I. ORDER OF BUSINESS

RULE 1. Rules controlling the Senate of North Carolina and its committees. – The following rules shall govern and control all actions and procedures of the Senate and its committees.

RULE 1.1. Emergencies. – In the event of a disaster, natural or otherwise, that precludes the General Assembly from meeting in the Legislative Building, the members will be notified by the President Pro Tempore where and when the Senate will convene.

RULE 2. Convening hour. – (a) The Presiding Officer shall take the Chair at the hour fixed by the Senate upon adjournment on the preceding legislative day and shall call the members to order. In case the Senate adjourned on the preceding legislative day without having fixed the hour of reconvening, the Senate shall reconvene on the next legislative day at 2:00 P.M.

(b) At the hour fixed by the Senate upon adjournment on the preceding legislative day, or at the hour to which the Senate has previously recessed on that same legislative day, and upon direction from the President Pro Tempore of the Senate or the Chair of the Committee on Rules and Operations of the Senate, the Principal Clerk of the Senate may convene the Senate for the purpose of announcing to the Chamber that the Senate stands in recess until a later, specified hour.

RULE 3. Opening the session. – The Presiding Officer shall, upon order being obtained, have the sessions of the Senate opened with prayer.

RULE 4. Convening and presiding in absence of **President.** – In the absence of the President, the President Pro Tempore or a Senator designated by the President Pro Tempore shall convene or reconvene the Senate and preside, and during such time shall be vested with all powers of the President of the Senate except that of casting a vote in case of a tie when the President Pro Tempore or the designated Presiding Officer has already voted on the question as a Senator. In the event of the absence of the President and President Pro Tempore at any time fixed for the reconvening of the Senate, the Senate shall be called to order by a member designated by the President Pro Tempore, or if no member is designated, by the Deputy President Pro Tempore of the Senate. If no member has been designated and the Deputy President Pro Tempore is also absent, the Senate shall be called to order by the Chair of the Committee on Rules and Operations of the Senate, who shall designate some member to act as Presiding Officer. The Principal Clerk of the Senate may convene the Senate for the purpose of notifying the Chamber that the Senate stands in recess pursuant to Rule 2(b) of these rules.

- **RULE 5. Quorum.** (a) A quorum consists of a majority of all the qualified members of the Senate.
- (b) When a lesser number than a quorum convenes, the Senators present may send the Sergeant-at-Arms or any person, for any or all absent Senators, as a majority of the Senators present determines.

RULE 6. Approval of Journal. – After the prayer, the Presiding Officer shall cause the Journal of the preceding day to be read and approved, unless the President Pro Tempore or, in the President Pro Tempore's absence, the Deputy President Pro Tempore of the Senate or some member of the Senate by motion sustained by a majority of the members present, has the reading thereof dispensed with and the same approved as written.

RULE 7. Order of business. – After approval of the Journal, the order of business shall be as follows:

II. CONDUCT OF DEBATE

RULE 8. Presiding Officer to maintain order. -

The Presiding Officer shall have general direction of the Hall of the Senate and shall be authorized to take such action as is necessary to maintain order. In case of any disturbance or disorderly conduct in the galleries or lobbies, the Presiding Officer shall have the power to order those areas cleared. In addition, the Presiding Officer shall, upon request by the President Pro Tempore, the Deputy President Pro Tempore, or the Chair of the Committee on Rules and Operations of the Senate, order those areas cleared.

RULE 9. (Reserved for future use).

RULE 10. Points of order. — (a) The Presiding Officer shall preserve order and decorum and proceed with the business of the Senate according to the rules adopted. The Presiding Officer shall decide all questions of order, subject to an appeal to the Chair of the Committee on Rules and Operations of the Senate, whose decision may be appealed to the Senate by any member, on which appeal no member shall speak more than once unless by leave of the Senate. A two-thirds vote of the membership of the Senate present and voting is necessary to sustain any appeal from the ruling of the Chair of the Committee on Rules and Operations of the Senate.

- (b) In the event the Senate Rules do not provide for or cover any point of order raised by any Senator, the rules of the United States House of Representatives shall govern.
- (c) When a Senator is called to order, that Senator shall take the assigned seat until the Presiding Officer determines whether that Senator was in order or not; if decided to be out of order, that Senator shall not proceed without the permission of the Senate; and every question of order shall be decided by the Presiding Officer, subject to an appeal to the Chair of the Committee on Rules and Operations of the Senate, whose decision may be appealed to the Senate by any Senator; and if a Senator is called to order for words spoken, the words to which an exception is made shall be immediately preserved by the Principal Clerk, so that the Presiding Officer, Chair of the Committee on Rules and Operations of the Senate, or Senate may be better able to judge the matter.

RULE 11. Debating and voting by Lieutenant Governor. – The Lieutenant Governor, as President of the Senate, being a Constitutional Officer, shall not have the right to debate any question or to address the Senate upon any proposition unless by permission of the majority of members present and shall have the right to vote only when there is a tie vote upon any question or election.

RULE 12. Obtaining recognition. – (a) When any Senator is about to speak in debate or deliver any matter to the Senate, that Senator shall rise and respectfully address the Presiding Officer. No member shall speak further until recognized by the Presiding Officer. The Presiding Officer shall recognize the first to rise and, when two or more members rise at the same time, the Presiding Officer shall name the member to speak, giving priority to the President Pro Tempore, the Deputy President Pro Tempore, or the Chair of the Committee on Rules and Operations of the Senate.

- (b) A Senator who has the floor may yield the floor to another Senator only for the purpose of allowing another Senator to state a question. Only the Presiding Officer may award the floor to any Senator.
- (c) A Senator who has obtained the floor may be interrupted only for the following reasons:
 - (1) A request that the member speaking yield for a question;
 - (2) A point of order; or
 - (3) A parliamentary inquiry.
- (d) When a Senator refers to a bill, the bill number and short title must be used.

RULE 13. (Reserved for future use).

RULE 14. Limitations on individual debate. – (a)

No Senator shall speak on the same reading more than (i) twice on the main question, (ii) 30 minutes for the first speech and 15 minutes for the second speech, and (iii) once on any motion or appeal, and then no longer than 10 minutes; provided, however, the President Pro Tempore, the Deputy President Pro Tempore, or the Chair of the Committee on Rules and Operations of the Senate may alter some or all of the limitations in this rule following consultation with the minority leader of the Senate and approval of the majority of the members present.

(b) With leave of the Senate, any member of the Senate may address the Senate from the well of the Senate.

RULE 15. Senatorial Statements. – A Senatorial Statement may be utilized by a Senator to recognize constituents and events of significance and when a Resolution is not permitted under Rule 40.1. A Senatorial Statement may not be used to explain a vote, debate a bill, or in any way disrupt the regular business of the Senate. A Senatorial Statement shall be in writing and in a form prescribed by the Chair of the Committee on Rules and Operations of the Senate. A Senatorial Statement shall

speak in the voice of the Senator submitting the Statement, is not a statement by the Senate, and is not subject to a vote by the Senate. A Senator may use a Moment of Personal Privilege under Rule 15.1 for a time not to exceed three minutes to read some or all of a Senatorial Statement provided the Presiding Officer determines the question raised in the Statement is one of privilege. Upon motion supported by a majority present and voting, a Senatorial Statement may be spread upon the Journal.

RULE 15.1. Moments of Personal Privilege. – (a) Upon recognition by the Presiding Officer for that purpose, any Senator may speak for a time not exceeding three minutes on a Moment of Personal Privilege.

(b) A Moment of Personal Privilege may not be used to explain a vote, debate a bill, or in any way disrupt the regular business of the Senate, nor shall such opportunities be used to solicit support or sponsors for any bill. The Presiding Officer shall determine if the question raised is one of privilege and shall, without the point of order being raised, enforce this rule, subject to an appeal to the Chair of the Committee on Rules and Operations of the Senate whose decision may be appealed to the Senate by any Senator, on which appeal no member shall speak more than once unless by leave of the Senate. A two-thirds vote of the membership of the Senate present and voting is necessary to sustain any appeal from the ruling of the Chair of the Committee on Rules and Operations of the Senate.

RULE 15.2. Explanation of vote. – Any Senator may explain that Senator's vote on any bill that day by obtaining permission of the Presiding Officer for that purpose. No more than three minutes shall be consumed in such explanation.

- **RULE 16. Final orders of business.** Senatorial Statements, Moments of Personal Privilege, and explanations of votes shall be the last orders of the Senate's business that day and explanations of votes shall be made after the final vote has been taken.
- **RULE 17. General decorum.** (a) Male Senators and male visitors shall not wear any head covering in the Senate Chamber while the Senate is in session, unless his religion requires his head to be covered. All persons on the Senate floor while the Senate is in session shall be dressed in business attire, including coat and tie for men.
- (b) No derogatory remark reflecting personally upon any Senator or Senators shall be in order upon the floor of the Senate unless preceded by a motion or resolution of censure.
- (c) When the Presiding Officer is putting a question, or a division by counting is in progress, no Senator shall walk out of or across the Chamber, nor when a Senator is speaking, pass between that Senator and the Presiding Officer.
- (d) When a motion to adjourn or for recess is affirmatively determined, no member or officer shall leave that member's or officer's place until adjournment or recess is declared by the Presiding Officer.
- (e) Smoking shall not be allowed in the Senate Chamber.
- (f) No remark soliciting the donation of funds for the support of any person or organization shall be in order upon the floor of the Senate, unless the remark has some relevance to a bill or resolution before the body. No article of any kind soliciting business or donations may be placed by any person anywhere in the Senate Chamber or in any Senate office.

- (g) The President Pro Tempore may authorize and provide for the broadcasting of Senate sessions via television or internet.
- (h) Reading of newspapers, magazines, periodicals, or books shall not be permitted while the Senate is in session. This rule does not prohibit the use of electronic devices, the use of quotations during debate or for personal privilege.
- (i) The operation of electronic devices whose sound cannot be muted is prohibited on the floor or in the gallery while the Senate is in session.
- (j) No member of the Senate shall place any item on another Senator's Chamber desk or in another Senator's office unless the item conspicuously displays the name of the Senator placing the item.
- (k) No person other than the member, the member's legislative assistant, or the Principal Clerk's office or staff under the direction of the Principal Clerk shall place any matter on the member's Chamber desk, then only materials relevant to the business of the Senate, or as allowed under subsection (j) of this rule.
- (1) Neither food nor beverage shall be permitted in the galleries.

III. MOTIONS

RULE 18. Motions generally. – Any motion shall be reduced to writing, if requested by the Presiding Officer or a Senator, and read by the Presiding Officer or Reading Clerk before the same is debated. Any motion may be withdrawn by the introducer at any time before decision or amendment. No motion relating to a bill shall be in order which does not identify the bill by its number and short title. Except as otherwise specifically provided in these rules, no second is required.

- **RULE 19. Motion; order of precedence.** When a question is before the Senate, no motion shall be received except those herein specified, which motions shall have precedence as follows:
 - (1) To adjourn.
 - (2) To resolve into the Committee of the Whole Senate.
 - (3) To lay on the table.
 - (4) For the previous question.
 - (5) To postpone indefinitely.
 - (6) To postpone to a certain day.
 - (7) To re-refer to a standing committee.
 - (8) To refer to a select committee.
 - (9) To amend.
- **RULE 20. Motions requiring a second.** The motions to adjourn, to resolve into the Committee of the Whole Senate, to lay on the table, and to call for the previous question shall be seconded and decided without debate.
- **RULE 21.** Motions to postpone to certain day and to commit. The respective motions to postpone to a certain day, to resolve into the Committee of the Whole Senate, or to commit to a standing or select committee shall preclude debate on the main question.
- **RULE 22. Motion to substitute.** Subject to Rule 19, a member may offer a motion to substitute to any motion, except the motions for the previous question, to table, to resolve into the Committee of the Whole Senate, or to adjourn. No motion to substitute shall be offered to a motion to substitute.
- **RULE 23.** Motion for previous question. (a) The previous question may be moved upon a pending single motion, any pending amendment or amendments, and/or the pending bill to its passage on that reading or all readings or the pending resolution to its adoption. An

authorized Senator moving the previous question shall specify to what the motion applies. Unless specified, the motion shall be deemed to apply to the current question.

- (b) The previous question shall be as follows: "Shall the main question be now put?" and until it is decided shall preclude all amendments and debate. If this question is decided in the affirmative, the "main question" shall be on the passage of the bill, resolution, or other matter under consideration; but when amendments are pending, the question shall be taken upon such amendments in their inverse order, without further debate or amendment.
- (c) Only one of the following Senators may move the previous question:
 - (1) The chair of the committee submitting the report on the bill or other matter under consideration;
 - (2) The member introducing the bill or other matter under consideration:
 - (3) The member in charge of the measure, who shall be designated by the chair of the committee reporting the same to the Senate at the time the bill or other matter under consideration is reported to the Senate or taken up for consideration;
 - (4) The Chair of the Committee on Rules and Operations of the Senate; or
 - (5) The President Pro Tempore.

RULE 24. Motion to reconsider. – (a) When a question has been once put and decided, any Senator who voted in the majority may move to reconsider the vote thereof. No motion for reconsideration shall be in order unless made on the same day or on the next legislative day on which the vote took place. When the next legislative day has by motion of the Senate been restricted as to matters which may be considered, a motion to reconsider shall be in order on the next succeeding day upon which regular business is conducted. No question shall be reconsidered more than once.

- (b) Notwithstanding subsection (a) of this rule, a motion to reconsider is in order at any time if made by the Chair of the Committee on Rules and Operations of the Senate or the President Pro Tempore for the sole purpose of correcting grammatical errors in bills in the possession of the Senate.
- (c) If a bill has gone out of the possession of the Senate and a motion to reconsider under these rules is passed, the bill shall not be enrolled unless it again passes third reading. The Principal Clerk shall notify the House of Representatives and the Enrolling Clerk of any action under this subsection.

RULE 24.1. Motion to adjourn; motion to stand in recess; standard stipulations. – A motion to adjourn or stand in recess shall be subject to receipt and referral of committee reports, the introduction of bills, referral and re-referral of bills, reading of Senatorial Statements, receipt of House messages, ratification of bills, announcement of committee assignments, and messages from the Governor.

A Senator may request that a motion to adjourn be made in honor or in memory of a person or an event of significance. The request shall be in writing and shall be submitted to the Chair of the Committee on Rules and Operations of the Senate on the day prior to the day the motion to adjourn is to be made.

IV. VOTING

RULE 25. Use of electronic voting system. – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

- (1) All questions on which the Constitution of North Carolina requires that the ayes and noes be taken and recorded on the Journal;
- (2) All questions on which a call for the ayes and noes under Rule 26(b) has been sustained:

- (3) Second and third readings of bills proposing amendment of the Constitution of North Carolina; and
- (4) The vote on approval of a bill that was vetoed by the Governor.
- (b) Votes on the following questions shall be taken on the electronic voting system, and the resulting totals shall be recorded on the Journal:
 - (1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading, and all conference reports on public bills.
 - (2) Any other question upon direction of the Presiding Officer or upon motion of any Senator supported by one-fifth of the Senators present.
- (c) When the electronic voting system is used, the Presiding Officer shall fix and announce the time, not to exceed one minute, which shall be allowed for voting on the question before the Senate. The system shall be set to lock automatically and to record the vote when that time has expired. Once the system has locked and recorded a vote, the vote shall be printed by the system.
- (d) The voting station at each Senator's desk in the Chamber shall be used only by the Senator to whom the station is assigned. Under no circumstances shall any other person vote at a Senator's station. It is a breach of the ethical obligation of a Senator either to request that another vote at the requesting Senator's station or to vote at another Senator's station. The Presiding Officer shall enforce this rule without exception.
- (e) When the electronic voting system is used, the Presiding Officer shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; _____ seconds will be allowed for voting on this question; the Clerk will record the vote."

 After the machine locks and records the vote, the

Presiding Officer shall announce the vote and declare the result, and no member may vote thereafter.

- (f) One copy of the machine printout of the vote record shall be filed in the Office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.
- (g) When the Presiding Officer ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, the Presiding Officer shall announce that fact to the Senate, and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the Senate require a call of the ayes and noes, the Clerk shall call the roll of the Senate, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All other votes shall be taken as prescribed in Senate Rule 26. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Presiding Officer shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the Senate.
- (h) For the purpose of identifying motions on which the vote is taken on the electronic system (the identification codes having no relation to the order of precedence of motions), the motions are coded as follows:
 - (1) To lay on the table.
 - (2) To resolve into the Committee of the Whole Senate.

A fiscal note attached to a bill, amendment, or resolution pursuant to this subsection is not a part of the bill, amendment, or resolution and is not an expression of legislative intent proposed by the bill, amendment, or resolution.
- (d) If a committee reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by

The published calendar shall include all bills reported favorably from committees, or placed on the calendar on motion, and shall include the bill number and short title of each bill on the calendar.

RULE 49. Consideration of gubernatorial nominations or appointments. - When received by the Principal Clerk, written notice of a gubernatorial nomination or appointment that requires confirmation by the General Assembly or the Senate shall be read in session and shall be referred by the Chair of the Committee on Rules and Operations of the Senate, or in the Chair's absence the President Pro Tempore of the Senate, to the appropriate Senate committee. The Chair of the Committee on Rules and Operations of the Senate may file an appropriate resolution for consideration of the nomination or appointment. For statewide or at-large nominations or appointments, the Principal Clerk shall transmit a copy of the notice of nomination or appointment to the Senator or Senators representing the county in which the nominee or appointee resides. For nominations or appointments of persons to represent a particular district or region of the State, the Principal Clerk shall transmit a copy of the notice of nomination or appointment to the Senator or Senators representing all or a portion of the particular district or region to be represented. The chair of the Senate committee receiving referral of any nomination or appointment shall determine the procedure by which the committee shall consider that nomination or appointment and may make a report of its recommendation to the Senate.

RULE 50. Third reading requirements. – No bill on its third reading shall be acted upon out of the regular order in which it stands on the calendar, and no bill shall be acted upon on its third reading the same day on which it passed its second reading, unless so ordered by three-fifths of the membership of the Senate present and voting.

RULE 51. Special orders. – Any bill or other matter in consideration before the Senate may be made a special order for a subsequent day or hour by a vote of the majority of the Senators voting, and if action on the bill is not completed on that day, it shall be returned to its place on the calendar, unless it is made a special order for another day; and when a special order is under consideration it shall take precedence over any special order or subsequent order for the day, but such subsequent order may be taken up immediately after the previous special order has been disposed of.

RULE 52. Procedure when necessary number of Senators not present. – If, on taking the question on a bill, it appears that a constitutional quorum is not present, or if the bill requires a vote of a certain proportion of all the Senators to pass it, and it appears that such number is not present, the bill shall be again read and the question taken thereon; if the bill fails a second time for the want of the necessary number being present and voting, the bill shall not be finally lost but shall be returned to the calendar in its proper order.

RULE 53. Effect of defeated measure. — (a) After a bill has been tabled, or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject matter shall not be embodied in any other measure. After an amendment has been tabled or defeated on the Senate floor, the contents of such amendment or the principal provisions of its subject matter shall not be embodied in any other measure. If a substitute amendment is adopted on the floor, the contents of the previously pending amendment which are not contained in the substitute shall be considered to have been defeated. Upon the point of order being raised and sustained by the Presiding Officer, such measure shall be

laid upon the table and shall not be taken therefrom except by a two-thirds vote of the membership of the Senate present and voting: Provided, no local bill shall be held by the Presiding Officer as embodying the provisions of, or being identical with, any statewide measure which has been laid upon the table or failed to pass any of its readings.

- (b) When a bill has been postponed indefinitely by the Senate, the bill shall lie upon the table and shall not be taken therefrom except by a two-thirds vote of the membership of the Senate present and voting.
- **RULE 54. Taking bill from table.** No bill which has been laid upon the table shall be taken therefrom except by a two-thirds vote of the membership of the Senate present and voting.
- **RULE 54.1. Bill title.** The title of each bill shall adequately and fairly reflect its subject matter.
- **RULE 55.** Amending titles of bills. When a bill is materially modified or the scope of its application extended or decreased, or if the county or counties to which it applies is changed, the title of the bill shall be changed by the committee having it in charge or by the Principal Clerk, so as to indicate the full purport of the bill as amended and the county or counties to which it applies.
- **RULE 56.** Corrections of typographical errors in bills. The Enrolling Clerk is authorized to make corrections of typographical errors in the text of bills at any time prior to ratification. Before the correction is made, the Enrolling Clerk shall have the approval of the Chair of the Committee on Rules and Operations of the Senate or, in the Chair's absence, the Vice-Chair of said Committee, the President Pro Tempore, or the Deputy President Pro Tempore.

- RULE 56.1. Amendments and committee substitutes adopted by the House to bills originating in the Senate. (a) Whenever the House has adopted an amendment or a committee substitute for a bill originating in the Senate, and has returned the bill to the Senate for concurrence in that amendment or committee substitute, the Senate may not concur in that amendment or committee substitute until the next legislative day following the day on which the Senate receives that measure, unless otherwise calendared by the President Pro Tempore or the Chair of the Committee on Rules and Operations of the Senate pursuant to Rule 47.
- (b) The Chair of the Committee on Rules and Operations of the Senate, (or in that Chair's absence the President Pro Tempore) may, or upon motion supported by a majority of the membership of the Senate present and voting shall, refer the bill to an appropriate committee for consideration of the amendment or committee substitute.
- (c) The Presiding Officer shall, in placing the bill on the calendar, rule whether the amendment or committee substitute is a material amendment under Article II, Section 23, of the State's Constitution. If the measure is referred to committee, the committee shall:
 - (1) Report the bill with the recommendation either that the Senate do concur or that the Senate do not concur; and
 - (2) Advise the Presiding Officer as to whether or not the amendment or committee substitute is a material amendment under Article II, Section 23, of the State's Constitution.
- (d) If the amendment or committee substitute for a bill is not a material amendment, the question before the Senate shall be concurrence. In the event there is more than one House amendment, the question shall be concurrence in all the House amendments, and the question may not be divided, notwithstanding Rule 28.

The question that shall be put before the Senate by the Presiding Officer shall be: "Does the Senate concur in the House amendments (committee substitute) to S.B. ?".

- (e) If the amendment or committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the Senate shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.
- (f) No committee substitute adopted by the House to a bill originating in the Senate may be amended by the Senate.

RULE 57. Conference committee. - The President Pro Tempore of the Senate, or in the President Pro Tempore's absence, the Deputy President Pro Tempore, upon motion, may appoint a conference committee when the Senate fails to concur in amendments or committee substitutes put by the House to a bill originating in the Senate, or when the House of Representatives fails to concur in amendments or committee substitutes put by the Senate to a bill originating in the House. Senate conferees shall include the primary sponsor of the bill. In considering the bill committed to the conferees, only such matters as are germane to the bill shall be considered by the conferees, and the conference report shall deal only with such matters. The matters referred to the conference committee by the conference committee chairs shall go to and be considered by the conferees appointed by the Senate and the House of Representatives. While the bill is in conference committee, the Senate's position shall be determined by a majority of the Senate conferees. Upon agreement by the Senate and House of Representatives, a conference report shall be drafted reflecting the matters considered and agreed upon by the conferees. The conference report shall not be amended. A conference report in order under this Rule when reported to the Senate shall be calendared for consideration of the question of adoption on any date specified by the Chair of the Committee on Rules and Operations of the Senate, or in the absence of the Chair, by the President Pro Tempore. In the absence of any such specification it shall be calendared for the next legislative day.

- **RULE 57.1. Germaneness of amendment or committee substitute.** (a) All floor amendments shall be germane to the subject matter of the measure under consideration. The question of germaneness of the proposed floor amendment is in order at any time the measure is before the body prior to final action on its adoption.
- (b) In committee, the germaneness of amendments or committee substitutes shall be determined by the chair of the committee in which such amendments or committee substitutes are offered.
- **RULE 58.** Certification of passage of bills. The Principal Clerk shall certify the passage of bills by the Senate, with the date thereof, together with the fact whether passed by vote of three-fifths or two-thirds of the membership of the Senate present and voting, whenever such vote may be required by the Constitution or laws of the State.
- RULE 59. Transmittal of bills to House. No bill shall be sent from the Senate on the day of its passage except on the last day of the session, unless otherwise ordered by a majority vote of the membership of the Senate present and voting.

- (b) Upon a veto message's being read in the Senate, the Chair of the Committee on Rules and Operations of the Senate shall either refer the bill and the Governor's objections and veto message to committee or place the bill on the calendar for a day certain. The Chair of the Committee on Rules and Operations of the Senate or the Chair's designee shall give the Senate Minority Leader at least 24 hours' notice that a vetoed bill may be considered by the Senate.
