Sorry we are playing phone tag. Due to weather, I need to possibly reschedule Lynn Goode's phone call to tomorrow afternoon. Who is best person to contact?

I can let her know. Or you can call her.

Whichever you prefer

I will let her know.

They have a business council call at noon. Perhaps they can talk afterwards at 2pm. Can you see if that works for her

She will not be at business council. David Fountain is

She will not be at business council. David Fountain is coming for her.

Most people are calling in. Can they talk by phone at 2pm?

The call is 1 hour

Here is the issue: Why does it seem that approval of the Atlantic Coast Pipeline is dragging. How can we move it along. We have had a number of discussions with Eudy and slow progress.

I think they can discuss. Just we need him talking about weather in the am. Expecting more snow here

Can she do 2pm?

Checking.

Or 3pm

She is open after 4 pm.

Perfect! Thanks. I will have scheduler confirm details in the am. Thank you.

Ok
