Dr. Cherry,

Thank you for your reply and response to the request for interview.

While I understand that there is a concern with private interviews, does that preclude an interview in the presence of the Department of Natural and Cultural Resources counsel?

Please advise and then we'll move forward with the necessary follow-up.

Again, thank you.

Kevin

Dear Mr. Greene:

Thank you for contacting me.

I have been advised that state employees in the administration should not participate in private interviews with Eagle Intel Services regarding this matter. The Department of Natural and Cultural Resources is committed to being open and transparent in providing the subcommittee of the General Assembly with the information reasonably necessary to conduct its investigation.

Again, I hope you understand.

Sincerely,

Kevin Cherry

Dr. Cherry,

I'm an investigator contracted by the NCGA to gather information regarding the permitting process for the Atlantic Coast Pipeline. It's my understanding that a Programmatic Agreement (PA) was issued during the process. I would like a few minutes of your time to discuss the purpose and issuance of the PA.

If you'd like to propose a couple of dates and times via email response or just give me a call to coordinate schedules, I'd really appreciate it.

Thank you in advance for your time and consideration in this matter.

Kevin
