Re: Consultation on Fee for Production of Public Records  
State Board of Examiners of Electrical Contractors

Gentlemen:

Pursuant to G.S. 12-3.1, I write to request consultation regarding a fee change being published in the North Carolina Register.

By Notice of Text published in the April 3, 2017 edition of the North Carolina Register, by proposed rule 21 NCAC 18B.0110, the Board proposes to charge a \$25.00 fee for production of a license history report. This is an administrative fee to offset the cost of preparation of these reports. The typical inquiry on license status of individuals or firms will continue to be free and available on the Board website.

As rulemaking coordinator and counsel to the Board, I ask that you do not hesitate to contact me or Tim Norman, Executive Director of the Board, with any questions.

Sincerely yours,

YOUNG MOORE AND HENDERSON, P.A.
