Recommendations for additional funding to enforce youth employment laws and regulations are not needed at this time.

<sup>1</sup>G.S. 95-25.5(a) - No youth under 18 years of age shall be employed by any employer in any occupation without a youth employment certificate unless specifically exempted.

<sup>2</sup>G.S. 95-25.5(al) - During the regular school term, no youth under 18 years of age who is enrolled in school grade 12 or lower may be employed between 11 pm and 5 am when there is school for the youth the next day.

<sup>4</sup>G.S. 95-25.5(c) - No youth 14 or 15 years of age may be employed in any occupation except those determined by the U.S. Department of Labor to be permitted occupations; also defines acceptable work hours for 14 and 15 year olds.
