Re: North Carolina General Statute §136-273

Dear Members:

N.C. General Statute §136-273 grants the North Carolina Ports Authority (the Authority) an exemption from certain requirements found in Chapter 133 and 143 of the General Statutes when it finds good cause to expedite the purchase of supplies, materials and equipment, and building contracts for a particular port facility. This statute further requires the Authority to report quarterly to the Joint Legislative Commission on Governmental Operations any building projects exceeding two hundred fifty thousand (\$250,000) dollars to which an exemption, as described above, was applied.

For the period July 1, 2018 to September 30, 2018 the Authority did not exercise its exemption.

Sincerely,
