Letter to all interested parties

Subject: North Carolina Marriage and Family Therapy Licensure Board Filing Submission

RH CPAs writes to formally explain the circumstances surrounding the delayed financial statement audit of North Carolina Marriage and Family Therapy (“NCMFT”) for the year ended June 30, 2024. We acknowledge the audit report filing due date of October 31, 2024 and importance of timely submissions.

The delay in our audit report is due to the additional time necessary to address certain items with management that arose during our internal review process. These items are critical to ensuring the completeness and accuracy of our audit findings and, as such, it is imperative to address them properly before finalizing the report. We are actively working to resolve these matters and estimate that the audit report will be finalized and issued in the coming weeks.

We appreciate your understanding in this matter and assure you that we are working diligently to finalize the 2024 audited financial statements for submission by NCMFT. If you have any questions, please do not hesitate to contact Tia Jones at [tia@rh-accounting.com](mailto:tia@rh-accounting.com).

Sincerely,

*RH CPAs, PLLC*
