## **LEGISLATIVE REQUIREMENT**

### **SCHOOL HEALTH PERSONNEL REPORTS – GENERAL STATUTE 115C-316.2.**

- a) Definition. - For purposes of this section, the term "school health personnel" refers to school psychologists, school counselors, school nurses, and school social workers.
- b) Local Report. - No later than February 15 of each year, the superintendent of each local school administrative unit shall report the following information to the local board of education of the unit:
  - 1) The total number of each category of school mental health support personnel employed in the unit.
  - 2) The difference from the previous school year in the total number of each category of school mental health personnel employed in the unit.
- c) State Report. - No later than March 15 of each year, the Superintendent of Public Instruction shall report to the Joint Legislative Education Oversight Committee and the Fiscal Research Division the difference from the previous school year in the total number of each category of school mental health support personnel that are funded exclusively from the instructional support allotment in each local school administrative unit.

## **DATA COLLECTION METHOD**

This report was completed using the Certified Salary Report, which is composed of a combination of Licensure and Payroll data. The Non-Certified Salary Report was used to provide information on Non-Certified Schools Nurses that are not included in the Certified Salary Report. Previous years' submissions to the General Assembly used December pay period data; however, this report uses the November pay period to comply with Office of State Budget and Management as well as Fiscal Research Division requests. SL 2023-134 redirected the funding and corresponding positions from the Certified Instructional Support Personnel allotment (PRC 007) to the School Psychologist allotment, which has been renamed to School Health Personnel (PRC 006). PRC 006 is required to be excluded from this report.
