90 Enrollment Funding - Student Credit Hour Change Factor

Adjusts funds provided to The University of North Carolina (UNC) constituent institutions, as determined by the enrollment funding model, which factors in the change in resident student credit hours. The adjustment for FY 2023-24 reflects a 2.9% decline in resident student credit hours from 2022 to 2023.

91 Enrollment Funding - Performance-Weighted Factor

Adjusts funds provided to UNC constituent institutions, as determined by the enrollment funding model, which factors in performance outcomes for certain metrics related to student success, affordability, and productivity.

92 Enrollment Funding - Cap on Enrollment Funding Losses

Provides funds to mitigate a portion of the enrollment funding loss experienced by UNC constituent institutions. Funding provided for this purpose ensures that no UNC constituent institution experiences more than a 4.5% decline in their student credit hour enrollment factor compared to the certified budget over the past 2 years.

93 UNC Laboratory Schools

Adjusts funds provided to support the UNC laboratory school program in proportion to the decrease in the number of laboratory schools in operation, which will decline from 9 to 8 in FY 2023-24. The revised net appropriation for this purpose is \$4.0 million in each year of the biennium.

94 University Cancer Research Fund

Provides additional funds to the University Cancer Research Fund, which is a special fund to support cancer research at UNC Health and the Lineberger Comprehensive Cancer Center. The additional funding provided for this purpose is intended to replace receipts previously budgeted from other tobacco product tax collections. The revised net appropriation for this purpose is \$59.5 million in each year of the biennium.

95 Faculty Retirement Incentive Program

Provides funds to the UNC Board of Governors (BOG) to implement the Faculty Retirement Incentive Program to offer financial retirement incentives to tenured faculty, with priority given to institutions most impacted by changing enrollment patterns.

96 Rural Residency Medical Education and Training Fund

Provides funds for the UNC BOG to establish the UNC System Medical Education and Training Fund. Funding provided for this purpose shall support training and residency programs associated with ECU Health, UNC Health, and UNC constituent institution medical schools and health affairs programs.

97 Rural Health Care Stabilization Program

Budgets receipts transferred from the ARPA Temporary Savings Fund to the UNC BOG to allocate to the Rural Health Care Stabilization Program, which provides loans to eligible hospitals located in rural areas of the State that are in financial crisis

98 NC Care Community Hospitals

Provides funds to the UNC BOG to allocate to support UNC Health and ECU Health community hospitals. Funding provided for this purpose shall be used to include the hospitals into North Carolina Care (NC Care), a new rural health initiative focused on developing regional centers of care.

99 NC Care Clinically Integrated Network

Budgets receipts transferred from the ARPA Temporary Savings Fund to the UNC BOG to allocate to UNC Health to form a clinically integrated network (CIN) with ECU Health. Funding provided for this purpose is intended to connect UNC Health and ECU Health providers and facilities under the same CIN in support of the NC Care initiative.

100 Distinguished Professors Endowment Trust Fund

Provides funds to the Distinguished Professors Endowment Trust Fund to address the backlog in State funds needed to match private donations supporting endowed professorships in science, technology, engineering, and math (STEM) fields.

101 Completion Assistance Program

Provides funds to the UNC BOG to allocate to Elizabeth City State University (ECSU), Fayetteville State University (FSU), North Carolina Agricultural and Technical State University (NC A&T), North Carolina Central University (NCCU), The University of North Carolina at Asheville (UNCA), The University of North Carolina at Pembroke (UNCP), and Winston-Salem State University (WSSU) to provide aid to students who are on track to graduate but at risk of dropping out because of financial shortfalls.

102 UNC Health Southeastern - Campbell University Residency Programs

Budgets receipts transferred from the ARPA Temporary Savings Fund to the UNC BOG to allocate to UNC Health. Funding provided for this purpose shall be used for UNC Health Southeastern to support residency programs affiliated with the Campbell University School of Medicine.

103 Systemwide Cybersecurity

Provides funds for a systemwide approach to central log management, network monitoring, endpoint detection and response, and other cybersecurity operational needs.

104 Information Technology Rates

Adjusts funding based on FY 2023-24 and FY 2024-25 Department of Information Technology rates. This amount reflects the net impact of the change in subscription rates and the change in service delivery rates.

Provides funds to the Collaboratory to create academic research partnerships with North Carolina businesses that work in next-generation energy fields.

117 Opioid Remediation Research and Development

Budgets receipts from the Opioid Abatement Fund to the Collaboratory for competitive grants to UNC constituent institutions for opioid abatement research and development projects.

118 School of Civic Life and Leadership

Provides academic start-up funds to UNC-CH to create and operate a new School of Civic Life and Leadership. Funding provided for this purpose shall support development of the school, the initial hiring of faculty and staff, and an expansion of the curricular work of the existing Program for Public Discourse.

119 Recovery Court Study

Budgets receipts from the Opioid Abatement Fund to the Collaboratory to study existing judicially managed accountability and recovery courts and the potential for statewide implementation.

120 FerryMon Water Monitoring

Budgets receipts from the State Emergency Response and Disaster Relief Fund (SERDRF) to the Collaboratory for the continuation of a ferry-based water quality monitoring system.
