**Subject:** Atlantic Coast Pipeline Programmatic Agreement

Mr. Swearingen:

I would like to recall our signature page on the Atlantic Coast Pipeline Programmatic Agreement. I signed this form by mistake.

I was in the field all day on Friday and arrived back at my desk late to find a number of forms waiting for my signature. One stack held items upon which I had been briefed and had reviewed. Other items were near it. The ACP Programmatic Agreement was then inadvertently signed as I headed out the door to make another appointment.

I am sorry for this misunderstanding.

Sincerely,

Kevin Cherry

Good morning,

FERC has received comments from all signatories to the revised Programmatic Agreement (PA) for the Atlantic Coast Pipeline and Supply Header Projects circulated January 5, 2018. We have incorporated all comments into the PA to the greatest extent practicable and we appreciate your input. We therefore request your agency or entity's signature to the attached. Please sign the appropriate signature block via hard copy; and scan to .pdf and return via email to Ellen Armbruster and myself. Upon receipt of the signature of all signatories FERC will compile and distribute the executed PA. FERC has signed the attached version.

Thank you for your continued assistance and review,

Kevin
