided further, any lump-sum payout for vacation leave shall be treated as if the beneficiary or participant had exhausted the leave and shall be in lieu of any long-term benefit otherwise payable. Notwithstanding the foregoing, upon the completion of four years from the conclusion of the waiting period as provided in G.S. 135-104, the beneficiary's benefit shall be reduced by an amount, as determined by the Board of Trustees, equal to a primary Social Security disability benefit to which the beneficiary might be entitled had the beneficiary been awarded Social Security disability benefits. Provided that, in any event, a beneficiary's benefit shall be reduced by an amount, as determined by the Board of Trustees, equal to a primary Social Security retirement benefit to which the beneficiary might be entitled.

Notwithstanding the foregoing, the long-term disability benefit is payable so long as the beneficiary is disabled until the earliest date at which the beneficiary is eligible for an unreduced service retirement allowance from the Retirement System, at which time the beneficiary would receive a retirement allowance calculated on the basis of the beneficiary's average final compensation at the time of disability as adjusted to reflect compensation increases subsequent to the time of disability and the creditable service accumulated by the beneficiary, including creditable service while in receipt of benefits under the Plan.

(c) Notwithstanding the foregoing, a beneficiary in receipt of long-term disability benefits who has earnings during the long-term disability period shall have his long-term disability benefit reduced when the sum of the net long-term disability benefit and the earnings equals one hundred percent (100%) of monthly compensation adjusted as provided under G.S. 135-108. The net long-term benefit shall mean the long-term benefit amount payable as calculated under (b) above, after the reduction for Social Security benefits to which the beneficiary might be entitled. The net long-term disability benefit shall be reduced dollar-for-dollar for the amount of earnings in excess of the one hundred percent (100%) monthly limit. Any beneficiary exceeding the earnings limitations shall notify the Plan by the fifth of the month succeeding the month in which the earnings were received of the amount of earnings in

excess of the limitations herein provided. Failure to report excess earnings may result in a suspension or termination of benefits as determined by the Board of Trustees.

(d) Notwithstanding the foregoing, a participant or beneficiary who has applied for and been approved by the Medical Board for long-term disability benefits may make an irrevocable election, within 90 days from the date of notification of such approval, and prior to receipt of any long-term disability benefit payments, to forfeit all pending and accrued rights to the long-term disability benefit including any ancillary benefits and retire on an early service retirement allowance or receive a return of accumulated contributions from the Retirement System. (1987, c. 738, s. 29(q); 1989, c. 717, s. 11; 1989 (Reg. Sess., 1990), c. 1032, s. 2; 1991 (Reg. Sess., 1992), c. 779, s. 4; 1993 (Reg. Sess., 1994), c. 769, s. 7.30(u); 2003-284, s. 30.20(l).)

Effect of Amendments. — Session Laws 2003-284, s. 30.20(l), effective July 1, 2003, and applicable only to persons who are not vested in the disability plan in question on July 1, 2003, in subsection (a), substituted "unable to perform any occupation for which the beneficiary or participant is reasonably qualified for by training or experience" for "mentally or physically incapacitated for the further performance of duty"; and in the second paragraph, substituted "unable to perform any occupation for which the beneficiary or participant is reasonably qualified for by training or experience, the Department of State Treasurer" for "mentally or physically incapacitated for the further performance of duty, the Medical Board shall so certify this finding to the Board of Trustees."

CASE NOTES

"Primary". — "Primary" as used in subsection (b) refers to benefits directly received by the disabled person as opposed to "secondary" benefits, which are derivative benefits that may be paid to a disabled worker's spouse, children, or family under certain circumstances. Willoughby v. Board of Trustees, 121 N.C. App. 444, 466 S.E.2d 285 (1996).

"Entitle". — "Entitle" has acquired no technical meaning, and therefore "entitle" must be given its ordinary meaning. Willoughby v. Board of Trustees, 121 N.C. App. 444, 466 S.E.2d 285 (1996).

Offset for Insurance Benefits Under Social Security. — Under G.S. 135-106(b), the amount of the offset should be the net insurance benefits under the Social Security Administration (SSA) after deduction of attorney's fees and costs associated with obtaining the disability insurance benefits from the SSA. Willoughby v. Board of Trustees, 121 N.C. App. 444, 466 S.E.2d 285 (1996).

Entitlement to Attorney Fees. — Since former employee's attorney has a right superior as against employee to the attorney's fee and since attorney must claim her fee directly from the Social Security Administration (SSA), employee was not entitled within the meaning of G.S. 135-106(b) to the amount statutorily reserved for the attorney's fee. Willoughby v. Board of Trustees, 121 N.C. App. 444, 466 S.E.2d 285 (1996).

Salary Continuation as a Form of Long-Term Disability. — Because claimant had submitted an application for long-term disability and requested that he remain on the payroll until his accrued leave was exhausted, his request was sufficient exercise of his right to take salary continuation as a form of long-term disability payments, and because claimant was disabled prior to his termination, the trial court correctly ordered that claimant be compensated for the additional annual leave he would have accrued had he stayed on salary continuation through the end of his accrued annual leave. Williams v. North Carolina Dep't of Economic & Community Dev., 119 N.C. App. 535, 458 S.E.2d 750 (1995).

§ 135-107. Optional Retirement Program.

Any participant of the Optional Retirement Program who becomes a beneficiary under the Plan shall be eligible to receive long-term disability benefits until the time the beneficiary would first qualify for an unreduced service retirement benefit had the beneficiary elected to be a member of the Teachers' and State Employees' Retirement System, and shall receive no service accruals as otherwise provided members of the Retirement System under the provisions of G.S. 135-4(y). (1987, c. 738, s. 29(q).)

§ 135-108. Post disability benefit adjustments.

The compensation upon which the short-term or long-term disability benefit is calculated under the provisions of G.S. 135-105(c) or G.S. 135-106(b) may be increased by any permanent across-the-board salary increase granted to employees of the State by the General Assembly and the benefits payable to beneficiaries shall be recalculated based upon the increased compensation, reduced by any percentage increase in Social Security benefits granted by the Social Security Administration times the amount used in the reduction of benefits for primary Social Security disability or retirement benefit as provided in G.S. 135-106(b). The provisions of this section shall be subject to future acts of the General Assembly. (1987, c. 738, s. 29(q); 2001-424, s. 32.32A.)

§ 135-109. Reports of earnings.

The Department of State Treasurer and Board of Trustees shall require each beneficiary to annually provide a statement of the beneficiary's income received as compensation for services, including fees, commissions, or similar items, income received from business, and benefits received from the Social Security Administration, the federal Veterans Administration, any other federal agency, under the North Carolina Workers' Compensation Act, or under the provisions of G.S. 127A-108. The benefit payable to a beneficiary who does not or refuses to provide the information requested within 60 days after such request shall not be paid a benefit until the information so requested is provided, and should such refusal or failure to provide such information continue for 240 days after such request the right of a beneficiary to a benefit under the Article may be terminated. (1987, c. 738, s. 29(q); 2003-359, s. 23.)

Effect of Amendments. — Session Laws 2003-359, s. 23, effective August 1, 2003, rewrote the section.

§ 135-110. Funding and management of funds.

(a) A trust fund is hereby created to which all receipts, transfers, appropriations, contributions, investment earnings and other income belonging to the Plan shall be deposited, and from which all benefits, expenses, and other charges against the Plan shall be disbursed. The Board of Trustees shall be the trustee of the funds created by this Article.

(b) The Board of Trustees shall on the basis of such economic and demographic assumptions duly adopted, determine and adopt a uniform percentage of compensation as is defined in Article 1 of this Chapter which would be sufficient to fund the benefits payable under this Article on a term cost method basis as recommended by an actuary engaged by the Board of Trustees. Such uniform percentage of compensation shall not be inconsistent with acts of the General Assembly as may be thereafter adopted.

(c) Each employer shall contribute monthly to the Plan an amount determined by applying the uniform percentage of compensation adopted by the Board of Trustees multiplied by the compensation of teachers and employees reportable to the Retirement System or the Optional Retirement Program. Such monthly contribution shall be paid by the employer from the same source of funds from which the compensation of teachers and employees are paid.

(d) The State Treasurer shall be the custodian of the funds and shall invest the assets of the fund in accordance with the provisions of G.S. 147-69.2 and G.S. 147-69.3. (1987, c. 738, s. 29(q).)

§ 135-111. Applicability of other pension laws.

Subject to the provisions of this Article, the provisions of G.S. 135-9, entitled "Exemption from taxes, garnishment, attachment, etc."; G.S. 135-10, entitled "Protection against fraud"; and G.S. 135-17, entitled "Facility of payment" shall be applicable to this Article and to benefits paid pursuant to the provisions of this Article. (1987, c. 738, s. 29(q).)

§ 135-112. Transition provisions.

(a) Any participant in service as of the date of ratification of this Article and who becomes disabled after one year of membership service will be eligible for all benefits provided under this Article notwithstanding the requirement of five years' membership service to receive the long-term benefit; provided, however, any beneficiary who receives benefits as a result of this transition provision before completing five years of membership service shall receive lifetime benefits in lieu of service accruals under the Retirement System as otherwise provided in G.S. 135-4(y).

(b) All benefit recipients under the former Disability Salary Continuation Plan provided for in G.S. 135-34 and the rules adopted thereto shall become beneficiaries under this Plan under the same provisions and conditions including the benefit amounts payable as were provided under the former Disability Salary Continuation Plan. Any benefit recipient under the former Disability Salary Continuation Plan who returns to service on or after January 1, 1988, who subsequently becomes disabled due to the same disabling condition within 90 days after restoration to service shall not become a participant of the Disability Income Plan but shall be entitled to a restoration of the disability benefit under the same provisions and conditions, including the benefit amounts payable, as were provided under the former Disability Salary Continuation Plan, and shall be entitled to make application for disability retirement benefits under the Retirement System under the same provisions and conditions as were provided members whose service terminated prior to January 1, 1988.

(c) Any person who retired on a disability retirement allowance from the Teachers' and State Employees' Retirement System prior to the effective date of this Article shall be entitled to apply for and receive any benefits that would have otherwise been provided under the Disability Salary Continuation Plan provided for in G.S. 135-34 and shall become beneficiaries under this Plan, under the same provisions and conditions, including the benefit amounts payable, as were provided under the former Disability Salary Continuation Plan. § 135-113. Reservation of power to change.

The benefits provided in this Article as applicable to a participant who is not a beneficiary under the provisions of this Article shall not be considered as a part of an employment contract, either written or implied, and the General Assembly reserves the right at any time and from time to time to modify, amend in whole or in part or repeal the provisions of this Article. (1987, c. 738, s. 29(q).)

§ 135-114. Reciprocity of membership service with the Legislative Retirement System and the Consolidated Judicial Retirement System.

Only for the purpose of determining eligibility for benefits accruing under this Article, membership service standing to the credit of a member of the Legislative Retirement System or the Consolidated Judicial Retirement System shall be added to the membership service standing to the credit of a member of the Teachers' and State Employees' Retirement System. However, in the event that a participant or beneficiary is a retired member of the Legislative Retirement System or the Consolidated Judicial Retirement System whose retirement benefit was suspended upon entrance into membership in the Teachers' and State Employees' Retirement System, such membership service standing to the credit of the retired member prior to retirement shall be likewise counted. Membership service under this section shall not be counted twice for the same period of time. (1993 (Reg. Sess., 1994), c. 769, s. 7.30(q).)
