MEMORANDUM

TO: Members of the General Assembly
FROM: Kara McCraw, Director of the Legislative Analysis Division *KAM*
RE: Bills Crossover List - 2025

Attached is a list of bills meeting the May 8, 2025, "crossover" deadline. This is the date by which most bills must pass from one chamber to the other in order to be eligible for consideration for the remainder of this regular session. These bills have passed one chamber and been received by or ordered sent to the other chamber. They have not been defeated in the other chamber. This list also includes bills returned to the chamber of origin for further consideration.

Click on the bill number in the list to view the current status on the General Assembly website at www.ncleg.gov.

House and Senate rules exempt several categories of bills from this deadline such as appropriations, revenue, and elections. This list does not include those bills unless they passed from one chamber to the other by May 8. Any bill not on the attached list must be analyzed individually to determine if it is subject to the crossover deadline.

Following are the full crossover guidelines and exceptions.

House Rules for Senate Bills

A Senate bill or resolution not otherwise exempt must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 8, 2025, in order to be eligible for consideration by the House during the rest of the 2025 and 2026 Regular Sessions. See House Rule 31.1(e). (H. Res. 563).

The following legislation is exempt from this House crossover deadline (House Rule 31.1(e)):

1. Bills that must be re-referred to the House Appropriations or Finance committees under Rule 38;
2. Bills providing for action on gubernatorial nominations or appointments;
3. Bills providing for action on appointments by the General Assembly pursuant to G.S. 120-121;
4. Bills providing for amendments to the North Carolina Constitution;
5. Bills containing statutory amendments necessary to implement proposed amendments to the North Carolina Constitution;
6. Bills establishing districts for Congress or State or local entities;
7. Bills addressing election laws;
8. Bills ratifying an amendment or amendments to the U.S. Constitution; or

9. Adjournment resolutions.

Senate Rules for House Bills

A House bill or resolution not otherwise exempt must be received and read on the floor of the Senate as a message from the House no later than Thursday, May 8, 2025 in order to be eligible for consideration by the Senate during the rest of the 2025 and 2026 Regular Sessions. See Senate Rule 41 (S. Res. 1).

The following legislation is exempted from the Senate crossover deadline (Senate Rule 41):

1. Bills that must be referred to the Committee on Finance or the Committee on Appropriations/Base Budget by Rule 42;
2. Bills providing for action on gubernatorial nominations or appointments;
3. Bills providing for action on appointments by the General Assembly pursuant to G.S. 120-121;
