Thanks.
My POCs are out already so I'll need to get this directly from Marcus. Can I tell him why you're asking?
Trying to negotiate wit your friends over ACP. Wanna have the number of projects in my hip pocket.
Got it
With friends like these...
So far from three companies: 8+7+5. Still waiting on Strata. Even with their number it won't be a complete list, there are other companies whose data I don't have access to
